Chapter 465: Someone Walked In?_i

Floating island above the Drunken Immortal Restaurant

Hearing Xiao Changtian's answer, the divine eye smiled again.

Futian? It should be the name of a cultivator.

It seemed that he had yet to see through the true intentions of the Immortal Drunken Tower.

Di Tian listened to the conversation between the Divine Eyes and Xiao Changtian but he didn't say anything.

Then, the divine eye slowly said to a guard in golden armor beside him, "Pass it down. It's time for the Drunken Immortal Restaurant to open." As he spoke, the divine eye slowly waved at a cultivator beside him.

Then, another cultivator in golden armor slowly came to the divine eye and Xiao Changtian.

The golden armored cultivator held a chessboard in his hand and placed it on the table between Xiao Changtian and the divine eye.

Seeing the chessboard, the Divine Eye turned to Xiao Changtian and said,"

"How about we play a game of chess?"

In the eyes of the divine eye, Xiao Changtian's strength was really strange. If it wasn't for the fact that he didn't understand him, he wouldn't have the mood to do anything else.

As for Di Tian, his divine eyes could tell that his respect for Xiao Changtian wasn't faked.

Seems like Desolate Changtian was the reason why Di Tian dared to come up this time.

With this thought in mind, the divine eye didn't care about Xiao Changtian's response.

He picked up a black chess piece and placed it on the chessboard.

Whoosh! The black piece landed on the chessboard and immediately emitted a wave of true essence fluctuations.

This chessboard was not an ordinary chessboard. It was a treasure that the divine eye had taken from the Gate of Heaven.

If they did not have the support of powerful strength, the people in the next round would be controlled by this chessboard.

He became a chess slave on the chessboard.

Xiao Changtian saw that the divine eye had asked someone to bring him a chessboard and even started to place his own pieces.

He might be a laughingstock, but he didn't think he would lose to anyone in chess.

With this thought in mind, Xiao Changtian also took out a white piece from the white chess pieces and slowly placed it on the chessboard.

Whoosh! The white chess piece landed on the chessboard and immediately emitted a wave of true essence fluctuations on the chessboard.

The divine eye saw Xiao Changtian casually holding the chess piece and smiled at him.

This person was indeed not as simple as he looked on the surface.

At the very least, he wouldn't be a mortal.

Behind Xiao Changtian and the Divine Eye, Di Tian and the others were looking at the chessboard on the Divine Eye and Xiao Changtian.

They were also fully focused. This time, it was not just about their fate.

It was also a rare opportunity to comprehend the Dao.

After all, the two people in front of them were both big shots.

At this moment, in front of the square of the Drunken Immortal Restaurant.

A majestic voice slowly sounded.

Boom! Boom! Boom!

The Drunken Immortal Restaurant let out a burst of noise, and then the door of the Drunken Immortal Restaurant slowly opened.

The test of the Drunken Immortal Restaurant has begun. Everyone, rely on your strength to ascend to the top.”

Accompanied by this illusory voice, it sounded in the world.

On the square of the Drunken Immortal's Restaurant, the other members of the Grand Central were also in an uproar.

The Drunken Immortal Restaurant is open, it's open."

Accompanied by the excited voices of the cultivators, those cultivators slowly instructed the hot shots they had brought from the lower realm.

"As long as you obtain a placing this time, our great sect will definitely bring all your relatives to the Divine Realm."

"We will take good care of your family. I hope you won't disappoint me." Under the waves of sound waves on the square, the hot shots of the lower realm slowly rushed into the Drunken Immortal Restaurant.

Seeing that the Drunken Immortal Restaurant had already opened, the Third Prince of the Sacred Dragon Dynasty, who was sitting in the carriage, finally stood up.

"So this is the Drunken Immortal Restaurant that holds the secret to the Heavenly Gates? I'm really looking forward to it."

In the eyes of the Third Prince of the Sacred Dragon Dynasty, the entire building of the Drunken Immortal Restaurant was glowing with golden light. When his spiritual sense probed over, he could not detect the situation inside at all.

However, the feedback he received was excellent. His spiritual sense seemed to be extremely eager for everything in the Drunken Immortal Restaurant.

It could be said that this Drunken Immortal Restaurant was different from any mystic realm he had encountered before.

At least, he had never had such a desire for any secret realm before.

Following that, the Third Prince of the Sacred Dragon Empire slowly said to the old man beside him,

“Third Eunuch, I’ll go first.”

As soon as he finished speaking, the Third Prince of the Sacred Dragon Dynasty turned into a stream of light.

With a whoosh, he flew towards the entrance of the Drunken Immortal Restaurant.

After the Third Prince of the Sacred Dragon Empire left, the Third Eunuch also spoke to the direction he had left.

“Your Highness, this old servant is waiting for you.”

After the Third Prince of the Sacred Dragon Dynasty flew out, Azurepeak patted Qing Yun’s shoulder.

“Qing Yun, whether the Drunken Immortal Restaurant can succeed this time depends on you.”

Hearing Azurepeak’s words, Qing Yun also nodded at him.

“Saint Child, don’t worry. I’ll go.”

Then, a burst of true essence condensed in Qing Yun’s hand. Then, a long sword was born under Qing Yun’s feet.

Whoosh! Qing Yun stepped on his long sword and his figure turned into a stream of light as he flew towards the entrance of the Drunken Immortal Restaurant.

At the same time, the blue-clothed girl on the ship said to the girl beside her,”

“Lady in white, our Flowing Cloud Sect will have to rely on you.”

“Don’t disappoint me.”

As she spoke, the girl in blue pushed the girl in white beside her.

Then, the white-clothed girl slowly said to the blue-clothed girl,”

“Saintess of the Flowing Cloud Sect, remember your promise.”

Following that, Bai Yi’s figure was like the wind, and with a whoosh, he flew towards the Drunken Immortal Restaurant.

Seeing the Third Prince of the Sacred Dragon Dynasty, Qing Yun and Bai Yi entered the Drunken Immortal Restaurant.

The cultivators who stayed on the square to watch also sighed.

“The Sacred Dragon Dynasty, the Green Sword Pavilion, and the Flowing Cloud

Sect are all geniuses when they find the hot shots.”

“I’m afraid that the top spot in this test will fall into the hands of one of them.” “However, the only regret is that we can’t find out the situation in this Drunken Immortal Restaurant at all.”

While the cultivators were sighing, a person slowly walked past them.

“Did you see that? A hot shot actually walked in.”

At this moment, a cultivator in the square also noticed Futian walking.

Futian looked at the Drunken Immortal Inn in front of him and smacked his lips.

This Drunken Immortal Restaurant's test given by Master is not simple."

The divorce papers on the square looked at Futian and rubbed their eyes in unison.

"Wow, there's really someone who walked there."

This person is a hot shot? I don't believe it."

"Is this person a hot shot or is he pretending? Everyone else is flying over, but he's walking slowly on the ground."

Whether he's a chicken or a phoenix, we'll know once we see if he can enter the Drunken Immortal Restaurant."

The cultivators on the square looked at Futian.

On the contrary, Futian had become their entertainment..
