

Beauty 491

Chapter 491 – Do You Have Any Other Feelings Toward Him

Qin Yu smiled cheerfully. "My uncle was not like that to me when I was little, and now that he has a wife, someone who I have a good relationship with, how can he dare not love me? If he doesn't love me, you must kick him out of the bed tonight and don't let him sleep with you for half a month."

Back then, when Han Yuanjun tried to chase Liang Zixuan, Qin Yu had done a good job in helping him. Now that he had the beauty, how could he destroy the bridge after crossing the river with her?

Liang Zixuan nodded proudly. "You are right. If he dares not to love you, I will make him kneel on the washboard until he reflects on his mistakes."

At this point, Liang Zixuan suddenly paused. She picked up the apple and gave it to Qin Yu.

"Qin Yu, you said that the man who followed you is someone you know from your childhood? Is he your childhood sweetheart?"

Qin Yu took the apple, bit into it, and snorted. "What childhood sweetheart? If he can be called a childhood sweetheart, then I will have a thousand."

She bit into the apple again. When she spoke to Liang Zixuan, she was beaming with joy, and it could be seen that she was in a very good mood. "Auntie, you don't know how dirty he was when he was young. He was always wearing open crotch pants and had a runny nose. Every time I saw him, I always saw him with a runny nose. Hahaha... How can he be my childhood sweetheart?"

Liang Zixuan had never seen Kang Yuhan before, but from Qin Yu's description of him, she could imagine a clean boy with a runny nose. She smiled and asked, "What about that old pervert? Did he really save you?"

"Yes!" Qin Yu's expression immediately changed when Liang Zixuan mentioned Liang Jiahao. Although Qin Yu was still laughing, Liang Zixuan could vaguely feel the appreciation she felt from the bottom of her heart when they talked about him.

"He's a very handsome and mature man. His maturity is different from any other man and gives people a sense of peace and security. And what I admired most about him is that he doesn't know who I am, and it can also be said that he was a bit mad at me when we first met, but he can actually disregard the grudge we had and saved me from the pit snake. I can tell that his character is very good."

Liang Zixuan smiled as she looked at her. "Only his characters are that good? Is there anything interesting about him?"

"There is." Qin Yu immediately became excited and leaned towards Liang Zixuan, laughing as she whispered into her ear. "He's so childish! When I called him 'old pervert', he was so angry at me. But the thing that made him angry was the words 'old'! He kept asking me to get rid of those words, but I don't want to. And when I saw the angry look on his face, my heart suddenly felt very good."

This was the first time Qin Yu had spoken so vividly about a man in front of Liang Zixuan. Moreover, she didn't have the slightest expression of disdain for him.

Liang Zixuan was really curious as to what kind of man could cause Qin Yu to have such a petty personality.

She asked curiously, "Did you ask him what his name was? You should at least know your savior's name."

"No!" Qin Yu pouted. "I don't think I will be seeing him again, so I didn't ask. He said it at that time, but ... I covered my ears."

Liang Zixuan: "...."

Why was Qin Yu so childish?

Why would she think that way?

Liang Zixuan had lived for two lifetimes and was also a woman. She had experienced everything that Qin Yu was now experiencing with Han Yuanjun. And when Qin Yu said this, she naturally knew what was going on in her heart right now.

"Qin Yu, tell me... Other than being grateful that he saved your life, do you perhaps have any other feelings toward him?"

Qin Yu slowly looked at Liang Zixuan. She didn't understand what Liang Zixuan was trying to say.

"You don't want to know his name because you're afraid that if you meet him again, you might fall in love with him, right? You're afraid that he won't be able to meet your parents' expectations. You're afraid that if you fall in love with him, you'll disappoint your parents, so you'd rather not know him, not meet him, and not develop your relationship with him."

The apple in Qin Yu's hand fell down as she stared at Liang Zixuan with her mouth agape. "Auntie, since when did you become a psychiatrist? How can you know what I'm thinking?"

Liang Zixuan looked at Qin Yu and smiled. "You are still too young, so it is understandable that you are afraid. But Qin Yu, this isn't like you at all. In my heart, you are a brave and courageous woman who wouldn't back down without a fight."

Qin Yu pouted again. "You are the same age as me, okay? Don't make it sound like you are so much older than me, like there's such a big generation gap between us."

Liang Zixuan just chuckled and thought to herself, 'But I have lived many years longer than you. Even though I am the same age as you, I have lived up to the age of thirty in my previous life.'

Liang Zixuan took the potato chips bag and opened the package and handed it to Qin Yu. While eating the potato chips, she advised her. "Actually, you don't need to think too much for love."

Qin Yu slowly leaned her head on Liang Zixuan's shoulder. She took the potato chips between her fingers and put them in her mouth. "But he's much older than me. He's already thirty. Besides, I have never seen him before, so I presume that he's not someone with good family background and my parents would definitely not agree to that."

Liang Zixuan gave her a sidelong glance. "So what? Your uncle is ten years older than me."

"That's different!" Qin Yu pouted. "Even though he knew there would be a slight chance his family would not approve, he's still chasing after you like a moth after a flame. But if I really fall in love with this man, then I will have to disappoint my parents and break up with him. In the end, I won't only hurt myself, but also him."

Liang Zixuan burst out laughing. "How did you know he would fall in love with you?"

Qin Yu held the potato chips in her hand and said, "I just knew it! I can feel that he also has a good impression of me."

"Since you both have a good impression of each other, why not give it a try? I think as long as he is an ambitious and kind-hearted young man who doesn't have any playthings outside and only loves you, you can marry him. What family background? Those are all fleeting clouds. Look at how many new, up-and-coming, famous businessmen there are at the moment. Didn't everything they did and how they became like this start from scratch? Qin Yu, it's hard to find good men nowadays.. You better seize your chance, otherwise, you will regret it for a lifetime."

Chapter 492 – The Man I Told You I Was Waiting For

Liang Zixuan was trying her best to persuade Qin Yu, and what she didn't know was that she was unintentionally helping her own brother.

Qin Yu slowly put the potato chips into her mouth and seriously thought about what Liang Zixuan had said. What she said made a lot of sense.

Was it wrong for her to fall in love with an ordinary person?

Why did it matter if Liang Jiahao didn't have a good family background?

She had it.

She could earn enough money to spend for lifetimes and she had everything including a house and a car.

As long as Liang Jiahao was willing to be with her, nothing else mattered.

Qin Yu immediately raised her head and forcefully kissed Liang Zixuan's cheek with her mouth full of potato chips. "Auntie, you are really the best. If I were fated to meet him again, I would definitely ask for his name!"

Seeing Qin Yu's happy and relieved expression, Liang Zixuan couldn't help but burst out laughing. "As a woman, you must remember this. Money can't give us happiness. Only when we meet a man who truly loves us and holds us in his heart, will we have a lifetime of happiness. We don't marry someone for money, but for his heart."

Qin Yu happily wrapped her arms around Liang Zixuan's neck and nodded in agreement. "Yes, just like you and my uncle! The Han Family is wealthy and yet they didn't force my uncle into an arranged marriage, forcing him to marry someone they chose for business. They let my uncle find a woman he loves and let him live a happy life. We make decisions for our own lives. We can't be treated unfairly just because of money and thus, marry a man we don't love!"

Suddenly, Qin Yu's phone rang. Qin Yu took out her phone and saw that it was a call from Xia Jingfei. She quickly wiped her mouth and went to the window before answering. "Hello, Jingfei."

"Qin Yu." Xia Jingfei's voice sounded a little dejected. "Can we meet today?"

The reason Qin Yu had canceled her appointments for today was that she wanted to complain to Han Yuanjun and Liang Zixuan about everything that had happened last night, and she wanted them to vent her anger.

Qin Yu turned around and looked at Liang Zixuan, then said to her phone. "I have something to do today."

Xia Jingfei's muffled voice could be heard. "Can't we have lunch together? I have something very important to tell you."

"Lunch?" Qin Yu looked at the time. It was already 11:15. She still didn't know when Han Yuanjun would return, and she felt uncomfortable leaving Liang Zixuan here alone.

"Can we meet tonight?" Qin Yu asked.

"But I want to see you right now! I know you are very busy, but seeing as we have been sisters for years, could you spend half an hour with me? If I didn't tell you about this, I would have felt really bad. I couldn't sleep last night because of this. Qin Yu, please... I beg you." *novelUsb.cOm*

Qin Yu didn't expect it to be so serious, so she asked anxiously. "What's wrong? Couldn't you say it on the phone?"

"No, Qin Yu, I want to see you!" Xia Jingfei insisted.

Qin Yu's heart was the softest, especially towards a girl like Xia Jingfei. She hesitated for a moment, then nodded. "Alright, come to the Han Group now. We'll find a restaurant nearby to eat."

After hanging up the phone, Qin Yu went back to Liang Zixuan. She shook her hand guiltily. "Auntie, I'm sorry. I clearly called you here to accompany me today, but I have some matters to take care of right now. I'll come back as soon as I handle this matter. Please don't be angry with me."

Liang Zixuan smiled and shook her head. "How could I be angry? I can always go and look for Zeng Zhelan. Don't forget, I also worked here for a year. I know how to spend my time, don't worry."

Qin Yu smiled happily and gave Liang Zixuan another kiss on the cheek. "I knew you doted on me the most!"

Qin Yu chatted with Liang Zixuan for a while before waiting for Xia Jingfei in the main lobby of the Han Group.

Very soon, Xia Jingfei's car arrived. They found a quiet restaurant and ordered a few dishes.

"What exactly happened? Why did you want to see me so badly?"

Xia Jingfei looked around to make sure no one was paying attention to them before opening her bag and taking out a man's handkerchief. She then shook it in front of Qin Yu.

Qin Yu understood at a glance and asked with a smile. "Is this your boyfriend's?"

Xia Jingfei pursed her lips in embarrassment. She neither said "yes" nor "no", but held the handkerchief in her hand and played with it. She opened her mouth, wanting to say something, but no words came out.

Qin Yu watched so anxiously that she couldn't help but ask. "What exactly do you want to say? Say it. What's so important that you can't say it in front of me?"

Xia Jingfei glanced at Qin Yu and said awkwardly, "The man who saved you yesterday...Is the man I told you I was waiting for."

In terms of speaking, there was no one who could compare to Xia Jingfei.

She did not say that Liang Jiahao was her boyfriend, but her words made Qin Yu believe that he was really her boyfriend.

Xia Jingfei had a simple nature, but when she met a man she liked and saw that he was about to be snatched away from her, she had no choice but to pull out all the spikes on her body and fight for him.

In her entire life, she had never fought with anyone, let alone taken anything from them, but Liang Jiahao was a man she would never forget after a single encounter. He was unlike any man she had ever met before.

Qin Yu sat there frozen as if she had been struck by lightning. She was so weak inside that she could not feel anything.

Just now, she had thought of giving Liang Jiahao a chance under Liang Zixuan's persuasion. But what she had not expected was for him to be Xia Jingfei's boyfriend.

Embarrassment flashed on Qin Yu's face. She smiled uncomfortably. "So that old pervert is your boyfriend?"

"Old pervert?" Xia Jingfei was taken aback and asked unconsciously. "You called him an old pervert? He ...he did not do anything too outrageous to you, did he?"

"Hahaha ..." Qin Yu suddenly let out an exaggerated laugh that brought tears to her eyes. Wiping them away, she laughed and said, "Do you think he can do anything to me? Haha ... How is that possible? A weak chicken like him, as soon as I lift my feet, he would not be able to get out of bed for half a month! How could he even do anything excessive to me?"

It was unknown if it was Xia Jingfei's intention or not, but her fingers kept fiddling with the handkerchief. It was something that Qin Yu could not ignore even if she wanted to.

Xia Jingfei bit her lips and whispered, "He is not a weak chicken.. He's actually very powerful."

Chapter 493 – Consider Me Begging You

nOveLusB.cOm

Xia Jingfei knew who Liang Jiahao was, and she knew where he came from.

If a strong man like Liang Jiahao were called a weak chicken, then there would be no man in this world who was not a weak chicken.

Seeing that Qin Yu didn't seem to know that the man she was talking about was the most popular person in the business world, Xia Jingfei was quite happy. Qin Yu didn't know, so naturally, Xia Jingfei wouldn't tell her either.

Seeing Xia Jingfei's embarrassed expression, Qin Yu smiled. "Alright, alright, he's not a weak chicken. He is the best, alright? Gentle, considerate, kind, and filled with a sense of justice. If I have the chance to see him again, I will definitely bow down to him."

Gentle and considerate?

Xia Jingfei suddenly looked up and blinked at her. "Gentle and considerate?"

"En!" Qin Yu nodded. "He saved me from those men and didn't take advantage of me when I was under the influence of the drug. He also cooked me a bowl of noodles. He was very gentle and considerate."

No matter how well Xia Jingfei tried to hide her feelings, at this moment she could no longer hold back the jealousy and envy in her heart towards Qin Yu.

She had met Liang Jiahao several times before, and he had never been so gentle and considerate to her.

At most, when she cried, he would hand her a handkerchief, but that was only out of pity.

Xia Jingfei's innocent facade almost collapsed in front of Qin Yu. She looked down, grabbed the handkerchief in her hand, and said slowly while trying to hold back the jealousy in her heart. "Qin Yu, he is the man I love."

The smile on Qin Yu's face froze. At this moment, she felt like digging a hole and hiding in it.

Calling Liang Jiahao gentle and considerate in front of Xia Jingfei was clearly an attempt to show off and provoke her.

However, that wasn't Qin Yu's intention. She had just casually said this.

"I know." If Qin Yu still didn't know Xia Jingfei's intention to meet her at this moment, then she was a fool. She can be considered acting in several dramas and movies. So, how could she not know what Xia Jingfei was planning to do?

She was here to claim her sovereignty over Liang Jiahao.

"Jingfei, don't worry. I won't touch your man, and I certainly won't think about him."

Even so, Qin Yu was still upset with her.

They were good friends, did Xia Jingfei really have to use this method on her?

She didn't trust her?

In fact, Qin Yu would understand if Xia Jingfei told her about this over the phone. She would keep her distance from that man in the future.

Had Xia Jingfei asked Qin Yu here specifically to see how awkward she would be?

Xia Jingfei looked at Qin Yu with a burning gaze. The light in her eyes made Qin Yu feel even more remorseful because she saw the sadness in her eyes. Xia Jingfei was begging her.

"Qin Yu, you have everything now. You can do whatever you want, you can sing however you want. Your life is good and you don't need anything anymore. Everyone has already looked up to you to the point where all the girls in this world wanted to be like you. While me ..."

The sadness in Xia Jingfei's eyes deepened as she said inferiorly, "You know how my family is. My parents aren't like your parents, they don't let me go out to work and always keep an eye on me. Actually, I also have my own dreams. I always wanted to be a good designer, but I couldn't do it, they wouldn't let me do it."

"They killed all my dreams. Right now, my only dream is to marry this man! No matter how he looks to you or anyone else, he's still the best and most suitable man for me. I want to marry him."

Qin Yu could guess what Xia Jingfei was going to say next. She didn't want to hear it, and she also couldn't bear to hear it, so she raised her hand and waved at Xia Jingfei. "Jingfei, don't talk anymore, I understand. You don't need to say anything."

"No, I want to!" Xia Jingfei's eyes reddened as she looked at Qin Yu. "Qin Yu, with your current status, you can have any man you want. All you have to do is wave your hand and a group of men will run after you. But I don't! It's not easy for me to meet the man I love, and my parents love him too. I really can't let him go, even if you're my best friend, I won't let him go!"

"Xia Jingfei, that's enough!" Qin Yu covered her face with her hand and took a deep breath. "Don't talk anymore."

Xia Jingfei immediately felt silence. Sadness, grief, fear, and terror swept over her like a hurricane. Although Qin Yu had said several times that she would stay away from Liang Jiahao, Xia Jingfei was still afraid.

What she feared was not Qin Yu falling in love with Liang Jiahao, but Liang Jiahao falling in love with her.

"Qin Yu, do you know? I have never had a boyfriend since I was a teenager. It's not because I'm not pretty, and it's not because I'm not cute, it's because of my mother! My mother is very picky, she is very demanding, and every man who has a good impression of me was afraid of my mother. And this is the first time that my mother was satisfied with a man I chose. This is the first time that she agreed for me to go out with him. This is the only chance I have in my life. If I didn't grab it, my father would arrange a business marriage when I am twenty-six!"

She suddenly screamed in pain. "But I'm already twenty-five, I really don't have much time left. Qin Yu, just consider me begging you, okay?"

Qin Yu had enough. Her more than ten years of friendship with Xia Jingfei had completely collapsed by this point. The friend she wanted to protect was not this white lotus bitch.

Qin Yu lowered her hand and looked at Xia Jingfei coldly. "What do you want me to do?"

Xia Jingfei wiped the tears from her face and tried her best to smile. "It's good if you don't see him. Even if he comes looking for you or you run into him by chance, you just have to ignore him."

Qin Yu sneered and opened her bag. She took out her wallet and pulled out a few hundred bills, which she then confidently slapped on the table. "Xia Jingfei, I promise this.. However, this is the last time I will have a meal with you and also the last time I will go out to see you. In the future, if we meet again, please get rid of that wronged expression of yours, or I will forever remember today's incident on how you used your weaknesses to force me!"

Chapter 494 – Using Her Happiness To Disguise Her Fragility

Xia Jingfei watched Qin Yu leave the restaurant without looking back. Suddenly, she broke down and shouted, "Qin Yu. Qin Yu!"

Xia Jingfei slowly lowered her head and looked at the few hundred-dollar bills on the table. Her heart felt as if it had been crushed by a giant boulder.

Actually, she did not want to do this. She had been friends with Qin Yu for more than ten years, so how could she not know that Qin Yu was a person who kept her word.

Qin Yu had never been one to beat around the bush or go back against her own words.

Xia Jingfei knew that the words she had said today hurt her deeply. But between Liang Jiahao and Qin Yu, she chose Liang Jiahao.

For the sake of her love, she had to win.

Qin Yu did not cry until she entered the elevator.

She cried not because Liang Jiahao was Xia Jingfei's boyfriend, but because Xia Jingfei didn't believe her. She actually hurt her just because of a man.

In Qin Yu's heart, love was important, but friendship was equally important too.

Even if she had already fallen in love with Liang Jiahao, she would definitely let him go as long as she knew he was her best friend's boyfriend.

But Xia Jingfei didn't believe her. In fact, she was forcing her.

Qin Yu was really upset. What was important to her was something that could be casually abandoned in the eyes of others.

And she was the one who had been abandoned.

Qin Yu only gave herself a minute to feel sad. When she got off the elevator and went to the bathroom to wash her face with cold water, she had returned to her previous carefree and happy self.

After Qin Yu left, Liang Zixuan didn't go downstairs to look for Zeng Zhelan. She wanted to wait here for Han Yuanjun and ask him how the discussion was going.

In only half an hour, Qin Yu had returned.

Liang Zixuan asked in surprise. "You eat so quickly?"

Qin Yu threw her bag on the sofa and walked over to hug Liang Zixuan's arm. With a smile, she said, "I didn't take too much time because I wanted to come back and accompany my aunt. So after I'm done eating, I'll leave quickly."

"Is that so?" Liang Zixuan raised an eyebrow at her. She suddenly noticed that her eyes were red.

Liang Zixuan held Qin Yu's face and eyed her seriously before asking in surprise. "Qin Yu, are you crying?"

"No!" Qin Yu jokingly pushed her hand away, "Why would a stone-hearted person like me cry? Auntie, you saw it wrongly."

How could Liang Zixuan have been seen wrongly? She could clearly see that Qin Yu's eyes were red.

Although Qin Yu had great acting skills, her body language was not something that acting skills could control.

Liang Zixuan grabbed Qin Yu's hand and looked at her with a deep gaze.

Qin Yu couldn't escape Liang Zixuan's interrogating gaze, and slowly, the happiness facade on her face had suddenly collapsed. Her eyes reddened again, and she actually threw herself into Liang Zixuan's embrace, hugging her tightly.

This was the first time Liang Zixuan had seen her so fragile. In her heart, Qin Yu was always a happy and carefree person. She was strong and had her own will, and she protected herself very well.

But this time, Qin Yu was actually using her happiness to disguise her fragility. She must be really hurt.

Liang Zixuan didn't say anything. She just let Qin Yu hug her while gently stroking her hair.

Not long later, the office door was pushed open from the outside and Han Yuanjun walked in.

Seeing Qin Yu hugging Liang Zixuan like this and looking very sad, Han Yuanjun's face immediately turned sullen. "What's wrong?"

Liang Zixuan shushed him with her hand. Han Yuanjun nodded and sat down on the sofa beside her.

Qin Yu quickly wiped the tears from her face and moved away from Liang Zixuan's embrace. She looked at Han Yuanjun with a strong smile and asked, "Uncle, how was your talk? How are you going to vent my anger?"

Han Yuanjun looked at her deeply, then unhurriedly said, "You are an artist under the Han Group. As long as someone does something against you, our Han Group will not let them get away with it."

Liang Zixuan nodded. "That's right, not only Qin Yu, but all Han Group's artists cannot be bullied by outsiders. We have to get rid of this bad atmosphere."

Han Yuanjun smiled warmly at her. "Just now, I contacted Dong Yong and asked him to seek out the CCTV recording from the private room as well as the one in the lobby. We have enough evidence to sue Mao Ping for drugging Qin Yu and her assistant, Hou Fen."

As he said this, Han Yuanjun suddenly paused, and his expression became serious. "And I found two female artists who were deceived by Mao Ping in the same way before. They weren't as lucky as Qin Yu. They didn't report these incidents to the police because they were afraid that their reputations would be ruined by the scandals. They were even more afraid that Mao Ping would take revenge on them afterward, so they endured it all the time."

"I will track them down and ask them to be witnesses and accuse Mao Ping of his crimes. Together with Qin Yu, we will eliminate this bad atmosphere from the entertainment circle."

Han Yuanjun took a deep breath. "I will never let something like this happen on my turf again. Female artists come out to work, they are not courtesans, they are not something that can be used by those rich men to do whatever they please! If I, Han Yuanjun, do not put a stop to this culture, then the entertainment circle will be despised by the masses, and female artists will also become a profession looked down upon by the masses. There is no way I will allow that to happen!"

When Liang Zixuan and Qin Yu heard this, they actually applauded Han Yuanjun enthusiastically.

Qin Yu did not know if it was because of Han Yuanjun's words or because of the sadness she was feeling right now, but she was crying. "Uncle, thank you, thank you so much! As long as you are here, I will not be afraid of anything in the future!"

Liang Zixuan gave Han Yuanjun a big thumbs up. "This is the man I, Liang Zixuan, love! He respects every woman in the workplace! I am so proud to have such a husband!" *nOvelusB.com*

Chapter 495 – The Person Who Saved You Yesterday Is My Brother

Han Yuanjun chuckled. "Don't worry, a big change in the entertainment circle is about to begin. With Qin Yu's help, we will wash away all these dirty things!"

At noon, Liang Zixuan ordered lunch for three of them and together, they discussed how to let the media know about this case and asked Shao Wuhan to help them with it. After a short lunch, the two female artists who shared the same fate as Qin Yu arrived.

As the saying goes, when you do something bad, you unconsciously leave a trail behind. Mao Ping would never have thought that they would find evidence against him of what had happened a few months ago.

With the help of Wei Xiaofan, the video of the two female artists being drugged by Mao Ping was quickly uploaded to Han Yuanjun's mailbox.

In order to protect the reputation of the two female artists, Han Yuanjun had intentionally used the mosaic to protect their faces. He wanted to use this evidence to sue Mao Ping, but that did not mean he would ignore the artists' reputation in order to achieve his goal.

The two female artists were not under the Han Group. After the incident, one of them had suffered from depression, and another one was no better, no longer daring to go outside or even be alone with a man.

Due to severe psychological trauma, they were unable to work and live like normal people.

After organizing the videos of the two female artists, Han Yuanjun called Dong Yong and asked for Qin Yu's video. When Han Yuanjun watched it, he was immediately shocked.

"Baby, isn't that big brother?"

Liang Zixuan stood up excitedly and stood behind Han Yuanjun, looking at the computer screen. When she saw Liang Jiahao kicking the man, she looked at Qin Yu excitedly. "Qin Yu, the person who saved you yesterday is my brother!"

"What?" Qin Yu was a bit surprised. "What brother?"

Liang Zixuan was so happy that she started to laugh. "My brother, my biological brother! A brother from the same father and mother!"

Qin Yu finally understood and rolled her eyes. "So that old pervert is your brother?"

"This ..." Liang Zixuan smiled awkwardly. "My brother isn't a pervert."

Han Yuanjun suddenly remembered something. He turned to look at Liang Zixuan with a gossipy smile. "Big brother called me last night and asked how to coax a woman. Baby, do you remember that?"

Liang Zixuan nodded. "I remembered."

"It seems that the woman who softened big brother's cold heart is actually my niece, Qin Yu!" Han Yuanjun raised his eyebrow at Liang Zixuan. "Baby, you even wondered how big brother could be so helpless and asked for my help."

Liang Zixuan was overjoyed. "Yes, that's right. I was even wondering why big brother was suddenly interested in coaxing girls."

As she spoke, she raised her eyelids and looked at Qin Yu.

Unexpectedly, there was no embarrassed expression on her face. Instead, there were expressions of disgust and hatred.

What had happened?

This wasn't supposed to be her reaction.

Qin Yu had just told Liang Zixuan that she had a good impression of Liang Jiahao. And now that she knew that the man was Liang Zixuan's brother, why did her expression become so strange?

Shouldn't she be happy?

"Can you stop talking about him?" With a cold expression, Qin Yu walked towards Han Yuanjun and took the mouse from him, then turned off the video. "You don't need to use a mosaic on my face. Now quickly organize the evidence and send them out and report this incident to the police."

Seeing the impatience on Qin Yu's face, Han Yuanjun and Liang Zixuan stopped talking about Liang Jiahao. They looked at each other, and Liang Zixuan pouted, patting Han Yuanjun's shoulder. "President Han, sorry for troubling you. Hurry up and send this evidence."

Han Yuanjun initially wanted to get more information from Qin Yu, and he really wanted to see how Qin Yu could change Liang Jiahao from being a cruel and tyrannical CEO into a loyal little wolfhound.

But it looked like this wasn't going to happen.

Han Yuanjun thought disappointedly. He really wanted to make Liang Jiahao a joke.

Exactly at three in the afternoon, the official Weibo account of Han Group Media published heavyweight news that caused a stir in the entertainment circles.

Their posting immediately became a hot ranking. The flower girl, Qin Yu, was almost taken advantage of by someone last night!

There was even a video of that incident.

Suddenly, everyone, whether they were in the entertainment circle or not, clicked on this Weibo account and watched the video.

This was a rare revelation of the scandal in the entertainment circle, so who would let this pass?

Qin Yu immediately forwarded the post on her Weibo and left a comment. "Don't think that we, female celebrities, are tools you can use to satisfy your beasts' sexual desires. I, Qin Yu, have no need to hide my face with mosaics, I will be the first to come out and sue Mao Ping, the president of Mao Group, for sexual assault! I have already handed over the relevant evidence to the police and vowed to protect my dignity with the help of the law!"

Liang Zixuan immediately posted on her Weibo account. "Please respect every woman who comes out to do their hard work! The profession of female artists should not be seen by the public like this. We are not tools that can be used by you. Those who have vile intentions against us, we will sue you in order to protect the dignity of our female artists!"

In just two minutes, the hashtag "Please Respect Women" flew to the top ranking of the search engine, and the number of viewers far exceeded millions.

After Qin Yu and Liang Zixuan took the stand, all female artists, whether they were the first tier or lower tier, spoke up and shared agreement with them.

Many famous male artists also came forward.

Goo Shengli said, "You dare to bully my Qin Yu? I'll make you regret being born! Mao Ping is a despicable and vile man!"

The netizens were even more ruthless. "This kind of person is simply a beast! Wasn't he born from a woman too? Did he think that just because he had money on him, he was that impressive? Such a person should be shot in the head!"

Chapter 496 – You Actually Know How To Be Scared

Mao Ping was currently resting at home. Yesterday, he had been nearly beaten to death by Liang Jiahao's powerful blow. His teeth were gone and he was lying on the bed with an angry and worried expression on his face.

After his wife put down the medicine and served a cup of tea, she went into the living room to watch television.

How could she not know about her own husband's behavior? Being able to serve him tea was already a symbol of her decades of love for him and her tolerance of him. Whether he lived or died, she did not care at the moment.

Mao Ping opened his mouth wide and threw the medicine into his mouth. Right now, he looked like an old man in his eighties or nineties who couldn't take care of himself.

He had just taken the medicine when his cell phone rang.

He picked it up and saw that it was a call from one of his subordinates. Thinking something had happened to the company, he hurriedly took the call.

He heard the other party say, "President Mao, something has happened. Something big has happened!"

Mao Ping snorted. "What has happened? Why are you so anxious?" **nOVELu.sB.com**

"That bitch, Qin Yu, actually went back to the restaurant and sought out the CCTV recording last night. She had already posted it on the internet. Not only that, she even said that she had already contacted the police and wanted to sue you! Because of her accusation, our company's stock has dropped!"

Mao Ping was stunned at first, but then he smiled indifferently. "Don't worry, it's only a small loss. I will do some charity work and then I will come back better. Trust me. I know how to deal with this matter."

The other side seemed to want to say something, but he was afraid. Finally, he could not resist anymore and said, "No, not only Qin Yu, but also the other two female artists. They also wanted to sue you. I heard that they have already found the evidence against you. President Mao, if they win the lawsuit, you would be sentenced to at least eight years!"

"E-eight years?" Mao Ping was so scared that he immediately rolled out of bed. When the person on the phone heard the sound, he cried out anxiously. "President Mao, please think of a way. You can't let us die with you! President Mao, President Mao!"

What the hell!

Mao Ping's mind was filled with the thought of going to prison. How can he care about the life and death of others?

Ignoring the pain of the fall, he crawled up from the floor, ran into the cloakroom, took out his luggage, and put his clothes inside. He also found his bank cards and gold bar, which he had hidden in the house.

He never thought that Qin Yu would ignore her reputation and reported this case to the police.

This little bitch!

If he had known this earlier, he wouldn't have tried to trick her!

Mao Ping came out of the bedroom dragging his luggage behind him. When he walked through the living room, his wife saw him trying to run away and immediately held the luggage. "Mao Ping, where do you want to go?"

"Running." Mao Ping was sweating profusely with fear. "I am too young to fall like this. I have to run away, so can you let my luggage go now?"

His wife looked at his anxious face and laughed mockingly. "You have already done too many embarrassing things yourself. It's finally time for you to receive the retribution! Didn't you say that no one would dare touch you? Didn't you say that there is no one above you? What, you actually know how to be scared now?"

The news spread like wildfire, so practically everyone knew about it. Mao Ping felt that his wife must have known about it, and no matter how much he tried to deny it and use his wife as a shield, she would never be able to protect him.

Normally, even if it was a big matter, it can be solved by using money. But this time was different. Those women had joined hands to sue him, and even the evidence had already been found. That meant no matter how much money he used, it would be useless.

Mao Ping was very anxious. He tried to snatch the luggage from his wife's hand, but he didn't manage to do so. In the end, he stomped his foot in anger and decided to leave the luggage behind and run away.

He had just reached the door when the doorbell rang.

Mao Ping was shocked, he did not dare to look at the intercom video. He only looked through the peephole in the door and continued to be scared to the point of peeing in his pants. "It's over, it's over, the police have come to catch me!"

He quickly ran into the kitchen and tried to jump out of the kitchen's window.

His wife immediately ran to open the door and pointed towards the kitchen door. "Police Comrade, Mao Ping went into the kitchen, he might have wanted to escape through the window."

Wei Xiaofan looked at the people behind him and immediately two policemen ran outside. Wei Xiaofan quickly rushed into the kitchen like the wind. Just as he was about to catch Mao Ping, he suddenly stopped and looked at Mao Ping while shaking his head and laughing.

"Hahahaha ..."

When the policemen who had followed him saw this scene, they also burst out laughing.

Wei Xiaofan walked over and smacked Mao Ping's butt while taunting, "Run! Why don't you run?"

Mao Ping was squatting at the window with half his body outside and his butt raised high, remaining inside. He almost cried and shouted, "Police Comrade, please save me! I'm stuck! I can't get out!"

"Sure." Wei Xiaofan nodded, "Even prisoners have human rights. As police officers, we cannot refuse to lend our help if someone helpless asks for it."

After saying that, Wei Xiaofan took two steps back and waved to his colleague who was standing outside the window and those standing behind him. "Everyone, please make a way for me."

Several policemen immediately made a way for Wei Xiaofan.

Wei Xiaofan bent over and performed a standard running starting motion. He exerted strength into his hind legs and dashed towards Mao Ping. When he was still two steps away from him, he suddenly jumped up and kicked Mao Ping's butt with his foot.

With a "dong," Mao Ping was kicked out of the window by a huge force.

Wei Xiaofan clapped his hands and smiled, saying to the other policemen. "It's a great success. Handcuffed him and let's go back to the police station."

When they were about to leave, Wei Xiaofan called Han Yuanjun. "Third Brother, I have already captured this person. Don't worry, he won't be able to escape."

Han Yuanjun nodded. "Xiaofan, thank you for your hard work."

"No, no, serving the people is our duty as police officers."

After hanging up the phone, Han Yuanjun said to Yao Xiu. "As long as there is something bad happening in the entertainment circle, we will use our Han Group's official Weibo to expose this matter. This time, I want everyone to know that we are not afraid of anyone and will firmly protect the dignity and the safety of all the artists below us!"

Liang Zixuan was holding her cell phone and swiping through Weibo.. Suddenly, she noticed that the comments from the netizens had taken a miraculous reversal. She exclaimed in surprise, "How can this be?"

Chapter 497 – Did You Do Something To Her

Qin Yu moved closer to Liang Zixuan. "What's wrong?"

She looked at Liang Zixuan's cell phone screen and saw the netizens' comments.

"Please tell us the name of the man who had saved Qin Yu from a pit fire."

"I'm begging on my knees. Please tell us his name."

"Hero, please be my husband!"

Qin Yu's eyelids twitched. A moment ago, these netizens had been focusing on her, so why was their attention now focused on that old pervert?

The netizen below also commented, "According to my many years of experience in the entertainment circles, this video has been cut and edited. I strongly request Han Group Media and Qin Yu to send the full video! I want to see how this man saved Qin Yu from the fire!"

Due to the interaction between Liang Jiahao and Kang Yuhan, especially Liang Jiahao's provocative kiss on Qin Yu's cheek, Han Yuanjun felt that he had to edit this video in order to preserve his brother-in-law's image.

Otherwise, Liang Jiahao would be called a hooligan who had taken advantage of a weak woman when she was at a disadvantage. If that happened, Han Yuanjun was afraid Liang Zixuan would force him out of bed.

Actually, Han Yuanjun didn't want to cut the video either. He really wanted to see Liang Jiahao be cursed by the public once they saw the video, but there was nothing he could do about it. Liang Zixuan was Liang Jiahao's sister. Doing so to his brother-in-law was equivalent to signing a death warrant.

Qin Yu raised her head gloomily and sat there, feeling so depressed.

Actually, she didn't want to know what had happened at the Zen Garden either. And although she strongly said she didn't want to know, part of her still wanted to snatch the mouse from Han Yuanjun's hand to see what had happened.

Should she take a look or should she not?

Just as Qin Yu was at a loss, Liang Zixuan suddenly whispered in her ear. "Qin Yu, what's wrong with you? My brother is a very good person. Why do I feel that you've turned into someone else after you went out earlier?"

Qin Yu suddenly jumped up from the couch like a cat whose tail had been trampled, exclaiming, "It's nothing. It's normal for me to be emotionally unstable after what had happened. Now that the matter is settled, I'll go back first. If there's any news from the police, please let me know."

With these words, Qin Yu picked up her bag and left the office without looking back.

Seeing Qin Yu's pitiful figure, Liang Zixuan felt that this little girl was trying to escape from her.

Shortly after Qin Yu left, Liang Zixuan's phone rang. She picked up the phone and saw that it was a call from Liang Jiahao.

"Big brother."

"Zixuan." Liang Jiahao's voice was cold and hard as usual. "I've seen the news about Qin Yu. How do you plan to handle it?"

Liang Zixuan held up her cell phone and walked to the window. Looking at the sky outside, she sighed. "Don't worry about it. With Han Yuanjun's influence, Mao Ping won't be able to do anything."

She paused, then said in a slightly scolding tone. "Big brother, did you make an appointment with Qin Yu at noon?"

The reason why Liang Zixuan thought so was because she couldn't think of anyone who could affect Qin Yu to such an extent. Looking at Qin Yu's condition, it could be said that Liang Zixuan was a little angry with Liang Jiahao.

Liang Jiahao was confused. "I don't! I don't even have her phone number. I just called you to ask for her phone number."

"Not you?" Liang Zixuan paused. "Then who? I felt she had a good impression of you, but when she came back after lunch, she didn't mention anything about you anymore. When Han Yuanjun and I teased her with you, she looked disgusted. What exactly happened?"

"I don't know." Liang Jiahao said calmly. "I want to take her out, but I haven't had the opportunity yet."

Even if Liang Zixuan thought about it deeply, she would never have thought it was because of Xia Jingfei. She grumbled. "Forget it, big brother, let me tell you. Qin Yu and I have a very good relationship, so good that I'm willing to do anything for her. Big brother, if you really like her or want to develop your relationship with her, then go find her, otherwise ...You two better be strangers!"

"Don't worry." Liang Jiahao suddenly laughed lightly, "I'm not a child." *nOvelusb.COM*

Liang Zixuan nodded. She was very trusting of Liang Jiahao. "Alright."

Liang Jiahao suddenly lowered his voice. "So, can you give me her number?"

Liang Zixuan: "..."

It seemed like her brother was really interested in Qin Yu.

Regardless of Qin Yu's attitude, Liang Zixuan believed that as long as Liang Jiahao was sincere to Qin Yu, in addition to her help, Qin Yu would soon be her sister-in-law.

Liang Zixuan was a little happy. "I'll give you her number as soon as you hang up. I-"

Before she could finish her sentence, she heard a beep from the receiver.

Liang Zixuan was so upset that she didn't know whether to laugh or cry.

Was Liang Jiahao that impatient?

He couldn't wait for her to finish her sentence before hanging her up!

Liang Zixuan had a feeling that after her brother had a girlfriend, she would be abandoned.

But she didn't care, she already had Han Yuanjun. Besides, no matter how much Liang Jiahao loved his girlfriend, he would still love her.

Liang Zixuan immediately gave Liang Jiahao Qin Yu's phone number.

Liang Jiahao was a man who would do his best when he set his eyes on something. So, Liang Zixuan gave him the number without hesitation.

Qin Yu first muted her phone, and after she left the Han Group, she turned off the mute mode. Not five minutes after that, her phone continued to ring.

All the reporters had called her to inquire about the situation, and Qin Yu was getting impatient with them.

Just as she hung up, her phone rang again. Qin Yu saw that it was an unknown number and thought it was from a reporter. She immediately rejected the call.

Even though she's a big star, can they give her some time to digest all of this by herself?

When Liang Jiahao saw that his call was rejected, he frowned and immediately dialed again.

Qin Yu was so irritated that she immediately rejected the call again.

Liang Jiahao had this "never give up" personality since he was young. He never gave up even when he was beaten to death.

Just like when he first joined the military. Since he was a rookie, his movements were not very nimble, and his physical strength could not keep up with the training.. In order to reach the standard, he kept training hard from time to time again, day and night, all the way until he reached the standard and became the strongest of all.

Chapter 498 – Isn't This Fate

At this moment, Liang Jiahao was simply using his persistence on Qin Yu. Even if she continued to reject him, he would continue to fight for her. *nOV&LuSb.cOm*

After Qin Yu rejected the calls for ten consecutive times, she, in the end, shut down her phone in annoyance.

Liang Jiahao: "..."

Qin Yu drove back home. She was so tired that she took off her shoes and threw them on the floor.

After taking a bath, she lay down on her bed alone. She couldn't get Xia Jingfei's face out of her mind, and no matter how hard she tried to suppress this thought, she couldn't forget the tearful expression on Xia Jingfei's face when she looked at her.

No matter what, they had been good sisters for over ten years. How could Qin Yu feel good after suddenly falling out with her best friend over a man?

She covered her head with the blanket and suddenly cried in sorrow. "I already told you that I won't touch your man, why didn't you trust me? Am I the kind of person who looks like Little San?"

Qin Yu finally fell asleep while crying.

By the time she woke up, it was already dark. Her stomach growled loudly. She touched her stomach and reached for her cell phone on the nightstand.

She turned on her phone to check the time, but she didn't expect her phone to ring the moment she turned it on.

Qin Yu was stunned for a moment. When she saw the same unfamiliar number on the screen, her scalp suddenly went numb.

"I've already rejected your calls countless times today, why haven't you given up yet? So annoying!"

How could Qin Yu recognize this number at a glance?

Because the last four digits of the number were four zeros, Qin Yu remembered the number with a glance. She took the call angrily and scolded with a face full of anger. "Are you crazy? I've already said that if you want to know the progress of this matter, you must go to the official Weibo of Han Group. All the information will be published there, and I don't plan to hold a press conference either. I don't want to say anything more about this matter. Goodbye!"

"Qin Yu, wait a moment!" Just as Qin Yu was about to hang up the phone, a man's cold voice spoke up on the other end of the line.

Qin Yu was taken aback for a moment. Not many knew her well. The reporters didn't dare to call her Qin Yu and they all called her Miss Qin.

But this man's voice sounded unfamiliar and familiar at the same time. He was probably someone she knew very well.

Qin Yu held back her impatience and asked, "Who are you?"

The man seemed to hesitate before slowly answering, "Old pervert."

Qin Yu laughed out loud without any warning. Today's matter had caused a huge uproar on the Internet. So it's not surprising that Liang Jiahao knew about her relationship with Liang Zixuan.

He even used his old age to remind her. Why did Qin Yu feel that this old pervert was a bit cute?

Qin Yu immediately stopped laughing when she remembered Xia Jingfei's tearful face.

She said uneasily. "I won't call you old pervert from now on. I know you're my aunt's brother, so I'll call you uncle from now on."

Liang Jiahao's face instantly darkened. "No way!"

Qin Yu didn't have a good attitude towards Liang Jiahao because of Xia Jingfei. She could only use this method to put aside the relationship between her and Liang Jiahao.

"I am Han Yuanjun's niece. Although I'm the third generation from the other side, but Liang Zixuan is my uncle's wife. I call her aunt and you're her older brother. I should call you uncle."

Liang Jiahao was unconvinced. "They are they and we are we. You already called me an old pervert and now you've decided to call me uncle, how am I supposed to find a girlfriend in the future?"

Qin Yu was too lazy to talk to him. She was afraid that if she talked a bit more, she would sink into an even more embarrassing situation. She decided to hang up the phone. "Uncle, if there's nothing else, I'm hanging up. I haven't eaten yet."

Liang Jiahao looked at the time and touched his full stomach before saying seriously, "I haven't eaten either."

Qin Yu's face darkened. "So?"

Liang Jiahao smiled slightly. "Do you still remember the last words you said last night when you left my house?"

How could Qin Yu not remember? However, she had to pretend to be confused and shook her head. "I usually say it like a passing cloud. You can't possibly ask me if I remember what I said to you last night, can you?"

She thought Liang Jiahao would be annoyed by this, but she had really underestimated his understanding of women.

Liang Jiahao raised his eyebrow and said, "Since you don't remember, let me remind you. Last night, you said that if fate allows it, you will treat me to a big meal the next time we meet. And looked at it. We were strangers and didn't know each other at first, but today I found out that you're my sister's good friend. Isn't that fate?"

Qin Yu harrumphed coldly in her heart. "What a shitty fate."

She stretched her back and said languidly, "Can it be that after I treat you to a big meal, I can call you uncle?"

Liang Jiahao: "..."

What kind of logic was this?

Why did he become her uncle after eating with her?

But if Liang Jiahao didn't agree, Qin Yu probably wouldn't go out with him.

Liang Jiahao thought for a moment and finally replied, "After you treat me to a big meal, you can call me uncle."

"Alright then." Qin Yu jumped down from the bed. "In half an hour, we'll meet at the Zen Garden."

The reason why she agreed to treat Liang Jiahao to this meal was because she felt grateful to him for saving her.

Besides, after this meal, she and Liang Jiahao would become relatives. This way, his thoughts about her could be completely dispelled.

Qin Yu suddenly felt that she was so smart.

She casually grabbed some clothes and put them on. She hadn't even put on makeup before going out.

When she arrived at the Zen Garden, Liang Jiahao was already there. Since Qin Yu was a celebrity, Liang Jiahao booked a private room.

Qin Yu walked in and threw the bag she was holding onto a chair beside her. She casually sat down and said, "Uncle."

Liang Jiahao interrupted her. "We haven't eaten yet, so I'm not your uncle. My name is Liang Jiahao, you can call me Jiahao."

How annoying.

Qin Yu glanced at Liang Jiahao and laughed mockingly. "My aunt is such a righteous person, how can such a single-minded person like you be her brother. Liang Jiahao, I called you 'uncle' because of Zixuan.. You'd better not push it too far."

Chapter 499 – Uninvited Third Person

Liang Jiahao couldn't help but frown when he saw Qin Yu's behavior toward him. Since when did things become so difficult?

"Qin Yu, I think you misunderstood me."

"Please call me Miss Qin." Qin Yu raised her chin and looked at him arrogantly. "Since we haven't finished eating, you're not my uncle. So don't call me affectionately."

Liang Jiahao: "..."

Although Qin Yu wasn't very friendly to him last night, there's no hostility in her voice.

The hostility confused Liang Jiahao to a great extent. They had eaten noodles together last night and she had bandaged his arm, and they could be considered friendly. So why did Qin Yu suddenly raise all the thorns in her body today?

Like a defensive hedgehog.

Liang Jiahao pursed his lips. "Why do you have such an attitude towards me?"

"What do you mean? I act like that towards everyone." Qin Yu scoffed. "I'm just someone with no manners and was not raised by good tutors. If you don't like it, you can get up and leave. I won't stop you."

Liang Jiahao felt that even fighting on the battlefield was easier than talking to Qin Yu. At least, on the battlefield, he would just punch his opponent, but what could he do with Qin Yu?

Liang Jiahao looked at Qin Yu for a moment before saying, "It's okay, I don't have any manners and wasn't raised by good tutors too. In other words, we're a good match."

Qin Yu: "..."

What the hell!

Could this guy be any more shameless?

Even after she spitted on him, he still said they were a good match?

Qin Yu picked up her chopsticks and forcefully slammed them on the table. "I've never seen such a shameless guy like you in my life. You've really broadened my horizons today."

Liang Jiahao nodded slightly, the curve of his lips deepening. "Thank you for your compliment."

Qin Yu: "..."

Was she praising him?

Qin Yu felt that if she continued to chat with Liang Jiahao, she might be angered to death by him. She just turned to the side and ignored him.

At this moment, the waiter brought the dishes. There were only two people, but Liang Jiahao had ordered a whole table full of dishes.

Qin Yu's eyelids twitched as she watched him. "Why did you order so many of them? Can we eat them all?"

Liang Jiahao stood up and poured a glass of juice for her. "This is a feast we agreed upon. You did say you wanted to thank me, didn't you?"

Qin Yu was so furious. She felt that Liang Jiahao was really treating her like a fool and like a lamb to be slaughtered.

Yes, she's rich, but she certainly won't waste her money by ordering so many dishes that they can't eat.

She wasn't the type of person to brag about her wealth.

Qin Yu looked at Liang Jiahao with disdain. "Saving food is a virtue of our Chinese people. You are brazenly wasting so much food here."

Liang Jiahao raised his eyebrow. "How do you know I can't finish them all?"

Qin Yu: "..."

She couldn't believe that Liang Jiahao could eat the whole table by himself.

Seeing her expression, Liang Jiahao laughed a little. "I'm not going to eat them alone."

As soon as he said that, Gong Enlai walked in, in a hurry. As he walked in, he said, "Brother, first you invited me to eat at noon, so I waited all day, and in the end, you asked me to come now. Are you trying to starve me to death?"

As soon as he finished speaking, Gong Enlai realized that there was another person in the room beside Liang Jiahao. He immediately recognized Qin Yu.

Gong Enlai walked over to sit next to Liang Jiahao and smiled at him teasingly, "Brother, this is..."

Qin Yu snorted. Without waiting for Liang Jiahao to introduce her, she said, "Qin Yu."

Gong Enlai laughed out loud. "Of course I know you're Qin Yu, but..."

He suddenly smacked his forehead. "If I had known you two were on a date, I wouldn't have come. I don't feel comfortable sitting here with a big light bulb over my head."

Liang Jiahao quickly kicked Gong Enlai under the table.

Sure enough, Qin Yu frowned and said sharply, "What nonsense are you talking about? Your brother and I don't know each other, so why should we be on a date?"

"You don't know him, but you still eat with him?" Gong Enlai held his leg, grimaced in pain, and continued to joke. "Alright, you don't have to explain anymore. I understand, I understand everything."
nOvelusb.COM

Qin Yu: "..."

What did he understand?

He misunderstood everything!

Qin Yu was about to say something when the door of the private room was suddenly pushed open. Xia Jingfei, who was wearing a white dress, stood there gracefully and shyly. She glanced at the room and smiled shyly. "Em, I'm..."

She wanted to say that she happened to be passing by, but even if she was passing by, how could she know they were inside?

She had obviously come here on her own after receiving the news beforehand.

Qin Yu looked at Xia Jingfei and raised her eyebrow. It seemed that Liang Jiahao had invited not only this man, but also Xia Jingfei.

Was he trying to show off his love in front of her?

Qin Yu sneered in her heart. Without waiting for Xia Jingfei to explain, Qin Yu pretended that nothing had happened this afternoon and waved at her. "Jingfei, you're here? Come in."

When Xia Jingfei was worried that she couldn't find an explanation, Qin Yu gave her a way out. She smiled happily at Qin Yu, walked in, and sat down on the other side of Liang Jiahao with embarrassment.

At the round table, Qin Yu was sitting alone, while Liang Jiahao, Gong Enlai, and Xia Jingfei sat in front of her.

No matter how she looked at, Qin Yu felt that she was an unnecessary person. It was as if she was here to be a third party.

She felt a little uncomfortable in her heart and not only that, she was also the one who had to treat them all.

Liang Jiahao, on the other hand, thought that Xia Jingfei had been invited by Qin Yu. Last night, when he had saved Qin Yu, Xia Jingfei had said that they were good friends, so it wasn't surprising that he had such thoughts.

Besides, he also felt awkward eating alone with Qin Yu, so he called Gong Enlai to accompany him.

Liang Jiahao didn't ask too much and took his chopsticks first. "Since everyone is here, let's start eating."

Gong Enlai had been hungry for a long time. As soon as Liang Jiahao said that, he immediately took his chopsticks and started eating.

Qin Yu saw Liang Jiahao pouring a glass of juice for Xia Jingfei with her own eyes. No matter how she looked at it, she felt that he was deliberately showing off his love in front of her.

Qin Yu stood up, walked to the door, and opened it. "Bring me a bottle of Lafite," she said to the waiter standing outside.

Xia Jingfei was happily drinking the juice personally poured by Liang Jiahao. When she heard Qin Yu's words, the juice choked in her throat.. She immediately closed her mouth and began to cough loudly.

Chapter 500 – Only A Stupid And Naive You, Will Think He Is A Good Man

How could Xia Jingfei forget what Liang Jiahao had said to her last night? "You can order whatever you want to eat, even the drink you want. You don't have to feel wronged in front of me."

At the time, Xia Jingfei had thought that perhaps he was pretending to be reserved and understanding to her, but that wasn't the kind of woman he liked.

Xia Jingfei turned around and saw admiration in Liang Jiahao's eyes when he heard Qin Yu's words. She immediately understood that Liang Jiahao really liked this kind of woman who lived for herself and did whatever she wanted.

After ordering, Qin Yu went back to her seat and pushed away the fruit juice Liang Jiahao had poured for her in disgust. "I'm an alcoholic, I don't like fruit juice."

Liang Jiahao looked at the juice glass and pushed his glass away as well. "Don't worry, I also happen to be addicted to alcohol. Let's have a drink together."

Qin Yu: "...." *NovELUS&.com*

Xia Jingfei: "...."

Qin Yu was completely speechless with Liang Jiahao's attitude.

'Your girlfriend is still sitting next to you!'

'Can you hide your 'fawning and deliberately trying to please me' attitude a bit?'

Could it be that he was happy when someone accused her of stealing someone's boyfriend?

For Xia Jingfei, after interacting with Liang Jiahao for so many times, he had never talked to her like that before.

If she still couldn't tell that Liang Jiahao was interested in Qin Yu, then she wouldn't be simple-minded, but stupid!

"That's right! We're all adults here, what's the point of drinking fruit juice?" Gong Enlai was so pleased that his eyebrows flew up when he heard about Qin Yu's order. "I'm on vacation for the next two days. Why did you ask me to drink fruit juice? I want to drink wine too!"

The corner of Qin Yu's mouth twitched a little. This person was really rude.

Xia Jingfei also refused her own juice and said thoughtfully, "Then... I'll also drink with you."

After being friends with Xia Jingfei for more than ten years, how could Qin Yu not know how much alcohol capacity she had?

Qin Yu shook her head. "No, you're not. If you're drunk, who's going to take you home?"

Xia Jingfei pursed her lips in embarrassment and looked at Liang Jiahao through her eyelashes. She looked embarrassed and said with a laugh, "Jiahao can send me."

Qin Yu: "...."

How could she forget about that?

Serves her right! Her mouth was stuffed with dog food.

Gong Enlai raised his head from the bowl and looked at Qin Yu with a blank face, then looked at Xia Jingfei and suddenly understood something. He slapped his own forehead again. "Look at me, I misunderstood everything."

He turned to Qin Yu and apologized, "Sorry, I made a wrong joke -"

"Not at all." Liang Jiahao interrupted his words. "I invited you out tonight to meet with your future sister-in-law."

"What?" Gong Enlai was so shocked that his jaw dropped. For a long time, he didn't know whether the future sister-in-law was Qin Yu or Xia Jingfei.

According to Liang Jiahao's words, it should be Qin Yu. However, as soon as Xia Jingfei entered the room, she sat close to him and Liang Jiahao didn't say anything about that either.

Gong Enlai was afraid if he said something wrong, it would hurt his sister-in-law, so he quickly closed his mouth and looked at the three people who had a complicated relationship with each other.

Embarrassment radiated on Qin Yu's face. She looked at Xia Jingfei with a smile. "So, uncle asked me out tonight to introduce me to my future aunt."

"Who's your uncle!" Liang Jiahao's face instantly darkened. "I told you, I'm not your uncle, you can call me Jiahao, even if you want, you can call me old pervert, but you can't call me uncle!"

Damn it! His girlfriend was sitting right next to him, and yet he was arguing with her about this. Qin Yu couldn't take it anymore.

She raised her hand and slammed it on the table. "You're my uncle after this meal. You promised me!"

Liang Jiahao sneered. "What I promise is that after you treat me to a big meal, I agree that you can call me uncle. However, I have already paid for this meal, so you can't call me that."

F*ck!

Qin Yu really didn't expect Liang Jiahao to be so shameless!

As expected, he was indeed more experienced than her. How could she even fight against a perverted opponent like him?

Qin Yu was so angry that she almost exploded. Luckily, the waiter brought the wine at this time.

Qin Yu took the bottle and poured herself a full glass. After that, she raised her glass and finished the wine in one gulp. She wiped her mouth roughly with her hand. "Liang Jiahao, I came to see you today for Liang Zixuan's sake, don't think you can bully me just because you're her brother."

Liang Jiahao immediately frowned. "When did I bully you?"

"Now, at this moment, you're bullying me!" Qin Yu suddenly pointed at Xia Jingfei. "Your girlfriend is still sitting there. Who do you take me for? I'm not so damn low, I'm not so low that I want to steal my best

friend's boyfriend! I, Qin Yu, can have any kind of man I want. As soon as I wave my hand, ten full long streets of men will line up for me."

Xia Jingfei jumped in fear. She reflexively stood up and looked at Qin Yu nervously. "Qin Yu, listen to me. This is not like what you think."

"What is not?" She poured herself another glass. "You better keep a tight grip on your man and don't let him fool around with a wildflower outside. Xia Jingfei, I will put my words here today. I tolerated you because we've been friends for a long time, and if this were anyone else, with your crying and wronged face this afternoon, no one would take you seriously!"

Saying that, she took the glass and drank it, then set the glass down loudly on the table. "A man whose girlfriend is still sitting by his side and still trying to play with another woman isn't a good man. Only a stupid and naive you, will think he is good. Only a girl like you will treat him like a treasure. To me, he is nothing."

Qin Yu looked at Xia Jingfei with disdain.

Xia Jingfei immediately cried. She bit her lip and looked at Liang Jiahao with an aggrieved expression. She didn't know what to do. "Jiahao, I...I...this is all a misunderstanding."

"Miss Xia." Liang Jiahao's face was as dark as a gray sky. "What did you say to Qin Yu?"

With this "Miss Xia" Liang Jiahao had cut off his relationship with Xia Jingfei.

Everyone could hear the difference in how Xia Jingfei and Qin Yu were addressed. Who in the world didn't know who was at fault here?
