

## Beasts 181

### Chapter 181: Go Out and Abduct a Martial Monarch Realm Expert!

“Immortal Da Yang is invincible!”

The shouting lasted for two hours before it ended. This was the reputation that the Great Sun Sect had accumulated in the hearts of the people over the years.

“Perfected Da Yang, I’m here.”

Xiao Changtian waved his hand at the Great Sun Immortal with a faint smile on his face.

If Xiao Changtian had seen the Great Sun Zhenren make a move before, he would definitely have prostrated himself in worship!

This is an invincible martial arts master.

However, after spending time with him, he knew that although the Immortal Da Yang was powerful, he was amiable and polite. He was a true expert!

“Senior?”

The Great Sun Immortal’s face lit up as he landed.

“Perfected Da Yang, you are really fierce.” Xiao Changtian praised him generously.

“This...” The Great Sun Immortal broke out in a cold sweat after hearing Xiao Chang Tian’s words. He lowered his head with a smile.

In front of Senior, he was not even an ant, but Senior actually said that he was fierce...

How could the Great Sun Immortal not be afraid?

Seeing the embarrassed look on the face of the Great Sun Immortal, Xiao Changtian nodded slightly. The Great Sun Immortal was really humble.

Xiao Changtian spoke again, “Great Sun Immortal, since you’re here, why don’t you come to my courtyard and discuss what happened recently?”

The two of them returned to the courtyard.

“This is the Great Sun Immortal.” Xiao Changtian introduced the Dayang Zhenren to the two.

After some small talk, they got to the main topic.

“Perfected Great Sun, what do you think of the great changes that have occurred in the cultivation world recently?” Xiao Changtian asked.

Everyone in the small courtyard looked at Perfected Da Yang in unison.

“This...”

“I’m not too sure either. I’ve been in seclusion recently.” The Great Sun Immortal hurriedly found an excuse to fool him.

The birth of an ancient emperor was not something a puny Saint Ruler like him could control.

Moreover, there were many experts in the courtyard. How could he dare to interrupt?

“If that’s the case, why don’t we go out and capture a cultivator? Ask?”

Xiao Changtian looked at the Great Yang Immortal and asked.

“Catch. One? I can’t catch it.” The Great Sun Immortal was stunned. He had the Nanming Ignis Portrait and could kill those Great Emperors, but how could he capture them?

“Yeah, catch one.” Xiao Changtian smiled.

He felt that Immortal Da Yang was still pretending.

“Could it be that the Great Sun Immortal is hiding in the mortal world and playing around? In order not to be disturbed, he disguised himself as such?” “That must be it!”

Xiao Changtian thought.

Then, he nodded in agreement.

Since the Great Sun Immortal wanted to pretend to be an expert, he would not expose him.

“I have a rope here. Just tie anyone up. You’re the sect master of a sect. You can’t even tie a rookie back, right?” Xiao Changtian went back to his room and took out the rope he used to tie people up in his previous life.

At the same time, it gave the Great Sun Immortal a way out.

After all, he was the sect master. He couldn't possibly not be able to bring back that kind of rookie, entry-level cultivator, right? That would be too obvious and too deliberate.

"Yes, yes." The Great Sun Immortal took the rope and nodded repeatedly.

The rookies that senior was talking about were definitely those Great Emperors! Only a Martial Monarch Realm expert could make a senior call him a rookie.

He definitely couldn't refuse the task that Senior had given him.

"The four of you should follow the Great Sun Immortal." Xiao Changtian looked at the four guards.

These four were also cultivators.

In terms of cultivation, he was definitely inferior to the Great Sun Immortal!

The Great Sun Immortal had been modest before. These four people's cultivation levels were above his, so it was definitely fake. However, he could also be an assistant to the Immortal Da Yang.

"Yes, sir!"

The four of them nodded.

Then, Daoist Big Sun, Mo Shengu, Xing Tianzi, Gan Tianlei, and Yin Jiangyun left the courtyard to capture the Great Ancient Emperor.

"This, how do we catch them?"

The Great Sun Immortal looked at Mo Shengu and Xing Tianzi in confusion.

These two people were the most senior among the five, so they should have the most methods.

“Isn’t that simple? The four of us will use the trapping formation, and Daoist Big Sun will take the opportunity to tie this person up.” Gan Tianlei said disdainfully.

He had even beaten up ancient emperors before, let alone kidnap people.

“Yes! Isn’t he just a mere ancient emperor?” The others also said disdainfully.

“That’s true.” The Great Sun Immortal agreed.

Not long ago, he had just killed an ancient emperor.

Not far away, two ancient emperors were flying through the air.

One of them was in a white robe and wielded a sword, while the other had the aura of a scholar.

They were Great Emperor Sword River and Great Emperor Wenshan!

“Hmph, five little ants actually dare to look down on the Great Emperor. Are you courting death?” Great Emperor Sword River said angrily.

“Since they dare to say this, they must have some confidence. We just came out, so it’s best not to cause trouble.” Emperor Wen Shu said in a deep voice.

“Hmph, Secretary, when did you become so timid? Are you afraid of a few ants?” Sword River said loudly.

“No, these people give me a dangerous feeling.” The secretary’s face turned solemn.

“Haha, Secretary, you’ve become more and more timid after so many years. If you don’t go, I’ll go.” Great Emperor Sword River said disdainfully. They were just a few ants.

After saying that, Great Emperor Sword River turned into a stream of light and instantly flew toward the Sunny Master and the others.

Emperor Wen Shu wanted to stop him, but it was too late.

“Why do I feel like something is going to happen to Sword River?” Emperor Wen Shu frowned and retreated a few thousand meters subconsciously. He used his spiritual will to observe everything.

Very quickly.

Great Emperor Sword River arrived in front of Great Sun Immortal and the others.

The tyrannical aura around him crushed the Grand Sun Immortal and the others, making it difficult for them to stand.

“Ancient emperors?” The five of them were shocked.

“Humph, I’m Great Emperor Sword River. You guys are too arrogant. Is the Great Emperor someone you can casually talk about?”

Great Emperor Sword River said angrily.

In the Fallen Emperor Era, a Great Emperor could not be humiliated!

If it was before, Great Emperor Sword River would have killed Daoist Big Sun and the others long ago.

However, being trapped in the Door of Antiquity had greatly diminished his killing intent.

“As long as you apologize to the Emperor, I’ll let you go.” Great Emperor Sword River said angrily as he stared coldly at them.

“Hmph, a mere Great Emperor is nothing.”

Gan Tianlei was the first to be unconvinced. It was not like he had never beaten up a mere Great Emperor before.

In the past, the Great Emperor was very terrifying to him, but now...

“Set up the formation!”

Gan Tianlei snorted coldly. Then, Mo Shengu, Xing Tianzi, and Yin Jiangyun stood up. The four of them turned into four afterimages and formed a trapping array, trapping Great Emperor Sword River within.

Then, four pillars of light erupted and shot into the sky.

“What?”

Great Emperor Sword River was shocked. He instantly realized that he couldn’t move. The vital essence around him froze.

“Hmph, you’re the one who’s called the Great Emperor?”

Gan Tianlei harrumphed coldly as he threw a punch at Great Emperor Sword River.

“Ah!”

Great Emperor Sword River screamed in pain.

Emperor Wen Shu, who was watching from afar, was so frightened that he hid even further away.

“As expected, these people are not simple.”

“Sword River, just you wait. I’ll shake him off for you. Don’t die before we get here!”

Emperor Wen Shu turned into a streak of light and fled..

Chapter 182: Ancient Emperors, What Are Those?\_i

The Great Sun Immortal took out the rope and tied up Great Emperor Sword River, bringing him back to the small courtyard.

“Hmph, you dare to kidnap me?”

“You, you dare to hit me? You won’t have a good ending!”

“Even if you kill me today and cripple my cultivation, I will not yield...”

Great Emperor Sword River said firmly.

However, just as they arrived at the entrance of the small courtyard.

“Plop!”

Great Emperor Sword River knelt down.

This was because a few extremely powerful auras were enveloping him.

Several terrifying figures suddenly appeared in his sea of consciousness.

It was a phoenix burning with endless fire. A divine dog that used stars as a chessboard and devoured the sky and moon;

An ant that came out of the chaos and shattered space. There was a white tiger that shattered the galaxy, a giant golden dragon that soared through the nine heavens and made the heavens submit to it, and a giant dragon that was like a dragon. A spiritual monkey that had been created from the heavens and the earth...

“God...Divine beast!”

Great Emperor Sword River was extremely shocked!

These were all legendary divine beasts. The aura of each divine beast was far above his.

He felt that the aura of any divine beast could crush him!

A tremble that came from the depths of his soul made his legs kneel down naturally.

Terrifying!

Terrifying!

Even the Door of Antiquity was not as terrifying as this small courtyard.

Great Emperor Sword River glanced at the small courtyard from the corner of his eye and took in everything.

However, the more he looked, the more shocked he became.

He saw a man with no cultivation at all chopping firewood with an axe. However, every time the axe fell, it seemed to be able to cut through the world! "Hiss!" Great Emperor Sword River couldn't help but gasp.

This axe seemed invincible!

It made him feel like he was no match for it.

A muscular man was cultivating flowers and plants. However, every movement of his seemed to cause the space to distort.

"Mastery of body refinement?" Great Emperor Sword River was even more shocked.

Even in the era of Di Luo, no one had reached great success in body refinement.

He looked at them one by one, his heart trembling.

"Fortunately, there are still two ordinary people!" Great Emperor Sword River sighed.

He couldn't understand why so many experts could gather in such a dilapidated small courtyard in a small town.

Moreover, he couldn't see the depth at all.

"Master, have some tea." Futian respectfully offered the teacup to Xiao Changtian.

“Phew, there are finally two mortals.”

Great Emperor Sword River heaved a sigh of relief.

However, a voice transmission sounded.

“Great Emperor Sword River, why are you tied up?”

The person who sent the message was the barefoot emperor.

He and Yin Jiufeng had just helped the villagers settle down.

“Hmm? Barefoot Emperor, Nine Wind Emperor, it’s you two? Come and save me.” Great Emperor Sword River was delighted.

However, the two emperors shook their heads in panic.

“Great Emperor Sword River, don’t resist since you’ve come here. Confess and nothing will happen to you.” The barefoot emperor sent mentally.

“Senior?”

Great Emperor Sword River was stunned, and his face was filled with shock.

How could these two call him senior?

That was true. Other than those two mortals, he could not tell the depth of the others’ cultivation.

However, while he was still in shock, the two emperors walked in and said to Xiao Changtian, "Senior, the python's corpse on the street has been properly disposed of."

"Alright." Xiao Changtian nodded.

Great Emperor Sword River saw this.

He was completely stunned.

What was going on? He could still accept others calling him senior, but calling him mortal senior?

Great Emperor Sword River couldn't help but ask.

"What mortals? Of these two, one was the reincarnation of the Human

Emperor, and the other was the Master of the Human Emperor." Yin Jiufeng hurriedly reminded.

"The reincarnation of the Human Emperor? Master of the Human Emperor? Are you guys mistaken?" Great Emperor Sword River was shocked.

Human Emperor was no joke.

That was the number one human expert that countless emperors worshipped from the bottom of their hearts!

"We've verified that Futian has the Book of Humanity!" Yin Jiufeng said again.

"Human Book!"

Great Emperor Sword River was completely dumbfounded.

What was this place?

Even Renhuang had become someone else's disciple, and it seemed that he was the weakest.

"Secretary, where are you? Come and save me. I promise to listen to you in the future ~" Great Emperor Sword River was scared stiff.

"Perfected Da Yang, you're back so soon?" Xiao Changtian looked at Great Emperor Sword River and asked.

"Yes." The Great Sun Immortal replied respectfully.

"Don't be afraid. I'll ask you a few questions." Xiao Changtian looked at Emperor Sword River.

Great Emperor Sword River raised his head and instantly felt that the powerful aura had disappeared.

The pressure that enveloped his body completely disappeared, and the true essence in his body seemed to circulate again.

"Yes, sir!"

Great Emperor Sword River hurriedly nodded. How could he not know that it was because of the senior before him that the terrifying aura disappeared?

"What's the situation outside now? Are the Monster Clan and Sea Clan still wreaking havoc?" Xiao Changtian asked.

"No, no. The Monster Race and the Sea Race have long been suppressed by us!" Great Emperor Sword River said.

In reality, with the birth of the Motherf \* eking Human King, the Motherf \* eking Demon King had naturally appeared as well. The berserk state of the Demon race and the Sea race had already turned for the better.

“Is that so?”

“What’s the situation in the other continents now?”

Xiao Changtian asked again.

“Other continents?”

“Senior, isn’t the Tian Yuan Continent in the five regions? Everything is normal in the other regions.”

Great Emperor Sword River replied.

“How many regions?” Everyone present, except for the Barefoot Emperor and Yin Jiuyou, looked puzzled.

Mu Jiu Huang’s expression changed, and she sent a message instantly.

After a short while, a message was sent back.

Mu Jiu Huang’s divine sense sensed the message and her expression instantly changed!

“Not good, not good. Sect Master, something happened!” Outside the courtyard, Cheng Yang ran over in a panic.

“What a fuss. Don’t be rude in front of the small courtyard.” The Great Sun Immortal hurriedly berated.

“There’s no need. Cheng Yang must have some news. Let’s hear what Cheng Yang has to say first.” Xiao Changtian waved his hand.

“Senior, master, something major has happened on the Tian Yuan Continent. New continents are appearing on the sea outside the five continents. They are more than ten times larger than the five continents!” Cheng Yang said hurriedly and handed over a map.

“Is there such a thing?” Xiao Changtian took the map and looked at it. The five continents were squeezed at the bottom left corner of the map.

New continents appeared one after another, scattered around a huge ocean!

“Where are the other three places? Why are our five continents squeezed in the lower left corner?” Xiao Changtian pointed at the other three marks on the map and asked.

“Senior, that’s another domain! Four Symbol Domain, Two Elements Domain, First Domain. “Our five continents have become a new domain, called the Five Realm Domain!”

“These are the divisions given by the ancient emperors!” Cheng Yang said respectfully.

“Ancient Emperor?” Xiao Changtian was stunned.. What’s that?”

Chapter 183: Three Days Without Fighting, Is Your Skin itching Again?\_i

Xiao Changtian’s doubtful voice rang out. Everyone present was slightly stunned and didn’t know how to answer.

Answer the ancient expert?

Not suitable!

In front of senior, ancient emperors were nothing at all.

However, answering a bunch of noobs wasn't the same for them.

Everyone was in a dilemma.

“Could it be someone from the ancient times, the strongest cultivator on the Tian Yuan Continent?” Xiao Changtian suddenly asked.”

Xiao Changtian asked.

In the [Shu Tian] that he had written down from memory, he had written about the Great Ancient Emperor.

It was very possible!

They were definitely old fellows who had lived for a very long time. They were preparing to revive and reappear. They wanted to conquer the Tian Yuan Continent!

“Yes. Alright.” The Great Sun Immortal looked at Xiao Changtian's face and said tentatively.

He didn't know if he was right to say that.

“As expected!” Seeing the Great Sun Immortal nod, Xiao Changtian was even more certain.

However, he did not panic too much, because when the Great Sun Immortal spoke, he paused for a moment, as if he was puzzled.

“There’s no need to think about it. It must be that Daoist Da Yang felt that those Great Emperors were not qualified, so he hesitated.”

“However, in order not to expose his identity as an expert, the Immortal Da

Yang nodded in agreement.”

“Looks like there’s nothing to be afraid of.”

Xiao Changtian analyzed the situation in his mind. His eyes lit up and he was relieved.

With the Great Sun Immortal around, he was really as stable as Mount Tai!

“There’s nothing to panic about. He’s just a Martial Monarch Realm expert.

We’ll just stay in Dayang Town.”Xiao Changtian said lightly.

He said it for Mu Jiu Huang and the others to hear.

The news that the Immortal Big Sun was an expert could not be exposed, but he could still comfort everyone.

“However, the other continents seem to be under the attack of those Great Emperors!”Cheng Yang paused for a moment before telling her what he knew.

“Then let them all come to the Northern Barren State.”Xiao Changtian said lightly.

When he came to the North Barren State, he had the protection of the Great Sun Immortal, so he was safe.

“Go inform the others.” The Immortal Da Yang said to Cheng Yang.

“Yes, sir!”

Cheng Yang nodded and left.

Outside Dayang Town.

Two groups of people were rushing over.

The first wave was the old dirty turtle and the fat Rongrong.

The other wave was the dozens of Great Emperors brought by the document.

“Boss, don’t be angry. There are plenty of fish in the sea. Why do you have to be one-sided? You’re the Sea King. You can’t be defeated by one failure!”

“You’re the most handsome and suave.”

Fatty Rongrong consoled the angry Black Tortoise.

“How can This Sea King be defeated!” Black Tortoise climbed on top of Rongrong’s head, weakly saying.

“Fatty, you really know how to talk. I’ll give you a reward.” Black Tortoise patted Fatty Rongrong’s head.

Instantly, two lights lit up on top of Rongrong’s head.

“Hehe, thank you for making me cuckold, boss!”

“Boss is the kindest person in the world besides Senior!”

“Hehehe, I’m green, I’m green, I’m going to become stronger.”

Fatty Rongrong said happily as she flew.

“Hmph, where did this idiot come from? Why are you so happy after being cuckolded?” A Great Emperor said disdainfully as Secretary and the others passed by.

“Haha, a silly bear carrying an ugly green-furred turtle!”

“Hahaha, I’m dying of laughter!”

The group of Great Emperors turned around and saw the turtle and the others. They burst into laughter.

“What did you say?”

The dirty old turtle was already in a bad mood, so he was instantly furious when he was scolded.

“The ugly turtle can talk, and it’s a turtle demon. Come, stretch your head out for me to see.” A Great Emperor sneered.

“You want to die.”

The turtle was enraged.

In an instant, the power of the Black Tortoise erupted, and a huge Black Tortoise Dharma Idol appeared in the void. The Black Tortoise Dharma Idol was level with the sky.

The Black Tortoise's ten legs were like pillars that supported the sky!

Around the Black Tortoise, boundless seawater poured back as if it wanted to drown the heavens!

"Kneel before This Sea King!"

The Black Tortoise was enraged as it raised its leg and stomped down on the tens of ancient emperors.

"Boom!"

The terrifying aura caused these ancient emperors to instantly fall from the sky, kneeling on the ground, smashing out one huge crater after another!

"Xuan...Black Tortoise!"

The group of Great Emperors was already so frightened that they could not speak.

They knelt on the ground, unable to move.

"Senior, please spare us. We didn't mean to offend you. Please forgive us!"The secretary hurriedly begged for mercy.

"Hmph, a bunch of trash. Take a good look at This Sea King. Is This Sea King an ugly turtle?"The Black Tortoise said angrily.

"Senior, you are handsome, elegant, tall, and mighty."A Great Emperor hurriedly said.

"Right, right, right. Senior, you're the most handsome. You're simply the most handsome in the world! Especially your head. It's so big. That's the envy of everyone!"

A group of experts said.

“That’s more like it.”

After Black Tortoise heard this, he withdrew his aura, patting Fatty Rongrong’s head: “Fatty, let’s go!”

The fat Rongrong nodded and the turtle and bear left again.

Only after Black Tortoise and Rongrong left did Emperor Wen Shu and the others stare blankly for a full hour before regaining their senses.

“It’s too scary. It’s actually the Divine Beast Black Tortoise!”

“If I’m not mistaken, that bear was that person’s mount back then, right? Only his mount was black and white.”

“Are you saying that it’s an Iron Eater?”

“Hiss!”

The group of Great Emperors all sucked in a breath of cold air. The birds in the surrounding forest began to suffocate.

“This is too frustrating. Let’s hurry up and save Sword River. At the same time, we’ll vent our anger on the person who captured Sword River!”

“Vent!”

“Vent!”

A group of Great Emperors shouted and rushed towards the small courtyard with anger on their faces.

In the courtyard.

Xiao Changtian picked up the brush and started to draw on the paper.

In any case, with the Great Sun Immortal here, what ancient emperor? F \* ck him!

Xiao Changtian was in a good mood now that he knew the changes in the cultivation world wouldn't affect Great Sun Town.

In order to thank the Immortal Da Yang, he decided to make a portrait of him!

However, as he was thinking about the appearance of the Immortal Da Yang, he found it difficult to act because he felt that the Immortal Da Yang was not like an Immortal Cultivator at all. His temper was too good!

He planned to make some changes to the portrait, making it look angry and stern.

Just as Xiao Chang Tian was thinking, Fatty Rongrong and Black Tortoise tiptoed in.

"The two of you actually went out to fool around!"

Xiao Changtian was enraged. What ancient emperor was there outside? If he killed the old turtle with a single slap, wouldn't his path of invincibility be sealed forever?

This time, Xiao Changtian decided to teach the old turtle a lesson!

He picked up the broom beside him and walked towards the old dirty turtle.."Three days without a fight, your skin is itching again?"

Chapter 184: Damn Turtle, You Still Dare to Run!\_i

“I told you to run around!”

“I’ll let you fool around all day!”

“I let you lead Rongrong astray all day!”

Xiao Changtian slapped the turtle’s head with his broom.

However, the turtle was very fast. It immediately retracted its head to avoid the danger.

“You still dare to dodge?”

“You green-haired turtle, I’ll make you lose a layer of skin today!”

Xiao Changtian said angrily.

He was the one who took care of the old dirty turtle three meals a day. He was afraid that he would get drenched in the rain and die from the sun in the summer!

Moreover, it took the longest time to support the dirty turtle.

But now, the old turtle had become the most disobedient one!

He had to fight!

Hit him hard!

Otherwise, if one day he led Rongrong astray, the gains would not make up for the losses.

“Clang!”

Xiao Changtian kicked the turtle out of the courtyard.

He had tried it before. This dirty old turtle was very hard. No matter if he hit it with a hammer or an ax, nothing would happen.

However, Xiao Changtian was really angry today. He couldn't hold it in anymore.

Clang!

Clang!

Black Tortoise was like an iron shell, kicked from the street to the end of the street by Xiao Changtian.

In the courtyard, no one dared to speak.

That can be Senior Xuanwu!

In the pond, the golden dragon trembled in fear and dived below the surface of the water.

Inside the chicken coop, Phoenix ran back to the chicken coop and squatted on the spot, not daring to move.

The pony stopped on a blade of grass, as still as a statue.

The white tiger was lying on the recliner with its head buried, pretending to be asleep!

Monkey had originally wanted to snatch the bamboo shoots away when Fatty Rongrong was eating them and play with them. But now, he scratched his hand and stood on the bamboo forest, not knowing what to do.

“Master is angry. It’s too terrifying!” Mu Jiu Huang shivered. She felt that her entire body was drenched.

The Barefoot Emperor and the others were stunned and gasped!

He had originally thought that Senior was an expert, but he did not expect him to be so high!

Outside the town.

Emperor Secretary brought dozens of people over.

Each Great Emperor had an intimidating aura. They all held their famous weapons and looked fierce.

After being bullied by the Black Tortoise, they did not dare to retaliate and were extremely aggrieved.

Therefore, they were now looking for someone else to take revenge.

“Hmph, I’m going to stab those ants to death when I see them!”

“I want to torture them and make them kill 1,000 turtles every day. No, 10,000!”

One Great Emperor after another rushed over angrily.

But suddenly, a turtle flew out.

“Senior Black Tortoise?”

“What the f \* ck!”

“Lord Black Tortoise, please spare my life. I didn’t say I would kill the turtle!”

“Lord Black Tortoise, please spare me!”

Dozens of Great Emperors knelt down in panic when they saw the turtle.

Emperor Floating Feathers, who had threatened to kill the turtle, knelt on the ground, peeing in fear.

However, Black Tortoise did not have the time to bother with them. Instead, it ran away in a panic.

“This... What’s going on?”

Emperor Wen Shu was bewildered.

The other Great Emperors also watched in disbelief as the Black Tortoise escaped.

They clearly felt that the Black Tortoise seemed to be extremely afraid, as if there was an extremely powerful existence chasing after it.

“Damn turtle, you still dare to run?”

Just as the secretary and the others were in shock, Xiao Changtian appeared.

He was cursing as he picked up a brick and threw it at the turtle.

The turtle ran even faster and turned into the next street.

“If you run again, I’ll stew you!” Xiao Changtian cursed and followed him into the next street.

Emperor Wen Shu and the others were left dumbfounded.

“Slap me!”

Emperor Tiangang tugged at Emperor Wen Shu’s clothes.

“Tiangang, are you crazy?” Emperor Wen Shu frowned.

“I told you to hit me, so you just hit me.” Tian Gang shouted.

Wen Hua frowned and slapped him.

“All!” Heavenly Emperor Tiangang directly lost a tooth from the slap and spat out a mouthful of blood!

However, Heavenly Emperor Tian Gang was not angry at all. Instead, he laughed out loud. “I’m not dreaming! I’m not dreaming! Hahaha!”

Along with Heavenly Emperor Tiangang’s laughter, dozens of Great Emperors revealed a look of realization.

Everything that had just happened was real!

A mortal was chasing after the divine beast Black Tortoise and beating it up!

“Hiss!”

The Great Emperors gasped again.

Then, Emperor Wen Shu’s incredulous voice rang out, “When did such a powerful existence exist on the Tian Yuan Continent?”

The group of Great Emperors knelt for a full fifteen minutes before standing up.

“I’ve already discovered the aura of Sword River. Let’s save Sword River and quickly leave this place.” the Emperor of Culture said solemnly.

The remaining experts nodded in agreement.

This Great Sun Town was too evil!

A few ninth level Tribulation Transcenders and a Saint King could capture the Sword River.

Then, there was the divine beast Black Tortoise. Now, it was such a powerful existence!

They felt that the first half of their lives had been in vain.

“Let’s go!”

Emperor Wen Shu said in a deep voice. He followed Emperor Sword River’s aura and rushed into the courtyard.

“Hand over the Sword River and I’ll spare your lives!”

“You’ve been surrounded!”

A few Great Emperors shouted angrily and instantly occupied the entire courtyard.

However, just as they blurted out these two sentences, they regretted it.

In the courtyard, Xiao Changtian held the Black Tortoise by its tail and slowly turned around.

“Who are you?”

Xiao Changtian was stunned and frowned.

Seeing Xiao Changtian frown, the Great Emperors knelt down.

“We were wrong. We won’t dare to do it again!”

“We just want to save our companions!”

“Senior, please spare my life!”

Dozens of Great Emperors knelt on the ground and begged for mercy.

As for the weapon in his hand, it had long fallen to the ground.

Xiao Changtian frowned when he heard that they were saving their companions.

“So you’re here to save the Sword River.”

Xiao Changtian threw the turtle into the pond and nodded.

“Get up, your companions are fine.” Xiao Changtian wiped his hands and asked the secretary and the others to stand up.

“Secretary, you’re here?”

Great Emperor Sword River walked over with a face full of joy. He was holding a skewer in his hand, and he was swallowing it in large mouthfuls.

“You... Are you alright?”

The secretary and the others were stunned.

“It’s fine. There’s food and drink here. The key is that senior treats me very well.” Jian He smiled.

“I told you not to call me senior. I’m just a mortal.” Xiao Changtian waved his hand.

“Hehe, you are a senior in my heart.” Sword River chuckled.

Xiao Changtian could only accept it helplessly.

It couldn’t be helped. In order to curry favor with the reclusive Immortal Da

Yang, these immortal cultivators had even promoted themselves by a generation.

“Senior, let me introduce you. This is the document...”

In the courtyard, Sword River introduced them to Xiao Changtian one by one.

Meanwhile, in the dark secret chamber, the skeletal masked man summoned the Skeleton Sir God again..

#### Chapter 185: A Storm Is Coming (1)

“What is it? But the Door of Antiquity had already been opened? The Skeleton God asked in a low voice.

“Divine Lord, the Door of Antiquity has been opened. We can proceed with our next plan.”the skull-masked man said.

“Alright.” The Skeleton Divine Lord nodded. Following that, a black gas spewed out from the floating skull on the table. It was extremely strange.

The black gas was erratic, as if there were endless mysteries hidden within it. Frightening!

“This is a wisp of my aura. Consecrate me. After this is done, I will bring you into the Divine World and help you revive your wife.”The Skeleton Divine Lord said.

“Yes, sir!” The skull-masked man swallowed the black gas without hesitation.

“Very good.” The Skeleton God seemed to sense something and nodded.

“Divine Lord, there is one more thing that I don’t know if I should report to you. It concerns the demon god.” the man said.

” Demon God?!”

Upon hearing the words " Demon God," the Skeleton Divine Lord was clearly stunned for a moment. He was a little shocked."Tell me."

Although the demon god was someone who ascended from the lower realm, his strength had improved too quickly. In just a few tens of thousands of years, he had already become an expert of the Divine World. Even he, the Skeleton God, did not dare to provoke him easily.

The skull-masked man said,"The Demon God clone appeared in the Northern Wilderness Continent!" It seemed like it was to kill someone, but the final outcome was unknown."

"An avatar descending to the lower realm?"

"Alright, I got it!"

After the Skeleton God finished speaking, he muttered to himself and left.

In the secret chamber, the skull landed again, and the secret chamber fell into silence again.

A black shadow floated around the skull-masked man."What if there's a trick in the skull's aura?"

"Hehe, that skull never trusted me. Although that wisp of aura helped me recover my cultivation, it definitely had his spiritual will imprint. If he wanted to kill me, it would be easy!"the man said coldly.

"Sigh, I'm the one who dragged you down." Sighs came from the black shadow.

"No, if you hadn't protected me back then, I'm afraid that what I destroyed wasn't my face and cultivation, but my life! "The man shook his head and his expression turned cold.

"That Skeleton God was the culprit back then. He must die! He planted a mark in my body and thought that I would become his slave. But wasn't he digging his own grave and giving me a chance to devour him?"

“Pass down the order to gather all the Great Emperors!”

Today, countless ancient emperors headed to the First Domain.

On the same day, ten billion people from the Central Heaven Continent, West Bull Continent, South Port Continent, and East Victory Continent all moved to the North Barren Continent!

“So many people?”

Xiao Changtian was stunned. He didn’t expect the other four continents to move.

“Ling ‘er, your family is here?” Xiao Changtian looked at Xing Ling ‘er’s family of more than 10,000 people and was shocked. He didn’t expect Xing Ling’ er’s family to be so huge.

“Senior!”

“We’re here too.”

Tang Ritian, Chu Kuangren, Kong Xiang, Shangguan Shuai Shuai...A total of io billion people moved into the Northern Barren Continent.

“Perfected Great Sun, your Great Sun Sect can’t rest for the time being. You must make proper arrangements for mortals and cultivators.” Xiao Changtian looked at Daoist Master Da Yang.

There were many immortal cultivators and mortals, and it was very easy for immortal cultivators to bully others.

“Then what do you think we should do if this happens?” The Great Sun Immortal asked.

Xiao Changtian thought for a moment and said, "In troubled times, severe punishments should be imposed. If any cultivator dares to cause trouble, they will be expelled from the North Barren State along with their sect. If the circumstances were serious, the sect would be destroyed as well."

"Hiss ~!"

"Exterminate the sect!"

Hearing this, the sect leaders present immediately felt a chill on their backs, as if a knife was placed on their necks.

"Yes, sir!" The Great Sun Immortal nodded.

This order was like a tidal wave that instantly spread. Countless sect leaders directly ordered that no cultivator was allowed to leave the sect without an order!

In the Great Sun Sect, a huge mountain peak towered into the clouds. The sun dyed the clouds red!

In the main hall.

Xiao Changtian, Perfected Dayang, Perfected Qing Yun, Perfected Zhong Xian, and the deputy sect leaders of the various large sects were gathered together. It was extremely lively!

As for those sect leaders, they could not come personally because they wanted to maintain their mortal persona.

"This, I am just a mortal, participating in the discussion of matters between you cultivators, isn't it not very good?" Xiao Changtian looked at the Great Sun Immortal and asked.

Daoist Master Da Yang was stunned by this question.

He did not know how to answer this question.

A mortal?

Oh, that's true!

On the surface.

The experts who were originally discussing how to fight against Ancient Emperor also quieted down.

Wasn't it precisely because senior was here that they had the strength to fight against ancient emperors?

Otherwise, with their tribulation transcending strength, how could they possibly contend against ancient emperors?

However, no one dared to say anything because their sect master had instructed them not to expose their senior's identity. Otherwise, they would offend their senior.

Xiao Changtian looked at the silent crowd, nodded and stood up, "Then I'll leave."

He carried the white tiger and prepared to leave.

It was indeed inappropriate for an ordinary mortal like him to be present when cultivators were discussing matters.

When the Great Sun Immortal saw this, he quickly stood up and stopped Xiao Changtian, "You should be able to give us a reference. This is also the reason why I invited you here."

"Yes!"

“That’s right!”

“It’s like this!”

The Vice Sect Leaders present echoed.

“Really? I don’t believe it!” Xiao Changtian shook his head.

He was just a mortal. Even if he was used as a reference, there was no practical value.

Xiao Changtian shook his head and decided to leave.

He couldn’t participate in the decision-making with the Great Sun Immortal just because he had a good relationship with the Great Sun Immortal.

In the small courtyard, the Black Tortoise stayed in its place and dived into the pond.

After being beaten up by Xiao Changtian, he no longer dared to come out.

Fatty Rongrong was also curled up in a corner, her head against the wall, her two claws placed together, silent and untired.

The nearby monkey scratched his ears and cheeks, originally planning to tease Fatty Rongrong, but didn’t expect the Iron Eater to stop moving.

Mu Jiu Huang, on the other hand, was discussing various matters with Shangguan Shuai and the others.

Ye Fan was chopping firewood while Lin Tingzhi was wiping her sweat at the side.

Jiang Beichen and Diwu Zheng continued to exchange blows with their swords.

Li Taibai was supporting Bai Ling Shuang. He looked at Bai Ling Shuang's slightly bulging belly and his face was filled with happiness.

Su Daji was working hard to cultivate her tail...

Meanwhile, Lin Ruomiao was cultivating the < Heaven Blade > in her room. At this moment, she was holding the black dagger from before. With just one slash, the entire space emitted waves of wind-breaking sounds as if space was being torn apart.

Everything went on as usual. However, outside of Great Sun Town, a dozen Great Emperors were heading toward Great Sun Town.

Coincidentally, Xiao Changtian came to take a walk outside Great Sun Town...

Chapter 186: Xiao Changtian Attacks, One Punch for

One!\_i

"Hmph, barefooted. Those useless people from Sword River were defeated by the ants of this era. They're a disgrace to our Great Emperor circle!"

"Hehe, he's just a first-grade Great Emperor. He must have been arrogant and underestimated his enemy, falling into someone else's trap!"

"Hey hey, there are more than ten little ants in the Tribulation Transcendence realm here. Let's have fun!"

The Great Emperors looked at the group of experts from the Nine Phoenix Dynasty, including Marshal Shangguan and Zhang Fenglei, who were standing guard outside Dayang Town, with mocking expressions on their faces.

“Who is it?”

Seeing the dozen Great Emperors walking over, Shangguan immediately spoke up to stop them.

The pressure released by the Great Emperors made Shangguan Shuai and the others shiver.

“Hehe, you’re merely transcending a tribulation. Why don’t you kneel down in front of the Great Emperor?” A Great Emperor covered in red hair walked out and released the pressure of a Great Emperor.

In an instant, Shangguan Shuai Shuai and the others knelt down in front of this pressure.

” Damn it, quickly ask the empress for help!”

Shangguan Shuai looked at the Wind Lightning Palm, but it had already been knocked to the ground.

“Hmph, a bunch of trash. In our era, not kneeling in front of the Great Emperor was a death penalty!” The Red-haired Emperor kicked Shangguan Shuai in the chest, sending him flying like a kite with its string cut.

“Damn it.”

Shangguan Shuai Shuai cursed in his heart. He was furious, but he wasn’t a match for the Great Emperor!

“Hehe, a bunch of ants, courting death!”

“You guys are too weak, hahaha!”

The Martial Monarch Realm expert sneered, filled with mockery and disdain.

Shangguan Shuai Shuai and the others could only be beaten up passively. Screams of pain were heard by Xiao Changtian, who was out for a walk. “Shuai Shuai’s voice?”

Xiao Changtian was stunned. He walked over with the white tiger in his arms and saw Shangguan Shuai Shuai and the others being beaten.

“Fuck!”

“Marshal Shangguan and the others can’t even lift a bow, and these people are picking on the weak ones?” Xiao Changtian was furious.

“Mengxi, don’t move here. Watch how Master will uphold justice.”

Xiao Changtian put down the white tiger and walked towards the Great

Emperors.

He couldn’t take it anymore!

All mortals?

Why should mortals make things difficult for mortals?

All of them were as thin as a stick, not much worse than Shangguan Shuai and the others. At most, they were just a little stronger than Shangguan Shuai, but they were actually bullying the weak?

He was a martial arts skill that had been enhanced by the system.

It was not a problem to deal with these mortals.

“You’re looking for a beating!”

Xiao Changtian rolled up his sleeves and threw a punch at the red-haired emperor.

“Bang!”

The Red-haired Emperor was sent flying.

“Noob!” Xiao Changtian thought that these people would resist for a while, but he didn’t expect that he would send them flying with one punch.

Sure enough, it’s a group of noobs.

Xiao Changtian smacked his lips. He no longer had any scruples. Bajiquan, Taiji

Fist, Military Boxing, Young Girl’s Cute Fist...All kinds of fist techniques were combined together.

Bang bang bang bang bang!

The remaining ten or so Great Emperors were sent flying like clay chickens and pottery dogs!

“Bullying people, with your little squares?” Xiao Changtian’s face was filled with anger.

Bullying people right under his nose, this was not allowed!

In his opinion, the abusers must be severely punished so that they could feel the fear of being abused. Only then would they realize how much harm they had done to others!

Therefore, Xiao Changtian chose to beat him up.

However, just as Xiao Changtian was about to beat them up, he realized that the red-haired emperor had already fainted.

“Why aren’t these people getting beaten?” Xiao Changtian was confused.

Shangguan Shuai Shuai and the others twitched their mouths.

Senior, don’t you know your own strength?

Who among the bunch of noobs on the other side could withstand your full-powered punch?

“Are you guys cramping?” Xiao Changtian looked at Shangguan Shuai and the others who were twitching their mouths, his face filled with confusion.

“Yes, yes.”

Shangguan Shuai Shuai and the others replied with a toothache.

Senior was so good at pretending. He seemed to be beating Senior up, but he couldn’t beat him...

“Alright, tie up these dozens of people and bring them back to the small

courtyard. When they wake up, I want to teach them a lesson.”Xiao Changtian said lightly.

“Yes.”

Shangguan Shuai Shuai and the others could only nod.

Very quickly.

Everyone returned to the courtyard.

As for the 15 Rank Five Great Emperors, they were immediately woken up by the cold blood.

“All! Don’t hit me! I was wrong!”

“All! Senior, please spare us! We were wrong! Please don’t kill us!”

The red-haired emperor and the others cried out, their faces filled with fear.

The fist from before was really too terrifying. Right now, they still felt that their entire brain, bones, and divine essence were all aching faintly.

This pain started from the point of impact and extended like a net!

This pain made them feel that every nerve and every blood vessel in their bodies was in excruciating pain.

Even his divine essence experienced intense pain.

Fortunately, this wasn’t a full-powered attack. They could feel that this was just a casual move by this senior.

“I won’t kill you, but you must receive a good education. That’s why I attacked you.”

“Let me ask you, will you still attack the weak in the future?”

Xiao Changtian stared at the red-haired emperor and asked in a deep voice.

“We won’t, Senior. We won’t dare to do it again.”

“Yes, yes, yes. Bullying the weak is something that only people who are inferior to pigs and dogs do!”

“Senior, we have already received your good education.”

“We swear to the heavens that if 1, Red Fur, ever attack the weak again, I will strike them with five lightning strikes!”

The group of Great Emperors knelt on the ground, their faces filled with terror.

Xiao Changtian shook his head.” No, you don’t really understand. You’re just afraid of me. You’re not convinced from the bottom of your heart.””

“Senior, we’re really convinced!”

Red Fur cried!

He immediately cried!

As the famous red-haired emperor, he immediately cried!

It was too terrifying!

Facing Xiao Changtian, he was indescribably terrifying. He could kill them with just a casual punch.

If they still dared to refuse, weren't they courting death?

"Senior, why don't you tell us what you want us to do? Just say it!"

The red-haired emperor cried.

"It's very simple. Do a hundred good deeds and I'll believe you." Xiao Changtian said lightly.

"A hundred good things...?" The Great Emperors were in a dilemma.

They were dignified Martial Monarch Realm experts. If they were asked to do good deeds...

"Senior, I'm good at this!" The red-haired emperor hurriedly said.

"Yes, yes, yes. We can do it." The other Great Emperors nodded in agreement.

The group of Great Emperors begged for mercy crazily in the courtyard.

In front of the Door of Antiquity, a black figure suddenly appeared. It was the man with the skull mask from before!

"Come out.. It's already this time, and the three of you are still not prepared to come out?"

Chapter 187: Five Party Alliance, Great Sun Alliance Masterli

“Hehe, who exactly are you? How did you discover our existence?”

Behind the Door of Antiquity, three muffled voices rang out.

Then, three figures slowly walked out from behind the Ancient Door.

Among them, a woman wearing a long blue dress and holding a jade belt in her hand appeared. Her expression was cold, as if she wanted to keep people a thousand miles away. However, she had to admit that this person was very beautiful!

It was so beautiful that it couldn't be compared to anything else!

Behind the woman, a minotaur with two legs on his forehead and an expert with black qi wrapped around his body walked out from behind the Door of Antiquity.

“Heaven Queen, Demon Emperor, Devil Emperor, how long do you three want to hide it?”

The skull-masked man said indifferently. There was a hint of mockery in his tone.

“Hmph, you know who we are. Who are you?”The Heaven Queen's voice was icy cold. Her beautiful brows were tightly knitted, and her piercingly cold eyes seemed to have endless killing intent pouring out!

“Very few people know our identities. Who were you back then?”The Shifter Emperor's figure flashed and appeared behind the skull-masked man.

“I can't explain it clearly today, but I can't leave.”The Demon Emperor's entire body was suffused with black qi, and his aura was terrifying!

The Heaven Queen, the Demon Emperor, and the Demon Emperor surrounded the man in the skeleton mask.

The aura that erupted from the three of them caused countless monstrous waves to erupt from the surrounding sea!

Bang bang bang bang bang!

The terrifying power was like a clap of thunder, and it was like a landslide!

The auras of these three people were like the difference between heaven and earth when compared to those ancient emperors. Their strength wasn't something those ancient emperors could compare to.

Even so, the skull-masked man stood in the middle with a calm expression on his face. One could not feel the slightest change in his aura.

However, a wisp of sword intent slowly appeared around him. It was the sword intent condensed from the black qi!

The sword intent let out a clanging sound, as if it was piercing through the clouds and splitting rocks, instantly slashing towards the three people.

"Boom!"

The Door of the Ancients, which was originally in ruins, was completely destroyed by the battle between the four of them. The ground was thousands of feet deep!

The terrifying power caused the space to be compressed until it emitted cracking sounds.

Two hours later, the four of them landed.

Everyone's aura had completely calmed down, and their faces were calm.

Heaven Queen, Demon Emperor, and Demon Emperor looked at the skeletal man and asked, "What do you want us to do for you?"

The three of them stood in front of the masked man, their eyes filled with guilt. "I want to kill a god!"

"That god from back then!"

The skull-masked man's tone finally became excited.

"What?"

After the three of them heard this, they were obviously stunned for a moment. Their faces were filled with shock. Even the Heaven Queen's beautiful face was moved!

In the Great Sun Sect's main hall.

The final result of their discussion was to form the Five Party Alliance to fight against the other three regions.

"As for the candidate for the alliance leader, I think that the position of the alliance leader must be held by the Great Sun Immortal." Perfected Qing Yun hurriedly shook his head.

He was only a Saint King now. How could he become the leader of a group of ninth level Tribulation Transcenders?

No way!

This was absolutely impossible!

"Perfected Da Yang, you have to do this. No one else can replace you." Daoist Zhongxian said.

The other experts all nodded.

“That’s right. In Senior’s eyes, you’re the true cultivator, and we’re just a few cultivators who have just entered the sect. Not only that, you’ve become the alliance leader of our Five Region Alliance, and you’ll also be able to obtain the deployment strategy of the Righteous Dao Alliance from senior, as well as the following plans.”

“Yes, this is the most important thing!”

“If we can get the support of senior, we can defeat those Great Emperors.

Otherwise, we will definitely lose!”

“That’s why, Daoist Master Da Yang, only you can do this!”

“I won’t say anything else. Greetings, Alliance Master of Great Sun!”

“Greetings, Alliance Master of Great Sun!”

The group of experts who were transcending the tribulation stood up and bowed to the Great Sun Immortal.

“This...” The Great Sun Immortal was stunned. He, a Saint King, was the Alliance Master?

It didn’t make sense, right?

“Perfected Da Yang, do you want us to kneel before you agree?”

“Alright, everyone listen to my command. Prepare to kneel. Three, two...” Perfected Qing Yun shouted.

“I promise, 1 promise, okay?”The Great Sun Immortal hurriedly agreed. If he did not agree, these big shots would really kneel down to him.

He was just a mere Saint King. If he really made these tribulation transcending elders kneel down to him, it would be a waste of his lifespan!

The Great Sun Immortal agreed helplessly.

“Alright, let’s go and report to Senior now.”

Perfected Qing Yun and Perfected Da Yang left the hall and headed to Xiao Changtian’s courtyard.

The moment he entered.

In front of Xiao Changtian, there were more than ten Great Emperors kneeling. They were all trembling and listening to Xiao Changtian’s lecture.

“Senior is really invincible, reprimanding an emperor is like reprimanding a child!”

Daoist Big Sun and Daoist Clear Sky both gasped in shock, their faces filled with terror.

Ancient emperors were once forbidden existences!

In fact, in order to resist these ancient emperors, they even established the Five Realm Alliance.

“This... Can we disband now?” The Great Sun Immortal said awkwardly.

Perfected Qing Yun, who was beside him, also opened his mouth in a daze. He seemed to think that the biggest reason why they formed this alliance was to do odd jobs and manage logistics.

“Sigh, Daoist Master Dayang? You’re here? And Qingyun, come and sit.”

Xiao Changtian saw Perfected Da Yang and Perfected Qing Yun, so he quickly sat up from the recliner and greeted them.

One of them was a reclusive mighty figure, and the other was a generous boss. They gave him a good impression.

“The few of you, go and stand in a row outside the small courtyard. Whoever dares to run, I will definitely let him understand why flowers are so red when I see him in the future!” Xiao Changtian clenched his fists.

“Yes, yes, yes!”

The Great Emperors hurriedly nodded and stood up. They ran out of the courtyard like primary school students being reprimanded by their teacher. They pressed their heads against the wall and hugged their heads as they lined up in a row at the corner of the wall!

Shangguan Shuai and the others who were being abused felt great!

“Oh right, why did you call me here?” Xiao Changtian asked. The three of them sat down at the stone table.

Mu Jiu Huang, who was beside him, handed him tea one by one, extremely respectful.

“We... We...”

The Immortal Da Yang and the Qing Yun Taoist looked at each other, not knowing what to say.

There was no need for the Five Party Alliance to exist. How should he explain it to Senior?

Just as the two of them were confused, Xiao Changtian said, "Have you formed an alliance? Now, he was preparing to deal with those ancient emperors?"

Chapter 188: Ordinary People Should Do Their Part Too I

"Um, it's in the middle of the realm." The Perfected Da Yang had no choice but to bite the bullet and agree.

Since Senior had already said so, it wouldn't be good to refuse to admit it.

"That's great. Since you've formed an alliance, the alliance leader must be you, Daoist Great Sun, right?" Xiao Changtian continued to ask.

In his opinion, the Great Sun Immortal was a reclusive master, but at the critical moment of the continent, the reclusive master could not hide his identity.

As long as the Immortal Da Yang exposed his strength, he would definitely become the Alliance Master.

"Yes." The Great Sun Immortal nodded again.

"Congratulations, Alliance Master of the Great Sun Alliance!" Xiao Changtian said happily. He knew the Alliance Master of the Immortal Cultivator Alliance, so he was safe now.

"Well, although I'm just a mortal, since you've established the alliance, I should do something."

"How about this, I'll cheer for the cultivators of our alliance."

“I’m a drummer, a very good drummer!”

Xiao Changtian said lightly. He wasn’t good at fighting. He was just a mortal, he could only uphold justice for Shangguan Shuai and the others, and teach the rookies outside the door a lesson.

However, it was still possible to boost the morale of the Immortal Cultivators Alliance.

He had the system’s great success music skill!

“Cheering on the battlefield? Drummer?”

“Thank you, Senior!”

Perfected Qing Yun hurriedly thanked him. Previously, he had broken through while practicing Divine Sound because he had listened to the Chaos Ant’s song. The song contained a terrifying Great Dao true intent.

The Chaos Ant is Senior’s divine beast, so its attainments are definitely inferior to Senior’s!

If it was Senior personally beating the drum to help, it would definitely contain the sound of the Great Dao!

The voice of the Great Dao fell. The cultivators of the Five-Party Alliance seemed to be blessed by God!

No!

“Senior has already surpassed God!” Perfected Qing Yun thought to himself.

“No need, no need. The help I can give you is limited. Where are you going first? It’ll be easier for me to prepare.” Xiao Changtian asked.

Under his bed was the big drum that had transmigrated with him in his previous life!

It was a good time to try it out in the next few days.

“Battle?” The Great Sun Immortal was stunned. They had formed an alliance just to avoid being attacked. They had never thought of fighting.

Perfected Qing Yun hurriedly said, “The Four Symbols Region, the nearest Four Symbols Region.”

“Four Symbol Regions?” Xiao Changtian picked up the map and looked at it. The Four Symbol Region was at the bottom right of the map, which was the closest to the Five Region.

“Inform me when the time is up.” Xiao Changtian said directly.

“Good!” Perfected Da Yang and Perfected Qing Yun nodded.

Two hours later.

After drinking tea and reporting their work, Perfected Da Yang and Perfected Qing Yun walked out of the small courtyard with joy on their faces.

With the support of the seniors, wouldn't it be easy?

The two of them were overjoyed and returned to the Great Sun Sect to spread the news.

In the courtyard, Xiao Changtian gathered his disciples.

“You guys should also prepare for the upcoming battle. Although we are mortals, we still have to contribute our strength!”

“Ye Fan, you’re in charge of the logistics of the alliance.”

“Miao Shou, you are in charge of treating the simple injuries of the cultivators and assisting the alchemists.”

“Beichen, Wuzheng, the two of you have talent in cultivation and can use the sword. Since your cultivation has made some progress, you can train at the edge of the battlefield and clean up some small fish and prawns.”

“Taibai, you’re about to become a father, so you’ll be in charge of intelligence work. Don’t get involved in dangerous situations.”

“As for Daji and Ruomiao, the two of you will follow me.”

“Futian, you are full of energy, so you serve tea and water to the cultivators. If any cultivator is tired, you massage their shoulders and legs.”

“We are the ones being protected, but we can’t just sit there and do nothing. In front of us, Daoist Big Sun and the others are fighting for us, so we have to contribute our strength!&

“Do you understand?”

Xiao Changtian said solemnly.

Although he was a mortal who was harmed by the system, as a member of the flower family in his previous life, the passion, righteousness, and fearlessness of the flower family still infected him. It did not weaken with the cruelty of the immortal cultivation world!

There was no man who wasn’t hot-blooded!

Even as a mortal, as an ordinary person, he had to contribute his strength. He could not remain indifferent and hide behind heroes like the Immortal of Great Sun!

“Yes, sir!”

Ye Fan and the others saw the seriousness in Xiao Changtian’s expression and replied in unison.

“Alright, you can go and prepare yourselves.”

“Jiu ‘er, let’s go inside.”

Xiao Changtian called Mu Jiu Huang and was about to take out the big drum under the bed!

“Yes.” Mu Jiu Huang followed him into the house.

The two of them called out and carried the big drum out.

It was a Xuanhua Drum. The drum was engraved with the Black Tortoise, Qilin, Phoenix, White Tiger, Azure Dragon, and other divine dragons. All of them were carved in gold and looked lifelike. It was extremely intimidating!

The edges were inlaid with the pearls of seven colors. Red, orange, yellow, green, cyan, blue, and purple were shining brightly!

The surface of the drum was like a bright mirror, shining brightly!

The zoo curator had spent a lot of money to buy it, but it was later abandoned and became his.

“Green-haired turtle, look at the Black Tortoise on top of you. How impressive is it? Look at you, you’re so ugly!” Xiao Changtian smacked his lips.

This green-furred turtle was doing nothing but work every day, while he was serving him well every day. He was even happier than he was!

If it wasn't for the path of invincibility, he would have chopped the green-haired turtle up and made soup.

Turtle soup was a great tonic!

"Puff! Puff! Puff!"

In the pond, the green-haired turtle didn't dare to speak. It dived into the water and kept blowing bubbles.

Four Symbol Regions.

The group of Motherf \* eking Human Kings, the Monster Race's Monarch, the Oceanic Race's Monarch, and the Demon Race's Monarch who had just crawled out of the ground were all listening to the Heaven Queen, the Monster Emperor, and the Demon Monarch's lecture.

"In these three days, everyone will recuperate and recover their strength to the peak."

"There is an expert in the Five Region Domain. We are going to fight a tough battle. We'll take down the Five Regions and merge the four regions to restore the original Tian Yuan Continent. We'll have a God Monarch to guide us and ascend to the Divine Realm!"

The Heaven Queen said coldly.

When the Great Emperors heard the word 'Ascendance', their faces revealed looks of surprise!

That was the lifelong pursuit of every Great Emperor!

“Fight!”

“Fight!

“Fight!”

The shouts of the group of Great Emperors caused the surface of the sea to tremble!

The skull-masked man sat cross-legged in the dark chamber. A black rusty short sword floated around him. His realm seemed to be rising continuously.

“Ten Mile Sword, after so many years, we will be fighting together again.”

“This time, when we take down the Five Region, the Tian Yuan Continent will be united and we’ll have great luck. That skeleton God will definitely come down to snatch it!”

“At that time, it will be our chance!”

The skeletal man said indifferently.. The broken and rusty short sword seemed to be resonating and trembling!

Chapter 189: Playing in the Sky, Xiao Longnu Pushed to the Ground!\_i

Night fell.

Snoring sounds came from Xiao Changtian’s room.

A rustling sound came from Ye Fan's room. Li Taibai's room was relatively quiet.

As for Lin Ruomiao, she was still cultivating the Sky Blade with the dagger in her hand. In her room, countless blade shadows seemed to be cutting through space.

In the courtyard, the green-haired turtle finally surfaced.

"Hahaha, ugly turtle, you were beaten up by master, right?" Phoenix puffed out her chest and stared at the turtle in the pond, gloating.

"Humph, Phoenix, I don't have time for you right now."

The turtle rolled his eyes. He was in a bad mood. If Phoenix dared to mock him again, he would definitely fight with her.

The golden arowana turned over and straightened its body. "Alright, Phoenix.

Do you want to be beaten up if you wake Master up later?"

After being reminded by the golden arowana, Phoenix shivered and quickly returned to the chicken coop.

"Fatty, let's go out and relax." Black Tortoise flew to the head of Rongrong.

"Sob, sob." Fatty Rongrong nodded, flying out with Black Tortoise.

As for Alpha, he was still studying chess on the ground.

Monkey scratched his head and felt a little bored. He shot out from the bamboo forest and flew out as well, sitting on the shell of the Green-Haired Turtle. "Damned monkey, you dare to ride on This Sea King's body? Are you courting death?"

The Black Tortoise was furious. A huge Black Tortoise Dharma Idol instantly appeared in the void.

Monkey scratched his head, revealing a smile, coming down from the turtle shell, squeezing the green haired turtle to the side, one on the left and the other on the right of Fatty Rongrong's head.

"The Tian Yuan Continent isn't fun at all." Monkey raised his middle finger and pointed at the sky.

"Heaven?!" Fatty Rongrong was startled.

"It's not impossible, there are more beautiful ladies up there, it'll help me regain my confidence, hehe!"

The old dirty turtle smiled again.

"Let's do it this way!" Monkey nodded and reached his paw into his ear. A silver-needle-like object appeared.

"Watch me poke a hole in you!" Monkey grabbed the silver needle and aimed it at a certain place in the sky.

Fatty Rongrong looked puzzled: What can I do?"

"Hmph, what do you know?" Monkey chuckled. He stroked the silver needle with his hand. As he stroked it, the silver needle became bigger and thicker. In the blink of an eye, it had already become a sky-high spider pillar.

The monkey grabbed the sky-supporting pillar with both hands and stabbed it into a certain spot in the void.

"Boom!"

In the void, the laws of heaven and earth seemed to have been sensed. Tens of thousands of lightning tribulations began to appear and were about to strike down.

“Go to hell.” The turtle slapped him.

A green light flew out leisurely. However, this green light seemed to be a supreme law. The lightning tribulation in the sky collapsed in an instant!

“Damn fatty, charge towards that crack.” Monkey patted Fatty Rongrong’s head.

“Hmph, Boss Black Tortoise, he scolded me! I’m an Iron Eater, I’m fat, I’m not a fatty!” Fatty Rongrong said aggrievedly.

“Alright, you charge up first. Once you get up there, I’ll teach this damn monkey a lesson for you.” The turtle rubbed Fatty Rongrong’s head, a green light descending, enveloping Fatty Rongrong’s entire body.

“Hehe, thank you, Boss!” Fatty Rongrong was delighted, her figure dashing towards the gap in the void!

In an instant, Fatty Rongrong charged in with the green haired turtle and monkey.

“Who is it?”

In the Immortal World, in a valley, two cultivators were hurrying on their way. Suddenly, they saw a black shadow flying over with a vigilant expression.

“Senior Brother, look carefully. What was that thing that just flew over?” The woman in the light yellow dress frowned and asked!

Upon closer inspection, the woman was tall and slender, with proper facial features. Most importantly, her peaks were like waves, making one’s imagination run wild and unable to grasp them!

“It seems to be a monster?” Junior Sister, let’s run. Don’t worry about this. The people from Black Night Sect are coming.” Senior Brother Long Ming said.

Xiao Longnu nodded, and the two of them disappeared into the forest.

The two of them were the Holy Maiden and Eldest Senior Brother of the Senluo Immortal Continent's White Dragon Clan!

In the current Senluo Immortal Continent, the dragon race had declined. Even their patriarch, Long Aotian, had gone into hiding after being severely injured by a Divine Lord. Now, a mere Flood Dragon Race dared to bully their dragon race.

The young master of the Black Flood Dragon Sect even tried to get his hands on Xiao Longnu. Helpless, the vice clan leader Long Zhantian could only let her escape.

Not far away.

The Dragon Race was chasing after them. There were hundreds of them, and each of them emitted a powerful aura that was extremely mysterious.

"Hmph, they can't have gone far!" One of the elders raised his hand, signaling for everyone to stop.

Then, he took out a crystal ball. The image of Xiao Longnu and Long Ming appeared on the crystal ball.

"Hehe, the two of them are heading toward Sky-Breaking Peak. We'll head there directly." The elder sneered and stuck out his snake tongue.

"Elder, how did you do this?" The Dragon Race disciple beside him asked in confusion.

If he could find someone with just a crystal ball, then wouldn't he be the one plucking the radish on the bed?

"Humph, it's naturally something that the young master left behind. We'll just slowly head over and not ruin the young master's plans." The elder laughed sinisterly.

“Young Master?” The servant next to him was slightly stunned, but then he reacted.

“Elder, do you mean that Long Ming is Young Master in disguise?”the servant asked.

“Of course.”

“Alright, let’s move forward slowly. Don’t ruin Young Master’s plans.”

Understanding the crux of the matter, the disciple nodded in disappointment.” Young Master sure knows how to play. The night is dark and the wind is high. A man and a woman are alone. Hehe, hehehe...”

On the other side, Xiao Longnu and Long Ming were running at high speed.

However, Long Ming suddenly fell behind and shot two silver needles at Xiao Longnu’s back.

“Ah!”

Xia Longnu felt the pain and screamed, but her body could no longer move. Because of inertia, the beautiful divine item fell to the ground.

“Senior Brother, what are you doing?”

Xiao Longnu frowned and asked in confusion.

“What?”

“Of course I want to spend the night with you and have an in-depth conversation.”

Long Ming smiled lewdly. Then, he tore off his human skin mask and instantly became a different person.

“Snake Blood, is that you? You’re not my senior brother!” Xiao Longnu was shocked, and a wave of fear surged in her heart.

“Hehe, I’m not your senior brother, but I’m going to be your husband soon, hehehe!” Snake Blood let out a sinister sneer and walked over. He grabbed Xiao Longnu’s legs.

At the same time.

Fatty Rongrong was currently flying with two divine beasts on her back.

“Hmm? Wait a minute!” Black Tortoise grabbed Fatty Rongrong’s ear, and the iron eating beast stopped in time.

“What’s wrong, damn turtle? There’s a big demon in front of us. Go and have some fun!” Monkey said impatiently.

“Hmph, go by yourself. What’s so fun about a big demon? Fatty, let’s go back. I really want to see a beautiful woman with great ambitions.. This Sea King wants to conquer her, quickly!”

Chapter 190: Junior Sister, I’ll Block the Old Filthy Turtle for You, Run!\_i

“All! No!”

Xiao Longnu’s legs were grabbed. Snake Blood immediately took off her shoes and socks.

“Hehe, these legs are really beautiful!” Snake Blood caressed Xiao Longnu’s feet lewdly.

“Hehehe, itchy, so itchy!”

“Don’t scratch my foot!”

Xiao Longnu’s feet were touched, and she let out a bell-like smile.

“Hehe, Xiao Longnu, are you comfortable? I’ll make you more comfortable! I’m very brave.” Snake Blood snickered evilly. He pointed out with his finger, and Xiao Longnu’s outer clothing was torn apart, revealing her snow-white figure that could not be described.

“Hmph, I won’t let you off even if I become a ghost.” Xiao Longnu gritted her teeth as two streams of tears fell from the corners of her eyes. Her eyes were filled with anger.

“Hehe, become a ghost? You’re so smooth, I’ll make you become an immortal in a while!” Snake Blood sneered and pounced at Xiao Longnu.

Xiao Longnu could only close her eyes in despair.

The two silver needles had completely sealed the true essence around her body!

She wanted to resist, but she couldn’t move at all!

An extremely cold despair surged into her heart!

“Help!”

However, a trace of unwillingness still welled up in her heart. She could not help but shout, wanting to make a final call for help.

“Hehehe, scream, scream. Even if you scream until your throat breaks...Ah!”

Snake Blood was originally sneering, but a huge force slapped the back of his head.

Snake Blood was hit hard and rolled away.

Junior Sister Feng, get up quickly!” Long Ming followed behind them. He broke free from the snake blood and quietly followed behind the elders of Black Night Sect!

He took the opportunity to sneak over when the elders let down their guard.

Long Ming helped Xiao Longnu up and forced the two silver needles out of her body. Then, he took out a piece of clothing and put it on Xiao Longnu.

“Junior Sister, quickly follow me!” Long Ming brought Xiao Longnu and was about to leave.

However, Snake Blood would not let them off so easily. Although he was heavily injured by Long Ming and was lying on the ground, he still crushed the jade token in his hand!

“Young Master has been born?”

When the elders on the periphery received the message, their expressions instantly changed. Their figures flashed as they rushed over to Snake Blood.

Swoosh swoosh swoosh swoosh!

In the next moment, the elders and disciples of Black Night Sect instantly descended. They formed a huge circle and surrounded Long Ming and Xiao Longnu.

“Young Master!” The elder helped Snake Blood up.

“Hmph, you dare to sneak attack me?”

“Hit him! Beat him to death!”

Snake Blood spat out a mouthful of blood and cursed angrily.

The Black Night Sect disciple beside him grabbed Long Ming and pressed him to the ground to beat him up!

“Ah!”

Long Ming let out a shrill cry from the beating. In just a few seconds, the sound of bones breaking could be heard.

Although the dragon race had a strong body, the Black Night Sect disciples all had profound realms and powerful cultivation bases.

“Senior Brother!” Xiao Longnu wanted to go up and help when she saw Long Ming being beaten up.

However, it was blocked by the snake blood.

“Hehe, Xiao Longnu, if you don’t want that idiot Long Ming to die here today, then serve me to my heart’s content. Otherwise, I’ll let Long Ming know what it means to live a life worse than death!” Snake Blood sneered as he stared at Xiao Longnu with a pair of lewd eyes.

“You...” Xiao Longnu bit her lips, her face filled with shame and anger.

“Hit him harder!” Snakeblood sneered.

“Yes, Young Master!” The disciples of Black Night Sect nodded and worked even harder.

Long Ming’s pained screams sounded like a pig being slaughtered!

Xiao Longnu heard Long Ming’s scream and bit her lips helplessly.

“Hahaha, then let’s settle this in the wild.” Snake Blood laughed and waved his hand, signaling the elder of Black Night Sect to take Long Ming away.

“Yes.” The elder of Black Night Sect brought Long Ming down.

The snake blood forced the little dragon girl into a corner. A faint evil light burst out from his eyes. He could not hold it in any longer. He immediately turned into a divine beast and was about to grab Xiao Longnu’s neck!

Xiao Longnu could only close her eyes and quietly wait for the tragic fate that was about to come!

However, in the next moment, a ray of green light shot over.

“Bang!”

The snake’s blood rolled out like a cannonball, hitting the mountain beside him. His entire body pierced through the mountain cave, creating a human-shaped tunnel!

After that.

Snake Blood died!

“Damn it, someone actually dares to use force on the beauty that This Sea King has taken a fancy to? This Sea King always conquers the heart of a beauty first, understand?” The turtle cursed. Luckily, he had come. If he had been a step late, the beauty would have been defiled by this scumbag.

“Boss, this is a scumbag. How can he compare to you, Sea King?” Fatty Rongrong praised.

“Not bad, Fatty. You’re very sensible.” The turtle rubbed the fat Rongrong’s head.

“Sob, sob.” Fatty Rongrong happily nodded.

“What is it? Where’s Young Master?” The elders and disciples of the Black Night Sect heard the loud noise and hurriedly ran back.

However, all he could see was a cold corpse.

” Young Master is dead!”

The Black Night Sect elder was shocked!

“That’s right, this Zha actually dared to bully the beauty that this Sea King has taken a fancy to, he’s courting death!” the turtle said angrily.

“Hmph, you ugly turtle, you dare to kill our young master just because you have a little cultivation?” The Black Night Sect elder shouted, and the Divine Empress ‘huge serpent phantom appeared. Her entire body leaned forward forty-five degrees, and a huge hurricane erupted around her!

He was furious and charged at the turtle.

“Tsk, that’s it. My boss doesn’t even need to do anything. I thought the people from the upper realm were more powerful.”

Fatty Rongrong disdainfully raised her middle finger, then slapped him.

“Pa!”

The elder of Black Night Sect was directly slammed into the ground!

As for the remaining Black Night Sect disciples, when they saw this scene, they cried out in horror, “Run!”

They threw down the Dragon Sea in their hands and fled instantly!

But, how could Fatty Rongrong let them run?

“Phew!”

Only to see Fatty Rongrong opening her bloody mouth, revealing those bright white teeth like sharp swords, instantly swallowing the Black Night Sect disciple.

“Bah, it’s not delicious.” Fatty Rongrong ridiculed.

The dirty old turtle didn’t care about this. He stared at Xiao Longnu with a lecherous look and picked a wildflower. “Beauty, shall we admire the moon together tonight?”

“Reward...Moonlight?”

Xiao Longnu was shocked. She looked at the ugly old turtle in front of her and felt a chill in her heart.

Could it be that he had escaped the snake’s blood, but would eventually be eaten by an old dirty turtle?

Xiao Longnu fell into despair once again.

“Junior Sister, run quickly. I’ll block the old dirty turtle for you!” Long Ming struggled to get up from the ground and stood in front of Xiao Longnu.

Xiao Longnu was helpless.. She nodded with tears in her eyes and fled in a hurry!
