

Billionaire CEO Won't Leave

Chapter 343

It should be that the soup cooked at night tastes good. Bai nianxi drank two big bowls. In the early morning, Bai nianxi was already asleep, but he was awakened by internal anxiety.

Bai nianxi gets up from the bed in a daze and walks to the bathroom with her eyes closed. One second before entering the bathroom, Bai nianxi feels that she hears a slight sound, which is an obvious friction sound

After eliminating the internal anxiety, Bai nianxi came out of the bathroom. She thought she was listening to the sound she just heard. But now she heard it again.

Bai nianxi's drowsiness was completely dispelled. She opened her still sleepy eyes and walked along the direction of the sound she judged. The sound seemed to come from the door of her home?

Standing at the door, Bai nianxi confirms that he has no hallucination. At the moment, the sound of being dawdled still comes from the door from time to time

Alertness makes Bai nianxi think that she has been robbed. She peeps out from the cat's eye with vigilance and nervousness, but no one or unknown object can be seen outside.

The sound of "wipe" comes again. Bai nianxi is so scared that she rushes back to her bedroom quietly and picks up her mobile phone to call the police.

"Hello, there seems to be someone at my door..." Bai nianxi is terrified and says to the policeman who answers the phone.

The police at the other end of the phone were very competent and quickly asked for the address, then hung up her phone in a hurry.

Before the police arrived, Bai nianxi didn't dare to get close to the gate. The voice still came every few minutes. Then, it didn't ring again. Bai nianxi wondered if the people outside had left?

The knock of "Dong Dong Dong" startled Bai nianxi. With the knock coming, Bai

nianxi also heard the voice of reprimand outside, but could not hear what the reprimand was.

Bai nianxi opens the door cautiously. Two policemen in police uniforms make Bai nianxi feel a little relieved. But immediately, as the people sitting on the ground rub their eyes and turn back, Bai nianxi suddenly blows up.

"Conmobei! What are you doing here! "

Hearing this, the policeman went to see the man's face on the ground in surprise: "no wonder I feel a little familiar..."

"Mr. Kang, the entrance of the private house belongs to the private scope. It's illegal for you to sleep here! You know what? "

Another police officer may have "nothing" because he is no longer afraid of the identity of the other party, and he regards him as the chief culprit and harshly scolds him.

Bai nianxi had a black line: "you You're sleeping at my door? "

"Hey, hey," said Kang Mobei to Bai nianxi with a smile, ignoring the police voice

Bai nianxi was angry, but still depressed. He said to the police helplessly and politely, "sorry, I thought it was a thief..."

"Miss Bai, Mr. Kang is suspected of endangering public safety. If you want to..."

"No, please," Bai nianxi said politely, interrupting the police's routine statement of "accusation." I know him. It was a misunderstanding just now. I'm sorry. "

The police thought that if Bai nianxi investigated, they could take kangmobei back to the police station, but Bai nianxi had already expressed that he would not investigate. The police usually wanted to make the matter smaller, so they didn't say anything more and turned to leave Bai nianxi's house.

"Nianxi..."

"Bang" is the sound of Bai nianxi slamming the door, which also interrupts Kang Mobei's words.

With a wry smile, he leaned back to the corner and lay on the cold and stiff ground.

As time goes by, Bai nianxi's daily life after leaving Qianqiu as president is to stay at

home. In addition to picking up Luo Luo from school, he also needs to go out to buy vegetables and cook. At other times, Bai nianxi stays at home quietly.

Fortunately, when Luo Luo goes to school and finishes school, and on weekends, komobei will "consciously" disappear, and Bai nianxi is too lazy to pay attention to the image of komobei.

But, because always unconsciously to guess, he is not sleeping on the ground at the door, Bai nianxi inevitably always insomnia.

Kangmobei is used to sleeping on the cold ground. Every night around 12 o'clock, he appears outside bainianxi's private house like clocking in. He leaves consciously at 7 o'clock in the morning.

When kangmobei thinks it's lucky, Bai nianxi will open the door in the early hours of the morning to have a look at himself and her. It seems that kangmobei is satisfied.

"If you go on like this, you'll get sick."

A few days later, when Bai nianxi lost sleep again because of wishful thinking, she knew without confirmation that Kang Mobei was outside the door. She opened the door and coldly told her to quit.

"Since I'm afraid I'll be ill, why not..."

"No way." Bai nianxi interrupts. He doesn't have to finish listening to it. He wants to go into her private house. It's absolutely impossible.

Kangmobei was rejected decisively, and immediately put on a pitiful appearance: "Miss Bai, have pity on my stray dog, bark, bark..."

"Bang" the huge sound of closing the door, is the north is about to get used to, from the merciless response of Bai nianxi.

In the early morning, conmobei sat in the park, using the public coin charger to charge his mobile phone. When he was bored, he took a look at the news app.[statement: through friendly negotiation, Ms. mu Rushuang and Mr. Kang Mobei have decided to cancel their engagement.]

the short statement, however, is put on the front page of the news app in bold characters.

If it's not boring playing with mobile phones, kangmobei will soon forget mu Rushun.

Anyway, leisure is also idle, commo north point into the news page, see the news below, is the continuous gossip comments.

[Tut, friendly negotiation. It's obvious that he didn't want to marry because he was insane.]

[selfish! When kangmobei needed the support of his family, he chose to abandon him. If I were kangmobei, my heart would be very cold.]

[for the first time, I feel very poor about kangmobei. Hey, I wish him a good recovery.]

[is it better to match a man with a woman? I don't know who will be harmed by murushuang next time. Tut Tut, there's a good play to watch.]

.....

After Kang Mobei found it boring to read the comments, he closed the news app with his fingers sliding. The noisy voice had no ability to make waves in his heart for a long time. Apart from Bai nianxi and his children, there was nothing else that could shake his heart.

Eight months later, there was a drizzle in the sky, which may be the reason for more than 200 days of laying on the ground. Every rainy day in kangmobei, he would feel a dull pain in his joints.

But now it's not the time to care about the body feeling, conmobei changed into a clean suit and was standing in front of the hospital with a nervous face.

This day is the expected delivery date of Bai nianxi. Bai nianxi has already moved into the delivery room ahead of time. Because of his nervousness and fear that his appearance will make Bai nianxi in a bad mood, kangmobei chooses to wait outside the hospital, waiting for the good news about Bai nianxi.
