Chapter 501 – When Did I Ever Say That I Liked You

Xia Jingfei felt wronged. Before this, Liang Jiahao had called her Xia Jingfei, but now, he called her Miss Xia only because of Qin Yu.

She pulled Liang Jiahao's arm and explained, sobbing. "I didn't, I never said you were my boyfriend. I just told her that I liked you. But she misunderstood! I didn't do anything wrong here. B-besides, both our parents have already met, was it wrong for me to say that I like you?"

Qin Yu's gaze turned cold. Xia Jingfei implied that she was stupid, that she had misunderstood?

Liang Jiahao pushed Xia Jingfei's hand away and continued to look at Qin Yu. He didn't spare Xia Jingfei a glance at all as he said coldly and expressionlessly, "Both of our parents met? Heh ... Miss Xia, you went to my grandmother's house with my sister's grandmother-in-law, and your mother was the one who blocked my way. If that were the case, then I, Liang Jiahao, would have several wives by now."

"And when did I ever say that I liked you? I remembered telling you very clearly that we're not suitable, that I don't want to be with you. The reason I met you yesterday was to tell you that I don't want to pretend to be your partner anymore. I, Liang Jiahao, don't need a woman like you to gain my freedom!"

"No, no!" Xia Jingfei shook her head as she cried. "You also gave me the handkerchief!"

"If you misunderstood because of my sympathy before, I apologize." Liang Jiahao finally turned to Xia Jingfei and held out his hand to her. "I told you to throw away that handkerchief. I don't think you threw it away at all. Now, give it back to me!"

"No!" Xia Jingfei cried. "Jiahao, you've never treated me like this before! You may be cold, you may not talk too much, but you're not that cruel!"

Xia Jingfei sniffled sadly and looked at Qin Yu. "Is it because of her that you are so cruel to me?"

"Not really." Gong Enlai interrupted her. "My brother is always so cruel to everyone."

After saying that, Gong Enlai gave 'I can only help you until here' glance to Liang Jiahao.

Liang Jiahao: "..."

Did he ever need his help?

"Miss Xia, if you insist on considering sympathy as love, then I can only tell you this, other than the people I love, I am very cruel to others!" Liang Jiahao paused. His voice immediately turned cold. "So, please return my handkerchief!"

Xia Jingfei cried sorrowfully as if someone had grabbed her heart and squeezed it hard. She shook her head and took two steps back. She just looked at Liang Jiahao and cried without saying a word or doing anything else.

What Qin Yu couldn't stand was a woman crying. Even though she was a woman herself, she really couldn't stand it.

Sometimes she wondered if she should have been born as a man.

Annoyed, Qin Yu poured another glass of wine. She drank more than half of the entire bottle herself. She then reached for the bag, brushed her long hair off her shoulders, and slammed the bag on the table to get the attention of the others.

"Liang Jiahao, between you and me, we are completely strangers. I will settle the bill for this wine later. Starting from today, please do not call me again, and do not try to approach me using Liang Zixuan. Alright, this outsider will no longer be an eyesore. Please continue your family's affair."

With that, she looked coldly at Xia Jingfei and Liang Jiahao and walked to the door confidently.

Gong Enlai looked at Qin Yu's retreating figure and blinked for a moment. Suddenly he shouted, "Qin Yu!"

Annoyed, Qin Yu stood there without turning around to ask, "What?"

Gong Enlai knocked on the table and said in a very loud voice. "If Liang Jiahao cannot do it, then what about me? I know Zixuan very well too."

Qin Yu rolled her eyes and said, "You are crazy!"

As soon as Qin Yu put her hand on the doorknob, she heard Gong Enlai's loud, pleading voice behind her. "Brother! I was wrong, I was wrong!"

At this point, she did not look back. The scene of Liang Jiahao violently beating Gong Enlai popped into her mind. Her lips twisted into a smile and she couldn't help but laugh. Then, she opened the door and walked out.

Hearing the door closed, Liang Jiahao straightened his suit gloomily, then stood up, and quickly ran after Qin Yu.

When Xia Jingfei saw that Liang Jiahao had run after Qin Yu, she also ran towards the door, but Gong Enlai suddenly grabbed her hand to stop her. "Miss Xia, this is my brother's private matter. Please don't interfere anymore."

Xia Jingfei looked at Gong Enlai with a hurt face. "I-I'm not trying to cause trouble. I just want to pursue my own happiness."

Gong Enlai sneered. He turned to Xia Jingfei and shook his head indifferently. "Little girl, fate has decided that you and my brother aren't meant for each other. Also, I don't mind telling you this, but you're not my brother's type."

After saying that, Gong Enlai immediately took his chopsticks and started eating. "The whole table, it's a waste if you don't eat them."

Xia Jingfei bit her lips in a grievance and slowly sat down.

Liang Jiahao had very long legs. Although Qin Yu was walking fast, he could still block her way.

"Qin Yu, I think you have a big misunderstanding about me."

Qin Yu harrumphed impatiently. She didn't want to look at Liang Jiahao's handsome face. She couldn't deny that he was so handsome that it made her tempted.

"I don't have any misunderstandings about you."

"Yes, you do!" Liang Jiahao explained. "I didn't have any relationship with Xia Jingfei at all. I only met her three times in total, and those three times were forced by my grandmothers. Besides, I've already made it clear to her that I'm not suitable for her, so please don't misunderstand."

"That's your business." Qin Yu said expressionlessly, "It has nothing to do with me."

With that, she took out her car key from her bag and walked towards the parking lot.

Liang Jiahao sighed helplessly and followed closely behind her.

After finding her car, Qin Yu used her key to unlock the door. As soon as she opened the driver's door, the key was snatched from her hand.

Qin Yu turned around angrily and cursed at Liang Jiahao loudly. "Liang Jiahao, are you crazy?! Like I said, I'm not interested in you, so can you stop bothering me!"

Chapter 502 – Give Me Good Cooperation Tonight

Liang Jiahao held the car key tightly in his hand. "You're drinking."

Qin Yu almost went crazy because of him, so she asked in a loud voice, "So?"

"So you can't drive." After Liang Jiahao said this, he held Qin Yu's hand and walked around the car to push her into the passenger seat. Then he went back and got into the driver's seat.

Without waiting for Qin Yu to get angry, Liang Jiahao said while fastening his seat belt. "Since you're a good friend of my sister, I'm responsible for your safety."

Qin Yu's eyelids drooped as she kowtowed to Liang Jiahao's thick skin.

After screaming a few times, her stomach growled. It was probably because she had just drunk alcohol and hadn't eaten anything tonight.

She was so hungry.

"Liang Jiahao." Qin Yu was so hungry that she slumped down in her seat. "I beg you, please stop bothering me in the future."

Liang Jiahao had just fastened his seat belt. Hearing this, he looked at Qin Yu with an unknown emotion. After a moment of silence, he suddenly nodded. "Okay, after tonight, I won't bother you anymore."

Qin Yu glanced sideways at him. She didn't know why, but his words made her feel a little sad.

She closed her eyes and fell asleep on the seat

Liang Jiahao held the steering wheel with both hands and suddenly thought of something. He turned to Qin Yu. "Where is your house?"

Qin Yu: "...."

Was this an attempt to inquire about where she lived?

Qin Yu sneered coldly in her heart. "How can someone as smart as me fall for your childish trick?"

Even if she were beaten to death, she would not tell Liang Jiahao where she lived.

Qin Yu closed her eyes tightly and pretended to be asleep.

Liang Jiahao waited for her answer, and seeing she did not say anything, he asked again. After waiting for another ten seconds, Qin Yu still ignored him.

He raised his eyebrow and started the engine. Without another word, he drove the car out of the parking lot.

Half an hour later, Liang Jiahao stopped the car. "We're here, get out."

Qin Yu opened her eyes and immediately recognized this place. Wasn't this the house she had been in yesterday?

F*ck!

Liang Jiahao had brought her to his house!

A mistake, a big mistake!

Qin Yu's face instantly darkened. "Why did you bring me to your house?"

Liang Jiahao unbuckled his seatbelt, glanced at her, and laughed a little. "Since you won't tell me where your house is, I can only take you to my house. I have many rooms, so you can spend the night here."

Who had told him to bring her here?

He made it sound like he was taking in stray cats and dogs.

Qin Yu gritted her teeth in hatred. When she saw that the car key had not yet been removed, she immediately snatched it back.

Liang Jiahao acted as if he had already anticipated what she was about to do and quickly removed the car key before she could.

Qin Yu was so angry that she wanted to destroy her car. She reached for her bag and took out her phone. Just as she was about to call a cab, the phone was snatched away from her.

"Liang Jiahao, you're done!" Qin Yu looked up angrily and glared at him. "Give me back my phone!"

Liang Jiahao casually put Qin Yu's phone in his pocket. "I have already said it, after tonight, I won't bother you again. If you want to get rid of me, then give me good cooperation tonight. If not, I can guarantee that you will not be able to get rid of me for the rest of your life."

"Ah!" Qin Yu screamed loudly. She really wanted to kick Liang Jiahao out of the car!

Liang Jiahao saw her depressed expression and smirked. He then pushed open the driver's door and stepped out with his long legs.

He quickly went around and stood outside the passenger door. He then opened the door for Qin Yu.

Qin Yu didn't care about her image at all and rolled her eyes at him. She snorted and arrogantly got out of the car like a queen.

Liang Jiahao unlocked the door with his fingerprint and pushed it open for Qin Yu to go in. He asked behind her, "What do you want to eat?"

Qin Yu was surprised. So he knew that she hadn't eaten anything and was starving? no17Elus**b.Com**

This man was so meticulous that it caused her to be afraid.

She curled her lips uncomfortably. "Up to you."

Liang Jiahao closed the door. As he walked toward the kitchen, he rolled up the sleeves of his shirt.

Qin Yu, who was walking behind him, blinked strainedly, trying to look over Liang Jiahao's muscular and strong forearms, which beckoned to her like a delicious dish.

"Wow!" Qin Yu exclaimed in her heart. "That arms are too big ... If he took off all his clothes, who knows how delicious he would be?"

Just as Qin Yu was staring at Liang Jiahao's arms, he suddenly turned around and asked, "Do you eat spicy food?"

Qin Yu's infatuated and drooling face caught Liang Jiahao off guard. He followed her gaze and found that she was staring at his exposed forearms. He chuckled lightly and rolled up his shirt sleeves again.

Qin Yu: "..."

How embarrassing!

She had lost all her face!

If Liang Jiahao told Han Yuanjun that she was drooling over his arms, Han Yuanjun would probably go home and tell Old Madam Han about it, and then... the whole clan would know about it too!

Qin Yu didn't dare to think about it. She shook her head vigorously and turned around guiltily. She didn't dare to look at Liang Jiahao anymore. "Whatever. I'll eat anything."

From the corner of her eye, she saw Liang Jiahao open the refrigerator. Qin Yu then collapsed onto the sofa in frustration.

Oh my God.

Qin Yu rolled around on the sofa before finally struggling to stand up. She looked towards the kitchen and was conflicted for a long time. She quickly suppressed the desire in her heart to peek at Liang Jiahao's cooking figure and tried to find something to distract her attention.

She reached for the phone and wanted to call Liang Zixuan, but after thinking for a while, she couldn't remember her cell phone number. She shouted towards the kitchen. "Give me Zixuan's cell phone number."

A few seconds later, Liang Jiahao was standing at the kitchen door, leaning against it. He spoke clearly and recited Liang Zixuan's cell phone number.

Qin Yu looked at Liang Jiahao blankly and asked in surprise. "You actually memorized all those numbers in your head?"

Liang Jiahao raised his eyebrow. "I can remember every single thing with just a glance."

Qin Yu: "..."

Was he that powerful?

Liang Jiahao chuckled. "I even remember your cell phone number."

The corner of Qin Yu's mouth twitched. "I just want to know Zixuan's number.. Please recite it again, I forgot to dial it earlier."

Chapter 503 – You Can't Take Away My Right To Become A Mother

Liang Jiahao recited it again and Qin Yu immediately pressed down the button. Soon, the call was connected and Liang Zixuan's voice was heard. "Hello."

Qin Yu gave Liang Jiahao a thumbs up and happily answered the phone. "Auntie!"

A gentle and intimate voice that sounded like a spoiled child softened Liang Jiahao's heart, but unfortunately...That voice wasn't meant for him.

He sighed and went back to the kitchen.

Qin Yu began to complain to Liang Zixuan. "Auntie, come and save me. I was kidnapped by your brother. Not only did he steal my car keys, but he also stole my phone. I'm trapped with him now, I can't go anywhere."

Liang Zixuan's surprised voice could be heard. "So overbearing?"

"Yes, yes!" Qin Yu nodded vigorously. "So, auntie, can you and uncle come to my rescue as soon as possible? If you don't, you'll only be able to see my dead body tomorrow!"

Han Yuanjun's lazy voice suddenly came over the phone. "Baby, hurry up and finish the call. Let's go to bed."

Liang Zixuan's voice followed after. "Qin Yu was kidnapped by my brother, aren't we going to take a look?"

Han Yuanjun chuckled. "Take a look for what? What was more important than us making children? Even if the atomic bomb exploded, we still won't stop!"

Qin Yu: "..."

'Uncle, can you be any more heartless?'

'You're my uncle!'

'Are we really related?'

Qin Yu was about to plead with Liang Zixuan when Liang Zixuan's embarrassed voice was heard. "Qin Yu, you know that your uncle is already old and he wants to have a child so badly. We've been married for more than a year and I'm not pregnant yet. This matter is indeed very urgent, we really can't help you now."

"No, auntie!" Qin Yu became agitated. "You won't get pregnant in a day or two, you guys don't have to be in such a hurry. Please save me first."

Liang Zixuan said irrationally, "How do you know it won't happen tonight? What if in this life, I can only get pregnant tonight? You can't take away my right to become a mother because of your trivial matters, can you?"

Why did her words become more and more presumptuous?

Taking away her right to become a mother?

Qin Yu snorted. She felt that Han Yuanjun and Liang Zixuan were doing this on purpose!

They didn't want to save her, they just wanted to throw her into Liang Jiahao's evil hands, and deliberately said so.

Qin Yu called her gloomily. "Auntie ..."

Han Yuanjun's impatient voice came over the phone. "Baby, just ignore her and hang up the phone. I can't wait any longer. Hurry up, we're going to fight a thousand rounds of battle tonight. You're definitely going to get pregnant."

Qin Yu: "Auntie! Auntie!"

"Brother Han, don't mess around..." Liang Zixuan moaned a few times and then groaned in a low voice. "Qin Yu, I won't talk to you anymore."

With a "pa" sound, the call was disconnected.

Qin Yu looked at the phone in disbelief.

She simply did not think that Han Yuanjun and Liang Zixuan would become like this.

Sure enough, after marriage, men and women were all beasts!

"Smelly uncle, smelly aunt!" Qin Yu sat there dejectedly. She felt sad when she thought about how Han Yuanjun and Liang Zixuan were in the same boat, leaving her here alone in Liang Jiahao's hands.

Suddenly, a strong fragrance emanated from the kitchen. Qin Yu's stomach couldn't help but grumble as she inhaled the fragrance. **NoVeLUSb.cOmm**

She could no longer suppress the curiosity in her heart. She stood up and sneakily walked towards the kitchen.

Leaning against the door, the fragrance became even stronger. Qin Yu's saliva almost dropped. What did Liang Jiahao cook? Why did it smell so good?

Liang Jiahao threw the meat into the pot, and without turning around, he said, "If you want to look, come here and see. Why were you sneaking around like that? No one would wronged you here."

"Tch!" Qin Yu straightened up and walked in with big steps. "In this world, no one can wronged me!"

She looked into the pot and saw the red soup bubbling in the pot. She asked in surprise, "Are you making a hotpot?"

Liang Jiahao nodded. "Yes, I don't know if you can eat spicy dishes, so I just put a little chili in it."

"Wow!" Qin Yu looked at him in surprise. "You're too great, you can even cook a hotpot!"

Liang Jiahao raised an eyebrow. "Making a hotpot isn't difficult. I can also cook other delicious dishes. If you want to eat, come to my house. I'll cook it for you."

Qin Yu: "....."

This was a scam! He was trying to get her to come to his house, right?

How could someone as smart as her fall for such a childish trick?

"No need, my family's chef can cook anything, and it tastes so much better than what you can cook."

That's what Qin Yu said, but her eyes never left the pot.

Because she was a celebrity, she couldn't eat any food.

She can't eat too much spicy food or eat greasy food.

Nowadays society is very prejudiced. All celebrities or public figures had to take care of their appearance, especially women. If female celebrities ate too much, they would be ridiculed by other female celebrities and the netizens.

Although Qin Yu had a lot of money, she really couldn't eat everything she wanted.

Liang Jiahao stared at her, smiled, and then nodded. "Ok, then I'll come to your house next time and try your chef's cuisine."

Qin Yu froze for a moment, then suddenly raised her head to warn him. "Liang Jiahao, we've made a deal. It's only for tonight! After tonight, you cannot pester me anymore."

Liang Jiahao shrugged his shoulders. "I won't go against my word. I always keep my promise."

But if he followed Liang Zixuan to meet Qin Yu, he wouldn't be a nuisance, right?

Liang Jiahao saw that the meat was almost cooked, so he threw in the vegetables. A few minutes later, he snapped his fingers. "OK, it's ready."

Qin Yu was immediately overjoyed. "Can we eat now?"

Liang Jiahao took out two bowls and two pairs of chopsticks and handed them to Qin Yu. "Be good, bring them out for me."

Qin Yu: "....."

If he wanted to ask for her help, just say so. Why did he have to put "be good" at the beginning? His words made their relationship sound very intimate.

Seeing Liang Jiahao taking a towel and carrying a pot, Qin Yu obediently took the cutlery and followed him from behind.

Seeing the delicious meat in the pot, Qin Yu immediately took the chopsticks and ate them. "Luckily, I don't have any schedule tomorrow. Otherwise, I would wake up with a bloated stomach."

Liang Jiahao suddenly paused as Qin Yu's words reminded him of something. He took a piece of meat from the pot, blew on it, and put it to Qin Yu's lips. "Say ah...."

Qin Yu was dumbfounded. "What are you doing?"

Liang Jiahao said seriously, "Can't you see? I'm trying to feed you."

Qin Yu: "...."

Chapter 504 – You Simply Turned Everything Upside Down With Your Presence

Qin Yu was going crazy!

There was no way she could talk to this man like a normal person.

She looked at Liang Jiahao's chopsticks in disdain and snorted. "No, thank you. I'm germaphobia."

Liang Jiahao immediately put down his chopsticks, stood up, and went to the kitchen. He took out a new pair of chopsticks and picked up another piece of meat. After blowing on it, he held it near Qin Yu's mouth. "Say ah ..."

Qin Yu: "....."

There must be something wrong with Liang Jiahao's brain.

She simply had no way to communicate with him.

Qin Yu put down her chopsticks and stared at Liang Jiahao. Suddenly, she became serious. Even she, herself, felt that she had never been so serious like this in her life.

"Liang Jiahao, I'm going to put my words tonight. I'm not interested in you, you are not my type."

Liang Jiahao also put down his chopsticks and looked at her calmly. "Then what type of man are you into?" nOvelusb.com

"Of course I like young meat." Qin Yu put her hands on the table. "Have you seen the TV shows?"

Liang Jiahao thought about it seriously and nodded. "Perfection of Eternity."

Qin Yu rolled her eyes. "Fine, let's talk about Perfection of Eternity. I like men like Goo Shengli and Han Cihui. A man full of youth, a body full of hormones."

Liang Jiahao wasn't angry at all, he just said calmly, "Aren't you and Goo Shengli like siblings? Han Cihui should be your cousin too."

Qin Yu: "..."

Very well, he really knew everything.

Liang Jiahao's brain circuits were indeed different from an ordinary person's.

Qin Yu took a deep breath. "I'm giving you an analogy and an example, do you understand now?"

"Understood." Liang Jiahao nodded seriously. "But Qin Yu, if you reject me because of Xia Jingfei, I feel that it is unfair."

Qin Yu's thoughts were immediately exposed by him. She guiltily shifted her gaze away from him. Lowering her head, she picked up the chopsticks and grabbed some food. She felt depressed and did not know what to say.

Liang Jiahao shook his head. "It can be said that Xia Jingfei was really an obstacle in my life. I don't know how she managed to cause such trouble due to my momentary sympathy towards her, but Qin Yu, what should I do? Tell me, what do I have to do to get a chance from you?"

Qin Yu suddenly looked up. "There is no chance. So what if I am not being fair to you? I am an unreasonable woman. If you think my behavior was way out of line, then stop bothering me. You can find other women to fool around however you want."

Liang Jiahao laughed mockingly at himself and whispered, "But you are the only one I like."

????

As soon as Xia Jingfei returned from the Zen Garden, she immediately rushed to her bedroom without greeting Dong Biming.

Dong Biming ran after her anxiously. "Fei'er, what's the matter? Didn't you go out to meet Liang Jiahao? Why did you come back crying? Did he bully you?"

Just as she finished speaking, the door slammed shut, almost knocking her nose.

Xia Jingfei had never acted like this since she was young. She had always been a good girl, and when Dong Biming saw her behavior, she guessed that something big must have happened.

She raised her hand and knocked on the door, shouting loudly. "Fei'er, open the door. What happened? Tell mom!"

Xia Jingfei covered her head with the blanket and cried loudly. She was sad, really sad. She really liked Liang Jiahao to the point that she could break off all ties with Qin Yu.

But why did Liang Jiahao treat her like this? Why couldn't he like her?

Xia Jingfei couldn't understand. The only thing she could do was cry.

As she cried, she thought back to what Gong Enlai had said. "Miss Xia, matters of the heart cannot be forced. You may think you know my brother very well, but my brother never said he liked you. So even if Qin Yu will be with my brother, she's not the third person."

"If you really want to continue to be like this, the only one who will end up hurt in the end will be you."

"I've known my brother for a few years. I know his personality the best. He's the kind of person who doesn't give up easily when he wants something. Unless he dies."

"Of course, if you can really drive my brother to his death, that would also prove to me that you're a powerful character. However, once a girl becomes this ruthless for her selfishness, then she won't be cute and likable anymore."

"My brother isn't the only man in this world. There are many who are better than him and better suited to you than he is. My brother has been single for thirty years, and once he found someone, you destroyed it before he could make a move."

At this moment, even Xia Jingfei, herself, felt that her behavior was really disgusting.

She admitted that she had gone a little too far for Liang Jiahao. She shouldn't have said those words to Qin Yu, making her misunderstand, but at that time, she really didn't feel her action was wrong. Was it wrong for her to pursue her happiness?

Xia Jingfei didn't think she was wrong!

Dong Biming's voice grew louder and louder, pulling Xia Jingfei's train of thought back to reality. She pushed the blanket away, got up angrily, walked to the door, and opened it.

Looking at Dong Biming, who was standing at the door, she snappily said, "Mom, can you give me some privacy? Can you stop meddling in my business?"

Being scolded like that by Xia Jingfei, Dong Biming didn't even have the time to get angry. She grabbed her hand and asked anxiously, "Fei'er, tell mom. Did someone bully you? Did Liang Jiahao bully you?"

"I want to be bullied by him!" Xia Jingfei flung Dong Biming's hand away with all her might. For the first time, she shouted at her mother. "But he didn't even look at me. Bullied me? He wouldn't even lay a hand on me! He felt that he would get his hands dirty by doing so!"

"What?" Dong Biming was stunned. "What do you mean by that? Aren't you guys pretty good?"

"Good?" Xia Jingfei burst out laughing. "When did you see it? Mom, from the day you went to Master Qiao's house, Liang Jiahao and I were completely done. It's all because you insisted on following me, you made him think I did that on purpose. You simply turned everything upside down with your presence. He hates me now, he hates me! He told me that day that I wasn't suitable for him!"

Dong Biming took a few steps back and shook her head incessantly. "No, how could it be because of me? It wasn't me, it definitely wasn't me! There must be another reason. Fei'er, tell mom, is Liang Jiahao in love with someone else? Is that why you found an excuse to make yourself feel better?"

"He never fell in love with me!" Xia Jingfei laughed bitterly while holding back the pain in her heart.. "He never liked me. The person he liked is Qin Yu!"

Chapter 505 – I Just Can't Let My Daughter Be Bullied

"Qin Yu?" Dong Biming was shocked and stupefied. Her eyes widened as if she couldn't accept this fact. She stammered, "Impossible! I've seen this child grow up with my own eyes, and aren't you two good sisters? She ... How could she snatch your boyfriend from you?"

Xia Jingfei's face suddenly became depressed and her entire body was shrouded in great sadness. "Mom, Liang Jiahao has never been my boyfriend! I was the one who lied to you. He never liked me, never!"

Dong Biming couldn't accept this fact.

In her heart, her daughter was the most obedient, kindest, and prettiest girl in the world.

Although Qin Yu was beautiful, it was only because she was a celebrity of the Han Group. The halo of a famous celebrity gave her a different kind of brilliance.

How could Xia Jingfei be worse than Qin Yu?

This was her daughter!

Dong Biming walked up a few steps and roughly grabbed Xia Jingfei's hand. "Fei'er, tell mom the truth, do you like Liang Jiahao?"

Xia Jingfei closed her eyes in sorrow. The grip on her wrist really hurt her. "Yes, I really like him, but so what? He doesn't like me!"

"Who said that!" Dong Biming suddenly became agitated and her face contorted, just like Cinderella's stepmother. A sinister light flashed in her eyes. "Fei'er, when facing a man you like, when facing your life's happiness, you cannot be kind-hearted."

At this moment, Xia Jingfei was overcome with a wave of faintness. She suddenly felt very tired, so tired to the point where she didn't want to think about anything or do anything at all. All she wanted was to be alone in her room.

Xia Jingfei forcefully tore her hand away from Dong Biming's grasp. She shook her head and said in a weak voice, "Mom, I fought for it. I've already done what I needed to do, but love isn't something we can force. I didn't win nor did I lose. I beg you, please leave me alone."

"No way!" Dong Biming wanted to grab Xia Jingfei's hand again, but Xia Jingfei kept dodging. She had no choice but to stand at the door and sincerely advise her daughter.

"Fei'er, you might only meet a man like Liang Jiahao once in your entire life! His appearance is good, he has a good job, and he's from a good family. Only a man like him is worthy of you! If you don't fight back and snatch him away from Qin Yu, you will regret it for the rest of your life."

Xia Jingfei laughed. She looked at Dong Biming and laughed weakly. "Whether I regret it or not, this is my life. Only I know that. Mom, if you're still as conceited as before and went against everything to seek justice for me, you only end up making me miserable."

Sometimes, Xia Jingfei even felt that she wasn't a person, but a pet kept by Dong Biming. Since she was young, she didn't have any freedom, nor did she have the right to decide her own life.

This included her dream of becoming a fashion designer and painter. She had always chased after this dream. However, when she was accepted to a famous designer institute abroad, Dong Biming unexpectedly didn't let her go. *NoVeleusB.com*

She was too far from home, and Dong Biming feared that she would be bullied.

In truth, Dong Biming had no control over Xia Jingfei's life once she left. Therefore, she locked her in the golden silk cage.

Parents' love was great, but it was the need to control and the possessiveness that destroyed the child's life.

It was said that the sky was free for everyone to fly. However, Xia Jingfei's calmest sky had already been destroyed and replaced by a golden silk cage made by Dong Biming. She could only look out at the sky from inside the cage, yearning but unable to fly out no matter how hard she tried.

Xia Jingfei looked at Dong Biming as tears slowly ran down her cheeks. This time, she was really hurt. She was really in pain. She was really sad. She was also disappointed.

When Dong Biming heard her words and saw the tears that had fallen from her eyes, she was actually at a loss. "Fei'er, don't, don't cry. Don't worry, if you don't want to do it, mom can help you. Mom will never let you be bullied! No matter if it is Liang Jiahao or Qin Yu, neither of them can do that to you."

Xia Jingfei slowly placed her hand on the door. She looked at Dong Biming and smiled as tears streamed down her face. "Enough, mom. That's enough. I don't need you to do anything for me. Please leave me alone and let me decide my life."

After saying that, Xia Jingfei slammed the door shut. This time, no matter how Dong Biming knocked and yelled, she didn't open the door.

Dong Biming screamed until her throat was hoarse and her heart ached. In the end, she left in disappointment.

"Old Xia, please go to Fei'er. She listens to you the most. Go and persuade her. Persuade her to stop crying and shutting herself in that bedroom."

When Dong Biming returned to the bedroom, she grabbed her husband's hand and said this.

Xia Yong had already taken a shower and was about to sleep, but he was forcefully pulled up by Dong Biming. He shook his head and sighed. "Biming, Fei'er is already old enough to decide everything. She's not a child anymore. Can you give her some privacy?"

"How can I give her some privacy?" Dong Biming was so angry that her eyes turned red. "From birth until now, I've watched her grow up with my own eyes. She was so innocent that she didn't understand anything and didn't even know how to retaliate when someone bullied her. If I gave her privacy, wouldn't her bones be eaten by others?"

As a father, Xia Yong could understand Dong Biming's desire to protect their daughter, but she couldn't control their daughter's life in this way. It was as if she treated Xia Jingfei like her pet.

"Biming, you're also an experienced person, why don't you understand? After being born, one had to experience and endure seven tribulations. Only then would one be able to live a complete life. If you continue to protect Fei'er like this, then let me ask you, what would you do once she gets married in the future? Will you continue to watch over her and make sure she would not be bullied by her mother-in-

law or sister-in-law? Are you going to sleep between her and her husband and watch over them every day?"

Dong Biming blushed. She knew what Xia Yong said was reasonable, but she just couldn't accept it. She didn't even dare to think about the scene where Xia Jingfei was bullied.

She craned her neck and said, "So what? I just can't let my daughter be bullied!"

Xia Yong heaved a long sigh. "You are not protecting her, but harming her! It's because she's been protected by you and hasn't suffered anything, that's why she's so fragile. She's not being bullied, she's just heartbroken!"

Chapter 506 – How Can She Be So Heartless

When Xia Yong saw that Dong Biming still did not understand, he thought it was impossible for him to persuade her anymore. Otherwise, Dong Biming would already let Xia Jingfei lead her life however she wanted for the past twenty-five years.

Xia Yong pulled the blanket over his body and slid down. "I'm not going to waste my saliva on you anymore. I still have to work tomorrow, so I'm going to sleep. Just let Fei'er be alone. She'll be fine after this."

Just as Dong Biming was about to say something, she saw that Xia Yong had already closed his eyes. She snorted gloomily and crawled onto the bed, lying down with her back to him.

No matter what happened, she could not bear to see Xia Jingfei being wronged.

Dong Biming did not sleep well that night and was always awakened by nightmares.

The next day, she woke up at dawn. She sat on the bed for a while before getting up to check on Xia Jingfei.

Normally, Xia Jingfei had never locked the door when she was sleeping. Dong Biming had taught her that since she was a child. Xia Jingfei always kicked the blanket when she slept, so Dong Biming always came to her room to cover her with the blanket.

Every time Dong Biming entered Xia Jingfei's room, she did not knock on the door. She simply opened the door and entered.

This morning was no different. She pushed open the door to Xia Jingfei's bedroom without knocking.

As soon as she entered, Dong Biming was completely stunned. It was only 6.30 in the morning, but Xia Jingfei was not in the room.

Dong Biming's eyelids twitched. She wanted to go down to see if Xia Jingfei had woken up and was eating breakfast, but when she turned around, she suddenly saw a piece of paper on the nightstand. She was shocked and immediately ran to pick it up.

When she saw Xia Jingfei's delicate writing, she burst into tears.

"Mom, dad, when you saw this letter, I had already left home. Thank you for raising me for twenty-five years. Your careful nurturing and protection have made it possible for me to live without any wind or rain until now. And now, I want to tell you that this is not the life that I want."

"I also have dreams. I also want to be like Qin Yu, to have my own job, and be proud of myself. I don't want to get married, and I don't want to spend the rest of my life as a housewife."

"Perhaps at the age of twenty-five is a bit late for a woman like me to chase after her own dreams, but I am not afraid! I want to fly out of this golden silk cage. I want to see how high the sky is outside and how blue it is."

"Perhaps you will think that I am unfilial, but I have been very obedient and filial to you all these years. Please give me a chance to choose, okay? Maybe my life will be difficult and I can only rely on begging to survive, but this was my own choice. I don't regret it, and I'm even less afraid of it."

"Perhaps after this, I will be an ordinary person, but that's fine because I am happy! And this is the life that I want, a life that I chose."

"Ahh!" Dong Biming held the piece of paper between her fingers, thumping her chest and stomping her feet as she cried bitterly. "Fei'er, my Fei'er! How can you do this to your mother? How can you leave me! Fei'er, you are forcing me to my death!"

Xia Yong heard Dong Biming's wailing and immediately rolled out of bed. He ran to Xia Jingfei's bedroom without even putting on his slippers.

As soon as he entered, he saw Dong Biming sitting on the floor, holding a piece of paper and crying as if someone had broken her heart. He ran over and asked anxiously, "What happened?"

Dong Biming's eyes turned red when she heard his voice. She angrily threw the letter in her hand toward Xia Yong. "Look for yourself! You asked me to leave her alone, and this is what I found this morning. This is what she was thinking! She had thought about it for a whole night and actually ran away from home! She doesn't want me anymore. Why is my life so bitter? I have raised her for over twenty-five years, how can she be so heartless?"

Xia Yong was extremely nervous, but when he finished reading the letter, he breathed a sigh of relief and laughed happily. "This is indeed my daughter! She has a lot of courage!"

Xia Yong turned around and saw that the credit card and bank card he had given to Xia Jingfei were neatly placed on the other bedside table. He understood that his daughter had made up her mind to pursue her dream on her own.

He was even a little proud of her decision.

"Laugh? You can still laugh at a time like this?!" Dong Biming was on the verge of going berserk with anger. She kicked Xia Yong hard on his leg. "Your daughter is gone. She doesn't know anything, how can she live out there on her own? You actually have time to laugh? Xia Yong, are you trying to make me die of anger?" *NOVELuS&B.com*

Xia Yong ignored her tantrum and walked out of the room. He would go crazy if he spent more time with Dong Biming. He was so proud of his daughter. She finally decided to leave her mother's cage.

Xia Yong really hoped Xia Jingfei's life outside would be well.

????

Liang Jiahao had returned the phone to Qin Yu when he sent her to the guest bedroom last night.

Because of Liang Jiahao's sudden confession of "but I only like you," Qin Yu opened a bottle of his wine, and after finishing the bottle by herself, she was so drunk that she could no longer walk and fell asleep in Liang Jiahao's guest bedroom.

Qin Yu was awakened by the ringing of her cell phone. Seeing Xia Jingfei's name on the caller ID, she picked up the phone.

"Qin Yu, can I see you now?"

"Now?" Qin Yu froze for a moment. When she looked at the time, it was only five in the morning.

And her head hurt, it really hurt. She only had the capacity to drink a bottle of red wine.

"Xia Jingfei, it's not that I don't want to see you, but last night I drank too much, and now I have a headache."

"It doesn't matter, I can come to your house."

Qin Yu stuck her tongue out in embarrassment. "But I'm not at home."

Xia Jingfei smiled. "You're with Liang Jiahao, aren't you?"

Qin Yu: "..."

She really didn't want to admit it, especially not to Xia Jingfei.

Although nothing had happened between her and Liang Jiahao, it was inexplicable that people would misunderstand when they learned that she had slept at his place last night.

Qin Yu really didn't know what to say to Xia Jingfei. She was currently very embarrassed.

"It's fine. I know that Liang Jiahao lives in the military compound in Nanshan, but I don't know exactly which house, and ... if Liang Jiahao doesn't come to pick me up, I definitely won't be able to get in."

Xia Jingfei sighed and pleaded. "Qin Yu, I'm begging you. Can you ask Liang Jiahao to come and pick me up? I'm heading that way right now and will be there soon."

"What?" Qin Yu got up from the bed as if her butt was touched by fire.. "Damn it, Jingfei. You can't do this to me early this morning! Can't you tell me in advance?"

Chapter 507 – I'm Willing To Let A Misunderstanding Like This Happen Again

Xia Jingfei's exceptionally cheerful laughter rang out from the receiver. "Alright, Qin Yu, consider it as me begging you for one last time. I need to see you today, right now immediately."

Although Qin Yu had a bit of a grudge against Xia Jingfei because of Liang Jiahao's matters and it could also be said that Xia Jingfei had hurt her badly, but after hearing her request, Qin Yu's heart still subconsciously softened.

After hanging up the phone, Qin Yu immediately scratched her head as hard as she could. It was 5 am, should she have gone to knock on Liang Jiahao's door? Aiya!

Qin Yu was so depressed that she screamed several times. She felt that she was really indebted to Xia Jingfei in her past life. Otherwise, why can't she say no to her?

Even after Xia Jingfei hurt Qin Yu a lot, Qin Yu still couldn't hate her.

After struggling for a long time, Qin Yu finally gathered her courage and got out of bed. She went to Liang Jiahao's bedroom and knocked on the door.

Just as she knocked for the third time, the door suddenly opened. She didn't even have time to withdraw her hand, and her hand accidentally hit Liang Jiahao's chest.

Liang Jiahao looked down at the small hand on his chest. He narrowed his eyes and smiled a little. "The door isn't locked, so you can go inside whenever you want."

"What?" Qin Yu's face immediately flushed. "W-why would I go into your room?"

Suddenly Qin Yu realized something. She raised her head and looked at Liang Jiahao while snorting. "Old pervert, why don't you lock the door when you're sleeping? Are you waiting for someone to pounce on you?"

Liang Jiahao's grave face suddenly revealed a smile. Like a warm sun in the winter. "I'm a single man, do I have to lock the door to my own house when I sleep? Who am I supposed to be on guard against?"

Qin Yu ran out of words for a moment.

She rolled her eyes a few times before waving her hand awkwardly. "Whatever, this is your house anyway."

Liang Jiahao grabbed the hand that was on his chest and pulled Qin Yu into his arms. He said softly, "Why are you looking for me?"

"I-I-I..." Qin Yu immediately panicked. She forgot why she was looking for Liang Jiahao while wriggling in his arms. "Y-you, let go of me. Did you hear me?! If you don't let go, I'll scream!" novelUsb.com

"Go ahead." Liang Jiahao chuckled a little. "Even if you scream at the top of your lungs, no one will hear you."

"Ahh!" Qin Yu screamed a few times before finally closing her mouth and glaring at him. "Old pervert, let go. Let go of me!"

"Why should I?" Liang Jiahao raised an eyebrow. "You come knocking on my door at this hour, don't tell me you come to have a chit-chat with me?"

Qin Yu wanted to bang her head against the wall and die.

Even if a man knocked on her door at this hour, she would also misunderstand him!

Liang Jiahao looked at Qin Yu's cute appearance and couldn't help but pressed a gentle kiss on her forehead. "Don't worry, I'm a responsible man. I'll be responsible for you."

With these words, he suddenly bent down and brought Qin Yu inside his room.

My God ...

Qin Yu was almost on the verge of tears. Liang Jiahao had misunderstood her intention!

"J-J..." Before she could say his name, she was thrown onto the bed by Liang Jiahao. Her waist hit the bed hard, and a sharp pain enveloped her body for a moment.

Qin Yu remembered that she had a bruise on her waist. It was so painful that she was sweating.

"Aiya, it hurts!" Qin Yu rubbed her waist and was about to get up, but Liang Jiahao's tall and slender body immediately pressed her down. She was so anxious and immediately shouted, "No, Liang -"

The unspoken words were blocked by Liang Jiahao's lips, and they were all swallowed into his mouth.

He kissed her.

Liang Jiahao kissed her!

Oh my God, she was about to die!

Qin Yu hit Liang Jiahao's chest hard with both hands, wanting to push him away. Unexpectedly, Liang Jiahao held her hands, his fingers slowly intertwined with hers, and he pressed them on the bed.

"Ugh!"

Qin Yu was on the verge of breaking down. Her legs began to struggle desperately, trying to kick Liang Jiahao's legs with all her might.

Liang Jiahao's legs were pressing on hers, causing her to behave immediately.

Qin Yu: "..."

She didn't expect Liang Jiahao to be so domineering.

She felt like a weak little sheep that suddenly broke into Liang Jiahao's wolf nest!

Liang Jiahao kissed Qin Yu for a full ten minutes before reluctantly moving away from her lips.

Qin Yu took a few breaths consecutively before she finally had enough oxygen. Then she screamed at the top of her lungs. "Liang Jiahao, Xia Jingfei is waiting at the entrance of the military compound right now. She wants to see me ..."

Qin Yu's last words ended in a whisper as she had used up all of her vital capacity.

Liang Jiahao looked down at her. His low breathing and unstable heartbeat gave him a fierce personality. His whole body gave off the smell of man and hormones, which was very enticing and attractive.

Qin Yu licked her swollen lips and looked at him intently. "That's right, that's why I came looking for you."

Liang Jiahao gritted his teeth so hard that Qin Yu could almost hear the sound.

She smiled awkwardly. "Sorry, I made you misunderstand."

Liang Jiahao took a deep breath and forcefully restrained his desire, making his whole body look very wild. This wild behavior made Qin Yu's heartbeat quicken.

Finally, he said in a low, hoarse voice. "Why didn't you tell me earlier?"

Qin Yu smiled embarrassedly. "You didn't give me a chance!"

Liang Jiahao gripped the bed sheet so tightly as if he was trying his best to control the urge to hit someone. His eyes stared intently at Qin Yu as if he wanted to devour her.

Qin Yu was so scared that she almost cried. "Liang Jiahao, I was wrong, I was wrong! I promised that in the future, I'd say it right away and will not give you another chance to misunderstand again."

Qin Yu screamed in fear and unconsciously hid her head to the side.. Liang Jiahao was stunned for a moment, but finally, his lips settled on hers and he said in a low voice, "But I'm willing to let a misunderstanding like this happen again."

Chapter 508 – He Seems Like A Very Good Man

Liang Jiahao got up from Qin Yu's body. "You should go and pick her up."

Qin Yu blinked. "You, why don't you go?"

Liang Jiahao helplessly looked down at his condition and then laughed to himself. "Do you think if I went to pick her up in this state, she wouldn't misunderstand?"

Qin Yu looked at him and was immediately stung by the sight. She hurriedly looked away, saying, "Oh, well, then I'll go."

Liang Jiahao raised his hand and knocked her forehead with his knuckle. "Be good."

Qin Yu immediately showed an annoyed expression. "How many times have I told you? Don't try to coax me like I'm a three-year-old girl!"

Just as she raised her head, she saw the man's happy back walking towards the bathroom.

Qin Yu: "..."

What was he feeling good about?

Why was he so happy?

When Qin Yu arrived at the entrance of the military compound, she saw that Xia Jingfei's car was already parked there.

She greeted the two soldiers standing guard at the side before getting into Xia Jingfei's car.

"Why are you so early?" Qin Yu yawned guiltily. "I just knocked on Liang Jiahao's door and woke him up."

Xia Jingfei looked at her and saw two red spots on Qin Yu's cheeks. She pretended not to understand and laughed. "Really? I thought you guys slept together last night?"

"Of course not!" Qin Yu pursed her lips and snorted. "Am I that kind of casual woman?"

Xia Jingfei smiled and started the engine. Under Qin Yu's guidance, she parked the car in front of Liang Jiahao's villa.

"Come on, let's go inside and talk." Qin Yu did not know that when she said this, her voice sounded like a hostess inviting a friend into her home.

Xia Jingfei smiled but said nothing as she followed Qin Yu into the house.

She had often imagined coming to Liang Jiahao's house as a guest.

She also imagined living with him in a house like this. In the morning, she would cook breakfast for him and he would hug her waist from behind.

But ... All of this was just her imagination. This was the first time she had come here, and probably the last time in her life.

When they entered the living room, they saw a tall, slender figure walking into the kitchen. Qin Yu was surprised for a moment and thought: 'Didn't Liang Jiahao go to the bathroom to solve his problem? So fast?'

Xia Jingfei nudged her from the side. "What's wrong?" *NoVeloSB.com*

Qin Yu smiled awkwardly and said, "It's nothing, I didn't expect him to wake up so early. I thought he would go back to sleep after I woke him up."

When Qin Yu said this, she didn't feel anything wrong with her words. However, Xia Jingfei felt envious as she listened to it. She smiled at Qin Yu and said, "He seems like a very good man."

As they sat down in the living room to talk, Liang Jiahao came out of the kitchen with a plate of sliced fruit and a layer of yogurt on top of it.

"I don't know what you two like to eat, so I just casually made this."

Liang Jiahao walked over and put the plate on the tea table. "Take your time, I'll be in the study. Call me if you need anything."

No matter how one looked at it, this scene made Liang Jiahao and Qin Yu look like a couple. It was as if Xia Jingfei had come to visit Qin Yu as the best friend and Liang Jiahao had carried out his duties as the husband and given them space to talk.

Qin Yu was so embarrassed by this. She quickly turned her head away and muttered "En" softly.

Liang Jiahao smiled and then walked towards the study.

Xia Jingfei casually picked up the fork and put a slice of apple in her mouth. She chewed it carefully and laughed loudly with brightened eyes. "Very delicious!"

"Eat more if it's delicious." Qin Yu pushed the plate to Xia Jingfei and put her legs on the sofa and closed her eyes like an old monk in meditation.

Xia Jingfei took two more bites and turned to look at Qin Yu. She suddenly said, "Qin Yu, there's something I want to say to you."

"En." Qin Yu closed her eyes. She didn't want to see Xia Jingfei's expression at all. She was afraid that Xia Jingfei would ask for her help while she was crying and feeling wronged like yesterday afternoon.

However, the moment Xia Jingfei opened her mouth, these words came out. "I'm sorry."

Qin Yu abruptly opened her eyes and looked at Xia Jingfei in shock, not knowing what to do. "Why were you saying sorry to me?"

"Qin Yu, we grew up together and it can be said that you are my best friend." Xia Jingfei put down the fork and held Qin Yu's hand, looking at her sincerely. "Yesterday's matter was my fault. I apologize to you."

"No, no." Qin Yu was so embarrassed that she didn't know what to do. She could only shake her head. "No, it's not your fault. You don't need to apologize to me."

"Don't talk yet, please listen to me."

Xia Jingfei suddenly became serious. There was no sign of immaturity on her face, not even the expression of grievance. It was as if she had grown up in the blink of an eye, giving Qin Yu the illusion that she had changed.

"I'm not going to deny that I've fallen in love with Liang Jiahao. In my whole life, I've never fought with anyone and taken anything from them. And this is the first time in my life that I want to fight for something."

Qin Yu said powerlessly, "Jingfei, I really don't want to fight for him with you."

"Qin Yu!" Xia Jingfei cut her off with a smile and said, "Listen to me first. I'm not done talking yet. You were always the one who talked when we met. This time, you have to listen to me patiently, okay?"

Qin Yu was a chatterbox. Whenever they met, she was the one who talked, while Xia Jingfei was always gentle and quiet. When the two of them were together, Qin Yu would always brag about everything while Xia Jingfei would listen quietly.

Qin Yu undeniably felt that Xia Jingfei was a good friend and also a good listener.

Facing Xia Jingfei's first plea, Qin Yu could only seal her mouth. Even if she couldn't take it anymore, she had to endure it and didn't allow herself to speak.

Xia Jingfei smiled with satisfaction. "Of course, I know that as long as I say it, you won't fight with me for him. That's why I asked you to see me yesterday and said those things. But... Last night's incident made me realize one thing. Love cannot be forced. No matter what methods I use, I can't win over a man's heart."

"To be honest, now that I think about it, I really hated my behavior yesterday."

Chapter 509 – Leaving

"Before this, I never believed in love at first sight. I always thought love at first sight was the kind of love like you love leather bags. And that was not true love. But since I met Liang Jiahao, I started to believe in it."

Xia Jingfei took a deep breath. "He is a very outstanding man, he lives only for himself. He doesn't care what people think about him. He just wants to be happy."

"And you are the same type of person as him."

Xia Jingfei looked at Qin Yu and said with a smile, "You live a very relaxed life, doing whatever you want. You never care what other people think of you, as long as you are happy, nothing else matters. And last night, I saw the way he looked at you. You laughed without caring about your image, you even put your foot on the chair like an improper lady, but he doesn't care about it. He likes the way you behave. But me, I can never behave like that." *nOvELUsb.com*

"The both of you are really destined to fall in love with each other as soon as you meet. The both of you are like the positive and negative poles of magnets, and as long as you and Jiahao meet, the both of you will be very attracted to each other. Qin Yu, thank you for telling me that being myself is the best way to live."

Qin Yu was very anxious. She opened and closed her mouth several times as if she wanted to say something. Can she talk now?

Xia Jingfei chuckled seeing that. "Alright, you can talk now."

Qin Yu took a deep breath and then said anxiously, "Jingfei, you are really scaring me. What are you planning? Are you deciding to leave?"

"En!" Xia Jingfei nodded. "I have decided to leave, I need to pursue my dreams, I need to find myself, find the kind of life I want. The next time we meet, you will definitely meet the new Xia Jingfei. I will make sure you see me in a new light."

"Where will you go? Will your mother let you go? I'm sure she's already looking for you all over the world now. Are you trying to make her die of worry?" Qin Yu tried to persuade Xia Jingfei, "I have said it before, I have no feelings for Liang Jiahao. I don't like him at all! After all, he is Liang Zixuan's brother. I even called Zixuan "auntie!" He is older than me, what can I do with him?"

"Qin Yu!" Xia Jingfei was helpless. "If it's because what I said to you previously had caused you to have a bad impression on Liang Jiahao, I want to apologize. I have been friends with you for years, I know very well whether you like him or not! If you really don't like him, why did you leave last night?"

Qin Yu was about to explain when Xia Jingfei shook her head and smiled. "You don't need to justify yourself. Don't push him away. If you really hate him and want to draw a line with him, you can explain to him over the phone. Qin Yu, just admit that you also have a good impression of him. Even if you're not ready to like him yet, it's just a matter of time."

Qin Yu pursed her lips and looked at Xia Jingfei with a melancholy expression. "No matter what I say, you will always find something to refute me."

Xia Jingfei patted Qin Yu on the shoulder. "I came to find you today because I want you to know my intentions. Don't give up on a good man because of me."

Then she took the handkerchief out of her bag. "He gave me this because I was crying and begging him to agree to my plan. He only gave it to me because he felt sorry for me."

Xia Jingfei put the handkerchief on the tea table. "Qin Yu, I didn't decide to leave because of you and Liang Jiahao. I just felt that for twenty-five years of my life, I lived for my mother. Now, I want to live for myself."

After putting down the handkerchief, Xia Jingfei suddenly stood up and looked at Qin Yu. "Do you understand what I'm saying?"

How could Qin Yu not understand?

Most of the time, Qin Yu would be laughing at Dong Biming for being overcontrolling. As if she couldn't live without Xia Jingfei.

And it was precisely because of Dong Biming's misguided control over Xia Jingfei that had caused her to become so fragile and had no characters.

Just like a puppet, Xia Jingfei would do whatever Dong Biming told her to do, unlike a human being.

Qin Yu nodded. "I understand."

Xia Jingfei smiled. "Can I say goodbye to Liang Jiahao?"

Qin Yu: "..."

Why did she ask for her opinion?

It wasn't like Liang Jiahao was her man!

Qin Yu nonchalantly pointed to the study. "He has nothing to do with me. Do whatever you want to do."

Xia Jingfei laughed and walked towards the study.

Standing in the doorway, she knocked politely on the door.

Liang Jiahao's cold voice sounded from inside. "Come in."

Xia Jingfei pushed open the door and went inside. She saw Liang Jiahao sitting on the couch with a book in his hand. He looked up at her.

"I ..." Facing Liang Jiahao, Xia Jingfei couldn't help but be nervous. "I came to say goodbye."

Liang Jiahao nodded and set the book aside. He pointed to the couch across from him.

Xia Jingfei walked over and slowly sat down. She looked greedily at Liang Jiahao's face as if she wanted to carve his appearance into her heart.

After a while, Xia Jingfei finally opened her mouth and said, "What you said is right. Sympathy is not love, and that love is not the love I want."

Liang Jiahao said nothing. He just listened to Xia Jingfei's words politely and seriously.

Xia Jingfei licked her lips and chuckled softly. "I'm sorry for the embarrassing thing I did last night. I'm actually not that kind of woman, and I myself don't want to be like that, so I plan to leave. Leave my home, leave my mother's control. I want to go out and travel by myself, living my own life."

Liang Jiahao nodded. "Congratulations, you finally understood."

Xia Jingfei smiled shyly. "I still have to thank you and Qin Yu. I am really grateful to both of you. Because of you and Qin Yu, I have finally learned that by doing what I want and achieving my own dreams will I be worthy of being loved by others. Only by finding myself will I know how to protect what I want."

Xia Jingfei raised her hand and gently stroked the hair on her forehead. Suddenly, she stood up, took two steps towards Liang Jiahao, and asked with a stiff and bitter smile, "I... Can I hug you?"

As a parting gift for a woman, most men will agree unconditionally.

But Liang Jiahao just looked at Xia Jingfei and shook his head. "Sorry, my embrace is only for the woman I love.. Please understand."

Chapter 510 – It's All Her Fault

Xia Jingfei felt awkward for a moment as she stood there, not knowing what to do. Her eyes gradually reddened, like a rabbit's, as she looked toward the door.

After a while, she nodded in panic. "Oh, oh! I-I know. Thank you for listening to me."

With these words, she turned and walked out of the door in a daze.

Xia Jingfei had thought that Qin Yu was standing by the door, listening in the corner. But she did not expect to find Qin Yu sitting on the couch, eating an entire plate of fruit. When she came out, Qin Yu jumped off the couch and ran in front of her without wearing her slippers.

"What's wrong?" Qin Yu looked into Xia Jingfei's reddened eyes and asked angrily, "Did that old pervert bully you?"

"No!" Xia Jingfei shook her head vigorously. If Liang Jiahao didn't allow her to hug him, was that tantamount to bullying her?

"Qin Yu, Liang Jiahao is a very good man. If you give up on him just because of me and let him be snatched by other women, you will definitely regret it."

"So be it." Qin Yu said casually, "Any man who can be seduced and snatched away by other women so easily, is not a good man. I don't need such a man in my life."

Actually, Qin Yu was just casually speaking, according to what Xia Jingfei was saying. But who knew Liang Jiahao would be leaning against the door of the study while looking at her and listening to her? The corner of his mouth curled up slightly. "You are right!"

Qin Yu: "...."

What did she say?

What made Liang Jiahao so happy?

Xia Jingfei looked at Liang Jiahao and then looked at Qin Yu. She took a deep breath and carved a smile. "Alright, I have to go. If I don't go now, I won't be able to leave. Qin Yu, I hope the next time we meet, we will remain good friends."

"Of course!" Qin Yu hugged her. "Do your job well. No matter what happens, don't forget to call me. No matter where you are, I will definitely find you and help you."

When Xia Jingfei left, Qin Yu remembered the radiant smile she showed. It was as if Xia Jingfei was relieved. Qin Yu even forgot that she had been forced by Xia Jingfei to leave Liang Jiahao the other day.

Meanwhile on the other side, Dong Biming acted like she was going crazy, crazily looking for Xia Jingfei's whereabouts everywhere. Even Xia Yong didn't go to work and was forced to look everywhere with Dong Biming.

After Dong Yong received the call, he hurriedly sent people to look around.

They searched through the airport, the train station, and every possible place in the Imperial City, but no news of Xia Jingfei was received.

At night, Dong Biming returned home depressed. She cried and pointed at Xia Yong while scolding, "This is all your fault! You never cared about Fei'er. If you spoke kindly to her last night, would she do something like run away from home? She left because she didn't feel warm love at home!"

nOvelus&.cOM

Xia Yong was scolded to death by Dong Biming. Since she was so upset, he didn't want to argue with her.

In fact, everything that had been written in Xia Jingfei's letter made it clear that the reason she left was because she wanted to go out and see the outside world. She wanted to escape the golden silk cage that Dong Biming had created for her.

However, Dong Biming was clearly unaware of her mistake. She had to find someone to blame.

Dong Yong hurried into the house. Seeing his aunt sobbing loudly, he sighed. "Aunt, don't cry anymore. My sister just wants to go out to have a rest. It's not a big deal."

"Who said that!" Dong Biming immediately glared at him. "You're just like your uncle. You said it was nothing, but what happened now? You forced my Fei'er to run away from home!"

Xia Yong was speechless with anger. "Stop blaming me for this! Can you stop being unreasonable?"

"You!" Dong Biming angrily scolded him. "Besides you, I can't think of anyone else! You really like a son, that's why you treated someone else's son as your son! You never care about your daughter. That's why only I feel the pain!"

Xia Yong: "...."

Dong Yong: "...."

Back then, when Dong Biming wanted to marry Xia Yong, Dong Yong was already born. When the elders of the Dong Family found out that Xia Yong was also called Yong, they wanted to change the name of Dong Yong.

Later, the old woman of the Dong Family went to the temple to pray for blessings and asked for a good name for Dong Yong. But the monk in the temple said, "This child is named Dong Yong. If you change his name, he will lose his spirituality."

And since they had no other choice, the old woman could just leave Dong Yong's name as it was.

Because of his name, Xia Yong always considered Dong Yong as his own son. Ever since he was little, Dong Yong would run to the Xia Family's house every time he was beaten. Xia Yong was more protective of him than Xia Jingfei.

Dong Biming had always thought that Xia Yong favored Dong Yong over Xia Jingfei was because they had a daughter.

In reality, it wasn't that Xia Yong didn't care about Xia Jingfei, but because Dong Biming had been watching her closely. If he continued to interfere, Xia Jingfei would probably break down and commit suicide.

Xia Yong was so angry that he couldn't say anything, so he just sat down on the couch and sighed.

Dong Yong felt wronged because he had taken the beating for no reason. However, he also didn't dare to say anything to Dong Biming now. He feared that if he interfered in this matter, Dong Biming would decide on something bad that she would not be able to take back.

If they didn't find Xia Jingfei on time, Dong Biming would probably ask for a divorce from Xia Yong.

Therefore, Dong Yong and Xia Yong didn't say anything, while Dong Biming thought of all the useless things by herself.

"It's all because of Qin Yu! She actually dared to steal Fei'er's boyfriend, she's not human!"

Dong Yong was shocked. "What does this have to do with Qin Yu? Aunt, can you stop blaming someone else?"

"It's all her fault!" Dong Biming looked up and glared hatefully at Dong Yong. "If she hadn't stolen Liang Jiahao, Fei'er wouldn't be so upset! Otherwise, how could she have run away from home?"

Dong Yong knew a little about Xia Jingfei and Liang Jiahao, and he had heard a little about them from Han Yuanjun.

Han Yuanjun had told him that Liang Jiahao didn't like Xia Jingfei, but she seemed to have fallen in love with Liang Jiahao. Han Yuanjun had asked Dong Yong to help persuade Xia Jingfei to stop liking Liang Jiahao.

Dong Yong didn't even have time to persuade her before this thing happened.

He shook his head gloomily. "Aunt, this has nothing to do with Qin Yu. Liang Jiahao never liked Jingfei and he didn't have eyes on her!"

"Bullshit!" Dong Biming shouted at the top of her lungs.. "My Fei'er is so good, how could Liang Jiahao not like her? It was because of Qin Yu! She had used a vile trick on Liang Jiahao until she managed to hook him over! Because of her, my daughter ran away from home. I won't let her off easily!"
