

《Billionaire CEO Won't Leave》

Chapter 43

Bai nianxi's light words suddenly made the office fall into a dead silence.

Gao Wanqing turns around and looks at Bai nianxi with some doubts.

Mo Zhixi also did not listen to the general, asked: "what do you say?"

"I said, redo it." Bai nianxi clearly repeated what he had just said, and then photographed the document on his desk, "it's too bad."

Mo Zhixi's eyes suddenly become shocked, and her face is full of unbelievable expression. What is she doing? Wasn't she on her side just now?

"Why?"

"It's bad, so I want you to redo it. Is that a problem?" Bai nianxi's momentum is tough. Does Mo Zhixi want to use this method to join her army? Want to use her conflict with Gao Wanqing to let her help Mo Zhixi? Mo Zhixi's abacus is not too good.

Mo Zhixi never thought that Bai nianxi would do this. The feeling of ugliness and embarrassment flooded in. The double negation of Gao Wanqing and Bai nianxi made her lose face at the moment!

Clenching his lips and not speaking, Mo Zhixi ran out.

Before returning to his desk, Bai nianxi said, "I know what you all think. It's really unconvincing for me to parachute here, but some things need time to prove. Before that, I just hope to get along with you in harmony."

No one spoke. Other people in the office just felt that the inexplicable deputy minister did not seem so simple.

Gao Wanqing's eyes toward Bai nianxi are a little more complicated. What does this woman mean?

Today's work is not much. Bai nianxi plans to leave work early. She hasn't been with Lolo for several days.

Walking to the bus stop and waiting for the bus, a black Rolls Royce phantom suddenly stops in front of Bai nianxi.

The window on the back seat rolled down slowly, revealing the man's handsome and unprepared face inside. Conmo's thin lips gently opened, "get in the car."

Everyone looks at Bai nianxi.

Bai nianxi is embarrassed by those strange eyes. She knows the temperament of Kang Mobei. If she doesn't, Kang Mobei will spend all the time here. Without much consideration, Bai nianxi rushes into the car.

Seeing Bai nianxi's reddish face, Kang Mobei asked, "what's the matter?"

Bai nianxi felt speechless. "Do you know that there is an emotion in the world called embarrassment?"

"Embarrassed?" Conmobei didn't understand. He asked her to get on the bus. How could it be embarrassing?

With a puzzled glance inside the car, "don't you think my car is good? I'll change it next time. "

..... I really don't know how the brain circuits of conmber grow.

Other people's idea is to occasionally leave a small errand, he is always splitting a fork, right? Just now the people around her just looked at her eyes, and it was clear that they were looking at the expression of a shameless little three who was taken care of by the rich!

Forget it, I don't want to talk much. Bai nianxi closed his eyes and began to close his eyes.

Conmber was a little discontented, "very tired?"

After looking at Bai nianxi nodding, he didn't say any more. He just took Bai nianxi's shoulder and put Bai nianxi's head on his shoulder. "It's more comfortable to sleep like this."

The beautiful atmosphere has just begun to ferment, conmber suddenly jumped out again, "moved?"

Bai nianxi: dare not move.

When he got home, Luo Luo had already been waiting at the door, looking around with his head outstretched. Seeing Bai nianxi coming down from the car, he ran up excitedly, waving his fat hand to ask for a hug, "Xiao Xi! Xiao Xi

After a day's work, although she was a little tired, when she saw Lolo's lovely face, her whole body was swept away. Sure enough, the sweet and soft glutinous dumpling was her antidote.

With a kind and loving smile on his face, Bai nianxi takes a big mouthful on Luo Luo's face, and then carries Luo Luo to the house.

Looking at Bai nianxi's two completely different faces to him and to Luo Luo, Kang Mobei's face darkened.

Secretary Xing stood aside, deeply bowed his head and prayed silently in his heart. Mr. President, please calm down. This is your son. Don't kill him.

"Lolo, it's time to sleep." White read night helplessly looking at arms eyes flickering small Luo Luo, helplessly said.

Just now he said he would listen to the story. Now she has told him for more than an hour. Lolo is still not sleepy at all. But Bai nianxi is thirsty and his throat is about to explode.

The door was suddenly pushed open, and kangmobei came in. Seeing the bright eyes in Bai nianxi's arms, he frowned and said, "haven't you slept yet?"

Luo Luo vigilantly looks at Kang Mo north, embraces the white Nian Xi neck hand to embrace of more tightly.

"I'm telling Lolo a story." Bai nianxi explained that he reached out and touched Luo Luo's head with love.

Tell a story? Conmber's face suddenly turned dark. Why didn't he know that the boy had to listen to the story before he went to bed? Seeing the guard and vigilance in Lolo's eyes, I immediately knew that, well, this boy was playing tricks with him.

"It's time to go to bed." Luo Luo shook his head, hugged Bai nianxi's neck and said, "I want to listen to Xiao Xi's story."

Hum, he won't do it. Daddy is such a pain in the neck. Why did he ask mommy to be a

counselor for him? He can't even sleep with mommy.

Born as a man, he can't even protect his own woman. Anyway, he owns Mommy tonight!

"Want to hear a story?" Conmobei sat down on the edge of the bed, with a smile on his mouth.

Luo Luo looked at Bai nianxi, raised his proud little head, and nodded as if he were dead.

"Well, I'll tell you, you let Xiao Xi have a rest." Kangmobei took a look at Bai nianxi, his eyes were incomparably gentle.

Bai nianxi trembles all over. How can she have an ominous premonition?

When Luo Luo's earth shaking cry rang out, it turned out that Bai nianxi's premonition was not wrong.

Unexpectedly, what conmobei told Lolo was a ghost! So! Yes!

Or a vivid ghost story!

With the deep ghost voice of conmber and the ice cold face, it's like 3D surround sound. It's a fantastic story!

Kangmobei can really do something to his own son!

Luo Luo se shrinks in Bai Nian Xi's arms, how coax also coax not good, nose all cry red, Bai Nian Xi sees of heartache, the facial expression is very serious of drive out Kang Mo north.

Luo Luo is howling, and does not forget to lock the door of the room when Bai nianxi turns around.

Stupid daddy, do you know what it means?

Bai nianxi also came to the company for a few days. Since that day, Bai nianxi deliberately established herself in front of the public. Bai nianxi felt much quieter around her. Gao Wanqing's attitude towards her was as mean as ever, but she didn't deliberately find fault with her.

In other words, it turns from targeting her to ignoring her. It doesn't matter if you ignore her.

But Mo Zhixi, no longer the first day to show her enthusiasm, no longer deliberately close to her, even let her feel a faint hostility.

The most annoying thing is the monitor facing her on the desk.

Who can think of this special or remote control? She tilted her head to the right, and then the fuselage swung to the right. She hid her head on the left, and then the fuselage swung to the left.

Looking at the black scene in the camera, Bai nianxi just like seeing the ice face of kangmobei, glared at the monitor, and simply took a folder to block in front.

Kangmobei stares at Bai nianxi's vicious expression on the mobile phone screen, and suddenly laughs.

All the people in the meeting room were stunned. What did they see just now?

Has always been a pair of unsmiling, not angry from the appearance of the president, actually smile?
