

## Beauty 1221

### Chapter 1221: If Only He Hadn't Climbed A Higher Branch, He Wouldn't Have Ended Up Like This!

Yao Xiu crossed his legs on the other chair. After closing his eyes, he couldn't sleep at all, so he took out his phone from his pocket.

He and Zeng Zhelan seemed to have a telepathic connection. Just as he was about to open his phone, Zeng Zhelan's WeChat came in. "What are you doing right now? What's the situation over there?"

Yao Xiu glanced at Zhao Kang and typed on his phone. "It's very depressing! I might have said something wrong. That kid seemed to have given up."

Soon after, Zeng Zhelan's message came in. "It's okay. We don't know when Zixuan will deal with him, so you can go ahead and deal with him casually. Once this person has bad intentions, it's very difficult for him to stop having them. It's just a temporary dismissal."

Yao Xiu laughed. His family's Zeng Zhelan really knew how to comfort others.

Chatting with this little girl on WeChat was not fun, so Yao Xiu sent her a video request.

Zeng Zhelan quickly accepted it. "Hubby~"

The sweet voice made Zhao Kang's body tremble and he subconsciously looked at Yao Xiu.

The usually serious and aloof special assistant to the CEO was now like a little wolfhound. He gestured toward Zeng Zhelan, saying, "Darling, be good!"

Zhao Kang: "...."

What the hell, do they think he didn't exist?

Zhao Kang looked at Yao Xiu, who was sitting across from him gloomily.

"Hubby, you didn't come back tonight and I've absolutely no appetite."

"Me too." Yao Xiu sighed, feeling wronged. "I only ate two bites. The food outside isn't as good as what you cook. I want to eat the red ribs you cooked."

Zhao Kang's eyes almost popped out of their sockets.

Yao Xiu ate a lot earlier!

He had eaten more than him. In front of a woman, he didn't even blush when he told a lie.

Zhao Kang could hardly hold himself back. He really wanted to expose Yao Xiu!

Zeng Zhelan's voice was heard. "Alright, I'll cook the red ribs for you tomorrow night."

"Darling, you're the best!"

"Hubby, I'll sleep alone tonight, what if I'm afraid of the dark?"

"It's okay, I'll talk to you until you fall asleep."

"Really? Aiya, hubby, why are you so good?"

"If I'm not good to you, who am I going to be good to?" *NovelusB.com*

Zhao Kang couldn't take it anymore. He had dated many girls in his life, but neither he nor his girlfriends had ever reached this level of sweetness.

Zhao Kang suddenly thought of his past. Among his many girlfriends, Jia Qiulian was the best for him. She was more than willing to drop out of school for him and more than that, she was willing to go to great lengths to earn money for him.

He felt foolish!

If he hadn't climbed a higher branch, he wouldn't have ended up like this.

His girlfriend from before had said that she loved him and would do anything for him, but when her father asked her to break up with him, she just broke up with him without saying anything. Even when he begged her not to, it was useless.

Although this was a part of her responsibility as a child, but if their love was true love, how could she break up with him so easily?

As Zhao Kang thought about it, his teeth began to itch with anger. Women were all cheap!

He really couldn't eat Yao Xiu and Zeng Zhelan's dog food anymore. He felt like he was going to die from holding back. He stood up, signaling that he was going out to Yao Xiu, and went to the smoking room to smoke.

Seeing Zhao Kang leave, Yao Xiu's expression immediately turned serious, and Zeng Zhelan's face also darkened.

"Yao Xiu, what are your plans for tonight?"

"I plan to sleep all night and not wake up to see what he will do."

"That's right, I also want to tell you this. Don't blame yourself if the money is stolen. Zixuan doesn't care and maybe she even wants the money to be stolen. It's okay, you should sleep well, okay?"

"I understand, don't worry."

Yao Xiu and Zeng Zhelan talked for a while before he hung up the video call. When he saw that Zhao Kang was still not back, he leaned on the chair and tried to sleep.

But... He couldn't sleep at all, so he thought about Zhao Kang.

After a long time, Zhao Kang came back. Yao Xiu quickly closed his eyes and pretended to sleep.

Zhao Kang came in. Seeing that Yao Xiu had fallen asleep, he breathed a sigh of relief. Then he sat down on the chair opposite him.

Yao Xiu pricked up his ears and listened to Zhao Kang's every movement. However, he was disappointed that Zhao Kang didn't do anything.

The conference room was very quiet. Besides his own breathing, Yao Xiu couldn't hear anything else. Unknowingly, he fell asleep.

Zhao Kang was very competent in his work. He tried his best to stay awake. From time to time, he touched the money, and the more he touched it, the more unwilling he became.

Finally, it was three o'clock. Zhao Kang stood up and gave Yao Xiu a gentle push. "Special Assistant Yao, it's three o'clock. It's your turn to stand guard."

Yao Xiu felt that someone was pushing him. He raised his hand and waved at Zhao Kang, brushing him aside as he resumed his sleep.

Zhao Kang pursed his lips and pushed Yao Xiu's body again. "Special Assistant Yao! Special Assistant Yao!"

Yao Xiu had already said that he wouldn't wake up, so he didn't wake up. No matter how much Zhao Kang pushed or shook him, he didn't open his eyes.

Zhao Kang had no choice but to stop waking Yao Xiu and return to his seat. Then he opened his eyes wide and resumed his vigilance.

At six in the morning, Yao Xiu's alarm went off. He opened his eyes and saw that Zhao Kang had fallen asleep. Just as he was about to get up, Zhao Kang's phone rang.

Yao Xiu quickly closed his eyes again.

Zhao Kang took out his phone from his pocket in a daze. When he saw Jia Qiulian's name, he immediately woke up.

He didn't dare to answer the call in front of Yao Xiu. He was really afraid that Yao Xiu would listen to his conversation, so he took his phone and went out.

"Qiulian, why are you calling me so early? Have you collected all the money?"

### **Chapter 1222: Didn't I Do All This Because Of You?!**

Jia Qiulian's voice was cold, more bone-chilling than the cold wind outside the window. "I've collected the money, but what about the photos? Are you really going to delete them?"

Zhao Kang smiled casually. "Of course, don't you believe in my character? I'll definitely keep my promise!"

"Alright." Jia Qiulian took a deep breath and said, "I'm near the company now. Come find me and I'll give you the money."

"Fine, no problem!" Zhao Kang hung up the phone and was immediately in a very good mood.

Originally, he had thought that Jia Qiulian would play tricks on him, but he never expected her to be so easy. She had collected eight million for him so quickly.

Just as Zhao Kang was about to walk towards the elevator, he suddenly remembered something. He turned around, walked to the door of the conference room, and peered inside through the glass door.

When he saw that Yao Xiu was still asleep and had no intention of waking up, he raised his eyebrow and turned to leave without hesitation.

When Zhao Kang arrived at the entrance of the company, he looked left and right but didn't see Jia Qiulian. He took out his cell phone and called her. "Where are you? Don't play tricks on me!"

Jia Qiulian sneered. "You have my photos, how can I play tricks on you?"

Zhao Kang felt that Jia Qiulian's words were right. He knew her personality. She was gentle, shy, and didn't know how to lie. How could she have the heart to play tricks on him?

Zhao Kang relaxed his guard. "Where are you?"

"Go outside and walk a hundred meters to the right. My car is parked there."

"Okay!" Zhao Kang turned to the right and walked about a hundred meters. Sure enough, he saw a luxury car parked under a tree.

The car was too hidden. If he didn't go there, he wouldn't be able to see it. He chuckled. "You're so cautious!"

Without glancing at the window, he opened the door of the backseat and got inside. After getting into the car, he saw that the person sitting next to him was Qin Yu.

And when he looked forward, he found Jia Qiulian sitting in the driver's seat.

"Haha..." Zhao Kang could not help but laugh sarcastically. "My God, I thought you were too cautious, but I didn't expect you to bring beauty!"

"Cut the crap!" Qin Yu did not give Zhao Kang a face at all. With a dark face, she said in a cruel tone, "Where are the photos?" *nOVεPUsB.cOm*

Zhao Kang took out his cell phone. "They are here!"

Qin Yu obviously did not believe him. She raised her eyebrow and said sarcastically. "Are you sure only your phone has them and there is no backup?"

"Why would I backup something like that? Do you want the whole world to know about it? Jia Qiulian was my woman before she got married. No matter what happened, how could I bear to treat her like this?"

As he said this, his eyes kept looking at Jia Qiulian. His vulgar eyes made Jia Qiulian feel naked.

She pursed her lips without saying a word.

Qin Yu turned Zhao Kang's head towards her. "Don't look at her with those dirty eyes of yours!"

Zhao Kang looked at Qin Yu and laughed. "Then I will look at you with these dirty eyes~"

"Shameless!" Qin Yu angrily pressed Zhao Kang's shoulder with her hand. She pressed him hard against the seat.

"Hurts! It hurts! It hurts so much!"

Zhao Kang was in so much pain that he broke out in a cold sweat. He felt that his shoulder was about to break because of Qin Yu, and he kept shouting, "Let go! Qin Yu, let go of me!"

"Letting you go?" Qin Yu sneered. "A rotten person like you, I should have attacked you long ago! If it wasn't for Jia Qiulian, I would have broken your neck!"

Zhao Kang had never seen Qin Yu's cruelty in his life before. He had always thought that a woman like Qin Yu, who was also a big star, would pay a lot of attention to her image. He never expected that she could be so cruel when she attacked him!

"I'm in the wrong, I'm in the wrong! Let me go!" Zhao Kang began to plead for mercy.

Qin Yu couldn't be bothered about his pleading. She had wanted to give Zhao Kang a good beating for a long time but had never gotten the chance. Now that he was right in front of her, how could she pass up this opportunity?

She held Zhao Kang's shoulder with one hand and threw his phone at Jia Qiulian with the other. "Qiulian, delete your photos quickly!"

Jia Qiulian took the phone and grabbed Zhao Kang's thumb to unlock the phone, then she opened the photo album. When she saw the contents inside, she almost collapsed.

She had always thought that Zhao Kang only had photos of her and those photos were the photos he had shown her that day. She never expected that he also had videos of her!

And not just her photos and videos, but there were also photos and videos of another girl!

Jia Qiulian recognized this girl at one glance and it was the girl she had seen with Zhao Kang before.

Jia Qiulian glared at Zhao Kang. Although she did her best to hold back the anger in her heart, her eyes were still red. She gritted her teeth and said, "Zhao Kang, you really are a scum! I never thought a person could be as bad as you!"

Held down by Qin Yu and unable to move, Zhao Kang could only stare at Jia Qiulian. Seeing her eyes reddening with anger and her hands trembling, he sneered. "I'm scum? Didn't I do all this because of you?!"

"Jia Qiulian, I loved you. I really loved you!" Zhao Kang suddenly became sad. The hatred in Jia Qiulian's eyes made him want to collapse.

"If your parents hadn't died, I would continue to love you! But your cursed parents died so early! I thought if I stayed with you, your parents would support me, and with my abilities, I would be able to achieve great things. But their lives were too short, leaving me with no choice but to leave you and find someone I could rely on!"

"Bastard!" Even Qin Yu couldn't bear to listen anymore and squeezed Zhao Kang's shoulder harder. "In my entire life, this is the first time I've heard someone say such shameless words! Zhao Kang, you're not a f\*cking man! You just know to rely on a woman for power, people like you deserve to die!"

**Chapter 1223: You Really Still Love Me, Don't You?**

"Haha ..." Zhao Kang was sweating profusely because of the pain, but he still couldn't help sneering. "I do deserve to die, but if I die, I will drag someone with me! Jia Qiulian, don't blame me for being heartless. You have really disappointed me. You just broke up with me and you immediately got together with Han Cihui, how can I accept that?!"

"Qiulian, I really can't take it anymore. Delete the photos yourself. If I don't kill him today, I won't be able to get rid of the anger in my heart!"

With these words, Qin Yu opened the car door and pushed Zhao Kang out. She also got out of the car and stomped on his chest with her 8-inch high heels. "Scum! Today, Grandmother Qin will teach you how to be human!"

With a "bang" sound, the heel once again stomped heavily on Zhao Kang's chest.

"In this world, no one owes you anything! If you don't know how to love, that's fine, but don't hurt people's hearts! You dumped Qiulan first. What's wrong with her looking for another man now? Don't tell me you think she only deserves scum like you and has to take care of you for the rest of her life?"

When Jia Qiulian saw Qin Yu beating Zhao Kang to death, she suddenly remembered Liang Zixuan's words and rolled down her window. She said to Qin Yu, "Qin Yu, go easy on him. We can't let anything happen to him."

Jia Qiulian spoke in a very obscure manner. Although Qin Yu's head was filled with blood, anger, and frustration that were difficult to calm down, she still understood the meaning behind Jia Qiulian's words.

Zhao Kang, on the other hand, didn't fully understand the situation. He was still laughing even after being stomped by Qin Yu. "Jia Qiulian, you really still love me, don't you?"

"Love your ass!" Qin Yu stomped Zhao Kang's chest once again, crouched down, and punched him in the face. "Bastard, she's just afraid that I'll beat you to death. If that happens, I can't explain it to the police!"

Jia Qiulian had deleted all the photos on Zhao Kang's phone, but she was still worried.

In the past, she had heard someone say that even if the phone's factory settings were reset and the contents deleted, everything could be restored as long as a special method was used.

That's why you cannot sell used phones. If you met someone with malicious intentions and they restored all the data in your phone, then your privacy and some account passwords could be seen by others.

Jia Qiulian put Zhao Kang's phone in her bag and handed the bank card to Qin Yu. "Qin Yu, give this to him."

Qin Yu grabbed Zhao Kang's hair and forced him to tilt his head back. "Qiulian is a real person, not a piece of trash like you. This money is for you to spend the rest of your life. Do not come looking for trouble with her again!" **NoveLUS&.com**

With that, she threw the bank card in Zhao Kang's face. Then she stood up and moved away from him.

Zhao Kang grabbed the bank card and got up from the ground. Even though he was beaten by Qin Yu, he was still very happy.

This was money!

A total of eight million!

Suddenly, Zhao Kang felt something was wrong and turned to Jia Qiulian. "How do I know there are eight million in this card? What if there is no money in it?"

Jia Qiulian turned her head away and did not bother to look at Zhao Kang. It was as if she would feel disgusted just by looking at him.

"My character is not as bad as yours!"

Zhao Kang thought about it and agreed. Jia Qiulian was a person who always kept her word, so she definitely would not lie now.

He happily got up from the ground and carefully put the bank card in his pocket. He then extended his hand toward Jia Qiulian. "Give me back my phone."

Jia Qiulian stared straight ahead as she spoke nonchalantly, "Eight million for your cell phone. It was more than enough!"

"Jia Qiulian! That's my phone!" Zhao Kang gritted his teeth and said, "You already deleted the photos, so give me back the phone now!"

Only then did Jia Qiulian look at Zhao Kang. Her gaze was full of mockery. "Do you think we'll let you threaten another girl after returning the phone to you? Zhao Kang, you really have no shame! Using this kind of method to bully a weak girl, it's not enough for you to bully me, you want to bully her too?"

Qin Yu was in no hurry to get into the car. Instead, she leaned against the backseat door. After hearing Jia Qiulian's words, she was stunned for a moment before turning around and asking her, "What do you mean? Your photos weren't the only ones?"

"En!" Jia Qiulian nodded. "Not only my photos but he also has my videos. There are also photos and videos of another girl. Even though I don't know her, she's still a victim. I can't let this bastard continue to torture her!"

This time, Qin Yu was really angry. She kicked Zhao Kang and said, "You're really not a human!"

Zhao Kang couldn't react in time and was kicked in the leg by Qin Yu. The pain was so painful that his teeth trembled.

He looked at Jia Qiulian with hatred and knew that he wouldn't be able to get his phone back today.

But that's okay because he still had a backup on his computer at home!

He would let Jia Qiulian be at ease for now. Once he paid the money to Li Shang and then went to get his father, he would take care of this bitch!

"Fine!" Zhao Kang was so angry that he laughed. "Jia Qiulian, you're really great. I don't need this phone anymore. You can take it and treat it like a treasure!"

"Scum! You're just a dead duck, but you're still stubborn!" Qin Yu acted as if she was going to hit Zhao Kang again. Zhao Kang was so scared that he jumped back a step and ran away as fast as lightning. He was afraid that Qin Yu would chase him.

After running for a while and seeing that Qin Yu wasn't chasing him, he finally slowed down.

Qin Yu's kick had made his whole leg go numb.

Even walking was painful for him.

Zhao Kang slowly limped toward the company.

••••

Qin Yu sat down in the passenger seat and sighed wistfully. "This kind of trash, you should have let me beat him to death!"

"Calm down." Jia Qiulian laughed softly. "Sister-in-law won't let him go. The pain he's about to face is worse than killing him."

"That's true!" Qin Yu curled her lips and hooked her hand with Jia Qiulian's. "Qiulian, I think that bastard must have a backup. We need to go to his house, find the photos and videos on his computer and destroy them as well. I think this is the way to be really safe!"

"Sure!" Jia Qiulian gently pinched Qin Yu's cheek. "It's all thanks to you today. I really do not dare to face him alone."

Chapter 1224 Where Did The Money Go?

"Speaking of this..." Qin Yu smiled. "What is our relationship? As long as you say you need me, even the blade mountain and a sea of flame I'm willing to cross it!"

"I know. You and your sister-in-law are really good to me." Jia Qiulian gently pushed Qin Yu's hand away. "Let's go. We still have a business to attend to."

"Yes, I will call auntie and tell her that Wang Ba1 is already in the trap!"

????

As soon as Zhao Kang left the company, Deng Hui and Dai Tian rushed into the conference room.

When Yao Xiu heard the sound of footsteps, he woke up and jumped up from his chair. When he saw that it was Deng Hui and Dai Tian, he breathed a sigh of relief. "You guys surprised me. What are you two doing here?"

As Deng Hui and Dai Tian began to put the money into bags, they said, "Yao Xiu, come quickly and help us. We have to move this money."

Yao Xiu didn't understand what had happened, but he knew that Deng Hui and Dai Tian had been sent here either by Han Yuanjun or by Liang Zixuan.

Whether it was Han Yuanjun or Liang Zixuan, he had to obey them unconditionally.

.....

After helping Deng Hui and Dai Tian put the money into the bags, Yao Xiu originally wanted to help them take the money away, but Dai Tian stopped him.

He took out a bottle of something from his pocket and handed it to Yao Xiu. "Drink this."

Yao Xiu was taken aback. "What's this?"

Dai Tian coughed softly, trying hard to suppress his laughter as he said, "It's nothing. It's just something that will make you sleep for a while. Oh yeah, when you wake up later, you'll say that you don't know anything, that you slept from last night until you woke up this morning."

Yao Xiu immediately understood the meaning. It meant that they wanted to frame Zhao Kang and blame him for the loss of the money.

Yao Xiu bore no responsibility in this case. Instead, all the responsibility rested on Zhao Kang.

He felt a little embarrassed. "Was it because of me that Madam's plans were disrupted?"

"Absolutely not!" Dai Tian patted Yao Xiu on the shoulder. "Who is our Madam? She is good at adapting to any situation. After learning that you stayed here last night, she's very grateful to you. If you were not here, Deng Hui and I would come to guard the money. Everyone inside the company knows that it is impossible for Zhao Kang to deceive us. On the contrary, you have made it easy for Madam."

Deng Hui nodded in agreement. "Yes, no one fits into this plan better than you. The special assistant to the CEO is here to guard this money, and everyone knows how important this money is to Madam."

What they meant was that no one would suspect that Liang Zixuan was deliberately setting a trap for Zhao Kang.

Yao Xiu smiled. His anxious heart finally calmed down.

He took the small bottle from Dai Tian's hand and opened the cap. After sniffing for a while, he smelled nothing strange and drank it all in one gulp.

After he finished drinking, he went to his seat. He still wanted to say something, but his eyelids became heavy and he immediately fell asleep.

At this moment, Dai Tian took out another small bottle from his pocket and walked over to the table. He opened the lid and poured some of the contents into Yao Xiu's cup. After cleaning up the table, he and Deng Hui began to transport the money away.

As Zhao Kang walked to the entrance of the company, he still felt pain in his leg and his chest, and his mind was filled with Qin Yu's 8-inch high heels.

The heel was really a sharp weapon. The kicks against his leg and the blows on his chest were like a hammer hitting him, causing him to die from the pain.

Zhao Kang took out a cigarette, put it in his mouth, leaned against the wall by the company's door, and took a long drag.

After he finished smoking, he felt that his leg and chest were much better than before. He raised his hand and looked at his watch. It was already 6:40. After taking a deep breath, he walked into the company.

As soon as he got off the elevator, he limped to the conference room. Standing outside the door, he looked through the glass wall and found out that the room was empty. His heart sank, and he quickly pushed the door hard and hurried inside.

How long had he been gone?

How could all the money disappear?

Where had the money gone?

Oh my God!

Zhao Kang felt as if his whole world was falling apart. After running around in the conference room and making sure that the money had really disappeared, he ran to Yao Xiu's side and shook his body with a trembling hand. "Special Assistant Yao, Special Assistant Yao!"

Yao Xiu closed his eyes and did not react at all. He was sleeping soundly like a child.

Zhao Kang became restless and shook Yao Xiu's body harder. "Special Assistant Yao, don't sleep anymore. The money has disappeared. Special Assistant Yao, help!"

Yao Xiu's lips moved slightly, but there was still no reaction.

Zhao Kang had no choice but to run around the room anxiously like an ant on a hot pan.

What else could he do when he himself did not know where the money had gone?

He was the one most responsible for taking care of the money. If the money disappeared, then he had to be responsible for it!

"It's over, it's all over!" Zhao Kang's legs became weak and he suddenly knelt on the ground. He was actually crying.

"Wuwuwu ... Where did the money go? What should I do now? It's ten million, oh God..."

He cried for a moment, feeling that he really couldn't bear this responsibility. After thinking, he suddenly got up from the ground and ran to the elevator as if his life depended on it.

If he wanted to leave, he had to leave now!

If he waited until it was time to go to work, and if they found out the money was missing, they'd surely call the police!

Once the police got involved, this matter wouldn't be resolved in less than ten days to half a month. Even if they found out who stole the money, he was still guilty of negligence in doing his job!

And for the duration of the investigation and until they found the money, he couldn't go anywhere else. If he didn't give the money to Li Shang in time, then Li Shang would come looking for him. And if the police knew he had eight million on him, he wouldn't know how to explain it!

At this critical moment, Zhao Kang could be considered clear-headed to be able to think of this.

For most people, apart from breaking down, what else could they think about?

Zhao Kang hurriedly pressed the elevator button and waited for the elevator door to open. Then he anxiously ran inside.

Five minutes later, he stormed out of the main entrance of the company and ran down the street. He took out his phone and immediately called Li Shang.

"Hello, Brother Li!"

Chapter 1225 I Didn't Do It!

The man's voice on the other end of the line sounded like he was in a daze. "What are you doing? It's still early in the morning, why are you calling me? Zhao Kang, if it's nothing important, do you believe that I will kill you?!"

"Brother Li, Brother Li, listen to me first!" Zhao Kang said hurriedly. "I already got eight million. Please let my father go. I will give the money to you right now."

"Did you really get it?" Li Shang suddenly opened his eyes wide. He was still in a daze a while ago, but now he was wide awake. "Eight million! You really got it?"

"Yes, why would I want to deceive you? Quickly release my father. I will send the money to you later."

As soon as Zhao Kang finished his sentence, he felt something was wrong. Then he said, "No, send my father to the Imperial City bus station. As soon as he reaches Nuo Cheng and calls me, I will immediately give you the money."

"Zhao Kang, is there something wrong with you?!" Li Shang felt that he had been played by Zhao Kang, so he suddenly scolded him. "I have to send your father to the bus station, and when he gets to Nuo Cheng, only then will you give me the money, do you think I'm stupid? If you don't have the money, then just say you don't have it! Don't play with me here."

"I have that money, I really have that money!" Zhao Kang felt like he was going to lose his tongue. "The money is in my hands now, but you must first ensure my father's safety. I don't care, you must release my father and let him go back to Nuo Cheng. Brother Li, if you don't believe me, I can transfer four million first. When my father calls me in Nuo Cheng, I will give you the rest of the money."

"Don't worry, I won't play tricks. I don't have the courage to do so! If I play a trick on you, you won't let me go. You might come to Imperial City in a few hours to catch me, so don't worry. Seriously, Brother Li, believe in me!"

When Li Shang heard this, he also felt that it was impossible for Zhao Kang to play any tricks on him. He got up and got out of bed. "How about this, give me four million first. After I receive the money, I myself will send your father to Nuo Cheng."

.....

Zhao Kang didn't have time to think about it, he could only agree. "Okay, then I'll give you the money right now!"

Zhao Kang hung up the phone and went to the nearest ATM. He took out a bank card from his pocket. Just as he was about to insert the card into the ATM machine, several security guards rushed in and stopped him.

Zhao Kang immediately cried out in fear. "What are you doing? Let go of me!"

"Zhao Kang, the president's wife had asked you to keep guard on the money, but I didn't expect you to actually have an idea for the money!"

"I didn't!" Zhao Kang shouted, trying to explain, "I didn't steal it, I really didn't steal it. There is a misunderstanding here! If you don't believe me, you can ask Special Assistant Yao to explain. He was with me all night!"

"Special Assistant Yao?" The head of the security guard laughed coldly. "Special Assistant Yao has passed out from the drug you gave him last night! What can he prove on your behalf?"

"Drug?" Zhao Kang was confused. He shook his head and instinctively denied it. "No! How is that possible? What drug could I give him? No, it's not me. Actually, there is a misunderstanding here. I want to see Special Assistant Yao. I want to ask him why he has wronged me so much!"

Zhao Kang shouted that he wanted to see Yao Xiu, but even if he didn't say it, the security guards would still take him back to the Han Group under Liang Zixuan's command.

The head of the security guard glanced at the two men holding Zhao Kang. The two men immediately picked him up from the ground and dragged him away like a criminal.

At 8 am, the cleaners already came to clean the company. Some of them had to hurry and come earlier.

When they saw Zhao Kang being dragged away by several security guards, they quickly surrounded him as if they were watching a good show.

"Brother Yong, what exactly happened?"

The person called Brother Yong, or his name Yong Tuo was the head of the security guard. When it came to the security of the Han Group, he was usually the one who stepped in.

He was tall and strong, but he had a cheerful personality. He knew many people and got along pretty well with them.

Seeing someone asking him, he looked at Zhao Kang disdainfully and said seriously, "President Liang had asked this person to guard the company's money, and at night, she asked Special Assistant Yao to help him guard it together. However, this person took the opportunity to drug Special Assistant Yao until he passed out, and stole the company's money! We need to interrogate him now, and if everything is true, we'll hand him over to the police and investigate the matter according to the law!"

“I didn’t! Don’t wrongly accuse me!” Zhao Kang felt wronged, he retorted with a red face. “I didn’t do it, don’t talk nonsense!”

“You didn’t do it? If you didn’t do it, why did you drug Special Assistant Yao until he passed out?” Yong Tuo roared at him. At that moment, the elevator happened to arrive. Yong Tuo asked the security guards to escort Zhao Kang inside.

When the bystanders saw them go up, they didn’t think it was a good idea to go up and join the fun. However, since they already knew most of the inside information, this news began to spread throughout the company.

When they got off the elevator, Zhao Kang was escorted directly to the conference room. At this time, Yao Xiu was still asleep in his chair. Zhao Kang shouted at him, “Special Assistant Yao! Special Assistant Yao, wake up! Please help me explain the truth to them!”

Chapter 1226 Didn’t I Make It Clear To You?

“Stop shouting!” Yong Tuo pressed Zhao Kang’s shoulder down and pushed him hard into the seat. “Don’t you have a little conscience for what you have done to Special Assistant Yao? He may never wake up again!”

Zhao Kang was very depressed. But he knew that as long as Liang Zixuan was not here and Yao Xiu was still unconscious, these security guards could not convict him even if they wanted to.

He straightened his back and puffed out his chest. “Alright. I’ll wait here and wait for Special Assistant Yao to wake up. But first, let me tell you. I am President Liang’s person. If you keep accusing me like this, believe me when I say that I will make you all suffer later!”

“Aiyo, I’m so scared!” Yong Tuo sat down on the chair opposite Zhao Kang. “Zhao Kang, don’t worry. President Liang has made a phone call to a special doctor and he will be here soon with the antidote. When the time comes, we will all know immediately whether you are a donkey or a horse!”

Zhao Kang was not afraid at all of Yong Tuo’s provocation. At first, he was very anxious that Liang Zixuan would punish him for losing the money. But now, when these security guards were arbitrarily accusing him, he was determined that when Liang Zixuan arrived later and investigated this matter, he would cry until heaven and earth darkened and forced her to seek justice for him!

He had long heard that Liang Zixuan was a kind person, so how could she not feel sorry for him after he had suffered so much?

Not to mention that he would not be charged for the loss of the money, but he might also be compensated for his mental damage later on!

Thinking of this, Zhao Kang became even prouder. He not only stopped messing around, but he also quieted down and waited for Liang Zixuan to come.

Twenty minutes later, Liang Zixuan and Han Yuanjun entered the conference room together. The doctor they had contacted also came together.

.....

The doctor was Han Yuanjun's best friend and also the Han Family's personal doctor, Zhang Feng.

Zhang Feng walked over to the conference table and picked up the cup, and looked at it. He sniffed the cup, then dipped his finger into the remaining water and tasted it before going to Yao Xiu.

Zhao Kang felt very confident in himself. He sat there and looked at Liang Zixuan with an aggrieved look. "President Liang, you must find justice for me! They have wrongly accused me of stealing the money. You must find out what really happened and punish them for my innocence!"

Liang Zixuan calmly looked at Yao Xiu before looking at Zhao Kang. "Don't worry, I will not wrongly accuse you for something you never did."

"En! I know President Liang is the best. No demon and no devil will be able to escape your eyes!"

Zhao Kang was quite confident. He felt that Liang Zixuan would judge this matter fairly and give him justice.

After examining Yao Xiu, Zhang Feng took out a small bottle from his pocket and opened the lid with his fingers. Immediately, a stream of gas rose from the bottle.

Zhang Feng had no time to dodge it and accidentally smelled it. He coughed twice before placing the small bottle under Yao Xiu's nose with one hand and covering his mouth and nose with the other.

They didn't know what was inside the small bottle, only that it was very mysterious.

Yao Xiu, who couldn't wake up no matter how many people tried to wake him up, reacted immediately when that bottle was placed under his nose. First, his fingers moved, then his eyelids moved as well. He suddenly coughed violently. He bent down and covered his mouth with his hand. It was a strong cough.

"It's done!" Zhang Feng quickly capped the bottle and then carefully put it in his pocket. "Hurry up and get him a glass of warm water."

Immediately, a security guard ran out. A short time later, he returned with a glass of warm water and handed it to Yao Xiu.

Yao Xiu's coughing only stopped after he drank the glass of water. When he raised his head, his eyes were red.

Zhang Feng patted his shoulder. "Relax your mind and get some rest. You'll be fine soon."

Yao Xiu nodded stiffly and closed his eyes to rest.

"Sister-in-law, I have checked the cup of water. There is indeed a drug in this water that will make you fall into a deep sleep. It's colorless and can be mixed with water, but when you drink it, it smells slightly astringent. It tastes like water that has been leaving for a long time. Normal people won't be able to detect it because it's so light in taste. Alright, I've already woken him up for you. If there is nothing else that requires my presence, I'll be leaving first."

Liang Zixuan didn't stop him. "Thank you, Brother Zhang."

“No need to thank me.” Zhang Feng didn’t forget to take the cup before he left. “I’ll take this cup with me to run the test of the composition of the water. Then I’ll give you the report. It might be useful in court.”

Liang Zixuan was very surprised. Why didn’t Zhang Feng say anything else today? Why didn’t he tease Han Yuanjun and just leave instead?

And he also seemed thoughtful!

Zhang Feng walked to the door and suddenly stopped. He looked at Han Yuanjun. “Third Brother, you need to think carefully about what kind of meal you’re going to buy me this time. You woke me up early in the morning. My Qingqing might still be in bed right now!”

Han Yuanjun looked at him coldly. “Are you leaving or not?”

“Leave, leave!” Zhang Feng chuckled, lifted his feet, and walked out.

Liang Zixuan breathed a sigh of relief. She already knew that Zhang Feng wouldn’t let Han Yuanjun get away so easily.

After Zhang Feng left, Liang Zixuan walked over to Yao Xiu and asked softly, “Do you feel better now?”

“Yes.” Yao Xiu opened his eyes and looked at everyone in the room. Finally, his eyes fell on the place of the pile of money. When he saw that the place was empty, he immediately jumped up from his seat. “Where is the money? Where did the money go?”

Liang Zixuan suppressed her agitation and her expression turned serious. “The money is gone!”

“What?” Yao Xiu was shocked. His frightened eyes were more realistic than many actors. He was so shocked that his mouth dropped open. After a while, he finally asked in a shaky voice. “W-what happened?”

Liang Zixuan saw that Yao Xiu’s legs were still shaking and shook her head. “The effect of the drug is indeed very strong. You have been conscious for a while, but your legs are still weak. Sit down first.”

Yao Xiu sat back in his chair, but he still could not calm down. “President Liang, what happened? I fell asleep last night after drinking tea and only woke up now.”

Liang Zixuan said methodically, “The money is gone. I received a call from Yong Tuo early this morning and he told me that the money kept in this conference room is no longer there. You were sleeping on the chair and Zhao Kang was missing. I told Yong Tuo to wake you up and go find Zhao Kang. But he couldn’t wake you up no matter what. Yong Tuo said it’s possible you were drugged.”

“So that’s what happened!” Yao Xiu nodded as if he understood and turned to Zhao Kang. “Why did you steal the money? Didn’t I already tell you that if you do your job well, President Liang and President Han will not treat you unfairly? In the future, you will be able to rise to the top of the Han Group! So why are you still doing this? Didn’t I make it clear to you!”

Chapter 1227 On What Basis Did He Have To Be Persecuted For Others?

Zhao Kang was taken aback by Yao Xiu's sudden question. He quickly denied it. "Special Assistant Yao, how can you say that? When did I steal the money? Did you see it with your own eyes?"

"Haha..." Yao Xiu was so angry that he laughed. "It's just the two of us in this conference room. I was asleep and only woke up now. If you didn't steal the money, who did? Don't tell me I stole it?"

Zhao Kang panicked. He wanted to get up and face Yao Xiu, but the security guard behind him pressed his shoulder hard as soon as he moved his body.

He couldn't stand and felt that he didn't have enough confidence when he sat down. All he could do was yell out loud. "I didn't! I told you I didn't take the money!"

"Who else would it be if not you?" Yao Xiu's voice wasn't loud, but every word he said was sonorous, suppressing Zhao Kang's imposing manner.

"I wonder why you were so diligent last night. After dinner, you cleaned the table and even served me tea. Apparently...You did all that just because you wanted to drug me! Zhao Kang, you're amazing!"

"I didn't!" Zhao Kang felt that he couldn't explain it clearly with his mouth, "What drug? I didn't know anything about it. Special Assistant Yao, don't wrongly accuse a good person!"

"Good person, my ass!" Yao Xiu was in a bad mood and couldn't help but curse, "If you're a good person, then tell me, what were you doing when the security guards came to pick you up?"

"I..." Zhao Kang choked on his words before they reached his mouth. He hesitated whether he should tell them about the meeting with Jia Qiulian this morning.

.....

Just as he hesitated, Yao Xiu continued to press him. "You can't answer me, right? You took the money, right? Zhao Kang, don't argue with me anymore. All the evidence is directed at you, it's useless for you to argue. Be honest, maybe President Liang will have mercy on you!"

Zhao Kang really didn't want to get involved in Jia Qiulian's case, but Yao Xiu had forced him too much. He really had no other way to prove his innocence, so he could only brace himself and explain, "Nonsense! I went to see Jia Qiulian this morning!"

"Jia Qiulian?"

Everyone in the room was shocked, especially Yao Xiu. He was so shocked that his face became tense.

He knew that Liang Zixuan had set up this trap for Zhao Kang, but he didn't think that Jia Qiulian was also involved in this!

Liang Zixuan took a deep breath. Her face was very cold. "Zhao Kang, don't talk nonsense. Who is Jia Qiulian? Is she someone you can see whenever you want?"

"I really went to see Jia Qiulian!" Zhao Kang tried his best to explain. If he didn't defend himself now, he wouldn't get another chance in the future!

"Qin Yu was also with her. Really, I was also beaten by Qin Yu. If you don't believe me, take a look!"

Zhao Kang lifted his pants to show Liang Zixuan the injury on his leg. She saw it.

Zhao Kang felt that this wasn't enough and wanted to take off his clothes to show the wound on his chest to her. However, he was stopped by Yong Tuo.

"If you want to talk, just talk. Why are you stripping? Are you trying to be a hooligan in front of the president's wife?"

"No, I was also injured here. It was Qin Yu who beat me. It's true!"

"Enough!" Han Yuanjun suddenly spoke and his cold voice instantly caused the temperature in the entire conference room to drop to freezing point.

"Zhao Kang, we're talking about you stealing the company's money, but you still dare to involve my Han Family's people?"

At that time, it didn't matter whether it was Jia Qiulian or Qin Yu who met Zhao Kang. If this matter became known, Jia Qiulian and Qin Yu would definitely not be able to explain it.

Moreover, they were both public figures, so their image was very important. Han Yuanjun cannot allow Zhao Kang to slander them like this!

Zhao Kang was born to bully the weak and fear the strong. After being scolded by Han Yuanjun, his voice suddenly quieted, but it was mixed with a grievance. "What I said is all true. If you don't believe me, just ask Jia Qiulian and Qin Yu."

Liang Zixuan frowned. "Just because you told me to, I have to call Jia Qiulian and Qin Yu? Zhao Kang, who do you really think you are?"

"No," Han Yuanjun suddenly interrupted Liang Zixuan and said thoughtfully, "Since he said that, we must call Jia Qiulian and Qin Yu here. They must face each other for the sake of their innocence and reputation!"

Liang Zixuan shook her head. "No, hubby. Jia Qiulian and Qin Yu are both the most popular female celebrities in our company at the moment. If this matter is known to the others, even if they didn't meet Zhao Kang, they will definitely be tongue-tied when it comes the time to explain it."

Seeing that Liang Zixuan was so unwilling, Zhao Kang suspected that Liang Zixuan wanted to protect Jia Qiulian and Qin Yu, so he immediately became arrogant.

On what basis did he have to be persecuted for others? Jia Qiulian and Qin Yu could clearly testify for him, but they just wanted to stand on the sidelines and watch without doing anything?

That won't do!

If he were really going to be tortured to death, then he would drag them along!

Not to mention that he didn't steal the money, even if he did, he believed that Liang Zixuan and Han Yuanjun would save him for the sake of Jia Qiulian and Qin Yu's reputation!

"No! You must call Jia Qiulian and Qin Yu! Otherwise, who will prove my innocence!"

Seeing Zhao Kang acting so arrogantly, Liang Zixuan was so amused in her heart. Nevertheless, she pursed her lips with great difficulty.

“Zhao Kang, you must think about it carefully. If you don’t involve Jia Qiulian and Qin Yu, this matter will only be a company matter. Even if we end up knowing that you stole the money, I can still let you go.”

But Zhao Kang did not believe her. He believed that only Jia Qiulian and Qin Yu could clear his innocence!

He raised his chin and said in a firm voice. “Yes! I want Jia Qiulian and Qin Yu to testify for me! I did not steal the money, I went to see them! In a short period of time, it would be impossible for me to see them and steal that much money!”

Chapter 1228 Didn’t You Say She Took Your Phone?

“Since you are so stubborn and confident, if I don’t call Jia Qiulian and Qin Yu to testify for you, I will definitely disappoint you.” Liang Zixuan laughed coldly. She took out her phone in front of Zhao Kang and called Jia Qiulian and Qin Yu separately.

Zhao Kang was very confident. He believed that even if Jia Qiulian and Qin Yu would not let him go, he still had evidence!

As soon as they denied him and said they had never seen him, he would tell them about Jia Qiulian and then fight them to the death!

Half an hour later, Qin Yu and Liang Jiahao arrived first.

Upon entering, Qin Yu asked with a puzzled expression. “Auntie, what exactly happened? With so many people here, why do I suddenly feel that you all look like investigators?”

Before Liang Zixuan could say anything, Zhao Kang hurried to say, “Qin Yu, tell them quickly! Tell them that we met near the company at six this morning!”

Qin Yu immediately opened her eyes wide and shouted angrily. “Who are you? What are you saying? My husband and I are still asleep in bed at six in the morning. Why would I want to see you? Don’t you dare accuse me falsely here!”

Zhao Kang knew Qin Yu would not admit it, so he sneered. “Qin Yu, don’t deny it. You are the one who hurt me!”

“Deny what?” Liang Jiahao stared coldly at Zhao Kang and pulled Qin Yu into his arms. That protective action of his was really doting. “I can testify for Qin Yu. We slept until 7:30, then my sister called us and we rushed here!”

.....

“Exactly!” Qin Yu pouted, feeling wronged. “I’m always with my husband. I’ll never get up early in the morning to see this lunatic!”

Zhao Kang gritted his teeth angrily, he couldn’t deal with Qin Yu with Liang Jiahao around.

No matter what Qin Yu said, there was nothing he could do.

It didn't matter, it didn't matter.

It didn't matter if Qin Yu didn't admit it, there was still Jia Qiulian.

Zhao Kang wouldn't believe that Jia Qiulian wouldn't help him testify when he threatened her!

As he was thinking about this, Jia Qiulian and Han Cihui came in. Jia Qiulian first looked at Liang Zixuan, then at Qin Yu, and finally at Zhao Kang.

When she saw Zhao Kang, she was stunned for a moment and couldn't help herself from leaning into Han Cihui's arms.

Han Cihui didn't recognize Zhao Kang at first glance, but because of Jia Qiulian's fearful actions, he immediately recognized Zhao Kang at a second glance. This man was Jia Qiulian's rotten ex-boyfriend!

"What's going on here?" Han Cihui asked coldly.

Zhao Kang was pleased with how scared Jia Qiulian was of him. He smirked and threatened her. "Jia Qiulian, tell them whether or not we met at 6 o'clock this morning. At that time, Qin Yu even beat me and you took away my cell phone. But it doesn't matter. The thing you wanted, I still have them somewhere else. You just need to tell everyone here the truth and I will give them to you."

Jia Qiulian looked at Zhao Kang with fearful eyes. She leaned into Han Cihui's arms again and whispered, "What are you talking about? I've never seen you before!"

"Jia Qiulian!" Zhao Kang was anxious. He gritted his teeth as he stared at her. "Jia Qiulian, you better think carefully before you speak. Don't think that just because you took my phone, I can't hurt you!"

\*Pa!\*

A strong and clear slap landed on Zhao Kang's face.

Liang Zixuan shook her sore hand and angrily grabbed Zhao Kang's hair. "Zhao Kang, now that you have confronted Qin Yu and Jia Qiulian, what do you mean by threatening them? They have already said they have never seen you, do you want them to lie and give you fake evidence?"

Zhao Kang's eyes turned red from the pain. He clenched his teeth and gasped. "They're all lying! They both obviously just met me this morning, but they said no!"

He looked at Jia Qiulian out of the corner of his eye and gritted his teeth in anger. "Jia Qiulian, you slut, are you really not afraid anymore? Do you believe that I will expose your shameful behavior in front of everyone now?"

Jia Qiulian's eyes slowly turned red. She was so scared that her body was trembling. "I really don't know what you're talking about..."

"Alright!" Zhao Kang shouted angrily. "Since you are shameless, I will not leave you any face!"

He was about to say something when Liang Zixuan slapped him again. "What are you talking about? We are talking about you stealing money, why are you babbling such nonsense!"

Liang Zixuan let go of him and took a step back. She ordered Yong Tuo. "Search his body and see what he has on him!"

Yong Tuo quickly went to search Zhao Kang's body and took out his phone and bank card.

Liang Zixuan took the phone and smiled coldly. "Zhao Kang, didn't you say that Jia Qiulian took your phone earlier? If so, then what is this?"

Zhao Kang cried out in frustration. "I have two phones! One for work, one for personal use!"

Originally, he did not have two phones. Since the phone Jia Qiulian had taken contained a large number of such indecent photos and videos, in order to prevent himself from being discovered by his colleagues, he had prepared two phones in advance.

He never thought that the plan would turn into evidence to prove that he was lying!

Not to mention Liang Zixuan, even everyone present wouldn't believe him.

Yong Tuo raised his hand and hit the back of Zhao Kang's head. "Who are you trying to fool? How busy are you that you need two cell phones? Nowadays, most cell phones come with two sim cards, and you still want to have two cell phones? Hehe ... Do you really think we're three-year-old kids?"

"No!" Zhao Kang hissed in pain, but he still tried to defend himself, "I really do have two phones. Really, if you don't believe me, you can search Jia Qiulian's bag to find my other phone!"

"Is Jia Qiulian's bag something you can search for whenever you want?" Han Cihui's face instantly darkened. He looked at Zhao Kang with a cold gaze and clenched his fist at his side.

He knew that Jia Qiulian had indeed gone out this morning and that what Zhao Kang had said might be true, but right now, he had to protect her no matter what!

No matter what purpose Jia Qiulian went to find Zhao Kang for, he would choose to protect her. Even if he didn't know anything, even if he was kept in the dark, he would still choose to protect her!

Jia Qiulian lowered her gaze and saw Han Cihui clenching his fist tightly. Her heart hurt...

Between telling and not telling, she struggled with it for a long time.

Perhaps... If she told Han Cihui the truth, he wouldn't be angry with her.

Liang Zixuan's voice sounded in Jia Qiulian's ears. "Jia Qiulian isn't a criminal and she doesn't do anything wrong. Why should I let you search her bag?"

Chapter 1229 Do Not Accuse Me Wrongly!

"My cell phone is with her!" Zhao Kang stared at everyone in anger, he was so angry that all the hairs on his body stood up, like a mad chicken. "If you don't search, how can I prove my innocence? Instead of helping me, you guys beat me up and wrongly accused me! Do you believe that I will take this case to court later?"

"Bastard, when did we beat you!" Yong Tuo grabbed Zhao Kang's hair and raised his head. Then he looked at him condescendingly. "If you think we're too soft on you, I can change that!"

“Stop!” Jia Qiulian sighed as if she had been wronged. She held out her bag and said, “Since he already said that, he definitely won’t accept it if you don’t search for it.”

Seeing Jia Qiulian’s reaction, Yong Tuo turned to Liang Zixuan. She nodded at him and he immediately went to get Jia Qiulian’s bag.

He unzipped the bag and dumped everything on the table. There was indeed a phone in it, but it didn’t belong to Zhao Kang.

Jia Qiulian looked at the phone and said, “This phone is mine. It contains my personal photos and folders. If you don’t believe me, I can unlock it with my fingerprint.”

“No need.” Han Yuanjun walked over. He put everything back into her bag and handed it back to her. “The people of the Han Family here can prove that this phone is yours. There’s no need to reveal your privacy in front of others just for the sake of a scoundrel.”

Zhao Kang scolded angrily. “If it’s not in her bag, what about her body? And in her car, in her house. You can search for it there. You have to search for it for me, otherwise, I won’t accept it!”

“Is there something wrong with you?” Qin Yu could not take it anymore, she walked over and punched Zhao Kang in the face, “Am I giving you too much face? You still want to search her house after searching her bag? Who do you think you are?”

.....

Zhao Kang was about to say something when Yong Tuo suddenly said, “President Liang, besides this phone, there is also a bank card here.”

Zhao Kang’s face immediately turned pale when he heard these two words.

Bank card.

The money inside was meant to save his father’s life. He could not let Liang Zixuan and the others use the money to slander him as a thief!

“That’s my bank card! None of you can touch it!”

“I didn’t say it wasn’t yours.” Liang Zixuan took the bank card from Yong Tuo and flipped it over. She smiled and looked at Liang Jiahao mockingly. “Big brother, this is the bank card of China Securities Bank. If I want to check how much cash is on this card, would you open the back door for me?”

Liang Jiahao glanced at the card in Liang Zixuan’s hand and said seriously. “If it’s a normal day, I can’t open the back door for you. But there is a reason for this. To investigate the truth about your company’s money losses isn’t a back door, but my responsibility.”

Liang Jiahao took out his phone and took the bank card from Liang Zixuan’s hand, and sent the card’s serial number to his secretary. Then he sent a text message, “Help me check the balance on this card. Immediately.”

Not long after, his secretary replied. “President Liang, the balance is exactly eight million!”

The figure of eight million caused Liang Jiahao to raise his eyebrow in surprise. He raised his eyelids and glanced at Zhao Kang, saying mockingly, "The Han Group's welfare isn't bad. A mere assistant can earn eight million!"

"Eight million!"

Everyone's eyes widened in shock.

Forget about a small assistant, not even a branch manager would be able to earn eight million!

This amount of money was not a small amount. Other than famous celebrities and the managers of the main company, who else would be able to earn that much?

Yong Tuo kicked Zhao Kang's stomach angrily. Zhao Kang toppled over along with the chair he was sitting on and fell heavily on the ground.

Yong Tuo did not give him a chance to catch his breath, he continued to stomp on his chest. "What else do you want to say, huh!"

"The eight million was given to me by Jia Qiulian! Qin Yu saw it with her own eyes!" Zhao Kang was struggling on the brink of death. He still could not believe that his mouth was unable to right the wrong things.

Jia Qiulian's eyes turned red when she heard Zhao Kang's words. She bit her lips and said in a tearful voice, "Do not accuse me wrongly. How can I get that much money to give you?"

"Exactly!" Qin Yu sang the same tune as Jia Qiulian, "Zhao Kang, stop talking nonsense and accusing people. How long has Qiulian been working? How could she have that much money?"

"What is impossible? She is married to Han Cihui and her Han Family is very rich. What's eight million to her!"

Zhao Kang didn't hesitate at all and immediately said, "Do you know why she gave me so much money? It's all because of -"

Yong Tuo raised his leg and viciously stomped on Zhao Kang's chest. Zhao Kang's words became a cry of pain. No matter what he wanted to say, he couldn't get a word out.

"President Liang, don't waste our time with him anymore. This card has eight million, and the remaining two million may be hidden by him. Let's go to his house now and see if the remaining two million is there. If there is, then it will be ten million in total!"

"Very well." Liang Zixuan didn't hesitate at all. "Let's go together. We must catch the thief. If the money is really with him, then we will directly convict him. At that time, we'll just hand him over to the police!"

Yong Tuo pulled Zhao Kang up from the ground like a dead dog.

Zhao Kang's mouth was filled with a metallic taste, but he couldn't spit out the blood.

He knew that this group of people would follow him to his house, but he wasn't afraid at all.

He didn't take the money, so how would his house have the money?

## Chapter 1230: Think About It First Whether I Can Accept It Or Not!

Everyone got into their cars and followed Yong Tuo's car to Zhao Kang's house.

In Han Yuanjun's car, Liang Zixuan watched the scene outside the window.

There were many people on the street right now. Some rushed to work, while others rushed to send their children to school.

Everyone had their own thing to do.

As for her... Because of Zhao Kang, she had done something bad for the first time in her life.

Han Yuanjun knew that whenever Liang Zixuan was quiet, she was lost in thought.

"Baby." He called out to her in a low voice.

Liang Zixuan didn't look at him. Her eyes were still looking out the window. She casually replied, "Hmm?"

"It's not your fault, Zhao Kang is the one to blame first. I know you wanted to protect Jia Qiulian and Cihui, so you resorted to this kind of method to deal with him. You don't have to blame yourself."

Liang Zixuan blinked and then slowly turned to face him. Her bright eyes stared at Han Yuanjun unwaveringly. "Do you really think I didn't do anything wrong?"

"How could you have done anything wrong?" Han Yuanjun chuckled. He lightly pinched Liang Zixuan's cheek. "You've minimized the damage that will happen using this way. If it had been me, I wouldn't have done any better than you. It was Zhao Kang who was heartless in the first place. You only returned the favor to him, so don't you dare put that psychological burden on yourself. For a scoundrel like him, it should be an honor for him that you go to such lengths to trap him!"

"Puff..." Liang Zixuan was amused by Han Yuanjun, she covered her mouth and laughed. "The way you comfort me is really novel!"

Han Yuanjun raised his eyebrow and glanced at Liang Zixuan, "But, aren't you laughing now?"

Liang Zixuan pursed her lips and leaned back in her seat.

Just as Han Yuanjun had said, Zhao Kang should be punished for his crime. Placing a camera in the bathroom was already a dirty thing, and he actually went as far as recording videos and taking photos of his girlfriend showering and threatening her with them. Such a person should be jailed for several years!

The mood in Han Yuanjun's car slowly relaxed, but the mood in Han Cihui's car wasn't as calm and cheerful as Han Yuanjun's.

Jia Qiulian bit her lower lip and glanced at Han Cihui. He didn't say anything the whole way.

She knew that although he had defended her in front of Zhao Kang in the conference room, in reality, he didn't really believe in what she said.

She knew how it felt to be lied to. It really wasn't good.

When she was cheated by Zhao Kang, she was so sad that she wanted to commit suicide. Although this matter was different, but the feeling of being lied to and being left in the dark was the same.

Originally, she had thought she could hide this matter from Han Cihui for the rest of her life. But now, she felt that if she kept it a secret from him, then it would be too unfair to him.

No one wanted to live their life with a tight knot in their heart, especially when they knew they had been lied to.

"Cihui..." Jia Qiulian finally spoke, but her voice was so soft that only he could hear her. "This morning... I did go to see him."

"I know." Han Cihui's expression didn't change, as if this didn't affect his mood at all.

Jia Qiulian was even more disappointed when she saw this. "I was the one who gave him the eight million."

"I know that too."

Jia Qiulian intertwined her ten fingers that were on her lap. "Actually, what Zhao Kang said earlier is true. I did take his phone because ... because -"

"Jia Qiulian!" Han Cihui suddenly interrupted her words. He looked straight at the road in front of him and said in a slightly annoyed tone. "If you want to hide it from me, then keep hiding it! If you don't want to tell me, I won't blame you! If you want to tell me, then think first about whether I can accept it or not. If I can't, then don't tell me!"

Jia Qiulian's words got stuck in her throat. She couldn't get the words out no matter what.

This matter...

No one would be able to accept it, right?

She was very clear about Han Cihui's love for her, but if she were in his place and if he suddenly met such a situation, she... she definitely wouldn't be able to accept it either.

But... but Jia Qiulian felt that if she didn't say anything, Han Cihui would definitely think of something worse.

No matter how good their relationship was, he still couldn't help but be suspicious and doubtful of her.

No matter how deep a person's feeling was for someone, once the seeds of doubt sprouted in his heart, the relationship would end up being completely worn out.

Jia Qiulian took a deep breath as if she had made a big decision. She closed her eyes, trying her best not to let the tears fall before slowly opening her mouth.

"When I was with Zhao Kang, I often went to his place. Although... although we never had an intimate relationship, but I... I did live with him. He tried to do such things with me many times, but I rejected him every time. He didn't dare to force me, and I always assumed that he respected my wishes..."

"Until... until on the day of the movie's premiere, he suddenly sent me a text message with photos in it. They were the photos he had taken when I was at his place..."

Han Cihui's grip on the car steering wheel suddenly tightened. His eyes bulged with anger.

Jia Qiulian could feel his mood fluctuating, but she stubbornly continued.

"There were not only photos but also videos of me taking a shower. He actually took them all. He used them to threaten me and demand money from me. I was so scared at that time. I was so scared that you would find out, and even more scared that they would be put on the Internet, so ... at that time, all I could do was ..."

"Sister-in-law was able to guess it, so I had to tell her. She told me that giving money to Zhao Kang wouldn't solve the problem, so she and Qin Yu helped me set this trap for him."

"Originally, I didn't want to tell you about this, but I thought about it for a long time. These days, I've been tormented at every moment. I'm afraid that you know, but I don't want to hide it from you."

"I know, after you know about this, my image in your heart will never be the same again. Whatever you think of me, I'll try to accept it."
