### [Chapter 361 - Why Are You So Pitiful](#)

In a villa in the northern suburbs, Jiang Ning had just taken a shower and was coming out of the bathroom. When she saw the bloody marks on her arm caused by the fans, she hated Liang Zixuan to death.

Originally, she had planned to kidnap Liang Zixuan herself tonight. Who would have thought that as soon as she came out of the theater, a female fan would appear out of nowhere, beating and insulting her?

Only then did she realize that Liang Zixuan had really recorded their conversation. When she remembered what Liang Zixuan had done to her, she became even angrier.

That damnable woman, she is a very hateful person!

People like her should not live in this world!

"Throw her in!" said Jiang Ning to the two men standing in the doorway while she applied hand cream.

When the two men heard this, they immediately went into the next room. They pulled the unconscious Liang Zixuan and threw her on the floor.

Jiang Ning was wearing a nightgown and a pair of cotton slippers. When she saw Liang Zixuan lying on the floor, she smiled mockingly and kicked Liang Zixuan's body with her toes. She casually asked, "When can she get up?"

"Every person is different. If she cannot get up tonight, she will get up tomorrow morning," one of the men said respectfully.

Jiang Ning moaned softly as she gently stroked her wounded arm. "We do not need to wait until tomorrow morning. I want her to get up now!"

"Yes, madam," the man said and went into the bathroom. He poured a bucket of cold water over Liang Zixuan's head.

The stinging cold came. Liang Zixuan shivered and coughed twice before slowly opening her eyes.

She saw a pair of slender female legs in front of her. The way the person crossed their legs was very arrogant.

Liang Zixuan slowly raised her eyes and saw Jiang Ning wiping something on her (Jiang Ning) arm and looking at her (Liang Zixuan) coldly.

Liang Zixuan immediately understood that she had been kidnapped by Jiang Ning.

Liang Zixuan wanted to get up from the ground and move her arms and legs, but she found them tied with ropes and she could not move at all.

Lying on the ground, the corner of her mouth curved into a cold smile as she looked at Jiang Ning.

When Jiang Ning saw the smile on Liang Zixuan's face, her anger rose from the depths of her heart. What she hated the most was Liang Zixuan's insulting attitude.

This bitch was still looking down on her?

Humph!

Jiang Ning stomped her foot on Liang Zixuan's hand, which was tied with a rope. She stepped on them hard and asked with a fierce expression, "What are you laughing at?"

The excruciating pain coming from her fingers made Liang Zixuan frown slightly. However, a smile could still be seen on her face, and now she even laughed out loud. "Haha, why am I laughing? You actually asked me what I was laughing about?"

Jiang Ning frowned in anger and stepped on Liang Zixuan's hand harder while shouting, "Speak, what are you laughing at?!"

"Haha ..." The more Liang Zixuan felt the pain, the louder she laughed. There was no fear on her face, and she looked at Jiang Ning with more sympathy. She suppressed the pain and said, "I laughed at you for being pitiful. Jiang Ning, why are you so pitiful?"

"I am pitiful?" Jiang Ning threw the cream in her hand on the ground and stood up abruptly. She pressed her weight on Liang Zixuan's fingers and looked down at Liang Zixuan, saying cruelly, "Are you actually calling me pitiful? Look around us! Who is pitiful now? It is you, Liang Zixuan. I have caught you and you can't run away anymore. I will torture you however I want!"

Liang Zixuan looked at Jiang Ning with tears and laughter. Jiang Ning felt that Liang Zixuan was in pain and covered it up with laughter.

Liang Zixuan slowly shook her head and smiled. "Jiang Ning, you have no shame at all. A young woman like you who has money and power, what kind of man do you want? Just because you like my husband, you did this? No matter how good my husband is, he remains my man. He loves me only, and in his heart, there is only me! While you? You are nothing in his eyes. No matter how much you do, you are just an air in his eyes!"

An oppressive pain emanated from her finger, causing Liang Zixuan to jerk in pain, but she was still smiling and looked at Jiang Ning mockingly. "Tell me, what else can you do besides kidnapping me? Whatever you do, my husband will not even look at you! I feel sorry for you, how sad you look right now. How sad for a woman to go this far for a man."

Jiang Ning really hoped that she could rip Liang Zixuan's mouth.

Jiang Ning saw the whip she had prepared earlier on the couch. She felt that just stepping on Liang Zixuan's hand wouldn't be enough to extinguish her hatred, so she abruptly turned around and walked to the couch.

She picked up the whip and walked back angrily. "Bitch, if I hadn't beaten you to death today, my family name wouldn't be Jiang!"

The leather whip hit Liang Zixuan's arm, body, and even her face, causing her to roll on the ground in pain. Her arm subconsciously protected her face, but no matter how much it hurt, she didn't even make a sound.

When Jiang Ning saw her stubborn and unyielding attitude, she became even angrier.

Even she felt like a crazy person at that moment.

Liang Zixuan, on the other hand, didn't seem to be in a sorry state, even though she was tied up and lying on the ground.

No matter what kind of situation she was in, she had always maintained a haughty attitude and never begged for mercy just because she was at a disadvantage.

Jiang Ning's eyes turned red as she lashed out at Liang Zixuan with her whip while shouting, "Liang Zixuan, beg me! If you beg me, I won't hit you anymore. Beg me quickly!"

Liang Zixuan clenched her teeth tightly. To her, this little bit of pain wasn't even a third of the pain she felt when she was burned alive. This was nothing she couldn't bear.

Beg for mercy? Even if she died, she would not beg Jiang Ning!

Liang Zixuan's jacket had been taken off when she was pushed into the room. She was only wearing a thin, simple shirt. The cracks on her clothes were smeared with blood, and the open wounds looked very terrifying.

Jiang Ning, on the other hand, was like a lunatic. She continued to beat Liang Zixuan until she was too tired to raise her arms. Only then did she sit down on the bed, panting heavily.

When Jiang Ning saw Liang Zixuan like this, she gritted her teeth hatefully. "Liang Zixuan, are you stupid? Why don't you beg me?!"

Jiang Ning really didn't want to kill Liang Zixuan. She understood the law and knew that no matter how powerful the Jiang Family was, as long as she killed someone, she couldn't escape the punishment of the law.

She just wanted to see how scared Liang Zixuan looked. She just wanted Liang Zixuan to give in and beg for her help, but she couldn't!

#### [Chapter 362 - What's The Point Of Offending Me](#)

It was so infuriating!

Liang Zixuan slowly lowered her hand. Her face was well protected, leaving only a pinky-sized bloody mark on it. There were no other injuries. She looked at Jiang Ning and suddenly laughed out loud. "Haha... Jiang Ning, are you still saying that you aren't pitiful? What can you do to me? Do you think that just because you hit me, I'll beg? Heh...Let me tell you, even if you kill me, I won't beg you, because you don't deserve it! You will always be my unworthy opponent and will never be able to win against me!"

Jiang Ning really had no strength left. If not, she'd definitely slap Liang Zixuan again. Her mouth was just asking for a slap!

If she wasn't angry to death, Liang Zixuan definitely wouldn't be able to survive.

Jiang Ning threw the whip to the ground and smiled at her. "Don't worry, I won't kill you. I'll just make you feel worse than death!"

She suddenly raised her eyes and looked at the two men in the room. She asked proudly, "Have you ever played with a famous celebrity before? If you want to play, you can do it now. You can do whatever you want with her."

Liang Zixuan's pupils trembled violently. She did not expect Jiang Ning to be so despicable and shameless. Jiang Ning was also a woman. There was really no other woman who was worse than her.

The two men looked down at Liang Zixuan who was lying on the ground. They felt their hearts itching, but they didn't have the courage or heart to do so.

They knew who Liang Zixuan was, and they also knew how strong the Han Family was.

Although they helped Jiang Ning kidnap her, as long as Liang Zixuan's life wasn't harmed, Jiang Ning was the one who attacked. At most, they were an accomplice, and even if they went to prison for several years, they would manage to get out.

As for Jiang Ning, she had given them enough money to spend the rest of their lives. Therefore, they were still able to survive several more years in prison.

However, if they did something to Liang Zixuan, let alone a few years in prison, even their families will not be able to escape.

The two men thought very clearly, their heads lowered in silence.

When Jiang Ning saw their expressions, she was so angry that she took the pillow from the side and threw it at them cruelly. "Trash! Coward! You two are really worthless human beings! You don't want to play with her, are you even a man?!"

The two men lowered their heads, not daring to make a sound.

Jiang Ning took a deep breath and looked at Liang Zixuan. The smile on Liang Zixuan's face really stung her eyes. Why can't she do anything to her?

Just a simple blow was not enough to get rid of the anger that had accumulated in Jiang Ning's heart.

After thinking, she said, "Whoever dares to do it, I will give him an extra five million! I also promise to protect your family and allow them to leave the country to escape the wrath of the Han Family!"

Jiang Ning raised her head and glared at them. "Which one of you dares to do it?"

Hearing this, the two men immediately faltered.

Five million!

Before this, one million was enough for them to live for the rest of their lives.

Now, with five million more, it would be six million in total. Who could resist such a temptation?

They looked at Liang Zixuan's delicate and soft skin. Although she was injured, it had a kind of maimed beauty. The blood had stimulated their adrenaline, causing them to be so eager.

The two men rubbed their hands together and walked toward Liang Zixuan.

Liang Zixuan's eyes widened when she saw them approaching her, and she said loudly, "If you let me go, I will give you 10 million yuan each. And also promise not to implicate your family!"

Seeing that the two men hesitated, Jiang Ning laughed cynically. "Don't listen to her. I know very well who Han Yuanjun is. As long as you attack his woman, whether you kidnap her or force her, he definitely will not let you go. Do you think he will still give you the money? Don't be stupid, be quick, and don't hesitate. I personally want to see you play with her. Play brutally with her for me!"

Without hesitation, the two men stepped closer, squatted down, and began to untie Liang Zixuan's hands and feet.

Liang Zixuan kicked them with her feet while her hands struggled continuously. The two men had no choice but to hold her tightly and started to untie the ropes.

Jiang Ning looked at Liang Zixuan's flustered expression and laughed with satisfaction. "What, now you know fear? It's useless to beg for mercy. Liang Zixuan, I want to see how stupid and despicable you are. Don't be too polite, you have two men with you. It will be amazing."

"Jiang Ning, are you crazy? Han Yuanjun won't let you go!" The ropes on Liang Zixuan's hands and feet had already been loosened, and she was frantically punching the two men in front of her.

Jiang Ning watched the scene calmly. The more desperate and frightened Liang Zixuan became, the happier she was.

She put a hand on her leg, propped up her chin, and looked at Liang Zixuan with a smile. "It doesn't matter if he lets me go or not, since I've already done it, what's there to be afraid of? But you, Liang Zixuan, do you think Han Yuanjun will still want you even after you're saved?"

Jiang Ning's voice became more and more cheerful. "Liang Zixuan, oh, Liang Zixuan. You shouldn't offend me. I mean, what's the point of offending me? I have prepared two strong men for you now. They'll surely make your life enjoyable. Why don't you hurry up and thank me?"

"Crazy... You're crazy!" Liang Zixuan's top had been torn by the whip from the beginning, but when the two men tore it completely, her scarred and wounded skin was revealed.

The two men also threw caution to the wind. When they saw the wound on Liang Zixuan's body, they were so excited that they started attacking her.

Liang Zixuan's eyes reddened as she suddenly bit a man's ear fiercely when he tried to kiss her neck.

The man cried out in pain and tried to push her away, but she bit his ear with all her might. Just as the man was struggling, Liang Zixuan lifted her chin, and the man cried out in pain and rolled on the ground while holding his ear.

The man next to her was shocked and froze on the spot.

Jiang Ning also looked in shock at the blood flowing from the corner of Liang Zixuan's mouth.

Liang Zixuan's eyes were as red as an asura from hell as she stared viciously at her.

Jiang Ning was so frightened that even her heart trembled.

Was Liang Zixuan still a woman?

Why was she so fierce?

"What are you still standing there for? Hurry up and mess with her! You, a man, can't even hold a woman?" Jiang Ning anxiously stood up and pointed at the dumbfounded man as she scolded him.

The man was also angered. He raised his hand and slapped Liang Zixuan twice. Then he pulled her by the leg and dragged her to the ground.. He then forcefully pressed his hand on her body.

### [Chapter 363 - Will Han Yuanjun Sleep With Me For You](#)

Yao Xiu was driving very fast. Normally it would take him an hour to get there, but it only took him 20 minutes to get there right now.

The main reason was that there were not many cars on the road now, so the road was not obstructed.

When Han Yuanjun arrived, Deng Hui and Dai Tian also arrived.

Gong Enlai immediately jumped out of the bushes when he saw them.

Yao Xiu looked at the parked car and thought in his heart, "If he's hiding, the car is still here. Isn't it easy for everyone to see him?"

Why did he want to hide?

As he thought about this, he heard Gong Enlai say to Han Yuanjun. "We have tracked down a total of 23 people inside, but we are not sure where Zixuan is. Until we can ensure her safety, we cannot act rashly."

Han Yuanjun took a deep breath and had to admit that Gong Enlai was a professional. He wore camouflage clothes and even his men wore the same clothes. It was perfect for hiding. Besides, it was night, and even if they hid here during the day, it would be hard to find them.

Han Yuanjun nodded. "We can basically be sure that Jiang Ning is the one who kidnapped Zixuan. I can guess why she kidnapped her."

Gong Enlai's expression was a bit ugly, and he also had a scolding look. "How exactly are you dealing with this? You let her approach Zixuan even though you knew how far she would go!"

Han Yuanjun was helpless as well, but now was not the time to explain to Gong Enlai.

"What should we do now?"

In Gong Enlai's heart, he only cared about Liang Zixuan's safety. It was best for the criminals inside to make a run, otherwise, he would definitely let them have a taste of his iron fists!

"Right now, we can't rashly attack them. The best way is for one of us to go inside and confirm Zixuan's whereabouts and safety. Then we can attack them and ensure her safety at the same time."

Han Yuanjun looked at the door of the villa. No one was patrolling there right now, but the lights in the villa and in all the rooms were on. Therefore, he couldn't determine the whereabouts of Liang Zixuan.

Besides, if no one came in to ensure her safety, once they were found, these criminals would surely use her life to threaten them.

"I'm going in!" Han Yuanjun said firmly. "Jiang Ning kidnapped Zixuan because of me. If I go inside, not only will I let her and those criminals lower their guard, I can also protect Zixuan."

Gong Enlai looked at Han Yuanjun in uncertainty and frowned, "Can you do it? If you can't, you will only endanger her life."

Han Yuanjun gritted his teeth. "I can! Right now, time is of the essence. If Zixuan is really inside, she's a second from danger. Considering the situation, only I can go."

"Alright!" Gong Enlai didn't waste time with words, he took a pocket camera from the side and put it on Han Yuanjun's tie.

"Wear this properly. It's better if you can record the whole view of the villa so we can pinpoint the criminal's whereabouts. But remember, before we find Zixuan, you must not act rashly."

"I know." Han Yuanjun lowered his head and looked towards the camera. After correcting it with his hands and making sure there were no problems, he raised his legs and prepared to go.

Gong Enlai grabbed his arm. "Do you know how to use a gun?"

Han Yuanjun was startled for a moment.

Gong Enlai didn't think before taking out his gun and placing it into Han Yuanjun's hand, "Use this to protect yourself."

"No need." Han Yuanjun shook his head. "Don't worry about me. I don't believe in myself. According to my anger now, if I have a gun with me, the moment I'll go inside, I will destroy them all by myself." He paused, "Do you have a knife? The kind that's convenient to carry around."

It wasn't that Han Yuanjun didn't want to kill these people, but he was afraid that if they found out he was armed, they would endanger Liang Zixuan's safety.

Right now, he definitely didn't want to bring any danger to her at all. Even if it cost him his life, Han Yuanjun had to make sure his wife was safe.

Gong Enlai nodded and kept his gun. He pulled out a knife from his waist. "This knife can cut through metal like mud. If it is used well, it would be better than a gun."

Han Yuanjun took the knife and waved it casually. Wherever the tip of the knife hit something, it would cut it in half. After making sure the knife was sharp, he tucked it behind his waist and covered it with his suit.

Then he patted Gong Enlai on the shoulder and walked toward the door of the villa.

Standing in the doorway, he raised his hand and pressed the bell.

In the bedroom on the second floor of the villa, Jiang Ning was watching the man subdue Liang Zixuan with a smug face. Just as the man was about to attack Liang Zixuan, another man suddenly entered the room. "Miss Jiang, Young Master Han is here."

"What?" Jiang Ning suddenly stood up with a face full of surprise and joy. However, the shock only lasted for a moment.

She paced around excitedly, muttering to herself. "I didn't think he would find this place so quickly! As one would expect from a man I like. He's really different."

Jiang Ning kicked the man on top of Liang Zixuan's body. Then she squatted down and looked at Liang Zixuan's tangled clothes with a smug smile on her face. "You are lucky today. Han Yuanjun came so fast. Otherwise, I would let you suffer a fate worse than death!"

Liang Zixuan met her gaze without fear. Blood dripped from the corner of her mouth as she smiled, "My man is here to save me. Jiang Ning, what makes you so happy?"

"How can I be unhappy?" Jiang Ning grabbed Liang Zixuan's hair and looked at her with a provocative smile. "Tell me, will Han Yuanjun sleep with me for you? I can't wait to see what level he can reach to save you. Hahaha..."

Jiang Ning's laughter was sinister and cold as it entered Liang Zixuan's ear. Liang Zixuan looked at Jiang Ning's satisfied smile. Suddenly, her head smacked towards Jiang Ning's head.

Bang!

Jiang Ning crashed to the ground with a golden star shining in her eyes. Even her brain was almost blown away by the impact.

Jiang Ning pushed herself up and angrily shouted to the two men beside her. "Tie her up for me! Then you will cover her mouth and hide in the cloakroom.. I want her to see Han Yuanjun sleeping with me. I want to make her feel like she wants to die!"

### [Chapter 364 - As Long As You Obey Me Tonight, I Guarantee That Liang Zixuan Will Leave This Place Unharmed](#)

Jiang Ning actually had no intention of hurting Liang Zixuan when she planned to kidnap her.

She just wanted to tie up Liang Zixuan and hide her in the cloakroom. She knew that Han Yuanjun would definitely find this place soon. She was just using Liang Zixuan to threaten him.

Regardless of whether Han Yuanjun agreed or not, seeing the two of them sleeping together was a heavy blow to Liang Zixuan's heart.

If Han Yuanjun disagreed, it proved that Liang Zixuan was not that important to him. If he agreed, it was also proof that Liang Zixuan was not that important to him.

Who wouldn't suffer when they see their men sleeping with another woman?

As long as Han Yuanjun did it, even if Jiang Ning let Liang Zixuan go, Liang Zixuan and Han Yuanjun would definitely get a divorce.

Jiang Ning knew that as long as Liang Zixuan was fine, she could never commit a crime. Even if she did, the punishment would not last long. The Jiang Family could save her with a little money.

That was why Jiang Ning was so daring.

For Liang Zixuan and Han Yuanjun, this move of hers was a dead game to their relationship.

No matter what happened, Liang Zixuan and Han Yuanjun could only be separated.

The two men worked together. One held Liang Zixuan tightly, the other tied her hands with ropes. To make it easier for her to move, they didn't tie her legs.

Then he took a handkerchief and roughly stuffed it into her mouth.

Liang Zixuan was dragged by one of the men into the cloakroom to hide, while another wiped the blood on the ground and the man with the bitten-ear went downstairs to open the door for Han Yuanjun.

Jiang Ning fixed her nightgown and laid down on the bed. She looked enchanting and couldn't wait to see Han Yuanjun.

Han Yuanjun stood there for twenty minutes before the door was opened.

The man at the door looked behind him and when he saw no one, he coldly said, "Come in!"

*η0vElUSB.cOM*

Han Yuanjun put a hand in his pocket and followed the man inside. He deliberately slowed his pace as if he was admiring the decoration of the villa. He looked left and right, and a mini-camera on his tie followed his movements, sending the location of the criminal on the first floor to Gong Enlai.

Looking around, there were twelve people on the first floor. There were three mahjong tables, each occupied by people. These criminals were quite relaxed. They actually had the mood to play mahjong in times of crisis.

There were several people standing on each floor. Han Yuanjun walked over and counted the number of heads. Including the one who led the way, there were twenty people.

Earlier, Gong Enlai had told him that there were twenty-three people in the villa and there were twenty of them here, so the remaining three should be in Jiang Ning's room.

Han Yuanjun figured that he would be taken to her bedroom eventually.

There, Jiang Ning was lying on the bed. Han Yuanjun only glanced at her for a second before glancing to the side. There was only Jiang Ning and three men who he didn't see.

That meant Liang Zixuan's life was in danger if he wasn't careful.

Jiang Ning lay on the bed and changed her posture several times. Han Yuanjun only glanced at her when he came in, and then ignored her.

Jiang Ning pouted. "Brother Jun, why aren't you looking at me?"

Han Yuanjun stood there silently and looked at Jiang Ning again. Her fake attitude really made him feel disgusted.

Han Yuanjun pursed his lips and looked like he was in a good mood while talking to her. "I see that your house is quite big. Besides this one, there must be other bedrooms, right?"

Jiang Ning sat down on the bed and deliberately lifted the end of her nightgown to expose her legs. Her toes brushed the edge of the bed as she pretended to say, "Brother Jun, don't try to trick me. I won't tell you where Liang Zixuan is."

Han Yuanjun raised his eyebrow and knew it wouldn't be that easy. He stood there looking at Jiang Ning with a smile.

The smile on his face made Jiang Ning complacent. She said to the man who'd brought Han Yuanjun up the stairs. "Go and guard the door. If I don't call you, don't come in."

"Yes." When the man left, it was unknown whether he had a guilty conscience or wanted to confirm something, but he looked toward the cloakroom.

Han Yuanjun looked at him and smiled without batting an eyelid.

Jiang Ning patted the space next to her and held out her hand towards Han Yuanjun. "Brother Jun, come here and sit down."

Han Yuanjun stood there without moving. Jiang Ning pouted and said coquettishly, "If you don't come, I won't tell you where Liang Zixuan is."

Han Yuanjun showed an expression of helplessness as he walked over and sat beside her.

Jiang Ning was overjoyed. Her hand proudly went up to Han Yuanjun's shoulder, hugging him from the side and whispering in his ear. "Do you know what I want to do?"

Han Yuanjun smiled as he glanced at her. "I don't know."

Jiang Ning giggled and ran her hand along Han Yuanjun's shoulder, slowly moving it to his collar. After unbuttoning the two buttons on his collar, she slid her finger inside his shirt.

Touching him greedily, she teased him. "How can you not know? Didn't I do all of this for you? As long as you obey me tonight, I guarantee that Liang Zixuan will leave this place unharmed, otherwise ... "

Han Yuanjun suddenly raised his hand and cruelly held Jiang Ning's wrist. Although the ripples on his face didn't change, Jiang Ning's eyes were already red with pain.

Jiang Ning knew that Han Yuanjun would refuse, but she didn't think that he would refuse so firmly. She was a woman and yet she didn't understand his heart.

From beginning to end, she only wanted Han Yuanjun as a person.

She was beautiful and had a good family background. She was a thousand times better than Liang Zixuan.

Jiang Ning's eyes turned red as she looked angrily at Han Yuanjun. She gritted her teeth and said, "If you don't agree, then I will kill Liang Zixuan!"

Han Yuanjun pushed Jiang Ning away and quickly stood up. He looked coldly at her, who fell on the bed, and reached behind him to remove the knife.

A cold light flashed before his eyes, and Jiang Ning immediately saw the weapon. The cold gleam of the blade alone was enough to frighten her.

"Han Yuanjun! Do you think it's useful for you to threaten me? Let me tell you, even if you kill me today, I won't let Liang Zixuan off. I dare to kidnap her because I want to die together with her. If you want Liang Zixuan to die, then try to kill me!" Jiang Ning raised her head and looked at Han Yuanjun menacingly.

Han Yuanjun chuckled and caressed the blade with his fingers. In a cold voice, he asked, "Jiang Ning, what do you like about me?"

### [Chapter 365 - Let Her Go And I'll Give You My Life](#)

Jiang Ning looked at Han Yuanjun in disbelief. He actually asked her what she liked about him?

Jiang Ning felt that she had heard the stupidest question in the world!

Jiang Ning looked at Han Yuanjun and shook her head with a disappointed smile. "You actually asked me what I like about you? Do you think I like your position in the Han Family as much as other women who want to climb the position? No, I don't! I like you. I have loved you since I was little. You are the most handsome man I have ever met, and the most attractive!"

Jiang Ning paused and took a deep breath. "My feelings for you are not as small as Liang Zixuan's. She only loves you for your money, but what I love is you!"

"Oh?" Han Yuanjun raised his eyebrow and laughed a little. "So, it turns out that you like my face."  
**NOvelUSB.com**

As soon as he had finished speaking, he suddenly twisted his wrist, and a cold, sharp knife struck his face cruelly. His handsome face had a surprising red streak.

When Jiang Ning saw this, she gasped in surprise. She jumped out of bed like a madwoman and rushed into Han Yuanjun's arms. She raised her hand and touched the bloody scar on Han Yuanjun's face with her trembling fingers. Her heart ached.

She shouted at him. "Are you crazy? Would you rather be disfigured than go to bed with me?"

Han Yuanjun lowered his head and his cold gaze fell on Jiang Ning's sad and desperate face. He asked in a deep voice, "What else do you like about me? Speak!"

"NO! It's not like that! Han Yuanjun, no matter what, you shouldn't be like this! You can reject me, or you can ignore Liang Zixuan's life and death, but you can't hurt yourself like this!"

"You're wrong!" Han Yuanjun pushed her away. "For her, I can give up my life! Even if I didn't want my life, I would never allow myself to do anything that would hurt her. I would never betray her in my life! Jiang Ning, your goal is to separate me and my wife. If I disagree with you, you want her life. Since that's the case, why don't I give my life to you? Let her go."

As he said this, Han Yuanjun took a step toward Jiang Ning. His sharp knife immediately pressed against her neck. The cold smile on his face made Jiang Ning's heart tremble violently.

Jiang Ning cried in despair and sorrow. "I don't want your life! I only want you as my man, can you put down the knife?"

"Too bad!" Han Yuanjun stood close to her, holding the knife against his neck as he looked at Jiang Ning and smiled. "If I die, then your goal will be achieved. Let her go and I'll give you my life."

"For what do I want your life for?" Jiang Ning pushed Han Yuanjun away and retreated a few steps out of fear. Her feet hit the foot of the bed and she staggered. She sat down on the bed and said, "I don't want your life."

Liang Zixuan's mouth was stuffed with something. She wanted to say something, but no matter how hard she tried, she could only let out a soft "wuu...wuu" sound. The people outside couldn't hear her, but she could see what was going on outside.

She really didn't think Han Yuanjun would go this far for her.

Seeing the wound on his face caused her heart to ache, especially when the knife was pressed against his neck. With just a little force, it could cut his throat.

Liang Zixuan was crying. She wanted to say something, but she couldn't. She could only cry.

At this moment, she really felt that her life was no longer that important.

At this moment, she actually hoped that Han Yuanjun could be with Jiang Ning.

As long as Han Yuanjun didn't die, as long as he wasn't injured, everything was fine.

Really, no matter what!

Liang Zixuan didn't care, she really didn't care about anything anymore. She just wanted Han Yuanjun to be fine.

"Wuu ... Wuu ..."

The man grabbed Liang Zixuan tightly by the waist and threatened her in a low voice, "You better be quiet or I'll kill you!"

Liang Zixuan didn't want Han Yuanjun to do anything further. According to his character, he would actually cut his own neck with his own hands.

Liang Zixuan resisted for a moment, and just as the man was about to do something, she suddenly turned around and kicked him hard in the lower part of his body.

The man's face flushed red as he held the lower part of his body and screamed in pain.

Han Yuanjun suddenly heard a commotion in the cloakroom. Han Yuanjun remembered the look on the man's face before he left and was sure that Liang Zixuan and the remaining criminals were hiding in the cloakroom. He shouted into the air, "Attack!"

Jiang Ning didn't know who Han Yuanjun was shouting at, but when she saw him running toward the cloakroom with a knife in his hand, she jumped off the bed anxiously and hugged him from behind.

Han Yuanjun had already determined Liang Zixuan's location, but he still didn't know whether she was safe or not. The loud noise had frightened him, and now he was growing increasingly impatient with Jiang Ning as she tried to stop him.

The knife in his hand suddenly spun around and he stabbed Jiang Ning from behind.

"Ah!" Jiang Ning cried out and reflexively released Han Yuanjun. She grabbed her shoulder and retreated a few steps in pain before looking at him in disbelief. "Han Yuanjun, you dare to attack me?"

Han Yuanjun ignored her. He pushed open the cloakroom door just in time to see Liang Zixuan fall to the ground.

"Baby!" Han Yuanjun immediately hugged her. When he saw the blood on the back of Liang Zixuan's head, his expression darkened and he cruelly stared at the man.

Startled, the man lowered his hand, and the clothes rack slipped out of his grip.

Han Yuanjun raised his leg and gave the man a fierce kick. The man crashed into the wardrobe and spat out a mouthful of blood in pain.

Han Yuanjun had no intention of letting him go, so he gently laid Liang Zixuan on the ground, walked to the man's side, and kicked him hard in the stomach.

The man felt as if his intestines were about to be kicked out of his body. He was crying and begging for forgiveness. "Don't hit me, I'm wrong, ah ...Stop, stop hitting me...."

Soon, Gong Enlai led his men and rushed up to the second floor. Since they were all professional soldiers, dealing with these criminals was easy and fun.

Meanwhile, Wei Xiaofan led his men and handcuffed the criminals.

### [Chapter 366 - Make Sure That The Entire Jiang Family Dies Without A Burial Ground](#)

When Gong Enlai arrived, Han Yuanjun was holding a knife in his hand and stabbed Jiang Ning's body with it. It was not fatal, but the pain was worse than death.

Even Gong Enlai, who was already accustomed to life and death situations, froze when he saw Jiang Ning's miserable appearance with a body full of wounds.

What kind of anger had she aroused in Han Yuanjun that he would do such a thing to a woman?

From the looks of it, even if Jiang Ning managed to survive, her hands and feet would still be paralyzed. Could she still live like a normal person after the tendons in her arms and legs were cut?

Seeing Han Yuanjun stabbing her with red eyes, Gong Enlai went to him and patted his shoulder. "That's enough! If you stab her again, she will die."

Han Yuanjun then stopped. He looked at Jiang Ning emotionlessly and stood up. He turned around, walked to the cloakroom, and lifted Liang Zixuan gently off the floor.

When Gong Enlai saw that Liang Zixuan was unconscious and there's blood on the back of her head, he immediately asked nervously, "What happened to her?"

Han Yuanjun took a deep breath and felt a bit guilty. "Just now, she was entangled with the criminal and he hit her head with a clothes rack. I need to bring her to the hospital now."

"Alright, go!" Gong Enlai nodded. "You also need to check the wound on your face. Don't worry about everything here. Leave it to me, I'll make sure none of them escape!"

Han Yuanjun quickly ran out with Liang Zixuan in his arms.

Gong Enlai went to Jiang Ning's side. Seeing her bloodied body lying on the ground, he spat at her. "Pui! You dare to touch Zixuan? Why don't you take a look at yourself! I will cripple you and lock you up in prison for the rest of your life!"

Deng Hui drove the car quickly while Dai Tian sat in the passenger seat. At the moment, they really didn't dare to waste time because they were afraid that something might happen to Liang Zixuan.

Yao Xiu followed behind them with his car.

Han Yuanjun hugged Liang Zixuan tightly; he didn't dare to wake her up or move her. He just held her and his heart sank bit by bit.

Jiang Ning was too audacious. She dared to lay a hand on his wife today. If something happened to Liang Zixuan, Han Yuanjun would bury the entire Jiang Family with her!

The elders of the Han Family were still awake. After receiving the call from Yao Xiu, they quickly went upstairs to get dressed and then had Zou Juan drive them to the hospital.

When Principal Tao heard that Liang Zixuan had been successfully rescued, his anxious heart finally calmed down. However, when he heard that she was injured, he panicked and asked the Han elders for permission to meet her with his assistant.

The Han elders were in a hurry, so they immediately agreed to his request.

On the way to the hospital, Old Madam Han discussed with Old Man Han whether they should call Luo Yanyun and Qiao Hongya, and they decided to call them.

When Qiao Hongya heard that Liang Zixuan had been kidnapped, he immediately woke up. He said nothing to the Han elders, woke Luo Yanyun instead, and drove to the hospital.

When Han Yuanjun arrived at the hospital, doctors and nurses were already waiting for them outside.

Han Yuanjun got out of the car with Liang Zixuan in his arms. The doctors and nurses rushed to help him put Liang Zixuan on the bed and then pushed her into the emergency room.

Han Yuanjun only sat for a while before the Han elders, Qiao Hongya and Luo Yanyun, arrived.

"What's going on?" Qiao Hongya was so anxious that his face darkened.

Han Yuanjun told him what had happened today. Qiao Hongya was furious, but when he saw the wound on Han Yuanjun's face, he had to hold back his anger.

He knew that Han Yuanjun didn't want this to happen. Although he was to be blamed for this, the responsibility didn't lie with him, but with Jiang Ning.

Luo Yanyun squeezed Qiao Hongya's hand and calmly said to Han Yuanjun, "You are also hurt, go and take care of it first."

"I'm fine." Han Yuanjun stood there, his eyes looking at the emergency room door. He said in a heavy tone, "I want to stay here and wait for Zixuan."

Old Madam Han saw the long scar on her grandson's face and felt her heart ache. But at this point, he was more concerned about Liang Zixuan, and Old Madam Han also knew that Han Yuanjun had a stubborn temperament. How could he leave before knowing about Liang Zixuan's situation?

Old Madam Han called a doctor and asked him to come here to treat Han Yuanjun's wounds.

After the injury on his face was treated, Han Yuanjun glanced at Old Man Han and said with a darkened tone, "Grandfather, Jiang Ning dared to touch Zixuan. I will make sure that the entire Jiang Family dies without a burial ground!"

Back then, the Jiang Family depended on the support of the Han Family to achieve their current status. Although Old Man Han hated Jiang Ning, he still gave a face to the Jiang Family because of his relationship with Jiang Ning's grandfather.

But the Jiang Family dared to act out of line! They thought that since they had grown stronger, they no longer needed to rely on the Han Family, that their wings were strong.

"Alright!" Old Man Han nodded his head vigorously and said without holding back, "Break all connections the Han Family have with the Jiang Family. We must make sure that their family completely disappears from the business world within a month!"

After Qiao Hongya heard this, the anger in his heart slightly subsided. Considering how the Han Family would take revenge against the Jiang Family, he tried to be lenient. Otherwise, he would definitely not let go of the Han Family.

Old Madam Han held Luo Yanyun's hand. "Don't worry, we will definitely seek justice for Zixuan! No matter how strong the other party is, we won't let them go so easily, even if we have to give everything we have in the Han Family."

Luo Yanyun sat down on the chair with Old Madam Han while Qiao Hongya sat next to her. She told Old Madam Han and Qiao Hongya at the same time. "Since Zixuan married into the Han family, she is a member of the Han Family. Justice must be sought and we shouldn't be angry with our own people."

Qiao Hongya looked at her and pursed his lips.

These words were clearly directed at him.

An hour later, Liang Zixuan was pushed out of the emergency room. The doctor told them, "She had a bruise on the back of her head, but it wasn't too bad. She did not suffer any concussion. She should wake up soon."

Everyone sighed with relief, thanked the doctor, and followed Liang Zixuan to the ward.

Probably because of the anesthesia, Liang Zixuan had not woken up even after a long time. She was lying on the hospital bed with her eyes closed and looked very calm, as if she had just fallen asleep.

Although the VIP ward was not small, but the people inside were too many. Since the Han elders didn't sleep at all, Han Yuanjun asked them to rest first.

The Han elders did not sleep all night because they were worried about Liang Zixuan.. Previously, they were in high spirits because they were afraid about Liang Zixuan's situation, but now, knowing that her life was no longer in danger, they all became tired.

### [Chapter 367 - The Jiang Family Destruction I](#)

The Han elders nodded and felt that they should go back and rest. Otherwise, they would collapse before Liang Zixuan could get up. At that time, Han Yuanjun not only had to take care of his wife but also them.

Seeing that Qiao Hongya and Luo Yanyun didn't want to leave yet, the Han elders pulled them toward the door while trying to persuade them to leave.

Qiao Hongya and Luo Yanyun also knew that they were no longer young. If they did not sleep well, they could easily collapse. So they followed the Han elders and left the ward.

Han Yuanjun and Liang Zixuan were the only ones in the ward. He sat beside her bed and took care of her. When he saw that she showed no signs of waking up, he took out his phone and sent a WeChat message to the group.

"Wake up. I have something urgent that needs your help."

It was already 6:30 in the morning, and those people in the group, regardless of whether they were men or women, were all successors in their family's business. No one had the habit of waking up late. Not to mention that something must have happened to Han Yuanjun, therefore, no one pretended to be dead and answered immediately.

Dong Yong: "I'm here. Third Brother, what happened? Summoning us so early in the morning, something must have happened, right? Tell us immediately."

Shao Renshu: "Third Brother, I'm here."

Zhang Feng: "I'm here."

Qiao Zhenya: "I'm here too."

Gao Nianzu: "I have no woman, of course I woke up early. When I heard Third Brother calling, I immediately came out of the bathroom."

Liu Xingchi: "I have a wife, but when I heard Third Brother's call, I woke up immediately. What's wrong?"

Suddenly, more than a dozen people started talking. Han Yuanjun took a look and saw that they all came out. **noVELusb.cOm**

Then, he saw Wei Xiaofan send a frightened emoji. "Third Brother, are you going to attack? Great, rest assured. Leave the law to me, none of them will escape!"

When everyone saw Wei Xiaofan say this, they immediately knew that something had really happened. They all sent questioning emojis to Han Yuanjun.

Han Yuanjun's finger continued to press on his phone. "Which family is working with SAIC International? Please help me. Starting today, we will end all our partnerships with them. Han Group Media will announce it today."

Zhang Feng: "My family has it. My family's pharmacies have a partnership with them. A word from Third Brother, I will end all our partnerships without any delay."

Qiao Zhenya: "I have businesses in their malls. From today onwards, I will end our partnership."

Dong Yong: "My family has opened a few high-end restaurants in their shopping malls. Since that's the case, we are closing our business there and withdrawing our partnership."

Liu Xingchi: "I will also withdraw."

Han Yuanjun looked at all of them and heaved a sigh of relief. "Brothers, I thank you. I will compensate you for your losses."

Zhang Feng: "What loss? It's not like there are only their malls and hypermarkets in this country. My family has a lot of our own pharmacies."

Qiao Zhenya: "Third Brother, you are too serious. Your problem is our problem too. The Jiang Family has offended you, which means they offended us too."

Dong Yong asked curiously, "Third Brother, what happened? Why do you want to destroy this family?"

Before Han Yuanjun could say anything, Wei Xiaofan spoke up. "That bitch Jiang Ning kidnapped sister-in-law and hurt her badly! She's still in the hospital and hasn't woken up yet. Third Brother also has a cut on his face. How can we appease Third Brother's anger if we do not kill and destroy them?"

Gao Nianzu: "What the hell! Was Jiang Ning crazy? F\*ck it. Let's kill her family. Third Brothers, don't be so soft-hearted! She dares to lay hands on sister-in-law, that means she simply doesn't put us in her eyes!"

Liu Xingchi: "Her body is really emboldened by dog guts. She dares to touch my sister-in-law? From today onwards, I will not let the Jiang Family live in peace!"

Shao Renshu: "They rent my buildings for their hypermarkets. Originally the monthly rent was one hundred and fifty thousand, this time I'll give them ten times that! As long as Jiang Tingguang rents my buildings, I'll increase the rent and fill in the money that our brothers have lost!"

Qin Shanyuan was startled by the vibrating of his phone. He opened WeChat and saw that the group chat was already in turmoil. He started reading one message after another and almost threw his phone away in anger.

Qin Shanyuan: "Since Jiang Ning dares to touch my aunt, I will tell my father to cancel all our partnerships with their hypermarket. I want to see what kind of thing the Jiang Family could be selling!"

At the same time that Han Yuanjun was making a move, Jiang Tingguang and Liao Yan received a call from the police. When Jiang Tingguang heard from the police that Jiang Ning was suspected of kidnapping and had committed murder, his heart almost jumped out of his chest. "How is that possible? How can my daughter do such a thing?"

The police snorted coldly. "She was arrested by us at the crime scene, and you still say it's impossible? Very well. I only called to tell you this. I don't care about her life or death anymore. Goodbye."

"Wait!" Jiang Tingguang took a deep breath to calm himself. He asked in a cold voice, "Which police station is she in?"

"What police station?" The policeman sneered. "She tried to kill someone and was taken to the hospital for self-defense injuries. Come here and pay the bills. Do you still want our police station to pay her medical bills?"

After hanging up, Jiang Tingguang was so angry that he almost died. Not only did his daughter try to kidnap someone, he even had to pay for her medical expenses. How could he give birth to such a good-for-nothing?

Liao Yan, who was standing next to him, nervously asked, "What's wrong?"

Jiang Tingguang glared at her. "Get dressed quickly and follow me to the hospital. The police told us to pay for her medical expenses!"

Jiang Tingguang and Liao Yan didn't linger as they drove to the hospital.

Liao Yan nervously held Jiang Tingguang's hand and angrily said, "Let's listen to what Ning says first. We'll see who actually hurt her. I want to make sure that person faces the consequences!"

Although Jiang Tingguang did hate Jiang Ning, but since his own daughter had been injured, he didn't care if it was because of self-defense or not. He harbored the same hatred as Liao Yan. "Don't worry, since this person dared to hurt our Ning, I certainly won't just let him go easily! If I hadn't killed him, I wouldn't be called Jiang Tingguang!"

"Exactly!" Liao Yan took out her cell phone. "I'm going to call Chief Wei. We are going to sue them! I must seek justice for Ning!"

Liao Yan called again and again, but the other party didn't answer. Without thinking much, she put her cell phone away. "I don't think Chief Wei is awake yet.. I'll call again later."

### [Chapter 368 - The Jiang Family Destruction II](#)

Jiang Tingguang and Liao Yan hurriedly ran into the hospital and arrived at the door of Jiang Ning's ward. Seeing two policemen patrolling there, Jiang Tingguang looked at them majestically and snorted. He pushed open the door and went in with Liao Yan.

Jiang Ning was lying on the bed. The wounds on her body had already been treated. Her hands and feet were wrapped in thick gauze. Jiang Tingguang and Liao Yan couldn't bear to look at her.

When Jiang Ning saw them, she burst into tears. "Dad, mom ..."

Seeing Jiang Ning crying very sadly, Liao Yan hurriedly walked towards her. Just as she grabbed Jiang Ning's hand, she (Jiang Ning) shouted. "No, don't touch me! It hurts ... It hurts so much."

Liao Yan was so scared that she quickly let go of her. When she saw Jiang Ning's hands and feet wrapped in gauze, she cursed loudly, "Is this bastard really looking for death? How dare he do this to you! Ning, don't be afraid. Tell mom and mom will seek justice for you!"

Jiang Ning sobbed and looked guiltily at Jiang Tingguang, not daring to say anything.

Liao Yan looked at her cowardly appearance and became angry. "Why do you look at your father? You have been wronged, what else would he be angry about?"

Jiang Tingguang pulled up a chair and placed it beside Jiang Ning's bed, looking at his daughter.

Jiang Ning sobbed and whispered, "It's Han Yuanjun."

"What?" Jiang Tingguang and Liao Yan looked as if they had been struck by lightning. They stared blankly at Jiang Ning and couldn't respond for a long time.

After a while, Liao Yan recovered from the shock and asked in fear, "Did you kidnap Han Yuanjun?"

"No, no!" Jiang Ning could only shake her head. She didn't dare look into Jiang Tingguang and Liao Yan's eyes. She stared at the ceiling and said sadly, "I - I just kidnapped Liang Zixuan. Han Yuanjun came to save her, then he stabbed me a hundred times with a knife... "

As she spoke, she began to cry again. "The doctor said that the tendons on my arms and legs have been cut off. I'll be a cripple. Mom, what should I do after this?"

"That damnable Han Yuanjun!" Liao Yan was so angry that she kicked the edge of the bed. Tears of fear almost fell from her eyes, but she still couldn't let go of her anger. "What kind of bastard is Han Yuanjun? You just kidnapped Liang Zixuan, and he's actually very cruel to you?"

The more she thought about it, the angrier she became. She looked at Jiang Tingguang and said, "Tingguang, let me tell you, this time, you must seek justice for Ning. Don't be afraid of the Han Family! Han Yuanjun has done such a thing and has gone mad. If he doesn't get on his knees and apologize to us, we won't let them go."

The Han Family was always on good terms with the Jiang Family. Although Han Yuanjun was indifferent and didn't seem to care about others, but if Jiang Ning hadn't done anything outrageous, how could he go crazy?

Jiang Tingguang restrained his anger and asked Jiang Ning in a calm tone. "Tell me, what did you do to Liang Zixuan?"

Jiang Ning sneaked a glance at him, but didn't dare to say anything.

When Liao Yan heard Jiang Tingguang's questioning tone, she became angry. "What can she do to her? Our Ning is a simple woman, she doesn't have the heart to step on an ant. So what can she do to Liang Zixuan? Tingguang, will you vent our anger or not? Our daughter has been wronged!"

Jiang Ning didn't say anything, so Jiang Tingguang couldn't ask anything either. He felt that his daughter really wouldn't do anything excessive. She may have a bad temper, but it was because she's a little spoiled.

Jiang Tingguang nodded. "Alright! In any case, the Han Family has gone too far. I will go and seek justice for Ning right now!"

With these words, Jiang Tingguang stood up and walked to the door. He asked the two policemen at the door, and they told him that Liang Zixuan was also in this hospital. They also "kindly" told him Liang Zixuan's ward number.

Jiang Tingguang nodded and left arrogantly.

Liang Zixuan and Jiang Ning weren't on the same floor. Jiang Tingguang walked out of the elevator and walked a few steps before he saw two bodyguards standing in front of the VIP ward that the police had told him about.

He walked over and looked at them coldly. "Are Liang Zixuan and Han Yuanjun inside?"

Deng Hui knew the purpose of Jiang Tingguang coming here. Earlier, Han Yuanjun had ordered not to block Jiang Tingguang and to let him in when he came.

Deng Hui and Dai Tian didn't stop him and made a way for Jiang Tingguang.

Jiang Tingguang snorted in satisfaction. He thought Han Yuanjun must know that he (Han Yuanjun) was in the wrong and wanted to apologize to him when he (Jiang Tingguang) came.

Jiang Tingguang also thought that even if Han Yuanjun apologizes, he will never forgive him. He had to make the Han Family pay the price and could only stop after they gave him ten percent of the shares.

In the end, Jiang Tingguang was a businessman. Although he was angry that Han Yuanjun had hurt Jiang Ning, but no matter how angry he was, compared to the future of the Jiang Family, nothing else mattered!

As long as the Han Family showed sincerity, he wouldn't mind even if Jiang Ning can't get out of bed for the rest of her life.

Jiang Tingguang arrogantly pushed open the door and walked in with big strides. *novelusb.com*

Han Yuanjun didn't sleep for the whole night, but there was no sign of fatigue on his face. He just sat there, staring at Liang Zixuan without looking behind him.

Jiang Tingguang was very angry with Han Yuanjun's arrogant attitude. He walked to the side of the bed and looked at Liang Zixuan. She only had a few cuts on her face and one, which looked serious, on her neck. There was none on her body.

Not that Jiang Tingguang could see it. Liang Zixuan was wearing a hospital gown, covering all the wounds on her body. The wound on the back of her head wasn't very bad, just a small wound, so it wasn't even wrapped in gauze.

However, she still hadn't woken up yet.

In Jiang Tingguang's eyes, all of this was nothing. Compared to the hands and feet of the mummified Jiang Ning, Liang Zixuan's injuries were nothing at all.

Thus, he became more confident. "Han Yuanjun, what do you mean by this? You hurt my daughter like that, but you didn't even apologize or visit her? Has your conscience been eaten by dogs?"

Han Yuanjun didn't look at him. He looked at Liang Zixuan with a gentle gaze, but his voice was as cold as the water in a cold pool. Hearing his voice made Jiang Tingguang's spine shiver. "Apologize? Visit her? Heh .... Does she deserve that?!"

### [Chapter 369 - The Jiang Family Destruction III](#)

Jiang Tingguang was furious. He didn't care whether Han Yuanjun could see him or not, he raised his hand and pointed at Han Yuanjun's head, cursing, "What kind of nonsense are you talking about? What did you do to my daughter? Don't you have a conscience of your own? The doctor said that she might not get out of bed in this life. Such a cruel and ruthless thing like you, aren't you afraid that if I tell this to others? If the words spread out, your Han Family will have no place in business in the future!"

He couldn't see Han Yuanjun's expression and wait for half a minute. When he saw that Han Yuanjun didn't say anything, he thought that Han Yuanjun was afraid and threatened him. "Han Yuanjun, let me tell you, don't think that your Han Family has a deep foundation. Do you think I couldn't destroy your Han Family?"

Han Yuanjun suddenly interrupted him and sneered. "Try it if you have the guts!"

"What?" Jiang Tingguang was stunned. He saw Han Yuanjun take the phone out of his pocket and dial a number.

Jiang Tingguang held his breath and listened carefully. Han Yuanjun said into the phone. "Yao Xiu, everyone has already started working, right? From now on, Han Group Media and SAIC International will not be reconciled. In the future, don't think about getting support from Han Group artists. Those merchants under SAIC International shouldn't even think of going to our company to ask for help. From today onwards, Han Group will cancel any partnership with SAIC International shareholders too!"

Jiang Tingguang was so shocked that his eyes opened wide. He looked at the back of Han Yuanjun's head in disbelief. What... What just happened?

Was he actually banned by Han Yuanjun?

Don't think that entertainment companies don't have much influence. Jiang Tingguang knew very well that if one wanted to make a name or earn more money, one had to find celebrities to support the big brand.

Across the country, sixty percent of first and second-tier celebrities belonged to the Han Group, and more than half of the remaining forty percent were entertainment companies that collaborated with and were affiliated with the Han Group. *noVelus&.cOm*

As long as big brands want to promote new products, then one must seek Han Group's celebrities to make a huge profit.

If ... If Han Yuanjun banned him ... How many brands and how many merchants dare to work with their SAIC International?

Even if there was, it would still be a brand that couldn't be any smaller. Working with them wasn't profitable.

Jiang Tingguang's forehead was covered with cold sweat. By this point, he finally knew what fear was, and his legs softened. He almost knelt on the ground and even changed the way he called Han Yuanjun.

"Y-Young Master Han, what is the point of this? Our two families always work together, and we have a good relationship with each other. We have watched you grow up, so you don't exactly need to be like this towards us, do you?"

The spirit Jiang Tingguang showed when he walked in the door had disappeared altogether. He looked like a coward who had to bow down.

Han Yuanjun put his phone on the drawer and slowly stood up. Turning around, he buttoned up his suit. Only now did Jiang Tingguang see the shocking scar on Han Yuanjun's face.

Jiang Tingguang was so shocked that his heart almost burst out of his chest.

What kind of shitty daughter did he raise!

If she kidnapped Liang Zixuan, then just kidnap her. Why did she hurt Han Yuanjun?

If the Han Family saw the wound on Han Yuanjun's face, wouldn't they end the Jiang Family's life?

What was friendship? The moment their grandson was hurt, there's no more friendship.

Han Yuanjun looked at Jiang Tingguang, who was quietly swallowing his saliva and scoffed. "There's no need to be like this? Jiang Tingguang, your daughter kidnapped my wife and hit her with a whip! She almost lost half her life. Your daughter also hired men to r\*pe her! Tell me, should I make the whole Jiang Family apologize for this?"

Jiang Tingguang was so frightened that he took a few steps back and barely stopped. He looked at Han Yuanjun's cold face and shook his head in disbelief. "Impossible! I know my own daughter. How could she do such a thing?"

Han Yuanjun grabbed Jiang Tingguang's collar, lifting him up from the ground. "I let you through this door because I wanted to inform you to hurry back and prepare for my wrath. You better not be so weak that you can't even withstand a single blow from me. That way, you won't be able to dispel the hatred in my heart!"

Jiang Tingguang lost his balance when his feet left the ground, but this did not frighten him. What frightened him was Han Yuanjun's red eyes that were staring at him with deep hatred. This hatred was not something that can be distinguished in a single word.

There was only one thought in his mind... The Jiang Family. The Jiang Family was doomed this time!

"Y-Young Master Han, if you have anything to say, then say it. Jiang Ning is the one who did the wrong thing. It has nothing to do with our Jiang Family! I beg you, please save our Jiang clan! You can do

whatever you want to Jiang Ning! Even if you kill her, I won't complain! I beg you, please save our Jiang clan!"

Han Yuanjun smiled coldly and slapped Jiang Tingguang's face with his other hand. "It's too late to draw a clear line between you and Jiang Ning. You gave her the money and gave her the confidence to hurt my wife. Jiang Tingguang, enjoy your life because you don't have many more of that after this."

With that, Han Yuanjun threw Jiang Tingguang to the ground and shouted toward the door. "Deng Hui, Dai Tian, drive him out. From now on, no one from the Jiang Family is allowed to disturb my wife's peace!"

Deng Hui and Dai Tian immediately opened the door and entered. Each grabbed Jiang Tingguang and went to the door.

Jiang Tingguang was so scared that he shouted, "Y-Young Master Han, I beg you. Please let our Jiang Family go, I beg you!"

Deng Hui and Dai Tian threw Jiang Tingguang out the door. Jiang Tingguang did not give up and still wanted to fight back. He rushed into the ward. Deng Hui lifted his leg and kicked Jiang Tingguang.

Jiang Tingguang fell to the ground and could not get up immediately.

He really hated Jiang Ning.

He really hated Liao Yan.

He had told Liao Yan not to provoke Han Yuanjun and not to provoke anyone.

Liao Yan had kept Jiang Ning locked up for more than half a year.. She thought Jiang Ning had thought it through and let her out. Who would have thought that Jiang Ning would be so careless as to do such a thing to anger Han Yuanjun?

#### [Chapter 370 - The Jiang Family Destruction IV](#)

Jiang Tingguang returned to Jiang Ning's ward dejectedly. Seeing him, Liao Yan asked anxiously, "How is it? When will Han Yuanjun come to apologize to our daughter?"

Jiang Ning was lying on the bed, unable to move. She could only lift her head slightly and looked at Jiang Tingguang worriedly. She didn't care what happened to her. As long as Han Yuanjun came, she would use her injuries to make him take care of her for the rest of his life.

The Han Family was a clan of reason and was not one of those unreasonable people. According to Jiang Ning's current situation, as long as the people of the Han Family admit their guilt, they will take care of her for the rest of their lives.

Jiang Ning looked at her father happily, but Jiang Tingguang's depressed face suddenly changed. It was filled not only with sadness and anger but also with a rage she had never seen before.

Jiang Tingguang raised his hand and pushed Liao Yan away. He walked quickly and stood at the edge of the sickbed. He looked at Jiang Ning, suddenly raised his hand, and slapped her face hard.

Jiang Ning was stunned by the slap. She looked at Jiang Tingguang innocently with her two big eyes wide open.

Liao Yan was shocked, and when she saw Jiang Tingguang was about to attack Jiang Ning again, she rushed over and pushed him away. "What are you doing? Ning has already become like this, and you are still beating her? Is there a father like you in this world?!"

When Jiang Ning heard Liao Yan's words, she immediately cried out in grief and sadness. "Dad, since I was little, you never hit me! Why did you hit me today?"

Jiang Tingguang was so angry that his hands were shaking. He really wanted to slap Jiang Ning to death!

He pushed Liao Yan away and said angrily, "You dare to ask why I hit you? Humph! Don't talk about hitting, I also wanted to kill you right now!"

"Jiang Tingguang!" Liao Yan always loved Jiang Ning. Seeing her daughter being beaten up, her heart ached. How could she tolerate Jiang Tingguang's cruel words toward her daughter?

She raised her hand, pointed at him before cursing loudly, "Are you crazy? What's the matter with you? Why are you talking to Ning like that? Let me tell you, if you dare take action against her again, I will kill you today!"

"Are you done?" Jiang Tingguang looked at Liao Yan mockingly, sneering, "Everything it's not over yet! Han Yuanjun wants to take action against our Jiang Family, of course, it's not over yet!"

"W-what?" Liao Yan was stunned for a moment and took a long time to react to Jiang Tingguang's words. She ignored Jiang Ning who was lying on the bed and asked him with a pale face. "What do you mean? Why did Han Yuanjun want to take action against our family? He hurt someone, so he should be reasonable, right?"

"Heh..." Jiang Tingguang just gave Jiang Ning a light slap to get rid of his anger. He brushed Liao Yan's hand away and moved to the chair to sit down. His whole face was pale, as if it was filled with despair.

When all the anger and frustration had turned into fear, there was only a sense of despair left in him. It made him look as if he were ten years older in the blink of an eye. He no longer had the slightest bit of energy left in him.

When had Liao Yan ever seen such an expression on Jiang Tingguang's face?

In her heart, Jiang Tingguang might not be the influential CEO like Han Yuanjun, but he was still a famous person. Who wouldn't give him a face whenever they went out? *novelusb.Com*

Right now, Jiang Tingguang was like an eggplant that had been killed by frost. He had lost all his dignity.

Liao Yan was startled for a moment, then she tugged on Jiang Tingguang's sleeve and asked cautiously, "What happened?"

Jiang Tingguang took a deep breath and shook his head, glaring sharply at Jiang Ning. Then he said without enthusiasm, "Your precious daughter not only kidnapped Liang Zixuan but also hurt her! Not to mention whipping Liang Zixuan's body with a whip, she also hired men to r\*pe her!"

"What?" Liao Yan gasped and looked at Jiang Ning with widened eyes, asking in disbelief. "Ning, did you really do all of this to Liang Zixuan?"

This was simply killing someone a thousand times over!

Liao Yan was also a woman, so of course, she knew what this meant to a woman.

If Liang Zixuan was really r\*ped by these two men... Then could she still live?

Wasn't that mean Jiang Ning trying to force Liang Zixuan to death?

This was simply too vicious. Even Liao Yan felt that Jiang Ning had gone too far.

Faced with Liao Yan's questioning, Jiang Ning did not dare to look her in the eye. She could only turn her gaze to the side and show a guilty expression.

When Liao Yan saw this, she knew that Jiang Ning had really done it. Her anger immediately rose, and she raised her hand to hit Jiang Ning, but when she saw that her daughter was already like that, she couldn't move her hand. Her hand just stood there awkwardly in the air.

How did she manage to raise such a cruel and ruthless daughter?

Jiang Tingguang laughed mockingly. "Not only that, she also attacked Han Yuanjun. If two old people from the Han Family saw that long scar on his face, wouldn't they skin our family to the bone? This is another reason why the Han Family did not oppose Han Yuanjun's actions against our Jiang Family. They're very supportive and say that they would do everything in their power to kill our Jiang Family!"

"No!" Jiang Ning immediately looked at Jiang Tingguang with a grievance. "I didn't do anything to Han Yuanjun! How could I do anything to him? The scar on his face was caused by him, not me! There's nothing to do with me!"

"Not you?" Jiang Tingguang shook his head. "Jiang Ning, don't be so stupid. So what if Han Yuanjun already did it? Wasn't that all because of you? If you didn't kidnap Liang Zixuan, why would he hurt his own face?"

Liao Yan was so angry that she couldn't speak for a long time. Now that she finally knew the truth, she took a few deep breaths to calm herself down.

Thinking about how Han Yuanjun would deal with the Jiang Family, she asked Jiang Tingguang with a cold expression, "How strong is the Han Family? Can't our Jiang Family deal with them?"

Jiang Tingguang looked at her and felt her question was very stupid. "How strong is the Han Family? I don't know either, I just know that their big families are all connected. The Han Family never attacks anyone, so I'm not sure if the other families will help them deal with us. But even with the Han Family alone, our family will still have a hard time."

He paused and told Liao Yan about Han Yuanjun's call to Yao Xiu.

After hearing this, Liao Yan smiled indifferently. "Then this is nothing. Didn't he just ban us from using his company's resources? It doesn't matter. For those merchants, who doesn't want to get money? Our family business is very big, and some people from all over the country have shared in them. They won't

pull out just because of Han Yuanjun. I thought the Han Family was so great, but it turns out they are just so-so."

Just as she finished speaking, Jiang Tingguang's phone rang.
