

Billionaire CEO Won't Leave

Chapter 320

Bai nianxi wondered why Gao Yu would ask such a question, but he still thought about it seriously. The last physiological period seemed to be more than two months ago?

Her physiological period has always been irregular. In addition, there are too many things happening during this period, and her work is also busy, so she didn't notice it.

After Bai nianxi answers, Gao Yu's face becomes more and more strange. He even looks at Bai nianxi with a light look.

But from what he learned about Bai nianxi in Shen Hedan, there should be no such possibility.

"What's the matter?"

Gao Yu shook his head. "I'm not sure, but it's a matter of great importance. I don't have enough equipment here. In order to get accurate results, Miss Bai may need to go to the hospital."

"but I have an important meeting later" Bai nianxi's face is a little bit embarrassed, because she can't let go of Gao Yu's saying that it's important.

"Well, I'll go to the company first. After the meeting, I'll go to the hospital for examination. When the examination is finished, I'll send the results to you."

what else did Gao Yu want to say? After all, he didn't say anything. He just nodded and said: "the earlier Miss Bai checks, the better."

today, mu Rushuang came to the hospital for re examination, accompanied by Kang Mobei.

The doctor first examined the amputation wound of Mu Rushuang's left leg, and then nodded his head with satisfaction. Miss Mu's wound is recovering very well. She looks very beautiful."

what the doctor said was true and kind, but mu Rushuang's face changed when she heard the word "beautiful" from the doctor.

These two words are used to describe once elegant, generous and complete her, but now she, who has lost one leg, once again accepted such praise from others, it has become a great irony.

What's more, the doctor said that the wound of her amputation recovered very well.

Oh, beautiful?

The big scar on the mouth of the bowl, where the cold scalpel cut off her leg, beautiful? What's the use of being beautiful? No legs!

Conmber nodded faintly, \ "thank you. \"

the doctor didn't find the abnormality on mu Rushun's face. She restrained her emotion and hid it well.

After a few words of explanation, the doctor turned and left. He was the most respected old professor and doctor in the academic circle of a city, and then there was a difficult heart operation. It was already a big talent to let him follow up the follow-up treatment of Mu Rushuang's amputation.

After the doctor left, kangmobei also pushed mu Rushuang out of the clinic.

When walking to the hospital hall, a nurse hurried by. She walked too fast and ran into a woman who suddenly came out of the hospital. The woman was knocked down on the ground, and the test sheet in her hand just floated down at the foot of commo north.

It's like providence. Conmber stopped in time to avoid stepping on it.

\ "I'm sorry, are you ok? \ "The nurse bent down and lifted up the woman on the ground.

Meanwhile, conmber bent down and picked up the test sheet on the ground.

It's a gynecological examination list. Conmobei glanced at it inadvertently. There are two small B-ultrasound pictures on the list. The diagnosis results below are very obvious. \ "

without looking at it carefully, Kang Mobei handed out the test sheet in his hand, but he was stunned when he saw the nurse lift Bai nianxi who fell to the ground.

Is that her? She's here, too?

Bai nianxi also saw Kang Mobei. At the moment, she was pale and looked at Kang Mobei without blinking. He even saw the panic in her eyes.

Seems to think of something, the North Adam's apple rolling, eyes down to the hands of the test sheet.

The name on it is Bai nianxi.

Bai nianxi, pregnant.

Kangmobei seems to be very difficult to move his eyes, looking at Bai nianxi again. For a moment, his mind roared.

Mu Rushuang is also stunned at the moment when she sees Bai nianxi's appearance. Then she notices that Kang Mobei and Bai nianxi are passing on the changeable mood.

Mu Rushuang's face darkened in an instant, but he managed to pull out a smile and said: "Miss Bai, are you ok? \"

as if Bai nianxi had not heard mu Rushun's words, he stood in the same place and looked at kangmobei motionless.

There was anger rising in her heart. Mu Rushuang squeezed her finger tightly and held it down. She turned her head and looked at kangmobei. "Mobei, did you take Miss Bai's list? \"

Kang Mobei didn't speak either. His eyes were fixed on Bai nianxi.

It's like telling a story that's hard to say.

These two people, take her as air?!

Mu Rushuang almost savagely snatched the test sheet from the north of Kangmo, took a look in his hand, and then his face gradually changed.

Is Bai nianxi pregnant?

Looking at Bai nianxi's eyes also with exploration and strange, Bai nianxi actually pregnant? Whose child is it? As far as she knows, kangmobei has never been in close contact with Bai nianxi, let alone let Bai nianxi be pregnant with his child. Whose child is that?

Bai nianxi, with which man?

Thousands of thoughts flashed from my heart, mu Rushun didn't say anything for a moment.

Bai nianxi returns to her mind first, and the eyes of Kang Mobei and Mu Rushan fall on her, which makes her body and mind burn like fire.

She stretched out her hand stiffly, and even her voice didn't look like her own. "Miss mu, please give me my test sheet back. \"

mu Rushuang looked at the test sheet in her hand again,\" Miss Bai, is this really yours? \"

under the gaze of Kang Mobei, Bai nianxi's head is very difficult.

When she got the examination results, she was also very confused. Pregnancy, for her, is simply impossible.

She even went back and forth for several tests, and all the tests she could do were done. Even the doctors became a little impatient, \"this lady, even if you can no longer accept this fact, you can't doubt our regular medical tests. \"

the result is right, she is pregnant, that's right.

But how could it be? How could that be!

She even has little intimate contact with the opposite sex. Where is it possible for her to get pregnant? What the hell is going on? Why does she get pregnant for no reason? Whose child is this?

When she heard the news, the man was lost and stiff as a walking corpse.

Unexpectedly, she met kangmobei here. Her test sheet just floated to the foot of kangmobei and was picked up by him.

Did he see that?

What would he think?

\"Miss Bai, are you pregnant? \"Mu Rushun's voice rose abruptly.

At this time point, there are not many people in the hospital. Although the environment in the hall is a little noisy, it is quiet. Mu Rushun's sudden rising voice directly attracts

the attention of the people around him.

After people's eyes were attracted, their attention was first focused on the tall and straight komorbei with a pine like posture.
