Chapter 531 – Did You Make This Call Just To Make Fun Of Me

Zeng Shuang hummed a song as she drove to the hospital. When she entered her office, she took her white coat and put it on. Just as she was about to organize her desk, her cell phone rang.

She took out her cell phone and looked at the caller's name. It was the dean. She wondered why he was calling her so early in the morning.

Could it be because of her promotion? Had her application for promotion of the Vice Division Chief approved?

Zeng Shuang excitedly held the phone to her ear. "Dean!"

When the dean heard her voice, his voice turned cold. "Zeng Shuang, come to my office immediately!"

With that, the call was disconnected.

Zeng Shuang looked at her phone blankly. For a long time, she could not think of anything. Why was he so angry with her so early in the morning?

Could it be that he was getting older and no longer lived properly with his wife, which was why he became so angry?

She put the phone back in her white coat and pouted. She cursed the dean for spoiling her good mood. Just because he was kicked out of bed at night by his wife, or because his wife wore a green hat for him, he should not take his anger out on her.

Zeng Shuang scowled and headed for his office.

Even so, she still knew to knock on the door politely.

Hearing the dean's voice, she pushed open the door and entered with a smile on her face. "Dean, is everything alright? What do you need me for?"

"Hmph!" The dean slapped his palms loudly on the table. It was as if his whole body was suffering from endocrine disorders. He was very angry. "Zeng Shuang!"

He raised his hand and pointed at her nose, cursing her in disappointment. "Tell me, what did you do last night?"

"Last night?" Zeng Shuang paused for a moment as she tried to recall what she had done last night. Walking down the street, saw the old woman fall and walked away instead of helping her. Someone who cannot even walk properly must never have done anything good in her life!

The dean can't wait any longer. Before Zeng Shuang could say anything, he reminded her. "Tell me, did you take advantage of your patient last night?" **nOvElUsb.cOm**

"I didn't!" Zeng Shuang immediately thought of the matter between Liang Jiahao and Qin Yu. She really did not expect Liang Jiahao to complain about her even when the dean was not in the hospital.

Zeng Shuang was so angry that her fists were clenched tightly. "I'm treating him like a professional. How can you call that taking advantage?"

"You still have the guts to say no?!" The dean was so angry that his body was trembling. "He clearly has a wound on his waist, why the hell did you tell him to take off his pants! If you really want a man like that, have your mother set up a few more blind dates for you! Do you have to go after the patient?"

Zeng Shuang stubbornly refused to admit it even though she was beaten to death. "If I say there is no such thing, then there is no such thing! Dean, how can you guarantee he only hurt his waist? What if he was hurt down there? If I didn't check him thoroughly and if something really happened to him, it would be a medical accident, and I can't afford it!

The dean was so angry that his head hurt. He raised his hand and pressed it to his temple, feeling that he could no longer communicate with Zeng Shuang.

He could listen to the excuses of reasonable people, but not those of unreasonable people. Once she talked nonsense, even the wrong thing would be right.

The dean sighed and waved his hand toward Zeng Shuang. "That's enough, you can leave now. I will not pursue this matter any further. After all, there's no chance for you to be promoted to Vice Division Chief."

Zeng Shuang was about to thank the dean for being really merciful, but after hearing his last sentences, she couldn't calm down anymore. She asked him in disbelief. "Why? I work so hard, why don't I have a chance?"

The dean slammed his hand on the table angrily again and cursed. "You're still asking me why? This morning, the higher-ups called to investigate your medical ethics because they suspect you are simply unable to fulfill your duties as a doctor!"

Higher-ups?

"Let me tell you that not only is it impossible for you to be promoted, but in fact, every doctor in our entire hospital has to be investigated. And it's all just because of you! You are really a devil, be glad that I keep you here for your father's sake. If you abuse your profession again, you can roll out of here!"

With a "bang" sound, the dean pushed Zeng Shuang out of the room and closed the door loudly.

Zeng Shuang was so angry that she wanted to smash the door with an ax.

The more she thought about it on the way to her office, the angrier she became. Although she indeed told Liang Jiahao to take off his pants, but did he still do it?

To complain about her to the dean just because of this.

After returning to her office, Zeng Shuang was furious for a long time. She felt that if she did not vent her anger, she could not go on living. She thought for a moment, then took out her cell phone and made a call.

As soon as the call connected, she said with a sullen face. "Wei Xiaoqing, isn't Liang Jiahao your brother?"

Wei Xiaoqing laughed heartily and said arrogantly, "You and your mother should know the answer, shouldn't you? Didn't you start fighting with my mother because of him too?"

Talking about the incident last time, Zeng Shuang was depressed. She had obviously fought Jiang Huifang with Mui Linlin, and yet they still lost in the end.

They hadn't gained any advantage at all.

The most depressing thing was that after the fight with Jiang Huifang, Zeng Shuang still had to come to beg Wei Xiaoqing.

Zeng Shuang gritted her teeth in anger, but she couldn't show it. She flattered Wei Xiaoqing in a soft tone. "Aiya, Xiaoqing. It was all just a misunderstanding. By the way, do you know?"

"Know what?" Wei Xiaoqing asked casually.

Zeng Shuang muttered coldly in her heart. 'Wei Xiaoqing, what are you so proud of? You are just a broken shoe that was thrown away after a man got bored of you.'

With this thought in her heart, Zeng Shuang pretended to have a good relationship with Wei Xiaoqing. "This is about your brother and Qin Yu. Do you know about it?"

Wei Xiaoqing exclaimed in astonishment. "Liang Jiahao and Qin Yu? What happened to them?"

Apparently, she didn't know.

Zeng Shuang began to feel proud. "Don't you know that your brother is dating Qin Yu? Last night, they came to the hospital and showed their love in front of me."

Zeng Shuang stood up and walked to the window, watching the beautiful view outside. She sneered, "Let's talk about you. Liang Jiahao is the CEO of China Securities Bank right now. Just a word from him, how much money can he lend you? But in the end, what do you get from him?"

Wei Xiaoqing gritted her teeth and shouted, "Zeng Shuang, what do you mean by this? Did you make this call just to make fun of me? No matter how bad my life is, I'm still the CEO of a company. It's still better than your job where you are surrounded by a bunch of lousy people every day!"

Zeng Shuang didn't get angry, but instead, said with a smile. "Yes, you're better than me. But it is only because I don't have an older sister who is married to the President of Han Group and a big brother who is the CEO of China Securities Bank, so it's normal for you to be better than me."

Wei Xiaoqing was so angry by listening to her words.

Previously, when Dong Biming went to see her, although Dong Biming was also very arrogant, but she didn't say such sarcastic words to intentionally anger her.

And what the hell was Zeng Shuang?

How dare she make a ruckus in her presence?

"Zeng Shuang!" Wei Xiaoqing was thoroughly enraged. "Do you find the last beating from my mother was not fierce enough? You want to try my fist?"

"Aiya, Wei Xiaoqing, don't be angry. I was just joking with you." Zeng Shuang finally stopped teasing her and looked out the window seriously. "Wei Xiaoqing, think about it carefully. Liang Zixuan is already like the sun in the sky, you won't be able to catch up with her even if you board the spaceship."

"If Liang Jiahao and Qin Yu marry each other, your whole life will be a joke. Your older brother and sister are both living a good life, but you... What happened to you? Your reputation has been tarnished by them and what can you do now other than shamelessly put up a front? Think about your own life, what kind of life have you gone through right now?"

Even without Zeng Shuang's reminder, Wei Xiaoqing was already depressed.

Chapter 532 – He Must Be So Outstanding That I Will Like Him From The First Time I Meet Him

Wei Xiaoqing sold the two unfinished buildings to Liang Zixuan for only 200 million yuan, and the 200 million she had invested in the new building did not seem to be getting much better now. Someone had spread the news that a factory would be built there within a year, which in turn would pollute the environment.

When the news got out, no one was willing to invest in her project, not even ordinary people.

Wei Xiaoqing was restless like an ant on a hot pan. Therefore, she teamed up with Dong Biming to frame Qin Yu. After the matter was settled, Dong Biming promised to invest 500 million to help her.

And in the end, the final result was that Dong Biming went insane from the stimulation.

She was taken to the hospital, and the doctor found that she was actually suffering from a mental disorder. So, how can a promise made by a madwoman be counted?

To make the matter worse, Qin Yu was rescued at the scene by Liang Jiahao, thus ruining their plans.

Wei Xiaoqing was so angry that she almost vomited blood.

"Do not mention this in front of me!" Wei Xiaoqing took a deep breath and resisted the urge to crawl through the phone and punch Zeng Shuang. She asked in a restrained voice, "You called me not to make fun of me, right?"

"Of course not." A trace of coldness flashed in Zeng Shuang's eyes. "I want to work with you. We will stir up Liang Jiahao and Qin Yu's relationship together. Think about how you will give me the opportunity to be alone with Liang Jiahao. Once I become your sister-in-law, all you have to do is tell me what kind of loan you want. I can give it to you with a flick of my wrist."

These words were really full of confidence.

As if Zeng Shuang would become the wife of the current CEO of China Securities Bank!

Wei Xiaoqing wondered where Zeng Shuang got her confidence from?

She was so confident that Liang Jiahao would fall in love with her and listened to her words.

However, Wei Xiaoqing was willing to help to disrupt Liang Jiahao and Qin Yu's relationship.

Just like what Zeng Shuang had said earlier. Why should Liang Zixuan and Liang Jiahao live happy life? One wealthy and influential Han Family was already enough. If the Qin Family were added, Liang Zixuan and Liang Jiahao would go to outer space!

Besides, that bastard Liang Jiahao did not even recognize her as his little sister.

Although Wei Xiaoqing was willing to help, she still had to maintain her self-esteem. It was Zeng Shuang who begged for her help, not her.

Wei Xiaoqing sneered, "Didn't you come to beg me for your own sake? Zeng Shuang, if you want to beg someone, then you must have the attitude of begging. The way you behaved earlier was really unsatisfactory."

"I said I was joking!" Zeng Shuang's nails lightly scratched the windowsill. She tried to control her anger. "We are on the same side now, so there's no point in arguing."

"All right. Zeng Shuang, I'm just reminding you. If you want to work with me, you have to listen to me. Don't be stupid and destroy the bridge when the job is finished. I, Wei Xiaoqing, am not stupid!"

????

Mao Ping's case had sparked a storm in entertainment circles. Various media reported the development of the matter on a daily basis.

The limelight was too strong, especially for Qin Yu. She had announced that she would take a break from new projects and would only focus on filming the few projects she had previously agreed to.

Qin Yu also decided to take a longer break from school. She was already in her third years, so it did not matter if she went there or not. She was afraid of being surrounded by the reporters and students because of this.

"Qin Yu, can you sit properly?"

Lin Xiu kicked Qin Yu's legs that were lying on the tea table. She placed a plate of fruit on the tea table and gracefully sat down next to her daughter.

Qin Yu hugged her legs and groaned in pain. After a while, she pouted and glared at Lin Xiu. "Mom, are you really my birth mother? Is there any mother who is so cruel towards her daughter like you?"

"It's because I am your mother, I did that." Lin Xiu took a fork and put a piece of dragon fruit in her mouth. After chewing and swallowing it, she said, "I wonder if there is a man who wants to marry you in the future. Look at the way you are sitting, not proper at all."

Lin Xiu was born in the Lin Family and her family majored in the jewelry business. Ever since she was young, she had been trained by her mother to be a graceful woman. She was not supposed to smile broadly until she showed her teeth, or made any noise while eating.

When she married into the Qin Family, the business between the Lin and the Qin Family became bigger and bigger. And her husband was now the leader of the domestic food industry.

And there was one thing that Lin Xiu could not understand. How could her mother manage to train her to be a dignified and graceful lady, while she could not train Qin Yu to be such?

Qin Yu had been disobedient since she was young. When she was asked to sit down like a proper lady, it was as if the heavens had turned against her.

Qin Shaoqiang told her not to worry about Qin Yu. The more Lin Xiu forced Qin Yu to behave like that, the more Qin Yu would rebel. Lin Xiu felt that this made sense, so she stopped bothering Qin Yu.

Fortunately, Qin Yu liked to sing and wanted to act. She wanted to enter the entertainment circle and become the goddess of all men, so she began to move in the direction Lin Xiu really wanted her to go.

Lin Xiu thought this was good.

At least when Qin Yu was outside, she had done what Lin Xiu wanted.

Qin Yu chuckled and sat down on the couch with her legs crossed. She snorted proudly, "Who said your daughter doesn't have a man? Mrs. Lin, let me officially inform you that your daughter has been chased by many men from the streets. If I want a man, I just need a minute."

"Pssh!" Lin Xiu laughed mockingly. "Tell me, what does he look like? Is he cute like a pumpkin? Is he really fit to become my son-in-law? Let me tell you, if he wants to become the Qin Family's son-in-law, he must be so outstanding that I will like him from the first time I meet him, no matter what he looks like or what family he comes from. Otherwise, this man you are talking about is not a man in my eyes."

Lin Xiu glanced at Qin Yu from the corner of her eyes and smiled elegantly. "He is only suitable as a pet."

Back then, she and Qin Shaoqiang were not in a business marriage, but a love marriage. nOveluS8.com

Qin Shaoqiang had a scholarly aura on him, and his every gesture was polite and refined. The main point was that he was handsome. Even in his old age, he was still handsome.

Lin Xiu had always wanted to find a handsome husband with a high IQ for Qin Yu so that the next generation would stand out.

Just like her son, Qin Shanyuan.

Lin Xiu lightly patted Qin Yu's crossed legs. She smiled. "Qin Yu, if you cannot find a man who can satisfy mom's criteria, then don't get married for the rest of your life. Mom will take care of you."

Qin Yu looked at Lin Xiu's proud face and pouted. "Mom, I'm the one looking for a husband, not you. Why should I find someone you are satisfied with?"

Lin Xiu looked at Qin Yu indifferently. She put another piece of dragon fruit in her mouth without bothering to answer Qin Yu's question.

Talking to Lin Xiu was really tiring because she never spoke while eating. Lin Xiu really needed to show her beautiful white teeth while she talked, and her mother's upbringing forbade her to do so.

Anyone with the slightest bit of impatience would die from anxiety if they talked to her!

After waiting for Lin Xiu to finish eating the fruit, Qin Yu saw that Lin Xiu still wanted to eat again, so she hurriedly grabbed the fork in her hand.

"Mom, can you stop eating? I seriously want to talk to you about this. Answer me, why do I have to find someone you are satisfied with?"

Lin Xiu gracefully placed both her hands in front of her and turned to Qin Yu with a slight smile.
"Because you were born of me."

Qin Yu: "..."

Lin Xiu was crazy.

Was there any logical explanation for this?

And here Qin Yu thought that only Xia Jingfei's mother was abnormal. She never thought that her own mother was even more abnormal!

Qin Yu took a few deep breaths and decided to persuade Lin Xiu in a gentler way. "Mom, let me tell you that there's only one man like dad in this world.. It's not easy to find a second one. You won't let your daughter live a lonely life because of this, will you?"

Chapter 533 – There's No Way He's Going To Be My Son-In-Law

Lin Xiu continued. "If you don't improve your behavior, how can you attract a good man? Qin Yu, from now on, you must behave like a goddess, no matter whether you are in public or not. In this way, you will have a chance to marry someone who really suits you."

Qin Yu immediately thought of what Liang Jiahao had said. He had said that she looked very cute in front of him. If she could be like this in front of others, surely more people would like her.

Qin Yu couldn't help but compare Liang Jiahao to her father in her heart. She felt that Liang Jiahao was comparable to her father, though not very much.

"Haha..." Qin Yu laughed stupidly. "Mrs. Lin, what if I told you that I already have someone in my heart right now? Would you be willing to give him a chance to be examined by your magic eyes?"

Lin Xiu's eyes quickly narrowed as she looked dangerously at Qin Yu. "Is there someone in your heart?"

Qin Yu quickly explained, "I mean if. If I have someone in my heart."

Qin Yu was Lin Xiu's daughter and she knew her very well. How could Qin Yu's little intentions be hidden from Lin Xiu's eyes?

Lin Xiu's face immediately darkened and she sternly asked, "Qin Yu! Tell me honestly, who is he? What does he do? How old is he? What kind of business does his family do? Or could it be that you just happened to bump into him on the street and decided to make him your man?"

Aiya!

Qin Yu held her head gloomily, wanting to slap herself twice.

Why can't she keep her mouth shut?

Why did she say it out loud?

Looking at the anger on Lin Xiu's face, Qin Yu pouted, feeling all wronged. "We are not in a relationship yet. I just thought he is pretty good, so I wanted to know more about him first."

Lin Xiu sighed in relief and smiled. "Then tell me, what kind of person is he? Let me hear it. Maybe then I will be satisfied."

Qin Yu felt it was necessary to ask Lin Xiu's opinion first. She gritted her teeth and did not dare to look at Lin Xiu's eyes as she said, "He... He's a bit old."

"What?" Lin Xiu's eyes widened for a moment. "Is he older than your father?!"

"No, not that old!" Qin Yu quickly waved her hands. "He's a bit older than me. This year, he should be around thirty."

"Thirty?" *nOvElUsb.cOm*

Wasn't that too old?

Qin Yu was only twenty-two this year.

Lin Xiu gently asked, "What did he do?"

Qin Yu was afraid that if she directly told Lin Xiu that he was the CEO of China Securities Bank, she would expose Liang Jiahao's identity. She was afraid that Lin Xiu would run to China Securities Bank to find Liang Jiahao. And they were not together yet! It would be very awkward.

Qin Yu thought about it seriously. "His job is not bad. He works for someone else."

The corner of Lin Xiu's eyes twitched. "Work for someone else?"

Qin Yu nodded. China Securities Bank belonged to the country, not to Liang Jiahao. It was not wrong to say that he worked for someone else, was it?

Lin Xiu held back her anger and asked again. "What about his family's background? What about his parents?"

Qin Yu secretly swallowed her saliva and whispered, "His mother died a long time ago and his father went to prison. He only has his grandparents and a younger sister."

"What kind of man is this?" Lin Xiu couldn't hold back anymore, so she raised her hand and cruelly poked Qin Yu in the forehead. "His job is not good and his family is full of old and weak people! Qin Yu, do you really want to marry such a man? Do you want to spend the rest of your life as his nanny? Forget it, his father is even in prison! What crime has he committed?"

Qin Yu was close to tears. "Murder."

"Murder?" If it weren't for Lin Xiu's gentle demeanor, she would have slapped Qin Yu a long time ago.

Lin Xiu held Qin Yu's shoulder and scolded her loudly for the first time in her (Lin Xiu) life. "Qin Yu, what kind of man are you looking for? Do you want to be with the son of a murderer? How much effort did I put into raising you until you are in this state? I only hope you will find a good husband and a good

home so that you will not have to live a miserable life in the future. But look at you, what have you done!"

"Let's not talk about his job. You can still survive living with his family but as the son of a murderer... Let me tell you, there's no way he's going to be my son-in-law in this life!"

Qin Yu was frightened to tears by Lin Xiu's violent demeanor.

Ever since Qin Yu was young, no matter how angry Lin Xiu was, Lin Xiu had never scolded her in such a loud voice. Not many people can force Lin Xiu to speak loudly.

It was obvious how terrible the image of Liang Jiahao was in Lin Xiu's heart until it made her so angry that she could no longer hold back her image of a graceful woman.

Qin Yu cried. "He's actually a pretty smart and nice man. He knows how to cook. The dishes he made are so delicious. Even the women he has dated like him -"

"What, he dates a lot of women?" Lin Xiu laughed in disbelief. "An old man who only knows how to trick a little girl, and you still call him nice?"

Qin Yu felt that she could not explain it to Lin Xiu. She did not think Liang Jiahao was that bad.

To be belittled like that by Lin Xiu.

"I'm not telling you anymore!" Qin Yu got up from the couch, wiped the tears from her face, and angrily walked towards the door.

"Where are you going?" Lin Xiu raised her eyelids and asked calmly.

Qin Yu's rebellious tone could be heard again. "Didn't you say that you don't like him? I want to bring him back, I want to be with him! None of you can stop me!"

When Lin Xiu heard this, she stood up angrily. She chased after Qin Yu and held her by the wrist. Without saying anything, she dragged Qin Yu upstairs.

"What are you doing!" Qin Yu shook off Lin Xiu's hand gloomily, but no matter how she shook it, she couldn't get rid of it.

Qin Yu's strength could be considered a bit too strong for a woman, but she didn't really dare to make a move against Lin Xiu. This was her own mother.

Even if Lin Xiu didn't want to let her go, Qin Yu still wouldn't have dared to use force. She could only shout, "Mom, what are you going to do to me? Let me go! Give me some freedom in life, will you?"

"You don't need it!" Lin Xiu kept dragging Qin Yu and said, "If I don't restrain you, you'll become more rebellious!"

Qin Yu wanted to fly to the sky, but she had no wings.

She started to panic. "Mom, let go of me. I warned you, if you use force against me, I will retaliate!"

Lin Xiu sneered. "Why don't you give it a try."

No matter how stubborn Qin Yu was, she wouldn't go against her parents.

Lin Xiu was very sure of this. She dragged Qin Yu into her bedroom and pushed her inside. "Now you should think about this thoroughly. Think about whether what I said is right or not! Once you reflect on your mistakes, I'll let you go."

"Mom ... Mom!" Qin Yu quickly chased after Lin Xiu, but just as she reached the door, the door slammed shut right in front of her face.

She twisted the door handle and found the door locked from the outside. Exasperated and annoyed, she shouted, "Mom, open the door! This is illegal! You can't do this to me. Open the door and let me out!"

Lin Xiu crossed her arms in front of her chest and stood calmly in front of the door. When she heard Qin Yu's shouting, she laughed instead of getting angry. "Go ahead and shout. If you still have any strength left, shout as much as you can. We'll see who will save you."

Suddenly, Lin Xiu thought of something and laughed. "Oh, one more thing. Don't think about asking your brother and father to come to your rescue. If you don't want to implicate them, just stay inside and think about your mistakes."

Lin Xiu completely cut off Qin Yu's escape route.

In the past, Qin Yu was also locked up by Lin Xiu, but Qin Shanyuan would sneakily let her out every time. Every time she came home after playing, Qin Shanyuan would hide and not dare to see her.

Qin Yu was confused and sneakily went to Qin Shanyuan's room at night. It was then she saw that his back was full of scars after he took off his shirt.

Lin Xiu had taught her children not to go against their parents to the extent they didn't expect.

Every time Qin Yu made a mistake, Qin Shanyuan was the one who got the punishment.

Lin Xiu called it killing a chicken to set an example for a monkey¹.

Qin Shanyuan really loved his sister. He and Qin Yu had always gotten along well, so every time Lin Xiu hit him, it was like hitting Qin Yu's heart. Over time, Qin Yu's rebellious spirit was almost completely worn down.

This was the best punishment Lin Xiu could think of after hearing Qin Shaoqiang's words.

Qin Yu wasn't afraid of pain or punishment, but she was afraid that Qin Shanyuan would suffer because of her.

Hearing this, she felt as if a knife was stabbing into her heart. She stomped her feet in frustration.

"Mom, can you stop using this trick? I'll listen to you, I won't leave, okay?"

Lin Xiu smiled in satisfaction. "As expected, only this move is enough to deal with you."

Chapter 534 – An Impotent Man

Qin Yu heard the sound of Lin Xiu's footsteps gradually fade away. She angrily went to the bed and lay on it, no longer making a fuss.

Whenever she made trouble, Qin Shanyuan would be the one to take the fall for her. He would risk being beaten up by Lin Xiu in exchange for Qin Yu's freedom.

This time, Qin Yu was locked up for three whole days. Other than the servant who came to deliver the food to her, she did not see anyone else.

She snuggled up to her doll and mumbled to herself. "Wuying, do you think Liang Jiahao is that bad?"

Qin Yu shook the doll's head, making a gesture that the doll disagreed with her statements.

Seeing this, she smiled happily. "Do you think he's very good?"

The doll nodded.

"Haha ... I thought so too, but my mother didn't think so. Tell me, should I listen to her words?"

Qin Yu shook the doll's head again with great force and laughed as she said, "You also think that I shouldn't listen to her words, don't you? I'm the one who should decide who I'm going to spend my life with, not her, right? I like Liang Jiahao and I'm fine with his character. Why does he have to pass my mother's eyes, right?"

"What you said is right, Wuying! I'll listen to you and fight hard against the evil power of Mrs. Lin!"

While Qin Yu was talking to the doll, Lin Xiu came to her bedroom and knocked on the door. "Qin Yu, have you thought about it yet?" *novelUSB.COM*

Qin Yu was lying on the bed, holding the doll in her embrace. She shouted to the door, "I will decide my life! Mrs. Lin, your evil powers won't be able to stop me. I will not give up the man I love!"

Lin Xiu frowned and shook her head before turning to leave.

Qin Shanyuan waited until Lin Xiu had left before quietly walking to Qin Yu's bedroom. He knocked on the door softly and whispered, "Qin Yu, just give up this time. It's been three days already. How long are you going to fight with mom over this man?"

Hearing his voice, Qin Yu happily jumped down from the bed. She went to the door and said sadly, "Big brother, why did you just come to see me now? Did you know that I almost died out of boredom?"

"I just came back from a business trip." Qin Shanyuan said helplessly, "I just came back and heard that you were locked up by mom. This time you're really out of line. Mom told dad and me how you fell in love with a bad man."

Was Liang Jiahao really that bad?

Qin Yu didn't think so.

She really couldn't figure out what was bad about Liang Jiahao. She sat down on the floor with the doll in her arms and let out a long sigh. "You may think he's bad, but in my heart, he's the best!"

Qin Yu suddenly became very sad. She leaned against the door and began to cry softly. "The reason why you think he's bad is because your standards are too high. I feel he's good enough for me. Do you guys really rather watch me marry someone I don't love? Do you guys rather watch me get stuck in a loveless marriage?"

Qin Shanyuan also sat by the door and shook his head disapprovingly. "Qin Yu, it's not that we have high expectations of him. We are just afraid of your ignorance and afraid that you will be deceived by him. You are a big star now, and how many pairs of eyes are on you? How many men out there are planning something bad against you? How many men want to use you to cling to our family? You know the answer yourself."

Qin Shanyuan sighed as he asked Qin Yu a question that came from his heart. "Do you really want to marry an impotent man? Do you want to support him for the rest of his life? He is a thirty-year-old man who always needs someone to take care of him, and he also has a big family to take care of. Don't you feel wronged?"

Qin Yu was dumbfounded. Did Liang Jiahao really need someone to take care of him?

He had clearly managed to survive on his own, and even his family did not worry about him.

Liang Zixuan needed his care?

Luo Yanyun and Qiao Hongya needed his care?

Maybe Luo Yanyun and Qiao Hongya wanted Liang Jiahao to take care of them, but it was out of filial piety and was not a burden.

This was the first time that Qin Yu felt that she could not explain herself to Qin Shanyuan. She helplessly wiped the tears from her face and angrily said, "I will not tell you anymore, you all don't understand anything! He doesn't need me to take care of him, he can take good care of himself!"

Qin Shanyuan heard Qin Yu's angry voice and her fading footsteps as she rose from the floor. He quickly called out to her. "Qin Yu ... Qin Yu! Can you stop being so stubborn?!"

Hearing nothing from her, he sighed loudly. "Fine! Why don't you tell your big brother who that man is? I'll take a look at him and then later I'll help you convince mom, okay?"

Qin Yu smiled with satisfaction. "That's my big brother!"

She came back and sat by the door, saying, "But I cannot tell you who he is now because I haven't made up my mind yet. How about this, help me contact aunt. I will ask her to get me out of here and ask her to come up with something. After that, I'll meet with him and then we will discuss this after he and I confirm our relationship."

"Ah, your relationship isn't confirmed yet?" Qin Shanyuan's eyes widened slightly. "Seeing how fiercely you opposed mom, I thought you had reached the point where you would not marry anyone but him."

He smiled. "You are going to ask aunt for help? All right, I'll call her later. Just wait until she comes and saves you."

The next day, Liang Zixuan arrived at the Qin Family Residence.

Lin Xiu personally greeted her. She served good tea and snacks and put them in front of her. "Zixuan, do you have no class today?"

Liang Zixuan smiled politely. "I heard that Qin Yu is being confined in her room, so I'm specifically taking leave of absence to visit her. Sister-in-law, would you mind if I went to see her?"

"Of course not!" Lin Xiu liked Liang Zixuan a lot. If it wasn't because of the seniority, she would have really taken Liang Zixuan as her goddaughter.

The men of the Han Family were very fond of eating young grass. After eating young grass for so many generations, their family's seniority had become higher and higher.

Lin Xiu held Liang Zixuan's hand and said sincerely, "Zixuan, please help me persuade your niece. She has fallen in love with a bad man and is even willing to fight me because of him. I really cannot persuade her, so I have to bother you to help me."

Liang Zixuan's eyes widened as she heard this. Last night, Qin Shanyuan had called her and told her that Qin Yu's relationship with Lin Xiu had reached a dead end. He asked her for help, but he did not tell her the reason.

Now that Liang Zixuan heard Lin Xiu say this, her heart beat faster.

Could it be that... Qin Yu did not have eyes on Liang Jiahao and had fallen in love with another man?

This was bad!

Liang Zixuan nodded and followed Lin Xiu upstairs.

Lin Xiu opened the door for her and let her enter before leaving.

After making sure Lin Xiu had come downstairs and not eavesdropped behind the door, Liang Zixuan quickly ran to the bed and pulled Qin Yu up. "Qin Yu, what happened? I heard you have fallen in love with a man. Who is he? What kind of man is he until he could make your mother so angry with you?"

Qin Yu felt completely wronged. She threw herself into Liang Zixuan's arms and pouted sadly. "Auntie, who else can I fall in love with?!"

Liang Zixuan: "..."

How should she answer this question?

Chapter 535 – Do I Look That Bad

Liang Zixuan looked at Qin Yu seriously. "How should I know which bad man you're in love with? Qin Yu, tell me what happened?"

Qin Yu came out of Liang Zixuan's arms and pouted as she glared at her. "Who else, if not your brother!"

"What?!" Liang Zixuan's jaw almost dropped. She didn't know what to say for a moment.

She should be happy. After all, Qin Yu was really in love with her brother.

But...Where did this "bad man" come from?

Liang Jiahao wasn't that bad, was he?

Liang Zixuan was so confused that she wanted to cry, but she couldn't. "Then how come my brother got into this 'bad' state? What makes your mother think that my brother is so bad?"

Qin Yu sighed and puffed out her cheeks. "When I was talking to my mother about this the other day, I asked her if she would like to meet the man I like. And then she asked me about him."

Liang Zixuan nodded. "And then? What did you say?"

Qin Yu licked her lips and remembered it carefully before she said slowly, "I said he's a bit old, he's thirty years old. He works for someone else, and his mother passed away a long time ago. His father went to prison, and he is only left with his grandparents and a younger sister. He is very good, he can cook, and all women love him."

Liang Zixuan didn't know whether to laugh or cry as she looked at Qin Yu. "Are you sure you're talking about my brother?"

"I am!" Qin Yu nodded seriously. "Auntie, isn't your brother thirty years old?"

Liang Zixuan: "..."

Qin Yu counted with her fingers one by one. "Doesn't he work for the country?"

Liang Zixuan: "..."

"Didn't your mother die a long time ago? Isn't Wei Guowei in prison right now?"

Liang Zixuan: "..."

"Doesn't he only have Grandma Yanyun, Grandpa Qiao, and you?"

Liang Zixuan: "..."

Heavens...

Liang Zixuan actually ran out of words after hearing these questions.

Yes, Qin Yu's answers to her mother's questions were indeed correct, but she made it sound bad!

Liang Zixuan had finally found the root of the problem. Qin Yu hadn't lied or exaggerated. What she said actually corresponds to Liang Jiahao's current situation.

But ... This didn't mean Liang Jiahao was so bad!

Liang Zixuan patted Qin Yu's shoulder, and suddenly she felt very tired. According to Qin Yu's words, the entire Qin Family probably didn't want to hear anything related to her, let alone see Liang Jiahao at this moment. But that didn't mean Liang Zixuan wouldn't do anything.

"Alright, leave this to me."

After saying that, she got up from the bed. Qin Yu asked her in confusion, "Auntie, how are you going to save me?"

Liang Zixuan laughed a little. "You have to wait and don't ask about it anymore. From now on, stop talking about my brother with your mother and family, okay?"

The more Qin Yu said something, the worse the image of Liang Jiahao would be in their hearts.

If their first impressions of him were like this, then how would Liang Jiahao get past Qin Yu's parents in the future?

Qin Yu pouted. "Alright then. I'll leave everything to you."

She took Liang Zixuan's hand and said pityingly, "Auntie, can you hurry up? The longer I stay in this room, the more miserable I will be."

Liang Zixuan pinched Qin Yu's cheek. "Obediently stay here and wait to become my sister-in-law!"

After saying that, she left the Qin Family Residence and went to look for Liang Jiahao.

After entering his office, Liang Zixuan threw her bag on the coffee table and stood in front of Liang Jiahao's desk with her arms folded in front of her chest. She said with a smile that wasn't a smile. "Big brother, I have good news and bad news for you. Which one do you want to hear first?"

Liang Jiahao raised his head from the document and looked at Liang Zixuan expressionlessly.

In the past few days, he had called Qin Yu many times, but all his calls were rejected.

Liang Jiahao didn't know what had happened to her. Her expression when she left his house that day was full of pity for him. After that, she didn't come to see him again and rejected his phone calls.

This put Liang Jiahao in a very bad mood.

He continued to look at the document in his hand. With an indifferent tone, he said, "I don't care."

"How can you not care?" Liang Zixuan snatched the document from Liang Jiahao's hand and put it aside. "Big brother, these two pieces of information are related to Qin Yu. Do you really not care?"

Liang Jiahao's eyes narrowed slightly. When he saw the mischievous smile on Liang Zixuan's face, he felt that something good must have happened.

His mood was also getting better. "Then let's hear the bad news."

"Huh?" Liang Zixuan was puzzled for a moment. Wouldn't people rather hear the good news first?

She shook her head. "I will tell you the good news first."

Liang Jiahao: "Then why are you asking me? Just say it directly."

Liang Zixuan laughed sheepishly and sat down on the chair. She leaned forward and waved at Liang Jiahao. Liang Jiahao moved forward, closer to her. Then he heard her whisper, "Qin Yu told me personally that she likes you!"

Liang Jiahao's eyes immediately lit up. He pursed his lips and tried to hide his smile. He was very proud of himself.

Seeing him like this, Liang Zixuan knew that Liang Jiahao was very happy. Then she poured a bucket of cold water over him. "The bad news is that Qin Yu's parents already know about this, but they don't know that the person she likes is you. They just know that the person she likes is a bad old man."

"Bad?" Liang Jiahao's face instantly darkened. He backed away and tried to look at himself. Then he raised his eyebrow and asked Liang Zixuan, "Do I look that bad?"

"Of course you're not bad!" Liang Zixuan was very confident with her own brother. "It's just that the description Qin Yu gave of you has caused people from the Qin Family to have a bad impression of you."

Liang Zixuan rose from the chair and picked up her bag. As she walked to the door, she said, "Qin Yu has been locked up by her mother for a few days now. You have to figure out a way to save your lover."

NovelusB.COM

When she reached the door, she suddenly turned around and gave Liang Jiahao a big smile. "Big brother, don't disappoint me. I'm waiting for you to save my sister-in-law."

As soon as Liang Zixuan left, Liang Jiahao looked at the time. It's not noon yet.

Then, he took a piece of paper and began to write something on it.

Very quickly, Liang Jiahao made a plan that suited him the best.

At three o'clock, Liang Jiahao came out of work. He first went home to change into a clean suit and then came out with his car keys after making sure he looked good.

He had just driven a few hundred meters when he noticed a black business car following him.

Oddly enough, the car seemed to have been following him for a couple of days. Wherever he went, the car followed him.

Liang Jiahao didn't mind that someone was following him. After all, he didn't do embarrassing things.

But now, he had to go to Qin Yu's house.

Qin Yu was already in a meddling state right now, and Mao Ping's case had not yet been resolved. If the person who followed him was a reporter and the reporter followed him to Qin Yu's house, it would cause a bad influence on her life.

The car could barely keep up with Liang Jiahao's car at first, but after a while, it was left far behind by him. The car was then blocked by the traffic light, and in the end, the driver could only watch Liang Jiahao's car disappear before his eyes.

The driver hit the steering wheel gloomily. "Damn it! I've lost him!"

Chapter 536 – Visiting The Qin Family I

A person besides the driver who was holding onto a video camera said gloomily, "What happened? You've been able to keep up with him over the past few days, and now you are suddenly unable to keep up with him?"

"What else could it be?" The driver was so angry that he hit the steering wheel again. "He must be doing something embarrassing right now. Why else would he want to get rid of us so badly?"

"Oh?" The cameraman thought for a moment and suddenly said with a smile. "I think he is looking for Qin Yu. How about we just go to her house and monitor him there? Even if we couldn't catch anything inside the house, we can at least get Liang Jiahao's pictures when he leaves the house."

"You're right! But the boss wants us to expose his relationship with Qin Yu and then take the opportunity to make her reputation worse. Since Liang Jiahao is so hard to deal with, why don't we focus on Qin Yu?"

They both snickered and the car drove to Qin Yu's house.

????

Liang Jiahao looked at the time and parked his car by the side of the road. He sat in the car and didn't get out in a hurry.

It wasn't until Liang Jiahao saw Qin Shaoqiang's car drive through the gate did he get out as if nothing had happened.

Qin Shaoqiang was about to go inside when he suddenly saw Liang Jiahao.

"President Liang!" Qin Shaoqiang waved his hand at him.

Liang Jiahao smiled politely and walked towards Qin Shaoqiang, shaking his hand. "Director Qin, hello."

Qin Shaoqiang was overwhelmed by Liang Jiahao's presence. "President Liang, you actually remember me?"

"Of course." Liang Jiahao didn't mean to flatter Qin Shaoqiang, nor did he try to please him. As usual, he laughed and said, "The relationship between the Qin Family and the Han Family is very good, how could I not remember Director Qin?"

"Haha..." Qin Shaoqiang laughed out loud. "Yes, yes, you are right. When you put it this way, it can be said that we are related. Should I call you Brother Liang then?"

Han Yuanjun was Qin Shaoqiang's cousin and Liang Jiahao was certainly of the same generation as Han Yuanjun.

When Liang Jiahao heard this, he almost threw up because of his internal injuries.

Liang Jiahao squeezed Qin Shaoqiang's hand and forced himself to laugh. "No need, you don't have to be so polite. I'm still your junior, you don't have to be so polite."

"How can that be?"

It wasn't easy for Qin Shaoqiang to find a relationship with Liang Jiahao, so how could he give up so easily?

Qin Shaoqiang patted Liang Jiahao's shoulder. "Brother Liang, from now on, I will call you Brother Liang. If you have free time, come visit me at home."

Why did this "Brother Liang" sound so strange to Liang Jiahao?

However, now wasn't the time to argue about this.

Liang Jiahao said in a serious tone. "Well, I have time now, can I come in?"

Qin Shaoqiang: "..."

He only spoke casually, he didn't expect Liang Jiahao to really agree!

There were many people who wanted to entertain Liang Jiahao. They wanted to invite him to dinner and get in touch with him, but he never agreed or went to a banquet that someone invited him to, let alone being someone's guest in a house.

His clean and honest image was immediately imprinted in people's hearts, and at first, there were still many people who wanted to try to get along with him, but when they found out that they couldn't, they all gave up.

However, now Liang Jiahao took the initiative and said that he had time to visit Qin Shaoqiang's family?

Heavens ... Wasn't Liang Jiahao's reputation as big as Han Yuanjun's?

Qin Shaoqiang was scared half to death, but at the same time, he was so happy that he was about to go mad.

Excitedly, he grabbed Liang Jiahao's hand and dragged him into the house. "Since Brother Liang has time now, please come inside. I didn't know you would come, so I didn't prepare anything. I hope you don't mind."

Behind them, the black car was parked far to the side of the road. When the driver saw Liang Jiahao and Qin Shaoqiang enter the house, he asked excitedly, "Did you take the picture?"

"Yes, you can be sure!" The cameraman said excitedly. "I told you that Liang Jiahao left us to go to Qin Yu's house. My guess is correct!"

"Right, right, you are still smart!" The driver handed him a cigarette as a reward. "Let's wait here for now. We will definitely get good pictures of Qin Yu and Liang Jiahao together later!"

On the other hand, as soon as Qin Shaoqiang walked in the door, he shouted, "Xiu Xiu, come here quickly! We have a guest today. Come quickly and see who he is!" *NoVelusB.co*

Lin Xiu was sitting in the living room watching an idol show. When she heard Qin Shaoqiang's voice, she stood up and walked gracefully to the door. When she arrived, she was shocked to see Liang Jiahao changing his shoes.

"Did you recognize him?" Qin Shaoqiang asked proudly.

Lin Xiu smiled and nodded. "Of course, he is Liang Jiahao, the CEO of China Securities Bank!"

Liang Jiahao looked up and saw Lin Xiu. He had been wondering why Qin Yu was so beautiful, and it turned out that the genes in her family were really good. Her father was refined and her mother had a noble temperament and beautiful appearance.

Liang Jiahao nodded politely to Lin Xiu, "Hello, auntie."

"Haha..." Lin Xiu smiled and said, "Why do you call me aunt? You are Liang Zixuan's brother, calling me sister is fine."

Liang Jiahao pursed his lips. "Zixuan is Zixuan. I am me. According to my age, I should call you aunt."

As soon as he said that, he turned to Qin Shaoqiang. "Uncle, what do you think?"

Qin Shaoqiang: "..."

Qin Shaoqiang wanted to call Liang Jiahao "Brother Liang" and although this was his one-sided wish, he wasn't willing to admit his loss.

But at the same time, Qin Shaoqiang was also confused. Why did Liang Jiahao come to his house?

Qin Shaoqiang didn't have a close relationship with Liang Jiahao, unlike how he was with Han Yuanjun.

But no matter what, Qin Shaoqiang felt that Liang Jiahao was giving him face in this way. He smiled awkwardly and patted Liang Jiahao's shoulder. "You can call me whatever you want."

Then, he said to Lin Xiu, "Xiu Xiu, hurry up and go to the kitchen. Prepare some dishes for our guest here. And also, please bring some good tea."

Lin Xiu was also very happy. She had long heard about Liang Jiahao. He was an existence that was unattainable for anyone. Many wealthy families wanted to have a good relationship with him, but he never once indulged them.

Of course, with the exception of the Han Family. But Liang Jiahao's relationship with the Han Family was not something ordinary or strange.

Other families had been waiting for Liang Jiahao to become their guest, and just by the fact that he came to her house willingly was enough for Lin Xiu to brag among the aristocratic women for a year!

"Alright, alright, I will leave now. Since Shanyuan has also just returned, I will ask the servants to cook delicious food. Please wait for a while. It will be ready soon."

After she finished speaking, she personally went to the kitchen to supervise the servants.

Chapter 537 – Visiting The Qin Family II

While Liang Jiahao was sitting in the living room, the servant quickly brought the tea. He thanked her and looked around until he saw a staircase to the second floor. His eyes darkened.

His little girl must be suffering at this moment.

Qin Shaoqiang greeted Liang Jiahao with a smile. "Brother Liang, why do you suddenly come to visit us today?"

Liang Jiahao looked away, picked up his teacup, and took a sip. He chuckled and said, "If I told you that I came here specifically to visit you and aunt, would you believe me?"

"Ah?" Qin Shaoqiang was stunned and could not respond for a while.

To visit his family?

This ...

"Haha ..." Qin Shaoqiang rubbed his hand. "You are not here by coincidence?"

Liang Jiahao shook his head seriously. "No."

Qin Shaoqiang's thoughts were spinning fast. Suddenly, he thought of something and his face turned pale. "Could it be... Is it because something happened to our company's loan?"

At this moment, Qin Shanyuan walked down the stairs and saw a guest in the living room. He walked over curiously. When he saw Liang Jiahao, his eyes lit up and he exclaimed happily, "Uncle, why are you here?"

Liang Jiahao: "..."

The seniority in this big family was really a bit too outrageous!

Qin Shanyuan saw Liang Jiahao's expression turn bad and he quickly took an apple from the fruit plate and handed it to him. "Uncle, did something happens to our company's loan?"

Liang Jiahao looked at the apple and sighed.

This sigh scared Qin Shaoqiang and Qin Shanyuan to death.

They both looked at each other and felt like the sky was going to collapse.

The three men sat there in silence for a long time. If Lin Xiu hadn't broken the awkward silence, Qin Shaoqiang and Qin Shanyuan would surely piss themselves.

Liang Jiahao's aura was too strong. He just sat there and said nothing, but it was enough to scare them half to death.

"It's dinner time. Don't sit there any longer, let's eat."

Qin Shaoqiang wiped the cold sweat from his forehead and said with a smile. "Brother Liang, let's eat. If there's anything, we can talk while we eat."

????

Qin Shaoqiang took out a bottle of good wine and poured it for himself and Liang Jiahao.

He raised his glass and said, "Brother Liang, let's toast each other."

Without saying anything, Liang Jiahao raised his glass and toasted with Qin Shaoqiang's before finishing it in one gulp.

Liang Jiahao felt that one glass wasn't enough, and so, he poured another glass for himself and Qin Shaoqiang.

Qin Shaoqiang's tolerance to alcohol was not so good. After five glasses, he felt a little drunk. He held Liang Jiahao's hand and sighed. "It's really not easy to do business now. How can someone develop a new project without funds? Brother Liang, tell me the real reason. Did something happen to our loan and that's why you came to visit us today?"

Liang Jiahao shook his head. "No."

"No?" Qin Shaoqiang almost cried. "Then why did you personally come to my house? Just be truthful to me. I'll be fine. My heart's condition is very good, and my mental endurance is also very strong. Tell me, I can handle it."

Liang Jiahao took the wine bottle and poured another glass for Qin Shaoqiang. After seeing him drinking, Liang Jiahao then said neither hurriedly nor slowly. "I heard from others that you all have a deep misunderstanding about me, so I came here today to clear it up."

"Misunderstanding?" Qin Shaoqiang was taken aback. "How is that possible? What kind of misunderstanding could we possibly have towards you?"

Lin Xiu and Qin Shanyuan also nodded in confusion. "Yes, why would there be a misunderstanding between us?"

Liang Jiahao raised his eyebrow and glanced at their faces. His cold voice suddenly became deep. "Am I that bad?"

Bad?

Qin Shaoqiang stared at Liang Jiahao with his eyes wide open. He paused, not knowing what to say.

How could Liang Jiahao be bad?

His character was upright, his actions were swift and decisive, and he was the appointed CEO of China Securities Bank. In just a few months, his reputation and character had been the talk among people in the business circles.

Although he was heartless and merciless in his actions, this only proved that he was a person of integrity, who was not easily deceived by benefits or temptations.

Can such a man be called bad?

Certainly not!

What a fine young man he was.

Lin Xiu felt the word "bad" sounded familiar, but she thought of nothing.

She smiled and stood up, picked up the wine bottle, and personally poured the wine for Liang Jiahao. "Who is chewing behind our family's back? How can someone like us say such embarrassing words? Hehe...Jiahao, don't listen to other people's nonsense. It's not something you should take to heart."

Qin Shaoqiang and Qin Shanyuan finally reacted and nodded at the same time.

Qin Shanyuan put his hand on his heart and expressed his loyalty to Liang Jiahao. "Uncle, this is impossible! Others may not know about your character, but how can our family not know? The person who said that you are a bad man definitely has no eyes!"

Liang Jiahao's lips twitched a little. He picked up the glass and drank the wine in one gulp. Putting down the glass, he looked up at Lin Xiu and chuckled. "I heard that I am not only a bad man in your eyes, but also an old man who needs a woman's care?"

"W-what?" Lin Xiu was a little frightened by the faint smile on Liang Jiahao's lips. From his tone, it sounded like a joke, but his expression showed that it wasn't.

Lin Xiu shook her head vigorously. "No! That's completely impossible. How can you need a woman to raise you? You are not an old man either, you are so heroic and mighty!"

Liang Jiahao nodded and asked again, "Then my family is full of old and weak people. Does that refer to my grandparents and my sister?"

Lin Xiu: "..."

Why did these words seem so familiar the more she heard them? As if she had heard them somewhere before.

But where had she heard them before?

Lin Xiu cannot remember anything.

Qin Shaoqiang was already drunk. When he heard this, he got so angry that his face turned red. "Who is this person?! Did he deliberately try to sow discord between our two families?"

"Brother Liang!" Qin Shaoqiang held Liang Jiahao's hand, and the more he said it, the angrier he became. "Tell me, who is the person who is saying so much nonsense about our family? I want to see if I can tear his mouth!"

Liang Jiahao narrowed his eyes. "Someone who is weak told me."

The three people of the Qin Family were confused. Thinking back to what Liang Jiahao had said just now, it took them a long time to realize that it was Liang Zixuan.

Liang Zixuan?

How could she say such words?

Lin Xiu blinked hard and said grievingly, "Did Zixuan misunderstand something? How can we say such a thing?"

Qin Shanyuan angrily nodded his head. "Aunt must have misunderstood something. Uncle, don't take it to heart. Tomorrow, I will explain this matter to her."

"No need." Liang Jiahao saw that he had scared the whole family. A smile appeared on his face as he patted Qin Shanyuan's shoulder. "Don't worry, I have already said it, I am here today to clear up this misunderstanding."

Qin Shanyuan: "... *novelusb.com*

How could he not be nervous?

Saying that Liang Jiahao was bad and that his family was old and weak; this was a huge misunderstanding!

"Uncle, I want to stay calm, but ..."

Liang Jiahao smiled. "Let's talk about something else."

Qin Shaoqiang, Lin Xiu, and Qin Shanyuan nodded in relief. They had wanted to end this topic since a long time ago.

Liang Jiahao picked up his chopsticks, picked up a pork chop, and put it in his bowl. Just as he was about to eat, he suddenly stopped.. He looked around doubtfully. "Did we miss someone?"

Chapter 538 – Visiting The Qin Family III

"Hmm?" Lin Xiu was stunned for a moment. She looked at Qin Shaoqiang and Qin Shanyuan before shaking her head. "We don't miss anyone here. They're all here."

Liang Jiahao frowned and put down his chopsticks. The pork chop remained untouched in the bowl.

He suddenly coughed lightly and said in a serious tone. "I miss my girlfriend."

Girlfriend? *nOveUsB.Comm*

The Qin Family stared blankly at Liang Jiahao, feeling that dinner had suddenly become depressing.

Lin Xiu smiled awkwardly. "Why don't you bring your girlfriend with you? Otherwise, we could've dinner together."

Liang Jiahao immediately complained. "I wanted to bring her too, but you guys locked her up."

Locked her up?

"W-what?" Even now, Lin Xiu still hadn't connected Qin Yu's relationship with Liang Jiahao.

Because she never would have thought that the bad and useless man mentioned by Qin Yu would be him.

After all ... Everyone wanted to marry their daughter to Liang Jiahao, but he didn't seem to be interested in women, so it was logical that Lin Xiu couldn't connect Qin Yu's relationship to him.

Lin Xiu was very nervous and also anxious. She quickly explained, "We don't lock anyone up! How could we possibly lock up your girlfriend? Even if we grew a leopard's heart one day, we still wouldn't dare to lock her up."

Qin Shaoqiang was half afraid and almost cried. "Brother Liang, this is a big misunderstanding! Our family is innocent, we've never committed such a crime!"

Liang Jiahao pursed his lips. He had already hinted to them clearly, how could the family not understand?

He sat up straight in his seat and looked at Qin Shaoqiang and Lin Xiu with a fiery gaze. He literally said, "Do you know Qin Yu?"

Qin Shaoqiang and Lin Xiu nodded blankly. "Yes, yes ..."

Liang Jiahao nodded. "I, Liang Jiahao, is the man that Qin Yu had mentioned. I am the 'bad' man you guys have been talking about."

Pa! Pa! Pa!

Suddenly, the sound of three pairs of chopsticks falling onto the table was heard.

Qin Shaoqiang, Lin Xiu, and Qin Shanyuan all opened their eyes wide and looked at Liang Jiahao in surprise.

Liang Jiahao waited for a full two minutes and received no response from the three of them. They just looked at him in astonishment. He sighed softly. "It seems that I am really terrible in your eyes."

Qin Shaoqiang, Lin Xiu, and Qin Shanyuan were all knocked unconscious by Liang Jiahao's words.

A big cake had fallen from the sky onto their family.

Qin Shaoqiang's mouth twitched. Even now, he still couldn't believe what he'd just heard. He raised his hand to interrupt Liang Jiahao's words and asked in disbelief. "Brother Liang, you said that your girlfriend is our family's Qin Yu?"

Liang Jiahao licked his lips and nodded. "Yes and no."

Lin Xiu was so happy that her heart almost exploded with joy, but after hearing Liang Jiahao's last words, she immediately became gloomy. Gritting her teeth, she cautiously asked, "What do you mean by 'yes and no'?"

Liang Jiahao explained, "I've been chasing Qin Yu for quite a while, and I can feel her deep feelings for me. But she's afraid to be with me. She's afraid that her family wouldn't accept our relationship. And if Zixuan hadn't told me about this, I would still forever be in the dark."

Liang Jiahao paused and suddenly looked at Lin Xiu. "Aunt, what's wrong with me? You can tell me, and I'm willing to change! I really like Qin Yu and my goal is to marry her."

Lin Xiu hurriedly waved her hands. "There's nothing wrong with you! That damnable girl, if she said earlier that the person she likes is you, how can there be any misunderstanding! How can I disagree?"

Only now did Qin Shanyuan realize that Qin Yu's words about how good the man she liked were all true.

Because the man was Liang Jiahao!

They'd never have thought it could be him!

It wasn't that they didn't want to think about the idea, it's just they didn't dare to.

Qin Shanyuan was so angry that his teeth itched. He suddenly stood up and said, "Mom, I'm going to grab that foolish girl right now."

Lin Xiu raised her hand to stop him. "I'll go! Stay here and eat and drink with Jiahao. I'll go get that idiot myself."

That damned girl, she almost killed them!

She'd clearly found an outstanding man, and yet she chose to play around with her words and fight them.

If Liang Jiahao hadn't come in person today, they would have made a big mistake!

If the extraordinary son-in-law had slipped away from her grasp, Lin Xiu would spend the rest of her life beating herself in remorse.

Hearing Lin Xiu's words, Liang Jiahao quickly held her hand and said sincerely, "Aunt, be kind to Qin Yu. Please don't hurt her, otherwise, my heart will ache for her."

Lin Xiu smiled and patted Liang Jiahao's hand. "Don't worry, I won't hit her. I just want to bring her to you."

Satisfied, Liang Jiahao withdrew his hand and continued to eat and drink with Qin Shaoqiang and Qin Shanyuan.

With all that being said, the misunderstanding was finally cleared up, and the atmosphere at the dining table immediately got better.

Qin Shaoqiang was so afraid that he immediately woke up from his alcoholic state. And now, he was very calm while chatting and laughing with Liang Jiahao. "So the reason you came here today is because of this girl?"

Liang Jiahao smiled. "Yes, I heard from Zixuan that she was locked up in her room by aunt. I was so worried and immediately came here."

Qin Shanyuan almost spat out his wine. He slapped his thigh and gritted his teeth in anger. "Now I realized why this idiot asked aunt for help. Even though her relationship with aunt is pretty good, things like this shouldn't be discussed with anyone outside the family. She went looking for aunt because she wanted to let you know! Aiya, if I had known that the man she likes is you, I would have asked my mother to let her go a long time ago."

Liang Jiahao enjoyed Qin Shanyuan's flattery, thus he raised his glass and clinked it with Qin Shanyuan's glass. "Big brother, let's have toast."

Qin Shanyuan almost pissed in his pants. The "big brother" addressing almost made him have a heart attack.

"Haha ..." Qin Shanyuan, overwhelmed by the way Liang Jiahao called him, could only smile. "Please don't call me big brother, I can't accept it."

Liang Jiahao patted him on the shoulder and smiled with satisfaction. "But I want to call you that! You're Qin Yu's big brother, so that means you're my big brother too."

Heavens!

Qin Shanyuan felt that he wanted to fly high into the sky.

Liang Jiahao called him big brother?

Big brother?

He was afraid that Liang Jiahao was really drunk.

Liang Jiahao then turned to Qin Shaoqiang. "Dad, as for your company's loan, you should ask someone to check the bank account. I already signed it two days ago, and the money should be in your account tomorrow."

Qin Shaoqiang's wine was immediately sprayed out of his mouth.

D-dad??!!

Chapter 539 – Visiting The Qin Family IV

D-Dad??!!

Liang Jiahao had just called him dad!

Emma...This was insane!

In just one hour, he'd become Liang Jiahao's father!

Qin Shaoqiang pinched his thigh. When he felt the excruciating pain, he finally realized that he wasn't dreaming.

He moved his chair to Liang Jiahao's side, held Liang Jiahao's hand, and said with tears on his face. "My good son-in-law, I'll go to the bank myself tomorrow. You don't have to worry ~"

????

Lin Xiu walked briskly all the way to Qin Yu's bedroom. She stood outside the door and took a deep breath, resisting the urge to enter, and gave Qin Yu a good whack on the head.

Lin Xiu elegantly pushed open the door and walked in. While doing so, she said, "Miss Qin, quickly get ready. A guest has come to our house today."

Qin Yu was lying down on the bed. She glanced at Lin Xiu from the corner of her eye. Seeing her smiling face, Qin Yu snorted coldly. "What has that got to do with me? I told you guys that if you don't agree with my choice, I won't go out! You all can continue to support me for the rest of your lives!"

"Qin Yu, don't be like that..." Lin Xiu pulled Qin Yu up from the bed. Smiling, she said, "He is our important guest. Hurry up, take a shower and then put on makeup. Mom will choose your dress."

Qin Yu looked at Lin Xiu's sly smile and goosebumps suddenly covered her whole body. "Mom, why do I suddenly feel that you want to sell me?"

"Haha..." Lin Xiu laughed out loud and pushed Qin Yu into the bathroom. "Hurry up, don't let the guest wait too long."

Qin Yu had a confused expression on her face as she took a shower. She'd just wiped the water off her body when Lin Xiu came in with a mid-length pink dress. Without saying anything, she pushed the dress to Qin Yu.

After Qin Yu put on the dress, Lin Xiu pushed her down on the chair in front of the dressing table. She took the hairdryer and began to blow dry Qin Yu's hair.

Qin Yu watched her mother as if she (Lin Xiu) had grown a horn. The noble and arrogant Lin Xiu was helping her dry her hair!

Qin Yu looked out the window and saw that the sky was almost completely dark. She mumbled to herself, "Is the sunset on the east today? And tomorrow the end of the world?"

Lin Xiu, who was standing behind Qin Yu, turned her head back to the mirror. "Don't move. I'm trying to blow-dry your hair."

After her hair was blow-dried, Lin Xiu took out Qin Yu's makeup and personally applied it on her.

Qin Yu stared blankly at the smile on Lin Xiu's face. She could not help but ask, "Mom, are you sure you are not selling me out?"

Lin Xiu took the mascara and smiled. "Qin Yu, be good and close your eyes."

Qin Yu: "...."

Did her mother eat something wrong today?

Had she finally gone crazy?

Qin Yu did not close her eyes, instead, she asked angrily. "Mom, stop dodging the question! You wouldn't really sell me out, would you?"

Lin Xiu chortled. "There is actually someone waiting for you downstairs. He's really outstanding and no, I will not sell you out. Be good and close your eyes. We can't keep our guest waiting too long."

What a lie!

Qin Yu's heart immediately turned rough. Apparently, Lin Xiu had found a great man and was even willing to sell her at a good price!

"Mrs. Lin! Am I your biological child or not? Or am I perhaps the illegitimate child you gave birth to behind dad's back?!"

"What are you talking about?" Lin Xiu slammed the mascara on the table and asked majestically, "Are you going to close your eyes or not?"

"I'm not closing my eyes!" Qin Yu immediately cried out. "How can you do this to me? I am your own daughter, and you want to sell me!"

Lin Xiu began to get angry. Qin Yu stubbornly refused to close her eyes, so she stopped forcing her to wear mascara and took the fake eyelashes from the side and stuck them on Qin Yu's eyelids.

Due to Qin Yu's struggle, the eyelashes were stuck to the side. Lin Xiu cruelly pinched her waist and as Qin Yu held her waist in pain, Lin Xiu took this chance to glue the eyelashes back on.

"I haven't settled the score with you yet! If he hadn't told me not to be angry with you and treat you well, I would slap you as soon as I got here!" Lin Xiu took lip gloss and smeared it on Qin Yu's lips. Once she was satisfied with Qin Yu's appearance, she dragged her downstairs.

Qin Yu's head was filled with Lin Xiu's words and the more she thought about it, the more scared she was. When they reached the stairs, Qin Yu quickly pushed Lin Xiu's hand and clung to the stairs, refusing to go down no matter what.

"I'm not going! Mom, I'm still very young. Do you really have the heart to sell me like this?"

Lin Xiu was so angry. "When you fall in love, why don't you feel that you are still young? Now you're telling me this, let me tell you, it's too late!"

"Wuwuwu... Mom, how can you treat me like this? If you really can't accept the man I love, then fine I admit defeat! You don't have to sell me, okay? I will listen to your words after this. I don't want to marry this old man you're trying to set me up with!"

Qin Yu was very sad. At this point, she finally understood that despite how many opponents she had faced, she really can't fight with Lin Xiu.

"I'm in the wrong. Mom, I beg you, please let me go."

The more Qin Yu cried, the more she grieved. Lin Xiu looked at Qin Yu's make-up face and saw that the make-up was almost ruined, so she forcefully pulled Qin Yu down the stairs.

"Stop crying! There's no point in begging me. I've already made up my mind. I will let him marry you!"

"Mom ...Mom! I'm not going, please don't force me.."

Lin Xiu dragged Qin Yu into the dining room and laughed smugly as she said, "There's no point in you begging and crying. What I've decided in this house is an imperial decree!"

No matter how much Qin Yu resisted, Lin Xiu still dragged her into the dining room.

Qin Yu was crying miserably as she looked at the uninvited guest sitting with his back facing her. She was so angry that her intestines were twisted together.

Humph! *novelUSB.com*

It was unknown where Lin Xiu had found this man, and there was no way Qin Yu would let Lin Xiu sell her to this man without a fight.

Qin Yu stood behind the man and sniffed. She cracked her knuckles forcefully, making loud noises. She sneered and walked to his side.

She did not even bother to see what he looked like. She grabbed him by the collar and pulled him up brutally.

The man was forced to raise his head due to the actions of hers. And at that moment, their eyes met.

Qin Yu was caught off guard when her eyes met with a pair of gentle eyes. Her heart began to beat fast.

Lin Xiu was in shock. If she lost this outstanding son-in-law because of Qin Yu's outrageous behavior, she would go crazy with rage.

She was about to stand up and pull Qin Yu away when Liang Jiahao suddenly raised his hand to stop her.

He looked into Qin Yu's eyes, which had changed from anger to surprise, and asked with a gentle smile. "Do you miss me?"

Chapter 540 – Visiting The Qin Family V

Qin Yu blinked several times. Suddenly, she thought of something and shouted, "Why are you here? Leave or my parents would break your legs!"

Qin Shaoqiang: "...."

Lin Xue: "...."

What was this damned girl talking about?

Breaking Liang Jiahao's legs?

How would they dare!

Liang Jiahao sat back in his chair and grabbed Qin Yu's hand that was on his collar. He pulled her hard and she immediately fell into his laps.

Looking at the little girl, who was deep in thought, Liang Jiahao slowly lowered his head and kissed her lips.

Qin Yu's brain quickly exploded.

Was Liang Jiahao seeking death?

How dare he kiss her in front of her parents!

"Mmm mmm ..." Qin Yu struggled for a moment. Fortunately, Liang Jiahao also knew that this was not the right time and place. He remembered that he was at the Qin Family Residence.

"Liang Jiahao!" Qin Yu gasped for a moment before she carefully glanced at the reactions of Qin Shaoqiang and Lin Xiu. She asked angrily, "Are you really not afraid of being beaten to death by my parents? They think you are a bad man!"

Qin Shaoqiang's and Lin Xiu's faces immediately darkened. It's worse than the bottom of the pot.

Lin Xiu coughed and forced herself to smile towards Liang Jiahao. When her gaze fell on Qin Yu, her face darkened again and she scolded softly, "This girl, when did I say Liang Jiahao was bad?!"

Qin Yu argued. "Did you hit your head somewhere? You said that a few days ago!"

She raised her hand and pointed to the couch in the living room. "You said that he was useless and that he was an old man who only knew how to trick little girls!"

Lin Xiu: "..."

She really wanted to put this damned girl back in her stomach. What should she do now?

How could she give birth to a daughter who was so stupid?

Lin Xiu kept staring at Qin Yu, telling her to shut up. However, not only did Qin Yu not shut up, she even whined in a wronged manner. "And when I said that I wanted to be with him, you locked me in my bedroom and refused to let me out!"

Lin Xiu was on the verge of breaking down. She stomped Qin Shaoqiang's feet hard under the table, asking him to do something.

Qin Shaoqiang was in so much pain that tears welled up in his eyes. He rushed out to smooth things over. "Qin Yu, your mother just misunderstood. You didn't say that the person was Liang Jiahao."

Qin Yu pouted. "How could I dare to say it's him when we are not together yet? What if mom went to China Securities Bank and looked for trouble with him? How awkward would that make me later!"

Suddenly a low laugh came from the man's lips. It was a low and deep laugh, like the sound produced by a cello. It's fun to listen to, and his laugh also had a certain charm on it.

Qin Yu was taken aback. She looked at Liang Jiahao and then at Qin Shaoqiang and Lin Xiu. Finally, as if she understood something, she shouted in realization. "Liang Jiahao, could you possibly be here to save me?"

Liang Jiahao gently stroked her head. "What do you think?"

Qin Yu glanced at the stinking faces of Qin Shaoqiang and Lin Xiu and finally understood that Lin Xiu actually wanted to sell her to Liang Jiahao!

"Hahaha..." Qin Yu laughed happily and got up from Liang Jiahao's laps. She sat down on a chair next to him and then looked at Qin Shaoqiang and Lin Xiu with a happy expression. "So...You agree to let me be with him?"

Lin Xiu resisted the urge to roll her eyes. She smiled and nodded. "Of course, why not? He personally came to our house to court you with the intention of marrying you. How can we object to that? Are we really that bad for you to think of us that way?"

Qin Yu chuckled. "Aren't you?"

Who's the one who wouldn't allow her daughter to be with the murderer's son even if she was beaten to death?

Qin Yu remembered everything!

Now that Liang Jiahao had come to visit in person, Lin Xiu's impression of him changed immediately.

Tch!

Qin Yu had already said that Liang Jiahao was an outstanding man and could be compared to her father, so how could he not enter Lin Xiu's eyes?

Liang Jiahao took a piece of pork chop and put it in Qin Yu's bowl. Then he took two shrimp and put them in his bowl. After peeling off the skin, he put them in Qin Yu's bowl.

After receiving Liang Jiahao's unexpected visit, Lin Xiu forgot to ask the servant to bring dinner to Qin Yu.

Qin Yu was so hungry that she started gobbling down the food as soon as Liang Jiahao put them in her bowl.

The corner of Lin Xiu's eyes twitched when she saw this. This damned girl had really thrown her manners into the trash can.

"Qin Yu." Lin Xiu smiled awkwardly. Although she was smiling, her tone was full of threats. "What did I teach you? You must be dignified when eating. You mustn't be hasty, you mustn't be fast, and you must eat slowly."

"Mom, it's fine." Liang Jiahao put another piece of chicken in Qin Yu's bowl and said with a smile. "I love watching her eat like this."

Just calling her "mom" made Lin Xiu so happy that she almost flew into the sky.

How could she still be in the mood to correct Qin Yu's manners?

Lin Xiu thought that with Qin Yu's unruly image as a woman, she could never attract any good man.

Never in her life did she expect that Qin Yu's attitude could attract Liang Jiahao.

She was very happy and nodded quickly. "As long as you like it."

Qin Yu lifted her head from her bowl and looked at Liang Jiahao. She snorted in disdain. "You changed your words so quickly. I haven't agreed to be your girlfriend yet! Until then, you can't call my mother that way."

"This girl!" Lin Xiu gritted her teeth and warned her. "What nonsense are you talking about? Are you trying to sever my ties with him because of your petty behavior? Shut up and eat your food!"

Qin Yu pouted and looked at Qin Shaoqiang. "Dad, you're in charge of your wife and this family. Look at mom, I haven't agreed to be with Liang Jiahao yet, and she's already getting anxious to have him as her son-in-law."

Qin Shaoqiang glanced at Liang Jiahao and coughed a little before saying seriously. "I am the head of this family. If I say you are Liang Jiahao's girlfriend, then you are. You have no right to disagree."

Liang Jiahao nodded with satisfaction. He raised the wine glass beside his hand, stood up, and toasted to Qin Shaoqiang. "Thank you, dad." nOvelUsB.Com

Qin Shaoqiang quickly raised his glass and clinked it with Liang Jiahao's, then happily drank it.

Qin Yu was dumbfounded. Was this still her own mother and father?

She feared that she wasn't their biological child!

What was going on here?

Previously, Lin Xiu would rather die than letting Qin Yu to be with Liang Jiahao. Now, it was faster than lightning speed, she changed her hostile attitude towards Liang Jiahao into a fawning manner.

Qin Yu puffed out her cheeks and looked at Qin Shanyuan. "Big brother, you're my blood brother, why don't you at least say a few words for me? What I meant earlier was that I wanted to try to get to know Liang Jiahao first. I'm not even sure if I want to be with him."

Qin Shanyuan quickly covered Qin Yu's mouth with his hands and looked at her sorrowfully. "Qin Yu, even though I want to help you, I can't. Brother-in-law promised me that he'll teach me how to shoot and fight when he has time. He even said that he'll definitely fight alongside me if someone is seeking death from me. Such a good brother-in-law, how could I bear to refuse him?"

Qin Yu: "..."

Could it be that Liang Jiahao didn't come to save her, but to bribe her family?
