

《Billionaire CEO Won't Leave》

Chapter 70

Commobei has been busy recently. There is an emergency meeting at 9 o'clock tonight, so Bai nianxi left work first.

Still take the bus as usual, but Bai nianxi left a heart, bought a mask to take. Walking on the road, it seems that no one recognized her, but heard some people discuss.

"Did you hear that? What happened to Yan Sheng's girlfriend

"I heard that woman is a painter?"

"Bah, no painter is more than a small painter of eighteen lines."

"How did you catch Yansheng? If she's really so ordinary, Yan Sheng won't like it, will he? "

"I heard there's backstage behind it!" At this point, the man lowered his voice.

Bai nianxi also pricked up his ears to listen. Did he find out kangmobei so soon?

"Do you know the famous Kang group? This woman's backstage is the Secretary of the old master there! "

Everyone took a breath, it seems that they can't believe the background is so big!

Only Bai nianxi fainted.

Walking on the way home, Bai nianxi's heart could not help heaving up.

Suddenly noticed that behind seems to be with a person.

Turn around and see, it's really with someone. The man was wearing a black cap, a mask and a black garbage bag.

Bai nianxi realized that something was wrong? Look at this man's simple clothes. He

doesn't look like a man who will live in century manor, does he?

At the foot can't help but speed up a few steps, Bai nianxi quickly up, behind that person also followed quickly up, Bai nianxi now determined that this person should be aimed at her.

After several meters away, Bai nianxi stopped, turned around and said, "who are you! What are you doing with me

The man also stopped, did not speak, and then put his hand into the bag, Bai nianxi some doubt staring at his every move, and then saw he pulled out a ball of things from the bag.

Bai nianxi didn't come to take a close look. He just noticed that it was bad and turned around and ran.

There are still things hit, across the clothes hit her body a pain.

Although she is not as clean as conmobei, she is also flustered when she is hit by things coming from uneven roads!

Fortunately, not far ahead is the security Pavilion. Bai nianxi slips in.

"Ah, Miss Bai -"

the security guard stood up and was about to make a conversation when he saw something smashing on the window of the security booth until he couldn't see the outside clearly when he smashed the glass of the security booth.

A thick layer of light yellow liquid was pasted on the glass, and it kept flowing down. Bai nianxi realized that it was an egg.

Bai nianxi has been afraid to go out, through monitoring to make sure that the man really left, and then went home, leaving the security guard alone in the wind.

The next day, Bai nianxi decided to drive to the company.

Just after work, I walked into the company garage and came to her Maserati Xiaohong. Xiaohong was beyond recognition.

I don't know who sprayed the paint on it. The front windshield, windows and both sides of the door were all sprayed.

"Go to hell, bitch!"

"Bitches!"

"There is no dead body!"

.....

Bai nianxi's face is a little pale. Who did it?!

With a gloomy face, he ran to the monitoring room to adjust the monitoring. It turned out that they were two people wearing black clothes, hats and masks. According to their body shape, they should be girls.

Call conumber. "Can I take your car home today?"

After receiving the call, Kang Mobei picks up his eyebrows. This is the first time that Bai nianxi takes the initiative to take his car home!

After finishing his work early, kangmobei came to the underground garage. When he saw Bai nianxi's spray painted car, his face became extremely cold.

"Who did it?"

"I don't know." Bai nianxi shakes her head and tells us what happened yesterday.

Kang Mobei thought for a moment and concluded: "Yan Sheng."

Yan Sheng? Bai nianxi doubts that he has no reason to do these things to himself. Thinking of this, he suddenly realizes that Yansheng has no reason, but his fans have a reason!

Her affair with Yansheng has dominated the headlines of major websites and mainstream media for several hours. Although the news has been withdrawn, how can it not leave some sequelae?

For example, Yan Sheng's crazy fans, how can they let her go easily after losing her mind?

Kangmobei's eyes fell on the four words of "dead without whole body" in the car, and his mouth gently vomited out: "looking for death."

It's as cold as ice.

In the next two days, kangmobei asks Bai nianxi not to go to the company for the time

being. He will deal with the brain powder problem.

Bai nianxi sits in front of the TV with a frown, and the phone rings again.

Since last night, she always inexplicably received all kinds of abusive messages and phone calls. Shielding is useless. She can only turn off the phone directly, but as soon as the phone is turned on, there are countless harassing calls pouring in! Bai nianxi couldn't stand it any more. He said angrily, "what else do you want?"

There is a Leng first, and then came a nice voice with apology, "Ms. Bai, Hello, I'm Yansheng, I'm here to apologize to you."

Bai nianxi was stunned.

"From yesterday till now, your phone has been blocked..."

Yansheng's apology is very sincere, but Bai nianxi's anger still can't go down. After hanging up, according to Yansheng, turn on the entertainment channel.

There is a press conference live on TV. The main character is Yan Sheng.

At the press conference, Yansheng solemnly and repeatedly clarified the false rumors with Bai nianxi, and sincerely expressed his great apology to Bai nianxi through the TV.

In addition, I seriously advised my fans not to hurt the innocent, lose their mind, and be a good citizen who abides by the law.

Bai nianxi looked at the TV, the fire in his heart finally went down.

Then, she heard Yansheng announce: in order to temper his acting skills and strength, he will take a year off from the entertainment industry!

Even Bai nianxi thought, I go, he is crazy!

When his career is booming and it's best to fight in the world, he wants to retire from the entertainment industry! Is this really crazy?!

In fact, it's not hard to understand that it's not a decision he made or a decision he can make.

Bai nianxi thought of kangmobei. After watching Yansheng's press conference, Bai nianxi called kangmobei, "did you do it?"

With a deep voice, "well."

Bai nianxi sighed.

"Why?" Conmobei's tone seemed to be a little displeased, "or dissatisfied? Then I'll let him go forever. "

"No Bai nianxi advised: "I just feel that the people who offended you really didn't have the whole body to retreat. Wen xinyansheng, the golden couple, fell into your hands."

"In my hand?" Conmber picked his eyebrows and corrected seriously: "it's in your hand. If they hadn't bullied you, I wouldn't be idle enough to deal with them. "

"And, you know."

"Well?" Bai nianxi is at a loss. What do you mean? What does she know?

Kangmobei's voice was cold, and he said, "why, don't you know that you have already provoked me?"
