Chapter 431: Xiao Qianqian's Might (1)

Divine Realm, Beast Taming Sect

Xiao Qianqian's figure slowly appeared at the entrance of the Imperial Beast Sect.

He looked at the giant dragon, the ice phoenix, Dark Cloud, and the War Emperor above the mountain gate.

Xiao Qianqian's face was also solemn.

She felt a suffocating aura from them.

When Xiao En saw Xiao Qianqian at the mountain gate, his face lit up with joy.

"Everyone, don't panic. Senior will be here soon."

Since Xiao Qianqian was here, it meant that Senior wasn't far away.

Hearing Xiao En's voice again, the disciples of the School of Imperial Beasts looked at him and calmed down a little.

Xiao Qianqian looked at the attack that was about to hit Xiao En and the others, then looked behind her.

Xiao Qianqian couldn't see Xiao Changtian's figure, so she thought of what Xiao Changtian had said to her before she left the room.

Right, that calligraphy?

With this thought in mind, Xiao Qianqian took out the calligraphy.

Putting the calligraphy in her hand, Xiao Qianqian spread it out.

Then, a golden light appeared from the painting.

Roar! Roar! Roar!

Roars slowly sounded between heaven and earth.

Next, a Nine-Headed Lion with the aura of an emperor slowly appeared beside Xiao Qianqian.

As soon as the Nine-Headed Lion phantom appeared, it attacked the giant dragon and the Ice Phoenix.

“Look, there seems to be a giant golden beast, the Nine-Headed Lion.”

The commotion that Xiao Qianqian created naturally attracted the attention of the Great Jin Dynasty.

“How is that possible? Didn’t she just take a piece of calligraphy? How can she suddenly have such power?”

“That’s right. Doesn’t the School of Imperial Beasts cultivate the path of beast taming? Why would there be a calligraphy master?”

For a moment, the Great Jin Empire looked at Xiao Qianqian with fear.

The appearance of a calligraphy master in the School of Imperial Beasts was an important piece of news.

“Look, there’s also the Azure Sky Divine Ox, the White Python Divine Tiger...”

A cultivator from the Great Jin Dynasty saw several other divine beasts appearing around Xiao Qian ‘qian.

His voice was trembling.

In midair, Shen Zhong also looked in the direction of the monkey Xiao Qianqian.

More and more demonic beasts came over from Xiao Qianqian’s side.

Their attacks had already shown signs of dissipating.

“Damn it, how can the Imperial Beast Sect still have such an expert?”

Shen Zhong looked at Xiao Qianqian, his eyes filled with confusion.

“Where did this painting of yours come from?”

The Yang Qi Holy Lord looked at Xiao Qian ‘qian and shouted.

They knew that there was a young senior in the Imperial Beast Sect who was extremely powerful.

However, according to the information, that senior was accompanied by a Heaven Swallowing Dog.

From the looks of it, she was wearing the uniform of the School of Imperial Beasts. She should be an ordinary disciple of the School of Imperial Beasts.

How could he be a calligraphy master?

When Xiao En and the others saw that Shen Zhong and the others were about to be defeated, they kept smiling.

It seemed that Xiao Qianqian had satisfied Senior, and he had even given her to him as a treasure.

With Xiao En's eyesight, he could see the value of the painting.

Even if he was at his peak, he might not be able to block it.

Very quickly, under Xiao Qianqian's control, Shen Zhong and the others spat out a mouthful of blood.

His body flew backward like a kite with a broken string.

Bang! Bang! Bang!

Shen Zhong and the others fell to the ground and made a sound.

The Great Jin Empire's disciples saw their leader fall to the ground and be defeated.

However, Xiao Qianqian's remaining beasts showed no signs of dissipating.

His face was also filled with fear as he began to retreat.

"The School of Imperial Beasts is invincible, invincible."

Some disciples said this and then began to run back.

“Where are you running to?”

Xiao Qianqian shouted coldly when she saw the cultivators from the Great Jin Empire fleeing.

Then, the Divine Beasts beside her directly attacked them.

“Ah! Ah! Ah!”

Screams of pain rang out in front of the Imperial Beast Gate.

Very quickly, under Xiao Qianqian’s assault, the disciples of the Great Jin Empire were all defeated.

In front of the Imperial Beast Sect, it became empty again.

Xiao Qianqian looked at the divine beasts that had returned to the calligraphy, and her face was filled with shock.

He kept the painting and placed it on his body.

Before she left the room, Xiao Changtian asked her to bring some paintings.

At that time, she had not realized what it meant.

After all, when she told Xiao Changtian that something happened to her father, she knew what she meant when she said that the senior would paint for her.

Only now did he understand that Senior had everything under his control.

At that moment, Xiao En brought a few elders of the School of Imperial Beasts to Xiao Qian ‘qian.

“Qian ‘er, did Senior give you that painting just now?”

Xiao En walked up to Xiao Qianqian and spoke to her first.

“Yes, yes.”

When Xiao Qianqian heard Xiao En’s words, she nodded at him.

Xiao En was delighted to see Xiao Qianqian nod her head in confirmation.

It seemed like Xiao Qianqian and Senior were already very close.

At this time, Sean continued to ask,”

“Then last night, how did you and Senior do? Did you do that?”

Hearing Xiao En’s words, Xiao Qianqian slowly opened her mouth and was about to say something.

An elder of the School of Imperial Beasts bowed behind him.

“Senior!”

Xiao Qianqian turned around and saw Xiao Changtian and Alpha walking to their side.

At this moment, Xiao En also made a gesture to Xiao Qianqian.

He motioned for him to accompany Xiao Changtian.

Xiao Changtian came to the front of the crowd and slowly said to them,”

“All of you are here. I thought something had happened.””

Hearing Xiao Changtian’s words, Xiao En hurriedly responded.

“With Senior here, how could anything happen?”

Hearing Xiao En’s words, Xiao Changtian waved his hand.

He took it that the old man was complimenting him, and then he slowly said,

“Oh right, old man, I’m leaving soon. I want to go to the forest.”

Xiao En was stunned when he heard Xiao Changtian’s words.

Logically speaking, since this senior had just gotten a new lover, shouldn’t he stay in the Imperial Beast Sect for a few more days?

However, thinking about it, it made sense. Xiao Qianqian’s status and strength were low, after all, so it was understandable that the senior would throw her away after using her.

As for what Xiao Changtian wanted to do in the forest, Xiao En would not ask if Xiao Changtian would tell him.

With this thought in mind, Xiao En nodded at Xiao Changtian.

“Alright, Senior.”

While Xiao En and Xiao Changtian were conversing, Chu Yiren's figure slowly approached them from afar.

She was quite tired after playing Flying Chess all night last night.

When he woke up, he realized that Xiao Changtian and Xiao Qianqian were not in the room.

He also walked out in a hurry.

At this moment, Chu Yiren came to Xiao Changtian's side and said something to him.

"Senior, don't call me when you leave the place."

As she spoke, Chu Yiren glanced at Xiao Qianqian.

He looked as if he was afraid that Xiao Changtian and Xiao Qianqian would go out and do something.

Xiao Changtian smiled at Chu Yiren's words.

"Alright, let's continue looking for the spoon.."

Chapter 432: Sure enough, Senior Doesn't fancy These

Things (1)

God World, in front of the Mountain Gate of the School of Imperial Beasts.

Xiao En and a group of School of Imperial Beasts elders stood at the entrance of the mountain.

Hearing that Xiao Changtian was about to leave, Xiao En also walked forward.

“Senior, please wait a moment.”

As soon as he finished speaking, Sean clapped his hands.

Moo! Moo! Moo!

Following the sound of a cow’s cry, Xiao Changtian also saw the mountain path.

An old man was leading a green-yellow-skinned old bull as he slowly walked towards them.

Behind Old Cow was a cart made of black stone.

“Old man, what are you doing?”

Xiao Changtian said to Xiao En slowly when he saw the Sect Elder.

Xiao En heard Xiao Changtian’s words and quickly explained,”

“Senior, you gave Qianqian such a precious gift. Please accept this cow and cart.”

As he spoke, the elder of the School of Imperial Beasts also came to Xiao Changtian.

“Senior, this bull has a bad temper, so it was delayed.”

The elder of the School of Imperial Beasts who was leading the cow was also sweating.

Then, as if he was worried that Xiao Changtian wouldn't be satisfied, he continued,"

"But Senior, don't worry. This cow is quite good at traveling."

When the green bull appeared, the disciples of the Imperial Beast Sect looked a little frightened.

"Why did Fourth Elder let this guy out? I remember that he caused a ruckus in the sect last time."

"That's right. It's said that the Blue Sky Yellow Ox has a trace of the bloodline of an ancient divine beast in its body and is extremely difficult to tame."

"Even the sect master failed back then. I wonder what kind of disaster it will bring this time."

"The sect master and the others wanted to give it to senior. With senior around, what else can this old bull do?"

"Yes, yes. Only someone like Senior is worthy of his status."

The disciples of the School of Imperial Beasts were all talking at once. It was obvious that they were very surprised by the appearance of the Green Sky Yellow Ox.

When Xiao Changtian heard the conversation between Xiao En and the Sect of Imperial Beasts, he also looked at the Green Sky Yellow Ox and the black carriage in front of him.

"This..."

Xiao Changtian looked at them, not knowing what to say.

This old bull was obviously used by the old man and the others to farm for a living.

If he took this old bull away, what would the old man and the others do in the future?

With Xiao Changtian's eyesight, he could see that the car behind him was made of the same material as the stone bed in the room before.

He had slept on the stone bed before, and it was very uncomfortable to sit on it.

Xiao En saw Xiao Changtian's hesitant expression.

"Senior, is there a problem? If it doesn't work, I'll change it."

Seeing Xiao Changtian's hesitant expression, Xiao En was a little flustered.

This Green Sky Yellow Ox was one of the highest-level demonic beasts in their School of Imperial Beasts.

Originally, Sean had wanted to bring it to his senior to use as a mount.

And the car behind it was built overnight by Sean.

It was all made of black stone, so there was no need to mention the benefits it had for cultivation.

Now, it seemed that Senior was not very satisfied.

At this time, Xiao Changtian also walked to Xiao En's side and put his arm around his shoulder.

"Old man, I appreciate your kindness, but I really don't need these."

Xiao Changtian patted Xiao En's back as he spoke.

Xiao En and the Sect of Imperial Beasts elders behind him were disappointed when they heard Xiao Changtian's words.

As expected, Senior doesn't care about these things.

However, thinking about it, it made sense. With senior's strength, the divine beast Heaven Swallowing Dog was his pet.

Why would he take a fancy to this Green Sky Yellow Ox that only had a little divine beast bloodline?

If this continued, it would not be good if it caused Senior to be disgusted.

At this time, Xiao En also gave Xiao Changtian a fist hug.

"I will listen to Senior's arrangements."

Xiao Changtian saw Xiao En's expression and waved at him.

"Old man, why are you so polite?"

As he spoke, Xiao Changtian waved at Chu Yiren.

Then, he led Chu Yiren down the mountain.

In front of the mountain gate, Xiao En looked at Xiao Changtian's back and sighed.

Although Xiao Changtian didn't accept their gifts, he was still on good terms with Xiao Qianqian.

In the future, if the Imperial Beast Sect had any trouble, they would have another backer.

At this time, Xiao Qianqian stood beside Xiao En and watched Xiao Changtian leave. She sighed.

“Sigh, I wonder when I can play flying chess with Senior again.”

Hearing Xiao Qianqian’s words, the Second Elder of the School of Imperial Beasts also came to her side.

He placed his hand on Xiao Qianqian’s shoulder.

” Qian ‘er, it doesn’t matter. Like Senior...”

“Wait, what did you just say, flying chess?”

Before the Second Elder of the School of Imperial Beasts could finish speaking, he was interrupted by Xiao En.

Xiao Qianqian nodded slowly when she saw Xiao En suddenly turn around and look at her.

“That’s right, Sect Master. I played flying chess with Senior for the entire night last night.”

Hearing Xiao Qianqian’s words, the Second Elder of the School of Imperial Beasts asked,”

“What is a flying chess piece? Didn’t you do it with Senior last night?”

Hearing her father’s words, Xiao Qianqian’s face reddened slightly. She understood that her father and the others had misunderstood.

“Flying Chess is a game that Senior created himself. Nothing happened between Senior and me last night.”

When Xiao En heard Xiao Qianqian's words, he covered his face and exhaled slowly through his nostrils.

The other elders of the School of Imperial Beasts were even more stunned and at a loss.

"Quick, tell those disciples who haven't set off to come back."

Xiao En pointed at an elder from the School of Imperial Beasts and said slowly.

In a small town in the Great Desolate Immortal Continent

This was the nearest town to the Imperial Beast Sect, and it was also the relay station set up by the Imperial Beast Sect.

Usually, those cultivators who admired the Imperial Beast Sect and wanted to join.

Cultivators who wanted to know all kinds of news about the Imperial Beast Sect would gather here.

At this moment, the restaurants, inns, and lofts in the small town were all full.

During this period of time, the Great Jin Empire, the Yang Qi Holy Land, the Yin Qi Holy Land, and the Night Walk Sect had joined forces to attack the Imperial Beast Sect, becoming the hottest topic in the Great Desolate Immortal Continent.

Countless cultivators gathered here to get first-hand information.

After all, this was related to the power structure of the Great Desolate Immortal Continent in the future.

In a restaurant, a few cultivators were sitting at a wooden table, chatting and laughing.

“The latest news is that the Great Jin Empire led by Shen Zhong has been completely defeated and is currently fleeing.”

“Shen Zhong himself was seriously injured. When someone saw him coming down from the Imperial Beast Gate, his entire body was covered in blood. He probably didn’t have long to live.”

A cultivator wearing a light yellow coat said slowly with a piece of meat in his hand.

Hearing this cultivator’s words, someone on the wooden table immediately responded.

“Really? Then it seems that the Imperial Beast Sect still won. Didn’t they say that Shen Zhong and the others would win this time?”

“From the looks of it now, the Imperial Beast Sect still has a deep foundation.”

“No, no, no!”

At this moment, the cultivator in the light yellow shirt shook his head..

Chapter 433: That Scene Could Be Said to Be Avoided by

Heaven and Earth, and Fearful by Ghosts and Gods (1)

Great Desolate Immortal Continent, Small Town Restaurant

The cultivator at the table saw the yellow-robed cultivator shake his head and asked,

“Oh, what do you mean? Do you know anything else?”

“Yeah, tell me quickly. Don’t hide it.”

Hearing everyone’s voices, the cultivator in the light yellow shirt knocked on the table and stretched out his palm.

“What? You actually want to charge us? Do you still treat us as friends?” Seeing the yellow-robed cultivator’s actions, everyone understood and said. “It’s useless to say more. No matter what, I risked my life to get this information.”

The yellow-robed cultivator ignored everyone’s reaction and slowly replied.

At this moment, a Qiankun Bag flew towards the yellow-robed cultivator. Whoosh! The yellow-robed cultivator grabbed the Qiankun bag and checked it. Then, he looked up and saw a white-haired old man and a cloaked man looking at him at the table next door.

“Tell me everything you know.”

“Alright, sir.”

The yellow-robed cultivator looked at them with a smile.

Then, he stood up and walked to their side. He slowly said to them,

“It is said that the reason why Shen Zhong was injured was because of that young senior who lives in the Imperial Beast Sect.”

“At that time, Shen Zhong and the other three wanted to kill Xiao En.”

“And at this moment, that young senior directly tore through the air from the Imperial Beast Gate.”

“That scene can be said to be avoided by heaven and earth, and feared by ghosts and gods.”

“With just a casual casting, countless divine beasts appeared and attacked Shen Zhong and the others.”

“Then Shen Zhong and the others were directly defeated and could only flee in panic.”

Hearing this, the cultivator at the table also questioned,

“Nonsense, I clearly heard that it was Xiao Qian ‘qian from the School of

Imperial Beasts.”

“Xiao Qian ‘qian? At most, he was just a Deity Emperor. How could he possibly repel Shen Zhong they all?”

“Don’t even think about it. Do you think that all those as young as Senior are experts?”

The yellow-robed cultivator was speechless and didn’t reply.

At this point, the yellow-robed cultivator revealed a reverent gaze.

“This time, my brothers and I came here to meet that young senior.”

“An existence like that young senior is really a role model for my generation.” When the white-haired old man heard the yellow-robed cultivator’s words, he also used his chopsticks to knock on his plate.

“Alright, what else do you know about that young senior? How is his relationship with the Imperial Beast Sect?”

The yellow-robed cultivator continued to speak slowly when he heard the white-haired old man’s words.

“That young senior did not have a good relationship with the Imperial Beast

Sect at the beginning.”

“However, after Xiao En saw his strength, he directly took out the Green Sky Yellow Ox in his sect and offered it to Senior. That was why Senior was allowed to stay in his Imperial Beast Sect.”

At this moment, the few female cultivators who had been silent all this time also became infatuated.

“I really want to meet that senior. I’ve always liked men who conquer others with their strength.”

As she spoke, the female cultivator covered her face with her hands.

“Is there anything else?”

The cloaked man finished the last piece of meat on the plate and spoke for the first time.

“Hmm... There’s nothing else for the time being, two masters.”

The yellow-robed cultivator thought for a moment and slowly said.

Then, the cloaked man stood up from his seat and walked out.

The white-haired old man also carried the bamboo basket on his back and followed him out.

After exiting the restaurant, the cloaked man slowly said to the white-haired old man beside him,

“Medicine Sovereign, what do you think about that young senior?”

That's right, the white-haired old man beside the cloaked man was one of the ten great generals of the Divine Court, the Medicine Sovereign.

As for the cloaked man, he was naturally one of Di Tian's avatars that was lost in the Divine Realm.

The Medicine Sovereign found a straw from somewhere and held it in his mouth. He slowly spoke to the cloaked man,

"Master, we can't not believe what that person said, and we can't completely believe it."

"At least on the surface, Xiao En has some Godly Emperor cultivation. Shen

Zhong and the others have also reached the level of a half-step Godly Emperor."

"To be able to repel four lesser Godly Emperors, one's cultivation must be at least at the Godly Emperor realm."

"Moreover, he can make the Imperial Beast Sect treat him with courtesy.

According to my guess, he might have the cultivation of a Peak Emperor God." Hearing Yao Huang's words, the cloaked man nodded.

"It seems that during the years when the Divine Court disappeared, the Divine Realm really has many talents."

Peak Godly Emperor was on the same level as him at his peak.

"However, I hope he won't get into a conflict with us this time."

The cloaked man muttered to himself.

“Don’t worry my lord, we must obtain the Heaven Suppressing Spoon. The

Medicine Sovereign will not let anyone take it.”

As he spoke, Medicine Emperor spat out the straw in his mouth onto the ground.

The straw fell to the ground and turned into ashes.

At the same time, Xiao Changtian and Chu Yiren entered the forest after leaving the School of Imperial Beasts.

“HaQiu! HaQiu!”

Xiao Changtian had sneezed countless times today.

Rubbing his nose, Xiao Changtian turned to Chu Yiren and said slowly,”

“Yiren, do you remember anything? Have you found the location of the spoon?” Chu Yiren was currently surveying the surroundings. When she heard Xiao Changtian’s words, she slowly responded.

“Senior, it should be in front.”

On the way, Chu Yiren slowly said to Xiao Changtian,”

Senior Feng, why didn’t you sell that head of yours just now?”

In Chu Yiren’s opinion, Xiao Changtian had been enjoying the hotpot in the courtyard recently, and the Qingtian Yellow Ox was a good ingredient.

Hearing Chu Yiren's words, Xiao Changtian smiled at her and said,"

"I don't usually accept gifts from others."

This girl must be wondering why the old man was so enthusiastic about giving the cow to her.

However, that was the foundation of their survival. What would he do if he wanted someone else?

Moreover, it was unreasonable for him to nag and accept gifts from others.

Chu Yiren's face lit up when she heard Xiao Changtian's words.

Senior didn't accept gifts from others casually. A while ago, he accepted the refrigerator he made himself.

It seemed that he still had a certain place in Senior's heart.

At the thought of this, the sense of danger Chu Yiren felt because of Xiao Qianqian started to dissipate.

As they spoke, Chu Yiren brought Xiao Changtian to a cave.

When they arrived before the cave, a green light flashed across Chu Yiren's eyes.

"Senior, the spoon should be in there."

Chu Yiren pointed at the cave, speaking slowly to Xiao Changtian..

Chapter 434: Ye Tian Flees (1)

Great Desolate Immortal Continent, Imperial Beast Sect

In the Imperial Beast Sect's dungeon, Ye Tian was lying on the ground.

Her clothes were all stuck to various stolen goods, and she was no longer as gorgeous as before.

At this moment, a guard of the Imperial Beast Gate arrived at the entrance of the dungeon.

"Hey, it's time to eat."

The guard held a plate in his hand and looked at Ye Tian.

"Time to eat, did you hear me?"

Seeing that Ye Tian was ignoring him, the guard called out once more.

Seeing that Ye Tian didn't react, the guard placed the plate on the ground.

"I'll leave it here. It's none of my business if it dies."

After placing the plate on the ground, the guard walked away.

As immortal cultivators, they could have abstained from eating.

However, the chains inside the Imperial Beast Gate's dungeon could seal a person's acupuncture points, preventing them from circulating their true essence.

At this time, if he did not eat to replenish himself, there was a possibility of losing his life.

The guard came to his partner and sat down at the table.

One of his companions slowly said to him,

“Why? Our former Holy Son doesn’t want to eat?”

“God knows what’s wrong with him today. Don’t care about him. He provoked someone he shouldn’t have.”

“Ignore him. Let’s play our game.”

As he spoke, the guard waved at his companion.

Ye Tian was now a jinx in the School of Imperial Beasts, and no one cared about him.

Meanwhile, in the cell, a white streak of True Qi rose from Ye Tian’s body.

Whoosh! Whoosh! Whoosh!

Then, the chains on his hands fell off without warning.

Ye Tian slowly opened his eyes, which had turned silver-white.

Ye Tian sat up and looked at his palm.

“Fortunately, I planted a soul imprint on this kid. Otherwise, he would have really disappeared.”

Ye Tian muttered, standing up and waving at the cell door.

Bang!

The huge prison door was knocked upside down by Ye Tian's attack.

The cell door was forcefully destroyed, naturally attracting the attention of the guards.

The guards were all on high alert as they approached the cell door, watching Ye Tian break free from the chains.

"Ye Tian, what do you want? Are you going to betray the sect?"

The guard who had just delivered food to Ye Tian looked at him with fear.

Ye Tian's silver eyes turned to the guard.

Following that, a few true essence chains flew out and directly penetrated the guard's body.

"It's really noisy. That old bastard, Xiao En, dared to throw me into the dungeon with his dog power."

"Fine, I'll slowly settle the score with you after I get the Heaven Suppressing Spoon."

"But you're funny. You occupied such a place and didn't know there was such a treasure here."

Ye Tian laughed heartily as he thought of this.

"However, that witch from the Demon Spirit Sect directly beat me out last time."

“If you want to get the Heaven Suppressing Spoon, you still have to plan.”

“After I obtain the Heaven Suppressing Spoon, I’ll recover my strength to its peak.”

Ye Tian laughed, disappearing from the cell.

At the same time, inside the Gate of Imperial Beasts, Sean received a message from the guard.

His figure immediately turned into a stream of light and flew towards the dungeon.

“Sect Master!”

A few of the School of Imperial Beasts ‘elders saw Xiao En’s hurried appearance and quickly followed him.

When he arrived at the dungeon, Sean saw a few guards on the ground who had already been killed.

There were also upside-down cells and broken chains.

“Ye Tian ran away?”

An elder of the Imperial Beast Sect came to the dungeon and said in shock.

With Ye Tian’s strength, there was no way he could escape the dungeon.

At this time, Sean picked up the broken chain on the ground and said gloomily,”

“Pass down the order to capture Ye Tian.”

The death of a few guards was a small matter, but Ye Tian was someone Xiao Chang Tian had ordered to be taken care of.

Although Xiao Changtian had already left, they couldn't mess things up.

Upon hearing Xiao En's words, an elder from the School of Imperial Beasts immediately went out to carry out the order.

At this time, Xiao En also said to the Sect of Imperial Beasts 'elder beside me, "Have the disciples who went to spread the news returned?"

Those disciples were sent out to spread the news that Xiao Changtian and the School of Imperial Beasts had become in-laws.

After knowing that Xiao Changtian had not slept with Xiao Qianqian, Xiao En immediately ordered his men to gather them back.

The Sect of Imperial Beasts Elder understood Xiao En's words and replied.

"Sect Master, they have all returned."

Inside the cave

Under Chu Yiren's lead, Xiao Changtian slowly entered a cave.

The cave looked more like a passageway with narrow sides.

Moreover, it was pitch black. Only a little light could be seen at the end of the cave.

At this moment, Chu Yiren pointed at the light.

“Senior, I can feel that the spoon you want is right there.”

Xiao Changtian saw where Chu Yiren was pointing and nodded.

“Come, follow behind me.”

Due to the narrow cave, the deeper they went, the cave could only accommodate one person.

Xiao Changtian said slowly to Chu Yiren as he walked in front.

At this moment, Chu Yiren heard Xiao Changtian’s words, and her face turned slightly red.

He took the initiative to hold Xiao Changtian’s hand and interlocked his fingers.

The two of them walked slowly towards the spot of light, one after the other.

Alpha, who was walking at the back, looked at the light in front of him.

His eyes flickered, and then he sent a message to the Chaos Ant on Xiao Changtian’s shoulder.

“Ant, I’ll leave Master to you.”

“Got it. You don’t have to say anything more.”

The Chaos Ant slowly poked its head out from Xiao Changtian’s shoulder and looked at Alpha.

Following that, Xiao Changtian and Chu Yiren slowly walked towards the light spot.

At this moment, the silver light on the Chaos Ant's antennae flashed.

Xiao Changtian and Chu Yiren's figures were enveloped by a silver light.

With a swoosh, he disappeared from the cave.

In Xiao Changtian's eyes, all of this was just a step forward.

In a flash of silver light, Xiao Changtian and Chu Yiren appeared beside a field.

At this moment, Xiao Changtian looked at the scene in front of him, his eyes revealing a trace of disbelief.

Was this the legendary paradise?

At this moment, in front of Xiao Changtian, a few topless men were fighting in front of a few wooden stakes.

It looked like he was training his martial arts.

Under a big tree inside, there were a few children playing.

He had only walked through a cave and discovered this small world.

It was hard to imagine that there was such a place in the forest.

Standing beside Xiao Changtian, Chu Yiren's body felt as though it was connected to the world.

A green light rose from his body..

Chapter 435: This Shangri-La Is Really Different, The

Folks Are Really Simple

In the small world of the Great Desolate Immortal Continent,

In front of Xiao Changtian and the others, a few topless men saw Xiao Changtian.

Just as he was about to walk over and question her.

Then, he saw the green glow on Chu Yiren's body.

"It's senior demon god. Senior demon god has returned. Quickly report to vice sect master Yaoyao."

The few men said excitedly, and then they quickly ran into the village.

Xiao Changtian saw the men running inside after seeing him.

There was some doubt on his face. Those people wouldn't treat him as an intruder, right?

At this moment, Xiao Changtian turned to look at Chu Yiren.

"Yiren, the spoon you mentioned is in this village?"

The green glow around Chu Yiren had already disappeared. She nodded in agreement when she heard Xiao Changtian's words.

"Senior, the Heaven Suppressing Spoon is here."

When she first came in, she had also awakened many memories.

This was the Demon Spirit Sect, a force she had established before.

After he disappeared, his former handmaiden, Yaoyao Ling, followed his will. He moved the Demon Spirit Sect to a small space and waited for his return. Previously, the Demon God's clone wanted to kill him and become his main body because he wanted to obtain the resources here.

It could be said that some demon gods had obtained all the resources since their birth.

Heaven Suppression Spoon?

When Xiao Changtian heard Chu Yiren's words, he also committed this name to memory.

The name Heaven Suppressing Spoon sounded quite domineering, but he didn't know if it could be used to stir-fry vegetables.

After a while, they arrived at the village entrance, which was in front of Xiao Changtian and the others.

Hundreds of people gathered, and the leader was a woman in red.

The woman was tall and curvaceous. Her long hair fell to her waist.

Tears welled up in her eyes when she saw Chu Yiren beside Xiao Changtian.

Then, he waved his hand and was about to lead the group of Demon Spirit Sect cultivators behind him to kneel down.

At that moment, a green light flashed across Chu Yiren's body.

A green light floated out from Chu Yiren's body. Yao Yaoling and the others instantly felt a force holding them up, preventing them from kneeling.

Chu Yiren also knew that Xiao Changtian was playing around in the mortal world and didn't like the rules and regulations of cultivators.

It didn't matter if other sects didn't know about it, but the sect he established definitely couldn't disturb his seniors' cultivation.

Following that, Chu Yiren took a step forward as well, smiling at Yaoyao Ling and the others."

"Everyone, I'm back."

Following that, a green streak of light flew out from Chu Yiren's fingertip and entered Yaoyao Ling's glabella.

Immediately, Chu Yiren told Yaoyao Ling about her reincarnation and her encounter with Xiao Changtian.

After Yaoyao Ling digested the information in her mind, she nodded at Chu Yiren.

His eyes were filled with respect as he looked at Xiao Changtian.

At this moment, the Demon Spirit Sect cultivators also transmitted their voices to Yaoyao Ling.

He asked Chu Yiren why she didn't let them kneel just now.

At that moment, Yaoyao Ling also slowly transmitted her voice to everyone in the sect.

“Everyone, it’s all thanks to the senior beside her that Lord Demon God has been able to recover and come here again over the years.”

“Lord Demon God said that Senior is tempering his heart in the mortal world and doesn’t like those red tape. Everyone, don’t disturb his cultivation.”

Yaoyao Ling’s words were like a huge rock thrown into a calm lake. Immediately, the cultivators of the Demon Spirit Sect looked at each other. “Lord Demon God’s strength is heaven-defying. There’s actually someone who has been called a senior by Lord Demon God. His strength is even above Lord Demon God’s.”

“He is also the benefactor of the Demon God. Since he is the benefactor of the Demon God, then he is our benefactor.”

“Right, right, right. We have to cooperate with Senior’s cultivation, or else we’ll disturb Senior.”

Then, the Demon Spirit Sect cultivators waved at Xiao Changtian.

“Senior, my hen just laid two eggs. Do you want to come to my house for dinner?”

Xiao Changtian was stunned when he saw the cultivator waving at him. Then, he said,

“Alright, thank you.”

At this moment, the other Demon Spirit Sect cultivators also cursed in their hearts.

Yao Yi actually took out the order that his Shen Ying had just placed. He was really generous.

At this time, the other Demon Spirit Sect cultivators also said to Xiao Changtian,

“Senior, I still have two bottles of immortal fruit wine that have been treasured for hundreds of years.”

“Senior, and my family...”

For a moment, almost all of the hundreds of Demon Spirit Sect cultivators in front of Xiao Changtian extended their invitations to him.

Chu Yiren nodded in satisfaction when she saw the actions of her disciples.

It seemed that the atmosphere of the Demon Spirit Sect hadn't changed much after he had been away for so many years.

At this moment, Xiao Changtian had also arrived beside Chu Yiren. He said slowly,”

“Yiren, did you tell them?”

Seeing how enthusiastic they were towards him, it was obvious that Chu Yiren had told them about him.

Chu Yiren smiled sweetly at Xiao Changtian when she heard him.

“As expected, I can't hide anything from senior. Senior, you won't mind, right?” Seeing Chu Yiren like this, Xiao Changtian also pinched the tip of her nose. “You're the most mischievous.”

This girl was usually carefree. If she was sold, she would not know.

When the Demon Spirit Sect cultivators saw Xiao Changtian and Chu Yiren's actions, they were shocked.

“I feel that Senior’s strength is unparalleled. He might be the master of our Demon Spirit Sect in the future.”

“What’s possible? I think it’s just that Senior is powerful and handsome. He’s completely a good match for Lord Demon God.”

A female cultivator of the Demon Spirit Sect said slowly.

“Senior, come to my house for dinner later.”

After that, the female cultivator walked up to Xiao Changtian and said slowly,”

“Senior, I think it’s getting late. I’ll take you to eat now.”

“Wow, Yao Wu beat us to it.”

Seeing Yao Wu’s actions, the other Demon Spirit Sect cultivators quickly followed.

“Senior, let’s go to my house. I have good wine.”

“Senior...”

For a moment, Xiao Changtian was surrounded by the Demon Spirit Sect cultivators.

Xiao Changtian looked at the group of people around him and sighed.

This Shangri-La was really different. The people here were really simple and honest.

As for Chu Yiren, she didn’t say anything when she saw the actions of her disciples.

She naturally heard what they said just now. Now, she looked at Xiao Changtian's face, which was slightly red.

At this moment, Yaoyao Ling had also arrived by Chu Yiren's side.

"Lord Demon God, it's good that you're back."

"Yes, yes. I still have some memories that I need to digest. Senior, please serve me."

"Bring him to the Heaven Suppressing Spoon."

Chu Yiren had also awakened some of her memories when she first arrived.

He needed to find a place to digest it, and Yaoyao Ling used to be his maid.

Chu Yiren trusted her, so she entrusted her with the task of bringing Xiao Changtian to retrieve the Heaven Suppressing Spoon..

Chapter 436: Senior, If You Like It, I Can Give It to You (1)

I

Great Desolate Immortal Continent, in front of the cave behind the Imperial Beast Sect's mountain

A stream of light flew across the sky.

Ye Tian appeared in front of the cave, his eyes completely silver-white.

Ye Tian's silver-white eyes gazed at the cave before him as he opened his palm. "That woman, Yaoyao Ling, is really too difficult to talk to. However, for the sake of revenge, I still have to go in again."

"With the Heaven Suppressing Spoon, I'll have the power to protect myself against that Heaven Swallowing Dog."

As he spoke, a silver mist rose from Ye Tian's body.

He covered his entire body and flew into the cave.

Whoosh! Ye Tian walked through the cave and arrived in front of the dot of light.

With a swoosh, he entered the small space where the Demon Spirit Sect was located.

After arriving at the Demon Spirit Sect's small space, Ye Tian looked around.

"The feeling of having a body is great. It's much easier to conceal my aura." "However, we should find the Heaven Suppressing Spoon first before making any plans."

With that, Ye Tian used the silver-white mist to cover his body and flew toward the Demon Spirit Sect.

At the same time, on a small path in the Demon Spirit Sect,

Xiao Changtian and Yao Yaoling walked side by side. Yao Yaoling led Xiao

Changtian forward.

After Chu Yiren gave the order, the Demon Spirit Sect cultivators had no choice but to let Yao Yaoling entertain Xiao Changtian.

Hence, Yaoyao Ling followed Chu Yiren's instructions and brought Xiao

Changtian to where the Heaven Suppressing Spoon was.

At this moment, Xiao Changtian also looked at Yaoyao Ling in front of him and said slowly,"

"Miss, what's your name? You look quite familiar with Yiren."

Yiren, this girl. After bringing him here, she said that she wanted to catch up with the old times and let such a girl bring him along.

Along the way, this girl didn't speak much, and the atmosphere was awkward.

Yaoyao Ling, who was leading the way, also slowly responded to Xiao

Changtian's words.

"Senior, my name is Yao Yaoling."

"Yao Yao Ling? Are you going to call the police?"

Xiao Changtian almost blurted out when he heard Yaoyao Ling's name.

"Call the police?"

When Yaoyao Ling heard Xiao Changtian's words, she placed her hand on the tip of her nose and revealed a puzzled expression.

"No, no."

Xiao Changtian also knew that he had just said something that he only knew in his previous life.

This girl's name was so coincidental.

“Oh, oh.”

Seeing that Xiao Changtian had no intention of explaining, Yaoyao Ling didn't continue asking.

Instead, he brought Xiao Changtian and continued walking towards the Heaven Suppressing Spoon.

At this moment, a white shadow flew past Xiao Changtian and Yaoyao Ling slowly.

Ye Tian's hand glowed with a white light as he stared ahead.

“The Heaven Suppressing Spoon should be in front of us.”

After saying this, Ye Tian continued to fly forward.

Then, he saw Xiao Changtian and Yaoyao Ling from the corner of his eye.

Seeing Xiao Changtian, Ye Tian instinctively dodged to the side.

He hid behind a rock and looked at the two people in front of him.

Why was that woman, Yaoyao Ling, walking together with this person?

Ye Tian also looked around Xiao Changtian.

Fortunately, the Heaven Swallowing Dog wasn't here. Otherwise, with my current state, I might have been discovered.

This person came here and in this direction. Could it be that he was also heading toward the Heaven Suppressing Spoon?

With this thought in mind, Ye Tian moved slowly, quietly following behind

Xiao Changtian and Yaoyao Ling.

On the way, Xiao Changtian had a smile on his face after a simple conversation with Yaoyao Ling.

"Miss Yaoyao Ling, you don't have to be so restrained. We can chat more."

Xiao Changtian started to talk to Yaoyao Ling after he heard her name.

However, it was obvious that this girl had been staying here all this time and had basically never gone out.

So it was understandable that she was a little shy since it was her first time here as an outsider.

Yao Yaoling nodded after hearing Xiao Changtian's words.

"Alright, Senior."

From Chu Yiren, she knew that Xiao Changtian was a hermit expert.

If Senior was willing to give him some pointers, he might have another breakthrough on his cultivation path.

With this thought in mind, Yaoyao Ling slowed down her pace and slowly walked alongside Xiao Changtian.

At this moment, Xiao Changtian was also looking at the surrounding flowers and houses.

“Miss Yaoyao Ling, do the people in your village like to plant flowers and plants?”

“Where do you want me to go now?”

Flowers and plants?

Yaoyao Ling followed Xiao Changtian’s gaze and saw him staring at the spirit herbs in the cave abode of the Demon Spirit Sect cultivators.

These were spirit herbs that were hard to find outside. They were of great help to cultivation.

However, in Senior’s eyes, they were just flowers and plants by the roadside. Yaoyao Ling had heard of it before. After some experts cultivated to a certain realm, spirit medicines were no longer effective to them.

Therefore, spirit medicines were nothing to them.

Senior has indeed reached the legendary realm. I really look forward to senior’s guidance.

Then, he remembered that Xiao Changtian was cultivating his heart in the mortal world, so he had to call everything ordinary.

Yaoyao Ling also slowly said to Xiao Changtian,”

“Yes, yes. The people in the village all like to plant flowers and plants.”

“Yes, yes, it’s not bad. I’ve wanted to do this before.”

Xiao Changtian nodded his head when he heard Yaoyao Ling’s words.

He remembered that in his previous life, Xiao Changtian also wanted to plant some flowers and plants when he had time.

This way, not only could it cultivate one’s character, but it was also good for one’s health.

“In the past?”

Yaoyao Ling couldn’t help but ask when she heard Xiao Changtian’s words.

A pair of big watery eyes looked at him, filled with curiosity.

She also wanted to know what the life of a powerhouse like Xiao Changtian was like in the past.

“Yes, yes, but unfortunately, I didn’t have the chance to do it.”

Xiao Changtian slowly responded when he saw Yaoyao’s reaction.

Hearing Xiao Changtian’s regretful words, Yaoyao Ling thought that she had brought up some bad memories.

He quickly said,

“Senior, if you like it, I can give you the ones I planted.”

Xiao Changtian smiled when he heard Yaoyao Ling's words.

"Thank you, but there's no need for that now. By the way, you haven't told me where you're taking me yet."

Yao Yao Ling saw that Xiao Changtian's tone had returned to normal, and her face was filled with joy.

It seemed that Senior didn't blame him just now.

"Senior, let's go get a spoon."

Xiao Changtian also said to Yaoyao Ling when he heard about the spoon, "Alright, that girl Yiren told you, right? I'll have to trouble you to lead the way." Yaoyao Ling also pointed forward when she heard Xiao Changtian's words. "Senior, we'll be there soon."

Behind Yao Yao Ling and Xiao Changtian, Ye Tian naturally heard their conversation..

Chapter 437: Stealing the Heaven Suppressing Spoon?

Small Space, Demon Spirit Sect

Ye Tian hid behind a rock behind Xiao Changtian and Yaoyao Ling, his face ashen.

Listening to Xiao Changtian and Yao Yao Ling's conversation, Ye Tian was furious.

The last time he had brought Ye Tian to the Demon Spirit Sect, he had asked for help.

That Yaoyao spirit didn't give him a good look at all. Not only was she unwilling to give him a single spirit herb, but she also didn't want to give it to him.

He remembered that when he had asked Yao Yao Ling for a Lingzhi Grass, the people of the Demon Spirit Sect had almost chased him out of the door.

But now, in front of Xiao Changtian, what could this Yao Yao Ling say?

If Xiao Changtian liked it, not only would she not charge him, she could even give him the spiritual herbs.

Was this the benefit of being powerful?

Ye Tian looked at Xiao Changtian with envy.

Also, what did Yaoyao Ling just say? She wanted Xiao Changtian to find a spoon.

Needless to say, it was definitely the Heaven Suppressing Spoon.

Didn't the Demon Spirit Sect say that no one could touch the Heaven Suppressing Spoon except for their Demon God?

Why did he act like he could take anything he wanted in front of Xiao Changtian?

Ye Tian thought to himself, his heart filled with resentment.

Seeing Xiao Changtian and Yaoyao Ling continue to move forward, he immediately followed them.

At this moment, Xiao Changtian and Yaoyao Ling's conversation slowly drifted over.

"That spoon is also a treasure to you, right?"

Xiao Changtian stood beside Yaoyao Ling and spoke to her slowly.

When he came, he had guessed that this spoon was a half-finished immortal cultivator spiritual weapon.

To the mortals in Yaoyao Ling's village, it was likely that they would treat it as a treasure.

Yaoyao Ling nodded her head when she heard Xiao Changtian's words.

"Yes, yes. Ever since the establishment of our village, the Heaven Suppression Spoon has been in our village."

Hearing Yaoyao Ling's words, Xiao Changtian felt a little troubled.

The purpose of his trip was precisely this Heaven Suppressing Spoon.

However, it seemed that the village treated it as a treasure. It seemed a little difficult for him to take it away.

With this thought in mind, Xiao Changtian also said tentatively.

"Miss Yaoyao Ling, I want to borrow your village's spoon. Is it convenient?"

Although this Yao Yao Ling wanted to bring him to get that spoon, Xiao Changtian wasn't sure if they were willing to let him take them away.

At this time, Ye Tian pricked up his ears.

He was very concerned about the news regarding the Heaven Suppressing Spoon.

Now, he could only hope that Yao Yao Ling would reject Xiao Changtian.

After all, with the strength of the Heaven Swallowing Dog beside Xiao Changtian, he wasn't confident in snatching it.

When Yaoyao Ling heard Xiao Changtian's words, she pointed at a house in front of them.

"Of course it's convenient. Senior, we've already arrived. The Heaven Suppressing Spoon is in the room in front."

Xiao Changtian was stunned when he heard Yaoyao Ling's words.

He had thought that the villagers treated the Heaven Suppressing Spoon as a treasure, so he had to negotiate with them.

He didn't expect them to agree so quickly.

It seemed that the people in this village were more honest than he had imagined.

With this thought in mind, Xiao Changtian said to Yaoyao Ling,"

"Thank you, Miss Yaoyao Ling."

When Yaoyao Ling heard Xiao Changtian's words, her figure also walked towards the direction of the house.

"Senior, I'll go get it for you now."

Chu Yiren had personally given him the task of handing the Heaven Suppressing Spoon to Xiao Changtian.

Yaoyao Ling didn't dare to be negligent. Even if Xiao Changtian didn't want it, she had to give it to him.

Ye Tian, who had been eavesdropping from behind, almost burst into a torrent of abuse.

He had originally thought that Yaoyao Ling was only saying that because of Xiao Changtian's strength.

Moreover, that senior had asked for her opinion, and it was obvious that he did not have to take the Heaven Suppressing Spoon.

He didn't expect Yaoyao to become such a bootlicker.

The other party did not particularly want it, but he took the initiative to get it for them.

Thinking back to when he was at his peak, he did not receive such treatment in the Divine World.

Ye Tian couldn't help but compare himself to Xu Chen.

Compared to him at his peak, this person was dressed in a green robe and had an imposing appearance. He seemed to be more handsome than him.

No, in the Divine Realm, what was the use of being handsome? Strength was everything.

While Ye Tian was comparing, Yao Yao Ling slowly walked out of the room.

He held a silver spoon in his hand and walked to Xiao Changtian.

"Senior, the Heaven Suppressing Spoon is here."

Yao Yao Ling's voice slowly entered Ye Tian's ears, and his mind began to spin.

He looked at the Heaven Suppressing Spoon that was about to fall into Xiao Changtian's hands.

'No, I can't let this Heaven Suppressing Spoon fall into that person's hands.'

Otherwise, he would have no chance to get him again in the future.

Without the Heaven Suppressing Spoon, how could he take revenge?

With this thought in mind, Ye Tian condensed a massive white orb of light.

He threw it at a spot in front of Xiao Changtian.

Bang! The ball of light exploded in the air with a loud bang.

This loud noise attracted the attention of Yao Yao Ling and Xiao Changtian.

The two of them could not help but look forward.

There was an invasion.

This was the first thought in Yaoyao Ling's mind. She then looked at the Heaven Suppressing Spoon in her hand.

He seemed to have sensed something and said to Xiao Changtian,"

"Senior, I think someone is here to steal the Heaven Suppressing Spoon."

Xiao Changtian nodded his head when he heard Yaoyao Ling's words.

Looking at this demonic spirit's reaction, it was obvious that they were not familiar with this situation.

Miss Yaoyao Ling didn't panic at all when she encountered such a situation.

She was also very calm.

However, it was understandable. After all, there were people who would naturally be interested in this treasure.

At this moment, a few Demon Spirit Sect cultivators came to Yao Yaoling and Xiao Changtian's side.

When she arrived beside Yaoyao Ling, the few Demon Spirit Sect cultivators transmitted their voices to her.

"Vice Sect Leader, what happened?"

"I suspect that someone is here to steal the Heaven Suppressing Spoon. Yao Wu, take Senior to rest first. The rest of you, follow me to search."

At this moment, Yaoyao Ling seemed to have recovered her demeanor as the vice sect master as she transmitted her voice to everyone.

Following that, Yaoyao Ling walked up to Xiao Changtian.

"Senior, I'm sorry that something unexpected happened. I'll have to trouble

Senior to go to Yao Wu's house to rest."

“I’ll go find Senior after I’m done.”

Xiao Changtian naturally didn’t have any objections after hearing Yaoyao Ling’s words.

Since he had come to the village, he naturally had to do as the locals did.

However, Xiao Changtian still said.

“Do you need my help?”

After all, if he wanted to borrow a spoon from someone, it would be nice to let Alpha do the job of catching a thief.

When Yaoyao Ling heard Xiao Changtian’s words, she smiled at him.

“Senior, we can solve it ourselves. We’re really sorry to disturb you.”

Xiao Changtian didn’t say anything else after hearing what Yaoyao Ling said.

Ye Tian, who was hiding behind a rock, also breathed a sigh of relief.

Fortunately, Xiao Changtian didn’t make a move. Otherwise, it wouldn’t be easy for him to escape..

Chapter 438: Demon Spirit Array (1)

Small Space, Demon Spirit Sect

Ye Tian hid behind a rock, examining his palm.

The silver-white mist that was attached to it had already dissipated a lot.

He had used up a lot of his primeval essence to cast that ball of light just now in order to not be discovered.

Now, the silver-white color in his eyes was a little dimmer than before.

“In this state, even though we can prevent the Heaven Suppressing Spoon from falling into that person’s hands.”

“But I still have to find a place to hide.”

Ye Tian muttered as he gathered the last of his True Qi and flew to the side.

In front of the house, Yao Wu brought Xiao Changtian to rest.

Yaoyao Ling also issued orders.

“Senior is the benefactor of the Demon God. Our benefactor encountered such a situation on the first day he came to our Demon Spirit Sect.”

“You know what to do, right?”

Hearing Yaoyao Ling’s words, the Demon Spirit Sect cultivators were filled with righteous indignation.

Xiao Changtian was someone they thought would become the husband of the Demon God and the master of the Demon Spirit Sect.

Now that something like this had happened to the Demon Spirit Sect, wouldn't this make Senior look down on their Demon Spirit Sect?

"Vice Sect Master, don't worry. No matter which bastard it is, I will definitely find him.""

"Us too. If we can't find him, we're willing to die to apologize."

Everyone looked furious. At this moment, a voice came from the crowd.

"Vice Sect Leader, I think we should activate the Demon Spirit Array." Hearing this voice, all the Demon Spirit Sect cultivators present were stunned. The Demon Spirit Array was the ancestral array of their Demon Spirit Sect. Once the Demon Spirit Array was opened, nothing could escape his tracking and killing.

However, the price of activating the Demon Spirit Array was very high. Not only did it consume a lot of resources, but it could only be activated once every 100 years.

Unless it was a life and death situation, it would never be activated.

In the history of the Demon Spirit Sect, the Demon Spirit Array had only been activated once.

When Yaoyao Ling heard this voice, she hesitated for a moment.

At this moment, a voice came from above.

"Activate the Demon Spirit Array."

As soon as he finished speaking, Chu Yiren's figure slowly appeared in front of everyone.

When they saw Chu Yiren, the Demon Spirit Sect cultivators said in unison, "Lord Demon God!"

Then, a Demon Spirit Sect cultivator said,

“I think that the Demon God is right. Activate the Demon Spirit Array. Since

that guy dared to attack senior, it’s unforgivable.”

“Yes, Senior is the great benefactor of the Demon Spirit Sect. If you dare to attack our benefactor, you must use the Demon Spirit Array to entertain us.”” Soon, the Demon Spirit Sect cultivators agreed.

At this moment, Yaoyao Ling walked over to Chu Yiren’s side.

“Sect Master, I’ll go prepare to activate the Demon Spirit Array.”

It wasn’t that she hadn’t thought about activating the Demon Spirit Array. It’s just that the relationship with the Great Demon Spirit Array is too great so she didn’t say it out loud.

Seeing that the Demon Spirit Sect cultivators had agreed, Yao Yao Ling’s face naturally lit up and she immediately went down to make arrangements.

When Chu Yiren heard Yaoyao Ling’s words, she nodded in agreement. Back in her cave abode, Chu Yiren had also finished digesting the memories she had awakened.

However, just as he was about to go find Xiao Changtian, he heard a loud noise outside.

And it came from the direction where the Heaven Suppressing Spoon was stored. Chu Yiren immediately rushed over.

Soon, the cultivators of the Demon Spirit Sect sat cross-legged in their cave abodes.

He placed the spirit herbs and spiritual herbs that had been planted in his cave abode for many years in front of him.

He muttered something.

Then, the cave abodes of the cultivators in the Demon Spirit Sect were built one after another.

As if they had sensed something, they all connected.

Soon, it covered the entire Demon Spirit Sect.

At this moment, in Yao Wu's courtyard.

Xiao Changtian and Yao Wu were sitting on two sides of a wooden table in the courtyard.

Because he had to entertain Xiao Changtian, Yao Wu didn't need to participate

in the activation of the Demon Spirit Array.

The two of them drank the immortal fruit brew on the table and ate, talking and laughing.

At this moment, Yao Wu looked up into the sky.

In the air, streams of true essence slowly gathered.

A dark green eye with an ancient aura was slowly forming.

This is the Great Demon Spirit Array!

It was rumored that once the demon eye was opened, all the enemies would have nowhere to hide and their bodies and souls would be destroyed.

“Don’t worry, we’ll catch him soon.”

Xiao Changtian said slowly when he saw Yao Wu staring at the sky.

Yao Wu was probably worried that the thief had stolen something from the village.

However, based on his many years of experience, he could tell that Miss Yaoyao Ling was calm and collected.

It was obvious that he was very confident in catching the thief. Therefore if nothing unexpected happened, it would be difficult for the thief to escape’.

Yao Wu nodded slowly when he heard Xiao Changtian’s words.

This was the first time she had seen this Demon Spirit Array.

However, with Senior’s strength, he was naturally able to predict the future.

Hearing Xiao Changtian’s words, Yao Wu also picked up his wine cup and continued to eat and drink with Xiao Changtian.

At this time, Ye Tian was hiding in a corner of the Demon Spirit Sect.

The silver-white eyes looked up at the sky, feeling as if a great terror was brewing in the sky.

Ye Tian began to speculate as he looked up at the dark green Demonic Eye.

It was rumored that the Demon Spirit Sect had a Demon Spirit Array. When it was activated, a pair of demon eyes would frighten all the experts in the world. Even the Godly Emperor had died in it.

However, the price of opening it was also extremely high.

He was just stopping them from handing the Heaven Suppressing Spoon to the owner of the Heaven Swallowing Dog.

They wouldn't go so far as to activate the Demon Spirit Array to deal with him right? '

After consoling himself, Ye Tian looked up again.

The blurry demon eye in the air was now clearly visible.

The demon eye was dark green in color, and it looked like it was about to form.

Wow, it really is the Great Demon Spirit Array.

Ye Tian panicked when he saw the dark green eye.

NOW, he had to wonder who Xiao Changtian was from the Demon Spirit Sect.

Could the owner of the Sky Swallowing Dog be the ancestor of the Demon Spirit Sect?

No, it should be higher than the ancestor's level.

He had only stopped him a little, and he hadn't even done anything substantial, yet he wanted to use the Demon Spirit Array to deal with him.

Even if the ancestors returned, there was no need for this.

Who was the owner of the Sky Swallowing Dog to them?

At this moment, the dark green demon eye in the air had also finished forming. Seeing the Demon Eye slowly open, Ye Tian ran through all sorts of escape methods in his mind.

However, all of them were dead without exception.

What to do, what to do?

Ye Tian's mind kept spinning. Was he going to use the same trick again?

At this moment, Chu Yiren, who was the eye of the formation, spoke slowly. "Demon Eye, activate! Kill them!"

As Chu Yiren's voice trailed off, her demonic eyes also shot out beams of light, enveloping the area below..

Chapter 439: Send It Back (1)

Small Space, Demon Spirit Sect

The dark green light emitted by the demon eye almost covered the entire Demon Spirit Sect.

Ye Tian looked at the incoming light and a white chain flew out from his hand.

The white chain collided with the dark green light.

The white chains dissipated, turning dark green as well. The light continued to shoot towards Ye Tian.

As expected of the legendary Demon Spirit Array.

This power wasn't just for show.

Ye Tian looked at the incoming light and dodged it, trying to escape to the exit of the Demon Spirit Sect.

At the same time that Demon Eye discovered Ye Tian, Chu Yiren, who was at the eye of the formation, had a cold expression on her face.

“So it's you. I didn't expect you to still be alive.”

Back at the School of Imperial Beasts, Chu Yiren had seen the Heaven Swallowing Dog kill him.

They hadn't expected this old man to possess Ye Tian's body and be reborn.

Following that, Chu Yiren's hands began to change their gestures.

Then, the dark green light emitted by the demon eye suddenly formed a huge net.

It's heading towards Ye Tian and covering him.

Whoosh! Ye Tian dodged another dark green beam.

He landed on the ground, his face pale and panting.

He was already lucky to be able to dodge the attacks of the dark green light rays several times in a row.

At this moment, the true essence in his body was exhausted. Facing the huge net in the air, he had no way to dodge.

He had to use the old method.

Ye Tian sighed inwardly, seemingly resigned to his fate.

Ye Tian allowed the net to envelop him, and then he fell to the ground.

The net bound Ye Tian, and the light on it continued to absorb his vitality.

Soon, Ye Tian was on the ground, unable to move.

Then, a few Demon Spirit Sect cultivators appeared beside him and took him away.

At the same time, in the courtyard of the fifth demon.

Yao Wu received the news from the Demon Spirit Sect cultivators and said to Xiao Changtian excitedly,

“Senior, we’ve already caught the thief.”

Xiao Changtian smiled when he saw Yao Wu’s happy expression.

“How is it? I didn’t lie to you, right? This thief can’t escape.”

On the other side, Chu Yiren and Yaoyao Ling arrived in front of Ye Tian.

Yaoyao Ling looked at Ye Tian and slowly said to Chu Yiren,”

“Lord Demon God, I’ve seen this person before. I don’t know why he came to the Demon Spirit Sect.”

“You even tried to build a relationship with our Demon Spirit Sect for the sole purpose of losing the Heaven Suppressing Spoon.”

Chu Yiren’s face turned cold when she heard Yaoyao Ling’s words.

This guy actually dared to covet what Senior wanted. It was unforgivable.

Yaoyao Ling saw Chu Yiren’s expression and said slowly,”

“Lord Demon God, this person is already dead, right? Why don’t this subordinate take him down and bury him?”

Yaoyao used her Spiritual Sense to probe Ye Tian’s body and found that his vitality had completely dissipated.

Hearing Yaoyao Ling’s words, Chu Yiren reached out to stop her.

“Wait, let’s see.”

That fellow was able to revive after being killed by senior Heaven Swallowing Dog, which meant that he still had some tricks up his sleeve.

It was better to wait for Senior to come and take a look personally.

At this moment, Yao Wu and Xiao Changtian slowly came to the front of the crowd.

“How was it? The thief was caught. Who was it?”

Xiao Changtian came to the front of everyone and said slowly.

Ye Tian was bound by the net.

“Isn’t this person the Holy Son of that old man’s family?”

When Chu Yiren heard Xiao Changtian’s words, she turned her head slowly towards him.

“Senior, what do you think?”

Xiao Changtian was stunned when he heard Yaoyao Ling’s words.

Wasn’t this guy here to steal your things? Why would he ask an outsider like me?

Seeing Xiao Changtian’s unsightly expression, Yaoyao Ling was also very nervous.

This person coveted Senior’s things, so he naturally asked Senior. Wouldn’t this make Senior unhappy?

At this moment, Chu Yiren turned to Xiao Changtian and said slowly,”

“Senior, why don’t we bury him?”

Hearing Chu Yiren’s words, Xiao Changtian was shocked.

This girl was usually carefree, but she was really bold.

He stole something, and you still want to bury him.

At this moment, a faint wisp of Soul Remnant slowly moved in Ye Tian's abdomen.

It was the remnant soul of Ye Tian's Master.

When he had been killed by his enemy, he had entrusted a wisp of his soul to Ye Tian.

Now that he was killed by the Demon Spirit Array, he naturally wanted to use the same method to escape.

However, he would have to sleep for a long time after he escaped.

At this time, Xiao Changtian's hand slowly patted Ye Tian's body, hitting his abdomen.

At this time, Ye Tian's Master's remnant soul also felt the world around him darken as the space around him began to shrink.

"My Soul Remnant Art can even hide from the Great Demon Spirit Array. How could you discover me? Who are you?"

"No!"

With Xiao Changtian's slap, Ye Tian's Master's remnant soul had completely dissipated, with no chance of rebirth.

Then, Ye Tian's body also released a cloud of gas.

When Chu Yiren and the others saw the gas, they exchanged glances.

Fortunately, there was a senior. Otherwise, this fellow would have run away again.

Then, Xiao Changtian stood up from the ground.

“This guy should be sent to that old man.”

He had also checked just now. Although this fellow had been captured, his vitality was not completely gone.

It was just that he might become a vegetable in the future.

Xiao Changtian couldn't say anything.

However, this guy knew his background. It was better to send him back.

He didn't want those old men to worry.

Chu Yiren nodded in agreement.

Then, he glanced at Yaoyao Ling beside him. Then, Yaoyao Ling said to the two people beside her,”

“Yao Yi, Yao Yi, send him to the Imperial Beast Gate.”

Having lived in this small space all year round, Yaoyao Ling and the others naturally knew about the Imperial Beast Sect.

Two Demon Spirit Sect cultivators walked out.

Taking Ye Tian away, they headed towards the Imperial Beast Sect.

At this time, Chu Yiren also said to Xiao Changtian slowly,”

“Senior, let’s go get a spoon.”

Xiao Changtian glanced at Yaoyao Ling when he heard Chu Yiren’s words.

He and Chu Yiren were considered outsiders to the village, so they had to seek their opinions.

Then, Yaoyao Ling immediately walked between the two of them.

“Senior, let me bring you there.”

Fortunately, the villagers were really hospitable.

Xiao Changtian looked at Yaoyao Ling who was already leading the way and sighed in his heart.

Imperial Beast Sect Mountain Gate

At this time, Yao One and Yao Two slowly placed Ye Tian in front of the

Imperial Beast Sect.

As soon as Ye Tian appeared, Xiao En followed suit.

Seeing Ye Tian on the ground, Xiao En was also startled. He turned to Yao One and Yao Two and said slowly,”

“The two of you, this is?”

“Senior asked us to bring it over.”

Demon One looked at Xiao En and said. Then, he and Demon Two disappeared in front of the Imperial Beast Gate..

Chapter 440: You're Here to Pick Herbs. Right (1)

° 7

In the forest of the Great Desolate Immortal Continent

Whoosh! Whoosh! Whoosh!

In the forest that led to the Demon Spirit Sect's small world, the rustling of flowers and plants in the forest sounded.

Two figures also walked through the grass.

Two figures landed on the ground, revealing their faces.

They were the clones of the Medicine Sovereign and the Divine Court Master who had rushed here from the Imperial Beast Sect's small town.

The Medicine Sovereign stood beside the cloaked man, stretching out his hand to block his path.

He looked ahead and slowly said,

“Master, someone is coming.”

When the cloaked man heard the words of the Demon Sovereign, he immediately understood and walked into the bushes with the Medicine Sovereign.

Hiding in the bushes, the Medicine Sovereign and the avatar of the Divine Court Master stared ahead.

Following that, the bushes in front of them were flipped over, and Xiao Changtian and Chu Yiren's silhouettes appeared before their eyes.

Xiao Changtian was standing beside Chu Yiren, and he said slowly,"

Yiren, it's all thanks to you that this trip went so smoothly."

After borrowing the Heaven Suppressing Spoon, Xiao Changtian brought Chu Yiren and Yao Yaoling to bid them farewell.

After all, the village was considered a paradise, and he could not disturb them for a long time.

When Chu Yiren heard Xiao Changtian's words, she smiled back at him.

"Senior, how good would it be if Yaoyao Ling and the others moved to Dayang Town?"

After he gradually recovered his memory, the Demon Spirit Sect was naturally not suitable to continue staying in that small space.

The first place Chu Yiren thought of when moving out was naturally Dayang Town.

Putting aside the fact that he lived in Dayang Town, he had many opportunities to interact with Xiao Changtian.

With Xiao Changtian's strength alone, the safety of the Demon Spirit Sect wouldn't be a problem if they moved to Dayang Town.

Hearing Chu Yiren's words, Xiao Changtian smiled as well. He turned to Chu Yiren and said slowly,"

"You, if you want them to move to Dayang Town, they have to agree."

Xiao Changtian didn't know whether to laugh or cry as he spoke.

What was this girl thinking all day?

Why would he move to Dayang Town when he was living in a paradise?

The smile on Chu Yiren's face widened when she heard Xiao Changtian's words.

"So, if they are willing, they can move to Dayang Town."

Seeing the look of anticipation on Chu Yiren's face, Xiao Changtian shook his head helplessly.

Then, he continued walking forward.

At this moment, Alpha rubbed against his feet and led him to a bush.

Eh, is there something over there?

Xiao Changtian looked at Alpha at his feet and followed him.

Alpha usually didn't nag her much, but this time he took her away.

Something must have happened.

At this moment, Xiao Changtian also came to a bush.

“Here.”

Xiao Changtian looked at Alpha at his feet and said slowly to him.

She saw that Alpha was no longer rubbing against her feet.

Xiao Changtian was also prepared to walk into the bushes.

At this moment, the grass rustled, the Medicine Sovereign and the cloaked man appeared in front of Xiao Chang Tian.

Seeing two people suddenly appear in front of him, Xiao Changtian couldn't help but take a few steps back.

Seeing the bamboo basket behind Yao Huang, Xiao Chang Tian slowly said to them,

“Are you here to pick herbs?”

The bamboo basket behind the white-haired old man was filled with some medicinal herbs. It was obvious that he had come to the mountains to collect medicinal herbs.

When the Medicine Sovereign heard Xiao Changtian's words, he cupped his fists towards him.

“Yes, we came to the mountains to pick herbs.”

At this moment, Chu Yiren had also arrived beside Xiao Changtian.

“Senior, what's wrong?”

Following which, when he saw the Medicine Sovereign and the cloaked man, he frowned.

After awakening his memories, his body was much more sensitive to danger than before.

These two people gave her a very dangerous feeling.

At this moment, Xiao Changtian turned to Chu Yiren and said slowly,”

It s fine. They came to the mountains to pick herbs.”

After which, Xiao Changtian slowly said to Yao Huang and the rest,

Do you need our help? I know a thing or two about medicinal herbs.”

Hearing Xiao Changtian’s words, the Medicine Sovereign shook his head.

“Thank you, sir. We can find it ourselves.”

Their goal for this trip was the Heaven Suppressing Spoon. How could they let Wanting Meat follow them?

Hearing the Medicine Sovereign’s words, Xiao Changtian waved his hand dismissively before pulling Chu Yiren down the mountain.

Since they didn’t need it, Xiao Changtian wouldn’t help them.

After which, Xiao Chang Tian seemed to have thought of something as he turned his head towards the Medicine Sovereign and the cloaked man and slowly said,

“Oh right, we just came from the mountains. Let me remind you that there are quite a lot of thieves in the mountains. You have to be careful.”

What these farmers were most worried about was that the herbs they had waited for a long time would be plucked by others.

And a thief appeared in Yaoyao Spirit Village.

It was hard to guarantee that the white-haired old man’s herbs would not be stolen.

With that, Xiao Changtian led Chu Yiren down the mountain.

After Xiao Changtian and Chu Yang left, the cloaked clone of the Divine Court

Lord slowly spoke to the Medicine Sovereign,

“Medicine Sovereign, can you tell how they discovered us?”

The Medicine Sovereign shook his head when he heard the words of the avatar.

“No, but when I checked their auras, I didn’t find any true essence on them.”

“It should be a mortal. We just happened to bump into him.”

Upon hearing the Medicine Sovereign’s words, the avatar of the Divine Court Master nodded his head.

After which, he held his cloak and slowly said to the Yao Huang,

“Medicine Sovereign, let’s hurry up and leave.”

As the sound of his voice faded, the avatar of the Divine Court Master took the lead and flew towards the direction of Yaoyao Ling's village. The Medicine Sovereign followed closely behind.

When he saw Xiao Changtian, he felt something was wrong.

However, he couldn't tell exactly what was wrong.

Hence, the avatar of the Lord of the Divine Court brought the Medicine Sovereign to pay a visit to the Demon Spirit Sect.

The Heaven Suppressing Spoon was related to the revival of the Divine Court.

With the Heaven Suppressing Spoon, it would be much more convenient for them to rebuild the Divine Court and find the main body.

At the same time, in the main hall of the Imperial Beast Sect,

Xiao En sat on a chair in the main hall. On both sides of the main hall stood a group of elders from the School of Imperial Beasts.

At this moment, in the middle of the hall, Ye Tian's body, bound by a large net, slowly lay on the ground.

Xiao En pointed at Ye Tian in the center of the hall.

"I have gathered everyone here because I have something to tell you."

"Everyone knows the person in the center of the hall."

Hearing Xiao En's words, the group of School of Imperial Beasts elders also looked at the corpse in the center.

"Sect Master, isn't this Ye Tian? Didn't you say he escaped from the dungeon?"

He did escape from the dungeon, but he was captured by Senior."

When Xiao En heard the words of the Sect of Imperial Beasts 'elder, he nodded and stood up from his seat..
