

《Billionaire CEO Won't Leave》

Chapter 80

In the star bar, as the night gets deeper and deeper, the atmosphere becomes more and more warm.

Kang Mo North originally put down mu Rushuang and then turned to leave. Suddenly, he saw Bai Yuhao who came back from buying cigarettes.

Why is he here?

Then he went in.

"Brother?" Mu Rushuang stood at the door, his face puzzled.

Brother? Bai nianxi looks at Mu Sili beside him. Doesn't he claim to be his brother?

Anyway, you have to get to the point, "are you family in Munich? Well, I think this kid is in a bar... "

Bai nianxi talks in a row. How many cracks appear on mu Rushuang's face, which is always well managed, Munich? younger brother?! a cowboy?! Congliang?!!!

Bai Yuhao pushed the door in and said, "sister, is the man you're looking for fun..."

Silence.

After the silence, Bai Yuhao felt cold on his back and seemed to be running naked in the cold wind.

Looking back, is a face of cold and overcast komobi. What Bai Yuhao said just now, word for word, entered the ears of Kang Mobei.

The cooling effect of the air conditioner in the star bar suddenly becomes so good.

In the box, which is as quiet as death, there comes the sound of conumber closing the door gently, which is like a lethal charm.

"Mr. Kang?" Mu Rushuang has been puzzled to call out, later seems to be aware of some gaffe, embarrassed smile, "how can you, into here?"

Kang Mobei's eyes are fixed on Bai nianxi's face. Well, after a while, he's looking for a man behind his back?

"Bai, Nian, Xi." Word by word, slowly revealed from the teeth, three points of strength, seven points domineering.

Bai nianxi trembles. It's a bad time. I met kangmobei here.

"Kang, Mr. Kang, didn't you go on a blind date?"

"It seems that you had a good time when I was away?" Kangmobei's eyes are like a knife passing by musili. "The man you ordered?"

"Mr. Kang..." Mu Rushuang wants to say and stop, "you misunderstood, he is my brother."

"Are you Frost's blind date? My future brother-in-law? " Mousse's focus is not on the choice.

Bai nianxi, brother-in-law of the future? That's the girl on the blind date tonight? No, this girl looks so familiar. Bai nianxi remembers that it was the girl she met in the western restaurant two days ago!

What about Munich? It's her brother?! Bai nianxi wondered, this kind of family background, can come out to the sea? "Aren't you?"

"am I like a duck?" Musi Li smiles, reaches out his hand to kangmobei and introduces himself: "Hello, Musi Li."

Bai Yuhao shivered and said to Kangmo: "sister, brother-in-law..."

Brother in law?!

All eyes are focused on Bai nianxi.

With just a few conversations, the amount of information is amazing.

The atmosphere was strange and quiet.

The bar manager pushed the door in and said, "304 guests, our guys have been waiting

outside for a long time. They can't wait..."

Excited by the strange atmosphere in the box, he shivered and said the rest I'm going to have fun with you... "

There's a bunch of half naked beauties behind them.

The momentum of conmer was colder, and the whole box was chilly. At this time, a mobile phone ring broke the silence.

Mu Sili got on the phone and said, "well, aunt Qi Now All right

Hung up the phone and said to Mu Rushuang, "aunt Qi has something to do with me. I'll go first."

After a few steps, I found that mu Rushun still stayed in the same place, "why don't you go?"

Mu Rushuang took a look at Bai nianxi, and her eyes fell on Kang Mobei with a gentle smile. "Mr. Kang, I'll leave with Sili."

At the moment when mousse left maimen, Bai nianxi suddenly had an impulse to hold him. If they were there, it would be embarrassing for everyone. If they left, she would fall into the hands of conmobei. No one could fight later.

Musi left to the door, eyes gently floating white Nian Xi, the corner of the mouth with a smile.

That look is just watching a good play!

After Mu Sili and mu Rushuang left, the bar manager quietly asked, "who do you order?"

From the beginning to the end, kangmobei didn't look at others. His eyes were fixed on Bai nianxi. Bai nianxi was scared and didn't speak fluently.

"No, no more."

But if you don't want it, you have to pay for it. After all, it takes precious time, doesn't it? The manager of the bar calculated the bill and said, "it's 1.28 million in total. Who will pay the bill, please?"

"Who ordered it?" he said coldly

The bar manager pointed to Bai Yuhao.

Bai Yuhao waved quickly. How did he know he wanted so much money? I didn't order any more when I knew that. Besides, Bai nianxi has the great God of wealth, kangmobei. How can he come out with such a small sum of money?"I ordered it for my sister."

The implication is that whoever consumes will pay.

Bai nianxi mercilessly gouged out Bai Yuhao. It's a pit! "I didn't ask you to order. Don't put the blame on others."

Kangmobei finally moves his eyes away from Bai nianxi and onto Bai Yuhao. His eyes are indifferent and scornful. "Do you want me to pay?"

Bai Yuhao also knows that he has gone too far. After all, he has to find a man for his sister, and the money has to be paid by his brother-in-law. It's not very kind indeed.

But he really doesn't have so much money!

"Good." Kangmo North eyes deep like pool, nodded to agree. Beckoning the half naked men brought by the manager.

"I can give the money, but I can't give it for nothing. Now that you've ordered people, your sister is not happy to accept them. These people belong to you."

Bai Yuhao's eyes widened. Is kangmobei going to let him play with men? Or so many men?

Kangmobei pulled Bai nianxi out. When he got to the door, he turned slightly to the bar manager and ordered, "watch it for me. Don't let him leave until 12 o'clock tomorrow. Make sure he has a good time."

Bai nianxi's heart was cold. Kang Mobei's move was really cruel.

But his face was a little ugly. He glanced at him and said, "what's the matter, heartache?"

Bai nianxi is really distressed. That's 1.28 million!

Seeing Bai nianxi nodding, Kang Mobei's cold face was a little bit colder, "do you want to share his worries?"

Meaning to what the North said, Bai nianxi quickly explained: "I love money."

"I don't think you can do that. He should be responsible for what he does. No one forces him. I don't want others to take advantage of you through me."

Kangmobei's eyes are secretive. Is it the money that loves him, or the money that loves him?

Sneer, dial the phone in hand, "Hello, it's me."

Wang Yijing's lazy voice came from the other side, "how can master Kang think of me today?"

"It's no good to remind me of you." Kangmobei's eyes narrowed slightly, and his words made Wang Yijing shiver.

"Isn't star a member of your family?" Squint 304 box that closed door, "today I want to eat free food."

After hanging up the phone, Wang Yijing immediately called the bar manager for confirmation. I'll go to kangmobei. What a heavy taste! Ordered 8 men, I'm afraid it's not crazy!

"Oh." Listening to the voice coming from the phone, Wang Yijing's face was blue and white for a while. Did he really go and play happily?
