Chapter 72

Well, what do you mean?

"A few days ago, I lost a car with two million dollars in cash in it. Someone told me that it was stolen by a man named Bai Yuhao. Why don't director Liu check it for me?"

Ye Chunmei reacts that kangmobei is saying that her son stole his money and car!

"You talk nonsense! My son didn't steal from you! It's obviously... "

"Chunmei!" Bai Jianguo stopped Ye Chunmei from blurting out her words.

Kangmobei pretended to be clear, "so Bai Yuhao is your son?"

"We didn't take your money!"

"No?" The voice is cold, "the license plate number is XXXXXXXX, two million cash is serial number, Bai Yuhao's hotel is the presidential suite on the top floor of Fulihua Hotel, Liu bureau sent someone over, everything will be clear."

The white family was stunned.

Glancing aside, Liu Ju understood Kang Mobei's meaning and asked people to carry two soft chairs. Another one was for Bai nianxi.

Leisurely sit down, and then took the tea handed over by Liu Bureau's hands, drank a mouthful and put it down.

"How to judge?"

Liu Bureau bowed his head, "fixed-term imprisonment of more than 10 years or life imprisonment, of course, depending on the severity of the situation."

"Very bad?"

"There's no time."

Conmber nodded and dropped a business card. "A lawyer?"

Ye Chunmei's body has begun to shake, but Bai Yuhao is the baby of the Bai family, the only incense, absolutely can't do anything!

Climb up and plead.

"Reconciliation?" Kangmo North pick eyebrow, see white read Xi one eye. "Willing to reconcile?"

Bai nianxi frowned and did not speak.

Conmber was cold. "My woman said she didn't want to. Did you hear that?"

Bai Jianguo scolded: "dead girl, he is your brother! You can't see death without help! "

Bai nianxi coldly looks at all these ridiculous things. Only when they need her, will they think that she is also their family, right?

Other times, what is she? She's their purse. She's their car.

Turn around and say, "come on, I don't want to see them again."

The faint eyes look over, still showing black awn, this woman, soft hearted again.

Then he stood up, dusted his clothes, and said, "no time, just return the money."

Liu Bureau let out a breath, things finally passed without danger, "heard?"

Ye Chunmei is sitting on the ground, her eyes are blank. How, how can it be like this? That's two million! How can they afford it!

Feeble back home, Bai nianxi first collapsed on the sofa. Breathe out, life is really hard.

"Not upstairs?"

Bai nianxi squinted, "I'll lie here for a while."

Kangmo North rarely did not come to disturb Bai nianxi, went upstairs into the study, left Bai nianxi alone on the sofa for a meeting, not long after, Bai nianxi fell asleep.

She had a dream.

There was a girl in the dream, but she couldn't see the girl clearly.

It rained a lot. The girl seemed to have something urgent. She was walking on the road in a hurry with her schoolbag in her hand. She didn't have an umbrella and was drenched all over.

The girl is followed by two sneaky men.

At the foot of the step faster and faster, the girl finally can't help running up, behind the two men also ran over, and faster and faster, after a while to catch up with the girl.

One person and one hand clamped the girl's shoulder. The girl was scared and yelled, struggling to resist.

"Let me go! Let go of me

"Call your mother! I'll beat you to death, believe it or not The man said savage and rude, the expression is also very fierce.

It's getting late, there are not many people in the street, and no one noticed the girl's call for help.

"Your mother has sold you to us! It's 20000 yuan. It's a high price, don't you know? Want to run? If you run away, won't my twenty thousand yuan be wasted? "

"I didn't! No, She's not my mother! She can't sell me! " The girl is still struggling desperately.

"Don't talk nonsense!" The man scolded.

With that, they drove the girl to the green belts on both sides of the road.

The girl kept fighting, provoked the man impatient, a slap on the face.

"You want to die, don't you? I don't know how to be obedient, do I? "

The girl was slapped and fell to the ground, her mouth bleeding, but soon washed clean by the rain.

Face is full of water, can not tell is rain or tears.

He sobbed, "I'm not going with you, I'm not going with you..."

"You have to go if you don't go!" The man bent down to pick up the girl on the ground.

All of a sudden, a boy rushed over and kicked the man away. Then he turned around and kicked another man in the chest. Grab the girl on the ground, "go!"

The girl was stunned at first, and then she was grabbed by the boy, lifted up from the ground and ran forward. The two men behind him slowed down for a few seconds, got up and ran after him.

It rained heavily, as if to wash away all traces of the city. Gradually, the two men behind did not keep up.

Two people came to an overpass under shelter, breathing just all the way the thick gas, the girl touched the chest, "thank you, thank you."

"No thanks." The boy's answer was straightforward.

The girl had a chance to look up at the boy in front of her. She looked tall and handsome, with the unique sunshine and warmth of young men on her face.

Just now he came home from the bar, just saw this scene, observed for more than ten seconds, determined that the two men were not good things, then rushed up.

Boys are very talkative, "why do they want you?"

The girl bowed her head and did not speak.

Her vampire stepmother, because she had a huge gambling debt and could not repay it, sold her to repay it. But God knows what would happen if she really fell into the hands of those men!

She has no place to go now. Even if she has a home, she can't go back. If she goes back, she will be seized by the stepmother and sent to the men.

What's more, it's not her home. She is a man without a home.

The boy laughed, "no place to go? I'll take you in. Come to me first. "

The girl looked up, her eyes shining.

"By the way, what's your name?"

“ ”

The boy's name is hidden in the noisy rain, which makes people not really hear.

"Xiaoxi - Xiaoxi -"

a soft voice came, and Bai nianxi felt a warm gas in his ear.

Open your eyes and find that the person in front is Lolo.

Luo Luo is lying on the edge of the sofa, putting his head close to Bai nianxi. His beautiful big eyes flicker and reflect Bai nianxi's figure.

Two white and tender hands arch into a curved bridge, covering Bai nianxi's eyes.

Sure enough, the light is not so dazzling.

Heart a warm, white read night slow God, sat up from the sofa, "Luoluo baby, when did you go home?"
