

# 《Billionaire CEO Won't Leave》

---

## Chapter 7

Gu xuanlin insists on staying to take care of Jiang zhiang. Bai nianxi thinks that it's embarrassing for three people to stay in one ward, so she says goodbye to Jiang zhiang, leaves the hospital and goes back to her small house.

I haven't come back for several days. The smell of the room has become a little strange.

Bai nianxi skillfully takes off his shoes and presses the button next to the door, which makes the room bright.

Eyes are unintentionally to the living room sofa, but suddenly found a man sitting on the sofa.

In the heart a burst of horror, white read Xi to call out.

The man had been keeping his eyes closed. He was awakened by a scream. He lifted his eyelids lazily and looked at Bai nianxi at the door.

After settling down, Bai nianxi found that the one sitting on the sofa was kangmobei!

"Mr. Kang? What are you doing here? "

"I thought Miss Bai would be guarding Mr. Jiang in the hospital all the time. I didn't expect that you would know how to come back

This sounds like a strange feeling, as if Bai nianxi had done something shameful behind his back and was arrested and questioned by him.

"Why can't I come back? This is my home." Bai nianxi looks at Kang Mobei suspiciously, "and how do you know my home is here and how do you get in?"

Kangmobei narrowed his eyes. By his means, it's easy to find her home and come in. Shouldn't she be more curious about what he's looking for her?

Lolo has never said a word since he came back from the hospital. He is so lost that he is only four years old, but he seems to have seen through the world.

When I got home, I kept myself in my room. No one should call me, and the servant didn't open the door to deliver dinner.

Luoluo's door is extremely strong, and it is a password lock that he set himself. The program is complex, and it is difficult to crack. A whole family can only guard outside the door, and their hearts are burning.

It wasn't until Commodore called in a cold and serious voice that a small note came out of the crack under the door.

It says in English: unless Mommy comes back to find Lolo, otherwise, no way!

Kangmobei doesn't want to go to the hospital to find Bai nianxi, so he just comes to her home to wait for her.

"Keep the agreement, Miss White." Conmobei took out the agreement paper signed a few days ago and put it on the coffee table in front of him.

"Several days have passed since the appointed time. Miss Bai hasn't come to work all the time. These days are considered absenteeism."

Bai nianxi looks at the agreement on the table and looks embarrassed. She signed the agreement. Yes, she was moved by poor Lolo at that time. In order to get a high salary, she just ignored the attached terms and default terms. This is the second time that kangmobei came to see her because of the agreement. Bai nianxi feels that it is necessary to deal with this matter thoroughly.

"Mr. Kang, I said that when I was in the hospital, my current situation..."

"Want to break the contract?" Without waiting for Bai nianxi to finish, Kang Mobei said directly and simply, "I'm Kang. I don't want to force others. Miss Bai wants to break the contract. I'll pay the penalty according to the agreement."

Looking at the oil and salt in front of kangmobei, Bai nianxi's heart is very angry, not forced? 30 million yuan of liquidated damages, is it not hard to force others? Is extortion not too good?

"A small agreement requires a penalty of 30 million yuan. Mr. Kang is really good at this business. I just don't know whether he will support Mr. Kang's 30 million yuan request legally."

"The law?" "The law of a city, of course, is to listen to me," he said

As soon as Bai nianxi heard that the words were stagnant, she did not know what kind

of existence Kangmobei had in city A. how could the powerful plutocrats and gentry fear a piece of Lingwen?

Sure enough, rich people still have a privilege - the right to be shameless.

Is also made angry, Bai nianxi some angry way: "Mr. Kang want the first one, a life, I Bai nianxi not so much money."

You want to die?

Kangmobei's eyes fell on Bai nianxi's chest, which was full of anger and ups and downs. Suddenly, there was a funny smile on the corner of his mouth.

"Good. Not as good as Miss Bai. How about meat compensation? "

Bai nianxi's eyes were wide open because of shock. What did she hear just now? prostitute? President of Tong Tong Kang group, let her pay off the debt?

"No?" Kangmobei's eyes narrowed slightly, which made him unfathomable.

Looking at Kang Mobei's expression in front of him, which seemed to play with everything in the palm of his hand, Bai nianxi felt an unnamed evil fire in his heart. In addition to all kinds of grievances he had suffered in recent days, his mood suddenly burst out.

"Good! Meat pays, meat pays! "

With that, Bai nianxi reaches out and grabs Kang Mobei's bow tie and pushes forward. Kang Mobei doesn't expect that Bai nianxi will be strong to him. For a moment, he is unprepared. He is pulled forward by Bai nianxi and bumps his chest into Bai nianxi's face.

Bai nianxi excitedly tears open the shirt in front of Kang Mobei's chest. Because of too much force, the button on the shirt jumps out of the distance and falls to the ground. Kangmo North back to God, a hand to seize Bai nianxi's hands, deep voice low roar: "Bai nianxi, what are you doing!"

"What for?" Bai nianxi sneered, "don't you let me pay for it? How can I let Kang Da Shao take a fancy to the 30 million yuan liquidated damages, but it can be written off by sleeping with him for one night. "

Looking at Kang Mo Bei's bare chest, strong muscles, delicate and elegant lines, Bai nianxi licked his lips and went up. No, he did.

Soon, there was a sharp pain in his chest, as if he wanted to let out all the bad breath he had suffered in the past few days. Bai nianxi bit very hard, and the blood was gradually oozing from his teeth, and the blood was spreading in his mouth.

Kangmo North tightly pursed thin lips, did not make a sound, but the throat came to bear the stuffy hum, the face is also very ugly.

Meat compensation is just a joke he told. Unexpectedly, Bai nianxi would agree to such an unreasonable request. It seems that it's really easy for her to sleep with a strange man she doesn't know?

Is Jiang zhiang willing to give it to her? Thinking of this, the eyes of conumber are more gloomy.

Until the gas vent enough, Bai nianxi finally released his mouth, lips with blood, such as a little cinnabar.

"Enough?" Conumber's throat overflowed with two heavy syllables, which seemed to suppress great anger.

Bai nianxi reaches out his hand and wipes his lips with the back of his hand. He stares back at Kang Mobei.

There was a moment's surprise in his eyes, which was the expression that often appeared on Lolo's face. Sometimes, Lolo is just like her.

With a push of her hand, Bai nianxi was pushed down on the sofa. Kangmobei knelt down on Bai nianxi. Looking at her expression, she finally became frightened. Then she said in a hoarse voice: "would you like to pay for the meat?"
