

# Billionaire CEO Won't Leave

## Chapter 478

"Wei Xia, come out. It's time to go."

Being locked up in prison, Wei Xia knows that even if she escaped Mr. U's hand, she did not escape domestic legal sanctions.

Fortunately, fortunately, her son was not arrested, which was her last comfort.

As a result, she was very calm. When she heard the warden calling herself, she stood up calmly from the single prison, followed the warden honestly, and went to the cold iron gate.

"Wuwu..."

Shen Shimo is hiding in a shabby house in the mountain area. Every day, he has to read the news about his mother. Unfortunately, in the past six months, there has been no news about his mother. It was only yesterday that a news was finally published.

News of the death penalty.

"Wuwu Mom... " Shen Shimo knew that his mother had no chance to stand in front of him alive.

He has no reason to think about why, in the past six months, no news has come out. Even now, when news comes out, it is death penalty.

"Conmobei! Shen He Dan! I want you to pay for your lives! Ah! " Silent collapse, crazy roar.

In the bustling restaurant, the crowd is bustling. Many children are led by adults to come to the restaurant for a huge family dinner.

The box of the restaurant is much quieter than the lobby outside. The waiter

entertained six people of the Kang family. After entering the box, he went out of the box and was busy.

Mu family has already received the invitation, it is estimated that they will come soon.

"Mommy, can Lele drink coke?" Lele is two years old and can speak a lot.

At ordinary times, Lele has the best relationship with her aunt, so Bai nianxi is able to do things at ease. Kangmobei is even closer to Lele than Bai nianxi. Every night, kangmobei durai appears at Lele's bedside on time, coaxing Lele to sleep and reading story books to Lele.

"I can only taste a little. I'll have a toothache if I drink too much." Bai nianxi picked up a bottle of coke and poured a cup for Lele with a smile.

"Yeah ~" Lolo was very happy. He raised his glass and touched it with his dear sister. The two brothers and sisters had a good relationship.

The children's laughter makes the whole private room very lively. With the festive arrangement around, the strong spring festival atmosphere makes everyone feel the joy of the festival.

Soon, Mu family three people arrived, Mu Liancheng, Mu Sili, and Qin ruoqing.

"Oh, here it is." Kang Li Qing a pair of old state of emphasize, smile to greet a way.

Mu Liancheng's face is expressionless. Kang Liqing, who knows about him, knows that his face has something to do with the treatment. He doesn't have to read too much.

"I didn't expect that our two families could have dinner together." Mu Liancheng's voice was cold, with a slightly serious expression, which made the two children stop chattering.

Bai nianxi called the two children with a smile and said hello to Mu Liancheng, calling him "Mu grandfather". The two children obediently and wisely did so.

Qin ruoqing is afraid of strangers and tries to stand behind musi.

With a slightly lazy posture, Kang Mobei props his elbow on the table, holds his chin in his palm, and looks at Mu Sili and Qin ruoqing with a smile: "it's a good relationship. I didn't expect that when I saw Miss Qin for the second time, I would have dinner together."

Qin ruoqing blushed because she was embarrassed.

Musili chuckled: "are you kidding her? She's thin skinned. Please give me face

"Ha ha," said Kang Mobei with a smile, trying to fill the wine glass with red wine for the seated Mu family, "Miss Qin, please don't be formal and order at will."

"Thank you." Qin ruoqing said politely.

"Bata" the sound of opening the door, again came, people heard to see the door, did not think, is Shen He delay.

Seeing Shen Hedan, Bai nianxi suddenly remembered the news about Wei Xia.

"Brother, what about Wei Xia?" Bai nianxi couldn't hide his curiosity and asked directly.

Shen Hedan chuckled: "as you can see, you two will be able to settle down. Sister, you will be able to do what you want to do."

"What about Shen Shimo?" Bai nianxi didn't feel at ease because there was no other key person in the news.

When Shen Hedan was silent and the atmosphere was about to be suppressed, Shen Hedan said again with a little regret: "ah, originally he suppressed the news, but he didn't tell you the situation, because Shen Shimo ran away. I'm afraid the news will disturb him, and I'm afraid you will be afraid when you know Now, because all court sessions are open, we can't hide it. "

At the sound of the sound, the atmosphere is suddenly low pressure.

"You'd better cross the new year. This time I'm here to say goodbye to you," Shen Hedan said with a smile. He looked around all of you. "I'm going back to the United States. You all have no ambition. I'm not interested in staying in China. After all, I'm a capitalist."

"This is Back? " Bai nianxi was stunned.

"Why, stay at home and eat nothing?" Shen Hedan half joked, "ha ha, you're OK. I'll come back to see you often."

Kang Mobei and Mu Sili didn't say a word. As Shen Hedan said, they didn't have the original ambition for their career. Now, there are people and things they care more about. Mousse had a loved one.

Kangmobei wants to cherish his family, love and children. The competition and victory in his career are not so important.

"Let's take care of your old age."

Shen Hedan left the last sentence, didn't give them the chance to say goodbye, and came and left in a hurry.

Two sneaky men, after purchasing a lot of things from the small town, sneak back to the broken house in the mountain.

Pushing open the creaking wooden door, Shen Shimo saw them carrying several bags of things in.

"Boss, today's new year's Eve, I've wronged you." The two men looked greasy and nervous, pretending to smile and put down the bag they were carrying.

The instant noodles in the bag came out.

Shen Shimo has no appetite. When his mother dies, his world seems to collapse.

He would rather be scolded by his mother for a lifetime than

But it was too late to say anything, and remorse and anger alternately appeared in his mind.

He regretted that day, only to hide himself in the sewer groove, watching his mother was taken away.

He was so angry that he didn't leave any feelings. He wanted to kill him and his mother!

This revenge, the anger of the chest, absolutely no spit out the possibility!

"Wu Wu Wu..." After he exhausted most of his strength, his anger was replaced by the impulse to cry.

Hearing the cry of the boss, the two men were at a loss. Although they could always hear the sad cry of the boss these days, they were at a loss every time.

"That I'll cook you instant noodles..." Two men dare not give him a tissue to wipe tears, can only find an excuse to leave.

"Wuwu Mom! Mom! Wu Wu..." Silent sadness, sour through his whole chest.
