

Beauty 481

[Chapter 481 - You Can Just Throw It Away](#)

Dong Biming was very happy. She held Xia Jingfei's arm and said happily, "Do you know, back in the old days, giving a handkerchief was a sign of love! Fei'er, you aren't bad. It looks like Liang Jiahao really likes you!"

Xia Jingfei indifferently put the handkerchief into her bag. Only she knew that Liang Jiahao only gave it to her because he felt sorry for her and because she was crying.

After returning home, Xia Jingfei washed the handkerchief until it was clean. Although she was treated coldly by Liang Jiahao, in her heart, she still liked him.

Although Liang Jiahao had rejected her mercilessly, she still believed that she could make their relationship work.

At least Liang Jiahao didn't hate her.

After a week, Xia Jingfei felt that Liang Jiahao would no longer reject her if she gave him more time to be alone. So, with a trembling heart, she dialed his number. After the phone rang for a long time, it was finally answered.

"Hello."

Xia Jingfei was so nervous that her tongue was almost tied. "E-excuse me, is this Liang Jiahao?"

The man's cold voice could be heard through the receiver. "Yes."

Xia Jingfei held her cell phone in one hand and pressed the other to her chest. Her heart almost jumped out of her throat as she stuttered. "Tonight ...C-can I see you again?"

Liang Jiahao was silent for a moment and suddenly asked. "Do you need something?"

"Well, yes." Xia Jingfei paced around with her cell phone, getting nervous. "I-I-I forgot to return the handkerchief to you. I-I want to return it but I-I-I don't know if you have time."

"It's fine." Liang Jiahao said, "No need to return it, you can just throw it away."

Xia Jingfei was so nervous that she almost shed tears. And in the end, this was all he said to her. She can't afford to throw away the handkerchief.

This reason was immediately rejected by Liang Jiahao. Xia Jingfei immediately felt sad and became less nervous. She said sadly, "Can't we just meet once? At least, we have to meet once a month so that the parents know that we're growing slowly."

After she finished speaking, the other side fell silent. Xia Jingfei immediately understood that Liang Jiahao really didn't want to see her.

He didn't even want to sit, chat and eat together with her like a friend.

Xia Jingfei was upset and she also wanted to give up. "It's okay, I-"

Before she could finish her sentence, his cold voice suddenly came out from the receiver. "Alright. We'll meet again tonight at 6:30 at the Zen Garden."

With that, Liang Jiahao hung up the phone.

Xia Jingfei stood there in a daze with the phone in her hand. Only when she heard a beep sound did she finally respond. Liang Jiahao had just agreed to her request!

Liang Jiahao had actually agreed to her request!

Hahahaha...

Xia Jingfei was so happy that she jumped around on the mattress like a child. "He agreed to my request. He agreed to my request!"

Xia Jingfei immediately jumped down from the bed and opened her closet, began to pick out her clothes.

Finally, she chose a cute pink dress and put it on. She put on fine makeup and came out happily with her bag.

When Dong Biming saw her dressed like that, she held her and asked, "Fei'er, where are you going? Why are you dressed like a butterfly?"

Xia Jingfei's face was filled with a radiant smile. She playfully shook Dong Biming's hand and said beautifully, "I'm going to have dinner with Liang Jiahao tonight. You don't need to wait for me. Eat by yourself."

"Really?" Dong Biming was very happy. She was happier than Xia Jingfei. Throwing the remote control in her hand away, she stood up and was about to run up the stairs.

Xia Jingfei was so scared that she pulled her back. "Mom, what are you doing?"

Dong Biming said excitedly, "I'm going with you!"

What?

Xia Jingfei was so shocked that her eyes widened as she asked gloomily, "I'm going on a date, why are you following me?"

"Why can't I follow you?" Dong Biming smiled and pushed Xia Jingfei's hand away as she cheerfully said, "Why can't I go see my future son-in-law? You two can talk while I sit quietly and eat. I won't bother you two."

Xia Jingfei felt helpless to have a mother like this.

Why couldn't Dong Biming understand that her appearance would only make them more awkward and uncomfortable?

Xia Jingfei shook her head. "Mom, look at you. If you keep behaving like this, I won't be able to get married for the rest of my life! Your presence will scare all the men away."

"I'm not that ferocious, how could I be that scary?" Dong Biming pouted unhappily. "I won't do anything, and I won't bother you."

Xia Jingfei gloomily threw the bag on the couch and crossed her arms in anger. "Then I won't go. If you want to go, then go by yourself!"

Seeing how angry Xia Jingfei was, Dong Biming bit her lip with a sigh and whispered. "It's okay, I won't go. You go."

How could Xia Jingfei not know that Dong Biming was only saying this in front of her? That day, when she didn't allow Dong Biming to go with her to Luo Yanyun's house, she also said the same thing. But in the end, she did go there on her own. Not only did she go there, she also scared Liang Jiahao!

Besides, Dong Biming was someone from the Dong Family. She could get the update with a snap of her fingers. So, why would she go there?

What if she scared Liang Jiahao again? *NovelsB.Com*

Xia Jingfei looked at Dong Biming gloomily, then sat down on the couch. "I'm not going anymore."

"Aiya, don't be like that!" Dong Biming had seen Liang Jiahao, and she really liked him a lot. Even in her dreams, she wanted Liang Jiahao to be her son-in-law.

Seeing that Xia Jingfei was serious this time, Dong Biming went over to her and sat beside her to reassure her. "Fei'er, I promise you. I definitely won't interrupt your date. Are you happy now? Get up and leave. Don't let Liang Jiahao wait for you."

Xia Jingfei looked at Dong Biming from the corner of her eye. "Really?"

Dong Biming nodded loudly. "Really, my words are more genuine than real gold. I promise I won't go."

Xia Jingfei stood up and picked up her bag before leaving. When she reached the door, she suddenly turned around and saw Dong Biming was getting ready to get up.

She frowned and stomped her foot in anger. "Mom, didn't you just promise me?"

Dong Biming looked embarrassed. "I-I ..."

She suddenly pointed to the bathroom. "I want to go to the bathroom. You should go quickly!"

Xia Jingfei didn't really believe her. After walking out the door, she stood outside the door for ten minutes. When she didn't see Dong Biming come out, she finally drove her car toward the Zen Garden with ease.

When Xia Jingfei got there, Liang Jiahao hadn't arrived yet, so she sat down on her seat and played with her cell phone because she was bored.

Suddenly, a familiar female voice was heard. "What's the hurry? Isn't there still five minutes?"

Xia Jingfei raised her head and saw Qin Yu and her assistant walking toward a room next to her.

She stood up and shouted. "Qin Yu!"

Qin Yu looked in the direction of the voice and saw Xia Jingfei smiling at her. Qin Yu walked up to her and asked, "Jingfei, are you having a meal here too?"

[Chapter 482 - You Don't Have To Feel Wronged In Front Of Me](#)

Xia Jingfei smiled and nodded. "That's right. Are you having a meal too?"

Qin Yu looked back at her assistant, who was simmering with anxiety and pursed her lips gloomily. "Yes, a company has asked me to come here today to discuss advertising contracts."

Qin Yu looked at Xia Jingfei's table and asked in a gossipy tone. "Are you here by yourself?"

Xia Jingfei looked down in embarrassment. "No, I'm waiting for a friend. He hasn't come yet."

"Friend?" Qin Yu chuckled. "Or boyfriend?"

Xia Jingfei did not know how to explain her relationship with Liang Jiahao. She thought she could further develop her relationship with him. And he wasn't her boyfriend yet, so she had no face to say that.

As an answer, she looked down and smiled shyly.

Qin Yu immediately understood and put her hand on Xia Jingfei's shoulder while smiling. "Ooh, you already have a boyfriend! How about you find a time for me to meet him? After all, we have been good friends for over ten years. How could I not help you check out your boyfriend to see if he's suitable or not?"

Xia Jingfei raised her head and was about to explain that she had not yet reached the level of a boyfriend and girlfriend when she saw a man wearing a cap, big sunglasses, and a mask standing behind Qin Yu's assistant, watching them.

Xia Jingfei was shocked and asked nervously. "Qin Yu, do you know that man? He's dressed so weirdly, and why do I feel like he is watching us? That kind of feeling makes my hair stand on end!"

Qin Yu turned around to look at him and she didn't feel bothered by his presence. "Him? I don't know him, but he has been following me for almost half a year. Wherever I go, he will follow me. But he did not come to talk to me or do anything to me, I don't know what he wanted."

"What?" Xia Jingfei was really surprised. "He's been following you for half a year?"

"That's right!" Qin Yu pouted. "What can I do? I'm a public figure now, so I can't chase him away. Plus, even if I kicked him, he probably wouldn't leave. At least, he hasn't done anything to me yet."

Qin Yu's assistant waved at Qin Yu anxiously. "Qin Yu, hurry up. We're really going to be late."

Qin Yu gave Xia Jingfei a helpless look and patted her on the shoulder. "I'm not talking to you anymore. I have to go now. When you have time, don't forget to call your boyfriend and arrange for us to meet."

Xia Jingfei smiled awkwardly. "Alright."

Looking at Qin Yu's retreating back, Xia Jingfei was actually very jealous of Qin Yu in her heart.

Qin Yu was a bold and carefree woman. Although she looked carefree, she was actually very thorough and also a kind-hearted person.

What Xia Jingfei envied the most about Qin Yu was that she could do what she loved, that she could become a celebrity whenever she wanted to, and that she could sing whenever she wanted to, unlike her.

Dong Biming had built a golden silk cage for Xia Jingfei and she had been under her parents' watch since she was a child.

It wasn't that Xia Jingfei had never had a man she liked before, but every time she went out on a date with a man, Dong Biming would always follow her. It was as if she was afraid Xia Jingfei would suffer a loss.

Xia Jingfei heaved a long sigh and glanced at the strange man following Qin Yu. Then she sat down and took out her phone again to check the news.

Liang Jiahao had finally arrived.

Xia Jingfei immediately stood up and smiled sweetly at him. "You're here!"

Liang Jiahao nodded and sat down opposite her. "Have you ordered yet?"

Xia Jingfei shook her head. "No. I'm waiting for you. Anyway, I like everything you order."

Liang Jiahao raised an eyebrow and took the menu from the restaurant manager. After ordering a few dishes, he returned the menu to the manager.

"You don't have to be like this. You can order a dish you like, or you can order wine if you want, and you don't have to feel wronged in front of me." Liang Jiahao looked at Xia Jingfei and said this coldly.

Xia Jingfei bit her lips and looked to the side, saying uncomfortably, "I ...I didn't feel wronged."

Liang Jiahao shook his head and sat there without saying anything.

It wasn't as easy for Xia Jingfei to talk to Liang Jiahao as the first time.

It's kind of an awkward dinner.

She laughed dryly. "These past few days ... The elders didn't force you to go on a blind date again, did they?"

Liang Jiahao shook his head. "No, thank you for that."

"Huh?" Xia Jingfei felt flattered. "No need, you don't have to thank me. It should be me who says thank you. If it wasn't for you, maybe ... Maybe I still have to go on a blind date."

Liang Jiahao felt that there was a generation gap between him and Xia Jingfei. He didn't understand and wasn't interested in much of what she said. Besides, he's not a talkative person, and as long as Xia Jingfei didn't say anything, things will get awkward.

Xia Jingfei didn't speak again until the waiter served the dishes. Liang Jiahao's attitude was still the same. He didn't care about her. When the food came, he took the chopsticks and started eating.

Xia Jingfei ate very slowly and raised her head from time to time to look at Liang Jiahao. She didn't know why, even though Liang Jiahao hadn't said anything when they first met, she didn't feel awkward at all. Now Liang Jiahao's attitude was the same as the last time, and she felt a bit emotional.

She felt that Liang Jiahao didn't like her.

If a man really liked a woman or was in love with her, he probably couldn't refrain from saying a few more words.

Xia Jingfei struggled in her heart for a long time. Finally, she gathered the courage to raise her head. Just as she was about to speak to Liang Jiahao, he suddenly wiped his mouth with a napkin. "I need to go to the bathroom."

Xia Jingfei could only reply dejectedly. "Alright."

Liang Jiahao got out of his seat, left the private room, and went to the restroom. After he came out, he suddenly heard a woman scream from the ladies' room. "You stupid motherfucker, I know you have bad intentions!"

Out of professional instinct, Liang Jiahao wanted to rush in, but when he reached the restroom's door, he looked up and saw the sign of the ladies' room, so he hesitated.

Just as he hesitated, the woman's voice sounded even more frightened. "What are you doing? Let go of me!"

Liang Jiahao gritted his teeth and no longer hesitated. This was the first time in his life that he entered a woman's restroom.

As soon as he entered, he was stunned.

Had he actually seen a woman holding her rivet bag in her hand, stepping on a man with her high heels, and violently bashing his head?

[Chapter 483 - Old Pervert](#)

Liang Jiahao: "..."

What had happened?

Could it be that he had misheard?

But that was clearly a woman's panicked voice earlier...

Then should he help or not?

If so, whom should he help?

The cruelty of the woman hitting the man's head with a rivet bag made his eyelids twitch.

Too brutal, too cruel!

"Qin Yu, stop it. Stop!" The man on the ground held his head and begged for mercy.

Qin Yu not only didn't stop, but she started beating even harder. "I'll beat you to death! How dare you follow me and break into the ladies' room to harass me? If I hadn't knocked your brain out today, my name wouldn't be Qin Yu!"

Even Liang Jiahao, who had long been on the battlefield, could no longer watch this anymore. He couldn't help but remind the beautiful and proud female heroine. "Miss, if you continue to beat him like this, you'll be imprisoned for premeditated murder, even if he's the one who bothers you."

Qin Yu stopped and turned to look at the door.

At the time, she was so busy beating up the man that she didn't notice the person standing in front of the door.

As soon as she saw Liang Jiahao, her lips suddenly curved in mockery. "Yo, the pervert has another helper."

She looked at Liang Jiahao before kicking the man again while sneering. Then she arrogantly walked towards Liang Jiahao. "You look old and are superbly dressed, I never expect you're also a pervert!"

Liang Jiahao's eyebrows rose. He was very unhappy with the way she called him.

It's okay to say that he's a pervert since he broke into the ladies' room, but calling him old?

How can he be older than Han Yuanjun?

Qin Yu walked in front of Liang Jiahao and said nothing. She raised her rivet bag and blew it into Liang Jiahao's face. "I'll beat you to death too, you old bad guy."

Liang Jiahao stood there motionless. He only tilted his head slightly and easily avoided Qin Yu's rivet bag.

Qin Yu was slightly stunned and her eyes narrowed. She stared at Liang Jiahao with a cold glint in her eyes. "You know self-defense?"

Liang Jiahao curled his lips. "A little."

"I don't care if you learned self-defense or not! You have offended this grandmother, I won't let you have a good ending. See how this Grandma Qin beat the shit out of you today!" *noVeLusb.Com*

This time, when Qin Yu moved, she jumped a step forward, and Liang Jiahao had no choice but to take a step back. He was already standing in the doorway, and there was a wall behind him. As soon as he backed away, his back immediately leaned against the cold wall.

Liang Jiahao felt that this woman's words sounded a little familiar, as if he had heard them somewhere before.

The rivet bag flew towards Liang Jiahao's face again, but Qin Yu missed him.

Qin Yu quickly raised her long legs and pressed her slender body against Liang Jiahao's, causing him to be unable to move away while leaning against the wall.

Qin Yu's body was pressing against Liang Jiahao's and her legs were between his. No matter how one looked at it, their posture looked really intimate.

But Qin Yu did not notice it and smiled arrogantly when she saw that Liang Jiahao had no other way out.

"You old pervert, where do you think you are going? You cannot dodge anymore!"

Liang Jiahao's eyebrows furrowed. He glanced at Qin Yu's body and his face immediately tensed. "Miss, you can call me a pervert, but can you throw away that old word?"

Qin Yu sneered. "What's the difference between a pervert and an old pervert?"

Liang Jiahao: "..."

There was a big difference. While it could humiliate his character, it could not insult his age!

He hadn't even had a girlfriend yet, and he was already scolded as old. He was no older than Han Yuanjun!

"I am only thirty this year! I'm not too old yet!"

"Uncle!" Qin Yu raised her hand and patted Liang Jiahao's face. "You can be the father of several children at the age of thirty, and you still say you are not old?"

This was the first time in Liang Jiahao's life that he was touched, and it was by a woman.

Not only did he not feel angry, but he also didn't feel ashamed either. He continued to humiliate himself and even tried to argue with Qin Yu. "I've never had a girlfriend before, how come I'm old now? Miss, if you say that I'm old one more time, I'll get angry!"

Qin Yu snorted and exclaimed with pride. "Old pervert! Old pervert!"

Liang Jiahao gritted his teeth and suddenly raised his hand to push Qin Yu away. Qin Yu, who was wearing high heels, immediately fell backward, and just when she thought she would touch the cold tiles, her waist was firmly grabbed by Liang Jiahao.

She leaned forward and quickly grabbed his suit, stopping their face only a few centimeters away.

Liang Jiahao looked at her condescendingly. "Cut out the old words!"

Qin Yu snorted stubbornly, her hands tightly grabbed onto Liang Jiahao's clothes, and she stuck her tongue out at him. "Old pervert, old pervert, I'm going to scold you an old pervert, what can you do to me?"

Liang Jiahao couldn't bear it any longer, he smiled evilly and pushed her backward.

"Ah!" Qin Yu almost fell to the ground. Luckily, Liang Jiahao was only trying to scare her. He held her waist again and stopped her in midair.

Qin Yu gritted her teeth in anger. In her whole life, she had never been played around with like this before.

Today, she was actually bullied into becoming a dog by an old pervert!

Qin Yu was a person who never begged for mercy. Even if she couldn't win, she would rather die fighting than beg for mercy.

Just like when she was with Liang Zixuan before. No matter who she was up against or how strong the opponent was, she would always protect Liang Zixuan well.

Qin Yu looked at the evil smile on Liang Jiahao's face and gritted her teeth. She raised her leg and kicked his chest.

Liang Jiahao reflexively let her go. Then, Qin Yu released her grip on his shirt and fell to the ground with a loud dong.

Dong!

It seemed like the whole ground shook three times.

Liang Jiahao was shocked. He really did not want to do that to this woman. He just wanted to scare her.

But Why was she so stubborn that she would rather fall down herself than change her words?

[Chapter 484 - The Identity Of The Stalker](#)

When Liang Jiahao saw Qin Yu fall to the ground and holding her waist with eyes red from the pain, he didn't know what to do.

He squatted down and reached out his hand to help Qin Yu up, but she pushed him away and scolded angrily, "Old pervert, don't touch me!"

Liang Jiahao's hand was pushed aside and he felt a little sad for some reason.

Qin Yu covered her waist and struggled to stand up. At this moment, the man who was beaten up by Qin Yu just now suddenly came over. He took off his sunglasses and mask, before saying to her with a face and a head full of bruises. "Qin Yu, it's me! Don't you know me?"

Qin Yu looked at him and said angrily, "How would I know you, you pervert!"

The man panicked. "It's me, Kang Yuhan! When we were young, we lived in the same courtyard and we were childhood sweethearts! Have you forgotten?"

Kang Yuhan?

Qin Yu tried hard to search in her mind. She finally remembered Kang Yuhan, a little boy with a runny nose who was wearing open-crotch pants.

She snappily said, "Kang Yuhan, are you sick? You know me and yet you followed me like a stalker for more than half a year? Could it be that your father is bankrupt? Is that why you decided to change your profession and become a pervert?"

"No, my father isn't bankrupt." Kang Yuhan originally wanted to raise his hand to rub his hair in embarrassment, but just as his fingers touched his scalp, a sharp pain came from there, causing him to grimace in pain while groaning.

"I'm not a pervert! I'm not stalking you, I'm just trying to protect you. You've become a big star now, you're the goddess in the hearts of so many otakus! I was afraid something would happen to you, so I stayed by your side to protect you."

"Protect me?" Qin Yu laughed exaggeratedly. "I thank you! But I don't need it. I don't want to be followed by a pervert every day, even in the ladies' room."

Kang Yuhan did not get angry even though he was scolded by Qin Yu liked that. He explained, "I did not want to go to the ladies' room with you, but just when you were there, I saw a man come out and asked the waiter for a bottle of red wine. I personally saw him pour some white powder into the red wine. Although I don't know what it was, it was definitely nothing good, and that's why I came in to tell you about this. Who would have thought you would misunderstand me."

Qin Yu was stunned as she did not expect something like this to happen to her.

The entertainment circle was a very complicated place. There was collusion of benefits within the place and many things that could not be done in public happened.

It was because she was Han Yuanjun's niece and had the support of the Qin Family that she had yet to encounter anything disgusting.

However, she didn't expect that there would actually be someone who dared to lay a hand on her!

He was so infatuated with lust that he did not care about the consequences!

Fortunately, she ran out to the restroom and was able to avoid such a disaster. Otherwise, the consequences would have been unimaginable.

"Oh no!" Qin Yu suddenly cried out. "Hou Fen is still inside!"

Hou Fen was Qin Yu's assistant. She usually took care of her daily meals and had a good relationship with her.

Qin Yu grabbed her bag and wanted to rush out to save Hou Fen, but she was stopped by Kang Yuhan. "What are you doing?"

Qin Yu was so anxious that she flung Kang Yuhan's hand away. "Since you said that, that means Hou Fen is still inside. I'm going in to save her and take her away."

"Don't go!" Kang Yuhan caught Qin Yu again. He refused to let her go even if he was beaten to death.

"It's not easy for you to escape. If you go back, it'll be like a sheep going into a tiger's den. Besides, your assistant looks very ordinary, those men don't care about her, she'll be fine!"

"Bullshit!" Qin Yu raised her leg and violently kicked Kang Yuhan's leg, scolding him angrily. "Those perverts, as long as it's a woman, they don't care. They will not let her go! Hou Fen has been following me for two years. Even if something bad happens to me, I have to save her!"

Kang Yuhan hugged his feet in pain. By the time he reacted and tried to stop Qin Yu, she had already run away.

He stomped his feet in anger. "This stupid girl, when will she put herself first?!"

Liang Jiahao stood there watching Qin Yu and Kang Yuhan arguing. When he heard Qin Yu's last sentence, his heart broke. This girl ... She was really too different.

In this society, people who would sacrifice their lives to save others were truly as rare as pandas.

Kang Yuhan's angry words kept coming over. "What should I do? Should I call the police? What's the use of calling the police? Would it harm Qin Yu's reputation? Aiya, what the hell should I do?!"

Liang Jiahao glared at him and said coldly, "It's too late to call the police. I'll go save her."

"What?" Kang Yuhan was stunned for a moment and then exclaimed in shock. "You, old pervert? Are you really going to save her?"

Liang Jiahao swept his sharp gaze over at him. Kang Yuhan immediately shut his mouth in fear and gave Liang Jiahao a dry smile.

Qin Yu quickly ran back into the room. With a glance, she saw Hou Fen leaning limply against the seat. An unnatural shade of red appeared on her face.

Qin Yu immediately knew that Hou Fen must have been infected with some kind of drug.

After hiding her panic, Qin Yu walked inside as if nothing had happened. She picked up Hou Fen from the seat and said to the men with a smile. "Hou Fen seems to be drunk, I will take her back now. I'll treat you guys to a meal another day, then we can talk about the endorsements."

The men stared at the expression on Qin Yu's face. They could not find any flaws on it, so they all calmed down. *noVeLUsb.com*

One of them stood up and said with a smile. "It's all right. I saw that she became quiet after drinking too much, so I don't think she would bother us if we talked about the endorsements."

Qin Yu was still an actress, so her acting skills were not lacking. She smiled politely. "Let's talk about it next time. I feel a little uncomfortable and can't carry on discussing it after seeing her like this."

"Qin Yu." The man with the highest status among the few men stood up. He lifted Qin Yu's glass and held it in front of her eyes. "Drink this glass of wine first. Just come to the company tomorrow to sign the contract."

Qin Yu looked at the red liquid and knew very well that it was the red wine that had been drugged.. If she wanted to leave, she had to drink this wine, otherwise, these men would not let her go so easily.

[Chapter 485 - Liang Jiahao To The Rescue](#)

But if she drank it, how can she escape?

The four men in front of Qin Yu were all fat, and they seemed to lack exercise.

Qin Yu calculated her strength and thought that it would be no problem for her to escape.

She let out a contemptuous snort and supported Hou Fen towards the door.

The four men looked at each other, and two of them ran after her.

Qin Yu heard their footsteps and backed Hou Fen against the wall next to the door. She suddenly turned around, kicking one of the men in the face with her foot. The man hit the wall hard.

Qin Yu wiped the corner of her mouth with her thumb and waved to the others. "Come on, if you want to die!"

When the other man saw Qin Yu's kick, his heart trembled and he said with a fake smile. "Qin Yu, what're you doing? We just want to have a drink with you, then we'll let you go."

"Get lost!" Qin Yu scolded contemptuously. "Don't think I don't know what you're doing behind my back! Let me tell you, I, Qin Yu, ain't someone who's easily intimidated! If you let me go today, I'll pretend this never happened, otherwise ... I'll tell my father when I get back and let him kill you bastards!"

"Qin Yu!" The highest-status person among the four of them suddenly said, "We didn't do anything to you! Don't play around with your family's power here. If you don't give me a face today and drink wine with us, do you believe that I will ruin your career in the future?!"

"Aiyu, I'm so scared! Look carefully, this grandma's last name is Qin. Even if I leave the entertainment circle, I don't have to worry about clothes and food. Stop pretending to be a big bad wolf in front of me. Since you won't let me go, then come here and attack me if you have the ability. This grandma's hand is itchy. I haven't hit anyone in a long time!"

The person standing in front of Qin Yu hesitantly turned around and looked at their leader. Receiving a signal from the man's eyes, he smiled obscenely and quietly put his hand in his pocket, taking a step towards Qin Yu.

"Qin Yu, we know that your family has money and you lack nothing. But having one more friend means that one more path is open to you, so there's no reason for you to reject your way of earning money, right?"

Qin Yu looked at him warily. Seeing the man getting closer to her, she gripped the rivet bag tightly and raised her hand to hit him.

Suddenly, the man pulled his hand out of his pocket and waved it at Qin Yu's face. A white powder blew into her face, and in the next second, her body went limp and the rivet bag in her hand fell to the ground.

Seeing that Qin Yu almost collapsed, the man reached out his hand and hugged her. He looked back at the leader and boasted, "President Mao is still the best. No matter how strong this girl is, she will never be able to escape."

"Enough!" Mao Ping raised his hand to straighten his collar and beckoned to the others. "Hand Qin Yu to me. You can play with the one lying on the ground as you wish!"

When he finished speaking, he walked up to Qin Yu and took her from the man's hand. When he saw Qin Yu's delicate face, which still had a bit of immaturity, he sneered.

Just as he was about to take a step out of the room, a figure suddenly rushed through the door. In the next second, a lightning-fast fist landed in Mao Ping's face.

Mao Ping's face immediately tilted to the side. With a "pu" sound, blood gushed out of his mouth like a fountain, along with some teeth.

Liang Jiahao immediately hugged Qin Yu and glared at all the men in the room.

A few men beside him shouted in panic, "President Mao!"

Mao Ping's body hit the table, and he immediately covered his swollen face with his hand and said with his front teeth missing. "W-why are you still standing there? Hurry up, beat him for me!"

Really funny.

One blow from Liang Jiahao was enough to make Mao Ping lose his teeth. If they went to beat Liang Jiahao, they would only send themselves to their deaths.

The other three men all flinched and trembled under Liang Jiahao's cold-knife gaze.

One of them gestured toward the door. "Please, please let us go."

Liang Jiahao withdrew his gaze and looked down at Qin Yu. He saw her face become even redder, she looked so mesmerizing and alluring. Liang Jiahao's face immediately sank and his toes hooked onto Qin Yu's rivet bag, taking it with him.

At this moment, Kang Yuhan ran in from outside. Seeing this scene, he was practically bowing down to Liang Jiahao and almost called him "big brother".

When Liang Jiahao saw him enter, he looked at Hou Fen and said coldly, "I'll hand her to you."

Hou Fen was obviously conscious, but Kang Yuhan could tell that there was something wrong with her expression. He gritted his teeth gloomily and reached out to grab Qin Yu, who was in Liang Jiahao's arms. "No need, I'll take care of Qin Yu, you take care of her."

Liang Jiahao dodged to the side, easily dodging Kang Yuhan's hand, and coldly said, "I'm more worried about leaving her with you."

Kang Yuhan: "..."

What the heck is this?

After all, he had grown up with Qin Yu. What could he do to her?

Looking at Liang Jiahao, he said depressingly, "Old pervert, I'm more worried about leaving her with you! Give me my Qin Yu."

Liang Jiahao raised his leg and kicked Kang Yuhan's leg. He didn't use much force, but Kang Yuhan was still in pain. He held his leg for a moment before yelling, "Alright, alright, I concede defeat!"

Novelusb.cOm

He chuckled as he still didn't want to lose. "But let me tell you something, old pervert. Don't think of trying to get rid of me. If I found that you touched a strand of hair on her head, I would definitely skin you alive!"

Liang Jiahao raised his eyebrow and kissed Qin Yu's cheek. Then he looked at Kang Yuhan with a smile.

Kang Yuhan: "..."

Alright, he lost, he lost!

When encountering such a tough, strong and shameless demon king, Kang Yuhan was no longer in a good mood.

He couldn't beat Liang Jiahao, so what else could he do?

[Chapter 486 - Losing Self-Control](#)

Liang Jiahao looked at Kang Yuhan coldly. He took Qin Yu with him and went to the door. On the way, he didn't forget to remind him. "If anything happens to Hou Fen, Qin Yu and I will not let you go!"

Kang Yuhan weakly shrunk his neck and waited for Liang Jiahao to take Qin Yu away before shouting, "What about you and Qin Yu? Old pervert, don't try to approach Qin Yu like that in front of me. You better pray that I don't see you again or I'll beat you! I'll beat you until your mother doesn't recognize you!"

Xia Jingfei was waiting anxiously in the lobby. Liang Jiahao hadn't returned for half an hour. Could something have happened?

But when she thought about it, she felt that it was impossible.

How could something happen to a man as tough as Liang Jiahao?

It would have been nice if no one provoked him, otherwise the person would have been thrown into the hospital for months without being able to get out.

Suddenly, something occurred to her. Could Liang Jiahao use an excuse to go to the restroom to run away from her?

Did he really hate her that much?

That he tried to sneak away during the meal.

Xia Jingfei's eyes turned red as she thought of this possibility. She stood there helplessly. She wanted to go to the restroom to check, but she didn't have the courage.

At this moment, Liang Jiahao walked with Qin Yu in his arms and stepped into Xia Jingfei's line of sight.

Xia Jingfei was shocked at first, but the next moment, she lifted her legs and ran. When she saw that the one in Liang Jiahao's arms was Qin Yu, she asked in astonishment. "What happened? Why are you with Qin Yu?"

Liang Jiahao didn't stop. Without caring about Xia Jingfei, his long legs moved quickly. "Do you know her?"

Xia Jingfei kept running to keep up with Liang Jiahao's pace. She replied breathlessly. "I know her. We've been good friends for over ten years."

Liang Jiahao nodded and said nothing more. His steps quickened and Xia Jingfei could no longer catch up with him.

"Wait for me!" Xia Jingfei cried out anxiously.

Liang Jiahao didn't have time to bother with her. If he'd waited any longer, something would have happened to Qin Yu.

After leaving the Zen Garden, Liang Jiahao opened the passenger door and carefully put Qin Yu inside. Then he closed the car door, strolled to the driver's seat, and got inside.

He didn't have time to fasten his seat belt before he drove off.

Xia Jingfei ran all the way, but she couldn't keep up with Liang Jiahao. In the end, she could only watch as Liang Jiahao's car sped away before her eyes.

In the car, Qin Yu slowly opened her eyes. A pair of beautiful, watery eyes turned to Liang Jiahao.

She slowly let out a soft moan and unconsciously held Liang Jiahao's arm.

Liang Jiahao gritted his teeth and drove the car faster, over the speed limit.

Qin Yu's hot breath landed on his face. A pair of small hands grabbed Liang Jiahao's shirt and she slowly crawled onto his body like an octopus. "So hot."

With difficulty, Liang Jiahao managed to resist Qin Yu's seductive attack. He pulled Qin Yu's hand from his shirt and then forcefully pushed her into his arms. "Hold on a little longer."

"Mmm ... No, I can't hold it anymore ..." At this point, Qin Yu really turned into a seductive siren. There was no trace of her violence when she hit Kang Yuhuan. She slowly breathed into Liang Jiahao's neck. "Help me, I'm so hot..."

Liang Jiahao's eyes suddenly turned dark. He held the steering wheel with his left hand and felt the veins on the back of his hand popping out. He exhaled heavily to stabilize his self-control and pinched Qin Yu's waist. "Wake up! Otherwise, you'll be sorry!"

This time, Liang Jiahao used all his strength. Combined with Qin Yu's fall in the ladies' room, her waist was already purple. When Liang Jiahao pinched her, she felt a sharp pain and her eyes became a little clearer.

Qin Yu suddenly found herself in a strange man's embrace. She wanted to move, but she had no strength left and her body was too weak to keep her awake.

Just as Qin Yu was about to be controlled by the drug again, she suddenly opened her mouth and bit her tongue hard. Seeing that, Liang Jiahao immediately inserted his wrist in Qin Yu's mouth and scolded her. "Are you stupid?! Biting your tongue like that will only hurt you more."

Qin Yu's tears flowed down from the corners of her eyes. She couldn't say anything while biting Liang Jiahao's wrist, and the only thing she could control was the strength of her biting. To keep herself awake, she bit hard, and soon, bright red blood flowed from the corner of her mouth and slid down Liang Jiahao's hand.

Liang Jiahao did not make a sound and just told her to keep biting. Fortunately, his driving skills were better than Deng Hui and Dai Tian. In just 15 minutes, he had driven the car to the military compound in Nanshan.

After driving the car into the garage, Liang Jiahao kicked the door and got out of the car with Qin Yu in his arms.

The wrist in Qin Yu's mouth suddenly disappeared, and the awareness that she had managed to defend with difficulty was lost in that moment. She wrapped her arms around Liang Jiahao's neck and rubbed her body against his chest. "I feel very uncomfortable. Help me ..."

Liang Jiahao unlocked the door with his fingerprint, kicked it open, and walked in. "Hold on a little longer, it will be over soon."

"Ugh ..." Qin Yu said with difficulty. Looking at Liang Jiahao's face, she suddenly put her soft lips on his lips without thinking.

Dong!

Liang Jiahao's brain immediately exploded. He stood there without moving, like a wooden stake.

Qin Yu had never kissed before and did not know how to proceed. However, she felt Liang Jiahao's mouth was very fragrant, like honey. She really wanted to try it, so she forced Liang Jiahao's mouth open and kissed him deeply.

Liang Jiahao had entered the military after graduating from high school. For thirty years, he had never had any contact with women.

It hadn't even been a few months since he came back, and yet Qin Yu had taken his first kiss by surprise. And he also found out with great difficulty that the girl in his arms was a beauty.

The most depressing thing was that not only did he not feel wronged, but he also felt that this woman was so soft.

This was the first time in his life that he had developed an intense interest in a woman's body.. He really wanted to carry Qin Yu to the bedroom and roll onto the bed just like that.

[Chapter 487 - Can You Not Call Me Big Brother](#)

Qin Yu kissed Liang Jiahao deeply, but she was still not satisfied. Her fingers began to unknowingly pull at Liang Jiahao's shirt until the button was ripped off, revealing most of his muscles. Under the thin fabric of Qin Yu's clothes, Liang Jiahao's blood began to boil.

Oh my God... He's going crazy!

At this moment, Liang Jiahao wasn't sure if his self-control could withstand Qin Yu's gentle attack. He just knew that the self-control he was so proud of would collapse if this continued.

His hands suddenly tightened around Qin Yu's waist, so tight that she could barely breathe. Only then did she finally let go of his lips.

Liang Jiahao took a deep breath and carried Qin Yu towards the bathroom. Qin Yu's lips were still trying to find his lips, and this time, Liang Jiahao didn't stop her. Instead, he carried her and stood under the shower, opening the faucet.

Standing in the cold water, Liang Jiahao seemed to know that the sweet time was almost over. Not only did he not let go of Qin Yu, he became even more intoxicated and kissed her more intensely.

One minute, two minutes, five minutes. Qin Yu's entire body was suddenly covered in a cold wave, dispelling all the heat from her body. She abruptly opened her eyes and saw that a strange man was kissing her.

She jumped off Liang Jiahao's body and took two steps back. Leaning her back against the cold tile wall, she raised her hand and pointed at Liang Jiahao, who was standing in the cold water. She angrily scolded. "Old pervert, you're so shameless!"

Liang Jiahao looked at her calmly. Cold water poured over his head and he was like a man abandoned by his lover in heavy rain. He was so cold that there wasn't even a trace of warmth in his eyes. "How can I be shameless?"

"You ... You ..." Qin Yu's body was shivering from the cold and tears rolled down her cheeks. "You're taking advantage of me! You are so shameless!"

"I'm taking advantage of you?" Cold water ran down his face, and his cold expression grew even colder. He calmly explained. "If I was taking advantage of you, you wouldn't be standing here with me under the cold shower, we would be rolling around on the bed under the sheets!"

Qin Yu knew that Liang Jiahao was telling the truth. Now that she was sober, she remembered what had happened earlier.

But she felt wronged. She felt sad.

Seeing Liang Jiahao's cold gaze, she hugged herself and slowly slid down the cold tiles. Then she squatted down like a quail and began to cry. "This is my first kiss. Woo woo... In my whole life, except for my father and brother, there have been no men who have hugged me, not even those who have made movies with me. Sob, sob ..."

A moment ago she had been fighting so fiercely in the restaurant, but now, she was squatting there like a little girl, crying and shaking.

Just because she had lost her first kiss.

Liang Jiahao suddenly felt guilty. In fact, if he didn't want to kiss Qin Yu, he could have thrown her into the bathroom in so many ways and left her alone under the cold shower, but ... He lost control.

Liang Jiahao had never been afraid when he was on the battlefield, not even when faced with an enemy's gun. Now, seeing a little girl crying like this, he had no choice but to coax her.

Like a little kid, he looked at Qin Yu with both wronged and remorseful eyes. After a moment of silence, he suddenly crouched in front of her. Both of them were soaked. He pushed her lightly with his hand. "How about this... I'll let you hit me. No matter how hard you hit me, I will not fight back even if you hit me to death."

Qin Yu pushed his hand away and shouted. "Go away! Don't touch me!"

Liang Jiahao really couldn't do anything about this. The sound of Qin Yu's crying was like an electric saw, fiercely sawing into his heart. He felt like he was going to die from the pain.

The feeling he had never felt before suddenly frightened him.

Liang Jiahao quickly stood up and fished out his cell phone from his pocket. As a result, the phone was wet with water and turned off.

He left the bathroom and picked up the phone in the living room. Fortunately, he had a photographic memory and remembered Han Yuanjun's number. The first thing he did was to call Han Yuanjun and ask for his help. "Hello, Han Yuanjun."

When Han Yuanjun heard Liang Jiahao's anxious voice, he quickly became nervous. "Big brother, what happened?"

Liang Jiahao pursed his lips and thought about how Qin Yu had called him an 'old pervert', causing his heart to become depressed.

"Can you not call me big brother!"

Seeing that Liang Jiahao was still in the mood to care about this, Han Yuanjun knew that it shouldn't be anything important. He joked with a smile. "What's the matter? I've been calling you big brother for quite a while, why can't I call you that all of a sudden?"

Liang Jiahao gritted his teeth in annoyance. "Because you make me sound old!"

Shouldn't Han Yuanjun have a little bit of compassion in his heart?

He's a whole two years older than Liang Jiahao!

Calling him big brother even though Han Yuanjun was older than him, how can Liang Jiahao not feel depressed?

Han Yuanjun wasn't in the mood to argue with Liang Jiahao, so he quickly asked, "You just called me to correct the way I address you?"

Suddenly, Liang Jiahao became serious. "Let me ask you, if you make a girl cry, what should you do to make her calm down and stop crying?"

Han Yuanjun: "..."

Why would Liang Jiahao ask for his help with such a retarded problem?

Eh, that's not right!

Wait...

Han Yuanjun suddenly burst out laughing. He shouted from the other side of the line. "Baby, come here quickly. Your brother has finally bloomed. He asked me how to coax a girl!"

Liang Jiahao: "..."

Was it necessary to laugh so loudly and for everyone to know about it?

Not long later, Liang Jiahao heard Liang Zixuan's excited and gossipy voice. "Big brother, what's going on? Who's the lucky girl? Come on, tell your sister."

Liang Jiahao regretted making this call. How could he meet such an unreliable little sister and brother-in-law!

Didn't they know that he was dying of anxiety?

They were actually still in the mood to make a joke!

Liang Jiahao dejectedly hung up the phone. He walked around the living room for a few steps, then hurried into the bedroom and ran into the bathroom with two towels.

Qin Yu was still crying sorrowfully. Liang Jiahao turned off the shower, and without saying anything further, he covered her body with the towel and said with an extraordinarily hard voice.. "Don't catch a cold."

[Chapter 488 - Never Seen A Woman Eating Noodles Before](#)

"Go away!" Qin Yu cried as she pushed Liang Jiahao's hand away and pulled the towel from her body. She threw it on the ground. "You don't have to worry about me."

Liang Jiahao pursed his lips and looked at the unreasonable girl in front of him. He felt angry and depressed at the same time.

Why was the temperament of this girl so overbearing? She'd been crying for so long. Was it not enough?

Liang Jiahao suddenly bent down and carried Qin Yu in his arms, ignoring the fact that she was still crying. Then he stood up and walked out of the bathroom.

Qin Yu jumped in fright. As she was crying, she punched Liang Jiahao's shoulder with all her might. "Old pervert, let me go. Let me go! Put me down!"

Liang Jiahao looked down at her and carried her expressionlessly to the bedroom on the second floor.

Although this was Qin Yu's first time coming to Liang Jiahao's house, she was quite familiar with the layout of the houses. The living room, the kitchen, the bathroom, and the bedroom on the second floor ...

The bedroom!

Qin Yu immediately threatened him menacingly. "Old pervert, where are you taking me? You'd better put me down. If you don't put me down, I'll be rude to you."

Seeing that Liang Jiahao had no intention of letting her go, Qin Yu's face turned red. She gritted her teeth angrily, opened her mouth, and bit Liang Jiahao's shoulder with all her might.

Qin Yu used all her strength, but Liang Jiahao didn't even make a sound or try to put her down. It was as if he wasn't the one who was being bitten, and the expression on his face didn't change at all.

Qin Yu bit Liang Jiahao's shoulder like an enraged puppy and didn't let him go until he carried her into the bedroom and then stood at the door of the cloakroom. Liang Jiahao then opened his mouth and said, "Have you bitten enough?"

Without letting go of her hold on Liang Jiahao's shoulder, Qin Yu raised her eyelids and snorted.

Liang Jiahao put her down and looked at the cloakroom. "I don't have women's clothes here. You can go in and see for yourself. Wear whatever you want to wear. The hairdryer is in the second closet, blow dry your hair and then come down."

After saying that, he touched his bleeding shoulder and left the bedroom without saying a word.

Qin Yu stared blankly at Liang Jiahao's back, she couldn't react for a while.

He had forcefully carried her to his bedroom because he wanted her to put on clean and fresh clothes?

That... It didn't sound logical.

Qin Yu thought he wanted to do something bad to her ...

Qin Yu shuddered all of a sudden. She didn't want to torture her body just because she met an old pervert. She turned around and looked into the cloakroom.

All the men's shirts and suits were hanging on the clothes rack in an orderly manner.

Did Liang Jiahao really live alone?

How could he keep everything in order without a woman in his house?

Qin Yu pouted. She rummaged through the closet and looked at the clothes. In the end, she was dismayed to find that his clothes and pants were way too big for her.

His pants. She had to wear them by lifting them up to her chest.

After Liang Jiahao came down, he went to the kitchen, took two eggs from the fridge and some vegetables. After washing the dishes, he boiled water, put the noodles in the pot, and fried the eggs on the stove.

All of this took 20 minutes, and two bowls of fragrant fried egg noodles were ready.

He came out of the kitchen carrying the noodles. Suddenly, a cheerful figure appeared from the hallway. When Liang Jiahao looked up, he was taken aback.

Qin Yu was wearing a white shirt, but there was a bow tied at the bottom and the sleeves had turned into a tassel shape. As she walked, the tassels swayed left and right, revealing her arms.

And the pants... They were so short.

As if they'd been cut off and turned into knickerbockers, they were a bit cute and mischievous.

Liang Jiahao was stunned. He couldn't remember if he had those short pants?

Qin Yu looked at him and saw that he was holding two noodle bowls in his hands. She chortled happily. "Old pervert, you know how to cook. It just so happens that this grandmother is hungry. Hurry up and bring them over to me so I can have a taste of your cooking skills."

Liang Jiahao came back to his senses. He placed the noodle bowls on the table. He looked at Qin Yu's clothes and asked, "Where did you get those clothes?"

He could not remember owning such clothing.

Qin Yu smugly lifted her lips and walked around Liang Jiahao. "How is it, it's nice, isn't it?"

Liang Jiahao nodded and said undeniably, "Yes, it suits you very well."

"Of course, it looks good on me!" Qin Yu raised her arm and touched the tassel, smiling. "Your shirt is too long, I cannot wear it at all, so I cut the sleeve into the shape of a tassel."

C-cut... She cut it off?

Liang Jiahao quickly blinked his eyes as he looked down at her knickerbockers.

Qin Yu laughed even more smugly. "This is your underpants! They were too long and too big, so I cut them off too!"

Liang Jiahao: "...."

The clothes and pants looked familiar, but he couldn't remember whether he had them or not. And it turned out that Qin Yu had cut them off!

Liang Jiahao said nothing. He put the chopsticks on the bowl. "Eat the noodles."

Qin Yu sat down and took a sniff of the noodles with her chopsticks.

Liang Jiahao sat down opposite of her and looked at her.

Qin Yu ate comfortably with the bowl in one hand and the chopsticks in the other. She did not care about her image as a female celebrity at all. The sound of her slurping noodles could be heard throughout the room.

Liang Jiahao had met many different types of girls before, but none of them could eat as casually as Qin Yu.

Those women were more or less reserved in his presence. Not to mention slurping, they did not even make a sound when they chewed.

And Qin Yu's slurping sound was so loud that he could not ignore it.

When she was biting the egg, she even opened her mouth wide and bit the egg down by a full third.

Liang Jiahao's eyelids twitched as he watched Qin Yu eat the noodles. He was actually starving from watching her eat.

Qin Yu suddenly raised her head and looked at him. "What are you looking at? Never seen a woman eating noodles before?"

Liang Jiahao: "...."

He had seen women eating noodles before, but none of them were like her!

Chapter 489 – I'm Neither A Pervert Nor An Old Pervert

Liang Jiahao chuckled slightly. He lowered his head and imitated Qin Yu's slurping action. Unexpectedly, he found that the noodles didn't get too hot when he ate them this way. Besides, it tasted very good and it was even more interesting than wolfing it down.

Qin Yu suddenly heard the sound of slurping and looked up at him with her mouth full of noodles. Seeing Liang Jiahao learning the way to eat the noodles from her, the corner of her mouth twitched. "Do you dare to make the 'slurping' even louder?"

Liang Jiahao raised his eyebrow and slurped the noodles even more forcefully. This sound suppressed the sound Qin Yu was making.

Qin Yu: "..."

This man didn't seem so young anymore. Why was he so childish?

Her eyes suddenly fell on Liang Jiahao's wrist. There was a deep bite mark on his teeth, and it was bleeding. Perhaps he didn't treat the wound in time, so there was still dried blood on it.

Qin Yu put down her chopsticks and asked blankly. "What happened to your hand? Who was crazy enough to bite you until it became like that?"

Liang Jiahao glanced at her. He put down his chopsticks and brought his wrist to Qin Yu's mouth. "Open your mouth."

Qin Yu didn't know why, but for some reason, she actually opened her mouth.

Liang Jiahao put his wrist in her mouth and then looked at her. "Look, isn't the tooth mark fit?"

Qin Yu: "..."

She bit him?

When did she bite him?

She didn't really remember!

The bite wound was different from the one on his shoulder. She had bitten his arm with all her might, which was why the wound was so deep.

Qin Yu took Liang Jiahao's hand out of her mouth and looked at him seriously. Then, like a child who had done something wrong, she looked down and felt a little uncomfortable. After a while, she finally managed to come up with three words, "I'm sorry."

"Why should you apologize?" Liang Jiahao didn't seem to care about the wound as he took back his chopsticks and continued eating the noodles. "You're trying to control yourself, and although the method was a bit cruel, it's enough for me to think you're a good woman."

Qin Yu's face instantly darkened. "You're a good woman. Your whole family is made up of good women!"

Liang Jiahao laughed lightly at her tantrum. He raised his head, and his eyes suddenly turned gentle. "That's enough now. Let's eat the noodles."

Qin Yu pursed her lips and took back her chopsticks to eat the noodles.

After the noodles were finished, Liang Jiahao went to the kitchen to wash the bowls. Qin Yu stood at the kitchen door and watched his tall, straight body doing the house chores. Her eyes fell on his wrists.

Liang Jiahao didn't have to look back at her to know what she was thinking. "The second drawer to the left of the TV cabinet in the living room."

Qin Yu raised her eyebrow and looked for the first aid kit.

At the same time she took out the iodine and ointment, Liang Jiahao came out of the kitchen.

ηoVELusb.com

"Come here."

Liang Jiahao looked at the items on the tea table. He was so happy that he felt like he was flying. There was also a faint smile on his face.

After sitting down next to her, Qin Yu said, "Give me your hand."

Liang Jiahao obediently stretched out his injured hand.

Qin Yu put Liang Jiahao's hand on her leg and began to disinfect it. "Did you go to the ladies' room because you wanted to save me?"

Liang Jiahao was staring at Qin Yu's face, not missing a small change in her expression. Although she was a bit awkward and a bit tense, he could tell with his eyes that she felt a little guilty.

Liang Jiahao wasn't about to let the opportunity to change his image in Qin Yu's heart go, so he nodded and answered seriously. Still fearing she would feel guilty, he comforted her. "If you're being bullied by that guy, I'm not going to stand in the doorway and watch, I'm going to save you. And when you mistook me for that person's partner, that's understandable. Anyone in your shoes would think I was helping the man block the door so you couldn't escape so easily."

When Qin Yu heard this, she giggled. She raised her head and looked at him. "So you don't think my action of hitting you was a bit abnormal?"

"Of course not." Liang Jiahao smiled happily. "That's why I can understand why you called me a pervert."

"You're not a pervert." Qin Yu corrected him. "You're an old pervert!"

Liang Jiahao's face stiffened and he said in a serious tone. "Please throw away that 'old' words!"

"I won't! I'm going to call you an old pervert!" Qin Yu didn't know why, but when she saw Liang Jiahao's angry face, she felt very good inside. She shouted, "Old pervert. Old pervert."

Liang Jiahao: "..."

Was she going to keep calling him that?

Even if she removed the "old" words one day, he still wouldn't be able to tolerate it, okay!

She couldn't possibly shout "pervert" every time she saw him in the future, could she?

Liang Jiahao straightened his expression and planned to introduce himself formally to Qin Yu. "I have a name. I'm neither a pervert nor an old pervert. My name is Liang -"

Qin Yu immediately covered her ears and pretended to be a bastard while laughing loudly. "I won't listen, I won't listen! I want to call you old pervert, old pervert!"

Liang Jiahao: "..."

"My name is Liang Jiahao!"

Qin Yu covered her ears and said in a very loud voice, "What, what're you saying? Oh, old pervert? Alright, I understand. You're called an old pervert."

Liang Jiahao: "..."

His last attempt seemed to be in vain.

When Qin Yu saw him looking at her with a helpless expression, she pursed her lips and proceeded to bandage his wrist.

"You don't need to tell me your name. After our meeting today, we may not have any interaction anymore in the future. I may not see you again for the rest of my life, so I don't care what your name is."

At this point, Liang Jiahao's heart felt like it had been pricked by a needle. He didn't want this to be the last time they met, he still wanted to see her.

Whatever the reason, he couldn't help but anticipated the next time he would see her.

He could tell that Qin Yu didn't really expect them to meet again.

But it didn't matter. Liang Jiahao wasn't an idiot. He already knew her name and knew that she was a big star. He could easily know everything about her and her schedule.

'Hmph! If you wanted to escape from my clutches, it would depend on whether I agreed or not!'

Liang Jiahao laughed in his heart.. 'Little girl, you're still too inexperienced.'

Chapter 490 – He Really Pampered You All The Way To Heaven

Qin Yu bandaged Liang Jiahao's wrist like a dumpling. After wrapping the bandage into a beautiful butterfly knot, she clapped her hands in satisfaction. "Done!"

Liang Jiahao looked down at the bow on his wrist. He was in a good mood. Although it was a bit feminine, he felt that it was really beautiful.

"Alright, old pervert. It's too late, I'm going back now." Qin Yu straightened up and stretched her back.

Liang Jiahao looked up at the dark sky outside the window and said softly, "There won't be a taxi at a time like this."

Qin Yu picked up her rivet bag that was lying on the floor. She opened the bag, took out her phone, shook it in front of Liang Jiahao, and said proudly, "Don't you know that nowadays there's a very convenient means of transportation called Grab?"

Liang Jiahao: "..."

He really didn't know.

Qin Yu stood up with her bag and cell phone. She smiled at Liang Jiahao and said, "Thank you for saving me tonight. Thank you for feeding me a bowl of noodles and lending me these clothes. If fate permits, I will treat you to a great meal. But..."

She suddenly raised her head and laughed. "I don't think there will be such an opportunity."

Qin Yu happily walked to the door and continued to laugh out loud.

Liang Jiahao chuckled as he looked at her retreating figure.

What an interesting girl.

After watching Qin Yu leave, Liang Jiahao stood up and returned to his bedroom. He opened his laptop and typed in Qin Yu's name, searching for her info on Baidu.

He pressed the search button and a lot of information about her appeared.

There were many articles written about Qin Yu and Liang Zixuan.

Liang Jiahao was a little surprised. Could it be that Qin Yu had a relationship with his sister?

Liang Jiahao clicked on Baidu Wikipedia and read the articles seriously. The last sentences of the paragraph made his lips curve upwards in a cheerful smile.

'Qin Yu, do you think you will not see me again in the future with your relationship with Liang Zixuan? How is that possible!'

After Liang Jiahao returned, he did nothing but work and went on blind dates. Even when he was bored, he only watched TV and the news.

Sometimes he would watch movies. And the movies he watched were all related to military topics.

Tonight, he put his laptop on his lap and clicked on "Perfection of Eternity." He watched it from beginning to end and still felt a little dissatisfied.

Then he clicked on "Girl of The Rose" and started watching it.

He had been back for so long and knew that Liang Zixuan had sung songs and acted in a movie and TV series before, but he had never asked her about it. He also did not have time to download and listen to her song.

Now, while watching "Girl of The Rose", he downloaded all of Qin Yu's songs to his phone.

It wasn't until three in the morning that he remembered he still had to work the next day. He turned off his laptop and went to sleep.

The next day, Liang Jiahao drove to work while listening to Qin Yu's song.

Needless to say, this little girl's voice was very pleasant and full of enthusiasm. Just by listening to her voice, one could get in a good mood.

Liang Jiahao had been thinking about Qin Yu throughout the day, while Qin Yu was sitting in Han Yuanjun's office, recounting what had happened last night to him. Finally, she arrogantly asked, "Uncle, your niece was almost bullied last night, what do you think we should do?"

When she was about to leave this morning, Qin Yu had called Liang Zixuan and told her to skip class today and go to the Han Group.

Liang Zixuan did not know what was going on, so she called the teacher and asked for a day off. She followed Han Yuanjun to the Han Group, and when she heard this, she was even more furious than Qin Yu. "They actually used that vile trick against you? Don't tell me they don't know that you are from the Qin Family and that the Han Group is behind you?"

Qin Yu pouted in anger. "They know! It's because they know that they dared to do such a thing to me!"

Those people knew that Qin Yu wasn't someone to be trifled with, and yet, they still touched her. This was simply suicide!

Liang Zixuan was so angry that her face turned bright red. She turned to Han Yuanjun. "Han Yuanjun, one of our people was bullied to this extent. Why don't you say anything?"

Han Yuanjun looked at Liang Zixuan with a serious expression. He was deep in thought. Hearing no answer from him, Liang Zixuan frowned. "Since you won't say anything or make any move, just leave everything to me. I don't need your help."

"Baby." Han Yuanjun frowned as his finger tapped on the desk. "Just because I'm not saying anything, doesn't mean I won't do anything. I'm just thinking about how to do it and how to kill them in one blow. You have to give me time to think."

Liang Zixuan suddenly smiled and walked over to Han Yuanjun's desk. She kissed him on the cheek. "I know you won't let your family suffer. Alright, I won't bother you. Think slowly, Qin Yu and I will have a talk."

When Liang Zixuan sat down on the couch next to Qin Yu, Han Yuanjun picked up his landline phone and called Yao Xiu. "Yao Xiu, prepare some fruit and snacks, then pour two glasses of fresh fruit juice and send them to my office. After that, send an email asking all the company executives to meet me in the conference room." *ηoVeuSb.cOM*

Twenty minutes later, Yao Xiu opened the door to the CEO's office with two large bags of chips. "Please eat them while you two talk. I've asked the secretary to bring the juices and she will bring them in a moment."

Liang Zixuan raised her head and thanked him with a smile. "Thank you very much. Sorry for troubling you."

"It's no trouble, no trouble at all. It's my honor to serve the president's wife." Yao Xiu seized the opportunity to kiss Liang Zixuan's feet.

Liang Zixuan laughed and waved at him. "Quickly go to the conference room. Han Yuanjun has already left."

"Alright." Yao Xiu bowed respectfully. "If you need anything, just ask the secretary outside."

After Yao Xiu left, the secretary immediately brought the juices and a plate of fresh fruits.

Qin Yu looked at the table full of snacks and fruits and was speechless with envy. "Tsk tsk, my uncle really pampered you all the way to heaven! I'm so jealous of you."

Liang Zixuan glared at her.. "What are you talking about? Are you saying that your uncle is not good to you? He had called all of the company's upper echelons here to discuss how they can vent their anger for you."
