

Billionaire CEO Won't Leave

Chapter 414

"What are you doing here?" Mu Liancheng, who has suffered losses in recent years, is not very friendly to Shen Shimo.

Shen Shimei seems to have heard a joke and laughs: "Yo, is that how you treat your master?"

"You! Why are you so impolite when you are young? Who are you proud of? " Mu Liancheng was angry with Shen Shimo's sarcastic voice.

Shen Shimo sneers again. He doesn't pay attention to Mu Liancheng's anger. As soon as the sneer rises, his hand rises quickly and falls on Mu Liancheng's face.

"Pa" to the hot pain, Mu Liancheng did not respond, has been a huge hit force hit repeatedly to the side of the table, until the leg hit the coffee table to send pain, he only pain to show his face.

"Hiss..." Mu Liancheng calls out in pain.

The meaning of silent sneer is mixed with ferocity. He beckons to his subordinates who come with him. His subordinates pounce on Mu Liancheng impolitely, and the vicious beating falls on Mu Liancheng like rain.

"Ouch, ouch! You don't want to live, do you Mu Liancheng rushed to protect his head. Even if he was knocked down, his tone was still very hard.

"Hum, your mouth is hard. Hit me hard! Until he asks for mercy! " The silence is cold to hum, big drink to order a way.

"Stop it! Stop it! Stop fighting! " Mu Liancheng roared in the beating.

"Beg for mercy, stop naturally." Shen Shimo looked on coldly like a joke.

When he was beaten like this, he would lose his life. Mu Liancheng forced himself to endure humiliation, and the gentleman did not stand under the dangerous wall. He clenched his teeth and forced his pain. Finally, he spat out his voice of begging for mercy: "please! Stop fighting

As soon as the voice fell, he raised his hand silently and contentedly, and made a gesture to stop, and his attack stopped abruptly.

Looking at Mu Liancheng's twisted face due to pain, Shen Shimo didn't feel anything:

"ask your son to appear in front of me within 1 hour, otherwise, you Laozi, you will be beaten for him."

"You Have you ever treated Sili like this? " Mu Liancheng couldn't believe it. He also subconsciously remembered that before, he just didn't notice, but he also faintly realized that musili was deliberately avoiding himself and seeing his face

The feeling of heartache permeated the chest, but a cold laugh came from the ear: "ha ha, you don't know. Tut Tut, this Musi Li is quite interesting. In short, if you can't do it, your son's life will depend on me."

Shen Shimo, in front of Mu Liancheng's face, makes a relaxed gesture of slowly clenching his fist, and then greets his followers to leave Mu's home.

Mu Liancheng stands up with a painful waist. Inadvertently, the reflection of the glass reflects his red and swollen face. The sense of humiliation makes Mu Liancheng want to cry without tears.

I tried to call Musi Li, but I couldn't get through. Mu Liancheng forced himself into Musi Li's room with a note on his desk.

There was a number written on the note. He tried to dial it, but the sound made him shake his mind.

"Hello?" Mu Rushuang is sending her brother to the hotel. When she receives a strange phone call, mu Rushuang looks at her brother tentatively while connecting.

"Such as Like frost? " Murian City throat sour, he recognized his daughter's voice.

“..... Dad Mu Rushun was stunned.

After being released from prison, her father never contacted her, and murushuang had no face to contact him. After receiving a call from her father, murushuang didn't know what to say for a moment.

"Can you get in touch with your brother?" Mu Liancheng's chest is aching. He feels that he can't hold the pain any longer. He says the main point straight away.

"Well, he's next to me, you..."

"Tell him to answer the phone." Mu Liancheng's chest is in colic, so he hastily urges the way.

Mu Sili has been staring at mu Rushuang on the phone. When he hears mu Rushuang calling "Dad" on the other end of the phone, Mu Sili's vigilance is relaxed.

"Dad told you to answer the phone." Murushuang handed the phone.

Uneasiness surged into my heart again, and Musi Li took the phone: "Dad, what's the matter?"

"You're in America, aren't you? Listen to me Hiss... " Colic is more and more intense, Mu Liancheng Shen Yin, fell to the ground, "don't go back home, you have a green card, this life don't come back, domestic affairs, I'll solve, protect your sister..."

The sound of "baga" is the sound of a mobile phone falling on the ground. Mu Liancheng was tortured by colic and turned a star in front of his eyes. He didn't have the strength to say another word, so he was overturned by the pain.

"Dad? Dad, what's the matter with you? " Moussili cried eagerly, looking forward to the end of the phone to quickly respond to him, "don't scare me! Dad, what's the matter with you? "

Time and space are suddenly slowed down, and Musi Li can no longer wait for a response, but he is not willing to hang up the phone. But he is afraid that something happened to his father, and Musi Li is at a loss.

Mu Rushuang was frightened by her brother's reaction. She also held her hands nervously, waiting for her brother to tell her what happened.

Trying to calm down, Muse couldn't give up, but still hung up the phone. After thinking, Muse couldn't think of anyone to be trusted, but the three words "conmobei" came out of his mind. There's no time to think about it. In case my father is in an emergency.

Conmobei received a phone call from the United States. He was a little confused and picked it up.

"Conmobei! Please do me a favor! Can you come to my house? " Without waiting for kangmobei to speak first, Musi said in a hurry.

"Why?" he said

"My dad My father seems to have an accident, please help me to have a look, please Mousse was so anxious that tears were running out of his eyes.

"..... I see Kangmobei felt puzzled, but he answered in a hurry, then hung up and drove to Mu's home.

The gate of Mu's house falls to the ground like a broken wooden board. Kangmobei enters Mu's house cautiously, but the hall is empty.

"Mulian city?" He called out, but no one answered.

After a little hesitation, Kangmo North went up to the second floor and looked around several rooms. Finally, in the room where Musi left, he saw Mu Liancheng lying unconscious.

"....." Kangmobei is speechless, but it's important to save people. He immediately dials 120, and then tentatively listens to Mu Liancheng's heartbeat. Although it is very weak, there is still a heartbeat.

Worried that his move Mu Liancheng, will let him into a crisis, Kang Mo north can only wait for the arrival of 120.

"Your father passed out. I'm waiting for an ambulance." Commodore called back the American number and said quietly.

"Coma?" Moussili was seized.

"Well," said conmobei, looking up at Mu Liancheng. His calm, unresponsive face clearly showed signs of being beaten. "Your father seems to have been beaten."

"See who did it?" Mousse was so angry that his fists would crush his fingers.
