

Be Gentle 2192

Chapter 2192

Even after some time had passed, Pierre could not forget the pain that he suffered.

He wanted the pain to end, but it felt like he was stuck in a bottomless pit of suffering. He took so many painkillers that his mouth was bitter and his stomach felt uncomfortable. He did not want to go through that once more.

"Pierre." Old Master Mallory gave him a way out.

Pierre sat down and glared at Luca. He was fuming and swore to find an opportunity to teach this woman a lesson.

"Ms. Craw, it's the first time I've heard of it. Since the police didn't bother Pierre about it, mind your words." Old Master Mallory knew about it, but he would never admit it in front of Luca.

"Mind my words? Mr. Pierre is unwilling to admit what he did in the past, but Nina is innocent. How can you accuse her of being a b*tch?" Her gaze was cold as she stared at the man in front of her

If Percy was not the only one who was nice to Nina, she thought that the entire Mallory family would go to hell because none of them were innocent!

"You!" Pierre was annoyed by her sharp words.

"Pierre, sit down!" Old Master Mallory frowned at his restlessness.

had no choice but to sit still and hold back

you said that, it means that the news reports are inaccurate. I heard that you're going to pick on her and even force her to leave Mr. Percy because of this fake news? That's a bit far-fetched. Please leave. Nina won't listen to you. She has a solid relationship with Mr. Percy. Even if you don't accept them, you won't be able to break them up because they've been in love for so many years. You can choose to accept it. Even if you don't accept it, I don't think you need to do these things and say these words. After all, as their elder, there are a lot of things that you can't solve. The decision is still on them," Luca said.

Pierre started speaking, she had already prepared this

sharp tongue!" Old Master Mallory was raving mad. He slammed the crutches in his hand hard on the floor and said, "Ms. Craw, I wasted my time listening to your rant because I respect the Crawford family. However, it doesn't mean that you have the right to accuse me or tell me how to do things. Now, I'll leave with Nina. Even if you try, you won't be able to do anything about it. Don't force me to do things the

"You want to bulldoze your way through? I don't see any bodyguards with you. By the way, Old Master Mallory, I've practiced martial arts. If you don't mind Mr. Pierre being hospitalized for a month or two, come for me. There are cameras here. It'll be obvious who started it. The police can make their judgment based on the evidence." Luca pointed to the cameras. She made it clear that she would not be on the losing end even without Luke.

If they fought, Pierre would be the one to suffer.

Pierre knew his skills were not as good as Luca's, so he whispered to Old Master Mallory, "Grandpa, let the men outside come in. This crazy woman fights *well*."

Old Master Mallory looked at the woman in front of him with a sullen **expression**.

It did not seem like she was bragging...

"I see," Luca murmured. 'They've prepared back up. No wonder they're acting so **tough**.'

"**There's** a video call that you should take before making any rash decisions," Luca said. No matter how good she was, she still could not handle more than a handful of men. On top of that, the kids *were upstairs*.

If Nina was snatched by them, the children would be traumatized. Hence, she changed her mind about not bothering Old Master **Crawford**.

After all, as a mother, she had to protect her children so that they would not be hurt the slightest. As Nina's best friend, she also wanted to protect **her**.

Master Crawford picked up the call after it rang once. He looked at Luca kindly and said, "Luca, leave it to

Master Crawford." Luca put her phone on the coffee table and used a cup to support it. The front camera was aimed at the Old Master

Master Mallory's mood sank when he heard Old Master Crawford's voice.

Mallory, it's you! Shouldn't you be resting at home? Why did you bring your grandson and relatives to Luke's house?" Old Master Crawford teased. His expression was in a stark juxtaposition to Old Master
