Chapter 591 It Was Just A Joke

Everyone present knew that Fang Guanting was doing this for Zhuan Bi's own good. In any case, she went to great lengths to give Zhuan Bi a way out. Who'd have thought that Zhuan Bi wasn't only ungrateful to Fang Guanting, but even scolded her!

She really didn't care about faces!

Fang Guanting's face instantly darkened. Her eyebrows drew together and it was clear that she was angry.

In entertainment circles, there weren't many people who could make Fang Guanting angry. Now, Zhuan Bi was counted.

Zhuan Bi didn't know this yet, so she said in a louder tone. "When I was bullied by Qin Yu earlier, why didn't you come out and speak for me? I just said a few rude words to her, and you can't hold back anymore? Heh! Do you really think that just by licking Qin Yu's foot, you'll be able to get to the next level?"

*Pa!"

Zhuan Bi felt the wind blowing from someone's palm into her face. In the next second, her face reddened in pain.

Qin Yu shook her hand and pulled Fang Guanting behind her. She looked at Zhuan Bi intently and said, "Zhuan Bi, the reason I didn't talk to you was that I didn't want to talk to you at all! I've had enough of people like you. A two-faced!"

Tears welled up in Zhuan Bi's eyes as she slowly stared at Qin Yu with hatred.

Qin Yu looked at Zhuan Bi's wronged expression, but in reality, Zhuan Bi was using her eyes to glare at her (Qin Yu).

Qin Yu laughed indifferently. "In the past, I always felt that no matter how unhappy we were in private, we still had to be friends in front of the camera. Now, I don't think I can't do that anymore. I feel disgusted just because I have to pretend to have a good relationship with you."

"Director, director ... Qin Yu hit her, are we still going to record it?" The cameraman was shocked. He never thought that Goddess Qin Yu, who was so high in the sky, would have a brave side in her. It's really shocking.

The cameraman managed to capture the scene just now. Fortunately, he succeeded in recording it, so no matter what happened later, they can use this tape as evidence.

Zhuan Bi knew very well that the cameraman had filmed them, so she was quite happy with herself. Qin Yu had lost her temper in front of the camera.

Think about it. When the whole country saw Qin Yu bullying and beating her up, then Qin Yu's image would crumble. She will be able to pull Qin Yu down from her high pedestal and gain the sympathy of the entire audience. And then, her (Zhuan Bi) popularity will also soar.

Zhuan Bi's heart was full of happiness, but her expression seemed increasingly wronged. She was like a child being beaten by an adult and not daring to fight back. She pouted in grief. Her eyes shone with light as she looked at Qin Yu with provocation.

"Qin Yu, how can you talk about me like that? Don't we have a good relationship?"

Qin Yu laughed mockingly. "How come I never know that our relationship is always good? Zhuan Bi, continued to pretend. Keep acting. Let the whole country see your face."

If it were a normal day, Fang Guanting would definitely stop Qin Yu and advise her to be more careful when she speaks, so as not to tarnish the image that she had so painstakingly built.

Every female celebrity in entertainment circles was like this. They didn't dare to speak out, laugh out loud, swear, or hit people openly.

Fang Guanting, however, could no longer stand Zhuan Bi's behavior, so she stepped out from behind Qin Yu and stood shoulder-to-shoulder with her.

"Zhuan Bi, you were bothering Qin Yu in the dressing room earlier, but she didn't say anything and just let you go. And now you started causing trouble for her and dared to pretend to be a victim and cry in grievances? Do you really think you can fool people with your acts?"

Fang Guanting's words caused the surrounding people's eyes to widen. None of them had expected her to take action against Zhuan Bi.

One can only imagine how far Zhuan Bi had personally gone to make Fang Guanting unable to stand her anymore.

Fang Guanting crossed her arms over her chest and laughed softly. "Don't think that crying in front of the camera will bring sympathy. The audience isn't blind. They can see what you just did!"

"And what did I do?" Zhuan Bi refused to lose. "I was just joking around. Could it be that Qin Yu is too petty and she can't take a joke anymore?"

Zhuan Bi had fought very well with Qin Yu. The words she'd said earlier seemed like she was causing trouble, but with a single word "joke", she had put all the blame on Qin Yu.

Seeing that Fang Guanting's face had turned red with anger, Zhuan Bi felt happier. With tears streaming down her face, she said, "If my joke has made Qin Yu and you really hate me, then I will apologize to all of you"

"Zhuan Bi!" Qin Yu suddenly said, "Introduce me to your potential backers!"

"W-what?" Zhuan Bi was shocked at first but then reacted immediately. She bit her lip and looked at Qin Yu angrily. "Qin Yu, what are you talking about? I - I don't have any potential backers."

"No?" Qin Yu frowned, acting like she was at loss. "That's not right, you have more backers than one! The last time you stole Feng Hanying's endorsement, wasn't it because one of your potential backers gave you the money to bring you into the crew? That's how you managed to officially oust Feng Hanying."

"I - I am not!" Zhuan Bi's face tensed, she also forgot to pretend to cry as she anxiously tried to defend herself. "Feng Hanying was kicked out because she did not want to act anymore. I - I had nothing to do with it."

"Oh, is that so?" Qin Yu smiled and shook her head. "But that's not what Feng Hanying told me. She said your financial backer had sent someone to intimidate her, and she did not dare to act carelessly. That's why she decided to back out. Heck, Feng Hanying even said -"

"Qin Yu!" Zhuan Bi's face turned pale with fear. She tried to cover Qin Yu's mouth. "Shut up!"

But who was Qin Yu? She was someone who had been a practitioner since she was young. She even dared to hit Liang Jiahao, let alone a weak woman like Zhuan Bi.

Qin Yu dodged to the side and avoided Zhuan Bi's hand as if she was deliberately teasing her. While dodging, she said, "Feng Hanying also said that you have three potential backers at the same time. One of them is very rich, one is powerful, and the other is -"

"Qin Yu!" Zhuan Bi shouted like a madman. "I told you to shut up, did you hear me?!" *NOVELUS.B.COM*

Goo Shengli saw that the two women had already started fighting, but Liang Jiahao was still standing in the kitchen, cooking. He quickly ran over and said, "Brother Liang, Qin Yu and Zhuan Bi are fighting, aren't you going to stop her?"

Chapter 592 I'm Quitting!

Liang Jiahao took the liquor from the side and poured it into the wok. He smiled a little and said, "Qin Yu dared to beat me, so ordinary people are no match for her. Zhuan Bi is just a woman, Qin Yu will not lose. And when she finishes, she will be hungry."

Goo Shengli: "..."

Why was it that he did not only hear love in Liang Jiahao's words, but also pride?

Goo Shengli coughed and cupped his fists towards Liang Jiahao. "Brother Liang, you are so calm and not angry at all. You actually dare to think about Qin Yu like that, I'm so impressed!"

Zhuan Bi, on the other hand, was visibly angered by the embarrassment; she threw her image into the back of her mind and chased after Qin Yu. "Qin Yu, shut up! Shut up, do you hear me?" *NOVELUS.B.COM*

When Zhuan Bi saw the carrying pole placed outside the courtyard, she literally rushed out in an irritated manner. Grabbing the pole, she ran inside.

Fang Guanting was shocked and quickly said, "Zhuan Bi, what are you doing? Put down the carrying pole!"

How could Zhuan Bi hear other people's words now? She took the carrying pole and struck at Qin Yu, who jumped to the left and easily dodged the attack.

Qin Yu suddenly stopped running and stood right in front of Zhuan Bi, smiling as she said, "Sister Zhuan, why are you so angry?"

Zhuan Bi was so angry that her face turned green. Holding the carrying pole with one hand, she pointed at Qin Yu and scolded. "Qin Yu, you bitch, why is your mouth so cheap? Say one more word and I'll tear your mouth apart!"

The cameramen quickly stood on the sidelines with their cameras on their shoulders, afraid that the poles Zhuan Bi was carrying would hit them and damage their cameras.

When Qin Yu heard Zhuan Bi's words, her expression suddenly darkened. She immediately scolded back. "Zhuan Bi, did you eat something wrong? Why does your mouth stink like that? I was just joking with you. You're so angry and still want to hit me with a carrying pole?"

Zhuan Bi: "..."

At this moment, she suddenly realized that Qin Yu was returning the favor.

The trap she had just used on Qin Yu was now being returned to her from the very beginning!

With that, the situation turned awkward.

When Qin Yu was angry with Zhuan Bi earlier, she simply ignored her.

Now that Zhuan Bi was angry, she took the carrying pole and chased after Qin Yu to hit her.

Zhuan Bi reflexively looked at the cameramen, only to find that each of them was filming her.

In other words... Everything that had just happened, including what Qin Yu had said, had been recorded.

Now, no matter how Zhuan Bi tried to save her image, it was too late.

She gritted her teeth in hatred, threw the carrying pole on the ground, and said in a broken voice. "I'm not recording anymore, I'm quitting!"

Her embarrassment turned to anger before finally turning into a rascal. Heh ... Only she, Zhuan Bi, could do that.

Qin Yu couldn't be bothered to care about her. After smelling the fragrance of the dishes, she greedily ran towards Liang Jiahao. When she saw the prawns in the wok, she almost drooled.

"Are you alright? You've been making a ruckus for a long time and must be hungry."

Goo Shengli: "..."

Why did this sound so familiar?

It was as if he had just heard someone say that!

Liang Jiahao skillfully scooped the prawns out of the wok and said, "Alright, I've done with the prawns and the crab should be almost done steaming too. I'll cook another squid for you and then we can eat."

The aroma emanating from the dishes almost filled the entire courtyard. A few guests had caught a whiff of it and they all ran over excitedly.

"Wah, it smells so good!" Zeng Zhenkang's eyes lit up as he looked at the prawns on the plate.

Ma Zhihao was also extremely greedy. "Brother Liang, how did you make this? Why does it smell so good?"

Seeing that Qin Yu had stopped making trouble, Fang Guanting went over to her own stove, put the meat and vegetables in the wok, and began to cook.

Even Liao Nuan came running like a hungry dog and passionately held Qin Yu's hand as if they were on good terms. "Qin Yu, you and Brother Liang shouldn't be able to finish so many dishes by yourselves right?"

Although Qin Yu knew that Liao Nuan was actually the same as Zhuan Bi, but Liao Nuan was smarter. Normally, she would not seek trouble with Qin Yu on the surface, so Qin Yu could still act politely.

Zhuan Bi, on the other hand, had even said some unrecorded words, and in the end, among the many guests present, regardless of their gender, no one tried to persuade her.

They weren't even willing to give her their attention.

Zhuan Bi cast an angry glance in Qin Yu's direction. Seeing Liao Nuan's dog-legged expression, she muttered angrily to herself. "The fence-sitter. Seeing that I'm at a disadvantage, she runs over to curry favor with Qin Yu. It would be strange if Qin Yu paid any attention to you!"

Zhuan Bi was so angry that she walked out of the kitchen and sat on the stone bench next to the farmhouse. She wanted to sit there to pretend that she was deeply wronged and pitiful after being excluded from the group.

She sat there like a fool, staring inside the kitchen with grief.

After a while, the Assistant Director came running. When Zhuan Bi saw her, she was overjoyed.

She immediately pretended to be angry, and when she saw the Assistant Director running over, she got up angrily and walked away.

Zhuan Bi had already walked a few steps, but she could not hear the footsteps of the Assistant Director following her. Her heart sank as she pretended to accidentally turn her head to look.

Zhuan Bi could no longer continue pretending as she turned around and slowly walked toward the Assistant Director.

"What are you doing out here?"

The Assistant Director looked at her coldly. "Director Shi asked me to ask you whether you really did not want to do the recording."

When Zhuan Bi heard this, she knew that something was wrong.

She pointed her finger at the Assistant Director and said forcefully, "I can go back inside and continue recording, but what just happened now must be cut out!"

The Assistant Director glanced at her and laughed coldly. "Whether we cut it out or not is up to our production team. What does this have to do with you? Zhuan Bi, you have to understand that I'm not here to beg you. I just want to ask whether you still want to continue recording or not."

Chapter 593 Zhuan Bi's Shamelessness

Zhuan Bi wanted to be stubborn for once, but she knew what the compensation was for breaking the contract. What's more, she couldn't afford it, and even if she could, why did she have to spend so much money to pay for it?

Also, even if she didn't want to do the recording, will the scene where she embarrasses herself to be cut out?

Zhuan Bi wasn't sure.

If she went back now, she might be able to save the situation and cause the audience to mistakenly assume that she was having fun with Qin Yu.

Zhuan Bi's expression changed, instantly turning into a flattering expression as she smiled enthusiastically and said, "Of course, I want to record it. I am a very professional celebrity!"

As soon as she said so, the Assistant Director acted as if she had not seen her at all and turned to go inside.

Zhuan Bi stomped her foot in depression and walked behind the Assistant Director while holding back her anger.

Before entering the door, she was already pretending to be merry, as if the Assistant Director was begging her to come back.

"Zeng Zhenkang, where is my instant noodle?" Zhuan Bi had clearly seen the instant noodles, yet she still wanted to find someone to stand behind her, licking her shoes.

The crowd obviously had not expected her to come back so soon. Zeng Zhenkang looked at her and then pointed to the instant noodles on the wooden table next to her. "They are right next to you. I have already opened the bags but haven't even had the chance to cook them yet."

Zhuan Bi was so angry that she lost her temper. She grabbed two packets of instant noodles from the table and said with a smile. "Then I'll help you cook them."

Zeng Zhenkang coughed awkwardly and laughed dryly. "No need. Qin Yu has already invited me to have a big meal with her."

"Really?!" Zhuan Bi immediately put down the instant noodles and walked toward them with an incredibly happy expression. "Great! We have a great meal to eat!"

Everyone: "..."

Her face changed quickly!

They all wondered how it felt to be like Zhuan Bi.

Saying that so shamelessly after the chaos she had caused.

Qin Yu was very unhappy. With a cold expression, she said, "We are only cooking rice for one person -"

"It's okay, I can use instant noodles as rice," said Zhuan Bi with a smile.

Qin Yu: "..."

Could this face be any bigger?

Zhuan Bi was so shameless that she acted as if nothing happened. This face was truly amazing!

At this moment, Fang Guanting also brought her own dish. "I only have one dish to cook. Together with Brother Liang's four dishes, there are a total of five dishes. That should be enough to eat, right?"

Before anyone could say anything, Zhuan Bi nodded and said, "Enough, enough! My appetite is small, I can fill it with just a little bite."

Everyone: "..."

Zhuan Bi was really shameless!

At this time, if they deliberately didn't allow her to join while the camera was still filming, the scene would become too ugly. But if they allowed her to join, everyone would lose their appetite when they saw her.

Fang Guanting put down the plate and sighed from behind Qin Yu. "Qin Yu, just forget about it. Just ignore her and pretend she didn't exist. Stop playing around, or Director Shi will get in trouble."

Qin Yu nodded. "Sister Fang, don't worry. I know what's important. Zhuan Bi can even bear to be so shameless in order to eat, so why can't I eat when these dishes are exactly mine?"

All the dishes were brought to the table. To show off his culinary skills, Goo Shengli also cooked instant noodles that Zeng Zhenkang and Ma Zhihao had bought specially.

The table was full of dishes. There was seafood, pork, and vegetables. They were all cooked personally. Just seeing these dishes made everyone feel satisfied.

As the meal began, Zhuan Bi did as she said, biting the food slowly and gently, maintaining the image of a graceful woman in front of the camera.

She had clearly forgotten that she had chased Qin Yu with a carrying pole.

Fang Guanting and Liao Nuan were eating as usual. They didn't act like Zhuan Bi, and people felt quite comfortable watching them eat. **nOvelUSb.coM**

The camera lens turned and moved toward Qin Yu's side. The cameraman suddenly widened his eyes and asked Shi Jingguo in surprise. "D-Director Shi, are you sure that the person you invited this time is really Qin Yu?"

Shi Jingguo couldn't help but twitch his mouth when he saw Qin Yu devouring the meat. "Maybe this Qin Yu is an impostor."

Qin Yu hastily grabbed the prawn's meat and stuffed it into her mouth, as if she was afraid that Goo Shengli and the others would snatch it away from her. As she chewed, she chewed quickly, afraid that if she was too slow, the steamed prawns would disappear.

Liang Jiahao saw how she ate the food and smiled. "Eat slowly, there's more than enough for you alone."

Qin Yu grinned at Liang Jiahao. "I know you always think the best for me. I want to eat crab and I also want to eat sauteed squid. Can you take them for me?"

Liang Jiahao nodded. "Alright."

"Wow!" Goo Shengli exclaimed as he ate. "Brother Liang, your cooking skills are really good! These dishes taste even better than what I ate at the hotel!"

Zeng Zhenkang was still stuffing food into his mouth. He nodded loudly. "Yes, yes! Brother Liang, with your culinary skills, you can open your own restaurant. It's too delicious!"

Qin Yu proudly lifted her chin. "But of course! The dishes my Xiao Liang prepares can turn people into bandits!"

A certain woman raised her head and looked at Liang Jiahao coaxingly. "Brother Liang, I don't usually eat meat, but now I can't help but want to try it."

Goo Shengli's mouth twitched a little and he said rudely, "Zhuan Bi, you're supposed to be a vegetarian. This little bit of seafood isn't enough for us to eat. So, you'd better eat this."

Saying so, he handed Zhuan Bi the vegetable plate and took the plate of steamed prawns. "This vegetable plate is all yours, no one wants to fight you for it. You can eat it slowly. Don't take this meat dish away from us! With Qin Yu here, I couldn't eat enough. If you also eat it, I'm afraid I won't be able to eat even a bite."

Just as he was speaking, Qin Yu mercilessly snatched the last piece of prawn from the plate. Goo Shengli immediately wailed. "Qin Yu, put it down!"

Qin Yu raised her eyebrow and provocatively shoved the prawn's meat into her mouth. In front of Goo Shengli, she began to chew it with relish.

Goo Shengli was so depressed that he almost cried. "Qin Yu, the camera is here. Watch your image!"

Qin Yu snorted indifferently. "If you have to watch your images while eating, then there must be something wrong with your mind! I don't care what image I would show. Isn't this a reality show where you show off your true side to the audience?"

She shrugged her shoulders and curled her lips. "Well, this is my true personality."

Zeng Zhenkang put the last crab in his bowl and laughed proudly. "Hahaha, keep talking. Keep talking and the remaining squid will be mine too!"

When the cameraman saw that Qin Yu and Goo Shengli started eating again, he rubbed his nose gloomily and asked Shi Jingguo, who was beside him. "Director Shi, when are we going to start eating? When I saw Qin Yu and Goo Shengli eating, I suddenly got hungry..."

When Shi Jingguo heard this, he rubbed his stomach and said with a bitter face. "I got hungry when Qin Yu had her first bite!"

After he finished speaking, his stomach made a few gurgling sounds.

At last, after Qin Yu and the others finished eating, Shi Jingguo said, "Alright, you guys go to your own rooms and rest. Our staff also have to eat."

Due to the limited funds provided by the program team, two guests stayed in the same room. Of course, it was with the same gender.

Qin Yu and Fang Guanting would stay in one room, Liang Jiahao and Goo Shengli in another.

In the evening, the program team arranged for the guests to have a good rest.

Both Qin Yu and Fang Guanting were so exhausted that they fell asleep as soon as they were in bed.

The moment Zhuan Bi and Liao Nuan entered the room, Zhuan Bi showed her true colors and began to settle scores with Liao Nuan.

"Liao Nuan, what's wrong with you! Whose side are you on?" Thinking of what had happened in the afternoon, Zhuan Bi felt very angry.

Liao Nuan laughed indifferently as she wiped off her makeup. "What's wrong with me? As far as I can remember, I didn't do anything wrong."

It was precisely because Liao Nuan had done nothing that Zhuan Bi was so angry that she might die.

If Liao Nuan had stood up for her, would she have suffered a crushing defeat in front of Qin Yu?

Fang Guanting knew how to stand up for Qin Yu, but Liao Nuan didn't!

Even if Liao Nuan had stood up for her, would Zhuan Bi be able to find a way out when she finally said she wanted to stop the recording?

Zhuan Bi sat down on the bed and angrily said, "I usually treat you like a sister, and this is how you treat me?"

Chapter 594 I Don't Need You To Take Responsibility

At this point, Liao Nuan didn't want to give a face to Zhuan Bi anymore because she knew the consequences better than her. With Zhuan Bi's behavior today, even if Qin Yu didn't report to Liang Zixuan or Han Yuanjun, Zhuan Bi's future path had already been ruined.

She chuckled a little. "Don't be too ungrateful. It's good enough that I didn't add insults to you today. Do you think I'll still follow you after you've become stupid?"

"Liao Nuan!" Zhuan Bi jumped out of bed and pointed at her. "Who're you calling stupid?"

Liao Nuan threw a cotton pad in her hand onto the table and stood up. She turned to face Zhuan Bi and sneered. "Of course, I'm talking about you. Everyone knows that Qin Yu and Liang Zixuan are close friends, even though she's Han Yuanjun's niece. Liang Jiahao is just Liang Zixuan's brother. He has nothing to do with Qin Yu at all. So what should I call you if not stupid?"

Zhuan Bi angrily walked up to Liao Nuan and raised her hand to hit Liao Nuan, but Liao Nuan intercepted her. She glanced at Zhuan Bi and said, "Do you know where you're most stupid?"

Zhuan Bi gritted her teeth in anger, but at the same time, she wanted to know what Liao Nuan would say next. She took a deep breath and held back the anger in her heart before asking, "Where?"

Liao Nuan shook off Zhuan Bi's hand, took a tissue off the dressing table, and wiped her hands as she said, "The most stupid thing about you is that you shouldn't have dragged Liang Zixuan into this! If you had just provoked Qin Yu, she would have been very angry for a while and would have forgotten to tell Liang Zixuan and Han Yuanjun about it when she came back."

"But you dragged Liang Zixuan into this! First, Liang Jiahao is her brother, then Qin Yu is her best friend before she becomes her niece. Have you ever thought about why Liang Jiahao is with Qin Yu? Maybe Liang Zixuan had tied the strings in the middle and built the bridge. When you said that, you were clearly slapping her in the face! She introduced her niece to her own brother."

If Liao Nuan hadn't said that, Zhuan Bi wouldn't have realized the seriousness of the situation.

It was because she knew that Qin Yu was the kind of person who was angry in front of everyone and forgot about it later that she kept looking for trouble with her.

It was because of this attitude of Qin Yu that Zhuan Bi felt she was easy to bully.

But Liang Zixuan was different!

Although Liang Zixuan wasn't the kind of person who would do anything to others just because she was angry, Han Yuanjun was one!

How could Han Yuanjun continue to watch his wife being bullied?

Even though Zhuan Bi had several potential backers behind her, she should know Li Zhenzhen's fate. Previously, Li Zhenzhen had just made things difficult for Liang Zixuan and once Han Yuanjun attacked her, her backer would no longer be able to protect her.

Not to add, if Zhuan Bi's backer, Jin, knew she had more than one backer, wouldn't he break her neck?

When she thought of this, Zhuan Bi became frightened. She turned around and sat on the bed in a daze.

When Liao Nuan came back from washing her face, she didn't bother to pay attention to Zhuan Bi. She climbed onto her bed, covered her body with the blanket, and closed her eyes, preparing to sleep.

Zhuan Bi sat there for a while before she suddenly got up and went to the door. She gently opened the door a crack, lay on her stomach, and stared outside without blinking.

This was the small courtyard of a farmhouse. There was no bathroom in the room. The bathroom was in the corner, with a men's restroom on the left and a women's restroom on the right.

Zhuan Bi lay there and looked outside for a long time. Finally, she saw Liang Jiahao leave the room and walk toward the men's restroom on the left.

Thinking of the situation she was about to face, Zhuan Bi gritted her teeth and threw all caution to the wind.

All this time, she had been forced to sleep with such old men. For a handsome and rich man like Liang Jiahao, even if she had to fight with him, she would still earn a lot!

????

The bright moonlight shone down on the courtyard, and the silence was so quiet that only the soft chirping of insects could be heard.

Liang Jiahao cracked his neck and was about to pull down his pants when suddenly a soft object stuck onto his back and a pair of arms wrapped around his strong waist.

Liang Jiahao's back suddenly stiffened and the nerves throughout his body tensed up.

He instantly recognized that the touch and the hands on his waist were definitely not Qin Yu!

Besides, Qin Yu could not have gone to the men's restroom in the middle of the night and done something like this to him!

He raised his hands and forcibly pulled the woman's hands away from his waist. Then, he turned around and stared coldly at Zhuan Bi.

Zhuan Bi trembled in fear when she saw him looking at her like that, but the situation had already developed like this. In desperation, she could only jump onto the pit.

As she untied the straps of her nightgown, she teased Liang Jiahao flirtatiously. "You're probably lonely tonight, aren't you?"

Liang Jiahao's deep eyes suddenly squinted and his thin lips formed a straight line.

Zhuan Bi saw that Liang Jiahao didn't say anything and immediately became happy. Although his expression scared her, he didn't outwardly reject her.

Her courage grew as the belt of her nightgown slipped from her fingers. The front of her nightgown was opened wide before Liang Jiahao's eyes.

Zhuan Bi had used this trick on many men before, and none of them could resist her.

It was true that men wouldn't refuse a woman who threw herself into their arms.

Liang Jiahao looked at Zhuan Bi without a shred of desire in his eyes. On the contrary, he looked at her with loathing. He slowly buttoned his pants and walked past her as if he didn't see anything.

Zhuan Bi: "..."

What was going on?

She was already like this, and Liang Jiahao hadn't done anything to her?

Did he not understand what she was trying to do?

He actually ignore her?

Zhuan Bi panicked a little. She quickly chased after Liang Jiahao, hugging his waist from behind and rubbing his back continuously with her chest. "Brother Liang, don't go!"

Liang Jiahao frowned and scolded in a low voice, "Let go!"

Since Zhuan Bi had already done this, how could she let go?

If she let go, wouldn't her previous sacrifice have been in vain?

No matter how strong the backers behind her were, they weren't as strong as Han Yuanjun!

If she didn't capture Liang Jiahao tonight, then she would make a fool of herself in the entertainment circle tomorrow!

In any case, this would already be a dead-end for her, so why didn't she fight all out tonight?

"I'm not letting go!" Zhuan Bi only had her nightgown on, there was nothing inside. Now that she was sticking on Liang Jiahao's back, she could feel the warmth from his thin shirt and the strong masculine scent coming from his body.

Zhuan Bi felt wronged and pressed her face against Liang Jiahao's back. "I don't need you to take responsibility! Besides, I swear that I'll never bother you again. Just this once in a lifetime. I'm going to make you feel good, so why would you reject me?"

The anger in Liang Jiahao's heart could no longer be suppressed and erupted. Originally, he hadn't taken any action against women and had never bickered with them, but now, his hands that could lift an 80 kg barbell grabbed onto Zhuan Bi's wrist and forcefully pulled her to the side.

Zhuan Bi had already used all her strength to hug Liang Jiahao, and this sudden movement from him caused her arm muscles to hurt. She cried out in pain, "Ah!"

Liang Jiahao didn't care about her at all. He didn't turn around to look at her and give her a hard kick, even though she was a woman.

Zhuan Bi fell to the ground with a loud thud. She winced in pain and was flustered and exasperated as she looked at Liang Jiahao's fading figure. She was extremely unwilling to give up.

Is Liang Jiahao a man or not?

He was actually so indifferent to her!

The most annoying thing was that she didn't want him to take responsibility. It was just playing around. Everyone had their own needs, so why was Liang Jiahao unwilling?

"Liang Jiahao!" Zhuan Bi didn't even want her face anymore as she shouted at Liang Jiahao's back. Without caring about anything else, she ran over once more and hugged his waist from behind.

Chapter 595 You Must Avenge Me!

Although the restroom was in the corner, it was not too far from the bedroom.

When Liang Jiahao went to the toilet, Goo Shengli did not fall asleep. Instead, he restrained himself from following Liang Jiahao and just waited for Liang Jiahao to return.

Who knows, not long after Liang Jiahao left, he heard a noise from outside. Judging from the sound, it looked like Zhuan Bi's screaming.

Goo Shengli immediately sat up from the bed, thinking that bastard Liang Jiahao better not be there. If he was...

Qin Yu was still sleeping in the next room, and Liang Jiahao was already having an affair with Zhuan Bi outside!

Goo Shengli got up angrily and stormed out of the room. He saw Zhuan Bi and Liang Jiahao pushing and tugging at the entrance of the men's restroom.

????

Fang Guanting was a light sleeper. Zhuan Bi's screaming had woken her up. What she feared most was suddenly hearing screams at night. It sounded frightening as if it was coming from hell.

She was timid and used to have a cat at home. When spring came, the cat began to howl at night. It sounded like a baby crying, and she was too scared to go out of the room to check.

Within a few days, she had given the cat to someone else. Since then, she hadn't dared to keep cats anymore.

Fang Guanting jumped out of bed and ran to Qin Yu's bed, hugging her while she shivered.

Qin Yu woke up in a daze and asked, "Sister Fang, what's wrong?"

Fang Guanting hugged Qin Yu and whispered, "I just heard a woman screaming from outside. I - I'm scared..."

"A woman's scream?" Qin Yu chuckled and patted Fang Guanting on the shoulder. "It's all right. There are so many people living in this courtyard. It's not just guests, but also people from the program team."

Suddenly, a woman screamed from outside. Qin Yu immediately got up and pushed Fang Guanting away. She got up from the bed and raised her hand to brush her hair. With a bit of resentment, she said, "Could this be a surprise segment from the program team?"

She couldn't sleep, so she pulled Fang Guanting out of bed and said excitedly, "Come on, let's go out and take a look."

Although Fang Guanting was a timid person, she was brave enough with Qin Yu here. She followed behind Qin Yu and opened the door, walking out along with her. *novelusb.com*

As soon as they took two steps, they saw that many people had gathered in front of the men's restroom. There was a group of staff standing outside. Liang Jiahao and Goo Shengli were tall, so they saw them at first sight.

Qin Yu held Fang Guanting's hand and ran over excitedly. When the staff saw her, they automatically cleared the way for her.

Qin Yu walked in, and when she saw Zhuan Bi crying on the ground, she was stunned. "What happened?"

Goo Shengli heard her voice and reached out to stop her. He wanted to take her away, but when Zhuan Bi saw Qin Yu, it was as if she saw her savior. She quickly scrambled up from the ground and ran towards Qin Yu. "Qin Yu, please make a decision for me!"

Make a decision?

Qin Yu was stunned. She looked at Zhuan Bi and the staff in confusion. She saw that they didn't have cameras with them and were all dressed casually. From the looks of it, they were already asleep, so this shouldn't be a surprise segment conducted by them.

Qin Yu put her hand on her hip and said impatiently, "Why do I have to make a decision for you? If you want someone to make a decision for you, then go and find Director Shi! Why are you looking for me?"

Goo Shengli suddenly sighed and reached out his hand to pull Zhuan Bi away. "Stop it! What does this have to do with Qin Yu? Let her go back to her room to sleep!"

Goo Shengli pulled Zhuan Bi away, but Zhuan Bi continued to hug Qin Yu's leg. She sobbed as if she had suffered a great misfortune.

"No! I have been bullied by Liang Jiahao, so why can't I find Qin Yu?"

Zhuan Bi looked at Qin Yu with tears streaming down her face. "Qin Yu, I - I just went to the restroom. Who knows I will meet Liang Jiahao inside. H-He... He's a beast in human skin! He wanted to bully me... Force me... Wu wu wu... Qin Yu, you must avenge me!"

Qin Yu was a little stunned and unconsciously looked at Liang Jiahao.

He was standing in the moonlight with his neatly dressed clothes and a stern face. A pair of deep eyes looked at her calmly. It was like the beast that Zhuan Bi was talking about was not him.

If it was another man, he would be so angry that he would throw away his image. Liang Jiahao, however, just stood there, calmly looking at Qin Yu without saying a word.

Qin Yu smiled. She pushed Zhuan Bi away and then ran to Liang Jiahao's side. She asked nervously, "Did you get taken advantage of by her?"

Zhuan Bi: "..."

Everyone: "..."

Something seemed to be wrong with Qin Yu's brain. Everyone thought that after Qin Yu heard this, she would slap Liang Jiahao on the scene.

Why did she ask if Zhuan Bi had taken advantage of him?

This brain circuit ... Is Qin Yu even a woman!

Hearing Qin Yu's words, Liang Jiahao's cold face instantly softened. He raised his hand to stroke Qin Yu's hair and said with a smile. "Idiot, who can take advantage of me?"

Qin Yu giggled. "You are right! Other than me, who else can take advantage of you?"

Zhuan Bi sat on the ground and watched Qin Yu and Liang Jiahao flirting. She was so angry that her lungs were about to burst. On the other hand, she was still pretending to be wronged as she pointed at Qin Yu and asked, "Qin Yu, what do you mean by this? He was the one who wanted to rape me, you... You didn't even bother to get justice for me!"

"Shut up!" Qin Yu turned around and interrupted Zhuan Bi with a shout. She raised her gaze and looked at everyone present before letting out a mocking laugh. "You must be very curious as to why I believe Liang Jiahao and not Zhuan Bi?"

None of the staff answered, not even Shi Jingguo. However, there was clearly resentment in their eyes.

Qin Yu chuckled. "You must have seen the video on the Internet where I encountered a problem, right? I was drugged by Mao Ping that night, and Liang Jiahao was the one who saved me."

Shi Jingguo nodded. "We all know about it."

"Good!" Qin Yu nodded. "The videos you guys saw were all about what happened at that time, but you guys didn't know about the rest. After I was saved by Liang Jiahao, I couldn't control myself because of the drugs. Liang Jiahao took me to his house to calm me down and to prevent me from doing something I'd regret later, he put his own arm in my mouth and told me to bite."

With that, Qin Yu took Liang Jiahao's arm and rolled up his sleeve. "This is the bite mark I left when I bit him."

Although the wound had healed, the tooth mark remained on Liang Jiahao's wrist forever. Even at night, in the dim moonlight, the shocking imprint of the tooth can be seen.

Qin Yu continued. "When he brought me home, I couldn't control myself anymore and jumped onto him. Even so, he didn't do anything excessive to me. He put me in the bathroom and used a cold shower to wake me up. He didn't do anything to me until the end! Do you really think I would believe that a man who can control himself so well would do something to Zhuan Bi when he doesn't even do anything to me when we're alone? Heh... What a joke!"

There was no one else in his house. If Liang Jiahao had something evil in mind, he would definitely take action against Qin Yu.

All the men present heard this and sincerely admired Liang Jiahao's determination.

After all, they were men too and knew that in that situation, they wouldn't be able to avoid evil thoughts when confronted with a beauty like Qin Yu.

Zhuan Bi saw that everyone was convinced by Qin Yu's words, and she immediately said unhappily. "That doesn't prove anything at all. Maybe he's not interested in you!"

"Hehehe ..." Qin Yu laughed exaggeratedly. She walked in front of Zhuan Bi and hooked her fingers under Zhuan Bi's chin, forcefully lifting her head up and forcing her eyes to look at her (Qin Yu).

Qin Yu's lips curved up in a mocking manner and asked with a slight smile. "You mean you're more beautiful than me? You're more attractive than me?"

That was what Zhuan Bi was thinking in her heart. She had always felt that no one was as beautiful as her, because she was the most beautiful in the entire universe.

Zhuan Bi looked at Qin Yu and laughed defiantly. "Isn't it so? You're as thin as a matchstick. You don't even have a chest and butt. How can you be like me? Men like Liang Jiahao only like a woman like me!"

Chapter 596 Who Are You Trying To Fool?

"You are such a shameless woman!" Qin Yu raised a hand and gave Zhuan Bi a hard slap. "Do you really think that all men in this world are scumbags and would cheat on their partners just because a woman likes you? Being a mistress is worse than being a prostitute!"

Liang Jiahao suddenly came over and pulled Qin Yu into his arms, kicking Zhuan Bi hard to the ground. He looked coldly at the woman lying on the ground and sneered. "I am really not ashamed to say this. Qin Yu's figure and appearance are better than yours!"

Originally, Liang Jiahao did not want to explain himself and wanted to call Han Yuanjun to find Zhuan Bi's backers and destroy her career path, but now that she dragged Qin Yu into this, he had to prove his innocence.

Liang Jiahao pointed to the men's restroom and asked Zhuan Bi. "You said you saw me as soon as you entered the women's restroom? Zhuan Bi, may I ask you which restroom you went into? That is a men's restroom!"

Only now did everyone come to their senses, even Goo Shengli, who came out first, understood. He said angrily, "Yes, why didn't I think of that? The moment I came out and saw Zhuan Bi and Brother Liang arguing at the entrance of the men's restroom, I was immediately struck dumb. I couldn't even tell whether I was thinking or not, and I was almost fooled by her!"

Goo Shengli walked over and stood in front of Zhuan Bi. He asked angrily, "The women's restroom is over there, about 20 meters away. Zhuan Bi, you knew exactly where you were going!"

Zhuan Bi was slapped mercilessly in the face and was kicking hard in the stomach. Her face flushed with pain. At this point, she was still trying to defend herself. "I-I slept walking and didn't know where the women's restroom was. I was walking in the wrong direction!"

Suddenly, laughter rang out from the crowd, and then, Liao Nuan's voice was heard without haste. "Who are you trying to fool? You weren't sleeping at all, you were just lying in front of the door looking outside!"

Everyone heard the voice and looked at Liao Nuan.

They didn't think she would speak at such a time!

Liao Nuan laughed and continued. "At that time, I was wondering what Zhuan Bi was doing. I didn't expect her to run out excitedly after a while, and then I heard a noise from outside. When I went out and saw her with Brother Liang, I finally understood."

Everyone: "..."

You knew it at the time, so why didn't you stand up for Liang Jiahao?!

Only when Zhuan Bi's lies were exposed by Liang Jiahao did she stand up and speak.

Liao Nuan was only here to add insult to injury.

While severing all ties with Zhuan Bi, she took the opportunity to help Liang Jiahao and Qin Yu. This was tantamount to stepping on Zhuan Bi's back.

Zhuan Bi clearly didn't expect Liao Nuan would add insult to injury at this point. She rebuked her in a stuttering and irritated manner. "Liao Nuan, what are you talking about? When did I lay against the door and look outside?"

Liao Nuan scoffed. "Didn't you know it? You yourself know it. You've done stupid things and now wanted to build a memorial arch of holiness!"

Liao Nuan had long disliked Zhuan Bi. Although they came from the same agency and had the same manager, Zhuan Bi didn't hesitate to sleep with the broker to get resources, stealing good resources from Liao Nuan's hands. Otherwise, with Liao Nuan's sources and her character, which didn't pose a problem, she would have certainly advanced to the B-list ranking.

Earlier, Liao Nuan pretended to be kind to Zhuan Bi and was just waiting for the right opportunity to step on Zhuan Bi's back to vent the hatred in her heart.

She deliberately said what she said in the room so that Zhuan Bi could hear.

Liao Nuan didn't believe that Zhuan Bi was so stupid that she would believe whatever she (Liao Nuan) said.

Hehe... Zhuan Bi was the one who was stupid, so how can Liao Nuan be blamed?

The truth had come out and no one believed Zhuan Bi's words.

Just like what Qin Yu had said, even when in her weakened state, Liang Jiahao did nothing to her. Could it be that since there were so many people here, Liang Jiahao suddenly wanted to do something to Zhuan Bi?

Heh... It's ridiculous!

Liang Jiahao really didn't feel like looking at Zhuan Bi anymore. He took out his phone from his pocket and dialed the number.

Han Yuanjun and Liang Zixuan had already fallen asleep. He let Liang Zixuan go when he heard his phone ring. He picked up his phone from the nightstand and didn't even open his eyes as he angrily asked, "Who is this?"

Liang Jiahao took a deep breath. Afraid of disturbing Liang Zixuan's sleep, he lowered his voice and said, "It's me."

"Big brother?" Han Yuanjun immediately got up and turned to look at Liang Zixuan. Seeing she was fast asleep, he quietly got out of bed and went to the window. He then whispered, "Didn't you go to the program? Why are you calling so late at night?"

He was shocked. "Has something happened to Qin Yu?"

Liang Jiahao held Qin Yu's shoulder tightly and said in a deep voice. "No, help me investigate someone."

"Who is this someone?" Han Yuanjun became more and more curious. Something must be happening to Liang Jiahao that he asked him to investigate the people there.

Liang Jiahao pursed his lips and spat out two words. "Zhuan Bi!"

Zhuan Bi, who was sitting on the ground, heard Liang Jiahao talking to a man on the phone and immediately had a bad hunch. She could also guess who Liang Jiahao was calling.

Zhuan Bi quickly knelt down on the ground, held Liang Jiahao's pants, and cried out loudly. "Brother Liang, please let me go. I beg you, please let me go this time!"

After being kicked to the ground again, Zhuan Bi still didn't give up and crawled toward him. She pulled Liang Jiahao's pant leg and cried again. "I don't dare anymore! Brother Liang, I don't dare anymore! I beg you, please let me go this time."

This time, Zhuan Bi neither pretended nor acted. She cried hoarsely as if someone had whipped her. When Goo Shengli and the others saw her crying so sadly, no one sympathized with her.

Liao Nuan still had her arms crossed over her chest as she watched Zhuan Bi sobbing.

The entertainment circle was a complicated place where different people used different methods to gain the upper hand.

Some people were willing to sacrifice themselves in exchange for benefits and that was something Liao Nuan was willing to give up. She would only rely on her own abilities.

Zhuan Bi, on the other hand, would always rely on her backers and steal resources from others everywhere. In the entertainment circle, this kind of person was hated by others.

Why was the entertainment circle so dirty? Why did the public speak in a contemptuous tone when mentioning the female celebrities who suddenly became popular without any family background, saying, "I wonder which big boss she slept with!"

It was because the existence of people like Zhuan Bi had caused the public to gradually become disgusted with the entertainment circle and began to view the popular female celebrities with tinted glasses.

Everyone present was a member of the inner circle. Who didn't understand how Zhuan Bi managed to reach the C-list?

Therefore, no one felt sorry for her!

Han Yuanjun could even hear Zhuan Bi's miserable crying from the receiver. He switched the phone to his other ear and asked with interest. "Big brother, you're doing well! Are you trying to have an affair with Zhuan Bi behind Qin Yu's back?" *noVeLUsb.cOm*

Liang Jiahao's expression instantly darkened. In a low voice, he said, "I don't have time to fool around with you. Help me investigate her immediately. Find out exactly how many backers she has!"

"All right." Han Yuanjun chuckled. "I'll talk about what happened tonight when you come back later. I'll help you look it up now, and I'll be able to give you the answer in five minutes at most."

Looking at Zhuan Bi crawling towards him, Liang Jiahao frowned with annoyance. He looked at Shi Jingguo. "Director Shi, let's call it a day. We still have a recording to do tomorrow morning. Let's disperse and go back to sleep."

Shi Jingguo nodded and then turned to clap to the crowd. "Everyone, stop watching. You all have to get up early tomorrow to do the recording. So, go back to sleep. No one is allowed to tell anyone about what happened tonight. Do you understand?"

Everyone nodded. "Don't worry, Director Shi. We won't tell anyone."

"I won't say anything. Everyone knows about this."

That was true, but Liang Jiahao knew that with so many people here, just one mouth was enough to cause a big disaster. But right now, he couldn't care less

Chapter 597 Looks Like I'm Still Being Too Kind

Many people were bored, and when they met their friends from the same circle, they would consider this a joke and tell them about it.

When you were in a high position, many people would hug your legs. When you were at your lowest, these people would splash dirty water on you. That's quite normal.

When Liang Jiahao saw that everyone had dispersed, he pulled Qin Yu out of his arms and stroked her hair like a brother next door. "You should also go back to sleep."

Qin Yu glanced at Zhuan Bi, who was crying pitifully on the ground and shook her head in worry. "I'm not sleepy. Xiao Liang, tell me, how do you want to deal with her?"

Even if Zhuan Bi had done too much to Liang Jiahao, Qin Yu still did not want Liang Jiahao to take action against her.

Firstly, she felt that Liang Jiahao would only get his hands dirty by doing so, and secondly, she was afraid that Liang Jiahao's fist would instantly kill Zhuan Bi if it landed on her body!

Liang Jiahao didn't want to tell Qin Yu about this, just like how Han Yuanjun didn't tell Liang Zixuan what he had done to the women who bullied her.

Liang Jiahao held Qin Yu's hand and escorted her to her room. "Sleep well tonight, we still have half a day of recording to do tomorrow. After the recording is over, we have to take the plane home. It's very tiring, you should have a good rest."

Qin Yu knew that Liang Jiahao didn't want to tell her the matter, so she didn't ask again. She nodded obediently. "Alright, I'll go back to sleep. You slept early too, understand?"

Liang Jiahao chuckled. He opened the door and pushed Qin Yu inside.

Zhuan Bi saw that everyone had left, even Qin Yu had entered her room.

She then got up from the ground and ran towards Liang Jiahao.

Liang Jiahao couldn't be bothered about her now. He went into his room and locked the door.

Zhuan Bi stood at the door of Liang Jiahao's room and kept knocking on the door while shouting, "Liang Jiahao, I won't dare do it again. Can you please let me go this time?"

The house in this small courtyard of the farmhouse wasn't as soundproof as other houses. Zhuan Bi's voice echoed in every room.

When everyone heard this, they covered their heads with their blankets out of dissatisfaction. No one came out to persuade her.

After a long scream, Zhuan Bi knew that Liang Jiahao was ignoring her, so she awkwardly returned to her room.

After Liang Jiahao returned to his room, he received a WeChat message from Han Yuanjun, stating the identity of each of Zhuan Bi's potential backers. When Liang Jiahao saw the names, he smirked.

He copied the list and gave it to Lee Hana, adding a sentence at the bottom. "Blacklist some of these people and cut off all their loans. From now on, China Securities Bank will not issue any money to them!"

The financial world was much like the entertainment world. They may look like very big circles, but in reality, they were not that big. As long as someone had been blacklisted by China Securities Bank, they should not think of borrowing money from any other bank!

This would be tantamount to cutting off their economic resources. If they need to develop a new project or invest a new investment, as long as the bank did not give the loan, they can only rely on themselves or find a new consortium to pay it off in full.

Currently, Lee Hana was singing with her friends. When she saw Liang Jiahao's text message, she couldn't help but ask curiously, "President Liang, why do you suddenly want to blacklist them?"

Liang Jiahao's fingers quickly typed a line of words on his phone screen. "Without money in their wallets, how can they support the celebrities they like?"

Lee Hana: "...."

'You are the CEO, whatever you say is right!'

After Qin Yu returned to her room, she could no longer sleep. She lay on her bed with her eyes wide open, staring at the ceiling above her in the darkness.

In the past, she had met many people like Zhuan Bi. Even though they knew that Han Yuanjun, who owned the entire Han Group, was behind her, these people still wanted to seize her resources and were even willing to lower their own prices or sell their own bodies to achieve their goals.

Qin Yu's actions against them were unyielding and she really looked down on them. So even though she was robbed, she did not allow Mo Shan to tell this to Han Yuanjun because she did not want to rely on him to snatch these things back. If she did, it would not be clean in her opinion.

At first, Qin Yu thought that she could calm the situation down with her character and allow these women to calm down a little. However, she did not think that Zhuan Bi's personality would get worse.

Was Zhuan Bi so addicted to stealing from her that she felt she could steal her man from her too?

Liang Jiahao, on the other hand, did not belong to this circle. Because of her, he had stepped into this circle, and with his position, many female celebrities were eyeing him like a delicious dish. Everyone wanted to take a bite out of him.

If Liang Jiahao stepped into this circle for her again in the future, there would be a lot of problems like this.

After Fang Guanting returned, she did not fall asleep. When she heard Qin Yu's groan, she turned around and looked at her in the darkness. "Are you still awake?"

Qin Yu pursed her lips into a smile and said, "Aren't you awake as well?"

"I can't sleep!" Fang Guanting sighed. "Zhuan Bi caused a commotion today, I feel that Brother Liang will not let her go."

Qin Yu nodded and turned to face Fang Guanting in the darkness. "Sister Fang, do you think I did something wrong?"

"Hmm?" Fang Guanting asked, dumbfounded. "Why did you say that?"

Qin Yu pursed her lips, thinking back to her past and feeling a headache coming. "In the past, I didn't care about Zhuan Bi's words and the fact that she stole my resources. Whether she succeeded or not, I didn't care. Am I being too lenient with her? That's why she thought I was easy to bully and she could take everything away from me?"

Fang Guanting chuckled. "Qin Yu, did you know? If I had President Han as my backer, I would definitely be raging in entertainment circles. If anyone dare to covet my resources, I would beat them up until their mothers couldn't recognize them!"

Qin Yu burst out laughing. She was thinking how hilarious it would be if Fang Guanting really beat them.

Fang Guanting continued. "The reason these people dare to steal from you is that they know you rely on President Han for your resources. And if you have become what you are now because of him, that means you don't have the confidence to do it yourself. Whether in front of the camera or behind the camera, you have to work hard to maintain the image you provide to the audience."

After hearing Fang Guanting's words, Qin Yu began to look at herself seriously and nodded her head, saying, "Looks like I'm still being too kind."

"Of course, it's because of your kindness that you have fattened them up!"

Fang Guanting felt too tired to talk to Qin Yu like this, so she got out of bed and ran to lie on the same bed as Qin Yu.

Qin Yu also wanted to talk to her, so she moved aside to make room for her.

Fang Guanting was no longer young and if she wasn't in the entertainment circle, she was already married and had children at this age. Even if she did not have one, she would at least have a boyfriend.

But since Fang Guanting began her career, she had never had a boyfriend, let alone a scandal. She had never relied on men or used improper means to gain the upper hand.

This was something that Qin Yu greatly admired. Coupled with Fang Guanting's good temperament, Qin Yu felt that she was like her biological sister and preferred to chat with her (Fang Guanting) when they were in the company.

"Sister Fang, do you also believe that today's matter was caused by me?"

Fang Guanting saw Qin Yu grabbing her arm like a little girl and she smiled thinly while pinching Qin Yu's cheek. "Qin Yu, you need to know who is behind you. With President Han and Liang Zixuan supporting you, and a boyfriend like Brother Liang, even if you have a bad temper, so what? Who is brave enough to say anything about you? If they have the ability to find backers like you, then they can come and fight you!"

Qin Yu thought about it and felt it made sense. She didn't care about those people and that made them think she was easy to bully. Anyone would dare to ride her neck and pee on her!

Fang Guanting smiled. "I know you have a good heart and are very kind to people. As long as no one intentionally makes things difficult for you, you are easy to get along with. But I think you should start showing your courage and let those people know that you are not easy to bully."

Qin Yu nodded. After talking with Fang Guanting for a while, she felt more relaxed and less troubled than before. She smiled, put her head on Fang Guanting's shoulder, hugged her, and said, "Sister Fang, let's sleep. Let's sleep like this."

Fang Guanting cast a sidelong glance at her and smiled. "Alright, let's sleep like this."

Chapter 598 Zhuan Bi's Madness I

When Zhuan Bi returned to the room, the relationship between her and Liao Nuan was not so good.

After entering the room, she dragged Liao Nuan out of bed like an angry bull. Then, she raised her hand and slapped Liao Nuan's face brutally.

Liao Nuan had not expected Zhuan Bi to attack her once she came back. This slap stunned Liao Nuan for a while. Even her eardrums hummed from the impact.

"Damn you!" Zhuan Bi gritted her teeth hatefully. "How dared you frame me, I will beat you to death today!"

Before Liao Nuan could vent her anger, Zhuan Bi raised her hand again and slapped Liao Nuan three times in a row.

Liao Nuan's face immediately swelled, her hair dangling in front of her like a beaten rooster.

After such a long time, Liao Nuan finally reacted. She grabbed Zhuan Bi's nightgown collar, pulling her onto the bed. Then she turned Zhuan Bi's body and sat on her.

"You bitch, you deserve to be in this position! I watched you steal everything from me, and now you have finally fallen!"

Liao Nuan spat in Zhuan Bi's face and scolded, "I never liked you! Think of how many good resources you stole from me and how many faces you showed in front of me after you stole them from me! You still dare to pretend to be an innocent woman?"

Zhuan Bi had already suffered muscle and bone injuries from several kicks from Liang Jiahao, how can she be a match for Liao Nuan now?

After being pressed on the bed like this, she had no way to fight back. She was only able to glare at Liao Nuan angrily.

"Liao Nuan, are you saying you're only pretending to be nice to me?"

"Heh!" Liao Nuan laughed mockingly and raised her hand to slap Zhuan Bi's face. "What do you think? How can I be nice to someone like you!"

The more Liao Nuan said, the more she got angry. "Do you think all A-list celebrities want to be friends with you? Let me tell you, they hate you just as much as I do! Do you really think all men in this world are animals who think with their lower bodies and will be attracted to you? Why don't you look at yourself in the mirror? Did Liang Jiahao even talk to you today? You are so stupid to think that you can seduce him!"

Liao Nuan could already tell that Liang Jiahao was not a man who would casually get close to women. He only treated Qin Yu with gentleness. If it had been anyone else, he would not even spare a glance at them.

So, later on, Liao Nuan learned to be a good girl. She did not take the initiative to talk to Liang Jiahao. There were some men she was capable of offending, some she couldn't and Liang Jiahao belonged to the second category.

She knew that very well!

Zhuan Bi was as stupid as a pig. She felt she was the most beautiful girl in the world and every man wanted to fall in love with her.

If this couldn't be described as stupid, then what other words Liao Nuan should use to describe Zhuan Bi's foolishness?

Zhuan Bi was clearly angry with Liao Nuan's words. She knew that if Liang Jiahao really made a move, she would definitely suffer a horrible ending. What's more, her career would be ruined, and perhaps she may even be hunted down and beaten up by her backers!

Now that she had nothing left and was still being bullied by Liao Nuan, she couldn't help but accuse her. Like an erupting volcano, Zhuan Bi's strength intensified many times over and she kept pushing Liao Nuan away from her.

Liao Nuan didn't expect this, and rolled off from Zhuan Bi's body onto the ground, squealing in pain.

Zhuan Bi jumped out of bed and rushed to the dressing table. There was a fruit knife that Liao Nuan had brought with her, and before she fell asleep, she cut off a cucumber and smeared it on her face.

Zhuan Bi took the fruit knife and ran toward Liao Nuan. "Whore! If I let you hurt me, you can forget about living in the future!"

Liao Nuan could only feel the tip of the cold blade sliding into her face. She widened her eyes in fear and cried out in a heartbreaking way. "Ah, Zhuan Bi, you maniac! What are you doing? Let go of me!"

The noise in their room was too loud. Shi Jingguo woke up from his dream and suddenly thought of something. His heart trembled and he ran out of the room before he could put on his shoes.

Shi Jingguo kicked the door of Liao Nuan and Zhuan Bi's room and saw this horrible sight. He did not even think about it before ripping Zhuan Bi from Liao Nuan's body. "Zhuan Bi, are you crazy?!"

Liao Nuan covered her face and screamed in fear. Although Zhuan Bi had already gone from her side, she still acted as if she had been slashed by a knife. She was so scared that she shrank into a ball. Not only was she screaming, but she was also crying.

Zhuan Bi struggled a little in Shi Jingguo's hands, but she did not run away. With red eyes, she pointed at Liao Nuan and shouted. "Whore, bitch! I will make you accompany me to death today!"

The door was opened wide and Liao Nuan's crying and screaming rang out even louder. Everyone who had just fallen asleep was jolted awake again and they all ran over to see what had happened.

When they saw Liao Nuan's wretched appearance and the vicious wound on her face, everyone immediately inhaled sharply.

Qin Yu and Fang Guanting also arrived. Fang Guanting was so scared that she shouted, "Ah!"

She quickly hid in Qin Yu's arms with her eyes closed, not daring to look at the sight before her.

Shi Jingguo gloomily looked back and shouted to the crowd behind him. "What are you all standing around for? Call 120 for an ambulance and call 110, ask the police to deal with this matter!"

novEℓusB.com

He will not be able to solve it. Zhuan Bi had already used a knife. This was a deliberate injury. If he left her here, who knew how much trouble she would cause.

He was the director, and he was responsible for the safety of all the staff and guests here.

When he confirmed the guest list, he had not invited Zhuan Bi and Liao Nuan. It was their agents who insisted on including the two of them. In fact, he later managed to get an expensive sponsorship payment.

If he knew that the two were very careless and would only cause trouble, Shi Jingguo really would not agree even if he were beaten to death!

If the sponsorship fee was not enough, he can go and find Liang Zixuan and Han Yuanjun. Liang Zixuan and Han Yuanjun were both loyal people, so this little money will definitely be given to him. In addition, Qin Yu and Goo Shengli, their artists, were here to participate in the program!

Chapter 599 Zhuan Bi's Madness II

The more Shi Jingguo thought about it, the angrier he became. Seeing that the staff became scared stupid, he looked at Qin Yu, who was standing in front, and said, "Qin Yu, do you have your phone? Please make a call."

"It's here." Qin Yu happened to be holding the phone in her hand when she came out. She quickly dialed 120. After 120 was dialed, she dialed 110.

Zhuan Bi suddenly squirmed against Shi Jingguo's grips. Shi Jingguo tried to tighten his grips, but his hands were too weak to comply. He was so frightened that he hurried back to grab Zhuan Bi.

Zhuan Bi held up the fruit knife and stabbed Shi Jingguo in the chest. Shi Jingguo instinctively backed away a few steps. Zhuan Bi seized the opportunity and ran wildly toward Qin Yu.

"You bitch! You can't forget me even if I'm dead! Each of you, come and die with me!"

Qin Yu was in the middle of reporting their location to the police when she heard a noise. Startled, she looked up and saw that Zhuan Bi was already running towards her with a knife in hand. The distance was only a few steps away.

Fang Guanting suddenly raised her arm to block Zhuan Bi's attack.

"Ah!" Fang Guanting screamed in pain and blood immediately flowed from her arm.

Zhuan Bi saw that Qin Yu was not injured and her eyes turned red with anger. She raised her knife once more and stabbed Qin Yu in the face.

Qin Yu did not have time to react. Afraid Fang Guanting would help her block the knife again, she pushed Fang Guanting away and took a step back. The staff behind her also ran away in fear.

Seeing the tip of the blade getting closer and closer to her face, Qin Yu instinctively raised her hand to cover her face. Zhuan Bi smiled sinisterly as she suddenly turned her wrist and the tip of the blade headed straight for Qin Yu's chest.

She was going to kill Qin Yu!

She must kill Qin Yu!

Why did Qin Yu have to be born better than her? Why must she have such a good family background and even have Han Yuanjun and Liang Zixuan as her backers?

Why did she, Zhuan Bi, have to try so hard and sacrifice everything, while Qin Yu only had to move her mouth to say what she wanted?

Why?

Why?!

Shi Jingguo and Fang Guanting stood next to each other. Seeing that the sharp fruit knife was inches away from Qin Yu's chest and was about to pierce into it, they both cried out in fear. "Qin Yu!"

At that moment, a figure suddenly rushed through the door and grabbed Zhuan Bi's wrist with lightning speed. The force of his fingers forced Zhuan Bi's hand to loosen and the fruit knife fell from her hand.

Thump! Thump! *novelusb.com*

Everyone's heart dropped.

Zhuan Bi was thrown through the air and crashed into the wall behind her. She fell to the floor with a loud crash and didn't make a sound before fainting.

Liang Jiahao looked down at the foolish girl in his arms and asked anxiously, "Qin Yu, are you hurt anywhere?"

Qin Yu shook her head in a daze. With watery eyes, she looked at him intently. "Is... Is she dead?"

"Stupid girl!" Liang Jiahao really couldn't stand seeing his girl being like this. She was clearly in danger, but she was worried he would commit a crime if he killed someone for her. He was helpless to explain. "She's just passed out. I know what I'm doing."

Qin Yu cried while hugging Liang Jiahao, like a child. "Xiao Liang, where did you go? I was scared to death! Wuwuwu ... I- I couldn't help but freeze on the spot as the knife came at me. Wuwuwu... I-I had no choice."

Liang Jiahao hugged her painfully and continued to kiss her soft hair. "Alright, alright, it's all over. Qin Yu, next time if you want to watch the show, please stand outside. It's very dangerous to stand in the front, just like today. If I was not here, you would really get hurt. How am I going to live my life then?"

Qin Yu: "..."

Why did he teach her how to watch a show?

Everyone else was also dumbfounded. Shouldn't Liang Jiahao comfort Qin Yu at this moment?

However, what Liang Jiahao said was very true, and it also taught them a lesson.

Don't watch the show, and if you can't resist your curiosity, you must stand behind the crowd and watch.

Qin Yu was like a child who had done something wrong. She nodded obediently and said, "I'll never watch a show again. It's going to scare me to death...."

Shi Jingguo saw that the trouble was finally over and Zhuan Bi couldn't continue committing crimes. He felt relieved and said, "President Liang, bring Qin Yu back to rest. I'll take care of the rest."

Liang Jiahao nodded. He comforted Qin Yu as he escorted her to her room.

Qin Yu suddenly thought of something and stopped in her tracks. She turned around and looked at Fang Guanting. "Big sister Fang."

Fang Guanting smiled at her. "Don't worry about me. When the ambulance arrives, they'll take care of my wound. I'll come back after taking care of my wounds. You can go back and rest."

Qin Yu originally wanted to put a bandage on Fang Guanting herself, but her heart was still beating fast. No matter how brave she normally was, she was still a little girl, and after experiencing life and death, her mental strength was still not good.

Liang Jiahao and Shi Jingguo also said a few convincing words by the side. Qin Yu finally nodded and followed Liang Jiahao.

Fang Guanting smiled slightly as she looked at their backs. Looking at Zhuan Bi, who was lying on the ground, and Liao Nuan, who was sitting beside her, she let out a soft sigh.

Wasn't it better to be nice to people?

Why did they insist on scheming against Qin Yu? Did they really think that if they harmed others, they could protect themselves from retaliation?

Whether it was Zhuan Bi or Liao Nuan, none of them were worth feeling sorry for. Today, they were the ones who appeared out of the blue and committed all kinds of evil deeds. They had accumulated a lot over a long period of time and would eventually receive their retribution.

Liang Jiahao didn't go back to his room. Instead, he went to Qin Yu's room.

Knowing that Qin Yu probably couldn't sleep because of the lingering fear in her heart, he took off his shoes and sat against the head of the bed, letting her lie in his arms.

His hand lightly patted Qin Yu's shoulder as he gently soothed her. "Be good and go to sleep. I'll be here."

Qin Yu found a comfortable position in his embrace and hugged his arm tightly, slowly closing her eyes.

It was very strange. When Qin Yu slept together with Fang Guanting, she found it hard to fall asleep. She constantly felt agitated inside, but now that Liang Jiahao was with her, she felt very at ease.

It was as if as long as he was here, she wasn't afraid of anything.

Liang Jiahao...

Was he really her guardian?

Chapter 600 Without You, I Can't Fall Asleep At All!

Half an hour later, Fang Guanting opened the bedroom door and walked in. She stared sheepishly at the sight before her. Qin Yu was sleeping in Liang Jiahao's arms.

At first, Fang Guanting thought Liang Jiahao would go back to his room after coaxing Qin Yu, but the man hadn't left yet even though she was already asleep.

Fang Guanting didn't know whether to go inside or not, but then she saw Liang Jiahao nodding at her and saying in a low voice, "You can come in. Don't worry, I'm just here to accompany her."

Fang Guanting nodded in embarrassment. For some unknown reason, she felt a little warmth in her heart. This kind of warmth came not only from Liang Jiahao's gentleness towards Qin Yu but also from the feeling of being protected by him.

Today, Liang Jiahao undoubtedly gave all the guests a sense of security. No matter what happened, as long as he was around, there would be no more danger.

Fang Guanting quietly walked back to her bed and covered herself with the blanket. She closed her eyes and soon fell asleep.

After that night, everyone was exhausted.

Shi Jingguo was also very tired. Originally, the staff had to get up at 6 a.m and the guests at 7 a.m, but they were all too sleepy to wake up, and the recording was forcibly delayed for an hour and a half.

In the morning, Goo Shengli came out with dark circles under his eyes. When he saw Liang Jiahao coming out of Qin Yu's room, he quickly grabbed Liang Jiahao's hand and almost cried out of resentment. "Brother Liang, why didn't you come back last night? Without you, I can't fall asleep at all!"

Liang Jiahao: "...."

Did Goo Shengli want others to misunderstand his words?

The way Goo Shengli said that it's like Liang Jiahao was his lover and he went out behind his back!

Liang Jiahao pushed Goo Shengli's hand away without batting an eyelid. He wasn't really used to having intimate contact with a grown man.

"Since when did my presence have anything to do with whether you're asleep or not?"

"Since last night!" Goo Shengli held Liang Jiahao's hand again and complained. "You don't know, but when you are here, I won't be afraid of anything! But then, last night, you spent the night with Qin Yu and left me alone. I can't sleep at all!" *Novelusb.com*

Liang Jiahao frowned and pushed Goo Shengli's hand away. "You're a grown-up man, behave like your age."

????

On the second day of the program, Shi Jingguo made an exception for this segment and paired Ma Zhihao and Zeng Zhenkang together, since Zhuan Bi and Liao Nuan were absent.

The two men were overjoyed. It was as if their wish had finally come true and they embraced each other lovingly. There was no need to mention how happy they were.

With two less conspicuous people, the recording process became much more smooth. At 4 p.m, Liang Jiahao and Qin Yu boarded the plane to Imperial City.

It was already half-past five when they arrived in Imperial City. Liang Jiahao dragged his and Qin Yu's luggage and walked out of the airport with her. "Are you hungry?"

Qin Yu rubbed her stomach and nodded. "I'm indeed a little hungry."

Liang Jiahao looked around. "There are a few food vendors here at the airport, but the taste isn't good. Do you want to look around the city? Can't you bear it for a while?"

"No!" Qin Yu pouted and held Liang Jiahao's arm like a spoiled child. "I want to eat what you cooked. I'm not used to eating outside."

Liang Jiahao laughed helplessly. "Alright. Then I'll cook for you when we get home. If you're hungry, you should eat some snacks first."

Just as they walked out of the airport, they saw Liang Zixuan's chauffeur, Zou Juan, standing at the entrance, waiting for them.

When Zou Juan saw them, he immediately approached them and helped them carry their luggage. "Young Master Han told me to pick you guys up."

Qin Yu was puzzled. Usually, it was the company's drivers who picked her up after the shooting. Why had Zou Juan personally come here today? It seemed like there was an occasion tonight?

When they got into the car, Qin Yu asked Zou Juan. "Where are we going? To my aunt's grandparents' house or to my aunt's house?"

"What aunt's grandparents?" Liang Jiahao corrected her. "That's your grandparents' house too."

Qin Yu's face immediately flushed red. She glanced at Liang Jiahao in embarrassment and muttered, "You and I haven't reached that stage yet."

Liang Jiahao smiled without saying a word and pulled Qin Yu into his embrace.

Zou Juan glanced at them in the rearview mirror and felt that the pair was on par with Han Yuanjun and Liang Zixuan.

In the past, when Han Yuanjun and Liang Zixuan were still unmarried, the two had flaunted their love in the car, making him unable to eat at home.

It took him a long time to get used to the two of them flaunting their love for each other. Perhaps it was because he'd already gotten used to it, he wouldn't mind.

But now this couple showed up out of the blue!

Originally Zou Juan wanted to pretend to be mysterious, but now, he didn't even feel like it. He said directly. "Madam has asked me to take you guys back to your own house!"

"Since you're sending us home, why are you coming to pick us up? Just have my driver come and pick us up." Qin Yu frowned. She had something to talk about with Liang Zixuan. After these two days, she had a lot of things she wanted to say to her.

But in the end, she couldn't see her!

When Zou Juan saw that Qin Yu was a little unhappy, he felt a little proud of himself. At first, he wanted to say everything out loud, but now, he stopped.

The mysteriousness of it was still within his control. He was able to excite and surprise everyone.

Zou Juan drove very fast, but it was also very stable. It had only taken him 40 minutes to get there for the one-hour drive.

Qin Yu was so tired that she was too lazy to take care of her luggage. Since Liang Jiahao and Zou Juan were here, she would leave it to them.

After unlocking the door to Liang Jiahao's house with her fingerprint, Qin Yu pushed the door open and went inside. She was surprised to find that there were suddenly a lot of people in the usually quiet house.

Liang Zixuan and Han Yuanjun seemed to be at home as they were sitting on the sofa, watching TV and eating fruits. In the kitchen, the figure of servants walking around.

At that moment, Qin Yu even had the illusion that she was walking through the wrong house.
