Chapter 571 Someone Is Trying To Slander Qin Yu III

This place immediately became chaotic. A dozen of security guards forcibly separated Qin Yu from the reporter. They escorted her out and guarded against the reporter who continued to chase after her.

This Weibo post had just been published and had caused a huge uproar on the Internet in just ten minutes. The netizens all came out to gossip, and some attentive netizens even recognized the man next to Qin Yu was the man who'd saved her from Mao Ping that night.

"Oh my God! It was him! It was this man who saved Qin Yu back then! Are they really together?"

"Qin Yu promised her life to him because she couldn't repay the debt for saving her life?"

"It was originally quite a romantic story, but if this man is really Qin Yu's best friend's boyfriend and he was stolen by Qin Yu, then Qin Yu should explain herself!"

"I won't say anything about this incident. I just want to say that if I were Qin Yu, I don't care if he has a girlfriend or not. I'll just snatch him for myself."

Liang Zixuan, Zeng Zhelan, and Manager Lang were discussing the male group's project when Zeng Zhelan's assistant suddenly burst through the door and started shouting.

Now that Zeng Zhelan had become the music director, her demeanor was completely different. Hearing her assistant's shouting, she snappily said, "What are you doing? Can't you see we're in a meeting? Who are you trying to scare to death with your yelling?"

"No, no." The assistant bit her lips in a grievance and held up her cell phone. "I-it's Qin Yu. She's been blown up on the internet..."

"Qin Yu?" Zeng Zhelan and Liang Zixuan exclaimed in unison. They were both stunned for a moment. Then, in the next second, they took out their cell phones.

Manager Lang wasn't in the mood to continue the discussion. He also took out his cell phone and looked at the post as well.

When Liang Zixuan saw the hashtag "Qin Yu snatched her best friend's boyfriend" at the top of the search engine, her heart skipped a beat and she immediately opened it to look.

After reading that Weibo page, she angrily slammed her phone down on the table. "Who did this? Who is this man? Why is he writing something so blindly?"

Liang Jiahao and Qin Yu had only been together for a few days, and their relationship wasn't yet stable.

And yet something like this happened.

Wasn't this equivalent to forcing Qin Yu to break up with Liang Jiahao in order to prove her innocence?

Many celebrities who just got into a relationship were caught by the paparazzi. For the sake of their own future, for the advertising contracts and so on, they either continued their relationship secretly or just broke up.

For a celebrity like Qin Yu, who was accused of snatching her best friend's boyfriend, the first step taken by the management company was definitely for her to break up!

Liang Zixuan was furious. She took a few deep breaths before calming herself down.

Zeng Zhelan poked Liang Zixuan's arm. "Zixuan, this matter, is it true?"

"What do you mean, is it true?" Liang Zixuan stared at her gloomily. "If it's true, do you think I would be so angry?"

Zeng Zhelan nodded in understanding. "I don't believe Qin Yu would do such a thing either."

Liang Zixuan picked up her cell phone and dialed Qin Yu's number. The phone rang for a long time before it was finally picked up.

Liang Zixuan was very angry at first, but after the call was answered, the person on the other end of the line went silent.

Liang Zixuan could only ask in a gentle voice, "Qin Yu, are you all right?"

"I'm fine." Qin Yu sat in the car and looked out the window with a confused expression. "Auntie, you don't need to care about this matter. You're pregnant right now, so you can't get angry."

Liang Zixuan sighed. "How could I not be angry? You're my best friend, my niece, my Qin Yu."

Hearing Qin Yu's tone, Liang Zixuan knew that she wasn't in a good mood.

Liang Zixuan asked anxiously, "Qin Yu, has your activity finished yet?"

"Yes, it's ended." Qin Yu gently slid her finger down the window. "Just now, Sister Mo called me and told me to go back to the company to discuss what to do with the PR department."

Mo Shan was Qin Yu's manager and also Goo Senghli's manager.

Liang Zixuan nodded. "I also happen to be in the company. I'll go look for Sister Mo now. Come over quickly."

After hanging up, Liang Zixuan tidied up the documents and said, "I'll take these and look at them at home. You guys can continue with your work. If you have any questions or any forms needed to be processed, don't hesitate to contact me."

"Don't worry about it." Manager Lang smiled. "Actually, we don't need your help. We just have a feeling that with you around, everything will be easier. You don't need to do anything, just sit there and let us know that you're there, beside us."

Zeng Zhelan also added. "Right, right. Right now, Qin Yu's problem is the top priority and you're pregnant, so you don't have to worry about these trivial matters. If there is any major issue or we're not sure, we'll look for you."

Liang Zixuan was very grateful for their understanding. That was why she liked everyone in the Han Group. *noVELUs&.com*

Everyone had their principles and would put themselves in the shoes of others.

"Alright." Liang Zixuan patted Zeng Zhelan's shoulder. "If there's anything important, just look for me. It's fine, I'm just pregnant. I'm not terminally ill."

"Pah pah pah!" Zeng Zhelan spat on the ground a few times. "Zixuan, don't spout such nonsense! Alright, you go ahead. We already know what to do. If there's anything, we'll definitely look for you."

After Liang Zixuan left the office, she went straight to Mo Shan.

Mo Shan poured her a glass of fresh fruit juice. Just as she was discussing with Liang Zixuan how to resolve this matter, Qin Yu arrived.

"I'm so tired!" Qin Yu threw her bag on the couch and lay straight on it.

Mo Shan knew what Qin Yu was like in private. She'd already gotten used to her behavior, so she didn't say anything about it.

"Qin Yu, tell me the truth, are you and Liang Jiahao in a relationship?"

There was no secret between the artist and the manager, but Qin Yu didn't tell Mo Shan about Liang Jiahao because she was only with him for a few days.

Besides, she had been resting during this period, so she didn't have the chance to tell her.

When she saw Mo Shan was looking at her, she turned her head to Liang Zixuan and put her feet on the tea table. "If I said that he and I are indeed together, are you going to force me to break up with him?"

Mo Shan pursed her lips without saying anything, but her meaning was clear.

For the sake of Qin Yu's reputation and future, breaking up with Liang Jiahao was the best solution.

Chapter 572 Choices

Seeing that Mo Shan remained silent, Qin Yu scoffed. "I don't understand. I didn't snatch, I didn't drive people crazy, I didn't do any of those mentioned on the Internet. So, why can't I be with Liang Jiahao? Why must I sacrifice my love?"

Mo Shan shook her head and said with a sigh, "Because you are a star, a public figure. Your every movement is watched by countless eyes. You can't have any stains on your body. You must convey your positive power to the public."

She sighed again. "Qin Yu, if you want to stand in the highest position and get the respect that you deserve, you have to sacrifice yourself. Do you understand?"

Liang Zixuan couldn't hold it any longer and asked, "At the expense of our happiness? Do we really have to sacrifice our love to achieve that?"

Mo Shan shrugged. "You don't necessarily have to sacrifice love, you can sacrifice your career. It depends on what you feel is more important."

Qin Yu immediately got up from the couch and looked at Mo Shan with a frown. "If I really did that, then yes, you can make me choose. But I don't! So, why should I choose?"

Mo Shan took out her phone, tapped the search engine, and held it in front of Qin Yu's eyes. "Qin Yu, unless you get strong evidence to prove that you really didn't do it, then it's fine. Otherwise... And what's the strong evidence that I mentioned?"

Mo Shan's expression suddenly turned serious. "Xia Jingfei showed up in public, proving that she and Liang Jiahao didn't have any relationship and that you didn't interfere with their relationship in any way. Dong Biming showed up and said that you weren't the cause of what happened to her. As long as you can do one of these things, not only you and Liang Jiahao won't be separated, but you can also be together with him in broad daylight. Can you do that?"

Qin Yu bit her lips in frustration. Mo Shan was clearly giving her a hard time!

Where was Xia Jingfei now? Qin Yu herself did not know, so how was she supposed to find Xia Jingfei to testify on her behalf?

And even if Qin Yu could find Xia Jingfei, would Xia Jingfei appear in public to testify on her behalf?

Thing like this was very embarrassing. No matter who it was, they wouldn't tell everyone about their shameful moment just to prove others' innocence.

No need to mention Dong Biming. She was already suffering from mental illness and is currently undergoing treatment. And now Qin Yu wanted Dong Biming to stand up in public and testify for herself?

Wasn't that too cruel?

Liang Zixuan slowly clenched her fists at her side. At first glance, it was clear that someone deliberately poured dirty water on Qin Yu's body in order to break her relationship with Liang Jiahao.

What a vicious heart!

"What if my brother appeared in public and explained the real thing? Would that help?"

"Impossible." Mo Shan shook her head. "Liang Jiahao is now one of the key figures in this problem. No one will believe what he and Qin Yu said. Besides ..." *NoVeUS&.com*

She passed her cell phone to Liang Zixuan. "Look at these comments. There are already many netizens scolding him as a bastard. Tell me, will anyone believe the words come from a bastard?"

"Bastard!" Qin Yu kicked the tea table. "I'm not going to break up with Liang Jiahao! I'm not a Little San, I do not snatch anyone's boyfriend. Why should I break up with him! If I really break up with him, these people will still say I did that because I have a guilty conscience! So, why should I?!"

"Qin Yu!" Mo Shan became a little restless and stood up to pull her back. "Calm down! What we're about to do now is just a countermeasure. You can make a statement at the same time with Liang Jiahao, saying that the two of you are not together, and after this incident is over, you can secretly be with him. It's fine."

"I, Qin Yu, am an honest and honorable woman. Why do I have to hide when I'm in love? Am I that shameful?!" Qin Yu slapped Mo Shan's hand, she was so angry that her chest heaved up and down.

"Sister Mo, I will say everything today. If you want me to sacrifice my love, then keep dreaming! I am more willing to sacrifice my own career! I, Qin Yu, will stand tall and not be afraid of any rumors!"

After hearing Qin Yu's words, Liang Zixuan's heart, which had been hanging in the air, finally calmed down.

This was the Qin Yu whom she loved and hated.

As long as Qin Yu had decided, whether it was someone or something, she would not be afraid of the Blade Mountain or Sea Fire. She would still bite the bullet and charge forward.

Her stubbornness was very similar to Liang Jiahao and Liang Zixuan.

But Liang Zixuan did not want Qin Yu to give up her career just to be with Liang Jiahao.

"Qin Yu, Sister Mo." Liang Zixuan stood up and gently separated them from each other. "We will discuss this in a calm manner, okay? We shouldn't fight with our own people just because of someone else's schemes."

Qin Yu was still very angry. She turned her head to the side. In her heart, she knew that Mo Shan was doing this for her own good, but she was sometimes very disgusted with the way her manager did things.

Celebrities were people too!

Why can't they have their own private lives, and why can't a celebrity face the slander of others and react like a normal person?

"Sister Mo, sit down first." Liang Zixuan comforted Mo Shan before pulling Qin Yu to sit down.

Liang Zixuan smiled and looked at Mo Shan. "Sister Mo, just like what Qin Yu had said, even if she broke up with my brother, people would still not acknowledge it and continue to blame her. Why would she sacrifice something just because of rumors? I have a suggestion, would you listen to me?"

Mo Shan was a good-natured person and she knew very well that Qin Yu's temper was easily ignited. That girl was not a bad person, but she had a violent personality.

Although Qin Yu was angry with Mo Shan now, but that was only for a while, and she would forget about it later.

Therefore, Mo Shan did not really get angry with her.

Looking at Liang Zixuan, Mo Shan said, "Alright, tell me about it."

"As you said, the strong evidence must come from Xia Jingfei and Dong Biming. But we cannot find Xia Jingfei right now, and Dong Biming definitely will not come out. Do you think it's possible that someone in the Dong Family come out to explain this on behalf of them?"

"The Dong Family?" Mo Shan frowned. "Who is it? It's possible for this person to come out but it depends on his relationship with Dong Biming and Xia Jingfei, and his position in the Dong Family."

Liang Zixuan nodded. "I understand. What if Dong Yong were to appear in public and explain this on behalf of Qin Yu? He doesn't have to say anything about the relationship between Qin Yu and my brother. He just has to say that Xia Jingfei really did not have a relationship with my brother and that Dong Biming's illness has started a long time ago, but they never find out. We can also ask the hospital to issue a statement that Dong Biming was not in her right mind when she uttered those words. If that is the case, then the words of the person with mental illness should no longer be convincing enough."

"Yes, we can use this method. If the Patriarch of the Dong Family and the hospital can prove this matter at the same time, then this matter can be stopped immediately. Besides, although there are still many people willing to believe Dong Biming's words, that should only be a minority."

As long as they quickly suppressed this matter, Qin Yu's reputation would be preserved.

Liang Zixuan immediately called Dong Yong and asked him if he was willing to help.

When Dong Yong heard this, he was a little embarrassed. "Sister-in-law, the responsibility for this matter is actually ours. When I saw the news today, I was ashamed to see you and Third Brother. Rest assured, in half an hour, I will use my personal account to clarify this matter. As for the hospital, I will also ask them to issue a medical statement for me. I just hope that I can resolve this matter in time."

After thanking him, Liang Zixuan hung up the phone. Seeing that Qin Yu was still fuming and looked like her anger had not subsided yet, Liang Zixuan pinched her small face and smiled. "Alright, stop being angry. This matter will be settled soon. I won't let you sacrifice anything. Trust me."

Chapter 573 Reality Show

Qin Yu dejectedly slapped Liang Zixuan's hand and brought her legs to her chest. "I'm not angry because of that, I'm angry because I know who I am. Is there any point in doing this to me? If this person finds something bad in me, I willingly accept it no matter how much she scolds me face to face. But now, this dirty water has splashed onto my body, even if you helped me wash it off, it would still leave traces behind."

When many people saw the headlines, they assumed that the person was just like what was in the headlines. There were even some people who didn't even check the content and just planted the bad seed in their hearts. From today onwards, regardless of whether it was the actor's movies or songs, these people would boycott him/her because of what had happened.

Liang Zixuan suddenly remembered that in her previous life, a no. 1 actress was given the opportunity to act in an international movie, but she was splashed with dirty water by Wei Xiaoqing.

It was clearly a fake accusation and the actress herself had explained it, but most of the netizens still did not believe her.

No matter how hard she tried, she was still accused of being raised by the gold mine. And whenever people saw her movies, they would always say, "Oh, isn't this actress being raised by XXX? If you want to seduce a man with a wife, you must first look at your despicable appearance in the mirror."

Actually, this actress was someone who had a meal with that man and was almost bullied by him. She was originally the victim but was pushed into the limelight by public opinion.

People only wanted to believe what they were willing to believe, and this actress quickly descended from the entertainment circle while Wei Xiaoqing finally took over her position.

These were the marks and the scars of a pot of dirty water.

The consequences would be very serious!

Therefore, in the entertainment circle, many people loved to use this move. If one splashed the dirty water on someone, regardless of how weak the water was, it would still cause a big amount of harm to the artists.

Liang Zixuan knew what Qin Yu meant, and her heart was filled with disappointment. Who could have done such a thing to Qin Yu?

Just as Liang Zixuan thought of this, she immediately thought of Wei Xiaoqing.

No matter how Wei Xiaoqing's current situation was now, this move was indeed her usual method.

And whoever was able to record this video must have also been on the scene that day.

Coincidentally, Wei Xiaoqing was there.

"Qin Yu, I have a bold guess, but I'm not sure yet. I will ask your uncle to investigate it. Before we find out the truth, don't do anything. Just rest at home, okay?"

"Rest again?" Qin Yu said gloomily. "I have already rested for more than a month. I have just returned, yet you are asking me to rest again."

There was no helping it. After all, one thing happened after another.

"Take another two days of rest as a vacation." Liang Zixuan smiled as she hugged Qin Yu. "When you come back to work again, you might be busy for a long time. Since it's rare for a celebrity to have a vacation, you should go home and spend it together with my brother."

"You don't need to rest." Mo Shan suddenly said, "Two days ago, I received an invitation. They wanted to invite Qin Yu to join their reality show and it's about finding a star who cannot be beaten by the eight pillars. In this show, you have to pretend to be in love with another male guest. It's the same kind of thing that is happening to Qin Yu right now. If Qin Yu participates in this program, she can just treat it as a game and dispel the other netizens' suspicions against her."

"Pretend?" Qin Yu snorted coldly. "What kind of boring program is this? Why should I pretend to be in love with another man? Very boring, okay! If they asked me to kiss this male guest or something, would I really have to do it?"

Liang Zixuan was also a little resistant. "I know about this program. It's quite popular in Korea, and I also do not agree with Qin Yu participating in it."

"I'm not done yet!" Mo Shan interrupted Liang Zixuan. "You should not be in such a hurry to reject it. The director of this program is Shi Jingguo."

"Shi Jingguo?" Liang Zixuan burst out laughing. "We are very familiar with him! Is that why he wanted to invite Qin Yu to this show?"

Mo Shan also laughed. "That's right. He said he's close to Qin Yu and even emphasized that he definitely wouldn't let her do something that she doesn't want to do. He just wants her to have fun. So, Qin Yu, just go and have fun. Take it as a distraction."

Qin Yu had been so bored at home lately. She was originally quite resistant to it, but when she heard that it was directed by Shi Jingguo, she felt that it wasn't a big deal. *NoVelUsb.com*

In any case, she had to pretend to be in a relationship with another man during the filming.

"Don't worry, Goo Shengli also received an invitation. He said he's not interested unless you go. If you two go together, you might become partners. When the time comes, everyone will know that you two are just like siblings, and no one will take it seriously."

"Alright!" Qin Yu finally cheered up and readily agreed. "I'll go, but Goo Shengli must go as well."

"Don't worry, his shooting will be over soon. He can participate with you."

Mo Shan immediately called Shi Jingguo and told him that Goo Shengli and Qin Yu would be there.

Shi Jingguo was overjoyed. He immediately said that he would send the contract over to them.

After Liang Zixuan had comforted Qin Yu, she personally watched her and Hou Fen drive home before returning to Han Yuanjun's office.

"You have to help me investigate this matter and find out who is behind it!"

Han Yuanjun did not even raise his head as he quickly signed his name on the document with the pen in his hand.

Liang Zixuan saw that he was busy, so she didn't say anything and obediently sat down on the couch, waiting for him to finish his work.

She waited and waited, but Han Yuanjun seemed to be too busy and did not show any sign of finishing. Even after Dong Yong had issued a statement, Han Yuanjun was not done yet.

Liang Zixuan couldn't hold it any longer and went over to tug at his collar. "You're not done yet? Help me check on Qin Yu..."

Han Yuanjun pulled Liang Zixuan into his arms. He let her sit on his lap and continued reading the document.

Liang Zixuan: "..."

What happened to Han Yuanjun today?

Didn't he usually love this little niece of his?

Liang Zixuan said gloomily. "Uncle, your niece is about to be bullied to death, yet you're still so indifferent?"

Han Yuanjun chuckled. "Stop fooling around, I have work to do."

At this moment, the reporter dejectedly left the venue after failing in his plan. He and his photographer were planning to take photos of Qin Yu and Liang Jiahao together.

Seeing Qin Yu's car drive out, he immediately got the driver to follow. "Hurry up, don't lose her. Qin Yu kept saying she wasn't with Liang Jiahao, I want to see if she really isn't with him."

Reporters like him always treated the privacy of celebrities however they wanted. The driver quickly followed Qin Yu's car as if he had been injected with chicken blood.

Suddenly, a black Mercedes-Benz appeared from behind and joined them.

On such a wide road in Imperial City, such a situation wasn't really unusual. However, just as they were about to turn the corner to chase Qin Yu's car, the Mercedes-Benz suddenly pressed on the accelerator and sped toward them.

The driver was shocked and quickly turned the steering wheel to avoid the danger.

However, the driver of the Mercedes-Benz seemed to have no intention of letting them go, as his car kept ramming into the rear of the reporter's car.

The driver slammed the steering wheel and cursed. "Is this person sick? Why does he keep ramming us!"

The reporter was infuriated to see Qin Yu's car drive away in front of him. "Hurry up and chase her!"

The Mercedes-Benz sped up and drove past the reporter's car, before the car spun 180 degrees, blocking the reporter's path.

"Chasing what? Can't you see this lunatic is blocking the road!" At the Mercedes-Benz driver's command, the reporter's car was forced to pull over by the roadside.

The reporter exploded on the spot. He abruptly pushed open the door and walked out in a flustered manner. Coincidentally, the owner of the Mercedes-Benz also walked out.

"Are you f*cking crazy? The road is so wide, and yet you still want to squeeze into our driveway!" The reporter shouted. "Is your family dead or are you just in a hurry to be reborn?! Don't you know the other way?"

Hearing the reporter's words, the man's already gloomy face suddenly became even more sinister, and he clenched his hand into a fist before punching the reporter in the face.

Chapter 574 Even If It's The End Of The World, I Will Find You!

"Ah!" With a miserable scream, the reporter spun 360 degrees before finally crashing into his car. He covered his face as blood spurted from his mouth, along with his two teeth.

The driver and the cameraman in the car wanted to help the reporter, but upon seeing this scene, they curled up in fear and did not dare to get out of the car anymore.

The reporter raised his head to see the man's appearance. He felt the man looked quite ordinary, but at the same time, he felt like he had seen him somewhere before.

When the man's face merged with the face in his memory, he exclaimed in surprise, "You! You are Liang Jiahao!"

Liang Jiahao's eyes were cold and calm. His face was so cold that it made him expressionless. Suddenly, he raised his hand and smacked his palm on the car's engine, and glared at the reporter. "You know me? Very good!"

The reporter was shocked. Although he did not know Liang Jiahao, the video of him saving Qin Yu had been viral online for a long time. Of course, he knew how ruthless Liang Jiahao was.

Humans were all like animals, bullying the weak and fearing the strong. This reporter was no exception. He no longer dared to act so arrogantly in front of Liang Jiahao.

His eyes widened in fear and he quietly swallowed his saliva. "H-Hello..."

Liang Jiahao's eyes flashed coldly. Then his hand slapped the car's engine again. The reporter was so frightened that his neck shrank, becoming one with his chin. He felt that Liang Jiahao's attack had made a hole in his car.

"P-please, please show mercy. I-I -"

Liang Jiahao cut him off. "Tell me, where did the video come from? Who incited you to slander Qin Yu?"

"I-I ..." The reporter swallowed his saliva again and dared to argue. "What I'm reporting is the truth. Q-Qin Yu is..."

Liang Jiahao's cold eyes suddenly narrowed dangerously. The reporter was so scared that he almost cried. "I'm just reporting the truth! I haven't done anything wrong! You, if you attack me again, I-I will call the police!"

"Call the police?" Liang Jiahao raised his eyebrow and sneered. "All right, call the police! I want to see how many years you'll be sentenced for slandering Qin Yu with fabricated evidence. Don't think cyberbullying is not against the law. If you think so, then you don't understand the law as well as I do!"

"I - I'm not fabricating anything!" The reporter said anxiously, "I have proof!"

"What proof? That video?" Liang Jiahao grinned mockingly. "The video you have isn't a complete video."

The reporter was stunned on the spot.

The video was not complete?

Could there be a secret behind it?

But if there was, why didn't Qin Yu explain it directly?

Liang Jiahao was too lazy to waste time with this reporter, he calmly asked again. "Tell me, who gave you this video and who instructed you to slander Qin Yu?"

"No, I won't tell you anything!" This reporter was even more courageous. Even when Liang Jiahao threatened him, he still fearlessly said, "Since you said there is a complete version of this video, then show it to me!"

Liang Jiahao's gaze turned cold. "You are not worthy!"

He would not show the video to anyone, especially not reporters!

They would make a black out of anything white, especially the part where they took the meaning out of context. If Liang Jiahao showed it to this reporter, then the matter of Qin Yu being framed by Dong Biming for stealing the Dragon Phoenix Bracelet would not be hidden anymore.

And Qin Yu's future would be ruined.

Liang Jiahao twisted his neck and moved away from the reporter. He suddenly lifted his leg and kicked the car hard, causing it to sink. The reporter was frightened and shouted while holding his head, "Liang Jiahao, are you going to kill people in broad daylight?"

"Killing you will only dirty my hands!" Liang Jiahao clenched his fist and punched the reporter in the face again. [loveusb.com](http://www.loveusb.com)

It was only two punches, but the reporter could not take it anymore. He lost a few teeth, and no matter how hard he tried to protect his face, it was useless against Liang Jiahao's fist. It was more important to take care of his life.

He cried and pleaded loudly, "Stop hitting, stop hitting! I will say it, I will say it! Stop hitting me!"

As soon as the reporter said this, another merciless punch landed on his face, causing his other teeth to fly out. He covered his face and screamed in pain. "I already said I'll tell you, why are you still hitting me?"

Liang Jiahao shook off the blood from his fist and said expressionlessly, "I can't control my hand."

Reporter: "...."

The reporter spat out mouthfuls of blood one after another, then nervously said, "The video was sent to my mailbox. This person said she had sent me an earth-shattering message, and of course, I'm going to read it. She told me what happened that day, and I-I think the evidence is conclusive, so..."

"So you want to take this opportunity to slander Qin Yu?" Liang Jiahao scoffed. "As reporters, you all prefer to break the rules and don't give a damn about what happens to the victim. How can you believe other people's words?"

The reporter covered his face and whispered. "The video is evidence, why wouldn't I believe it?"

Liang Jiahao was too lazy to talk to him about this, so he asked in a stern voice, "You don't know the identity of this person?"

"No, I don't know ..." The reporter took out his phone and opened his mailbox, showing it to Liang Jiahao. "You can look at her email."

Liang Jiahao took out his phone and took a picture of the said email. Then, he grabbed the reporter's phone and typed in his number. "If this person calls you again, call me."

Liang Jiahao's voice suddenly dropped and became icy when he saw the reporter's hesitant look. "Don't think that you're lucky. If you do anything to hurt Qin Yu again, no matter where you are, even if it's the end of the world, I will find you!"

With that, Liang Jiahao casually threw the phone back to the reporter and got into his car.

The reporter heaved a sigh of relief as he watched Liang Jiahao's car drive away in front of him. "This Liang Jiahao is really the devil. Doesn't he know how to be a gentleman?"

Chapter 575 Liang Zixuan's Temper

The reporter got into the car full of regret and was about to tell the driver to drive to the hospital when he received a call from the editor.

"Ma Jianhong, you damn thing!" The editor on the phone began to scold, "You have no solid evidence and yet you dare to slander Qin Yu? Damn you! Because of you, our whole company has perished!"

Ma Jianhong covered his bruised face and said regretfully, "What do you mean no solid evidence? Didn't I send all the evidence?"

"Bullshit!" The editor was so angry and scolded loudly, "Look what Dong Yong said. He's already declared that Qin Yu is innocent, and now the Han Group has officially sued us, claiming that we made up the facts and slandered Qin Yu. You... You toad!"

The editor angrily grabbed his hair and shouted in a heartbreaking voice. "You're fired! Quickly give me back all the company's cameras and microphones. Get lost!"

For a proper media company, the reason they didn't run the doggie business was that there were too many problems. Besides, they could do great harm to the artists if many of the things they secretly recorded and published weren't genuine.

For example, you wanted to interview a celebrity, but because of your history of always exposing the celebrities' secrets, no celebrity would dare to receive your interview.

If a magazine can't be sold, where will you get the money?

The editor angrily cut off the line and slammed the phone down. Ma Jianhong was also enraged. "What did I do wrong? I only reported it after I obtained the ironclad proof!"

When the cameraman next to Ma Jianhong heard these words, he pulled at Ma Jianhong's shirttail. "Senior Ma, did the Chief say he wanted me to leave too?"

Ma Jianhong didn't have time to answer because the cameraman's phone suddenly rang. The cameraman picked up the phone and saw that it was the editor. He gulped in fear and lifted the phone to his ear with a trembling hand, "H-hello, Chief..."

The editor was still angry and yelled into the phone. "Are you with Ma Jianhong now?"

The cameraman quietly looked at Ma Jianhong and whispered, "Y-yes..."

"That's good!" The cameraman thought the editor was telling him to scam with Ma Jianhong, so he kept muttering in his heart, "It's all over, it's all over."

Who would have thought that the editor would say, "Help me confiscate all his documents, then bring back all the company's equipment so he doesn't have to go back. Tell him to get lost!"

After hanging up, the cameraman was overjoyed. He laughed happily. "Hahaha ... I don't need to leave!"

He turned around and took Ma Jianhong's hand and said excitedly, "The chief said he just wants you to leave. I'm going to keep my job. Isn't this a joyous occasion?"

Ma Jianhong: "..."

Joyous occasion your head!

After all this time, everything was put on his head alone! *NoVellUsb.com*

Ma Jianhong withdrew his hand and said angrily, "Take me to the hospital!"

Just as the driver was about to drive, the cameraman said, "No need, the chief has ordered you to hand over your press ID and leave everything related to the company to me. You can get lost. Now!"

Ma Jianhong: "..."

Can you be any more heartless?

????

In the office of the President of the Han Group.

Liang Zixuan sat on Han Yuanjun's lap and watched him work for a long time.

Han Yuanjun apparently didn't want to stop. She couldn't hold it anymore and snatched the pen and the document from his hands. "Something has happened to Qin Yu, aren't you worried at all?"

Han Yuanjun looked up and smirked at Liang Zixuan. "Why should I be worried?"

"Y-you!" Liang Zixuan was so angry that she was speechless. She hit the document on the desk. "Han Yuanjun, you've changed. Men really do change after marriage. You don't prioritize your niece but you spoil me so much!"

Although Qin Yu was only Han Yuanjun's niece, her relationship with Liang Zixuan was so good that they could even be siblings.

When something happened to Qin Yu, Liang Zixuan was more anxious than anyone else.

It can be said that Qin Shaoqiang and Lin Xiu never asked about Qin Yu's daily affairs because they believed in Liang Zixuan and Han Yuanjun. They believed that these two people would help Qin Yu handle the situation well. But looking at the situation now, Liang Zixuan was the only one who was worried.

Liang Zixuan stood up angrily and was about to leave.

Han Yuanjun quickly held her hand to stop her. "Don't be angry. The doctor said you can't be angry now. You've to keep a good mood. Only then will the child's body and personality be good."

Liang Zixuan angrily shook off his hand. "How can I not be angry? Just you wait for the child to be born. If he doesn't have a good character, I'll tell him that this is all his father's fault, because while his mother was pregnant with him, his father always made her angry!"

When Han Yuanjun heard this, he immediately got scared. When a woman was pregnant, her behavior and temper were quite bad.

Liang Zixuan got angry easily as soon as he said that.

Coincidentally, at this time, Liang Jiahao called. Han Yuanjun picked up his phone and smiled. "Look, the good news is here..."

Liang Zixuan blinked. Seeing Han Yuanjun holding the phone to his ear, Liang Zixuan hurriedly walked over, half squatted, and brought her ear close to Han Yuanjun's ear.

Liang Jiahao's cold voice came from the other side of the phone. "Han Yuanjun, I found the reporter, but I only got the email account."

Han Yuanjun saw that Liang Zixuan was squatting and worried she would get tired, so he pulled her onto his lap and switched the phone to loudspeaker mode.

"He used an email to contact the reporter?"

"Yes." Liang Jiahao's voice was very low, as if he was holding back some kind of emotion that was about to explode. Anyone who heard it will know that he was in a very bad mood.

"Other than this email, there is no other information about this person. I took a picture of it and will send it to you later. Ask someone to trace the IP address and see if you can find the mastermind."

Just as Han Yuanjun was about to speak, Liang Zixuan interrupted. "Big brother, could it be that Wei Xiaoqing did this? The video was definitely taken at the scene, and at the time, Wei Xiaoqing was there, and she was the only one who had a grudge against us. I mean..."

She paused. "We could also say that this was done by one of the female celebrities competing against Qin Yu. But I don't think she would dare to do that. And I cannot think of anyone else other than Wei Xiaoqing."

Liang Jiahao agreed. "We cannot rule out Wei Xiaoqing, but as far as I know, she won't be able to sleep since that day and even becomes lethargic. I don't think she will be able to do such things until she can sleep peacefully again."

For a human being, three things were the most important. Eating, drinking, and sleeping. Only when these three things were taken care of could the needs of a normal person be satisfied.

Sleep was directly related to a person's mental state, including her brain capacity. The person's brain capacity would become very small and all she could do was think about how to improve the quality of her sleep.

Liang Zixuan didn't know Wei Xiaoqing's situation, but she felt that it made a lot of sense when she heard Liang Jiahao's words.

Chapter 576 Pretending To Be In Love

"Who could it be?" Liang Zixuan's suspicions were dismissed, but her mind was in turmoil.

Liang Jiahao said without haste, "But we can't rule out the possibility that Wei Xiaoqing recorded the video and gave it to the reporter."

"All of this is just guesswork. The only clue we have now is this email account." Han Yuanjun hugged Liang Zixuan and said in a serious tone. "For something like an email, if it's just a temporarily registered account, it's no longer valid after this person used it and we won't be able to trace it unless ... she uses this email again and we can search the range to find her."

This was what Liang Jiahao worried about. He feared that the other party was a smart person and knew their capabilities, so she used the temporary email to contact the reporter.

Liang Zixuan saw that Liang Jiahao hadn't said anything, and thought of the program that Mo Shan had mentioned earlier. She suddenly laughed lightly and said, "Big brother, your relationship with Qin Yu is very delicate now. Sister Mo said that you and Qin Yu shouldn't appear together in public for the time being."

Liang Jiahao pursed his lips. "I know."

"It's good that you know." Liang Zixuan laughed happily before teasing him. "As your sister, I wanted to remind you that in half a month, Qin Yu will be recording a reality show where male and female celebrities pretend to be lovers and be lovey-dovey to each other~"

Liang Jiahao: "..."

How can there be such an unreliable program?

Pretending to be in love?

Why would anyone watch it if it was all an act?

As if Liang Zixuan knew what Liang Jiahao was thinking, she smiled and said, "Don't worry too much. This program is nothing special, it's just like the one in Korea. Almost half of the celebrities fell in love with each other after participating in this program."

Liang Jiahao: "...."

He suddenly wanted to kill the director of the program, what should he do?

Liang Zixuan covered her mouth and giggled. She really wanted to see what Liang Jiahao's expression was at that moment.

Han Yuanjun looked at Liang Zixuan's wicked expression and chuckled softly. "Big brother, don't worry. I'll definitely support you in this matter... But if they really love each other, then I'll just let it happen. After all, she's my niece." *novelusb.com*

"Haha..." Liang Zixuan let go of her hand and laughed.

Han Yuanjun kissed her cheek and asked proudly, "How is it? Is your husband outstanding?"

Liang Zixuan gave a thumbs up to Han Yuanjun. She was just about to tell Liang Jiahao that she was joking with him and that Goo Shengli would go and perhaps become Qin Yu's partner. However, before she could say anything, the line was disconnected.

Liang Zixuan: "..."

What should she do when her big brother is angry?

???

When Liang Jiahao came home, he saw Qin Yu lying on the couch with her life hanging in the line. She had lost all her spirituality.

Liang Jiahao's stomach was full of fire, but after seeing Qin Yu like this, he lost his temper.

He walked over, brushed the bangs from her forehead, and sat down next to her. "What's wrong? Not in a good mood?"

Qin Yu looked at Liang Jiahao, who was smiling at her. She got up and hugged him quickly. "Xiao Liang, why do you think there are so many bad people in this world? I didn't snatch my best friend's boyfriend. I didn't do anything bad, so why would they wrongly accuse me?"

Liang Jiahao was startled for a moment, then hugged Qin Yu back. He patted her back and comforted her. "Some people just don't like it when others are better than them. This is a typical red-eye disease (jealousy). It's not worth you getting angry at them."

Qin Yu buried her head against Liang Jiahao's neck and said as she slowly exhaled, "Just now, Sister Mo asked me to choose between my career and my love. I was really angry at the time."

Liang Jiahao: "..."

Was there such a thing?

Why didn't Liang Zixuan tell him this earlier?

Liang Jiahao suddenly felt a little nervous, but his expression didn't change. He moved his head slightly and looked at Qin Yu. He casually asked, "Then what did you choose?"

Without hesitation, Qin Yu said, "Of course I chose you! Will my career be with me for the rest of my life? With whom I'm going to spend all my money? Besides, even if I don't sing or act anymore, you can still raise me."

Liang Jiahao's mood immediately became better. It was like a cloudy sky suddenly blown away by a clean gust of wind, blowing away all the dark and bad things, leaving only the bright and beautiful.

"Good girl." Liang Jiahao kissed Qin Yu's cheek. "To reward you, I will cook you something delicious tonight."

Qin Yu's eyes suddenly lit up. All her previous unease instantly disappeared, revealing a glutton expression. "What is it?"

Liang Jiahao pinched her little pink face. "Seafood feast."

Seeing Qin Yu's happy expression, Liang Jiahao suddenly felt very satisfied.

He liked watching Qin Yu behave like this. He liked her greedy demeanor. For him, it was better to be with a girl like Qin Yu, who had simple thoughts and good intentions than with a woman who had deep thoughts and strong intentions.

She was not happy. She was angry. But Liang Jiahao easily coaxed her with delicious food.

Everyone said that gluttons were simple-minded people, but Liang Jiahao thought there was nothing wrong with it.

He got up and went to the kitchen, followed by Qin Yu.

Since Qin Yu was staying with him, Liang Jiahao had gotten used to using his lunch break to buy ingredients he needed for dinner. After all, he had someone now and he had to take good care of her.

Seeing Liang Jiahao washing the lobster, Qin Yu looked at him in amusement. She also grabbed a small lobster, followed his example, and used a small brush to brush the lobster clean.

"Don't touch it!" Liang Jiahao put the lobster in his hand down and wanted to grab Qin Yu's lobster, but she dodged him. She smiled proudly. "I'm here to help, not to mess things up. Look how clean I cleaned it."

Liang Jiahao frowned. "It's still alive, put it down quickly."

"I'm fine-" As soon as Qin Yu finished his sentence, the lobster in her hand seemed to want to prove its fighting power. It lifted its big clamp and pinched Qin Yu's finger cruelly.

Chapter 577 It's Hurt

Qin Yu cried out and quickly threw the small lobster away. However, the little lobster held her finger tightly and refused to let go of its pincers.

Qin Yu's eyes were red from the pain. Tears ran down her cheeks. "Ah, it hurts! It hurts so much!"

Liang Jiahao quickly lifted Qin Yu's hand up and then grabbed the body of the lobster. Then, he opened the pincers with his hands and casually threw the lobster into the basket.

Qin Yu saw that the flesh on her finger was pinched and deformed. She wailed, "It hurts!"

Liang Jiahao did not know whether to laugh or cry as he looked at Qin Yu. He shook his head, then grabbed her hand and led her into the living room.

Taking the first aid kit, Liang Jiahao first detoxified Qin Yu's finger, then applied some ointment to the wound.

Actually, Qin Yu's finger injury was not that serious. Although it was painful, it did not bleed much. Nevertheless, she cried as if she had been wronged.

In front of Liang Jiahao, Qin Yu was like a child who had been wronged.

"Alright, stop crying. In a while, I will put them all in a pot of boiling water and cook them. I will take revenge for you."

Liang Jiahao pulled Qin Yu into his embrace and coaxed her gently.

Qin Yu pursed her lips and nodded vigorously. "You have to put some more chilies into the boiling oil to smother them to death!"

"Alright, no problem." Liang Jiahao kissed Qin Yu's forehead. "You sit here and wait for me. I will take revenge for you."

Seeing that Liang Jiahao stood up after he finished speaking, Qin Yu quickly grabbed his hand and stood up together with him. "No, I want to go with you. I want to see with my own eyes how you take revenge for me."

Liang Jiahao: "..."

What a cute little girl.

"But you are not allowed to touch them again, understand?"

"Alright!" After repeatedly promising not to touch the lobsters again, Liang Jiahao finally agreed to let Qin Yu follow him.

Liang Jiahao stood by the sink to wash the lobsters again. Qin Yu took a pair of chopsticks and poked the lobsters with all her might and said angrily, "How dare you pinched me, I will eat you all later, hmph!"

Liang Jiahao had a faint smile on his face as he glanced at Qin Yu from time to time.

After playing with the lobsters for a while, Qin Yu grew tired of them. She saw four oversized crabs in a basin on the ground, crawling around imperiously.

She squatted down with interest and curiously looked at the crabs inside.

Liang Jiahao looked down and saw Qin Yu slowly reaching out her small hand to touch the crab. He said anxiously, "Qin Yu, stop! Don't touch the crab!"

Just as he finished speaking, Qin Yu cried out again. She raised her hand, and a fat crab caught her fingers, not letting go of its pincers. "Wuwuwu ...It hurts!"

Liang Jiahao: "..."

Why was this little girl so curious about everything!

Liang Jiahao immediately took the crab from Qin Yu's fingers. Looking at her bleeding fingers, Liang Jiahao's heart ached. He took her bleeding fingers and stuffed them into his mouth, sucking the blood and then spitting it out.

Qin Yu suddenly stopped crying. Liang Jiahao raised his head and saw her teary eyes blinking at him. He sighed. "Crabs and lobsters are the same. They all have pincers and are very aggressive."

He stopped speaking because Qin Yu was obviously not listening to him. It was as if she was admiring the anxiety on his face.

Liang Jiahao's face immediately darkened. "Miss Qin!"

Qin Yu blinked. "Huh?" novelusb.com

When Liang Jiahao saw her dazzled look, he got really angry. He suddenly put his hands between her body and stepped close to her with his handsome face. "If you do such a stupid thing again, I ..."

Qin Yu tilted her head back a little as she listened to his words. She blinked again. "You what?"

"I ..." Liang Jiahao gritted his teeth. In the next second, his lips landed on Qin Yu's lips, giving her a punitive kiss.

Qin Yu's eyes widened and she felt that the wounds on her fingers were no longer painful. Her mind was filled with Liang Jiahao's kiss and only when her lips were hurting did she raise her hand to push him.

"I'm injured, you aren't treating my wounds and even teamed up with these lobsters and crabs to bully me!"

Liang Jiahao was so angry that his lungs were hurting. What teamed up? What had Qin Yu taken him for! Was he a turtle?

Liang Jiahao stood up and dragged Qin Yu out of the kitchen, taking out the first aid kit he had just put away again. "This is the last time. From now on, you are not allowed to enter the kitchen!"

Qin Yu pouted, feeling wronged. "I was careless. Who would have thought that they would pinch me!"

Liang Jiahao wasn't joking this time. No matter how much Qin Yu begged, he wouldn't let her enter the kitchen with him.

Qin Yu was forced to stay in the living room. She didn't want to watch TV, so she raised her injured fingers and felt extremely wronged. "I've never played with lobster and crab before, so of course, I'm curious."

She looked at her fingers, which had been adorably bandaged, and reached for her phone. She took a photo of her injured fingers and posted it on Weibo.

"The lobsters and crabs were sent from heaven to bully me. Look at what they did to my fingers. How pitiful, wuwuwu ..."

The news about Qin Yu hadn't subsided until now. Because of Dong Yong's later announcement, many netizens were still conservative about this matter. They wanted to keep watching and then decide who they would side with.

Originally, many thought that Qin Yu would stand up to clarify things, but in the end, these netizens received such an aggrieved Weibo post.

All of a sudden, the comments under it exploded.

"Qin Yu, what happened to your fingers? Are you hurt?"

"I remember you once said that you don't know how to cook. Why are you in the mood to cook today?"

"What kind of life-threatening lobsters and crabs dare to be so cruel to our little Qin Yu? Qin Yu, tell me, let me kill them on behalf of the moon!"

When Qin Yu saw her fans' concern for her, she was so happy that she laughed out loud.

But at the same time, she also saw many voices cursing her.

"Yo yo yo, did you come here to suffer a loss? Don't think that just because you're hurt, we can forget about you trying to pry apart your best friend's boyfriend. It's just too shameful to do something like that. Shifting our eyes would only make us feel disgusted!"

"Qin Yu, you still haven't explained what happened today. Don't use such a boring Weibo post to divert the public's attention. Hurry up, we're all waiting for you to apologize!"

Sure enough, Qin Yu knew that today's incident would give her a huge backlash. Even though Dong Yong had clarified the matter, many netizens still didn't believe her.

Chapter 578 Stood By Her Side

Qin Yu replied directly under the said comment, "People still believe what they want to believe, no matter what the truth is and no matter who explains it."

Just as she finished replying, her phone beeped twice. Reactions from the netizens came at the speed of light.

"Ah, Qin Yu actually replied to me! Oh my god! I'm very excited. Everyone should keep questioning her and scolding her. That was enough to make her reply to your comments!"

Qin Yu: "..."

Was this person looking for a beating?

These netizens were really bored and had nothing to do.

Qin Yu turned off her phone and threw it aside. She couldn't be bothered to read those netizens' comments who were a pain in the ass.

Before Qin Yu could get angry, she remembered Mo Shan's words. "As a celebrity, you have to be cool. Those who like you obviously want to interact with you, but at the same time, there are a lot of sour chickens and so on. You have to keep your temper because as long as you show the slightest desire to approach them, they will catch you and bite you."

Actually, Qin Yu hadn't thought of being so aloof before. She had only tried to interact with the fans a few times, but to her surprise, there was someone like Mo Shan had mentioned.

Since then, Qin Yu had adopted the demeanor of an aloof goddess and rarely interacted with the fans.

After a while, the smell of food wafted into the living room from the kitchen. Qin Yu couldn't hold it anymore, she got up and crawled on the floor, peeking inside the kitchen.

She was shocked to find that no matter what environment Liang Jiahao was in, even in oil smoke, it can still cause her to get nosebleeds. novelUsb.com

Suddenly, Liang Jiahao turned around. Seeing Qin Yu's dazzled look, the corner of his mouth lifted slightly. "If your fans know what you are like in private, I wonder what they would think?"

Qin Yu pouted and said disapprovingly, "They cannot see it, so they would not think anything."

Two dishes and a bowl of soup were quickly served. Qin Yu looked at the delicious dishes in front of her and quickly stopped Liang Jiahao's chopsticks. "Wait a minute, let me take a picture first."

Liang Jiahao put down his chopsticks and watched as Qin Yu picked up her phone to take a picture of the dishes. He was afraid that he might be in the frame, so he intentionally hid behind her.

After Qin Yu took the picture, she sent another post. "Finally, I have avenged my misfortune!"

At the bottom was a picture of dishes.

The netizens and fans were all amused when they saw it. The picture of Qin Yu's injured fingers previously explained that her injuries were caused by the lobster and crab. And shortly after, another Weibo picture was posted. A plate of lobsters and a plate of crabs.

They happily left a message.

"Anyone who tries to bully my goddess will not end well!"

"Qin Yu is so powerful. She takes her revenge quickly. It seems that Qin Yu is not the kind of person who likes to hold back. Anyone who bullies her will be destroyed within minutes, no matter who!"

"Haters, come out! You dare to bully my Sister Qin? Look at this picture, this is your end!"

"Qin Yu, are you implying that this is the fate of the reporter who covered that piece of news today?"

"Wow, this threat has blinded my titanium dog eyes. Qin Yu is not afraid to offend him, she even dares to provoke him!"

"Everyone, don't provoke her anymore. Qin Yu always has to get even with someone. Pay attention when you talk to her in the future."

Qin Yu initially wanted to show off the dishes cooked by Liang Jiahao, but her intentions were misinterpreted by netizens and her fans.

Liang Jiahao saw that Qin Yu was staring at her phone with a frown. He took out his phone and clicked on Qin Yu's Weibo, and after reading this Weibo post, he liked it.

His Weibo account had been verified and today's incident had caused quite a stir on the Internet, and now, the netizens and fans saw that Liang Jiahao not only did not deny his relationship with Qin Yu, but he even liked her post publicly.

"Damn, the legendary boyfriend actually showed up! And he even liked Qin Yu's post. That means the rumors are true. Qin Yu has snatched her best friend's boyfriend!"

"Upstairs, don't spout nonsense! If the two of them are really together, wouldn't they have come out publicly long ago? As for the topic at hand, didn't Dong Yong have cleared it up? It is indeed as people say, if you have feces in your heart, you will regard others as feces. There is always feces in your eyes, mouth, and heart, so you keep saying that even though you know the truth!"

"That's right. If the two of them has done something shameful, they would have gone into hiding long ago. The fact that they can be so open, proves that there is no such thing as a stain in their hearts."

"I support Qin Yu. Even if she is with that man, so what? If the two of them dared to interact after the event, I would believe that they did not do those things in the rumors! What prying best friend's boyfriend? I think they both fell in love with each other when the hero saved the beauty. Whatever happened in their lives is none of our business!"

"Wow, Liang Jiahao is a good man. He actually stood up to defend Qin Yu by giving a Like. If another man, he has long been hiding somewhere. Liang Jiahao is too brave, I want to marry him!"

"Seeing my husband giving other women a Like, I feel very uncomfortable. I'm going to go make some delicious food now. I'm going to fight with Qin Yu. Hubby, remember to pay attention to me and give me a Like too ~"

"Did Liang Jiahao agree to be your husband? Hehe... Little sister, why don't you look at me? I can also cook, and for you, not even a Like, I will even give my heart. I love you ~"

When Qin Yu saw that Liang Jiahao paid attention to her and even liked her post, she wanted to tell him to unlike it. He did not know how cruel the netizens' mouths were. It's okay if they scold her, she can accept it, but she wouldn't accept it if they criticized him.

But Qin Yu never expected that netizens and her fans would compliment Liang Jiahao and even stand by her side.

This was even more useful than ten thousand words of explanation!

Qin Yu couldn't help but laugh as she read the comment of the person who called Liang Jiahao "husband".

"With one Like from you, you can turn the tide."

Liang Jiahao put his phone down and raised an eyebrow. "At a time like this, we don't have to explain anything. I will support you with my actions."

Qin Yu realized that Liang Jiahao's method was very useful.

If they did like what Mo Shan suggested, which was that they should not appear together in public or be noticed by anyone, and time would bring the solution, then this matter would not be resolved no matter how long it took.

And now that Liang Jiahao was openly interacting with her, he wanted those netizens to feel that their actions were honest and that they were innocent!

Qin Yu put down her cell phone and happily put on her disposable gloves to eat the dishes and drink the wine with Liang Jiahao.

Chapter 579 I Can't Go With You?

Qin Yu stayed at home for half a month, and Liang Jiahao cooked for her every night. She took pictures of all the dishes and posted them on Weibo, and then Liang Jiahao gave her a Like.

Everyone's attention was focused on what Qin Yu ate every night, and how Liang Jiahao would always like the post.

The time of leisure passed quickly. It's time to record the program.

Hou Fen had already bought a plane ticket for Qin Yu and came to pick her up early in the morning.

The filming duration was two days, and Qin Yu did not bring much luggage. Liang Jiahao packed insect repellent and daily necessities such as chargers and jewelry in her luggage and helped her stuff the luggage into the trunk of the car.

Qin Yu told Liang Jiahao about the recording of the program, but she did not dare to mention the nature of the program.

What a joke.

If Liang Jiahao knew that she was going to act to be in a relationship with another male celebrity, he would definitely have cut off one of her legs!

"Wait for a sec."

After Liang Jiahao finished his sentence, he went back inside.

Qin Yu stood there stunned, staring at his retreating figure for a long time. "He wants me to wait for what?"

Soon after, she saw another luggage in Liang Jiahao's hand. Qin Yu immediately lost her calm. "What are you doing? Are you going on a business trip?"

Liang Jiahao put his luggage in the trunk and then closed the door.

He looked at Qin Yu seriously. "It just so happens that it's the weekend and I don't have to go to work, so let's go together."

"L-let's go to-together?" Qin Yu was so scared that her tongue was almost twisted. She quickly opened the trunk, wanting to throw Liang Jiahao's luggage out. "No need to accompany me. I'm just going for two days."

Liang Jiahao held her hand, then suddenly squinted his eyes. "I can't go with you?"

"No, that's not what I meant!" Qin Yu became a little anxious as she explained nervously, "I - You and I ... Aish, it's hard to say! I am filming a program and there will be many other celebrities among them. If you go along, I am afraid you'll be bombarded by them and things will get out of hand."

"I'm not afraid." Liang Jiahao dragged Qin Yu into the back seat. He opened the car door and stuffed her inside. "I'll go with you."

As soon as Qin Yu sat down, Liang Jiahao followed and sat inside as well. She was so scared that her voice broke. "Xiao Liang, aren't you busy? You should just stay at home. I'll be back soon, really!"

Liang Jiahao closed the car door with a "bang" sound. "I'm not busy, I'm very free."

Qin Yu: "..."

Was there a mistake?

If Liang Jiahao followed her, how could she record anymore?!

Qin Yu was so anxious that she almost cried. "Even if you're not busy, you can find another job to do. You really don't need to accompany me. I have Hou Fen with me. It's fine, it's very safe."

Liang Jiahao acted as if he didn't hear her wailing, he nodded to the driver. "Drive."

Qin Yu: "..."

Hou Fen sat in the passenger seat and looked at Qin Yu from the rearview mirror.

Seeing Qin Yu's head drooping and she looked like she was about to cry, Hou Fen licked her lips and tried to help Qin Yu persuade Liang Jiahao. "President Liang, I will accompany Qin Yu. Don't worry, nothing will happen to her."

Liang Jiahao's thin lips were pressed into a straight line. Like a Buddha, he sat there without saying anything.

Hou Fen immediately closed her mouth in fear of his formidable aura.

She had seen Liang Jiahao a few times before. Whenever Liang Jiahao entertained Qin Yu, he always acted like a good person with a good temper. However, when confronted, he wouldn't say anything.

Hou Fen was very afraid of him. When she saw Liang Jiahao's tight pursed lips, Hou Fen timidly lowered her head.

When the car arrived at the airport, Liang Jiahao took the luggage out of the trunk and held out his hand to Hou Fen. "Give me the tickets, I'll arrange everything."

Qin Yu quickly winked at Hou Fen, told her not to give him, and secretly did everything herself. Then they would quietly sneak past Liang Jiahao, but who knows when Hou Fen saw Liang Jiahao's cold face, her hands would tremble with fear.

She slowly took out the plane tickets and obediently handed them to Liang Jiahao.

Just as Liang Jiahao was dragging the luggage, he heard Qin Yu wailing behind him.

"Hou Fen, why did you give the tickets to him?! This is crazy, he can't follow us!"

"I-I...Qin Yu, his face is so scary, I didn't dare not to give them!"

"You're too cowardly!"

"Cough! Cough! Qin Yu, since you have the guts, why don't you stop him?"

Liang Jiahao smiled and said in his heart, "What a cute little girl."

On the plane, Qin Yu realized that Liang Jiahao's seat was right next to her.

They were seated in first class, so no one recognized Qin Yu, who was wearing big sunglasses, a mask, and a hat.

When the stewardess passed them, she suddenly recognized Liang Jiahao. "Eh, aren't you ...?"

Although she did not say the name, her expression showed that she knew who Liang Jiahao was.

The stewardess looked around and saw that no one cared. She pulled out her phone and said shyly, "I ... Can I take a picture with you?" *NovelSb.Com*

Qin Yu's eyes behind her sunglasses suddenly widened. She quickly glared at the stewardess.

Qin Yu's eyes were covered by her sunglasses, so the stewardess was clearly unaware that Qin Yu was glaring at her. The stewardess clicked on the camera function and smiled at Liang Jiahao. "Just one picture, can I?"

Liang Jiahao sat there staring straight ahead. He did not look at the stewardess, but his silence encouraged the stewardess. "If you do not say anything, then I'll take that as your consent."

The stewardess held a cell phone in her hand and leaned her head towards Liang Jiahao's face. Qin Yu saw the stewardess' action and how her face almost touched Liang Jiahao's face.

Qin Yu immediately shouted, "No!"

The stewardess was stunned for a moment before looking at Qin Yu. Then she smiled politely. "I don't mean any harm. I just want to take a picture with him."

"That won't do!" Qin Yu immediately took off her sunglasses and put them in Liang Jiahao's face angrily, claiming her sovereignty. "He's my boyfriend, I don't agree with this!"

The stewardess immediately recognized Qin Yu's face. She exclaimed in surprise, "Qin Yu?"

Chapter 580 The Guest Is Here

Qin Yu pouted angrily and pulled Liang Jiahao toward her. "Why do you care who I am? He is my boyfriend and if I say you can't, then you can't!"

The situation was a little embarrassing. The stewardess looked at Qin Yu and then at Liang Jiahao. Finally, she smiled politely and said, "I just want to take a picture."

"I'm sorry." Liang Jiahao suddenly opened his mouth, took off the sunglasses on his face, and put them back on Qin Yu. "My girlfriend doesn't agree with this, so please don't bother me anymore."

The stewardess: "..."

It was just a photo!

She admitted that she did recognize Liang Jiahao as the CEO of China Securities Bank. She wanted to take this opportunity to get close to him, but... To refuse her request for a photo was too much!

The stewardess couldn't hold back her smile anymore. She put her phone back and politely said to Liang Jiahao. "Sorry for bothering you."

Qin Yu laughed happily. She held Liang Jiahao's arm tightly and muttered, "Next time when you go out, don't forget to wear sunglasses and a mask. When I've time, I'll buy a man's hat for you."

Liang Jiahao tilted his head and said with a thin smile, "I don't care about them. You can rest assured."

"That won't work!" Qin Yu pouted. "It's a scary thing for my man to be the target of another woman. What if you're too weak to resist temptation?"

Liang Jiahao smiled without saying anything. He found the jealous look of this little girl was very cute.

An hour and a half later, the plane arrived in Huangshan, and Shi Jingguo had actually come to pick them up personally by car.

When he saw Liang Jiahao pushing the luggage, Shi Jingguo immediately said to his assistant, "Hurry up, help him take the luggage to the car."

The assistant quickly ran over, took the luggage from Liang Jiahao's hand, and started pushing them to the car.

Shi Jingguo rubbed his hand on his pants before holding it out to Liang Jiahao. "President Liang, hello, I'm Shi Jingguo, the director of this show." *novelUsb.com*

Liang Jiahao nodded and extended his hand to shake Shi Jingguo's hand. "Hello."

Qin Yu and Hou Fen stood next to each other, dumbfounded. Qin Yu took off her sunglasses and shouted, "Director Shi, the guest is here, I'm the guest!"

She's the guest of honor!

Why did Shi Jingguo greet Liang Jiahao first?

Were they familiar with each other?

Shi Jingguo smiled embarrassedly. "Qin Yu, long time no see."

Qin Yu pretended to be angry and snorted while walking straight to the car. "I'm going to ignore you."

"Hahaha..." Shi Jingguo laughed out loud and said to Liang Jiahao, "Who would have thought that the aloof goddess would be like this in private?"

Liang Jiahao smiled and followed Shi Jingguo to the car.

After getting into the car, Shi Jingguo gave a brief description of the program's recording situation. "You go to the hotel first, drop off the luggage, and let the staff arrange everything. The program team has a special dressing room, don't worry, male and female guests will change separately."

While Shi Jingguo was speaking, he turned around and looked at them. Qin Yu had the illusion that Shi Jingguo was talking to Liang Jiahao about the procedure and not to her. She snapped her fingers towards Shi Jingguo. "Director Shi, the guest is here. When you talk to me, you have to look at me so that I know you're talking to me. Otherwise, I thought you were talking to him."

Shi Jingguo smiled. "I'm talking to both of you. Besides, I'd break my neck if I looked at you."

Qin Yu pursed her lips and said, "Director Shi, this guest feels like she's being ignored and neglected."

"Haha, Qin Yu, don't be like that." Shi Jingguo continued to laugh and looked like he was in a good mood. "You're not being petty, are you?"

Of course, Qin Yu wasn't being petty. She was just joking around. She deliberately leaned into Liang Jiahao's arm to let herself be in Shi Jingguo's gaze. Then she asked, "Has Goo Shengli arrived yet?"

"He's here." Shi Jingguo said, "I just received a call from the Assistant Director just now. He's already sent Goo Shengli to the hotel. Other than the two of you, all the other guests have already arrived."

"Director Shi, I'm not happy with what you said!" Qin Yu gritted her teeth. "What do you mean by that? I'm the only guest in this car, right?"

Shi Jingguo was stunned. He glanced at Liang Jiahao and immediately laughed. "Right, right, you're indeed the only guest in this car. Alright, Qin Yu, I was wrong. May I apologize to you?"

Only after that did Qin Yu show a smile. "I accept your apology."

As if she was thinking about something, Qin Yu suddenly asked nervously, "Director Shi, this recording is done secretly, isn't it?"

Shi Jingguo nodded. "Yes, it's done in secret. We haven't even announced the guest list to the media."

Qin Yu snickered. "So no one but the staff knows about it, right?"

Shi Jingguo nodded again. "Yes."

"OK!" Qin Yu snapped her fingers again and looked at Liang Jiahao with satisfaction. "Did you hear that? Outsiders aren't allowed to watch. Later, you'll obediently stay in your room and play by yourself. Don't go out to watch us."

Liang Jiahao bit his lip and smiled, but said nothing.

This time, Qin Yu was relieved. As long as Liang Jiahao didn't show up, he wouldn't know that she would be dating another male celebrity on the show. That way, she'll be able to live safely for two days!

When the car arrived at the hotel, Hou Fen first went into the room to help Qin Yu unpack her luggage. Qin Yu patted Liang Jiahao's shoulder happily. "Alright, you wait for me here. Don't go down and peek."

Liang Jiahao said seriously, "Don't worry, I won't peek."

Satisfied, Qin Yu followed the program team staff to the dressing room.

Prior to the program, the guest list was confidential. Qin Yu knew that Goo Shengli would be present, but she knew nothing about the other guests.

When she entered the dressing room, she saw three women sitting on chairs and putting on makeup.

Qin Yu's smile suddenly froze for a moment, but in a few seconds, she regained her composure back and smiled as she walked to her chair.

She greeted them one by one. "Sister Liao, Sister Zhuan, Sister Fang, hello."
