

## Beasts 241

Chapter 241: We Want to Become the Lords of the Divine

Court!\_i

“Yes, sir!”

Yun Liuli didn't hesitate and took out a flower that was a combination of red flames and blue ice.

The moment the flower was taken out.

Two mysterious auras were reflected in the space, illuminating the entire room with red and ice-blue colors.

“This is it.”

Wang Miaoshou nodded. He could feel an extreme Yin energy from this flower.

It was obviously the flower that his master had instructed him to do!

“Give it to me.”

Wang Miaoshou nodded and left with the flower.

After Wang Miaoshou left, Yun Liuli's expression darkened.

“Everyone, move out and exterminate the Sima Clan!”

Yun Liuli said coldly and gathered all the cultivators from the Void Holy Land.

At the same time.

The people of the Sima Clan were also thinking about the Ru Kong Holy Land.

“Charge!”

“Follow the clan!”

“Let’s charge together with the family head!”

“When the time comes, we’ll take down the Ru Kong Holy Land.”

“Captain, how can one be enough? I want two!”

“Tsk! You are all too weak. I can fight ten of you at once!”

“Bragging!”

The Sima Clan cultivators wore expressions of extreme joy. In their opinion, it would be extremely easy for them to go to the Ru Kong Holy Land and destroy it.

In fact...

After the war, they would completely occupy the Ru Kong Holy Land. At that time, the women of the Ru Kong Holy Land would be at their mercy.

“Hehe, Lord Steward, which one of the Ru Kong Holy Land do you like? Let our brothers keep it for you.”

A cultivator from the Sima Clan came to the steward’s side and asked eagerly.

“Which female cultivator?”

The butler was stunned for a moment before saying, “That Huang Shang!”

“Alright! I’ll pass it down now!”

“Brothers, listen up. That Huang Shang is the butler’s dish. Don’t touch her!”

The servant shouted.

Soon after.

The crowd burst into laughter.

Everyone went forward in high spirits. Some of the male cultivators had already undergone some changes in their bodies and began to become impatient.

“Hehe, I heard that I’m your type?”

Right at this moment, Huang Shang suddenly appeared in front of the Sima Clan’s group, smiling as he looked at the Sima Clan’s steward.

“What, you want to throw yourself into my arms now?”

“Sure!”

“Come on baby!”

The butler opened his arms with a lewd smile on his face and even made some provocative movements.

“Alright!”

Huang Shang walked over with a smile and was about to enter the butler’s embrace.

But in that instant.

A cold light flashed.

“Psst!”

It was like a sword light that was extremely fast. Almost no one present could guess.

The sword light had already pierced through the butler’s lower body!

“Ah!”

The butler let out a shrill scream. He felt as if the world was about to collapse. Waves of intense pain assaulted him.

Then, two spherical objects appeared under his feet, as well as half of something else!

“Hehe, I forgot to tell you. I only want you to be my sister!”

“Now, you’re my sister. Isn’t that great?”

Huang Shang smiled.

As for the Sima Clan cultivators, they all gasped.

They looked at the butler rolling on the ground and subconsciously used their true essence to form a rain shield below them!

“Sisters, come out and castrate them all!”

With Huang Chang’s order, countless female cultivators suddenly appeared from the space beside them. The entire battlefield was filled with sword light, and blood and flesh flew everywhere!

It took less than fifteen minutes.

The Sima Clan cultivators fell to the ground and screamed miserably. Their faces were filled with pain.

The scene was filled with blood. It was simply too tragic to look at!

“Hehe, sisters, wait for them to save themselves.”

Huang Shang said with a smile.

On the other side.

Li Wushuang’s body was filled with energy. Along the way, she had robbed and killed several God Monarch Realm forces.

Nalan Yan, who was dressed in purple, had a look of joy on her face as she placed everything into her ring.

“Treasure ~!”

“Do you still like these things?”

Li Wushuang hugged Nalan Yan’s waist and said excitedly.

“Of course, the more the better!”

Nalan Yan said with a smile. With these resources, her strength would also be able to advance by leaps and bounds.

At that time, she would go and settle the score with that Futian!

She wanted Futian to kneel before her, she wanted Futian to become her slave!

She wanted Futian to become her bootlicker again, licking her respectfully and not disobeying her at all!

“Treasure, as long as you like it!”

“Mwah, give me a kiss!”

Li Wushuang laughed as she slapped Nalan Yan’s butt. She then stuck out her mouth and smacked Nalan Yan’s face.

Nalan Yan did not say anything, but a trace of disgust still flashed across her eyes!

This Li Wushuang was like a bootlicker!

She was completely his spare tire!

When she became stronger in the future, she would kick Li Wushuang away.

No!

If he killed Li Wushuang, no one would know about him. He would still be that cold goddess!

“However, what kind of information does the Divine Emperor want us to send to Divine King Mystic Jade that feels so important?”

After Li Wushuang finished talking, she frowned and revealed a puzzled expression.

He stared at the stone in his hand. There were some ancient patterns carved on it. It seemed that only the descendants of the Black Cloak Deity King could use the power of their bloodline to open this thing.

“Brother Wushuang, why don’t we do this? When we arrive at Divine King Black Jade’s territory, we will secretly hide and eavesdrop.”

Nalan Yan said.

She was also extremely curious about this news.

“Alright, Bao, whatever you say.”

Li Wushuang nodded. Even if Nalan Yan wanted him to die, he was willing!

Soon, the two of them flew to the Mystic Jade Immortal Continent and told Divine King Mystic Jade about this matter.

“Since that’s the case, thank you very much.”

Then, they exchanged some pleasantries before Li Wushuang and Li Yan took the opportunity to leave. They then secretly dug a secret tunnel underground and arrived below Divine King Xuan Yu.

In the main hall.

Divine King Xuan Yu dripped a drop of his blood onto it.

Then, the black-robed Deity Emperor’s shadow suddenly appeared.

“Xuan Yu, what I’m going to tell you next is very important. You have to guarantee that no one knows.”

“The rumored Master of the Divine Court has already reincarnated. Hurry up and lock onto his aura. As long as we hide in the luck of the Master of the Divine Hall, we can...”

The Divine Emperor said in an old voice.

Li Wushuang and Nalan Yan were stunned!

Chapter 242: Something Happened to the Beast Tamer Sect(1)

“Lord of the Divine Court!”

“Snatch the fate of the Lord of the Divine Court and become the controller of the Divine World?”

Li Wushuang and Nalan Yan, who had been hiding underground eavesdropping, had heard the entire news and were extremely shocked!

“Let’s go!”

Knowing how important this secret was, Li Wushuang’s expression turned cold and she disappeared with Nalan Yan.

Very quickly.

The two of them arrived at the small forest.

“Big Brother Wushuang, if we snatch the luck of the Master of the Divine Court, won’t we be able to control the Divine World?”

“Since we know the secret, let’s do it!”

Nalan Yan urged from the side.

However, Li Wushuang shook her head and said seriously, “Yan ’er, this matter involves too much water. It’s not something that you and I can grasp.”

“We should stay away from this matter to survive.”

Li Wushuang said seriously.

“What are you afraid of? At most, I will just die. Brother Wushuang, you are not so cowardly, are you?” Nalan Yan shook her head and frowned, her eyes revealing a look of suspicion as she examined Li Wushuang from head to toe.

That gaze.

It was as if he was asking Li Wushuang, can you do it?

She wanted to encourage Li Wushuang. If she succeeded, she could become the Paragon of the Divinity.

If he failed...

Li Wushuang was the one who died, what did it have to do with her?

Being stared at like this, Li Wushuang was instantly enraged. "Impossible! Would I, Li Wushuang, cower? I, Li Wushuang, am not afraid of anything!"

"Isn't it just snatching the fate of the Lord of the Divine Court?"

Li Wushuang patted her chest and said heroically.

"That's right, this is the Brother Wushuang that I like." Nalan Yan said with a smile.

"Hee hee, then I will let you know how great I am now..."

A rustling sound came from the small forest.

Within the Mystic Jade Divine Hall.

Divine King Xuan Yu was listening to the black-robed emperor's story carefully. Suddenly, the black-robed emperor's shadow disappeared and turned into a black light, entering Divine King Xuan Yu's mind.

"What was that? The lord of the Divine Court still has his old subordinates. Let Li Wushuang be the bait first, and then we'll attack?"

“Ancestor, I understand!”

“Let’s not do anything for now.”

Divine King Xuan Yu said calmly.

He already knew the ancestor’s plan.

The black-robed Emperor God had left two auras on Li Wushuang’s body. With the appearance of these two auras, he could lock onto Li Wushuang’s location at any time!

As long as Li Wushuang made a move, they would be able to sense it.

As long as both Li Wushuang and the old subordinates of the Divine Court were injured, Divine King Xuan Yu would be the oriole behind them.

In the courtyard.

It was a sunny day.

Following a day of toil, the dozen Godly Kings and those powerhouses all collapsed from exhaustion.

She went straight to the corner and squatted down to sleep.

“Hu hu hu!”

In just a few breaths, snoring sounds could be heard.

Even Di Tian felt that his legs were completely sore. Even when he walked, he was trembling.

His body swayed, and his face was filled with disbelief.

Everything here was simply thousands of miles away from his Divine Court. Even a random brick on the roof was a divine artifact in the eyes of everyone. However...

Only Di Tian, who was the leader of the Divine Court, understood that these things might not even be available in the entire Divine World. In fact, it was even possible...

These things came from the rumored Beyond Avalon!

It was just that the Heavens Beyond Heaven was extremely mysterious. Even he himself only knew about it by chance.

“Ah!”

Di Tian leaned against the wall with difficulty, covering his face as he fell asleep.

The moonlight fell on the courtyard, and it was gentle. The ground seemed to be covered with a layer of light gauze, ethereal and gentle ~

In Xiao Changtian's room, Chu Yiren was already used to sleeping next to him. “Sir God Qi Qin, what are you doing? Why haven't you killed that person yet?” Divine Lord Qin, who was hiding in the toilet, was contacted by the demon god with his Divine Will.

” Demon God, you're tricking me!”

“He has so many peerless experts by his side, as well as the Black Tortoise and the Phoenix... “Wait for a divine beast. Moreover, you're probably not a match for that peerless expert, right?”

Sir God Seven Zither asked coldly.

It was not until he worked these few days that he knew why the demon god wanted to raise his cultivation to the divine king realm!

Because he couldn't kill the demon god himself, he wanted to set him up!

"Hmph, if you can't complete the mission, then you don't have to live anymore in five days."

"Let's go!" the demon god said coldly before disappearing.

"Damn it!"

Qi Qin cursed but he had no other choice.

The demon god's strength was far above his!

Since the demon god was able to let him advance to the Godly King realm, he was naturally able to kill him as well.

"Damn it, who exactly is Chu Yiren? Why does the demon god care so much?"

Divine Lord Qiqin revealed a puzzled expression.

In the Divine Realm, Demon Gods were high and mighty existences. Very few people could come into contact with the Dao because the realm of Demon Gods was the Divine Emperor Realm!

In the era before the Divine Emperor appeared, the Godly Kings were considered invincible!

"We can only find an opportunity to lure them out and then trap them!"

As Qi Qin said that, he was already thinking of a solution.

“The only way is to start with Maniac Chu!”

Divine Lord Qi Qin was thinking about it. Taking advantage of the night, the

Black Tortoise and a few others were distracted. They sent out a divine sense and possessed a cultivator in the sky.

It was a male cultivator riding a flying sword!

Suddenly.

The male cultivator was possessed by Divine Lord Qi Qin’s divine sense and headed towards Beast Tamer Sect.

Time passed.

Countless things happened that night.

The entire continent was extremely quiet and peaceful.

Only Nanbu State.

Blazing flames filled the sky, and thick black smoke rose into the sky. It condensed and gathered in the sky above the Southport Continent, forming a huge black cloud.

The black clouds were so bright that they blocked all the light in the entire Southport Continent.

From afar, it looked as if the Southport State had been suppressed by a terrifying existence.

“What happened in the direction of the Southport Continent?”

“It seems that a sect has been destroyed!”

In the small courtyard, a group of Godly Monarchs spread their divine senses out towards the Southport Continent. Immediately, they saw the Beast Tamer Sect with broken walls and ruins, their faces covered in dust!

In the Beast Tamer Sect.

The corpses of demons and cultivators were everywhere. Blood flowed like a river, and a bloody aura filled the entire Beast Tamer Sect.

“What happened outside? Why is it so noisy?”

Inside the room, Chu Yiren rubbed her eyes as she overheard the discussion outside the courtyard.

She vaguely seemed to have heard the words ‘something happened to the Beast Tamer Sect’.

“Something happened to Beast Tamer Sect?”

Chu Yiren said anxiously as she stood up from the bed..

Chapter 243: Daoist Master Da Yang Can Catch Ghosts!\_I

Chu Yiren stood up.

Xiao Changtian was also startled awake. He opened his eyes and saw...Chu Yiren in her clothes.

Chu Yiren stood there, looking extremely anxious.

“Yiren, what happened? Why are you standing here?”

Xiao Changtian frowned as he stood up from the bed.

“I don’t know. It seems that something has happened to the Beast Tamer Sect.” Chu Yiren shook her head. The Beast Tamer Sect was her home, but now that something had happened...

Tears welled up in Chu Yiren’s eyes.

“Don’t cry.”

“If something really happens, I’m still here.”

Xiao Changtian hurriedly consoled Chu Yiren when he saw her like this.

The world of cultivation was cruel.

Tomorrow will be unexpected, and no one knows which one will come first!

“Alright.” Chu Yiren nodded and followed Xiao Changtian out.

“Senior, it’s not good. The Beast Tamer Sect seems to have been ambushed last night. It’s in ruins now.”

“We... We just heard someone talk about this.”

Elder Zhu Yi walked over and said to Xiao Changtian.

“Did something really happen?”

Chu Yiren asked before Xiao Changtian could say anything.

In the next moment.

Her eyes were filled with tears. She ran out of the courtyard and rode on the Snow Wolf King.

The Beast Tamer Sect was the place where she had lived for more than ten years, as well as her father.

“Hurry back to the Beast Tamer Sect!”

Chu Yiren urged the Snow Wolf King beneath her. The Snow Wolf King nodded and transformed into a streak of light, leaving Dayang Town and heading towards Nanbu State.

Qi Qin watched Chu Yiren leave, a devilish smile on his lips. As long as Chu Yiren left alone, he would be able to find a chance to kill her!

Immediately after.

Sir God Qi Qin sent a message to his clone.

His goal was to kill Chu Yiren while she was out alone and complete the mission the demon god had given him.

“This girl is too anxious.”

“Forget it, I’ll contact the people of Dayang Town and follow them.”

Xiao Changtian said lightly and sent a message to Daoist Big Sun.

“Father, please don’t let anything happen to you.”

Chu Yiren was extremely anxious. The Snow Wolf King beneath her was also running at high speed, leaving behind a trail of afterimages!

During this period of time, the Snow Wolf King had turned into a little white dog and wandered around the town.

But did it mean that he could get a few pointers from Alpha?

The current Snow Wolf King had already entered the Mahayana Realm.

Crossing the North Sea in the Mahayana Realm was not difficult at all.

In just a quarter of an hour.

Chu Yiren rushed back from Dayang Town.

The Snow Wolf King had just landed on the Beast Tamer Sect’s territory when Chu Yiren saw the corpses of demonic beasts and cultivators strewn all over the ground.

The huge palace that the Beast Tamer Sect had originally rebuilt turned into ashes again!

A bloody and nauseating aura filled the entire Beast Tamer Sect!

“Who did it?”

Chu Yiren's eyes sparkled as she bellowed in rage. Her aura was icy cold, and her expression was extremely malevolent!

"Pa!"

Her whip instantly appeared and swept out, splitting a small mountain in the distance into two.

"Who did this? I want to tear you to pieces!"

Chu Yiren was furious. She scanned the area with her spiritual will, but to her surprise, she couldn't find any trace of her father, Maniac Chu, among the corpses.

"Young Master..."

At this moment, a weak voice sounded. A large hand slowly stretched out from under the stone.

"Elder Wang! Are you still alive?"

Chu Yiren was overjoyed. Just by hearing the voice, she could recognize that it was Elder Wang.

"Yiren, your father is on Yandang Mountain. An expert took him away. Quickly tell the senior and ask him to help you." Elder Wang said weakly.

"Yandang Mountain?"

When Chu Yiren heard this, she was suddenly enraged. There seemed to be a faint green glow flickering in her eyes.

She seemed to have lost her mind. Suddenly, her aura rose and she flew towards Yandang Mountain.

“Yiren?”

Elder Wang was shocked. He wanted to stop Chu Yiren, but she seemed to have lost her mind. She couldn't hear Elder Wang at all.

“What happened to Yiren?”

Elder Wang frowned. Even the Snow Wolf King was kneeling on the ground and fighting. It was as if there was extreme fear in its soul.

“All!”

“How dare you touch my father? You're courting death!”

Chu Yiren's body glowed with a green light. Her speed had reached its peak, and the power around her had also reached its peak.

“Who is that? What a powerful aura!”

“What fast speed! I didn't even see that person's appearance clearly!”

Down below, a few Mahayana realm cultivators were hurrying on their way when they suddenly sensed Chu Yiren flying in the sky. Their faces revealed looks of shock.

That aura had already far exceeded the Mahayana realm.

Far away in the Divine World.

In a certain illusory place, the demon god who was in seclusion suddenly opened his eyes.

“What?”

“Is the main body awakening its memories?”

The demon god was shocked.

“This won’t do. Divine Lord Qi Qin can’t kill the main body now. We have to find a Divine Emperor to descend to the lower realm.”

“Heavenly King Chi Tian...”

The demon god’s spiritual will connected directly to the divine king.

In the Beast Tamer Sect, Xiao Changtian and Daoist Da Yang rushed over. Seeing the Beast Tamer Sect in ruins, Xiao Changtian frowned.

However, after scanning the area, he couldn’t find Chu Yiren!

“Senior!”

“Something happened to Yiren. Hurry up and save her!”

“There seems to be something wrong with her mind...”

Elder Wang hurriedly explained and described what had happened.

Xiao Changtian frowned.

“Green light emitting from its body?” Xiao Changtian muttered to himself. Suddenly, he was shocked. He remembered that he had killed a Green Ghost with an arrow when he was hunting!

“Could it be a ghost?”

“Hiss ~ It must be!”

Xiao Changtian gasped. Being haunted by a ghost was no small matter!

Ordinary people couldn't fight ghosts!

After thinking for a while, Xiao Changtian looked at the Great Sun Immortal and asked, ““Daoist Big Sun, do you know how to catch ghosts?”

“Catching ghosts?”

The Great Sun Immortal was stunned, and a puzzled expression appeared on his face.

How could a mere ghost be compared to an immortal cultivator?

However, why did Senior ask such a question?

“It should be... It's alright.”

The Great Sun Immortal said hesitantly.

“That's good!”

Xiao Changtian nodded. He didn't expect that the Great Sun Immortal was not only powerful but also good at catching ghosts..

## Chapter 244: Defeating the Divine King!\_i

“Then let’s go!

Xiao Changtian was instantly filled with confidence when he heard that Daoist Big Sun could catch ghosts. He headed in the direction Chu Yiren had left in.

As for Chu Yiren, her speed had increased by leaps and bounds as her strength increased. She had long since reached Mount Yandang.

Yandang Mountain.

The vast Hundred Thousand Mountains looked misty and blocked his vision!

However, at this moment, a murderous atmosphere enveloped the entire Yandang Mountain.

Chu Yiren’s body glowed with a green light, her face filled with killing intent. Green vital essence enveloped the entire Yandang Mountain.

“Come out!”

Chu Yiren shouted angrily.

“Yiren?”

“What’s wrong, Yiren?”

Maniac Chu was hanging from the cliff. He looked at the completely different Chu Yiren in front of him and asked curiously.

However...

No matter how he shouted.

It was as if Chu Yiren couldn't hear him at all. Her entire body was filled with murderous intent, her aura cold and piercing.

"We're finally here. Now is a good opportunity to kill you!"

At this moment, the cultivator possessed by Seven Zither walked out of the cave and smiled at Chu Yiren.

However, when he raised his head and saw the aura around Chu Yiren, his heart skipped a beat!

"You, how can you have such a terrifying aura?"

The cultivator stared at Chu Yiren, his expression changing drastically.

At this moment, Chu Yiren's aura had already reached its peak. In terms of aura, she had completely surpassed Seven Zither Godking!

"What happened?"

Seven Zither God King, who was collecting dust in the courtyard, also sensed something.

He could sense that his divine sense was under great threat.

“You, you, you, you...”

The cultivator who was possessed by Seven Zither’s divine sense had a look of terror on his face. In front of Chu Yiren, he couldn’t muster any resistance at all.

“Run!”

Seven String, who was in the small courtyard, immediately gave an order to his clone.

The possessed cultivator instantly turned into a ray of light and disappeared from Yandang Mountain. He was burning his true essence to escape!

However...

Chu Yiren’s expression turned cold, her entire face filled with a murderous intent. She too transformed into a green beam of light and flew out.

“Can you escape?”

Chu Yiren said coldly as she reached out with her hand.

The moment he grabbed out, it was as if thousands of laws had condensed in the huge hand. As it whistled out, the cultivator who wanted to escape was directly caught in the huge hand!

“Come out!”

As Chu Yiren shouted, the spiritual clone flew out of the cultivator’s body!

“How dare you scheme against me? You’re courting death!”

Chu Yiren was about to crush Qi Qin's spiritual will clone.

However, at this moment, an even more powerful aura suddenly descended.

"Boom!"

As the aura descended, the entire space seemed to collapse.

A figure dressed in brownish-gray clothes suddenly appeared from the spatial rift. The moment he appeared, he enveloped the entire void, staring coldly at Chu Yiren!

"As expected!"

He stared at Chu Yiren with a grave expression. Then, he slapped out with his palm, destroying Divine Lord Qi Qin's divine sense clone!

"Ah!"

In the courtyard, Sir God Qi Qin, who was working, suddenly staggered and roared. He spat out blood and fell unconscious!

"Since the Monster God entrusted me with this task, I will kill you today!"

The divine king looked at Chu Yiren, the aura around him surging like a vast ocean!

He sent a palm strike towards Chu Yiren, and in an instant, she was sent flying.

"All!"

Chu Yiren roared as the green light around him dissipated rapidly. At this moment, a magic treasure appeared in the hand of the Divine Emperor.

It was a cone-shaped magic treasure!

The spikes of the magical equipment also flickered with a green light.

With the appearance of the green light, the phantom of a demon god seemed to appear in the void.

The demon god phantom stared at Chu Yiren before him. Floating in the air above her, it stretched out ten sharp claws, clawing at Chu Yiren.

At this moment.

Xiao Changtian and the Great Sun Immortal also arrived.

“Not good! The malicious ghost is going to devour Chu Yiren! Daoist Big Sun, do something!”

Xiao Changtian hurriedly said.

“Good!”

The Great Sun Immortal nodded, but the green figure in front of him was not a ghost, but an extremely powerful cultivator!

The Great Sun Immortal frowned. He was sure that he was no match for that person!

Then, he frowned and took out the Nanming Primordial Fire Painting from his interspatial ring!

“Whoosh!”

The moment the Nanming Flame Tattoo appeared, a terrifying flame law instantly whistled out!

The raging flames transformed into a long dragon, and in an instant, it had already surrounded Chu Yiren, protecting her!

Just as the demon god's projection was about to devour Chu Yiren, the flaming dragon engulfed it completely.

"What?"

"Nanming Primordial Fire? No! No, this was a higher level flame!"

The demon god's entire person had an incomparably terrified expression!

That flame contained an unprecedented power that he had never seen before.

The only thing she was sure of was that there was an aura that could threaten him within this terrifying flame.

However, Chu Yiren had to be killed!

The Demon God decided to bet on the first one!

"Divine King Chi tian, help me!"

The demon god said coldly, looking at the divine king. The divine king nodded, and the two of them charged towards Chu Yiren!

"Perfected Da Yang, can you do it one-on-two?"

Xiao Changtian looked at the immortal cultivator and the ghost in front of him. He couldn't help but worry.

These two were not easy to deal with!

"Uh... There shouldn't be a problem, right?"

Elder Da Yang said hesitantly. Senior's Nanming Ignis Painting is a supreme divine painting!

Moreover, even if he couldn't defeat the Nanming Ignis Diagram, wasn't Senior still here?

"That's good."

Xiao Changtian was relieved.

The Great Sun Immortal didn't dare to be negligent. After all, he could solve it himself, so it was best not to trouble the Great Sun Immortal!

He frowned and focused all of his knowledge on controlling the Nanming Ignis Diagram!

"Phew!"

The fierce red flames howled and transformed into a huge burning hell. The burning hell spread and pounced towards the demon god and the Chitian Divine King!

"Bang!"

The two extreme forces collided, producing a violent boom. It was as if mountains were collapsing and the earth was cracking.

A dazzling white light erupted from the entire space, enveloping the entire world!

In the light, the demon god's phantom was directly swallowed by the flames and completely disappeared!

The divine king was also heavily injured and unconscious!

Chapter 245: It's Needed to Revise the Books I Write Later

(1)

Holding the Nanming Ignis Painting, the Great Sun Immortal slowly retracted the surrounding flames.

As the flames dissipated, Xiao Changtian immediately walked over to Chu Yiren's side and placed his finger on her nostrils.

"Fortunately, I wasn't killed by the malicious ghost just now."

Xiao Changtian heaved a sigh of relief when he felt Chu Yiren's breath.

Following that, Xiao Changtian picked Chu Yiren up from the ground and said to Daoist Big Sun,"

"Daoist Big Sun, let's hurry back."

Although Chu Yiren was still breathing, she was still unconscious. There was no telling what the malicious ghost had done to her body.

It was better to hurry back to the courtyard and investigate.

Upon hearing Xiao Changtian's words, the Great Sun Immortal did not dare to be negligent and waved his sleeves.

Then, he carried Chu Yang on his back and brought Xiao Changtian back to the courtyard.

"Senior!"

As soon as Daoist Dayang and Xiao Changtian landed in the courtyard, Elder Zhuyi greeted Xiao Changtian.

However, Xiao Changtian didn't have time to care about them.

His figure landed in the courtyard and he brought the Immortal Da Yang to his room.

After Xiao Changtian slowly placed Chu Yiren on the bed, he turned to Daoist Big Sun behind him and said,"

"Daoist Big Sun, can you please check if the malicious ghost left anything on her?"

Although he had the system's great success in medical skills, he was still a mortal after all.

It was fine to treat the patients of the neighbors on normal days, but if they really encountered the problem of being possessed by ghosts, they would have to hand it over to Immortal Cultivators like the Great Sun to solve it.

When the Great Sun Immortal heard Xiao Changtian's words, he was also stunned.

This senior's medical skills were far above his. Why would he let him treat her?

He couldn't say that he was proficient in medicine. It was simply nonsense.

Even though he was thinking this, he still sat down by the bed.

He picked up Chu Yiren's wrist with his left hand and placed his right hand on it. A surge of spirit energy entered Chu Yiren's body.

Although he didn't know how to treat others, he had no problem checking their injuries.

Moreover, there must be a reason why Senior asked him to do this.

Very quickly, the spiritual force circulated through Chu Yiren's body.

After placing Chu Yiren's wrist back on the bed, Daoist Big Sun slowly got up and said to Xiao Changtian,"

"Senior, this girl is just exhausted. She'll be fine after a few days of rest."

Xiao Changtian heaved a sigh of relief when he heard the words of the Great Sun Immortal.

With an expert like Daoist Big Sun investigating, nothing would happen to Yiren, right?

After all, not everyone was as strong as the Great Sun Immortal, so it was normal for him to be frightened to the point of collapse by a malicious ghost.

When the time came, he would just give her a few doses of medicine to adjust.

However, on the Beast Tamer Sect's side...

Thinking of this, Xiao Changtian said to the Great Sun Immortal,”

“Daoist Big Sun, how do you think we should deal with the Beast Tamer Sect?”

When they were fighting in the Four Symbol Regions, the Great Sun Immortal was the chief of the Five Region.

Xiao Changtian still wanted to know how he planned to deal with the sneak attack on the Beast Tamer Sect.

After hearing Xiao Changtian’s words, the Great Sun Immortal immediately understood something and said hurriedly,”

“Don’t worry, I’ll get the disciples of the Great Sun Sect to help them rebuild the Beast Tamer Sect.”

This senior had asked him how to deal with her, and he had also asked him to check on Chu Yiren’s injuries.

Wasn’t it just to give him a chance to build a good relationship with the Beast Tamer Sect?

Right now, he was the weakest among all the cultivators who stayed by Senior’s side.

Senior wanted him to build a good relationship with these sects and promote him.

Thinking of this, the Great Sun Immortal looked at Xiao Changtian with gratitude.

After Xiao Changtian heard that the Great Sun Immortal wanted to help the Beast Tamer Sect rebuild, he looked at the Great Sun Immortal’s eyes.

How sincere! This Immortal Da Yang was really a good cultivator. This was completely different from the novels he had read in his previous life.

It seemed that the books he wrote in the future needed to be revised. After all, he had personally experienced it in the cultivation world.

In the sky above the Five Region

“Haha, I’m back.”

A clear voice rang out in the air. Then, a muscular man wearing animal skin and with horns on his head walked out from the crack in the air.

“Iron Eater, we will soon be able to conquer the heavens together.”

The fur-clad man looked at the mountains and rivers below him, his eyes filled with excitement.

Previously, when he was traveling in the Divine World and passing by the Senluo Immortal Continent, he discovered the aura of his previous mount, the Iron Eater.

It wasn’t as if he hadn’t thought of returning to the Tian Yuan Continent to bring the Iron Eaters to the Divine Realm.

However, the laws on the barrier between the two worlds were too powerful.

He could not do anything to it.

This time, the Senluo Immortal Continent actually discovered the aura of the Iron Eater.

A crack suddenly appeared in the barrier between the two worlds and he immediately ran down.

“The Iron Eater should have been in the Beast Tamer Sect, but the opening of the Ancient Door and the birth of the Great Emperor have had a huge impact on this world.”

The fur-clad man muttered as he stood in midair.

Then, the true essence in his hand gathered and transformed into a ball of light that appeared in front of his chest.

“Go!”

The fur-clad man shouted and pointed his finger forward. The ball of light turned into a stream of light and flew down.

This was the method Chu Yuanshan used to sense the Iron Eaters. After the light ball flew out, it would help him find the location of the Iron Eaters.

“Waah! Waah!”

Chu Yuanshan had just taken a step when a childish voice sounded in his ear.

Chu Yuanshan turned around and saw a giant panda hugging his thigh.

She was looking at him with her big, watery eyes, and she was even touching her stomach.

“F \* ck you. When I get the Iron Eater back, I’ll sell you for money.”

Seeing the giant panda on his thigh, Chu Yuanshan cursed.

At the same time, his right hand took out a few spiritual bamboos from his waist pouch and reluctantly handed them to it.

After the giant panda received the spiritual bamboo, it seemed as if it did not hear Chu Yuanshan's words just now. It put it in its mouth and started gnawing.

When Chu Yuanshan saw the giant panda gnawing on the bamboo by itself, his figure flashed and disappeared into the air.

As for the giant panda, every time he ignored it, he would automatically follow.

And at this moment the fat Rongrong in Xiao Changtian's courtyard also looked up at the sky as if she had sensed something, saying to the old turtle on her head,

'I can feel that my ex-owner is rushing towards me.'

After hearing Fatty Rongrong's words, the old turtle also stretched out his head from his shell.

After taking a look at the sky, they discovered that a ball of light was chasing after them..

Chapter 246: Want to have designs on my Rongrong, no way!\_i

When the old turtle saw the ball of light, he casually spat out a green light.

He retracted his head back into his turtle shell.

Fatty was now considered his little brother, but his previous master had actually sealed his little brother underground for ten thousand years.

As the big brother, how could he tolerate this?

In the air, Chu Yuanshan followed the light ball in front of him and kept moving forward.

Whoosh! Whoosh! Whoosh!

Suddenly, a gust of cold wind blew across the sky. The light ball in front of Chu Yuanshan shook violently and then exploded in midair.

After the cold wind passed, Chu Yuanshan's face turned gloomy. He scanned the area where he was with his holy sense.

The ball of light exploded. How could he not understand that the cold wind just now was not a natural phenomenon at all? It was an attack deliberately launched by someone to target him.

"Could it be that something happened to the Iron Eater during my absence?"

Chu Yuanshan looked at the sky in front of him with a gloomy expression.

He had come back to find the Iron Eater for another important reason, which was to capture the leader of the Divine Court.

With its current strength, it was definitely unable to fight against those old fellows hiding in the dark.

However, with the Iron Eater, it was not necessarily the case. As long as he joined forces with the Iron Eater, Chu Yuanshan was confident that he could even fight a Divine Emperor.

Someone had just launched an attack on him, which meant that someone had already known his movements in advance.

Then, Chu Yuanshan looked down at Dayang Town.

However, the town below had a larger population in this area.

His senses towards the Iron Eaters were getting more and more intense. There was no doubt that the Iron Eaters were in this area.

With this thought in mind, Chu Yuanshan did not stay in the air any longer. In a flash, he appeared in Dayang Town.

“I never thought that the people of the Tian Yuan Continent would still be so weak after the Door of Antiquity opened.”

Chu Yuanshan walked on the streets of Dayang Town and looked at the bustling crowd as he muttered.

In his perception, none of the cultivators in Dayang Town had reached the Martial Monarch Realm, let alone the Divine Realm.

Chu Yuanshan shook his head disappointedly. If the cultivators here were stronger, he could have searched their souls.

However, based on his estimation of the strength of the expert who had attacked him just now, he could not help but wonder.

It should be the same as him, reaching the Godly King realm.

Otherwise, it was impossible for his spiritual sense to not capture any traces.

An expert of this level was not something that the cultivators in this small town could discover.

Chu Yuanshan walked on the street and saw the yard that Xiao Changtian was renovating.

Although the main cultivator was a dacheng stage cultivator, the bricks on the courtyard made him feel extraordinary.

Chu Yuanshan walked towards Xiao Changtian's courtyard with the intention of taking a look.

Just as she raised her hand to knock on the door of the courtyard, she saw a giant panda in the courtyard.

At this moment, the giant panda was curled up in a corner of the courtyard, and there was an old turtle pointing at it.

Chu Yuanshan slowly lowered his arm that was suspended in mid-air. His face was gloomy.

The Iron Eater that he had been thinking about for so many years was actually being ridden on by an old turtle.

Even when it was his mount, he had never treated it this way.

With anger in his heart, Chu Yuanshan kicked open the door of the courtyard.

Bang! The sudden sound of the door being pushed open immediately attracted the attention of everyone in the courtyard.

The little goldfish in the pond, the old hen in the chicken coop, and the old turtle all looked at the door angrily.

"Who is it? Who dares to kick Senior's door like this?"

Gan Tianlei was furious when he saw the door being kicked open.

As the guards of the courtyard, it was their duty to guard the gate.

Now that the door had been kicked open, what if he made the senior unhappy and chased him away?

Seeing Chu Yuanshan walk in, Gan Tianlei and the rest walked over angrily.

“What’s wrong with you? Are you asking for a beating?”

With the thought of being fired by Xiao Changtian, Mo Shengu shouted at Chu Yuanshan angrily.

Chu Yuanshan looked at the four people in front of him with disdain.

A few small cultivators of the Great Vehicle Stage dared to block in front of him. They really did not know the immensity of heaven and earth.

With a thought, he decided to finish off Mo Shengu and the others on the spot.

“Creak!”

At the same time, Xiao Changtian’s door slowly opened with a creaking sound.

Xiao Changtian walked out of the room.

Xiao Changtian also heard a loud bang in the room and quickly came out to check.

After looking at the direction of the building of the first elder, Xiao Changtian also let out a sigh of relief.

He had thought that some worker had been injured while moving bricks.

Now, it seemed that everyone’s expressions were as normal as before. There was no problem.

Then, Xiao Changtian looked in the direction of the gate.

He saw his four guards and a fur-clad man standing together. It was unknown what they were talking about.

“Senior!”

When Mo Shengu and the others saw Xiao Changtian come out, they also bowed to him.

Chu Yuanshan saw Xiao Changtian’s appearance and Mo Shengu’s behavior. He knew that Xiao Changtian was the master of this courtyard.

Sweeping with his holy sense, he found that Xiao Changtian didn’t have any spiritual energy fluctuation.

“Humph, a mortal! The cultivators of the Tian Yuan Continent have all been defeated! How dare you let a mortal guard the house?”

Chu Yuanshan looked at Xiao Changtian contemptuously and was about to walk towards Pang Rong.

If the light ball had not exploded, Chu Yuanshan would have killed everyone in the courtyard.

However, he thought that he might have been exposed. Considering the importance of the Lord of the Divine Court, he decided to take the Iron Eater away.

At this time, he did not want to see any complications.

Xiao Changtian saw Chu Yuanshan walking towards Pang Rong.

He then looked at the clothes he was wearing. He was wearing a beast skin shirt and had antlers on his head.

He's obviously a hunter. Could it be that he's interested in my Pang Rong and wants to capture him and sell him for money?

Thinking of this, Xiao Changtian immediately walked over and stood in front of Chu Yuanshan.

"Friend, don't you know that it's illegal to trespass in Dayang Town?"

Chu Yuanshan looked at Xiao Changtian who had suddenly appeared in front of him. A trace of anger flashed in his eyes.

This reckless mortal actually dared to block in front of him.

He had just gathered the truth in his hand when he thought of the matter of the Lord of the Divine Court. He could not help but suppress his anger.

The Zhen Yuan in his hand dissipated, and he was about to walk around Xiao Changtian towards Pang Rong.

Xiao Changtian saw that the fur-clad man didn't care about him at all and was about to walk towards Pang Rong.

At that moment, he was also a little angry. He was already polite enough to him. Since he refused a toast only to drink a forfeit, then he could not blame himself.

Want to have designs on my Rongrong, no way!

Then, he shouted at Chu Yuanshan,"

"This friend, if you have designs on my Rongrong, please leave, otherwise I can

only chase you out..”

Chapter 247: You're the Best at Acting (1)

Chu Yuanshan heard Xiao Changtian's words and stopped in his tracks.

Looking at Xiao Changtian in front of him and recalling what he had just said, he couldn't help but confirm,”

“You said you are its master?”

Chu Yuanshan pointed at Pang Rong. Since he didn't know Pang Rong's name, he wanted to confirm it.

Xiao Changtian followed Chu Yuanshan's finger.

As expected, he was here to capture Pang Rong. In his previous life, giant pandas were rare animals and were protected by the country.

However, there were still people who wanted to capture them for a high price.

Xiao Changtian didn't expect that the cultivation world was the same. As an animal keeper, Xiao Changtian hated this kind of behavior.

The giant panda was so cute. How could she capture him?

He didn't give Chu Yuanshan a good look and slowly said to him,”

“That's right, I'm his master. So what? If you want to hit him, there's no way.”

Chu Yuanshan's face darkened after Xiao Changtian's confirmation.

So it was this guy who had just blown up his light ball. No wonder he was standing in front of him without fear.

He couldn't sense any spiritual power on his body. It was probably because he had cultivated some kind of special cultivation technique.

Filled with anger, Chu Yuanshan threw a punch at Xiao Changtian.

Whether it was on the Tian Yuan Continent or the Divine Realm, he was the strongest existence.

Back on the Tian Yuan Continent, he was a revered ancient emperor.

In the Divine World, when the God Emperor or God Emperor did not appear, he was the God King that was revered by tens of thousands of people.

When had he ever been provoked like this?

Xiao Changtian saw Chu Yuanshan punching at him without a word.

"F \* ck, are you trying to trick me?"

In the blink of an eye, Xiao Changtian twisted his neck and dodged Chu Yuanshan's punch.

Although he couldn't cultivate, his martial arts had already reached the realm of great success.

The person in front of him was obviously not an immortal cultivator. Otherwise, why would Mo Shengu and the others let him in?

She must have seen that he was a mortal and could not attack him.

Xiao Changtian had heard about this before. There was karma in the cultivation world when they attacked mortals.

Since he was not an immortal cultivator, he still dared to be so arrogant in his own courtyard.

If he did not teach him a lesson, he would think that he was made of paper.

He also punched Chu Yuanshan's abdomen.

Bang! Chu Yuanshan thought it was an accident and was about to launch a second attack.

He felt the blood and Qi in his body churning from his abdomen.

Then, like a kite with a broken string, he flew towards the door.

"Tsk, I thought he was strong. How dare such trash have designs on my Pang Rong."

After sending Chu Yuanshan flying with a punch, Xiao Changtian also looked at the door with disdain.

He was wearing a beast robe and a pair of antlers. If he didn't know, he would have thought that he was awesome. He didn't expect that he would be so weak.

Then, Xiao Chang Tian walked in front of Pang Rong, took the turtle off his head and threw it into the pond.

She rubbed his little head and slowly said,

"Don't be afraid, Pang Rong. I will protect you."

Hearing Xiao Changtian's words, Pang Rong's eyes were filled with tears.

When he saw Chu Yuanshan, Fatty Rong had thought of talking to him.

She asked him why he had sealed her and abandoned her.

However, after hearing Xiao Changtian's words, Pang Rong felt that none of this mattered.

Isn't it great to have such an awesome and considerate master and Big Brother Black Tortoise?

Xiao Changtian saw the tears in Pang Rong's eyes and wiped them away.

This giant panda must have been frightened just now. It had the same sense of smell as a hunter.

Animals also had a sense of smell towards hunters. It must have been frightened by that guy just now.

After comforting Pang Rong for a while, Xiao Changtian stood up and walked to Mo Shengu and the others.

When Mo Shengu and the others saw Xiao Changtian standing in front of them, their hearts were in turmoil.

"Due to my negligence just now, I let such a person in. Senior won't chase us away, right?"

It was all that guy's fault. He pretended to knock on the door and then suddenly kicked in.

If there was a chance, he would definitely capture him and beat him up.

At this moment, Mo Shengu and the other three walked up to Xiao Changtian and said slowly,”

“Senior, I’m sorry. We didn’t take care of the courtyard properly, but don’t worry, we promise that this won’t happen again.”

After Mo Shengu finished speaking, Gan Tianlei hurriedly added,

“Don’t do it again.”

Xiao Changtian looked at them apologizing to him and said,”

“It’s okay. People always make mistakes. Just be careful next time.”

When Gan Tianlei and the other three heard that Xiao Changtian didn’t chase them away, their faces were filled with joy.

At that moment, he secretly said in his heart that he would definitely not let a fly in in the future.

Then, Xiao Changtian walked into his room.

After Xiao Changtian left, Mo Shengu and the others looked at each other and saw the courtyard outside.

At this moment, Chu Yuanshan had just stood up from the ground. There was still blood at the corner of his mouth.

Xiao Changtian’s punch just now had almost caused his qi and blood to flow in reverse.

No wonder he could take the Iron Eater as a mount. He had some skills.

Chu Yuanshan stood up and planned to leave. After being punched by Xiao Changtian, he knew that he was no match for Xiao Changtian.

As a beastmaster, if he didn't have his own mount, his strength would be greatly reduced.

However, just as he took a few steps forward, he saw a few shadows in front of him.

He turned around and saw Mo Shengu and the others smiling at him.

If he couldn't beat that person just now, how could he not beat a few dacheng stage cultivators?

Chu Yuanshan looked at the four people behind him and couldn't help but be angry. He wanted to vent his anger from being beaten up on them.

"Form the formation!"

However, before Chu Yuanshan could make a move, Mo Shengu's voice rang in everyone's ears.

The array instantly trapped Chu Yuanshan. Chu Yuanshan smiled contemptuously. Just as he was about to break the array, he realized that he could not mobilize the true essence in his body at all.

What was going on?

Before Chu Yuanshan could figure out what was going on, Mo Shengu kicked him to the ground.

"You're the best at pretending, aren't you? You raised your hand in the air and kicked the door, right?"

"You're the best. Why don't you become an actress? Why are you here to harm us?"

Xing Tianzi, who was beside him, was also cursing and stomping on Chu Yuanshan.

“Ahhhhh!”

Chu Yuanshan kept screaming under the trampling of the four people.

In the end, he really couldn't stand it anymore and couldn't help but explain,

“I really wanted to knock on the door at first.”

Chu Yuanshan didn't care about the Iron-eating Beast or the fact that he couldn't use his Zhen Yuan. He just wanted to leave this place as soon as possible.

As the saying went, there was hope as long as there was life. If this continued, he would really be trampled to death.

However, just as Chu Yuanshan finished speaking, Gan Tianlei stepped on him again.

“Pretend, keep pretending. You're the best at pretending.”

In the air, the wails of the Chu Yuanshan sounded again..

Chapter 248: Brother Wushuang Is the Man Who Will

Become the Master of the Divine Court (1)

In the sky above the Northern Barren State, two streaks of light flew past.

“Brother Wushuang, have you found the whereabouts of that Master of the Divine Court?”

Nalan Yan leaned into Li Wushuang's embrace as she raised her head and smiled at her.

Hearing Nalan Yan's numbing voice, Li Wushuang's spirits were lifted and the strength in her arms around Nalan Yan increased.

"Treasure, it'll be soon. I feel that I'll be able to find the location of the Lord of the Divine Court soon."

When he had helped the Black Cloaked Deity Emperor deliver that stone to Deity King Profound Jade, he had been instigated by Nalan Yan to be extra careful.

The aura on the stone was preserved through a secret technique.

With the help of the aura on the stone and the words of the black-robed Divine Emperor's phantom, he combined it with his own search method.

He had determined that the aura of the Lord of the Divine Court was on the Northern Barren Continent. However, with his current strength, he could not detect the exact location.

However, with his strength as a God King, how long would it take for him to search the entire Northern Barren Continent?

Hearing Li Wushuang's words, Nalan Yan's eyes flashed with disappointment.

It had been a few days since they left the Mystic Jade Divine Hall. They did not expect that they still could not confirm the exact location after such a long time.

When he found a stronger cultivator, he would definitely kick him away.

With this thought in mind, Nalan Yan still used her hand to stroke her hair, and said to Li Wushuang flatteringly,

“As expected of Brother Wushuang. He is about to find the position of the Lord of the Divine Court. I am looking forward to the day when Brother Wushuang becomes the ruler of the Divine World.”

Hearing Nalan Yan’s words, Li Wu Shuang also felt like she was floating on air, and a smile unconsciously appeared on her face.

The image of him sitting on the dragon throne in the Divine Court’s main hall with Nalan Yan in his left hand and a little handmaiden in his right started to appear in his mind. He was awake and in control of the world, drunk on the knees of a beauty.

Nalan Yan, who was in his arms, saw Li Wushuang’s silly smile and a trace of disgust flashed across her eyes.

Following that, Nalan Yan saw a horned fur-clad male below them.

In her perception, she actually could not see through the strength of this fur-clad man.

After plundering Divine Lord treasures to increase his cultivation, such a situation was not common, especially in the North Barren State.

After thinking for a while, Nalan Yan patted Li Wushuang’s chest and pointed at the beast-robed man below.

“Brother Wushuang, the person below looks so strange. Shall we go down and take a look?”

Li Wushuang was already in a good mood, and when she heard Nalan Yan’s sweet voice, she smacked her cheek and said,

“Alright, Bao, whatever you say.”

Casually sweeping his gaze over the figure below, he didn't probe too much before hugging Nalan Yan and turning into a stream of light as he flew down.

On a small path in the forest, Chu Yuanshan covered his face with a bottle of ointment in his hand and kept applying it to his face.

Under the punches and kicks of Gan Tianlei and the other three, Chu Yuanshan passed out in a short while.

When he woke up, he found himself in a forest outside Dayang Town.

There were also a few birds chirping on his body.

After waving his hand to chase away the little bird on his body, he planned to return to the Divine World to find his old friends and then come back for revenge.

The strength of Gan Tianlei and the others was too strange in Chu Yuanshan's eyes.

Normally, he only needed to activate the true essence in his body to heal these superficial injuries.

However, Gan Tianlei and the others were too strange. Not only could their injuries not be repaired with true essence, but they would also constantly feel pain.

It was just like a mortal suffering from the pain of a woman. He could only let it slowly heal.

Presumably, they were also the disciples of the owner of the courtyard. They cultivated the same cultivation technique to hide their strength.

"Hiss..."

With this thought in mind, Chu Yuanshan's palm that was touching the ointment accidentally touched the sore spot on his cheek. He could not help but let out a cry.

Then, Li Wushuang and Nalan Yan appeared in front of Chu Yuan Shan.

Nalan Yan had originally felt that Chu Yuan Shan was not ordinary, and the moment she landed, she could not help but size him up.

Seeing Chu Yuanshan's pig liver head, he couldn't help but say to Li Wushuang,"

"Brother Wushuang, look at him..."

Following that, Nalan Yan covered her mouth and laughed.

Seeing Nalan Yan covering her mouth and laughing, Li Wushuang also turned to look at Chu Yuan Shan.

Seeing his pig liver face, she covered her stomach with her hands and laughed.

Chu Yuan Shan saw Li Wu Shuang and Nalan Yan laughing at him and was furious.

He had already suffered a lot in Xiao Changtian's courtyard, and now there were two people mocking him.

He was about to attack Li Wushuang and the others.

When Nalan Yan saw Chu Yuan Shan rushing towards them, she also said mockingly,

"You pig liver face want to sneak attack Brother Wushuang? Do you know that Brother Wushuang is going to become the Lord of the Divine Court?"

Hearing Nalan Yan's words, Li Wushuang patted her chest and looked at Chu Yuan Shan with disdain.

When Chu Yuan Shan heard Nalan Yan mention the Lord of the Divine Court, his body also paused, and he stopped in front of them.

His expression was a little gloomy as he slowly said to them,

"Lord of the Divine Court?"

Seeing that Chu Yuan Shan had a reaction, Nalan Yan's mouth flashed with a smile of success. He then said to Li Wu Shuang:

"Big Brother Wushuang, I'm sorry for letting it slip just now."

As he spoke, Nalan Yan lowered his head and placed his hands on his chest, as if he had done something wrong.

Facing Nalan Yan like this, how could Li Wushuang blame him? She stroked Nalan Yan's little head and slowly said,

"Baby, it's okay. I don't blame you."

When Chu Yuanshan saw Li Wushuang and the others ignoring him, his heart burned with rage.

A powerful aura belonging to a God King erupted from his body.

A wave of air blew past her, and Li Wushuang realized that Chu Yuanshan's cultivation was the same as hers, a God King.

Nalan Yan also pretended to be frightened and hid in Li Wushuang's embrace.

Feeling the trembling of the person in her arms, Li Wushuang released her God King aura.

He comforted Nalan Yan who was in his arms,”

“Bao, don’t be afraid. I’m here.”

Then, he scolded Chu Yuanshan,”

“What’s wrong with you? Are you courting death?”

Although Wushuang found out that Chu Yuan was a God King, she also noticed his injuries.

Chu Yuanshan didn’t waste any time and threw a punch at her.

Not only did this wretched couple not put him in their eyes, but they also knew information about the Lord of the Divine Court. He had to get rid of them.

Even though he was injured, Chu Yuanshan could tell that God King Li Wushuang’s foundation wasn’t stable. It was obvious that she had relied on external forces to improve herself.

Seeing Chu Yuanshan take the initiative to punch her, Li Wushuang also let go of Nalan Yan in her arms and threw a punch at him..

Chapter 249: Why Didn’t I Think of It Before? How Stupid

(1)

Bang! When the fists collided, a wave of air spread out from the two of them.

Then, the two of them took a few steps back.

Slowly stabilizing herself, Li Wushuang looked at Chu Yuanshan in shock.

He had thought that Chu Yuanshan was injured and that he would be able to kill him easily.

He did not expect that the power transmitted from Chu Yuanshan's fist was actually on par with his.

On the other side, Chu Yuanshan also stabilized his body and waved his fist. His face was filled with dissatisfaction.

If it wasn't for his injuries, he would have killed Li Wushuang long ago.

Nalan Yan looked at Chu Yuan Shan from the side, her eyes flickering.

As expected, he was not mistaken. This fur-clad man was also an expert.

For a moment, Nalan Yan suddenly had a new idea in her heart.

Seeing that the two of them were about to meet again, Nalan Yan quickly walked over and pulled Li Wushuang back. She slowly said to Chu Yuanshan,

"Fellow Daoist, since we're all here for the master of the Divine Court, why don't we cooperate?"

Then, he turned to Li Wushuang and said with a smile,

"Brother Wushuang, are you?"

After Li Wushuang had not confirmed the position of the Lord of the Divine Court for a few days, Nalan Yan knew that if she relied on Li Wushuang's words, who knew how long she would have to wait.

She just happened to meet Chu Yuan Shan. With Nalan Yan's eyesight, she could tell that Chu Yuan Shan's strength was above Li Wushuang's.

With his help, the chances of finding the Lord of the Divine Court would be greater.

It didn't matter to her who would obtain the fate of the Lord of the Divine Court.

With her beauty, she was confident that she could take down whoever obtained the fate of the Lord of the Divine Court.

Seeing Nalan Yan's coquettish look, Li Wushuang couldn't think any further and quickly said,

"Treasure, I'll listen to you."

Following that, he pulled Nalan Yan into his embrace.

After Chu Yuanshan heard Nalanyan's words, he stopped his attack.

He was also injured now and was not suitable to fight. Moreover, these two people might know some information that he did not know.

When his strength recovered, wouldn't he still have the final say?

Thinking of this, Chu Yuan Shan said to Nalan Yan and the others,"

"Since we want to cooperate, we have to show some sincerity."

Hearing that Chu Yuan Shan was willing to cooperate, Nalan Yan's face revealed a faint smile as she slowly said to him,"

"Fellow Daoist, why don't we share information?"

Then, after some discussion, the three of them formed a temporary team with their own thoughts.

In the North Moon Empire's Eastern Palace, Jiang Beichen paced back and forth anxiously in his room.

Ever since Xiao Changtian told him to find a water source that would never freeze, he had mobilized all the power he could to search for it.

In fact, he had basically toured the entire continent.

After a round of searching, they had not even heard of such a water source, let alone seen it.

Moreover, he heard that Eldest Senior Brother, Second Senior Brother, and the others had already found the ingredients that Master had instructed them to eat.

At that time, if he was the only one who could not find it, his master would be very disappointed in him.

At the thought of this, Jiang Beichen could not help but feel melancholic again. He sat on the chair beside the table and covered his forehead with his hand.

"Your Highness, Imperial Preceptor requests an audience!"

At that moment, an armored soldier appeared at the door of Jiang Beichen's room and reported to him.

Hearing the soldier's report, Jiang Beichen stood up from his chair and said to the soldier at the door,"

“The state preceptor is here. Please welcome him.”

The state preceptor was the only one among the people he had sent out who had not reported to him.

The state preceptor had only returned after such a long time. Perhaps he had news of the water source.

Soon, the state preceptor was led to Jiang Beichen’s room by the soldiers.

As soon as the state preceptor entered Jiang Beichen’s room, Jiang Beichen said to him,”

“State Preceptor, how is it? Is there any news about the water source?”

When the Imperial Advisor heard Jiang Beichen’s words, he hurriedly bowed to him and said,

” Your Highness, I’m useless...”

Before the state preceptor could finish speaking, he saw Jiang Beichen wave his hand at him, indicating for him to leave.

Jiang Beichen had already heard such words countless times. Previously, those who had not been found had all reported to him in this manner.

Thinking about it, it made sense. He had personally visited various places on the continent, but he did not find anything.

Could it be that the state preceptor had discovered something?

At that thought, Jiang Beichen sat back down in his chair in disappointment.

Seeing Jiang Beichen’s disappointed expression, the state preceptor still said to him,”

“Your highness, although I didn’t find a water source, I did find some information about it.”

Chen, who was sitting on the chair, felt energized after hearing the state preceptor’s words. He said excitedly,”

“State Preceptor, why didn’t you tell me earlier that there was a water source?

Tell me quickly, where is the water source?”

When the Imperial Advisor heard Jiang Beichen’s words, he was also stunned.

I was just about to say that you didn’t want me to say it.

Then, she continued to say to Jiang Beichen,

“Your highness, according to my investigation, the water source you want to find is not available on the Tian Yuan Continent. If you want it, you should go up there.”

Jiang Beichen saw the state preceptor’s finger pointing at the ceiling. When he looked up, there was nothing on the ceiling.

Then, he understood and said to the Imperial Advisor with a smile,”

“Imperial Preceptor, you are indeed the Imperial Preceptor of my North Moon Empire. Why didn’t I think of this before?”

He had been focusing on the Tian Yuan Continent all this time and had forgotten how his master’s food could be ordinary.

The ingredients for such a thing must be in the Divine World. Why didn't he think of it before?

Then, Jiang Beichen walked out of the room and flew into the sky like a streak of light.

A sword light streaked across, and a crack appeared in the barrier between the two worlds.

Jiang Beichen passed through the crack and stopped in mid-air, looking down. When he saw a crowded town, he turned into a stream of light and flew down. Whoosh! Jiang Beichen's figure landed on a street. He saw the pedestrians on the street running toward the city gate with bags on their backs.

Noticing the unusual behavior of these people, Jiang Beichen grabbed a passerby beside him and said,

"Uncle, did something happen in the city? Why does everyone look like they're fleeing?"

The passerby saw Jiang Beichen holding him back. He was young and had an imposing appearance.

Thinking that such a young life could be lost here, he said to Jiang Beichen, "Young man, you just came here not long ago. I advise you not to stay here and leave quickly."

Hearing the passerby's words, Jiang Beichen continued asking,

"Uncle, what happened here?"

When the passerby heard Jiang Beichen's words, he also sighed and slowly said,

"The Luo Water Empire and the Blood Sickle Empire are at war. Now that the Blood Sickle Empire's army is almost at the city, if you're still in Luo Water City, you'll become a dead soul under their blades sooner or later.."

Chapter 250: Luoshui Dynasty (1)

Jiang Beichen finally understood what was going on after hearing the old man's words.

The city he was in was the capital of the Luo Water Dynasty, Luo Water City.

On the other hand, the Luo Water Dynasty had been defeated in the war with the Blood Sickle Dynasty. Now, they were in a precarious situation and could be destroyed at any time.

When the old man saw that Jiang Beichen did not seem to be moved after hearing his words, he said kindly again,

"Young man, listen to my advice and leave quickly."

Hearing the old man's words, Jiang Beichen smiled at him and said,"

"Thank you, uncle, but I still need to find an unfreezing water source."

After giving the old man a tight hug, Jiang Beichen turned to leave.

"Sigh, why are you still thinking about the sacred artifact of the Luo Water Dynasty?"

When the old man heard that Jiang Beichen did not listen to his words and instead wanted to find the holy relic of the Luo River Dynasty, he could not help but sigh.

The Blood Sickle Empire had attacked their Luo Water Empire because they had taken a fancy to their sacred item, Luo Water.

The Luo River was actually an extremely special spirit vein. Not only would it never freeze, but one could also cultivate at a rapid pace by cultivating beside it.

Jiang Beichen had only taken a few steps when he heard the old man's words.

In a flash, he reappeared in front of the old man and said,"

"Uncle, is the holy item that you just used that kind of water that never freezes?"

The old man saw Jiang Beichen come up to him again and ask him about the sacred object.

She was even more certain that he was the kind of person who would risk his life for Luo Shui, so she said to him,

"Young man, let me remind you again. Although Luo River is good, your life is more important."

In the past, its son had also been ambitious and wanted to fight for the sacred relic of the Luo River Dynasty. In the end, he ended up with nothing.

Jiang Beichen looked to be about the same age as its son, and it really did not want Jiang Beichen to repeat its son's mistakes.

Jiang Beichen was delighted to receive the old man's confirmation. After thanking the old man, he turned into a stream of light and disappeared.

The old man looked in the direction Jiang Beichen left and shook his head.

He could also tell that Jiang Beichen was a cultivator, but so what?

Thinking back, his son was still a High Level Deity, but in the end, he lost both his life and wealth.

"Young people nowadays really don't care about their lives."

The old man seemed to have already seen Jiang Beichen's fate. He sighed and turned to walk towards the city gate.

At the same time, in the palace hall of the Luo Water Dynasty.

The ministers from the past had already left. After knowing that the Blood Sickle Dynasty was about to attack the city, those ministers had all fled for their lives.

In the entire palace, there was only the dragon throne at the top. The Emperor of Luo Shui sat on the ground.

His face was pale, and he looked as if he had already accepted his fate. He was waiting for the Blood Sickle Empire to end his life. He muttered,

"No, no, everything is gone."

Below them were a group of princes and princesses.

Amidst the cries of the palace, the First Prince stood out and said to the Emperor of Luo Shui,"

"Father, the Blood Sickle Empire is going too far. We can't sit still and wait for death. For example, let's go out and fight to the death with them."

Before the Emperor of Luo Shui could reply, the Second Prince mocked him,"

"Fight to the death. What are you going to use to fight to the death with others? If you had listened to my suggestion and offered Luo Shui with both hands, you wouldn't have ended up like this today."

"Look now, not only did Luo River not survive, even the country was about to be destroyed."

When the First Prince heard his second brother's words, he was also furious.

He pointed at him and said,

"You, you are simply incurable."

At the same time, a hearty voice rang out in the hall.

"What did you just say? Luoshui is gone?"

As the voice fell, everyone looked in the direction of the sound.

The palace's main doors had been opened at some point, and Jiang Beichen's figure walked in.

"Blood Sickle Empire, my Luo Water Empire is irreconcilable with you."

When the Eldest Prince saw Jiang Beichen walk in, he thought that the Blood Sickle Empire had attacked. He raised the sword at his waist and charged at Jiang Beichen.

The sword slashed through the air, and a sword light slashed towards Jiang Beichen.

Jiang Beichen looked at the oncoming sword light and appeared in front of the First Prince in a flash.

With a wave of his finger, the First Prince's figure flew out and crashed into a pillar in the hall.

"Playing with a sword in front of me?"

Jiang Beichen glanced at the First Prince and said slowly.

Then, he came to the Second Prince's side. Before he could speak, the Second Prince said in fear,

"Don't kill me, don't kill me. I can give you anything you want. I know where the key to the national treasury is, and there's also a beauty. Oh right, this is my third sister."

As he spoke, the Second Prince pointed to a crying princess.

Seeing the Second Prince's ugly state, Jiang Beichen's face was filled with disgust as well. He immediately slapped the Second Prince.

He was also born in a dynasty.

However, when he saw the Second Prince betray his family and the country in order to survive, Jiang Beichen still slapped him to death.

At this moment, the First Prince slowly got up from the ground and wiped the blood from the corner of his mouth.

He had clearly sensed the powerful sword intent from Jiang Beichen's attack just now.

Moreover, he was using his finger as a sword. This meant that this person's understanding of the sword was far above his.

Moreover, he was a sword master, the kind of sword master. However, if he dared to do anything inappropriate to his royal sister, he would still fight to the death.

After slapping the Second Prince to death, Jiang Beichen appeared before the First Prince and said,"

"You just said that Luoshui disappeared. What's going on?"

When the First Prince heard Jiang Beichen's words, he smiled slowly and said,"

“What’s going on? Don’t you know? Luoshui was taken away by your Blood Sickle Empire a few days ago.”

When Jiang Beichen heard the First Prince’s words, he realized that the First Prince had mistaken him for someone from the Blood Sickle Dynasty. He could not help but say,”

“I’m not from the Blood Sickle Empire.”

Then, he turned around and was about to leave. Since Luo Water had already been seized by the Blood Sickle Empire, he had to make a trip to the Blood Sickle Empire.

When the First Prince heard Jiang Beichen’s words, he understood that he had misunderstood. He hurriedly knelt down and said to Jiang Beichen,

“Senior, the Luoshui Dynasty is in deep trouble now. Please help. After this is done, Luo Tian is willing to do anything to repay you.”

As he spoke, Luo Tian kowtowed a few times in Jiang Beichen’s direction.

Although he didn’t know Jiang Beichen’s true strength, based on the sword intent he just revealed, he was still able to use the sword technique.

He believed that as long as Jiang Beichen was willing to make a move, he would definitely be able to defeat the Blood Sickle Empire.

After hearing Luo Tian’s words, Jiang Beichen’s departing figure paused..
