

Billionaire CEO Won't Leave

Chapter 429

In a city hall, there are all kinds of banners.

[congratulations on the 20th business summit of a city!]

[I wish the 20th business forum of a city great success!]

.....

Shen Hedan, with a slightly warm smile, stood at the door of the hall and welcomed everyone who came to the forum.

Soon, Bai nianxi arrived.

As soon as Kang Mobei got out of the car, he was dragged to the conference room by a Post-00 entrepreneurial genius. Kang Mobei had no choice but to let him go after 00.

"First of all! Thank you for coming to this business forum in your busy schedule. I hope that this forum will make the business community in city a more harmonious and maintain closer ties... "

Shen Hedan stood on the platform and said his opening remarks with a smile.

"Mr. Shen, can you talk about your next investment direction?" The audience is full of business tycoons or new entrepreneurs. Most of them are new entrepreneurs. They are more concerned about where the chaebol will spend their investment funds.

"Well, I recently acquired an M + experience technology. At present, I am more interested in cooperating with this technology in various fields. Of course, in the process of cooperation, if there is a need for capital budget, I am willing to invest." Shen He Dun replied.

"As far as I know, you are a top chaebol in the United States. Are you really optimistic about your domestic business? Or do you have other plans? "

"Ha ha, business is big or small, and everyone has to do everything. In fact, I came back to a city to start the business layout, and the purpose is very clear, which is to prevent Wei's causing turbulence in a city." Shen Hedan said his purpose without any taboo.

"Do you think of business as charity?"

"Ha ha ha."

.....

Business Forum, the atmosphere is very relaxed, any questions can be raised, is a place to provide elite exchanges in various fields.

Bai nianxi sat under the stage, smiling at her brother's conversation with the participants. She didn't realize that a middle-aged man was watching her not far away.

"White night!"

Bai nianxi was shocked when he was called a taboo.

Looking back, the strange man has been staring at her with an excited smile.

"I'm your uncle! You don't remember me? " The man said enthusiastically and excitedly.

Bai nianxi is cold and ready to avoid.

"What are you going to do! I'm your uncle! Stop Men's movements and voices are getting louder and louder, gradually attracting the attention of some people.

"I don't know you. Please be quiet." Bai nianxi said in a cold voice.

"How ungrateful you are! I'm your uncle! Don't you remember? I held you when you were a child The man didn't feel anything wrong with his behavior at all. He still approached Bai nianxi with enthusiasm and excitement.

In the face of a strange middle-aged man, Bai nianxi repeatedly avoids in disgust. However, the middle-aged man has been entangled with Bai nianxi all the time. Bai nianxi has a trace of uneasiness in his annoyance.

"You white eyed wolf! Ah! You pretend you don't know me! Ah The middle-aged man suddenly roared, and his voice was heard all over the hall.

Emergencies, so that part of the reporters to interview the moment was absorbed attention.

See a reporter press the flash, the camera also aimed at himself, Bai nianxi ready to leave with a wry smile.

"You must not go! White eyed wolf

"Please speak with respect! I don't know you at all Bai nianxi is angry.

"Oh! You don't know me? I'm your uncle! I changed your diapers! " The middle-aged man gets the response, more excited and loud.

"Are you crazy?" Bai nianxi solidifies the corners of his mouth, and his tone is tough.

"Wow! My niece doesn't know me! Wow You're going to decide for me! " The middle-aged man suddenly burst out crying, calling Bai nianxi at a loss.

Shen Hedan noticed the situation under the stage and stepped down in a hurry.

"What's the matter?" Shen Hedan asked with concern.

"It's OK, I'm sorry. I'll go first." Bai nianxi hurried to the gate of the meeting.

"If you dare to go, I'll jump to show you!" The middle-aged man was pulled by several people, but the clamour in his mouth didn't stop.

"Yes, you can dance." Bai nianxi was disappointed and said something angry.

The middle-aged man was stunned and rushed to the back door the next second.

There are several floors above the first and second floors of this great hall. A few minutes later, the middle-aged man really stood on the top of the building.

"Bai nianxi! You white eyed wolf! If you get rich, you won't even recognize your relatives! "

Bai nianxi just wants to step into the car, but there is a fierce curse on his head.

Looking back, the man just stood on the top floor, looking like he really wanted to jump.

"Wow, Bai nianxi told him to jump off the building. He did. Is he really a relative?"

"Who knows, people are afraid of fame and pigs are afraid of strength."

"Let's see."

Around, there have been voices of discussion. Some people who originally participated in the forum in the hall ran out to watch the excitement. While watching the excitement, they did not forget to hold their mobile phones to shoot.

"I'm Bai nianxi's uncle! Bai nianxi, this woman! If you get rich, you won't recognize your relatives! White eyed wolf On the top of the building, the middle-aged man seemed to have been prepared for a long time, with a big horn in his hand.

"Wow, who is this? It's so fast. It's sent to the Internet so quickly!"

"Yes? Let me see! "

[is it really Bai nianxi's relative? If it is, look at the man dressed so shabby, it is estimated that life can not go, Bai nianxi so unfeeling too should not.]

[if my relatives are so poor, I will certainly support them. I can't figure out why Bai nianxi is such an Iron Rooster.]

[so heartless, is the man OK? What a pity, you really want to jump?]It's said that Bai nianxi asked him to jump, but he really wants to jump.]

[sure enough, there is no wind and no fire.]

.....

On the Internet, public opinion is gradually out of control. It's not the case that Bai nianxi left or stayed.

"Mr. Kang, there's something wrong outside. Go and have a look."

"What's the matter?" Asked conumber.

"Miss nianxi seems to be in trouble..."

Hearing that it was about Bai nianxi, kangmobei hurriedly finished the interview with the Post-00 students and walked out of the conference room.

Outside, there is already a lot of noise.

After hearing the gossip of the people around him, kangmobei probably got to know

the situation.

This man may be a liar, but if something happens to him, Bai nianxi may be besieged by public opinion.

Thinking of this, kangmobei did not go to Bai nianxi's side, but quickly stepped up to the top floor and stood behind the man.

"Don't you feel ashamed of yourself? For the sake of money, I dare to play any play. " Commodore yelled at the man.

A voice came from behind. The middle-aged man looked back at kangmobei, and his horn dropped down. He looked at kangmobei with a smile: "give me some money, it's over, otherwise, it's not over."

"Ha ha, you really have decided that you are a beggar. Let's do this. Let's jump and see if anyone can help you." Said conmobei jokingly.
