Chapter 321: The Divine Emperor is actually a bricklayer?

Outside the Fire Dragon King Forbidden Ground

Diwu looked at the Heaven Demon Sect's Sect Master and the Divine Court's Master's clone who had followed him out and said slowly to them,

"The two of you, we're going to Master's place now, but there's something I have to tell you in advance."

"Master is experiencing the life of a mortal, tempering his heart in the mortal world, and playing in the mortal world."

At this point, Di Wu Zheng's expression was extremely solemn. He was afraid that the Heaven Demon Sect's Sect Master and the Divine Court Master's clone did not hear him.

"When you reach Master's courtyard, you can't casually show your cultivation. Otherwise, you won't be able to disturb Master's cultivation."

She saw Diwu's serious expression and how he spoke so seriously.

The clone of the master of the Divine Court also knew that this matter was very important. He immediately cupped his fists at Di Wu Zheng.

"Senior, don't worry. We've already remembered that when we get to your master, we definitely won't show any cultivation."

Then, the clone of the Master of the Divine Court also gave the Sect Master of the Heaven Demon Sect a look.

“Yes, yes. When we get to Senior’s master, we’ll be strict with our actions and definitely won’t disturb Senior.”

Seeing the clone of the Master of the Divine Court winking at him, the Sect Master of the Heaven Demon Sect followed suit and cupped his fists at Di Wu Zheng as he spoke slowly.

“Yes, yes. Remember, don’t cause trouble for me.”

Di Wu Zheng looked at the two people who were cupping their fists at him and reminded them again.

Hearing Di Wu Zheng’s repeated emphasis, the clone of the master of the Divine Court smiled awkwardly at Di Wu Zheng.

When he was at his peak, he had thought of going to the mortal world to gain experience.

However, that was just a thought. He did not cultivate at all.

But now that he saw Di Wu Zheng’s strength, one could imagine his master’s strength.

It was definitely several times stronger than when he was at his peak.

This senior was definitely cultivating his heart in the mortal world. He was definitely advancing to a higher level. Unless his brain was filled with water, he would not offend him.

“Let’s go.”

After the avatar of the Lord of the Divine Court was deep in thought, Di Wu Zheng’s voice slowly sounded.

Then, the clone of the Divine Court saw Diwu fly forward and look at the sect master of the Heavenly Demon Sect.

Then, the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect followed.

“Senior, may I know where your master’s courtyard is? You know I have the spacetime disk, so perhaps we can get there faster.”

The clone of the master of the Divine Court followed behind Di Wu Zheng for a while. He was anxious to see the other clones, so he said to Di Wu Zheng.

When Di Wu Zheng heard the words of the avatar of the Lord of the Divine Court, he also glanced at him.

“Have you forgotten what I said just now? How can you locate Master’s courtyard? What if you disturb him?”

Upon hearing Di Wu Zheng’s words, the clone of the Master of the Divine Court shut his mouth and did not respond.

He could only blame himself for being too anxious. In the blink of an eye, he had forgotten what Senior had just said.

Very soon, Di Wu Zheng arrived on the Tian Yuan Continent with the clone and the sect master of the Heaven Demon Sect.

As he floated above the Tian Yuan Continent, the clone of the Lord of Divine Court sensed the spiritual energy in the surroundings.

He couldn’t help but say to Diwu Zheng,”

“Senior, your master is here?”

Judging from the spiritual energy between heaven and earth, this was clearly an ordinary lower realm.

It was hard to imagine that a peerless expert would hide in a lower realm to cultivate.

It seemed that he still looked down on that senior’s realm. This realm should be far inferior to his peak.

Diwu Zheng looked at the avatar of the Lord of the Divine Court and slowly said,

“Yes, yes. Master is in Dayang Town. Follow me.”

Following that, Di Wu Zheng brought the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect as he transformed into a stream of light and flew down.

Soon, Di Wu Zheng and the clone of the Master of the Divine Court landed steadily on the surface of Great Sun Town.

Looking at the peaceful town, the clone of the master of the Divine Court felt a little emotional.

Back then, after what happened in the initial stage of the Divine Realm, he had also been hiding everywhere, hiding in the crowd.

However, at that time, the streets were filled with powerful cultivators. Now, they were filled with mortals.

At this moment, Deity King Red Cloud was also walking on the street. When she saw Di Wu Zheng, she recognized him and said with a smile,”

“Little brother Diwu Zheng, come out with Di Tian. When you go back, help me say hello to senior.”

When Diwu Zheng heard God King Red Cloud calling him, he smiled and replied,”

“Alright, I’ll tell Master.”

After helping Xiao Changtian build his own courtyard, Di Wu Zheng could be considered to be acquainted with Deity King Red Cloud and the others.

As they slowly got along, Di Wu Zheng and God King Red Cloud were as familiar as old friends.

Seeing Di Wu and God King Red Cloud’s conversation, the avatar of the God Court Master was also attracted.

Divine Emperor! The moment he saw God King Red Cloud, the clone of the master of the Divine Court could determine his strength.

He had thought that the people in this town were all mortals. He did not expect that there would be a God Emperor walking leisurely on the streets.

Following that, God King Blackheaven and the others also walked over and greeted Diwu Zheng.

Di Wu Zheng responded to them one by one.

These God Emperor Realm experts were also stunned by the clone of the Lord of the Divine Court.

There were at least ten to twenty God Emperor Realm experts who had just walked past him.

Although there was no Godly Emperor, this power was definitely stronger than the Fire Dragon King forbidden ground.

Could it be that this was not the lower realm, but another forbidden area?

The Sect Master of the Heavenly Demonic Sect was also shocked when he saw Emperor Hong Yun and the others.

Although the Heaven Demon Sect's Sect Master felt that his cultivation was above theirs, he did not know why.

The Grandmaster of the Heavenly Demonic Sect could feel a life-threatening aura from Deity Emperor Hong Yun and the others.

Diwu Zheng looked at the shocked expressions of the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect and explained to him,

"They were the brick-movers in Master's courtyard previously. It's just that now that the courtyard has been renovated, they've settled down in the courtyard."

Brick-moving worker? When the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect heard Di Wu Zheng's words, they were a little dumbfounded.

Did he hear wrongly just now? The Divine Emperor was actually a bricklayer?

The clone of the master of the Divine Court suddenly looked forward to what the courtyard that the Divine Emperor had come out to renovate looked like.

Soon, under the lead of Diwu Zheng, the avatar of the Lord of the Divine Court and the sect master of the Heavenly Demon Sect arrived outside Xiao Changtian's courtyard.

Looking at Xiao Changtian's courtyard, Di Wu Zheng said to the two of them, "Master's courtyard is in front. Do you remember what I said to you before?" When the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect heard Di Wu Zheng's words, they were also very excited. Was he finally going to see his main body or his other avatars? There was also the Ice Emperor, his former beloved general.

Then, the clone of the master of the Divine Court and the sect master of the Heaven Demon Sect nodded at Diwu Zheng..

Chapter 322: Old Friends Meeting, I Understand

Outside Xiao Changtian's courtyard

Diwu was bringing the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect into the courtyard.

As soon as he entered, Alpha, who was sitting at the door, glanced at him casually before continuing his game.

Seeing a dog playing chess, the Heaven Demon Sect's Sect Master was also a little surprised. He looked at him.

Then, a huge phantom of a divine dog appeared in his mind, and under his feet was a huge chessboard that covered the sky.

This was not an ordinary spirit pet. It was the divine beast, the Heaven Swallowing Dog.

The Heaven Demon Sect's Sect Master looked at the Heaven Devouring Hound with its mouth wide open and felt a little panicked.

Wasn't this kind of divine beast extinct? Why would he appear here again?

The clone of the Master of the Divine Court looked at the shocked expression of the Heaven Demon Sect's Sect Master and also looked over.

At the same time, a huge phantom of a divine hound appeared in his mind.

This was...This was...This was...

The clone of the master of the Divine Court also looked at the Heaven Swallowing Dog in front of him in shock, speechless.

At this moment, a voice entered the ears of Di Wu Zheng and the clone of the master of the Divine Court.

“So it’s Di Tian’s little brother. Come quickly, this time around, it’s all thanks to you for taking care of Di Wuzheng.”

Upon hearing this voice, the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect woke up from their minds.

Looking at the door, Alpha’s heart was already filled with fear.

If it wasn’t for the fact that the Heaven Swallowing Dog didn’t have any ill intentions towards them, they might have already become corpses.

Then, they saw a young man walking towards them with a white cat in his arms.

It was Xiao Changtian, who was walking over from the backyard.

It was his voice that had freed them from their spiritual world.

This person’s strength was unfathomable!

Seeing Xiao Changtian, the avatar of the master of the Divine Court and the sect master of the Heavenly Demon Sect had the same thought.

When Diwu saw Changtian, he quickly walked up to him and said,

“Master!”

“Yes, yes. You’ve found the dragon fruit, right?”

Xiao Changtian looked at Di Wu Zheng and nodded at him.

Although Di Wu Zheng was a little naughty this time through the Profound Shadow Stone, he finally returned to the right track.

Hearing Xiao Changtian’s words, Di Wu Zheng and Yi Yi hurriedly took out the dragon fruit from his space ring.

Looking at the dragon fruit in Diwu Zheng’s hand, Xiao Changtian nodded at him again.

Then, he said to the clone of the Master of the Divine Court and the Sect Master of the Heaven Demon Sect,

“Di Tian’s little brother, even if you’re here, don’t just stand here. Come with

me to the backyard and do some work.”

Xiao Changtian then walked into the backyard.

Xiao Changtian was planning to take the white tiger out for a stroll, but he didn’t expect to run into Diwu Zheng and the others, so he started talking to them.

Di Tian's younger brother?

Hearing Xiao Changtian's words, the clone of the master of the Divine Court was also puzzled.

Why did this senior call him Di Tian's younger brother? With Senior's unfathomable strength, it was impossible for him to tell that he was a clone.

Although he had some doubts in his heart, the clone of the master of the Divine Court also followed after Xiao Changtian.

Now, he was certain that the Heaven Swallowing Dog was the pet of that senior.

To be able to treat the Heaven Swallowing Dog as his pet, its strength was already beyond his comprehension.

No matter what he said, if he didn't listen, the consequences would be unimaginable.

As he thought about this, the avatar of the Divine Palace and the Sect Master of the Heavenly Demon Sect followed Xiao Changtian to the backyard.

When they arrived at the backyard, Di Tian and the Ice Emperor were also there. When they saw Xiao Changtian, they said to him,"

"Senior, you're back so soon."

Xiao Changtian glanced at Di Tian and the Ice Emperor and smiled at them.

"No, I was just about to go out when I met your brother. I brought them over."

Younger brother? When Di Tian heard Xiao Changtian's words, he started as well. After that, he recovered from his shock.

Could it be that Senior had already helped him bring his clone back?

As he thought of this in his heart, Di Tian also turned to look behind Xiao Changtian.

The clone of the master of the Divine Court and the Demon Emperor were following behind Xiao Changtian.

When Di Tian saw his clone, the clone of the Lord of the Divine Court also saw him.

This was his main body?

Upon seeing Di Tian, the clone of the lord of the Divine Court instantly recognized his original body.

He originally thought that it would be good enough to see the other avatars. He did not expect to see his main body.

Just as the clone wanted to say something, Di Tian walked towards him.

"Brother, you're finally back."

He was worried that the avatar of the lord of the Divine Court didn't know the rules and would disturb Xiao Changtian's cultivation.

Di Tian spoke to his clone.

When the avatar of the lord of the Divine Court heard Di Tian's words, he was also stunned. It was fine if that senior said that he was Di Tian's younger brother, but why was his main body also calling him younger brother?

As he thought of this in his heart, Di Tian's voice transmission also rang out.

"Clone, the senior in front of you is an expert with a heaven-defying cultivation base. He's currently tempering his heart in the mortal world, so we can't disturb his cultivation."

Upon hearing Di Tian's voice transmission, the clone of the Lord of the Divine Court also understood.

Although Di Wu Zheng had previously told him that his master was tempering his heart in the mortal world and playing around in the mortal world, he was still a little worried.

However, he didn't expect this senior to be so thorough in this Dao.

As expected, there was a reason why his cultivation was inferior to others.

After that, Di Tian also spoke to Xiao Changtian,

"Senior, my brother and I haven't seen each other for a few days. Let's go down and have a chat."

Hear the words of the emperor day XiaoChangTian also know they brothers deep feelings, facing the emperor day waved a hand.

"Go, go."

When the Ice Emperor saw the Heaven Demon Sect's Sect Master, she walked to his side excitedly.

"Demon Emperor!"

"Ice Emperor!"

When the Heaven Demon Sect's Sect Master saw the Ice Emperor, he was also excited.

"I haven't seen you for many years. How have you been?"

Looking at the passionate expressions of these two people, Xiao Changtian suddenly felt goosebumps all over his body.

Why did these two old men look so gay?

Under Xiao Changtian's gaze, the Ice Emperor and the Demon Emperor hugged each other tightly.

Looking at their cultivation, Xiao Changtian said to them,"

"What are you two doing?"

Hearing Xiao Changtian's words, the Ice Emperor calmed down and said to

Xiao Changtian,

"Senior, the two of us were previously Master's servants. Now that we've met..."

Hearing the Ice Emperor's words, Xiao Changtian understood.

It turned out that these two were former colleagues. Looking at their behavior just now, he thought they were...

Then, Xiao Changtian said to the Ice Emperor and the Demon Emperor,"

"I understand that it's a meeting between old friends."

The Ice Emperor said to Xiao Changtian as he spoke, and then led the Demon Emperor to the side..

Chapter 323: Set Up (1)

In Xiao Changtian's courtyard.

Di Tian brought his clone back to his room.

After entering the room, Di Tian spoke to his clone,

"Avatar, it's a good thing that you're fine. Let's see why you went to the Fire Dragon King's forbidden ground previously."

When the clone of the lord of the Divine Court heard Di Tian's words, his expression froze as well. He then spoke to Di Tian,

"Master, how did you know my whereabouts?"

The clone of the master of the Divine Court had always felt that he had hidden his whereabouts very well.

Moreover, if the main body was near him, there was no reason for him to not sense it.

Upon hearing the words of the clone, Di Tian smiled as well.

"Senior has everything under his control. Let's fuse together, and you'll naturally understand."

The avatar of the Lord of the Divine Court nodded when he heard Di Tian's words.

He could sense Di Tian's trust in Xiao Changtian. In addition, since Di Tian was able to take on an existence like the Heaven Swallowing Dog as his pet, he didn't have to worry about the safety of his main body.

Hence, the avatar of the lord of the Divine Court also smiled at Di Tian. After that, he continued,

"I'm very happy to see you. Let's merge."

As he spoke, the same light rose from Di Tian and the clone of the master of the Divine Court.

The avatar of the Lord of the Divine Court transformed into specks of starlight and fused into Di Tian's body.

As for the Ice Emperor and the Devil Emperor who were conversing in the courtyard, the Ice Emperor also mumbled when she sensed the changes in Di Tian.

"Master is already fusing. Let's go and guard it."

As the Ice Emperor spoke, the Chaos Ants in the bamboo forest were also staring at Di Tian's house.

"This fusion has caused quite a commotion. It would be bad if it disturbed Master."

As it spoke, the Chaos Ant's two antennae also lit up with a silver light.

After that, a spatial barrier enveloped Di Tian's room, completely isolating the aura in the room.

As for the Ice Emperor and the Devil Emperor, who were outside Di Tian's room, they saw this spatial barrier.

The Demon Empress said to the Ice Empress beside her in shock,

“This level of spatial energy was also released by that senior?”

Sensing the spatial barrier in front of him, the Demon Empress did not doubt that as long as she walked forward, she would be killed by the spatial wind blades contained within.

The Ice Emperor shook her head and bowed to the bamboo forest in the courtyard.

“No, it’s from the Chaos Ants that Senior raised.”

Chaos Ants?

When the Demon Empress heard the Ice Emperor’s words, she was stunned. Why did she hear the names of two divine beasts today?

First, he saw the Heaven Swallowing Dog at the entrance, and now, he heard the name of the Chaos Ant.

With this thought in mind, the Demon Empress said to the Ice Emperor,

“Ice Emperor, you mean...”

“Yes, yes. You don’t know yet. Take a closer look at the courtyard and you’ll understand everything.”

The Ice Emperor also knew what the Demon Emperor wanted to ask him, so she slowly said to him.

Upon hearing the Ice Emperor’s words, the Demon Empress turned her gaze to the courtyard.

He looked at the goldfish in the pond in the courtyard. Was this the Ancestral Dragon?

In the Demon Empress's field of vision, she saw an Ancestral Dragon whose fate suppressed the heavens swimming around in the pond.

Then, the Demon Empress saw a turtle riding on a giant panda.

When he looked carefully, he only saw a black tortoise surrounded by endless seawater appearing in his field of vision.

The Black Tortoise sensed the Demon Empress 'gaze and looked at him.

The Xuanwu is so focused on the Demon Emperor, feeling the true flow of the Yuan on his body is slow by one point.

While Black Tortoise was watching the Demon Emperor, the fat Rongrong below him also opened her eyes.

"Boss, what's wrong?"

"No, you can continue sleeping."

Hearing the fat Rongrong's words, Black Tortoise slowly replied.

Then, he retracted his head back into his turtle shell.

"Below the Black Tortoise are the Iron Eaters. These are all legendary divine beasts. It seems that my horizons are still too low."

Then, the Demon Empress also saw the other Divine Beasts in the courtyard.

A phoenix whose body was covered in an endless fire domain...

There was also a Divine Monkey that was emitting golden light from its entire body...

And the cat in Xiao Changtian's arms was not a cat, it was a white tiger.

Sensing the divine beasts in the courtyard, the Demon Empress also re-examined the entire courtyard.

"No wonder the Divine Emperor was asked to be a bricklayer."

The Demon Empress murmured as she looked at the walls and floor of the courtyard.

The bricks that made up the walls and floor of the courtyard were all top-notch immortal artifacts. How could ordinary people move these immortal artifacts?

He had come to an immortal realm, right?

In an instant, the Demon Empress suddenly had this thought.

The Ice Emperor looked at the Demon Emperor's shocked expression and smiled at him,"

"Demon Emperor, when I first came here, I felt the same as you."

"In my opinion, Senior might not be a person from the Divine Realm at all.

Other than playing around in the human world, he came here to set up a trap."

"Set up a trap?"

The Demon Empress was already shocked, so she couldn't help but ask when she heard the Ice Empress's words.

Then, the Ice Emperor nodded slowly and continued,

"Yes, yes. From what I've been thinking recently, Senior is setting up a trap, and we're all chess pieces."

"As for what the chess game is, it's not something I can pry into."

When she spoke, the Ice Emperor also showed a trace of respect.

When the Demon Empress heard the Ice Emperor's words, she nodded in agreement.

According to the situation he had seen when he first arrived here, these divine beasts and these legendary things.

Everything was presented in front of him. The possibility of the Ice Emperor's scheme was very high.

While they were talking, Di Tian, who was in the room, had also completed the fusion.

In the room, Di Tian, who had his eyes shut, slowly opened them.

When he opened his eyes, the aura on his body rose steadily and he had already reached the God Emperor Realm.

After fusing with his clone, Di Tian also left his room.

The spatial barrier created by the Chaos Ants also slowly disappeared. After Di Tian came out, he bowed in the direction of the bamboo forest in the courtyard.

“Thank you, Senior!”

The Chaos Ant in the bamboo forest also glanced at him. Without responding, its figure disappeared into the bamboo forest.

When they saw Di Tian walking out of his room, the Devil Emperor and Ice Emperor also bowed to him.

“Congratulations, Master!”

Upon sensing Di Tian’s aura, the Demon Emperor and Ice Emperor knew that Di Tian had succeeded in fusing with his clone.

Di Tian stared at the Ice Emperor and the Devil Emperor before him as he nodded his head.

Then, he said to them,

“Let’s go. Although Senior knows our situation like the back of his hand, we

still have to tell him..”

Chapter 324: Ten Miles Sword God Arrives at the Tian Yuan Continent Again (1)

Tian Yuan Continent

A black figure stood in the air and looked at the scenery below with a nostalgic look in his eyes.

“Tian Yuan Continent, I’m back.”

The black-robed man looked down at the ground and muttered.

“According to the Divine Lord, the news of the black-robed Divine Emperor’s death came from his hometown.”

“In order to resurrect you as soon as possible, I will definitely obtain the fate of the Lord of the Divine Court for you.”

The black-robed man stood in mid-air and continued to mutter to himself. After seeing his figure clearly, he realized that he was the owner of the Dark Chamber, the Ten Miles Sword God.

Ten Miles Sword God clenched his fists tightly. Then, his body turned into a stream of light and flew into the distance.

Soon, the Ten Miles Sword God appeared at the periphery of Great Sun Town and saw the Great Sun Town in front of him.

The Ten Miles Sword God instinctively stopped in his tracks. His plans on the Tian Yuan Continent had been greatly disrupted by the experts here.

“No, I’m already at the strength of a God Monarch. Even in the Divine World, I’m still a powerhouse.”

“Why would I be scared by this small town?”

Ten Miles Sword God mocked himself in his heart before shaking his head.

Thinking of his purpose for coming here, the Ten Miles Sword God flew straight into Great Sun Town.

At this moment, Lin Ruomiao was also walking on the streets of Dayang Town.

He was carrying a bamboo basket in his hand, and inside the basket were the ingredients that Xiao Changtian had ordered him to buy.

With Lin Ruomiao's appearance, she was a rare beauty in Dayang Town.

Hence, Lin Ruomiao received many gazes as she walked on the streets.

Lin Ruomiao was walking on the street when a black shadow flew past her.

Eh, this aura?

Sensing this aura, Lin Ruomiao's expression changed. Following which, her figure flashed and disappeared from the spot.

Seeing Lin Ruomiao disappear, a Great Sun Sect disciple on the street could not help but say to a companion beside him,"

"The fairy suddenly disappeared just now. Did you see that?"

Upon hearing the words of this Great Sun Sect's disciple, the other Great Sun Sect's disciples nodded their heads.

"Yes, yes. As expected of Senior's disciple. To us, we can only watch from afar and not play with her."

Hearing this Great Sun Sect disciple's words, the other Great Sun Sect disciples nodded in agreement.

In the sky above Great Sun Town, Sword God Ten Miles released his holy sense and scanned the area below.

In his perception, most of the people in Great Sun Town were mortals. The strength of the Great Sun Sect disciples in the town was also average. Most of them were in the Golden Core Realm.

How did he fail so many times here?

Sword God Ten Miles looked down at Great Sun Town, and a trace of doubt flashed through his heart.

His current strength was no longer the same as before. Even if that person was still here, with his strength, there was no reason for him not to discover it.

Ten Miles Sword God did not think that there was an existence here whose strength surpassed a Divine Lord.

“It seems that the person from before has also left this place.”

The Ten Miles Sword God looked down at Great Sun Town and muttered.

“However, what is the black-robed Deity Emperor doing here?”

Ten Miles Sword God’s figure was probing in the air. His mind was spinning rapidly, and then he seemed to have thought of something.

“Hiding here isn’t a bad choice for the lord of the Divine Court.”

“It’s a pity that those fellows in the Divine World thought that the Master of the Divine Court would hide in the Divine World. Fortunately, 1 didn’t join their alliance with the Heaven Demon Sect.”

Thinking about this, Ten Miles Sword God revealed a smile.

Then, Sword God Ten Miles’s expression changed. He felt a sense of danger and instinctively retreated to the side.

After Ten Miles Sword God retreated, a saber beam flashed past him.

Bang! The saber light missed, but it created a crack in space.

Looking at the crack in the sky, Ten Miles Sword God felt a little terrified.

If that saber light had hit him, he might have been beheaded on the spot.

With a lingering fear, the Ten Miles Sword God looked around him but did not find anyone. He could only cup his fists and say to the air in front of him,

“I wonder which senior from the Divine Realm has come here. I’m the Ten

Miles Sword God of the Red Cloud Divine Hall.”

The Ten Miles Sword God knew that he was no match for the other party, and it was clear that such strength did not come from the Tian Yuan Continent.

Otherwise, the Tian Yuan Continent would not have been called the Lower Realm. The power of the strike just now was even more powerful than that of Sir God Hongyun.

That was the Godly King. The Godly King was an expert who ruled over the Divine World.

He enjoyed the offerings of countless sects below and the dense spiritual energy of the Divine World.

Such a person would stay in the lower realm for a long time unless there was something wrong with his brain.

Therefore, Ten Miles Sword God felt that the other party was an expert from the Divine Realm who had just happened to come to the lower realm.

By mentioning Red Cloud Sacred Hall, Sword God Ten Miles wanted to make the other party fear him for the sake of Red Cloud Sacred Hall.

After all, the Old Ancestor of the Red Cloud Divine Hall was the Red Cloud Divine King. He was a well-known powerhouse in the Divine World.

“You’re called Ten Miles Sword God? Very well, today I’ll make you pay with your blood.”

Sword God Ten Miles thought that the other party would show mercy to him because of Divine King Red Cloud.

He did not expect to hear such a threatening female voice.

Then, Lin Ruomiao, who was dressed in white and had long hair fluttering in the wind, appeared in front of Ten Miles Sword God.

Looking at Lin Ruomiao in front of him, Ten Miles Sword God really could not think of how he had offended her.

When he went to the Divine World, he had been cultivating diligently and had basically not interacted with anyone.

With this thought in mind, the Ten Miles Sword God also cupped his fists at Lin Ruomiao.

“Fellow Daoist, how did Shili offend you?”

Lin Ruomiao’s expression turned even colder when she heard the Ten Miles Sword God’s words. She unsheathed the dagger at her waist and was about to attack the Ten Miles Sword God.

When Lin Ruomiao unsheathed her dagger, the Ten Miles Sword God hurriedly raised his hands.

His life's dream had yet to come true, so how could he die in philosophy?

For her, he had to live on.

Ten Miles Sword God raised his hands and made a surrendering gesture. He then said to Lin Ruomiao,

“Senior, I don’t think I’ve offended you in any way, so please tell me.”

“If Shili really offended Senior in some way, Shili would be killed by Senior, and Shili would accept it.”

“Moreover, with Senior’s strength, you don’t have to worry about escaping ten li.”

The Ten Miles Sword God’s mind spun rapidly as he spoke slowly to Lin Ruomiao.

When Lin Ruomiao heard the Ten Miles Sword God’s words, she also raised the dagger in her hand and pointed it at him.

“Alright, then I’ll let you die with an understanding.”

“Back then, it was because of your scheme that caused dozens of people in my Lin family to die. I lived to take revenge on you.”

As Lin Ruomiao spoke, the flow of spiritual energy in the surrounding air seemed to slow down a little..

Chapter 325: The Lin Family Is Not Dead?_i

“Lin family?”

When the Ten Miles Sword God heard Lin Ruomiao’s words, there was still some doubt on his face.

Ever since he arrived in the Divine World, he had basically not killed anyone, let alone killing a family.

He had never even heard of this Lin family.

On the other hand, he had been forced to deal with some clans on the Tian Yuan Continent.

Could it be? Thinking of this, the Ten Miles Sword God seemed to have thought of something and said to Lin Ruomiao,”

“You’re from the Tian Yuan Continent, not the Divine Realm?”

Lin Ruomiao pointed the dagger in her hand at the Ten Miles Sword God and stared at him coldly.

“It seems like you have remembered something. Now, pay the price for what you have done.”

As she spoke, Lin Ruomiao walked towards the Ten Miles Sword God step by step.

As Lin Ruomiao approached, the Ten Miles Sword God also felt a pressure descend on his body.

Under this pressure, Ten Miles Sword God felt that the flow of true essence in his body was abnormal.

How terrifying was his strength?

The Ten Miles Sword God found it difficult to imagine that someone from the Tian Yuan Continent would have such terrifying strength.

Could it be that the person in front of him was the one who had caused him trouble back then? Moreover, he was his subordinate against someone from the Lin family?

All sorts of guesses flashed through the Ten Miles Sword God's mind. As Lin Ruomiao approached, the Ten Miles Sword God also knelt before him.

"Senior, I'm sorry. I know I've done many despicable things in the past."

"But those were all to resurrect my wife. Moreover, the Lin family members are actually not dead. They were only imprisoned."

"Part of the reason I came back this time is to release them."

Upon hearing the name Ten Miles Sword God, Lin Ruomiao stopped in her tracks and looked at him. Her hand that was holding the dagger trembled slightly as she slowly said to the Ten Miles Sword God,

"Are you saying that my parents are still alive?"

As she spoke, Lin Ruomiao's tone clearly contained a trace of excitement and joy.

Seeing Lin Ruomiao stop, the Ten Miles Sword God also felt the pressure on his body lessen a little.

He continued to speak to Lin Ruomiao,

"Yes, Senior, that's right. They're currently locked up somewhere. If you don't believe me, I can bring Senior over right now."

Lin Ruomiao looked at the Ten Li Sword God's sincere expression and her hope for her family to be alive increased.

He slowly put down the dagger in his hand and said,"

"Tell me, where exactly is it? We'll go over now. Don't play any tricks, or you'll die even more miserably."

As she spoke, Lin Ruomiao slowly regained her icy tone.

Before she truly met her parents and clansmen, it was impossible for Lin Ruomiao to let go of the hatred in her heart.

Upon hearing Lin Ruomiao's words, Ten Miles Sword God hurriedly activated the true essence in his body.

He began to create a map of the Tian Yuan Continent in front of him and Lin Ruomiao.

With the Ten Miles Sword God's understanding of the Tian Yuan Continent, he quickly completed the map and pointed to a location.

Ten Miles Sword God slowly said to Lin Ruomiao,"

"Senior, it's here."

"Let's go!"

As soon as the Ten Miles Sword God finished speaking, Lin Ruomiao's voice immediately sounded in his ears.

With Lin Ruomiao's strength, the Ten Miles Sword God and her arrived at the location he had pointed out in a short while.

This happened in the blink of an eye, but when they suddenly arrived at another place, Ten Miles Sword God felt a little dizzy.

He didn't react in time. He looked at Lin Ruomiao beside him, his eyes flickering.

"We're here. Where is he?"

Lin Ruomiao looked at this space. Below her was a surging sea, and the sky was empty.

There was no place to lock people up, let alone dozens of people.

Upon hearing Lin Ruomiao's words, Ten Miles Sword God also adjusted the aura on his body.

Then, the true essence in his body gathered and he muttered something.

When the Ten Miles Sword God cast his spell, a small door appeared in the space in front of Lin Ruomiao and the others.

Looking at the small door in front of him, the Ten Miles Sword God said to Lin Ruomiao,"

"Senior, your family is inside."

Then, Ten ATiles Sword God brought Lin Ruomiao in.

As soon as she walked past the small door, she heard the sound of children.

Then, three figures appeared at the door.

“Stop, who has come here? Report your name.”

Hearing this voice, Lin Ruomiao’s brows furrowed slightly, as though she was about to attack at the slightest disagreement.

When the Ten Miles Sword God saw Lin Ruomiao’s expression, he hurriedly waved at the three figures in front of him.

“Heaven Queen, Demon Emperor, Demon Emperor, long time no see.”

Upon hearing the Ten Miles Sword God’s voice, the Heaven Queen, Demon Emperor, and Demon Emperor were all stunned. Then, they said to the Ten Miles Sword God with some joy,

“You’re back?”

Back then, when the Ten Miles Sword God went to the Divine World alone, the three of them had also made an agreement with her.

The three of them helped him guard this place. After the Ten Miles Sword God went to the Divine World to roam around, he also came back with his body to ascend.

It seemed that the three of them would have to endure too much here.

When the Ten Miles Sword God heard the words of the Heaven Queen, Demon Emperor, and Demon Emperor, he said to them,

“Yes, yes. This time, I also intend to release the people here.”

“That’s great. You found a way to resurrect your wife?”

The three of them also knew about the Ten Miles Sword God's obsession to ascend to the Divine World. The Ten Miles Sword God had done so many things just to revive his wife.

Just as the Ten Miles Sword God was about to respond, he saw Lin Ruomiao's figure flash and disappear on the spot.

"I'll tell you later. I'll go over first."

Following that, the Ten Miles Sword God's figure also turned into a stream of light and flew inside.

"Did you see how they passed by just now?"

The Heaven Queen said to the Demon Emperor beside her when she saw the two people suddenly disappear in front of her.

"No, the aura on their bodies is too terrifying. When they disappeared, I felt like they had never been here before."

When the Demon Emperor heard the Heaven Queen's words, he also expressed his feelings.

"Is this the strength of a god? It's really something to look forward to."

The Demon Emperor had a smile on his face as he slowly said.

Then, the three of them turned into a stream of light and flew inside.

At this moment, Lin Ruomiao had already arrived in front of a small courtyard.

At this moment, in the courtyard, an old woman and an old man were surrounded by a group of children.

The old man and the old woman were also happily playing with them. When they saw this scene, tears appeared in Lin Ruomiao's eyes as she muttered.

"Father, Mother!"

When Lin Ruomiao finished speaking, the old man and the old woman in the courtyard seemed to have sensed something and looked outside..

Chapter 326: I've Seen Something My Master Can't Solve (1)

Inside the small world, in front of the small courtyard.

The old man and the old woman in the courtyard looked at Lin Ruomiao who was outside the courtyard and hurriedly walked out.

"Ruomiao?"

"Father, Mother!"

As they spoke, Lin Ruomiao also wanted to hug them tightly.

Looking at Lin Ruomiao and her parents hugging each other, Sword God Ten Miles felt touched for some reason.

When he waited for his wife to be resurrected, he and she should also be like this.

While the Ten Miles Sword God was deep in thought, the Heaven Queen and the other two came to his side.

“After you leave, we will follow your instructions and move all of them here.”

“Of course, we also provide them with good food and drinks.”

“What about her?”

Upon hearing the Heaven Queen’s words, the Ten Miles Sword God nodded as well. There was a hint of reminiscence in his eyes.

“In the cave in the mountain in front, only the cold air inside can maintain her condition to the greatest extent.”

Hearing the Empress’s words, Shili Sword God also looked towards the cave in front of him.

If Lin Ruomiao wasn’t still here, Ten Miles Sword God would have had the urge to rush over to check.

Soon, we will meet again.

Ten Miles Sword God looked at the mountain peak in front of him and said slowly in his heart.

Then, as if he had thought of something, Ten Miles Sword God also took out three cultivation techniques from his interspatial ring.

After distributing them to the Heaven Queen and the others, the Ten Miles Sword God slowly said to them,”

“This is what they promised you back then. Whether they can succeed or not depends on themselves.”

With the Ten Miles Sword God's strength, it was not difficult for him to obtain three cultivation techniques that matched the Heaven Queen's attributes.

After the three of them received the cultivation technique from the Shili Sword God, their faces were filled with joy.

Then, they thanked the Ten Miles Sword God and went to look at their own cultivation techniques.

To them, being able to advance a step further in the realm that they had not advanced for many years was undoubtedly their long-cherished wish.

After Lin Ruomiao exchanged pleasantries with her parents, she knew that the Lin family and the Ten Miles Sword God had not lost many people.

Most of them were just arrested.

But here, they weren't abused.

At first, they had thought of escaping, but to them, the strength of the Heaven Queen, Demon Emperor, and Demon Emperor was too great.

As time went by, they got used to the life here and continued to live normally.

The children beside them were the boys and girls that the Ten Miles Sword God had captured back then. After coming here, they had also lived with the Lin family.

Seeing that her family was safe and sound, Lin Ruomiao was no different from being reborn. The hatred in her heart also slowly disappeared.

The aura on his body also became more mysterious.

Sensing the change in Lin Ruomiao's aura, the Ten Miles Sword God didn't know what had happened.

However, he was certain that Lin Ruomiao was stronger than before.

Arriving at Lin Ruomiao's side, the Ten Miles Sword God once again knelt before her and slowly said,"

"Senior, I have an unkind request. Please help me."

He looked at the Ten Miles Sword God and Lin Ruomiao, and the hatred they had for him had lessened.

Perhaps it was because he could see his family again, but Lin Ruomiao still said to the Ten Miles Sword God,"

"Get up. If there's anything, tell me first."

When the Ten Miles Sword God heard Lin Ruomiao's words, he was also a little excited. He stood up from the ground and said to Lin Ruomiao,"

"Senior, please revive my wife?"

When the Ten Miles Sword God went to the Divine World, he originally thought that he could quickly find a way to revive his wife.

He did not expect that in the Divine World, reviving others was actually a very difficult matter.

With the help of the Red Cloud Temple, although the Ten Miles Sword God had obtained a lot of resources and his cultivation had improved rapidly, he had indeed not made any progress in reviving his wife.

Upon hearing the Ten Miles Sword God's words, Lin Ruomiao slowly said to him,"

"Let me take a look at your wife's current condition. I'm not very good at resurrection."

Hearing Lin Ruomiao's words, the Ten Miles Sword God felt a trace of joy in his heart.

Even though Lin Ruomiao said that he was not good at reviving, at least he now had a new hope.

With Lin Ruomiao's strength, even if she couldn't help him resurrect his wife, she might be able to provide him with some other information.

In the eyes of the Ten Miles Sword God, Lin Ruomiao's strength was an existence at the Godly King or even the Godly Emperor Realm.

"Senior, please follow me."

As he spoke, Sword God Ten Miles took the lead and flew toward the mountain peak behind him.

When the Ten Miles Sword God stood up, Lin Ruomiao also informed her family.

He followed Sword God Ten Miles and flew toward the mountain peak behind him.

Arriving at the entrance of the cave, Lin Ruomiao followed behind Ten Miles Sword God.

Looking at the situation on both sides of the cave, the weather was different from the outside. The walls on both sides of the cave were covered in a layer of ice.

The temperature inside the cave was much lower than outside.

Following that, Ten Miles Sword God and Lin Ruomiao arrived at a place similar to an underground palace.

In the center of the palace was a coffin. When he saw the coffin, the Ten Miles Sword God's eyes were filled with sadness.

He caressed the coffin with his palm and slowly opened it.

As soon as the coffin was opened, a gust of cold air blew into his face. Then, he saw a beautiful woman lying inside.

Looking at the figure in the coffin, the Ten Miles Sword God said to Lin Ruomiao,"

"Senior, I'll have to trouble you to take a look."

Lin Ruomiao nodded at the Ten Miles Sword God.

Then, he released his spiritual sense and flashed it over the woman in the coffin.

After Lin Ruomiao examined the matter of the Ten Miles Sword God's wife, the Ten Miles Sword God looked at Lin Ruomiao nervously.

After a while, Lin Ruomiao slowly retracted her spiritual sense.

Then, the voice of the Ten Miles Sword God sounded.

" Senior, how can I have a way?"

Lin Ruomiao shook her head when she heard the anticipation in the Ten Miles Sword God's words.

“With my ability, I have no way to save her. Or rather, she has been dead for many years.”

When the Ten Miles Sword God heard Lin Ruomiao’s words, his eyes dimmed a little, and tears appeared in his eyes.

Lin Ruomiao’s heart skipped a beat when she saw the Ten Miles Sword God like this. She continued,”

“However, if my master makes a move, he might be able to save your wife.”

“Really?”

Upon hearing Lin Ruomiao’s words, the Ten Miles Sword God seemed to have seen new hope as he spoke to Lin Ruomiao excitedly.

“Yes, yes. Up until now, I’ve never seen anything that Master can’t solve.”

Lin Ruomiao looked at the Ten Miles Sword God in front of her and said slowly..

Chapter 327: Fairy Just Smiled at Me (1)

Above the Tian Yuan Continent

Lin Ruomiao and the Ten Miles Sword God’s figures flashed past in the air.

After informing the Lin family, Lin Ruomiao brought the Ten Mile Sword and hurried back to Dayang Town.

As for the Heaven Queen, the Demon Emperor, and the Demon Emperor, they continued to guard there and cultivate the cultivation techniques that the Ten Miles Sword God had given them.

In mid-air, Lin Ruoluo said slowly to the Ten Miles Sword God,”

“Ten Miles Sword God, I know you want to revive your wife, but you still have to pay attention to something.”

“Master is currently tempering his heart in the mortal world and playing around. When you go over, don’t disturb his cultivation.”

When the Sword God of Ten Miles heard Lin Ruomiao’s words, he nodded at her.

It was not easy for him to find hope of reviving his wife again, so the Ten Miles Sword God paid close attention to every word Lin Ruomiao said.

Lin Ruomiao looked at the Ten Miles Sword God and didn’t say anything.

Then, the two of them landed on the surface of Dayang Town.

In the small town, the Great Sun Sect’s disciples saw Lin Ruomiao who had suddenly landed on the main street. Their eyes also turned towards her.

“Fairy is back.”

A Great Sun Sect disciple said slowly to his companion.

Then, a Great Sun Sect disciple looked in Lin Ruomiao’s direction and took out a bamboo basket from his interspatial ring.

“Fairy, you left it behind when you left last time.”

As he spoke, this Great Sun Sect disciple was obviously a little shy and his face was slightly red.

Lin Ruomiao looked at the Great Sun Sect disciple in front of her and the bamboo basket in his hand.

It was the bamboo basket that he had left in Dayang Town when he sensed the aura of the Ten Miles Sword God chasing after him.

Originally, he wanted to buy the ingredients that Xiao Changtian told him to buy again, but he didn't expect someone to send them to him.

She slowly took the bamboo basket from his hand and smiled at him.

"Thank you so much!"

The Great Sun Sect disciple was stunned when he saw Lin Ruomiao's smile.

"No need."

After saying these two words, the Great Sun Sect disciple walked towards his companions.

Lin Ruomiao watched the Great Sun Sect disciple leave and said to the Ten Miles Sword God behind her,"

"Follow me. Master should be in the courtyard."

After Lin Ruomiao left with the Ten Miles Sword God, the Great Sun Sect disciple said excitedly among the group of Great Sun Sect disciples,"

"Did you see that? Fairy smiled at me just now."

They were the outer sect disciples of the Great Sun Sect and usually patrolled the town in shifts.

They had seen Lin Ruomiao many times, but for some reason, Lin Ruomiao was a cold goddess in their eyes.

This was the first time they had seen Lin Ruomiao smile.

“It seems that something good has happened to Fairy recently.”

A Great Sun Sect disciple stroked his head and said slowly.

Then, he saw the Great Sun Sect disciple who was still immersed in it.

“Little Jiu, you can’t be thinking of love, right? Even if the fairy smiled at you, it’s still something we can only dream of.”

“That’s right. You should wash up and sleep. I’m afraid that you’ll get hurt in the future.”

“Don’t say anymore. Hurry up and do your work. Otherwise, we won’t have any money for food this month.”

A group of Great Sun Sect disciples surrounded a Great Sun Sect disciple named Xiao Jiu and chattered. It was impossible to tell if they were envious or jealous.

While the Great Sun Sect disciples were talking in private, Lin Ruomiao brought the Ten Miles Sword God to Xiao Changtian’s courtyard.

“Come in with me.”

Lin Ruomiao held the bamboo basket in one hand and pointed at the courtyard in front of her body with the other as she spoke slowly to the Ten Miles Sword God behind her.

As soon as he entered the courtyard, Ten Miles Sword God saw a dog holding a chess piece in each hand, playing chess by itself.

Was this the legendary Heaven Swallowing Dog?

The Ten Miles Sword God looked at Alpha at the door, feeling a little shocked.

When he was in the Red Cloud Shrine, Sword God Ten Miles had also flipped through many ancient books in an attempt to find a way to revive his wife.

While he was checking, the Ten Miles Sword God also knew about the existence of the Heaven Swallowing Dog.

He did not expect to be lucky enough to see this legendary divine beast today.

Ten Miles Sword God still wanted to observe his surroundings, but he saw that Lin Ruomiao had already walked forward.

He also stopped sweeping his gaze around and immediately followed.

At this moment, Xiao Changtian was playing with the goldfish in the pond in the backyard.

He threw some food here and there.

“That’s right. You guys are just too lazy.”

Xiao Changtian looked at the goldfish swimming in the pond and said slowly.

At the same time, Lin Ruomiao brought the Ten Miles Sword God to Xiao Changtian's side.

"Master!"

Xiao Changtian heard Lin Ruomiao's voice and turned around. He saw Lin Ruomiao and the Ten Miles Sword God beside her.

"It's Ruomiao. How is it? Have you bought all the ingredients?"

"Yes, yes, they're all in the basket."

As she spoke, Lin Ruomiao also showed Xiao Changtian the bamboo basket in her hand.

Xiao Changtian smiled when he saw the bamboo basket. Then, he said to the courtyard,"

"Jiu 'er, Ruomiao bought the ingredients. Take them and wash them."

Hearing Xiao Changtian's words, Mu Jiu Huang hurriedly walked out of the courtyard.

Lin Ruomiao passed the bamboo basket to Xiao Changtian.

When Mu Jiu Huang saw the Sword God of Ten Miles, she frowned.

This person?

Jiu 'er, is there a problem?"

Xiao Changtian looked at Mu Jiuhuang who was holding the bamboo basket in a daze and said slowly to her.

Hearing Xiao Changtian's words, Mu Jiuhuang shook her head.

"No, Master."

Then, Mu Jiuhuang walked to the side with the bamboo basket.

With Master around, there was nothing to worry about. Everything was within Master's calculations.

When Mu Jiuhuang was looking at the Ten Miles Sword God, the Ten Miles Sword God was also looking at her.

The empress was one of the people who had obstructed him on the Tian Yuan Continent. It was rumored that the mysterious expert was the empress's master.

Could it be that the person in front of him was the one who had caused him repeated setbacks back then?

Sword God Shi Li scanned Xiao Changtian's body and found that he didn't have any aura.

This meant that the person in front of him was far stronger than him.

Sensing the gaze of the Ten Miles Sword God, Xiao Changtian said to Lin Ruomiao,"

"Ruomiao, this person looks unfamiliar. Why don't you introduce him?"

After Lin Ruomiao heard Xiao Changtian's words, she also glanced at the Ten Miles Sword God.

To be honest, she didn't know much about the Ten Miles Sword God either.

Lin Ruomiao didn't collect much information about him either. She was only cultivating diligently.

After Lin Ruomiao's signal, the Ten Miles Sword God also cupped his fists at Xiao Changtian.

"Senior, I'm Sword God Ten Miles from Red Cloud Temple.."

Chapter 328: The Revival of the Ten Miles Sword God's Wife (1)

Xiao Changtian's courtyard

Xiao Changtian stood in front of Lin Lingmiao and Ten Miles Sword God.

"Red Cloud Temple, I know why you're here."

Xiao Changtian clapped his hands and said slowly.

Then, he walked into his room.

Looking at Xiao Changtian's back, Sword God Lin Shili was stunned.

He hadn't even said anything, and Senior already knew?

Then, Sword God Ten Miles saw Xiao Changtian walk out of his room.

When he came out, he was holding a picture scroll in his hand.

Very quickly, Xiao Changtian arrived in front of Ten Miles Sword God and slowly said to him,”

“Take this.”

The last time he was wandering on the streets, Xiao Changtian had met Divine King Red Cloud.

At that time, he chatted with Deity King Red Cloud for a while before drinking in a small tavern on the street.

During their chat, Deity King Red Cloud had also mentioned that he had a Red Cloud Shrine and had several thousand disciples.

Of course, Xiao Changtian would only think that he was talking nonsense after he was drunk.

After all, who in the cultivation world did not have the dream of cultivating immortality?

Even though Deity King Red Cloud was already old, she had not given up on the pursuit of immortal cultivation.

Following that, Divine King Red Cloud also said that she admired his calligraphy and painting.

While chatting, Xiao Changtian and Divine King Red Cloud felt like they were in the same boat.

Xiao Changtian thought that his paintings were not worth much, so he decided to give one to Deity King Red Cloud.

Today, when he heard Sword God Ten Miles mention Red Cloud Divine Hall, Xiao Changtian immediately recalled this matter.

He gave the painting he had just made to the Ten Miles Sword God.

Ten Miles Sword God took the calligraphy from Changtian, opened it and saw ten words.

“Wild fire can’t burn, but spring breeze can grow again!”

Then, Ten Miles Sword God found himself in a place that was covered in flames.

Under the burning flames, all the vitality in the surroundings quickly dissipated.

The flames were devouring everything here!

Then, after the flames died down, Ten Miles Sword God saw the ground below burst with powerful life force again.

Grass grew from the ground and soon covered the land.

After that, other creatures appeared here, and the surroundings were filled with exuberant vitality.

Feeling the exuberant vitality around him, tears flowed down from the Ten Miles Sword God’s eyes.

Do you see? We’ll meet soon.

The Ten Miles Sword God looked at the sky and muttered.

After many years of hard work, he finally saw a glimmer of hope today. The life force contained in this painting was enough to activate the life force in his wife.

And with his soul-chasing technique, he could return his wife’s soul to her place.

In that case, the wife of the Ten Miles Sword God would be truly resurrected.

Xiao Changtian looked at the Sword God of Ten Miles who was holding the painting and standing there motionlessly. Tears were still flowing from his eyes. He said to him,

“What’s wrong with you? The wind is strong today. It’s better not to stand here all the time. Sand can easily get into your eyes.”

Hearing Xiao Changtian’s words, Ten Miles Sword God also recovered from his mental world.

He looked at Xiao Chang and kneeled down, saying slowly,

“Thank you, Senior!”

Seeing the Ten Miles Sword God suddenly kneel down, Xiao Changtian quickly helped him up and said slowly,

“There’s no need to be like this. It’s just a painting. Get up quickly and drink less in the future.”

Look at this guy’s behavior should also be taken by the Red Cloud Divine King, often drinking, now may not be clear-headed.

Kneeling to others at the drop of a hat, and one had to know that there was gold under a man’s knees.

After Xiao Changtian helped him up, Ten Miles Sword God said to him,

“Senior, I will.”

Senior's cultivation was indeed a heaven-reaching existence. Not only did he know his purpose of coming here in advance, but he also knew that he was here.

Moreover, he knew his actions in the Divine World like the back of his hand.

In the past, when he was in the Divine World, he often drank to drown his sorrows because he missed his wife.

He didn't expect Xiao Changtian to know about this.

Xiao Changtian heard the words of the Ten Miles Sword God and slowly said to him,"

"Yes, why don't you sit inside?"

Seeing the red eyes of the Ten Miles Sword God, Xiao Changtian also thought that the sand had a big impact on him.

When Sword God Ten Miles heard Xiao Changtian's words, he also thanked him.

"There's no need, Senior. I'll hurry back now."

Xiao Changtian nodded and waved his hand.

Thinking about how the Ten Miles Sword God had just arrived and was unfamiliar with him, it was understandable that he did not want to stay.

Thinking of this, Xiao Changtian also let Ruo Miao send off Ten Miles Sword God.

"Alright, Ruomiao, send him off."

“Alright, Master.”

Hearing Xiao Changtian’s words, Lin Ruomiao also responded to him.

Then, under Lin Ruomiao’s lead, Ten Miles Sword God also left Xiao Changtian’s courtyard.

After leaving Xiao Changtian’s courtyard, Ten Miles Sword God said to Lin Ruomiao,”

“This time, it was all thanks to Senior’s help.”

When Lin Ruomiao heard the Ten Miles Sword God’s words, she slowly shook her head at him.

“I only brought you to Master. The one who really helped you was Master. If you want to thank him, thank Master.”

Following that, Lin Ruomiao’s figure also took the lead to fly out.

In that small world, he also had his own family to arrange.

After Lin Ruomiao left, the Ten Miles Sword God hurriedly followed.

Soon, Lin Ruomiao and the Ten Miles Sword God arrived at the small world from before.

After Lin Ruomiao and the Ten Miles Sword God arrived, Heaven Queen, Demon Emperor, and Demon Emperor were also at the door.

At this moment, the aura on their bodies had also risen to a new level.

Judging from their auras, their cultivation levels were probably similar to that of a Mid Level Deity.

Heaven Queen, Demon Emperor and Demon Emperor saw the Ten Miles Sword God and were about to thank him again when they saw the Ten Miles Sword God fly inside.

Right now, Ten Miles Sword God had no time to care about the three of them. At this moment, his mind was completely focused on reviving his wife.

After the Ten Miles Sword God left, Heaven Queen, Demon Emperor, and Demon Emperor saw Lin Ruomiao and were about to say something to her.

They saw that Lin Ruomiao completely ignored them and directly walked in.

Soon, in the cave on the mountain peak, Sword God Ten Miles took the scroll that Xiao Changtian had given him.

He came to the coffin and placed him on top of it.

Then, a fresh life force was emitted from the scroll and slowly poured into the coffin.

When the life force was injected, the woman in the coffin also trembled slightly.

When the life force in the painting stopped being injected, the woman in the coffin slowly opened her eyes.

When the Ten Miles Sword God saw that the woman in the coffin was slowly waking up, tears flowed down his eyes again..

Chapter 329: Arrange Work for Di Tian (1)

In the courtyard of the small world

A group of Lin family members stood in front of Lin Ruomiao. When the wife of the Ten Miles Sword God resurrected, Lin Ruomiao also looked towards the mountain peak.

Looking through the void, it was as if he could see the two people hugging each other in the cave.

At this moment, a child from the Lin family came to Lin Ruomiao's side and tugged at her skirt."

"Big sister, I heard from grandpa chief that you want to bring us out, right?"

Hearing the child's innocent voice, Lin Ruomiao slowly retracted her gaze.

He stroked the Lin family's child's head and looked at the luggage he was carrying.

"Yes, yes. Xiao Lin, have you packed the things you wanted to bring? Don't leave anything behind."

Hearing Lin Ruomiao's words, the Lin family disciple named Xiao Lin nodded.

Obviously, although they had lived in this small world for many years, they were still very interested in the outside world.

"Grandpa Chief really didn't lie to me. One day, we will get out."

After Little Lin left, Lin Ruomiao looked at her father.

"Father, I bought a house in Dayang Town. Although it's not very big, you can live there in the future."

After finding the Lin family, Lin Ruomiao busied herself with various matters and had already bought a house in the town.

Even though there was a shortage of houses in Great Sun Town, with the help of Great Sun Sect's disciples and Divine King Red Cloud, Lin Ruomiao managed to buy a house.

After Lin Ruomiao's father heard her words, he nodded at her.

He had also come to understand the situation after staying here for a while.

As long as the entire Lin family was safe, this was more important than anything else.

Very quickly, under Lin Ruomiao's lead, the Lin family also left this small world.

When they parted ways, the Heaven Empress, the Demon Emperor, and the Demon Emperor also sent the Lin family off.

After exchanging some pleasantries with Lin Ruomiao, the three of them also planned to head to the Divine World.

And since the Ten Miles Sword God and his wife had just gotten back together, Lin Ruomiao didn't disturb them.

Very quickly, the small world that was originally filled with many people suddenly became a world of the Ten Miles Sword God and his wife.

Xiao Changtian's courtyard

After Mu Jiu Huang processed the ingredients that Lin Ruomiao had bought.

Xiao Changtian also let everyone sit in the courtyard and eat dinner.

At the dining table, Xiao Changtian picked up a piece of green vegetables and stared at Di Tian. He then slowly spoke,

“Di Tian, your little brother has been looking for you frequently recently. Is there something going on at home?”

When Di Tian first came here, he was just a small cultivator who had just entered the sect.

He had wanted to stay here and learn from the Great Sun Immortal, but it seemed that he could only see the Great Sun Immortal a few times.

Originally, his younger brother had come to find him to ask about his cultivation.

However, it was not right for him to come twice. Moreover, his servants had come out.

Perhaps something had happened at home that could only be resolved by cultivators.

Thinking about how Di Tian had helped him quite a bit during this period of time, he didn't ask for anything in return.

Xiao Changtian took advantage of the time during dinner to ask if he could help.

When Di Tian heard Xiao Changtian's words, he felt shock in his heart.

It seemed that the matters of the Divine Court were also in Senior's grasp. Senior had helped him time and time again, so there was no need for him to hide anything.

When he thought of this, Di Tian also put down his chopsticks and spoke to Xiao Changtian,

“Senior is right. There is indeed a problem at home.”

As expected, when Xiao Changtian heard Di Tian's words, he also started to chew the food in his mouth.

"You still have a lot of servants outside, right?"

As the sound of Xiao Changtian's voice faded, not only Di Tian, even the Demon Emperor and Ice Emperor who were standing at the side were staring at Xiao Changtian.

Could it be that the position of the ten great generals of the Divine Court is also in Senior's grasp?

Upon hearing Xiao Changtian's words, Di Tian's tone became even more respectful.

"Yes, Senior."

Upon seeing Di Tian lowering his head with a solemn expression, Xiao Changtian sighed in his heart.

Seems like the troubles in Di Tian's clan were truly not small.

"How about this? I also opened a bookstore here. Why don't you come with me to take a look later? Maybe I can give you a job or something."

Although Di Tian had food and lodging here, he basically didn't have much income.

He still has so many servants to pay. We can't help him with the matters of the immortal cultivators, but we can find a job for Di Tian to earn some money and pay him.

"Bookstore? Senior, do you mean that you want me to go to the bookstore?"

Di Tian felt some excitement in his heart when he heard Xiao Changtian's words.

It wasn't like he hadn't read the books written by Xiao Changtian. The things described in those books, the experts, seemed to be the records of ancient secrets.

The senior was willing to let him manage the bookstore. Was this a sign of trust in him?

Xiao Changtian saw the excited expression on Di Tian's face and revealed a faint smile.

It seemed like Di Tian was indeed short of money now. He had just said that he wanted to introduce a job to him and he was already so happy.

Thinking of this in his heart, Xiao Changtian slowly spoke to Di Tian,

"Yes, yes."

As they spoke, Di Tian, Xiao Changtian and the others had almost finished eating.

Standing up from his chair, Xiao Changtian slowly spoke to Di Tian,

"There's no time to lose. Let's set off now."

Upon seeing how happy Di Tian was earlier, Xiao Changtian felt that since he didn't have anything else to do, he might as well help him complete his task today.

Hearing Xiao Changtian's words, Di Tian also hurriedly stood up from the dining table.

"Thank you, Senior!"

At the same time, Xiao Changtian also saw the Ice Emperor and the Devil Emperor behind Di Tian. He also spoke to them,

“The two of you can follow me.”

The Ice Emperor and the Demon Emperor heard Xiao Changtian’s words and thanked him.

Then, Xiao Changtian walked out first and saw Alpha at the door.

“At this time, we can go out and walk the dog.”

As he spoke, Xiao Changtian also came to Alpha’s side and patted his forehead.

“Alpha, let’s go. I’ll take you out for a walk.”

“And the old turtle in the pond, seeing that you’ve been quite obedient for a while, come over too.”

After the Black Tortoise in the pond heard Xiao Changtian’s voice, it also hurriedly climbed onto the fat Rongrong’s head.

“Fatty, stop sleeping. Master wants us to follow him out.”

Hearing Black Tortoise’s words, the fat Rongrong slowly opened her eyes.

“Boss, what did you say just now?”

“Didn’t you say a while ago that we should behave ourselves?”

Hearing this, Black Tortoise also patted the fat Rongrong’s head.

“Fatty, I think you’re just not awake yet. Master asked us to follow you out.”

“Oh, oh.”

Being patted by Black Tortoise like this, the fat Rongrong also sobered up a bit, following which she also walked out of the courtyard..

Chapter 330: He Really Swindled Both Money and Women

Outside Xiao Changtian’s courtyard

Xiao Changtian, Di Tian, the Ice Emperor, and the Devil Emperor stood side by side.

And in front of them were Alpha, Black Tortoise and the fat Rongrong.

“Follow me.”

Xiao Changtian stared at Di Tian and the others before him as he slowly spoke. After Xiao Changtian took a few steps, Alpha also looked into the courtyard. “Ant, aren’t you going to help Master?”

In the bamboo forest in the courtyard, the Chaos Ant was climbing on a bamboo. When it heard Alpha’s voice, the two antennae on its head moved.

Then, a silver light flashed across the two antennae of the Chaos Ant.

At the same time, a silver light silently enveloped Xiao Changtian and the others.

Then, Xiao Changtian appeared not far from the bookstore.

As for Di Tian and the others, they were all filled with reverence when they saw

Xiao Changtian in a new location.

Although they had lived in the courtyard for a while, they rarely saw Xiao Changtian fight.

As they arrived at a new place, they felt Xiao Changtian's terror.

"The bookstore is just ahead."

Upon seeing this familiar street, Xiao Changtian turned around and smiled at Di Tian and the others.

After that, under Xiao Changtian's lead, Di Tian, the Ice Emperor, and the Demon Emperor slowly arrived in front of the bookstore.

And as Xiao Chang Tian and the others walked towards the bookstore, Black Tortoise standing on the fat Rongrong also said to the fat Rongrong below:

"Fatty, it's not easy to come out. Let's go somewhere else."

Hearing Black Tortoise's words, the fat Rongrong also slowly raised her head, saying to Black Tortoise above:

"Boss, this isn't very good."

"It's okay. We're just nearby. We won't be too far."

The Black Tortoise's four limbs and the head of its head extended out of its turtle shell.

“Hurry up, Fatty. I heard the voice of a woman asking for help.”

The fat Rongrong heard Black Tortoise say this and scratched the back of her head.

“Alright, Boss. Where should we go?”

“This way!”

Black Tortoise grabbed the fat Rongrong, pointing in a direction, saying to the fat Rongrong.

At this moment, in a pavilion.

A short Taoist priest in a Taoist robe was sitting in a bath, and beside him were a few women in revealing clothes.

“Official, how is this song?”

A girl was sitting in the bath like the Taoist priest, her hands dangling from the

Taoist priest’s body.

He pointed at the woman playing the song in front of him and said slowly to the Taoist priest.

“Not bad, not bad. Continue.”

The Daoist priest had a look of enjoyment on his face, and his hand was still on the waist of the woman beside him.

The woman’s eyes lit up when she was hugged by the Taoist priest. She made a gesture to the woman playing the song in front of her.

Then, a sharp ray of light flew out from the woman's hand and attacked the Daoist priest.

"You've finally revealed your true colors."

The moment the sharp light flew out, the Taoist priest's Internet connection

changed and he pushed the woman beside him away.

He leaped up and dodged the fatal blow.

"Damn it!"

Seeing that her attack had missed, the woman who was playing the tune shouted loudly.

Hanging from the ceiling, the Taoist priest looked at the women below.

"Isn't the current Nine-tail clan a little too arrogant? They've come to harm this old man."

"However, your acting skills are a little too bad. I'm just an old man. How can a woman take the initiative to approach me?"

When the women below heard the Taoist priest's words, they looked at each other and their expressions changed.

Then, they gathered their true essence and a few demon foxes appeared in front of the Daoist priest.

"I wonder how strong the demon foxes in the lower realm are. Forget it. Since I have nothing to do, I'll play with you."

“Sisters, go!”

A demon fox shouted loudly. Then, a few demon foxes pounced on the Taoist priest above.

“Aiyo, do you have to be so fierce? This old man can’t take it.”

Daoist’s figure flashed and dodged the attack of one fox demon. Then, another fox demon pounced from the other side.

“Daoist Priest, you talk too much.”

After failing to bump the Daoist several times, the demon foxes’ eyes were filled with anger.

“This old man is already so old. I don’t know how long he can live. If I don’t say it now, I won’t have a chance in the future.”

Daoist looked at the fox demon in front of him, took out a gourd bottle from his waist, and drank a mouthful.

When the demon foxes heard the Daoist priest’s words, the anger on their faces increased.

This Taoist priest was toying with them.

“Sisters, let’s attack together!”

A demon fox shouted loudly. Then, a few demon foxes pounced on the Daoist priest.

Basically, the Taoist priest’s escape route was sealed.

“I wanted to play a little longer, but seeing you guys like this, you can’t blame me.”

Then, the Daoist priest took a step forward with his left foot, and a huge golden array appeared beside him.

When this array appeared, the demon foxes that pounced on him felt their bodies being frozen by a force.

“Destroy!”

The Daoist priest said casually. Then, golden pillars of light rose from the array.

The beam of light passed through the bodies of the demon foxes, and with a bang, the demon foxes dissipated into the air.

Then, a jade stone fell from one of the demon foxes.

The Taoist priest walked over and picked up the jade on the ground.

“It looks pretty good. I wonder if it was obtained by sucking humans dry.”

“It’s really a scam!”

“However, this thing seems to have something else.”

The Daoist priest muttered and then gathered his true essence.

When the Daoist priest injected his true essence, the Nine-tail First Elder, who was sitting cross-legged in the distant Nine-tail clan, slowly opened his eyes. “Looks like those trash have already failed. They can’t even find anyone.”

As he said that, the Nine-Tailed Fox First Elder waved his hand, and a wave of energy was emitted from his hand.

At this moment, the jade in the Daoist priest's hand also turned into powder and fell to the ground.

"Boring, but I seem to have seen this technique somewhere before."

The Daoist priest muttered as he picked up the gourd bottle at his waist and took another sip.

On the other side, Black Tortoise brought the fat Rongrong to this pavilion.

Arriving in front of a storeroom in the attic, Black Tortoise said to the fat Rongrong,

"Fatty, hurry up. It's just in front."

Hearing Black Tortoise's words, the fat Rongrong also pushed open the storeroom's door, slowly walking in.

They saw that the women were tied up and had a cotton cloth stuffed in their mouths.

"Don't be afraid, I'm here to save you."

Black Tortoise stood on the fat Rongrong's head, speaking to the woman in the storeroom.

Then, a green light flew out of the Black Tortoise's body and flew towards the

women..
