

Beauty 331

[Chapter 331 - Did You Go And Learn How To Defend Yourself, Or Did You Learn How To Drift](#)

Liang Zixuan had a baffled look on her face, but she still poked Han Yuanjun in the chest a little guiltily. "What's wrong? Who dares to anger our President Han? Come on, tell me and I'll help you beat him up!"

Han Yuanjun gritted his teeth in hatred.

Did this little woman know what time it was right now?

Why was he so angry, did she really not know?

Han Yuanjun looked at her coldly. Without saying anything, he left.

Liang Zixuan looked at his angry back and then at the car parked at the side. She stomped her feet dejectedly and pointed at the car. "There's still so much distance, are we not going to take the car?"

Han Yuanjun raised an eyebrow and pretended not to hear her. He was so angry with Liang Zixuan and worried about her. And when she got home, she had the nerve to ask why he was so angry?

Hmph! Let her walk back on her own.

Han Yuanjun was not a man without a temper. When he got angry, even he was afraid of himself.

Liang Zixuan stared at Han Yuanjun blankly for a while. She was so depressed that she wanted to scratch her hair.

What was he angry about?

She just didn't go home to have dinner with him, did she?

Since Han Yuanjun was not going to take the car nor wait for her, Liang Zixuan smirked and ran towards him.

When they were still one meter away, Liang Zixuan jumped and threw herself at Han Yuanjun's back. She wrapped her arms around his neck and his waist with her two legs.

Her entire movement was as smooth as flowing water. It was done in one go.

Han Yuanjun heard her footsteps, but he didn't expect her to jump onto his back. His hands instinctively grasped her legs and then carried her firmly on his back.

Liang Zixuan smiled and pressed her face close to his. "If you don't want to drive, then carry me. I am so tired ~"

Han Yuanjun really hated himself to the point that his teeth itched. On the way here, he had thought that if anything happened to Liang Zixuan, he would dig out Gong Enlai's body and grind his bones into ashes.

If Liang Zixuan was fine, then he would ignore her and punish her harshly.

In the end, he was easily subdued by her without even showing a trace of temper.

Han Yuanjun cursed himself in his heart and decisively let go of his grip, wanting Liang Zixuan to get off his back.

Liang Zixuan suddenly lost her grip and almost slid down from Han Yuanjun's back. Her legs quickly clasped his waist and she held him by the neck. "Aiya, what are you doing? I'm going to fall off."

"Get off!" Han Yuanjun said calmly, pretending to be angry.

"No! I haven't even eaten dinner yet and I don't have the strength to walk. I don't care, you have to carry me on your back. If you don't, I will sit here on the ground and not leave."

Han Yuanjun didn't know what to do with her. In the end, he hugged her legs again and sighed helplessly. "Other than bullying me, who else can you bully? Baby, I have spoiled you so much, that's why you have become bolder and bolder."

Liang Zixuan laughed proudly beside his ear. "I didn't ask you to spoil me. If I don't bully you, who else will I bully? Who do you want me to bully?"

"No one!" Han Yuanjun gently lifted Liang Zixuan's body up a little. He glanced at her and said angrily, "Other than me, you can't bully anyone else. Do you hear me?"

Liang Zixuan obediently laid on his back and sighed in satisfaction. "I understood. Other than you, there is no one else who would spoil me like this."

"It's good that you know."

Han Yuanjun carried Liang Zixuan all the way home. The butler knew that Liang Zixuan had returned and had already ordered the servants to serve dinner on time.

Liang Zixuan had just gotten off Han Yuanjun's back when she smelled the delicious aroma of food. Like a hungry beast, she immediately ran to the table, grabbed the chopsticks, took fried asparagus, and stuffed it into her mouth.

The butler smiled and advised her, "Young Madame, slow down. You will choke if you keep eating like that."

Han Yuanjun walked over and waved at the butler. The butler walked away with a smile.

Han Yuanjun personally scooped a bowl of rice for Liang Zixuan and also for himself. He sat down opposite her and ate with her.

Liang Zixuan was slightly taken aback. She asked subconsciously, "You haven't eaten dinner yet?"

As soon as the words came out of her mouth, she immediately regretted it.

If she didn't come back, how could Han Yuanjun eat anything? He probably didn't even go to Qiao Hongya's place tonight, and just came back after work to wait for her.

Thinking of this, Liang Zixuan felt a little sour in her heart. She stood up, picked up a few pieces of pork ribs, and put them in Han Yuanjun's bowl. She smiled at him coquettishly, "Eat more."

Han Yuanjun glanced at her and then asked carelessly, "Can you tell me where you went?"

Liang Zixuan's hand paused for a moment. After a moment of absent-mindedness, she pursed her lips under Han Yuanjun's gaze and played dumb. "I'm going to learn self-defense from Instructor Gong."

Han Yuanjun smirked. "Really? Learning self-defense requires your phone to turn off? Both Deng Hui and Dai Tian were unable to catch up with his car? Did you go and learn how to defend yourself, or did you learn how to drift?"

"Huh?"

Only now did Liang Zixuan realize that Gong Enlai was trying to leave Deng Hui and Dai Tian behind when he was speeding the car.

She secretly rejoiced in her heart. Luckily, she had listened to him and turned off the phone. Otherwise, with Deng Hui and Dai Tian's skills, even if they didn't catch up with their car, they would be able to find her through her phone.

After sitting down, she continued to eat and pretended that nothing had happened. "My phone ran out of battery, so I turned it off. Besides, Deng Hui and Dai Tian were chasing behind us. Instructor Gong probably didn't know they were your men and thought we had met with some criminals. That's why he tried to get rid of them so quickly."

"Is that so?" Han Yuanjun looked at Liang Zixuan with a smile that wasn't a smile. He didn't even eat, but just looked at her. "Be honest, let's not beat around the bush. Tell me, where did you go? Who did you meet?"

With Han Yuanjun's high IQ, how could she fool him?

If Han Yuanjun was such an easy target, he wouldn't be the person he's now.

Liang Zixuan licked her lips, bit her chopsticks, and looked at him, trying her best to act coquettishly. "Aiya, don't ask me, it's like I said. If you don't believe me, you can ask Instructor Gong!"

Seeing that Han Yuanjun didn't like her answer, Liang Zixuan put down her chopsticks, stood up, and sat down on his lap.. She wrapped her arms around his neck and snuggled up to him, "Hubby, can't I have some privacy? I assure you, I'm in no danger, and I didn't even glance at another man. In my heart, there is only you!"

[Chapter 332 - Do You Think That Just Because You Have A Relationship With Liang Zixuan, She Can Open The Back Door For You](#)

Han Yuanjun's heart skipped a beat when he heard Liang Zixuan calling him that. He knew fully well that this woman was just trying to curry favor with him, and she had just given him the opportunity to take advantage of her.

It was rare for Liang Zixuan to take the initiative to call him 'hubby', so how could Han Yuanjun not give her a face?

Han Yuanjun hugged her and caressed her waist. "You already told me about your rebirth, can't you tell me about this too?"

Liang Zixuan pouted and shook her head, feeling wronged. "I really can't!"

"Fine." Han Yuanjun didn't force her. If she wanted to say it, she would tell him.

If she didn't want to say it, he wouldn't be able to force her to say a single word.

Han Yuanjun suddenly stood up with Liang Zixuan in his arms and walked up the stairs with big steps.

Liang Zixuan was stunned for a moment. She turned around, looked at the dish on the table, and said gloomily, "I'm not full yet!"

Han Yuanjun grunted, "You still want to eat after doing something wrong?"

Liang Zixuan looked at him with the wronged expression. Han Yuanjun raised his eyebrow and smiled, "If you are still hungry, you can eat me."

Liang Zixuan: "..."

Liang Zixuan really wanted to kick Han Yuanjun as soon as they returned to their bedroom and lay on the bed.

What had happened to her eating him?

Why did it become him eating her?

? ? ? ?

After what had happened yesterday, Liang Zixuan felt more familiar when she saw Gong Enlai again.

It was as if he was no longer the instructor for her military training, but another brother who had once lived with her brother.

When lunchtime came, Shi Jian pulled Liang Zixuan to her and asked, "Did Instructor Gong really teach you self-defense yesterday?"

Liang Zixuan nodded seriously. "That's right, Instructor Gong is amazing. His movements were so fast that I was stunned for a moment. In the end, I bowed down under his supremacy."

Cai Yuhan wanted to know. "Can we also learn this from Instructor Gong? If something bad happens in the future, at least we will be prepared and don't have to be afraid!"

Shi Jian and Xu Qigang both nodded vigorously. "That's right. Can we go and learn as well?"

People once said that if you talked about the devil, he would come. While they were talking, Gong Enlai placed his plate next to Liang Zixuan and sat down without asking.

When Liang Zixuan saw him, she hurriedly smiled and said, "Instructor Gong, they also want to learn self-defense. Can you teach them?"

As she said that, she exchanged glances with him. Gong Enlai smiled. "Of course you can. Since the three of you really want to learn, how about we choose two hours a day after the military training?"

The three of them didn't expect Gong Enlai to be so easy to talk to. Thinking back to the time when their principal and Yao Xiaosheng begged him, his unfeeling appearance seemed to be like a dream.

The three of them nodded their heads. "Alright! If that's the case, then we won't be afraid when we go out in the future!"

During the military training, Principal Tao received a call from Manager Lang. The two of them talked about the preliminaries and so on.

Principal Tao also seemed like a person easy to talk to. No matter what Manager Lang said, he would always reply, "good, nice, you have the final say".

After hanging up the phone, Principal Tao called his assistant into his office and told him to start making posters and start the registration process tomorrow.

When the female students of Nanyang Academy heard this news, they all jumped for joy. Although Principal Tao had announced this at the opening ceremony, they still did not expect it to happen so soon.

It was so fast that they didn't have time to prepare.

Along with them, the seniors who had already graduated also returned to school to register for this selection competition.

Shi Jian, Xu Qigang, and Cai Yuhan were walking on the school path. When they saw the posters and banners hanging between tree trunks, they excitedly ran towards the stadium.

Once they saw Liang Zixuan, they stopped her and began to ask her questions.

"What preparations should we do for this preliminary round? What kind of female group are you going to recruit?" Shi Jian was rubbing her hands happily.

Seeing them so restless, Liang Zixuan hurriedly tried to calm them down. "Don't worry, this competition doesn't necessarily determine what kind of female singers will be chosen to form the group. The main objective is for the members to have their own style and personality."

Cai Yuhan suddenly understood something. "Oh, so we must have our own personalities. But having a personality doesn't mean you're extraordinary, right?"

Liang Zixuan nodded. "Personality is important, but the most important thing is that the contestant can sing and dance well, just like the Korean idols."

Xu Qigang pouted. "What if my limbs are stiff? I don't know how to dance."

"Come on, you!" Shi Jian said to her without holding back. "This is just a preliminary round. If you really can't do it, then just come as a spectator and don't get your hopes up."

Apart from Shi Jian, Xu Qigang, and Cai Yuhan, everyone knew that although this talent show was organized by the Han Group, it was suggested by Liang Zixuan.

Liang Zixuan, who was a part of the Han Group, naturally had inside information about this.

Seeing Shi Jian, Xu Qigang, and Cai Yuhan asking Liang Zixuan questions about this, quite a few girls came over and sat down to listen.

Yao Xiaosheng couldn't bear to see Liang Zixuan being the center of attention. She didn't want to go there but was still dragged along by her classmate. She coldly looked at the girls and snorted, "What are you guys hoping for? You still have to rely on your own strength to do things like this. Do you think that just because you have a relationship with Liang Zixuan, she can open the back door for you? Tch... Stop dreaming. "

Shen Ning, who was friends with Yao Xiaosheng, nodded in agreement. "That's right. After all, Liang Zixuan isn't a judge. What else can she help you with? If she has the time, she might as well think about the talent show she's doing."

Seeing too many people around her, Liang Zixuan sighed. She didn't like being noticed by so many people. She smiled and said, "Yeah, I'm actually not a judge, and my opinion isn't very professional either. As long as everyone has the confidence, you just have to do well. Believe in yourself!"

Shi Jian frowned unhappily and tugged at the corner of Liang Zixuan's clothes. "Why did you go along with what they said? Although you are not a judge, you still have the final say."

Liang Zixuan whispered, "I really have no say in this matter. I have already given my authority to Zeng Zhelan and the others. They are the ones in charge of this matter. Furthermore, the final decision is in the hands of the judges. I'm only playing the role of a schemer."

Her voice was already low, but since the people beside her didn't say a word, they could hear everything she said.. Since Liang Zixuan had said that, they immediately stood up in disappointment and went back to their classes.

[Chapter 333 - So You Are My Long-Lost Sister](#)

As the crowd dispersed, Liang Zixuan felt that the air had gotten better. She sat down on the grass and lay on her back.

Because of her words, the surroundings became quieter.

Otherwise, someone would have come and pulled her up and asked, "What is the requirement for this preliminary round? Is there an easier way to get it? Is there any inside information?"

Liang Zixuan nearly went crazy after hearing such questions.

Furthermore, she felt that since the music department really specialized in singing and the dance department was proficient in a variety of dances such as folk dance, modern dance, and so on, the probability of the acting department winning wasn't very high. Yes, many people could sing and dance, but compared to the acting department, their strength was much weaker.

????

The registration process continued like wildfire. In the afternoon, Zeng Zhelan suddenly arrived at Nanyang Academy, and after waiting for half an hour for the military training to end, she excitedly ran towards Liang Zixuan. "Zixuan!"

Liang Zixuan saw a girl in professional clothes with her hair tied into a ponytail running towards her in the distance. Don't look how old Zeng Zhelan was, even in her professional attire, she didn't look much older than the student here.

"Director Zeng!" Liang Zixuan nodded her head and pretended to be very respectful.

Zeng Zhelan ran to her and hugged her while laughing. "Stop teasing me! Even though I'm the director, but in front of you, the president's wife, I'm just a piece of trash!"

She kissed Liang Zixuan on the cheek and then made a face. "How much sweat is on your face? It's so salty!"

Liang Zixuan pushed her away with a smile. "Didn't you see me standing under the hot sun while training?"

Seeing Shi Jian, Xu Qigang, and Cai Yuhan watching from the side, she introduced them to Zeng Zhelan with a smile.

Zeng Zhelan enthusiastically shook their hands. "Hello, I'm Zeng Zhelan."

After Liang Zixuan finished the introduction, Shi Jian excitedly pulled Zeng Zhelan's hand and said, "Zeng Zhelan, you are much cuter in real life than on TV. Oh yes, you don't know, but when Zixuan first saw me, she told me that I looked very much like you."

"Is that so?" Zeng Zhelan raised her hand and held Shi Jian's face as she looked left and right. Then, she brought her face closer to Shi Jian's face and asked Liang Zixuan and the others, "Are we really similar?"

Liang Zixuan pursed her lips but didn't say anything.

Xu Qigang and Cai Yuhan both nodded vigorously. "It's actually very similar!"

Zeng Zhelan was so happy when she heard this. She immediately gave Shi Jian a bear hug. "So you are my long-lost sister. I finally found you!"

As one would expect from someone who learned how to act, Shi Jian acted along with her. With tears and a runny nose, she asked, "Is dad okay? Where's mom? Did you have a good time while I was gone?"

Liang Zixuan: "..."

Xu Qigang: "..."

Cai Yuhan: "..."

Are you two done yet?

Zeng Zhelan actually replied with a straight face. "Everyone is doing well, but we missed you so much. I missed you so much that my eyes almost went blind."

"Puff..." Liang Zixuan couldn't help but laugh.

Xu Qigang and Cai Yuhan laughed so hard that they fell onto the ground.

Shi Jian immediately put her arm around Zeng Zhelan's neck and hugged her as they walked out of the stadium. "Aiya, all this time, I've been having a hard time. Fortunately, I finally found you. I- Eh?"

Shi Jian suddenly turned around and saw that Liang Zixuan and the others hadn't followed them and were still laughing. She asked with a blank look, "Aren't you guys hungry? Let's go eat!"

Xu Qigang waved at them. "It's fine, you two sisters can go eat. You must have a lot to talk about after your long-awaited reunion, right? It's fine, we won't disturb your bonding moment."

Zeng Zhelan: "..."

Shi Jian: "..."

These kids really had no sense of entertainment!

Zeng Zhelan patted Shi Jian on the shoulder. "Sister, wait for me here. I'm going to capture your savior."

With that, Zeng Zhelan quickly ran to Liang Zixuan's side, held her hand, and pulled her up. "Quick, I've ordered a big meal for us. I promised you that I would treat you to a meal, right?"

Xu Qigang and Cai Yuhan's eyes lit up when they heard her words. "Sister, I'm also your long-lost sister. Do you have my share for the feast?"

Cai Yuhan saw that Xu Qigang actually dared to be very shameless in order to get the free meal. Thinking about it, she felt that she too could be very shameless for that.

"Sister, I'm also your long-lost sister! Please look at me!"

Zeng Zhelan was overjoyed and hurriedly said, "As long as you are Zixuan's friends, then you are my own sister! Let's go, this big sister will treat you to a meal today!"

They immediately followed Zeng Zhelan to the school's parking lot. Zeng Zhelan opened the passenger door for Liang Zixuan and let Shi Jian and the others sit in the back seat before she got into her own car.

"I told you last time that I wanted to treat you to a big meal, but you never had the time. I did not dare to ask you out at night, so I could only come over at noon and see how you are doing."

Liang Zixuan turned around and looked at her friends in the back seat. Then she smiled and said, "I've done really well. Look how I have made new friends. They are all my dormmates."

Zeng Zhelan glanced at the rearview mirror and said rather sadly, "As expected, you will have new dogs. I guess you do not want me anymore, right?"

After saying that, she looked at Liang Zixuan with a hint of hatred on her face. "Tell me, do you love them more or do you love me more?"

Liang Zixuan was really afraid that Zeng Zhelan would get addicted to playing and stop paying attention to the road, so she quickly turned Zeng Zhelan's head forward. "Is there any reason to be jealous? I still love you."

"I still love you even if you are an old woman..." Zeng Zhelan sang along with Liang Zixuan's last line.

Shi Jian and the other two also started singing along when they heard it. "Since I said I would give you everything, I have nothing to compete with you ..."

Liang Zixuan felt a little tired. Was everyone in entertainment circles really dramatic?

After they finished singing, Cai Yuhan said with envy. "Zeng Zhelan, your relationship with Liang Zixuan is very good. I am very jealous of you!"

Zeng Zhelan smirked. "Of course! When Zixuan first entered the Han Group, she had absolutely nothing to do with the president. No one was willing to be her assistant, and I was the only one standing in the corner, raising my hand and saying I'm willing."

She then smiled at Liang Zixuan. "And that's exactly the moment where I decided to spend the rest of my life and walked on the rose path with her (the wedding)."

Liang Zixuan: "..."

Liang Zixuan glanced at Zeng Zhelan and gave her a look, 'Do you dare to say this in front of Han Yuanjun?'

Zeng Zhelan expressed that she didn't dare to do so and turned her head away, continuing, "Zixuan and I have only been together for a year, but during that year, we have grown closer through our hardships. She trusts me, and I trust her.. It's really a pleasure to work with her."

[Chapter 334 - You Can't Possibly Be Afraid Of The Han Family, Are You](#)

Saying this, Zeng Zhelan paused and patted her car. "Did you see this car? This is the reward I received from the president for saving Zixuan, and based on this, you guys can see how deep my friendship with her is."

These words made Shi Jian, Xu Qigang, and Cai Yuhan jealous. They were not jealous because Han Yuanjun had given the car to Zeng Zhelan, but because of the friendship between Zeng Zhelan and Liang Zixuan. Just look at how good their friendship was.

Zeng Zhelan booked the private room in the hotel in advance, parked her car, and took them there.

As the waiter began to serve the dishes one by one, Shi Jian, Xu Qigang, and Cai Yuhan stared at the food while drooling.

There was nothing they could do about it. The food in the school canteen was too bad. Besides, they were currently undergoing training and their appetites were already several times bigger than usual. After a short time in the car, they were already hungry.

Zeng Zhelan did not dare to order wine and only asked the waiter to pour the juice. After the waiter poured each glass, Zeng Zhelan raised her glass and said, "Don't be polite with me today. Eat as much as you want. If it is not enough, I will order more."

After everyone took a sip of the juice, they picked up their chopsticks and began to eat.

While eating, Zeng Zhelan finally became serious and said to Liang Zixuan. "About the talent show, Manager Lang contacted Shi Jingguo. When he heard that it was your suggestion, and Han Group was the host, he agreed without saying anything."

Liang Zixuan was a little surprised, "Shi Jingguo agreed to be the director? That's great!"

If Shi Jingguo made a move, it would be a real blast.

It looked like this talent show would be very popular.

Zeng Zhelan nodded and smiled, "What's even funnier was during the judge selection process. At first, Manager Lang made a lot of lists and sent them to the president, but they were all rejected by him. The president said the judges had to be the idols of the new generation. A hot streaming star who can sing and dance perfectly. At this point, Manager Lang was completely confused."

Liang Zixuan froze for a moment, then subconsciously said, "What to confuse? We have Goo Shengli and Qin Yu, can't you just invite them?"

"Hahahaha ..." Zeng Zhelan slammed on the table and laughed. "Right, right! That's exactly what the president said. Two judges have been confirmed. You and the president are indeed from the same family. You are both thinking the same thing!"

Liang Zixuan smiled embarrassedly. "We are going to recruit a new generation female idol group. They should be high-spirited and good at singing and dancing, and since Goo Shengli and Qin Yu are proficient in this matter and also belong to the Han Group, so why not invite them? Besides, with the current traffic flow between the two of them, it will give a great impact on this program."

It was unknown when it started, but Shi Jian, Xu Qigang, and Cai Yuhan stopped eating and perked up their ears to hear the conversation between Zeng Zhelan and Liang Zixuan.

The atmosphere was so quiet that only Zeng Zhelan and Liang Zixuan's voices could be heard.

Zeng Zhelan nodded in agreement. "There are still two more judges. The president has basically confirmed the choice. They are the new-generation stream singers who returned from Korea. They returned last year and are very popular."

"I know." Liang Zixuan sipped her juice. "Originally, we wanted to compete and be on par with the Korean Entertainment Circles. And since these two idols happen to know the situation there and with them joining us, our female group will become famous in one blow."

Zeng Zhelan said somewhat regretfully. "I feel it was quite a pity that you did not be the judge. You always have a good view, and Manager Lang also had this intention in the beginning. However, the president said that you don't want to be involved in the program, wanting to study quietly ..."

At this moment, Xu Qigang couldn't help but interject, "Zixuan, you really are not going to participate?"

Liang Zixuan blinked and shook her head with a smile. "I'm not participating."

Shi Jian stomped Xu Qigang's feet hard from under the table. "If Zixuan wanted to become famous, she would have already used the Han Group's excellent resources to make an album or film a movie. Why should she come to our school? Of course, to learn."

Cai Yuhan also agreed. "That's right, how could Zixuan possibly join the group? If she really wants to thrive in entertainment circles, she doesn't need to do this."

Xu Qigang immediately felt like an idiot for asking such a question.

Pausing for a moment, she said, "I will not sign up for the preliminary round this time. From what I heard from Zeng Zhelan and Zixuan earlier, I think I am best suited for acting, not an idol group."

Shi Jian and Cai Yuhan also said, "We will not sign up either. We just learned how to act. Singing and dancing can be done on the side, but learning to act well is more of a priority."

Liang Zixuan did not think their comprehension ability was this high, and she grew fond of these three girls in her heart.

Many people felt that they were exceptionally beautiful, the most beautiful in the world. No matter what they did, they would succeed.

Once they failed, they would not consider whether they were suitable for it or not, nor would they consider what they had done poorly. And this was one of their biggest faults.

Before this, in many talent shows, those who lost would create a fake inside story, saying that all championships were decided internally, that the contestant slept with one of the judges to get the win, and that they paid their way in and so on ...

There were indeed such things, but not everyone was like that.

At least, not in the Han Group.

????

The military training finally came to an end after half a month. Although the training was very difficult, it left a deep impression in every student's heart.

Finally, Gong Enlai read out the results of everyone in the acting class.

"Those who passed, Shi Jian, Xu Qigang, Cai Yuhan, Shen Ning..."

Gong Enlai had already called half of the students' names and these students all knew that even if they cannot get a good result and only barely passed, it was already good enough for them. At the very least, they left a good impression on Gong Enlai.

His requirements were the strictest, and it could be said that he was the strictest instructor in this military training.

As such, there weren't many who could enter his eyes.

Suddenly, Gong Enlai's gaze fell on Liang Zixuan's face, and the corners of his lips unconsciously softened. "Liang Zixuan, she received the highest score among all of you."

"What?" Yao Xiaosheng was so surprised that her eyes widened. She said unwillingly, "How could that be?! We are all doing well here, how come Liang Zixuan is the superior one? Instructor Gong, you can't possibly be afraid of the Han Family, are you? That's why you opened the back door and gave it to Liang Zixuan?"

[Chapter 335 - You Three Are Just Indeed A Lackey](#)

Anyway, the military training had already ended. Now it's just a matter of reading the results. Xu Qigang wasn't afraid to argue with Yao Xiaosheng in front of Gong Enlai.

"Is that what you're thinking? Who is Instructor Gong? Is he a person who will give grades based on other people's family backgrounds? Just because you don't have an outstanding result, you won't allow anyone else to be stronger than you. In your mind, you're the most powerful and beautiful person in the world. If other people want to fawn over someone, it should be you because you think you deserved it."

What Xu Qigang said hit the nail right on the head. Yao Xiaosheng always thought that she was the most beautiful person in the world. Even though she couldn't be the most beautiful person in the world, she was the most beautiful person in the entire Nanyang Academy. Actually, she should be the one in the limelight, not Liang Zixuan.

Yao Xiaosheng stood there glaring at Xu Qigang before saying angrily, "What does it have to do with you whether I'm beautiful or not? There are so many boys in the class who are even better. How come it be Liang Zixuan? What is so good about her?"

Yao Xiaosheng cleverly pulled the boy from her class into her camp. The boy who heard this felt a little unsure. They weren't bad either, besides, military training depends on physical strength.

Hearing this, all of their faces showed reluctance.

Shi Jian looked around and then smiled, "Yao Xiaosheng, our society nowadays is in favor of equality between men and women. In your heart, do you really think you are lower than men? It's fine if you think you're worse than them, but don't put your standards on us. If men can be successful, women can be too!"

"Exactly." Cai Yuhan also quipped cynically. "Instructor Gong has his own way of judging people. He knows better than anyone else who performs poorly, and if you're that capable, then become an instructor!"

Yao Xiaosheng was so angry that her face turned red. If she can't win the fight, she would turn around and scold them.

She just stood there with a sullen face and said, "You three are just indeed a lackey. As if everyone here doesn't know that you are Liang Zixuan's dogs. Don't think that just because you follow her and say a few nice words for her, you'll be rewarded by her. Tch, stop dreaming. If Liang Zixuan is really capable, then she can open the back door for all of you in this talent show."

Shi Jian raised her head and looked over at Yao Xiaosheng. "I'm sorry, but we did not sign up this time! We don't have to rely on Liang Zixuan to get through this back door."

Liang Zixuan heard Yao Xiaosheng's mocking words and calmly said to her, "The competition is only won by one's own strength. There is no such thing as a backdoor. Even if Shi Jian and the others sign up and enter the competition, becoming a member of the female group in the end has nothing to do with me."

Yao Xiaosheng wanted to say something but was cut off by Gong Enlai. "That's enough! Instead of complaining, you guys better figure out how to improve your strength!"

"Liang Zixuan may be a girl, but she is more serious than any of you. Remember carefully, every time we run a long distance, isn't she the most serious? Every time I call for all of you to gather, isn't she the first to stand up? Strength and attitude are equally important. So what if your strength is good?"

"Not only in the army, even in life, including in the future, when you work, join the film crew or do other things, you have to join a team. In a team, no matter how strong you are, if you don't know how to obey or cooperate, your strength is nothing!"

With that, his gaze fell on Liang Zixuan's face, and it became even gentler. "Liang Zixuan's attitude is not only good, but she's also very powerful! I have prepared two five-kilometer runs for you guys and she's the only one who completed them within a short period of time."

"If a girl has such determination, how can you not be convinced of her performance. What were the boys in the class doing while she was doing that?!"

These words immediately made the boys lower their heads in shame.

Thinking about it carefully, they thought that as long as they ran five kilometers, it would be fine. However, they had not expected that the time they took would be considered as their final result.

If only they held on a little and endured it, they might have had an advantage.

Gong Enlai's words really made them unable to find anything to complain about.

The military training ended just like that. The next day, Gong Enlai returned to the army.

Liang Zixuan and the others also started their regular classes.

The talent show's registration had ended.

Manager Lang looked at the registration form in his hand and felt his head spinning. "Are there so many girls in Nanyang Academy? Why did over a thousand people sign up?"

Zeng Zhelan put down the glass of water in her hand and leaned her head forward to look at the list. Originally, Liang Zixuan predicted that there would be around one to two hundred people.

The teacher in charge said with a smile, "This is quite normal. Since your rules stated that all girls can register, even those who have already graduated have come back to register, so ... Hehehe ... There are a bit too many people."

Zeng Zhelan smacked her lips, shook her head, and said, "This is definitely too many."

She took out her phone and walked to the side. "Let me ask Zixuan. I want to hear her opinion."

Liang Zixuan was in class and her phone was muted, so she didn't hear the call. Zeng Zhelan called her once, and since Liang Zixuan didn't pick up, she guessed that Liang Zixuan was probably in class, so she said to Manager Lang, "You should leave this matter and prepare what needs to be done. I'll go ask Zixuan tonight and see what we can do."

Manager Lang nodded. "Alright, we will officially begin when Liang Zixuan has a detailed plan in place. The venue, the director, and all the staff are already in place. As long as she has a plan, we can begin."

After Liang Zixuan finished her class, she took out her phone and saw that she had a missed call from Zeng Zhelan. She thought to call her after school ended. Since it was school time now, it was very noisy and it was also inconvenient to talk.

Cai Yuhan excitedly ran towards her from behind. She put her hands around Shi Jian and Xu Qigang's necks and whispered with a smile, "Let me tell you three something very exciting."

Shi Jian nudged Cai Yuhan with her elbow and asked excitedly, "What is it? Tell me quickly."

Seeing that Liang Zixuan had also slowed down, Cai Yuhan secretly smiled and whispered, "Let me tell you all, this time, Yao Xiaosheng actually signed up for the talent show! She actually signed up! Hahaha..."

"What?" Xu Qigang shouted in an exaggerated manner, "She signed up?"

"Yes, when I was in the restroom earlier, I heard it from her minions.." The more Cai Yuhan said, the more excited she became. "Didn't Yao Xiaosheng look down on this program? She always thought that she is already a celebrity since she did Love of Fond Memories, so why in the hell did she take part in this program? Heh, don't you think she's a bit crazy?"

[Chapter 336 - The Audition I](#)

Liang Zixuan smiled without saying anything. It's not that Yao Xiaosheng was crazy, but she wouldn't miss a chance to become famous.

Of the four judges, only Qin Yu was a woman, the other three were all men, and all of them were very popular. If Yao Xiaosheng was lucky enough to be chosen as a mentee by one of them, and then became the target of vague rumors, her fame would spread far and wide, even if she ended up not being able to join the idol group.

For Yao Xiaosheng, this move was definitely not a loss.

Because even if she didn't enter the idol group, she could still say that her main passion was acting. Singing and dancing weren't her talents, so she wouldn't lose face even if she didn't win.

Cai Yuhan saw that Liang Zixuan was smiling, so she quickly patted her shoulder and asked, "Zixuan, do you think Yao Xiaosheng will be able to pass this preliminary round?"

Liang Zixuan shrugged her shoulders. "I'm not sure about that. I don't know how well she can sing, and other people don't know either. We'll know when the time comes."

Shi Jian chuckled a little, "I want to see how strong Yao Xiaosheng is and if she's as good as her mouth!"

No matter how one looked at it, there was another meaning behind all of this. Liang Zixuan glanced at Shi Jian, and they all laughed at the same time.

Zou Juan was already waiting for Liang Zixuan at the gate. Liang Zixuan actually wanted to call Zeng Zhelan, but who knew that she was already leaning against the car, pushing her sunglasses off her nose and waving happily at her (Liang Zixuan). "Zixuan, I'm here."

Liang Zixuan looked at Zou Juan and walked towards Zeng Zhelan.

Zeng Zhelan immediately opened the passenger door of her car and waved at Zou Juan, "I'll take her home. If you're worried, you can follow from behind."

Zou Juan made an 'OK' signal, then got into the car and drove behind Zeng Zhelan's car.

When Zeng Zhelan saw in the rearview mirror that Zou Juan was indeed following behind her car, she smiled and teased Liang Zixuan. "Look at this, the president is so worried about you. Even if I drive you home, Zou Juan still has to follow us."

Liang Zixuan looked in the side mirror and saw Zou Juan's car following from behind. She smiled faintly. "Isn't that understandable? How can my little body stand it if you decided to torture me?"

"Hee hee ..." Zeng Zhelan laughed mischievously, "Since when have you become so bad? Are you trying to create a misunderstanding?"

After speaking, she became serious and returned to the main topic. "Zixuan, this time, over a thousand people have signed up for this talent show. Manager Lang said that the number of participants has far exceeded our expectations."

"More than a thousand people?" Liang Zixuan wasn't shocked. She had heard about graduates returning to participate during her military training. She pursed her lips and said, "Looks like we still have to do an audition. We have to make sure the voice and dance skills are good. We need to make sure they are really worthy of being in the top 100."

Zeng Zhelan nodded. "I didn't expect there would be so many participants."

Liang Zixuan laughed a little. "That's also because Nanyang has always been suppressed by Guzheng for years. Most students here don't have many opportunities."

Then she turned around and looked at Zeng Zhelan, the smile in her eyes was very clear. "Just like you, if you don't meet me, who would have thought that you would become a music director one day."

Zeng Zhelan nodded with pride. "Meeting you is really the turning point in my life."

As soon as Liang Zixuan arrived at her home, she immediately made a schedule for the audition and sent it to Manager Lang's email.

A few days later, the first audition officially began.

Although it was only an audition, Manager Lang was very concerned about it. He invited Qin Yu, Goo Shengli, and the two judges to attend.

The place of the audition was set in Nanyang Academy's Theater.

This was the first time Qin Yu and Goo Shengli came to Nanyang Academy, and as soon as they both got out of the car, they were surrounded by their fans.

Qin Yu was in a good mood. Even though she was surrounded by so many fans, she still maintained a polite smile on her face.

Goo Shengli did the same. He didn't complain at all about the enthusiasm of his fans.

Only with difficulty did they manage to get to the Grand Theater under the protection of the school's security guards. Qin Yu sighed, "We finally made it here. I really didn't think I would have so many fans in Nanyang Academy."

Goo Shengli laughed foolishly. "I just saw one of them touching your body."

Qin Yu gloomily glared at him. "Can you still call that as touching? She was actually squeezing it."

"Haha..." Goo Shengli smiled and patted Qin Yu's arm. "Then can I squeeze it too?"

Qin Yu was so angry that she raised her hand and hit him. "You did that on purpose, didn't you? Do you think I'm stupid?!"

Yao Xiaosheng and two of her followers eagerly waited outside with their number tags, looking at one and then the other.

Jiang Yu angrily put the number tag on Shen Ning's back. "What time is it? Why haven't they started yet? What's the problem? If they don't want to do it, I won't waste my time here anymore."

Shen Ning glanced to the side to make sure no one was listening to their conversation before taking Jiang Yu's number tag and placing it on her back. "If you don't want to wait, then go. I'm willing to wait."

Jiang Yu looked at Shen Ning with disdain and sneered, "Xiaosheng doesn't even have the absolute confidence that she can't pass. Looking at your confident appearance, do you think you can pass?"

Shen Ning's mouth fell open, and she always assumed that other people's simple words were true. She felt that it was no problem for her to pass the audition.

Just like how Yao Xiaosheng had humbly said, "I'm here to learn about acting. Even though I can dance, I still lack a bit. I'm just trying my luck here. If I make it, I would consider it as gathering a little bit of stage experience."

Did Yao Xiaosheng really have no confidence in herself?

Heh ... Only a fool would believe that she meant what she said.

Besides, it was fine for Yao Xiaosheng to say such words for herself, but if someone else said it, she would look down on the said person.

As soon as Jiang Yu finished speaking, Yao Xiaosheng's face fell. Shen Ning noticed the change in her expression and quickly smiled in a flattering manner. "Who says Xiaosheng can't do it? Even though there are over a thousand people signing up, let me tell you, among all these people, no one can match her in terms of looks and fame, so Xiaosheng will surely pass. I'll wait with Xiaosheng, and if you don't want to wait, you can go back first."

Jiang Yu wasn't really a fool, she could clearly see the change in Yao Xiaosheng's expression. She immediately tried to curry favor with her and said, "Xiaosheng will definitely be able to pass.. Since you want to wait with her, then I'll accompany the two of you."

[Chapter 337 - The Audition II](#)

Just as they were getting impatient, Liang Zixuan and Zeng Zhelan squeezed through the crowd under the protection of two security guards.

Jiang Yu saw them and said sourly, "Is Liang Zixuan also a judge? How did she get in? Could it be that she has the right to decide who will pass this audition?"

"That's impossible!" Shen Ning immediately stepped in for Yao Xiaosheng. "Liang Zixuan is a student here. If she has the power to make decisions, then where is the fairness in this audition? Besides, she is not even worthy to compete with Yao Xiaosheng."

Not to mention the security guards protecting Liang Zixuan, even Zeng Zhelan, who was hugging her, looking so wary, as if Liang Zixuan was made of glass and would shatter if someone accidentally touched her.

Yao Xiaosheng's eyes reddened with envy when she saw this. She pursed her lips and said, "She might come here to take a look. After all, she is a part of the Han Group."

Seeing Liang Zixuan almost approaching them, Jiang Yu lowered her voice and asked, "Didn't people say Liang Zixuan and Qin Yu have a good relationship? Of the four judges, two of them have a good relationship with her. Do you think Goo Shengli and Qin Yu will go easy on us for Liang Zixuan's sake?"

"Come on!" Seeing that Yao Xiaosheng's face had fallen, Shen Ning quickly raised her hand and hit Jiang Yu's head hard. "Shi Jian, Xu Qigang, and Cai Yuhan have a good relationship with Liang Zixuan, but did you see them signing up for this talent show? And what did this mean? It meant that Liang Zixuan would never open the back door for anyone! Even if her husband is the boss of the Han Group, even if Liang Zixuan is the one who proposed this show, so what? She is such a selfish person. Would she help others just because they have a good relationship with her? Shi Jian and the others are the best examples!"

When Yao Xiaosheng heard this, her face calmed down a little. She watched Liang Zixuan being escorted by the security guards. When she passed them, one of the security guards pushed Yao Xiaosheng away. He almost threw her away.

If Shen Ning had not supported her, she might have already made a fool of herself.

After steadying herself, Yao Xiaosheng's heart jumped violently. However, she remained calm and composed and said, "You have no idea about entertainment circles. Celebrities who say they are good and close friends are not exactly like that in private! Just like Yuan Xiaoli and Zeng Dongmei. Didn't people say that they were close friends before? I only found out about this when I joined the crew... What close friends?! The two of them never talked to each other and even almost had a fight over some scenes. Let me tell you this, there is no friendship in the entertainment circle. If there were any, it would only be fake to deceive the public."

Shen Ning and Jiang Yu almost seemed as if they had heard a shocking secret. Their eyes widened in shock and Jiang Yu's mouth formed an "O". "Really? Are you telling the truth?" *noVELuSB.Com*

Yao Xiaosheng nodded seriously. "Of course I am! If I had not seen it with my own eyes, I wouldn't believe it either!"

Shen Ning said understandingly. "Oh, so Liang Zixuan's relationship with Qin Yu and Goo Shengli is not good either! That was just to fool the public, that's why they pretended to be nice to her!"

"Yes!" Yao Xiaosheng said as if she had seen the truth. "You'd better not be fooled by their marketing methods. Only when you actually meet them will you know whether they are really good or not."

Liang Zixuan did not know that Yao Xiaosheng and her lackeys were talking badly about her. As soon as she entered the theater, Qin Yu rose from her seat and rushed over. She held Liang Zixuan's hand and smiled.

No matter how you looked at it, their relationship didn't look fake.

Goo Shengli stood up impatiently. "Aiya, you are finally here. We have been waiting for you for a while! Earlier, Qin Yu said that we will not start until you are here."

Liang Zixuan was a little embarrassed. "Why are you guys waiting for me? You are the judges. I'm here to accompany you."

The two young judges who had just returned from Korea immediately stood up to shake her hand.

Liang Zixuan smiled politely at them. Seeing that Liang Zixuan had arrived, Manager Lang quickly used his walkie-talkie to tell the staff at the door. "We can start now. Let them enter one by one according to their tag numbers."

A teacher had already brought in two chairs and placed them next to the judge's table. Then he came over and told Liang Zixuan and Zeng Zhelan to take a seat.

Upon seeing this, Liang Zixuan quickly waved her hand. "Teacher, no, we're not judges. We're just here to take a look. It's not appropriate for us to sit there. We're just sitting behind the judges."

Seeing Liang Zixuan's insistence, the teacher stopped trying to persuade her. Number one was already in the room. The teacher immediately moved the two chairs behind the judge's table.

Every participant had only one minute to perform. They could sing or dance, or they could move the judges with their words. If none of them could do it, then they could just leave.

In fact, the first part of this audition was boring. Aside from the music and dance departments, the other departments weren't very interesting, causing the four judges to feel like sleeping.

Yao Xiaosheng, Shen Ning, and Jiang Yu had signed up earlier, so their numbers were in the front.

Shen Ning entered first. When she saw Liang Zixuan sitting behind the four judges, she felt her scalp tremble. She wondered if Liang Zixuan had the right to make the decision.

She stood there, looking at Liang Zixuan with a puzzled look.

Goo Shengli hit the bell on the table. "Don't tell me you want to use this minute being in a daze?"

Shen Ning responded with a polite smile, then opened her mouth to sing.

"Where are you from ..."

Goo Shengli yawned and turned to look at Liang Zixuan. His eyes seemed to say, "I'm about to fall asleep. Is there anything here that could help to refresh my spirits?"

Liang Zixuan frowned and pushed his face forward with a smile.

Luckily it was only for one minute. After Shen Ning finished singing, the four judges heaved a sigh of relief.

When Shen Ning saw their expressions, she knew she was hopeless. She saw Goo Shengli and Liang Zixuan exchanging glances earlier. She looked meaningfully at Liang Zixuan before walking away.

Jiang Yu came up behind her. She usually looked like a fool, but she was the most prepared of the three. When she came in, she was carrying a bag with a studded leather jacket in it. She opened the bag and put on the leather jacket in front of the four judges.

[Chapter 338 - The Audition III](#)

When Xu Yijun saw her leather jacket, his interest was immediately piqued. "Street dancing?"

When Jiang Yu saw that Xu Yijun had actually taken the initiative to talk to her, she was so excited that her face turned red. "Mmm, street dancing and singing!"

Xu Yijun clapped and smiled at her. "Finally, someone has come to wake me up."

Chen Zhihao was silent. No one could tell what his expression was.

Jiang Yu was dancing and singing. She made up the word herself and sang it. Her singing was a little bit elusive. Liang Zixuan had a nagging feeling that she was trying to imitate a great opera actor.

Zeng Zhelan's eyelids twitched. She leaned closer to Liang Zixuan's ear and whispered, "Do you understand what she's trying to say? Can this even be called singing?"

Jiang Yu saw Zeng Zhelan and Liang Zixuan whispering in each other's ears. She thought her performance might not be wild enough, so while singing, she took off her studded leather jacket right in front of the judges. One of her legs was half-kneeling on the floor and she started swinging the jacket.

Chen Zhihao's nerves throughout his body tensed up because Jiang Yu was standing right in front of him as she swung the jacket. He even felt that the leather jacket would fly into his face in the next second.

Just as he was thinking about it, the leather jacket slipped out of Jiang Yu's hand with a "whoosh" and flew towards his face. It was also because Jiang Yu used too much force that the leather jacket flew very fast.

Although Chen Zhihao reacted very quickly, the studded leather jacket was still thrown into his face.

Chen Zhihao fell off his chair while screaming and cursing.

Goo Shengli and Xu Yijun, who were beside him, were shocked. They hurriedly helped Chen Zhihao up from the floor and threw the jacket away. Seeing the dense red marks on his face, the two of them closed their eyes in sympathy.

Zeng Zhelan pulled Liang Zixuan's hand and said with a smile that didn't reach her eyes. "Oh my god, even though the jacket wasn't thrown at me, I could feel the pain. That's a studded jacket. This girl can't be thinking of taking revenge on Chen Zhihao, is she? She threw the leather jacket at his face, what if it gives him a scar?"

When Qin Yu saw Chen Zhihao's face, she immediately asked Jiang Yu angrily, "Isn't this just an audition? Do you really need to bring this large-scale killer weapon? Look at his face!"

When Jiang Yu saw Chen Zhihao's face, she was so scared that she immediately rushed and knelt in front of him while crying, "I didn't mean to do that. I-I'm sorry! I-I didn't expect the jacket to slip out of my grip."

Jiang Yu thought that since she was a girl and didn't do it on purpose, Chen Zhihao shouldn't be angry with her, right?

Who knew that Chen Zhihao was someone with a bad temper. He didn't even dare to touch his face with his hands. It hurt so much that he pushed Jiang Yu away and angrily said, "What are you doing? I have a CF to shoot tomorrow, so how do you expect me to get there? If I can't shoot it, I'll have to pay for the compensation!"

"Ah? What?" Earlier, Jiang Yu had only faked her tears, but now she was really crying. "I'm sorry! I didn't know it would be like this. I'm really sorry!"

"If a sorry can change everything, why do we even need the police?" Chen Zhihao took a deep breath and angrily kicked Jiang Yu in the side. "If I can't make it to the shooting tomorrow, you'll have to compensate me for all the losses!"

When Liang Zixuan saw that Chen Zhihao was so angry that he had attacked Jiang Yu, she immediately stood up and walked towards him. She looked at his face and said, "There's no point in getting angry now. Things have already happened. Go to the hospital first."

No matter how angry Chen Zhihao was, he didn't dare to provoke Liang Zixuan. He wasn't like Yao Xiaosheng. He knew that if he offended her, it was the same as courting death for the rest of his life.

Seeing that Liang Zixuan had come to help, he decided to be lenient. "Alright, I'll go to the hospital first. I'll have to bother you to appeal to the CEO of the Creative Muse to give me two days off."

The CEO of Creative Muse was Qiao Zhenya. Coincidentally, he was a friend of Han Yuanjun. Liang Zixuan had met him before and knew him as well.

She knew that it wouldn't be easy for Chen Zhihao to get the endorsement, and he didn't want to miss it out.

Not only because of the loss of money but also because of the brand name, which could help him make a big step on the commercial value of celebrities.

Liang Zixuan nodded. "Alright, I can plead on your behalf. Don't make things difficult for her, go to the hospital first."

Chen Zhihao nodded gratefully to Liang Zixuan. He glared at Jiang Yu angrily and walked out of the theater with the support of his assistant. Jiang Yu sat down on the floor and looked at Chen Zhihao's back. She felt very sorry until her intestines almost turned green. Why did she have to wear a studded leather jacket? Why did she think swinging it would be a great idea?

The teacher, who was watching from the side, was also very concerned. He hurried to help Jiang Yu stand up. "Quickly get out of here, we still have to continue with the audition."

Jiang Yu looked at Liang Zixuan in confusion and walked out with a heavy heart.

With one judge missing, Liang Zixuan pushed Zeng Zhelan to Chen Zhihao's chair.

In any case, Zeng Zhelan's musical talent was definitely not bad. Plus, this was just an audition, so she's more qualified to be one of the judges.

Zeng Zhelan knew that Liang Zixuan didn't want to get involved, so she gladly agreed.

When Chen Zhihao was helped out by his assistant, he was wearing sunglasses, a mask, and even a bucket hat. It could be said he covered his face well because no one could see what was happening to his face.

Nevertheless, there were still many people asking with curiosity. "What happened? Why did Chen Zhihao leave? Is the audition over?"

The teacher who had sent Chen Zhihao out clapped his hand. "There was a small accident inside just now. The audition will continue, and please wait for your call."

Small accident?

Yao Xiaosheng happened to see Jiang Yu coming out. She walked up to her and asked her quietly. "Were you inside just now? What happened?"

Jiang Yu didn't dare to say that she had hurt Chen Zhihao's face. She was afraid that his fans would attack her.

She pursed her lips and pushed Yao Xiaosheng towards the theater door. "It's your turn, come in quickly."

Nothing was as important as her own audition, so Yao Xiaosheng didn't hesitate any longer. She took a deep breath of fresh air outside and then walked in with her head held high.

Standing in front of the stage, she was stunned to see that Zeng Zhelan was actually sitting in Chen Zhihao's seat. She unconsciously looked at Liang Zixuan, who was sitting behind Zeng Zhelan.

Goo Shengli quickly urged, "Stop dawdling. There are still many people behind you!"

Yao Xiaosheng then came back to her senses and smiled sweetly at him.. "Goo Shengli, don't you know me? I'm your biggest fan."

[Chapter 339 - The Audition IV](#)

These words were saying like Goo Shengli should know her.

If he didn't recognize her, it meant that he was ignorant and blind.

Goo Shengli's face sank with a speed that could be seen with the naked eye. Although he was usually very friendly and had a sense of humor, he despised such a fawning trick.

Not only was Yao Xiaosheng trying to flatter him, but she was also trying to trick him.

"I'm sorry, I don't know you." After saying that, Goo Shengli hit the bell in a very unkind manner. "Next!"

When Yao Xiaosheng saw this, she immediately became anxious. "I haven't performed yet!"

She didn't give the four judges any more time to speak and immediately began her performance.

Among the participants, Yao Xiaosheng's performance was quite good. She had good singing skills and she could also dance.

After Yao Xiaosheng finished her performance, she looked at Liang Zixuan confidently. Liang Zixuan just ignored her.

Goo Shengli glanced at Qin Yu, then at Xu Yijun and Zeng Zhelan. He asked in a calm voice, "What do you think of her?"

Xu Yijun was the first to speak up. "Her singing and dancing are pretty good, and her performance can be considered the best."

Qin Yu was silent for a moment, then nodded. "We can train her."

Goo Shengli raised his hand and slammed it on the table. "But too bad her character isn't good!"

Zeng Zhelan had come to Nanyang several times and had heard about Yao Xiaosheng from Shi Jian and others, not to mention that she had also seen the Love of Fond Memories when they were in a fierce battle with the Perfection of Eternity.

Therefore, Yao Xiaosheng was no stranger to her.

Hearing Goo Shengli's words, Zeng Zhelan nodded in agreement. "Yes! This person's character is very bad. She always mocked Zixuan. I dared to say we can't give people like her a face because not only she will feel grateful later on, but instead, she will find a turning point to cause trouble."

Otherwise, Yao Xiaosheng would really think that Liang Zixuan was easy to bully.

Yao Xiaosheng didn't think about it. If it wasn't for Liang Zixuan, how could there have been a talent show this time around?

Without this talent show, how could she have had the chance to show her face?

If you don't want to curry favor with Liang Zixuan and flatter her, at least you shouldn't always find trouble with her.

Such a person was someone Zeng Zhelan couldn't even be bothered to look at.

When Qin Yu heard that Yao Xiaosheng was actually bullying Liang Zixuan, she immediately voted against her. "Then we can't let her pass. Even when we slapped the truth in front of her face, she still couldn't see it."

Of these four, three of them voted against Yao Xiaosheng. What else can Xu Yijun say?

He nodded. "Alright, just get rid of her."

"Hey, don't do that!" Liang Zixuan didn't know whether to laugh or cry as she watched the four of them make their decision. With her hand on Zeng Zhelan's chair, she said with a smile, "We are trying to recruit a strong group to fight against the Korean idols. Since everyone thinks Yao Xiaosheng has the ability, they don't kick her out just because she's not good to me."

Seeing Zeng Zhelan and Goo Shengli's unwilling faces, even Qin Yu still looked angry, Liang Zixuan sighed. "Can we do this in a fair way? Just because of the personal grudge between her and me, you guys couldn't possibly think not letting her pass, could you? Besides, I don't consider her as my enemy."

Qin Yu looked at Liang Zixuan and shook her head. "You're too kind. Anyway, we'll tentatively look at the other participants' performances before deciding whether we want her or not."

Liang Zixuan was not being kind. She was really trying to seize the influence of Korean celebrities in her country. Such a task was very difficult.

Yao Xiaosheng, on the other hand, had already starred in Love of Fond Memories. Even though her role was only a supporting role, it was still very eye-catching, and she had the highest popularity among the participants. If she could participate in a preliminary round, it would attract more attention from the audience.

The higher the audience's attention, the better the starting point for their female group's debut.

Everyone felt that Qin Yu's words made a lot of sense, so they patiently watched the rest of the performance.

Over a thousand students with one minute each. It was impossible for this audition to end in just one day.

It took three full days for the auditions to end. It was also time for the judges to select their mentees.

Although the injury on Chen Zhihao's face wasn't serious, it could not be healed in a short period of time. Furthermore, he did not participate for the next two days, so when the list of participants was confirmed, he naturally didn't come.

He would only take part in the recording once the preliminary round had officially begun.

Liang Zixuan had watched all the performances, so she had nothing more to say.

Yao Xiaosheng had given the best performance before, but when the other students from the music department and dancing department came in, her performance really wasn't good enough.

It could only be considered as average.

Liang Zixuan had no intention of opening this back door for Yao Xiaosheng.

The list of the names of the successful participants was finally published on the school bulletin board.

When everyone heard the news, they couldn't wait to run towards it.

When Yao Xiaosheng, Shen Ning, and Jiang Yu arrived, there was already a sea of people.

"Why are there so many people here!" Shen Ning sighed and raised her eyebrow. "Can the person in front just walk away after reading it? Are you not going to let the person behind you see it too?"

Someone next to Shen Ning heard her words and looked at her with disdain. "How can you say that? There are a total of a hundred people and the people in front are trying to find their names."

Shen Ning pouted. "Aren't you guys having a hard time during your performances? So, what is the use for you to search for your names? Tsk, waste of time!"

This person immediately became unhappy. "If you are so sure of your talent, then what are you doing here? Shouldn't you just go back and wait to participate in the preliminary round?"

"You!" Shen Ning was so angry that her face turned red. She felt that there was no problem with her words, but she didn't dare to mess with this person, so all she could do was glare at her and say angrily, "Of course I know that I won't pass. I don't have much hope for it. I'm just here to watch it with Xiaosheng."

That person smugly curled her lips. "So you're here to accompany Yao Xiaosheng. The main character didn't say anything, but you, the side character, talked too much!"

Shen Ning wanted to say something, but Yao Xiaosheng tugged at her hand. Looking at the sea of people in front of them, she pursed her lips. "Let's go, we're not going to watch anymore. I passed anyway, so I won't waste any time here. I'll prepare well for the preliminary."

Shen Ning didn't want to leave because she wanted to see if she could participate in the preliminary round.

However, there were too many people in front of her. Besides, Yao Xiaosheng had said that she was leaving, so Shen Ning had to leave too. She could only turn back three times and look at the board in the distance unwillingly.

In fact, what they didn't know was that the school had called all the successful participants and let them know about the preliminary round.

[Chapter 340 - It's Not Like I'm Begging You](#)

Yao Xiaosheng didn't return to the house she bought outside the school, thinking she would check the list of names after everyone had left. Instead, she went to a nice restaurant with Shen Ning and Jiang Yu.

Since Shen Ning and Jiang Yu were fawning over her, Yao Xiaosheng decided to treat them to plenty of food.

Yao Xiaosheng was generous enough, she didn't go to any small restaurants, but took them to a nice restaurant.

Yao Xiaosheng needed someone to constantly flatter her and satisfy her ego. It's also because she wanted to have so much confidence to face Liang Zixuan in the future. Therefore, she will not be stingy towards these two people.

Shen Ning and Jiang Yu also did their best to please Yao Xiaosheng.

To Yao Xiaosheng's delight, they also said bad things about Liang Zixuan every day in her presence.

Only they, themselves, knew whether everything they said was really true or not.

Yao Xiaosheng threw the menu in front of them and arrogantly said, "Don't hesitate to order whatever you want to eat, don't be polite to me."

"Haha..." Shen Ning laughed like a pug. "Of course not! How can we be polite to you?"

With that, Jiang Yu and her both chose whatever they wanted, and they weren't polite at all.

Yao Xiaosheng's eyelids twitched when she saw their beaming faces and watched them order whatever they wanted. Why did it feel like she was being crazily slaughtered by someone else?

However, she didn't really care much about the money. She just couldn't stand the greedy looks of Shen Ning and Jiang Yu.

At that moment, Liang Zixuan came in with her friends and the judges of the talent show.

There were too many of them, not to mention Liang Zixuan and co. There were about a dozen assistants following behind them. When they entered, they immediately caught the attention of everyone in the restaurant.

Apart from a large number of people, the most important reason was that this group of people were all a combination of handsome men and beautiful women. Even with one of them alone, the sight was quite eye-catching, not to mention a large number of people gathered together.

This place was near Nanyang Academy, and most of the tables were occupied by Nanyang Academy students. They were there to celebrate their success to move on in the preliminary round, and now that they saw Liang Zixuan and the judges here, they were all very excited.

Liang Zixuan had booked a table in advance and followed the waiter to her table.

"Let's squeeze at one table. It's so crowded here." Liang Zixuan explained.

Although Qin Yu had been raised like a princess from a young age, she never cared about such things. Besides, she had a good relationship with her assistant, so she naturally didn't mind it.

Qin Yu nodded in agreement. "Alright, let's sit down together."

While they were talking, some of the assistants had already moved some chairs and placed them in the middle. More than a dozen people squeezed in and sat down.

Shen Ning put the menu on the table, quietly pointed at Liang Zixuan's table, and whispered, "They actually went out to eat together?"

Previously, Yao Xiaosheng had said that there was no friendship in the entertainment circle. Just a few days after her saying so, Liang Zixuan had already taken Qin Yu and Goo Shegli out to eat. Wasn't this clearly a slap in the face to Yao Xiaosheng?

As expected, Yao Xiaosheng's face turned red. She looked in the other direction angrily, lowered her voice, and said, "It was just an act, okay?"

"Oh." Shen Ning didn't dare to say anything else. After ordering the food, she just sat there and pretended that nothing had happened. However, her eyes occasionally glanced at Liang Zixuan's table.

After a while, Shen Ning could no longer restrain her curiosity. She leaned her head forward and whispered, "Since we didn't have time to look at the school's bulletin board, why don't we ask Liang Zixuan if the three of us passed the audition?"

Jiang Yu knew that there was no chance for her to pass. If she accidentally forced Chen Zhihao to go to the hospital, it would be weird if she still had a chance.

While Shen Ning and Yao Xiaosheng were talking, Jiang Yu kept silent and pretended to be dumb for the first time.

Yao Xiaosheng felt that Shen Ning's words made a lot of sense, but if she asked Liang Zixuan herself, wouldn't that be embarrassing?

Her gaze shifted to Shen Ning and Jiang Yu. She gently tapped her finger on the table and said, "Jiang Yu, you go and ask her. We'll wait for you here."

"Huh?" Jiang Yu looked up with a blank expression. "I ... Why do I have to go?"

"Yes, you go." Yao Xiaosheng said in a tone that couldn't be refused. "I don't have a good relationship with Liang Zixuan, so of course you have to do it."

Jiang Yu was reluctant, but she still wanted to eat Yao Xiaosheng's big meal. After some thought, she slowly stood up and walked to Liang Zixuan's table.

Seeing Jiang Yu coming to their table, Shi Jian quickly whispered into Zeng Zhelan's ear. "This Jiang Yu has a good relationship with Yao Xiaosheng. I wonder why she's here?"

When Zeng Zhelan saw Jiang Yu's face, she remembered the bold and uncontrollable way she had thrown her studded leather jacket. Unable to hold back, she burst out laughing. "Oh, her... I remember her. She left a deep impression during the audition. I could never forget about it!"

Shi Jian was stunned for a moment before hastily asking, "What did she do until she left a deep impression on you?"

Xu Qigang and Cai Yuhan, who were sitting next to Shi Jian, curiously pricked up their ears and listened as well.

Zeng Zhelan whispered to them about Jiang Yu's performance that day.

When Jiang Yu arrived at their table, she happened to hear Zeng Zhelan talking badly about her. Her face turned pale and she curled her fingers tightly at her side.

Jiang Yu wasn't as bold as Yao Xiaosheng, she stood behind Liang Zixuan and whispered, "Liang Zixuan, I want to ask you something."

After all, Jiang Yu was her classmate. Since she came here, Liang Zixuan could no longer ignore her. She looked at Jiang Yu. "What is it?"

Jiang Yu turned to Yao Xiaosheng and Shen Ning, then looked back at Liang Zixuan and sighed wistfully, "Yao Xiaosheng and Shen Ning wanted to ask if they passed."

Liang Zixuan looked at Jiang Yu's face and happened to see Yao Xiaosheng and Shen Ning looking at her from afar.

Jiang Yu's attitude could be said to be very good. She wasn't angry, she just asked one thing.

However, when she heard Zeng Zhelan telling Shi Jian and the others about her embarrassing situation, she felt that Liang Zixuan was mocking her, and her face immediately turned red.

Jiang Yu didn't know where she got the courage to be so angry with her. "I wanted to look at the board, but since there were so many people, I decided to ask you.. What? I'm not allowed to ask you about it? What kind of person are you? If you don't want to tell me, then don't tell me. It's not like I'm begging you!"
