

Beauty 551

Chapter 551 There Are So Many Beasts In This World

"You are going to do something bad!" What Qin Yu was going to do was stalling the time. It didn't matter if she couldn't see the object. As long as she could stop Liang Jiahao for a bit.

"Just let me take a look and I won't pester you anymore."

Liang Jiahao was helpless. "I've already said that you can't look at it. I did it for your own good."

"My own good, bullshit!!" Qin Yu was full of nonsense and said in an unreasonable tone. "Why won't you let me take a look? Is it poison? Don't tell me you want to poison Wei Xiaoqing?"

"What are you saying!" Liang Jiahao frowned. "Even though I'm not willing to admit it, Wei Xiaoqing is still my half-sister. How could I do that to her?"

"You think I will believe you just because you say so? There are so many beasts in this world, how can I know if you aren't one of them?"

Qin Yu regretted it immediately after she said that. She took two steps back and looked at Liang Jiahao guiltily. Sure enough, she saw his face darkened and he looked pissed off.

"Hehehe...Don't take it to heart, I was just casually saying those words."

Liang Jiahao took a step forward and pushed Qin Yu against the wall, pressing his tall body against hers.

"Xiao Liang, I was wrong. Please don't hit me." Qin Yu screamed in panic.

Liang Jiahao sneered and laughed coldly. "A beast? I guess you haven't seen what a real beast looks like!"

As soon as he said that, he fiercely kissed Qin Yu's lips. Qin Yu's hands kept pounding on his shoulders. "Ugh!"

Her strength was like a sandbag and it was completely useless. Liang Jiahao bit her lips in a punitive manner, causing her to scream in pain. "Liang Jiahao!"

Only then did Liang Jiahao let go of her. "A beast will bite. Qin Yu, I don't have time to waste with you right now. I've already made an appointment with Wei Xiaoqing."

Seeing Qin Yu's wronged expression while covering her mouth, Liang Jiahao's heart began to ache. He raised his hand and ruffled her hair. "Be good and wait here obediently for me."

When Liang Jiahao turned around, Qin Yu hugged him from behind. "No, don't go!"

Liang Jiahao sighed. "I'll be back soon. Really. Let go of me, be good."

"No, I'm not letting go!" Qin Yu was so anxious that her eyes turned red. She hugged Liang Jiahao's waist tightly like a stubborn child. "Xiao Liang, can you bring me along?"

Liang Jiahao jerked the hand on his waist away and turned to look at Qin Yu. He looked into her eyes, which were as red as a rabbit, and his heart ached. In the end, he compromised. "Fine, I'll take you there. But you have to promise me one thing."

Qin Yu was so happy that she nodded vigorously. "Say it, don't even mention one. I even agree with ten."

Liang Jiahao raised his eyebrow. "Really?"

"Really!" Qin Yu smiled while holding Liang Jiahao's hand, trying to curry favor with him. "As long as you take me there, I'll promise you anything!"

"Alright." Liang Jiahao smiled happily. "Then let's make it two."

Qin Yu smiled at him and said, "Say it."

"First..." Liang Jiahao said in all seriousness, "be my girlfriend."

"What?" Qin Yu was stupefied on the spot. She thought it was something related to this matter, but in the end, he only asked her to be his girlfriend.

He didn't have to confess like this.

Qin Yu was even a little depressed. When a man chased after the girl he liked, he would go all the way down a mountain of blades or a sea of flames. Only then, things would be quite romantic.

How could Liang Jiahao be so casual with her?

Liang Jiahao looked at Qin Yu's face, which was full of resistance and even a little contempt. Knowing what she was thinking, he pushed her hand away and said, "If you don't agree, then forget it."

"No!" Qin Yu quickly held his hand again. Although she was a bit depressed, in order to follow him and stop him from doing something stupid, she threw caution to the wind. "Okay, I promise you. I'll be your girlfriend!"

Liang Jiahao smiled proudly and put his arm around Qin Yu's shoulder, walking towards the door. "The second thing is simple: you are not allowed to say a single word during the whole process. You must listen to everything I say."

If she didn't say anything, she would have suffocated to death.

Qin Yu was the kind of person who would feel lonely if she didn't say anything for ten minutes.

"I-I..." Qin Yu pouted. "I can't do that."

Liang Jiahao glanced at her. "You can't do that?"

Qin Yu nodded her head vigorously. "Yes, it will be lonely for me if I keep my mouth shut."

Liang Jiahao chuckled. "You've already informed my sister, haven't you? You can go outside with her and come back after I'm done dealing with Wei Xiaoqing."

"That won't do!" Didn't Qin Yu go with him to stop him from doing something stupid? If she couldn't keep an eye on him, it was the same as if she didn't go.

After a long struggle in her heart, Qin Yu finally compromised and said, "Fine, I'll try my best to give it a try." nOvelus.com

At this moment, her phone rang. She picked it up only to see it was a call from Liang Zixuan. She took the call right in front of Liang Jiahao. "Auntie, just drive your car inside. Your brother has already agreed to let us follow."

After hanging up, Liang Zixuan drove the car to Liang Jiahao's villa in a few minutes. She rolled down the window and looked at him while asking Qin Yu in uncertainty. "He really agreed to it?"

Qin Yu proudly lifted her chin and pointed her thumb at herself. "Is there anything I can't do in this world?"

Liang Jiahao rubbed her head and said to Liang Zixuan. "Zixuan, get out of the car. We'll go in my car."

"Alright." Liang Zixuan gave Qin Yu a thumbs up, then quickly got out of her car and sat in the backseat of Liang Jiahao's car with Qin Yu.

Liang Jiahao drove the car out of the compound. While he was driving, Qin Yu was talking with Liang Zixuan.

"Auntie, let me tell you, yesterday was really scary, really! Your brother was hanging on the window just like that, he gave me a fright!"

"Is that so? Sister-in-law, did my brother catch those people?"

"Of course! It's not like you don't know how amazing your brother is! But auntie, what the hell is Zeng Shuang? Why does she think your brother is hers?"

"I don't know her either. Han Yuanjun also said that he wasn't very familiar with her. Sister-in-law, don't worry. With my brother here, he won't let anything happen to you."

Liang Jiahao had a headache as he sat in front and listened to their conversation.

That was a very confusing title.

Auntie, sister-in-law.

Hehe ...

Then when he met Han Yuanjun in the future, should he call him uncle?

Chapter 552 Are You Really Willing To Give Me A Loan That's Against The Rules

While Liang Zixuan was talking to Qin Yu, she noticed that the car had already left the city and was heading towards the suburbs.

And Liang Zixuan seemed to be familiar with this direction.

After looking out the window for a while, Liang Zixuan suddenly realized something and asked Liang Jiahao, "Big brother, are we going to that place? The place where Brother Gong took me to see you last time?"

Liang Jiahao nodded. "You've got a good memory. I had arranged to meet with Wei Xiaoqing there."

Liang Zixuan looked at Liang Jiahao through the rearview mirror and frowned. "Are you sure she can find the place?"

Liang Jiahao sneered. "Even if she can't, she better try her best to find it!"

Liang Zixuan and Qin Yu were really curious about the method Liang Jiahao had used against Wei Xiaoqing until he could get her to meet in such a place.

If it was them, they wouldn't even dare to go to a place like this, especially after knowing that they didn't have a good relationship with Liang Jiahao.

After half an hour of driving, the car finally stopped in front of the small house.

Qin Yu felt goosebumps all over her body as she stared at the deserted area and the small, lonely buildings.

"This ... This can't be a haunted house, can it?"

"No." Liang Zixuan comforted her. "I have been here before, and it was just an ordinary house. Before my brother's last mission, this place was supposed to be one of his bases. It was a place where he could rest or organize a battle plan."

Liang Jiahao opened the door and motioned for them to enter.

Liang Zixuan and Qin Yu immediately followed behind him.

This place was almost the same as the last time Liang Zixuan was here. Although no one obviously lived here, the house was still clean and without a speck of dirt.

It might be because someone came to clean it regularly.

Liang Jiahao casually tossed the folder on the tea table. It was only at this moment did Liang Zixuan and Qin Yu notice that Liang Jiahao had actually brought something here.

Curious, they both walked towards the folder together and reached for it at the same time. Liang Jiahao glanced at them and coldly asked, "What did you promise me before you came here?"

Liang Zixuan's and Qin Yu's hands paused in midair. They looked at each other and quietly drew their claws.

Liang Jiahao pursed his lips in satisfaction. "When Wei Xiaoqing arrived, no matter what I say, none of you are allowed to interrupt. Do you understand?"

Liang Zixuan and Qin Yu both nodded obediently. "Understood."

Just as they finished talking, there were several knocks on the door.

Liang Jiahao looked towards the door. "She's here."

Liang Zixuan immediately volunteered to open the door. "I will open it." *nOvelus* [b.Com](http://www.nOvelus.com)

Liang Zixuan opened the door and saw Wei Xiaoqing standing there in a pretty dress and very fine makeup. The look in her eyes as she looked up at Liang Zixuan was full of scorn.

Liang Zixuan cast an indifferent glance before walking back to the living room.

Wei Xiaoqing walked behind her, looked around the house, and said mockingly, "Why did we, siblings, have to meet in such a deserted place? Why did you guys make it so secretive? Are you guys planning to do something shameful?"

Seeing Qin Yu was also there, sitting next to Liang Jiahao with her legs crossing, Wei Xiaoqing quickly sneered. "Yo, Qin Yu is here too? This time, everyone is coming here together."

As if realizing that she had said something wrong, Wei Xiaoqing covered her mouth and looked at Liang Zixuan with a smile. "Where is brother-in-law? Why didn't he come too?"

If Liang Jiahao hadn't given them a heads up, none of them would have let Wei Xiaoqing speak.

Was there a need for Han Yuanjun to be here to punish Wei Xiaoqing for what she had done?

If Liang Jiahao had not insisted, Liang Zixuan would have gladly been the one to make Wei Xiaoqing suffer.

When Wei Xiaoqing saw that Liang Zixuan and Qin Yu were not saying anything, she thought they were afraid of her. She became more pleased with herself. "Big brother, is it true what you said on the phone?"

Liang Jiahao pushed the folder on the table towards Wei Xiaoqing. "Of course, as long as you can manage it, the things inside are yours."

Wei Xiaoqing bent down and picked up the folder. She looked at Liang Jiahao with a smile and casually opened the folder. "Are you really serious? Are you really willing to give me a loan that's against the rules?"

When Liang Zixuan and Qin Yu heard this, they looked towards Liang Jiahao in disbelief.

Qin Yu could barely hold it anymore and really wanted to ask him what was going on.

Liang Jiahao suddenly grabbed Qin Yu's small hand and squeezed it.

Qin Yu immediately held back the words that almost came out of her mouth.

Liang Jiahao sat upright on the couch and looked at Wei Xiaoqing with a fiery gaze. "Those two paparazzi were sent by you, weren't they?"

Wei Xiaoqing's hand holding the folder froze as the smile on her face gradually faded.

She was already wondering why Liang Jiahao, an upright man, was willing to give her a loan that went against his principles. So it was because he didn't have good intentions.

The two paparazzi were too useless. Liang Jiahao caught them before they could give her anything!

Wei Xiaoqing quickly adjusted her attitude, pretended to be indifferent as she pursed her lips, pulled out the agreement, and casually asked, "What paparazzi? I don't know anything about it."

Qin Yu frowned in anger. She really wanted to strike forward and give Wei Xiaoqing two hard blows.

"Wei Xiaoqing, stop pretending. I came here to find you today because I want to make peace. After you sign this agreement, don't think about finding and causing trouble to Qin Yu and me again!"

When Liang Zixuan and Qin Yu heard this, they were very shocked.

They thought that Liang Jiahao was here to settle the scores with Wei Xiaoqing. They never expected that he was here to make peace with her.

This was simply not the style of their Liang Family.

Qin Yu couldn't hold it in any longer and shouted angrily, "Xiao Liang!"

Liang Jiahao pinched Qin Yu's hand.

Qin Yu's eyebrows knitted tightly in pain. Just as she was about to question him, she received a look from Liang Zixuan. That look clearly told her, "Wait and see. Trust my brother."

Chapter 553 A Game

Qin Yu was so angry that her face flushed. Because of her confidence in Liang Zixuan, she tried her best to control her temper.

Liang Zixuan was a smart person. And if she didn't even say anything, then the only thing Qin Yu could do was keep her mouth shut.

Wei Xiaoqing raised her gaze and looked at them. Seeing Qin Yu's angry face, she was very happy. "Yo yo, what happened? Qin Yu, why are you so angry?"

Qin Yu was so angry that she looked away. She felt very disgusted just by looking at Wei Xiaoqing's face.

The angrier Qin Yu was, the more Wei Xiaoqing was pleased with herself. She slammed the agreement on the table, and her face immediately turned evil, revealing a dark, evil aura. "Qin Yu, if I want to mess with you, I can think of a hundred ways to deal with you. Let me tell you that I am someone who has wandered in the entertainment circles before. I understand everything about entertainment circles! I could bring you down just like Liang Zixuan brought me down!"

Qin Yu gritted her teeth in anger.

When had she ever experienced such a backlash?

Qin Yu gave Liang Jiahao a sharp look. If he won't allow her to express her feelings today, she'll pack her luggage and leave the house!

Liang Jiahao's expression instantly darkened. He looked at Wei Xiaoqing coldly. "Wei Xiaoqing, I want to solve this problem peacefully. If you continue to say bad things and upset my girlfriend, don't blame me for being rude to you."

Wei Xiaoqing covered her mouth and laughed. "Liang Jiahao, you should realize that you're the one who's begging me now. Where do you get the confidence to threaten me from? Let me tell you, I'm not stupid. I just need a little method to make you restless. If you don't believe me, you can try!"

Liang Jiahao frowned. He picked up the document and pulled Qin Yu up. "Let's go."

When Wei Xiaoqing saw that Liang Jiahao was serious, she jumped in fright. She had done so many things just to get something from him.

If she succeeded this time, she could use Qin Yu to threaten Liang Jiahao in the future.

This would become her source of money.

As long as she ran out of money, she could come over and shake Liang Jiahao's life. Then, the money would fall on her. So, how could she miss out on such a good thing?

"Aiya, big brother!" Wei Xiaoqing finally changed her stance and coquettishly grabbed Liang Jiahao's hand. "I was just joking earlier, don't be angry."

Liang Jiahao stood there like a statue, indifferent to Wei Xiaoqing's words.

Wei Xiaoqing had no choice but to apologize to Qin Yu. "Alright, I was wrong. Qin Yu, you're a big shot, please don't lower yourself to the same level as me. Besides, when you marry my brother, you'll be my sister-in-law. There's no need for us to quarrel over such a small matter."

Wei Xiaoqing calling Qin Yu a sister-in-law had really disgusted her a lot.

When Liang Zixuan called her sister-in-law, she was happy. But when Wei Xiaoqing called her that, Qin Yu felt like giving Wei Xiaoqing a good beating.

After Wei Xiaoqing apologized, Liang Jiahao helped Qin Yu sit down in satisfaction. "Wei Xiaoqing, as long as you agree to my terms, this loan will be yours."

Wei Xiaoqing had seen the agreement. It was a five hundred million loan, and she had also seen the mortgage. It was the villa where her family had lived.

The villa had been there for more than 20 years, and the house was old. Although the location was good, it was only worth twenty million.

Liang Jiahao was actually willing to sign the agreement of five hundred million with her in exchange for an old villa.

This was simply a pie falling from the sky.

"Fine, tell me, what are your terms?" Wei Xiaoqing said happily.

Liang Jiahao said unhurriedly. "After you signed this agreement, you are not allowed to do anything that harms Zixuan and Qin Yu anymore. From now on, each of us will go our own path of sunshine. Don't look for them anymore and don't think of causing them trouble."

"No problem!" Wei Xiaoqing smiled indifferently.

Who could predict what would happen in the future anyway? What was the point of a verbal agreement?

Even if she went against her word, what could Liang Jiahao do to her?

Kill her?

Hehe ...

Wei Xiaoqing did not believe that Liang Jiahao would break the law.

As long as she signed this document, it would be equivalent to grabbing hold of Liang Jiahao's weakness. In the future, if he didn't agree to do anything she wanted, she could take this document to the court and sue him.

How could she not agree to this term when it was equivalent to killing two birds with one stone?

Anyway, Wei Xiaoqing wasn't a gentleman, she was just an evil little girl.

Liang Jiahao looked at her coldly, then suddenly sneered. "Second, you have to play a game with me."

"Game?" Wei Xiaoqing frowned. "What kind of game do you want me to play?"

Liang Jiahao pointed upstairs. "There's a sealed room above us, I'll give you the key. As long as you stay there within an hour, you can sign this agreement and take it with you."

When Liang Zixuan and Qin Yu heard this, they looked at each other again.

What was Liang Jiahao trying to do?

Why did it sound so strange?

Wei Xiaoqing, who thought she was smart, obviously understood the mystery behind this game. Her expression darkened. "Liang Jiahao, what are you trying to do?" *novelusb.com*

"I'm doing nothing. It's just a game." Liang Jiahao took out a key from his pocket and put it on the tea table. He tapped it lightly with his finger. "I can assure you that there is no danger in that room. If you don't believe me, you can go upstairs and take a look before deciding whether to agree or not."

Wei Xiaoqing was not stupid. She immediately went up to take a look when Liang Jiahao said from behind. "It's the first room on the left."

After Wei Xiaoqing climbed the stairs, she unlocked and pushed open the door of the first room on the left. Other than a bed, there was nothing inside. There was not even a single window. It was a completely sealed room.

Wei Xiaoqing snorted coldly. "What, does he think I have claustrophobia? Does he think by asking me to stay in this small dark room will make me succumb to his wishes? In your dream!"

If it was any other time, Wei Xiaoqing wouldn't be in the mood and had the time to play the game. But when she thought of the five hundred million, it was basically a gift for her.

She had to be retarded if she did not agree.

Wei Xiaoqing went downstairs. "Are you really going to let me sign this agreement as long as I stay in that room for an hour?"

Liang Jiahao raised his eyebrow. "Of course. I have always been a man of my word."

These words came from Liang Jiahao's mouth. Everyone knew his character. He was an upright man and had always kept his word. As long as he agreed, he would definitely do it.

With a confident look, Wei Xiaoqing sneered at Liang Jiahao. "Then wait for me to sign the agreement!"

Chapter 554 Hallucination I

With that, Wei Xiaoqing went upstairs.

Liang Jiahao then stood up and followed her from behind.

Wei Xiaoqing came into the room and laughed mockingly when she saw Liang Jiahao following her. "What, you don't believe me? Do you really have to follow me and see it with your own eyes?"

Liang Jiahao secretly took out a small bottle of green liquid from his pocket without saying anything. After opening the lid at a moderate pace, he poured it onto the ground.

"I only followed to close the door. Remember, one hour. If you get out before the specified time, don't blame me for not signing the agreement."

Wei Xiaoqing sat down on the bed and looked at Liang Jiahao coldly. "Don't worry, I won't let you down."

Liang Jiahao looked at her coldly and closed the door.

Liang Zixuan and Qin Yu were like ants in a hot pot. When they saw Liang Jiahao coming down, they impatiently asked, "What're you doing? What kind of game are you playing with Wei Xiaoqing?"

Liang Jiahao sat next to Qin Yu, looked at his watch, and said with a smile, "You guys just have to wait."

Seeing Liang Jiahao's relaxed face, Liang Zixuan and Qin Yu also gradually calmed down. Liang Jiahao never did anything that went against his principles. Apparently, calling Wei Xiaoqing here was just bait, and his real motive was probably this game.

Qin Yu became more and more curious, even a little excited. "What exactly is the mystery behind this game? Tell us."

Liang Jiahao smiled without saying anything. No matter how hard Liang Zixuan and Qin Yu pushed him for answer, he wouldn't say a word.

Liang Zixuan and Qin Yu were so curious that they felt their hearts beat faster. Liang Zixuan waved to Qin Yu. "If he doesn't want to say it, let's go upstairs and take a look."

Qin Yu nodded excitedly. "Let's go!" *novelusb.coM*

Liang Jiahao quickly pulled them both back. "Don't go."

Liang Zixuan and Qin Yu looked at him blankly.

Liang Jiahao took a deep breath, then he said softly, "Back then, when I was on a mission in the rainforest, I came across a very strange plant. This plant would emit a fragrance that could cause hallucinations."

"Hallucinations?" Qin Yu blinked and sat down next to Liang Jiahao obediently. "What do you mean by hallucinations?"

Liang Zixuan also sat down opposite Liang Jiahao. The two girls were like two students listening attentively to a lesson. They were listening to Liang Jiahao's mysterious story attentively.

Liang Jiahao patiently explained to them. "The smell of this plant can make people instantly experience greed and madness in life. For example, what you've always wanted, or dreams you've always chased. And the more ambitious you are, the harder it is to get out of this illusion."

Liang Zixuan nodded. "I understand. It's like a fantasy novel, right?"

"More or less." Liang Jiahao smiled. "In the beginning, it'll let you get everything you wanted, something that has been buried deep in your heart. But after you get it, and when you're immersed in pride, it'll soon let you fall from the clouds."

He paused before continuing, "If you ever do something embarrassing or something sinful, you'll be tormented until your skin is no longer intact."

Qin Yu was quite shocked. "In other words, it'll let you be happy until you can fly up to the sky, and then pull you down with a single attack. Is that right?"

Liang Jiahao nodded. "Pretty much."

Liang Zixuan blinked, her heart beating fast. "Big brother, how did you get out of this hallucination then?"

Liang Jiahao just simply smiled at her question. "This hallucination plant is useless to me. Firstly, I've gone through professional training, and secondly, I've no ambition. In real life, what I can get is all the things I try my best to get. The biggest drawback for this plant is that it first makes you sink in happiness and then, it will release all of the anger, making your life worse than death. I don't have arrogance, so it didn't work on me at all."

Qin Yu still had a lingering fear as she patted her own chest and said, "Luckily you stopped me. If I was affected by it at that time, I don't know what I would do!"

Liang Zixuan patted Qin Yu's hands and cheered. "Don't worry, even if you accidentally smelled the fragrance, you should be able to get out soon. You won't be dragged down because you've never done anything embarrassing in your life."

Liang Jiahao nodded. "What Wei Xiaoqing wants is too much. She's already done so many shameful things for them. This time, she probably won't be able to get out unscathed."

When Liang Zixuan and Qin Yu heard this, they both simultaneously looked towards the stairs.

????

Wei Xiaoqing had been in the room for five minutes. She looked at the time on her phone and smiled as she noticed the time was passing faster and faster. "Liang Jiahao, it seems you misjudged me when you decided to play this game with me."

As the air evaporated, the liquid that had been poured on the ground began to emit a fragrance.

When Wei Xiaoqing smelled it, she laughed indifferently. "The service in this room isn't bad. There's even a fragrance."

She raised her hand and fanned her face, wanting the smell to be clearer. Suddenly, many scenes appeared before her eyes.

Wei Xiaoqing stared at the sight in front of her blankly for a moment. Then she got up and walked towards the images that passed her.

"Finally, it's time for the Best Female Actress. The winner is.....Wei Xiaoqing!"

Wei Xiaoqing immediately felt countless flashing lights land on her body. Loud applause could be heard in her ears as everyone shouted, "Wei Xiaoqing! Wei Xiaoqing!"

Wei Xiaoqing's face lit up and she ran towards the podium. Han Yuanjun walked toward her with a trophy in his hand. As he handed her the trophy, he suddenly hugged her and said, "Qing, congratulations."

Wei Xiaoqing was extremely shocked. She raised her head and carefully looked at Han Yuanjun's handsome face. "You ... What did you just call me?"

Han Yuanjun knocked her forehead. He smiled and whispered, "Idiot, we're married. If I can't call you Qing, then what should I call you?"

Married?

Wei Xiaoqing was so shocked that she immediately jumped into Han Yuanjun's arms.

When Wei Xiaoqing raised her head again, she found herself standing on the podium of the international award ceremony. There were many people sitting below, and every single one of them was an international superstar that she recognized.

And now, all the superstars were looking at her. All the applause was actually for her.

They kept shouting, "Wei Xiaoqing! Wei Xiaoqing!"

Wei Xiaoqing was completely immersed in endless arrogance. She looked at everyone who was looking at her with a look of envy. At that moment, she was so happy that she wanted to fly into the sky.

Suddenly, the image changed and she walked hand in hand with Han Yuanjun at Times Square. She went into an expensive store, and no matter how much it cost, as long as she pointed with her finger, the staff would pick it up for her immediately.

She walked around the store like a queen and arrogantly said, "This, this, this, I want all of them."

After saying that, she turned to Han Yuanjun and asked coquettishly, "Did I buy a lot?"

Han Yuanjun smiled at her affectionately. "Not much. Hubby has a lot of money. Whatever you want, hubby will buy it for you."

Wei Xiaoqing was very happy. She hugged Han Yuanjun and smiled happily. "Hubby, you've treated me too well!"

Just as she was drowning in happiness, Wei Guowei suddenly appeared in front of her.

"Xiaoqing ..." His voice was old and sad. He was looking into her eyes with thick hatred. "I've been so good to you, I've given you everything you wanted since you were young. For your own sake, not even my ex-wife's children were spared, but you and your mother actually worked together to trap me!"

Wei Xiaoqing was so scared that she hid in Han Yuanjun's arms. "Hubby, who is this? I don't know him, quickly drive him away!"

The man didn't move at all. Wei Xiaoqing looked up and saw Han Yuanjun's cold face. It's as cold as winter.

Han Yuanjun pushed her away, his deep eyes suddenly narrowed. "Wei Xiaoqing, you can't say whatever you wanted! Who are you calling a hubby? My wife is Liang Zixuan!"

"No, no!" Wei Xiaoqing looked at Han Yuanjun's heartless face and shook her head. "No! I'm your wife!"

Chapter 555 Hallucination II

What was Liang Zixuan?

Liang Zixuan was just a bug that Wei Xiaoqing stepped on!

Without her mother, how could a pathetic brat like her, who wasn't loved by her father, be born and be able to fight for everything she owned?

Wei Xiaoqing threw herself at Han Yuanjun, crying. "Hubby, I'm your wife! Look at me, you've pushed me to the highest podium, you've walked hand in hand with me for years, and you dotted me the most. How can you not be my husband?"

Han Yuanjun raised his leg and kicked Wei Xiaoqing in the stomach. At this moment, Liang Zixuan walked from the side and curled up in Han Yuanjun's arms. Han Yuanjun smiled lovingly at her.

Liang Zixuan looked at Wei Xiaoqing with a mocking smile. "Wei Xiaoqing, are you dreaming? See clearly, Han Yuanjun is my husband, and you ... You're just a loser. Everything here is all mine!"

As soon as Liang Zixuan finished her sentence, the images Wei Xiaoqing saw all turned into Liang Zixuan. She was the one standing on the podium, all the applause and gazes were directed at her.

Wei Xiaoqing stood there like a clown, watching Liang Zixuan enjoy all the glory under the flashing lights.

"No, it's not like that!" Wei Xiaoqing covered her head with both hands and took two steps back in disbelief. Seeing the scene in front of her, she cried out in pain. "You cheated on me! It's not like that! This is all mine! My honor, my man, my money ... "

Suddenly she screamed like a madwoman. "This is all mine!"

Liang Zixuan raised her eyebrow. Suddenly, she wrapped her hands around Han Yuanjun's neck. Han Yuanjun lowered his head and kissed her lips passionately.

Wei Xiaoqing almost died when she saw this. She continued to hold her head and shook her head loudly. "No, what're you doing?! No, Liang Zixuan, you slut, let go of my man!"

Behind Liang Zixuan, the staff walked with a stack of shopping bags. She respectfully asked, "Madam Han, can I send these items directly to your home?"

Liang Zixuan finally let go of Han Yuanjun's lips and glanced at Wei Xiaoqing from the corner of her eye. She smiled and nodded, "Of course."

Han Yuanjun kissed Liang Zixuan's forehead again and gently asked, "Baby, what else do you want to buy? You can use my card."

Liang Zixuan smiled coquettishly and hid in Han Yuanjun's arms. "I want everything, will you buy everything for me?"

Han Yuanjun hugged Liang Zixuan tightly. "Of course, as long as that's what you want, husband will buy it for you."

Wei Xiaoqing watched as Han Yuanjun carried Liang Zixuan further and further. She suddenly chased after them like crazy. "Don't leave, this is all mine! Come back here and give me back my things!"

Suddenly, Wei Guowei, who was wearing a prison uniform, stood in front of her, blocking her path.

Wei Xiaoqing's entire body was immediately enveloped by fear. Wei Guowei was looking at her with hatred and despair. "You ...What do you want?"

"Xiaoqing, I'm your father..." Wei Guowei grinned cruelly at her. He slowly raised his hand and touched her face. As he moved, the chains on his hands and feet made a "clinking" sound.

It was as if the sound came from hell itself, causing Wei Xiaoqing's body to be enveloped by a terrifying aura.

"Don't come near me, you aren't my father. Go away, don't touch me!"

Wei Xiaoqing turned away in panic and wanted to run away from Wei Guowei, but before she could run two steps, Wei Guowei suddenly appeared in front of her again.

He was getting closer and closer to her.

"No, no! Go away, you all go away, don't touch me, don't, ah! Let go!"

Wei Xiaoqing's nerves were at their breaking point. She cried and screamed while holding her head with both hands. Horrified, she watched as the countless Wei Guowei surrounded her and then rushed towards her in an earth-shattering manner.

"Wei Xiaoqing, I love you very much. Why do you want to harm me?"

"What's the point of you harming me?"

"Xiaoqing, are you really happy now? Did you get everything you wanted by harming me?"

The interrogation of Wei Guowei's souls reached Wei Xiaoqing's ears, and all she could think of was a scene in which everything she had earned turned into nothing.

Wei Xiaoqing was frightened, sad, and cried out loud. "This is all because of you! If you don't show up in my life, I will have everything! It's all because of you!"

Wei Guowei's countless pairs of hands reached out to Wei Xiaoqing like devil's claws from hell. They tugged madly at her hair and clothes as if they were venting their anger. "You've hurt me and I'll make you suffer a fate worse than death!"

"Ah! Don't!" Wei Xiaoqing screamed in fear, and her tense veins burst with the sound of "pa". Her whole body was shrouded in fear and despair that was so intense that she began to lose herself. "Don't come near me, don't touch me. Go away, go away!"

Downstairs, Liang Jiahao raised his hand to check the time. An hour and a half had passed and Wei Xiaoqing still hadn't come down.

He picked up the agreement on the table. In front of Liang Zixuan and Qin Yu, he took out a lighter and burned the paper. "Looks like she won't be able to wake up."

Liang Zixuan and Qin Yu looked at the burning paper in front of them and felt indescribable disappointment and frustration in their hearts.

Earlier, Liang Jiahao had said that it would take at most an hour for the person to wake up even if she wasn't in her right mind. However, Wei Xiaoqing didn't wake up even after an hour and a half.

How big was the sin in her heart that she was tormented by the delusion until she couldn't wake up?

Liang Jiahao looked at the fire that was gradually extinguishing and said expressionlessly. "I gave her a chance. If she wasn't greedy, she would walk outside and leave. Furthermore, if the sin in her heart wasn't too heavy, she would be able to wake up in an hour, so... No one can blame me for being so ruthless."

He raised his hand to straighten his suit and stood up. "You guys stay here, I'll check on her."

"Big brother!" *NOVeLUSB.Com*

"Xiao Liang!"

Liang Zixuan and Qin Yu shouted together. The two girls looked at each other and stood up at the same time. "We'll go with you."

Liang Jiahao shook his head gently. "I've said before, it's too bloody. You'd better not see such a scene."

"No!" Liang Zixuan said firmly. "Big brother, I'm not a child anymore. I've seen a lot of storms over the past two years, and scenes like this cannot affect me. If you don't let me go with you, I'll continue to bother you."

Chapter 556 Hallucination III

Qin Yu had always been a curious person, she's also curious about things like this, that could only be read and seen in novels and on television. After Liang Zixuan said that, she impatiently said, "Me too, I want to see it. At least, I want to see what Wei Xiaoqing looks like now, otherwise..."

She paused and her eyes darted to the side. "Otherwise, how would I know how much you have vented your anger on my behalf?"

Liang Jiahao raised his eyebrow at the courage these two girls had. "You guys chose this. Don't blame me if you guys lose your appetite for lunch later."

Liang Zixuan and Qin Yu laughed like dogs. Qin Yu pulled Liang Jiahao's arm and shaking it spoiledly. "That's not going to happen. What scene haven't I seen before? For me, this is a piece of cake."

NOVeLUSB.Com

Liang Jiahao said nothing and agreed for them to follow him upstairs.

As soon as he pushed open the door, both Liang Zixuan's and Qin Yu's eyes widened in shock.

Although Liang Zixuan had seen many scenes before, but when she saw Wei Xiaoqing's messy hair, her originally fine face that was covered with bloody scratches from her nails, and how she was still desperately scratching her own face, Liang Zixuan still couldn't help herself. Her stomach churned and she spun around, trying to control her vomiting.

Qin Yu was clearly scared silly. In fact, she didn't understand why Wei Xiaoqing looked like she had been bitten by the countless beasts in this room. Her clothes were torn as if there were tens of thousands of pieces hanging from her body.

None of the exposed skin was good anymore. It was just like her face, with countless traces of blood on it. The sight frightened Qin Yu until her heart was beating fast. In the next second, like Liang Zixuan, she turned and tried to control her vomiting.

Liang Jiahao raised his hands and patted them on the back. "Can't stand it anymore?"

Qin Yu waved her hand at Liang Jiahao, and after some difficulty, she said uncomfortably, "This is too... I can't take it anymore."

Liang Zixuan held her stomach and looked at Wei Xiaoqing reluctantly from the corner of her eye. In the next second, she felt the need to vomit again.

Liang Jiahao shook his head. "You guys wait for me in the car. I'll drive Wei Xiaoqing's car later and you guys follow from behind, okay. This matter isn't over yet."

Not over yet?

Liang Zixuan and Qin Yu didn't have time to think about what Liang Jiahao was going to do, because they couldn't stay in this room any much longer. Covering their mouths, they quickly ran downstairs without waiting for Liang Jiahao's instructions.

Liang Jiahao heard the sound of their footsteps running downstairs. He smiled and walked towards Wei Xiaoqing.

He took off his suit jacket and slipped it over Wei Xiaoqing's body. Wei Xiaoqing suddenly felt something touching her again, so she pushed Liang Jiahao's hand away in fear, and her body suddenly shrank into the corner of the wall.

Her eyes weren't focused and she looked around fearfully and cried out loud. "Don't come near me, don't! I beg you, please let me go. Please!"

Liang Jiahao pursed his lips and touched the back of Wei Xiaoqing's neck with his fingers.

Wei Xiaoqing froze for a moment before suddenly closing her eyes and fainting.

Liang Jiahao put his suit jacket on Wei Xiaoqing again, before picking up her phone and bag. He took the car keys out of her bag, put the phone inside, then turned around and carried Wei Xiaoqing in his arms.

????

It took a long time for Liang Zixuan and Qin Yu to recover from their shock. Qin Yu patted her chest as she said with lingering fear, "It's too bloody! Really, auntie, this is the first time in my life that I've seen a person become like this. She's like a ghost!"

"No." Liang Zixuan shook her head, her face still pale like a ghost. "Her appearance reminded me of some kind of torture in an imperial harem. It is called chopped into pieces. It's as if someone uses a small blade and cuts her skin piece by piece. Beads of blood appear like bamboo shoots after rain, and her whole body is covered with them."

"Aiya!" Qin Yu shouted and hit Liang Zixuan's arm. "Auntie, don't speak anymore! I'm so scared. Just by thinking of the plot, I don't dare sleep alone tonight."

Liang Zixuan sniffled and turned to hug Qin Yu. "I don't dare either!"

If Liang Jiahao knew that they would be scared like this, he would definitely regret bringing them here.

Liang Jiahao carried Wei Xiaoqing out of the house, opened the back door of her car and placed her inside. Then he circled the front of the car and sat in the driver's seat.

Seeing Wei Xiaoqing's car start moving, Qin Yu squeezed Liang Zixuan's arm. "Auntie, hurry up, your brother is already driving. Let's follow him."

Liang Zixuan looked at her hands, which were still shaking with bitterness. She spoke to Qin Yu, "How about you drive? My hands are still shaking."

Qin Yu looked at Liang Zixuan gloomily, then she grabbed Liang Zixuan's hand and pressed it against her leg. "I didn't tell you just now, but my legs are shaking too. I can't step on the accelerator at all!"

Liang Zixuan: "..."

So it turned out that everyone was at the same level.

"Cough, cough..." Liang Zixuan coughed dryly and sat down on the driver's seat. She raised her hands to hit her legs. She waited until her hands stopped shaking before stepping on the accelerator. "I'm going to drive the car like a turtle, don't you dare laugh at me!"

Liang Zixuan slowly drove the car out.

Liang Jiahao deliberately slowed down the car so that they could follow him. It was as if he knew they were scared until their hands and feet were shaking.

Liang Zixuan stared at Wei Xiaoqing's car without blinking. After a while, she looked at Qin Yu awkwardly. "Don't tell your uncle about what happened today, or he'll laugh at me for a year."

Qin Yu was also close to tears. "Of course not! I'm no better than you! If he laughs at you for a year, he'll laugh at me for decades!"

That man could actually laugh and make fun of others for eternity.

Liang Zixuan sometimes didn't know where Han Yuanjun got his free time from. He can't remember other people's happy or glorious times, but he can remember other people's disgrace!

Gao Nianzu once complained to Liang Zixuan that Han Yuanjun laughed at him for wetting the bed when he was ten years old.

Liang Zixuan nodded loudly. "It's a deal. This will be our little secret. We can't tell anyone else. It's too embarrassing!"

Along the way, Liang Zixuan and Qin Yu discussed what Liang Jiahao would do next. They guessed for a long time, but they couldn't find the answer at all.

It was only when Liang Jiahao drove the car into the city and headed towards the hospital did Liang Zixuan and Qin Yu realize what he was up to.

With Wei Xiaoqing's current appearance, if she was thrown into Zeng Shuang's office looking like this, how would Zeng Shuang react?

Just thinking about it made Qin Yu very excited. She sighed like a happy little bird and beamed with joy as she said, "Xiao Liang's movements are too cruel. He's trying to kill a chicken to set an example that's enough to scare Zeng Shuang to death! Hahaha ..."

Liang Zixuan nodded in agreement. "Yes, some people will do nothing and just try to scare the mastermind. But for people like Zeng Shuang, who we don't know well, we can't catch her weakness in a short period of time. If we don't scare her this time, she would still dare to do something behind our backs again. So, it would be better if we teach her a lesson."

Qin Yu was elated. "With your brother here, there's nothing for us to worry about. His movements are simply unheard-of and I've never seen them before. If people didn't attack him, then he wouldn't attack them. But once they attack him, the bad guys won't be able to escape!"

Just like Dong Biming.

In order to protect Qin Yu, Liang Jiahao easily revealed Dong Biming's conspiracy at the scene, thus forcing her to come out due to paranoia.

Fortunately, Liang Jiahao had discovered Dong Biming's illness just in time. Otherwise, no one could tell what fate would befall Qin Yu now.

A person with an abnormal mental state was unable to use normal thinking to consider what he or she would do next. Besides, even if she hurted you, she would not be punished by the law.

Qin Yu turned to Liang Zixuan. "Auntie, I suddenly realized that everything your brother did was something that he did with a hidden motive."

Chapter 557 What Are You Doing Here

Liang Zixuan glanced at Qin Yu before laughing out loud. "Everything he does, the goal is always been you."

Qin Yu was so embarrassed that her face turned red. With pursed lips, she looked away and played with her fingers. "I-I also noticed that he actually treated me quite well."

"Just well?" Liang Zixuan smiled and sighed for a long time. "Aiya, my big brother treated you so well that I wanted to be envious!"

"Auntie!" Qin Yu was so depressed that her mouth almost curved up into a smile. "Stop teasing me. If you tease me again, I'll tell uncle about what happened today."

Liang Zixuan mimicked Han Yuanjun's gesture and raised her eyebrow. "Go, tell him as you please. As if you will never lose face too!"

"Hey, we have already arrived at the hospital now." Qin Yu saw Wei Xiaoqing's car pull into the parking lot and said excitedly, "Auntie, hurry up, follow him."

Liang Zixuan followed the car into the hospital parking lot. They both immediately opened the car door and got out.

Liang Jiahao opened the back seat door and carried Wei Xiaoqing out. When he saw Liang Zixuan and Qin Yu coming, he signaled them to pick up Wei Xiaoqing's bag with his eyes.

Qin Yu picked up Wei Xiaoqing's bag and happily ran towards Liang Zixuan to the main entrance of the hospital.

Liang Jiahao looked at their happy backs and smirked. "These two girls."

As they walked, Liang Zixuan said to Qin Yu. "Honestly, when I played games with Wei Xiaoqing or anyone else in the past, I always wanted to make sure they had no way out or chance to retaliate. I felt very happy when I saw their angry expressions."

Qin Yu nodded in agreement as she listened. "Yes, yes, me too."

Liang Zixuan continued to smile. "But looking at my brother's method today, I really admire him from the bottom of my heart. Anger is not as great as fear. I cannot wait to see Zeng Shuang's reaction once she sees Wei Xiaoqing."

Qin Yu laughed heartily. "It must be amazing!"

They stopped talking and turned to Liang Jiahao, who was following them silently from behind. The two of them said excitedly, "Come on, we're taking the elevator."

Liang Jiahao stood there motionless as he looked at them silently.

Liang Zixuan and Qin Yu took two steps forward. When they realized that Liang Jiahao was not following them, they turned back to him at the same time.

Qin Yu waved at Liang Jiahao and urged him anxiously. "Hurry up, let's go."

Liang Jiahao said calmly, "I'll go up by myself."

"No way!" Qin Yu protested anxiously. "This beautiful scene, how could we miss it!"

Liang Jiahao shook his head helplessly as he watched the two girls being so happy like they were getting a five millions deal.

There were a lot of things he did not want them to see.

Liang Jiahao had a certain way of doing things. In some situations, he worried that Liang Zixuan and Qin Yu might not be able to accept it. Just a moment ago, he did not want them to see Wei Xiaoqing, but they insisted on going up.

They both nearly vomited up their breakfast.

But at the same time, he was not able to refuse their request.

Liang Jiahao shook his head and finally walked towards them. "Well, since you all want to see it, I'll let you see it."

Coincidentally, at that moment, the elevator arrived. Liang Zixuan and Qin Yu rushed in excitedly. Although they were still very excited, none of them dared to glance at Wei Xiaoqing, even though her body was covered by Liang Jiahao's jacket.

When they reached the surgical floor, Liang Zixuan and Qin Yu came out first and looked for an empty seat.

Since it's the weekend, there were many people in the hospital, and they came late. It's almost 12 noon.

Liang Jiahao looked at the clock on the wall and laughed a little. "The time is right."

"What's right?" Liang Zixuan and Qin Yu said simultaneously. The two usually smart girls were really impressed with Liang Jiahao today.

Liang Jiahao pointed at the clock with his chin. "It's almost time for lunch."

"Lunch?" Liang Zixuan and Qin Yu were stunned for a moment. Liang Zixuan was the first to respond, she leaned on Qin Yu's shoulder excitedly and laughed. "Hahaha... Big brother, you are so bad!"

Qin Yu blinked. Seeing Liang Zixuan laughing until she could barely breathe, Qin Yu slowly woke up and started laughing loudly. "Haha ...Haha ... How come I never noticed you were so bad? Xiao Liang, you, you, haha ... You are really bad."

Liang Jiahao raised his eyebrow. "That's not bad, that's a trick."

Many people saw that it was time to eat and stood up to leave.

Doctors were always like this. Every time it was time to eat, they would check the first two patients as fast as they could. Even though there were only ten minutes left, they would no longer call the number and letting the people, who had been waiting for a long time, come in.

Liang Jiahao saw that there were still five minutes before lunch, so he got up and carried Wei Xiaoqing. "Let's go."

Liang Zixuan and Qin Yu also stood up and walked towards the consultation room together with Liang Jiahao. *NovEtuSb.com*

When the nurse saw the three of them rushing, she hurriedly said, "It's lunch time. The doctor can't see the patient anymore. We'll be back at 1:30."

Liang Jiahao went ahead and carried Wei Xiaoqing straight to the consultation room. The nurse was anxious as she walked around the station and wanted to stop him. "Did you hear what I said? I already said that it's lunch time."

Qin Yu raised her wrist and showed her watch to the nurse. "There are still five minutes left."

"That's not how it works!"

The nurse wanted to stop Liang Jiahao, but Liang Zixuan quickly stopped her. "My sister is badly injured. Besides, we know Dr. Zeng, so don't worry, we are not bothering anyone's lunch time."

The nurse could only watch Liang Jiahao bringing Wei Xiaoqing into the consultation room. Then she heard Zeng Shuang's voice. "Liang Jiahao, what are you doing here?"

Hearing this, the nurse no longer stopped them and went to eat lunch with the other two nurses.

Liang Jiahao put Wei Xiaoqing on the bed. Qin Yu walked over and slammed her palm on the table. "Don't ask too much. Hurry up and check her!"

She couldn't wait to see Zeng Shuang's expression.

Zeng Shuang looked at Liang Jiahao and then at Qin Yu. When she saw Liang Zixuan enter too, she was getting confused. What exactly made the three of them to show up at her office at the same time?

"Alright." Zeng Shuang was also curious and walked towards the bed.

Chapter 558 A Centipede

Zeng Shuang walked to the bed and lifted Liang Jiahao's suit that covered Wei Xiaoqing.

When Wei Xiaoqing's unrecognizable face appeared before her eyes, she didn't actually recognize who the woman lying there was.

"Heavens!" Zeng Shuang was shocked. "W-who is this? What, why is she like this? Wh-what happened to her?"

Liang Zixuan and Qin Yu were a little disappointed. Zeng Shuang's expression was not as wonderful as they had imagined.

They thought they would see her frightened expression instead of a shocked expression.

This reaction was not strange at all. Zeng Shuang was a surgeon and familiar with gory scenes. She had also seen a more unrecognizable face than Wei Xiaoqing.

Liang Jiahao stared at Zeng Shuang's shocked expression and lifted Wei Xiaoqing's head so she could take a closer look at her. "What, you don't recognize her?"

Zeng Shuang looked at the face again. Although Wei Xiaoqing's face was full of scratch marks, her face was still considered good. And although Zeng Shuang did not dare to admit it, she still asked timidly, "This ... Is she Wei Xiaoqing?"

Liang Jiahao nodded. "Indeed. This is Wei Xiaoqing."

Zeng Shuang could no longer calm down. She had a bad hunch about this. She swallowed hard and asked cautiously, "How...? How did she become like this?"

Liang Jiahao put Wei Xiaoqing's head down and when he looked at Zeng Shuang, he casually said. "Through a game."

"Game?" Zeng Shuang asked in surprise. "What kind of game can turn someone into something like this?"

Liang Jiahao said calmly with a small smile on the corner of his lips. "A two-choice game."

Liang Zixuan and Qin Yu stood far away from them, almost near the door, in a position where they could only see Zeng Shuang's expression.

Zeng Shuang's neck shrank back as she peered at Liang Jiahao out of the corner of her eye. With quivering lips, she asked, "A-and what did Wei Xiaoqing choose?"

Liang Jiahao chuckled. He suddenly raised his fingers and stroked Wei Xiaoqing's face. "She chose scorpions."

"Scorpions?" Zeng Shuang's eyes widened and goosebumps immediately formed all over her body. She raised her hand to cover her mouth and said in disbelief, "These injuries... Are these injuries from scorpions?"

The wounds on Wei Xiaoqing's face and body resembled the countless scorpions that crawled all over her body and pierced into her flesh. Strangely, Liang Jiahao only mentioned the word "scorpions," but the three women present could actually imagine the scene.

Zeng Shuang was so frightened that her body trembled. She quickly took two steps back and widened her eyes in fear. "These wounds ... I can't help her. Take her away from here quickly!"

"What's the hurry?" Liang Jiahao raised his eyebrow and slowly reached into his pocket as if he was taking something, but he didn't take it out even after a long time. *NOVELUS&.COM*

Zeng Shuang was even more scared by his behavior.

Originally, when Liang Jiahao came here, she thought that she could use this opportunity to approach him, but now, she just wanted to stay away from this man.

Liang Jiahao took a step toward Zeng Shuang with a cruel smile. "A game of two choices. Since she's already chosen one, then the other is yours."

"No!" Zeng Shuang screamed in panic and took a few steps backward before crashing onto the table. She was scared out of her mind. "Why do I've to play this game with you? I'm not going to play!"

"Don't panic ..." Liang Jiahao's smile deepened as he suddenly pulled out a long, large, even somewhat fat centipede from his pocket and threw it at Zeng Shuang's face. "This is what I have prepared for you. It's even more unlethal than Wei Xiaoqing. Don't be afraid."

"Ah! Ahh!" Zeng Shuang's mouth was wide open like that of a bowl. She was in a state of extreme fear, as if someone was strangling her. She continued to scream hoarsely. "Take it away from me! Take it away!"

The centipede sat perfectly on Zeng Shuang's face. It was ugly and scary, so much... Liang Zixuan and Qin Yu had never seen such a big centipede before.

They were both so frightened that they also took two steps back, fearing that Zeng Shuang would catch the centipede and throw it recklessly as she went berserk.

Zeng Shuang had been afraid of insects since childhood, especially animals with too many legs and hard shells. She was too scared to do anything but scream.

"Ah!" Zeng Shuang cried out loudly. "Liang Jiahao, take it away from me quickly. I beg you, please take it!"

"Take it?" Liang Jiahao took out his handkerchief and wiped his hands casually. A cold smile radiated in his dark eyes. "When you and Wei Xiaoqing went to hire the paparazzi to frame Qin Yu, why didn't you think of the consequences?"

Zeng Shuang wasn't like Wei Xiaoqing. For Wei Xiaoqing, even though her crimes were exposed, she could still pretend to be ignorant.

Zeng Shuang had never done anything like this before, and she didn't even know how to pretend. With such a large centipede lying on her face, even if she wanted to pretend and deny it, it was impossible for her to do so!

She was so scared that she screamed and pleaded. "Liang Jiahao! I - I was wrong! Ah! Take it away quickly!"

Liang Jiahao stood there looking at Zeng Shuang's frightened face with a relaxed smile. "Do you really want me to help you?"

Zeng Shuang really wanted to nod, but she didn't dare to move her head. She could only use her eyes to glance at Liang Jiahao and scream. "I - I - I beg you. Please, take it away! I won't do anything to harm Qin Yu again. Hurry up and take it away. Please!"

Liang Jiahao nodded and tried to grab the centipede in slow motion.

As soon as his hand was outstretched, the centipede suddenly wagged its tail and disappeared into Zeng Shuang's gaping mouth, as if it knew Liang Jiahao was going to catch it.

"Ugh!"

Behind them, Liang Zixuan and Qin Yu, who'd been watching the whole scene, couldn't hold themselves anymore and suddenly threw up.

What a disgusting sight!

So this was what Liang Jiahao meant when he said it was a perfect time.

Zeng Shuang's eyes suddenly widened as she fell to her knees, coughing incessantly. "Cough! Cough!"

She could clearly feel the centipede creeping into her throat.

People once said swallowing a fly was pretty gross, but can you imagine swallowing a centipede that big?

If you hadn't experienced it yourself, you wouldn't be able to imagine the nausea that made you want to cut open your stomach.

After coughing a few times, Zeng Shuang threw up as hard as she could. She desperately dug her throat with her finger, trying to dig out the centipede. She knew it was impossible to pull it out, but she still wanted to.

As she dug, she threw up until she felt sick. She threw up until her stomach hurt. No matter how many times she did this, the centipede still hadn't come out.

Liang Jiahao observed her miserable condition and pursed his lips. "This is only a warning to you. If I find out that you try to frame Qin Yu again, then next time it won't be as easy as a centipede!"

Chapter 559 I'm Going To Kill You

Liang Jiahao strode toward Liang Zixuan and Qin Yu. When he reached the door, he suddenly seemed to think of something. He paused in his footsteps and looked at Wei Xiaoqing, who was lying on a sickbed.

When Liang Zixuan and Qin Yu saw Liang Jiahao stop in front of them, they both held his arms and were barely able to stand up straight.

Liang Jiahao looked at the two and shook his head. He helped them up one by one.

Even when they were sitting in the car, Liang Zixuan and Qin Yu still had not regained their strength. When they recalled the scene of the centipede crawling into Zeng Shuang's mouth, they wanted to throw up again.

Liang Jiahao sighed secretly. People always said curiosity killed the cats. And looked how it had turned out.

If Liang Jiahao didn't let Liang Zixuan and Qin Yu follow him, they would follow him anyway.

It would be amazing, they said.

They didn't want to miss it, they said.

And in the end, who were the ones who suffered?

To make Liang Zixuan and Qin Yu forget what had just happened, Liang Jiahao chuckled a little and casually changed the subject. "What do you guys want for lunch?"

As soon as the word "lunch" was mentioned, the two who had just thrown up just now continued to groan in pain.

Liang Jiahao: "... *NOVELUSb.com*

From the looks of it, they will not be able to eat anything this afternoon.

Liang Jiahao sighed and drove the car straight to his house.

When they got inside, Liang Zixuan and Qin Yu rushed to the kitchen and poured themselves a large glass of boiled water to rinse their mouths. Finally, they stopped feeling that way. They both lay on the couch, exhausted and completely unwilling to move.

Liang Jiahao sat on the couch opposite of them and took an apple from the basket. He took a bite and said, "Let me tell you something."

Liang Zixuan hurriedly covered her stomach and said uneasily, "Please don't mention that you still wanted to have lunch? Really. Big brother, please have mercy on me."

Qin Yu just stared blankly at the ceiling. In an emotionless voice, she agreed. "Me too."

Liang Jiahao bit into the apple noisily. "Actually, what Zeng Shuang ate wasn't a real centipede."

"What?!" Liang Zixuan and Qin Yu got up at the same time and looked at Liang Jiahao in disbelief.

Liang Jiahao raised his eyebrow. "Centipede is a poisonous creature, let alone one with that size. It'll be life-threatening. How can I let Zeng Shuang eat it?"

He paused for a moment, then laughed softly in good humor. "It's fake."

"Fake?" Qin Yu had an expression of doubt. "How is that possible?! I saw it clearly. It can crawl, and its head can move. And you told me it was fake? Do you think I will believe you?"

Liang Zixuan nodded in agreement. "Big brother, you don't have to lie to us like this. Qin Yu and I are already feeling uncomfortable. Even though we can't eat lunch, we can at least have dinner."

Liang Jiahao put the half-eaten apple in the basket. "I still have a lot of it in my office. If you don't believe me, I'll go get it for you. You'll know after you see it."

"No!" Liang Zixuan's face was full of resistance. "Please don't take it out. If you say it's fake, then it's fake!"

Liang Jiahao was also afraid of scaring the two little girls, so he didn't really take it out. He explained, "Today, my goal is to scare them. If I can't scare them with such a threat, next time, I'll make them even more deadly. Don't worry, such a movable toy will melt once it comes in contact with stomach acid. It's not something that lethal. Only Zeng Shuang doesn't know about it, and she might lose her appetite for at least a week."

Liang Zixuan shuddered just by thinking about it. If the centipede crawled into her mouth, no matter if it was real or fake, she would definitely lose her appetite for a month.

Liang Jiahao's moves were too ruthless. He didn't even need to spend a single effort in scaring Wei Xiaoqing and Zeng Shuang. It can be said that he easily let Wei Xiaoqing experience the ups and downs of life in the illusion while the centipede crawled into Zeng Shuang's mouth.

For women, these were the most ruthless moves.

Liang Zixuan couldn't help but give Liang Jiahao a thumbs up. "Big brother, you're really amazing!"

Qin Yu's stomach finally felt better after hearing this. She looked at Liang Jiahao and laughed. "Today is definitely the happiest day in my life!"

Liang Zixuan asked Qin Yu proudly, "Did my brother vent your anger enough?"

Qin Yu nodded her head vigorously. "It's more than enough. I have never felt like this before. I'm so happy!"

????

Jiang Huifang received a call from Zeng Shuang and rushed to the hospital.

When she saw Wei Xiaoqing lying unconscious on the bed with a completely unrecognizable face, she cried. She went to her and hugged her, thinking her daughter was dead. She roared in pain. "Xiaoqing, your death is so tragic! Wuu Wuu..."

Zeng Shuang had asked the dean for a half-day leave, but she hadn't left yet. The reason was that she wanted to wait for Jiang Huifang.

Seeing how Jiang Huifang was crying, she said uncomfortably, "Can you stop crying?"

Zeng Shuang had just told Jiang Huifang to come to the hospital to pick up Wei Xiaoqing.

Now, when Jiang Huifang saw Wei Xiaoqing's condition and Zeng Shuang's presence near her daughter, she thought that Wei Xiaoqing had been hurt by Zeng Shuang.

After putting Wei Xiaoqing down, Jiang Huifang walked closer, grabbed Zeng Shuang's hair, and slapped her face hard.

"You little bitch! How dare you endanger my daughter! I will kill you today!"

After a few blows, Jiang Huifang grabbed Zeng Shuang's neck.

Zeng Shuang did not think that Jiang Huifang would become violent toward her. She was about to faint, so she held Jiang Huifang's hand powerlessly and said with difficulty, "N-n-no."

"What no? You dared to kill my daughter, I will make you pay with your life!"

Jiang Huifang was so angry that her eyes turned red, and she continued to strangle Zeng Shuang's neck. She looked like a madwoman as she clenched her teeth and said, "Bitch, I'm going to kill you!"

"Cough! Cough!" Zeng Shuang's face quickly turned purple. As her life was threatened, she finally mustered all her strength and grabbed Jiang Huifang's hand with all her might.

Jiang Huifang's mind was filled with thoughts of revenge for Wei Xiaoqing. How could she be afraid of this little bit of pain? Her entire face contorted. She's going to strangle Zeng Shuang to death!

Zeng Shuang noticed that she couldn't shake Jiang Huifang off at all. She breathed in the thin air heavily and screamed at the top of her lungs. "It's not me! It's Liang Jiahao!"

Chapter 560 Liang Zixuan Took Everything From Me

"Liang Jiahao?" Jiang Huifang's grip loosened a little, but she still won't let her guard down completely just because of this. She glared at Zeng Shuang and asked, "Are you talking about Liang Jiahao?"

"Yes, it's him!" Zeng Shuang finally had the strength to breathe. After taking a deep breath, she quickly said, "It's really Liang Jiahao! Wei Xiaoqing and I worked together to deal with Liang Jiahao and Qin Yu. Maybe ... maybe he found out the truth, so he invited Wei Xiaoqing to come out today and put tens of thousands of scorpions on her body. That's how Wei Xiaoqing ended up like this."

The more Jiang Huifang listened, the angrier she became. Suddenly, she put more force on her grip. Zeng Shuang's breathing slowed as she said with difficulty, "Wei Xiaoqing isn't dead. She's just fainted. She'll wake up soon!"

"Really?" Jiang Huifang froze for a moment before suddenly letting go of Zeng Shuang. She quickly ran to the sickbed and checked Wei Xiaoqing's breath with her fingers. Only when she found that Wei Xiaoqing was really breathing did she slowly calm down.

Looking at Wei Xiaoqing's face, Jiang Huifang felt so angry that her intestines twisted together. "Liang Jiahao, you should be glad that I'm not finding trouble with you, but you actually dared to hurt my daughter! Why didn't I kill you back then?!"

When she married Wei Guowei, Liang Jiahao was just eight years old. It's not that Jiang Huifang didn't have this idea.

If Wei Guowei hadn't been biased and been kind to her and Wei Xiaoqing and mistreated Liang Jiahao and Liang Zixuan, Jiang Huifang would definitely have killed Liang Jiahao.

Wasn't it easy to kill a teenage boy?

Any random accident could cause Liang Jiahao to die badly.

Jiang Huifang never expected that Liang Jiahao would cause such a great disaster to her daughter just because she was merciful at that time!

He actually dared to put tens of thousands of scorpions on Wei Xiaoqing?

Seeing Jiang Huifang's resentful expression, Zeng Shuang touched her neck and added at the side. "Liang Jiahao said that this was just a lesson for Wei Xiaoqing. If she dares to do something too excessive to Liang Zixuan or Qin Yu in the future, he will make Wei Xiaoqing a complete corpse!"

Jiang Huifang glared sharply at Zeng Shuang with her red eyes. "Is that what he said?"

Zeng Shuang was so frightened that she took two steps back and continued nodding her head. "Really, really!"

"He brought such a big centipede today and forced me to eat it. I've been throwing up for a long time, and my stomach is about to come out. Really, he not only warned me, he even told me to send you a message."

Suddenly, Zeng Shuang clasped her hands in front of her chest and began to cry, feeling wronged. "I am scared just by hearing his name now. I am really scared..."

Jiang Huifang snorted angrily. "Indeed, this is something that bastard can do!"

Jiang Huifang still remembered that when she first entered the Wei Family, Liang Jiahao secretly poured earthworms into an electric rice pot she was cooking. After the rice was cooked and it was time for lunch, Liang Jiahao suddenly said he had a stomachache and did not want to eat.

As Jiang Huifang ate and ate, she suddenly realized that she was eating something slimy. They turned out to be earthworms. She felt so disgusted that she did not dare to eat rice again for several days.

Zeng Shuang stood on the side crying while watching her expression.

Seeing Jiang Huifang gritting her teeth in hatred, she sobbed. "Auntie Huifang, please don't do anything reckless. Liang Jiahao is really a devil; he can really do anything."

"Don't do anything?" Jiang Huifang frowned and slapped Wei Xiaoqing's bed. "Those words don't exist in my dictionary!"

Wei Xiaoqing slowly opened her eyes and looked at the white ceiling above her, as if she was seeing something scary. She rose from the bed and hugged herself in fear. "Don't come closer, don't! I didn't fail, I didn't..."

Jiang Huifang's head exploded when she saw Wei Xiaoqing like this. She screamed like crazy, "Liang Jiahao, what have you done to my daughter?!"

Hearing Jiang Huifang's voice, Wei Xiaoqing's vision gradually focused. When she could clearly see Jiang Huifang's face, it was as if she saw the last straw of hope that would save her life.

Wei Xiaoqing immediately held Jiang Huifang's hand and said tearfully, "Mom, that bitch Liang Zixuan took everything from me!"

Liang Zixuan?

Jiang Huifang stared blankly at Wei Xiaoqing, unable to process what had just happened.

Hadn't Zeng Shuang said it was Liang Jiahao?

Why did it suddenly become Liang Zixuan?

"Xiaoqing..." Jiang Huifang patted Wei Xiaoqing's hands and tried to calm her down. Then she asked in confusion, "What about Liang Zixuan? Is she also involved in this? Tell mom what happened."

"Wuu Wuu..." Wei Xiaoqing couldn't calm down no matter what. Her mind was still flashing with the images of Liang Zixuan stealing her fame, and Han Yuanjun. "My awards and my Oscar trophies were all stolen by that bitch. Moreover, she even stole my man!"

Man?

Jiang Huifang was even more confused now. What the hell was Wei Xiaoqing talking about?

If anyone wanted to talk about stealing, it was Wei Xiaoqing who'd stolen Liang Zixuan's man.

Although Liang Zixuan and Han Yuanjun had long been married, no one could deny the fact that Wei Xiaoqing had taken Hou Yingyi from Liang Zixuan.

This was an indisputable fact.

Liang Zixuan wasn't a brainless person. Now that she had Han Yuanjun, why would she be fighting with Wei Xiaoqing for Hou Yingyi?

Anyone with a brain wouldn't do such a thing!

Jiang Huifang asked in a daze. "Liang Zixuan stole your man?"

"En!" Wei Xiaoqing cried and said furiously, "Liang Zixuan stole my husband, she stole everything from me. She pushed me into the dark abyss and let Wei Guowei torture me!"

Jiang Huifang was even more perplexed. The more she listened, the more confused she became. She raised her hand to hold Wei Xiaoqing's shoulder and shook it hard. "Xiaoqing, what's wrong with you? Wake up! Where did you get your husband? Also, isn't Wei Guowei in prison now? What did he do to you?"

"Prison?" Wei Xiaoqing was suddenly stunned. She looked at Jiang Huifang with wide eyes and said nothing for a while.

She looked as if she'd been struck by lightning.

Jiang Huifang still couldn't understand anything.

What exactly had happened?

However, now wasn't the right time to find out the answer. Wei Xiaoqing's injured face and body, Jiang Huifang had to take her to a professional for treatment.

Jiang Huifang took out the mask and sunglasses from her bag and put them on Wei Xiaoqing's face. She supported Wei Xiaoqing's body as they left the consultation room. "Xiaoqing, mom will take you somewhere else so you can rest."

Wei Xiaoqing followed Jiang Huifang, then she suddenly stopped and turned her head like a robot. She looked at Jiang Huifang stiffly. "Mom, is Wei Guowei really in prison now?"

Jiang Huifang had forced Wei Guowei to sign a divorce agreement before he was imprisoned, and since then she and Wei Xiaoqing had been calling him by his name. In their world, Wei Guowei was an insignificant outsider. **NOVELUSB.COM**

"He is!" Jiang Huifang said disapprovingly. "Didn't we see with our own eyes how he was imprisoned? Xiaoqing, don't worry, he won't be able to get out."

Wei Xiaoqing slowly snapped out of her daze. At that moment, everything she saw and touched in this real world was most real. Every sense in her body could feel that things were happening around her, and this was the world she really lived in.

"Oh." Wei Xiaoqing replied indifferently. After walking a few steps, she suddenly said to Jiang Huifang, "Mom, let's go see him."

"Him?" Jiang Huifang didn't realize who "him" was at first. But after she thought about it, she realized that Wei Xiaoqing wanted to meet Wei Guowei.

"Xiaoqing, are you crazy? We're living well now, why should we meet him?"

Jiang Huifang panicked. Since Wei Guowei was imprisoned, Wei Xiaoqing had taken over his company. Wei Xiaoqing was also in charge of their whole family. She was like a queen; she could say and do whatever she wanted.

No one dared to fight against her, not even her own mother.

But Jiang Huifang didn't want to go to see Wei Guowei.

She didn't dare!

It was clear that Wei Guowei was imprisoned because of her and Wei Xiaoqing. How could she muster the courage to meet his hateful eyes?

Wei Xiaoqing stopped and looked at Jiang Huifang expressionlessly. "Are you going or not?"

"I-I ..." Jiang Huifang was completely frightened by Wei Xiaoqing's gaze. Even though she was wearing sunglasses now, Jiang Huifang could still feel the threat coming from her. "Aiya, Xiaoqing, your face and body are full of injuries. We still need to treat them. Let your body heal first, okay?"

Jiang Huifang's voice became quieter and quieter as Wei Xiaoqing slowly pulled down her sunglasses, revealing her pair of cold eyes.

Jiang Huifang felt an unprecedented pressure weighing down on her heart, and in the next second, she fiercely nodded her head and braced herself. "Okay, okay, let's go see him!"

Only then did Wei Xiaoqing avert her gaze and push back her sunglasses.
