Chapter 81: So, My Benefactor Saved Me?_i

“What are you doing?”

...

Seeing Wang Xiao Changtian holding a silver needle and inserting it into the young miss ‘body, the servant girl was shocked and wanted to push Xiao Changtian away.

In the attic, when the Great Sun Immortal saw this scene, he was about to attack.

“Stop!”

However, at this moment, Wang Miao stopped the servant girl.

“Your Miss might really be saved.&

Wang Miaoshou’s experienced eyes focused on Xiao Changtian’s technique.

There were only three words to describe it.

Hurry up!

It was accurate!

Hard!

The speed at which he inserted the needles was extremely fast. Only the more advanced his medical skills were, the faster he could insert the needles! Moreover, the acupuncture points were not inferior at all.

He immediately inserted the silver needle into it.

Hardness meant that after the silver needles were inserted into the acupoints, they did not tremble at all. They stood stiffly as if an invisible force was controlling them!

Everything proved that the young man in front of him had completely surpassed him in terms of medical skills. It was a realm that he could never reach in his entire life.

“I think Miss can still be saved...? Wang Miaoshou, what was going on?”

The servant girl asked in confusion. Didn't she say that she was going to prepare for the young miss 'funeral? Why didn't he do it again?

“Don't talk.”

However, Wang Miaoshou didn't answer her. He just told her to calm down and stared at Xiao Changtian's technique.

Xiao Changtian waved his hand and took out another ten silver needles. These silver needles pierced into the body of State Immortal Wang.

The more he stabbed, the faster he stabbed!

In just a few breaths, State Immortal Wang's body was covered in silver needles.

“Those Death Acupuncture Points have also been sealed. Won't anything happen?”

Wang Miaoshou couldn't help but ask in his heart. He could feel that the vitality in Wang Jingxian's body seemed to be recovering. However, he had never seen such a technique before.

Moreover, as the first question appeared.

The second, third, fourth...More and more questions popped up like bamboo shoots after a rain.

He only felt a buzzing sound on the top of his head, as if something was ringing.

Very quickly.

Xiao Changtian took out a black elixir from his sleeve. This elixir was made from the urine of the green-haired turtle and some herbs planted in his courtyard.

After he had mastered his medical skills, he would spend some time refining medicine every day.

After all, only by refining medicine could one ensure that one's body would recover as soon as possible if one fell ill.

He was someone who wanted to open the path of invincibility. How could he die halfway through his career?

Taking out the medicine, Xiao Changtian opened the two red lips of the State Immortal Wang and stuffed the medicine in.

Then, with a wave of his hand, hundreds of silver needles were instantly pulled out.

"In a while, your young miss will wake up."

Xiao Changtian returned the silver needles, then stood up and went back to his room.

After saving someone, he felt that he had used up too much energy. He needed to go back and rest.

Thus, under everyone's shocked gazes, he left and went upstairs in one go.

Just as Xiao Changtian went upstairs, the State Immortal Wang in front of the servant girl started to breathe rhythmically.

Her delicate body rose and fell slightly. It was obvious that she had recovered her life force!

"This is unbelievable!"

Wang Miaoshou looked at Wang Jingxian's body. He went through the acupuncture points in his mind again.

His entire face was filled with disbelief.

He didn't expect that such an acupuncture method could save people.

Also, he had smelled the last pill at that time, but other than a fishy smell, he could not smell anything else.

In other words, he had never even seen the herbs that Xiao Changtian used before.

Wang Miaoshou searched for it bitterly, but he was just an ordinary person. He could not cultivate, and his medical skills could only be at the level of a mortal.

He had once traveled all over the five continents. As long as it was a mortal doctor, he dared to pat his chest and guarantee that there was absolutely no one who could steadily surpass his medical skills.

In fact, he had even gone to a cultivation sect to study because he could not make a breakthrough in his medical skills.

However, there was a difference between immortals and mortals. Even if some immortal cultivation sects were willing to teach him, without cultivation, he could not sense the spiritual energy of heaven and earth. He could not even refine pills.

However, there were only a few sects that were so enthusiastic. Many more sects directly chased him out without saying a word.

All these years, Wang Miaoshou felt bitter and vexed!

But today, when he saw Xiao Changtian, he suddenly understood.

There would always be someone better than him. In this life, he had learned medicine to treat illnesses and save people so that more people would not be tortured by illness!

Now, an excellent opportunity was placed in front of him.

Wang Miaoshou's eyes lit up. He came to the window of Xiao Changtian's room and knelt down.

He wanted to acknowledge a master!

He wanted to improve his medical skills!

Even though he was already in his twilight years and did not have many years left to live.

However, it was enough for him to improve his medical skills and treat more people in these few years.

He wanted to emit all his light and heat in the last moments of his life!

“Heavens, what is Wang Miaoshou doing?”

“Wang Miaoshou knelt down? Could it be that you want to take me as your master?”

“Back then, Wang Miaoshou also acknowledged a master in this way!”

“But Wang Miaoshou is so old, yet he wants to take a young man as his master. Isn’t this too embarrassing?”

Instantly, voices rang out as they discussed in confusion.

Some people even revealed disdainful smiles.

The Great Sun Immortal sat in the room and looked at the faces of those people. He sighed and said, “Wang Miaoshou is really noble and has the demeanor of a famous doctor! It was a pity that the person who was saved was this ignorant person!”

As a sect master and an Immortal Cultivator, the Great Sun Immortal was extremely impressed by Wang Miaoshou’s spirit.

However, he was furious at the ugly faces in the crowd.

However, he did not punish or retaliate.

Isn’t cultivating immortality to change one’s fate and break away from the ignorance of the world?

He couldn’t care less about this kind of thing.

He could only sigh helplessly.

Fifteen minutes had passed.

“Cough cough...”

State Immortal Wang, who was lying on the ground, woke up at this moment. He opened his eyes and looked around in confusion.

“Cai ‘Er, where is this place?”

Wang Jingxian sat up and felt a bitter taste in his mouth. He could not help but frown and ask.

“Miss, you’re awake. That’s great. We’re now in the Longevity Inn. I thought I needed to prepare for your funeral. Sob, sob, sob ~”

A look of joy appeared on Cai ‘Er’s face.

She did not expect that the young miss would really be saved.

“Cai ‘Er, what happened?” Wang Jingxian asked curiously.

The servant Cai ‘Er then told him about her fainting.

“In that case, it was my benefactor who saved me?”

Chapter 82: Why Did You Accept Me as Your Master? !

The King Realm Immortal revealed a grateful expression.

...

Then, he asked again, "Cai 'Er, where is my benefactor?"

She wanted to thank him in person and invite him to her house for a meal.

"Miss, benefactor has gone back to rest." Cai 'Er immediately replied.

"You went to rest? Then we'll wait here for a while." Wang Jingxian said again.

Soon, with the help of Cai 'er, Wang Jingxian stood up.

He looked up and saw Wang Miaoshou kneeling in front of him.

"Cai 'Er, what's going on?"

The maid Cai 'Er once again told him about Wang Miaoshou.

"Wang Miaoshou is so righteous!"

After listening to Cai 'Er's story, Jing Xian Wang couldn't help but say. His eyes were filled with deep respect.

As a woman, although she couldn't cultivate, she was well-read.

Xiang Wang described this kind of person as a sage!

“Hehe, it’s just that this old man is stupid. He’s already old and doesn’t do proper things.”

“That’s right, that’s right.”

“Who are you putting on an act for?”

When the crowd heard Wang Jingxian’s discussion, they instantly questioned, mocked, and mocked him!

Although these voices were not loud, they were not far from Wang Miaoshou, so they must have been heard.

However, there was still no change in Wang Miaoshou’s expression.

At this moment, he was still thinking about Xiao Changtian’s acupuncture technique.

“Hmph, you’re not allowed to insult Wang Miaoshou!&

When the King Realm Immortal heard this, he was furious.

The person who saved him became a laughing stock?

What kind of logic was this?

“Do you dare to say that Wang Miaoshou didn’t treat you?& Immortal Wang pointed at these people and said angrily.

In an instant, the faces of those onlookers instantly turned red.

However, after the shame, there was a naked anger after being exposed.

“Who are you, little girl? So many things? Do you want a beating?”

“Little girl, you have to be taught a lesson!”

The surrounding people kept talking, and one of the women flew into a rage from embarrassment and threw a slap at Wang Xian Wang.

“Pa!”

A crisp slap sounded.

Then, everyone saw that the woman was sent flying with a slap.

The person who sent her flying was a tall and burly man.

“How dare you hit my daughter? Do you want to die?”

The burly man’s voice was like thunder. He was Wang Jingxian’s father.

He threw the woman out with a punch.

“Patriarch Wang!”

Instantly, everyone recognized the identity of the Wang family’s head.

They all bowed respectfully to the Wang Clan Head. Each and every one of them lowered their heads and avoided his gaze, not daring to look him in the eye.

Everyone had seen the woman's fate, and they were all afraid.

"Humph, bullying the weak and bullying the strong, rotten bones!"

Looking at these people, the Wang Clan Leader sneered and cursed before walking towards the King Realm Immortal.

"My dear daughter, why didn't you tell Father that you were coming out?"

Father would have sent someone to protect you!"

The Wang Family Head said gently. He was like a completely different person from before!

What he had now was just an extremely warm father. How could he be as fierce and brave as he was a moment ago?

Father, I've made you worry."

Wang Jing Xian lowered his head apologetically.

"My dear daughter, you almost scared me to death."The Wang Family Head smiled faintly, his expression turning extremely gentle.

There was a commotion downstairs.

Xiao Changtian rested for a while and woke up.

He pushed the window open, wanting to see what was happening below.

As soon as he saw it.

He saw Wang Miaoshou kneeling below. When she saw him, her face seemed to be filled with joy. Then, she respectfully shouted, "Wang Miaoshou requests to be my disciple!"

After saying that, he even bowed three times and kowtowed nine times!

"Hmm?"

Xiao Changtian frowned. What was he doing? Could it be that he wants to take me as his master because of my high medical skills?

The old man was already so old. It wasn't a good idea to worship him, right?

Xiao Changtian was about to say something, but the old man stood up.

Suddenly.

A mechanical voice sounded.

"Ding! System Quest: Take Wang Miaoshou as a disciple. Reward: Fighting Buddha xi.

It was the same department that issued the mission again.

"Wait for me? Fighting Buddha? It can't be another little monkey, right?"

This time, Xiao Changtian had learned his lesson and guessed the system's trick.

A chicken was called a phoenix, and a kitten was called a divine beast, a white tiger.

The Winning Buddha did not even need to think about it. It was definitely not a hired thug for him, but the cub of a little monkey.

“Ding! [Reward: Fighting Buddha xi]

However, the system emphasized it again.

“Go to hell.” Xiao Changtian was furious. He immediately told the system to scram.

Helplessly, since the system had issued a disciple recruitment mission, he could only accept it.

Fortunately, this Wang Miaoshou was only a mortal. Moreover, he should be here to learn medical skills. It just so happened that his medical skills had reached a great success, so it would not be a problem for him to take in a disciple.

In his previous life, as a gardener, he naturally knew many stories about elders seeking guidance from young people. It was even called a beautiful story.

He could accept it.

Moreover, this old man was so old, yet he was able to put down his dignity and come to seek a teacher to learn medicine.

He must be someone with a strong will!

Such people all carried a noble quality.

“I can accept you as my disciple, but you have to answer one question of mine.”

Xiao Changtian walked down from upstairs and came to Wang Miaoshou.

Seeing Xiao Changtian come down personally, the Great Sun Immortal couldn't sit still anymore. He opened the window and looked down.

Seeing Xiao Changtian come out and being reminded by Cai that he was his savior, State Immortal Wang wanted to go up and express his gratitude.

However, he was stopped by the Wang Family Head.

"Wait a moment."

The Wang Family Head was experienced and naturally understood that he could not be disturbed at this time.

Hearing Xiao Changtian's words, Wang Miaoshou was delighted.

It was a rare opportunity to be able to follow such a senior and improve his medical skills.

"Your medical skills are above mine, but I haven't officially acknowledged you as my master, so I'll call you senior first!"

"Senior, please enlighten me!"

Wang Miaoshou knelt on the ground, showing his courtesy and respect!

However, at this moment, he was a little nervous.

It was as if he had returned to the time when he first became a doctor. At that time, he was also so nervous, afraid that he could not answer his teacher's questions.

However, he quickly adjusted his state of mind and listened to Xiao Changtian's question seriously.

Xiao Changtian saw Wang Miaoshou's serious face and listened respectfully. He said,""My question is very simple, but also very difficult. I want you to answer it sincerely."

"Yes, I am. Regardless of whether I can become a senior's disciple or not, I will answer with all my heart."Wang Miaoshou said respectfully.

"Yes.." Xiao Changtian nodded and said in a deep voice,""Then let me ask you, why did you acknowledge me as your master?"

Chapter 83: The Young Master Has Returned and

Slaughtered the Qiu Family!_i

...

"Why did you acknowledge me as your master?"

Xiao Changtian's voice fell, and the entire courtyard was so quiet that one could hear a pin drop.

Wang Jingxian's face was fair and tender, and her eyebrows were tightly knitted. She did not understand why her benefactor would ask such a question. Shouldn't a doctor's apprenticeship be to test and teach some difficult medical skills?

In the attic, the face of the Great Sun Immortal also darkened. Senior actually planned to take a mortal as a disciple?

The Tian Yuan Continent was a continent of cultivators. When a cultivation sect took in disciples, they would undergo a talent test.

The most important thing in cultivation was talent!

Hard work was acquired, but talent was innate. The path of cultivation was against the heavens and was extremely difficult!

In the cultivation world, it was not as if there were no mortals who had cultivated to become mighty figures.

However, such a precedent was as rare as phoenix feathers and qilin horns among the countless immortal cultivators.

There were countless sects on the Tian Yuan Continent. Which sect would be willing to bet on a one in a billion chance?

This one in a billion chance would have long since buried that sect with time! “But, Senior wants to take a mortal as a disciple?”

The Great Sun Immortal was really hard to fathom.

“Perhaps, this is the thought of the mighty figure.”

The Great Sun Immortal said with a puzzled expression.

Wang Miaoshou, who was kneeling on the ground, looked at Xiao Changtian.

He was surprised that Xiao Changtian had asked such a question.

He thought that Xiao Changtian would ask some difficult medical questions.

Unexpectedly, he actually asked this question.

Wang Miaoshou immediately replied, "To learn more powerful medical skills." Wang Miaoshou's voice was sonorous and powerful. His eyes, which had been through countless hardships and had seen countless people's lives, were also extremely firm!

He had no other motives.

It was just to improve his medical skills.

Hearing this, Xiao Changtian asked again, "So what if I learn more powerful medical skills?"

Xiao Changtian stared at Wang Miaoshou's eyes. It was as if he had a magical power that could see through Wang Miaoshou's thoughts.

"To heal the world's injuries and diseases, to make the world free of sickness and pain!"

Wang Miaoshou knelt on the ground. Her voice was extremely loud and everyone present could hear it clearly.

"Wang Miaoshou is indeed a divine doctor who can bring back the dead. His noble character and magnanimity make me sigh in admiration."

A look of admiration appeared on Wang Jingxian's beautiful face.

This was a true expert.

This was a virtuous person with noble character and integrity!

The Great Sun Immortal in the attic nodded.

Because he could tell that Wang Miaoshou was not lying. A mortal in front of him would not have the chance to lie.

“There aren’t many people like this anymore.”

The Grand Sun Immortal just sighed and didn’t say anything. He was an immortal cultivator. Although he admired this kind of integrity, he did not agree with it.

If one wanted to survive in the cruel world of cultivation, one had to have means.

At the same time, they were ruthless!

Such a Sage would definitely not have survived.

“Good! Then I’ll take you in as my disciple.”

Xiao Changtian saw the sincerity in his eyes and instantly understood that this was a pure old man, an old man who purely learned medicine and saved people!

Even in his previous life, the planet was much more peaceful than the Tian Yuan Continent, but there were not many doctors who could maintain such a reputation!

To be able to hand over his medical skills to such a person was a blessing!

“From now on, you will be our second disciple! I’ll teach you medicine.”

Xiao Changtian said with a long voice. He stretched out a hand and helped Wang Miaoshou up.

“Thank you, Master!”

Wang Miaoshou was overjoyed when he heard this. It was his fortune to be able to learn the medical skills of the officials from his senior.

Only after the disciple recruitment was completed did the Wang family members walk over with smiles on their faces.

“Thank you for saving my daughter. I am Wang Jingwei, a member of the royal family of Longevity Town.”

Master Wang’s voice was loud and clear. He stood in front of Xiao Changtian and cupped his fists to thank him!

He had a respectful expression on his face.

“Doctors won’t leave people in the lurch.”

Xiao Changtian looked at the Wang Family Head calmly. He had the medical skills of a minister and could save people.

However, he was not a famous doctor who could cure the world.

He was also a mortal, an ordinary person, and could not cultivate.

The Wang family head in front of him was obviously from a wealthy family, so he should also collect some medical fees.

“But you saved me. No matter what, please let me repay you for this favor.” Wang Jingxian stood up and said gratefully.

“In that case, pay me ten taels of gold.” Xiao Changtian didn’t refuse and said directly.

“Good!”

As Xiao Changtian’s voice fell, Wang Jingxian took out ten taels of gold from his sleeve without even blinking.

“Senior, thank you for saving my life!”

State Immortal Wang respectfully handed over ten taels of gold to Xiao Changtian.

“Yes.”

Xiao Changtian nodded and accepted the gold taels, a satisfied expression on his face.

This woman in front of him knew how to repay kindness. At least he did not save her in vain.

“In that case, let me tell you something else.”

“The reason why you suddenly fainted was because an expert attacked in secret and caused your heart to explode.”

“As for who this expert is? That’s your business.”

Xiao Changtian said calmly.

He discovered this problem during the process of treating Wang Jingxian.

The injuries on the King Realm Immortal’s body were sudden. Previously, he had already felt that something was wrong.

Now, since Wang Jingxian's father had come and paid him ten taels of gold, he had no choice but to leave.

In that case, it was time to tell him about this matter.

"Follow me upstairs."

After Xiao Changtian finished speaking, he glanced at Wang Miaoshou and brought him upstairs.

On the spot.

He left behind a puzzled Wang Jing Immortal and the Wang family's patriarch with a murderous expression.

"Someone actually dared to lay a hand on my daughter."

After saying that.

The head of the Wang family took out a jade token. The jade token was crystal clear and resplendent, and there was a green light circulating on it.

Then, the Wang Clan walked out of the inn and said something to the jade token.

At the same time.

Lin Family.

In the Disciple Hall.

A young man in a green robe was waving a long sword in his hand. There were a few drops of sweat on his forehead as he was cultivating seriously.

Suddenly,

On the jade pendant at his waist.

A green light lit up, and then the Wang family's voice sounded.

After hearing the Wang Clan's Patriarch's voice transmission, the youth was instantly enraged!

"This is really preposterous! Someone actually dared to lay a hand on my sister.

They really are tired of living."

The young man was extremely furious. He swung his sword at a stone stool in front of him.

With a splat, the stone stool in front of him shattered into two halves.

"When I return, I will tear the person in the dark into pieces!"

Chapter 84: Master Is an Immortal Cultivator? !

At this moment.

...

In Longevity Town.

Qiu family.

The man in black sat on a chair in front of the hall with a leisurely expression.

“Qiu Family Head, I helped you settle that girl from the Wang Family. Now, it’s time to pay me, right?”

The man in black said with a smile.

“Don’t worry, I won’t owe you anything.” The Qiu Family Head smiled as well. He held two jade walnuts in his hand and kept spinning them.

Immediately after.

He clapped his hands.

A thin servant walked out with a tray in his hand. The tray was covered with a red cloth.

“This is your reward.”

The Qiu Family Head said with a smile. He waved his hand and asked the servant to put the tray on the ground.

“Thank you, Qiu Family Head.”

The black man said with a smile. He was an immortal cultivator, and his cultivation was at the fifth level of the Golden Core realm.

The son of the Qiu family’s head had also been defeated by the Lin family.

The Qiu family head and the Wang family head were sworn enemies to begin with. Their sons were naturally in the Lin family and were also fighting for an inner sect disciple spot at the same time.

However, Wang Jingtian was even more powerful than Qiu Chen.

Therefore...

In order for Qiu Chen to enter the inner sect, the Qiu family's head found an immortal cultivator and secretly attacked State Immortal Wang.

Wang Jingtian attached great importance to his sister.

If he knew that something had happened to his sister, Wang Jingtian would definitely rush back from the Lin family.

During this period of time, it was coincidentally the Lin family's inner sect disciple selection meeting.

Without Wang Jingtian as an opponent, his son Qiu Chen and Jiu would definitely be able to enter the Lin family's inner sect.

At that time.

With the support of the inner sect's resources.

His son, Qiu Chen, would be able to surpass Wang Jingtian in the shortest time possible.

The Qiu Family's status in Longevity Town would surpass that of the Wang Family.

At that time, no one would say that he was Second Qiu.

The most important thing was...

The person holding the tray was an expert Qiu Chen had found, golden core state level nine.

His strength could not be underestimated!

As long as Wang Jingtian dared to come back, he would definitely avenge his sister. As long as he spread the news that this matter was related to the Qiu family.

Wang Jingtian would definitely come to the Qiu family to demand an explanation.

When the time came, he would arrange for this servant to ambush Wang Jingtian in secret and kill him in one fell swoop, eliminating any future troubles.

As for the black-robed cultivator in front of him...

“Haha! Kill him!”

The Qiu Family Head sneered.

The servant nodded, and the red cloth on the plate instantly flew up. A dagger appeared on the plate.

“What?”

The black-robed cultivator was shocked and was about to use the spiritual qi in his body to defend himself.

However...

A cold light flashed on the dagger.

This black-robed cultivator was only golden core state level five, but this servant was golden core state level nine.

There was only a difference of four levels.

Moreover, this servant had sneakily attacked him.

The dagger instantly flew out, and a cold light of death slashed across the black-robed cultivator's neck.

Pa!

The black-robed cultivator fell to the ground and died.

"Haha! The fewer people who know about this, the better. Let's bury him." The Qiu Family Head said indifferently.

In his hands.

The two jadeite walnuts were still being coiled.

"Butler, go and spread the news that the Qiu family secretly attacked. Chen 'er has already sent me the news that Wang Jingtian of the Wang family is already on his way back."

At the same time.

Wang Clan.

The head of the Wang family was furious.

In front of him, Butler Wang told him everything he had heard.

“As expected, it’s this Qiu family who doesn’t have good intentions! When 1, Ze ‘er, come back, I’ll definitely make the Qiu family pay the price.”

The patriarch of the Wang family said angrily.

In the inn.

Xiao Changtian brought Wang Miaoshou to his room.

“Have a seat.”

Xiao Changtian said lightly, gesturing for Wang Miaoshou to sit down. Then, he took out a book from his bag.

This was a medical book that he had written on a daily basis.

When his medical skills were at their peak.

He had once considered opening a small clinic to solve his own food and clothing problem.

However, his medical skills were too high, and the residents of Dayang Town were all strong.

Other than some minor injuries, illnesses, or some congenital diseases, almost no one fell sick within a few years.

This made him feel awkward.

However, when he was free, he would still record the prescriptions he had comprehended or the improved medical methods in the medical books.

It even included some methods to improve his physical condition.

Once, he even fantasized about using his superb medical skills to cleanse himself.

Moreover, the process was well recorded in medical books.

The process was extremely detailed.

However, he had experimented on his own, soaking himself in medicinal herbs and even opening all his acupoints.

The experiment went smoothly.

The medicinal liquid entered his acupuncture points and flowed through his meridians and blood.

However...

He didn't feel anything strange at all.

It was like having a transfusion.

It was like a small stream flowing into a river.

Nothing happened.

His body constitution did not change either.

From then on, he understood that it must be this stupid system's doing! If he did not complete the mission, he would not be allowed to cultivate.

Therefore, he firmly believed that only by completing the system's mission could he open his path to invincibility.

"This is a medical book that I wrote myself. I'll pass it to you today."

Xiao Changtian said lightly.

Wang Miaoshou received the medical book respectfully with an excited expression.

His master's medical skills were much higher than his.

Then, the book written by his master must be his master's medical experience and treatment.

How could he not be excited about such a book?

"Alright, there are no rules for becoming my disciple. You just have to study this medical book seriously."

"I want to rest, you can go back."

Xiao Changtian casually explained two sentences before giving the order to leave.

It was already late.

It was his resting time now.

“Yes.”

Wang Miaoshou replied respectfully. He took the medical book and slowly left Xiao Changtian’s room.

“Master’s medical books, I must study them carefully.””

“Even if I don’t have much time left, how can I be defeated by time when I study medicine?”

Wang Miao held the medical book in her hand, and her eyes were filled with fighting spirit!

He had to study medicine seriously and meticulously.

Very quickly.

He stayed in an inn beside Xiao Changtian and opened the medical book.

“This is...”

“Cleansing the marrow and changing fate?”

Wang Miaoshou was stunned.

He looked at everything in front of him in disbelief. What was recorded in the book was clearly a supreme marrow cleansing technique.

“Master is a cultivator?”

Chapter 85: Because They Saw It (1)

Wang Miaoshou cried out in surprise.

Because the medical book in front of him was too unbelievable.

On the first page of the medical book.

It recorded a type of marrow cleansing technique.

Moreover, this kind of cleansing did not require those natural treasures. It only required ordinary herbs.

Most importantly...

It was acupuncture!

As long as he could open all those acupoints, he could completely cleanse his essence and change his physique.

“This...”

Wang Miaoshou looked at the page in a daze.

He was dumbfounded.

“Could it be that Master is a Xiuxianist? But I did not feel any power in the poet.”

“What is going on?”

Wang Miaoshou was puzzled.

He found it hard to understand.

At this moment.

Whoosh.

A figure appeared in front of him like a gust of wind.

“And you are?”

Wang Miaoshou looked at Immortal Dayang in front of him with a puzzled expression.

However, he was extremely vigilant in his heart.

Because the Great Sun Immortal had suddenly appeared in front of him, it was enough to prove that the Great Sun Immortal was an immortal cultivator.

Ordinary people facing Immortal Cultivators.

In the end, there was an insurmountable fear.

“Wang Miaoshou, don’t be nervous. I came with senior, who is also your master.”

The Great Sun Immortal explained and cupped his hands at the same time, showing his respect to the room Xiao Changtian was in.

Hearing the explanation of the Great Sun Immortal, Wang Miaoshou nodded and felt relieved.

“Senior, may I ask if my master...”

Wang Miaoshou wanted to ask about Xiao Changtian.

However...

The Great Sun Immortal interrupted him.

“Don’t call me senior. You actually became senior’s disciple, and your future achievements will be above mine.”

“Senior is the most powerful person on the Tian Yuan Continent! There is no other.”

The Great Sun Immortal said affirmatively with an extremely respectful expression on his face.

“What?”

“Master is actually so powerful! Mine, mine, mine

“I actually thought he was just a mortal.”

Wang Miaoshou said in disbelief.

Instantly.

A look of shame appeared on his old face.

“It’s fine. Senior wouldn’t care about these empty formalities!”

“Moreover, he is now hiding in the mortal world and playing around. He calls himself a mortal to the outside world.”

“Obviously, he doesn’t want to be disturbed by the mundane affairs of the cultivation world.”

The Great Sun Immortal explained again.

“1 see.”

After listening to the description of the Great Yang, Wang Miaoshou nodded.

He was even more respectful towards Xiao Changtian!

No wonder his master was able to record the heaven-defying medical skill of cleansing the marrow in his medical skills.

So he wanted to open up his meridians and cultivate.

“Thank you, Master.”

Wang Miaoshou respectfully bowed in the direction of Xiao Changtian’s room.

“In that case, 1 wonder if you can help me cleanse my marrow?” Wang Miaoshou looked at the Great Sun Immortal.

“You want to go through a cleansing process?”

The Immortal Da Yang was stunned.

How could a mortal be cleansed?

Moreover, Wang Miaoshou was already very old.

The process of marrow cleansing was still the process of body reconstruction. Bones, muscles, and blood essence would all be greatly impacted.

With Wang Miaoshou's current physical condition, there was no way he could withstand such an impact.

"I only need Senior to protect me. Master has already prepared everything for me."

Wang Miaoshou said again.

"So Senior has already made arrangements. Since that's the case, I'll protect you."

The Great Sun Immortal nodded.

On this day.

A green-robed young man wielding a sword returned to Changsheng Town.

"Father, sister, since we already know that it was the Qiu family who did this, let's go and settle the score with them now."

Wang Jingtian said in a deep voice.

The long sword in his hand had already been unsheathed, and sword intent spread out!

Soon after.

The mighty Wang family members headed straight for the Qiu family.

“Old Qiu, get out here!”

Wang Jingtian’s face was filled with anger. He slashed his sword at the Qiu Family’s main gate, splitting it open.

“Second Young Master is mighty!”

“Second Young Master is domineering.”

“Second Young Master is the best!”

Instantly, the servants of the Wang family saw this scene and were so excited that they screamed.

His Second Young Master was indeed incomparably mighty!

When had they ever seen the methods of immortal cultivators?

This sword had split the door open, instantly arousing their envy and worship.

Even the head of the Wang family revealed an extremely satisfied expression.

This son of his was born with outstanding talent and seemed to have entered the Lin family.

One had to know that in the West Bull Continent.

The Lin family was one of the four great families.

To be able to become a disciple of one of the four great clans was a supreme honor for a small border town like Changsheng Town!

The Wang Clan was the number one clan in Longevity Town.

It was because Wang Jingtian had entered the Lin family and become an outer sect disciple of the Lin family.

“Let’s enter.”

Wang Jingtian said proudly.

He led everyone in with an extremely interesting expression on his face.

Immediately after.

Everyone from the Wang family followed.

Everyone looked at Wang Jingtian’s back, and their chests subconsciously puffed up.

It was their fortune to be able to follow such an expert.

“Where is the Qiu family?”

He walked into the Qiu family’s courtyard, but he saw that there was no one in the huge courtyard.

“What happened?”

The patriarch of the Wang family was also puzzled and could not help but ask.

At this moment.

A black shadow suddenly appeared.

The black shadow's speed was extremely fast. A magic treasure was directly thrown down.

Instantly.

Everyone from the Wang family was directly trapped in a light screen, unable to move.

"Expert!"

Seeing this scene, Wang Jingtian's expression changed because he felt a threat.

The black shadow was faster than him.

He could not help but frown.

However, as a disciple of the Lin family, he had a sense of pride in his heart. He immediately waved the long sword in his hand and stabbed out a sword qi towards the black shadow!

Slash!

Sword Aura.

Just as it was about to stab the phantom.

But suddenly, the black figure dodged the sword qi.

Sword Qi howled.

It stabbed into a wooden stake.

The wooden stake was directly torn into two halves and then ground into pieces by the sword qi.

“What kind of hero is hiding? Get out here!”

Wang Jingtian was furious.

Soon after.

It directly activated the sword technique he had learned in the Lin family.

“Sword shadows!”

As he shouted, countless sword qi appeared around him. Those sword qi formed a cage and instantly flew out!

ii

Die!

H

Wang Jingtian said angrily. The sword wills were like dense raindrops.

However...

In the next moment.

Everyone present was shocked by the scene in front of them.

Because they saw...

Chapter 86: The Qiu Family Hiding Their Strength, Young Master Is Going to Be Defeated!_i

Ding!

The whistling sword Qi.

It was directly shattered by the black-robed man's punch.

In an instant, the sound of fine iron breaking rang out. After the sword Qi shattered, the long sword in Wang Jingtian's hand also broke.

"What?"

"How is this possible?"

"My young master is invincible! How could he be defeated?"

"Young Master! Take out all your strength and kill this person in front of you."

The servants of the Wang family shouted one after another.

They couldn't believe that their invincible young master's weapon was actually broken by someone.

It must be because Young Master didn't use his full strength earlier.

"Ze'er, there's no need to show mercy. Bring out all your strength."

The head of the Wang Clan also thought so.

In his opinion, his son being able to enter the Lin Family and become an outer disciple meant that he was an invincible existence in Longevity Town.

Even Qiu Chen of the Qiu family was no match for his son, Wang Jingze.

Only the King Realm Immortal had a hint of worry on his face.

Because he saw Wang Jingtian's expression.

He saw Jingtian Wang clenching his teeth!

In the Wang family, she had the best relationship with Wang Jingtian and was also the most familiar with her younger brother.

Every time his younger brother gritted his teeth, it was when he encountered difficulties.

Now that Wang Jingtian was clenching his teeth, it meant that he had no chance of winning against the enemy in front of him.

"Little brother, do you want to cancel? Let's go first." Wang Jingxian could not help but say.

“No!”

However, Wang Jingtian refused loudly.

“Sister, you were secretly attacked and almost lost your life. I must avenge you.”

“Don’t worry! I became an outer sect disciple of the Lin family because I had an ultimate technique.”

Wang Jingtian said coldly.

Immediately after.

He looked at the servant in front of him and the corners of his mouth curled up. “If my guess is correct, you are also a member of one of the four great clans.”

“Moreover, your cultivation is at the ninth level of the Golden Core realm, which is higher than mine.”

The servant chuckled and said, “Your guess is correct, but this doesn’t change the fact that you’re going to be killed today.”

As he spoke.

The servant’s hand was like an eagle’s claw as he directly locked onto Wang Jingtian’s neck.

“Humph! Don’t be arrogant! I must kill you today.” Wang Jingtian shouted angrily. A silver light lit up around him.

A silver light shone.

A long sword appeared in his sleeve again.

The long sword was accompanied by a silver light as it pierced out at an extremely fast speed.

Instantly.

The space was filled with the shadow of this silver longsword.

“This is my ultimate technique, Myriad Returning Swords!” Wang Jingtian laughed loudly. He controlled the sword in his hand, and the sword shadows also swayed.

Under the sword intent.

The entire Qiu Family courtyard shook violently.

Some buildings were even crushed into pieces because they could not withstand the pressure.

“Woo! That was great! Second Young Master has finally used his ultimate technique.”

“Our Second Young Master is cultivating in the Lin family. How can he not be powerful!”

“One, two, three...I can’t even count these swords. There seem to be tens of thousands of them!”

“If I stab him with this sword, I’ll turn that person into a porcupine.”

“Hahaha! That’s right, that’s right.”

Everyone from the Wang family looked at the sword qi phantom in the sky and laughed loudly. They were once again filled with confidence.

Including Wang Jingtian.

The corners of his mouth also curled up.

This was his ultimate technique. He could even fight those at a higher level. It was not difficult for him to kill some low-level Nascent Soul cultivators.

“Slash!”

Wang Jingtian shouted and slashed down with the sword in his hand, accompanied by tens of thousands of sword shadows in the sky.

Countless sword intents descended from the nine heavens!

However...

Facing this terrifying power, the person opposite him suddenly smiled contemptuously.

He only punched out once.

Boom!

The terrifying fist intent directly collided with the sword shadows that filled the sky, emitting a violent explosion.

“Kacha!”

The tens of thousands of sword essences began to make cracking sounds.

Bang bang bang bang bang!

The sword intent shattered.

That punch followed and landed heavily on Wang Jingtian's chest.

"Puff!"

Wang Jingtian spat out a mouthful of blood and flew out like a deflated ball.

One could even hear the sound of bones cracking in his chest.

"What is it? Second Young Master."

"Jing Ze!"

"Little brother."

Everyone from the Wang family was instantly shocked and looked at the scene in front of them in disbelief.

His invincible Second Young Master was actually stepped on by that person, covered in blood!

"Haha! Wang Piao Fu, your Wang Clan is destined to be destroyed by my Qiu Clan today!"

At this moment, the Qiu Family Head walked out of nowhere.

In his hands, he was still holding the jade walnuts.

A sinister smile appeared on his face as he stared at Wang Jingtian and said, "If you want to compete with my son Qiu Chen for the inner disciple spot, then you will only die."

"Attack!"

The Qiu Family Head sneered and gave the order to attack.

"Yes."

The ninth-stage Golden Core Realm cultivator answered, so he raised his fist and aimed it at Wang Jingtian's head.

As long as his fist landed, Wang Jingtian would die.

"Don't kill my son. If you have any problems, come at me."

The head of the Wang family roared loudly and punched the array barrier. Unfortunately, he was still a mortal and could not break the array set up by the immortal cultivators.

"Oh? Then kneel down for me first."

The Qiu Family Head was determined to win. With a gesture, he stopped the ninth level Golden Core expert from attacking. He looked at the Wang Family Head with disdain.

He was now.

He wanted to humiliate the Wang Clan's Patriarch.

"You...!"

Hearing that the Qiu Family Head wanted him to kneel down, the Wang Family's faces immediately showed anger.

However...

Wang Jingtian was in the hands of a ninth level Golden Core cultivator. If he wasn't expensive, it was very likely that his son would die on the spot.

At the thought of this...

The Wang Clan could only nod and agree, "Do you want me to kneel before you?" Let my son go."

The Qiu Family Head laughed disdainfully and nodded casually.

"Alright, then I'll kneel."

The face of the Wang Clan's Patriarch darkened, and he immediately agreed. For the sake of Wang Jingtian's life, he could only put down all his dignity now.

"No, Father!"

When Wang Jingtian saw this scene, he instantly gritted his teeth and his eyes turned red. He burned the last drop of blood essence in his body and instantly flew into a rage.

He stood up.

He threw a punch at the Qiu Family Head.

However...

The ninth level Golden Core expert slapped his chest and Wang Jingtian fell to the ground again.

“Then let’s kill him first.” When the Qiu family’s head saw this scene, he was also extremely angry and said directly.

“Yes.”

The ninth-stage Golden Core cultivator raised his hand and was about to kill Wang Jingtian..

Chapter 87: Marrow Cleansing, Body Refining Mastery!

Coming to the Rescue (1)

In Wang Miaoshou’s pavilion.

At this moment, the mist was rising, and the temperature in the room had risen to an extreme.

The Great Sun Immortal stood in front of Da Mu Tong like a furnace.

Wang Miaoshou was soaked in the big tree branch. Her skin was red and her body was covered in silver needles.

The silver needle trembled slightly, and traces of blood seeped out from the surface of his body.

The blood fused with the medicinal liquid in Mu Tong and began to flow through his meridians and body.

“All!”

Wang Miaoshou's entire body was soaked in the big tree branch. His face was flushed red, and his entire face was filled with extreme pain. His expression was ferocious, and his teeth were about to crack.

He gritted his teeth.

It could be clearly seen that the medicinal liquid was like little bugs in Wang Miaoshou's skin. It traveled through his body, bones, and blood.

"Can you still hold on?"

The Great Sun Immortal watched from the side, his eyebrows twitching.

This method of cleansing the marrow was different from the method of cleansing the tendons and marrow of immortal cultivators.

However, the pain they suffered was even greater than that of immortal cultivators.

"I can do it!"

"For the sake of learning to become more powerful in medical skills, for the sake of having no more patients in this world!!"

"I can definitely do it!"

Wang Miaoshou endured the pain and muttered.

"Alright, then I'll go all out."

As soon as the Great Sun Immortal said that, a shadow of a sun appeared behind the elder!

As soon as the sun shadow appeared, the water inside Mu Tong instantly became extremely hot. It was like lava as it shook violently.

Wang Miaoshou was already old. Under the stimulation of the boiling medicinal liquid, his wrinkled skin turned red.

Wang Miaoshou shouted even more, letting out a miserable cry that sounded like a pig being slaughtered.

However, his voice was blocked by the Immortal of Dayang.

After all, he couldn't disturb the seniors.

Along the way, there were several times when Wang Miaoshou wanted to jump out. Because the temperature was too high, the medicinal liquid rushed into his body, making him suffer.

However, the Immortal Da Yang pressed him back in.

Wang Miaoshou had previously begged the Immortal Da Yang to press him in if such a situation occurred.

“Ah!”

“Ah!”

“All!”

Inside Mu Tong, Wang Miaoshou let out a tearing scream that sounded like a pig being slaughtered.

Fifteen minutes.

15 minutes.

The time was short, but it felt like years.

Suddenly.

The medicinal liquid in the wooden barrel was all absorbed by Wang Miaoshou.

Wang Miaoshou's body began to emit a pure golden light. Every inch of his pores enlarged and expanded again.

His skin turned from red to smooth, fair, and supple, like a newborn baby.

The black and white strands of hair that filled the sky began to turn black and beautiful.

His entire body emitted a unique vitality.

"Mastery of body refinement?"

Looking at Wang Miaoshou in front of him, an incredulous expression appeared on the face of the Great Sun Immortal. These mere mortal medicines could actually cleanse the tendons and marrow of a mortal old man to such an extent?

The Great Sun Immortal looked at Wang Miaoshou in front of him with a terrified expression.

The power of blood essence from the great success of body tempering had already made him feel a suffocating pressure.

In Xiao Changtian's room.

Fatty Rongrong sat on the ground, her arms drooping, her face docile.

Just now, he had witnessed the Phoenix Divine Fire, Black Tortoise Divine Water, and the Heaven Swallowing Dog's mighty power. They had hammered every inch of Wang Miaoshou's bones, skin, and flesh millions of times!

Moreover, the Chaos Ant used its spatial divine power to compress thousands of years into two hours.

"Sob, sob, sob ~"

Fatty Rongrong sat paralyzed on the ground.

He was an iron eating beast, so he followed his heart.

He was frightened by his brothers.

He could only let out an involuntary sound.

"Since Master's disciple wants to cleanse his essence and marrow, he naturally wants the best!"

Black Tortoise said indifferently.

"This time, at least his strength is about the same as that little kid Mu

Jiuhuang's, although he's still an ant..."

Phoenix raised her proud head.

In fact, when the Great Sun Immortal attacked, the Black Tortoise, the Phoenix, the Heaven Devouring Dog, and the Chaos Ant were all attacking.

However, the power was too strong and the laws were of a higher level, so the Great Sun Immortal naturally could not sense it.

“Phew!”

At this moment, Wang Miaoshou was sitting on the ground, gasping for breath. He felt as if his entire body had an inexhaustible power that wanted to explode.

In fact, those powers were swimming around in his body, urging him to make a move.

“I can’t take it anymore.”

“I can’t hold it in anymore!”

Wang Miaoshou shouted. With a stomp of his feet, his entire body shot out of the window like a cannonball.

At the same time.

In the Qiu Family’s courtyard.

The ninth-stage Golden Core expert’s expression was vicious. The True Qi in his hand condensed into a palm blade and was about to slash at Wang Jingtian.

The speed of this blade was extremely fast, and it even brought about a sonic boom in space.

“No, please don’t.”

When the Wang family members saw this scene, they all screamed in anguish.

“Hehe, scream, scream. Even if you scream your lungs out, no one will come to save you. Hahaha!”

The Qiu Family Head had an arrogant expression on his face.

His eyes were filled with greed.

From now on, he was the supreme existence in the entire Longevity Town. The era of the Wang Clan’s rule had passed.

The head of the Qiu family laughed loudly. The annihilation of the Wang family was a sure thing.

Unless a miracle happened!

“Hmm? Immortal cultivators?”

At this moment, Wang Miaoshou, who was flying in the air, saw the Xiuxianist in the Qiu family courtyard killing people.

Instantly.

He found a target to vent his anger on.

He couldn’t hold it in anymore!

There was an infinite amount of energy in his body that was about to burst out!

His arm pressed down and instantly fell, directly pinching the arm of the golden core state level nine expert.

“Who are you?”

Seeing that his arm was being pinched, the ninth level Golden Core expert was instantly shocked.

This was because he felt a terrifying force gripping his arm tightly, making him unable to move at all.

“Why did you kill him?”

Wang Miaoshou stared coldly at this golden core state level nine expert and asked in a deep voice.

“Hmph, I can kill you if I want to. What does it have to do with you?” The ninth-stage Golden Core expert snorted coldly and activated the true essence around his body.

In an instant, the entire Qiu family shook violently.

He stomped down, and the entire Qiu family caved in with him as the center, forming a huge pit.

He wanted to use this method to break free from Wang Miaoshou’s restraints.

“Not good, run! He wants to burn his essence blood!”

Wang Jingtian, who was lying on the ground, exclaimed with worry in his eyes.

Everyone from the Wang family and the Qiu family’s patriarch had terrified expressions. This was going to be the real deal..

Chapter 88: Is It Wang Miaoshou? Is His Master a Peerless

Expert?_i

“Hehe, go ahead. I’ll wait.”

Wang Miaoshou stood on the spot, motionless like a mountain.

This was the first time he felt the feeling of having power. It was actually so wonderful.

“Master is really incomparably powerful!”

Wang Miaoshou couldn’t help but sigh in his heart. The contents recorded on the first page of his master’s medical skills were already so terrifying!

He really could not imagine how powerful his master’s medical skills were.

In fact, he couldn’t wait to go back and study it seriously.

“Body cultivator, although your blood essence is strong, in front of my Star Shattering Hammer, your body is just a decoration.”

The ninth-stage Golden Core cultivator realized that he couldn’t break free from Wang Miaoshou’s control.

Hence, a ray of light lit up on the ring.

Then, a scarlet hammer appeared in his hand.

Hammer's head was extremely sharp, emitting a cold light.

The hammer smashed down on Wang Miaoshou.

"Not good, Meteor Shield!"

Seeing the hammer fall, Wang Jingtian, who was lying on the ground, changed his expression drastically. As an immortal cultivator in the Lin family, he naturally knew that immortal cultivators had once developed a magic treasure that could resist body refinement cultivators.

Amongst them, the Star Shattering Hammer was a middle-grade spirit weapon.

He immediately took out his Meteor Shield.

"It's the young master's Meteor Shield. It was given to him by his master!"

"That's right, this shield was able to destroy a mountain in the past. It's extremely hard."

Everyone from the Wang family looked at the scene in front of them with worry.

If Wang Jingtian had taken out this shield before, they would have cheered and jumped for joy!

However, at this moment, they felt that this shield was nothing in front of that hammer.

Kacha!

As expected, just as everyone was done with their doubts, they saw the hammer's attack land on the Meteor Shield.

The Flying Star Shield that was so hard that it could smash mountains before.

In an instant

It shattered like paper.

“It’s over.”

“Everything is over.”

Everyone in the Wang family closed their eyes one after another, not daring to watch the bloody scene that was about to happen.

“Die. So what if you’re a body cultivator? In front of me, you’re just a pile of scrap metal.”

The cultivator at the ninth level of the Golden Core realm sneered. He even saw that Wang Miaoshou did not dodge or resist. His face was filled with ecstasy.

When this hammer fell, it would definitely tear this troublemaker in front of him into pieces.

Clang!

The hammer hit Wang Miaoshou’s body, making a metallic sound.

However, there was no scream.

Instead, a terrified voice sounded.

“How is that possible? How is this possible?”

The ninth level Golden Core cultivator's terrified voice rang out.

He saw that when the Star Shattering Hammer smashed onto the surface of Wang Miaoshou's body, sparks actually appeared.

As for the Star Shattering Hammer, it shattered into two halves.

"You, you, you, you..."

The golden core state level nine stared at Wang Miaoshou with fear in his eyes. He was completely dumbfounded and could only say one sentence.

"Hmph, cruel murder. There's no cure for a person like you."

Wang Miaoshou said coldly. He squeezed his wrist slightly and instantly, the huge force broke the bones of the ninth level Golden Core cultivator.

At the same time, he threw another punch.

Bang!

The golden core state level nine exploded into a cloud of blood mist instantly.

"How is that possible?"

"That's golden core state level nine, who are you? Why did you save the Wang Clan?"

The Qiu Family Head's face was filled with disbelief.

This golden core state level nine was found by Qiu Chen.

Moreover, it was under Qiu Chen's master's instructions.

But now, he was actually killed by a single punch.

It was over.

This was the only thought in the head of the Qiu family.

"Yes... Wang Miaoshou?"

"You are Wang Miaoshou?"

At this moment, Wang Jingxian looked at the person in front of her and frowned. She felt that she had seen this man somewhere before.

However, the current Wang Miaoshou could be said to be dozens of times younger than before.

It could be said that he had returned to his youth from the state of eighty years old!

He was in his prime, and he was handsome.

He had the image of a peerless young master.

It was completely different from the old man's gray temples.

However, between his brows, Wang Xian also asked in puzzlement.

She noticed the temperament between Wang Miaoshou's brows, so she asked in surprise and confusion.

Wang Miao's hand?

"Xian Er, what nonsense are you talking about? How can it be Wang Miaoshou?"

The head of the Wang family shook his head and quickly walked over to help Wang Jingtian up.

Suddenly.

Wang Miaoshou stopped him.

"His injuries are very serious. He asked me to treat him first."

Wang Miaoshou said directly.

Wang Jingtian's current injuries were extremely serious. If he were to casually touch him, his life might be in danger.

At this moment.

The Great Sun Immortal followed.

"So you ran here. I thought something had happened. If something happens to you, how am I going to explain it to Senior?"

Daoist Big Sun looked at Wang Miaoshou, who was full of blood and Qi, and heaved a sigh of relief.

“This person is injured. My current medical skills are still unable to treat him.” Wang Miaoshou looked at the Great Sun Immortal.

“Don’t worry.”

The Great Sun Immortal glanced at Wang Jingtian and said lightly. He took out a pill from his ring and fed it to Wang Jingtian.

Wang Miaoshou, who was looking at the Great Sun Immortal and listening to him talk about medical skills.

Everyone looked at Wang Miaoshou in disbelief.

” Is it really Wang Miaoshou?!”

Instantly, everyone exclaimed.

Wasn’t the person in front of him Wang Miaoshou?

Although he looked younger, his face shape was still recognizable.

“What is going on? Wasn’t Wang Miaoshou an old man before? How did he become so young now?”

“This is really strange. Isn’t this too ridiculous?”

“What’s going on?”

Everyone in the Wang family began to discuss, their faces filled with disbelief.

“Cough cough...”

At this moment, Wang Jingtian woke up.

Everyone from the Wang family hurriedly helped him up.

“You don’t need to help me up. My injuries have all healed. Who saved me? Where’s that benefactor from before?”

Wang Jingtian asked curiously.

“Little brother, it’s Wang Miao...” As he spoke, he suddenly realized that Wang Miaoshou and Daoist Da Yang had already disappeared.

“Strange, where did he go?” State Immortal Wang scratched his head in confusion.

Then, she told Wang Jingtian the whole story.

“What?”

“Sister, according to what you said, the master of Wang Miaoshou’s benefactor is a decision-making expert!”

“At the very least, he’s a Tribulation Transcendence expert, the peak of the continent!”

Wang Jingtian was stunned when he heard that..

Chapter 89: I’m Sorry, I’ve Insulted You With Gold i

“A Tribulation Transcendence expert? Isn’t that...The most powerful person in the entire continent?”

...

Everyone from the Wang family was directly stunned!

The most surprised were the Wang family’s head and the Wang realm immortal.

“How is that possible? I looked at that...That senior was clearly a mortal? The aura on his body is no different from that of a mortal?”

The head of the Wang family asked in puzzlement.

“Yes, brother.” At the side, Wang Jingxian also nodded his head with a look of disbelief on his face.

His benefactor was actually a peak immortal cultivator on the continent.

On the Tian Yuan Continent, the sect leader of a rank 9 sect was like an emperor to mortals.

Not to mention a tribulation transcending expert. In their eyes, that was an immortal!

A high and mighty immortal who could crush them to death with a single finger!

“If Senior had concealed his aura, even I wouldn’t have known that Senior was a cultivator, let alone you.”

“In front of that kind of expert, I’m like an ant!”

Wang Jingtian said solemnly.

After hearing Wang Jingtian's words, everyone in the Wang family was shocked.

"Daughter, quickly go and invite an expert. We have to thank him."

"We can't let senior hate us for the ten gold taels you gave us."

The patriarch of the Wang family said in a deep voice, his face filled with anxiety.

He had heard that in the eyes of those experts, money was like dirt.

In fact, if they used money to express their gratitude to the experts, those experts would think that it was an insult to them!

The patriarch of the Wang family thought of this, and the cold sweat on his back directly drenched his clothes.

It was too terrifying!

He had almost offended a peerless expert.

"Yes."

State Immortal Wang nodded heavily and hurriedly got up to head to the inn.

As for the Qiu Family Head...

Wang Jingtian had touched his neck with his sword.

At the Longevity Inn.

After a night of sleep, Xiao Changtian woke up early.

In this life, he believed in the principle of early sleep and early rise.

In this life, he would never stay up late to cultivate.

“Girl, your...”

However, as soon as he went downstairs, he saw Wang Jingxian with a picturesque smile on his face.

“Senior, it’s my fault. Please don’t be angry.”

The moment he saw Xiao Changtian, he immediately knelt down with an extremely regretful expression.

In fact, two streams of tears flowed down from her delicate eyes.

“No, what are you doing?”

Xiao Changtian was dumbfounded. What was going on?

“Senior, it was my fault before. I shouldn’t have used ten taels of gold to humiliate you.”

“Everything is my fault!”

“Please take your anger out on the Wang family!”

Wang Jingxian cried loudly. His entire face was covered in tears as he knelt on the ground without moving.

He only begged bitterly.

“Humiliating me with ten taels of gold?”

Xiao Changtian was dumbfounded.

What the hell?

Was ten taels of gold considered humiliation?

Then let the humiliation be more intense!

Xiao Changtian thought.

“Young lady, get up first and speak clearly. Do I look like a fierce demon? Why are you so afraid of me?”
Xiao Changtian said in confusion.

“No, no.”

When Wang Jingxian heard this, he hurriedly shook his head and stood up.

“I’m just a mortal, why are you so afraid of me?”

Xiao Changtian shook his head.

“Mortals?”

“Could it be that Senior is one of those reclusive experts who have achieved great success in his state of mind and returned to his original state?”

When Jing Xian Wang heard Xiao Changtian say that he was a mortal, his face was filled with doubt.

He suddenly remembered that the novels he had read seemed to describe this.

Realm Immortal Wang was shocked.

His entire face suddenly revealed a look of enlightenment.

“Senior, my father felt that the ten taels of gold he gave you previously was too little, so he asked me to invite you to the Wang Clan for a meal.”

After understanding the key points, Wang Jing changed his strategy.

Such an expert was playing around in the mortal world. The greatest pleasure was to experience the various states of mortals.

Therefore, the most important thing now was not the gold or the reward. Instead, it was to be able to have a meal with Senior and leave a good impression in Senior’s heart.

“Treat me to a meal?”

Xiao Changtian was stunned.

Suddenly, his deep eyes lit up.

“Dinner, dinner. Could it be that someone is really eating?”

“Previously, this woman said ten taels of gold, but she felt that it was too little. Could it be that the head of the Wang family wants to give me a wave of compensation?”

As Xiao Changtian thought about it, the more he felt, this was the truth!

“Alright.”

Xiao Changtian smiled faintly and agreed.

He had to agree to such a thing.

Since he had saved someone, how could he refuse if the other party wanted to repay him?

Wouldn't this make the other party feel guilty?

One had to have a clear mind in order to live. How could he make others unhappy?

“That's great. Senior, follow me.”When Realm Immortal Wang heard this, he was overjoyed. He didn't expect Xiao Changtian to really accept it.

Since Senior accepted it, it meant that Senior wasn't angry.

Senior didn't even take the humiliation of ten taels of gold to heart.

“Hu! That's good.”

“Go back and tell father to treat senior well. Don't give him any more rewards.”

Jing Xian Wang thought to himself and gave the servant outside a look.

Soon after.

He brought Xiao Changtian along.

“Daoist Big Sun, my disciple, you guys come too. Bring my kitten down for me.”

Xiao Changtian nodded his head and shouted at the same time.

The kitten was really too young, so he had to feed it himself.

Otherwise, it would be very easy for other things to happen.

Before opening the path of invincibility, the most important thing for him was to take care of these animals and live a little.

Only by lying low could one live to the best of their abilities!

Only those who could live to the end had the right to laugh!

Xiao Changtian believed this.

However, things did not go so smoothly for the Great Sun Immortal and Wang Miaoshou in the attic.

“Master, I don’t dare to hug you.”

Wang Miaoshou’s entire body was trembling, and his face was filled with fear. It was too terrifying. The might of that kitten made him, who had reached the great success of body tempering, unable to stand steadily.

The Great Sun Immortal stood at the side, trembling as well. He could no longer speak.

“What’s there to be afraid of? It’s just a kitten. You’re a doctor, after all! You’re even afraid of this?”

Xiao Changtian was speechless.

She turned around and was about to go upstairs to hug him.

After all, Immortal Da Yang was a powerful immortal cultivator. He could not let him carry a cat for him.

However, just as Xiao Changtian regained his senses, he was shocked..

Chapter 90: Who Exactly Is Senior? !

“Who are you?”

...

Xiao Changtian looked at Wang Miaoshou in front of him. He was handsome, elegant, and dignified!

This was his disciple?

Although the bones and faces were very similar, Xiao Changtian was still frightened at first glance.

“Master, you must be joking. I am your disciple.”

Wang Miaoshou said with a smile.

“My disciple? Then how did you become like this?”Xiao Changtian couldn’t help but ask.

Was this still the 50-year-old man from before?

This was clearly a young man of the same age as him.

It was just that he was not as handsome as himself.

Compared to him, his temperament was still a little lacking.

“Master, I did it according to your medical skills. ‘Wang Miaoshou had a bitter expression. Why was his master teasing him?”

“Muscle and marrow cleansing?”

Xiao Changtian was stunned.

Really?

It seemed that his guess was right.

As expected, it was that stupid system that was limiting his cultivation.

“Stupid system, come out. I want an explanation.”

Xiao Changtian was furious. He tried to communicate with the system in his mind.

However...

What awaited him was silence.

Silence was the bridge of the night.

“Forget it... I was unlucky,

Xiao Changtian, who was familiar with the system, could only say helplessly.

Thus, Xiao Changtian walked upstairs and held the little white cat in his arms.

He looked at Wang Miaoshou and shook his head.

Such a big and strong young man was actually afraid of a cat?

To be able to pair up with Jiu'er.

Jiu'er was afraid of the turtle.

Very quickly.

Xiao Changtian walked down with the white tiger in his arms.

“Senior, do you also have cats? This little white cat is so beautiful.”

Looking at the white tiger in Xiao Changtian's hand, Wang Jingxian's face revealed a look of joy and love.

He even smiled at the white tiger.

“Meow

However...

The white tiger didn't like anyone except Xiao Changtian.

Seeing that Wang Jingxian was actually smiling at him, he immediately called out.

"Ah!"

This shout.

This caused the King Realm Immortal to shout as well.

However, one of them called him casually.

One was a scream of terror.

The two were completely different types.

Wang Jingxian saw a huge white tiger standing in front of her. For some reason, she appeared on a huge and empty plain.

That white tiger was the little white cat in front of him.

The little white cat's claws were like mountains as it slapped down on her.

She was directly slapped away and crushed into a pool of blood mist!

She was so frightened that she collapsed on the ground. Her face was pale and her entire body was trembling.

Even his breathing became extremely hurried.

“Hmm?”

“What’s wrong with you?”

Xiao Changtian asked curiously as he looked at the King Realm Immortal lying on the ground.

This girl, when I checked her previously, there was no problem?

Anemia? That’s not possible.

The terrified Realm Immortal Wang heard Xiao Changtian’s voice. Suddenly, the huge white tiger that crushed her disappeared.

The terrifying pressure that enveloped her instantly dissipated.

“Phew!”

Only then was the King Realm Immortal able to turn around.

How could he not understand that the white kitten in Senior’s arms was a peerless ferocious beast?

She had once heard from her younger brother that peerless ferocious beasts were even more terrifying than those immortal cultivators.

“I’m really confused. Senior is such an expert, how could he raise a kitten?”

Jing Xian Wang understood this and hurriedly explained to Xiao Changtian.

“My mistake. Please, senior.”

Wang Jingxian’s face was still pale, but he recovered a little.

Wang Clan.

The building was extremely luxurious.

It occupied thousands of miles, with many pavilions and waterside pavilions, fake mountains and fountains, all of which showed the Wang family’s economic strength.

“The Wang family is indeed rich.”

Xiao Changtian looked at the Wang family’s environment and thought to himself. He stroked the white tiger’s head a few times.

The white tiger revealed an expression of extreme enjoyment

She opened her mouth and stuck out her pink tongue, licking Xiao Changtian’s palm.

“You little brat.”

Xiao Changtian smiled faintly.

Under the guidance of the State Immortal Wang, Xiao Changtian and the other two quickly arrived at the main hall.

Compared to the Great Sun Sect's main hall, it lacked a majestic and solemn aura.

However, the main hall in front of him was also built extremely grandly and lavishly.

There were even more than a hundred dishes on the table. The two of them were dazzled.

"Senior!"

Seeing Xiao Changtian, the head of the Wang family ran over from afar. He had a respectful expression on his face and a smile.

Wang Jingtian stood next to the Wang Family Head.

"Wang Clan Head, this is?"

Xiao Changtian looked at the young man in green and his eyes lit up.

Seeing the young man holding a sword in his hand, Xiao Changtian, who lived beside the relay station all year round, quickly recognized that this young man should also be a cultivator.

As for why the head of the Wang family called him senior...

Xiao Changtian didn't care.

Many people called him senior.

Perfecting Qing Yun was unable to read his own fortune because of a calligraphy piece.

There were many more.

Xiao Changtian was already numb to it. As long as someone called him senior, he would let them call him senior.

In any case, they were all mortals or very weak immortal cultivators.

He had all kinds of great success skills that the system had enhanced.

Perhaps they had seen these stalls at a certain time.

“Senior, this is my son. He previously became an outer sect disciple in the Lin family and is learning immortal cultivation techniques.”

The head of the Wang family introduced with a smile.

Wang Jingtian stood at the side, sizing up Xiao Changtian.

“Something’s wrong. Why does this person look more and more like a mortal?”

“Even if those experts hide their aura, they should have the temperament of an immortal cultivator, right?”

“Could it be that I guessed wrongly?”

Wang Jingtian was extremely confused. He looked at Xiao Changtian and saw the white tiger in Xiao Changtian’s hand.

“Hiss -!”

Wang Jingtian instantly gasped.

There was a click.

Like Wang Jingxian, the bottom of the bottom sat on the ground.

He also saw the Divine White Tiger.

The Divine Beast White Tiger's incomparably vast aura instantly suppressed Wang Jingtian.

“Meow –

The white tiger let out a soft cry, rolled its eyes, and glared at Wang Jingtian.

His gaze was filled with disdain.

It was as if he was saying that even an ant dared to size up his master.

“Senior, what realm is this expert at? He's so terrifying that he actually has a divine beast white tiger as a pet!”

Wang Jingtian was shocked. His entire face was filled with disbelief. For a moment, he was like a statue..
