

Beasts 141

Chapter 141: The Servant of the Divine Clan Is Richer Than Than Me? F * ck!

“Yes, thank you for your praise, senior.”

Shangguan Shuai laughed mockingly.

He could already imagine how depressed Yun Feifei, the old woman, and the Imperial Advisor would be.

“Senior, I’ll bring you to see the clan leader of the Nine Phoenix Clan first. This way please...”

Shangguan Shuai pulled himself away and brought Xiao Changtian and the others to the main hall.

As expected.

After Shangguan Shuai left, a series of wails and howls could be heard in front of the gate of the Nine Phoenix Dynasty.

“What kind of expert is this? I thought you were a mortal. The heavenly silk almost cut off my treasure!”

“My formation was controlled by Senior, and I was almost killed by my own lightning technique!”

“This old lady is so embarrassed. She failed to seduce me and was seduced instead. This old lady lost her first kiss. Which bastard took my first kiss just now?”

“It wasn’t me...”

“It wasn’t me...”

The male cultivators hurriedly refused. The waters were too deep and too big for them to grasp.

Under Marshal Shangguan’s lead, they quickly arrived at the main hall of the Nine Phoenix Dynasty.

They came in a white horse carriage.

The entire Nine Phoenix Dynasty was simply too vast. If they were to walk, they might not even be able to reach the main hall before nightfall.

“These buildings are all yours?”

“That building, this lake, that garden...This place is so beautiful.”

This was the first time Chu Yiren had seen the Nine Phoenix Dynasty, and she couldn’t help but praise it.

The Immortal Dayang, Jiang Beichen, and Su Daji were also a little moved.

Xiao Changtian was the most shocked.

Along the way, the ground was inlaid with colorful gemstones. The gemstones shone brightly in seven colors. These lights reflected in the void and formed rainbows.

The carriage they were riding in was made of golden nanmu wood. Two football-sized luminous pearls were placed in the carriage, and the interior of the carriage was as bright as day!

Xiao Changtian even recognized the materials used to build the palace.

It was the most expensive silk material on the continent, the Snow Mountain Golden Silk. One strand was worth thousands of taels of gold, and the embroidery process was needless to say...

Just this carriage alone was probably more expensive than the total cost of the West Bull Continent Academy.

“Jiu ‘er is so rich?”

“No wonder they don’t want wages!”

Xiao Changtian didn’t need to use words to describe it. He suddenly understood why Jiu ‘er wanted to stay in his small courtyard as a maid without paying.

She was here to experience life.

Xiao Changtian was speechless.

“My maid is richer than me?”

“Tsk!”

Xiao Changtian closed his eyes. A plan suddenly appeared in his mind. He wanted to be Mu Jiu Huang’s servant!

He even opened a bookstore!

In her previous life, she was too naive. She thought that there was some sweet love and actually rejected Aunty Wang ~

Even though she still remembered Aunty Wang’s number, it was one three...

However, it was no longer important.

His experience in his previous life had taught him that only by taking shortcuts could he make his life better.

“Let’s do it this way. Find a time to discuss it with Jiu ‘er. 1’11 come here to work...” Xiao Changtian opened his eyes again, his gaze firm.

In the main hall.

Mu Jiu Huang sat on the throne and frowned. “It shouldn’t be. At this time, Master should have arrived.”

“Should I go out and take a look?”

Mu Jiu Huang had just stood up when Xiao Changtian and the others walked in under the lead of Marshal Shangguan.

“Master?”

Seeing Xiao Changtian, Mu Jiu Huang’s face lit up with joy. She hurriedly walked over, her fair face filled with joy.

“Jiu ‘er, I’m tired. Arrange a room for me first and let me rest for a while.”

“Come to my room tonight...”

Xiao Changtian said in a deep voice. Everything here was too prosperous. Even a floor tile on the ground was more expensive than his entire fortune.

At night, he should have a good talk with Jiu 'er and let her work here.

“Yes.”

Seeing Xiao Changtian's gloomy face, Mu Jiuhuang agreed and brought Xiao Changtian to the most precious room of the Nine Phoenix Dynasty.

“Alright, you can leave now. Remember to come back at night.” Xiao Changtian ordered and closed the door. He only carried a white tiger, a turtle, and a few others and handed them to Wang Miaoshou and Jiang Beichen to take care of.

Jade, coral, night light, deep sea glass floor...

Velvet golden quilt...

Xiao Changtian was lying on the bed. His defense was broken!

“This, did I do something wrong to offend Senior?”

Mu Jiuhuang asked doubtfully.

“Master should just be tired.” Wang Miaoshou said indifferently.

“Is that so?” Mu Jiuhuang frowned and felt that there must be a reason for this. She looked coldly at Marshal Shangguan...

Under the pressure of the Water Empress, Shangguan Shuaishuai immediately confessed everything.

“You guys really make me angry. Prepare to be whipped!” Mu Jiuhuang was extremely furious. No wonder Master's face was so dark. It turned out that these people were behind it.

Fifteen minutes later.

Screams sounded again.

Time.

They lived peacefully.

Xiao Changtian fell asleep in his room.

Jiang Beichen, Wang Miaoshou, and the others were touring the Nine Phoenix Empire.

As for the Black Tortoise, of course, it could not stay idle.

“Beauty, did you agree to this Sea King’s request?”The Black Tortoise was exchanging feelings with Phantasmal Shadow in front of her. They talked about everything.

Phantasmal Shadow could only smile awkwardly and agree to anything.

Although the Black Tortoise was ugly, it was terrifying!

Ever since Shangguan Shuai Shuai told her about the Black Tortoise’s identity, Phantasmal Shadow did not dare to reject the turtle. However, being pestered by the turtle like this made her feel very aggrieved.

Six hours passed, and Phantasmal Shadow finally could not hold it in any longer.

Black Tortoise's love words were too old-fashioned. She wanted to vomit when she heard them. Helpless, she gritted her teeth and said, "Alright, as long as you bring back a flower of ten colors, I'll agree to your request."

"Really?" The Black Tortoise was delighted.

"Really!" Phantasmal Shadow nodded.

"Hahaha, Fatty, let's go!" The Black Tortoise patted the head of the Iron Eater, and the two of them disappeared from the Nine Phoenix Dynasty.

"He has finally left..."

Phantasmal Shadow's expression relaxed as she watched Black Tortoise leave.

A flower had ten colors. How could such a flower exist?

It doesn't exist at all, alright?

"Hehe, Senior Black Tortoise, I'm sorry!" Phantasmal Shadow chuckled flirtatiously. Then, she got up and began to look for the person who stole her first kiss. She had to let that man know how powerful she was tonight.

Time passed.

Night fell quickly.

Xiao Changtian woke up after a nap, full of energy, but not in a good mood.

"Dong dong dong..."

Mu Jiuhuang knocked on the door.

“Master, can I go in?” Mu Jiuhuang asked nervously, not knowing why her master was looking for her.

If his subordinates offended the people of the Lake during the day, Master wouldn’t blame them, right?

“Come in.

Xiao Changtian’s voice sounded in the room.. He had already decided to work for Jiu ‘er...

Chapter 142: He Flees, He Chases, He Can’t Escape Even If He HadWingsII

“Jiu ‘er, let me discuss something with you...”

In the room, Mu Jiuhuang sat on the edge of the bed, feeling flattered. Her face was as red as water.

Xiao Changtian placed his hands on her shoulders.

Mu Jiuhuang could even feel Xiao Changtian’s breathing, and her face turned even redder!

“Jiu ‘er, tell me, how have I treated you during this period of time?”Xiao Changtian asked.

“Of course it’s good. Master often reminds Jiu ‘er.”Mu Jiuhuang nodded and said sincerely.

Master's life-saving grace, the grace of guiding him to break through to the Great Ascension realm, the grace of helping him comprehend the Great Dao, and the grace of bestowing him with a cultivation technique...All of this was a supreme opportunity that she could not repay!

"That's good."

"I thought about it for a moment. The agreement between us is invalid. From today onwards, you are no longer my maid." Xiao Changtian took out the contract and handed it to Mu Jiu Huang.

Mu Jiu Huang was shocked.

"Master, what are you doing? What did Jiu 'er do wrong? Please forgive Jiu' er. Jiu 'er will definitely change!" Mu Jiu Huang panicked and stood up.

Only by following his master would he have the chance to explore the strongest Great Dao.

However, Master has returned the agreement. Could it be that Master wants to chase me away?

No!

Mu Jiu Huang looked anxious and quickly begged Xiao Changtian for forgiveness.

"Jiu 'er, don't misunderstand. I'm not chasing you away, but I want to work for you."

"Look, I've been good to you during this period of time, right? You can keep me working here, but you can't not get paid. You don't lack money, right..."

Xiao Changtian smiled faintly.

He really wanted to stay here.

He had been through a lot of hardships, from the North Barren Continent to the West Cow Continent, and then to the East Victory Continent. Three bookstore branches had opened, and he had been through a lot of hardships. He had even encountered quite a bit of resistance in the West Cow Continent and the East Victory Continent before he sold well it!

However, the money earned by the bookstore might not even be enough to buy a floor tile from Jiu 'er.

“Master, what did I do wrong? Please don't chase Jiu 'er away!”

Seeing Xiao Changtian say that he wanted to work for her, Mu Jiuhuang was scared silly!

Master is a supreme expert! A peerless expert!

Work for me?

With a thud, Mu Jiuhuang knelt down. Her beautiful face turned pale and her big watery eyes sparkled.

She was anxious!

This time, he was really anxious.

“Jiu 'er, what are you doing?” Xiao Changtian was dumbfounded. He had already made it clear that he only wanted to work for Jiu 'er.

“Master, please don't chase Jiu 'er away. Without you, Jiu' er really doesn't know what to do next.” Mu Jiuhuang's voice started to turn hoarse.

“The next path?”

Xiao Changtian was even more confused. You have such a huge fortune, why do you have to worry about the future?

However, Xiao Changtian could faintly hear Mu Jiuhuang's sobs.

"This, Jiu 'er seems to have really cried? It can't be, right?"

Xiao Changtian was shocked. His brain started working quickly, and his eyes suddenly lit up.

"I understand now. Jiu 'er came to work not to experience life, but because she really doesn't know how to live."

In Xiao Changtian's mind, he still remembered the first time Jiu 'er was chased by someone. When she came to his courtyard, she was at a loss.

Also, she didn't know how to communicate with others. She was always straightforward and even made her very angry.

However, after she became his maid for a period of time, Jiu 'er seemed to have become something!

"Forget it, forget it. In that case, you can keep it." Xiao Changtian said lightly, his face filled with helplessness.

Since Jiu 'er could not leave him, he could only work hard!

"Sigh, all the shortcuts in life have been sealed off by myself." Xiao Changtian smiled bitterly in his heart.

On the other side.

Fatty Rongrong and Black Tortoise began to search the entire continent for flowers with ten different colors.

First, they began a radar-like search in the Victorious East Continent, with the Nine Phoenix Dynasty as their main focus.

However, he couldn't find it!

Not a single one was found!

"Boss Black Tortoise, are there no flowers of ten colors in this world?" Fatty Rongrong asked.

"I don't know." Black Tortoise shook his head.

"Then why did Boss agree to her? What if she was lying to us?" Fatty Rongrong raised her head, looking at the sky and asked curiously.

"This Sea King has never liked pretty girls. What This Sea King likes is the process of conquering those pretty girls. You don't understand, this is a realm!" The Black Tortoise shook its head, revealing an unfathomable expression.

"I like the process..." Fatty Rongrong shook his head, he didn't understand.

He didn't want to understand.

In any case, he felt that the beauties that Boss liked were all skinny like vampires. They were not good-looking!

However, he was the underling, so he couldn't disrespect his boss.

That was what the previous owner had told him.

“However, where did you go? Why haven’t you returned yet...” Fatty Rongrong looked at the horizon, her eyes melancholic.

His previous master had treated him quite well.

However, he had taken away his companion and sealed himself instead, which puzzled him.

“Haha, you won’t be able to escape today!”

At this moment, a loud and arrogant laugh rang out.

In the distance, a handsome, fair-skinned youth was fleeing. If one did not pay attention, it was easy to mistake this youth for a woman.

Behind the young man, there was a burly man with a lewd expression on his face. He stared at the young man with greedy eyes that were filled with evil light, as if he wanted to devour the young man.

The youth fled!

The burly man chased after him!

He ran, he chased...

“Hahaha, even if you have wings, you won’t be able to fly! Obediently obey me!” The burly man said coldly, his face carrying a faint evil light. Seeing that he was about to catch up to the young man, he tore off a corner of the young man’s clothes.

Following that, the burly man’s gaze became even more greedy...

“Help!”

The young man let out a shrill scream. He was extremely afraid and wrapped his clothes tightly again.

“Scream, scream, even if you scream until your throat breaks, no one will stop you. Ahahahaha!”

“Eh, fat, it gives me goosebumps.” Black Tortoise could not stand it anymore.

“Boss, let me help you solve it!”

Fatty Rongrong instantly understood Black Tortoise’s order, her entire body turning into a blur, instantly rushing over, her speed extremely fast!

“Bang!”

Fatty’s voice was as loud as a mountain, instantly sending the burly man flying!

The burly man landed heavily on the ground, smashing a huge pit in the ground. The pit was so deep that one could not see the bottom.

“Boss, it’s settled.” Fatty Rongrong once again flew back, smiling.

“Not bad, you deserve it.” The Black Tortoise patted the turtle’s head, and two green lights descended again....

Chapter 143: Going Out to Hunt, The Continent Shakes! i

“Hey hey, it’s green!”

“I’m green again!”

Fatty Rongrong danced happily.

This was an opportunity! The opportunity that Boss Black Tortoise had given him!

Di Wu Zheng was stunned.

This was the first time he had seen someone so happy after being cuckolded.

“Thank you for saving my life, Senior.” Diwu Zheng said gratefully.

These two demon beasts were so powerful that they could actually kill a tribulation transcending expert in an instant.

“Oh, Fatty, let’s go.” Black Tortoise patted Fatty Rongrong’s head. He basically didn’t want to save anyone, he just couldn’t stand that big man.

She was actually interested in men.

Black Tortoise could not accept it!

“Oh, oh.” Fatty Rongrong nodded, bringing Black Tortoise to change direction, directly leaving.

“Boss, I think the ten colored flowers are in this direction.” Fatty Rongrong said.

“This way, this way.” Black Tortoise shook his head and pointed in another direction.

“Yes, yes, yes. I’ll listen to Boss. Boss is wise and mighty, handsome and handsome. Everyone loves him!” Fatty Rongrong licked.

Diwu Zheng, who was left behind, was stunned.

This panda's strength was terrifying beyond compare, but it was still fawning over the turtle?

Was the turtle more powerful than the black and white bears?

It must be!

Otherwise, the panda wouldn't have become a bootlicker.

Di Wu Zheng's expression changed slightly. He thought of his friend, Li Taibai, who was still in deep trouble. He came out to ask for help, to find experts to help Li Taibai.

The two seniors in front of him had saved him, and each of them was stronger than the other.

Although he was a demon, Li Taibai was in a critical situation and couldn't care less.

"Senior, wait for me!" Diwu Zheng hurriedly said, afraid that the fat Rongrong would fly too fast for him to catch up.

However, Fatty Rongrong and Black Tortoise basically didn't bother with him.

"This..."

Diwu was anxious when he saw that his call was useless.

Suddenly, his eyes lit up, thinking of some of Fatty Rongrong's words, instantly having an idea.

“Heroic and invincible, handsome and elegant...Senior Turtle!” Diwu Zheng shouted loudly.

“Did you call me?”

Sure enough, as Diwu Zheng’s voice fell, the turtle directly pulled Fatty Rongrong’s head, turning around, raising its proud turtle head.

“Yes, I’m calling you. Other than others, is there anyone here who is handsome and invincible? You’re simply a god who has descended to the mortal world!” Diwu Zheng saw that his praise was very effective, so he spared no effort in saying this.

“Hehe, you’re quite good at talking. The other words are very good, but there are two points that are wrong. You need to correct them.”

“Firstly, I am not a turtle. Secondly, don’t insult me with the words ‘Heavenly God’. They are not worthy!”

Black Tortoise said indifferently.

“It’s not a turtle, it’s the Turtle Deity!” Diwu Zheng hurriedly changed his words, but he cursed in his heart. A turtle demon actually said that he was born unworthy?

The Black Tortoise smiled faintly. How could Di Wu Zhen not understand what he was thinking?

In an instant.

“Buzz!”

An extremely terrifying aura instantly erupted.

A shadow of the Black Tortoise that was as tall as the sky instantly enveloped the sky. The four legs of the Black Tortoise were like heavenly pillars that stood between heaven and earth.

Around the Black Tortoise, there was an immeasurable amount of seawater flowing back, as if it wanted to drown the heavens!

“Hiss!”

Di Wu Zheng, who had been silently lamenting just now, immediately sucked in a breath of cold air. He was shocked by the Black Tortoise’s terrifying aura. It was too terrifying!

It was simply terrifying to the extreme!

In front of the Black Tortoise’s terrifying aura, Di Wu Zheng was so scared that he did not dare to move. Even the spiritual power in his body seemed to have frozen, and he could not walk normally.

“Bang!”

In the next moment, Di Wu Zheng fell from the sky, smashing a huge pit in the ground.

“All!” Then, Di Wu Zheng’s scream was heard.

Due to the intense pain, Di Wu Zheng fainted.

“Bring him back and let Master treat him.” Black Tortoise said indifferently.

“Yes, Boss. Fatty Rongrong nodded.

On the other side.

In the Nine Phoenix Dynasty, Xiao Changtian's plan to work for Mu Jiuhuang was completely destroyed. There was no longer any chance.

"Jiu 'er, although your place is very beautiful and magnificent, there are so many swords and halberds. Do the people in your hometown advocate martial arts?" Xiao Changtian asked.

Although there were many swords, spears, and halberds, it was obvious that they were defective.

It was better to fight it out himself.

Not to mention the legendary divine weapons of the immortal cultivators.

It could only mean that the people in Jiu 'er's hometown respected martial arts!

_____ It should be." Mu Jiuhuang stuttered.

Her dynasty was indeed powerful. Of course, this power was only limited to her master and the lives on the Tian Yuan Continent other than her enemies.

Compared to Master, he was simply an ant.

"How about this? Let's go hunting. It just so happens that Daoist Big Sun has an interspatial ring. When you come, help me bring my bow and arrows." Xiao Changtian said lightly.

Last night, his archery had just reached the great success realm.

Anyway, he was in a bad mood now. He went out to get some wild boar and rabbits. It was a good time to have a picnic and relax.

"Alright."

Hearing that Xiao Changtian wanted to hunt, Mu Jiuhuang gathered the experts of the Nine Phoenix Dynasty.

Fifteen minutes later, everyone set off.

Along the way, Xiao Changtian didn't mind. Seeing so many people behind him, he was instantly filled with confidence. With so many people, it was very safe. It was just the right time to walk into the deep mountains and forests.

There were many people and they could take care of each other. There would not be any danger.

Hence, he decided to do it.

On the way, Xiao Changtian specifically looked for secluded paths or dark caves. Those places looked dangerous and he had to go there.

Along the way, they met many pedestrians.

"Those passers-by were so shocked by our hunting team that they couldn't speak, haha." Xiao Changtian laughed.

"Yes, yes, yes." Shangguan Shuai Shuai, Zhang Feng Lei, and the others quickly smiled and replied.

Yes, there were many people!

This time, the Nine Phoenix Dynasty's tribulation transcending experts had all appeared. With so many people, which sect was not afraid?

As for the passersby along the way, they were all experts who were transcending tribulation. They were figures at the level of sect masters.

However, to an expert like Senior, he was just a passerby.

“That direction is not bad. It looks interesting. Let’s go.”

Xiao Changtian pointed at a deep valley ahead. The deep valley was filled with black trees. It was so eerie that ordinary people didn’t dare to approach it.

“Then...That was... The Black Forest!”

Looking at the forest in front of him, the sect leader of the Rising Sun Sect was the first to react. That was the most dangerous place in the entire Victorious East Continent. There were dozens of demon beasts in the Tribulation Transcendence realm!

Even the Nine Phoenix Dynasty did not dare to provoke them.

“Could it be that the Nine Phoenix Empire is going to wage war against the Black Forest?”

The sect master of the Rising Sun Sect was shocked and instantly disappeared.

The news spread throughout the entire Victorious East Continent..

Chapter 144: Help, The Bow Is Too Heavy (1)

“The Nine Phoenixes are waging war against the Black Forest, is that true?”

Daoist Master Zhaoyang, are you telling the truth? Are you lying to us?”

The Waterback Sect's sect master asked in bewilderment.

"I can testify that this is true!"

"I can also testify that I still have the crystal ball!"

The other sect leaders along the way echoed.

Even the sect leader of the Heavenly Sun Sect took out a crystal ball."

Xiao Changtian led the way, Mu Jiu Huang followed behind, and the mighty experts of the Nine Phoenix Dynasty entered the Black Forest one by one.

In just a few seconds, this video spread like lightning.

In an instant.

The entire Victorious East Continent shook violently.

Other than the Nine Phoenix Empire waging war against the Black Forest, every sect had also begun to issue such an order: The person in the portrait must not be provoked!

On the portrait was Xiao Changtian.

Every sect leader was trying to guess Xiao Changtian's identity. After all, the person who could make the Nine Phoenix Matriarch give up her leadership position was definitely a peerless expert!

In the Black Forest.

Ghostly mist and black gas filled the air!

From time to time, ghostly cries could be heard, which was extremely terrifying.

If it was before, the experts of the Nine Phoenix Dynasty would definitely be extremely nervous. This was because the Black Forest was an extremely difficult bone to chew on, and it was not inferior to the Nine Phoenix Dynasty.

But now, there was no worry at all.

With Senior here, these demonic beasts were nothing at all.

As for Xiao Changtian, he was even less afraid.

There were so many of them, could something happen?

It was impossible!

“Alpha, scout ahead.” Xiao Changtian only brought Alpha with him this time. Alpha had already grown into a prototype, so it was a good time to train Alpha’s hidden wolf nature.

Hence, he decided to do it.

Alpha nodded and ran quickly.

If Master asked him to scout the way, wouldn’t that mean that he would get rid of those troublesome people?

This was simple.

“Woof woof woof!”

Alpha ran and shouted. He had already been thrown into the black forest, and Xiao Changtian began to lose his vision.

Then, Alpha activated all his strength. Every bark was like the sound of the Great Dao.

In the Black Forest, those Tribulation Transcendence realm demons were so frightened that they returned to their original forms and slowly fled.

Rustle, rustle, rustle...

In the Black Forest, the leaves swayed as countless shadows ran through the forest.

For a moment, the people of the Nine Phoenix Dynasty became vigilant. They all picked up their weapons and prepared to attack.

Daoist Zhaoyang, Daoist Ritian, and the others who followed closely behind were even more frightened. They could clearly sense that countless demons were running.

The real-time broadcast crystal ball in his hand was trembling.

“Are they going to fight?”

“Heavens, stop shaking, okay? The picture is a little blurry.”

One by one, the tribulation transcending experts of the Victorious East Continent began to send voice transmissions to Daoist Sunsky.

Ritian activated his cultivation technique and steadied his right hand.

The scene gradually stabilized.

“Look, it’s the big demon elk!”

“Big demon black bear! Also...”

“I can’t count them. Why are they all rushing out? This battle is going to be a river of blood!”

The experts of the Victorious East Continent all became nervous when they saw the demonic beasts charging out. They were all in demon form.

These demon beasts were not to be trifled with. It was a showdown between transcending tribulations. There would definitely be many casualties.

“Master, do you need us to...?” Mu Jiu Huang frowned and asked in a deep voice.

With so many tribulations, even the current her did not dare to take them head-on.

“No need. Sit down and rest. Let me do it.”

“Isn’t it Xiao Lu? A whole bunch of these is just enough for me to warm up.”

Xiao Changtian waved his hand, indicating for everyone to sit down.

“Yes.”

Mu Jiu Huang nodded. With a wave of her hand, everyone sat down.

“Female...Patriarch, did Senior come alone? This number is a little too much!” Shangguan Shuai Shuai asked in confusion.

“Yes, we know that Senior is very powerful, but isn’t there too many of them?”The others were also worried. They knew that Xiao Changtian’s strength was terrifying and far surpassed theirs. However, the number of demonic beasts that ran out in front of them was like a tide, increasing.

“No need.” Mu Jiu Huang shook her head with a firm expression. Since Master said that there was no need, then there was really no need.

In fact, her eyes were filled with anticipation.

“Can we finally see Master make a move?”

Outside the crystal ball, the sect leaders were extremely shocked. The Nine Phoenix Dynasty was letting a mortal deal with the demon beast tide?

However, before they could react, Xiao Changtian had already picked up his longbow.

“Not bad, good bow.”

Xiao Changtian nodded. This bow was given to him by the system along with this small courtyard. He had once wanted to use this bow to roam the world, but he knew that he could not cultivate yet. This was the first time he had used it.

However, with his mastery of Forging, he knew that this was a good bow!

“Whoosh!”

Xiao Changtian swung his slingshot, and a soft sound was heard.

“It’s nice, nice is a good bow!”

“Arrows!”

Xiao Changtian smiled. Although these animals could run fast, they were nothing in front of his archery skills.

” Master, Arrow.” Mu Jiuhuang took out a Phoenix Feather Arrow and handed it over.

Xiao Changtian drew his bow and shot an arrow!

Whoosh!

This arrow was aimed at the black bear, which looked to be the largest.

With a piercing sound, the speed was extremely fast. In that instant, even space distorted.

No, this arrow directly crossed the dimension of space!

“Bang!”

The arrow suddenly killed Black Bear Demon Emperor!

The power of the arrow even nailed the black bear demon emperor to the huge rock behind it.

“Hiss!”

Countless tribulation passing experts gasped when they saw this scene.

The moment the arrows hit the black bear demon emperor, they could feel an unstoppable force!

It was as if no one could resist or dodge that arrow!

There was only death, only the outcome of being pierced!

However, before everyone could exclaim in surprise, Xiao Changtian was on steroids. Seeing that his first arrow could kill a black bear so easily, wouldn't he be able to kill the other animals as he pleased?

Whoosh!

Whoosh! Whoosh! Whoosh! Whoosh!

Xiao Changtian shot out multiple arrows, killing two birds with one stone.

In just 15 minutes, Xiao Changtian had killed more than a dozen wild beasts.

Only then did he stop.

As the saying goes, when things reach an extreme, they will turn against each other. Hunting can only be done a little. If you hunt too much, it will destroy the ecological balance, which is not good.

"Senior, you...So powerful!"

Xiao Changtian turned around and saw the shocked faces of Shangguan Shuai and the others.

"Hehe, just so-so. I haven't used my full strength today." Xiao Changtian smiled faintly. He had just warmed up.

"Come, hold the bow for me. I'm going to collect the spoils of war." Xiao Changtian handed the bow to Shangguan Shuai.

“Oh.”

Shangguan Shuai hurriedly nodded and took it, but in the next moment, a huge force crushed him.

” Ah, help! The bow is too heavy!”

Chapter 145: Diwu Zheng’s Apprenticeship Is Coupled with Immortal Cultivators! !

“All! Help!”

“Senior, save me. This bow is too heavy.”

Shangguan Shuai tried his best to shout. He was absent-minded when he held the bow, he was just shocked by Xiao Changtian’s invincibility!

However, when he took the bow, Shangguan Shuai Shuai was crushed.

Heavy!

It was incomparably heavy. Shangguan Shuai used all the spiritual energy in his dantian, but he could not move the divine bow at all.

“Hahaha, Shangguan Shuai Shuai, you can’t be serious. You were squeezed dry by Phantom last night?”

Zhang Feng Lei by the side laughed.

“You bastard, hurry up and help me.”Shangguan Shuaishuai cursed angrily. He even felt a little suffocated.

“Beg me and I’ll help you.” Zhang Fenglei laughed.

“I beg you, hurry up. I’m going to die.” Shangguan Shuai begged, his voice starting to become weak.

Seeing this, Zhang Fenglei knew that things weren’t as simple as they seemed and hurriedly raised his bow.

However...

Just as he bent down and reached out to grab the bow, the heavy force caught him off guard and he fell down onto Shuai Shang.

“All!”

Shangguan Shuai Shuai let out another miserable scream. With a cracking sound, a few bones in his body broke.

“I... F * ckyour ancestors... Zu...Ah!”

Shangguan Shuai was being pressed down and he was in extreme pain, staring at the Palm of Wind Lightning.

The Wind Lightning Palm was so frightened that its face turned pale, and it hurriedly stood up.

“Senior, your bow is too heavy, please save Shuai Shuai!” Zhang Fenglei said anxiously, looking at Xiao Changtian who was holding a wild rabbit in his hand.

“All?”

Xiao Changtian was stunned.

Although this bow was made of fine iron and the material was better, it shouldn't be that bad.

Xiao Changtian picked up the bow and waved it in his hand.

"You guys should really train more. Your physical fitness is a little poor." Xiao Changtian said lightly.

Then, he put the bow back into the Great Sun Immortal's ring.

"Stay here for now. I might need you soon." Xiao Changtian instructed Zhang Gong.

In the ring, Zhang Gong trembled as if he was nodding.

Another 15 minutes passed.

All the prey was taken over by the crowd. Xiao Changtian nodded with satisfaction and said,

"Alright, I'll teach you how to roast meat later."

Smoke rose from the chimneys in the Black Forest.

Outside the Black Forest, the Sun Sect, the Sun Sect Leader, and the others were fleeing at lightning speed!

It was too terrifying!

What kind of expert was that?

Killing a tribulation was like killing a chicken?

The scene of Xiao Changtian hunting on the crystal ball was spread out again.

Countless sects in the Victorious East Continent fell silent out of fear!

Mu Jiu Huang was reprimanding Shang Guan Shuai, "Senior's item is a divine item, not something you can touch, understand?"

Mu Jiu Huang was doing this for the good of Shuai Shuai and the others.

She still remembered that in the small courtyard, she wanted to pick up Senior's hammer, but no matter what, she could not pick it up. It was Senior Black Tortoise who told her that only Senior could take it...

"Senior Black Tortoise?"

Mu Jiu Huang was surprised. Beside Black Tortoise, there was an unconscious youth.

"Ding! Take the fifth official, Li Taibai, as his disciple!"

At this moment, the system's voice rang out again. Xiao Changtian, who was roasting meat, was stunned.

"Diwu Zheng, Li Taibai, who is it?"

Xiao Changtian was confused. Why did he give a specific name this time?

In the vast sea of people on the Tian Yuan Continent, finding two people was more difficult than ascending to the heavens!

“Take your time. There’s no hurry.”

Xiao Changtian calmed down and took things one step at a time. There would be a day when the mission was completed...

If he couldn’t complete it, then he would perish together with the stupid system!

“Jiu ‘er, it’s time to eat meat.” Xiao Changtian picked up a rabbit leg and shouted at Mu Jiuhuang.

However, just as she looked over, she saw a young man with a delicate face lying beside Mu Jiuhuang. He was as handsome as a girl.

The young man seemed to be seriously injured.

This time, Wang Miaoshou, Su Daji, and Jiang Beichen were not with him. Therefore, Xiao Changtian could only get up and go to the doctor himself.

Who asked him to have medical skills? Doctors were benevolent!

“Come, let me see.”

Xiao Changtian walked to the young man.

“Ding! The fifth is detected.” The system notification sounded.

Xiao Changtian was delighted.

“This is Diwu Zheng? This is my disciple? The mission this time is a little simple.” Xiao Changtian smiled. This was the easiest mission he had ever received.

As he spoke, Xiao Changtian took out a black pill from his sleeve. This was what he usually refined.

The black pill was directly stuffed into Diwu's mouth.

After a while, Di Wu Zheng opened his eyes.

"Where is this place?"

Diwu Zheng was extremely confused. He opened his eyes and felt that the forest in front of him was black.

Suddenly, he raised his eyebrows.

"Black Forest? This is the Black Forest!"

Diwu Zheng was shocked. Although he was only in the Golden Core Realm, he had heard of the Black Forest!

He hurriedly stood up to take the throne, but the scene in front of him shocked him again.

He saw dozens of humans sitting in front of him. Those humans were roasting the corpses of the great demons. The flesh of the great demons sizzled and emitted waves of fragrance.

"Brat, it was my master who saved you."The Black Tortoise True Essence transmitted to Di Wu Zheng.

Di Wu Zheng finally reacted and quickly looked at Xiao Changtian.

"Thank you for saving my life, Senior!"

The owner of the Black Tortoise? Oh my god, what kind of expert was this? He was almost on par with the empress, right?

When Di Wu Zheng thought of this, his eyes lit up again.

The senior in front of him was a human expert with a powerful cultivation base. He was definitely a match for the elder of the Heavenly Sun Sect.

“Senior, please save my friend’s life!”

Diwu Zheng knelt down and cried.

He kept kowtowing until his forehead hit the ground. It was red and bloody!

“Help?”

Xiao Changtian was stunned. Could it be that his disciple’s friend was also seriously injured?

“Alright, as long as you and your friend acknowledge me as your master, I’ll make a move.” Xiao Changtian said directly.

The mission this time was very easy. He just needed to treat the sick and save the people.

Delighted.

“Master, I’m willing. I’m the fifth most willing!”

“As long as my friend Li Taibai is still alive, he will definitely be willing. He doesn’t want me to break his legs and kneel in front of you to become your disciple!”

Diwu Zheng was overjoyed. To be the disciple of such a senior, it was a great fortune!

“The brotherhood is deep.”

Xiao Changtian’s mouth twitched. Then, he asked Diwu to stand up and tell him what happened to Li Taibai.

“Senior, it’s like this. Tai Bai was originally engaged to Bai Ling Shuang of Wushuang City, but the Bai family of Wushuang City publicly broke off the engagement and broke up the two of them. The Heavenly Sun Sect behind him sent two elders to suppress him, and now Tai Bai is seriously injured!”

“Senior, please be too white!”

Diwu Zheng cried.

After Xiao Changtian heard this, his heart skipped a beat.

“Immortal cultivators are involved?”

Chapter 146: Jiu ‘er, Perfected Da Yang, Hurry up and shake her!_i

Xiao Changtian’s face turned serious.

With the Immortal Cultivators involved, this matter was somewhat troublesome.

On his side, there was only one powerful cultivator, Daoist Master Da Yang, who was in the Incarnation Realm!

What if that Heavenly Sun Sect was very powerful?

What if that Heavenly Sun Sect had even more powerful experts?

“Tsk!”

Xiao Changtian wanted to curse.

He could only blame himself for being too impatient. How could the system’s mission be so simple?

So this was where the pit was!

This was the most difficult part when it involved the Immortal Cultivators.

“Don’t worry, disciple. Since I’ve promised you, I’ll help you.”Xiao Changtian said helplessly.

He had already taken in a disciple, so how could he retreat?

However, this mission was too difficult and required careful planning.

After thinking for a while, Xiao Changtian decided to return to the Nine Phoenix Dynasty with the others.

“This... This was the Nine Phoenix Dynasty? You are...”

Diwu was standing outside the main hall like a minion, looking at the

Shangguan Family in front of him with disbelief.

“My name is Shangguan Shuai, his name is Zhang Feng Lei, and his name is...” Shangguan Shuai introduced seriously. This person in front of him was the disciple of a senior and would definitely become a mighty figure in the future! He couldn't be negligent.

So, Shangguan Shuai gave a look, and Zhang Feng Lei hurriedly took a chair, Phantom served tea, and the others fanned and massaged their shoulders. It was very lively!

Shangguan Shuai Shuai was surrounded in the middle, shivering.

Although he had never seen these people before, he had heard rumors about them.

Top experts!

A tribulation transcending expert!

As for the red-robed woman who followed Senior in, he didn't need to think to know that she was the Nine Phoenix Matriarch!

The Nine Phoenix Matriarch whose name shook the entire continent!

“Taibai, come and save me first...I'm numb.” Diwu shouted in his heart.

In fact, he had previously thought that the Matriarch of the Nine Phoenix Clan was just a servant girl.

“Hiss!”

Thinking of this, Di Wu Zheng was even more shocked.

An existence that even the Nine Phoenix Matriarch called master, then master...

He was no longer worried about Li Taibai. He was worried that his master would not accept Li Taibai. After all, Li Taibai was originally a genius, but his cultivation suddenly stagnated three years ago and gradually became a mortal! Senior, do you think Li Taibai's cultivation is too low?

"No, when the time comes, I will definitely break Tai Bai's legs and make him kneel down and beg Master..." Diwu Zheng thought to himself.

In the main hall.

Xiao Changtian sat on a chair, holding a teacup, his expression solemn.

"Jiu 'er, find someone to go out and inquire about this Heavenly Sun Sect." "Perfected Da Yang, contact Perfected Qing Yun and the others again and ask them to come. This matter is a little big. There's strength in numbers." "Our next step is..."

Xiao Changtian analyzed methodically.

Orders were sent out one after another.

"Yes, sir!"

Mu Jiu Huang and Daoist Da Yang looked at each other and agreed.

The two of them did not expect Senior to be so humorous!

The Nine Phoenixes could destroy a small Heavenly Sun Sect with a flip of their hands!

Other people?

However, when he thought of how Senior was hiding in the mortal world and playing around in the mortal world, it was normal for him to have such a playful attitude.

Thus, the two of them began to shake him.

On the other side.

In the North Continent, the five elders of the Heaven Building Sect were chatting with Uncle Zhang, discussing how to renovate Uncle Zhang's pigsty.

Suddenly, he received a voice transmission from the empress.

The five elders' expressions changed.

"Uncle Zhang, I'm sorry, we have something to do and have to leave the Great Sun Sect." Elder Zhu Yi said.

In another courtyard.

The Pavilion Master of Heavenly Secrets was deducing the origin of the Dark Castle. With a solemn expression, the Heavenly Secrets Mirror in front of him transmitted a message from the Great Empress.

"Senior wants me to go to the Victorious East Continent."

After receiving the message, the Pavilion Master of the Secret Pavilion turned into a silver light and disappeared instantly.

Great Sun Sect.

Reverend Zhongxian was currently guiding the disciples of the Great Sun Sect in their cultivation. He spared no effort.

“The Sect Master was biased. You didn’t guide our own people but guided the Great Sun Sect’s disciples first.& The disciples of the three sects were envious.

As for the disciples of the Great Sun Sect, their strength had increased by leaps and bounds during this period of time.

During this period of time, Forefather Scarlet Sun had directly broken through to the Saint Ruler Realm.

Cheng Yang, the disciple of the Great Sun Immortal, had also reached the Nascent Soul Realm.

Their overall strength could completely replace a fourth rank sect.

Suddenly, the communication talismans of the three of them lit up. It was a message from the Great Sun Immortal.

“Senior wants us to go to Central Continent?”

In the next moment, the three of them turned into three streaks of light and began to hurry.

Such a scene happened in many places, such as the Blue Cloud Sect, the Divine Sound Sect...

Within Nanbu Continent.

When Maniac Chu of the Beast Tamer Sect received the news, he immediately went out in full force. Countless demon beasts rushed towards the Victorious East Continent like a tide.

Along with them were the sects in the Southport Continent that were on good terms with the Beast Tamer Sect.

In the Western Bull Continent, the Thunder Sound Monastery's ancestor, the leaders of the four major families, Wang Xiao, Lin Chu, and Ye Fan were all ready to set off. Without saying a word, they boarded the spirit ship and headed there.

As for the extra Wang family, it was because they had drunk the prescription given to them. Wang Jingxian and Wang Jingtian, the two siblings, had directly unlocked the seals in their bodies and completely awakened their natural endowments. They soared into the sky and reached the Tribulation Transcendence realm.

Moreover, he opened a bookstore for Senior. No one was dissatisfied!

In the Central Heaven Continent, in the Nebula Sect, Taoist Xingyun waved his long robe and disappeared instantly.

Countless experts swarmed over like a tide. The entire Tian Yuan Continent shook.

In the depths of the sea race, countless sea demons built fortifications.

Within the demon clan, the demon emperors sent people out to gather information.

In the dark chamber, the man wearing the skull mask was also puzzled. Could it be that these people were preparing to destroy the Dark Castle?

"Give the order. All the secret guards will head to the Dark Castle."

The entire Tianyun Continent was shocked.

East Victory State.

The sect leader of the Heavenly Sun Sect had just returned to the secret room when he sneezed. He had a bad feeling that something big was about to happen.

However, the most important thing was to issue the portrait of Xiao Changtian.

“As long as we don’t provoke this expert, there shouldn’t be too many problems.”The sect leader of the Heavenly Sun Sect, Tang Ritian, was extremely glad that his sect did not have such a fool.

“During this period of time, all of you should behave yourselves. If anyone dares to do anything outrageous, die!”

Tang Ritian left after giving his orders.

He was going to the Nine Phoenix Dynasty to pay his respects to that senior.

Now, whoever got to know that senior first and gained a good impression of him would be able to obtain good opportunities in the following period of time.

At the same time.

The other sect masters of the Victorious East Continent all flew toward the Nine Phoenix.

With the empress as the middleman, it would be much easier for them to get to know the seniors..

Chapter 147: So Many People, Enough to Support the Scene!_i

Tang Ritian circulated his Zhen Yuan and flew towards the Nine Phoenix. He wanted to be the first to kill Xiao Changtian.

“That senior is an invincible existence. It’s my fortune to be able to befriend him.”

“Our Heavenly Sun Sect will prosper!”

“Hahaha...”

Tang Ritian laughed loudly and rejoiced in his heart. That day, he happened to pass by the Black Forest and saw Senior’s divine might.

Very quickly.

Tang Ritian descended from the void and arrived in front of the gate of the Nine Phoenix Dynasty.

“Very good, I am indeed the first to arrive.”

Tang Ritian nodded in satisfaction. He was glad that he was more alert.

However, the moment he entered, he was dumbfounded.

The dense crowd in front of him was extremely lively.

“ Fellow Daoist Shangguan, is the empress here?” the sect master of the Waterback Sect asked.” Our Waterback Sect has hundreds of spirit meridians, and we would like to offer them to the empress.””

“ Brother Wind Lightning, I have Wind Lightning Pills here. Didn’t you exchange them with your spirit meridians? 1’11 give them to you now.””

Ten Thousand Flower Sect’s Sect Leader:” Aiyo, Sister Phantom, you’re really getting more and more beautiful. You’re tens of thousands of times prettier than me. Can you tell your sister who that expert is?””

Voices rang out, each sect leader and tribulation passing expert was trying their best to please Shangguan Shuai and the others.

They all wanted to get close to Xiao Changtian.

They had arrived fifteen minutes earlier than the sect leader of the Heavenly Sun Sect.

“Grass (a plant)!”

“Damn it, why should I go back to the sect? Why don’t you just come here directly?”

Tang Ritian’s face was filled with despair. Right now, he was completely at the edge and could not squeeze in at all.

“Everyone, quiet down. The empress is discussing a major matter with senior. Please calm down and drink your tea first!”

With a wave of her hand, the old woman threw out a spatial magic treasure to make everyone sit down and drink tea.

“Senior?”

“To be addressed by the state preceptor like this, it seems like it’s true! That person is really an expert!”

“That kind of senior is far beyond my reach!”

Everyone was discussing.

At this moment, the space fluctuated, and a white-robed Daoist Xingyun appeared in the sky.

“Senior Xingyun!”

Seeing Daoist Xingyun, everyone present hurriedly stood up and cupped their fists in greeting.

Daoist Nebula was the most senior in the Human Tribe. Even the Empress was one generation behind him.

“Yes.” Daoist Nebula nodded slightly and looked ahead.

A monk in a gray robe suddenly appeared. It was the ancestor of Thunder Sound Temple, Kong Xiang.

“Kong Xiang, you old bald donkey, did you also receive Senior’s message?” Daoist Nebula asked.

“Amitabha, yes.” Kong Xiang nodded.

The conversation between the two of them was not concealed, so all the mighty ones from the Victorious East Continent heard it clearly.

“This... Senior Xingyun, Senior Kong Xiang, these were the few hundred thousand years old experts in the human race!”

“I heard that these two seniors have broken through to the dacheng realm!”

“Hiss ~ Even they call that person senior?”

The group of tribulation transcending experts from the Victorious East Continent already did not know how to describe it.

He originally thought that Senior was someone of the same generation as Daoist Xingyun and the others.

But now, it seemed that this was not the case.

“The Divine Sound Sect of the Qingyun Sect of the Northern Barren State has arrived.”

“Heaven Building Sect.”

“The four clan leaders of the Western Bull Continent’s Xiao, Lin, and Chu clans have arrived...”

“Nanbu Continent, the Beast Tamer Sect and the Changtian Sect have arrived...” H H

While everyone was still in shock, the guard’s shout sounded.

The experts of the Northern Barren State, the Perfected Qing Yun, Lian Shenyin, Perfected Zhong Xian, Perfected Ba Shan, Perfected Qiong Cheng, the five elders of the Heaven Building Sect, and the Pavilion Master of Tianji...

Chu Kuangren, the tribulation transcending expert of the Nanbu Continent, Sikong Jian of the Long Sky Sect, and countless demon beasts...

Western Bull Continent’s Wang Jing, Wang Jingxian, Ye clan’s clan head Ye Zhengnan, Chu clan’s clan head Chu Yangtian, Xiao clan’s clan head Xiao Yan...

Countless experts came.

Each of them exuded a terrifying aura.

After this period of development, none of these people’s cultivation was lower than the seventh stage of the Tribulation Transcendence Realm.

“That’s Perfected Qing Yun. A few months ago, he was only at the first stage of the Tribulation Transcendence realm. How did he become at the eighth stage of the Tribulation Transcendence realm?”

“When did Maniac Chu reach the eighth level of the Tribulation Transcendence realm?”

“I’ve seen that junior of the Wang family before. He was only at the Golden Core realm before...”

The mighty ones from the Victorious East Continent looked at the people before them in shock. They sucked in a breath of cold air and were filled with disbelief.

“Qing Yun, your cultivation...” One of the experts could not help but ask.

“Oh, Senior gave me an opportunity and I broke through casually.” Perfected Qing Yun smiled.

“Elder Zhuyi, you...”

“Senior’s guidance...”

Voices rang out one after another. The experts from the Victorious East Continent could not help but ask.

However, the answers they received were all the same.

It was an opportunity casually bestowed by a senior!

“Heavens, I also want this kind of opportunity.”

“I want to break through from the first stage to the eighth stage in a few months.”

“I must get on your good side!”

All the experts had firm gazes.

At this moment, another two figures walked over, a man and a woman. The man had an axe on his waist, and the woman was undergoing tribulation. The two of them slowly walked over.

“Why does that man give me the feeling that he is difficult to defeat?”

“He’s clearly a mortal?”

While everyone was puzzled, Jiang Beichen, Wang Miaoshou, and Diwu Zheng appeared in front of Ye Fan and knelt down. “Greetings, Eldest Senior Brother!” “This is Senior’s eldest disciple, Ye Fan!”

Daoist Nebula reminded him. After landing, he hurriedly went up to greet him.

“Ye Fan, that Ye Fan of the Western Bull Continent’s Ye Clan, the former Supreme Being Bone youth?”

Although they were not from the same continent, the East Victory Continent was close to the West Bull Continent, so he had naturally heard of Ye Fan’s matter.

For a first rank sect, powerful intelligence covered almost the entire continent.

They had heard about Ye Fan’s supreme being bone being dug out and becoming a mortal, but he returned to the Western Bull Continent forcefully.

“Hiss ~!”

“That senior is truly unfathomable!”

The group of experts already did not know how to describe it.

Not only was he saved after his Supreme Being Bone was dug out, but his cultivation had also far exceeded the tribulation in just a few months...

While everyone was in shock, Xiao Changtian also walked out of the hall when he learned that everyone had arrived.

The moment he walked out, he was stunned.

“So many people?”

“I didn’t expect Jiu ‘er and Daoist Da Yang to shake so many people. One, two, three... He couldn’t count. There are at least 200 people here, right?”

“It’s enough to support the scene!”

Xiao Changtian was delighted. Although Perfected Qing Yun and the others were not as powerful as Perfected Da Yang, they were still immortal cultivators. With so many people, their aura was enough.

The next step was to arrange the troops..

Chapter 148: Li Taibai’s Ring, Testing Xiao Changtian!_i

“Senior!”

Seeing Xiao Changtian come out, everyone bowed and greeted him.

“We’re all acquaintances now. Why are you being so polite?” Xiao Changtian smiled faintly. He was already very familiar with Perfected Qing Yun and the others.

“You are...?”

As for the tribulation transcending experts from the Victorious East Continent, Xiao Changtian was a little confused. He didn't know them.

Could it be that he's my fan?

He found Jiu 'er's hometown directly?

The mighty ones from the Victorious East Continent were overwhelmed by Xiao Changtian's question and didn't know how to answer.

"Are you guys my fans?"

Xiao Changtian asked.

"Fans, yes, we are fans!"

Although they didn't know what the fans meant, the powerhouses from the Victorious East Continent hurriedly nodded their heads.

To be able to have a relationship with Senior, wouldn't they be able to take off if Senior casually gave them an opportunity?

"Oh, I see. Jiu 'er, you called your fans over to help too."

Xiao Changtian smiled.

Mu Jiu Huang could only nod.

"Everyone, let's go now. Follow me." Xiao Changtian said directly.

There were so many people, but they were not afraid at all.

Moreover, there was still the powerful Great Sun Immortal.

“Yes.”

Everyone hurriedly nodded. Although they did not know what to do, they still followed.

“Empress, what exactly happened? Where are we going?” Someone asked curiously.

“Shh, don’t call me empress. We are heading to Peerless City now.”

“Also, Senior’s identity is not something you can guess. However, Senior is a reclusive expert who plays around in the world. Therefore, you have to cooperate and pretend to be mortals...”

“Do you understand?”

Mu Jiu Huang instructed.

Instantly, the experts from the Victorious East Continent who didn’t know Xiao Changtian understood.

No wonder he had never heard of Senior’s name before.

So it’s because Senior has been hiding in the mortal world all these years.

Such a mighty figure loved to hide in the world and play around.

“Pass it down. We’re all mortals. If anyone dares to spill the beans, we’ll directly attack and destroy their sect.”

“We are mortals...”

The Sect Masters of the Victorious East Continent all silently recited this in their hearts, remembering their own identities.

Very quickly.

Everyone took the spirit carriage and arrived at Wushuang City.

“Peerless City, what are you doing here?” Tang Ritian frowned immediately.

Wushuang City was under the jurisdiction of the Heavenly Sun Sect.

Senior is here?

Are you trying to promote my Heavenly Sun Sect?

Tang Ritian was delighted.

However, Mu Jiu Huang’s next words made Tang Ritian extremely angry.

“What? There are Xiuxianists bullying the people in Wushuang City?” Tang Ritian was furious.

Usually, he would ask the sect to control the immortal cultivators. Within the territory of the Heavenly Sun Sect, mortals and immortal cultivators would not interfere with each other.

But now, such a thing had actually happened.

“Investigate, investigate!”

Tang Ritian immediately gave an order to the elder.

In the end, everyone stayed in a large inn in Peerless City.

After finding a big house, Xiao Changtian called Diwu Zheng and the Great Sun Immortal over.

“Let’s go treat Tai Bai first, then we’ll negotiate with the Bai family.” Xiao Changtian said lightly.

Diwu Zheng and the Great Sun Immortal hurriedly nodded.

As for Daoist Xingyun and the others, they stayed in the inn and waited for Xiao Changtian’s orders.

Under Diwu Zheng’s lead, Xiao Changtian carried the white tiger to a dilapidated courtyard.

Li Taibai, who was covered in blood, lay on the ground, unconscious from his injuries.

“Master, Taibai, he...” Diwu’s face revealed an anxious expression.

“Don’t worry.” Xiao Changtian said calmly. With his great medical skills, he could tell at a glance that Li Taibai had just lost too much blood.

He used the turtle shell and the blood replenishing flower in the small courtyard to refine the pill. As long as Li Taibai took it, he would be cured.

As expected, Xiao Changtian stuffed the pill into Li Tianbai’s mouth.

After a while.

Li Taibai woke up.

“Cough cough cough...”

“Diwu Zheng, why haven’t you run yet? Run quickly and find reinforcements.”

Li Taibai suddenly sat up with a shocked expression.

“Tai Bai, I’m back. I’ve brought back reinforcements. This is our master.” Diwu Zheng was overjoyed when he saw Li Taibai’s injuries improving.

“Master?”

Li Taibai frowned.

“That’s right, our master.” Diwu Zheng hurriedly reminded Xiao Changtian and bowed respectfully.

“Hmm?” Li Taibai frowned.

Noticing Li Taibai’s confusion, Diwu Zheng hurriedly smiled and said, “Shizun, I’ll tell him that you guys should go and rest first. I promise that Li Taibai will obediently acknowledge you as his master.”

“Alright, no violence.” Xiao Changtian nodded and reminded him as he walked out of the courtyard.

“Yes.” Di Wu Zheng nodded. He was also a little puzzled. Why did master remind him not to use violence?

However, he didn’t care that much.

“Tai Bai, let me tell you, our master is an invincible master. As long as you acknowledge him as your master, you and Bai Ling Shuang will be together immediately.”

“Master also brought...”

Diwu Zheng told Li about the empress and the other experts, as well as their experiences during this period of time.

“So mysterious?”

Li Taibai frowned, his face filled with shock. However, it was too shocking for him to believe it.

“Go out first and let me be alone.” Li Taibai glanced at Diwu Zheng and said in a deep voice.

“Alright.”

“I’ll give you three minutes. If you don’t acknowledge me as your master, I’ll break your legs.” Diwu Zheng nodded and walked out of the courtyard.

“Master, he needs three minutes to prepare. He’ll come to take me as his master in three minutes.” Diwu Zheng said respectfully to Lin Feng.

“Yes, Taibai, is his leg okay?” Xiao Changtian nodded and asked.

Inside the house.

Li Taibai clenched a broken ring in his hand.

“Elder Yun, was the fifth person cheated? That person is just a mortal? Did Diwu Zheng fall into some kind of illusion?” Li Taibai communicated with an old man in the ring.

In these three years, he had actually given all his cultivation to the person in the ring.

This was an expert at the ninth level of the Tribulation Transcendence realm. After his body was damaged, his soul was placed in the ring.

“It doesn’t seem like it. There’s no soul imprint in the fifth soul.” Elder Yun shook his head.

“How about this, in a while, you pretend to go out and become my disciple. I will use my divine sense to attack that person to test him. Don’t worry, it’s just a test. If he is a mortal, I will immediately retract my divine sense and won’t hurt him.” Uncle Yun suggested.

“Alright.”

Li Taibai nodded and stood up. He put the ring back into his pocket and walked out of the courtyard.

“Disciple Li Taibai greets Master!”

Li Taibai bowed respectfully to Xiao Changtian, but he pointed the ring at Xiao Changtian.

In the ring, Uncle Yun’s divine sense was instantly sent out, enveloping Xiao Changtian..

Chapter 149: This Affects the Elders of the Heavenly Sun

Sect, We Have to Think About It!_i

Weng!

A faint trembling voice sounded in Li Taibai's mind.

He heard the sound of Elder Yun's hand.

"Alright, from now on, you will be my fourth disciple." Xiao Changtian held the cat in his arms while supporting Li Taibai with his right hand.

"Thank you," Li Taibai said with a frown.

This was because he felt that he had suddenly lost contact with Elder Yun. His divine sense could no longer contact Elder Yun.

"What happened?"

Li Taibai was a little surprised. He tried to contact Elder Yun in the ring again.

However...

There was still no sound coming from the ring.

It was deathly silent.

Elder Yun had already curled up into a ball and was shivering in his ring. He had no time to care about Li Taibai.

Originally, Elder Yun had sent out a gentle divine sense to pierce into Xiao Changtian's mind.

Even if Xiao Changtian was a mortal, he would only feel a headache.

It would not cause any substantial damage.

However, when his Divine Sense was just a foot away from Xiao Changtian, he suddenly felt an even stronger Divine Sense.

In his bewilderment, Elder Yun looked at the cat in Xiao Changtian's arms.

In an instant, his entire soul trembled violently.

It was a white tiger!

The White Tiger that stood on the boundless galaxy and let out a roar that could cause the stars in the sky to fall!

The white tiger's eyes were cold as if it was looking at an ant. It stared at Elder Yun.

This made Elder Yun feel like he was like sand. It was as if he would be killed in an instant if he moved!

From then on, his soul would no longer exist!

"How could it be the White Tiger! The Divine Beast White Tiger was a legendary Divine Beast!"

"The Divine White Tiger has always been arrogant. Why did it transform into a white-haired beast and get carried in someone's arms?"

"Could it be..."

"This person is really a peerless expert!"

“Yes, it must be! White tigers would only submit to peerless experts and would never lower their heads to the weak.”

Thinking of this, Elder Yun, who was in the ring, was shocked.

He actually wanted to test the senior just now, to test such an expert! He almost died.

“From now on, you will be my fourth disciple. What skills do you need to learn?”

Wait until the matter is resolved. Now, let’s first...”

Xiao Changtian’s voice continued.

As Xiao Changtian’s voice faded, the white tiger retracted its divine sense.

Elder Yun, who had curled up into a ball in the ring, felt the pressure around him relax.

“Elder Yun, what happened to you just now?” Feeling Elder Yun’s spiritual sense return, Li Taibai was delighted and asked hurriedly.

However, Elder Yun did not answer him. He only said anxiously, “This is a peerless expert. It’s your supreme opportunity to become his disciple. You can’t miss it!”

Elder Yun emphasized this sentence more than ten times!

Immediately, Li Taibai frowned and was shocked. Was it really a reclusive expert?

That was great!

“Disciple, let’s go negotiate now. Follow me. Disciple, disciple...?”

Xiao Changtian, who was arranging the negotiation plan, said again when he saw Li Tianbai in a daze.

“Yes, I’ll listen to everything Master says.” Li Taibai quickly agreed. With such a powerful master protecting him, he and Ling Shuang could finally be together.

Li Taibai couldn’t help but tremble in excitement.

“Disciple, don’t worry. I’m here, don’t worry.”

They had already arrived at the gate of the Bai family. Xiao Changtian saw his disciple’s appearance and thought that Li Taibai had not recovered from the trauma of his previous injury. He immediately comforted him.

“Yes, Master.” Li Taibai nodded gratefully.

“Yes.”

Xiao Changtian nodded. He looked at the imposing Great Sun Immortal beside him and became determined.

Then, they finally met the head of the Bai family, Bai Ling Shuang’s father.

“Li Taibai, what are you doing here again? Why aren’t you leaving? Do you want to be beaten up?”

The Bai Family Head saw Li Taibai and frowned. He immediately shouted angrily.

The surrounding guards even surrounded him.

“Humph!”

At this moment, the Great Sun Immortal snorted coldly and sent a few guards flying back with his vital essence.

“Who dares to offend me?” The Great Sun Immortal said coldly. How dare these guards act presumptuously in front of Senior?

“Hmm? Who are you? You want to meddle in Li Taibai’s affairs?”

Master Bai looked at the Great Sun Immortal and then at Xiao Changtian.

Judging from their positions, Master Bai knew that the Great Sun Immortal should be Xiao Changtian’s guard.

He looked at Xiao Changtian and asked.

Xiao Changtian looked like he was about to make a move, so he was not confident.

However, when he saw the Great Sun Immortal’s technique, he was instantly filled with confidence.

He hugged the white fur and sat down slowly. He picked up a cup of tea and said,

“I’m Li Taibai’s master, the Bai family’s matter of breaking off the engagement, I’m also very Taibai’s saying, you’re doing the wrong thing?”

Xiao Changtian said in a deep voice. He even suppressed his throat and pretended to frown.

It was a negotiation, so of course he had to be full of vigor!

“Humph, so what if I break off the engagement? I’ve already given Li Taibai a hundred taels of gold, enough for him to live without worries.” Master Bai said in a low voice.

“No, I don’t want to. Lingshuang and I love each other. I don’t want to break off the engagement.” Li Taibai hurriedly said.

“Hmph, this is not up to the two of you.” The Bai Family Master shouted angrily again.

“Master Bai, this is your fault. Since they are in love, why did you stop them?” Xiao Changtian said.

The Tian Yuan Continent did not have any orders from parents or matchmakers. They were relatively open in this regard.

“Hmph, my daughter naturally has to marry someone better. Young Master Xiao of the Xiao family is not bad.”

“Don’t make trouble for me. If you dare to make trouble again, I’ll have the elders of the Heavenly Sun Sect behind Young Master Xiao take action.”

“Send the guests out!”

Master Bai said coldly. He even brought out the elders of the Heavenly Sun Sect and ordered them to leave.

“Elder of the Heavenly Sun Sect?”

Xiao Changtian heard that the elder of the Heavenly Sun Sect seemed to have an extraordinary cultivation base.

“Looks like we have to plan this out.”

Xiao Changtian thought to himself, but he could only stand up and say, ""Let's go-""

Xiao Changtian led Li Taibai and the others out of the gate. Li Taibai asked in confusion, ""Master, are we just going to let it go like this?""

Li Tianbai was confused.

Elder Yun had already said that his master was a peerless expert. Why did his master compromise so quickly?

""Disciple, we have to think about this matter carefully.""

""Let's go back and discuss the plan.""

Xiao Changtian said in a deep voice.

Li Taibai was confused, but he was still dragged along by Xiao Changtian and went to the inn.

""Di Wu Zheng, what is Master trying to do? Who else can we find?""

Li Taibai asked Di Wu Zheng in a low voice.

""You'll know when we get there. Hurry up and leave."" Diwu Zheng said impatiently.

Helplessly, Li Tianbai could only follow. His heart was filled with sorrow until he entered the inn...

""Tai Bai, what's going on?""

Elder Yun's shocked voice sounded from the ring..

Chapter 150: The Stealing Plan Begins!

Inside the ring, Old Man Yun was dumbfounded.

The soul state that had just recovered was quickly hidden in an instant.

“Daoist Xingyun, Monk Kong Xiang, and another expert should be the Nine Phoenix Matriarch you mentioned. Have they broken through to the Mahayana realm?! And that mortal is even more terrifying!”

“Also...”

“These people are all trying to pass the tribulation! There are more than 200 tribulation passing experts!”

Elder Yun’s shock was like a wave, wave after wave.

Li Taibai was dumbfounded when he heard Elder Yun’s words.

Daoist Xingyun, Master Kong Xiang, Nine Phoenix Matriarch, these were existences that he did not even dare to dream of!

Even Elder Yun, who was in the ring, was not a match for them when he was alive, not to mention that they had already broken through to the dacheng realm!

There were mortals who were stronger than the tribulation?

There were more than 200 people here, and all of them were undergoing tribulation!

Heavens!

When Master said to take a long time to consider, could it be that he was bringing so many martial arts experts to take a long time to consider?

Was he going to destroy the Heavenly Sun Sect?

“Senior, please take a seat.”

Seeing Xiao Changtian come back, Su Daji hurriedly handed over a chair. She was tempted.

The senior had actually called so many human experts from the Tian Yuan Continent for his disciple!

She also wanted such a master.

She had decided that after she settled Li Taibai’s matter, she would acknowledge Senior as her master.

Even if I have to sacrifice everything, I will still become a disciple of a senior.

As long as she became Senior’s disciple, she would be able to take revenge!

“Alright.”

Xiao Changtian nodded at Su Daji and introduced Ye Fan and the others to Li Tianbai.

“Greetings to Eldest Senior Brother, Second Senior Brother, and Third Senior Brother!&

Li Taibai bowed.

“Junior brother, there’s no need to be so polite. If there’s anything you can’t solve, you can tell me.” Ye Fan walked over and patted Li Taibai’s shoulder.

“Yes.”

Li Tianbai hurriedly replied. He didn’t quite understand what Eldest Brother was talking about.

But the next moment, Elder Yun’s voice sounded from the ring.

“I was discovered by your Eldest Senior Brother.” Elder Yun said in despair.

“What?” Li Taibai was shocked.

“Your Eldest Senior Brother is even stronger than those in the Mahayana Realm!”

Elder Yun’s terrified voice sounded again.

When Li Taibai heard this, he was so shocked that he was numb!

In less than two hours, he felt like he was dreaming. Looking at the many experts in front of him, he felt that it was a little unreal.

“Am I really dreaming?”

Li Taibai felt like he was in a trance. To confirm that he wasn’t dreaming, he walked behind Di Wu Zheng and pinched his waist.

“All, what are you doing?” Diwu Zheng cried out in pain and asked angrily.

“Nothing. I just saw a mosquito. We’re good brothers. Why are you so calculative, right?” Li Tianbai smiled awkwardly.

In the middle of the table.

Xiao Changtian had already started to plan his “Steal” plan.

“Qingyun, besides Zhongxian, the two of you are both immortal cultivators. Although your cultivation isn’t that great, it’s enough for you to sneak into the room and steal people.”

“The rest of the people, Jiu ‘er, Ye Fan, Yiren, Daji, you guys will receive them from the outside and prepare to retreat at any time.”

“As for the rest of you, follow me to create chaos.”

“Does everyone understand?”

Xiao Changtian instructed meticulously.

“Yes.”

Everyone nodded seriously and treated it seriously.

Of course, he wasn’t serious about saving Bai Ling Shuang. It would be a piece of cake for him to bring her out.

What they had to take seriously was to cooperate with their seniors and not give themselves away.

At all times, they had to maintain their identity as ordinary people. Otherwise, they would be beaten up by everyone.

“Senior, let’s go and think about it.”

Perfected Qing Yun and the others moved to another room and started discussing.

“Tell me, if we were to fight with the Bai family, how should we pretend that we are no match for them?”

“Also, are we going to fight each other alone and lose, or are we going to fight one by one and pretend to be defeated?”

“Also, what if I can’t hold back and leak my true essence?”

“Whoever dares to expose his identity and make Senior unhappy this time, we will destroy him!”

A group of tribulation transcending experts discussed.

Xiao Changtian was discussing with the Great Sun Immortal.

“Perfected Da Yang, I’ll have to trouble you to help when the time comes.” Xiao Changtian said.

“I’ll listen to you. I’ll attack whenever you want me to. This is a small matter.” The Immortal of Dayang returned.

Compared to the opportunity given by Senior, doing such a small thing for Senior was simply insignificant.

“Haha, haha, when I go back this time, I will definitely draw a few paintings for you.” Xiao Changtian said with a smile.

The Great Sun Immortal had followed him from the North Barren State to the West Bull State and then to the East Victory State. Which immortal cultivator would treat a mortal like him like this?

Although he did not have any cultivation, if the Great Sun Immortal liked his paintings, he would draw a few more for the Great Sun Immortal.

“Thank you so much!” When the Great Sun Immortal heard this, he was overjoyed.

Senior’s paintings were all divine workmanship and divine items!

Just a single Nanming Primordial Fire Portrait was already so terrifying. With a few more, the Great Sun Sect would be safe!

Listening to everyone’s discussion, Li Taibai, who was sure that he was not dreaming, finally understood that his master wanted to play a game. No wonder he had compromised so easily before.

“To be able to have such a state of mind for such a mighty figure, this is the true return to simplicity!”

In the Bai family.

The head of the Bai family looked at his daughter helplessly. The room was filled with a depressing atmosphere.

“Daughter, don’t worry, Taibai is fine. He just has some master, and he seems to have some strength, but I’ve scared them off with the name of an elder of the Heavenly Sun Sect.”

Master Bai said in a deep voice.

“That’s good.”

Bai Ling Shuang nodded." The Xiao family isn't someone we can mess with. So what if we're in love? We've lost to reality."

Bai Ling Shuang sighed, and a drop of crystal fell down.

"Sigh." Master Bai sighed helplessly when he saw his daughter like this. However, there was nothing he could do. The Heavenly Sun Sect was too powerful. If they disobeyed, the entire 1,000 members of the Bai Family would be gone.

He couldn't let a thousand good people die with him for his daughter!

"Hehehe, beauty, I'm coming! "As the two of them sighed, a blue-robed young man walked in.

It was Young Master Xiao from the Xiao family.

He pushed open the door and laughed loudly. He let Master Bai out and then pounced on Bai Ling Shuang.

" Beauty, why are you crying? It's not a loss for you to marry me. What's so good about that Li Taibai?"

"Come, come, come. Let's go to the bridal chamber now."

Young Master Xiao walked towards Bai Ling Shuang, his tone filled with contempt.

Bai Ling Shuang closed her eyes. What kind of person was Xiao Ming? He was a playboy who only coveted her beauty.

However, could she resist?

Xiao Ming's hand was about to reach down...
