

Beasts 151

Chapter 151: The Plan Succeeded!

“F * ckyou!”

Xiao Ming’s hand was about to touch Bai Ling Shuang.

Suddenly, two large feet appeared out of nowhere and landed on Xiao Ming’s chest.

Xiao Ming rolled out like a rubber ball, smashing the door into pieces.

“Miss, sorry for offending you.”

Perfected Qing Yun and Maniac Chu each grabbed Bai Ling Shuang’s arm and escaped through the window.

“Chase!”

“Someone kidnapped your miss. Chase after her!”

Xiao Ming crawled up from the ground and roared angrily. Because he could not expose his identity, Perfected Qing Yun and Maniac Chu’s kicks were only based on ordinary strength and did not cause any great damage.

Xiao Ming grabbed Master Bai’s collar and said angrily.

“Alright.”

The Bai family head agreed and gathered all the guards in the Bai family.

“All of you, chase after them. Even if you can’t find them, chase after them!”The Bai family head shouted as he signaled the butler with his eyes.

“Yes, master, don’t worry. We will do our best to chase after them.”

The butler winked as well.

Who else could come and take his daughter away?

Without even thinking, he knew that it must be Li Taibai!

Master Bai felt that this Li Taibai had suddenly become smarter. He was always straightforward and asked for people in person.

Now he knew how to be flexible.

She was kidnapped in front of Xiao Ming. What does that have to do with the Bai family?

My Bai family’s people also went to chase after him, but they didn’t manage to catch him.

It just so happens that I don’t want to marry my daughter to you.

“Humph, how dare you! You’re simply lawless! However, he doesn’t know that during this period of time, the Great Elder of the Heavenly Sun Sect, who is also my uncle, is in Wushuang City.”

“Hmph, my uncle is at the seventh level of the Tribulation Transcendence realm. Those two thieves should be prepared to die!”

Xiao Ming's expression was ferocious as he sent out a message.

"What?"

Hearing this, Master Bai was shocked. The Great Elder of the Heavenly Sun Sect had come to Wushuang City?

Oh no!

The Grand Elder of the Heavenly Sun Sect was a seventh-level Tribulation Transcendence expert. He was invincible in Wushuang City!

Li Taibai would definitely be discovered.

Li Taibai would die!

When the Bai Family Head thought of this, his expression darkened and he immediately said, "I'll go look for him too."

After saying that, he quickly ran out of the courtyard. He wanted Li Taibai to leave before the Grand Elder of the Heavenly Sun Sect found him.

"Hmph, old man, do you really think I don't know what you're thinking?"

"Die together!!"

"Bai Ling Shuang is fine."

Within the Bai Clan's courtyard, Xiao Ming sneered. The Xiao Clan's guards had already set off, and the entire Peerless City had been sealed off.

He did not believe that these people could still run.

Xiao Ming sneered as he slowly walked out of the Bai family's courtyard.

"Young Master, we have found Li Taibai and Bai Ling Shuang in the inn." A servant of the Xiao family ran over to report.

"Very good. We will head to the Tongqu Inn now. Eldest Uncle will be there soon." Xiao Ming sneered.

"Yes."

The Xiao family servant took out a flying shuttle, and the two of them quickly flew to the Tongqu Inn.

In front of the inn, the Xiao family had already surrounded the inn.

"Hahaha, a bunch of trash. When our young master comes, I'll kill you!" Xiao Ming's lackey, the butler of the Xiao family, Xiao Busheng, placed his left hand on his waist and pointed his right index finger at the crowd with an arrogant expression.

In fact, Xiao Busheng was even pointing at the crowd.

"You're a fortune-telling swindler. How dare you follow them?"

"And you, old monk, do you want to die if you don't eat vegetarian food and chant Buddha properly?"

"Little girl, you look so energetic. Your red clothes are so festive. Why don't you consider coming back to my house and being my daughter-in-law? I guarantee you won't die?"

The Secret Pavilion Master, Master Kong Xiang, the Nine Phoenix Matriarch, and the others were pointed at and reprimanded.

However, they did not dare to retort.

He could only endure it silently.

He was really afraid that he wouldn't be able to hold it in any longer and would slap this Xiao Busheng to death!

When that time came, it would ruin the senior's mood to play the game. At that time, it would be terrible!

"Hahaha, a bunch of trash! Little lady, come with me." Xiao Busheng laughed lewdly as he stretched out his hand towards the Nine Phoenix Matriarch's face.

Mu Jiu Huang stood rooted to the ground. She was extremely furious and had already reached the edge of anger.

A mere ant actually dared to insult her. If it was in the past, this Xiao Busheng's soul would have long been destroyed.

But now, she didn't dare to make a move.

Master had not given the order yet.

Mu Jiu Huang was furious, but she could only endure it. Her hands were pressed against the edge of her thighs, forcefully suppressing the anger in her heart, and her body kept trembling.

In Xiao Changtian's eyes, there was another scene.

He saw that Jiu 'er was already trembling in fear.

"I can't take it anymore. Let's fight. Although we have a numerical disadvantage, there's no other way now." Xiao Changtian thought.

Immediately, he was the first to bear the brunt!

"Fight!"

Xiao Changtian shouted and picked up the turtle beside him, smashing it towards Xiao Busheng.

"Bang!"

Xiao Busheng's head was instantly blasted open by this smash, and he was directly KO 'ed!

"Am I that fierce?"

Seeing this, Xiao Changtian was overjoyed. He didn't expect himself to be so good at fighting!

Holding the turtle shell in his hand, he recalled the hot-blooded times when he was fighting in a group in primary school. He felt courage in his heart and rushed into the crowd, smashing it with his eyes closed.

"Let's go too!"

The experts who had followed Xiao Changtian were delighted when they saw Xiao Changtian's order.

He could finally make a move!

“F * ckhim.”

As soon as he finished speaking, countless experts present rushed forward, punching and kicking like ordinary people.

The scene was in chaos.

Xiao Changtian held the Black Tortoise in his hand and fiercely attacked. Those servants of the Xiao family were knocked down one by one.

In order to make the act more realistic, the other experts all took out their acting skills.

On Daoist Xingyun’s side, facing a tall servant of the Xiao family, he punched and even pretended to take a few steps back.

“Aiya, this person is a little strong. Kong Xiang, come and help me. The two of us can subdue him together!” Daoist Xingyun said vividly.

“Alright!”

Kong Xiang hurriedly ran over. The two of them joined forces, one locking his throat and the other locking his arm. Only then did they barely defeat that robust servant.

Fortunately, this robust man did not know that these two people in front of him were old monsters who had lived for 100,000 years among the human race. Otherwise, he would be able to boast even in the underworld!

Back then, he had fought against Daoist Nebula and Master Kong Xiang, but he had been defeated by the two of them!

The battle has entered the fanatical stage of the game.

As for Ye Fan, he killed one with each ax. He did not need to pretend. He was a mortal to begin with!

The battle lasted for a quarter of an hour. In the end, Xiao Changtian won.

“There are more people than people. You can’t beat us? I didn’t expect that I could fight.” Xiao Changtian smiled faintly, he was extremely satisfied.

“The plan succeeded. Let’s go. The Immortal Cultivators are coming.”

Xiao Changtian ordered..

Chapter 152: Sect Master, Help!

“Let’s run. The Xiuxianists are here. We can’t beat them.”

“That’s right. Rumor has it that a cultivator in the Qi Refining realm can fight a hundred of them alone. We’re not enough.”

“That’s right, that’s right!”

“Run, run!”

One by one, the usually dignified tribulation transcending experts fled like a swarm of bees.

Among them, the leader of the Heavenly Sun Sect ran the fastest.

“I must act more realistically and perform well to gain Senior’s attention as soon as possible.” The sect leader of the Heavenly Sun Sect thought to himself. His footsteps became even faster!

Xiao Changtian and the Great Sun Immortal were responsible for covering the rear.

“Perfected Great Sun, almost everyone has evacuated. Let’s get ready to leave.” Xiao Changtian looked at Daoist Master Da Yang.

“Yes.” The Great Sun Immortal replied.

I will obey all of your orders and follow you.

However, right at this moment, a burly man’s voice rang out. Xiao Ming, who was riding a flying shuttle, had arrived.

Immediately after, a figure descended from the sky like a meteor.

“Boom!”

As that person landed, a huge crater was created in the street in front of him. The surrounding rooms collapsed like paper.

It was the Grand Elder of the Heavenly Sun Sect.

“Immortal cultivators?” Xiao Changtian was stunned. Was this the legendary high-level immortal cultivator?

So powerful!

Xiao Changtian stood still and asked in surprise. He looked at the Great Sun Immortal and asked in a low voice, “Is the Great Sun Zhenren a match for him?”

Hearing this.

The Great Sun Immortal nodded.

Although his cultivation level was low, he had the Nanming Primordial Fire Diagram given to him by the senior. It could even kill the Ghost Devouring Vine, let alone a seventh stage Tribulation Transcendence expert.

“That’s good.”

Seeing the Great Sun Immortal nod, Xiao Changtian was instantly filled with confidence.

The Immortal Da Yang is still awesome!

As expected, although the Great Sun Immortal was only in the Divinity Transformation Stage, it was as difficult as ascending to the heavens to cultivate immortality. It seemed that there were not many people who were higher than the Divinity Transformation Stage.

Not to mention, he still had Jiu ‘er and the others who had already escaped.

Envy...

“Hmph, you dare to boast about a mere Incarnation Formation cultivator?”The Grand Elder of the Heavenly Sun Sect stared at Daoist Big Sun.

He’s only in the Incarnation Realm, yet he’s so arrogant!

“Why don’t you leave first?”Daoist Da Yang said respectfully to Xiao Changtian when he saw that the Great Elder of the Heavenly Sun Sect was about to start a war.

“Alright, I’m just a mortal. The aftermath of your fight can hurt me. I’ll leave first.”

Xiao Changtian nodded, took the turtle and ran away.

“Uncle?”

Seeing Xiao Changtian leave, Xiao Ming looked at the Grand Elder of the Heavenly Sun Sect anxiously. What if they all ran away?

“Don’t worry, I’ll kill him with a flip of my hand.” Xiao Yuanshan, the Grand Elder of the Heavenly Sun Sect, sneered and threw a palm strike at the Great Sun Immortal.

The powerful palm force turned into a sun, as if it wanted to melt the Great Sun Immortal.

When the Great Sun Immortal saw this palm, he was a little frightened. So this was the power of a tribulation transcending expert?

Terrifying!

It was terrifying!

The Great Sun Immortal even closed his eyes and felt the difference between the two of them without any distracting thoughts.

“Hahaha, uncle, he was scared to death by your attack!” Xiao Ming laughed.

Xiao Yuanshan also looked disdainful, and his expression became even more arrogant.

That palm enveloped the Great Sun Immortal.

“Hehe, he’s already dead. Let’s go after him.” Xiao Yuanshan sneered.

“Yes, I am. Uncle is indeed invincible.” Xiao Ming nodded.

The two of them quickly left.

However...

At this moment.

All of a sudden, a mighty river of fire spread out under Xiao Yuanshan and Xiao Ming’s feet.

Terrifying flames engulfed Xiao Yuanshan’s palm strike.

The sun was like a spark in the face of the river of fire, without any power.

“What is it? Nanming Primordial Fire!”

Seeing the river of flames, Xiao Yuanshan immediately realized that it was the Nanming Ignis Diagram of the Pavilion Master of Heavenly Secrets. It was not something he could deal with.

In fact, some of the flames had already spread from his palm to his shoulder.

“Psst!”

With a sound like sword qi, Xiao Yuanshan gritted his teeth and chopped off his arm.

When he mentioned Xiao Ming, he immediately used the Heavenly Sun Sect’s formation to escape.

“You ran so fast. I haven’t even fully unfolded senior’s painting.”The Great Sun Immortal shook his head, put away the painting, and followed Xiao Changtian.

This scene was witnessed by the Bai Clan’s Master, who had arrived shortly after.

“Hiss ~!”

He gasped.

He did not expect the Grand Sun Immortal to be so terrifying that he could seriously injure Xiao Yuanshan, who was at the seventh stage of the Crossing Calamity Realm!

“Fortunately, the Bai family did not do anything extreme that day.’The Bai Family Head felt a lingering fear when he thought of his order to chase them away the day before yesterday.

If he had made a move at that time, he did not dare to imagine the consequences.

“However, this person is Li Taibai’s master’s guard...Then, Li Taibai’s master?”

“Li Taibai’s master should be a peerless expert, right?”

“But...”

Master Bai frowned and was puzzled. Since Xiao Changtian was so strong, why did he come to the Bai Family to snatch her away?

On the other side, Xiao Yuanshan and Xiao Ming had returned to the Xiao family.

“Big Brother, Ming ‘er, what’s wrong?”The head of the Xiao family looked at the two of them and asked in surprise.

“I didn’t expect that Li Tianbai would be able to find such a helper. I was too careless and didn’t react in time.”

“It seems that I need to contact the sect master and ask him to help.”

Xiao Yuanshan said in a deep voice.

Immediately, the voice transmission talisman in Xiao Yuanshan’s hand flashed and a message was sent out.

Xiao Changtian and the others had already run out of Wushuang City. They came to a lake and sat down to rest.

“Daoist Big Sun, quickly tell everyone how you defeated that person.”

The sect leader of the Heavenly Sun Sect was the first to ask. His big eyes were filled with curiosity.

If it wasn’t for the fact that everyone knew him well, no one would have thought that he was the sect master of the Heavenly Sun Sect, a well-known Tribulation Transcendence expert!

“That person called himself the Grand Elder of the Heavenly Sun Sect. I only defeated him with the Nanming Ignis Diagram.”The Immortal Da Yang said awkwardly.

Everyone in front of him was a Tribulation Transcendence expert. He was really embarrassed to speak.

“Haha, Daoist Dayang is really fierce. He’s the leader of the Heavenly Sect...”

“Wait, Heavenly Sun Sect? You mean the Heavenly Sun Sect?”

Tang Ritian, who originally wanted to flatter the Great Sun Immortal like an ordinary person, was instantly stunned.

At the same time, he felt hundreds of pairs of eyes staring at him.

He only felt goosebumps all over his body, as if he had fallen into an ice cave.

“Tang Ritian, how do you explain this?” Doubtful voices sounded.

Tang Ritian was caught in the crowd. Cold sweat broke out on his forehead.

Coincidentally, at this moment, the ring on his hand suddenly lit up. He was nervous, and his hand slipped. The Great Elder’s message was immediately opened.

“Sect leader, I met a person who used the Nanming Flame Diagram.. He is

seriously injured and needs help...”

Chapter 153: Heavenly Sun Sect, Don’t Be Afraid

“Dunn! F * ck! Heavens!”

Their gazes were like heavy mountains, pressing down on Tang Ritian until he could not breathe.

Her lower body was already wet.

His cold sweat dripped onto the ground like raindrops.

“Grass (a plant)!”

Tang Ritian’s heart was as furious as thunder. He directly cursed the First Elder a hundred times.

He had long instructed them not to provoke the seniors and not to cause trouble. In the end, the First Elder was bullying the city.

Moreover, he had even bullied the disciple of a senior.

“I... I’ll go back and settle it now. It’ll be very fast. It’ll be very fast. Fifteen minutes. Fifteen minutes will be enough.”

Tang Ritian smiled embarrassedly. He stirred up the true essence around his body and turned into a stream of light, disappearing in an instant.

On the other side, Li Tianbai was introducing Bai Ling Shuang to her master.

“Greetings, Senior.”

After hearing Li Tianbai’s explanation, Bai Ling Shuang finally realized how powerful this senior was!

Bai Ling Shuang was shocked that nearly half of the Heavenly Fate Continent’s experts had come.

“No need to be so polite. The two of you should take a break and recover your mood.” Xiao Changtian waved his hand.

Then, Xiao Changtian walked over.

“Hey, where’s Old Tang?” Xiao Changtian asked.

“Master, he has something to do at home.” Mu Jiu Huang replied.

“Oh.” Xiao Changtian nodded.

Tang Ritian had indeed gone back to deal with family matters. At this moment, he had already arrived at the Xiao family’s house.

“Sect Master, you came so quickly? That’s great. That person is dead for sure. We...”

When the Great Elder saw Tang Ritian, he was overjoyed and stood up to welcome him.

However...

“Pa!”

A powerful and round slap landed on Xiao Yuanshan’s face. Xiao Yuanshan was sent flying backward. His face was swollen and his teeth fell to the ground.

Because his front teeth had been knocked out, the First Elder could not even speak properly.

“Sect Master, why did Li hit me?” Xiao Yuanshan was puzzled.

“I hit you?”

“Hmph, hmph, not only am I going to hit you today, I’m going to kill you!”

Tang Ritian kicked Xiao Yuanshan again.

Tang Ritian directly sat on Xiao Yuanshan's body and began to attack!

He swung his big fist in a circle, as if he was hitting Rice Cake. Each punch was fiercer and more powerful than the last!

Bang bang bang bang bang!

Xiao Yuanshan's body was sent thousands of meters underground.

Tang Ritian only stopped when he was tired.

In the Xiao family, everyone was scared silly when they saw this scene. They stood on the spot and did not dare to move.

"Sect Master, why did Li beat me?" Great Elder Xiao Yuanshan's face was swollen like a pig's head, and he was barely breathing.

"Hit you? I've issued an order not to provoke this expert? I can't cause trouble.

What about you? I'll commit both of them!"

Tang Ritian roared as Xiao Changtian's portrait appeared in his hand.

"Eat, eat, eat" The one from before?" When the Great Elder saw Xiao Changtian's portrait, he instantly understood.

"It's good that you understand!"

Tang Ritian's voice turned cold as he slapped the head of the Great Elder again.

The Great Elder was dead!

“Don’t kill me, ah! Don’t kill me!” Seeing this scene, Xiao Ming was so scared that he peed his pants. A foul smell came from under his body, and he crawled on the ground in a panic.

“Hmph, there’s no need for the Xiao family to exist anymore! Conniving at power and bullying the weak, I thought your Xiao family was dedicated to the people!”

Tang Ritian snorted coldly and disappeared in an instant.

A moment later, a mushroom cloud rose above the entire Xiao family.

From then on, the Xiao family was removed from Wushuang City.

Taking advantage of this time, Tang Ritian killed all the elders in the sect who were involved in this matter.

That was why the Heavenly Sun Sect released the news that they had already exterminated the evil Great Elder and the Xiao family!

After doing all this, Tang Ritian dared to return to the resting place of Xiao Changtian and the others.

Meanwhile, in the Bai family.

Master Bai was ready to fight to the death. His daughter had left, and the Grand Elder of the Heavenly Sun Sect had been injured. The entire Bai Family would be the target of the Grand Elder’s anger.

The Bai family was on the brink of death.

“Patriarch, let’s fight!”

“Yes, that’s right. I’m a member of the Bai family when I live, and I’m a ghost of the Bai family when I die!”

“We’re not afraid, but we’ll die standing!”

In the Bai family’s courtyard, impassioned voices sounded.

“Alright, let’s fight!”

Master Bai’s tone was firm. He knew that Li Taibai’s master was a peerless expert. His daughter would be safe with Li Tianbai, so he let it go.

At this moment, he held the long saber in his hand tightly, waiting for the Heavenly Sun Sect’s revenge.

“Old Master, something bad has happened.”

“Master. Something big has happened!”

Butler Bai ran in in a panic, panting heavily.

“Are the people from the Heavenly Sun Sect here?” Master Bai gripped his long saber even harder.

When everyone heard Butler Bai’s report, their hearts trembled.

Although they were not afraid of death, everyone was still afraid.

“No, it’s the Heavenly Sun Sect...” Butler Bai hurriedly said.

However, before he could finish speaking, he was interrupted by the Bai family's secondary staple food."It really is the Heavenly Sun Sect."

"I'm not afraid, I'm not afraid!" Everyone from the Bai family shouted.

"No, it's the Heavenly Sun Sect..." Butler Bai hurriedly explained again.

"There's no need to say anything, Butler. My Bai family won't be afraid!" Bai Ling Shuang's uncle said.

"Yes, I'm not afraid, I'm not afraid!" The Bai family continued to echo his words.

Butler Bai was speechless.

"Can you guys let me finish?" Butler Bai roared.

Everyone in the Bai family's courtyard finally quieted down.

However, Master Bai interrupted him again,""Don't say anymore. I understand, I understand. After all these years, the two of them have feelings for each other."

"Even in the Yellow Springs, we will still be brothers!"

Butler Bai was speechless.

You know nothing about hammers!

"Master, the Heavenly Sun Sect has already dealt with the Great Elder Xiao Yuanshan and destroyed the Xiao family!" Butler Bai finished his sentence in one breath, not giving anyone the chance to interrupt him.

“How is it? Are you surprised?” Butler Bai laughed.

When the Bai family heard this, they fell silent.

Looking at the silent crowd, Butler Bai thought that everyone was shocked and began to dance.

The good news was that the Bai family was saved.

However, the head of the Bai family and the stewards all sighed.

“Butler Bai has done his best for my Bai family for so many years. I didn’t expect him to go crazy in the end.”

“Hey, you two, send Butler Bai back to his hometown. We can’t let him die.

Otherwise, it’ll be the Bai family’s injustice.”

Master Bai sighed and ordered the two of them.

“Yes.” The Bai family’s assistant food and the Bai family’s younger brother nodded and carried Butler Bai out of the backyard..

Chapter 154: The Great Elder of the Nine-Tailed Fox Race Arrives !_1

But very quickly.

Deputy Manager Bai and the other two brought Butler Bai back.

“Master, what Butler Bai said is true! Everyone on the streets was discussing this matter!”

“Patriarch, well know once we go out.”

The two of them were extremely excited.

The Bai Family’s head frowned. A person had gone crazy. He had really gone crazy.

But the three of them were talking about this matter. Could it be true?

Master Bai gripped the knife in his hand tightly and walked out of the Bai family’s courtyard.

“Master Bai, why are you holding a knife? The Xiao family has been destroyed. Go and watch the show...” Passerby A greeted.

“Really? The Xiao family has really been destroyed!” Master Bai listened to the noise on the street. How could he not understand that this was true!

“That’s great. Hurry up and chase after the young miss. Don’t let them escape...” The Bai Family Master hurriedly ordered.

They returned to the resting area.

“Senior,” said Tang Ritian hurriedly to Xiao Changtian, “the Sun Sect has already dealt with the Great Elder. The Xiao Family has also been destroyed. Now, we can return to Wushuang City.”

Tang Ritian smiled sheepishly as cold sweat trickled down his back.

He was afraid that Xiao Changtian would destroy the Sky Sect in the future.

“Oh? There’s such a thing?” Xiao Changtian was stunned.

“Yes, indeed. That muddle-headed sect leader of the Heavenly Sun Sect only realized it now.” Tang Ritian lowered his head in shame, not daring to face Xiao Changtian again.

“He deserves to be punished.” Xiao Changtian nodded.

Hearing this, Tang Ritian was shocked and sat down.

“However, in the end, he was able to turn back and resolve the matter perfectly. It can be considered to have been handled well.” Xiao Changtian continued. Tang Ritian, who was sitting on the ground, heaved a sigh of relief.

He was almost scared to death just now.

“Hey, why are you sitting on the ground and sweating so much?” Xiao Changtian turned his head and saw Tang Ritian sitting on the ground, panting. “I’m fine, I’m fine. I’m just tired.” Tang Ritian quickly shook his head and stood up from the ground.

Xiao Changtian frowned. He thought about it and realized that Old Tang had been the fastest.

“It seems that Old Tang’s body is weak and needs to be nourished. Forget it, when we return to Peerless City, I’ll give him a prescription.” Xiao Changtian thought.

At this moment, the messenger from the Bai family arrived.

Under the leadership of the Bai family, the group of experts rushed back to Wushuang City.

“Daughter!”

“Father!”

Bai Ling Shuang and the Bai Family Head hugged each other. Their eyes were sparkling.

Li Tianbai wasn't the only one suffering these days. His parents were also having a hard time.

But now, he finally got the moon.

“Alright, why are you crying on such a joyous day?”

“Taibai, master will make the decision for you. Three days later, it will be an auspicious day.”

Xiao Changtian smiled.

“Thank you, Master.” Li Taibai said excitedly.

“Thank you, Senior.” Bai Ling Shuang blushed and nodded.

Three days passed peacefully.

Xiao Changtian woke up early and went to bed early every day while Mu Jiu Huang fed the divine beast.

During this time, the experts all asked Xiao Changtian for a painting or something.

Xiao Changtian didn't reject anyone. These people were all good people!

Even if he knew that there were cultivators, he still dared to step forward to help. What was a mere calligraphy painting to him?

“Also, Old Tang, your body is a little weak. This is an aphrodisiac pill I refined. Take it. You need this more than painting.”Xiao Changtian whispered.

However, the people present were all top experts of the continent. How could they not hear it?

Everyone was covering their faces and laughing secretly.

“Yes, Senior.”

Tang Ritian blushed, but he couldn't refuse the things given by his senior, so he silently put them away.

Under everyone's strange gazes, Tang Ritian returned to his room.

However, it would be a waste if he didn't take it. He directly swallowed the Yang Strengthening Pill given by Xiao Changtian.

In an instant, he almost turned into a sun!

” I-I'm at the ninth level of the Tribulation Transcendence Realm?!”

“My, my [Sun and Sky Absolute] has been completed!””

“So easy?”

Tang Ritian's face was filled with disbelief. The aura of his breakthrough was naturally captured by the experts.

“So that's what Senior's aphrodisiac pill means!”

“I also want one...”

He couldn't even bring back Su Daji, a Soul Formation Stage ant. In his rage, he locked onto Su Daji's aura and came to the Victorious East Continent.

"Senior Sister Yiren, Sister Lingshuang's wedding dress is really beautiful." Su Daji held Chu Yiren's hand. The two of them had just returned from shopping. "Yeah, I want to wear it too." Chu Yiren looked expectant.

The two of them held hands and skipped back to the Bai family.

Suddenly.

Su Daji's expression changed. He sensed the Fox Race's First Elder's aura and immediately stopped in his tracks!

"Not good, First Elder is here."

Su Daji's face darkened. The terror of the Great Elder had been deeply imprinted in her heart. She could not defeat him!

"Flehe, Su Daji, I sensed you."

The Great Elder also sensed something and slowly walked towards Su Daji.

However, at this moment.

Weng!

Weng!

Weng!

One after another, the aura of a breakthrough appeared as though it was drinking water. Each aura suddenly rose one after another...

Each aura was extremely powerful.

“Ninth level Tribulation Transcendence?”

“How can so many people break through to the ninth level of the Tribulation Transcendence realm?”

The First Elder sensed the aura of many ninth level Tribulation Transcendence experts and stopped in his tracks. Based on his senses, there were at least 100 ninth level Tribulation Transcendence experts here.

“Yiren, what are you doing here? Senior is still looking for you.”

Maniac Chu walked out.

“Maniac Chu? The sect master of the Beast Tamer Sect? When did he transcend the ninth level of the tribulation realm?”

Seeing Maniac Chu, the First Elder’s face turned pale.

The Beast Tamer Sect was the unified enemy of the demon race. The First Elder was extremely clear about Maniac Chu’s realm.. However, Maniac Chu in front of him gave him an extremely dangerous aura...

Chapter 155: Su Daji Becomes Her Master! i

“Maniac Chu?”

First Elder looked at Maniac Chu with a hesitant expression.

The Maniac Chu in front of him actually gave him an extremely dangerous feeling.

This was the natural alertness of the fox race, which had helped him escape many fatal crises.

But he was puzzled.

He did not understand why Maniac Chu could break through to the ninth level of the Tribulation Transcendence realm in such a short period of time.

The ninth stage of the tribulation transcendence did not require money?

A few months ago, the ninth level of the Tribulation Transcendence Realm was the peak of the Tian Yuan Continent.

“Hmm? Great Elder? What are you doing?” Maniac Chu naturally noticed the Fox Race’s First Elder as well. A cold expression flashed across his face.

The Nine-Tailed Fox Clan was a member of the Demon Clan.

Especially the First Elder. He had yet to settle the score for massacring the Beast Tamer Sect’s disciples back then.

“Humph.”

The Great Elder snorted coldly. His dangerous instinct told him not to fight with Maniac Chu. However, he felt that it was still possible to take Su Daji away in front of Maniac Chu.

Seizing the moment when they were unprepared, he would take them by surprise!

The Great Elder's expression turned grave. Eight tails appeared behind him and attacked Maniac Chu.

However, Maniac Chu ignored him.

Maniac Chu summoned his subdued beast. It was a huge rhinoceros. The scales on the rhinoceros 'body were tight and delicate, emitting a cold light.

With the breakthrough of the medicinal pill, the rhinoceros also arrived at the ninth stage of the Tribulation Transcendence realm.

"Ding ding ding ding!"

The First Elder's handle and tail landed on the back of the Armored Rhinoceros like raindrops, but they did not cause any damage.

"Hmph, don't even think about leaving today. The hatred of the Beast Tamer Sect disciples from before can be settled." Maniac Chu stared at the Great Elder and said angrily.

The Armored Rhinoceros let out a furious roar. That rhinoceros horn seemed to be about to pierce through the sky as it stabbed towards the Nine-Tailed Fox Race's First Elder.

"Not good."

First Elder's expression changed as he sensed the terrifying killing intent contained in the iron rhinoceros 'horn.

Immediately, the First Elder's figure flashed and disappeared in an instant.

This was because he sensed that other than Maniac Chu and the armored rhinoceros, there were more than a hundred ninth level Tribulation Transcendence experts who were about to walk out in unison.

He walked out of the courtyard in front of him.

“What happened? What a huge commotion!”

Xiao Changtian walked out with the white tiger in his arms and asked curiously.

“Senior, the destruction of the world is only because the rhinoceros I raise has gone crazy. “Maniac Chu patted the armored rhinoceros, and the armored rhinoceros quickly pretended to be crazy.

“I’ll bring him down now. Don’t let him hurt anyone.” Maniac Chu led the armored rhinoceros and retreated.

The others were staring at Su Daji.

After breaking through to the ninth stage of the Crossing Calamity Stage, everyone’s cultivation had advanced further and their understanding of the laws had become more profound. With one glance, they saw through Su Daji’s identity.

However, Su Daji came with her senior, so no one dared to offend her.

However, being stared at by a group of experts, Su Daji knew that her identity had been exposed.

“Senior, I’m actually a vixen. I lied to you.”

Su Daji knelt down.

In front of so many experts, it was not a good idea to continue pretending. It was better to just admit it.

Confess your identity and let senior make the decision.

“Vixen? I know, right? So what if she was a vixen? Don’t belittle yourself. Everyone was born equal. There was no difference in status.”

“Immortal cultivators look down on us ordinary people, but we mortals can’t look down on ourselves. Don’t say that in the future.”

Xiao Changtian helped Su Daji up.

Previously, when he called Su Daji a vixen, he was praising her figure and did not mean anything bad.

Why was this girl talking about herself?

This won’t do?

“This...”

The other experts were stunned when they saw that Xiao Changtian didn’t pursue the matter.

“So what if she’s a vixen? Everyone is born equal?”

“There’s no distinction between high and low?”

“Senior, do you mean that we humans and demons can coexist?”

An expert couldn’t help but ask.

The human race and demon race seemed to have been irreconcilable existences on the Tian Yuan Continent since some unknown time ago. They both wanted to exterminate each other.

How could they coexist?

Everyone couldn't help but look at Xiao Changtian.

"What's wrong with that? Why can't humans and demons coexist? You people, don't be influenced by those cultivators outside."

Xiao Changtian shook his head.

Seeing that everyone was still confused, Xiao Changtian continued to explain,"

"There are good people and bad people in the human race."

"The same goes for demons. There are good demons and bad demons."

"Good people won't harm people, and good demons won't harm people either.

If they don't harm people, why can't they live together?"

"There is only a difference in information between the human and demon races."

Everyone listened on the side with a thoughtful expression.

Everyone was a top existence on the continent and held a high position. They naturally understood the key points.

“But Senior, it’s precisely because of this information gap that our two races have already accumulated a deep grudge. We’re like fire and water, reaching the point where we can’t tolerate each other.”

“How do we solve this?”

Daoist Nebula stood up and asked.

“Isn’t that easy? Let’s find a middleman. For example, we can find a member of the demon race and let him understand the true intentions of the human race. Then, we can go back and change the entire demon race. Wouldn’t that be over?”Xiao Changtian said lightly.

Even though it would take a long time.

However, as long as he did not give up, he would succeed one day.

The cultural integration of the Blue Star had already proved this point.

“I see.”

Everyone nodded and looked at Su Daji with a profound gaze.

So that was how it was! No wonder Senior had a vixen by his side. It turned out that Senior had already set up a trap for the human and demon races.

“Senior is righteous!”

Everyone bowed to Xiao Changtian.

Even Su Daji’s heart skipped a beat.

No wonder.

No wonder Senior was such an expert. He should have seen through his identity long ago, but Senior never mentioned it.

It turns out that senior actually treated me as an important existence between the human and demon races to turn hostility into friendship.

Thinking of this, Su Daji could not help but feel a sense of pride.

Previously, his goal was to take revenge.

But what about after revenge?

She had never thought about it before, but now, she knew.

She had a greater goal to look at.

However, he was lonely and weak. His cultivation was still low. What should he do?

Su Daji was confused again.

Her eyes were drifting, but the moment she saw Xiao Changtian, her eyes suddenly lit up.

She had found the lighthouse to move forward!

Senior, only senior, acknowledging senior as his master, can do all of this!

Thinking of this...

Su Daji knelt down with a thud and hit the ground heavily.

Only by taking a master like Senior as his master could he achieve all of this!

A heavy and firm voice rang out,”

“Senior! Su Daji requests to acknowledge you as her master!”

Chapter 156: Return to the North Barren Continent to Get Married, or Head to the Central Heaven Continent to Open a Bookstore?_i

“Su Daji requests to acknowledge you as her master!”

Su Daji’s firm voice rang out. Xiao Changtian was slightly stunned.

He was going to take her as his master just like that?

I haven’t thought of how to fool him yet...Bah, how could he use his 18 martial arts skills to conquer Su Daji?

Now, Su Daji had become her master.

However, with so many people around, shouldn’t he be more restrained?

Thus, Xiao Changtian imitated a mysterious tone and said,””In that case, I’ll reluctantly accept it.”

“From now on, you are my sixth disciple.”

“Yes, sir!”

Su Daji was overjoyed and quickly thanked Xiao Changtian, “Thank you for taking me in, Master. Your disciple will definitely not let you down!”

Su Daji’s expression was firm. Since her master had set a goal for her, it was a great plan for the co-existence of the human and demon races. She had to work hard in this direction and never slack off.

“Alright.”

Xiao Changtian nodded his head. His disciple’s perception was very high. He was very good at talking.

In front of so many people, he had given himself enough face.

“Congratulations to senior for taking in a disciple...”

“Senior is really righteous...”

All the experts congratulated him. Their senior was an expert, yet he had taken in such a disciple. The future of the human and demon races of the Tian Yuan Continent was bright!

If that day really came, the overall strength of the Tian Yuan Continent would rise another level.

Days.

They lived peacefully.

During this period, the system’s reward arrived.

This time, the system gave him a golden arowana, a Charm Technique, a Blade Catching Skill, and a Sword Strike.

He even generously gave her a pill this time, saying that it could make a weak person stronger.

After thinking for a while, Xiao Changtian gave Charm to Su Daji, and caught a blade with bare hands to Diwu Zheng.

Xiao Changtian gave Li Taibai the "One Sword Hit" and the pill.

Tomorrow was Li Taibai's wedding day.

With a single strike and the help of pills, Xiao Changtian felt that his advice was enough!

"It's just that the name of this cultivation technique is a little too lame, although the Earth Dog Fist is also very lame." Xiao Changtian complained.

The three disciples took the cultivation technique and were shocked.

Su Daji realized that the ancient cultivation method of the Nine-Tailed Fox Tribe was only a small part of the Charm Technique.

Diwu Zheng was wondering if he could block Li Taibai's attack with his bare hands.

As for Li Taibai, he didn't think too much about it. He only knew that this was a peerless sword technique and was incomparably terrifying!

As for the pill, it was absorbed by Elder Yun in the ring. Elder Yun could even condense a phantom soul and no longer needed to rely on the ring.

“As expected, that senior already knew of my existence.” Elder Yun said leisurely.

The night passed.

The next morning, the sound of gongs and drums was extremely lively!

This was Li Taibai’s big day.

In the sky, neon lights flashed as rows of cranes flew under Maniac Chu’s command.

The streets were brand new, with all kinds of pearls and agates, shining with jewels and jewels.

What was most surprising and enviable was the fact that over two hundred experts congratulated him in unison.

This was a unique existence on the Tian Yuan Continent.

The lively and festive atmosphere of the wedding lasted for a full day and night.

Xiao Changtian felt gratified when he saw his disciple getting married.

However, it was also sour.

Ye Fan was married, and so was Li Taibai.

Most importantly, these two disciples were younger than him.

For a moment, Xiao Changtian felt empty in his heart.

“Eh?”

“I remember now. I have a fiancée.”

Suddenly, Xiao Changtian’s expression became serious. His eyes lit up. He had a betrothal.

That was what his father, whom he had never met before, had set for him.

Until now, he had never seen his fiancée.

Xiao Changtian’s heart skipped a beat. He was not young anymore. If he was on the Blue Planet in his previous life, he would have reached the age where his parents urged him to get married.

Previously, she was too poor to get married.

His experience on the Blue Planet in his previous life made him understand that marriage without money was really impossible.

But now, his bookstore was open.

The North Barren Continent, West Bull Continent, and East Victory Continent were not only thriving, but they were also selling well. They were simply making a lot of money.

Xiao Changtian didn’t dare to imagine that he could have so much money.

With money and a few disciples, Xiao Changtian felt that he could consider his marriage.

After all, this stupid system was very unreliable.

Who knew when this stupid system would open the path of invincibility for him?

Xiao Changtian felt that it was better to be safe.

“However, we are currently in the Victorious East Continent, which is the closest place to the Central Heaven Continent.”

“If I go to the Central Heaven Continent to open a bookstore first, then I can go back.”

Xiao Changtian was conflicted.

However, he looked at the old hen coiled on the ground, Alpha playing chess, and the green-haired turtle riding on top of Fatty Rongrong’s head.

There was also the kitten he was carrying, the monkey on the tree, and the ants in the grass...

Xiao Changtian smiled faintly.

“We can’t earn enough money, we can’t be too greedy. We’ll leave tomorrow and return to the North Barren State.”

Xiao Changtian made his decision.

As long as life was beautiful!

Another night passed.

The next morning, Xiao Changtian left with the turtle and the other demon beasts, as well as Daoist Big Sun, Ye Fan, and the others.

As for Li Taibai, he stayed.

When I'm newly married, I should be able to focus on the relationship between husband and wife and nurture the next generation.

Under the guidance of Daoist Big Sun, everyone arrived at the Transmitting Formation of the Victorious East Continent.

"Everyone, thank you for your help this time."

Xiao Changtian looked at the crowd and smiled faintly.

"Senior!"

The group of experts bowed to Xiao Changtian.

Xiao Changtian sat on the teleportation array and returned to the Northern Wilderness.

"The Northern Barren Continent is so good, the familiar taste of home."

After Xiao Changtian returned from his travels, he felt like it was a lifetime ago.

It seemed like that small courtyard was his home. He could only find a place to live there.

Mo Tianji, the Master of the Pavilion of Heavenly Secrets, as well as Perfected Zhongxian and the elders of the Heaven Building Sect, bid farewell to Xiao Changtian and returned to their own residences.

Xiao Changtian also returned to the courtyard.

In the pond of the small courtyard, a fish covered in golden-red scales was swimming wantonly in the pond.

“Master, this is?”

Mu Jiu Huang stared at the golden arowana in the pond and felt her sea of consciousness tremble. A golden nine dragon soared into the sky and let out a thunderous roar!

The golden color bared its fangs and brandished its claws, summoning the wind and rain. It was as if the myriad worlds in front of him were particles in the desert.

Terrifying!

It was incomparably terrifying!

This was a divine dragon, the legendary divine dragon!

“It’s just a golden arowana. From now on, you’ll be called Golden Dragon. Change your name to Happy.” Xiao Changtian said lightly..

Chapter 157: Xiao Changtian’s Fiancee (1)

“It’s really strange. After leaving for a few months, the house is still spotless?”

“Those craftsmen from before are quite good.”

Xiao Changtian said lightly.

He thought that it was because of the arrangement of the buildings by the craftsmen.

Mu Jiu Huang smiled and didn't say anything.

He only looked at the chicken coop and the pond. Which one of them wasn't an existence like an ancient forbidden land?

After he broke through to the Mahayana realm, he felt that Senior's courtyard was even more terrifying!

"I'm tired from the journey. I'll take a rest first. Jiu 'er, help yourselves."

Xiao Changtian hugged the white tiger and went to sleep.

The rest of the people chose their own rooms.

A few hours later, Xiao Changtian woke up in a warm fragrance.

He sniffed and smelled a faint fragrance. It seemed to be coming from the woman's body.

"It's not Jiu 'er's scent, nor is it Chu Yiren's scent..."

"Strange, who is it?"

Xiao Changtian stood up and stretched his muscles and bones. Cracking sounds came from his muscles and bones.

"This period of time is indeed very tiring." Xiao Changtian smiled.

He didn't notice that the kitten in his arms was frightened.

Walking out of the room, he saw a figure.

It was a woman in a long white dress. She had a graceful figure and was sitting in front of a stone table. Her long hair fluttered in the wind, and she was quiet and sweet!

It was as if he had come from the Immortal Realm!

His entire body emitted a kind of ethereal and unfathomable immortal aura.

“And you are?”

Xiao Changtian walked over with a puzzled look on his face. He didn’t know this beauty in front of him?

Could it be that he was here to look for someone else?

“I’m your fiancée.”

Xiao Changtian had just sat down when the woman opposite him said gently.

Her voice was clear and beautiful, like the spring water in the mountain stream or the chirping of birds in the forest.

It was extremely pleasant to the ears.

“My fiancée?”

Xiao Changtian was stunned.

Where did his fiancée come from? Could it be the one that her father, whom she had never met before, had reserved for her?

“What’s your name?” Xiao Changtian asked.

He remembered that his deadbeat father had once told him in a letter that his fiancée’s family was all surnamed Lin.

“Lin Ruomiao.”

The white-robed woman replied indifferently. Her voice was calm, as if her expression had not changed for ten thousand years.

“Although she’s beautiful, if she becomes an actress, she’ll definitely be criticized for her bad acting skills.” Xiao Changtian thought.

After confirming the identity of the other party, Xiao Changtian said, “Miss Lin is here. Do you want to cancel the engagement or discuss the engagement?” Xiao Changtian explained the two situations.

After all, this was the world of cultivation.

What was the standard of a transmigrator in the immortal cultivation world?

Breaking off the engagement!

Even though he was a transmigrator, he didn’t think it was a big deal to break off the engagement.

It was already the year 9012. Times had changed.

However, in order to avoid awkwardness, Xiao Changtian still said it.

Although the woman in front of him was very beautiful, he did not feel moved. He did not have any emotional foundation.

He guessed that the woman opposite him was the same.

“Neither. My father has already prepared everything. We’re getting married tomorrow.”

Lin Ruomiao opened her mouth. Her tone was still the same, without any change, like a pool of stagnant water.

“Hmm?”

“So direct?”

Xiao Changtian was stunned. He didn’t know how to respond.

This wasn’t how novels were written. It should be “Tyrannical President” instead. When did it become an exchange of identities?

“No!”

Just as Xiao Changtian was in a daze, Chu Yiren ran out.

she shouted.

“Why not? We have the orders of our parents and the words of a matchmaker!” Lin Ruomiao’s expression didn’t change as she retorted.

“No, it’s just... I can’t.”

“You have to respect Senior’s wishes. I can’t let you do whatever you want.”

Chu Yiren pouted and placed her hands on her waist, feeling very uncomfortable.

Why?

He was clearly the one who came first, alright?

"I think we should delay this matter. We should have a good talk." Xiao Changtian said.

Am I such a casual person?

You can do whatever you want to me just because you're pretty?

Dream on!

If I go to your house, wouldn't that be marrying into your family? Wouldn't that be a live-in son-in-law?

Why should he be a live-in son-in-law?

Others are the strongest son-in-law, or invincible son-in-law. If I, a mortal, marry into your family, I will really become a useless son-in-law!

No, absolutely not.

Unless you marry over...

When she heard Xiao Changtian say no, Lin Ruomiao's face, which had not changed at all, showed a trace of anxiety.

However, it only appeared for an instant.

“Alright, then let’s discuss it. You can state any conditions you have. We’ll get married tomorrow.”

Lin Ruomiao said again.

The cold voice kept ringing in her mind. She didn’t have that much time.

If he delayed any longer, his entire Lin family would lose their lives.

At this moment, in the Lin family.

He was surrounded by a group of women. If Xiao Changtian was here, he would be able to recognize that they were the Lady Boss of the Happy Red Brothel.

They occupied the entire Lin family. There was a pink light flickering in the eyes of everyone in the Lin family. Clearly, they had lost their minds.

“No, absolutely not!”

Xiao Changtian naturally felt the urgency in Lin Ruomiao’s tone and refused again.

In his previous life, although he was not married, he knew a lot. If a woman suddenly wanted to marry him, she would either accept it or accept it.

He was an honest man, but he could not be bullied like this.

There was something fishy about this marriage!

“What do I have to do to make you agree?”

An anxious look appeared on Lin Ruomiao's face. This time, she was really anxious and she had already shown it.

"No..."

Xiao Changtian wanted to say no.

However, the system notification sounded.

"Ding! [System Quest: Marry Lin Ruomiao tomorrow.]

[Mission Reward: Begin the path of body tempering.]"

The system's voice was like a bolt of lightning.

Xiao Changtian was stunned. Opening the Body Tempering Path, wouldn't that mean that he could refine his body?

This was a good thing?

"I agree!"

Xiao Changtian immediately agreed. The other party was looking for someone to take over anyway. When the time came, he would clean himself up and not have sex. Then, they would part ways. It was just right!

After all, the Tian Yuan Continent wasn't like the ancient times of the Blue Planet. It was normal for women to remarry.

"You agree?"

Hearing Xiao Changtian agree, Lin Ruomiao's face revealed a happy expression.

"Come to the Lin family tomorrow. Everything is ready." Lin Ruomiao stood up and bowed to express her gratitude. Then, she bid farewell and left the courtyard.

"Senior, you, you agreed..."

Chu Yiren's expression darkened.

It was as if the sound of a broken heart rang out.

The night passed quickly.

The next morning, Xiao Changtian opened his eyes..

Chapter 158: Why Is He So So Hard?_i

Outside the courtyard, the sound of gongs and drums could be heard.

It was extremely lively!

Most of the residents in Great Sun Town were mortals, and the Lin family was no exception.

The Lin family's bridal escort team of more than a hundred people had already arrived outside the small courtyard and were waiting quietly.

On the treetops,

A beautiful figure was sitting there. Who else could it be but Chu Yiren? Chu

Yiren didn't sleep the entire night. She sat on a tree outside the courtyard.

She had already prepared herself to be a concubine when Senior got married.

In the cultivation world, it was normal for a man to have multiple wives.

Xiao Changtian got up and Mu Jiu Huang handed him a hot towel and breakfast. Ye Fan was chopping firewood.

Wang Miaoshou was studying the flowers and plants in the small courtyard. Jiang Beichen and Diwu Zheng's swords clashed, producing clanging sounds. The turtle and the golden arowana each occupied a foot in the pond... Everything was so beautiful and peaceful. Just like Xiao Changtian.

It was a good thing to be able to start body refinement!

If he could obtain the Indestructible Body of Vajra before opening the path of invincibility, he would be able to live longer.

Perhaps he could really survive this stupid system and wait until the day he opened the path to invincibility.

"Guye, please get on the sedan chair." The Lin family's butler walked in and said respectfully. Xiao Changtian nodded and sat on the bright-red bridal sedan.

It was only when he entered that he saw Chu Yiren hiding in the room.

"Why are you here?" Xiao Changtian looked at him in confusion.

“Senior, I... I’ve never been in a bridal sedan chair before, so I came to give it a try. It’s so fresh.” Chu Yiren’s face reddened when she was discovered. She averted her gaze and came up with a random excuse.

“You can’t mess around. Even if I want to break off the engagement later, you must have the proper etiquette. When you reach the Lin family, you must quickly sneak down.” Xiao Changtian reminded.

“Senior wants to break off the engagement?”

Chu Yiren’s eyes lit up.

If Senior broke off the engagement, wouldn’t she be the main wife and not a concubine?

“That’s right. There’s something fishy about this marriage. Leave quickly and don’t get involved.” Xiao Changtian analyzed.

“I see.”

“Senior, don’t worry. I’ll go down once we reach the location.”

Chu Yiren’s eyes lit up.

Since Senior did not want to get married and was pretending, then he would wait for Senior to come out. What was the big deal?

Besides, the Lin family made me stay up all night, so why can’t I be sad and jealous?

They all say that weddings are very lively. I can go and take a look!

Chu Yiren thought to herself, but on the surface, she nodded seriously, pretending to be extremely obedient.

“Young master, who are you talking to?” Butler Lin asked curiously outside the palanquin.

“Nothing, I was talking to my cat.”

Xiao Changtian pinched the back of the white cat’s neck, causing the white cat to cry out.

“Oh.” Butler Lin nodded.

Soon, Xiao Changtian arrived at the Lin Manor in a sedan chair. The Lin Manor was also in Dayang Town.

However, it was not the same street.

Therefore, Xiao Changtian, who used to be an otaku, was not familiar with this street.

“Lin Manor is also a rich family.” Xiao Changtian walked down from the sedan chair and looked at the Lin Mansion in front of him. It was a magnificent mansion with green bricks and black tiles!

One look and one could tell that it was a super wealthy family.

It even seemed that he did not have much wealth compared to the West Bull

Continent’s King. However, the Wang family’s Wang Jingtian was an immortal cultivator.

A bloated man stood outside the door with a smile on his face.

“Nephew Xiao, quick, quick, quick. Your father and I have been engaged for twenty years, but the two of you haven’t done it yet.”

“Great, now that you and Ruo Miao are married, I can finally rest assured.”

Lin Yuanshan, the head of the Lin family, said sincerely.

“Yes.” Xiao Changtian nodded and walked into the small courtyard. There was a sea of people.

In the bridal sedan, Chu Yiren turned into a blur, and with a whoosh, she leaped over the Lin family’s courtyard wall.

“Hehe, it’s a piece of cake.” Chu Yiren chuckled.

“It is indeed easy.” In the next moment, a sudden voice rang out. In front of

Chu Yiren, a few women, emanating powerful auras, immediately detained Chu Yiren.

Chu Yiren was speechless.

“Who are you?” Chu Yiren struggled and asked,

However, he did not receive any reply and was directly thrown into the woodshed.

“We can’t let outsiders ruin our plan.” One of the women with a curvy figure said coldly.

Chu Yiren was speechless.

“Sob, sob, sob. Senior, I was wrong. I should have listened to you and run.” Chu

Yiren was locked up in the dark woodshed. She regretted it.

A day of toasting made Xiao Changtian dizzy.

However, with the help of the Lin family's little person, they entered the wedding room.

"Enter the bridal chamber."

Butler Lin's deep voice sounded.

Xiao Changtian walked into the room in a daze and immediately fell asleep.

"He fainted. You can come out now."

Lin Ruomiao said coldly. The next moment, the lady boss of Yi Hong Restaurant walked out.

"Well done!"

"As long as you kill him, we'll let the Lin family off."

The Lady Boss of Happy Red Brothel took out a pitch-black dagger. There were inverted scales and barbs on the dagger, and there seemed to be black blood flowing inside.

"Alright."

Lin Ruomiao nodded and walked towards Lin Feng step by step.

The Lady Boss of the Happy Red Brothel stared at Lin Ruomiao. She held an escape talisman in her left hand and a crystal ball in her right hand, recording this scene.

She had received the order from her Lord to grind the Monarch

Transformation Pill into countless portions and melt them into the wine. Then, he used a bewitching technique to control a ten-thousandth of the nerves of the Lin family to ensure that they wouldn't be noticed. They all toasted Xiao Changtian and got him drunk.

After Lin Ruomiao confirmed that Xiao Changtian was unconscious, she dared to come out.

As for the Divine White Tiger, it had long been lured away by the hundreds of black-robed men in the dark chamber.

As long as he used this 'Emperor Slaying Saber' to stab down, even ancient emperors would die.

The Skeleton God had already told him that Xiao Changtian could only be a survivor of the low era.

"Stab down!"

The Lady Boss Boss 'voice was vicious as she stared at Lin Ruomiao.

Lin Ruomiao nodded and looked at Xiao Changtian on the bed with a hint of guilt in her eyes.

"After you die, I'll go down and accompany you."

Lin Ruomiao said apologetically. Then, she steeled her heart and held the handle of the knife with both hands. She aimed it at Xiao Changtian's chest and stabbed it.

"Clang!"

The sound of metal clashing rang out.

Lin Ruomiao's body swayed and the short knife in her hand fell to the ground.

"I can't stab in. He... His body is so hard!"

"Just like steel."

Lin Ruomiao said in surprise.

"Hmm? Could it be that the Transformation Monarch had yet to fully display its power? I'll stab him."
The Lady Boss frowned. She felt that the Transforming Monarch had not fully displayed its power yet.

The Divine White Tiger was about to return, and he couldn't delay any longer. Therefore, the Lady Boss picked up the knife and stabbed down.

"What is it? Why is he so hard!"

Chapter 159: Lin Ruomiao Fainted Out from Exhaustion! !

The Lady Boss Boss exclaimed,

That stab contained terrifying true essence. It was almost all the power she had. She was also an expert in the Tribulation Transcendence realm.

However, it pierced Xiao Changtian's chest.

It was as if he had stabbed into metal.

The black dagger only cut through Xiao Changtian's clothes, but it didn't go into his skin.

“No, why is it so hard? There was no reason! The Monarch Transformation Pill has already taken effect?”

The Lady Boss was shocked.

“Roar!”

At this moment, a roar sounded from within the Lin Mansion.

That was the roar of the white tiger.

“You, continue stabbing. Don’t stop. Otherwise, the entire Lin family will die. Even if we let the Lin family off now, we will return in the future.”

The Lady Boss ordered. She pinched the spatial talisman in her hand and disappeared instantly.

“Yes.”

Lin Ruomiao could only obey. How could a mortal fight with an immortal cultivator?

I’m sorry, Xiao Changtian!

Lin Ruomiao picked up the short knife and continued to stab. As for the Lin family, they had all died long ago. They had been killed by the people in the dark chamber.

The people from the Secret Chamber of Darkness had always been ruthless. How could they leave anyone alive?

The white tiger roared. The assassins in the dark chamber who could not escape in time were all killed by her.

Only then did he enter the room.

In an instant, she saw Lin Ruomiao stabbing Xiao Changtian's chest with a black knife.

“Roar!”

The White Tiger roared angrily. Its terrifying pressure that could destroy the universe instantly enveloped Lin Ruomiao.

“All!”

Lin Ruomiao shrieked and fell to the ground in fright.

“Yaoyao... Demonic beasts?”

As a mortal, Lin Ruobiao couldn't help but be scared by the Divine White Tiger.

The white tiger raised its paw and wanted to slap Lin Ruomiao to death. However, it looked at Xiao Changtian and put down its paw.

The white tiger felt that it was better to wait for its master to wake up before dealing with him.

Just like that, the white tiger stared at Lin Ruomiao. Lin Ruomiao held the black dagger and knelt on the edge of the bed, not daring to move.

At the same time.

In Dayang Town, the people of the Red House went to take control of the building overnight.

The Lady Boss of the Happy Red Brothel led all the people in the Dark Chamber to retreat and hurriedly rushed back to the Dark Chamber.

“Master, the assassination failed!”

“That person’s body is as hard as metal. There’s no way to attack him. The Emperor Slaying Saber didn’t work.”

The lady boss knelt on the ground and said hurriedly.

“What did you say? Could it be that he did not swallow the Monarch Transformation Pill?”The man wearing the white skull mask asked in confusion.

“The Emperor Transformation Pill was indeed effective. That person had already fainted. Even if I tried to assassinate him, he did not resist or attack me.”

“The Emperor Transformation Pill is indeed effective.”the lady boss promised.

“Strange? He was an ancient emperor, and after consuming the emperor transformation pill, there was actually no effect?”

“It shouldn’t be!”

“If we don’t get rid of this person, he’ll be a great threat in the end. A portion of the Tian Yuan Continent’s karmic luck has been stored in the Dark Castle. Let’s create a crack in the Door of Antiquity first!”

the skeletal man said indifferently.

Since he couldn't kill them, he would let an ancient emperor of the same level do the killing.

If one didn't work, then two!

It was still very easy for two existences of the same realm to hunt for missions of the same level.

At night.

It was as quiet as water, burying the blood.

In the restless darkness, those who wanted to destroy were restless.

Until the first ray of sunlight in the morning shone down and dispelled the darkness.

Lying on the bed, Xiao Changtian felt the warm sunlight on his face. He rubbed his aching head and woke up. He opened his tired eyes.

Chan Na opened his eyes and the white tiger shrunk back into a white kitten.

"Meow, meow, meow!"

The white tiger crawled to Xiao Changtian's ear and called out softly.

Xiao Changtian rubbed the white tiger's head and sat up.

But the moment he sat up, he was stunned.

He saw Lin Ruomiao holding a black dagger in her hand. She was sitting on the edge of the bed with a terrified expression and was trembling.

“You... Are you trying to kill me?”

Xiao Changtian’s heart skipped a beat. He quickly stood up and took two steps back.

Hearing Xiao Changtian’s voice, Lin Ruomiao finally reacted.

“White tiger, white...”

She looked in front of her in panic, but suddenly realized that the white tiger in front of her had disappeared, as if...

It seemed to have turned into the obedient white cat in Xiao Changtian’s hand?

This...

Lin Ruomiao was stunned. What was going on?

That was a great demon! Even the cultivators from before were afraid of it.

Why?

Why did such a terrifying tiger demon turn into a little white cat and jump into Xiao Changtian’s arms?
Why?

Could it be...

Lin Ruomiao’s face suddenly became frightened as she looked at Xiao Changtian. Last night, even if the Xiuxianists attacked, they couldn’t hurt Xiao Changtian at all!

She was suddenly shocked.

An extremely terrifying thought arose.

Xiao Changtian was also a cultivator, a very powerful one!

He was even more powerful than those who threatened the Lin family!

Thinking of this, Lin Ruomiao hurriedly stood up and explained,”

“I...I was forced by the Xiuxianists. I had no choice.”

Lin Ruomiao cried and cried,

However, Xiao Changtian didn't believe it.

Even if he was forced by the immortal cultivators, they would still want to kill him. He was an ordinary person who had no strength at all. It would not be good if he was injured.

Run!

Xiao Changtian only had this thought in his mind.

He would only be safe if he ran back to his own courtyard.

Xiao Changtian strode out of the room.

Lin Ruomiao saw Xiao Changtian walk out and quickly caught up with him.

This matter needed to be explained clearly!

Hearing the footsteps behind him, Xiao Changtian walked even faster.

This was really self-righteous!

Xiao Changtian sped up his steps and fled.

Lin Ruomiao saw that Xiao Changtian was walking even more happily and chased after him with all her might.

You run, I chase...

The two of them continued to accelerate and soon arrived at the front courtyard of the Lin family.

Only then did the two of them stop in their tracks.

In front of him, there were corpses all over the ground. From the Lin family's master to the Lin family's servants, there was actually not a single person or person who had been silenced.

The air was filled with a nauseating stench of blood.

"All!"

When Lin Ruomiao saw this scene in front of her, she was scared silly.

As if he had been struck by lightning, he staggered and fell to the ground.

The black dagger in his hand was also thrown far away.

“Father, Mother!”

Lin Ruomomiao burst into tears.

“Why? Didn’t you say that you won’t hurt my family? Why?”

Lin Ruomiao looked as if she had gone mad. Her hair was disheveled all of a sudden. Because she was extremely sad, she screamed until she had no strength. Her face was pale and she fainted..

Chapter 160: Xiao Changtian Looking for Guards! The Birth of an Ancient Emperor

“This...”

Xiao Changtian was confused as he looked at the situation in the courtyard.

How could he not understand that the Lin family was really under the control of the immortal cultivators?

Lin Ruomiao was also threatened by the Xiuxianists, which was why she wanted to assassinate him.

“But why didn’t I die? Why didn’t the Immortal Cultivators do it themselves?”

“Isn’t it easy for the Immortal Cultivators to kill me?”

Xiao Changtian frowned. He was puzzled. He felt that he had to figure this out. Otherwise, he wouldn’t even know how he died.

“What happened?”

Xiao Changtian lifted Lin Ruomiao up and placed her on the table.

Then, he took off his coat...

And then,

He covered Lin Ruomiao’s body.

He then used the communication jade talisman given by the Great Sun Immortal to contact him and asked him to bring a few disciples down the mountain to the Lin family.

On the one hand, it was to bury the Lin family.

On the other hand, it was for his own safety.

There was the shadow of the Immortal Cultivators behind this matter!

Immortal Cultivators are so terrifying!

He was just a mortal. How could he dare to offend him?

After doing all this, Xiao Changtian walked in the courtyard. He was thinking about who was attacking him because he didn’t think he had offended any immortal cultivators.

Besides, he was just a mortal. If the immortal cultivators really wanted to kill him, why would they set up such a trap?

It was simply taking off his pants and farting-an unnecessary move!

This matter was definitely not that simple.

“Why exactly?” Xiao Changtian’s face was filled with worry as he rubbed the white cat’s body.

“Looks like I still have to combine the detective theories from my previous life.”

As Xiao Changtian thought about it, the image of a child in a blue shirt appeared in his mind.

“There are many motives for killing people, but in summary, there are only a few.”

“First, it’s robbery, not robbery. Third, there’s hatred and conflict!”

Xiao Changtian thought about it and felt that the third condition could be ignored.

He was just a mortal, well-behaved, honest, and didn’t dare to get into conflict with anyone in the real world.

Other than beating the servant of the Xiao family with a turtle.

After all, in the fantasy world, no one could have imagined that after beating the small ones, the old ones would appear.

Xiao Changtian always remembered that he was just a mortal, a rookie. He had to live a low life until the end of time, until the system opened the path of invincibility for him.

As long as he opened the path of invincibility, who would he be afraid of?

“As for lust, that’s impossible. Although I’m indeed handsome, handsome, and loved by everyone...”

“Even the readers in front of the screen will say, isn’t he as handsome as me?”

“However, I made sure that I didn’t do anything last night and that I’m still a virgin.”

“Then we can only rob them.”

“A bookstore?”

Thinking of this, Xiao Changtian was shocked.

His bookstore had opened from the North Barren State to the West Bull State, and even had a branch in the East Victory State!

He had already earned a lot of money.

There must be people who were jealous and jealous. It must be those illegal peddlers who bought the water army assassins and came to destroy him.

As long as he killed himself, there would be no new books in the bookstore. The old readers would get tired of reading them. By then, Changtian Bookstore would be deserted.

“That must be it!”

The more Xiao Changtian thought about it, the more he felt that it made sense.

“It seems that from today onwards, I will have to hide in my own courtyard and not come out. He also needed to strengthen the defense of the small courtyard.”Xiao Changtian pondered.

The Great Sun Immortal and his disciples also rushed over in a hurry.

Perfected Zhongxian and the other two also followed.

There was meat to be eaten by working for Senior.

They played a game with Senior. Senior only gave them opportunities. The three of them were now at the ninth level of the Tribulation Transcendence realm.

Under Xiao Changtian's command, the disciples of the Great Sun Sect buried the Lin family and built a tomb.

At the same time, he brought Lin Ruomiao back to the courtyard.

Then, he looked at the Great Sun Immortal.

"Perfected Great Sun, how many disciples do you have? I'll pay you to hire you. Recently, someone wants to kill me, so my safety needs to be guaranteed." Xiao Changtian said solemnly.

"Your...Safe?"

The Great Sun Immortal was slightly stunned.

Daoist Zhongxian and the others at the side spat out the tea they had drunk.

Senior was joking again.

"What? What's wrong? Is my tea not good?" Xiao Changtian was confused.

"Senior, no, the tea is delicious. We just choked." Perfected Zhongxian hurriedly explained.

"That's right, that's right. I choked."

“Yes, yes, yes.”

Perfected Qiong Cheng and Perfected Ba Shan hurriedly replied.

Xiao Changtian frowned. He choked on water? Or the three of them together?

However, the most important thing now was to hire Immortal Cultivator guards.

“Perfected Great Sun, I’m serious. Do you know any experts? I’ll pay a high price for them to be my guards.” Xiao Changtian said solemnly.

“This... Is there?”

Perfected Da Yang had a look of defiance.

In front of a senior, who would dare to call themselves the former?

However, since Senior wanted to play again, he couldn’t not cooperate, right?

“Yes, but some of them are wandering outside, and some are in seclusion. I’ll go out and contact them. Senior, take a look and see if you have any requirements.” The Great Sun Immortal asked cautiously.

“Request? “As long as he has a good character and is strong, it’s enough. At least, he’s about the same as you, but he can’t be too far off.” Xiao Changtian replied.

The Great Sun Immortal was an expert, an expert!

He had never seen an immortal cultivator stronger than the Great Sun Immortal.

In order to ensure his own safety, shouldn't he at least get close to the Immortal Da Yang?

"Alright."

The Great Sun Immortal nodded. After a few discussions, the Great Sun Immortal and the others left.

As for the disappearance of Xiao Changtian's guards, it instantly spread throughout the entire continent.

"Senior is looking for guards? I'll go!"

"You bastard, are you stronger than me? Worthy of being Senior's guard?"

Senior's guard must be of the same rank as me!"

"F * ck, I have a bad temper. If I'm not happy, let's fight!"

The same scene played out in several continents.

Being a guard for Senior, it must be that Senior wants to play some game again. Playing games with Senior, there will be supreme opportunities in the future!

The sect leaders were fighting to the death!

The disciples were shocked and thought that it was a competition between the major sects. For a moment, they were in a panic.

At the same time.

In a foggy place, blue smoke shrouded everything, making it impossible to see clearly.

There was a huge, ancient stone door there. There were bloodstains on the stone door. The bloodstains squirmed on the stone door, giving it a ghastly appearance.

At a certain moment, an invisible force bombarded the stone door, causing a crack to appear on the stone door. In the middle of the crack, a stream of light flew out.

“Hahaha, I’m back!”
