

Beauty 631

Chapter 631 I Wonder How Uncle Is Doing Right Now

"I ..." Luo Yanyun hurriedly raised her other hand to wipe the corners of her eyes. When she saw Liang Zixuan looking up at her, she smiled kindly and said, "I was just thinking about Zixuan's mother. If she's still around, she'll be the one blowing Zixuan's hair."

Liang Lihua was a gentlewoman. Liang Zixuan had accompanied her for a few months and knew that she was a very good mother.

As Luo Yanyun had said, if Liang Lihua was still alive, she would be the one to blow Liang Zixuan's hair and help her wear a wedding dress tomorrow.

When Liang Zixuan thought of her mother, her eyes slowly turned red. She hugged Luo Yanyun's waist gently. "Grandmother..."

"Zixuan, don't worry! I'm fine!" Luo Yanyun turned off the hairdryer and gently patted Liang Zixuan's back. "I was just thinking. My life is indeed great. Thinking after living so long that I can see your wedding with my own eyes and maybe even witness the birth of your child, my heart suddenly feels very moved. I am very grateful to God for giving me long life and allowing me to see my children enter a happy life one by one."

Liang Zixuan's tears fell as she listened.

Only she, alone, knew that their lives used to be so short and were so bitter. If it weren't for Han Yuanjun, they might not be in this world anymore.

She, Luo Yanyun, Liang Jiahao, all of them should thank Han Yuanjun.

"Grandmother...." Liang Zixuan suddenly sobbed and shook her head in despair in Luo Yanyun's arms. "Don't worry. As long as I'm here, I will definitely let you live happily."

Her rebirth was to enable her family, who had died in vain, to survive.

"All right, I believe you. I am so overwhelmed with happiness. Seeing you and Jun living a good life, I feel very happy!"

As an elder, there was nothing more gratifying than seeing her own grandchildren live happily. Although Luo Yanyun had been miserable all her life, but in later years, she and Qiao Hongya eventually became a loving couple. And seeing Liang Zixuan and Han Yuanjun together, even Liang Jiahao and Qin Yu, she felt that she really had no regrets in her life.

Even now, she felt that all her suffering had been worth it.

Qin Yu put down her congee bowl and walked over to hug them both. "Auntie, grandmother, please don't cry. We should be happy! Besides, aunt and uncle will come back every night to accompany you and grandfather for dinner, and I believe after tomorrow, aunt and uncle will be even more devoted to you two."

"Yes, of course!" Liang Zixuan raised her head and wiped the tears from Luo Yanyun's face.

"Grandmother, don't worry. Even though mom is no longer here, you still have me and big brother. Tomorrow, me, Han Yuanjun, big brother, and Qin Yu will pay our respects to you and grandfather."

"Good, good!" Luo Yanyun laughed happily, she was afraid Liang Zixuan would be sad, so she did not dare to shed tears. "You are all good children."

Qin Yu took the hairdryer and continued to blow dry Liang Zixuan's hair. "Auntie, you have to go to bed early tonight. Tomorrow, you have to get up at 4 am. Christine will bring her team to help you with hair and makeup, so you must sleep well tonight so that you will be the most beautiful bride in the world tomorrow!"

Luo Yanyun nodded vigorously. "Yes, sleep early. Tomorrow I will wake you up early. I have already set an alarm clock with your grandfather."

As she said this, she couldn't help but laugh. "Your grandfather even contacted some makeup artists. He said he will also wear makeup tomorrow so that he could be the most handsome grandfather of the bride."

"Haha ..." Liang Zixuan and Qin Yu laughed together. Qin Yu laughed as she said, "Grandfather is so interesting. Why is he still acting like a little kid? But I think even without makeup, grandfather is still the most handsome grandfather in the world!"

Luo Yanyun nodded in delight. "Don't forget to tell him about it in the morning. I am sure he'll be very happy when he hears it."

Qin Yu finished blow-drying Liang Zixuan's hair, then dried her own hair before climbing onto the bed and lying down on Liang Zixuan's bed without a care. "I want to sleep with auntie tonight."

Luo Yanyun looked at Qin Yu's mischievous face and shook her head with a smile. "You! If someone doesn't know you two really well, they'll think you both were sisters."

"We are already sisters, to begin with!" Qin Yu took Liang Zixuan's arm and leaned her head on Liang Zixuan's shoulder like a child. "We are sisters whose relationship is even better than blood sisters!"

Luo Yanyun really couldn't do anything against Qin Yu. With a smile, she stood up and walked to the door. "If you guys want to sleep together, then sleep together. I'll wake you up in the morning."

On the way out, Luo Yanyun helped them turn off the main light with an attentive expression, leaving only the orange wall light lit up slightly.

Liang Zixuan and Qin Yu were lying on the bed. Liang Zixuan's eyelids were very heavy, but Qin Yu could not sleep. She was more excited than Liang Zixuan, as if she was the one getting married.

"Auntie, we have known each other for a long time, but this is my first time sleeping with you."

Qin Yu suddenly thought of Han Yuanjun and giggled loudly. "I wonder how uncle is doing right now? Sleeping on an empty bed without you by his side. Hahahaha ... Serves him right!"

Liang Zixuan smiled with her eyes closed. "Are you really a member of your uncle's family? If other people hear this, they will definitely assume that you are my family and not his."

"But I am!" At this point, Qin Yu no longer felt embarrassed. Smiling, she said, "I am your sister-in-law, so of course, I am your family!" *ηOvel'USb.Com*

Liang Zixuan just shook her head. While Qin Yu was enjoying Han Yuanjun's suffering, Liang Zixuan's phone suddenly rang. It was the ringtone of a video call.

Liang Zixuan picked up her phone. Seeing that it was a video call from Han Yuanjun, she glanced at Qin Yu from the corner of her eye. "Speak of the devil and here he comes. Do you dare repeat what you said earlier to your uncle?"

Qin Yu: "..."

No, she did not dare!

Qin Yu shrunk her neck and got up from the bed. "I'll go turn on the light for you. Otherwise, he cannot see your face."

While Qin Yu got up, Liang Zixuan tapped the screen of her phone to answer the video call. As soon as she answered the call, she saw Han Yuanjun's resentful face on the screen. "Baby, I miss you so much..."

Before Liang Zixuan could say anything, Han Yuanjun suddenly shouted, "Why is it so dark there? I can't see your face!"

At this moment, the light came on. Liang Zixuan's face appeared on the screen and Han Yuanjun immediately smiled. "I saw you. Finally, I can see your beautiful face."

Qin Yu crawled onto the bed, not daring to show her face on the screen. She murmured beside Liang Zixuan. "Just for one night. Look at how he behaves."

Chapter 632 Other Than Me, No One Else Is Allowed To Sleep There

Han Yuanjun's face immediately darkened on the screen. "Baby, is there someone else in your bed?"

Liang Zixuan: "..."

She looked at Qin Yu resentfully. Her eyes were like the eyes of a rabbit. Qin Yu quickly raised her hand and made a zipper motion. Then she hid at the side.

Only then did Liang Zixuan look at the screen again. "No, I just finished taking a shower. Qin Yu was helping me dry my hair." *noVELusB.cOM*

"Then tell her to leave." Han Yuanjun immediately became unhappy. "If I can't even sleep by your side, let alone others! Furthermore, this isn't something a gentleman should do. She should not take advantage of the situation!"

"I'm not a gentleman. I'm a girl!" Qin Yu forgot that she had just zipped off her mouth. She couldn't resist showing her face to Han Yuanjun.

Han Yuanjun was immediately furious. "Qin Yu, quickly get off my wife's bed! Other than me, no one else is allowed to sleep there!"

"Humph!" Qin Yu angrily leaned her head on Liang Zixuan's shoulder, letting herself enter the screen. Then she looked at Han Yuanjun mockingly and sneered. "Not only will I sleep with your wife tonight, but I'll also hug her in my sleep. I'm going to anger a petty man like you!"

"Qin Yu!" Han Yuanjun gritted his teeth and growled, "Say that again!"

Liang Zixuan: "..."

Weren't these two interesting?

Why did they look like little children fighting over a candy?

Liang Zixuan hurriedly smoothed things out, smiling as she said, "Hubby, don't be angry. Qin Yu is afraid that I will not be able to sleep tonight because I am so nervous, so she's accompanying me. If you chase her away, I will be afraid to sleep."

When Han Yuanjun heard that Liang Zixuan was afraid, he suddenly remembered the time when she had told him that after she was reborn, she was really afraid to go to sleep. She was afraid that as soon as she opened her eyes, she would return to the fire of her previous life.

Han Yuanjun was always worried about this in his heart, that's why every night he would accompany her to sleep and only slept once she fell asleep.

Han Yuanjun immediately felt his heart ache. He smiled at Qin Yu in a friendly manner and said, "Qin Yu, go ahead and stay with your aunt tonight. Don't let her get so scared that she can't sleep."

Qin Yu's eyes widened in shock. "Aiya, I'll be damned! Uncle, your reaction changes so quickly! As expected, with just a single word from my aunt, she's able to match thousands of men and horses!"

Liang Zixuan was amused by Qin Yu's words and nudged Qin Yu with her elbow. "Don't talk nonsense -"

Before Liang Zixuan could finish, Han Yuanjun cut her off. "Of course! No matter how angry I am, as long as your aunt says something to comfort me, my world will soon change from boiling water to bright sun."

Qin Yu: "..."

Qin Yu suddenly felt hurt by the dog food given to her all of a sudden!

She quickly pulled her head back. She didn't want to see Han Yuanjun's proud face anymore. She gloomily lay on her side and muttered, "It's so amazing that you have a wife. Even when you are not with her, you are still able to spread the dog food. Tomorrow is your wedding day, can't you spare me tonight? I just finished my bird's nest, and now that I hear your words, I'm so full that I suddenly want to vomit!"

Han Yuanjun ignored Qin Yu's mumbling and smiled softly on the screen. Looking at Liang Zixuan's heavy eyelids as if she couldn't hold it anymore, he asked lovingly, "Are you sleepy?"

Liang Zixuan nodded. "You know I can't stay up past nine, our baby is forcing me to sleep."

During pregnancy, the doctor told Han Yuanjun that the mother would become so lethargic, but once the baby was born, the body would be very good.

Han Yuanjun had so many things to talk to Liang Zixuan until his intestine was almost tied up. However, seeing her so sleepy, he couldn't bring himself to disturb her, and so, he could only keep looking at her face as if he hadn't seen enough.

After a minute, Han Yuanjun said softly, "All right, then go to sleep. You'll have to get up earlier than me in the morning."

Liang Zixuan looked at Han Yuanjun and whispered, "You have nothing more to say?"

"No." Han Yuanjun's hand gently stroked his phone screen, over Liang Zixuan's face. "I can't sleep because I missed you. That's why I'm calling you. But seeing you so sleepy, I don't have the heart to talk to you anymore."

"Aiyo, look at the two of you!" Qin Yu couldn't help but shout, "It's only been one night! Why does it feel like you two are going to leave each other forever? Let's meet tomorrow morning, huh?"

"Qin Yu, once you sleep with big brother, you will understand how anxious you will be after parting for one night!" Han Yuanjun said while clenching his teeth towards his phone. "At that time, I will forbid your aunt from accompanying you. Just sleep alone!"

Qin Yu pursed her lips and didn't seem to care. "Even if I sleep with Xiao Liang, I will not act like you two. If I were like you two, I would have died from my embarrassment."

Han Yuanjun was in no mood to argue with her, so he quickly said to Liang Zixuan, "Baby, I'm hanging up the phone now. Go to sleep, I will find you in my dream."

"En!" Liang Zixuan nodded. "Then I'll hang up now."

"Wait!" Han Yuanjun suddenly stopped her.

Liang Zixuan looked at him hesitantly. "Is there anything else?"

"En!" Han Yuanjun didn't blush at all when he said this, "Give me a goodnight kiss."

Liang Zixuan's face immediately flushed red. She turned to look at Qin Yu's disdainful expression and said in embarrassment, "Qin Yu is still here."

"It's fine, just ignore her." Han Yuanjun looked hopefully at Liang Zixuan's face on the screen. He puckered his lips first and kissed the screen before saying, "I kissed you. Kiss me quickly, then you can go to sleep."

Liang Zixuan: "..."

How could Han Yuanjun do such a childish thing?

A man in his thirties, how could he still be as childish as a young man in his early twenties?

Liang Zixuan felt very embarrassed. Even if Qin Yu was not there, she would still be embarrassed!

Chapter 633 Don't Tell Me She Really Met Uncle In Her Dream

Han Yuanjun urged happily, "Baby, hurry up, kiss me, kiss me ..."

Liang Zixuan felt that if she didn't give Han Yuanjun his goodnight kiss, he would keep pestering her.

She licked her lips, then slowly brought the phone to her lips. She closed her eyes shyly and kissed the screen, just like Han Yuanjun.

Han Yuanjun finally smiled with satisfaction. "Alright, go to sleep now. I will find you in my dream."

When Qin Yu saw that the video call had ended, she got up from the bed to turn off the light. After going back to bed, she also turned off the wall lamp.

Liang Zixuan was excited and nervous, but her body could not take it anymore. As soon as the lights were turned off, she closed her eyes and fell asleep.

Qin Yu heard steady breathing beside her. She suddenly wondered if Liang Jiahao would be like Han Yuanjun when she married him.

She had to admit that she was jealous of Liang Zixuan and Han Yuanjun's relationship.

It was as if in the entire world, they could only see each other.

This feeling was very good. Qin Yu really hoped that Liang Jiahao could be the same as Han Yuanjun.
novelusb.com

That night, the bride-to-be slept soundly while the bridesmaid couldn't sleep at all. She was still in a daze when Luo Yanyun entered the room to wake them up.

Luo Yanyun flicked on the light, and Qin Yu immediately covered her eyes from the sudden brightness. She sat up and said, "It's already 4 o'clock?"

Luo Yanyun was shocked by her sudden movement. She walked to the bed and looked down at the dark bruises under Qin Yu's eyes.

She didn't know whether to laugh or cry and asked, "Qin Yu, don't tell me you didn't sleep at all?"

Qin Yu scratched her head and pouted. "Yes, I didn't sleep at all."

"Why?" Luo Yanyun glanced at Liang Zixuan, who was snoring quietly beside her. She wanted to burst out laughing. "It's not you who should be nervous, is it?"

"Aiya, grandmother, don't talk about it." Qin Yu grabbed Luo Yanyun's arm and began to accuse Han Yuanjun of his crime. "Last night, my uncle had a video call with aunt. I was beaten to death by their dog food. Even after they hung up, their dreams were full of love scenes. I can not sleep at all!"

The child was too pitiful.

Luo Yanyun felt her heart ache. "That's why I asked you to sleep in the guest room last night, but you want to sleep with Zixuan. With Jun's clingy personality, he'll definitely call Zixuan last night. Look what's happened now. You're the one who suffers!"

Qin Yu pouted, almost crying. "If I knew my uncle was such a person, I wouldn't sleep with my aunt even if I was beaten to death! Look at her!"

Qin Yu pointed to Liang Zixuan. "She sleeps better than anyone else. You said you were afraid she was nervous. Why would she be nervous? She even went to find my uncle in her dream!"

Luo Yanyun smiled and patted Qin Yu's back. She walked around the bed to Liang Zixuan's side and gently shook her body. "Zixuan, get up."

Liang Zixuan brushed Luo Yanyun's hand away, but she didn't get up. Not only did she not wake up, she even smiled sweetly. Anyone who saw this knew that she was still dreaming!

Luo Yanyun couldn't keep her composure. "What is this child dreaming about? She actually has such a sweet smile!"

Qin Yu curiously crawled up and saw the smile on Liang Zixuan's lips. She was abused so much that she wanted to bang her head on the wall to death. "Don't tell me she really met uncle in her dream! When will these two people have enough? I thought they were just talking about meeting in the dream. I didn't think they were really looking! This is too much!"

"Haha..." Luo Yanyun felt Qin Yu's angry appearance was too cute. She whispered, "How about we let her sleep for a while longer? You go down and have breakfast first, and then ask the makeup artist to do your makeup first."

Qin Yu scratched her head. She was exhausted but still nodded. "Alright, I'll go down first. I need to ask the makeup artist to cover my dark circles."

She got out of bed, changed into simple clothes, and went downstairs to have breakfast with Luo Yanyun.

When she saw Liang Jiahao, she quickly jumped into his arms and complained, "Xiao Liang, your sister and brother-in-law are too much! You must help me get revenge today. You must block my uncle's path and not let him enter so easily!"

Liang Jiahao ruffled Qin Yu's hair and reminded her in good faith. "I promise Han Yuanjun that I will be his best man today."

"Best man?" Qin Yu was stunned for a moment before laughing out loud the next moment. "Hahaha, how about this? You sneak into the best men's team and become our spy and secretly help us?"

Liang Jiahao raised his eyebrow and knocked Qin Yu's forehead with his knuckle. "That's not a bad idea."

"Haha..." Qin Yu was so happy like a little sheep, she acted cutely like a spoiled child in Liang Jiahao's arms. "We've to bully them to death today. Humph! My uncle tortured me with his dog food last night, and I won't let him in so easily today. I'm going to make him die of anxiety!"

Qiao Hongya sat down in front of them and had breakfast. Looking at the couple, he smiled and said to Luo Yanyun next to him. "Looks like we're going to drink granddaughter-in-law's tea in no time."

Luo Yanyun nodded. "I really like Qin Yu. I should have set them up earlier so that I could watch their child being born."

At 5 a.m, Christine and her team arrived just in time.

Qin Yu quickly wiped her mouth and followed Christine into the room.

"I wore a bridesmaid dress first."

Qin Yu went into her bedroom to change into her bridesmaid dress. When she came out, the makeup artist smiled at her dress. "The other brides were all afraid that their bridesmaids would steal the spotlight from them, except for our generous Mrs. Han. She let the bridesmaids wear the same beautiful dress she wore at her wedding. Only this dress doesn't have such a long fishtail, but even so, being worn by someone who looks like Qin Yu, it's still very beautiful."

"Indeed!" Christine also agreed. "Everything is the same as Mrs. Han's wedding dress, but the material for the fish scales is different. This way, it will not attract the public's attention and it will also highlight the long fishtail of the bride's dress. They are both beautiful."

Chapter 634 Mom Is Here

Qin Yu checked her bridesmaid dress in the mirror and raised her chin proudly. "Of course, my aunt is no ordinary woman. She always shares her happiness with us."

Christine waved at Qin Yu, telling her to sit down. The makeup artist immediately started Qin Yu's makeup.

After a while, Shi Jian, Xu Qigang and Cai Yuhan also arrived. Originally, the door to the school's dormitory wasn't opened until 6 a.m., but since Liang Zixuan was getting married today, the school specially left the door open one hour earlier so that the students could prepare for Liang Zixuan's wedding.

No matter if it was a boy or girl, it was impossible for them to attend this century's wedding without meticulously dressing up.

Even Xia Xiaolian came. Shi Jian and Xu Qigang pulled Xia Xiaolian along with them to ask her to do their makeup. Luckily Qiao Hongya's villa was big, otherwise, there wouldn't have been enough room for so many people.

After Qin Yu finished her makeup, she went to look around Shi Jian's room. Afterward, she came out to find Luo Yanyun and asked, "Grandmother, is aunt still not up yet?"

Luo Yanyun looked at the time. It was already past six o'clock. She hurried over to Liang Zixuan's room to wake her up. "Zixuan, you have to get up. You're getting married today. We can't delay it any longer or else you'll be late!"

Liang Zixuan pushed Luo Yanyun's hand away. She murmured softly, "Grandmother, don't bother me. Mom is cooking a delicious meal for me right now."

"Mom?" Luo Yanyun was stunned for a moment before recalling that Liang Zixuan was referring to Liang Lihua.

Had she been dreaming about Liang Lihua?

Luo Yanyun panicked a little and shook Liang Zixuan's body a little roughly. "Zixuan, wake up quickly. Don't sleep anymore!"

Liang Zixuan was shaken by Luo Yanyun until her body swayed. After a long while, she finally opened her eyes in a daze. She looked behind Luo Yanyun and smiled sweetly. "Mom, look at grandmother. She's calling for me again. She won't let me sleep for a while!"

Luo Yanyun suddenly felt a chill on her back. She immediately turned around and looked behind her. Behind her stood Qin Yu as well as two other unnamed children. However, there was no Liang Lihua!

Luo Yanyun felt cold sweat pouring from her forehead. She used all her strength to shake Liang Zixuan again. "Zixuan, please wake up!"

"I'm awake, I'm awake!" Liang Zixuan sat up and stretched before looking over Luo Yanyun's shoulder with a smile. "Alright, I'll do whatever you ask of me. I'll go and put on the wedding dress for you to see."

Even Qin Yu felt her scalp tingling, not to mention Luo Yanyun. Who'd Liang Zixuan been talking to?

Why did the atmosphere suddenly become so eerie?

Qin Yu quickly pulled Liang Zixuan up from the bed and pushed her into the bathroom. She squeezed out the toothpaste before giving it to her. "Auntie, hurry up. I had let you sleep for two more hours. If you're any slower, you won't have enough time to get ready."

Liang Zixuan's eyes were still half-closed. She picked up the toothpaste and brushed her teeth. After that, she went to take a shower. A few minutes later, she came out of the bathroom.

Luo Yanyun had already picked up Liang Zixuan's wedding dress and was waiting outside with Christine and her team. When she saw Liang Zixuan come out, Luo Yanyun smiled. "Zixuan, come quickly. Grandmother will help you put on the wedding dress."

Liang Zixuan walked over and took off her robe. Then she raised her hand so that Luo Yanyun could help her put on the wedding dress.

In ancient times, the bride's wedding dress was worn by her mother. Luo Yanyun was of the older generation so she naturally retained this habit. While helping Liang Zixuan put it on, she murmured auspicious words. Only after Liang Zixuan finished dressing did she stand in front of her and keep looking at her again and again, "Aiyo, my granddaughter is really beautiful today."

Although they had seen Liang Zixuan wear the wedding dress before, Christine and her team were once again overwhelmed by the sight before them.

"Beautiful! Mrs. Han is definitely the most beautiful bride I have ever seen!"

Qin Yu couldn't help but widen her eyes. Just now, she felt as beautiful as a fairy in her bridesmaid dress. But now that she saw Liang Zixuan in this wedding dress, she couldn't even find an adjective to describe her!

Her beauty was simply soul-stirring. It caused all the women to be envious!

Liang Zixuan pulled up her dress a little and smiled sweetly at the crowd. "Do I really look beautiful?"

Everyone on the opposite side nodded their heads energetically. "Beautiful! You are so beautiful!"

Liang Zixuan's smile became even sweeter and she said happily, "This was specially requested by Han Yuanjun. He said our story was just like the Mermaid Princess's, but the difference between our love story and the Mermaid Princess's was that he saved me and gave me a second life." noVelU&B.com

Everyone was confused. They felt that Liang Zixuan's words were not addressed to them, but at the same time, they seemed to be addressed to them.

Luo Yanyun felt that something was wrong as she stood there. She walked to Liang Zixuan's side and whispered to her, "Zixuan, who are you talking to?"

Liang Zixuan looked at the crowd in front of her and whispered to Luo Yanyun. "Grandmother, you don't need to be afraid! Yesterday in my dream, mom said she wanted to personally see me wearing my wedding dress and see me getting married. I thought it was just a dream, but when I opened my eyes, I really saw her. From then until now, she just stood there watching me."

Luo Yanyun's eyes grew bigger and bigger. She followed Liang Zixuan's line of sight, but she could not see anything except ordinary people.

But for some reason, she believed Liang Zixuan's words without a doubt.

When Liang Zixuan said that Liang Lihua was standing there looking at her, Luo Yanyun really believed her.

Chapter 635 Bridesmaids vs Groomsmen I

Luo Yanyun's eyes slowly turned red. If possible, she really wanted to see Liang Lihua. Liang Lihua was her own flesh and blood, and Luo Yanyun really wanted to see her again, even if...

Even if she was just a ghost, Luo Yanyun wanted to see her again.

"Grandmother, please don't cry." Liang Zixuan wiped the tears from Luo Yanyun's face. She smiled and said, "Mom is watching. She's just standing there. She's still as beautiful as ever."

"You're right!" Luo Yanyun nodded loudly. "I won't cry, I won't cry! I should be happy, today is your wedding day."

"Yes!" Liang Zixuan kissed Luo Yanyun's cheek. "Mom wants to see us all happy!"

Luo Yanyun suddenly thought of something and turned to leave. Soon after, she returned with the blue gemstone necklace.

Originally, Christine had prepared the jewelry for Liang Zixuan, but when she saw the necklace in Luo Yanyun's hand and noticed the melancholy on her face towards the necklace, she laughed. "This blue gemstone necklace goes perfectly with the wedding dress."

Luo Yanyun nodded and personally helped Liang Zixuan wear the necklace. "Zixuan, this is what your mother always wears. Wear it just like your mother always wears it."

"En!" Liang Zixuan didn't refuse. She looked down at the blue gemstone and smiled warmly. "Thank you. Thank you for giving me a second life."

Gao Shuchun once said that this blue gemstone necklace had helped Liang Zixuan to have a second life in the fire. Liang Zixuan didn't ask for the details, but she believed that Liang Lihua protected her through this necklace.

"Come, let's put on makeup." Christine waved to the makeup artist beside her.

Liang Zixuan smiled the whole time the makeup artist was putting makeup on her. The image of her in the mirror was so beautiful that it was incomparable.

An hour later, Liang Zixuan had finished doing her hair and makeup and was sitting on the bed, quietly waiting for Han Yuanjun to pick her up.

Qin Yu stood by the side, pulling Shi Jian, Xu Qigang, Cai Yuhua, and Zeng Zhelan with her as they discussed how to deal with Han Yuanjun and his groom's group.

Liang Zixuan, who was listening, couldn't help but twitch her lips. "Qin Yu, that's your uncle! Please show mercy."

Qin Yu looked up and smiled at her. "Auntie, don't feel sorry for him today. If we don't make things difficult for him today, we won't have another chance in the future!"

"Qin Yu is right!" Zeng Zhelan couldn't help feeling excited as she thought about how she could bother Han Yuanjun.

That's Han Yuanjun!

The big BOSS of the Han Group.

Usually when they saw him, they would bow their heads like little quails. Who would dare to say anything to him?

It's hard for them to seize this opportunity today and deal with Han Yuanjun with confidence. How can they let it go just like that?

Zeng Zhelan said excitedly, "Zixuan, please don't help him. This is the only chance we have in our lives. Don't stop us!"

"Hahaha, that's right!" *ηOve!usb.COM*

Shi Jian was also very excited, her two little claws dancing excitedly. "Let's plan something more interesting, the kind that will leave Young Master Han's face dark until the next day."

"Haha, I like your evil plan!"

So the women gathered together to think of various ways to make things difficult for Han Yuanjun and the groomsman.

At eight-thirty in the morning, Han Yuanjun and his entire team went to Qiao Hongya's house.

Those who knew about Han Yuanjun and Liang Zixuan's wedding ceremony were already standing by the side of the road, waiting to watch the spectacle.

Those who did not know about the wedding learned about it as soon as they saw the wedding car.

At half past nine, the wedding car finally arrived at Qiao Hongya's villa.

Han Yuanjun got out of the car and said to the men behind him. "Brothers, my happiness depends on you today. Charge forward and help me kidnap the bride!"

Gao Nianzu, the fool, got out of the car with a bunch of gift boxes in his hand and said proudly to Han Yuanjun. "Third Brother, don't worry. Hand over this matter to your brother. I was sure that after the girls saw these gifts, they would take the initiative to pave the way for you and let you grab sister-in-law!"

Dong Yong already had a family of his own, so he couldn't be Han Yuanjun's best man. Still, he couldn't help but push Hao Zexi forward. "With Hao Zexi here, you don't have to be afraid. Didn't you see him bring out all his family's money?"

Qin Shanyuan shook his head in grievance. "Tsk tsk, it's all good stuff!"

He looked up and asked weakly to Han Yuanjun, "Uncle, can I go to the bride's group?"

Han Yuanjun kicked him. "Sure. I'll let you go once you have two mounds hanging in front of your chest."

Qin Shanyuan couldn't dodge in time and was kicked by Han Yuanjun. He immediately cried out while holding his own leg. "I'm wrong, I'm wrong. Stop kicking me!"

As the group entered, Han Yuanjun put his hand on Qin Shanyuan's shoulder. "Qin Yu is in a bride's group, you know what to do, right?"

Qin Shanyuan glanced at Han Yuanjun. He immediately understood the meaning behind his words. He chuckled. "Uncle, don't worry. Qin Yu usually listens to me the most. When the time comes, I'll definitely make sure she doesn't dare to play tricks and let you go."

Han Yuanjun was well prepared this time. Gao Nianzu's family owned a lot of antiques, so he asked him to bring some of them here. Shi Jian, Xu Qigang, Cai Yuhan and Zeng Zhelan were girls who had never seen the world.

Although Qin Yu was used to it from a young age, but with Qin Shanyuan here, she didn't dare to make a fuss.

So... The groomsmen firmly suppressed the bridesmaids. Han Yuanjun was completely confident.

As soon as they entered the living room, they were stopped by a group of children. They were all children of their own family or relatives, and they all knew each other.

"Uncle Gao, I want candy!"

"Big brother, I want a red packet!"

"Uncle Han, you are not allowed to go inside!"

When these men saw the horde of cute girls, their hearts melted instantly.

Gao Nianzu immediately called out to Hao Zexi, Shi Chen and the others. "Brothers, quickly take out the wedding candies and red packets we prepared and give them to these cute children!"

Hao Zexi and Shi Chen immediately took out the wedding candies and red packets. Just as they were about to give them to the children, the children rushed forward as if they had agreed beforehand. They snatched the red packets and candies from their hands and fled with them.

As they ran, one of them shouted, "Big sister, I've got them! They're all gone!"

Black lines appeared on the faces of all the groomsmen as they looked at the bridesmaids who were being led by Qin Yu.

Chapter 636 Bridesmaids vs Groomsmen II

"Qin Yu, what's wrong with you? We bring so much, but you let the children take them all at once. And now you want something from us again?" Shi Chen stood in front of Qin Yu with his hands on his hips. Apparently, he wanted to argue with Qin Yu.

Qin Yu pushed Shi Chen's head away. "Step aside, let my uncle come!"

Han Yuanjun stood behind the groomsmen and gritted his teeth bitterly. This niece of his was really a pain in the ass. Not only did she not help him, but she also tried to make things difficult for him!

Han Yuanjun took a deep breath and walked over. "Qin Yu, if you need anything, just say it. I'm going to get my bride now."

Qin Yu immediately held out her hand, blocking Han Yuanjun's path. "I'm the one who will open this mountain path. If you want to go through, leave the money behind."

Han Yuanjun chuckled and waved his hand.

Qin Shanyuan immediately took out the big red packet he had prepared beforehand and walked up to Qin Yu, placing it on her hand threateningly. "Qin Yu, that's enough. Since you took the red packet, you should let us go."

Qin Yu weighed the red packet in her hand, which was quite heavy. She handed the packet to the side so that Zeng Zhelan could receive it.

Shi Jian and the others saw the bulging red packet and could not help but laugh. "Young Master Han is really generous."

Xu Qigang took the red packet, opened it, and looked inside. "Could it be that Young Master Han is lying and there is only one yuan inside?"

Han Yuanjun: "..."

Did he have only one yuan to support his face and take his bride?

After opening it, Xu Qigang exclaimed in surprise. "Aiyo, you really surprised me! It's ten thousand yuan!"

Shi Jian and Cai Yuhan were also very excited. "Then that means two hundred each for us, right?"

Zeng Zhelan coughed loudly and the women immediately returned to their normal state, pursing their lips in disgust.

Han Yuanjun: "..."

These little girls really learned how to perform. Their faces changed even faster than the sky!

Qin Yu raised her eyebrow and said scornfully, "Uncle, you can't expect to send us away with just a little bit of money, can you?"

Qin Shanyuan immediately coughed to remind Qin Yu, who turned to him and smiled. "Big brother, is there a chicken feather stuck in your throat? Why are you coughing?"

Behind Qin Yu, Zeng Zhelan said, "If you're sick, go to the hospital, not here. We can't help you treat your illness!"

"Hahaha ..." All the onlookers laughed in an unkind manner.

Qin Shanyuan's face immediately flushed red. He didn't expect his little sister not to give him a face at all. He stepped forward and whispered in Qin Yu's ear. "Qin Yu, that's enough! You should know better than anyone how uncle always treats you. Forget the fuss, hurry up, let's go up!"

Qin Yu pushed Qin Shanyuan's head away and said impatiently, "Big brother, don't think I'll give you a face just because you're my brother. Let me tell you, I've no intention of giving anyone a face today!"

Han Yuanjun shook his head gloomily. "Qin Yu, if you still want anything, just say it!"

Qin Yu held out her hand once again. "Just a red packet isn't enough!"

Han Yuanjun turned around and winked at Gao Nianzu.

Gao Nianzu immediately carried his gift boxes and walked over. "Come, come, there are still more here. I guarantee you'll all be satisfied!"

Qin Yu took the gift boxes and, without even looking at them, she handed them to the woman behind her.

Shi Jian curiously opened one of the gift boxes and took out an emerald green bracelet. She held it in her hand and looked at it in the light of the lamp. "What is this? A jade bracelet?"

Gao Nianzu hurriedly explained, "These aren't ordinary jade bracelets. They are a historical treasure, and since today is the Third Brother and sister-in-law's wedding, I'll give them to you."

Cai Yuhan and the others opened the box one by one. Qin Yu immediately took a double look when she saw the Dragon Phoenix Bracelet. She cried out in shock and took it out of Zeng Zhelan's hand. "This ... Isn't this the Dragon Phoenix Bracelet?"

Dong Yong smiled. "Yes. In order for Third Brother to receive the bride smoothly, I have long gone to ask my aunt. Qin Yu, what do you think?"

Everyone present knew what the Dragon Phoenix Bracelet meant to Qin Yu, and she was also almost involved in a lawsuit because of this bracelet.

Gao Nianzu smiled and said, "These items are more valuable than a red packet. Sisters, please help us. In exchange for our sincerity, please let us go upstairs."

Qin Yu put the Dragon Phoenix Bracelet on her wrist. Although she still wanted to bother Han Yuanjun, but as the saying goes, you don't look a gift horse in the mouth.

"Sure." Qin Yu coughed and cleared her throat before saying seriously. "I can let you guys go upstairs, but first, can the groom answer some of our questions?"

Han Yuanjun stood there with his chest puffed out and nodded fearlessly. "Speak."

Qin Yu laughed mischievously and raised her voice. "Your mother and wife suddenly fell into the water at the same time, who will you save first?"

Han Qingsheng and Tian Qihua were not present at the moment, they were taking care of the guests at the venue. Therefore, they did not know that someone was trying to make things difficult for Han Yuanjun.

Han Yuanjun frowned. "Who thought of such a boring question?"

Zeng Zhelan immediately laughed. "What, don't tell us you cannot answer it? Hahaha ..."
novelLUs&.cOm

Shi Chen reminded them kindly from the side. "Today is Third Brother's wedding, please go easy on him."

Han Yuanjun raised his hand to interrupt Shi Chen's words and said confidently, "This situation will never happen in my world. But since you all asked for it, I will answer it for you. If my mother and wife fell into the water at the same time, I would choose to save my wife. Because once my father saw my mother fall into the water, he would have run faster than me. He would not give me a chance at all."

"Hahahaha ..."

A burst of laughter immediately erupted from the side. Everyone bent over from Han Yuanjun's teasing.

Zeng Zhelan gave Han Yuanjun a thumbs up. "President Han, you are awesome!"

Han Yuanjun raised his eyebrow. "Is there anything else?"

"Yes!" Qin Yu looked at the laughing crowd and asked uncertainly. "The second question... If you anger your wife, how will you make her happy?"

Han Yuanjun was stunned for a moment before looking at Qin Yu with a dignified expression. "Qin Yu, have you ever seen me anger your aunt before?"

Qin Yu: "..."

Well, thinking about it...

She had never seen Han Yuanjun anger Liang Zixuan before!

Han Yuanjun chuckled. "Usually, she's the one who angers me, but I have not angered her yet."

Qin Yu stretched her neck. "Then, what would you do if your wife pissed you off?"

Chapter 637 Bridesmaids vs Groomsmen III

"What can I do?" Han Yuanjun couldn't help but laugh. When he thought of Liang Zixuan's look, the corner of his mouth lifted slightly and his smile was full of gentleness. "When I'm angry with her, she would lie in my arms and act like a spoiled child. No matter how angry I am, my anger will never lasts more than a minute."

This was too brutal!

The women behind Qin Yu were all on the verge of tears. Zeng Zhelan was screaming at the top of her lungs. "Qin Yu, don't ask anymore. We're all going to be beaten to death by him. You are just asking him to scatter dog food in front of us!" *nOvElusB.coM*

"Exactly!" Shi Jian couldn't take it anymore. "Change it to the most poisonous one!"

Qin Yu looked over her shoulder and secretly poked Shi Jian with her finger. She really didn't have the courage to ask that question.

Zeng Zhelan and the others immediately gave Qin Yu a meaningful look, telling her to quickly ask about it.

Qin Yu pursed her lips and said, "Why don't you guys ask?"

The women shook their heads and waved their hands, indicating that they didn't have the guts.

Han Yuanjun urged. "What other questions do you have? Hurry up and ask them, don't delay the auspicious time!"

"Alright!" Qin Yu turned around with an aggrieved face and said weakly, "You asked for this."

"Cough, cough ..." Qin Yu coughed twice to boost her courage, then whispered, "If ... I mean, if! If your wife is desired by another man after marriage, and she also has a good impression of him, you ... What would you do?"

Han Yuanjun's face instantly darkened. His sharp gaze was like a knife as he looked at Qin Yu. Qin Yu was so scared that her neck shrunk. She took two steps back and immediately hid behind Zeng Zhelan, saying cowardly, "They asked me to ask, it has nothing to do with me!"

Qin Shanyuan glared at Qin Yu in disappointment. "You should never ask such a question! What are you guys thinking!"

Han Yuanjun closed his eyes and calmed himself down for a while. When he opened his eyes again, he said word by word. "I, Han Yuanjun, will never give any man a chance! I will pamper my wife all my life, love her, protect her, and make her the happiest woman in the world. I will make sure that she only has me in her eyes, and no matter what happens, I will always be the only one! She would never look at another man!"

Pausing for a moment, Han Yuanjun suddenly chuckled and said, "A smart man will pamper his woman so much that other men cannot stand her petty personality. Only an asshole would mistreat his woman and make her hate him so much that she demands a divorce. I am the smart kind. I would never make such a foolish mistake in my life!"

"Awesome!"

Han Yuanjun's answer made the people around him clap their hands in excitement.

Even the five bridesmaids had looks of envy on their faces.

They were the closest to Liang Zixuan and knew Liang Zixuan and Han Yuanjun's lives better than anyone else.

It was just as Han Yuanjun had said: his favor and pampering of Liang Zixuan were truly unparalleled. In their daily lives, they had never seen a couple like the two of them.

Sometimes it was just a glance, sometimes it was just a smile, but the two of them were able to understand each other's thoughts. This kind of tacit understanding wasn't something that just anyone could achieve.

Qin Yu gathered her dog guts and stepped out from behind Zeng Zhelan. "Okay, you have passed this test. The next one -"

"There's more?" Han Yuanjun's face immediately darkened. "You're not done yet? Qin Yu, you are doing this on purpose!"

"Don't look at me like that." Qin Yu lifted her chin and said fearlessly, "This is the only chance we have in our lives. Uncle, if we just let you go upstairs easily today, we would be letting Zixuan down."

"Yes, yes!" Zeng Zhelan, Shi Jian, and the others nodded behind Qin Yu, agreeing. "We can't just let you go up so easily, otherwise, how else are we going to explain this to Zixuan?"

At this moment, Liang Zixuan sat on the bed and thought to herself, "Hurry up and come up, hurry up and come up ..."

Han Yuanjun shook his head. He really couldn't do anything to the bridesmaids. "Alright, what else do you have? Just give it all! Our groomsmen are not weak either!"

"Haha ..." Qin Yu nodded and praised, "Yes, your strongest point is that you still have Liang Jiahao in your team. This is the final stage. As long as you pass it, we will not give you any trouble and allow you to go upstairs."

After she finished speaking, Qin Yu stepped aside and the children immediately ran toward her.

Qin Yu pointed at them with a smile and said, "There are five men in your team, each carrying a bridesmaid and then a child from here to the top. As long as there is no break in between, we won't make things difficult for you anymore."

"What?" Gao Nianzu and the others immediately cried out. "Qin Yu, you have gone too far! We don't mind if we have to carry the bridesmaid, but the problem is that everyone is bringing a child. What if they fall?"

A little girl grabbed Gao Nianzu's pants and said with watery eyes. "Big brother, I am very light, I only weigh 40 pounds, I am very easy to carry!"

"40 pounds is not light!" Qin Shanyuan almost shed tears. He really felt sorry for himself.

The bridesmaids received a red packet and jade bracelets, but what did the groomsmen get?

He was so bitter that not only did he get nothing, but he even had to do manual labor!

He even got up earlier than a chicken, did more work than a cow, and ate less than a dog!

Han Yuanjun raised his hands and seriously patted Qin Shanyuan and Gao Nianzu's shoulders. "I know that all of you have worked hard but for your brother's happiness, please do it. Let's go!"

They talked a lot here. Meanwhile, Liang Jiahao walked toward Qin Yu and stopped in front of her without another word. Qin Yu smiled at Gao Nianzu and the others before jumping on Liang Jiahao's back.

Liang Jiahao glanced at the children and took the heaviest one in his arms. Then he held the child with one hand and Qin Yu's butt with the other as he walked up the stairs.

Gao Nianzu: "...."

Qin Shanyuan: "...."

Shi Chen: "...."

Hao Zexi: "...."

After being carried by Liang Jiahao, Qin Yu turned around and smiled provocatively at them. "Why do you have so many things to say? Look at Liang Jiahao. He just does it without saying anything! He can do everything we ask him to do and don't tell me you guys can't do it? Shame on you!"

Gao Nianzu looked at the child in Liang Jiahao's arms and Qin Yu on his back. He watched how Liang Jiahao effortlessly climbed the two flights of stairs. He couldn't help but bite his lips. "Shit, how can we compare to Brother Liang! This is so crazy, it will kill us all!"

Qin Shanyuan touched his nose in embarrassment. He asked Han Yuanjun, "Uncle, are you sure Brother Liang is your best man? He's not here to spy on us?"

Chapter 638 Bridesmaids vs Groomsman IV

Han Yuanjun sighed and pushed Qin Shanyuan and Gao Nianzu forward with his hands. "You guys talk too much, Shi Chen and Hao Zexi are already on their way up."

Qin Shanyuan and Gao Nianzu turned around and saw that Shi Chen was carrying Zeng Zhelan on his back. He then chose the lightest child and took her in his arms.

They both immediately lost their composure and said angrily, "Shi Chen, you're a traitor! Brother Liang even knows how to pick the heaviest, but you actually carry the lightest and run away!"

While walking toward the stairs, Shi Chen said with a smile. "Hahaha, keep talking. Keep talking!"

Fortunately, Qin Shanyuan and Gao Nianzu had been trained since they were young. While the remaining children were a bit heavy, it was not too hard for them.

Han Yuanjun watched as they carried the bridesmaids and children from behind and followed them leisurely.

Finally, the five bridesmaids were carried upstairs by the groomsmen. Except for Liang Jiahao, the other groomsmen bent down with their hands on their legs, gasping.

"Oh my God, I'm not going to be the best man anymore. This took half my life!" Gao Nianzu was very depressed.

Qin Shanyuan's face lost its color. He raised his head, glared at Qin Yu, and gasped. "Q-Qin Yu, just wait you wait. On your wedding day, you'll see how I will make things difficult for Liang Jiahao!"

Qin Yu immediately kicked Qin Shanyuan's leg and angrily said, "Big brother, what nonsense are you sniffing!"

"Ouch!" Qin Shanyuan was almost kicked down the stairs. Fortunately, Han Yuanjun held his arm quickly, stopping him from falling down.

Qin Shanyuan howled with tears and snot running down his face. "What's the point of raising a chick? She'll help outsiders to bully her brother! I don't want this girl, whoever wants her, take her!"

Liang Jiahao immediately looked up with a dagger stare and smiled, "Did you really mean it?"

Liang Jiahao's gaze caused Qin Shanyuan to tremble. He immediately stood up and pulled Qin Yu behind him. "No, I didn't say anything! You were just hearing things!"

Qin Yu slapped Qin Shanyuan's head from behind. "Look at you!"

Qin Shanyuan pursed his lips, he didn't want to talk about this sad topic anymore. He hurriedly said to Han Yuanjun, "Uncle, we finally managed to get here. Quickly take aunt out."

When they were downstairs, Han Yuanjun was too anxious. He wanted to hold her and leave early, but now that they were actually standing in front of the door, he became nervous as his hands were covered with a thin layer of sweat.

He wiped the sweat on his palms and turned to look at his group of groomsmen. Qin Shanyuan and the others became restless and urged him, "Hurry up and open the door."

It wasn't that Han Yuanjun didn't want to open the door, but he was nervous. Seriously, he had never been so nervous in his life before!

Although he had been married to Liang Zixuan for over two years, the feeling of welcoming the bride was different. It was as if he was about to welcome a big turning point in his life. He was looking forward to it, but he was also a little anxious.

Han Yuanjun feared that his appearance wasn't the best, feared that Liang Zixuan would be disappointed when she saw him.

All in all, there were too many complicated emotions intertwined together. At this moment, Han Yuanjun was actually nervous.

Liang Zixuan sat in her room and heard a sound coming from outside the door. She became more and more nervous as her gaze was fixed on the door, waiting for Han Yuanjun to open it.

Luo Yanyun also heard it and was very anxious, just like Liang Zixuan. "What is this child doing? Why doesn't he open the door?"

Seeing that Luo Yanyun was getting restless, Liang Zixuan became even more restless. She intertwined her ten fingers tightly. "Grandmother, could ... could it be that Han Yuanjun is regretting his decision now?"

"What are you talking about?" Luo Yanyun glanced at Liang Zixuan as she comforted her, "He's probably getting nervous."

"Ah..." Liang Zixuan opened her mouth in a daze. She was nervous, but she didn't think Han Yuanjun would be nervous either!

Han Yuanjun was so decisive and ruthless in doing his business. He would do everything as fast as lightning. How could he be nervous?

Liang Zixuan couldn't believe it. At that moment, the door was pushed open and Han Yuanjun's nervous face appeared in front of her.

After living with him for so long, this was the first time Liang Zixuan saw Han Yuanjun show such a nervous expression.

She couldn't help but laugh. "Pfft! What are you doing standing in front of the door? Why don't you come in?" www.VeLus&L.com

Qin Shanyuan, who was behind Han Yuanjun, scoffed. "Hahaha, look at that. The bride is getting impatient, but the groom is still standing here and won't come in."

Han Yuanjun stood in front of the door without moving, staring at Liang Zixuan's face. If Liang Jiahao hadn't pushed him from behind, he wouldn't have moved.

Han Yuanjun smiled. He walked slowly, as slowly as if he was performing some kind of ritual, step by step towards Liang Zixuan.

Looking down at the woman he loved, he couldn't resist kissing her lips.

Qin Yu leaned against Liang Jiahao's chest as she watched Han Yuanjun and Liang Zixuan's deep kiss. She couldn't resist lifting her head and looking at Liang Jiahao.

There were too many complicated emotions in her eyes, but Liang Jiahao only needed a glimpse to understand what was going on. He stroked Qin Yu's head and whispered, "Be good!"

Qin Yu laughed and looked back at Han Yuanjun and Liang Zixuan.

Gao Nianzu and Qin Shanyuan, both of them, looked as if they had never seen other people kissing. They stood almost directly in front of Han Yuanjun, staring at the scene sharply.

Gao Nianzu said, "Tsk tsk tsk, can't she feel the pain of Third Brother biting her lips like that?"

"Puff!" Liang Zixuan laughed and moved away from Han Yuanjun's lips in embarrassment.

Han Yuanjun didn't care about the two brats. He looked at Liang Zixuan and chuckled. "Even though I had seen you wearing this wedding dress before, but looking at you now, you still have the same radiant look. Baby, you're so beautiful."

Chapter 639 If It Weren't For You, I Probably Would Have Missed Zixuan For The Rest Of My Life

Liang Zixuan raised her hand, adjusted Han Yuanjun's bow tie, and brushed the bangs on his forehead. She smiled and said, "You are also very handsome! In my eyes, you are the most handsome man in the world."

"Hiss ..." Qin Shanyuan hissed in pain. "These words are so painful that my teeth hurt!"

Han Yuanjun was still ignoring him. He squatted down, picked up a pair of diamond-studded shoes, and placed it on Liang Zixuan's bed.

Since Liang Zixuan was pregnant, the heels of her shoes were not very high. They were only three inches high. Liang Zixuan had tried them before and found them very comfortable.

After Han Yuanjun helped Liang Zixuan put on the shoes, he gently carried her in his arms. "Let's go, we will serve tea to grandfather and grandmother."

Hearing this, Luo Yanyun suddenly remembered something. She immediately got up from the bed and ran out of the room.

Qiao Hongya was already sitting in the living room, waiting for Han Yuanjun and Liang Zixuan to come down to offer him tea. When he saw Luo Yanyun rushing down, he immediately got up to support her. "Slow down, you're old, why are you still restless like a little girl?"

Luo Yanyun smiled. "They have come down to offer us tea. Quick, sit down!"

Hearing that, Qiao Hongya immediately sat down with her. Shortly after they sat down, Han Yuanjun brought Liang Zixuan downstairs. *noVeloSb.cOm*

Liang Zixuan's dress was too long. It was piled high on top of her body.

Han Yuanjun carefully placed Liang Zixuan on the floor and they both knelt down in front of Qiao Hongya and Luo Yanyun.

Since today was Liang Zixuan's wedding day, someone from the Liang Family had also come to offer a blessing. Luo Yanyun had already told the children about Liang Lihua's background. She thought that the Liang Family would cut ties with them once Liang Boqin passed away, but who knows, no matter what, Liang Lihua would continue to call them uncle and aunt for years to come.

Besides, Liang Zixuan and Liang Jiahao's surnames didn't change even after they met their real grandfather, Qiao Hongya. They still had the same surnames as usual.

Today, the one who came to serve tea was an aunt from the Liang Family. She really liked Liang Zixuan and before handing her the tea, she first gave her a red packet, smiled, and said, "This is our Liang Family's dowry for you. Zixuan, don't be polite to us, please take it and live a good life with Han Yuanjun from now on, understand?"

In the past, Liang Zixuan often heard Luo Yanyun say that when Liang Lihua was young, if not for the Liang Family and these aunts, Liang Lihua might not have been able to grow up healthy. Now that one of her aunts had come here and prepared a dowry for her, how could Liang Zixuan not be overwhelmed?

"Auntie ..." Liang Zixuan whimpered, and her tears almost fell. "Thank you ..."

"It's okay, stop crying!" Liang Xinyi smiled as she hugged Liang Zixuan and gently patted her back. "Today is your wedding day, you mustn't cry. If the bride cries, it's not beautiful!"

Han Yuanjun slowly wiped the tears from Liang Zixuan's face. Then he looked at Liang Xinyi with a smile, "Auntie, don't worry, I will definitely love Zixuan as if she is a treasure in my heart. I will love her for the rest of my life."

"Everyone in the Liang Family knows your feelings for Zixuan. From now on, the Liang Family and the Han Family are one family. If anything happens, don't forget to tell us and we will help you!"

"Of course!" Han Yuanjun nodded and promised.

Liang Xinyi gave tea to Liang Zixuan and Han Yuanjun.

They both brought the tea and bowed respectfully to Qiao Hongya and Luo Yanyun.

"Grandfather, grandmother, please have some tea."

Qiao Hongya and Luo Yanyun accepted the tea from Han Yuanjun and Liang Zixuan with smiles on their faces. After drinking a sip, they each took a red packet and placed it in Liang Zixuan's hand. "From today onwards, you will never be a child again, understand? In the future, if there is any misunderstanding, you must talk to Jun and not make any rash decisions."

After Luo Yanyun finished speaking, Qiao Hongya's face darkened. "Zixuan, if this boy dares to bully you, go back and tell grandpa. Grandpa will take care of him for you!"

Liang Zixuan took the red packets and nodded with a smile. "Thank you, grandfather, grandmother. I will keep it in mind. Don't worry, I will definitely live well with him!"

After Liang Zixuan finished her sentence, Han Yuanjun also promised, "Grandfather, grandmother, don't worry. I promise you both that no matter what happens in the future, Zixuan will always be my priority. I will remove all obstacles for her and will love her for the rest of my life!"

Qiao Hongya and Luo Yanyun knew that Han Yuanjun did not say this to please them.

When Liang Zixuan was kidnapped by Jiang Ning; Qiao Hongya and Luo Yanyun, themselves, had witnessed how Han Yuanjun would actually give up his life for her.

Luo Yanyun was very concerned about her pregnant granddaughter, so she immediately stood up to help Liang Zixuan up. Qiao Hongya was a bit embarrassed, but he also helped Han Yuanjun up symbolically.

Qiao Hongya looked at the blue gemstone necklace around Liang Zixuan's neck and sighed. "It's good that you chose to wear this necklace on this auspicious day. It is your matchmaker."

Han Yuanjun's gaze also landed on the necklace around Liang Zixuan's neck. He whispered with a smile, "Actually, grandfather is our true matchmaker. If it weren't for you, I probably would have missed Zixuan for the rest of my life."

Qiao Hongya loved and trusted Han Yuanjun as always.

He patted Han Yuanjun's shoulder, saying earnestly, "A good kindness will be rewarded eventually. You are the best living proof!"

Han Yuanjun and Liang Zixuan looked at each other and smiled.

That's right, everything seemed to be determined by fate, and all fate stemmed from Han Yuanjun.

Luo Yanyun waved her hand in front of their eyes. "Alright, stop talking. Let's leave quickly. You still have to go to the venue. If you don't leave right away, you might be late."

Han Yuanjun nodded, bent down, and picked up Liang Zixuan again. Someone in the crowd murmured softly, "If it wasn't to offer tea to the elders, Young Master Han probably wouldn't even let Liang Zixuan's feet touch the ground, would he?"

"I think so too! Just look at how Young Master Han is treating Liang Zixuan. It really hurts my heart."

Han Yuanjun and Liang Zixuan didn't know who'd said that, but they both felt sweet when they heard it.

Han Yuanjun carried Liang Zixuan and walked out of the villa easily. Suddenly, a woman who was dressed beautifully and properly rushed towards them as if she saw her hope. "Big sister, brother-in-law ~"

Chapter 640 Who Are You Trying To Disgust Here

Han Yuanjun followed the voice and looked up. He saw Wei Xiaoqing running with a shy, innocent face. It was as if the person who had come to the Han Group to seduce him a few weeks ago was not her.

Han Yuanjun also thought about how thick this person's face was, because after doing so many dirty things, she still had the guts to call him 'brother-in-law' lovingly.

Liang Jiahao and Qin Yu followed from behind. When Liang Jiahao saw Wei Xiaoqing running toward Liang Zixuan and Han Yuanjun, he immediately blocked her path with his body. Facing Wei Xiaoqing, he scowled, "What are you doing here?"

Wei Xiaoqing tilted her head and wanted to look at Liang Zixuan from the side. Earlier, they were quite far away and were surrounded by the crowd, so she didn't pay much attention to them, but now because they were so close, she could see them clearly.

Her eyes immediately shone with jealousy, especially at the sight of Liang Zixuan's expensive wedding dress.

Upon seeing this, Qin Yu immediately walked closer, blocking Wei Xiaoqing's line of sight. With a cold expression, she said, "We didn't invite you. Please leave!"

Wei Xiaoqing withdrew her gaze and looked at Qin Yu. Seeing Qin Yu's bridesmaid dress, she was very jealous. She reached out to touch Qin Yu's bridesmaid dress. "Ah, this dress is so beautiful!"

Liang Jiahao pushed Wei Xiaoqing's hand away in disgust as if she was a dirty thing.

Wei Xiaoqing pouted unhappily. "Big brother, what are you doing? I was just taking a look!"

"Don't call me big brother, like I'm very close to you!" Liang Jiahao took a step toward Wei Xiaoqing, forcing her to take a few steps back. Then he said in a cold voice, "I told you, you are not welcome here. Please leave!"

"Oh please!" Wei Xiaoqing was very angry in her heart, but she still kept a smile on her face. "It's fine if big sister wants to get married and does not want me to be her bridesmaid. But it shouldn't be a big deal if I come to attend her wedding, right?"

She suddenly changed the topic of their conversation and smiled mischievously. "Don't think I don't know what you have done to me. Big brother, if you want me to go quietly, okay, I will. But please approve the loan from President Fang and President Tang. As long as my buildings are sold, I will definitely not show my face to you again."

This woman really had a lot of faces. She came here to cause trouble on her sister's wedding day, and now she was also trying to threaten her brother.

There were many people from the Liang Family standing in the back, supporting Liang Zixuan. Who didn't know who Wei Xiaoqing was? Did Wei Xiaoqing think she could make Liang Zixuan lose face on her wedding day?

Big mistake!

"Aiyo, isn't this Wei Xiaoqing? Why didn't she receive the invitation today? Oh yeah, I forgot that she didn't have a good relationship with them. Not only does her brother and sister not acknowledge her, but she still has the gall to call them intimately. Pui!"

"That's right. I have seen many shameless people, but I have never seen a shameless person like her. It doesn't matter if today is her elder sister's auspicious day or not, she still comes to make a fuss. Heh... Do you really think you are beautiful, that's why everyone has to bend to your will?"

"I used to think she was quite beautiful, but today, after standing alongside Liang Zixuan and Qin Yu, I find that Wei Xiaoqing is very ugly!" [ηovEluSB.COM](http://www.ElusB.COM)

"Right, right, very ugly!"

"Hehe... I think everyone here is prettier than her."

Shi Jian asked in a rather nasty tone. "Zixuan, are you sure that you and Wei Xiaoqing were born from the same father? You are so beautiful, but why is Wei Xiaoqing so ugly? This only brings down your family's reputation!"

"Haha ..." Qin Yu turned around and looked at her with a mischievous smile. "Don't say it like that, what family? My aunt and Liang Jiahao are both from the Liang Family. What is the Wei Family? What is Wei Xiaoqing? They are nothing! She's the only one with a big face, calling her sister and older brother intimately even though they ignored her."

Wei Xiaoqing's face turned green with anger when she heard the laughter from the crowd.

She came today with the intention of relying on numbers. Liang Jiahao and Liang Zixuan would have no choice but to agree to all her demands, but she did not expect these people wouldn't give her any face at all!

She was actually being ridiculed in public!

Wei Xiaoqing was so angry that her voice became loud. "Qin Yu, what are you talking about? I was originally -"

"Oh, come on!" Qin Yu chortled as she interrupted Wei Xiaoqing's words. "Don't say that you still have a blood relationship with them. Which one of us doesn't know you? That time you became famous, it was all thanks to Liang Zixuan! You stole her songs and wrote them under your own name, and even the songs were sung by her, not you. Do you really dare to say that you are her little sister? With a sister like you, if I were her, I wouldn't acknowledge you either! What good will it do? Who are you trying to disgust here?"

"Y-you!" Wei Xiaoqing was so angry that she raised her hand to slap Qin Yu. Liang Jiahao's gaze turned cold as he quickly grabbed her wrist and squeezed it.

His hand's strength was not something that can be compared to ordinary people. He could break a glass with his bare hands, and even a stainless steel cup could be crushed under his hand, not to mention Wei Xiaoqing's delicate wrist.

Wei Xiaoqing was in so much pain that she cried out loud at the scene. "Ahh! It hurts, it hurts so much. Let go of me, let go of me!"

Liang Jiahao turned to Han Yuanjun, "Take Zixuan away. Leave this matter to me."

Han Yuanjun nodded. He suddenly felt that it was God's decision to hire Liang Jiahao as his best man.

Once Liang Jiahao acted, all the demons and monsters had to hide. He and Liang Zixuan were so safe that these demons and monsters didn't want anything to do with them anymore.

Han Yuanjun carefully put Liang Zixuan inside the car and got in after her.

Liang Zixuan turned around, looked out the window, and asked anxiously, "My brother ...Will he beat Wei Xiaoqing to death?"

"It's impossible to kill her." Han Yuanjun said expressionlessly. "But it shouldn't be a problem to cripple her."

His words clearly showed that he had no intention of showing mercy to Wei Xiaoqing. Liang Zixuan's heart turned cold when she heard him speak like that.

Wei Xiaoqing, oh, Wei Xiaoqing. After so many things happened to you, why can't you learn to be more obedient?
