

## Beauty 221

### [Chapter 221 - Trouble During The Filming III](#)

With a "pa" sound, the lollipop was forcibly thrown to the ground. Even wrapped in candy paper, one could tell from the sound that the candy in it was crushed.

It was just like Liang Zixuan's mood now. She wanted to destroy their past in front of Hou Yingyi!

She wanted to tell Hou Yingyi that the past was the past and she would never be able to return.

Hou Yingyi watched as the lollipop slid to the side. His heart was broken too. He squatted down and picked up the lollipop. While holding it in his hand, his eyes gradually turned red.

He suddenly raised his head and looked at Liang Zixuan with his red eyes. He choked with emotion as he said, "Liang Zixuan, I don't care even if you break it! The fact that you love me is the fact that you can't get rid of!"

Liang Zixuan was indeed loved Hou Yingyi. She really loved him.

Even though she loved Han Yuanjun now, she can't deny that she once loved Hou Yingyi.

However, that was already a matter of her previous life. In her previous life, she didn't meet Han Yuanjun, so she didn't know what love was. She thought that trust and reliance towards Hou Yingyi was love.

Now after meeting Han Yuanjun, she understood that what she had with Hou Yingyi was not love but just stupidity. Han Yuanjun was so good to her, always putting her well-being first and she fell in love with him hard.

Thinking of how Hou Yingyi and Wei Xiaoqing worked together to burn her to death, Liang Zixuan slowly squatted down and stared into his eyes. Her lips curved into a cruel smile. "Hou Yingyi, I do love you, I won't deny it. But no matter how much I love you, I never thought of being with you. Do you think I don't know about the matter between you and Wei Xiaoqing? You take care of me attentively during the day and play with Wei Xiaoqing at night. Are you proud of yourself?"

"Heh ..." Liang Zixuan then laughed softly. "If you don't let me out and when Zeng Zhelan won't be able to see me, not only will she call the police, she'll even call Han Yuanjun. What do you think will happen? Can you withstand his anger?"

Hou Yingyi's pupils constricted. How could he not be afraid of Han Yuanjun?

It was precisely because of fear that he sneakily brought Liang Zixuan into this room. Hou Yingyi gritted his teeth and once again placed the lollipop into Liang Zixuan's hands. "Take this and I'll let you go. Don't make things difficult for yourself or me. Otherwise, if Han Yuanjun knew that you entered my room, he would probably misunderstand you at the same time he tried to deal with me."

Liang Zixuan lowered her head to look at the lollipop in her hand. She felt that it was better to have less trouble. She stood up and said, "I'll take this. Can you let me go now?"

Hou Yingyi stood up, opened the door, and smiled at her as she walked out. "Looks like your relationship with Han Yuanjun isn't good either. You two don't even have the slightest bit of trust."

If Liang Zixuan wasn't afraid of Han Yuanjun being misunderstood, how could she take his lollipop?

As long as there was a misunderstanding between Liang Zixuan and Han Yuanjun, he, Hou Yingyi still had a chance.

Liang Zixuan ignored him and pressed the doorbell.

When Zeng Zhelan opened the door and saw Liang Zixuan, she stuck her head out and looked out again. When she saw Hou Yingyi, who was leaning against the next door, Zeng Zhelan felt her scalp go numb. She quickly pulled Liang Zixuan inside the room.

"Zixuan, he didn't do anything to you, did he?" Zeng Zhelan was so anxious that she raised Liang Zixuan's hand to examine her.

Liang Zixuan smiled and shook her head. "I'm fine. He's afraid of Han Yuanjun and doesn't dare do anything to me. Don't worry."

Zeng Zhelan was relieved. "I thought you went out with Han Cihui, so I didn't think too much. I didn't expect it would be Hou Yingyi! Don't open the door next time, I'll open it."

After entering, Liang Zixuan casually threw the lollipop into the trash can. Zeng Zhelan saw it but didn't ask anything.

????

Besides Qin Yu, all the other actors were already in position. Dai Huian quickly held a mega speaker and announced, 'Perfection Of Eternity' filming has officially begun."

Without a script, actors can do everything themselves.

Before Liang Zixuan arrived, she had searched for a lot of popular words on the internet. When she was shooting a scene with Goo Shengli, she subconsciously led him with her, making the scene better.

Aside from Dai Huian's bold and unruly way of thinking, although there was no script for this drama, it was very easy to shoot.

During lunch, Liang Zixuan looked at the three dishes on the table and asked Dai Huian with a sad expression, "Xiao lan, are we really that poor? This is supposed to be a Royal Banquet, right? Isn't it a little too shabby asking us to eat stir-fry potatoes?"

When Dai Huian saw that Liang Zixuan wanted to twist a potato bean, she quickly ran over and slapped her hand away. "We can't eat it now. When we finish filming these scenes, it'll be time for lunch. This is a dish I added specifically for you guys. No one else has it!"

Liang Zixuan: "...."

Oh my god!

Were they really this poor?

Other production teams had boxes of food to eat for lunch. Dai Huian, who worked in the production crew, brought her mother over to save money and cook for the crew.

It's not enough with stir-fry potatoes! As soon as they finished their work, they would run into the restaurant outside like hungry ghosts.

Liang Zixuan wrapped her arms around Dai Huian's neck and squeezed out a few words. "Is this only my lunch?"

Dai Huian smiled awkwardly. "Uh ... It's you, Han Cihui and Goo Shengli."

Liang Zixuan rolled her eyes and nearly fainted. She took out her cell phone, took a picture of the dishes on the table, and then posted something on Weibo.

"Who would have thought that these are not only a prop for the scene, but it's also our lunch! Oh my lord, please give me two chicken legs, I'm so hungry ..."

Just as Liang Zixuan put down her phone, someone carrying a plastic bag came in and handed it to her. "Liang Zixuan, someone asked me to send this to you."

Liang Zixuan opened it and her saliva immediately dripped from her mouth. Inside was a plastic box containing delicious lamb stew.

She looked at the man. "Who sent it?"

The man turned and looked outside. Then, he pointed his finger and said, "There he is. He's not from our production team."

Liang Zixuan's gaze followed the direction of the man's finger. Her smile froze as she walked with the plastic bag. "Hou Yingyi, I don't need your attentiveness!"

She threw the bag to the ground.

Hou Yingyi's heart ached as he looked at the splattered food on the ground. "Zixuan, your filming crew doesn't have good food, so don't try to be brave. How will you act if you don't eat enough?"

Liang Zixuan left the place. "You don't need to care!"

"Zixuan!" Just when Hou Yingyi wanted to chase her, Dai Huian walked over and stood in front of him with a sign in her hand.

Hou Yingyi looked down. It was actually written: 'Hou Yingyi, Wei Xiaoqing, and dogs are not allowed inside!'

Dai Huian didn't give Hou Yingyi a face at all and said, "Hurry up and leave. We don't welcome you here. Go back to your crew!"

After she finished speaking, she spat on the ground. "Pui!"

[SWEET BEAUTY](#)

[Chapter 222 - Trouble During The Filming IV](#)

Wei Xiaoqing's role cannot be considered a good role, and it's a maidservant. The female lead standing next to Wei Xiaoqing thought that Wei Xiaoqing was pretty. She was afraid Wei Xiaoqing would overshadow her, so she asked the makeup artist to make Wei Xiaoqing's ugly.

It wasn't easy for Wei Xiaoqing to get such a role in a movie, and it was even with Hou Yingyi's help, but it was all useless in the end.

Annoyed, Wei Xiaoqing squatted to the side. The crew didn't even provide her a chair at all. Receiving this kind of treatment, she could not let go of her anger at all.

She looked up and saw Hou Yingyi return with a sad face. She couldn't hold back her anger anymore. She stood up, ran towards him, grabbed his collar, and pushed him against the wall.

"You went looking for that bitch?" Wei Xiaoqing asked with a dark face.

Hou Yingyi looked at her impatiently, "Don't call her that! She's your sister."

"She's not my sister! I didn't seduce my sister's boyfriend!" Wei Xiaoqing gritted her teeth in hatred, thinking back to when Liang Zixuan had left the Wei Family.

At that time, Hou Yingyi joined forces with her, calling Liang Zixuan a bitch. But now, look how changed he was.

"What's that? Now that you see Liang Zixuan's reputation getting higher, you feel remorseful so much that you wanted to get back to her again?"

Wei Xiaoqing crossed her arms. Seeing Hou Yingyi's disappointed face, she felt angry in her heart. "Why don't you look at yourself and think about it? Can she take you seriously?"

"Wei Xiaoqing, shut up!" Hou Yingyi raised his hand to cover Wei Xiaoqing's mouth and looked to the side. After making sure that no one was watching them, he turned around and put his hand down. "I'm just blind, that's why I broke up with her for you!"

Hou Yingyi felt sad and angry. He adjusted the collar of his shirt that had just been pulled by Wei Xiaoqing. "I warn you, don't be like this in front of me again. If it weren't for me, would you get this role? Whether I want to go back to her is my business. Say one more bad word about her, I will ask the crew to kick you out!"

"You!" Wei Xiaoqing was so angry that she tried to hit Hou Yingyi. He pushed her away forcibly and turned away in disgust.

Wei Xiaoqing could only watch Hou Yingyi's leaving figure with hatred. She didn't know if Hou Yingyi was really stupid or just faked it. Liang Zixuan was already with Han Yuanjun, so how can she turn around and eat rotten grass!

Seeing Hou Yingyi's unwilling and disappointed appearance, it looked like he wouldn't stop until he got Liang Zixuan.

Wei Xiaoqing had nothing left now. After what happened last time, Wei Guowei also didn't care about her and Jiang Huifang. Even though he still gave them money, he didn't want to pay anything to support her anymore.

Other than Hou Yingyi, she actually had no one else to depend on.

Wei Xiaoqing gritted her teeth, her eyes gradually turning red.

"Wei Xiaoqing, what's wrong? You quarreled with Hou Yingyi again?" Xie Cheng looked at Wei Xiaoqing's reddened eyes and dragged her to his resting room. He pretended to be kind and said, "If Hou Yingyi bullies you, then tell me, and I'll help you scold him!"

As he said this, his fat pig's hand caressed Wei Xiaoqing's waist.

Wei Xiaoqing's scrunched in disgust and remained silent, letting Xie Cheng's hand caressed her body. She then grumbled. "Director Xie, don't scold him. This kind of thing is normal in every relationship. Today he was in a bad mood, but tomorrow, he will apologize to me. I'm used to it."

Xie Cheng's hand was right under Wei Xiaoqing's breast. She was like a pitiful quail, not daring to move.

Seeing that she didn't resist, Xie Cheng became a little more courageous. He grabbed Wei Xiaoqing's hand with his other hand and touched her body.

Wei Xiaoqing was very disgusted, but she did not dare to offend this director. If she offended Xie Cheng, even Hou Yingyi would not be able to protect her.

Xie Cheng was very perverted and famous in the entertainment circle. Wei Xiaoqing heard that he had slept with the second female lead in the movie two nights ago.

Wei Xiaoqing suddenly had a flash of inspiration and thought of a good way to deal with Liang Zixuan.

At this moment, her body was forcefully grabbed by Xie Cheng. Her face turned red and she panicked. "Director Xie.."

"Don't be afraid." Xie Cheng blew next to Wei Xiaoqing's ear. "There's no one here. Please just rub it for me."

Wei Xiaoqing lowered her head, not daring to look at Xie Cheng's complacent and obscene expression. Her small hand gently moved, and Xie Cheng immediately sighed in satisfaction. "Wei Xiaoqing, you are so good. That child, Hou Yingyi, must be blessed. How about this? You follow me and I'll let you play the second female lead for the next movie?"

F\*ck, they're already like this, and she's still had to act as a second female lead?

Wei Xiaoqing never considered Xie Cheng a worthy opponent. He was a fat man with big ears and small eyes. Whenever he saw a beautiful actress, he would lecherously stare at them. Wei Xiaoqing didn't want to follow him.

How nice is Hou Yingyi? He's young, handsome, and had a lot of money. So, why should Wei Xiaoqing leave him and be with this obscene old man?!

"Director Xie, you don't know, but Yingyi is actually pretty good to me. I'm telling the truth. Those rumors, Yingyi and I were together first. At that time, Liang Zixuan also liked him, so she told everyone that she was Hou Yingyi's girlfriend, and since she is my elder sister, I didn't let Yingyi go out and clarify

things, afraid that it would ruin her reputation. But who would have thought that later on, Liang Zixuan actually retorted with a bite, saying that I'd seduced her boyfriend."

"There's such a thing?" Xie Cheng was skeptical. He looked at Wei Xiaoqing, wishing that he could destroy the dress on her body.

Wei Xiaoqing leaned on Xie Cheng, feeling wronged and almost crying. "Really. Then, when Liang Zixuan climbed to a high branch, she was afraid others would say that she was two-faced, so she deliberately caused a commotion, causing everyone to think that I had stolen her boyfriend."

"High branch?" Xie Cheng was interested, "Who is that?"

Wei Xiaoqing pouted. "Zhu Sheng! Otherwise, how did you think that Liang Zixuan, who had never gone to university before, would be able to enter the Han Group? Look at their relationship, don't tell me that you can't see it?"

Xie Cheng thought about it carefully and it turned out to be true!

Seeing Xie Cheng's excited expression, Wei Xiaoqing knew that this time the man's mind was stupid and he would believe anything, so she didn't hesitate any more and lit up the fire, making Xie Cheng felt like he was floating in the air.

"Liang Zixuan slept with Zhu Sheng first, then Zhu Sheng took her to the Han Group. After that, she slept with the director of 'I'm a Singer', then she went to take part in the program.. This time, she was better than before. She slept with the manager of Han Group's Artist Department and came to act in an online drama!"

#### [Chapter 223 - Trouble During The Filming V](#)

Xie Cheng was very pleased with Wei Xiaoqing. He took out some toilet paper and looked at her with an evil smile. "Is Liang Zixuan really like that?"

Wei Xiaoqing bit her lip, wiped her hand with toilet paper while saying in the wronged tone. "Yes, she is my blood sister. Don't say that I don't know what she likes? Director Xie, you don't know this, but after Liang Zixuan came to the filming crew, she found out that Yingyi is an Assistant Director and knocked on his door every night! She might want Yingyi to leave a good role for her in the next movie. At least, that's better than acting in online drama."

The biggest difference between online dramas and TV dramas was that online dramas could only be broadcast online.

Not only could the TV dramas be broadcast online, it could also be broadcast on television stations.

A drama that could be broadcast on television would definitely win a lot of national viewership, regardless of the viewership ratings. It could be said that it was showing its face in front of a large audience.

For example, Li Zhenzhen, the supposed female lead of 'Perfection Of Eternity', would rather play the second female lead of 'Loves Of Fond Memories.' This was the logic.

Xie Cheng grinned and laughed happily. "Then why is Liang Zixuan looking for Hou Yingyi? Just look for me! If she makes me happy, I'll give her the female lead for the next movie!"

Wei Xiaoqing's expression froze when she heard this. She felt as if her whole face was burning with pain.

She slept with Xie Cheng, and he only gave her the second female lead. Liang Zixuan slept with him, but he gave her the first female lead!

Who was he looking down at!

Seeing that Wei Xiaoqing was angry, Xie Cheng immediately reached out to hug her and coaxed, "Don't be angry. If you do this, I'll add some scenes for you and tell the makeup artist not to bully you."

Wei Xiaoqing did not want to sleep with Xie Cheng at all. If it weren't for her not being able to offend him, she wouldn't even be doing this now!

Wei Xiaoqing coquettishly looked at Xie Cheng and said calmly, "What if I help you ask Liang Zixuan and see what she wants? Once I get her, you mustn't forget about me!"

"How could that be?" Xie Cheng kissed Wei Xiaoqing's face. "If you can do it for me, then I won't treat you badly."

"Alright, that's it." Wei Xiaoqing stood up. As she took two steps, the pig's hand slapped her ass. She gritted her teeth in anger. When she turned around, her face suddenly changed. She glared at Xie Cheng bashfully, "Director Xie, you're so bad!"

"Hahahaha ..." Xie Cheng burst into laughter at Wei Xiaoqing's shy and embarrassed expression.

Wei Xiaoqing ran to the bathroom and washed her hands with soap. As she did that, she looked at her expression in the mirror with an evil look in her eyes.

Today, Liang Zixuan must suffer ten times or even a hundred times more grievances than her! She won't believe that Han Yuanjun still wanted her after she was beaten by Xie Cheng.

???

As Liang Zixuan was getting ready to finish her work, Zeng Zhelan suddenly ran towards her with her (Zeng Zhelan) cell phone. She said out loud in front of Liang Zixuan, Goo Shengli, and Dai Huian. "Zixuan, you need to post another message on Weibo. There are a lot of comments from netizens under your previous post."

"Really?" Liang Zixuan took out her phone and opened her Weibo account. There were already thousands of comments.

The netizens burst into laughter.

"Hahaha ... Liang Zixuan, you didn't end up in a fake film crew, did you? There were only these three dishes in the Royal Banquet. Are you joking with us?"

"What kind of drama is this? Why was the Director so poor? I can't wait to see how this drama will be filmed!"

"Oh god, what did I see? Is this a Royal Banquet? Haha, Liang Zixuan, where are you? Send me a location, and I'll send someone to bring you a cart full of chicken legs!"

Goo Shengli, Dai Huian, and the others also quickly took out their phones to check. However, when they saw the comments from the netizens below, they all became excited.

Dai Huian was so excited that her face turned red. "I didn't expect that the netizens would have such a good time commenting on your post."

Goo Shengli also clicked his tongue. "Tsk, tsk, tsk, I didn't expect our film crew to be popular because of poverty, hahaha ..."

On the spot, they decided that starting tomorrow and beyond, they would take turns posting Weibo and then selling it to netizens.

On the way back to the hotel, Dai Huian suddenly became generous. "Come on, let's stop at the restaurant. I'll treat you to a hot pot!"

"Alright!" Goo Shengli touched his stomach and sighed. "I've almost been vomiting while eating green bean curd for the past few days. I'm going to eat meat tonight! I want two plates of chicken, duck, pork, and all kinds of meat!"

Dai Huian held her bag in pain. "One dish only, would you! I am very poor right now!"

"Hahaha ..."

Han Cihui was not interested in eating hotpot. He had just gotten out of the car, greeted Liang Zixuan, and slipped into the Internet Cafe.

Dai Huian brought Liang Zixuan, Goo Shengli, and Zeng Zhelan to a hotpot restaurant. They sat down and ordered a table of dishes. Then, they started to eat and drink.

A moment later, Xie Cheng, Hou Yingyi, Wei Xiaoqing, and another actress walked into the restaurant.

When Xie Cheng saw Liang Zixuan, he was like an eagle seeing its prey. His eyes suddenly lit up as he led his crew over.

"Director Dai, I didn't expect to meet you here. It's really my pleasure to meet you."

Dai Huian looked up and was immediately stunned. It was Xie Cheng!

She knew about Xie Cheng's lewd attitudes, but she and he had no previous misunderstandings, let alone they were on the same crew, so she thought that Xie Cheng wouldn't have a bad idea about herself and the actress from her crew.

Dai Huian put down her chopsticks and stood up, shaking Xie Cheng's hand politely. She quickly withdrew her hand and smiled. "Director Xie is a senior, so there's no need to be polite."

Xie Cheng's gaze was glued to Liang Zixuan for a moment and he was really intrigued by her porcelain and beautiful face. He couldn't keep staring at her, so after talking to Dai Huian for a while, he led Wei Xiaoqing and the others to the table next to them.

Zeng Zhelan whispered in Liang Zixuan's ear. "This is really a narrow path for enemies to meet each other. Why should we meet them everywhere?"

Liang Zixuan hadn't even looked at Xie Cheng and the others since they entered.

She stuffed a piece of meat into her mouth and snorted coldly. "It's indeed a narrow path, but this road is way too narrow. Zhelan, hurry up and eat.

Zeng Zhelan nodded. "Alright, we'll leave immediately after we finish eating."

After Wei Xiaoqing sat down, she looked into Hou Yingyi's eyes which always looked towards Liang Zixuan. She held back her anger and did not lose her temper. After eating for a while, seeing Liang Zixuan and Zeng Zhelan got up to leave, Wei Xiaoqing quickly put down her chopsticks and gave a look to Xie Cheng. Seeing him nodding to her, she immediately stood up and ran after Liang Zixuan.

"Elder Sister, wait a minute ...."

### [Chapter 224 - Trouble During The Filming VI](#)

At the entrance of the restaurant, Wei Xiaoqing stopped Liang Zixuan.

Liang Zixuan raised her head and looked at the sky. Her lips curved sharply. "Zhelan, the sun must rise from the west, right? Wei Xiaoqing actually called me elder sister. Heh."

"That's right!" Zeng Zhelan stood next to Liang Zixuan and acted like a righteous person. She looked at Xu Qi and sneered. "Zixuan, let's ignore her. Talking to her only will lower your morale."

Wei Xiaoqing stretched out her hand to stop them as she anxiously said, "Elder sister, there is a misunderstanding between us. If you are still angry with me, then I will apologize to you. Don't ignore me, we are family anyway, the Wei Family's blood runs through our veins!"

Liang Zixuan stood still, wondering what kind of evil scheme Wei Xiaoqing was up to. She looked her up and down once, then continued to play with her with interest.

"That's right! We are all sisters and our blood runs from the same sources."

Zeng Zhelan looked at Liang Zixuan with a dumbfounded expression.

What did Liang Zixuan mean by that?

Why couldn't she understand?!

Wei Xiaoqing clearly did not expect Liang Zixuan to have such an attitude. She thought that Liang Zixuan would scold her or start an argument with her but in the end ...

She felt a little unsure.

Wei Xiaoqing glanced at Zeng Zhelan and pretended to be wronged in front of Liang Zixuan. "Elder sister, now that you're a musician and you're singing on stage, I have no way out. However, I don't blame you. This is what I deserve. Recently, dad was not very happy, so he was angry with my mother and me and left me alone. For now, I can only follow Yingyi and run some errands for the crew. I am so pitiful."

Liang Zixuan pretended to be surprised. "So pitiful?"

Wei Xiaoqing sniffed and nodded. "Really, elder sister. I'm so pitiful right now. I know I was wrong. I was wrong in the past. Can you forgive me?"

Liang Zixuan pursed her lips. "Alright, I forgive you. If there's nothing else, I will leave now."

"No!" Wei Xiaoqing quickly pulled Liang Zixuan back, trying hard to let out two drops of tears. "Elder sister, can you please hear me out?"

Liang Zixuan suppressed the impatience in her heart and stood still, accompanying Wei Xiaoqing in her acting. "Speak."

Wei Xiaoqing looked left and right. Seeing Zeng Zhelan standing closer to her, she moved closer to Liang Zixuan and whispered, "Yingyi has been too cold for me recently. In the crew, he's been working very hard with other actresses. I..."

Wei Xiaoqing cried as she said so. She grabbed Liang Zixuan's hand and pleaded, "Elder sister, I know Yingyi is still in your heart. How about ... how about you get along with him?"

"If I get along with him, then how about you?" Liang Zixuan asked cynically.

Out of the corner of her eye, Wei Xiaoqing saw Hou Yingyi walking towards them. She exclaimed loudly, "I don't care, I really don't care. Elder sister, as long as you can return to the Wei Family, I will return Yingyi to you!"

Liang Zixuan lost her temper and flung Wei Xiaoqing's hand with all her might, saying in disgust, "Have you gone crazy?! What are you trying to do? Pleading on Hou Yingyi's behalf? You even gave him back to me, heh ... I thank you, but I don't need your leftovers."

Hou Yingyi happened to hear Liang Zixuan's words. He thought Wei Xiaoqing wanted to help him, so he ran to persuade her. Seeing Liang Zixuan almost pushing Wei Xiaoqing to the ground, he walked over and carried her into his arms.

Wei Xiaoqing glanced up at Hou Yingyi with her big watery eyes and cried into his arms. "Yingyi, I see you're so depressed all day long, I just want to help you. I'm sorry, I already did my best."

Hou Yingyi originally wanted to blame Wei Xiaoqing for her superfluous actions. Seeing that she was bullied by Liang Zixuan, he felt a little heartbroken. However, he couldn't bear to blame Liang Zixuan for acting like that.

Liang Zixuan glared at them. "You must have just come out of a mental hospital! A group of lunatics!"

With that, Liang Zixuan pulled Zeng Zhelan with her and left the place.

Hou Yingyi stood there with Wei Xiaoqing in his arms. His eyes were fixed on Liang Zixuan's back, and he had mixed feelings about it. For a moment, he didn't know what to say.

Xie Cheng had been shrinking his neck to look in their direction. When he saw Wei Xiaoqing being pushed by Liang Zixuan and how Hou Yingyi went up and hugged her, he thought that whatever Wei Xiaoqing said to him before was true.

When Liang Zixuan left, she even glared at Hou Yingyi. That unwilling look was indeed for Hou Yingyi. She blamed him for leaving her for Wei Xiaoqing.

Waiting for Wei Xiaoqing and Hou Yingyi to return, Xie Cheng originally wanted to ask her about Liang Zixuan in front of Hou Yingyi, however he felt that was not good. He waited until Hou Yingyi went to the toilet, then whispered to her, "How is it? Did she agree?"

Wei Xiaoqing shook her head, brought her face close to Xie Cheng's ear, and whispered, "No, I told Liang Zixuan to sleep with you for one night, but she hit me. She said, 'What is Xie Cheng? He has a fat head and big ears, I don't like him. Hou Yingyi is handsome, and she prefers to sleep with him.' That's what she said to me."

Afraid that Xie Cheng would not believe her, Wei Xiaoqing rubbed her hands and pouted, feeling wronged. "Didn't you see that just now? In order to help you talk about it, I was beaten by her. "

\*Pah!\*

The sound of broken chopsticks was immediately heard. Xie Cheng angrily threw his broken chopsticks to the ground, clenched his teeth, and cursed. "This Liang Zixuan is really brave! She actually dared to call Laozi a fat head and big ears! Look at how I'm going to take care of her!"

Wei Xiaoqing acted as if she was scared and carefully asked, "Director Xie, what do you want to do to her?"

Xie Cheng took the beer on the table and drank it all in one gulp. "I'll let her sing 'Conquer' under me!"

Wei Xiaoqing lowered her head and smiled complacently. She whispered into Xie Cheng's ear, "Director Xie, you must not tell Hou Yingyi about this. Otherwise, he will blame me for being too nosy."

Xie Cheng raised his hand and touched Wei Xiaoqing's thigh as he smiled naughtily, "Don't worry, I understand. As long as you help me get Liang Zixuan into my bed, I won't treat you badly."

Exactly as Hou Yingyi came out of the bathroom, he saw Wei Xiaoqing and Xie Cheng whispering in each other's ears. He didn't know if he was jealous or not, but he was very unhappy.

In order to inquire about Liang Zixuan's situation, after eating the hotpot, Wei Xiaoqing entered Hou Yingyi's room without caring about his refusal.

After closing the door, Wei Xiaoqing turned around and threw Hou Yingyi to the bed. She quickly took off his clothes while asking, "Does Liang Zixuan stay in the next room?"

### [Chapter 225 - Trouble During The Filming VII](#)

Hou Yingyi tried to push Wei Xiaoqing's hand away, but she immediately pushed him and took off his pants.

Hou Yingyi was angry when he saw it. He remembered the way Wei Xiaoqing spoke with Xie Cheng, so he kicked her face angrily. "Did you go into the wrong room? Or could it be that you couldn't find Xie Cheng's room and needed me to guide you there?"

Hou Yingyi's kick almost kicked Wei Xiaoqing out of her bed. She clutched his leg and sat at the foot of the bed, feeling wronged. She sobbed softly, "Hou Yingyi, have you ever loved me before?"

When she was young, Hou Yingyi was good to her, but he was even better towards Liang Zixuan.

Liang Zixuan and Hou Yingyi did nothing, but Hou Yingyi would still coax her to be happy. Wei Xiaoqing did everything, but Hou Yingyi only dared to play with her behind Liang Zixuan's back.

Now that Wei Xiaoqing was no longer famous and Wei Guowei no longer wanted to help her, Hou Yingyi's attitude towards her was even worse. Always throwing harsh words to her face from time to time and always calling her despicable.

The more Wei Xiaoqing thought about it, the more she felt wronged. She raised her head and looked at Hou Yingyi with her red eyes. "Tell me, have you ever loved me before?"

Hou Yingyi sat up and lit a cigarette. After taking a few puffs, he breathed out the anger in his heart. "Wei Xiaoqing, it's not like I've never loved you. Even though you were always so arrogant and acting like a spoilt princess, you were still a little girl in front of me. I doted on you and loved you, but now, look at how much you've changed."

Hou Yingyi rolled his eyes. His mind was filled with images of Wei Xiaoqing and Xie Cheng sticking to each other's faces. He was so disgusted that he wanted to drag Wei Xiaoqing to the bathroom and used a brush to wipe her face.

Didn't she feel disgusted by being with a man like Xie Cheng?

Wei Xiaoqing suddenly got up from the bed, pointed at Hou Yingyi, and furiously said, "What happened to me now? Who is to blame for what I'm doing now? Hou Yingyi, you know who did this to me, but you're still gone and provoked her! It was bad enough that I fell off the altar. Not only you did not feel sorry for me, but you also wanted to get back to her!"

"What are you talking about!" Hou Yingyi suddenly released a ring of smoke, grabbed a pillow under his body, and hit Wei Xiaoqing hard. "What has that got to do with me? You're the one who was blinded by pride and wanted to take everything belonging to Liang Zixuan for yourself. Now that she has taken everything back, what has that got to do with me?!"

"Bullshit!" Wei Xiaoqing burst into tears. Her face was beaten up by the pillow, making her look like a madwoman. "I don't care about the singing or everything. If Liang Zixuan wants them, she can take them! The only one I care about is you! You are all I have! I hate her! Not only did she steal all my glory, she even stole you from me!"

Wei Xiaoqing cried until she was hoarse. Her small appearance was enough to make anyone who looked at her feel sorry for her.

After all, a nineteen-year-old girl had the beauty of a flower and the appearance of a moon.

Her words struck Hou Yingyi's heart. That "You are all I have" really took half of his life. His lips twitched. After a long while, he finally said softly, "She didn't take me away."

"You are lying!" Wei Xiaoqing pointed at the wall to the next room and asked loudly, "Is she living next door now? Did you change your room because you knew she was coming?"

Hou Yingyi immediately became annoyed by her words. He put out the cigarette in the ashtray and got up from the bed. He then slapped her face.

A sharp palm suddenly struck down on her face. Wei Xiaoqing didn't even have time to react before her face started to burn and hurt. She looked at Hou Yingyi, and just like that, she looked at him with eyes filled with hatred.

Hou Yingyi was stunned. He knew he was impulsive, but he had already hit her and couldn't take it back. "How dare you say that to me! What about you? Do you think that the role I arranged for you is unsatisfactory, which is why you want to sleep with Xie Cheng, so that he can give you a better role?"

"Hou Yingyi, you bastard!" Wei Xiaoqing stood up and hit him. "He only consoled me because he saw you pestering Liang Zixuan! I, Wei Xiaoqing, am pure and innocent. Other than you, there is no other man! You can think of Liang Zixuan, but I can't talk to other men about my grievances?"

After being hit by Wei Xiaoqing a few times, Hou Yingyi's heart softened after hearing her words. He hugged her and covered her lips with his.

Next to them, Liang Zixuan had finished taking a shower and was lying on the bed with Zeng Zhelan.

Zeng Zhelan could not understand why Liang Zixuan cared so much about Wei Xiaoqing. After lying down for a while, she poked Liang Zixuan in the cheek. "Are you sleeping?"

Liang Zixuan whispered with her eyes closed, "No."

"Then I'll ask you." Zeng Zhelan sat up from the bed. After pressing the wall light, she looked at Liang Zixuan from above. "Why are you talking to Wei Xiaoqing today? You clearly know that she hated you."

Liang Zixuan opened her eyes and saw Zeng Zhelan's round face. She raised her hand and pinched Zeng Zhelan's cheek gently and became addicted to it. Pinching her cheek once again, she casually said, "Wei Xiaoqing's amazing skill is to pester people and beat around the bush. If I ignore her, she might make a fool of herself. I just wanted to see what she was up to."

Her hand strength was not that strong, so Zeng Zhelan felt quite comfortable being pinched by Liang Zixuan. She lowered her head a little and asked, "Then, can you see what she's planning?"

Seeing Zeng Zhelan's curiosity, Liang Zixuan continued, "It was because Hou Yingyi was a bit cold to her recently, so she wants to use me to provoke him again. That's how she is. Every time, she will take the Initiative to find problems with me, so she can jump into Hou Yingyi's arms to find comfort. Since she has a difficult time acting, I decided to play along with her."

"Oh, it's like that!" Zeng Zhelan lay down and leaned her face on Liang Zixuan's shoulder. She was still a little worried. "If that's all, then it doesn't matter. I hope Wei Xiaoqing didn't plan something bad towards you."

Liang Zixuan closed her eyes again. On the surface, she seemed indifferent, but underneath, she felt uneasy in her heart.

No matter what evil tricks Wei Xiaoqing did, she was not afraid. It was clear that Wei Xiaoqing just wanted to hold Hou Yingyi in her arms.. Wei Xiaoqing was scared of losing Hou Yingyi.

## [Chapter 226 - Trouble During The Filming VIII](#)

Three days later, a KFC delivery motorcycle stopped in front of Liang Zixuan's filming site. The delivery boy stood outside and shouted, "Liang Zixuan? Is Liang Zixuan here?"

Liang Zixuan was betting with Goo Shengli and the others that this afternoon's menu was sure to be cabbage-bean curd soup. While they were doing so, they suddenly heard someone calling out Liang Zixuan's name.

Liang Zixuan stood up and looked outside. "Hey, has anyone ordered that food?"

Everyone was stunned. "No!"

Liang Zixuan came out skeptically and saw that the delivery boy had taken out two large plastic bags filled with chicken thighs from his motorcycle.

The delivery boy saw her and immediately placed the heavy bags in her hand. "Aiya, your filming crew is really hard to find. I have to ask a lot before I can find this place. These are your chicken thighs. Sign this form for me, please? Thank you."

Liang Zixuan shook her head and returned the bags to the delivery boy. "But I didn't order takeout. Did you send it to the wrong place?"

The delivery boy clicked on the list on his cell phone and looked at it. "This is Perfection Of Eternity's crew, right?"

Liang Zixuan nodded. "Yes."

The delivery boy raised his head to look at her. "You're Liang Zixuan. I couldn't recognize the wrong person. Your appearance is no different than on TV."

Liang Zixuan was confused, "I am Liang Zixuan, that's right."

The delivery boy put the bags back in her hand. "So this is for you."

"Me?" Liang Zixuan did not know whether to laugh or cry. "But I didn't order it!"

The delivery boy laughed half-heartedly. "If you didn't order it, then it was someone else who ordered it for you."

The delivery boy showed the list to Liang Zixuan. "Look, the person left a message too."

Liang Zixuan looked at the message: To the beautiful Big Sister Liang Zixuan. As long as Sister Zixuan calls me 'your husband', I will order chicken thighs for you every day. Hehe...

"Wow, who is this person? He's so cute!" Liang Zixuan really liked the message. She put the chicken bags on the ground and took out her phone. She took a photo of the message on the delivery boy's screen, then signed her name and happily carried the chicken thighs inside.

When Zeng Zhelan and the rest saw the KFC logo in Liang Zixuan's hands, they all pounced on her like hungry wolves.

"I want to eat, I want to eat chicken thighs too!"

"Don't steal everything, leave two for me!" Han Cihui heard the commotion while playing a game and his phone almost hit his face. He quickly got up and went to grab the chicken thighs.

"Put them down!" Liang Zixuan grabbed all the chicken thighs and put them back in the bags.

Goo Shengli pouted. He was so hungry that his saliva was almost dripping. "Zixuan, you can't be that stingy! There are so many of them, you can't eat them all on your own! Give us some too!"

Han Cihui's eyes brightened when he saw the chicken thighs. "I want to eat chicken thighs, I want to eat chicken thighs!"

"Wait for a moment, don't be impatient." Liang Zixuan took out her cell phone and took two photos of the chicken thighs. She then waved at them and generously said, "Alright, you guys can eat it now."

Everyone heard this and immediately pounced on the chicken thighs like a dog.

Liang Zixuan held a chicken thigh in her hand and used Goo Shengli and the others as her background. She took a selfie and posted it on Weibo.

"I don't know which little cutie gave me the chicken thighs, but I ate them happily. Thank you. However, Sister Zixuan wants to give a friendly reminder that the film crew shooting spot was a little too far away and it wasn't easy for the younger brother to deliver this food, and he was tired to the point of perspiration. Little cutie, please don't send me any more chicken thighs in the future. After finishing work, we will go eat delicious food. We won't get really hungry."

After posting on Weibo, Liang Zixuan turned around to take a look. A whole two bags of chicken thighs were swept clean!

Goo Shengli held one in each hand and ate extremely happily. When Zeng Zhelan saw that Liang Zixuan was done with her work, she quickly gave the chicken thighs she snatched away to her. "This pack of wolves is too awesome! Those who don't know might think that they have all come from the refugee lair and have been starving for half their lives, as though they have never eaten before!"

Han Cihui was a dignified Han Family's Young Master. Normally, he would eat extravagantly, but now, he didn't even care about his image anymore. Looking at how he was wolfing down his food, Liang Zixuan felt her heart ache.

Liang Zixuan handed her chicken thighs to him. "Cihui, here. You can have them."

Han Cihui saw the chicken thighs in Liang Zixuan's hand and shook his head. "My brother told me to take care of you, I can't let you go hungry."

Liang Zixuan smiled as she put the chicken thighs into Han Cihui's plate. "I'm not hungry. I asked Zhelan to buy a snack yesterday. I'll be fine with the snack. It's perfect for me to lose weight. The chicken thighs are also very greasy."

"For real?" Han Cihui no longer felt reluctant. He grabbed the chicken thigh and put it in his mouth, afraid someone would steal it. "Then I'll eat it."

Dai Huian looked at the two bags of chicken thighs that could drive actors crazy and felt a little guilty. They had helped her with the filming for free, but she had made them unable to eat a full meal. After finishing work every day, she would fork out her own money to make up for the meal at noon.

After some thought, she clapped her hands towards everyone. "How about this, I'll treat everyone to a good dinner tonight. Do you have time?"

"Of course!" Goo Shengli wiped off the oil from his mouth. "I don't want to eat hotpot anymore. I want to have a feast!"

Dai Huian laughed. "Sure! We will have a great meal tonight. You can eat whatever you want!"

She then took out her cell phone and booked a table on the internet. She decided to bring everyone to eat after work.

After a busy day, everyone rushed into town in a commercial car rented by the crew. When they arrived at the restaurant they had booked earlier, they were suddenly surprised by the busy atmosphere inside.

This restaurant should not be considered small. It was 8 pm, but the restaurant was full of noise. Voices talking and punching could be heard non-stop.

Someone among them suddenly saw Dai Huian and exclaimed in delight, "Director Dai!"

Dai Huian's back stiffened as she saw a man walk towards her. Her scalp went tingling and she forced a smile. "Director Xie, what a coincidence!"

"Right!" Xie Cheng turned and looked at his crew, then said with a smile. "I have invited the whole crew out for dinner today. I have already booked this place!"

"Already booked?" Dai Huian took out her cell phone and said, "But I've already booked a table and I even paid for it!"

"So it was you who booked it!" Xie Cheng laughed out loud. "When we came, the boss told us that someone had booked a table in advance. There, we kept it for you."

Dai Huian followed Xie Cheng's finger and looked up. She felt that this Xie Cheng was a lunatic. He booked the place, but the crew didn't sit together. All the crew was sitting around the table that he left for her.

#### [Chapter 227 - Trouble During The Filming IX](#)

If other guests were sitting next to them, Dai Huian might not have a problem with it. However, the people sitting next to them were all from Xie Cheng's film crew.

Hou Yingyi and Wei Xiaoqing were still there!

Zeng Zhelan looked at Liang Zixuan, who pursed her lips while smiling without saying a word. Knowing that she was very resistant to such a situation, Zeng Zhelan pulled Dai Huian's arm. When she saw Dai Huian turn around, she whispered, "Why don't we go somewhere else?"

Dai Huian felt a little awkward. "I've already deposited five hundred yuan. If we go now, the owner of this restaurant won't return it to me."

Xie Cheng looked sideways at Zeng Zhelan and Dai Huian. He didn't say anything as he just watched. The corner of his mouth hooked into a faint, evil smile. From time to time, he would glance at Liang Zixuan.

Zeng Zhelan gritted her teeth and pulled Dai Huian away. "Then I will compensate you with that five hundred yuan. Let's go somewhere else!"

"Director Dai, what do you mean by this?" When Xie Cheng saw they wanted to leave, he grabbed Dai Huian's hand uneasily.

Dai Huian was so disgusted that she almost vomited. She quietly withdrew her hand and smiled hypocritically. "We just feel that since you're eating here, if we come inside, it seems rude. It's okay, Director Xie, you guys eat."

"Dai Huian!" Xie Cheng's body trembled as he stretched out his hand to stop Dai Huian and the others from leaving, looking unhappy. "I don't think it's rude. You guys have already paid for the meal, now that you see us here, you turned around and left. You obviously don't like me."

It's really hard to get rid of a tiger.

Just like Xie Cheng said, they left now because of him.

Dai Huian, as a newly graduated director, did not dare to offend him.

Liang Zixuan looked at the noisy surroundings and took a deep breath. "Xiao Lan, it's the same no matter where we go. Let's eat here."

Dai Huian knew that Liang Zixuan didn't want to make things difficult for her, but if they went to eat inside, Liang Zixuan would definitely feel uncomfortable. Just as Dai Huian hesitated, Liang Zixuan already lifted her legs and entered first.

Zeng Zhelan and Dai Huian, seeing that Liang Zixuan had entered, could not say anything more, so they followed and sat down at the middle table.

Xie Cheng snickered and walked back to his table.

Wei Xiaoqing gave Xie Cheng a thumbs up from under the table.

He then smiled proudly and whispered, "Has everything been arranged over there?"

Afraid Hou Yingyi heard it, Wei Xiaoqing leaned over Xie Cheng and said in a low voice while the others were fighting over the wine. "It's ready to be arranged. Those who aren't here are all dragged out for a barbecue. They won't be back until 12."

Xie Cheng swept his gaze to all the men at Dai Huian's table. Finally, he held the glass in front of her and said, "Director Dai, it's such a coincidence we met today. Let's have a toast together. If you need anything in the future, don't hesitate to call me."

The waiters were already serving the dishes one by one. Wine and beer were already placed at the corner of the table.

Seeing that Xie Cheng was drinking white wine, Dai Huian thought he would probably go back after finishing his glass.

"Alright, then. I'll toast with Director Xie." Dai Huian stood up, picked up her own glass, and finished her beer with one gulp. "I'm done. Director Xie, it's not fair if I'm the only one who drinks it."

"Hehe ..." Xie Cheng just took a sip and saw the whole table was staring at him. He felt embarrassed and glanced at Liang Zixuan. He decided to end the night quickly so that no one at the table could guess anything.

He raised his glass to the air and waved his hand to his crew. "Everyone, you guys can't just watch your director getting drunk alone, right? Hurry up and lift your glass."

Xie Cheng deliberately glanced at Hou Yingyi and called out, "Yingyi, come and help me drink!"

Hou Yingyi was stunned for a moment and could not react. Wei Xiaoqing immediately pushed him. "Didn't you hear what the director said? Why aren't you rushing?!"

Hou Yingyi glanced at Liang Zixuan and bit his lip. He then raised his glass and stood up.

Dai Huian saw the men in Xie Cheng's crew standing one by one and her heart immediately became uneasy. Not good. Did they have to drink with him too?

Before she could finish her thought, an Assistant Director sat down beside her, persuading her to drink.

Hou Yingyi sat beside Liang Zixuan without saying anything further.

Liang Zixuan silently moved her chair towards Zeng Zhelan.

"Zixuan..." Hou Yingyi took a deep breath and gathered his courage to say to her, "Let me toast you."

"You want to toast? You want our Zixuan toast with you?" Zeng Zhelan looked at Hou Yingyi in disdain. "Who do you think you are?"

With that, Zeng Zhelan stood up and pulled Liang Zixuan up. She swapped seats with her and sat between Hou Yingyi and Liang Zixuan.

Liang Zixuan took some food with her chopsticks. She really wanted to treat Wei Xiaoqing and Hou Yingyi as air, but Wei Xiaoqing's sweet voice kept echoing in her ear.

When Hou Yingyi saw that Liang Zixuan was ignoring him, he sat there drinking on his own. No matter how much she didn't want to look at him, his stinky face always swayed back and forth in her sight.

She was so annoyed!

Liang Zixuan didn't have a good mealtime at all.

Xie Cheng called two more people and asked them to have a drink with Zeng Zhelan and Liang Zixuan.

Xie Cheng was a good card player. He arranged everything perfectly tonight. Whether Liang Zixuan can escape unscathed or not, no one knows.

Everyone in Dai Huian's crew was drinking, except for Liang Zixuan and Zeng Zhelan.

No matter how eloquent the two men next to them were, they were unmoved by their words. They would rather die than drink a single wine!

Hou Yingyi had been rejected, so he felt terrible inside. Now, when he saw a man shamelessly circle around Liang Zixuan to persuade her to drink, he was even more frustrated.

He stood up with the wine in his hand and pulled the man who tried to persuade Liang Zixuan away from her. "I'll drink with you!"

"You're a man, why should I drink with you?" That man drank a little too much and started to lose his mind. He pushed Hou Yingyi aside and went to Liang Zixuan with a sly face.. "Zixuan, don't be so disrespectful. Why don't you have a drink with me?"

### [Chapter 228 - Trouble During The Filming X](#)

Liang Zixuan looked at him without expression and said coldly, "No."

"Hey, Liang Zixuan, don't be so rude! Once a man drinks, his words are crueler than a woman's. Do you really consider yourself some kind of pure beauty? Don't think that I don't know how many men you slept with!"

Hou Yingyi steadied his legs. When he heard the man's words, he thought of Liang Zixuan and Han Yuanjun and became increasingly angry. He threw his wine glass to the ground, raised his fist, and punched the man. "I'm not going to let you say that to her!"

With a "bang" sound, the man was knocked to the ground, and the glass in his hand also shattered. He wiped his mouth and looked at Hou Yingyi with a mocking smile. "Hou Yingyi, who do you think you are? You're just an Assistant Director, no wonder Liang Zixuan looked down and kicked you for climbing a mountain!"

This sentence, without a doubt, pierced Hou Yingyi's heart deeply. With red eyes, he ran over like a madman and gave the man a good beating.

The originally bustling restaurant was now even noisier. Most of them were already drunk. When they saw the two men fighting, they thought they were playing around and surrounded them to watch.

Xie Cheng's mouth curled slightly as he walked towards Hou Yingyi with his big tail like a wolf. "Yingyi, that's enough. Stop hitting him. What are you fighting for?"

Hou Yingyi pushed Xie Cheng away and landed his fist on the man's face again. "I told you to repeat your words again!"

Everyone looked at him with interest, but Liang Zixuan was very annoyed. She threw her chopsticks on the table and stood up abruptly.

Zeng Zhelan was shocked and asked while holding her hand, "Where are you going?"

"I'm full. I'll go back first." Liang Zixuan didn't even look at Hou Yingyi, as if the fight between the two men there had nothing to do with her. "Zhelan, you continue to eat. Don't worry about me."

Zeng Zhelan turned and looked at Wei Xiaoqing and Hou Yingyi. She thought it would be safer if Liang Zixuan went back alone since they were all here.

Otherwise, if she left with Liang Zixuan later, and Wei Xiaoqing and Hou Yingyi followed them, it would be hard for Zeng Zhelan to protect Liang Zixuan. At least, if Zeng Zhelan stayed here and if those two scoundrels decided to find trouble with Liang Zixuan, she could ask help from the crew.

She nodded. "Alright, then you can go back first. I'll be back soon."

Hou Yingyi was eventually stopped by Xie Cheng and others. He stood up immediately and looked around for Liang Zixuan. After thinking for a moment, he lifted his legs and walked towards the door.

Zeng Zhelan was really watching him. Seeing that, she immediately stood up and went over to stop him. "What are you going to do? Didn't you just say that you wanted to drink? Come, let me drink with you!"

Hou Yingyi was very agitated. He wanted to push Zeng Zhelan away and return to the hotel to find Liang Zixuan, but who knew that Xie Cheng would come and pull him back with Zeng Zhelan. "Where are you going? We are not done yet. Come on, let's have a drink. "

Pushing Hou Yingyi down into a chair and making him sit up obediently, Xie Cheng passed the wine glasses to Zeng Zhelan and Hou Yingyi. He then exchanged glances with Wei Xiaoqing and the corner of his mouth tugged up contentedly.

Liang Zixuan got out of the car and returned to the hotel. When she returned to her room, she picked up her pajamas and took a shower. The restaurant was filled with the pungent smell of alcohol and smoke. It took her a while to wash off the stench.

She put on her pajamas and came out of the bathroom with a dry towel in her hand. As she wiped her hair, the doorbell rang.

There was only one room card in each room. As she left, she picked up the room card, so Zeng Zhelan had to ring the doorbell when she returned.

Liang Zixuan thought that it was Zeng Zhelan, so she walked over to open the door.

As she opened the door, she suddenly became more cautious. She did not open the door widely but instead opened it a crack to see who it was.

As a result, Xie Cheng's oily face appeared at the door. Liang Zixuan was stunned for a moment, then suddenly remembered what Dai Huian had told her a few days ago. Xie Cheng liked to knock on actresses' doors and had bad intentions towards them. Remembering that, she quickly closed the door.

Seeing that Liang Zixuan was about to close the door, Xie Cheng immediately put his hand on the door and pushed hard. "Liang Zixuan, what are you doing? Why did you close the door as soon as you saw me?"

Liang Zixuan was a little scared. Now that Zeng Zhelan was not here, she was alone. If Xie Cheng really came in, it was like a tiger in a sheep's nest. She will be dead!

She tried to push the door shut with all her might as she said, "Director Xie, aren't you supposed to be eating with the crew? Why are you back?"

"Of course I came back to find you." Xie Cheng used all of his strength to open the door, but his mouth wasn't idle either. "Good Sister, quickly open the door for this Big Brother. Big Brother has something to tell you."

Liang Zixuan gritted her teeth and glared at Xie Cheng through the crack of the door.

What was there to say?

Did she not know what he was?

"Heh ...Since Director Xie has something to say, you don't have to come in. You can say that by standing outside."

Xie Cheng did not think Liang Zixuan, who was so thin, was really strong. He had used up all his strength, but he could only maintain a stalemate with her. Although she couldn't close the door for the time being, he couldn't open it!

He cursed in his heart before pressing his face against the crack. He opened his mouth and said to Liang Zixuan, who was behind the gap. "Good Sister, just open the door for this Big Brother."

Liang Zixuan was so disgusted that she almost vomited. Just as she was about to lose her focus, Xie Cheng suddenly used his strength and pushed the door wide open. He grabbed her hand.

Liang Zixuan was so scared that her face turned pale. She then shouted in panic, "Director Xie, if you continue being like this, I'll scream for help!"

Xie Cheng laughed vulgarly. "Scream. I'm not afraid. Go, scream now. Let's see if anyone can save you."

Liang Zixuan did not think Xie Cheng was so shameless. Since he was so shameless, she didn't have to give him a face. She opened her mouth and shouted, "Hao Peng, Long Zian, come help me quickly!"

Hao Peng and Long Zian were part of Dai Huian's film crew. At that time, Han Yuanjun had specially arranged for everyone from the film crew to be on the same floor as Liang Zixuan. Tonight, Dai Huian treated them to a meal, but Hao Peng and Long Zian didn't go.

However, no one came to help her even after she had shouted for so long.

Xie Cheng smiled proudly. "I'm not afraid to tell you, on this floor, everyone who lives here is from my crew and your crew.. Right now, my crew is eating in restaurants, and those who didn't eat in your crew are also not here. No matter how loud you shout, no one will come to save you!"

#### [Chapter 229 - Trouble During The Filming XI](#)

Only then did Liang Zixuan realize that there was a trap going on tonight.

It was something Xie Cheng planned for her!

Liang Zixuan already had a bad feeling when Xie Cheng became so generous and treated everyone in the crew to a meal and the restaurant that he booked just happened to be the restaurant where they ate.

From the moment they walked into that restaurant, Xie Cheng had intentionally led Hou Yingyi to approach her, making her feel disgusted. She didn't want to stay, so she left alone in advance.

Xie Cheng had really calculated everyone's moves. He knew that Dai Huian didn't dare to offend him, and he also knew that Zeng Zhelan was going guard against Hou Yingyi, that's why Xie Cheng pestered her to have a drink with Hou Yingyi, so that she didn't come back. Now that Liang Zixuan was alone, no one could come to save her.

"Xie Cheng, get lost!" Since Xie Cheng was already this shameless, Liang Zixuan no longer had to pretend. She pushed the door closed and cursed, "I warn you, don't provoke me. Otherwise, I will kill you. Do you believe me?"

"Aiyo, I'm so scared! Liang Zixuan, if you sleep under me tonight, I will let you play the female lead role. If you reject me, I'll beat you until you can't stand up straight!"

Liang Zixuan really did not expect Xie Cheng to be this kind of person. She was shocked and scared now, and after being in a stalemate with him for so long, she was so tired that she was about to collapse.

Liang Zixuan was on the verge of tears. She really had no other choice. Looking at the door that was opening more and more, she shouted anxiously, "Xie Cheng, I told you to scram, did you hear me?!"

"Come on! Stop pretending with me. You slept with Zhu Sheng and Shi Jingguo, so what wrong if you sleep with me tonight?"

Half of Xie Cheng's body had already squeezed through the door. He reached out to grab Liang Zixuan. "I'm better than them. I guarantee that you'll feel comfortable later on. Be good and don't resist anymore."

Liang Zixuan saw Xie Cheng's hand reach out towards her and knew that she couldn't hold it anymore. She let go of the door in fear and ran into the room.

Having lost all resistance, the door opened completely. Xie Cheng couldn't wait to squeeze through the door, and he immediately chased after Liang Zixuan.

Liang Zixuan grabbed the pillow on the sofa and threw it hard towards him. "Xie Cheng, who said I slept with Zhu Sheng and Shi Jingguo? Let me tell you, my fiancé is Han Yuanjun!"

The pillow gently hit Xie Cheng's face, like cotton hitting a rock. He felt no pain at all. Not only did it not hurt, it even attracted his interest.

Xie Cheng had slept with so many women, and after he finished sleeping with them, he just felt bored.

Liang Zixuan's ferocious behavior made him more excited. He grabbed the pillow from his face and casually threw it aside, rubbing his hands together as he walked towards her. "Don't tease me, your fiancé is Han Yuanjun? Heh ... Fine, even if you are his fiancée, do you think I can't touch his woman?"

Xie Cheng didn't believe that from the bottom of his heart.

Han Yuanjun had always been single and he had never heard of a woman around him.

Xie Cheng felt that Liang Zixuan was using Han Yuanjun's name to scare him. If he believed her, then he was an idiot!

Liang Zixuan was forced into a corner by him. She saw the ashtray on the bedside table, and without saying anything, she picked it up and threw it towards Xie Cheng. "I'm not lying to you, my fiancé is really Han Yuanjun! Xie Cheng, if you dare touch me today, he will surely take your life!"

Xie Cheng's fat body dodged to the side. He easily dodged the flying ashtray. He grinned and smiled lewdly, "Han Yuanjun can't take my life, but you can! Zixuan, come on, this Big Brother will make you feel good."

With that, Xie Cheng leaped towards Liang Zixuan and pressed her against the wall. His lips that were as thick as sausages could not wait to kiss her face.

"Let me go!"

Liang Zixuan cried out loud in despair. "Han Yuanjun, help me!"

"Han Yuanjun will not come to save you." Xie Cheng laughed complacently as his greasy lips kissed Liang Zixuan's face. "I'll save you. Come, have some fun with me!"

Suddenly, Liang Zixuan froze and stopped crying. There was even surprise on her face. She looked behind Xie Cheng and exclaimed, "Han Yuanjun, you really came?"

"Don't lie to Laozi." Xie Cheng snorted, "I won't believe that."

As soon as he finished speaking, the sound of a sharp wind passed through his ears. His head was suddenly hit by something heavy, and his whole body suddenly flew out.

Xie Cheng's body hit the wall hard, and his brain was almost gone. With great difficulty, he managed to stabilize his mind. As soon as he raised his head, a foot wearing black leather shoes ruthlessly kicked towards his head.

"Puff ..." He didn't have time to feel the pain, so he raised his head to see who it was. When his eyes met with that sharp gaze, he was so scared that his body trembled. Then, that man's ice-cold face appeared in his sight.

Xie Cheng's heart jolted and his pupils constricted. His legs went soft and he kneeled down. "Y-Young M-Master Han."

Oh my God! *NoVelUs&.cOmm*

It's really Han Yuanjun.

It's over, now he's dead for sure!

Han Yuanjun looked at him coldly and the coldness seemed to be coming from hell before he stretched out his hand towards Liang Zixuan.

Liang Zixuan had long lost all her strength after being tortured by Xie Cheng. When she saw Han Yuanjun, her tense nerves relaxed. She stepped forward and her legs were stiff. Her body almost collapsed to the ground if it were not for Han Yuanjun holding her tightly in his arms.

He looked down and saw her tear-stained face and helped her wipe away the tears. He kissed her cheek and apologetically said, "Baby, I'm sorry, I'm late."

"No, no." Liang Zixuan's voice was shaky. She used all her strength and hugged Han Yuanjun tightly. Leaning against his arms, she cried, "Brother Han, I'm so scared ..."

"Good girl, don't be afraid. I'm here, don't be afraid." Han Yuanjun calmed her gently and patted her back.

"Scared ... I'm so scared...I ... I'm almost ... Woo woo ..." Liang Zixuan was as weak as a rabbit in Han Yuanjun's arms, crying incessantly.

Han Yuanjun's heart was about to break. He gritted his teeth and glared at Xie Cheng with bloodshot eyes. Xie Cheng was so scared that his back went stiff. He knelt on the ground and continued to bow to Han Yuanjun.

"Young Master Han, I'm wrong, I really know I'm wrong. I don't know she's your woman. Young Master Han, please forgive me this time. I beg you ...."

### [Chapter 230 - Slept With Zhu Sheng And Shi Jingguo For The Sake Of Your Position](#)

Han Yuanjun hugged Liang Zixuan and kicked Xie Cheng.

Xie Cheng was kicked into the air. He immediately turned around and knelt on the ground. "Young Master Han, I beg you, please forgive me. I don't dare anymore, I beg you ..."

Han Yuanjun was not someone who could let go of anything, especially if something related to Liang Zixuan just because Xie Cheng begged for mercy. He turned and pushed Liang Zixuan onto the bed and looked her in the eyes. "Sit here obediently and watch me vent your anger!"

Liang Zixuan was so scared that her body trembled. She held his hand in fear. Han Yuanjun took a deep breath. The more she liked this, the more furious he became at Xie Cheng. He held back his anger and patted her face gently. Suppressing his anger, he said softly, "Good girl, I'm here. I'm not going anywhere. You can see me."

Only then did Liang Zixuan release him.

Han Yuanjun straightened his body and pulled off his tie. He turned and kicked Xie Cheng's body.

Xie Cheng's fat body was immediately kicked by him. When his body hit the wall, his internal organs were almost destroyed.

Han Yuanjun had no plans to let him go like this. He threw the tie in his hand and walked towards him. He grabbed Xie Cheng's hair. His fists were like thunder as he punched Xie Cheng in the face mercilessly.

Xie Cheng screamed in pain. "Y-Young M-Master Han... I - I - I'm wrong, please ... Please let go of me. P-please!"

Han Yuanjun was so angry that his eyes were red, and the redness in his eyes showed his current anger. Despite the fact that Xie Cheng's face had been beaten black and blue by him, Han Yuanjun wouldn't stop and kept pummeling Xie Cheng's face.

Soon, Xie Cheng stopped begging for mercy. His eyes were glassy and he no longer cried in pain as he stared at Han Yuanjun blankly. This was the first time Liang Zixuan had seen such a bloody scene. After a

short rest, she had recovered from her fear and was shocked to see Han Yuanjun beating Xie Cheng madly.

She was afraid that Han Yuanjun would kill him, so she quickly stood up and ran to hug him from behind.

Breathing heavily, Han Yuanjun stopped and looked back at her face. His lips curled slightly as he asked, "Have I vent your anger?"

Liang Zixuan nodded vigorously and hugged him as if she was hugging the whole world. "Enough, stop fighting."

Only then did Han Yuanjun stand up and pulled Liang Zixuan into his arms. He shouted out, "Yao Xiu!"

The next second, Yao Xiu ran in.

Han Yuanjun sat on the bed and furiously pointed to Xie Cheng, who was lying on the ground like a dead dog. "Wake him up!"

Yao Xiu glared at Xie Cheng in disgust and walked to the bathroom. He poured cold water on Xie Cheng's face.

Xie Cheng shuddered and woke up. His face was now swollen like a pig's head. His eyes glanced at Han Yuanjun and Liang Zixuan, who were sitting on the bed.

Suddenly, he remembered what had happened before, so he immediately got up and knelt down, crawling towards Han Yuanjun. "Y-Young Master Han, I was wrong. I beg you, please let go of me."

Han Yuanjun didn't say anything but pursed his lips tightly. His long and narrow eyes narrowed into a dangerous arc. Yao Xiu could tell with a glance that his anger still hadn't disappeared.

Seeing that Han Yuanjun didn't say anything, Xie Cheng turned towards Liang Zixuan. "Liang Zixuan, I beg you to forgive me this time. I really didn't know you were Young Master Han's woman. If I knew, even if I were a hundred times braver, I wouldn't even dare to touch a single finger of yours... I beg you to help me plead with Young Master Han, I'm begging you ..."

Liang Zixuan hugged Han Yuanjun's arm tightly and looked at Xie Cheng coldly. "I just told you, Han Yuanjun is my fiancé. What did you say?"

Xie Cheng was so scared that his body started to tremble.

Liang Zixuan laughed coldly. "Director Xie, you are really stupid to try to get hold of me without even getting knowing what you are involved with."

As he kowtowed, Xie Cheng said, "It wasn't me, it was Wei Xiaoqing! It was her who told me that you slept with Zhu Sheng and Shi Jingguo for the sake of your position. She even said that you were just a woman with double-face, that although you said you didn't want to, your body was more honest than your words."

Liang Zixuan had been suspicious before. She didn't even know Xie Cheng. If Xie Cheng wanted to find a woman, there were so many women on the crew.

Apparently, it was Wei Xiaoqing's doing again!

Han Yuanjun glanced at Xie Cheng indifferently, interlaced his fingers with Liang Zixuan's, and laughed coldly. "Good, very good! Wei Xiaoqing thought that just because she was my woman's blood sister, I couldn't do anything to her, right?"

Xie Cheng was cowering and did not dare to speak. The taste of blood filled his mouth as he kneeled on the ground and sneakily glanced at Han Yuanjun.

Just when he guessed how Han Yuanjun would handle Wei Xiaoqing, he suddenly heard him say, "I really can't do anything to her. I don't hit women. If I do that, I won't look good, so let's just forget about it."

"Just ... leave it like that?" Xie Cheng raised his head in shock and looked at Han Yuanjun in disbelief.

Han Yuanjun's face sank. "Get lost!"

Xie Cheng was so happy that he almost went crazy. He thought he would definitely die this time. He didn't think Han Yuanjun would let him leave.

After repeatedly bowing to Han Yuanjun, Xie Cheng stood up excitedly and ran out like a puff of smoke.

Liang Zixuan was a little confused. "You ... What do you mean by that?"

What did he mean by taking care of Wei Xiaoqing won't make him look good?

Why didn't she understand?

Is Han Yuanjun really kind of a soft-hearted person?

Wasn't he the one who destroyed Wei Xiaoqing's path in the entertainment circle?

What was the situation now?

At this moment, a group of people rushed into the room. When they saw Han Yuanjun, their initially frightened hearts suddenly dropped.

Dai Huian glanced at Han Yuanjun embarrassedly and whispered, "Zixuan, I-I just saw Xie Cheng running out of your room, you ...Are you okay?"

Liang Zixuan knew they were scared out of their wits. Maybe they even woke up from the drunkenness. She shook her head and tried her best to smile. "I'm fine. Luckily, Han Yuanjun came in time."

Zeng Zhelan's temper flared up at once. "F\*ck, I was wondering why those groups of people dragged us to drink tonight. I knew something was wrong!"

As she said that, she turned around to rush out but was stopped by Yao Xiu.. "Alright, that's enough. President Han has already dealt with him, don't cause any more trouble!"
