

《Billionaire CEO Won't Leave》

Chapter 50

Kangmobei is looking at Bai nianxi, with dark eyes. This woman is his child's mother.

She didn't look like she hated Lolo. Why didn't she accept Lolo? Why have you been reluctant to admit that you are Lolo's mother? Why not come back to him?

"In vain." Conmber suddenly opened his mouth.

"Well?"

"How about being Lolo's mother?"

Bai nianxi is stunned there. What's the meaning of comobe? What does it mean to be Lolo's mother? Is this a confession or a proposal?

I want to shake my head subconsciously. Lolo in my arms seems to hold her a little closer, and seems to be expecting her answer.

In fact, she likes Lolo very much. Lolo is so smart and lovely. What kind of blessing should it be to be his mother? But can she really be Lolo's mother?

Can she really be a family with conmbe? What if one day Lolo's biological mother comes back?

After some consideration, Bai nianxi still shook his head.

The fire went out in his eyes and his eyes were as heavy as water, but he still couldn't help asking, "why?"

I don't know how, although she refused conmobei, there was a faint discomfort in her heart, "no reason, just don't want to."

Bai nianxi's tone sounded so impatient in kangmobei, which fully expressed her unwillingness.

The temperature in his eyes completely cooled down. Conmobei turned and walked out of the room. Before he left, he only said, "take good care of Lolo."

Since that night, Bai nianxi always feels that something is not right in his heart. When he does something, he will think of kangmobei's face that seems to be full of loss, and the faint fragrance of milk on Lolo.

She and conمبر haven't spoken for several days, and she can't figure out what this is. They have nothing to do with each other, but they are angry with each other for some trifles.

After work, Bai nianxi took the bus and walked home.

Suddenly a person appeared in front of me, it was Bai Yuhao.

"Sister! I finally found you Bai Yuhao jumps up to Bai nianxi, looking excited.

Bai nianxi also moved, but he didn't show much joy. He just frowned and asked, "Yuhao, how are you here?"

Ever since he came out of the VK bar that day, he has been asking about Bai nianxi's news. After many twists and turns, he really got it.

It turns out that he really did not read it wrong! The people I saw in the bar that day were really in vain! Bai nianxi really hugged a golden thigh!

Bai Yuhao is obviously very excited. He finally has a chance to soar!

"What can I do for you?" Bai nianxi's face is not very good, for this half brother, she actually has no special feelings.

She grew up in a bad family environment. Her father found her a stepmother, and her stepmother gave birth to a younger brother. Of course, no one would focus on Bai nianxi.

Her relationship with Bai Yuhao is not very pleasant. Bai Yuhao has been spoiled by others for holding the moon from a few stars. Although her heart is not bad, her character is inevitably selfish and lazy.

"Elder sister, you see what you said. You are my elder sister. It's not normal for me to come to you?" Bai Yuhao looks very old.

"If you don't, I'll go first." Then you turn around.

"Oh, no, no, no, sister." Bai Yuhao grabbed Bai nianxi and said, "I'm here to ask you to do me a favor and find me a job."

"Well, I came out from home some time ago, and I haven't found anything good to do. I want to live and spend money. Elder sister, you see that you are all close to... "

Half way through, he realized that what he said was wrong, and then he said, "you see, you have such good resources around you now, so it's not difficult for you to help me, is it? I just want a good job. "

Bai nianxi looks at Bai Yuhao with exploration in his eyes.

It seems that he also knows that he can't go too far. He didn't ask her to give him money directly. He just asked for a job.

"Is it OK, elder sister?" looking at Bai nianxi hesitating, Bai Yuhao pulls Bai nianxi's arm and asks.

It's not that she can't help. Although her relationship with Bai Yuhao is neither good nor bad, it's her sister after all. She's really bad. How can she refuse.

Looking at Bai Yuhao in front of her again, she would not let her go if she didn't agree, thinking and nodding.

"Yes."

"Thank you, sister! I knew that... "

Before he finished, Bai nianxi interrupted, "but you have to promise me that you can't come here to find me in the future. If you have anything necessary, you can contact me by phone."

"Good, good." Bai Yuhao promised.

"And don't tell your family you met me."

Bai Yuhao's expression became a little strange, but he nodded and left happily. After Bai Yuhao left, Bai nianxi sighed slightly.

She knows Bai Yuhao's character. If she doesn't agree to his request, she is afraid that he will keep pestering him. Now her only hope is that the people of Bai family don't know that she is here, let alone look for her. She has enough troubles. Now she just wants to live a simple life.

Then on the way home, I heard a few wild barks of dogs, with a feeling of ferocity.

Bai nianxi's legs softened, because she was bitten by a dog when she was a child, leaving a psychological shadow. What she was most afraid of was that kind of fierce dog.

There are no dogs all the way. How can dogs suddenly appear today? This road is really doomed not to be peaceful.

Afraid of what comes, not long after hearing the dog barking, the dog has already run to Bai nianxi.

There are four dogs!

Or the most vicious bitdog! Once a dog bites a person, it will not let go of anything until it kills its prey.

Bai nianxi's face showed a look of fear, with a look of panic and a soft foot.

Several dogs stopped a few meters away from bainianxi, barking, and there was a tendency to rush up.

Bai nianxi's heart has never been so scared. He doesn't dare to move in the same place, even his breathing will stop.

Unconsciously a little bit back, suddenly, the foot fell, Bai nianxi fell on the ground, issued a sound, the dogs were stimulated to, ready to rush up.

Just then, not far away, suddenly there was the sound of a car.

In response, a red Ferrari Rafael sports car had come from far and near. In a flash, it came to Bai nianxi. The engine roared and brought a strong wind.

The sports car rushed directly to the dogs, bumped the dogs that barked at Bai nianxi and tried to attack, then made a sharp turn and launched an attack again on the dogs who escaped from the wheel and saved their fighting capacity.

After a narrow escape, Bai nianxi's back broke out in a cold sweat.

When I recovered from the great fear and consternation, I had already stopped here. Several dogs lay down on the ground, confused with flesh and blood.
