## Chapter 331

Seeing that mu Rushuang was pushed out by his subordinates, Kang Taiye and Kang Liqing asked suspiciously:

"it doesn't mean Do you want to spend the night here? If you leave so late, your father will blame Mo Bei. "

Mu Rushuang is still frightened by the violence of kangmobei. When she hears that Master Kang speaks, she gradually recovers her peace.

"Mobei seems very tired. I'd better go back." Murushuang said with a smile.

Kang Liqing frowned: "is that boy again..."

"No, it was because I suddenly remembered something, so I wanted to go back." Mu Rushun doesn't wait for Kang Liqing to finish, then explains in a hurry.

"Oh, well, I'll ask him to come out and see you off." Kang Liqing said that, he would ask Kang Mo to come down.

Mu Rushuang was completely calm at this time. Just now, she didn't understand what kangmobei meant. At the moment, she really wanted to understand what he meant.

"Uncle, I want to talk to him. I can go up in person. Uncle, please have dinner." Mu Rushuang said, then motioned to his servants and pushed himself back to the room of kangmobei.

Outside again came the sound of a wheelchair. Conmobei closed his eyes and listened, but did not move.

Murushun came back to his bed with a cold face: "what did you mean just now, kangmobei? If I don't make it clear, I will continue to pester. "

Kangmobei opened his eyes slightly and looked at the ceiling in a bored way: "I am such a person."

"I don't believe it!" In a word, it was enough to irritate Mu Rushan, and she suddenly

roared.

"Believe it or not, it's none of my business?" The cold atmosphere of conumber quickly spread throughout the room.

Mu Rushuang sneers and raises her hand to untie her buttons one by one. Within a minute, she is naked.

"Look at me." Murmur frost cold way.

Conmobei has no scruples. He looks at her like a plaster statue, because her body can't make him feel any temperature he wants. It's not as good as a plaster statue.

"Take me to bed." Mu Rushun said like an order.

Conumber looked at her coldly, motionless.

The cold war makes Mu Rushan's patience gradually return to zero. She stares at Kang Mobei and tears fall from her eyes: "if you don't touch me tonight, my spiritual loss must be the price you have to bear."

Conumber still looks at him coldly, like a statue.

"Speak to me! Ah, ah, ah Mu Rushun's mood broke out and she roared hysterically.

"Are you dumb?" Mu Rushuang stares at kangmobei, raises his hand and slaps kangmobei's face impolitely.

Conumber is still standing.

"Ah, ah, ah!"

Mu Rushan is manic and falls everything that can be touched. In the blink of an eye, the bedroom is in a mess.

"Since you don't want to touch me! Don't pretend to be a beast! You can't fool me! " Mu Rushuang howled.

"The woman who comes to the door is either a wave or a base." Conumber ignored her madness and said word by word without expression.

Mu Rushun was humiliated, and his anger soared: "you don't touch me! You have to pay for it

"Tell me?" Kang Mo was ridiculed by his northern words.

"Good, ha ha," Mu Rushuang's mouth twitched, "Kangshi 10% shares, give me shares, I give you quiet." Mu Rushuang said angry words.

Kangmobei feels that he has been in a passive state since he took up this responsibility. Kangmobei wants to change this situation as soon as possible.

"OK, 10%, come to my office tomorrow." Kangmo went down the slope and agreed.

Mu Rushun was surprised: "you..."

"I've promised what you want. Can I go? I want to sleep. " Conmber said coldly.

Mu Rushun can't understand kangmobei, more and more can't understand it.

.....

The next day, conmobeir drew up an equity transfer agreement on his own. Mu Rushuang was not willing to be outdone, and naturally came to his office on time.

Seeing that kangmobei has drawn up the equity transfer agreement, and even sorted out a series of complicated matters such as the stock account to be handed over, mu Rushuang doesn't know what tricks he is playing. After reading the agreement, he signs his name.

"In the future, please don't bother me except that I am qualified to go to you." Kangmo north to Mu Rushuang to take a firm agreement, then get up and leave the office.

Mu Rushun felt like she was dreaming. Even when she got home, her family members were screaming, and she couldn't hear her.

"Frost! What do you think? "

See mu Rushun has been distracted, Mu Liancheng shrieked, and finally pulled back her mind.

"Ah? What? "

Mu Liancheng had a satisfied smile on his face: "daughter, well done!"

What he boasted was the transfer of shares.

"Really..." Mu Rushuang pinched his arm, a little pain, really, not in a dream."Oh, it

seems that the son-in-law of kangmobei is really good to Mu Rusheng. He even gave the equity to Rusheng so easily."

"Ha ha," Mu Liancheng smiles happily. Although he is a member of his own family, his words are still modest: "they will soon be husband and wife, whose name is the stock right, they are all common property, ha ha."

.....

Like a dream, Mu Rusheng is anxious to talk about her troubles. After work, Yu Feixue often comes to Mu's home to accompany her cousin Mu Rusheng.

Hearing about the transfer of shares, Yu Feixue was stunned.

"But I don't seem to understand Mobei any more. " Mu Rushun said absently, letting Yu Feixue push himself and take a walk on the path.

"Cousin, brother-in-law, this is obviously because I love you. Career is the lifeblood of a man. He is willing to give you even the lifeblood. What does that mean? That means you are his lifeblood Yu Feixue happily said his view.

"Really..." Would rather give their own equity, rather than touch their own, they are really the lifeblood of the north? I'm not sure.

Because of word of mouth, the equity transfer was gradually learned by the major media that commobei and murushuang were very affectionate, and the news was flying all over a city.

Yu Feixue confirmed her own view. After the equity transfer was personally hammered by kangmobei, she is proud to be in Qianqiu group, trying to promote the relevant gossip.

"Kangmobei was really engaged to Murong Xue. Now you believe it?"

"We didn't doubt it at the beginning. Well, if a woman is willing to lose a leg for herself, I will love her with my life!"

"That is, I heard that when commobei transferred its shares, it did not even blink an eye and did not hesitate to transfer. My God, when can I meet such a soul mate? This pair of CP, love
