

Billionaire CEO Won't Leave

Chapter 326

Comber got on the phone in a low voice. \

the voice from the other end of the phone was very small, but Bai nianxi still clearly recognized that it was mu Rushun's voice.

The whole person suddenly wake up, she just, what are nervous, upset?

This man, has nothing to do with her, this man, now belongs to other women.

She should put away those superfluous thoughts, superfluous heart, she should face him calmly. She and commobei, who did not lose who, what did she escape, what did she hide?

Say goodbye calmly, then you will be a stranger.

\Well. I have something to do now. \Kangmobei's eyebrows are slightly frowning, and he is deliberately lowering his voice. Qin Nanfeng catches the opportunity, howls in his throat, and is stabbed on his neck by a knife from kangmobei, and faints.

After Kang Mobei hung up the phone, Bai nianxi had raised his neck, which had shrunk because of timidity.

\Mr. Kang, what can I do for you? \

" nianxi. \Kangmo North astringed his eyes and gave a deep call.

On this sound, almost set off a bloodbath in Bai nianxi's heart, she is still not promising after all.

Trying to calm his breath, Bai nianxi pulled out a slightly polite and alienated smile from the corner of his mouth, \ "well, if Mr. Kang has anything to say, he can say it directly. \

kangmobei naturally felt the distance Bai nianxi deliberately kept, and his eyes shrank

unconsciously, lingering with a faint chill.

"Who is this man?"

Bai nianxi takes a look at Qin Nanfeng, who is bound to the ground and is stunned by Kangmo north. His eyes move and he says: "a friend."

"friends?" Kangmobei frowned slightly, as if he was dissatisfied with Bai nianxi's cheating him. "you don't know who he is. For you, he is a man of unknown origin."

Bai nianxi did not speak.

He came to you with a purpose."

it seems that combo North knows everything.

"Do you know what his purpose is?" Bai nianxi asked.

Conmber shook his head slightly.

"I thought Mr. Kang was kind enough to tell me about Qin Nanfeng's origin, background and purpose."

the black eyes of conmber are deep." why do you want to keep him around since you don't know his identity?"

"it's my own business to leave someone with me. Naturally, I have my own consideration when I leave him."

"what is the consideration?"

Bai nianxi did not immediately answer Kang Mobei's words, but looked at Kang Mobei, as if to see something from his face.

After a while, he said: "why should I tell you?"

Kang Mobei's heart seemed to hold a breath, and he didn't know how to express it. He could only suppress all his emotions and said in a calm voice: "nianxi, it's very dangerous to leave him."

at this point, Bai nianxi's mind is also filled with a trace of boredom. Of course, she knows that Qin Nanfeng is a person with his own risk factor, and she doesn't like him, or even dislikes him.

However, she can't leave qinnanfeng. Qinnanfeng is entangled by herself. She can't get rid of it.

Looking at Bai nianxi's silence, Kang Mobei said: "since he came with a purpose, I'm afraid he will hurt you. Nianxi, leave him, don't let yourself in danger."

Bai nianxi's heart was dull and painful.

Does he care about her? But now he, with what standpoint to care about her?

"Mr. Kang, I can handle my own business. I don't want you to worry about it." Bai nianxi refused.

"Can't you listen to me once?" Commobei's mood finally couldn't be repressed. There were ups and downs. In his calm voice, it seemed that there were waves hidden.

"Why should I listen to you?" Bai nianxi's eyes slightly deviated from that of Kang Mobei. I'm afraid that if I look at it again, I can't help rushing into his arms.

"I'm doing it for you." Conmber's voice was very deep, and the sincerity of his words was so obvious.

He's not asking, he's pleading.

When he first saw Qin Nanfeng appear beside Bai nianxi in the niston hotel in Germany, he almost immediately felt the danger.

But at that time, he was not good at Qin Nanfeng. He could only watch out for her. Later, I knew that she had left Qin Nanfeng by her side. Fortunately, she had Shen Hedan by her side, so that he would not worry too much.

But now, she has no Shen He Dun or him.

What should he do with her when she lets herself in such danger?

"Mr. Kang, take back your kindness. Now Mr. Kang is not qualified to be good for me." Bai nianxi took a step back and opened up the distance with Kangmo north.

"Nianxi""Mr. Kang, what you should worry about now is the woman who risked her life to save you. What you should worry about is the woman who broke a leg for you."

Bai nianxi said, his voice trembling faintly.

"Mr. Kang and I have nothing to do with each other even though we couldn't give up in the past. What's more, we have been separated for two years, which is enough to kill too many things, feelings and luxury goods."

"Conmber is stiff, and seems to be at a loss. "I thought I'm just, I'm just I hope you are safe."

"I'd like to thank Mr. Kang for his kindness, but I don't have to think about that between you and me in the future."

how cruel, every word she said was like a knife in her heart. Lingchi's taste, but that's it.

But I still have to go on.

Only when the broken parts are clean, there will be no such messy involvement in the future.

She didn't want to be a villain who broke up other people's marriage, and she didn't want kangmobei to abandon his responsibility for her.

"We're over. You can take care of yourself and your wife. I don't need you to worry."

"if Mr. Kang is still attached to our past, please be kind to miss mu, and don't let him be the heartbreaker I hate the most."

Conmber didn't know what to say, and there was really nothing to say.

How can he not understand these principles? He has been forcing himself to accept these facts.

One dark night after another, he stood in front of the huge, transparent glass window of the office, overlooking the whole brightly lit city a, repeating these principles to himself over and over again.

It took him nearly two months to force himself to recognize the truth, but she did it in a few words.

Had known her words worked so well, why didn't he struggle soberly for so long.

He is just worried. What if one day, Bai nianxi is in danger?

Bai nianxi breathed out two breaths to calm his mind. He turned to look at Qin Nanfeng and said, "how long will he be able to wake up? \"
