

《Billionaire CEO Won't Leave》

Chapter 66

Ye Chunmei got up from the ground in shock. Looking at Jenny's appearance, she became even more angry and scolded: "how to talk! You almost hit me

Jennie frowned and met this kind of person in the morning. It's really bad luck. According to her usual temper, she would have to teach this man a lesson.

But I can't now. I have to find Bai nianxi first.

Jenny's face was flat. She didn't want to be entangled any more and wanted to drive away.

Ye Chunmei was excited.

Since he was driven away last time, Bai Jianguo has been ill at home for several days. He is not at ease here and has to quarrel to let her come again.

After all, how can such a good cash cow not make good use of Bai nianxi's wealth?

She came here again today, just to look for Bai nianxi again, and she didn't dare to go near the last dog. She only dared to wander around outside.

Now I see that Jenny, dressed up and driving a high-value sports car, seems to be a rich owner. Anyway, if you have money, you can take it.

Eyes a turn, homeopathy to the ground a lie, began to cover one of their own legs on the ground to tumble up.

"Oh, my leg, I'm afraid I can't walk when I'm hit. It's painful..."

"Ah, why can't I feel my leg? Can't I be paralyzed? God, how can I live... "

Ye Chunmei stands in front of Jenny's car. It's hard for her to walk. When she sees Ye Chunmei's appearance as a rogue, she feels a strong dislike.

"Go away, or I'll run over you!"

After all, ye Chunmei was still afraid of death. She got up from the ground and rushed to the front of Jenny's car, "my leg..."

Jenny can't help it any more. She's going to fight with Ye Chunmei when she gets out of the car.

He grabbed Ye Chunmei's clothes and said, "I told you to go away, didn't you hear me? You can touch my car, too? The shameless poor man has wronged me with money! "

"Who are you calling?" On hearing this, ye Chunmei stopped howling. She glared at her and said, "who do you think is shameless! Who is poor

Jokes, she is now a million people, in their village can be counted on the richest, this dead woman why say she is poor?

"What an old car is driving?" Ye Chunmei glanced at Jenny's car and said, "I can't afford to buy your car. What are you pulling! Do you know how rich my son-in-law is? "

Jennie sniffed with contempt and disdain in her eyes. She had always looked down upon the ordinary people at the bottom of the society.

"Tell you, my son-in-law's name is Kang! no North

She knew that the man who stood beside Bai nianxi that day was called Kang Mobei. When she went back, she asked Bai Yuhao to check it on the Internet. If she didn't know, she was startled.

I didn't expect that there was such a high branch beside Bai nianxi!

They can make those poor relatives in rural areas more than 100 popular and spicy for several lives!

Hearing Ye Chunmei's words, Jenny's face changed. "What did you say?"

"Why, didn't you hear me clearly?" Ye Chunmei looks very amazing, "kangmobei, do you know me? My son-in-law! What's the matter? Are you scared? "

With a sarcastic smile, Jennie said, "can mobeiko have poor and sloppy relatives like you? Besides, my son-in-law, Mo beige, even his girlfriend... "

At this point, Jenny stopped.

After a long time, he asked, "is your daughter Bai nianxi?"

Unexpectedly, her son-in-law was so easy to use. Ye Chunmei nodded with pride.

Jenny was really surprised.

Soon after, Jenny and ye Chunmei came to Kang's house.

After ye Chunmei got out of the car, Jenny looked at the seat she had sat in disgustedly. The car will be lost tomorrow.

"Is Bai nianxi at home?" Asked Jenny at the door.

"Who?" Hearing his name, Bai nianxi's hand stopped.

She had been painting upstairs all morning. She had just finished her entries. When she went downstairs to have a rest, she saw someone coming to her.

Without waiting for the servant to report, Jenny has come in, followed by Ye Chunmei.

Bai nianxi's eyebrows are tightly twisted into a ball, and ye Chunmei actually follows?

"Miss Bai, she is popular outside and drinks spicy food, but she doesn't care about her family. She can't be too heartless."

Despite Jennie's sarcasm, Bai nianxi has no good way at Ye Chunmei: "what are you doing here?"

"Is this the attitude you should have towards your elders?" Since she knew that Bai nianxi had such a mother, Jennie despised Bai nianxi a lot.

Wild pheasants come out of the poor Valley, and there are a lot of stupid and bad poor relatives. How can she compare with her?

Bai nianxi's relationship with Ye Chunmei and her family's affairs have just been understood from ye Chunmei's mouth. She learned that what ye Chunmei wanted was money, so she had a plan in mind at that time. Is it better to let Ye Chunmei do it than to let her do it herself?

Bai nianxi is just a pile of red RMB for Bai's family, and she happens to have money, so they reach an agreement.

"I don't need Miss Jenny to worry about my attitude towards my elders."

Jennie gave a smile. Whatever, as long as ye Chunmei could help her.

"I came here today to ask Miss Bai how she was preparing for the competition. I didn't expect to meet your mother. I saw that your mother was pitiful outside, so I brought her in."

"Why, Miss Bai doesn't pour a glass of water for her mother even if she doesn't welcome me?"

With the support of Jenny, ye Chunmei's courage is also a little bigger.

"You dead girl, you dare to let us go last time. It's heartless!"

"I don't have anything else to do today. Your grandfather fell ill after he went back. You can take some money out."

Bai nianxi looked coldly at the two people in front of him and said, "I have nothing here."

"No?" Ye Chunmei suddenly became angry, "is there anything valuable in such a big home? If you don't give it to me, I'll search for it myself! "

With that, he searched the living room fiercely, but the servant couldn't stop him.

Jenny is happy to see ye Chunmei making trouble for Bai nianxi. She holds her arms in her arms and looks relaxed.

"What are you doing?" Bai nianxi went to stop the spring plum.

Ye Chunmei searched and ran upstairs. Bai nianxi was in a hurry and quickly followed her.

The door of the study is unlocked. Ye Chunmei rushes in. After a crackling sound, Bai nianxi comes. The study has become a mess.

And her paintings! The competition she just finished! In the middle has been Ye Chunmei nongsa ink halo dyed a piece!

The rooms upstairs are locked, but ye Chunmei doesn't find anything. She runs down again, catches Jennie's eyes and looks back.

It's done.

Jennie sighed. "It seems that Miss Bai is really inconvenient to be a guest today. Let me see such a good play as soon as I come. Forget it. In that case, I'll go too."

Then he turned and left.

Bai nianxi calls several servants to hold Ye Chunmei up and push her out.

After ye Chunmei is pushed out of the gate of the Kang family, she comes to Jenny's car. When Jenny gets on the car, ye Chunmei also wants to open the door and sit on it.

In disgust, Jenny locked the door, rolled down the window and threw out a check.
"Here's the money. Go back on your own."

Ye Chunmei is not angry, happily picked up the check on the ground, today or harvest is not it?

I hope there will be more opportunities in the future. It's so easy to make money.
