

《Billionaire CEO Won't Leave》

Chapter 84

Kangmobei called Bai nianxi in, "accompany me to a place in the evening."

Bai nianxi first looked at Mu Sili, and saw that he was still a lazy man with a normal smile in his mouth, while Kang Mobei sat on one side with no expression, indifferent and cool.

In front of commobei, there is no choice with attribute as rejection.

He raised his watch and looked at it. It was six twenty. Conmberg never liked to be late.

Stand up, "let's go."

Bai nianxi quickly picked up the things and was ready to go out.

The phone rang again.

Through the phone, Bai nianxi's eyebrows are more and more wrinkled.

"How?" he asked

"There's something wrong with my apartment. I have to get there now." Bai nianxi has a bad look.

"I'll go with you."

"No, it's not a big deal. It seems that the water pipe is broken and the water is leaking downstairs. I'll ask someone to repair it." Bai nianxi doesn't want kangmobei to know about the apartment.

Kangmobei didn't have any doubts. Qi Zhiwei sent him a message just now, saying that he should not be agitated. There will be distinguished guests again tonight.

"Then go home early after you finish your work." Kang Mo North coagulates eyes to explain a way.

Three people get off the elevator together. Secretary Xing has prepared the car for kangmobei. Kangmobei takes a look at Bai nianxi, and then sits in the car.

After walking north, Bai nianxi reached for a taxi.

A car stopped in front of Bai nianxi. The window was rolled down slowly, revealing a smiling face of Mu Sili. "Give Miss Bai a ride?"

Bai nianxi wanted to refuse, but it happened that it rained again. Bai nianxi didn't take an umbrella and had no place to hide. After a few seconds of thinking, he opened the door and sat in the car.

"Where to?"

"Blue sky apartment."

When Musi Li opens the navigation, the voice of sweet voice navigation comes out. Looking at the positioning on the map, the eyes of Musi Li flash.

Somehow, moussili was driving a luxury Porsche, but Bai nianxi always felt that he was driving a taxi.

It seems that when I get off the bus, I just need to give 20 yuan.

Musi from a smile, "I'm sorry, just returned home, unfamiliar route."

Soon after, they came to the apartment building where Bai nianxi was.

Bai nianxi walks into the elevator, and Musi Li also walks in. Bai nianxi looks at Musi Li suspiciously. Musi Li still just smiles, "come and have a look."

But she came to her apartment. What did he come to see?

When I got off the elevator, mousse came out first, followed by Bai nianxi.

Mu Si can see Bai nianxi's door at a glance, because it is so eye-catching.

Turning around and blocking in front of Bai nianxi, Bai nianxi didn't understand, "what's Mr. Mu doing here?"

"Does Miss Bai usually watch horror movies?"

White read Xi Ning eyebrow, he asked this why?

After thinking about it, he replied, "occasionally."

Musi left the corner of his mouth with a smile, "it seems that Miss Bai's courage is good."

Bai nianxi feels that the words of Musi Li are somewhat senseless. He pushes aside Musi Li and walks towards the door.

At the first sight of the apartment door, Bai nianxi couldn't help crying out.

Mu Si stands behind Bai nianxi and turns her back to the door, so that Bai nianxi can't see the scene of the door.

She was still smiling, but her face was a little serious. "It seems that Miss Bai's courage is not too big."

Bai nianxi's lips were a little white, and she still turned her head to look at it. Mousse put her hand on Bai nianxi's head and gave her head away.

"Want to know what it is? I'll tell you

Mu Sili put his eyes on the door of Bai nianxi's apartment, and his eyes suddenly showed a sense of solemnity, "the front door is full of garbage, the door is sprayed with red paint, and a pool of blood on the ground should be left from the two skinned dead cats."

And he said, "imagine?"

In front of my eyes is Musi's broad chest. Even though the scene has been outlined in my mind, Bai nianxi doesn't feel so thrilled any more.

After Bai nianxi is psychologically prepared, Mu Sili turns Bai nianxi around.

It's really miserable and bloody.

No wonder she was complained about.

They called the property management department, and the attitude of the property management department was very clear. They asked Bai nianxi to clean up all this and apologize to other residents in the community, because it caused everyone's trouble.

But also to the community's property to pay compensation, because as a resident did not maintain good community health order.

Mousse squinted, "isn't this the responsibility of the property? Did not maintain the order of the community, let other messy people mixed in, causing trouble to the householder? ""What's more, if this man didn't kill a cat, but a murderer, I don't know if he is responsible for the property?"

The person in charge had a rude attitude, but seeing that moussili was dressed and talked well, he didn't give in to his attitude, so he probably couldn't fight.

Slightly let the trail: "in a word, this is the case, if you think 5000 is too much, 3000 is good."

Mousse put one hand into his pocket and said, "call your boss."

"Boss?" The property manager hissed, "how can our boss spend time with you?"

"You should have a complaint number?" Mousse touched his chin.

"It's no use complaining!" "Has the final say".

Musi said with a smile, "is that right?"

He dialed a telephone casually, "who is the owner of blue sky apartment?"

There's a name on the phone.

Mu Sili's face seemed to be slightly stiff for a moment, and then he waved away with a smile, "that's easy to do."

There were only three people sitting in the dining room of Heinrich. Qi Zhiwei, Kang Mobei and Mu Rushan.

Conmber's face was cold, as if frosted. "Don't you mean there are important customers?"

Qi Zhiwei pointed his eyes at mu Rushun, who was sitting on one side, "this is not me."

Kang Mobei got up and wanted to leave. He was stopped by Qi Zhiwei. "Mobei, my mother just asked you to have a meal together. This meal should have been eaten last time. You stood your mother up once. How, do you want to go away again this second

time?"

"No?"

"No way." Qi Zhiwei shook his head. "To be a man, you should understand the basic etiquette. I'm your mother. Do you think it's good or bad for you to do this?"

A sneer, Kang Mo north corner of the mouth smile sneer, "how, Qi total this words is not to say I Kang family no tutor?"

"You know what I'm talking about." Qi Zhiwei cut a piece of steak and put it into his mouth. "By the way, I was going to visit your grandfather tomorrow."

The body of Kang Mo north is tiny Leng Leng, "what are you going to do?"

"It's not a courtesy to come back after so many years and pay a visit?"

"Whatever you want." The north side of Como looks like ice, turning to go.

"I've closed the door here. You can't go out without my permission." Qi Zhiwei's words are long, but his meaning is very strong, "Mobei, I know your temper."

Commo's steps to the North stopped, and then turned back. His eyes could not be more indifferent. "President Qi is really a good means, worthy of being a member of the British royal family."

This sentence is ironic.

It's ridiculous to say that Qi Zhiwei and Kang Liqing were separated because of Qi Zhiwei's noble British royal blood.

Unable to accept that Qi Zhiwei lived and settled in China, he called him back. At that time, kangmobei was only five years old.

For the next 22 years, he was a child without a mother.
