Chapter 541 – Visiting The Qin Family VI

Qin Yu looked at Lin Xiu's face, which was full of a satisfied smile, and then looked into Qin Shaoqiang's eyes, which were filled with admiration for Liang Jiahao. She did not understand what Liang Jiahao had done to her family?

She pushed Qin Shanyuan's hands away and sat on the chair angrily. She crossed her arms and looked at the people from the Qin Family with a cold snort. "Ha! Now that you have an outstanding son-in-law, you are all quite proud of it! Have you guys ever thought about how that makes me feel? I am your own daughter, I am the one who was born from you! What? Now that I am older, you guys stopped loving me? Don't I have any human rights in this house?"

"I have the final say in this family. You don't need human rights," retorted Lin Xiu.

Qin Yu looked down in frustration and remained silent.

Liang Jiahao saw that Qin Yu was badly hurt, so he held her hand under the table. "Don't be angry, mom and dad think I'm trustworthy and reliable. They are relieved to have me as their son-in-law, so -"

"Humph!" Qin Yu averted her eyes, and her temper was back as she muttered to herself. "I won't listen to your petty excuses. You are just reciting scriptures. Anyway, they don't love me anymore, so you might as well be their son."

Liang Jiahao chuckled. "If you marry me, won't I be their son?"

Qin Shaoqiang and Lin Xiu looked at each other. They were very pleased with what Liang Jiahao said and chuckled.

"Enough, don't be angry." Liang Jiahao ruffled Qin Yu's hair. "The last time you came to my house, you said you really like to eat my dumplings. After you left, I made more. I've been waiting for you to come and eat them."

Qin Yu wasn't actually upset. It's just that Qin Shaoqiang's and Lin Xiu's attitudes changed too quickly, so she can't accept them right now.

And which unmarried daughter wouldn't be jealous when she saw her parents treating her other half better than her?

They always held her in their palms and loved her the most.

Qin Yu drank her juice and said indifferently, "I was locked up by mother, otherwise, I'll already go to your house to get the food."

Liang Jiahao nodded and then asked, "Then why did you reject the call the whole time I called you?"

"My cell phone was confiscated by my mother."

Lin Xiu was shocked when she heard this. She quickly took out Qin Yu's phone, unlocked it with her password, and then checked her phone records. After so long, she still couldn't find Liang Jiahao's name. "I did not see your name here, otherwise, I would have definitely picked it up."

If that was the case, were there still many misunderstandings?

Everyone turned to look at Qin Yu at the same time. Qin Shanyuan asked in a good mood. "Qin Yu, what is brother-in-law's contact name on your phone?" ηOVelυSb.cOm

While she was eating, Qin Yu drank fruit juice. When her mouth was empty, she casually said, "Old pervert."

Qin Shaoqiang: "..."

Lin Xiu: "..."

Qin Shanyuan: "..."

It turned out that the person who was courting death was Qin Yu!

You know, when someone admitted that she really loved that person, she would put an affectionate name under his contact number.

But that was not the case with Qin Yu.

No matter how high Lin Xiu's standards were for her son-in-law, she was still extremely satisfied with Liang Jiahao.

Forget about that.

If she had Liang Jiahao's phone number in her phone, she would worship the ground he walked on.

Yet, this foolish girl put 'old pervert' under his contact.

Old pervert = a bad man.

So, how could Lin Xiu not reject the call in anger when she saw these two words?

Lin Xiu took a deep breath several times. If Liang Jiahao hadn't been sitting next to Qin Yu, she would have chased Qin Yu around the house with a broom!

How could she give birth to such a daughter?

Qin Yu raised her head from the bowl and looked at her family's pained faces. "What's wrong?" she asked in confusion. "Why aren't any of you saying anything? The air has suddenly turned quiet."

Lin Xiu was very angry when she saw Qin Yu's oblivious face. From the corner of her eye, she saw two servants with luggage standing by the door. She smiled in satisfaction. "Son, it's already late. You should go back first. If you come home a little later, I'm afraid it would not be safe for you."

Qin Yu looked at the clock on the wall.

It's only eight o'clock.

Although Qin Yu did not know whether she would agree to be Liang Jiahao's girlfriend, but she really missed him in her heart after not seeing him for several days.

She quickly held Liang Jiahao's hand and said sadly, "Mom, is there anyone like you who chases out her guest?"

Lin Xiu stood up and pulled Qin Yu up from the chair. "I'm not chasing my son-in-law out, I am chasing you out!"

"W-what?"

Before Qin Yu could react, Lin Xiu had already dragged her to the door.

When Qin Yu saw the luggage by the door, she immediately recognized it as hers. She then said, "Mom, what did I do wrong until you want to throw me out of the house?!"

Qin Shaoqiang, Qin Shanyuan, and Liang Jiahao followed them from behind.

Qin Shaoqiang held Liang Jiahao's hand and said sincerely, "Son, I leave Qin Yu in your hands. She has a stubborn personality and you would have a hard time getting along with her. But please... Please take care of her a bit more in our places."

Qin Shanyuan also said on the side. "Little sister sometimes has a playful little temper. Brother-in-law, don't mind her. If you suffer, come home and tell us. We will definitely help you to educate her."

Qin Yu: "..."

Were they her real father, mother, and older brother?

Was there anyone who would insult their own daughter like that?

Wait...

Only now did Qin Yu understand why her luggage was in here. They were letting her stay with Liang Jiahao!

Heavens...

They actually let her live with Liang Jiahao now?

Unbelievable!

Qin Yu was so depressed that she stomped her feet. "What are you doing? Did you just hand me over to him? Then what about the betrothal gift? Where's the gift money?"

Lin Xiu pushed Qin Yu toward the door. "It's still too early to talk about this. We'll talk about it when Jiahao is willing to marry you."

Lin Xiu's words made it seem as if Qin Yu couldn't get married.

And now, after looking at the situation, it was like Lin Xiu was throwing away the trash by casually handing Qin Yu over to Liang Jiahao.

Lin Xiu even had to lower her head in order to curry favor with Liang Jiahao and let him take Qin Yu away.

Was she really that bad?

Qin Yu immediately became angry.. "Mrs. Lin! I want my human rights!"

Chapter 542 – Liang Jiahao's Strong Attack I

"Qin Yu, I warned you, this time you better go with Liang Jiahao. If you dare to come back sneakily or be chased away by him, you can forget your idea of entering the Qin Family's gate!"

Qin Yu immediately felt wronged. "What benefit did Liang Jiahao give to all of you? You actually sold me to him without caring about my feelings? Mrs. Lin, you changed your mind too quickly. Didn't you always teach me to be a queen?"

"Of course!" From the corner of her eye, Lin Xiu saw Liang Jiahao, Qin Shaoqiang, and Qin Shanyuan approaching them, so she gritted her teeth and said in a low voice, "If you have the ability to wrap Liang Jiahao around your fingers, only then will I treat you like a queen. I even respect you."

Lin Xiu smiled at Liang Jiahao and pulled Qin Yu aside. "Qin Yu, you chose this man yourself. Catch him well, do you hear me?"

Qin Yu could tell that Lin Xiu and Qin Shaoqiang had made up their minds to sell her to Liang Jiahao for free. So, no matter what she said now, it wouldn't change their minds.

Qin Yu rolled her eyes. She'd dug her own hole and was almost ready to jump into it previously. She'd even fought with her family for Liang Jiahao. So, the only thing she could do now was to go along with it.

Liang Jiahao put Qin Yu's luggage in the trunk of the car and turned to her. "Qin Yu, it's time for us to go home."

Go home...

The corner of Qin Yu's mouth twitched a little. She brushed Lin Xiu's hand away and walked to his car.

Looking at the luggage in the trunk, she called out. "Where's my doll? Did you bring her too?"

The servant nodded with a smile at the side. "Yes, I've already put Wuying in the bag. If the Young Miss finds anything missing, you can call home and we'll send it to you."

Qin Yu's lips curled up slightly.

They were really considerate.

Liang Jiahao looked into the distance. Although the black car was hiding in the darkness, it still couldn't escape his eyes.

Liang Jiahao withdrew his gaze, put his hand in his pocket, and said "wait for me" to Qin Yu and her family before walking towards the suspicious car.

Qin Shaoqiang, Lin Xiu, and Qin Shanyuan stretched their necks and looked at Liang Jiahao's figure in confusion. Qin Shaoqiang was shocked for a moment. "There's no way he'll go back on his words, is he?"

Qin Shanyuan shook his head. "Absolutely not. I have a lot of confidence in my brother-in-law."

Lin Xiu also became nervous. "He's certainly not trying to run away. His car is still here!"

Qin Yu: "..."

What the heck!

Was she really that bad?

There was no way Liang Jiahao would leave her here alone.

Just as they were puzzled, the black car suddenly started moving. Then they saw Liang Jiahao chasing after the car with his long legs.

They were quickly dumbfounded. "What's going on? What is he up to?"

They saw Liang Jiahao chasing after the car quickly. He clenched his fist and punched towards the driver's window. A loud crack was heard, and the sound of breaking glass immediately echoed in this silent night, shaking their souls.

Qin Shaoqiang's and Qin Shanyuan's eyes immediately widened in disbelief when they saw what was happening there.

Lin Xiu's heart almost leaped to her throat as she held Qin Yu's hand with a heartache. She was so nervous that her voice became hoarse. "My God! What is he doing? Doesn't his hand hurt? I feel hurt just by looking at it!"

Qin Yu's dissatisfaction with her parents had faded by this time. In her eyes, there was only Liang Jiahao and Liang Jiahao. She had seen him fight several times, and Liang Jiahao had always risked his life to do so.

It's just that they were always for her in the past, so what was it for this time?

Liang Jiahao shattered the window with a single punch, and his fist landed hard on the driver's face. The driver's brain was about to explode from the impact. His feet were still stepping on the gas pedal, and his hands kept spinning the steering wheel.

Liang Jiahao's body was hanging by the door. He withdrew his fist and went to open the driver's door.

"Bang," the door was opened by him. Then he jumped into the car.

The driver lost control and started fighting with him inside the car. Meanwhile, the man next to him carefully put the camera on the back seat and joined the fight.

The space inside the car was small to begin with. Three men were fighting inside while the car still didn't stop. Like a drunk, the driver turned the steering wheel left and right, and the car spun around on the road before finally crashing onto the sidewalk and hitting a tree on the side of the road.

Fortunately, there were not many people outside at this moment, and besides, this was the area where the wealthy residents lived.

The car crashed into a tree. It did not hit any people or animals.

When Qin Shaoqiang and the others saw the car crash into a tree, they were so worried for Liang Jiahao's safety that they quickly ran towards the car.

When they got there, they saw Liang Jiahao grabbing a man by the hair and pulling him out of the car. Then, he raised his head, and his dagger-sharp eyes met with the remaining man inside the car.

"Get out!"

With a loud scream, the man in the car crawled out with bruises all over his face.

As soon as he landed on the grass, he knelt down in front of Liang Jiahao and pleaded, "I was wrong, I was wrong! Please let me go, I'm begging you."

Qin Shaoqiang walked closer. He looked at the man and asked with a sullen face. "Son, what is going on?"

Liang Jiahao wiped the blood on his fist with his shirt. In a low voice, he scolded the two men on the ground. "Be honest with me. What are you doing here?"

The man who was kneeling on the ground glanced in the direction of the man who was lying not far from him. He was even in a more miserable condition than him.

At least he can still walk on his own. When he fought with Liang Jiahao in the car, his hand accidentally dislocated. The sound of the broken bone made his heart tremble at the thought of it.

"I-I-I..." Kneeling on the ground, he said tremblingly, "I, we, we, are paparazzi. We were hired by someone to follow you and Miss Qin."

"Follow?!" Lin Xiu was shocked. For a graceful woman like her, the word 'follow' was equivalent to a phrase that could kill her.

Liang Jiahao shook the blood off his hand and it directly fell on that man's face. The man was so frightened that his neck shrank backward and he cried on the spot. "I'm sorry, we – we are sorry! We were blinded by the money, that's why we took this job. But I- we... we promised that we would never do anything like this again." *noVELUS&.com*

Liang Jiahao asked in a deep voice. "What are you guys planning by following us?"

The man cried even louder. "We-we just wanted to take pictures of you and Miss Qin together. And ... And if we can get the indecent video of Miss Qin, the money will be doubled."

"Indecent video?" When Qin Shanyuan heard these words, he was so angry that he kicked the man's face hard. "Are you still a human being? It's fine if you followed her and took pictures of her, but taking an indecent video of her; are you courting your death?!"

The man was kicked to the ground and screamed while covering his face. "No, we didn't do it. We didn't get anything!"

Lin Xiu was so angry that her body was shaking. She gritted her teeth and asked, "What are you trying to accomplish?"

The man was scared to death. He felt like he had encountered a group of demons, and whatever questions they asked, he would answer.. "We have to make Miss Qin's reputation worse and make her break up with Liang Jiahao."

Chapter 543 Liang Jiahao's Strong Attack II

"This is too vicious!" Qin Shaoqiang, who was a refined and calm-tempered man, couldn't help but raise his hand and hit the man's face. "Are you guys even human?"

Liang Jiahao took a deep breath and yanked the man's collar. His voice was as cold as Asura's, who had just come from hell. "Tell me, who hired you to do this?"

"Ah!" The man screamed in fear, as if Liang Jiahao had taken his life.

Liang Jiahao frowned and shouted in a low voice, "Speak!"

"I-I-I..." The man was so scared that he peed off his pants. Muddy liquid dripped from his feet, and he cried even louder. The cry made the cold and silent night even scarier.

"I don't... I don't know!"

"How is that possible?" Qin Shanyuan's teeth began to itch with hatred. If it wasn't for Liang Jiahao holding the man's collar, he would have rushed forward and kicked the man several times.

"I'm telling the truth." The man sniffled and cried. "I - we've never seen her before. All I know is that the person is a she."

Liang Jiahao's deep eyes narrowed for a moment, then his cold voice rang out again. "How did you guys make contact with each other?"

"P-phone! I- I can give you my phone, but she used a landline phone, and her numbers keep changing."

The constantly changing numbers mean nothing to Liang Jiahao.

Liang Jiahao loosened his grip on the man and the man fell to the ground. He couldn't even stand anymore. One can imagine how miserable he felt at that moment.

Liang Jiahao's arm was also bleeding. Qin Yu was so scared by this sight that she couldn't think of anything else at that moment. All she knew was that her man was injured, and if she didn't take care of him quickly, the wound would become infected.

"Liang Jiahao." Qin Yu carefully lifted Liang Jiahao's injured arm. Her little face was full of tears. "Stop asking anything. Let's go to the hospital. Your arm... If you don't take care of it now, it'll get infected."

It was only then that Qin Shaoqiang remembered that his precious son-in-law had been injured. He nodded. "Yes, Qin Yu is right! Shanyuan, send your brother-in-law to the hospital. Jiahao, you can leave this matter to me."

Qin Shanyuan nodded and ran towards the house to get the car keys, but Liang Jiahao quickly stopped him and threw his keys at him. "Drive mine."

Qin Shanyuan took the keys and drove Liang Jiahao's car.

Liang Jiahao patted Qin Yu's shoulder and smiled at her. He tried to comfort her, telling her that he was fine. He said to the man again. "Give me your camera now!"

Hearing this, the man quickly got into the car, handed the camera to Qin Shaoqiang, then knelt down in front of them again, begging non-stop. "E-everything is there. I'm begging you, please let us go. I- we swear, we'll never do this again. I'm begging you, please."

Qin Shaoqiang looked at Liang Jiahao. Seeing Liang Jiahao nod, he said majestically, "Alright, we'll let you go this time. But if it happens again another time, I'll break your leg!"

The man looked at his friend who was lying on the ground. What was the difference between that and a broken leg?

He regretted it to death now. Really, he had never felt so much regret in his life before.

He had courted death by provoking Liang Jiahao.

If only he had known from the beginning that something like this would happen.

Who would have thought that Liang Jiahao was so fearless that he would jump onto a moving car, break the window, and start beating them? He was very professional.

Maybe the policemen weren't even as good as he was.

He chased after the car like a cheetah.

At that time, the two men were still laughing arrogantly, praising their good luck for making such a good plan, and if they were found, they could still escape.

And now, they finally realized that Liang Jiahao could still outrun them even if they smeared the road with oil or nails.

The man continued to kowtow. "I promised. I promised. I won't dare do it again, I really won't."

By this time, Qin Shanyuan had already driven the car out. Qin Yu helped Liang Jiahao get into the car, and Qin Shanyuan immediately drove to the hospital.

As Lin Xiu watched their car getting farther and farther away, she suddenly became worried. "Old Qin, what if we follow them too? If I don't see my son-in-law safe with my own eyes, I'm afraid I won't be able to sleep well at night."

"Don't say you, even I, feel the same way." Qin Shaoqiang and Lin Xiu walked towards their house together. "I also can't sleep peacefully if I don't go to see him myself."

Not to mention the relationship between Liang Jiahao and the Han Family, just with his position as the CEO of China Securities Bank was enough to make them worry about him.

Moreover, this man was their future son-in-law, so how could they possibly not be worried?

When Qin Shaoqiang and Lin Xiu arrived at the hospital, the doctor was stitching a wound on Liang Jiahao's arm. Earlier, it was too dark and it was hard to see what kind of injury he had suffered.

The arm that the doctor was treating now had several long stitches on it, which made the faces of Qin Shaoqiang and Lin Xiu turned pale with fear.

"How can it be so serious?" Lin Xiu asked in a trembling voice. Her trembling voice was proof of how scared she was.

Qin Shanyuan's expression was also horrible as he stared at Liang Jiahao's arm. "Brother-in-law, why didn't you make a sound even though you were badly injured? If my sister hadn't said anything, I would have thought that everything was fine."

Liang Jiahao remained silent and continued to look at Qin Yu. The needle continued to pierce his skin and he acted as if he wasn't in pain at all. He even had time to caress Qin Yu's head, who was crying incessantly. *novelSb.COM*

Qin Yu raised her head and ignored everyone's gaze as she forcibly lifted Liang Jiahao's shirt. Although a few days had passed and the injury on his waist was already half-healed, the people of the Qin Family were still in shock when they saw this.

"What is happening?"

Qin Yu cried sorrowfully. "He is always like this! No matter how serious his injury is, he won't say anything or make a sound! He doesn't show any reaction to the pain at all. Just like any normal person should feel."

Qin Shaoqiang: "...."

Lin Xiu: "...."

Qin Shanyuan: "..."

If it weren't for Qin Yu crying badly now, they would have reminded her that it was her own fault.

If it weren't for Qin Yu kept causing trouble, would there be such wounds?

Lin Xiu shook her head and sighed. "Qin Yu, don't cry anymore. Jiahao is in pain, but he still wants to comfort you. Which one of you got hurt?"

When Qin Yu heard this, she cried even louder.

Seeing this, Qin Shanyuan decided to take the blame. "This is our own fault. We shouldn't have locked you up and prevented you from being with brother-in-law. If this hadn't happened, brother-in-law wouldn't have been hurt. Alright, that's enough now. Don't cry anymore."

This sentence was indeed useful for Qin Yu.

She stopped crying and looked at Liang Jiahao with tears in her eyes. She asked carefully. "Does your arm hurt? What about your heart? Does it hurt too?"

Chapter 544 Liang Jiahao Is Our Family's Son-In-Law

Liang Jiahao smiled. He brought Qin Yu into his arms and pushed her head to his chest. "Do you hear it? Does my heart feel hurt?"

Qin Yu's ear was pressed against Liang Jiahao's chest. She heard his heart beating fast and did not want to cry anymore. Her arms slowly wrapped around his waist and she obediently stopped crying.

Qin Shaoqiang and Lin Xiu couldn't help laughing as they watched this scene. It was as sweet as honey.

Ever since Qin Yu was young, she had always been a quick-tempered and reckless girl. Even when her heart ached and she felt wronged, she never cried. And now, because of Liang Jiahao, she could no longer hold back her tears.

However, this was also normal. A man as outstanding as Liang Jiahao was injured so many times for her. Even a stony heart would soften.

At the sight of Liang Jiahao's wounded arm, Lin Xiu's heart also began to ache.

She grabbed Qin Shaoqiang's hand and whispered, "Old Qin, come with me."

When Qin Shanyuan saw his parents leaving, he looked at Liang Jiahao and Qin Yu before standing up and following them as well.

Standing in front of the door, Lin Xiu spoke up. "Old Qin, let me tell you that from today onward, Liang Jiahao is our family's son-in-law. I do not care what bad impression you have of him, you'd better hold it in front of him."

Qin Shaoqiang slapped his thigh, expressing his loyalty to his wife. "Aiya, Xiu Xiu, you don't have to remind me. I know that. My son-in-law is so good, and he is one among millions in this world. Tell me, where can we find a man other than him, who would risk his life for our daughter in this way?"

Qin Shanyuan nodded. "Indeed, brother-in-law didn't even care about the danger and quickly rushed through the forest to save Qin Yu. And if we look at the situation carefully, he didn't have to do that for her at all."

When Liang Jiahao announced that Qin Yu was his girlfriend, at that time, the people of the Qin Family were just happy. They felt that it wasn't easy for Qin Yu to find a brilliant man like him.

And now, it wasn't as simple as being happy.

It was an indescribable sense of trust.

They trusted him. They trusted him so much.

As long as Liang Jiahao was there, Qin Yu wouldn't be wronged and she would be safe for the rest of her life.

As Qin Yu's parents and siblings, they no longer had to worry about her being bullied outside because of her job.

When Lin Xiu saw that her husband and son were very approving of Liang Jiahao, she smiled happily. "I was always worried that one day Qin Yu would be cheated by a bad man. Now, with Liang Jiahao being our son-in-law, I don't have to worry about her anymore."

Qin Shaoqiang pulled Lin Xiu into his arms and said emotionally. "Qin Yu didn't know your good intentions, but I knew it. I knew you were always hard on her because of her own good. I understand."

The family smiled in relief.

The stitching on Liang Jiahao's arm was finally finished. Qin Yu and Liang Jiahao came out of the consultant room with a bag of medicine.

When Qin Shanyuan saw them, he rushed forward. "Brother-in-law, what does the doctor say? Is everything alright?"

"Don't worry." Liang Jiahao patted Qin Shanyuan's shoulder. "In the past, I've suffered more serious injuries than this. Nothing will happen to me."

Qin Shanyuan nodded. "Well, I'm glad to hear that. I'll send you home."

Qin Shaoqiang and Lin Xiu looked at each other. Qin Shaoqiang rubbed his nose and said with a shy smile. "What if ... we send you home too? We'll follow behind in our car."

Qin Yu pouted sullenly. "Dad, don't tell me, when we arrive at his house later, you also want to come in and sit down too?"

Qin Shaoqiang looked away guiltily. It was clear that Qin Yu had seen through his intentions.

Lin Xiu quickly tugged at the end of Qin Shaoqiang's shirt. Seeing that he was too scared to speak again, she said, "You just moved in today and Jiahao is injured, so he can't help you carry your luggage or organize your room."

Qin Yu snorted. "I'm not injured, so I can do it myself!"

"This foolish girl!" Lin Xiu gritted her teeth in anger. Just as she was about to scold Qin Yu, Qin Yu boldly said, "If you follow us, he still has to serve you the tea and even the food. And after that, he also has to send you off too. So, when will he be able to rest?"

Liang Jiahao chuckled. "It's okay. I have many extra rooms in the house. Mom, dad, and big brother can stay there overnight."

He looked at Qin Yu gently. "Today is the first day you move into my house. Of course, mom and dad have to take a look. How can they not worry about your life with me?" *novelusb.com*

Qin Yu looked at Liang Jiahao and blinked a few times. Then, she unexpectedly made the crowd look at her in astonishment as she obediently nodded. "Yes, you're right."

Lin Xiu: "...."

Qin Shaoqiang: "..."

Qin Shanyuan: "...."

When has Qin Yu ever been seen so obedient at home?

It seemed that the saying was true. When the daughter was in love, her behavior changed completely. It happened so fast that you couldn't even catch it.

It seemed that Lin Xiu's hard efforts to raise Qin Yu to be an obedient and graceful lady were in vain.

If only she knew that it only took Qin Yu to fall in love.

Lin Xiu didn't have time to worry about this as she quickly pulled Qin Shaoqiang to the parking lot. It was as if she was afraid that Liang Jiahao would go back on his word.

While they were walking, she said, "We'll follow you from behind."

????

The military compound of Nanshan.

The Qin Family had just heard it and had never been here before.

Although it was the same no matter where the house was, but the living atmosphere in the military compound was indeed different.

It's like the difference between a castle and a normal mansion.

Can you say that the mansion wasn't beautiful and nice?

No, of course not. The mansion was good too, but it didn't have the grandeur of the imperial palace, nor the prestige that could be felt anywhere.

Qin Yu had been here several times before. This time, she didn't ask Liang Jiahao to show the way, but instead, she, herself, showed the direction to Qin Shanyuan.

Qin Shanyuan was sitting in front, driving the car. When he heard Qin Yu constantly chatting with Liang Jiahao, he couldn't help but laugh. "Little sister, it seems you've been holding back so much for the past few days. The moment we left the hospital, you didn't even pause for a second to catch your breath."

Chapter 545 Analyzing The Situation I

"What are you saying?" Qin Yu pouted and said angrily, "Brother, I just got out of my prison, can I talk? If you have nothing to say, then shut up."

Qin Shanyuan smiled happily. "I'm just afraid brother-in-law will get bored with your constant chattering. You are a woman, why do you talk so much?"

When Qin Yu heard this, she quickly closed her mouth and looked at Liang Jiahao's expression, observing him.

Liang Jiahao raised his uninjured hand and bopped her nose. He smiled and said, "I love hearing you talk. It's so nice."

Qin Yu immediately became proud of herself and snorted at Qin Shanyuan. "Did you hear that? He liked to hear me talk, and he even praised me for having a nice voice!"

Qin Shanyuan almost vomited blood because of the internal injury. Could the two people behind him be worried about his feelings as a bachelor dog?

The cars drove into Liang Jiahao's garage. The moment Lin Xiu got out, she stood at the door and looked around the legendary military compound.

Actually, it wasn't much different from the other villas and residential areas.

However, she felt that there was an indescribable sense of majesty here.

Just as Qin Yu had said, Liang Jiahao went to the kitchen to make tea and cut fruits for the others. She unhappily followed him from behind and pushed him aside. "Stand there and tell me what you want to make. Don't worry, I'll do it."

Liang Jiahao leaned against the counter and looked at Qin Yu. She was boiling water in a kettle. Then she poured the hot water into a jug before putting the tea inside it. She only needed a short time to familiarize herself with everything in the kitchen.

"You're behaving like the owner of the house right now."

Qin Yu's action of opening the refrigerator stopped for a moment. She turned around and pouted at him. "I haven't agreed to be your girlfriend yet!"

Although she said that, when she turned around, she couldn't help but smile happily.

She looked inside the refrigerator and asked, "Where are the dumplings you're making? I want to eat them."

Liang Jiahao walked over and stood right behind her. He was so close to Qin Yu that she could feel his breath on her hair. She looked down uncomfortably, trying to avoid his hot breath.

Qin Yu had barely bent her waist when she felt something hard against her legs. She was so frightened that she quickly rose up.

In the end, she used too much strength and her head crashed into Liang Jiahao's chin.

With a "peng" sound, she cried out loudly. Her tears were almost running down. Outside, Lin Xiu and Qin Shaoqiang heard the loud noise and immediately ran inside the kitchen while anxiously asking, "What happened?"

Liang Jiahao didn't care how much his chin hurt. He rubbed Qin Yu's head. "Did it hurt?"

Qin Yu nodded miserably with tears in her eyes. "Is your chin made of iron? It hurts so much!"

When Lin Xiu saw how her daughter couldn't even do something properly, she got angry and said, "Get out, let me do it."

Qin Yu obediently pulled Liang Jiahao to the side.

Liang Jiahao: "The dumplings are on the second level. The one on the left has pork filling, the one on the right has beef filling, and the one in the middle has plain filling."

With that, he looked down at Qin Yu. "What kind of filling do you want?"

Qin Yu quietly swallowed her saliva. "I want to eat them all."

Lin Xiu rolled her eyes speechlessly. "Alright, then I'll cook them all. We are going to have a midnight snack together."

She took out the dumplings, turned around, and pushed Qin Yu and Liang Jiahao towards the living room. "You guys go and sit down. I'll do it."

Qin Yu pushed Liang Jiahao out while saying to Lin Xiu, "Mom, there's a pot of beef soup in the refrigerator. Don't forget to heat it up. We could eat the dumplings with it."

"Do I need you to teach me?" Lin Xiu snappily said, "Such a small matter, how can your mother not know!"

Qin Yu chuckled. She grabbed Liang Jiahao's hand and walked out happily, sitting on the couch with Qin Shaoqiang and Qin Shanyuan.

Qin Shaoqiang had a serious expression on his face ever since he came in. After waiting for Liang Jiahao to sit down, he asked, "Jiahao, if we can't find the person behind this incident, then how can we guarantee Qin Yu's safety?"

Liang Jiahao: "Please wait for a moment." Then he stood up and went to his study. He took out a notebook and a pen and then sat down next to Qin Yu.

"Qin Yu, do you have enemies?"

Qin Yu shook her head resolutely. "No, I'm just a celebrity. What kind of enemy can I possibly have?"

Liang Jiahao nodded and asked again. "Then in the entertainment circle, who is at odds with you? Who wants you to fall off the altar the most?"

"This ..." Qin Yu smiled embarrassedly. "It's hard to say about this. After all, I am currently number one in the ranking. Everyone is so jealous of me, and everyone wanted to pull me down."

Qin Shaoqiang became uneasy as he heard this. "This circle is a bit too big, how are we going to find this mastermind?"

"There's no need to rush." Liang Jiahao wrote the word "actress" and then circled it. Then, he looked at Qin Yu. "Has anyone ever done anything to you before?"

Qin Yu thought about it seriously. "They have, but it was just verbal fights. At most, they used some low-level methods to steal my endorsements, but there aren't any of them who would attack me like that in private."

At this point, she deliberately paused before proudly saying, "With my uncle ruling the entertainment circle, who would dare to do something so dishonorable to me? Even if you gave them ten guts, no one would dare."

Liang Jiahao's eyes narrowed slightly. "In other words, this person might not be someone from the entertainment circle."

Liang Jiahao crossed the actress's circle. "Excluding the people from the entertainment circle, only those around us knew about our relationship."

Then he wrote his name and Qin Yu's name. Then he drew a circle on their names at the same time.

Qin Shaoqiang and Qin Shanyuan watched Liang Jiahao write down a few names in the book.

Liang Zixuan.

Xia Jingfei.

Dong Biming.

Wei Xiaoqing.

Zeng Shuang.

Seeing Liang Zixuan's name, Qin Shanyuan quickly protested. "Aunt is impossible! She would never do such a thing to Qin Yu and you."

"Yes, she would never do such a thing, but she is also a female that Qin Yu and I know. We can cross her name off at the end, but in the early stages, when we are trying to find the suspect, we have to write down everyone who meets the requirements. If we don't, we might miss a clue." *novel* **Sb.CoM**

Qin Shanyuan looked at Liang Jiahao's serious expression and he suddenly felt a hint of Sherlock Holmes on him.

"Hehe ... Yes, you are right. You are an expert here. You can decide everything, I'll just watch from the sidelines."

Chapter 546 Analyzing The Situation II

Liang Jiahao held the pen in his hand and said seriously, "Those paparazzi gave me two important pieces of information. First, it was a woman, and second, her goal was to tarnish Qin Yu's reputation so that she would not be able to survive in the entertainment circle. And then, she will break up with me."

Qin Shaoqiang, Qin Shanyuan, and Qin Yu were all stunned when they heard this. They had heard about it too, but... they did not think that they were really important information to know who the mastermind was.

Liang Jiahao continued. "So, if you exclude Qin Yu's competitors from the entertainment circles, there are only a few of these people remaining. And among these few, who knows about my relationship with Qin Yu when it hasn't been confirmed yet?"

Qin Yu licked her lips and slowly thought about it. "Auntie certainly knows about it. Even though we are not together yet, she knows that I like you."

When Qin Yu said this, she did not realize what she was saying. She only saw Liang Jiahao's lips suddenly curled with joy.

"What are you smiling at?!" Qin Yu glared at Liang Jiahao angrily.

Liang Jiahao's ego was satisfied and he returned to his serious expression. "It's nothing, please continue."

Qin Yu pouted and continued. "I don't know where Jingfei is right now, but she knows that I like you-

Seeing Liang Jiahao smiling again, Qin Yu was so depressed that she started bouncing on the sofa. "If you smile again, I will not talk anymore!"

Liang Jiahao looked down and rejoiced quietly. Then he raised his head again and ruffled Qin Yu's hair. "Alright, I won't laugh anymore. Talk."

"Humph!" Qin Yu angrily turned her head to the side. "I'm not talking anymore. I'm angry!"

Qin Shaoqiang and Qin Shanyuan, who were sitting across from them, could only rub their noses. This couple...

Liang Jiahao quickly grabbed Qin Yu's hand. "I promise that I won't smile this time. If I smile again, you can hit me."

Liang Jiahao was still injured, how could Qin Yu really hit him?

She looked back at him gloomily and took a deep breath. "I'm not going to hit you." Then, she continued. "I don't think Jingfei would do something like that to me. And if she did, she wouldn't run away from home and would work together with Dong Biming to deal with me. So, I don't think it was her."

Liang Jiahao nodded. "Well analyzed, let's move on to the next suspect." *novelUsB.com*

Upon receiving the praise from Liang Jiahao, Qin Yu's self-confidence immediately soared up, and she became happy. "As for Dong Biming, I don't think it was her either. After being diagnosed with mental illness, the Dong Family has taken good care of her and kept her away from the outside world."

After she finished, she looked at the name in Liang Jiahao's notebook. "As for Wei Xiaoqing, it's most likely her! Dong Biming and her worked together to frame me before. Wei Xiaoqing has no bottom lines and dares to do anything for her own benefit. And she's always been targeting auntie. If there's benefit promised to her, she would most likely do it without a second thought."

When her eyes fell on the last name, Qin Yu couldn't help but think of the incident at the hospital, and her hand quickly slapped the table. "Zeng Shuang! Currently, only she knows about our relationship, that we're together. That day in the hospital, I intentionally showed her that I'm with you. Besides, I can see that she likes you and wants to be with you, so the mastermind's intention to break us up really suits her!"

"Very good." Liang Jiahao couldn't help but applaud Qin Yu. He crossed out Liang Zixuan's, Xia Jingfei's, and Dong Biming's names, leaving Wei Xiaoqing's and Zheng Shuang's names on the list of suspects.

He pointed his pen at Wei Xiaoqing's name and said, "You guys know how my relationship is with her. She came to the bank a few times looking for me, but I ignored her, so she wanted to get back at me. It makes sense."

Then he pointed to Zeng Shuang's name. "Zeng Shuang, I'd offended her before, but I didn't know what was wrong with her brain until she wanted me. The result of my analysis was that Zeng Shuang wanted to break Qin Yu and me, but she couldn't find a way, so she went looking for Wei Xiaoqing."

"Wei Xiaoqing used to be in the entertainment circle and she was very skilled at it. That's why she used this trick to frame Qin Yu. My conclusion is that Zeng Shuang and Wei Xiaoqing are the masterminds behind tonight's incident!"

Qin Shaoqiang and Qin Shanyuan were shocked by what they heard!

Liang Jiahao was actually able to find the masterminds with just a little information. Wasn't he too great?

Qin Shanyuan looked at Liang Jiahao in awe. "Brother-in-law, when you let those paparazzi go, was it because you already knew who had hired them?"

Liang Jiahao nodded. "Yes, I already knew the masterminds and there's no point in keeping them. After all, they did not do anything against the law and the law cannot touch them."

Qin Shaoqiang was very impressed. If Liang Jiahao were not his future son-in-law, he would fall on his knees before him.

Liang Jiahao was too amazing, too great.

Qin Shaoqiang was so proud to have a son-in-law like him.

At this moment, Lin Xiu came into the living room with a large hot bowl. "Move aside, please."

Liang Jiahao immediately stood up and took the bowl from Lin Xiu's hands. His movement was so relaxed that she forgot about the wound on his arm and handed him the bowl directly.

Qin Shaoqiang, who was sitting at the side, immediately shouted. "Aiya, Xiu Xiu, did you forget that Jiahao is injured?"

Only then did Lin Xiu remember. She was so depressed that her face turned red. "I-I forgot."

"It's fine." Liang Jiahao put the bowl on the coffee table and stretched out his injured arm. "I'm fine, don't worry."

"Why are you always like this!" Qin Yu angrily pushed him away and warned him. "Stay seated, I'll get the chopsticks. I'm warning you, don't move or I'm not staying with you!"

Liang Jiahao looked at her helplessly. "Alright, I won't move. I won't move even if I'm beaten to death."

Lin Xiu took a seat next to Qin Shaoqiang and asked curiously, "I just heard that you all already know who the masterminds are? Who are they?"

"En!" Qin Shanyuan's entire being was still filled with excitement. When he heard Lin Xiu's question, he did not wait for Liang Jiahao to answer. He said, "Brother-in-law is really great. It turned out that he already knew who did this. That's why he let those two people go."

Lin Xiu nodded. "I see... So, who did it?"

Qin Shaoqiang said seriously, "Wei Xiaoqing and Zeng Shuang!"

"Wei Xiaoqing again!" Lin Xiu's face immediately darkened, anger written all over her red face. "Is this person crazy or what? Before this, she tried to disrupt Jun and Zixuan's relationship and cause trouble for them. I do not know what she would have done if Jun had not taught her lessons!"

The more she said, the angrier she became. And her voice grew louder and louder,

"And now, seeing that she couldn't cause them any more trouble, she's decided to change her target. It's like this has become her job, and if she doesn't cause a ruckus for a day, she would definitely die."

When a graceful and noblewoman started to say such harsh words, one could imagine how angry she was.

Even if it were someone else, they would also be angry.

The one who was being implicated was her biological daughter.

How could Lin Xiu stay calm and not get angry when she saw other women trying to frame her daughter?

When Qin Yu came out with chopsticks and bowls, she saw Lin Xiu holding Liang Jiahao's hand across the table. "Jiahao, you have to show it to Wei Xiaoqing and Zeng Shuang. Show them the consequence of messing around with our family. Otherwise, who knows how they would harm you and Qin Yu next time!"

"Mom!" Qin Yu quickly put down the chopsticks and bowls and pulled Lin Xiu's hands away from Liang Jiahao. "Don't touch him, you'll hurt him!"

Lin Xiu: "..."

She... Forgot again.

What's wrong with Liang Jiahao? He was clearly injured, but why didn't he show any painful expression at all? It made her forget that he was injured!

Lin Xiu leaned back awkwardly and smiled sheepishly. "I don't have a good memory. I'm always forgetful."

Liang Jiahao shook his head and said with a reassuring smile. "It's okay, it really doesn't hurt."

"Alright, let's not talk about this anymore. Let's try out his dumplings first. Let me tell you guys that his dumplings are really delicious. They're even more delicious than the dumplings our servants made!"

Qin Yu scooped the dumplings into a bowl and gave them to Lin Xiu, Qin Shaoqiang, and Qin Shanyuan as if she was offering a treasure. Then, she carefully gave another bowl to Liang Jiahao.

Liang Jiahao's injuries were on his right hand. She was afraid that he wouldn't be able to eat the dumplings with the chopsticks, so she intentionally put the spoon in his bowl. "Can you eat with your left hand?"

Chapter 547 No Matter How Good A Man's Temper Is, He Will Be Worn Down By A Woman's Recklessness

Liang Jiahao put away the spoon and grabbed the chopsticks and began to eat. "It's all right, I can use both hands."

Qin Yu looked at Liang Jiahao's left hand, which was skillfully holding the chopsticks, and her eyes widened in surprise. "How can you be so amazing?"

Liang Jiahao raised his eyebrow. "When you go out on a mission, it's very easy to encounter accidents. You can't just get yourself killed if your right hand is injured. That's why we were trained to use both hands. We can shoot with our left hand if something like this happens."

The people from the Qin Family were looking at Liang Jiahao in a new light.

He was saying liked it was an easy thing to do, but they really knew how hard it was for him to train his left hand to be as nimble as his right hand.

He had to put in a lot of hard work privately.

They could not help but feel more and more satisfied with Liang Jiahao, and they also began to admire him more and more.

Liang Jiahao had eaten two dumplings when he noticed that none of them touched their chopsticks. He raised his head and asked in confusion, "Why aren't you guys eating? Not delicious?"

"Huh?" Qin Shaoqiang finally snapped out of his daze and quickly bit into his dumpling. "It's really delicious!"

Right after he said that, Qin Shanyuan's voice also rang out. "Aiyo, what a good taste! I've never eaten such delicious dumplings in my life!"

Lin Xiu looked at them helplessly. "If they are delicious, then eat more. Don't make it sound like I'm always treating you badly. Showing other people that you did not have delicious food at home."

After saying that, she took a big bite of the dumpling. As soon as she bit into it, the delicious taste filled her mouth and her eyes suddenly lit up. After eating two more dumplings, she couldn't help but praise, "They are so delicious!"

"Right?" Qin Yu was overjoyed, as if she was the one who'd made the dumplings. "I told you that the food he made was delicious, yet you said he was an old man who used delicious food to trick a little girl!"

Lin Xiu: "..."

Can't Qin Yu stop mentioning the past?

This topic won't be over, will it?

Qin Shanyuan immediately laughed. "Haha ... Little sister, don't talk about it anymore. Look at mom's stinky face. If you keep bringing this matter up, no one will be able to protect you later. Mom will surely tear your mouth apart."

Qin Yu looked at Lin Xiu's stinking face and backed away in fear. "I was wrong. I will never dare to do that again."

Lin Xiu glared at Qin Yu and scooped up a few dumplings for her. "Even if you eat something, it still won't be enough to cover your mouth. Eat more and stop talking!"

Such a big bowl, all the dumplings had been completely cleaned by them.

Qin Shanyuan even wished to spend the rest of his life in Liang Jiahao's house.

Qin Yu obediently washed the dishes and came out later. She looked at the clock on the wall and saw that it was already 11 pm. She stretched her back and said, "I'm tired. Everyone, let's sleep."

Lin Xiu looked towards the door, at Qin Yu's luggage. "Qin Yu, you haven't unpacked your things yet."

"Aiya!" Qin Yu quickly ran to the door and saw that her luggage was still there. She looked at Lin Xiu gloomily. "Didn't you say you would help me unpack?"

Lin Xiu: "..."

Was it so easy for someone to forget things when they were grown up?

"Alright, let's go to your bedroom." Lin Xiu stood up and helped Qin Yu carry her luggage.

Lin Xiu then suddenly thought of something and looked at Liang Jiahao with a strange expression.

"Jiahao, where is Qin Yu's room? In which room is she going to stay?"

Qin Shaoqiang and Qin Shanyuan also looked at Liang Jiahao with nervous expressions.

Although they had indeed decided to let Liang Jiahao live together with Qin Yu for a certain period of time, it didn't mean that they would allow Qin Yu to stay in the same room with him.

However, they also believed in his character. Liang Jiahao wouldn't sleep with Qin Yu so soon.

But tonight, their entire family had come. If the rooms weren't enough ...

"Cough, cough ..." Qin Shanyuan grabbed Qin Shaoqiang's hand and laughed dryly. "I will sleep with dad tonight. Mom will sleep with Qin Yu."

"What are you guys thinking!" Qin Yu frowned unhappily. "His arm is injured, so I have to take care of him tonight! Just sleep however you three want."

The more Qin Yu said, the more she continued making things into a mess. She saw that her parents and brother were looking at her as if they wanted to eat her.

But how could Liang Jiahao not understand what they meant?

He stood up and took the luggage from Lin Xiu. "The bedrooms are on the second floor. You each have your own room."

Lin Xiu finally heaved a sigh of relief. "Shanyuan, why don't you help your brother-in-law? Don't you feel embarrassed by making him do the work all by himself?"

From the moment Qin Shaoqiang and Lin Xiu had approved of his relationship with Qin Yu, Liang Jiahao had never thought he would be living with her so soon.

It wasn't that he didn't want to, but without Qin Yu's approval, he would never have thought of asking her such a thing.

Liang Jiahao carried Qin Yu's luggage into her bedroom and pointed to the bedroom next to her. "This is my bedroom. Qin Yu will be staying here. If there's anything I need help with, I can come to her in time."

Lin Xiu nodded with satisfaction. "That's for the best. We finally can rest assured of her living with you."

Liang Jiahao then pointed to other rooms. "On the side, there are three guest bedrooms. Dad, mom, and big brother, you can take any room you want. Please treat this house as yours."

"No problem!" Qin Shanyuan clapped his hands. "You just help my sister and leave mom and dad's room to me."

With that, he quickly went to one of the guest bedrooms.

Liang Jiahao felt that since this was Qin Yu's first time leaving home, Qin Shaoqiang and Lin Xiu must have a lot of things to say to her.

He felt that it wouldn't be convenient for him to stay here any longer, so he tactfully went out to help Qin Shanyuan.

After Liang Jiahao left, Lin Xiu quickly helped Qin Yu unpack her things.

"Qin Yu, since you will be living with Jiahao now, you should restrain your temper a little. No matter how good a man's temper is, he will be worn down by a woman's recklessness."

Qin Yu sat down on the bed and hugged her doll, nodding vigorously. "I know, I'll listen to you."

When they were at home, Qin Shaoqiang didn't feel this sad. Now, when he saw his wife unpacking his daughter's belongings, he immediately became sad.

"Qin Yu, although dad is very satisfied with Liang Jiahao, but if he bullies you, you must come back and tell dad, okay? No matter what, dad will stand firmly by your side."

"Hmm, I know." Qin Yu sighed. "I said before that I wanted to get to know him better first, but you guys didn't agree. And now you send me directly to him, this proves that you guys are confident with him. Don't be sad, he won't mistreat me."

Qin Shaoqiang nodded. "I'm not sad, I'm just a little scared ..."

Qin Yu asked emotionally, "What're you afraid of?"

She thought Qin Shaoqiang would say something that would make people feel touched, but he grabbed her hand and said, "Dad was just afraid that you would lose this good man from your grasp. When the time comes, where am I going to find another good son-in-law?"

Qin Yu: "..."

Dad?!

Qin Shaoqiang was indeed her father.

Before leaving with Qin Shaoqiang, Lin Xiu took one more look at Qin Yu and then returned to their bedroom. She asked while changing her pajamas. "Old Qin, tell me, did we make the right decision by making Qin Yu live here with Jiahao?"

Qin Shaoqiang was lying on the bed and was secretly feeling sad. "We did the right thing, it's just... I'm just afraid that Qin Yu can't keep Liang Jiahao by her side. As you have seen from what happened tonight, a man like Liang Jiahao is a rare species in the world. Using my sharp and keen eyes, I can see that he is a man who can carry both heaven and earth in his hands. But Qin Yu's personality..."

nOVELus&.COM

"That's what I was worried about!" Lin Xiu got on the bed and laid on Qin Shaoqiang's chest. "That's why I wanted to teach Qin Yu to be a lady, but you already knew what she was like. With her rough and unruly behavior, I was always afraid that she wouldn't be able to marry into a good family, but after seeing Liang Jiahao tonight, I'm finally reassured. I just hope that she will be able to treat him well. If we miss such a good son-in-law, it won't do any good to cry on our knees."

Chapter 548 Will You Sleep With Me If Your Parents Aren't Around

Qin Yu couldn't even sleep tonight, she was worried about Liang Jiahao's injury. Instead of spending her night sleepless and worrying about him, she decided to check on him.

She took her doll, quietly opened the door, and peeked out through the small crack. When she saw that no one was outside, she quickly left the room and slowly closed the door before running to Liang Jiahao's bedroom. She knocked on the door quietly.

Liang Jiahao had excellent hearing. Even though the knock on the door was quiet, he still heard it. He rose from the bed and went to the door. As soon as he opened it, Qin Yu rushed in like a little mouse.

Liang Jiahao was about to open his mouth when she shushed him and gestured for him to close the door first.

Liang Jiahao raised his eyebrow and laughed a little. He closed the door without making a sound.

Seeing that, Qin Yu nodded with satisfaction and climbed onto his bed. Holding her doll, she asked softly, "How is your arm? Does it still hurt?"

Liang Jiahao also climbed onto the bed and sat beside her. He rubbed the doll's head and said in a lowered voice, "I'm fine."

"Really?" Qin Yu's voice was very soft. She gently pulled Liang Jiahao's injured arm and examined it carefully before calming down. "You should face to the left when you sleep tonight and not put pressure on your arms. Otherwise, your wounds will not heal quickly. "

Liang Jiahao shrugged his shoulders. "I'm used to rolling around while sleeping, there's nothing I can do."

"That won't do. Take the pillow and put it on your right side. If there's an obstacle, you won't roll over while sleeping."

Liang Jiahao quickly shook his head. "The pillow is too small, I'll still roll around."

Qin Yu pouted dejectedly and thought for a while. Then she hesitantly handed Liang Jiahao her doll. "T-t-then put Wuying, she's big."

Liang Jiahao almost couldn't hold back his laughter. He tried his best to suppress it as he looked at Qin Yu aggrievedly. "She's too light. One kick from me and she would be thrown out of bed."

"Aish..." Qin Yu sighed and looked around the bedroom but found nothing suitable. She pouted and asked gloomily, "Then what should we do?"

Liang Jiahao chuckled and suddenly pulled her into his arms. He whispered in her ear. "I won't turn over if you sleep on my right side."

Qin Yu's face immediately flushed red. Her body trembled in Liang Jiahao's arms, and her head dodged to the side. "I-I can't sleep here. My parents' room isn't far away. If they find out I'm sleeping here, they'll beat you to death."

Liang Jiahao frowned. "Why would they beat me to death when you are the one sleeping in my room? Shouldn't they kill you?"

Qin Yu: "..."

It seemed like that!

Aye... Qin Yu was annoyed to death. She bit her lips and scolded, "Who asked you to agree to their visit? Now we're in trouble!"

Qin Yu's appearance was really adorable. It was completely different from what she looked like in front of the camera. At this moment, she was like an ignorant little girl. Silly and adorable.

Liang Jiahao was in a good mood and continued to tease her. "Will you sleep with me if your parents aren't around?"

Qin Yu didn't think about anything else and only thought of Liang Jiahao's injured arm. She nodded vigorously. "Of course, if they're not here, then it's fine."

Liang Jiahao's eyes narrowed slightly and he smiled mischievously. "You said it yourself."

"Huh?" Qin Yu was dumbfounded for a moment, then realized that she had been tricked by him again. She quickly shook her head. "No, no! I didn't mean it that way!" *noVeluS&.cOm*

"It's too late~" Liang Jiahao pushed her down on the bed. "You already said it!"

"No, no way!" Qin Yu really wanted to shout out loud, but she didn't dare. She could only shout in a suppressed voice, but the sound was too soft and didn't have the slightest bit of deterrence.

Liang Jiahao noticed that her face was flushed and even the tips of her ears were suffused with an attractive pink color. He propped his head on his hand and smiled at her. "Aren't you tired from talking?"

His voice suddenly returned to its original volume, startling Qin Yu a bit. She quickly covered his mouth and looked towards the door, saying with lingering fear, "Be quiet, don't let my parents hear you."

Liang Jiahao kissed her palm and smiled. "Don't worry, this room is very soundproof. Even if we do something here, they won't be able to hear it."

"What do you mean by that?!" Qin Yu gritted her teeth in embarrassment. "Don't speak nonsense!"

Liang Jiahao didn't say anything. He just looked at Qin Yu and smiled. He never thought that their relationship would develop to such a state so quickly.

He thought that there would be a tough battle in the Qin Family today, but who would have thought that it would be so easy for him to bring this little girl home.

Qin Yu yawned, she looked really tired. Liang Jiahao jumped over Qin Yu's body and onto her right side.

At first, she thought Liang Jiahao was going to do something to her and wanted to scream, but when she realized he was just jumping over her, she asked in confusion, "What are you doing?"

Liang Jiahao hugged her with his injured arm and closed his eyes while saying softly, "If I hug you, I won't be able to roll around. I can sleep in this position for the rest of my life."

A warm feeling immediately spread through Qin Yu's heart. She looked at Liang Jiahao's face and couldn't help but give him a light kiss on his chin.

Liang Jiahao immediately opened his eyes and looked at her with burning eyes.

Qin Yu was so startled and quickly closed her eyes, pretending to be dead.

Liang Jiahao chuckled and didn't say anything as he closed his eyes and slept with Qin Yu in his arms.

???

Qin Yu didn't sleep soundly this time. She kept waking up to check if Liang Jiahao had rolled onto his right side and put pressure on his arm. After waking up four times in a row, she found that he hadn't changed his position at all. He was still hugging her.

When she woke up the next morning, she found out that Liang Jiahao was already awake. When she saw him looking at her intently, she was so scared that she sat up and asked, "What time is it?"

Liang Jiahao looked at the clock and said, "It's 8:30."

"Half-past eight?!" Qin Yu quickly jumped off the bed and ran to the door. "Oh no, my parents must be awake already, and my brother too. If they knew I slept with you last night, they would surely skin me alive!"

Seeing how anxious his little girl was, Liang Jiahao coughed slightly. "Mom and dad had already come in to say their goodbyes."

"What?!" Qin Yu stood by the door dumbly as if she had been struck by lightning. After a long time, she turned around with a sullen face and looked at Liang Jiahao with an expression as if a great disaster was about to befall her. "Did they see me?"

Liang Jiahao nodded. "They saw you."

"Oh my God!" Qin Yu spun around a few times and was close to tears. "Then why didn't you wake me up?"

Being accused by Qin Yu, Liang Jiahao immediately felt wronged. "I did, your parents did too, but you didn't wake up."

Qin Yu: "...."

Was she sleeping so soundly?

Chapter 549 Wei Xiaoqing's Number

"Woo woo ..." Qin Yu walked over and sat on the bed. She raised her head to the ceiling and began to cry. "I am dead for sure!"

Liang Jiahao sat up and pulled Qin Yu into his arms, smiling. "It's okay, I told them that we talked until late last night."

"What are you talking about?" Qin Yu kicked his leg and cried. "Who would believe your words!"

"How can mom and dad not believe it?" Liang Jiahao raised his right arm. "My arm is already like this, what else do they think I will do to you?"

Qin Yu immediately stopped crying. When she saw Liang Jiahao's serious expression, she felt that what he said made a lot of sense.

If her parents had misunderstood, they would have dragged her out of bed and beaten her up.

Qin Yu held Liang Jiahao's arm and looked at the wound. When she saw that nothing had happened, she relaxed and casually asked, "Did my parents say anything before they left?"

Liang Jiahao wiped Qin Yu's tears and said calmly, "Dad specifically told me to settle last night's matter as soon as possible."

"Last night?" Qin Yu was in shock for a moment before remembering that the masterminds had already been found out.

Wei Xiaoqing and Zeng Shuang were not easy to deal with, and Liang Jiahao was an upright and honest man, so he would never resort to underhanded means.

However, for people like Wei Xiaoqing and Zeng Shuang, who harbored evil intentions behind their backs, it would be completely pointless to use gentle means against them.

Qin Yu asked with a dark expression, "What are you going to do?"

Liang Jiahao ruffled her hair and picked up his phone, dialing Liang Zixuan's number.

Soon, the call was answered. "Big brother, what's wrong? Why are you calling me this early?"

Liang Jiahao said calmly, "Zixuan, give me Wei Xiaoqing's number."

"Wei Xiaoqing?" Liang Zixuan asked in surprise. "Why do you want her phone number?"

Liang Jiahao sneered as he said coldly, "To make her regret living in this world!"

Liang Zixuan was surprised. What had Wei Xiaoqing done to make Liang Jiahao this angry?

"Big brother, what happened?"

Liang Jiahao told Liang Zixuan about what happened yesterday in a simple way.

After Liang Zixuan heard this, she immediately fell silent. After a while, her voice came back with a heavy tone. "Leave this matter to me. I have more experience dealing with her than you do."

Liang Zixuan had the same thought as Qin Yu. Liang Jiahao's character was too upright and she feared that he would suffer a loss if he went head to head with the treacherous Wei Xiaoqing.

Besides, people like Wei Xiaoqing, if you didn't give her a single round of pain, she would be like an indestructible cockroach, demanding for more and more.

This kind of person cannot be dealt with using the gentleman's method!

Hearing Liang Zixuan's words, Qin Yu also nodded her head vigorously. Obviously, the two women felt that Liang Jiahao was no match for Wei Xiaoqing.

Liang Jiahao pinched Qin Yu's cheek and then said to Liang Zixuan, "Don't worry, I can handle her. Give me her phone number."

Seeing that Liang Jiahao had made up his mind, Liang Zixuan knew that it was useless to persuade him no matter how she tried.

These two siblings were the same when it came to stubbornness. Even ten bulls wouldn't be able to pull them back.

"How are you going to deal with her?"

"Don't worry, I won't even have to spend a single effort. I can even stop her without doing anything." Liang Jiahao chuckled. "I'm going to prepare breakfast for your sister-in-law. Don't forget to send me her number."

With those words, Liang Jiahao hung up.

Liang Zixuan on the other side was stunned for a long time. She suddenly exclaimed in surprise and patted Han Yuanjun's arm, who was lying beside her. "I have a sister-in-law now!"

Han Yuanjun hadn't woken up yet. It was the weekend, and he wanted to sleep more, but he was awakened by the sudden hit on his arm, causing him to frown in pain. He held Liang Zixuan's hand and asked, "Are you that happy?"

"I am very happy!" After Liang Zixuan sent Wei Xiaoqing's phone number to Liang Jiahao, she excitedly nestled into Han Yuanjun's embrace. "I'm happy that our Liang Family is growing rapidly day by day."

"Mmm ..." Han Yuanjun grunted with his eyes closed. "The number of people in your Liang Family is too few. Compared to my Han Family, you're just an ant."

"There's nothing we can do!" Liang Zixuan raised her small fist and punched Han Yuanjun's chest. "In the Liang Family, there's only me and big brother, unlike your Han Family where there's a large group of siblings."

Han Yuanjun chuckled and looked at her with half-open eyes. He saw that Liang Zixuan was pouting and pecked her lips. "It's alright. If we do our best, we can have a large group of siblings for our next generation."

Liang Zixuan: "...."

This again ...

????

Qin Yu followed Liang Jiahao with her slippers from behind and went down the stairs happily. "What delicious breakfast are you going to make for me?"

Liang Jiahao stopped and looked back. "What do you want to eat?"

Qin Yu was caught off guard and ran into Liang Jiahao's arms.

She slowly raised her forehead and her head happened to meet Liang Jiahao's lips. She blinked. "Why are you so tall?" noVεlusb.com

Liang Jiahao gave her a kiss on the forehead and laughed a little. "You're too short."

"I'm short?" Qin Yu angrily punched his chest. "I'm six feet tall! Among women, I'm not considered short!"

"En!" Liang Jiahao suddenly wrapped his arms around her waist and lowered his head. He could easily find Qin Yu's lips with this height. "The height is just right."

He only needed to bend a little to kiss her.

Qin Yu gloomily pushed Liang Jiahao away and walked past him. As she walked down the stairs, she said sullenly, "I haven't agreed to be your girlfriend yet, so stop trying to kiss me!"

Liang Jiahao watched as her proud figure skipped down the stairs. He sighed and followed her. "We slept together last night, why haven't you agreed to be my girlfriend yet?"

"Sleeping together?" Qin Yu turned around and clasped her hands behind her back. While retreating toward the kitchen, she explained to Liang Jiahao. "Can you express yourself clearly? We were just talking last night, nothing happened at all."

Seeing that Qin Yu was about to crash into the door frame, Liang Jiahao quickly pulled her back. "Don't walk backward. You're not familiar with this place yet. What if you bump into something?"

Qin Yu looked up and smiled at him. "Aren't you here? Could it be that you would just watch me hit the door?"

Liang Jiahao: "..."

It was intentional!

This was definitely intentional!

Chapter 550 Are You Going To Beat Wei Xiaoqing

Liang Jiahao loosened his grip on Qin Yu and went to the kitchen. "After I make breakfast for you, I have to go to see Wei Xiaoqing."

Hearing this, Qin Yu followed him unhappily. "From what you're saying, you are not planning to bring me along, are you?"

Liang Jiahao took out two eggs from the fridge, also took out a handful of vegetables, and put the water in the pot to boil.

During the whole process, he did not answer Qin Yu's question.

Qin Yu stomped her feet dejectedly. "Liang Jiahao, are you really planning not to bring me along?"

Liang Jiahao put the vegetables in the basket and turned around, putting his hands on Qin Yu's shoulders. He said seriously, "Be good, just wait for me at home."

Qin Yu pushed his hands away and said loudly, "Why? Do you think I'm holding you back?"

Liang Jiahao suddenly smiled and caressed her hair. "It's going to get bloody. Girls are not suitable to see it."

Bloody?

Qin Yu's body immediately tensed up, she held Liang Jiahao's hand tightly, and asked anxiously, "What exactly are you going to do to Wei Xiaoqing? Don't tell me you are going to beat her?"

Those reporters couldn't even take a few punches from Liang Jiahao, let alone Wei Xiaoqing. If Liang Jiahao really beat her...

Qin Yu did not even dare to think about it!

Although she wanted Wei Xiaoqing to be punished so much so she would retreat and not cause them trouble in the future, she still didn't want Liang Jiahao to commit a crime over such a small matter.

What if Liang Jiahao beat Wei Xiaoqing to death out of anger?

It didn't matter if Wei Xiaoqing died or not, the most important thing was that Liang Jiahao would go to prison for it!

Liang Jiahao raised his eyebrow. "Are you worried about me or Wei Xiaoqing?"

"Of course I'm worried about you!" Qin Yu was so angry that she punched Liang Jiahao again. "Wei Xiaoqing is a bad person, why should I worry about her? People like her would always keep her promise and as long as you threaten her, that's enough. There's no need for you to get your own hands dirty for her."

Even Liang Zixuan had also said this before.

Wei Xiaoqing wasn't like Wei Guowei, whose hands were stained with human blood. Although Wei Xiaoqing was bad, she had only done bad things up till now and nothing had crossed the bottom line. Yet.

Therefore, using the law to deal with Wei Xiaoqing was simply out of the question.

Qin Yu held Liang Jiahao's hand and said seriously, "Liang Jiahao, we shouldn't bite back just because the dog bit us, right?"

Liang Jiahao just chuckled. Looking at Qin Yu's anxious expression, he suddenly heard the sound of boiling water. He pulled his hand away from Qin Yu's grip and poured the noodles into the pot.

Qin Yu's face instantly darkened. "Liang Jiahao, I'm talking to you!"

Liang Jiahao stirred the pot with his chopsticks. "Why does my name sound so awkward on your lips?"

"Huh?" Qin Yu was taken aback for a moment. She looked at Liang Jiahao's broad back and pouted.

"Then what should I call you?"

Suddenly, she giggled, stuck her head out from behind Liang Jiahao, and said with a laugh, "I'll call you old pervert!"

Liang Jiahao pushed her head back. "No way!"

Qin Yu touched her forehead and thought gloomily. She remembered that Han Yuanjun had called Liang Zixuan "baby".

As the thought crossed her mind, she jumped on the counter and said in all seriousness, "Xiao Liang! From now on, I'll call you Xiao Liang."

Liang Jiahao thought this name seemed to be pretty good and it was still better than the old pervert.

He picked up the bowl next to him and put the cooked noodles in it. "Okay."

Qin Yu liked this name. She kept calling out, "Xiao Liang, Xiao Liang, Xiao Liang!"

Liang Jiahao replied with an "En, I heard you, okay." *novElusB.com*

During breakfast, Qin Yu shamelessly begged Liang Jiahao to take her along, but he didn't agree to it, hence she was extremely upset.

After they were done, Liang Jiahao went to the kitchen to wash the dishes while Qin Yu ran back to her bedroom and took her phone to call Liang Zixuan. "Auntie, your brother is going to visit Wei Xiaoqing soon, but he won't take me along with him."

Liang Zixuan's worried voice rang out on the line. "Has he said what he wants to do with her?"

"No!" Qin Yu pouted unhappily. "I've been asking him for a long time, but he was so secretive and didn't say a word."

"Wait, wait! That's not right." Qin Yu thought of something and said fearfully, "He said it was too bloody and it was unsuitable for me to watch."

Liang Zixuan was shocked. "He wouldn't beat Wei Xiaoqing, would he?"

"It's possible." Qin Yu nodded vigorously. "It's not like you don't know how violent your brother is. Say, if he kills Wei Xiaoqing and cripples her, the police will arrest him. So, what should we do?"

Liang Zixuan immediately went to the cloakroom and took out her cap and sunglasses. She took her phone and went downstairs. "Wait for me, I'll be right there. In the meantime, you can keep bothering him. When I'm close enough, you can let him go."

"All right!" After hanging up, Qin Yu hurried downstairs and found that Liang Jiahao was no longer in the living room or kitchen.

Thinking that he had left, Qin Yu quickly ran to the door to check the shoe cabinet. Fortunately, his shoes were still there, so she quickly returned to the living room and shouted as if nothing had happened. "Xiao Liang, where are you?"

Liang Jiahao's cold voice immediately sounded. "In the study."

"Oh!" Qin Yu ran over and opened the door of the study. With her sharp eyes, she saw Liang Jiahao put a bottle in his pocket. Smiling, she walked over and asked, "Are you going to see Wei Xiaoqing now?"

As she spoke, she reached for Liang Jiahao's pocket.

Liang Jiahao saw it and smirked. He grabbed her naughty hand, making Qin Yu scowl at him. "What? I can't even take a peek at it?"

"No." Liang Jiahao gently pushed Qin Yu's hand away. "People with weak minds can't look at something like this. Even a doctor can't save you if you faint because of it."

"What?" Qin Yu became even more curious and immediately fought him. "Let me take a look. What is this thing? So powerful."

Liang Jiahao held Qin Yu's hands tightly. Qin Yu couldn't move forward and clawed with all her might. "Aiya, let go of me. I just want to take a glance, it's really just a glance."

Even if she used all her strength, she could only reach the front of Liang Jiahao's pants. She could obviously grab the bottle just by stretching her hands a little, but her hands were still not long enough.

"Alright, that's enough. I'm leaving now." Liang Jiahao loosened his grip, but just as he did so, Qin Yu clawed at him again. He had no choice but to tighten his grip again.

"Qin Yu, stop this, okay?"
