

Billionaire CEO Won't Leave

Chapter 322

Looking at kangmobei, Qin Nanfeng froze for a moment. Then he looked away and turned to Bai nianxi? Let's go. I'll take you to the doctor. \"

after that, he took Bai nianxi to the hospital, and then he was pulled in the opposite direction by Bai nianxi on his backhand, \"

he went back with me. \"

Qin Nanfeng laughs," Why are you in such a hurry? I haven't seen you for a long time? \"

back at the hotel, Gao Yu takes a look at Bai nianxi's test sheet. As expected, Bai nianxi is pregnant.

\"

Miss Bai, your recent fatigue should be related to your pregnancy. I suggest you have a good rest and take good care of yourself from now on. \"

Bai nianxi didn't speak. After returning to the hotel for a rest, his face was not as pale as before.

\"

Xiaobaibai, how can you be pregnant? \"

Qin Nanfeng curled his lips," I promised you not to. What new love are you getting? \"

Bai nianxi gave Qin Nanfeng a sharp look." did I say that? \"

in response, Qin Nanfeng covered his mouth and then laughed," isn't that smooth? Miss Bai, Miss Bai, ha ha. \"

" two months. \"

" what? \"

Qin Nanfeng pretends to be a fool.

\"

Toilet, two months. \"

Qin Nanfeng pulled the corners of her mouth unnaturally before laughing. He brought her back from the hospital and relieved her. This woman can really do it.

"It's not kind of you, Miss Bai."

"Is that right?" Bai Nian moved some dry lips. "Then I'll give you freedom. You can leave here now."

Qin Nanfeng waved his hand, "We don't talk about kindness or enmity. I'm willing to pay for you. What's two months of toilet cleaning? Even three months of toilet cleaning."

"Three months."

.....

Qin Nanfeng's throat moved, and the corner of his mouth raised up with difficulty. He gritted his teeth and said, "It's as if you're happy."

Seeing that Qin Nanfeng's agitation here was over, Gao Yucai said: "Has Miss Bai ever considered the problem of children?"

Bai Nianxi was stunned for a moment.

Although it's hard to say, Gao Yu said: "I don't know if this child is an accident to Miss Bai. Miss Bai should decide whether to leave the child as soon as possible. Otherwise, the longer the time is delayed, the worse the operation will be."

Gao Yu finished with difficulty, and Bai Nianxi understood what he meant.

Indeed, she needs to think about it.

She was shocked and puzzled when she first heard about the pregnancy. She didn't have a clue about how the child came from or who it was. It's meaningless to entangle this problem.

Now the main question is - what should she do with the child?

Knock it out or stay?

According to the diagnosis of the hospital, the child has been 13 weeks. Now the operation has been delayed for a long time. If you really decide not to have him, you need to make a decision as soon as possible.

Unidentified children, should we?

When Bai Nian Xi Ning eyebrows are distressed, Shen Hedan's lethal serial call comes again.

Anqing came to Bai nianxi with her phone in her hand like a baby, and she looked like crying, \ "Miss, the young master has made more than ten phone calls. Are you really not answering? \"

since he told Shen Hedan about Bai nianxi's pregnancy, Shen's phone calls came one by one.

Because Bai nianxi was discussing with Gao Yu about pregnancy just now, Shen Hedan didn't answer.

Bai nianxi glanced at Anqing and said, "do you dare to broadcast what happened here to the young master?"

An Qing shook his head and said obstinately: "but it's not a trivial matter that you are pregnant \"

Bai nianxi sighed helplessly and answered the phone? \"

SHEN Hedan's irascible voice came from the opposite side, \ " what's the matter?! \"

" that's what anqing said. I'm pregnant. \ "When Bai nianxi said it, his heart was in a mess.

\ "How did you get pregnant? \ "Shen Hedan almost jumped up and ran away. Was it his brother who didn't protect her well enough? There is a man around him. He drives people away like a chicken. He's afraid that Bai nianxi will be taken advantage of.

How can it still be, like this?!

\ "Whose is the child? \"

" I don't know. \"

If Shen Hedan had a brick in his hand, he would have killed himself.

\ "My good sister, you are pregnant now, pregnant! Don't you have any impression? \"

Bai nianxi frowned, " No. \ "\ "Shit! \ "Shen Hedan held his head and swore, " which wild boar arched my cabbage! If you let me know, I'll see if I don't stew it! \"

Bai nianxi's face sank. Somehow, she subconsciously didn't like to hear what Shen

Hedan said.

Shen Hedan, on the other end of the phone, was silent for a long time after scolding, and then said, "what are you going to do with this child? \"

Bai nianxi was silent for a long time, " I don't know. \"

why life always gives her one problem after another.

After hanging up the phone with Shen Hedan, Bai nianxi drives Qin Nanfeng out and sits alone in the dark room for a long time.

The next day, I still went to the company as usual. The company's big project will be completed soon. At this point, I can't have any problems.

Everything is the same as before. It's still an infinite cycle of meeting, work and meeting. But after the meeting, Yu Feixue didn't leave and stayed.

Bai nianxi didn't take a look at Yu Feixue. He looked at the documents in his hand and said, "are you still going? \"

Yu Feixue looked at Bai nianxi and saw that she was still wearing high-heeled shoes. He said with profound meaning:" Mr. Bai, wearing high-heeled shoes is not good for the fetus. \"

Bai nianxi raised his eyes and looked at Yu Feixue indifferently." thank you for reminding me. \"

Yu Feixue is mu Rushun's cousin. It's not surprising that she knows this.

\\"But it's my own business. Please don't care too much for me like your cousin. I'm grateful, but I don't like it. \"

Yu Feixue looks at Bai nianxi with a strange expression." I just want to remind you that you don't need to be so stingy. \"

after learning that bainianxi is pregnant and that her baby has nothing to do with kangmobei, Yu Feixue puts down a lot of guard against bainianxi, probably having secretly ruled out the threat of bainianxi to Mu Rushun.

Bai nianxi looks at Yu Feixue with playful eyes and alienation. \\"In fact, I'm very strange. Why do you suddenly remind me? Before that, you hated me so much. \"

" that's because you always pick on me! \\"When it comes to this, Yu Feixue can't help

being angry.

"I have to tell you. Bai nianxi put down the documents in his hand." it's not to find fault. It's just that I, as a boss, point out and criticize your work problems.

" and if you do it well enough, it's no use even if I'm picking fault on purpose. After all, no matter how to pick a bone in an egg, it just can't pick a bone without a bone.
