Chapter 131: Is There Danger? !

Ghost Fog Forest.

It was a vast expanse of white fog. The white fog was so vast that it blocked one's vision. Even cultivators who were transcending the tribulation would lose their direction when they walked in it.

They even fell into the array formation trap in the Ghost Fog Forest and were unable to extricate themselves.

This was the terrifying part of the Misty Ghost Forest.

"Fellow Daoist Ghost Mist, thank you for helping us this time. It's a favor that our Nine-Tailed Fox clan owes you."

"In the future, when you come to our Nine-Tailed Fox clan, you will definitely repay us."

Although they were both demons, they often schemed against each other. However, ever since Mu Jiu Huang became the Empress and established the Nine Phoenix Dynasty, the demons began to contact each other. Many ninth level Tribulation Transcendence Demon Sovereigns even established the Demon King Palace.

Therefore, the sixth level Tribulation Transcendence experts in the Ghost Fog Forest had to give the Nine-Tailed Fox clan some face.

The Great Elder of the Nine-Tailed Fox Clan was an expert of the Demon King Palace!

“Don’t worry. In the Ghost Fog Forest, 1 can even fight an eighth level Tribulation Transcendence expert.”

“The Ghostmist Forest is my world.”

Ghost Fog laughed. With a wave of his hand, countless black shadows flashed within the entire Ghost Fog Forest.

Ghostfox and Tianchong were instantly crushed by the terrifying aura.

In the fog, there were thousands of roads, but there were frost, fire, flood, lightning... Countless arrays were lingering within.

Killing formations were everywhere, and if one was not careful, they would be shattered into pieces!

The tribulation transcending experts were no exception!

“It’s indeed terrifying!”

Elder Ghostfox and Elder Tianchong felt a chill run down their spines when they sensed that their Divine Senses had been destroyed.

If they walked in, there would definitely be no bones left.

“Hmph, so what if it’s Zhang Daolin? He’ll definitely die in the Ghost Fog Forest.”

“At that time, we can easily bring the Holy Maiden back.”

The two elders sneered.

Seeing the scene in the mirror, Ghost Mist and the other two were shocked.

Did this monkey and turtle extinguish the fire array?

It seemed that his strength was not low.

“Hehe, interesting. Two demons who haven’t transformed yet dare to provoke me?”

“You have to pay the price for provoking me!”

Ghost Fog was furious. Two little demons dared to destroy his array formation in front of the two nine-tailed foxes.

He couldn’t take it.

Hence, he decided to do it.

Ghost Fog snorted coldly and immediately began to activate the array formation in the Ghost Fog Forest.

“Ghostly fog rises, killing formation rises...”

Gui Wu said coldly. He controlled the killing array in the Ghost Fog Forest and continuously attacked the turtle and the spirit monkey.

Rumble! Lightning flashed...

Hualala! Countless icicles fell...

Swoosh! Swoosh! Swoosh! Streaks of sword light came from nowhere...

Countless killing formation attacks fell like dense raindrops.

“Fellow Daoist Ghostmist, isn’t this a little too much?”

“That’s right. With so many array formations, wouldn’t even a tribulation transcending expert be heavily injured?”

Ghost Fox and Tian Chong said in agreement.

Even the two of them felt a chill down their spines as they looked at those terrifying attacks.

In the Ghost Fog Forest, the Black Tortoise and the spirit monkey that were chasing did not care about these attacks at all and continued chasing.

When those attacks landed on their bodies, it was like raindrops falling on their skin. There were no traces.

” What?!”

This time, it directly shocked Ghost Mist.

The methods just now could even kill a sixth level Tribulation Transcendence expert.

However, the two demons in front of him did not move at all and did not cause any ripples?

“Run!”

Ghost Fog immediately sensed that something was wrong. These two demons were not simple. He was definitely not their match.

Ghostly Mist shouted, reminding Ghostly Fox and Sky Chong.

However, Ghostfox and Tianchong had long disappeared.

“These two old foxes!”

Ghost Fog cursed and started to run away, but it was too late.

Monkey and Black Tortoise had already appeared in front of him.

“You dare to secretly satisfy This Sea King?”

“Pa!”

Black Tortoise said angrily. He slapped Ghost Fog’s body, and Ghost Fog flew out like a cannonball.

“You guys...”

Ghost Fog was furious. He was a dignified expert who was transcending the tribulation, yet he was actually slapped in the face by someone. Although he was not a match for him, he could not be humiliated like this.

In an instant, Ghost Fog was enraged and wanted to stand up and fight.

However, just as he turned around...

A Black Tortoise phantom that was as tall as the sky and a divine monkey that came from the Primordial Chaos...

“Black Tortoise, Divine Monkey...Divine beast, this, this, this, this...”

A suppression from his bloodline made Ghost Mist not dare to move at all. He was originally just a snake demon that swallowed clouds and spat out smoke.

Facing the Black Tortoise and the other divine beasts, they did not dare to move at all.

Another round of beatings.

On the other side, when he saw the Ghost Fog Forest, Zhang Daolin’s expression also became solemn. He said solemnly, “It’s not peaceful up ahead. There’s a snake demon on the ground. We have to be careful.”

Zhang Daolin’s expression was vigilant. He was on full alert as he held the Heavenly Lightning Talisman in his hand...

“Dangerous? What danger? It’s just such a small snake?”

Xiao Changtian asked in confusion. He pointed at a small snake that looked like an earthworm and a palm-sized mist.

“What, this...”

“What’s going on?”

Zhang Daolin was incomparably shocked as he looked at everything before him in disbelief..

Chapter 132: Fishing of Fishing by the Lake, Exchange of

Talismans for Gourds!_i

“Is this the Snake Demon Ghost Mist?”

Zhang Daolin was extremely shocked, and he felt as if he had been struck by lightning.

Wasn't this little snake crawling in front of him the Phantom Fog Diremonster?

However, Ghostly Mist had turned into a small snake and seemed to have lost his cultivation. He had been seriously injured by someone?

Who did this?

The Ghost Fog Forest was the Ghost Fog's territory. With the Ghost Fog Forest, even an eighth level Tribulation Transcendence expert could fight!

He could even kill them.

However, he was beaten back to his original state.

It was a tragic sight!

“Coo!”

In the next moment, the old hen ran over and directly swallowed the small snake.

“What danger is there?”

Xiao Changtian laughed. A small snake could even swallow an old hen.

It seemed that this male fan was quite timid.

“Let’s walk a little further and take a break.”

Xiao Changtian said lightly.

There was still a long way to go before Jiu ‘er’s hometown. He could not relax now.

However, he couldn’t rush too fast. If he died while walking, wouldn’t there be problems?

He still had to start the path of invincibility. If he died midway, wouldn’t it be a loss?

The experience of staying up late to cultivate and dying in his previous life told him that he must pay attention to his body.

Thus, the few of them walked forward for a distance.

They arrived in front of a lake.

The lake was extremely clear, and the fish were playing.

“Alright, let’s rest here and fish.”

Xiao Changtian said lightly.

There were a few fishing rods in the ring of the Great Sun Immortal.

“Fishing rod.”

When the Great Sun Immortal heard about fishing, he immediately took out the fishing rod from his ring.

But the fishing rod only has two pieces of the three

“It doesn’t seem to be enough.”

Xiao Changtian looked troubled. How could two fishing rods be enough for so many people?

“I don’t like fishing.” The Great Sun Immortal was the first to speak.

“Master, I don’t know how to fish. There are some herbs nearby.” Wang Miaoshou shook his head and left.

“Master, I don’t know how to fish either. I’ll help second senior brother.” Jiang Beichen shook his head as well.

“Senior, I have something to do with Daji. We won’t disturb you.” Chu Yiren said with a smile on her face as she pulled Su Daji away.

“In that case, I’ll go fishing with you. We can talk about the novel.” Zhang Daolin smiled and walked over. He picked up a fishing rod and sat down in front of the lake.

In fact, he wanted to take this opportunity to give the talisman to Xiao Changtian.

This time, it might have been good luck to encounter an expert who attacked Gui Wu.

But next time?

Obviously, he would not be so lucky.

Xiao Changtian was a mortal after all. After he had repaid the favor of his breakthrough, he would leave. He couldn't just watch Xiao Changtian get killed by a demon, could he?

If he left behind a life-saving talisman, it could at least ensure that Xiao Changtian would survive a fatal crisis.

"Alright."

Xiao Changtian smiled faintly.

Zhang Daolin was to his liking. They could chat about anything. This was the first time he had had such a happy conversation after crossing over to the Tian Yuan Continent.

As for Phoenix and the others, they left silently to chase after Black Tortoise.

Xiao Changtian had just sat down when Zhang Daolin spoke, "Little brother, you...Have you ever blamed fate or complained about anything?"

Zhang Daolin asked tentatively.

Along the way, he had already guessed that Xiao Changtian in front of him should have the rumored Heaven's Jealousy Physique.

Such a system was rarely seen in ten thousand years.

No, not in a hundred thousand years.

Those who possessed such a constitution had supreme talent, spiritual roots, and wisdom, but they were unable to cultivate.

Anyone would blame themselves and even blame the heavens for being unfair.

“I have. After all, there are always some unhappy things in life.”

Xiao Changtian thought for a moment before answering.

He wasn't just complaining.

He had to scold the system every day, alright?

This stupid system was deliberately increasing the difficulty for him. When would he be able to open the path of invincibility?

“Sigh.”

Xiao Changtian sighed.

He looked at the surface of the lake, calm and deep.

Zhang Daolin could see the endless loneliness in his face through the side profile that was filled with melancholy.

It was a feeling of being able to possess the strongest Dao, but unable to touch it.

“It really is the Heaven's Jealousy Physique.”

This time, Zhang Daolin was even more certain.

“However, it’s useless to complain. It can’t change anything. The most important thing in life is still happiness.”Xiao Changtian said lightly.

What should he do if he got sick from holding it in?

If he were to suffer internal injuries and die before opening the path of invincibility, wouldn’t he suffer a huge loss?

“That’s right. The main thing in life is happiness.”

Although Zhang Daolin did not agree, he was still an immortal cultivator. Why would he tell mortals about this?

“Brother Xiao, here is a talisman that I got from a cultivator. It can kill evil spirits.”

“I’ll give it to you.”

Zhang Daolin took out a yellow talisman and handed it to Xiao Changtian.

“Kill evil?”

Xiao Changtian was stunned. This was good stuff!

Compared to that unreliable Mo Tianji, this should be a treasure.

However, he could not accept such an expensive gift.

“No, I don’t need it.” Xiao Changtian waved his hand.

He usually did not provoke demons, ghosts, and the like.

Moreover, there was still the Great Sun Immortal.

The Immortal of Great Sun had made another breakthrough recently. It seemed that he had broken through to the Divinity Transformation Stage!

That was the Incarnation Realm!

One slap could blow up a mountain.

That day, when he was looking at the horizon, he happened to see the Great Sun Immortal making a move.

A slap, a slap!

In an instant, a hundred-meter-tall mountain was blown up. That scene was extremely sensational! It had left an indelible impression in his heart.

“Brother Xiao, I still have a lot of these talismans on me. Take them. If you think they’re valuable, you can use this small wooden gourd hanging on your waist to exchange for them.”

Zhang Daolin smiled faintly and immediately changed the topic.

“Really?”

“It’s true!”

“Then I won’t give in.”

Xiao Changtian took down the gourd on his waist.

His woodcarving skills had reached the realm of great success. This was what he had done when he had nothing to do at that time.

After the two of them exchanged.

Xiao Changtian put the talisman into his pocket.

Zhang Daolin casually hung it beside the cloth bag at his waist.

A small wooden carving was not worthy of his attention.

The purpose of doing this was to give Xiao Changtian a way out.

What could a small gourd do?

Could it be used to subdue demons?

Don’t be ridiculous.

Compared to his life-saving talisman, it was simply worthless.

“However, it can also be considered a memorial.”Zhang Daolin thought to himself.

At the same time, two White Fox Elders appeared in the Bone Charm Palace..

Chapter 133: I'm Going to the restroom. The Old Turtle Is Attacking a Beauty!

In front of the two elders, Ghostfox and Tianchong, was a charming woman lying on a leather bench.

...

The woman's figure was hot. She protruded when she should and concave when she should. The curves on her body were enchanting and moving. Just one movement was enough to make most men fantasize.

"Gulp."

Even the two elders, Ghostfox and Skyrush, swallowed their saliva.

"Why, do you two elders want to play with me?"

"I'm proficient in all kinds of martial arts

"Come on, play with me? Let me experience the bravery of the two elders..."

"Kekeke..."

The woman let out a series of silver-like laughter and stretched out her slender hand, as if she had a kind of soul-seducing charm.

Fortunately, Elder Ghostfox and Elder Tianchong knew about this woman.

She was the princess of the Bone Demon Palace, a White Bone Demon.

The most powerful method was to make people lose their minds and become puppets.

Previously, there was an eighth level Tribulation Transcendence expert who could not resist the temptation.

In the end, when he clashed with the Bone Succubus Empress, he was controlled and lost his mind.

Demon Empress Bone Succubus controlled this eighth level Tribulation Transcendence expert and destroyed his sect.

In the end, he even made that eighth level Tribulation Transcendence expert commit suicide.

His methods could be said to be extremely ruthless.

Therefore, Elder Ghostfox and Elder Tianchong only dared to fantasize.

As members of the Nine-Tailed Fox Race, they were completely familiar with the Dao of Charm. Therefore, it was relatively easy for them to circulate their cultivation to resist.

“Demon Emperor Ghastly, we are here to trade with you.”

Elder Tianchong said in a deep voice as he threw out a pearl.

“Jade Blood Pearl?”

Upon seeing this pearl, the Bone Charm Monster Emperor’s expression changed, and she withdrew her charm.

Ghostfox and Elder Tianchong finally felt the pressure on them decrease.

His back was covered in cold sweat.

“What do you want me to help you with? Tell me.” The Bone Succubus Empress picked up the Blood Nosebleed Pearl and said with a delighted expression.

She was a white bone spirit, so she needed to replenish her qi and blood every once in a while. However, with the Nosebleed Pearl, it was not so troublesome.

Swallowing the Jade Blood Pearl could replenish the Qi and blood in his body.

“Bone Succubus Monster Emperor, we would like to ask you to kill a person?” “Zhang Daolin!”

“As for the rest, we can handle it ourselves...”

Elder Ghostfox and Elder Tianchong explained the situation.

“Alright, no problem.”

Demon Emperor Ghastly smiled with an extremely charming expression.

After saying that, his figure flashed and disappeared.

Ghostfox and Tianchong looked at each other and followed closely behind.

Very quickly.

The three of them soon arrived at the place where Xiao Changtian and the others were resting.

“Ke ke, this little brother has delicate skin and tender flesh. Moreover, I can sense the strength within his body. It should be very surging and passionate...”

“I really want to try this little brother...”

Bone Succubus Emperor looked at the lake and saw Xiao Changtian. He immediately licked his lips and revealed a greedy expression, as if he wanted to swallow Xiao Changtian alive and play with him.

Ghostfox and Tianchong watched from afar without saying a word.

Suddenly.

A voice rang out.

Ghostfox and Tianchong hurriedly hid tens of thousands of meters away.

They saw Black Tortoise.

“Girl, you’re so beautiful. This Sea King will give you many roses.”

Black Tortoise rode on Fatty Rongrong’s head, a rose in its mouth, revealing a lecherous expression, staring at Bone Succubus Monster Emperor’s mountain peak.

“Hmm? Where did this stinky turtle come from? Scram, or I’ll smash your turtle head off.”

The Bone Charm Monster Emperor said disdainfully.

This cuckold turtle was really ugly.

“Hmm? What did you say? How can you talk to This Sea King like that?”

“I see that you’re pretty, so don’t be ungrateful. This Sea King is magnanimous, so I’ll give you another chance to rephrase your words.”

Black Tortoise said in a deep voice.

“Humph, stinky turtle, you’re courting death!”

Ghastly Demon Emperor’s expression changed. He slapped down. His stance was aimed at the turtle’s head. He wanted to slap it off.

“This king of the sea is angry.”

Seeing that the beauty in front of him actually wanted to make a move, Black Tortoise was instantly furious.

The Black Tortoise stared into the eyes of the Ghastly Demon Emperor. In an instant, a huge shadow of the Black Tortoise appeared in his sea of consciousness.

The Black Tortoise phantom was at the same level as the sky, and its four legs were like pillars that supported the sky!

Around the Black Tortoise, boundless seawater poured in as if it wanted to drown the heavens!

In front of the Black Tortoise’s aura, the Ghastly Demon Emperor instantly softened.

She sat on the ground and looked at the Black Tortoise in disbelief. She was suppressed by both her aura and bloodline, and her entire body trembled. Even the clothes in front of her were exposed to a large area of snow white.

It made it seem even more like the peaks were gathering and the waves were raging!

“Black Tortoise...Big Big... Lord, please spare my life!”

Kneeling on the ground, the Bone Succubus Monster Emperor’s voice was trembling, and her face was filled with fear.

Who would have thought that they would encounter Black Tortoise here?

Was Black Tortoise someone he could provoke?

When Ghostfox and Tianchong saw this, they exchanged a glance and disappeared.

He only grumbled a few words about how he was afraid of running into this damned turtle everywhere before running away.

As for the Ghastly Demon Emperor, how could they care?

At this moment.

Xiao Changtian, who was fishing, stood up. He seemed to have heard a turtle cry.

It seemed to be in the forest behind him.

Did something happen to the turtle?

“Brother Zhang, I’m going to the small forest at the back to relieve myself.”

Xiao Changtian found an excuse to check on the green-haired turtle. After all, he couldn’t hear the turtle’s cry clearly.

“Yes.”

Zhang Daolin nodded. Mortals couldn't abstain from eating, so it was normal for them to do things that were convenient.

Xiao Changtian stood up and nodded slightly. Then, he left and walked into the small forest.

"Is there a sound over there?"

"It seems like a woman is calling out?"

"Forget it, let's go over and take a look first."

Xiao Changtian followed the voice and walked over. The tall grass blocked his vision. Xiao Changtian spent a lot of effort to get out of the grass.

Then, he saw that the old turtle was actually facing that woman...

It kept roaring.

"You old turtle, are you trying to scare me again? Are you courting death?"

Xiao Changtian was furious. This old turtle didn't do proper things all day and only scared these weak women.

Xiao Changtian then kicked him.

"Bang!"

The old turtle rolled far away.

Seeing that it was Xiao Changtian, he immediately hid in his turtle shell and shivered, not daring to move.

“You old turtle, you’re actually bullying me again. You don’t take my words to heart, do you?” Xiao Changtian followed up with a few more kicks.

The Black Tortoise hid in its shell and was kicked around by Xiao Changtian like a rubber ball..

Chapter 134: It’s Over, the Bone Succubus Monster Emperor’s Strength Is Too Terrifying!!

“This...”

...

“This person is kicking the Black Tortoise? Divine Beast Black Tortoise?”

“This person is not an ordinary person. He is... A peerless expert?”

Seeing the turtle being kicked) the Bone Succubus Monarch felt as if she had been struck by lightning. She was scared silly.

The aura of the Divine Bear Black Tortoise gave her the feeling that it was even stronger than a ninth-stage Tribulation Transcendence expert.

It might even be the rumored Mahayana realm.

However, the person in front of him was kicking the Black Tortoise like a rubber ball.

“Oh my god...”

“Hiss ~!”

Bone Succubus Monster Emperor gasped in fear.

sad

If Sg could treat Black Tortoise like this, it meant that the person in front of him was far stronger than Black Tortoise.

Moreover, she saw the Black Tortoise’s still trembling. It was a trembling that came from the soul!

The cultivation of this person in front of him must have far exceeded his expectations.

He couldn’t see through this person’s cultivation before, so he thought that this person was a mortal?

That was because the person in front of him was too powerful.

It was so powerful that it was difficult to spy on it.

When he thought about how this person was a human and he was a demon, the human and demon races had always been at loggerheads. Would the expert in front of him directly lull him?

The Bone Charm Monster Emperor closed her eyes, not daring to look at the scene before her.

The scene in front of him was too terrifying.

Just looking at it made her shiver.

However...

After a quarter of an hour, she still did not feel any danger.

She couldn't help but open her eyes.

"He's gone?"

The Bone Charm Monster Emperor was puzzled.

Xiao Changtian and the Black Tortoise had disappeared.

"Could it be that Senior has let me go?" Ghastly Demon Emperor was dumbfounded.

What she didn't know was that Xiao Changtian saw that she was too scared. He wanted to wake her up, but after thinking about it, he left directly.

It was better to let this girl calm down and leave after she calmed down.

After a while, Changtian came back. He saw that everyone was resting and not producing much. The old hen, Alpha, and Monkey were all back.

It was Chu Yiren and Su Daji. The two of them suddenly smiled and stuck together, which he couldn't understand.

In just an hour, their relationship had improved by leaps and bounds?

In reality, Chu Yiren had originally dragged Su Daji to battle.

However, after Su Daji told her what had happened, Chu Yiren instantly understood that she had wanted to take Senior as her master, nor marry him.

In an instant, Chu Yiren let down her guard against Su Daji.

They had directly changed from love rivals to good sisters who talked about everything!

“Then let’s begin our journey.”

Xiao Changtian said lightly.

“Alright.”

Everyone nodded and began to move forward.

However, Zhang Daolin stood up. In an instant, the red gem on his Daolin Bag suddenly flickered with light.

The flashing light meant that there were demons nearby!

“Brother Xiao, you guys go first. I’ll go up in a while. I’ll go find something.” Zhang Daolin found an excuse and walked into the small forest behind him.

“Then let’s go.” Xiao Changtian led the group forward.

He probably went to the woods to relieve himself.

The time was very fast.

There was no need to wait.

Xiao Changtian and the others walked ahead while Zhang Daolin walked into the small forest and bumped into Bone Succubus Monster Emperor.

“You are . Ghastly Demon Emperor?”

Zhang Daolin frowned and was instantly shocked!

Could it be that Demon Emperor Ghastly had been waiting here to ambush them?

Thinking of this, Zhang Daolin felt a chill down his spine.

“Forget it. Brother Xiao is my benefactor. You, Ghastly Demon Emperor, still want to ambush him.”

Zhang Daolin said solemnly.

The Bone Succubus Empress in front of him was stronger than him and was at the seventh level of the Tribulation Transcendence realm. Even though he had recently broken through to the sixth level of the Tribulation Transcendence realm, he had no chance of winning against the Bone Succubus Empress.

However, when he thought of Xiao Changtian, Zhang Daolin still felt that it was better for him to cover the rear first.

Otherwise, everyone would die.

“Take this!”

Zhang Daolin roared angrily and began to use his thunder technique.

Purple-green lightning flickered around his body as he attacked the Ghastly Demon Emperor.

Facing a powerful opponent, he could only strike first.

This way, even if he failed, he could escape immediately.

However, the Bone Succubus Monster Emperor felt the aura of Black Tortoise and Xiao Changtian getting further and further away. She was pleasantly surprised that those experts had finally left.

However, she did not dare to get entangled with Zhang Daolin.

What if that senior came back?

In the bathroom, the Bone Succubus Monster Emperor fled in a panic.

Just like that.

Zhang Daolin chased, and the Demon Emperor escaped...

The two of them were in front and behind...

Zhang Daolin was overjoyed when he saw that the Bone Succubus Monster Emperor did not fight back and was instead running away in panic.

“The heavens are really helping me. It seems that this Bone Succubus Monster Emperor is heavily injured.”

“Pay for the lives of those humans you killed!”

Zhang Daolin instantly gained confidence and chased after them relentlessly. At this moment, he was thinking about avenging those humans who had died.

“Damn it!”

The Bone Succubus Monster Emperor felt extremely aggrieved being chased like this. The two of them flew for hundreds of thousands of meters.

Finally, the Bone Charm Monster Emperor could not take it anymore.

A mere sixth stage Tribulation Transcendence cultivator dares to chase me like this?

If you can't be afraid of that senior, how can you be arrogant?

Did I give you face?

Instantly, the Bone Succubus Monster Emperor was enraged.

She decided to kill Zhang Daolin first, then use her treasured spatial escape talisman to instantly disappear.

Hence, he decided to do it.

The Bone Succubus Monster Emperor stopped.

She quickly turned around, and the power around her continued to gather. Gray white fog expanded around her body, and a huge skull even appeared!

The skull's expression was ferocious. It was like a mountain as it attacked Zhang Daolin, who was chasing after him.

“What?”

Zhang Daolin was caught off guard. He clearly didn't expect the Bone Charm Monster Emperor to counterattack with such terrifying strength.

"Is the Bone Succubus Monster Emperor not injured? Did she set me up?"

Zhang Daolin was extremely shocked, but it was already too late.

"Boom!"

Accompanied by a dull loud sound, Zhang Daolin was instantly blasted away by the huge skull. The lightning around his body began to overflow.

His entire body rolled onto the ground and his hair spread out, his aura slightly narrowed.

"I gave you face and you still dare to chase after me. Do you really not know how to write the word death?"

"Die!" Ghastly Demon Emperor shouted. His body was like a swift eagle as he swooped down instantly. His palms carried terrifying power.

Zhang Daolin had no doubt that he would definitely die in the face of such a terrifying palm.

"It's over."

Zhang Daolin's face was filled with despair. He had already closed his eyes and was ready to attack.

However...

At this moment.

He suddenly felt the cloth bag at his waist move.

No, to be precise, it was the small wooden gourd hanging on the cloth bag..

Chapter 135: What Kind of Gourd Is This? Divine Item

That small wooden gourd was something he had summoned from Brother Xiao.

...

Originally, he thought that this gourd was just an ordinary gourd.

However...

The calabash suddenly trembled, and a silvery-white light appeared around its body.

The silver-white light grew larger and larger. In an instant, it seemed to cover the sky and the sun. It instantly formed a circle of light that surrounded Zhang Daolin.

“Bang!”

The terrifying palm landed on the light and emitted a dull explosion. However, nothing happened.

However, the Bone Succubus Empress was repelled by a force and was sent flying.

” What?!”

Zhang Daolin and the Bone Succubus Monster Emperor were both shocked.

Zhang Daolin had thought that he would definitely die under the Bone Charm Demon Emperor's palm. However, the silver light emitted by the wooden gourd had actually blocked the attack of the Ghost Demon Emperor!

Who was the Bone Charm Demon Emperor?

That was a seventh level Tribulation Transcendence expert!

Under one attack, he used both his palms at the same time. Moreover, he was in a state of anger. The terrifying power could blast Zhang Daolin into pieces.

However, he was still sent flying by this white light?

Was this really something a mortal should have?

His life-saving talisman was far inferior to this gourd, wasn't it?

"What a powerful defensive treasure!"

The Ghost Demon Emperor was also shocked. The white light curtain in front of her was undamaged by her power attack. It was amazing.

"Could it be the work of that senior from before?"

Ghastly Demon Emperor rolled his eyes, and this thought suddenly appeared in his mind.

In an instant, she felt as if she had been struck by lightning, and a chill ran down her spine.

If it was really the work of that expert, then he would be in great danger?

“Run!”

That was the only thought in Demon Emperor Ghostly’s mind right now.

Run, run quickly, run immediately, run as far as possible!

The Bone Succubus Empress immediately retreated and was about to leave.

“Buzz!”

At this moment, the white light on the gourd fluctuated and disappeared completely.

Suddenly, the gourd broke free from the ropes and flew toward the Bone Succubus Monster Emperor.

Whoosh!

The bottle opened automatically, and a gust of wind blew, blocking the escape route of the Bone Succubus Monster Emperor.

“All! So big... Wind!”

Bone-Succubus Monster Emperor was blown by the hurricane, and her clothes fluttered in the wind as she retreated.

“Boom!”

At this moment, countless bolts of lightning flew out of the gourd. They turned into flying snakes that flew wildly and roared with power as they bombarded Demon Emperor Gui Mei.

“All!”

The Ghost Demon Emperor was hit, and his clothes were torn apart, revealing his naked body. Only his underwear was left.

“Spare me, senior, spare me! I won’t do it again!”

Demon Emperor Ghastly shouted in horror and fled in a hurry.

Zhang Daolin, who was beside him, swallowed a medicinal pill and recovered some of his strength. He stood up and looked at everything in front of him with a dumbfounded expression!

A gourd was chasing after the famous Ghastly Demon Emperor?

Furthermore, it was a complete thrashing?

“F * ck? How terrifying!”

Zhang Daolin could no longer describe it.

The lightning that shot out from the gourd was much more powerful than the lightning technique he cultivated.

Even the Heavenly Lightning Talisman paled in comparison.

“It’s just me. I’m not even as good as a gourd?”

Zhang Daolin was speechless.

This was the first time he felt that he was so weak.

“Phew!”

Another flame was spat out. The Samadhi True Fire was endless and instantly transformed into a fire dragon. In the next moment, the fire dragon danced.

“Boom!”

The fire dragon was extremely fast and devoured the Bone Succubus Empress in an instant.

“This...”

Zhang Daolin didn’t know how to describe this scene.

A magic treasure, and he was facing an enemy, and it was using the purest nomological divine power?

“Just what kind of gourd is this?”

“It’s simply a divine item!”

Zhang Daolin said in shock, his face filled with disbelief.

Amidst the shock, the gourd flew back again.

A gourd branch grew out of the gourd. Then, a red, orange, yellow, green, cyan, blue, and purple gourd grew out of the vine.

“What are they doing?”

“This gourd won’t attack me, right?”

Zhang Daolin frowned and subconsciously took two steps back. He looked at the charred corpse of the Bone Succubus Empress and felt a chill run down his spine.

If the gourd really attacked him, he would not be able to resist.

Kacha!

With a cracking sound, seven people walked out of the seven gourds.

The biggest one among them carried Zhang Daolin.

Then, the other two spat out flames and flood.

There were even people hammering his meridians...

The seven of them floated Zhang Daolin in the air as if they were refining pills. Zhang Daolin’s entire body was enveloped.

The meridians in his body seemed to be constantly being burned by the flames, but there was also a layer of mist wrapped around it, making him feel very comfortable.

It was as if a worm was swimming in his meridians.

“All!”

Zhang Daolin couldn’t help but let out a comfortable moan.

He could feel that the injuries in his body were rapidly recovering.

His dantian was also being tempered and nourished.

It was as if the realm barrier had been broken again.

“Boom!”

Fifteen minutes later, a terrifying aura erupted from Zhang Daolin’s body.

As a powerful aura fluctuated, his cultivation level reached the seventh level of the Tribulation Transcendence realm.

“I’ve broken through to the seventh level of the Tribulation Transcendence realm?”

Zhang Daolin was in disbelief, and his face revealed a pleasantly surprised expression.

“You guys helped me break through?”

Zhang Daolin looked at the seven children who walked out of the gourd, and his face was filled with disbelief.

This was simply a miracle!

However, the seven Calabash Dolls ignored him and went back to the vines.

In the next moment, his body curled up and transformed into seven gourds again, which were put away by the wooden gourd.

After doing all this, the wooden gourd automatically flew to Zhang Daolin’s waist.

” God-level gourd!”

“This is a god-grade gourd. But why can a mortal like brother Xiao own such a gourd? This didn’t make sense. Completely unreasonable?”

Zhang Daolin frowned. The more he thought about it, the more he felt that something was wrong.

“Could it be from some expert? Impossible! Which expert could possess such a treasure?”

“Never heard of it?”

“This gourd is probably comparable to the ninth level of the Tribulation Transcendence Realm, right?”

“No, it’s even stronger than the ninth level of the Tribulation Transcendence Realm!”

Zhang Daolin was puzzled.

After walking for some distance, his eyes suddenly lit up.

“Why am I so stupid? Brother Xiao said before that this was personally carved, so it should be his!”

“Haha, I can’t believe my brain didn’t react in time.”

However, just as he reacted, he felt terrible...

Chapter 136: The Turtle Is Too Obstacle, Call for Help, Kill the Turtle!_1

“The gourd was personally carved by brother Xiao, then...”

...

“The owner of the gourd is Brother Xiao.”

“Brother Xiao, he..He hid his cultivation level!”

Zhang Daolin felt as if he had been struck by lightning. His heart thumped and he took a few steps back.

In an instant, his face darkened.

“This, Brother Xiao...No, wasn’t Senior Xiao’s cultivation too high? I, I actually treated him as a mortal.”

H j H

Zhang Daolin did not know how to describe this feeling.

Previously, he thought he was protecting Xiao Changtian.

However, in reality, Xiao Changtian was indeed protecting him.

In an instant, Zhang Daolin connected everything together.

To be able to write such a divine book, as well as the previous Ghost Mist

Demon Emperor and the current Bone Charm Demon Emperor, they were all the works of the seniors.

“But why did Senior Xiao disguise himself as a mortal?”

Zhang Daolin frowned again.

His face was filled with confusion.

Could it be to hide from the world of mortals and not be disturbed?

After thinking for a moment, he realized that there were a few animals and a few mortals whose cultivation levels could not be seen following Senior...

Mortals...

“That’s not right. Those two mortals called senior master. Are they senior Xiao’s disciples?!”

In an instant, Zhang Daolin came to a realization.

It was because Senior’s disciple was too powerful that he could not see through Senior’s disciple’s cultivation!

“I see!”

“Such an expert is truly terrifying!”

Zhang Daolin swallowed his saliva, and his back was covered in cold sweat. He did not dare to think about it anymore and hurriedly followed.

Such a senior, he definitely had to please him. He could not offend him.

Also, it was time to return this Divine Gourd to its rightful owner.

Zhang Daolin used his movement technique and chased after him crazily.

Along the way, he even saw a goat with a broken horn, a serpent that had turned into a caterpillar, and a bird with a broken wing...

Wait, they were all famous demon emperors.

However, these demon emperors had no cultivation at all. They had become animals, animals on the verge of death.

Of course, Zhang Daolin didn't feel any heartache because these demon emperors had done many evil things and killed countless humans.

If it wasn't for the fact that he couldn't defeat them, he would have killed these demon emperors long ago.

"These are all Senior's handiwork..."

Zhang Daolin looked at the corpses along the way. He was both happy and afraid.

As for Senior.

Xiao Changtian ordered the team to speed up.

"It's been almost an hour, and they still haven't come?"

"Did something happen to Brother Zhang?"

Xiao Changtian was puzzled. He felt uneasy, so he stopped and rested.

However, in just 15 minutes, Zhang Daolin came back panting.

“Brother Zhang, you’re finally back. I thought something happened to you. Do you want to rest for a while?”

Xiao Changtian saw Zhang Daolin from afar and stood up with a smile.

There was a look of surprise on her face.

He was finally back. He thought something had happened.

“I’m back, I’m back.”

Zhang Daolin nodded and bowed as he smiled awkwardly.

“Hmm? Why are you bowing? Why did you become so weak after a while?”

Xiao Changtian frowned as he looked at Zhang Daolin, who was bowing in front of him, with a puzzled expression.

On the other side.

The two elders, Ghostfox and Tianchong, kept contacting the demons along the way.

However, every single one of them had been cleaned up by the Black Tortoise.

“Not fun, not fun at all.”

Black Tortoise looked bored.

The little fellows along the way were too weak. In front of him, they could not even withstand a slap. They were simply weak.

“Boss Black Tortoise, you are invincible and wise. I am just a little brother in front of you.”

“But in front of me, those little demons are like little brothers!”

“In this way, those little demons are like little brothers in front of you!”

“How can a bunch of brothers compare to you, Boss Black Tortoise?”

Fatty Rongrong said with an embarrassed smile.

“Hmm, not bad. You’re still the chubby one who knows how to talk.” Black Tortoise patted Fatty Rongrong’s head, and another two green lights lit up on her head.

“Hehe, green, green again!”

Fatty Rongrong felt the green on her head, extremely excited, happily shouting out.

It was a good thing that green light was shining on his head!

This meant that Boss Black Tortoise had given him another divine power.

“Thank you, Boss.”

“Boss is wise and valiant, handsome, suave, and handsome like Pan An. Boss is the brightest Sea King!”

Fatty Rongrong was incomparably grateful. Every time the green light descended, his cultivation would advance a level.

If Fatty Rongrong met the previous him, she could slap him to death!

Hence, he decided to do it.

Fatty Rongrong licked even harder!

“Haha, Fatty, perform well. There will be many green lights like this in the future.” Black Tortoise was praised as the Sea King, and it was the brightest one. He was instantly overjoyed.

A turtle head laughed at the sky, and two more green lights descended.

“I’m green, hahaha, I’m green again!”

“This time, my entire body is green!”

“Boss is awesome, Boss is invincible! The Sea King is invincible!”

Fatty Rongrong shouted, her face filled with joy.

Ghostfox and Tianchong gritted their teeth in anger.

“Damn it, this stinky bear is actually so happy after being cuckolded!”

“Reveal my scars?”

“Grass (a plant)!”

Elder Tianchong cursed, his expression extremely ferocious. The memory that angered the fox surfaced in his mind again.

He was furious and couldn't take it anymore!

This old turtle had ruined their mission along the way and now he even dared to mock him. He had to kill him.

"Elder Ghost Fox, we will now seek help from the Nine-Tailed Fox clan and ask them to send more..."

"Ghostfox, what are you laughing at?"

Elder Tianchong turned his head and wanted to talk about serious matters, but he saw Elder Ghostfox, who seemed to be covering his face and secretly laughing.

"Cough cough..."

Elder Ghostfox quickly coughed and put down his right hand. His face was red from holding it in. "I didn't laugh. I was mistaken."

"Then why are you blushing?" Tian Chong looked at him coldly.

"Oh, the old injuries in my body have returned. Old injuries have returned. Elder Ghostfox, don't misunderstand."

"Please don't misunderstand. I'm not laughing at you being cheated on..."

Elder Ghostfox explained seriously.

“Hmph, I’ll settle the score with you when we get back. Now, the two of us will ask the First Elder for help. We have to kill this green-haired turtle first, or we won’t be able to complete the mission.”

” Ahead again, not far away, is the territory of the Nine Phoenix Dynasty, can’t delay again, end or not, become a mission, you know what end you have.””

Tian Chong said coldly.

Ghostfox shivered when he heard the word ‘off’.

Thus, the two of them communicated with the Great Elder..

Chapter 137: You Ugly Turtle, What Can You Do?_i

“Reporting back now, has the Saintess been captured?”

On the other side of the crystal ball, the Great Elder sat cross-legged in the hall, with eight fox tails standing in the air behind him.

Although it was the Nine-Tailed Fox Clan, ever since the Emperor Fall Era, no one in the entire Nine-Tailed Fox Clan had been able to completely develop nine tails.

Even the Head Elder, who had the highest cultivation level, could only develop eight fox tails.

However, the Nine-Tailed Fox Race could unleash a miraculous effect in battle with the fox tail.

It far surpassed experts of the same realm.

“No, we haven’t caught the goddess yet.”

The two elders, Ghostfox and Tianchong, trembled.

“What is it? Trash, do you want to be skinned alive?”The Great Elder was furious. His cold and dignified voice rang out.

Hearing this.

Ghostfox and Tian Chong trembled even more violently.

However, when he thought of the punishment for not completing the mission, Tian Chong gritted his teeth and said,””Grand Elder, there is a particularly powerful tortoise demonic beast that has been causing havoc along the way.”

“Even Ghost Fog, Bone Demon, Ferocious Goat, Shock Bird...These demon emperors were all killed by the turtle.”

“We really have no choice.”

“This is the scene of the turtle attacking.”

Elder Tianchong reported respectfully with a look of disbelief on his face.

At the same time, he took out a crystal ball and recorded all the images of the turtle.

“Hmm?”

“There are such experts in the demon race?”

The scene changed again. The elder frowned and his expression became solemn.

After a moment of silence, First Elder said, "Wait, I will send the Second Elder to reinforce you. The two of you set up the Nine-Tailed Killing Formation first. When the time comes, the Second Elder will take action and cooperate with the killing formation to kill this demon."

"Yes, sir!"

Ghostfox and Tianchong nodded again.

Only then did the image of First Elder disappear.

"Phew!"

After experiencing a request for help, their clothes were completely drenched in cold sweat.

"The Nine-Tailed Killing Array is a killing array that specializes in dealing with ninth level Tribulation Transcenders. This time, the damned turtle won't be able to escape!"

"That's right. We'll just wait for the second elder to arrive."

Ghostfox and Tianchong were the first to go to the Nine-Tailed Killing Formation.

There was a forest ahead, which was also the last place suitable for an ambush.

Two hours passed.

Along the way, Xiao Changtian and the others talked and laughed. However, Zhang Daolin's smile was no longer as innocent.

His smile turned into a mocking smile!

He had no choice. He was afraid!

He was extremely afraid!

Xiao Changtian was a peerless expert. His cultivation was far above the tribulation. He might even be in the legendary Mahayana Realm. Who could resist him?

“Brother Zhang, you can’t do it. You’ve only walked so little and your forehead is sweating so much.”

Xiao Changtian asked.

He did indeed possess the great success in the art of medicine.

However, he observed Zhang Daolin’s physical characteristics and did not seem to be sick.

“I’m fine. My leg just went numb when I went to the toilet earlier.”

Zhang Daolin smiled awkwardly.

Not only were his legs numb, but his entire body was numb.

After knowing Xiao Changtian’s identity, anyone would be shocked.

“Forget it, let’s rest for a while. We won’t be able to reach Jiu ‘er’s hometown today. Let’s find an inn to stay in tonight.”Xiao Changtian said.

Looking at Zhang Daolin’s current state, Xiao Changtian felt that he couldn’t go any further.

Everyone rested on the spot.

“Miao Shou, take a look at Brother Zhang and see if he’s sick.”Xiao Changtian ordered.

“Yes, sir!”

Wang Miaoshou nodded and was about to walk over.

“No, I’ll go.” Zhang Daolin stood up and walked towards Wang Miaoshou.

Senior’s disciple is probably also a reclusive mighty figure.

He was merely transcending a tribulation, and it was not worth it for Senior to personally come.

Hence, he decided to do it.

Zhang Daolin walked over and sat down in front of a huge rock far away from Xiao Changtian.

“That’s troublesome.” Zhang Daolin said respectfully to Wang Miaoshou.

“It’s no trouble. Senior Zhang has helped me once before. It was in the Western Bull Region. That Tianshan Snow Lotus...” Wang Miaoshou shook his head and smiled faintly.

In the past, he had almost fallen off a thousand-foot-high cliff to pick a Tianshan Snow Lotus.

Zhang Daolin happened to pass by and saved him.

“Tianshan Snow Lotus, are you that doctor from the West Bull Continent?” Instantly, Zhang Daolin recalled.

There was indeed such a thing.

“But that doctor is clearly an old man. You...”

“Aren’t you a little too young?”

Zhang Daolin said in disbelief.

The Wang Miaoshou in front of him couldn’t help but be handsome and unrestrained, and the lines of his muscles could be seen clearly.

How was he the old man from before?

“Hehe, after becoming my disciple, Master helped me cleanse my essence and marrow. Now, I can be considered to have some small success in body refinement.”

Wang Miaoshou smiled faintly.

A single hand picked up Zhang Daolin’s hand. The terrifying force that came from it made Zhang Daolin feel as if he could not break free.

It was as if the chains of the Great Dao had locked his arm.

How was this the initial success of body refinement?

Such power was more than enough to defeat a ninth level Tribulation Transcendence expert.

He remembered that he had saved Wang Miaoshou half a year ago.

He was sure that Wang Miaoshou was a mortal at that time.

But in such a short period of time, Wang Miaoshou had already succeeded?

What kind of method was this?

Reversing Yin and Yang, regaining youth?

An old man in his twilight years was actually able to cleanse his marrow to such an extent?

“Senior is indeed terrifying!”

The Wang Miaoshou in front of Zhang Daolin further confirmed his thoughts.

Senior’s two disciples were indeed experts. It was just that he could not see their cultivation.

Wang Miaoshou examined it and frowned. He couldn’t find anything wrong with Zhang Daolin.

“I’m fine. Everything’s normal.”

Hearing Wang Miaoshou’s words, Xiao Changtian was relieved.

After thinking about it, he decided to feed the turtle since he hadn’t fed it today.

However, when he looked around, there was no sign of the turtle.

“This damned turtle, did he go scare people again? Let’s see how I deal with him when he comes back!”

On the other side.

Within the Nine Tails Killing Formation, the turtle was originally riding on the head of Fatty Rongrong, but in his ears, he heard Xiao Changtian's curses.

Instantly, he was so frightened that his entire body trembled, directly rolling down from Fatty Rongrong's head.

"Haha, the Second Elder is indeed powerful. He was able to intimidate this stinky turtle with just his aura."

On the other side, Ghostfox and Tianchong burst into laughter when they saw this scene. They slowly flattered the Second Elder.

The Second Elder was also extremely pleased to be flattered, and there was a smile on his face.

"Hehe, he's just an ugly turtle. How can he be compared to our noble nine-tailed fox clan? Impossible! Hahaha!"

The Second Elder smiled, not noticing the extremely cold expression on the turtle's face..

Chapter 138: Counterattack Killed!

Fatty Rongrong was already lying on the ground, not daring to move.

This was because an extremely cold aura came from beside him. It was the Black Tortoise's anger!

“Stinky turtle?”

“You stupid fox, you dare to call me an ugly turtle?”

A dark green light appeared in the Black Tortoise’s eyes. Its gaze was cold as it questioned the Second Elder of the Nine-Tailed Fox Race.

His cold gaze was fixed on the Second Elder.

The Second Elder looked at him and instantly felt as if he had fallen into an ice cave. It was as if he had been thrown into the eighteenth level of hell, and his entire body was cold.

“What?”

The Second Elder was shocked and his heart skipped a beat. He was actually frightened by the turtle in front of him.

“Second Elder, quickly kill this turtle!”

The two elders, Ghostfox and Tianchong, shouted in surprise.

In their opinion, the Second Elder had already intimidated the turtle. Now, with the help of the Nine-Tailed Fox Killing Formation, he could completely kill the turtle.

“Alright.”

Hearing the shouts of the two people, the shocked Second Elder suddenly flew into a rage.

He was actually frightened by a turtle. Was that okay?

“Die!”

The Second Elder was furious. The six tails behind him shot out at the same time and instantly enveloped the turtle.

“Hmph, you still dare to attack this Sea King? You’re courting death!”

Black Tortoise was furious.

Black Tortoise was completely furious!

“Roar!”

A loud roar erupted from the Black Tortoise’s mouth.

In an instant, a Xuanwu phantom that was as tall as the sky appeared.

No, higher than the sky!

The Black Tortoise’s four legs were like pillars that supported the sky. Endless seawater poured in from its body as if it wanted to drown the heavens!

“Bang!”

The Second Elder’s six tails were like a hand hitting an iron wall, producing a loud bang!

Its six tails snapped like tree branches.

His entire body was sent flying!

Blood splattered in the air!

“Die!”

The huge Xuanwu phantom let out an angry roar. With a foot that was like a pillar supporting the sky, the Second Elder directly exploded into a cloud of blood mist and dissipated with the wind.

“Second Elder!”

Seeing this scene, Elder Ghostfox and Elder Tianchong were instantly scared silly.

The two of them sat on the ground.

“Xuan...Black Tortoise!”

The two of them were scared silly.

Wasn't it an ugly turtle? Why did he suddenly become a Black Tortoise?

“Spare...”

Tian Chong's desire to live was extremely strong, and he hurriedly wanted to beg for mercy.

However, Black Tortoise was in a rage.

Bang! Bang! Bang!

Ghostfox and Tianchong turned into two clouds of blood mist and died instantly.

“If anyone dares to call me an ugly turtle again, I’ll destroy his soul!” Black Tortoise said angrily.

A man happened to see this scene.

“Big demon, there’s a big demon!”

“No, I have to report to the empress!”

This man in armor was the general of the Nine Phoenix Dynasty.

His presence here was arranged by Mu Jiu Huang to wait for Xiao Changtian. As long as he saw Xiao Changtian, he would immediately send her a message and she would personally welcome him.

However, he happened to see this scene.

“No, I have to go back and tell the empress to come and subdue the demons!”

The man thought about it and wanted to leave, but the scene in front of him stunned him.

Someone came.

The Black Tortoise’s anger subsided and it withdrew the Black Tortoise Dharma Idol.

Chu Yiren and Su Daji, who had also come out to play, witnessed this scene.

Chu Yiren had seen the Xuanwu phantom before. Although she was terrified, she wasn’t that afraid anymore.

On the other hand, Su Daji was so frightened that she returned to her original form and turned into a white fox with nine tails on her back.

“Ya, you’re a fox!”

Chu Yiren looked at Su Daji, startled.

In the entire team, only Zhang Daolin and Chu Yiren didn’t know Su Daji’s identity.

“What’s there to be surprised about? We already knew.”

Fatty Rongrong smacked her lips and said indifferently.

Black Tortoise had already calmed his anger, once again flying back to stare at Fatty Rongrong’s head.

“Since Master allowed her to follow by his side, he naturally has his own intentions.” Black Tortoise said lightly. With a sweep of his divine sense, Su Daji returned to her human form.

It was true that he had seen the Black Tortoise phantom before, but the raging Black Tortoise phantom was really terrifying.

“Thank you, Senior!”

Su Daji’s body was still trembling. She knelt on the ground and kowtowed in gratitude.

“What kind of relationship do these people have with the demons? Why is it so chaotic?”

The man had a puzzled expression. He was the general of the Nine Phoenix Dynasty and had a seventh level Tribulation Transcendence. His strength was extraordinary.

Naturally, his talent was not bad.

However, looking at the demonic beasts in front of him, they were actually mixed with humans. They were also dumbfounded.

The human and demon races were irreconcilable. Why were these humans and demons so harmonious?

Could it be that he was threatened by Black Tortoise?

The man frowned.

He felt that he could not leave now. Once he left, these humans would be in danger.

As a member of the Nine Phoenix Dynasty, he was deeply influenced by the empress. The hot-blooded blood in his bones told him that no matter what kind of adversity he faced, he must never abandon his companions of the same race. He absolutely could not!

Even if he had to pay the price of his life.

“Alright, get up. It’s not a big deal.”The Black Tortoise said impatiently. It raised its proud turtle head and stared at the man.

“I was discovered?”

The man was shocked!

It was over!

He couldn’t care so much. He could only save the only human on the battlefield now.

“Your Majesty, your most handsome subordinate, Marshal Shangguan, bids you farewell!”

Shangguan Shuai Shuai said sadly and stood up, ready to fight the Black Tortoise.

However...

Suddenly.

A foot kicked over.

“You damn turtle, I think you really want to die. You’re actually scaring people again!”

Xiao Changtian kicked the Black Tortoise away. This time, he didn’t hold back.

He was completely angered by Black Tortoise’s actions.

“You actually made Su Daji kneel on the ground. Did you come up with a new trick to scare people?”

“Do you think my knife is not sharp?””

Xiao Changtian was furious. This time, he dared to make the girl kneel. Who knows, he might do something even more outrageous next time.

As the saying goes, prevent the root of the problem.

If one day the old turtle became arrogant and despotic to a certain extent and boldly went to provoke the immortal cultivators, wouldn’t he be dead for sure?

Immortal cultivators!

That was killing without blinking.

“Bang bang bang bang!”

The sound of punches and kicks rang out again. This time, the turtle was beaten up.

Phoenix and Monkey closed their eyes and shrunk their necks.

As for Shangguan Shuai Shuai, he fell to the ground with a thud as if he had been struck by lightning. He hadn't recovered his cultivation from the tribulation yet, and the cliff in front of him broke in an instant, causing him to fall down the slope.

With a loud bang, everyone's eyes turned to look at Marshal Shangguan...

Even Xiao Changtian was no exception...

Chapter 139: Don't Courting Death!

Huff!

Shangguan Shuai fell down, and the entire cliff collapsed, stirring up a cloud of dust that blocked his vision.

“Cough cough cough...”

Under the rock, Shangguan Shuai stretched out his hand and crawled out like a zombie in a movie.

As a tribulation transcending expert, a mere fall from the cliff was not a threat to him at all.

After coming out of the stone pile, Shangguan Shuai Shuai looked embarrassed. He waved the dust around him and coughed a few times.

“You’re not injured? Your body is so good!”

Xiao Changtian looked at Marshal Shangguan in surprise. He was fine after falling from such a height?

There were no external injuries.

“Roar!”

Seeing Shangguan Shuai, the Black Tortoise’s eyes turned cold and he let out a low roar. This mortal ant must have seen him being beaten up.

He couldn’t let him live.

Otherwise, it would be too embarrassing.

However, just as the Black Tortoise extended its dark green turtle head from its shell, a huge foot flew over again...

“Pa!”

Under Xiao Changtian’s kick, the Black Tortoise was instantly sent flying and crashed into a big tree.

“Old turtle, if you dare to scare me again, I’ll break your turtle shell.” Xiao Changtian said angrily.

The Black Tortoise was so frightened that it hurriedly retracted its head.

“Hiss ~!”

Seeing Black Tortoise being beaten, Shangguan Shuai gasped again.

That was the Black Tortoise!

Previously, he had killed the second elder of the Nine-Tailed Fox clan, the two elders, Ghostfox and Tianchong, in the Nine-Tailed Killing Array! His cultivation was definitely far above the tribulation.

Perhaps a single slap from the turtle could turn him into dust. Even the Water Empress couldn't defeat the Black Tortoise.

However, this mortal in front of him was actually beating up the Black Tortoise. Did the Black Tortoise not have any temper at all?

When did mortals become so fierce?

Could it be that I'm a False Immortal?

Shangguan Shuai Shuai was a little confused, but he quickly reacted. The cultivation of the expert in front of him was too strong!

It was so powerful that it returned to its original state, like a mortal, unfathomable and difficult to pry into.

However, which human expert was this?

As the general of the Nine Phoenix Dynasty, why didn't he know that there was such an expert among the humans?

In the Nine Phoenix Dynasty, because Mu Jiuhuang became the Empress, countless Tribulation Transcenders followed him. There were dozens of generals at the same level as him.

Each of them guarded a crucial position on the Tian Yuan Continent.

Therefore, he had no choice.

Whether it was those old monsters or those slightly famous experts, almost everyone in the Nine Phoenix Dynasty knew them.

Shangguan Shuai tried his best to recall, but he couldn't. In his mind, he just felt like he had seen Xiao Changtian somewhere before.

“Yes... The expert that the empress asked me to wait for?”

“Is it the expert in the portrait?”

Shangguan Shuai suddenly reacted.

Previously, when the empress sent him here to welcome her, she had shown him Xiao Changtian's portrait. In a moment of shock, he had forgotten about the portrait. Now, he remembered it again.

Su Daji subconsciously stood behind Xiao Changtian.

This person had been here before, so his identity as a member of the Nine-Tailed Fox Race had been clearly seen by this person?

He had been exposed!

The human and demon races were irreconcilable. Would this person spread his identity? At that time, he would definitely be surrounded by all the human cultivators on the Tian Yuan Continent.

Su Daji's heart turned cold when she thought of the tragic outcome she would face.

Now, he could only listen to Senior's decision.

"Portrait? What portrait?"

Xiao Changtian didn't notice Su Daji's strange behavior. Instead, he heard what Marshal Shangguan was talking about.

"Senior, I'm Nine Phoenix... The clan leader of the Nine Phoenix Clan is here to welcome you."
Shangguan Shuaishuai hurriedly said.

Originally, he wanted to address her as the Nine Phoenix Matriarch!

However, Mu Jiuhuang had previously instructed that Senior was a reclusive expert. She had to address her as the family head and not the empress.

Shuai Shuai changed his words.

"I almost said it wrong. The empress's whip is really hard to take Shangguan Shuai Shuai rejoiced in his heart.

"Clan Leader of the Nine Phoenix Clan? Jiu 'er?"

Xiao Changtian was stunned. When did Jiu 'er become the family head?

Xiao Changtian frowned.

"Could it be that Jiu 'er has hidden his identity from me?"

“Forget it. Why are you thinking so much? You’ll know when you see Jiu ‘er.”

Xiao Changtian shook his head and smiled faintly. He then said, “Lead the way!”

“Yes, sir!”

Shangguan Shuai Shuai nodded in agreement. The person in front of him was a hidden expert, so he didn’t dare to be negligent.

Thus, the group moved forward again.

Black Tortoise followed at the back of the group, riding on top of Fatty Rongrong’s head, not daring to make a sound.

The depressing atmosphere made fat Rongrong also pull out her chest and back. Before she was walking on two legs, now she was walking on four.

“Phew, luckily this person didn’t say anything.” Su Daji heaved a sigh of relief.

Previously, he was worried that his identity would be exposed.

As the group advanced, a beam of spiritual light lit up on Shangguan Shuai’s ring and flew out.

It was a message for Mu Jiuhuang.

However, this spiritual light was intercepted by an old woman as soon as it reached the gate of the Nine Phoenix Dynasty.

“State Preceptor, is he here?”

“Can we start setting up the formation now? My heavenly silk has long been thirsty for it.” Yun Feifei said.

“Forget it, Yun Feifei. Your Heavenly Silk is far inferior to my Wind Lightning Twin Formation!” Palm Wind Lightning said.

“Hehe, what are you two doing? The most powerful thing was to subdue the enemy without fighting.”

A red-robed woman with a voluptuous figure, who was even bigger and more charming than the Bone Charm Demon Emperor, walked out. Her body was surrounded by a fragrant wind that made people unable to resist just by looking at her.

She was Phantom.

He was most skilled in illusions and confusion, and his cultivation level was even higher than the Bone Succubus Monster Emperor.

The experts of the Nine-Phoenix Dynasty stood in a row. They stood in front of the gate of the Nine-Phoenix Dynasty, and there were only about ten meters between them.

However, the middle path was filled with killing formations that contained terrifying danger!

Those killing formations, as long as one's strength was insufficient, one would die upon touching them!

“Very good. Show us your strength. The master that the empress mentioned is about to come. We definitely can't let the empress be deceived!”

The old woman said in a deep voice.

The empress had already broken through to the Mahayana realm, but she actually said that she had broken through with the help of her master.

Was this a joke?

Would the people of the Nine Phoenix Dynasty believe it?

The first thing she thought of was that the empress must have been deceived. A woman who fell in love would always be rational. The old woman was deceived like this back then. She didn't want Mu Jiu Huang to repeat the same mistake.

Fifteen minutes later.

Marshal Shangguan arrived with Xiao Changtian.

"Welcome, Senior!"

The experts of the Nine Phoenix Dynasty shouted in unison.

"The scene is really lively." Xiao Changtian smiled faintly.

Xiao Changtian carried the white tiger and walked forward.

Behind him, Shangguan Shuai's heart skipped a beat. Looking at these people, he couldn't understand what they were trying to do.

"Don't you guys court death!" Shangguan Shuai hurriedly sent a Zhen Yuan voice transmission..

Chapter 140: Jiu 'er's Hometown Is Really Simple!_i

Shangguan Shuai's expression was extremely serious, he was extremely anxious and quickly sent a voice transmission to the old woman, Yun Fei Fei, Phantom and the others.

"Don't court death. Senior is really invincible!"

However...

As soon as his true essence voice transmission was sent out, it was as if the air was cut.

This was Yun Feifei's Heavenly Silkworm Formation, it could cut through anything. Shangguan Shuai Shuai's Zhen Yuan voice transmission was cut through by the Heavenly Silkworm!

"It's over!"

Shangguan Shuai Shuai's face was filled with shock, and he could only send a message to Yun Fei Fei and the others through hand gestures.

"Don't use the formation!"

Shangguan Shuai Shuai jumped up and waved his arms in the air, signaling Yun Feifei to quickly put away the heavenly silk.

In front of Senior, the heavenly silk is completely useless!

Shangguan Shuai was not worried about what these formations would do to the seniors, but he was worried that Yun Fei Fei and the others' Dao hearts would collapse!

"Oh!"

However, Yun Feifei, who was in front of him, thought that Shangguan Shuai was cheering him on. A smile appeared on her face and she made a gesture to show that she was done.

That gesture was telling Marshal Shangguan to rest assured that his Heavenly Silkworm Formation was invincible!

As long as it was a human, as long as it was a cultivator, in front of his natural silk, it would definitely reveal its true form.

“Humph, humph, the space in front of you is filled with tens of thousands of heavenly silkworms. You can’t see or touch them. You’re just a mortal.” Yun Feifei stared at Xiao Changtian and sneered.

Originally, he thought that Xiao Changtian should be a cultivator in the Tribulation Transcendence Realm.

After all, the empress was the number one person in the human race, so she had her pride.

He couldn’t possibly find a good-for-nothing, right?

However, the Xiao Changtian in front of him had no cultivation at all, which made Yun Feifei angry!

A mere mortal dared to dream of climbing up to the Nine Phoenix Matriarch. He was simply courting death!

“Rise!”

Yun Feifei softly shouted and muttered an incantation. The heavenly silk that filled the space disappeared without a trace, as if there was no obstacle in front of him at all.

This was the most terrifying killing move of his Heavenly Silkworm Silk. It could not be detected!

In a situation where one was unable to detect danger, no matter how powerful one was, they would be severely injured.

Moreover, was he a mere mortal?

“I don’t believe that you can walk past me...”

However, before Yun Feifei could finish her words, Xiao Changtian carried the white tiger and walked over leisurely as if nothing had happened. Even the people behind Xiao Changtian walked over.

He was not affected at all.

“Hmm? Had he seen a ghost? What happened?”

Yun Feifei and Yi Zhenyi’s Heavenly Silkworm Formation didn’t work. This shouldn’t be the case?

Yun Feifei frowned and walked in. He wanted to see if the heavenly silk was out of order.

However, at the next moment.

A blood-curdling scream rang out.

“Ah!”

Yun Feifei was directly slashed by her own heavenly silk, leaving countless bloody marks.

“What happened?” Xiao Changtian turned his head and looked at Yun Feifei, who was jumping around and shouting in confusion.

“Hehe, Senior, I’m cheering, I’m happy, I’m welcoming you!”

Yun Feifei bounced on the spot, and an extremely ugly smile squeezed out of her painful and ferocious face.

“Welcome.”

Xiao Changtian nodded. He didn't expect the people of Jiu 'er's hometown to be so excited when he came.

It seemed that Jiu 'er was still grateful for his kindness.

Xiao Changtian continued to walk forward, wanting to see what other surprises Jiu 'er had prepared for him.

“Hello, Senior.”

The second person was the Wind Lightning Palm. The Wind Lightning Palm had set up the Wind Lightning Dual Formation.

As long as someone stepped in, there would be a terrifying hurricane that could move mountains and overturn seas, and lightning would fall from the sky. “Yun Feifei really can't do it. What heavenly silk? I didn't even arrange the heavenly silk properly. Seeing that this person is a mortal, I let my guard down.”

Zhang Fenglei's expression was solemn. When Xiao Changtian walked over, he raised his hands and made a welcoming gesture.

In reality, it was the two palms giving the order.

Xiao Changtian raised his left and right hands one after another, and a breeze blew. Accompanied by the flashes of lightning in the sky, Xiao Changtian walked over with a smile.

“There's also a flash. You're having fun.” Xiao Changtian nodded. He didn't expect that there would be so many fun things to do in the Victorious East Continent.

It seemed that he would have to stay in Jiu 'er's hometown for a while.

At least it wasn't as boring as the North Province.

Xiao Changtian thought to himself as he led everyone over.

Zhang Daolin looked at the experts along the way and nodded.

The experts here were all at the Tribulation Transcendence realm. Moreover, all of them were either generals or guards of the Nine Phoenix Dynasty. They were all old acquaintances!

However, this time, the Wind Lightning Palm didn't have time to greet Zhang Daolin.

This was because there was a problem with his Wind Lightning Formation.

"That's impossible!"

"The Wind Lightning Formation has always been connected to my spiritual will."

The Wind Lightning Palm could not understand, so he raised his hands and cast the spell again.

He did not believe that it was a problem with his array. How could he be like Yun Feifei, so careless and underestimating the enemy?

"Boom!"

"Whoosh!"

A bolt of lightning descended and a gust of wind blew. In an instant, the Wind Lightning Palm's clothes were torn apart by his Wind Lightning Dual Formation. Its hair stood up, and its face was pitch-black. Black smoke came out of its mouth.

Due to the lightning strikes, his body was still numb. He was like a zombie, jumping around on the spot.

His arms kept waving in the air.

Hearing the sound of thunder, Xiao Changtian turned around and saw the Wind Lightning Palm.

"You changed so quickly? He even knew how to do a zombie dance? Not bad."

Xiao Changtian looked at the dance of the Wind Lightning Palm and was extremely satisfied.

He couldn't wait to see the next surprise, so he quickened his pace.

"Bang!"

"Stabbing!"

"Whoosh! Whoosh! Whoosh!"

Attacks rained down one after another. Xiao Changtian passed by, and the experts who were passing the tribulation were dumbfounded. They tried their own formations, but they were reflected by their own formations.

One by one, they started to "scream" and "celebrate"...

All kinds of lights lit up in the sky.

For a moment, outside the gate of the Nine Phoenix Dynasty, it was like a disco venue. Neon lights flashed, and figures moved rhythmically under the flashing neon lights. There was even music floating in the space.

Amongst them, the red-robed woman who was the most passionate was dancing happily and passionately!

When Shangguan Shuai saw this scene, his face instantly darkened. He ran over helplessly and hurriedly sent a Zhen Yuan voice transmission to the old woman. He couldn't provoke her and didn't dare to probe further.

The old woman trembled in shock, but didn't answer Shangguan Shuai.

"I didn't expect Jiu 'er's hometown to be so fun. Not bad, not bad."

Xiao Changtian hugged the white tiger and stroked the cat's head, a faint smile on his face.

Then, Xiao Changtian turned to look at Shangguan Shuai and the old woman, and praised, ""The people of Jiu 'er's hometown are hospitable and simple!"
