

《Billionaire CEO Won't Leave》

Chapter 78

Not again? But Bai nianxi didn't dare to ask, and quietly followed Kangmo North back to the company.

Conmobei's face was as cold as a layer of frost.

After arriving at the company, conmobei strides directly to his desk, opens a pile of thick documents and starts to read them.

Bai nianxi didn't say anything. The new spokesperson of the new product has been determined. She will start to prepare for the subsequent cover design work.

There was a knock at the door of the office.

As an assistant to the president, Bai nianxi immediately said, "come in."

The sound of loud high-heeled shoes rings out, showing an invisible elegance and calm. Bai nianxi didn't feel that he raised his head and looked at the man who had just come in from the door.

It's a woman. She's a little older, but she's still well maintained. She looks like a half breed. She has a tall nose, deep eyebrows and graceful appearance.

The momentum in the eyebrows and eyes is rebellious and noble.

The woman was followed by a foreign man in a black tuxedo, with gray curly hair, standing respectfully behind her.

"Mobei." Qi Zhiwei opened his mouth and called. His eyes first fell on Kang Mobei who was sitting in the president's chair.

Kangmobei looked up and saw that the person who came was Qi Zhiwei, with a dense look in his eyes, "how did you come?"

"I'm your mother, can't I come?" Qi Zhiwei spoke gracefully, went to the sofa in the office and sat down. He looked at Bai nianxi, "your assistant?"

Bai nianxi finally realized who was the woman in front of her. The shock in her heart was hard to express. Is kangmobei's mother this elegant and elegant woman?

"Lewis, you go out first." Qi Zhiwei said in English to the man in the black tuxedo. Louis nodded and backed out.

His eyes fell on Bai nianxi. A few seconds later, he said, "how did you get into this company? As far as I know, Kang's company has always been strict in employing people. Has no one ever taught you that as an assistant, when the president comes here, he should pour water first and then quit?"

"No Kang Mobei stopped Bai nianxi, who was about to get up to pour water, and looked at Qi Zhiwei with deep eyes, "I didn't invite you here, and you're not my guest."

Qi Zhiwei chuckles, "Mobei, mom wants to introduce your girlfriend, are you so angry?"

"I have a girlfriend. I don't need you to introduce me." Kangmobei looks at Qi Zhiwei with deep eyes.

"You have a girlfriend? Who is it? "

"Does it have anything to do with you?"

"I'm your mother, don't you think?" Qi Zhiwei's voice did not change, but he had already shown a kind of dignified momentum.

Kang Mo North a sneer, "22 years did not come back, my mother?"

"Even if I haven't been back for 30 years, Mobei, I'm your mother." Qi Zhiwei stood up, went to the desk of kangmobei, and took out a picture from the expensive wrist bag he was carrying.

Put it on the desk in conumber and pass it. "This girl, like frost, I like it."

Then he went out, leaving only a sound of high heels knocking on the ground.

Kang Mobei waved his hand fiercely and swept all the documents on the desk.

He left him when he was five years old, and his mother, who had never come back to see him in 22 years, only came back this time to deal with the affairs of the British branch.

He hated her for many years, but when he knew that she was coming back and asked to see him, he couldn't help going.

He even wants to take the girl he likes to see her. But she?

Why!

Bai nianxi feels that at this moment, in addition to the anger of forbearance, there is a kind of loneliness accumulated for a long time. This kind of loneliness makes people feel sad.

Go over, "Kang, Mr. Kang..."

Conmber looked up, a smile on his frosty face, with irony and disappointment, "do you want me to go on a blind date, too?"

When Kang Mobei asked this, Bai nianxi was flustered for no reason.

Bai nianxi didn't know what to say. She clearly, clearly didn't mean that at that time. She just wanted to deny her relationship with Kang Mobei. No, no, she just wanted to

In the end, he couldn't say anything and just looked at conmobei.

"Oh." Conmber sneered, "well, as you wish."

Bai nianxi breathes out a breath, this is also good. At the end of the day, who is conmbe with and what does it have to do with her?

Kangmobei left directly after work, and Bai nianxi also packed up for work.

I got a sting from my cell phone.

It's a message from Bai Yuhao. He asked her to meet at star bar tonight. He said there was something very important.

Bai nianxi thinks it should be because Kang Mobei asked Bai Yuhao to pay back the money two days ago. Bai Yuhao has already squandered a lot of the two million yuan. Let alone ask the Bai family to make up for the part that has been spent, even if they return one tenth of it, they will certainly not. She doesn't want to have any more contact with the Bai family, but if she doesn't go, she's afraid they will come to the company. After thinking about it, I went.

Bai Yuhao ordered a box. Bai nianxi took a taxi and ran to it.

In the luxurious and elegant French restaurant.

"It's you?" Mu Rushun's face showed a slightly surprised smile, "so you are aunt Qi's son."

Kangmobei is not surprised because she has seen mu Rushuang's photos in advance, but mu Rushuang doesn't know that the person she wants to see is kangmobei.

Qi Zhiwei hasn't seen kangmobei for many years. Naturally, there are no photos of kangmobei.

"Well." Commo north face has no expression of light reply way.

Mu Rushuang chuckled, "is this called fate?"

"Love between people is called fate."

"Mr. Kang means not to fall in love with me?" Mu Rushuang is not angry, his face is always a gentle and appropriate smile.

Of course not.

Conmber gave a cold smile.

"What is Mr. Kang coming to see me for today?"

Conmobei's face suddenly sank, but for that stupid woman, he would not have come.

Blind date? He's not going to do anything that boring.

"Just tell Miss Mu that it's impossible between us, so you don't have to pay any attention to her future plans."

Mu Rushuang nodded, seemed to agree with Kang Mobei's point of view, and then lightly shifted the focus of the dialogue, "but you are aunt Qi's son, why call her general Qi?"

Conmobei was silent for a moment, "because we are business partners."

This time Qi Zhiwei returned home, he really wanted to talk about a big business, and the partner was Kang group.

Mu Rushuang said with a smile, "Mr. Kang is really serious and a little cute."
