

Billionaire CEO Won't Leave

Chapter 323

"You! "Yu Feixue is young in the end. When Bai nianxi says a few words, she can't hold her breath. It seems that she is still on the wrong side and can't say anything to refute.

"Well, if you want to add a crime to it, why not. "Yu Feixue silently Tucao a sentence, and then look at the white Nian Xi," but you do not make complaints about what my cousin is not good. "

" you know, without her, conmba would have died. It's right and necessary for conmba to be with her. "

hearing Yu Feixue's words, Bai nianxi was stunned, and his calm eyes flashed," right? "

" you don't know, cousin, the reason why she became what she is now is that she pushed conmba. Originally, the target of the car was kangmobei. It was his cousin who saved him. For this reason, her cousin lost one of her legs. "

speaking of this, Yu Feixue has a look of heartache on her face. " you know how proud she was. She is so excellent, always beautiful, generous and elegant. She lost one leg and her body became incomplete. How hard this blow should be to her. "

" in fact, I also know that you have always been conmba's favorite. He accepted the engagement with his cousin, probably just for the sake of responsibility and kindness. However, things have come to this point. I just hope that they can live happily and harmoniously. "

Yu Feixue looks at Bai nianxi with a firm expression and seems to ask," no matter what kind of feelings you have for kangmobei, please let go. "

" whether you bury him in your heart or forget him, don't try to enter his world or get close to him. "

after Yu Feixue finished, Bai nianxi was silent for a long time.

In fact, she had thought for a long time that the leg that mu Rushun lost was because of

Kang Mobei, and their engagement was directly related to the leg that mu Rushun lost.

But guess is guess after all, hear Yu Feixue say so at the moment, the feeling in the heart is different in the end.

She was jealous and guilty when she thought that she was not with him at the critical moment of his life and death. Think of is mu Rushan desperate to save him, she is grateful, also happy.

For Kangmo north, mu Rushuang lost a leg, he took the rest of his life to compensate her, reasonable.

She has nothing to say, no qualification to raise an objection, and no position to express her mind.

"Well, please tell her for me, thank you." Bai nianxi stood up and cleaned up the papers on the desk." thank her for saving the man I once loved."

Bai nianxi walks out of the conference room with the paper in her arms. When she comes to the door, she stops and slightly turns her head. Yu Feixue can only see her cold profile.

"What's more, you have no position to ask me to let him go. But I can promise you." with that, Bai nianxi went out.

Can't forget him, then she buried him in the bottom of her heart, she can let go, away from his world.

As long as he is safe, he will be happy.

She thought she should be calm.

But why is the heart so painful?

"Mommy!"

after a day's work and returning to the hotel, Bai nianxi finally took a breath. Luo Luo had already come back from school. As soon as Bai nianxi entered the door, Luo Luo rushed into her arms.

This is probably the only warmth she can grasp in her cold winter life.

Bai nianxi squatted down, buried his head in Luo Luo's arms, took a few deep breaths,

and then raised his head, "Luo Luo, how are you doing at school today? "

" is OK. "Lolo tilts his head." school is good except for no Mommy. "

Bai nianxi rubbed Lolo's head and said with a smile:" why is my son's mouth so sweet? "

" because Mommy. "Lolo replied solemnly:" because girls like mommy want to coax them with sweet words and spoil them with sincerity. "

Bai nianxi was dumbfounded and laughed," Lolo, where did you learn that? "

Lolo comes forward and lies in Bai nianxi's ear." Mommy, this is Lolo's sincere words. "

I don't know why, my eyes suddenly feel sour.

After leaving Bai nianxi's arms, Luo Luo takes Bai nianxi to the sofa and sits down. Although he is trying to cover it up, Bai nianxi still finds that he has been looking at her stomach secretly.

"Lolo, what are you looking at? "

Lolo looks up at Bai nianxi, with an indescribable expression on her small face." Mommy, listen to Uncle an, you are pregnant. "

Bai nianxi's face turned black. This anqing said that he had a big mouth. Did he really want to give full play to the characteristics of this big mouth?

"Mommy, are you really pregnant? "When he said this, Luo Luo couldn't help looking at Bai nianxi's stomach.

Bai nianxi touched her stomach, and her face was a little chatty, \ "I'm sorry, Lolo. Mommy doesn't know how this happened \ "Luoluo didn't show anything. Anqing told him before that Bai nianxi's younger brother or sister in his stomach didn't even know who his father was.

"Mommy, you don't need to apologize. "Luo Luo said solemnly, then he reached out and touched Bai nianxi's stomach.

"In fact, Lolo doesn't mind who the baby's father is. "Lolo's eyes are soft. In fact, he has long wanted a younger brother or sister.

"As long as it's Mommy's, Lolo likes it. "

Bai nianxi was stunned. He didn't expect that Luo Luo would say such warm words.

It seems that all of them regard this sudden and unknown child as a trouble. Only Lolo shows his sincere welcome to him.

From yesterday to now, as long as she thinks about the child in her stomach, Bai nianxi has a headache. It's really a difficult problem for her to leave the child.

Gao Yu gave her a week to think about it.

Because of pregnancy, Bai nianxi began to be forced to rest early.

Luoluo, Anqing and Gaoyu stare at her at the same time. When it's time, they urge her to go to bed. If she wants to finish the work of the company, she can't work for a few more minutes. Otherwise, the cannibalism will come.

Lying on the bed quietly, the light in the room has been turned off, and it's dark. Gao Yu points out the fragrance of calming her mind and helping her sleep, and the elegant and mild fragrance spreads everywhere in the room.

But Bai nianxi lay in bed, still tossing and turning, difficult to sleep.

Lying for a long time still sleepy, had to get up from the bed, stood in front of the window for a while, at this time of a city, still bright.

After emptying for a while, Bai nianxi turned on the computer and continued to check the official documents in the computer. Suddenly, he found that a new email came to his work mailbox a few minutes ago.

Normally at this time point, no official mail will be sent. Open a look, sure enough, is a personal e-mail.

It's from Mr. Z.
