Chapter 521 – Liang Jiahao Attacking The Police

This made Wei Xiaofan even more troubled.

One Qin Yu was enough to give him a headache, and now with Han Yuanjun, he really wanted to fly into a rage.

Dong Biming did not believe that Han Yuanjun would openly oppose her and threaten her like that.

The relationship between the Han Family and the Dong Family had not just developed for a few years, but for decades.

However, thinking of Xia Jingfei's suffering, Dong Biming gritted her teeth and shouted loudly, "Captain Wei, why are you still hesitating? Catch her!"

Wei Xiaofan looked at Han Yuanjun's terrifying expression and held the handcuffs in front of Qin Yu's eyes.

Qin Yu closed her eyes, took a deep breath, and stretched out her hand.

Just as Wei Xiaofan was about to handcuff Qin Yu, a cold man's voice suddenly rang out. "Wait!"

Wei Xiaofan stopped what he was doing and looked in the direction of the voice and saw Liang Jiahao.

Liang Jiahao stood next to Qin Yu and pressed down the handcuffs Wei Xiaofan was holding.

Dong Biming was shocked. Others may not know what Liang Jiahao once did, but how could she not know?

Suddenly she cried out, "Liang Jiahao stopped the police, he attacked the police officer!"

Wei Xiaofan had not said anything yet, but Dong Biming had already said nonsensical nonsense about Liang Jiahao attacking him.

Before anyone could react, Dong Biming glanced at a dozen security guards. "He wants to snatch the criminal from the police. Quickly, stop him!"

As soon as she finished speaking, twelve security guards, who had surrounded the venue, approached Liang Jiahao. Suddenly, the electric baton in their hands turned on and emitted the sound of electric current.

The person next to Liang Jiahao flinched in fright and quickly dodged to the side.

Wei Xiaofan almost ran out of words. "He didn't attack the police! I didn't say anything, why are you so eager to attack him?"

This was the home ground of the Dong Family, so all the security guards here listened to Dong Biming's instructions.

Liang Jiahao straightened his suit and suddenly raised his hand. He punched the nearest security guard and kept hitting his face again and again. The security guard crashed to the ground with a "bang".

When Han Yuanjun saw so many security guards attacking Liang Jiahao at once, he immediately raised his legs and wanted to rush to help, but Liang Zixuan, who was behind him, hugged him. "Hubby, don't go!"

Han Yuanjun turned to her and raised his eyebrow. "Your brother was attacked. Can you stand there and watch?"

Liang Zixuan shook her head. "Don't worry, my brother will only consider this attack as his practice. The main goal is ... you have to give my brother a chance to show off to Qin Yu."

Han Yuanjun smirked as he pulled Liang Zixuan into his arms. "You're right. How can he move Qin Yu's heart if we don't give your brother a chance to show himself?"

And then, they calmly looked in that direction...

Liang Jiahao stood alone in the encirclement of dozens of security guards. He was still calm, without the slightest hint of cowardice on his face.

Wei Xiaofan stood on the sidelines and shouted, "Everyone stop! Stop, do you hear me? If you don't stop, I'll shoot!"

With so many people, how could Wei Xiaofan shoot?

None of the security guards believed that Wei Xiaofan could fire a shot. The audience also thought he was a bit noisy. It wasn't easy to see real CS fighting, can he keep his mouth shut?

Suddenly, there was a scream from the crowd. Wei Xiaofan didn't have time to react before he saw a security guard's electric baton hit Liang Jiahao's waist. If he was an ordinary person, he would have long since passed out on the ground.

However, Liang Jiahao didn't show any slightest sign of discomfort. It was unknown whether it was because he was wearing thick clothes or what.

Liang Jiahao grabbed the guard and threw him over his shoulder, causing the guard to fall violently to the ground.

On the stage, six or seven security guards could no longer stand. Now, the remaining security guards saw that even an electric baton couldn't stop Liang Jiahao, and they became a little nervous and didn't dare to move forward.

Dong Biming was also shocked to see the security guards stop moving. She shouted angrily, "What're you all standing around for? Go, if you don't beat him today, you can't come to work tomorrow!"

Beat him up?

Heh.

The security guards that were lying on the floor looked like they had lost almost half their lives. They probably won't be able to get out of bed in a month, yet Dong Biming ordered the remaining security guards to beat Liang Jiahao?

Will they actually beat him to the ground?

With Liang Jiahao's fighting ability, these security guards would be really lucky if he didn't cripple them all.

And Dong Biming still asked them to beat him?

Several of the security guards looked at each other and threw their batons on the ground. Then, one by one, they walked up to their injured comrades and helped them up.

"What're you doing?" When Dong Biming saw this, she immediately shouted at the top of her lungs. "Are you trying to rebel?"

Hearing Dong Biming's words, the head of the security guard who was struggling to support his friend, sneered. "It's not like we can get the money from your Dong Family easily. Even if you threaten us, it would be useless! We value our lives the most and this man's fighting power is too strong. You better ask the police to help you catch him!"

Dong Biming was so angry that she almost vomited blood. So many people and all of them were trained security guards, but none of them could take more than three steps towards Liang Jiahao. They were just trash, a bunch of trash!

Dong Biming angrily yelled at Wei Xiaofan. "Captain Wei! Liang Jiahao has hurt so many people, aren't you going to do something to him?"

Wei Xiaofan had enough of Dong Biming today. He had seen many women playing around before, but he had never seen anyone as capable as her!

Wei Xiaofan put the handcuffs around his waist and looked coldly at Dong Biming. "You were the one who shouted and ordered your men to make the first move! Liang Jiahao was just defending himself, so why would I hurt him?! Do you really think you know more about the law than I do?"

Dong Biming was unreasonable, she put her hand on her hip and said, "Wasn't it because Liang Jiahao attacked you, the police officer first? I helped you out because of my kindness, and now you're questioning me? This is really a dog-eating-dog world, you really don't know how to appreciate the kindness of others!"

"Attacking me?" Wei Xiaofan sneered, "How could I, the police officer, not know that Liang Jiahao was attacking me? Furthermore, when I told everyone to stop, only Liang Jiahao stopped. Dong Biming, it seems like you are more suitable to be a police officer than me."

The bystanders also nodded and said, "Yes, obviously it was your people who attacked first. Liang Jiahao was only defending himself. Don't tell me that only your men were allowed to hit other people and others weren't allowed to retaliate?"

"That's right! When I saw Captain Wei ordering them to stop, only Liang Jiahao stopped. When he stopped, the electric baton hit his waist. Tsk! Tsk! Tsk! That must be really painful."

Everyone present knew Liang Jiahao's identity.

And all of them wanted to make a good impression on him. For them, saying a few words was not a loss. What if Liang Jiahao remembered them and made things complicated for them?

Other than that, they didn't say anything.

Dong Biming was furious when she saw that everyone was standing up for Liang Jiahao.

Right now, she could only ask Wei Xiaofan to take Qin Yu away as soon as possible. Even if they could find out the truth, Qin Yu would still be blamed. But before that, Dong Biming must destroy Qin Yu's future.

As long as Qin Yu was taken out of here in handcuffs by the police and then photographed by the reporters, Dong Biming's goal was achieved.

"Wei Xiaofan, I can put Liang Jiahao's matter aside for now and not pursue the matter further. However, Qin Yu stole the auction item, and she was also caught red-handed. Why don't you take her and leave? Are you waiting for me to treat you to a meal?"

Liang Jiahao didn't wait for Wei Xiaofan to speak as he put his hands in his pockets and stood in front of Qin Yu. "What's the hurry? Things haven't been settled yet, but you're in such a hurry to condemn Qin Yu. Are you afraid?"

"What, why do I have to feel afraid?" Dong Biming straightened her back, and in order to look brave, she stuck out her chest. "The evidence is conclusive, and even if you could overturn the case, it would be a later matter. After what happened today, I cannot hold everyone up with this matter." novelusb.com

Liang Jiahao raised his eyebrow and looked at the crowd.

Immediately, someone shouted, "We are not in a hurry. We also want to know the truth.. Staying here for a while will not affect anything."

Chapter 522 – Stop Pretending To Be A Big-Tailed Wolf With Me

Dong Biming was so angry that her face turned green. All these fence-sitters, wasn't Liang Jiahao only the CEO of China Securities Bank? Why were they so eager to lick his foot?

They didn't even give her a face!

Liang Jiahao proudly turned his gaze to Qin Yu. Seeing the calmness on her face, he praised her and his voice suddenly became softer. "Qin Yu, don't be afraid."

Qin Yu had to lift her head to meet Liang Jiahao's gaze. When she saw his gentle gaze and the strong sense of security he exuded, she suddenly felt relieved. NOVElusb.cOm

Her lips slowly twisted into a faint smile. "With you here, I'm not afraid of anything."

Liang Jiahao smiled and stroked Qin Yu's head. "Don't worry, as long as I'm here, I won't let anyone bully you."

At this moment, Qin Yu suddenly had a desire to cry. She had only known Liang Jiahao for a few days, and her attitude towards him wasn't even very good, but at this moment, Liang Jiahao actually decided to trust her unconditionally and was even willing to defend her.

She felt really touched.

This trust alone was enough to replace everything.

Then, Liang Jiahao turned to face Dong Biming and Wei Xiaofan. "Captain Wei, since the case took place in this place, we must gather evidence from here. Let's do it now, we can't give these people time to destroy the evidence."

When Wei Xiaofan heard Liang Jiahao's words, he realized that Liang Jiahao wanted to avenge Qin Yu's innocence in front of everyone.

He was glad to hear this suggestion. He also didn't want this incident to drag on.

"Alright." Wei Xiaofan nodded. "I brought two of my men from the technical department. We can collect evidence now."

"What?!" Dong Biming walked over and grabbed Wei Xiaofan's police uniform. She scolded with a twisted face. "Haven't I already given you enough evidence? What other evidence do you want? Could it be that you want to cover up Qin Yu's crime for your own benefit?"

"What are you so worried about?" Liang Jiahao said in a deep voice. "It doesn't matter whether Qin Yu is a thief or she is framed. Since you have reported the case, the police are obliged to gather evidence at the scene."

With that, he ignored Dong Biming's ugly expression and began to analyze the situation.

"Earlier, the surveillance footage showed Liang Zixuan and Qin Yu walking to the warehouse. This cannot be used as evidence to accuse Qin Yu of the crime. Now, I want all the surveillance footage of Qin Yu leaving the warehouse to be released so that everyone can see who else entered the warehouse."

"Why should I?" Dong Biming became furious with embarrassment. This was her family's home ground, how could she allow others to challenge her?

With a cold expression, she said to the staff member behind her. "Without my permission, no one can release any surveillance footage!"

Liang Jiahao sneered. "Dong Biming, what are you afraid of?"

"Me, I have nothing to fear!" Dong Biming blushed and held her neck. "So what if I don't allow my staff to release the footage? The Dragon Phoenix Bracelet was in Qin Yu's bag, and there's also footage of her entering the warehouse. The evidence is so conclusive and you still have the audacity to say that Qin Yu is not to blame and reverse the wrong to the right?"

She sneered cynically. "Liang Jiahao, who the hell do you think you are? Do you really think you are a police officer? Do you think you know more about how to handle and investigate a case? Stop pretending to be a big-tailed wolf with me!"

Liang Jiahao had lived for so many years, but this was the first time he had been called a big-tailed wolf.

Especially when Dong Biming said that he wanted to reverse the wrong to right. It's just an insult to his character.

After a moment of silence, Liang Jiahao suddenly said in a deep voice. "I don't need to tell or show everyone about my past and my past achievements. I just need to tell you, no matter how big or thorny the case is, I, Liang Jiahao, would only need a few minutes to take care of it."

With these words, Liang Jiahao pulled Qin Yu out from behind him. He looked at the Dragon Phoenix Bracelet in Dong Biming's hand. "Qin Yu, you just have to tell me, have you ever touched that bracelet before?"

Qin Yu shook her head resolutely. "No! When I entered the warehouse, I just took out my phone and took a picture. Even if I really wanted the bracelet, I wouldn't steal it!"

"Very good." Liang Jiahao smiled with satisfaction. "Since Qin Yu said that she didn't steal the bracelet, then the fingerprint on the bracelet should be the fingerprint of the real thief."

Wei Xiaofan nodded in agreement. "You are right. According to the auction procedure, no one but the core members can touch the bracelet. Therefore, if there is Qin Yu's fingerprint on the bracelet, she can be convicted, but if her fingerprint isn't there and someone else's fingerprint is instead, then it must be the fingerprint of the real perpetrator!"

After Wei Xiaofan's explanation, everyone immediately understood.

Without hesitation, the two technical police officers put on gloves, took out their evidence bags, and walked up to Dong Biming. "Mrs. Dong, please give us the evidence. We will return it after we take the fingerprints."

"No way!" Dong Biming hid the bracelet behind her and argued irrationally. "The security guard just touched it, and now I have touched it too. There are so many fingerprints on it that it cannot be used as evidence! This doesn't make sense!"

"Why does it not make sense?" At this point, if Liang Jiahao still couldn't tell who the culprit was, then he had wasted all his years in the special force.

In fact, Liang Jiahao had already predicted from the beginning that something would happen to Qin Yu when Dong Biming provoked Qin Yu with her words. And he can figure out who stole the Dragon Phoenix Bracelet without even using his brain.

Before Liang Jiahao could open his mouth, the technical police officer said with a cold expression. "Are you saying that you do not believe in our technology, or that you do not believe in our Captain Wei's ability to solve the case?"

Dong Biming's breath nearly caught in her throat and the bracelet almost fell out of her hand. She clenched her fists and stretched her neck in frustration. "I said there are many fingerprints on this bracelet. If you guys do it this way, aren't you being a little too hasty?"

Wei Xiaofan frowned. He straightened up and shouted, "Dong Biming! Please hand over the evidence. If there are a third person's fingerprints on the bracelet besides yours and the guard's, then that person will be the prime suspect. If there are no other fingerprints, just you and the security guard, then you two are the biggest suspects! Now that you're blocking us like this, I have to suspect you as the proprietor!"

Dong Biming's mind was in a mess.

Just like Wei Xiaofan had said, there were only her fingerprints and the security guard's on the bracelet. But why would the security guard want to frame Qin Yu?

There was no logic in it.

However, if she didn't hand it over, she was the one to blame.

Dong Biming thought for a moment. Finally, under Wei Xiaofan's keen gaze, she handed over the bracelet to the technical police.

"Even though this bracelet only has my fingerprints on it, you still can't say that I stole it!" Dong Biming made her last fight.

Liang Jiahao chuckled. "You really won't give up until you reach the Yellow River, won't you?"

His piercing gaze suddenly landed on the bag in Qin Yu's hands. "Qin Yu, has anyone touched your bag?"

Qin Yu thought about it seriously, then shook her head resolutely. "No, I've always held it in my hand. Even Liang Zixuan hasn't touched it."

She suddenly thought of something and opened her eyes wide, excitedly saying, "No, now I remember something."

She turned her head and waved at Liang Zixuan. Liang Zixuan immediately came out of Han Yuanjun's embrace and took a few steps towards her.

Qin Yu's eyes lit up with excitement as she asked her excitedly. "Auntie, do you still remember when we went to the restroom?"

Liang Zixuan thought for a while and then suddenly smiled mischievously. "Of course! I remember you left your bag by the sink. We were joking with Wei Xiaoqing, and when we turned to leave, we saw Dong Biming standing silently beside the sink. Coincidentally, your bag was right next to her."

Liang Jiahao glanced at them with praise and then said to the crowd. "No one has touched Qin Yu's bag except herself, and the bracelet suddenly appeared in her bag. As long as the officer takes the fingerprints on her bag and the bracelet, and if the fingerprints of the same person appear on these two items, I don't need to say anything. That person is the real perpetrator, not the suspect!"

Dong Biming's strength seemed to have been drained all of a sudden. Her legs went soft and she fell straight to the ground. Dong Yong ran out from backstage and supported her. "Aunt!"

Chapter 523 – Stop Talking Nonsense And Confusing The Situation

Wei Xiaofan was afraid that the people at the scene wouldn't understand Liang Jiahao's words, so he explained again. "We can extract the fingerprints on the bracelet, and since the bracelet was found in Qin Yu's bag, we'll also extract the fingerprints on it. If there are no Qin Yu's fingerprints on the bracelet, that means she didn't steal it. By the same logic, only the proprietor's fingerprints will appear on the bracelet and the bag. So as long as we take the fingerprints from these two items, we can identify the culprit."

"So that's how it is!"

"Liang Jiahao is really great! He was able to find the loophole in a short time!"

Qin Yu had already handed over the bag to the technical policeman, who kept it in the evidence bag. They were ready to go back to the police station and take the fingerprints.

Dong Yong looked at the beaten Dong Biming. How could he not understand this in his heart?

He looked up and anxiously called out to Wei Xiaofan. "Captain Wei."

Wei Xiaofan shook his head in frustration. "Dong Yong, Dong Biming has already reported this case, so we have to investigate this matter. Unless she pleads guilty and gets Qin Yu's forgiveness. Otherwise, I won't be able to help you even if you beg me on your knees."

With so many people present, who didn't know that Dong Biming was the one leading the scene?

Although many of them didn't know why she was so opposed to Qin Yu, but it was clear that she was trying to frame her.

Dong Yong was somewhat embarrassed. Things had taken such a turn and the Dong Family had lost many faces because of it.

Originally, everyone had come with good intentions, wanting to use this opportunity to raise money for the children, but in the end, Dong Biming had caused trouble for one of the guests by framing her and slandering her.

After this, who dared to participate in the Dong Family's charity auction?

If it weren't for Liang Jiahao, Wei Xiaofan would have arrested Qin Yu. She would be taken out of this place handcuffed and when those reporters saw that, her future path as a celebrity would automatically be ruined.

The more Dong Yong thought about it, the scarier it became.

He took a deep breath and whispered to Dong Biming. "Aunt, are you really going to let our whole Dong Family die with you because of your personal grudge? If this matter spreads, what kind of integrity will our Dong Family have in the future? Aunt, don't be blinded by hatred. If you do this, little sister will never come back!"

Dong Biming immediately pushed Dong Yong away. She seemed to have lost her mind. She staggered two steps, standing there staring from Liang Zixuan's face to Qin Yu's. Finally, her gaze lingered on Liang Jiahao's face.

She raised her head and laughed out loud. She no longer had the image of a noblewoman. Now, she was like a crazy person who had not taken medicine. She swayed gently in front of Liang Jiahao.

"Haha, haha..." Dong Biming raised her finger and pointed at Liang Jiahao. Although she was laughing, her eyes filled with deep hatred. "You bastard who betray my daughter's feelings and play with girls! If it weren't for you, would my daughter run away? If it weren't for you, how could I conspire to trap this little bitch!"

In terms of scheming, Liang Jiahao felt that Dong Biming wasn't good enough.

She didn't even wear gloves. At least, erased your fingerprints at the crime scene to avoid exposing yourself.

After all, Dong Biming was just a woman. What did she know about it? She didn't work on dangerous missions but spent all day wandering around the spa or beauty salon.

Seeing her crazy face, Liang Jiahao patiently explained.

However, he didn't explain to Dong Biming, but to everyone present.

"Xia Jingfei and I are not in a relationship. We'd met on a blind date, and when she came to my grandparents' house for the second meeting, I already told her that I was not suitable for her."

"Bullshit!" Dong Biming roared with red eyes. "If you're not suitable for her, why did you give her a handkerchief?! Stop talking nonsense and confusing the situation!"

Liang Jiahao sneered. "She was crying in front of me. She told me how she felt wronged, how she was forced by you to meet all kinds of men, and how she was followed by you every time she went on a date! So, she begged me to cooperate with her. Xia Jingfei is a simple and innocent girl. I sympathized with her, so I gave her my handkerchief so that she can wipe her tears."

"I didn't misunderstand! I didn't!" Dong Biming gripped her hair like crazy and gritted her teeth hatefully.

Dong Yong really couldn't watch it. He anxiously called out to her from behind. "Aunt... Aunt! Calm down!"

"Why do I need to calm down?" Dong Biming roared, rushing towards Liang Jiahao and grabbing his suit. She glared at him like a wounded woman. "It was you who made my daughter run away from home! You betrayed my daughter, give me back my daughter!"

Dong Biming's appearance was really a bit ugly.

Dong Yong walked up to her and pulled her away from Liang Jiahao. Then he put his hands on her shoulder and shouted, "Aunt, sister's disappearance has nothing to do with Liang Jiahao or Qin Yu! From the letter she left behind, it's clear that she did this because of you! Because of your overwhelming control over her life! She felt that she had no freedom. She just wanted to pursue her own dreams, she just wanted to see the outside world! Why can't you accept that? What will you get in the end by torturing yourself and everyone around you?!"

"I – I just want to protect her!" Dong Biming cried loudly. "What's wrong with me protecting her? Isn't it my duty as a mother to protect my child? You're all bullying her! If I don't protect her, she will be eaten to the bone by all of you!"

Wei Xiaofan tugged at Liang Jiahao's suit jacket and whispered, "I'm afraid she has lost her mind. We all know what kind of life Xia Jingfei was living in. Listen to what she just said. I really suspect that she has long been mentally ill, but it wasn't obvious from her previous behaviors." noVelusB.com

Liang Jiahao also saw it and nodded. "She has some warning signs, but I can't tell if she faked it or not. Take her to the hospital for a checkup. If there really is, then it might be better to treat her sooner."

Dong Biming was still crying in a state of madness. "I don't care, I just want them to compensate my daughter! My daughter is outside, alone, exposed to the rain and wind. I don't even know how much she has been bullied by those people. Why does my daughter have to suffer, but the people who hurt her are living well!"

Wei Xiaofan called 120 and ordered an ambulance to take Dong Biming to the hospital for examination.

Dong Yong publicly apologized to all the guests and explained how Xia Jingfei's disappearance had caused severe physical and mental damage to Dong Biming. He hoped that everyone would understand.

This had always been a problem of the Dong Family and the Qin Family. It had nothing to do with anyone else. Besides, after seeing Dong Biming's behavior, everyone felt sympathy for her.

Dong Biming may be in the wrong, but what were your reasons to oppose her when she was confirmed to be mentally ill?

Even when psychopaths killed someone, the law still hadn't imposed any punishment on them. So what can they do in this situation?

The only thing they could do was to avoid her in the future.

After the crowd began to disperse, Dong Yong called Han Yuanjun, Liang Zixuan, Liang Jiahao, and Qin Yu into the reception room.

He looked at the four people in front of him with a tinge of guilt on his face. He bowed deeply to them and said, "On behalf of my aunt, I apologize to each and every one of you."

"Don Yong, don't worry about it. What she did has nothing to do with you or the Dong Family. I can still tell the difference between a brother and an enemy." Han Yuanjun patted his shoulder.

Fortunately, this matter was resolved immediately with Liang Jiahao's help. If Qin Yu was actually taken away by Wei Xiaofan in handcuffs, then the Dong Family would have had no chance to take punishment and would have plunged straight into the Yellow River and drowned.

Dong Yong's gaze suddenly fell on Liang Jiahao's waist. As if he thought of something, he walked over and tugged at his suit. "Brother, let me take a look. Is your injury serious?"

Only after Dong Yong's reminder, did Liang Zixuan, Han Yuanjun, and Qin Yu remember that Liang Jiahao had just been hit by an electric baton.

Liang Zixuan immediately tensed up and stared at Liang Jiahao.

Liang Jiahao nimbly dodged Dong Yong's hand. Who would have thought that at this moment, Han Yuanjun would actually walk over and hug Liang Jiahao from behind, locking both his arms tightly?

"Yong, quickly unbutton his shirt and see if his kidneys are still there."

Liang Zixuan: "...."

Qin Yu: "..."

At a time like this, you were still going to make fun of your brother-in-law?

Chapter 524 – If You Can't Be Cured, Then I'll Raise You Later

Dong Yong didn't have time to laugh. He was really worried that something bad might happen to Liang Jiahao.

If Liang Jiahao was fine, there would be opportunities for both of them to work together in the future. But, if Liang Jiahao was injured and it was very serious, then what face should Dong Yong have when he went to seek Liang Jiahao's help in the future?

When Dong Yong's hand yanked the shirt off Liang Jiahao's pants, he didn't even have time to say anything when a loud scream from two women interrupted him. *Novelusb.com*

"Big brother!"

"Old pervert!"

Liang Zixuan and Qin Yu ran toward Liang Jiahao almost simultaneously. Since Han Yuanjun was holding Liang Jiahao's arms tightly, he could not escape the probing. He could only watch as the two women cried in agony.

"How can this happen?" Qin Yu cried until her nose was red. She was fidgeting like a child.

Her fingers gently touched Liang Jiahao's waist. It was as if she was afraid of hurting him. But before she could touch him, she withdrew her hand in shock. "This, this ..."

Liang Zixuan pushed Dong Yong away and unbuttoned the shirt, revealing the wound on Liang Jiahao's waist.

In an instant, both women cried even harder. When the two men saw this, they also pursed their lips silently.

On Liang Jiahao's waist was a large bruise, green and purple, with spots of blood on it. It was densely packed on top of the wound.

The more Qin Yu cried, the more Liang Jiahao's heart was hurt. In the end, she grabbed his arm and cried out loudly. "You, you... Why are you so stupid!"

If Wei Xiaofan was here and saw Liang Jiahao's waist, he would probably pull out his gun and shoot himself to death.

Who knew when the security guards started attacking, they would show no mercy. That was an electric baton!

A high-voltage electric shock of millions of volts was hit directly on Liang Jiahao's waist. How could he escape unscathed?

Liang Jiahao looked at the two women crying sadly. He deliberately lifted the corner of his mouth and chuckled. "I'm fine. I'm used to it. Injuries like this don't hurt that much."

As he spoke, he pulled his shirt closed, trying to hide the ugly wound on his waist.

Liang Zixuan held his hand tightly and refused to let him move. "You are fine? Do you think you are King Kong or Transformers? This position is your kidney! Let's go, we will go to the hospital and let the doctor check you."

Liang Jiahao had yet to have a girlfriend. Liang Zixuan didn't have to ask because she already knew that he was definitely still a virgin.

If his kidney was injured, then how would Liang Jiahao find a girlfriend in the future?

Even if he could find a girlfriend, what if he could not do it...? That won't do!

But how could such a hard-hearted man like Liang Jiahao go to the hospital?

He pushed Liang Zixuan's hand away and tucked his shirt into his pants.

Liang Zixuan stomped her foot in worry. "Big brother, can you not be so stubborn at a time like this? Going to the hospital to get checked will not waste too much of your time!"

Han Yuanjun saw that his wife was so worried, so he tried to persuade Liang Jiahao. "Big brother, kidneys are the most important thing for a man. Whether you will be happy for the rest of your life depends on your kidneys. You'd better go to the hospital and have a checkup. If it is not good, we can still find time for treatment."

Liang Jiahao: "..."

When Qin Yu saw that Liang Jiahao still stubbornly refused to go to the hospital, she immediately got angry and shouted at him. "Liang Jiahao!"

Everyone present, including Liang Jiahao, was shocked.

Liang Jiahao looked at her and saw her eyebrows furrowed together. Her little face turned red and she looked like a devil. Surprisingly, he was stunned for a moment.

Qin Yu raised her hand, pointed at Liang Jiahao's nose, and asked loudly, "Are you going to the hospital or not?"

Liang Jiahao blinked rapidly as he thought of something. Suddenly, as if a reaction from an injury to his waist had occurred, he grabbed his waist and swayed slightly to the side. "Ah!"

Upon seeing this, Qin Yu was so frightened that she rushed to his aid. Again, tears welled up in her eyes as she asked, "What, what's wrong?"

Liang Jiahao's tall figure leaned against Qin Yu's body. He held his waist with both hands and painfully said, "Don't move. Let me lean on you for a moment."

Qin Yu was so worried that her tears couldn't stop flowing. "Come on, I'll take you to the hospital. Don't delay any longer."

Liang Jiahao suddenly held Qin Yu's hand, not letting her move. "If..." He paused as if he wanted to say something, but was afraid.

He then quietly asked, "If there's really a problem with my kidney, how can I find a girlfriend in the future?"

Qin Yu was very worried about Liang Jiahao's condition, so her brain had no time to think rationally. She didn't understand what Liang Jiahao meant and comforted him nicely. "Don't worry, the medicines have advanced now. Your kidney will be able to be cured."

Liang Jiahao's eyes darkened. "What if it can't?"

Qin Yu was stunned. Her mouth was wide open and she didn't know what to say. Eventually, she could only close her mouth and boldly said, "If it can't be cured, then I'll raise you later!"

She was actually thinking very simply.

Liang Jiahao had been injured because of her. If there were any side effects from his injury, then she should be held responsible for him.

She'd never looked at this situation from the perspective of a man and a woman. She just thought that she couldn't ignore Liang Jiahao.

Unexpectedly, as she said this, Liang Zixuan, Han Yuanjun, and Dong Yong were laughing eerily at the side. "Hehehe..."

"What's wrong with you guys?!" Qin Yu suddenly realized that her words were ambiguous and could easily be misunderstood. Her face instantly turned red and she looked away gloomily with red cheeks. "I-I just ... I ..."

After a while, she still couldn't come up with anything.

Liang Zixuan was really afraid that the relationship between Liang Jiahao and Qin Yu would be messed up because of their teasing, so she quickly winked at Han Yuanjun and Dong Yong.

Then, she touched her nose and said sheepishly. "It's nothing. I suddenly told Han Yuanjun and Dong Yong to watch a movie with me, and they suddenly started acting like crazy."

Han Yuanjun: "...."

Was Liang Zixuan really his own wife?

How dared she said he was crazy. Let's see how he would deal with her when they return. Humph!

Qin Yu had no time to argue with them. She supported Liang Jiahao and slowly walked forward. "Is it alright if I hold you like this? Does it hurt?"

Liang Jiahao was a tall, grown-up man, and yet he wasn't embarrassed leaning on a little girl like this. While following Qin Yu's footsteps, he nodded with satisfaction. "Yes, as long as you hold me, I can walk ..."

This scene stunned Liang Zixuan and Han Yuanjun.

Was this their iron-blooded brother?

The man who usually didn't smile nor joked with any woman was now shamelessly leaning on a little girl?

Liang Zixuan even felt that Liang Jiahao wouldn't leave if Qin Yu didn't support him.

But the wound on his waist ...

If it was another person, he would have fainted from the pain long ago.

"This won't do." Liang Zixuan quickly chased after both of them. "I'm going with them as well. I need to make sure my brother is fine."

"Baby!" Han Yuanjun pulled her back. "Can't you see that apart from Qin Yu, he doesn't need anyone else?"

It was true, and Liang Zixuan understood Liang Jiahao's personality very well. His personality was exactly the same as hers.

No matter how many injuries or how much pain they had, they could still bear it and not make a sound. If Dong Yong hadn't suddenly remembered, they would have forgotten that Liang Jiahao had just been hit on the waist by an electric baton.

With such a serious injury, he actually didn't show any abnormalities, making everyone think it was a trivial matter.

Liang Zixuan shook her head. "But I'm still worried. I only have him as my big brother."

Han Yuanjun brought Liang Zixuan into his embrace. He gave her a light kiss on the crown of her head. "You still have me, Brother Han."

Liang Zixuan: "..."

Could it be the same?

Hubby and big brother were completely different!

Liang Zixuan still wanted to say something, but Han Yuanjun didn't give her the chance. He smiled and whispered in her ear, "Do you still want your big brother to get married?"

Liang Zixuan pouted and nodded hesitantly. "Yes ..."

"If you want, you shouldn't follow him right now. I have a feeling that this time, the relationship between big brother and Qin Yu will go up by another level. If you follow, then you'll be an obstacle for them."

How could Liang Zixuan drag Liang Jiahao down?

Even if she was even more worried now, she could only bear with it.

Han Yuanjun smiled and pinched her cheek. "Let's go home. I'll make you something delicious to eat. We'll eat and drink and wait for the news, okay?"

The corner of Liang Zixuan's mouth twitched as she asked uncertainty, "You...You are going to cook for me?"

She still couldn't forget those sad eggs. If Han Yuanjun suddenly wanted to cook something for her again, Liang Zixuan felt that she was done for.

Han Yuanjun was in such a good mood and embraced Liang Zixuan's shoulder. As they walked out, he proudly said, "That's right, husband will personally cook your favorite sweet 'n' sour ribs."

Oh my God!

Liang Zixuan cried out sorrowfully in her heart. Could she refuse it?

Chapter 525 – Don't Tell Me You Didn't Recognize Me After Not Seeing Me For A Month

Qin Yu helped Liang Jiahao get into her car and even helped him fasten his seat belt.

She swore that she had never served people in this way in her life.

Liang Jiahao enjoyed watching the scene. He watched as Qin Yu jogged to the driver's seat and quickly fastened her seat belt before driving the car off.

Liang Jiahao pretended to be upset. "You don't have to rush, I can bear it."

"Bear what?" As they spoke, Qin Yu's eyes reddened again. "It must hurt so much. If it were me, I would be crying like hell."

"Don't worry." Liang Jiahao suddenly raised his hand and lightly touched Qin Yu's cheek with his thumb. "I will not let you get hurt. With me here, no one can bully you."

Qin Yu, who had just been holding back tears, suddenly cried again.

She was a strong girl, yet she cried so many times today. It was as if all the wrongness in her life wanted to flow out.

Even when she was framed by Dong Biming and almost taken away by Wei Xiaofan, she did not even cry.

And now, she was crying many times because of a man like Liang Jiahao.

"All right, that's enough." Liang Jiahao said while stroking her head.

Qin Yu wiped away her tears and quickly put her hand back on the steering wheel. "I know."

Liang Jiahao raised his eyebrow and leaned back in his seat. He tilted his head and looked at her. "What do you know?"

Qin Yu took a deep breath. It's hard to tell whether she was overwhelmed or not. In short, she felt a little sour and a little pained.

She had never felt such a feeling in her life. Although it was hard to bear, but she still cherished this headache.

"Ever since I first met you, you have protected me. Even though we have a very deep misunderstanding, you still saved me from the pit of fire. As long as I am in trouble, no matter how big the problem is, you will defend me and protect me."

Qin Yu sniffled and looked at Liang Jiahao. Their eyes met, and her heart was like a string that was strummed by a finger. She quickly looked in front of her, not daring to look at Liang Jiahao's unspeakable tenderness.

"Thank you." Qin Yu said sincerely.

Liang Jiahao laughed a little. He shifted his gaze towards the window and slowly closed his eyes. He smiled bitterly. "I don't need your thank you."

Probably frustrated by Qin Yu's lack of understanding of him, he paused before continuing. "Even if it's someone else, I'll save her too."

"Yes, I know." Qin Yu's heart ached so much at his words. The unbearable pain she felt caused the tears to become even more intense. "I heard my aunt say what you did before. Although it wasn't very detailed, I can still guess it. No matter who was in danger, you would risk your life to save them."

Liang Jiahao closed his eyes and nodded slowly. "Yes, I will save them all. That's my nature."

After that, neither Liang Jiahao nor Qin Yu spoke.

Qin Yu gripped the steering wheel tightly as if there was a grudge between her and the steering wheel. Her hands turned pale. She couldn't take it anymore and wanted to scream out loud.

Separated by a short distance, Liang Jiahao was also immersed in his own grief. He had a hunch that this little girl was not easy to chase.

He wondered how much time and energy it would take for Qin Yu to give him her heart.

When they arrived at the hospital, Qin Yu helped Liang Jiahao get into the elevator.

Liang Jiahao sat down on a chair, leaned on her shoulder, and waited patiently for their turn.

They arrived a bit late. Qin Yu looked at the more than ten people, sitting waiting for their turns, and complained to herself, "If I had known there were so many people, I wouldn't have come to this hospital. I don't know how much longer we will have to wait."

She looked at Liang Jiahao with concern. "You, are you okay?"

Liang Jiahao smiled. "Don't worry, I can bear it."

His body was made of iron, not soft tofu. An injury like this was nothing in his eyes.

No matter how severe the knife or gunshot wounds were, he had experienced them before. This was just a drizzle.

He was willing to come to the hospital because Qin Yu was with him!

Seeing Qin Yu was so worried that she was almost crying again, he relaxed and boldly leaned his body against hers. His hands unashamedly wrapped around her waist. "Sitting here hurts a little ..."

Qin Yu's face immediately turned red, but it was not good for her to push Liang Jiahao away. She could only be patient and patted Liang Jiahao's shoulder, "Please bear it for a while, it's almost our turn."

After a long wait, a nurse finally called Liang Jiahao's name.

Qin Yu was so happy that she laughed. She took Liang Jiahao's hands from her waist, stood up, and helped him up carefully.

When Liang Jiahao heard this, his face sank.

"Slow down. Be careful." Qin Yu supported Liang Jiahao step by step into the consulting room. Finally, she helped him sit down on a chair opposite the doctor.

When they entered, the doctor's head was lowered, staring at the paper in her hands in disbelief. Hearing the slight sound of the chair, she suddenly raised her head and immediately recognized Liang Jiahao. She smiled in surprise. "It's really you! I thought it was someone else with the same name."

Liang Jiahao was a little surprised. Seeing the woman's face, he narrowed his eyes in confusion.

"What, don't tell me you didn't recognize me after not seeing me for a month?" The doctor put her hands on the table and laughed. "I'm Zeng Shuang! We've been on a blind date before."

Zeng Shuang?

Whether it was the woman's face or her name, Liang Jiahao had absolutely no impression of her.

nOrElUsB.coM

During his blind date with Zeng Shuang, he hadn't looked at her at all. It's not that she wasn't pretty, it's just that Liang Jiahao didn't like her at first sight and didn't feel like going on blind dates.

Why would he remember a woman who would never become his girlfriend?

He hadn't remembered her appearance or name at all.

Liang Jiahao looked at Zeng Shuang, who was so excited, with an expressionless face. He had no intention of talking or reminiscing about the past with her.

He had no desire to reminisce about this woman.

Qin Yu wasn't as calm as Liang Jiahao. She stood beside him and looked at Zeng Shuang in an imposing manner. She herself didn't know that her aura was now like a protective hen, holding Liang Jiahao with her big wings and not allowing anyone to covet him.

Zeng Shuang looked at Liang Jiahao and then at Qin Yu. From Qin Yu's expression, she suddenly understood what was going on.

Recalling what Jiang Huifang had scolded her at the time, the anger in her heart began to roll back and forth.

"Liang Jiahao did it because he didn't like you!"

Until now, Zeng Shuang had never thought that Liang Jiahao did such things to her on purpose. She felt that his nature must be like that.

But now that she saw Liang Jiahao and Qin Yu together, she no longer thought so.

Who was Qin Yu?

A superstar!

Besides, due to Qin Yu's temperament, it was fine for a man to be her friend. However, in order to be her boyfriend, the man had to be so outstanding that no one could compare to him.

With such a large Qin Family, they wouldn't accept a scoundrel as Qin Yu's boyfriend.

So... As expected, Liang Jiahao really didn't take a fancy to her, and he did it on purpose!

Zeng Shuang's heart was very not satisfied. The thought that she might lose a high-quality man made her very angry.

She glanced at Qin Yu out of the corner of her eye and asked sourly, "What, are you two engaged now?"

Liang Jiahao frowned. He was annoyed by Zeng Shuang's nosiness.

Just as he was about to answer, Qin Yu's hand suddenly rested on his shoulder, and her body was slightly bent. From Zeng Shuang's position, it looked like Qin Yu was leaning against Liang Jiahao's body, and her behavior was extremely ambiguous. "I'm not engaged to Brother Liang yet, but we're together."

Brother Liang?

Liang Jiahao's eyelids twitched violently. His lips twisted into a smile. He enjoyed the feeling of comfort brought on by Qin Yu's actions.

The body that was leaning against his back was really soft ...

Liang Jiahao pursed his lips and smiled without saying a word.

Zeng Shuang looked at the happy smile on Liang Jiahao's face. She was so jealous that her bones and flesh almost creaked with anger. She really wanted to tear Liang Jiahao's handsome face.

He didn't think too much of her.

He didn't think much about her and just turned around and fell in love with Qin Yu.

If Liang Jiahao was a man who wasn't good-looking or his family background wasn't as good as her, she wouldn't be so disappointed. But that didn't mean that Zeng Shuang was a bad person, it just proved that Liang Jiahao wasn't good enough for her and couldn't match her.

And now she found out that Liang Jiahao was in a relationship with Qin Yu, how could she bear it!

In terms of appearance and family background, Zeng Shuang can't even be compared to Qin Yu, so that's why Liang Jiahao didn't like her.

Zeng Shuang's eyes revealed deep jealousy. She was so jealous that her eyes turned red. She looked up at Qin Yu, purposely pretended to understand Liang Jiahao the best, and said with an ugly smile, "You two are together? Hehe I never thought that a woman like you would be interested in Liang Jiahao."

Chapter 526 – If You Had Been A Little Bit More Good-Natured And Less Eccentric In The Past, I Would Not Have Left You Behind

Zeng Shuang thought that this wasn't enough, so she added fuel to the fire by tarnishing Liang Jiahao. "Qin Yu, you don't even know that Liang Jiahao is a weirdo, do you? The dishes he ordered are even weirder! They're either sour or tasteless. He actually acted as if he hadn't eaten for eight lifetimes, and wolfed down the entire table of dishes on his own!"

Zeng Shuang purposely laughed out loud and waved at Qin Yu. "I really didn't expect that you would have a bad taste. Do you really want this kind of man with you? How could you fall in love with such a weirdo?"

After Qin Yu heard that, she wasn't upset, but instead, smiled politely. "Is that so? Is he really weird? Why didn't I know that I had spent so much time with a weirdo man?"

Zeng Shuang laughed indifferently. "That's quite normal. In front of a girl he likes, of course he would have to pretend. Once he gets you to marry, he will reveal his true colors."

"Oh?" Qin Yu suddenly frowned in annoyance and pinched Liang Jiahao's shoulder. "Brother Liang, don't tell me you tricked Miss Zeng the same way you tricked me? Did you also pretend to be gentle and considerate in front of her, like you did to me? Are you going to show me your true colors now?!"

Liang Jiahao's eyebrows twitched in pain. He grabbed Qin Yu's small hand and looked angrily at Zeng Shuang. "Miss Zeng! When did I lie to you? When have I ever been gentle and considerate to you? In front of my girlfriend, can you not slander my innocence?!"

Zeng Shuang's smile froze. She looked at Liang Jiahao silently, not knowing what to reply.

That's right, Liang Jiahao had never been gentle and considerate to her. She wanted him to do that, but Liang Jiahao never gave her a chance!

Qin Yu, who was standing behind Liang Jiahao, gritted her teeth in anger. Seeing that he was holding her hand, she opened her mouth to bite his shoulder.

She did not hold back at all. It was just like when she first met Liang Jiahao. Unlike the effect of the drug, this time, she bit him for no reason.

Zeng Shuang saw her fierceness and felt the pain for Liang Jiahao.

However, she was very happy to see such a scene, because no matter how much a man loved a woman at home, he always cared about the face when he was outside.

Qin Yu did not give Liang Jiahao a face and even bit him. Zeng Shuang crossed her arms and waited patiently for Liang Jiahao to turn around and slapped Qin Yu hard. Then, she would watch the two of them fighting in front of her and break up.

Hehe.

What a beautiful sight that would be!

After Liang Jiahao and Qin Yu separated, Zeng Shuang would chase after him. The more Liang Jiahao looked down on her, the more she wanted to catch him. Then, she would wait for him to submit to her.

This was the only way to relieve the hatred in her heart.

While she was still dreaming of a happy ending, Liang Jiahao suddenly let go of Qin Yu's hand and raised his hand towards her.

Zeng Shuang was so excited that her eyes lit up with excitement. She muttered to herself, "Slap her to death. Slap her to death!"

In the end, Liang Jiahao placed his hand lightly on Qin Yu's head, caressing her hair. He sighed lightly and then coaxed the woman behind him in an unusually gentle manner. "Have you vented your anger? Do you want me to take off my clothes so you can bite me more?"

Excuse me?

What?

Zeng Shuang was dumbfounded as she looked at Liang Jiahao's doting smile. He actually said that he would take off his clothes for Qin Yu to bite more?

Did he think that it was not satisfying enough for Qin Yu to bite him like this?

Liang Jiahao had completely overturned Zeng Shuang's concept of love. In her heart, how could a man not care about his face when he was outside?

If it had been another man, he would have already started a fight with Qin Yu!

Zeng Shuang gritted her teeth hatefully, wishing she could pull Liang Jiahao up and slap him a few times.

Qin Yu let go of Liang Jiahao's shoulder in a good mood after being coaxed by him. Then, she put her hand on his shoulders and squeezed the spot where she had just bitten him. "I'll deal with you when we get home."

"Good." Liang Jiahao patted Qin Yu's hand. "When we go home, I will kneel on a washboard for you."

Right after he finished speaking, his gaze locked onto Zeng Shuang's face. His expression immediately darkened. "Miss Zeng, I do not know you. Yes, we indeed met on a blind date, and if I did something that displeased you, please be magnanimous and don't speak nonsense in front of my girlfriend! Otherwise..."

He suddenly coughed lightly. "When I get home, I will surely die."

Qin Yu smiled at Liang Jiahao in a provocative manner after hearing his words.

Zeng Shuang's face turned green and white as if she was being played by Liang Jiahao and Qin Yu like a fool.

She took a deep breath and told herself to stay calm. She had to stay calm. If she did not mess with them, she would not have the surname Zeng!

"Aiya, look at you." Zeng Shuang raised her hand to cover her mouth and giggled. "You really want me to say only the good things about you and never the bad ones."

Zeng Shuang shook her head and sighed. "If you had been a little bit more good-natured and less eccentric in the past, I would not have left you behind."

What she meant was to tell Qin Yu that she did not have eyes on Liang Jiahao and that Qin Yu had picked up the broken shoes she did not want.

Zeng Shuang thought she would see Qin Yu's angry face, but Qin Yu was not angry at all. Instead, she smiled innocently. "My Big Brother Liang has a good temper. He is not weird at all. I think he really doesn't like you, that's why he treated you like that."

"You!" The truth was immediately seen through by Qin Yu. Zeng Shuang flew into a rage out of shame. "I was the one who looked down on him!"

"Is that so?" Qin Yu nodded. "Then why are you so jealous when you see me with him now?"

Zeng Shuang: "..."

She didn't think Qin Yu was so sharp-tongued and quick-witted. She was completely speechless.

No matter what she said or how she lied, Qin Yu had always been waiting for her to say something that would annoy her to death.

Zeng Shuang snorted coldly. "Isn't it just dating? What are you so proud of?"

Qin Yu wrapped her arms around Liang Jiahao's neck and smiled happily. "I'm proud of having a man you cannot climb up to."

Zeng Shuang almost vomited a mouthful of blood. Her fingers gripped the mouse that was placed beside her tightly, and she glared fiercely at Qin Yu.

Liang Jiahao felt inexplicably happy in his heart, but his face was very serious on the outside. "Miss Zeng, we are here to see a doctor. If you can't do your job properly, then we will go to another hospital."

"Wait a minute!" Zeng Shuang stopped Liang Jiahao, who was about to leave. She tried her best to suppress the hatred in her heart and smiled brightly. "I was just joking with you guys. I'm a doctor, so of course I will treat you." *novelusB.com*

Just based on Liang Jiahao's personality, she should not be bothered by Qin Yu's attack on her. Although she had more than enough support from her family, Zeng Shuang did not want to be driven out of the hospital in such a manner.

It would be humiliating if the words of it were spread out.

Zeng Shuang put on the solemn look that a doctor should have and asked Liang Jiahao. "Where are you feeling uncomfortable?"

Liang Jiahao touched his waist and said seriously, "My waist."

When Qin Yu saw Zeng Shuang's eyes widened, as if she had misunderstood something, Qin Yu pushed Liang Jiahao gloomily from behind. "Speak clearly, don't let the doctor misunderstand you."

Liang Jiahao nodded and pulled his shirt out of his pants, exposing the injured area. "Here, injured ..."

Zeng Shuang looked over, her eyelids twitching violently. "What's going on? How did this happen?"

Qin Yu explained in a kind tone. "He was trying to save me from a dozen guards. In the process, he accidentally got hit on the waist by the security guard's electric baton. It's quite scary, so I brought him here to have him examined."

The word "save" made Zeng Shuang so jealous that she was on the verge of dying.

How could Liang Jiahao be like this?

How could he be so good to Qin Yu?

He was so good that Zeng Shuang almost doubted that her life was a tragedy!

Especially when she saw Qin Yu's flaunting smile on her.

Zeng Shuang stood up and waved at Liang Jiahao.. "Stand up, let me take a look."

Chapter 527 – If I Didn't See Through It, How Would I Know If He's Injured Elsewhere

Zeng Shuang circled the table and walked in front of Liang Jiahao. She bent down and lifted his shirt fully. Aside from the bruises on the other side, she was elated to see Liang Jiahao's body.

The firm and compact abs showed lines of perfect muscle texture. From top to bottom, there was not a single piece of excess flesh.

The tenderness of his abs gave Zeng Shuang an extremely hot and dry feeling.

Qin Yu really hated the way Zeng Shuang was looking at Liang Jiahao. She was staring at him with her greedy eyes. As if she wanted to devour him completely.

"Can't you stop staring at my man like that?"

Zeng Shuang looked at Qin Yu and snorted arrogantly. "I am a doctor. If I can't see his body, how am I supposed to know where he's injured and how to treat him?"

Zeng Shuang patted the bed beside her and raised an eyebrow toward Liang Jiahao. "Take off your pants."

Liang Jiahao: "..."

Qin Yu: "..."

This person couldn't be really sick, right?

Liang Jiahao was only injured at the waist, so why would he take off his pants?

Zeng Shuang had probably never seen a man like him in her life, that's why she made him do that.

Qin Yu was immediately angry. This time, she was really angry. Her voice was louder than before. "Miss Zheng, what do you mean by this?"

Zeng Shuang leaned on the bed behind her and smiled. "He's injured at the waist, so of course I want to see if the injury spreads downward. I can't tell it with a quick glance. If I didn't examine his injury thoroughly, you're going to scold me later."

"Are you sick?" Qin Yu pulled Liang Jiahao up and stood in front of him, face-to-face with Zeng Shuang. "The visible injury on his body is at his waist, what are you trying to accomplish by asking him to take off his pants? Are you trying to toy with my man in front of me?!"

Zeng Shuang laughed exaggeratedly. "That's the injury you can see, but what about the ones you couldn't see? If I didn't see through it, how would I know if he's injured elsewhere?"

Zeng Shuang just wanted to take a look, especially since Liang Jiahao had such a good figure. She had been a doctor for so long, but she had never seen anyone with a better figure than Liang Jiahao.

Besides, she wanted to make Qin Yu angry, she wanted to see her go crazy.

Qin Yu was so angry that her whole body was shaking. Her hands clenched at her sides. She looked at Zeng Shuang's increasingly arrogant and provocative face and was so angry that she raised her hand to punch Zeng Shuang's face.

Suddenly, her wrist was grabbed by someone from behind. Qin Yu glared at Liang Jiahao and shouted in anger, "Liang Jiahao, do you feel sorry for her? Is that why you stopped me?!"

Zeng Shuang was also stunned for a moment. She didn't expect Liang Jiahao would help her.

Oh my God!

She felt that the flowers were blooming and spring had arrived.

This man actually helped her.

"Hahaha ..." Zeng Shuang smiled even more contentedly. "It seems that you still have me in your heart, Liang Jiahao."

Liang Jiahao's eyebrows furrowed and he threw a cold look at Zeng Shuang. When his gaze landed on Qin Yu's face, he suddenly became gentle and said softly, "I'm just afraid that your hand will hurt."

NOVELUSB.COM

"What!" Zeng Shuang was so shocked that her eyes widened as she looked at Liang Jiahao in disbelief.

Liang Jiahao didn't care about her at all. He shook his head at Qin Yu and gently stroked her palm with his big hand. "Don't you feel that your hand will be dirty and hurt when you hit her? If your hand hurts, then my hand will hurt too. It's okay if you're angry. We'll complain to the dean about her. I'll help you vent your anger, okay?"

Qin Yu laughed out loud. "You're right, hitting her won't only stain my hand, but also hurt me. I can't stand her, let's go and sue her for being unprofessional."

As soon as Qin Yu finished her sentence, Liang Jiahao tucked his shirt back into his pants, and then put his arm around her shoulder and walked out.

Zeng Shuang couldn't react for a moment. Only when the two disappeared from her sight did she finally wake up, as if she had just woken up from a dream.

They will complain about her to the dean!

Zeng Shuang didn't have enough time to think about it. She put on a white coat and chased after them.

When she came out of her room, she looked left and right. Finally, she saw the figures of Liang Jiahao and Qin Yu, but they were already in the elevator.

Heaven ... Zeng Shuang felt like her world was about to collapse.

If Liang Jiahao and Qin Yu complained about her unprofessionalism, how would she survive in the future?

If that happened, not only would she be thrown out of the hospital, but her father would surely beat her to death when she got home!

"Liang Jiahao!" Zeng Shuang anxiously called his name as she ran to the elevator, but it was too late. The elevator door was already closed in front of her.

Zeng Shuang was very anxious. She quickly took out her cell phone and dialed the dean's number.

"D-Dean!"

The dean's friendly voice came from the other end of the phone. "Zeng Shuang, what's wrong?"

"I-I...." Zeng Shuang was too anxious to speak further. "I, uh, just wanted to ask... You, where are you now?"

"Oh, I'm outside. I'm not in the hospital. Is there something urgent?"

Not in the hospital?

Great!

Zeng Shuang let go of all her psychological burdens and laughed happily while holding her phone. "No, I just wanted to ask if you have finished the tea my father brought for you last time? If you are, I'll bring you another one tomorrow."

The dean laughed heartily. "Haha, thank you. I haven't finished drinking it yet. I'll tell you when I am done. If there's nothing else, I'll hang up now. I still have some things to do here."

After Zeng Shuang hung up the phone, she laughed out loud. "Even heaven is helping me!"

However, it was a pity that she did not see what she wanted to see.

She was really curious, did Liang Jiahao's entire body really look like his abdomen?

With such tight muscles, if she could see it every day, how nice would it be? She would hug him and sleep well every night!

????

Qin Yu and Liang Jiahao left the hospital and didn't go looking for the dean.

Liang Jiahao had just gone to the pharmacy to buy medicine and asked Qin Yu to send him home.

On the way, Qin Yu kept silent and didn't say a word to Liang Jiahao. Her lips were tightly pressed together.

Liang Jiahao looked at the medicines in the bag. After he was sure he had bought all of them, he looked at Qin Yu and saw her unhappy expression.

He laughed softly. "What's the matter? Are you angry?"

Qin Yu looked directly at the road in front of her without looking at him. She snorted and said nothing.

Liang Jiahao put down the bag and leaned back in his seat. He stared at Qin Yu with a smile. "Don't be angry. It's not that I don't want to avenge you, I just don't want to do it while you're with me. You're still a big star, so many pairs of eyes are staring at you. I'm afraid you'll get caught by the paparazzi. Don't worry, I'll call the dean when we get back. I'll help you vent your anger."

Qin Yu rolled her eyes. "You think I'm angry because of this?"

"Hmm?" Liang Jiahao tilted his head and asked in confusion, "Then what are you angry about?"

Qin Yu was so angry that she rolled her eyes again. Did this man really have a brain?

He really didn't know what she was angry about?

Annoyed, Qin Yu hit the steering wheel with her hand. She was so angry that her chest was moving up and down. When she saw Liang Jiahao was still staring at her, she forcibly turned his head to the other side. "Don't look at me! If you keep staring at me, I'll beat you."

Oh, was his little girl really angry?

Why did her personality, which was filled with anger, fit his intentions so well?

Liang Jiahao took the initiative to say, "You are so beautiful. The more you get angry, the more beautiful you become. I can't take my eyes off you at all."

Qin Yu: "..."

This person's skin was so thick that it was comparable to Han Yuanjun's when he was chasing after Liang Zixuan.

Qin Yu feared that it wasn't Liang Zixuan who was Liang Jiahao's siblings.

Rather, he was a brother of Han Yuanjun!

Chapter 528 – Dumplings

Qin Yu was so irritated that she pushed his face away again. "If you want to look, just look. You're lucky that I'm driving right now, so I don't have time to beat you up!"

Liang Jiahao laughed softly. He just stared at her.

Qin Yu had already entered Liang Jiahao's garage, and the man was still staring at her unabashedly.

Qin Yu angrily unbuckled her seatbelt and gave Liang Jiahao a sharp look. Then she opened the car door and got out.

Liang Jiahao saw that Qin Yu was really angry and didn't look like she was joking. He quickly unbuckled his seatbelt, opened the car door, and called out to her. "Qin Yu, I'm hurt! Quick, come and help me!"

Qin Yu turned around and angrily pointed at him. "Stop pretending! Don't think I don't know that your injury isn't serious. You're just trying to get my sympathy. Shame on you!"

On the way to the hospital, Liang Jiahao was screaming in pain and insisted on leaning against her body. While waiting for his turn, he took the opportunity to hug her waist, saying that he was in pain.

When they came out of Zeng Shuang's room, Liang Jiahao was like a different person. He put his arm around her shoulder and took her away with a big step. How did it look like he was injured and in pain?

Qin Yu felt that she had been deceived by him.

This big liar was trying to get her sympathy!

The more Qin Yu thought about it, the angrier she became. Seeing Liang Jiahao still didn't get out of the car and was sitting inside, waiting for her to support him, she could no longer hold back her anger.

She walked up to him, raised her leg, and gave him a strong kick. "Big liar!"

She had high heels.

The kick landed on Liang Jiahao's leg and it immediately turned green. Liang Jiahao frowned while holding his leg.

When he saw Qin Yu leave in a rage, he took the medicine bag and chased after her.

He held her wrist from behind. "All right, don't be angry. I was wrong, okay?"

"You're a bad person!" Qin Yu pushed his hand away and walked to the door. She turned her face to the side and waited for Liang Jiahao to open the door while saying angrily, "The damage has been done. Do you really think that one sentence from you can make up for the anger you brought to me?"

Liang Jiahao opened the door with his fingerprint. He laughed helplessly and pulled Qin Yu inside. "How do you want me to apologize?"

Qin Yu shook his hand once again, walked over to the couch, and sat down furiously. "No need. I'll help you apply for the ointment and then I'll leave. We won't see each other again."

This heartless little girl, every time the words she said, why was it always hurtful?

Liang Jiahao threw the medicine bag on the tea table. He looked deeply at Qin Yu, lifted his sleeve, and walked towards the kitchen.

Qin Yu was angry, but not so angry to the point that she wanted nothing to do with Liang Jiahao.

It's true that women had saber-tongued hearts.¹

Qin Yu watched Liang Jiahao go to the kitchen and touched her stomach as if she was a little hungry.

She hadn't eaten much at the auction and Wei Xiaoqing's words about Dong Biming auctioning the Dragon Phoenix Bracelet had spoiled her mood, thus destroying her appetite.

Now that she had nothing better to do, she was really hungry.

But how did Liang Jiahao know she was hungry?

Qin Yu was stunned for a moment before she got up and walked towards the kitchen.

This time, she did not stand quietly by the door, sneaking to look inside. This time, she went straight in and looked openly.

Liang Jiahao was taking out dumplings from the refrigerator. The dumplings were neither packaged nor shaped like the ones sold outside. They were all like ingots and looked extremely cute.

Qin Yu quietly swallowed her saliva and asked with a cold expression. "You want to cook me dumplings?"

Liang Jiahao glanced at her. "You don't like them?"

Qin Yu pouted. "I've never eaten dumplings. I can't eat the ones with preservatives, and the dumplings sold outside don't taste good either."

Liang Jiahao smiled as he put the dumplings in the basket and got a pot of water. "Don't worry, I made them myself. There are no preservatives in them."

"You did?" Qin Yu was very curious. She walked over and took one of the dumplings out of the basket. "You're a big and stout man. How can you make such a cute little thing?"

The pot in Liang Jiahao's hand almost fell. He sighed helplessly. "Looks like you've misunderstood me deeply."

How can Qin Yu call him a big and stout man?

He was just a little taller than the average man, a little broader in the shoulders, and full of muscles. It was not the kind of muscles that looked terrifying, but rather, each muscle had a perfect line running through it.

Liang Jiahao even felt that the model's figure might not be as good as him.

Qin Yu looked at Liang Jiahao from top to bottom with her eyes. When she thought about Zeng Shuang putting her hand on Liang Jiahao, and that she also saw the abs on his body...

Cough! Cough!

His body was really pleasing to the eye, making people want to see it more.

"Alright." Qin Yu pursed her lips. "I take back what I said earlier."

Liang Jiahao raised his eyebrow and put the pot on the stove. He lit a fire and poured the frozen dumplings into it. Then he stirred the pot carefully with a spatula.

Qin Yu had come to his place three times now, and on those three times, he had cooked for her.

If she hadn't seen it with her own eyes, she wouldn't have believed that Liang Jiahao, the cold and indifferent man, would go into the kitchen and cook for her.

Besides, his cooking skills in cooking noodles and hotpot were quite good.

Remembering the hot pot from earlier, Qin Yu licked her lips greedily, and stared into the pot while asking, "What's in it?"

Liang Jiahao glanced at her. Qin Yu's voracious eyes made him very happy. It seemed that his strategy was right. If he wanted to win a woman's heart, he had to conquer her stomach first.

"It's beef filling. I prefer high-protein foods with less fat."

"Beef?" Qin Yu's eyes were so greedy that she could hardly stand idly by his side. She really wanted to eat the dumplings right away.

She opened the cabinet door and pulled out two large bowls bigger than her face and said, "I want to eat a lot!"

Liang Jiahao was amused by her cute appearance. He really liked women who ate a lot. In his eyes, they were very cute.

Moreover, he was very satisfied because he could cook food for the woman he loved. As long as Qin Yu loved to eat, he would cook anything for her.

Liang Jiahao gently stroked Qin Yu's head. "You can eat as much as you want. I've made a lot of them. If they're not enough, I'll make another for you."

He took the bowls from Qin Yu's hand and walked to the side to prepare the seasoning. Suddenly he remembered something and turned to open the refrigerator. He took out a pot of soup.

Qin Yu walked over and saw the milky white soup. She asked curiously, "What is this?"

"Niu Gu soup." Liang Jiahao's actions were like a professional chef. While doing it, he said, "In order to train our bodies well, the chef in the army cooked us a big pot of beef soup every day. I've always drink it every day, and if I skipped it for a day, I would feel uncomfortable all over."

"Don't worry, this soup is very fresh. I didn't season it too much, just added a little salt and pepper. If you eat the dumplings with this soup, it'll be very delicious."

Qin Yu was like a little follower, following Liang Jiahao from behind and watching him do this and that. She felt that everything in the kitchen was new to her.

In the past, she really disliked entering the kitchen. She felt that there was a lot of oil smoke in there, and even if the smoke fan could solve that problem later, she didn't want to go inside. She always felt that cooking was a very complicated matter.

But now that she was watching Liang Jiahao do it, she thought it was very pleasing to the eye.

Such a handsome man was able to cook for her. Putting aside the taste, just the beauty of his appearance while cooking was enough to keep her full for ten days to half a month.

Qin Yu watched Liang Jiahao ladle the dumplings into a bowl and then put a big spoonful of beef soup into it. The smell alone gave her a ravenous appetite.

Qin Yu took the bowl from Liang Jiahao's hand and ran out happily without waiting for him.

She picked up the chopsticks and picked the dumpling. She blew on it and stuffed it into her mouth. The soft and tender taste left her speechless.

The dumplings had just come out of the pot and were still very hot. While she was chewing, Qin Yu fanned the wind around her mouth with her hand. It was as if the wind could really blow into her mouth.

Liang Jiahao came out with the bowl and saw her cute look. With a smile, he put the bowl in front of her. "No one is fighting you for them. Eat slowly, don't burn your tongue."

"It's very delicious!" Qin Yu swallowed one and impatiently stuffed another into her mouth.

1 Means that someone says one thing outwardly but means something else in her heart.. This is the phrase that people in my country have always used.

Chapter 529 – I Know The Real You, That's Enough For Me

Liang Jiahao looked at Qin Yu and suddenly asked with a smile. "Did you also eat like this outside?"

Qin Yu shook her head as she ate, giggling in disgust. "No way! I had to pay attention to my image when I was outside. If those reporters caught me eating like this, I can imagine how many fans I'll lose in a day."

Liang Jiahao frowned. "But I like the way you eat. It's cute."

"Tch!" Qin Yu snorted coldly. "Come on, not everyone will have the same mindset as you. They wanted a graceful goddess, not a woman like me."

Even though she said that, Liang Jiahao's words made her very happy.

Being praised by others, especially by a handsome man, how could Qin Yu not be happy?

Liang Jiahao curiously asked, "Then how do you eat outside?"

"Outside?" Qin Yu hurriedly sat upright, took the dumpling with her chopsticks, and bit into it a little. Then she chewed it slowly. After chewing it for a while and swallowing it, she took another small bite and chewed it again. She suddenly felt very tired.

Liang Jiahao said, "Even I feel quite tired by watching that."

Qin Yu took a big bite and immediately swallowed it before saying aloud, "Right? Even you feel tired just by watching me, let alone us, celebrities! But there's nothing we can do about it."

"I never thought the life of celebrities could be so hard. In fact, I think if you show your fans this side of yours, not only will they not leave you, they'll love you even more."

Qin Yu made an incredulous impression. "How is that possible? Who would want a woman like this? Don't you men love goddesses?"

Liang Jiahao chuckled. "There are many kinds of goddesses. The cute ones, the temperamental ones, and the dignified ones. As long as you have enough qualities, you will definitely be a goddess no matter what."

Qin Yu pursed her lips disapprovingly. "I will not talk to you about this anymore. You don't understand anything!"

Liang Jiahao stopped eating his dumplings and suddenly raised his head to look at Qin Yu. He said seriously, "I know the real you, that's enough for me."

Qin Yu was stunned. This could be considered a confession, right? But at the same time, it was actually not a confession. She did not know how to react at this moment.

Qin Yu just stared at Liang Jiahao as her grip on the chopsticks tightened.

Liang Jiahao laughed at her agitated expression, which mixed with nervousness and confusion.

He raised his hand over the table and stroked Qin Yu's hair. "Eat it, it will be cold later."

Qin Yu finally calmed down, lowered her head, and continued to eat dumplings in a depressed manner.

It was such a big bowl, and there were twenty dumplings in it. Qin Yu actually ate them all by herself.

She touched her stomach and leaned back in her seat, satisfied with the food and wine, and sighed. "I'm so full."

Liang Jiahao looked at her bowl, which did not contain a single drop of soup, and smiled. "You can sit down, I'll wash the dishes."

Qin Yu waved at him. "Go ahead, you are a good man."

Liang Jiahao looked at her and went to the kitchen with the bowls in his hands.

Soon, he finished washing the dishes and went out. When he saw Qin Yu still sitting there, he stopped and wondered if he had fed this little girl too much.

He went back into the kitchen and came back a moment later with a plate of fruit.

Qin Yu had indeed eaten too much. She had never had such a big appetite before.

Seeing the hawthorn fruit on the plate, her eyes suddenly lit up. She got up from her chair, took the plate from Liang Jiahao, and happily walked over to the couch.

She took the bright red hawthorn and put it in her mouth, chewed, spat out the seeds, and laughed. "I've noticed that you are very attentive to me. If I'm hungry, I don't have to tell you, because you know it. I feel that you're like a worm in my stomach."

Being compared to a disgusting worm made Liang Jiahao's skin crawl with goosebumps.

He took the medicine bag and said expressionlessly, "Miss Qin, if you want to compliment me, please don't use disgusting things to describe me, or I'll feel like you're cursing me."

"Puff ..." Qin Yu laughed. "Do you really care that much? I thought you would never care about anything."

"Of course!" Liang Jiahao looked at her seriously. "I really care about my image in your heart. Just like you called me a pervert. Please don't add that 'old' word."

Qin Yu: "..."

This man really did hold a grudge.

Many days had passed, but he still remembered.

Qin Yu pouted. "Alright, I'll definitely pay attention to the way I call you in the future, uncle."
noVelusB.com

Liang Jiahao: "..."

He was really helpless. "I don't think I need to remind you anymore. In our agreement, it said that you can call me uncle after you've fed me a big meal, and a few times we'd met, it was me who fed you. I seemed to be the one entertaining you with food, Qin Yu."

With that, he took out the ointment from the bag. He didn't mind that Qin Yu was just sitting there, watching him.

Liang Jiahao pulled his shirt out of his pants and unbuttoned it one by one, revealing his firm and muscular stomach.

Qin Yu originally wanted to reply, but when she saw his perfect stomach, her mouth agape in shock. Her brain felt like short-circuiting, how could she find the words to reply to his retort?

Liang Jiahao unscrewed the ointment, squeezed it a little on his fingertip, and rubbed it onto his waist.

Qin Yu watched as he rubbed the ointment quite hard on his waist, causing her heart to ache. "Aren't you in pain doing it like that?"

Liang Jiahao's head was lowered, massaging the injured area while indifferently saying, "This isn't my first time getting injured. It's no longer painful."

Liang Jiahao was indeed an iron-blooded man.

If it were her, Qin Yu would have been crying herself ridiculous by now. Besides, Liang Jiahao was using so much strength to rub the ointment. If it was her, it would be weird if she didn't hit the person who was rubbing it on the head.

"Don't do it like that." Qin Yu stood up and took the ointment from Liang Jiahao's hand. She sat down next to him. "You really don't take yourself seriously."

She squeezed the ointment on her finger and pushed Liang Jiahao's hand away. "Let me do it."

Liang Jiahao looked at her and said nothing, but the corner of his mouth slightly curved into a happy smile.

Qin Yu used her gentle strength to rub the ointment gently on Liang Jiahao's waist, letting his skin absorb it.

"Is it okay not letting the doctor examine you?"

"It's fine. This small injury will heal soon. I already have experience with it." Liang Jiahao paused for a moment, then suddenly whispered in Qin Yu's ear. "If I go to the hospital, what if I meet another female doctor like Zeng Shuang and she asks me to take off my pants?"

His voice was soft, like the melody of a cello, ringing in Qin Yu's ears.

Qin Yu's heart suddenly beat fast. She felt her face getting burned. She dodged to the side, dodging Liang Jiahao's hot breath, then lowered her gaze and said gloomily, "Shouldn't you be happy to meet someone like that? This proves that your body is so attractive that even a female doctor can't resist it."

Afraid that Liang Jiahao might be misunderstood again, Qin Yu quickly returned to the topic. "You're injured at the waist. My uncle and aunt are really worried about you..."

She didn't dare to say the word 'kidney' out loud, so she just said vaguely, "If something bad really happened to you, then how should I explain it to them?"

Liang Jiahao raised his eyebrow. "You're right! If there really is a problem with my kidney, my sister and brother-in-law will be sad."

He deliberately emphasized the word "kidney" and saw Qin Yu's face become even redder. Even the tips of her ears were red. She's as cute as a rabbit.

Liang Jiahao really wanted to take a bite of her.

Qin Yu was frightened by his words. She thought in her heart, "If that's really the case, then how can she still have a face to meet Liang Zixuan?"

Liang Jiahao wasn't anyone else, he was Liang Zixuan's own brother.

If...If his kidney had a problem, then how would she explain it to Liang Zixuan, Luo Yanyun, and Qiao Hongya?

Qin Yu threw the ointment on the tea table, stood up, and pulled Liang Jiahao up.

Liang Jiahao quickly stopped her. "Where are you going?"

"To the hospital." Qin Yu was already worried to death. "You still have to go to the hospital and undergo a thorough checkup, otherwise ... If something really happened to you, then ..."

Liang Jiahao pulled her down beside him. He grabbed Qin Yu's hand and wrapped it around his waist. Bowing his head slightly, he whispered in her ear.. "We don't have to go to the hospital to check whether my kidney is okay or not."

Chapter 530 – I Am In Love

Qin Yu looked up at him blankly. She was caught off guard when Liang Jiahao's lips pressed down on hers. He wrapped his arms around her waist, pushed her down on the couch, and kissed her passionately.

"Mmm mmm ..." Qin Yu was stunned for a moment and quickly realized what had happened. She wanted to hit him and push him away, but Liang Jiahao seemed to have anticipated her movements. He pressed both of her hands down.

Qin Yu almost failed to catch her breath as she gloomily stared at Liang Jiahao.

Liang Jiahao only gasped for a breath after he was satisfied with the kiss. He looked at Qin Yu with a gentle gaze. "Do you want to try? We can try it now."

"Who ... Who wants to try it?!" Qin Yu gritted her teeth angrily and pushed Liang Jiahao's hand away. She angrily pushed him away and then sat down, straightening her clothes while angrily saying, "What does your kidney have anything to do with me? So what if it's not fine?"

Liang Jiahao had actually tricked her!

Humph!

Liang Jiahao stared at her with a hurt expression. "But you swore in front of my sister and brother-in-law that you'd raise me if my kidney was not fine."

Qin Yu: "..."

Did she ever say that? *novelUsB.com*

Why couldn't she remember it?

Qin Yu feigned amnesia. "When did I say that?!"

Liang Jiahao lazily leaned back on the couch and sighed deeply. "Sigh, women are indeed a forgetful species. It's fine if you don't want to raise me, I can live alone. In any case, I've lived alone for thirty years, so I'm not afraid to be alone for another sixty years."

Qin Yu: "..."

It sounded like it was her fault if Liang Jiahao couldn't find a girlfriend.

Qin Yu was so depressed that she could not find any words to retort. She took the ointment and squeezed it some on her fingers before roaring towards Liang Jiahao. "Move your hands away. I'll put some ointment on you. If it's really not fine, I won't be responsible for you anymore."

Liang Jiahao raised his eyebrow and moved his hands away.

Qin Yu was so angry that she didn't want to say anything, so Liang Jiahao remained silent.

Qin Yu finished applying the ointment and threw the ointment on her hand on the tea table. She stood up, picked up her bag, and was about to leave.

Liang Jiahao glanced at her, then wordlessly took back the ointment. He squeezed it a little and put it on his finger before lifting his pants slightly.

Qin Yu was still wondering why Liang Jiahao was silent now. When she turned around, she saw another bruise on his leg.

She was so startled that her bag slipped out of her hand. "When did this happen? When did you get hurt again?"

Liang Jiahao remained silent as he rubbed the ointment himself.

Then Qin Yu remembered that before she entered the house earlier, she'd apparently kicked him mercilessly with her heel.

Was the injury that serious?

Why didn't Liang Jiahao make a sound? She didn't think it was painful at all.

Qin Yu walked over to him gloomily, snatched the ointment from Liang Jiahao's hands, and helped him apply it to his leg.

For a long time, neither of them said a word.

After everything was done, Qin Yu stood up, picked up her bag, and walked two steps towards the door. Suddenly, she stopped and turned around, looking at Liang Jiahao. "Even if you're a tough man, you shouldn't bear something like this alone. If you don't cry out in pain, how will people know that you're hurt?"

She paused for a moment, then looked off to the side. "If this keeps up, no one would know that they really hurt you."

???

Zeng Shuang was dreaming about Liang Jiahao in her sleep. She actually had a beautiful dream.

In her dream, Liang Jiahao was naked, showing off his muscular body. He was hugging her tightly, his hot breath falling on her face. It was boiling hot, but she couldn't help but feel excited.

"Liang Jiahao ~"

"Shh ..." Liang Jiahao brought his finger to her lips and smiled. "Don't talk, kiss me."

Zeng Shuang smiled happily. She wrapped her hands around his neck and kissed him deeply.

Whether it was Liang Jiahao's lips or his strong arms, they made her feel completely safe. She could also feel his strong masculinity.

Throughout the night, Zeng Shuang drowned in her beautiful dreams, sinking deeper and deeper into the abyss.

By the time she woke up the next day, it was almost impossible to tell what was real and what was a dream.

If she opened her eyes, the reality was that she was not with Liang Jiahao. If that was the case, she hoped not to wake up.

When Mui Linlin saw Zeng Shuang walking down the stairs in a daze, she rushed over anxiously and held her hand. "Shuang, what's wrong? Did you not sleep well last night?"

"What are you talking about? I slept very well last night." Thinking of her dream last night, Zeng Shuang smiled happily. "I've never slept so well in my whole life."

"Slept well?" Mui Linlin obviously did not believe her. This child seemed to have lost her soul. How could she sleep well?

"Don't lie to me. Tell me, did something happen?"

"No, mom!" Zeng Shuang impatiently pushed Mui Linlin's hand away. She walked over to the dining table and ate breakfast. As she ate, she thought of her dream again and laughed merrily.

Mui Linlin was dumbfounded. Had her daughter gone crazy?

She did not seem enthusiastic, so how could she sit here and laugh out loud?

Mui Linlin sensed that something was wrong.

She snatched the steamed bun in Zeng Shuang's hand and stared at her while asking, "Tell me, did something happen? Don't be silent, you'll scare me to death!"

Zeng Shuang looked at her and took another piece of bun. She put it in her mouth little by little. "It's nothing. It's just ... I am in love."

"In love?!" Mui Linlin seemed to be struck by lightning as she sat there motionless. She stared at Zeng Shuang with her mouth open, unable to speak for long.

During this period of time, she had arranged many blind dates for Zeng Shuang.

However, every time Zeng Shuang came back, she would say that there was something bad about this man, etc, etc. In short, none of them caught her eyes.

So, where did this love come from?

Mui Linlin was so scared that it took her a while to find words. She quickly pulled Zeng Shuang's hand and asked, "My good daughter, tell mom, who do you love?"

Zeng Shuang chuckled a little and said shyly, "Liang Jiahao."

"What?" Mui Linlin's saliva almost sprayed out as she asked incredulously. "What about that weirdo? Daughter, why are you thinking about him again? That weirdo isn't suitable for you!"

"What weirdo?" Zeng Shuang glared at Mui Linlin unhappily. "I forbid you to say that about him! He is gentle, considerate, handsome, and well-built. I have never met a man as good as him in my entire life!"

She had etched the scene of how Liang Jiahao had treated Qin Yu deep in her mind. She also felt that he was treating her that way, not Qin Yu.

Mui Linlin shook her head as if she had heard the funniest joke in the world. "Shuang, don't tell me you haven't woken up yet? That's not what you said last time. You called him a weirdo!"

"That was the last time!" Zeng Shuang was starting to get impatient. Besides, she couldn't stand it when someone said Liang Jiahao was bad, not even her mother.

"Right now, I feel that Liang Jiahao is very good. I will marry him no matter what!"

Mui Linlin looked at the happy expression on Zeng Shuang's face and wondered if Liang Jiahao had given her some kind of bewitching soup.

Zeng Shuang was completely bewitched as if she had become a completely different person.

It wasn't like Zeng Shuang hadn't been in love before. She had been in love before and had even talked about the man many times.

She'd even lived with him.

However, their relationship didn't last long, and no more than half a year had passed since they broke up.

Zeng Shuang loved the man to death, but it was never like this.

Every time she mentioned Liang Jiahao, a smile would appear on her face.

Mui Linlin grabbed Zeng Shuang's arm anxiously. "Shuang, don't tell me you've been bewitched?"

"You're the one who's bewitched!" Zeng Shuang pushed Mui Linlin's hand and stood up unhappily. "I don't want to eat anymore. I'm going to work now. Eat by yourself."

"What?" Mui Linlin didn't know what she had said wrong until Zeng Shuang felt dissatisfied with her. She quickly grabbed the steamed bun on the table and called out to her. "You haven't eaten anything yet. Why don't you eat it while you're driving?"

Zeng Shuang went out without looking back. She didn't even say anything.

Mui Linlin threw the bun on the plate and sat there sighing by herself. "Sigh, how can this be? She's in love with Liang Jiahao? Is she alright?"
