Chapter 691 Eavesdropped

Even though Zhang Feng did not utter these words, Han Yuanjun was already planning to do so. After he finished talking to him, Han Yuanjun felt as if he had come out of the ocean of fire and blades, and the feeling was more painful than death.

Before, he wanted to tie Liang Zixuan to his side because he was afraid that something like this would happen. But Liang Zixuan could no longer bear the loneliness and wanted to handle the male group.

Han Yuanjun did not blame Liang Zixuan. No one would have thought that something like this would happen to her in the future. If she had known, she would have done her best to avoid it.

Han Yuanjun entered the bedroom and saw Liang Zixuan fast asleep. He changed his clothes, lay down beside her, and hugged her tightly. *nOvelUsb.cOm*

Ever since Liang Zixuan was pregnant, she always fell fast asleep. She did not even wake up when Han Yuanjun moved her a little.

He kissed Liang Zixuan's cheek and buried his head in her neck. His eyes can't help but redden.

Before this, when he had almost lost Liang Zixuan, Han Yuanjun felt as if the sky had collapsed. Now that he knew Liang Zixuan was in danger and their child was also at risk, once again, he felt the same feelings.

That night, Han Yuanjun thought of many things.

Compared to Han Yuanjun's worries and fears, Liang Jiahao was much more carefree and happy.

He happily went home with Qin Yu and prepared some midnight snacks for her. After Qin Yu finished eating, they both went upstairs.

Qin Yu's bedroom was near the stairs, while Liang Jiahao's bedroom was at the end of the hall.

When he passed Qin Yu's bedroom, Liang Jiahao suddenly stopped and looked at Qin Yu's door.

Qin Yu blinked and asked with a smile, "What do you see? Are you trying to see through the door with your spiritual energy to see if there are ghosts inside?"

Liang Jiahao: "..."

This girl had seen too many movies. From time to time, she would say something that he did not understand. It's very annoying.

"Ghosts?" Liang Jiahao sneered, "Did they dare to show their faces in front of me?"

Qin Yu laughed as she pushed Liang Jiahao to his bedroom. "Yes, yes, you are so strong that even ghosts are afraid of you. Alright, go back to your room. I need to take a shower."

Liang Jiahao was pushed away by Qin Yu, and after a few steps, he turned to look at her, feeling an itch in his heart. He wanted to grind her in his bones.

Liang Jiahao could only take a deep look at the closed door before going to his room.

After Qin Yu entered, she leaned against the door and listened. When she heard the sound of the door closing, she bit her lip and pouted. "Can't he be a little bolder?"

She went to the cloakroom, grabbed her pajamas, and went to the bathroom, "Can't he coax me a little and give me a hug or a goodnight kiss? So stupid."

Qin Yu's temper flared up a little. She mumbled to herself and kept rubbing her skin until it turned a little pink, as if she wanted to vent her anger.

Once she was done, she pushed open the door, holding a towel with one hand to wipe her hair while fiddling with the hem of her pajamas with the other. Suddenly she sensed something was wrong with the atmosphere in the room. She raised her head and her gaze met a pair of deep black eyes...

"Ah!" Qin Yu screamed in fear. She looked at the man sitting on her bed, and upon the second glance, she realized that it was Liang Jiahao. She patted her heart and sighed. "What are you doing here? Why didn't you say anything when you came in? You scared me to death and my legs went weak with fear. "

Liang Jiahao put his phone away and raised his eyebrows. "When I came in, I called out to you, but you didn't hear me."

"Are you sure?" Qin Yu clearly did not believe him. Although the sound of running water was loud, it was impossible for her not to hear Liang Jiahao.

Liang Jiahao nodded. "Of course, I have been sitting here for a long time."

It was a long time, so long that Liang Jiahao wanted to rush in to see if anything had happened to Qin Yu.

If it weren't for him hearing her voice, Liang Jiahao would have pushed open the door and entered to check on her.

Qin Yu ignored Liang Jiahao and took out the hair dryer. She sat down in front of the dressing table and blow-dried her hair.

Still, her eyes looked at him from time to time in the mirror. The more she looked, the more she felt that Liang Jiahao had malicious intentions.

After blowing her hair, Qin Yu didn't get up. She turned around and leaned back on the dressing table, looking at Liang Jiahao coldly. "What are you doing in my room? Go back to your room, I need to sleep."

"Don't be in a hurry." Seeing that Qin Yu had finished blowing her hair, Liang Jiahao raised his hand and waved to her. "Come here."

"I'm not going anywhere." Qin Yu sat there with her neck stretched out and said with disdain, "Don't think I don't know what you're up to. My answer will be no."

"Really?" Liang Jiahao tilted his head in confusion. There was a mischievous hint in his eyes. "Then how come I heard someone blaming me for not being bold enough earlier?"

Qin Yu: "..."

Nani!!

It turned out that as soon as she stepped into the bathroom, this guy immediately followed in.

Looking at his loose pajamas, could it be that Liang Jiahao just went to his room to change and then rushed back to her bedroom to wait for her?

Recalling the words she had said in the bathroom, Qin Yu felt ashamed of herself.

Qin Yu's face turned red, even her neck was red. She stomped her foot in depression and said, "You actually eavesdropped on me!"

"No." Liang Jiahao smiled slightly, "I heard it when I came in. I didn't mean to eavesdrop."

"Humph!" Qin Yu grabbed a towel from the dressing table and threw it at Liang Jiahao. When she saw Liang Jiahao easily dodge it, she walked over angrily.

She grabbed his arm and dragged him off the bed, "Leave, I don't want to see you."

If Liang Jiahao didn't hear her words, it would be fine. But he did hear them.

Who wouldn't feel ashamed?

"Get out, I want to sleep!"

Chapter 692 You Made Me Feel Like You Only Did It Because I Asked You To

Qin Yu dragged Liang Jiahao for a bit, but he didn't move at all. Seeing that he didn't want to leave, Qin Yu angrily threw his hand away. "Fine, if you don't want to leave, then I'll leave."

With that, she walked towards the door, to leave in anger. Liang Jiahao suddenly grabbed her by the waist and pulled her onto the bed.

"Hey, hey ..." Qin Yu's back bumped against Liang Jiahao's firm chest. It didn't hurt, but she panicked. She was tightly locked in his embrace.

"Don't move." Liang Jiahao said softly over Qin Yu's head. Then he turned his body and pushed Qin Yu down on the bed.

"Xiao Liang!" Qin Yu was a little startled. Earlier, she'd complained a little about Liang Jiahao not being willing to take the initiative, but after hearing her words, he immediately took the initiative. It felt as if he was doing it at her request, not because he did want it.

How embarrassing this was for her!

"No, no, no, not tonight."

"Why not?" Liang Jiahao placed his hands between Qin Yu's head and stared straight into her eyes, leaving her with no way out. "Your aunt has ended, I know about it."

"This has nothing to do with my aunt." Qin Yu was so angry. "I just don't want to do it!"

Looking at Qin Yu's reluctant face, Liang Jiahao immediately realized that Qin Yu was embarrassed. It wasn't his intention to embarrass her.

"Qin Yu ..." Liang Jiahao's voice was hoarse. He looked at her and a hint of self-blame flashed in his eyes. "I didn't mean to make you angry. Please don't be angry."

"I am indeed very angry." Qin Yu raised her hands and pressed them against Liang Jiahao's chest, wanting to push him away, but after a bit of effort and he still didn't move, she gave up.

"Men should take the initiative on their own when it comes to dating. You only took the initiative because of what I said, and you made me feel like you only did it because I asked you to."

Qin Yu pouted and looked to the side. "Besides ...this sort of thing always requires a certain mood. If I'm not in the mood now, would you still force me?"

Of course Liang Jiahao wouldn't force Qin Yu. *no17elusB.cOm*

Not in the past, not now, and not in the future!

When Liang Jiahao saw that Qin Yu was serious, he moved away from her body and sat on the bed. He didn't look at her. Instead, he stared straight ahead. Even he, himself, did not know what he was looking at.

"Qin Yu, I have never been in a relationship before, so I don't know anything about romance. Other than taking care of you for the rest of my life, I don't know what else I should do."

He suddenly raised his head and looked at the ceiling. "And I know you were hesitant when you agreed to my proposal today. If you don't want to marry me, I won't force you. I can wait and propose again until you are ready."

Qin Yu pursed her lips. Every time she heard Liang Jiahao speak, he always made her heart ache.

Qin Yu suddenly thought of Liang Zixuan and Han Yuanjun. Han Yuanjun always held Liang Zixuan in his arms, protecting her from the wind and rain. That feeling of being protected really made her envious of their relationship.

Before she met Liang Jiahao, she'd promised that she must find a man like Han Yuanjun. A man who will give her a sense of security. When she was sad, he would comfort her, let her use his shoulder when she cried, and hold her tenderly in his arms.

And Liang Jiahao was that man.

She suddenly felt guilty for treating him like this. She got up and hugged him from behind.

Feeling his broad shoulders and the sense of security he gave off, Qin Yu suddenly didn't want to let him go.

"You don't force me." She pressed her head against his back and said softly, "You didn't force me at all. I just wanted to see how helpless you were and how nervous you were, that's why I teased you. In

this world, I'm probably the only one who can make you show that kind of expression, and that makes me happy."

Liang Jiahao lowered his head and looked at Qin Yu's hands. He chuckled and held her hands tightly, "So you were not agreeing to it because I'm forcing you?"

"Of course not!" Qin Yu opened her mouth and bit Liang Jiahao's shoulder. The bite wasn't too strong and wasn't too light either. "I won't allow you to say that again. Do you hear me?"

"Alright." Liang Jiahao chuckled. Just as he was about to turn around, Qin Yu suddenly jumped onto his back. She put both arms around Liang Jiahao's neck and said, "Stinky shrimp, let's go!"

Liang Jiahao laughed out loud, "Go where?"

"To the kitchen, of course. I just took a shower and I'm thirsty. I also want to eat fruit."

"All right." Liang Jiahao carried her on his back and stood up. He supported her bottom with both hands, opened the door, and went down the stairs.

When they passed the living room, Liang Jiahao wanted to put Qin Yu on the sofa, but she refused to get down. "No, I want you to carry me on your back. I want you to make the fruit for me while I'm on your back."

Liang Jiahao didn't know what to do with her. He just chuckled and carried her to the kitchen.

When he opened the fridge, he was still holding Qin Yu with one hand and reaching for the fruit with the other.

Qin Yu didn't want to go down. Even when Liang Jiahao wanted to wash the fruit and cut it into pieces, she wouldn't go down.

Qin Yu wrapped her hands around Liang Jiahao's neck and then clasped his waist with her legs. She stuck her head out and watched Liang Jiahao work from behind.

"Give me one, I'm going to die of thirst." Qin Yu looked at the dragon fruit on the plate and whispered into Liang Jiahao's ear.

Liang Jiahao took a fork and brought the fruit to Qin Yu's mouth. Qin Yu bit into it and chewed it. She said happily, "It's so sweet!"

Hearing her laughter, Liang Jiahao felt that Qin Yu was really easy to coax.

After saying a few words and giving her something to eat, this little girl would lose all her anger.

Liang Jiahao made a whole plate of fruit and then carried the plate in one hand and Qin Yu in the other.

Qin Yu looked helplessly at Liang Jiahao as he walked past her room. She shouted at the top of her lungs, "Stinky shrimp, stop! Stop! We're just passing by."

Liang Jiahao wasn't stupid, of course he knew he had passed her room. He smiled and ignored her. He walked to the door of his room and pushed it open.

"Aiya!" Qin Yu, who had been placed on Liang Jiahao's bed, immediately said, "What are you doing? Why did you bring me to your room?"

Liang Jiahao put the plate into Qin Yu's hand and stood by the bed. He looked down at her and said, "Eat it. After you finish it, it's time for us to get down to business."

Business?

Chapter 693 Big Bad Wolf and A Little Sheep

Qin Yu's face turned red. As she held the plate with both hands, she felt like a small pig being fed by her owner. After she had been fattened, it was time to take her to the slaughterhouse and kill her.

It was a very unpleasant feeling.

"You ... Can you please not look at me like that?" Qin Yu pushed Liang Jiahao away.

"I like watching you eat." Liang Jiahao sat beside Qin Yu and waited for her to eat. But with him here, looking at her like that, how could Qin Yu eat the fruit?

Seeing this, Liang Jiahao took the fork and brought a piece of fruit to Qin Yu's mouth. "Eat."

Qin Yu glanced at Liang Jiahao gloomily. It was originally a romantic moment, but Liang Jiahao's insistence made it so uncomfortable.

"I can eat by myself." Qin Yu grabbed the fork and started eating with her head down.

Liang Jiahao looked at her with a smile. He really thought Qin Yu's way of eating was too cute. She had the food wrapped around her mouth and her cheeks were puffed out. She was moving around, looking especially cute.

Just by looking at her, Liang Jiahao's mood instantly became good.

Watching Qin Yu eat, Liang Jiahao suddenly felt like eating too.

"Feed me the dragon fruit."

"Huh?" Qin Yu took a piece and brought it to Liang Jiahao's mouth. She fed him as if she was coaxing a child. "Say ahhh..."

Liang Jiahao did not know whether to laugh or cry as he bit into the dragon fruit. As he chewed, he smiled at her.

After finishing the fruit in his mouth, he stretched his hand towards the plate again. "One more."

Qin Yu gave him another piece while she made the same gesture as before.

After Liang Jiahao finished eating this one as well, he pointed at the plate again. "One more."

Qin Yu: "..."

Was Liang Jiahao not full yet?

What if he ate the fruit all by himself?

Then what about her?

"You haven't eaten your fill tonight?" Qin Yu picked up another piece of dragon fruit and handed it to Liang Jiahao. She tilted her head and looked at him in confusion.

Normally, Liang Jiahao didn't have the habit of eating at night. He wouldn't even drink water after 8 o'clock unless he was particularly thirsty, not to mention eating.

Therefore, Qin Yu was very curious. It was already so late, and yet Liang Jiahao took the initiative to ask her for food.

Liang Jiahao bit the fruit, chewed it, swallowed it, and then slowly said, "Watching you eat makes me hungry too."

Pui!

He clearly thought that Qin Yu was eating too slowly, so he wanted to end it quickly by asking her to feed him.

Poor innocent little girl...

She'd never know what the big bad wolf was thinking.

Qin Yu kept feeding Liang Jiahao the fruits. She only ate a little and gave most of the fruit to Liang Jiahao.

Liang Jiahao looked at the empty plate and suddenly smiled slyly. He grabbed the plate from Qin Yu's lap and placed it on the nightstand. Then he suddenly held Qin Yu down.

Qin Yu: "..."

She was so naive and foolish that she fell into his evil trap!

"Wait, wait!" Qin Yu struggled to say, "L-let me get in the mood first."

"No need." Liang Jiahao kissed Qin Yu's lips so deeply making her eyes go blurry. With his lips pressed against hers, he whispered, "I'll help you cultivate your mood."

• • • •

Qin Yu lied down on the bed. When she remembered how she was eaten clean by Liang Jiahao earlier, she felt bitter in her heart.

"Big liar, you big liar!"

Qin Yu turned around and hugged the blanket as she began to cry. "You clearly said it wouldn't hurt. You clearly said it would be over in a moment. You big liar!"

Qin Yu wasn't so naive to believe the pain would be over in ten seconds, was she?

For a man who'd just tasted the sweetness in his thirty-years of life, this was the best time for Liang Jiahao. He pulled Qin Yu into his arms. And like a big tail wolf who was full and drunk, he coaxed the little sheep gently. "Fine, I was wrong, I'm a big liar. Don't be angry, hmm?"

"Humph!" Qin Yu shrugged her shoulders forcefully. She wanted to push Liang Jiahao away, but how could that be possible? How could Liang Jiahao be taken down so easily by her?

She burst into tears. "You big liar, I do not want to talk to you anymore. Go away!"

"Qin Yu." Liang Jiahao hugged the little girl without a care. He sounded a little wronged. "I have never done anything like this in my life before, so I have no experience and did not know that it would actually hurt like this. Alright, Qin Yu, stop crying. Tomorrow, I'll cook whatever you want to eat."

"Go away!" Qin Yu pushed Liang Jiahao away and cried miserably. "You want to trick me with delicious food again? I won't be fooled again. Go away!"

Liang Jiahao: "..."

Why was it getting harder and harder to coax this little girl?

Liang Jiahao pursed his lips. For the first time, he was at a loss, as if he was a child who had done something wrong. He looked at Qin Yu and said slowly after a long while. "Why don't you hit me then?"

He put his hand to Qin Yu's mouth. "Bite me. No matter how much pain I will feel, just keep biting me and let your anger dissipate."

Qin Yu glared angrily at Liang Jiahao. She opened her mouth and viciously bit his hand. "Do you think I don't dare to do that?"

She bit Liang Jiahao's hand so hard that she closed her eyes.

She slowly opened her eyes and saw Liang Jiahao looking at her with a gentle gaze. At that moment, Qin Yu's heart melted as she thought of the many times he had saved her. Every time she had hurt him, he would never make a sound.

Her face still looked a little unsightly. She pouted and said angrily, "I will not bite anymore. My teeth hurt from biting."

Liang Jiahao chuckled and stuck close to Qin Yu. "You are not mad at me anymore, are you?"

Indeed, Qin Yu was no longer angry. This was the first time for her, and it was inevitable that she would cause a commotion. There was always a feeling of wanting to get sympathy from someone inside her.

Qin Yu did not know if the other girls would react like her or not, but she felt this way.

"Hmph!" Annoyed, she turned her head to the side.

Liang Jiahao, on the other hand, saw through her. He chuckled and sat up with Qin Yu in his arms and covered her body with a blanket. Then, he kissed Qin Yu's forehead from time to time.

"Finally, you are mine."

Chapter 694 If I Had Known You A Few Years Ago, I Probably Wouldn't Have Been With You

Qin Yu, who had lost her temper after being coaxed by Liang Jiahao's love, curled up in his arms and said softly, "When I saw uncle and auntie together in the past, I have always wondered how they never get bored of seeing each other all the time."

Only a few people could bear Han Yuanjun and Liang Zixuan's tiresome PDA.

Most of the reasons she could not bear it were that she was single and unhappy, so she could not bear to see others happier than herself.

Every time Han Yuanjun and Liang Zixuan appeared in front of her, she would be abused by the dog scenes.

When Liang Jiahao heard this, he chuckled. He hooked his finger under Qin Yu's chin and asked her, "What about now?"

"Now ..." Qin Yu smiled sweetly, "Now I finally understand why they always stuck to each other like that. It's because excluded from working hours and sleeping hours, they don't actually have much time to be together in a day. So when they're together, they unconsciously want to stick close to each other."

Liang Jiahao couldn't suppress his laughter tonight. Every time Qin Yu said something, he'd to laugh. As expected, everyone was in a good mood after tasting the sweet heaven. Even his laughter became more and more cheerful.

"I hope you won't find me annoying, because I'm going to stick close to you like this every day."

"No, of course not." Qin Yu grabbed Liang Jiahao's big hand and played with it. Until now, they had never been as intimate as they were now. Qin Yu didn't know that Liang Jiahao's palm was full of calluses, making it hard to touch.

Her heart ached when she thought of what he used to do. "If I had known you a few years ago, I probably wouldn't have been with you like I am now."

"Why?" Liang Jiahao frowned. These words made him feel a little frustrated.

"Because your work is too dangerous and I can't accept it. I don't think I can even sleep if you're not with me. Even for one day. I will always worry about your well-being. Whether you will come home unharmed or not. That kind of worry would probably make me break down."

Qin Yu paused and suddenly raised her head to look at Liang Jiahao. "Once I feel this kind of feeling and this great care, I don't want to lose it. If something happens to you or if I lose you, I might die."

Liang Jiahao's heart was moved. He suddenly used his strength to hug Qin Yu tightly. "Don't worry. It won't happen. I will always be with you."

Qin Yu suddenly laughed out loud. "But Xiao Liang... Even if you didn't do this job, I still wouldn't be with you!"

Liang Jiahao's back suddenly stiffened. He raised his head and asked nervously, "Why is that?"

"Hahaha ..." Qin Yu laughed so hard that her chest moved up and down. "Because I was still a child at that time. You can't be that crazy to like a child, can you?" **Novelusb.com**

Liang Jiahao thought about it for a moment. Qin Yu's words seemed to make sense. A few years ago, she was probably only 15 or 16 ...

At that time, he was already 23 or 24, it was impossible for him to have any ideas about her.

Therefore, fate was not something to be reckoned with. It was a matter of time and people.

"Don't worry." Liang Jiahao rested his chin on Qin Yu's shoulder and whispered in her ear, "Even if I met you back then, I would still fall in love with you. Even if you were still so young, I would wait until you grew up and became so graceful."

That night, Liang Jiahao hugged Qin Yu in his sleep as if she were a treasure. He did not let her go at all.

The next morning, Liang Jiahao gently pulled Qin Yu out of bed.

Qin Yu was so sleepy that she couldn't even open her eyes. She didn't want to get out of bed. "Aiya, why don't you let me sleep a little more!"

"No, I can let you stay on the bed any day, but not today." Liang Jiahao's attitude was very firm.

Qin Yu opened her eyes and looked at Liang Jiahao gloomily. She pouted angrily. "Hmph! Xiao Liang, you don't love me anymore!"

Liang Jiahao: "..."

He really wanted to knock Qin Yu's head and see what was inside.

How could she think about him like that?

Liang Jiahao bent down to pinch Qin Yu's nose. "Did you forget that you are going to give something to your mother today?"

Qin Yu blinked and then blinked again. Suddenly, she remembered how Lin Xiu had babbled on and on last night.

Qin Yu could have been sure that Lin Xiu's menopause was approaching.

"Oh, yes! I almost forgot about that." Qin Yu got up from the bed, put on her slippers and went out. "I'm going to take a shower first. While you are waiting for me, why don't you make me breakfast?"

Liang Jiahao looked at Qin Yu's retreating figure and felt that even though the two of them were living together, they were sleeping in separate rooms.

It was as if Qin Yu was afraid that he would ask her to sleep with him again in the future.

Liang Jiahao immediately followed Qin Yu. Qin Yu pushed open her bedroom door and saw Liang Jiahao following her. She asked in confusion, "Why are you following me?"

Liang Jiahao pushed Qin Yu into her bedroom. He looked around and then asked in a domineering manner, "Do you want to stay here or in my room?"

Qin Yu's face flushed red. She pouted and awkwardly said, "I-I- of course, stay in my own room."

"En." Liang Jiahao nodded, and without saying a word, he walked out.

Not knowing what he was up to, Qin Yu decided to go to the bathroom and take a shower. After washing herself, she went to the cloakroom to change her clothes, and then sat in front of the dressing table to put on her makeup.

A short time later, she saw Liang Jiahao carrying a luggage.

Qin Yu jumped up from her chair and asked in fear, "What are you doing?"

"Since you like to stay in this room, I will move in with you."

Chapter 695 Qin Shanyuan's Grievance

Liang Jiahao's tone didn't seem like he was discussing with Qin Yu. Nor did he have any intention of discussing it with her. He carried his luggage and went to the cloakroom.

Qin Yu stood there stupidly for a while. Then she saw Liang Jiahao come out with hygiene items in his hand. In front of her, he openly put his toothbrush, razor and skin care in her bathroom.

Qin Yu: "..."

This man was too domineering!

"Xiao Liang, shouldn't you discuss this important matter with me first before you decide to move in?"

"What's there to discuss?" Liang Jiahao turned around and went back to the cloakroom.

Qin Yu immediately lost her composure. Normally, Liang Jiahao respected her opinion, but why did he bring his stuff over at this moment without asking her opinion first?

Qin Yu chased after him. Standing at the door of the cloakroom, she watched Liang Jiahao put his ties inside her hairpin drawer. He tucked them away neatly, one by one.

She frowned. "This room is mine, and if you want to move in here without telling me, aren't you being too bossy?"

Liang Jiahao raised his head and looked at her. He didn't say anything and just looked at Qin Yu with a pair of sharp eyes.

Qin Yu's heart skipped a beat before she remembered that this was his house. Everything here was his, not to mention this room.

Qin Yu didn't dare to admit it, but she still had to be stubborn. "What if my parents and brother come here one day and see this? The situation would be bad then!"

Liang Jiahao continued to place his ties and shirts. "We are both engaged, what's wrong with sleeping in the same room?"

Qin Yu: "..."

These words made sense. Liang Jiahao had actually left her speechless.

"Fine, you are the boss here, everything you say is right." Qin Yu pursed her lips like a coward. "Anyway, if they come here, you can explain it to them yourself. I won't help you when they break your legs later."

Liang Jiahao said nothing.

On the way to the Qin Family Resident, Qin Yu's heart still felt a little restless. She looked at Liang Jiahao and tried to persuade him once again. "Xiao Liang, how about you wait for a while before moving in with me? How about we take it slowly and step by step first?"

Liang Jiahao tapped on the steering wheel lightly with his finger and just smiled.

When Qin Yu saw that he wouldn't answer her question, she finally lost her temper and no longer bothered about this matter.

She had already thought it through. She had already been eaten dry by Liang Jiahao, so what else should she be embarrassed about?

If she continued to say too much, she would come off as hypocritical.

In the end, she decided to just let this matter go.

• • • •

Liang Jiahao and Qin Yu stood in front of the Qin Family Resident's door, holding hands. *novelUsB.Com*

At that moment, Lin Xiu, who was about to give Qin Shanyuan a lesson, heard the doorbell ring. She glared at Qin Shanyuan resentfully, "Why are you still sitting here? Open the door!"

Qin Shanyuan replied with an "Oh" and walked to the door without any temper.

He stood in front of the door and thought about who would come to his house so early in the morning. He looked at the video monitor and found that it was actually Qin Yu and Liang Jiahao.

Qin Shanyuan opened the door and immediately pulled Qin Yu into the house. "Qin Yu, my little mistress, you must help your big brother block mom's cannon today. If you don't help your brother today, your brother will die!"

Qin Yu snorted disdainfully. "Big brother, you know this is all your fault, right? Today is the weekend, just stay at home and accompany mom."

"You won't even get hurt if you stand up and speak for me!" Qin Shanyuan was furious. He felt that his sister had been brought up in vain. Now that she had a man, she no longer felt sorry for her brother.

"You don't live here anymore, and mom has no place to vent her anger, so I'll immediately become her black sheep. Qin Yu, have you forgotten? Back when you lived here, who was the one who defended you against mom's cannon? And who was the one who saved you from the abyss of suffering?"

Qin Yu patted Qin Shanyuan on the shoulder. "Even if you take out the old debts and show them to me, I still won't be able to help you. Don't worry, Xiao Liang is here. He'll defend you from all the cannons today."

Only then did Qin Shanyuan remember Liang Jiahao.

With Liang Jiahao's sweet mouth, he would definitely make Lin Xiu smile and forget about Qin Shanyuan.

Qin Shanyuan excitedly held Liang Jiahao's hand and said with tears in his eyes, "Brother-in-law, you must help me today."

Right after he said that, Lin Xiu's impatient voice rang out from the living room. "Shanyuan, who's it? Why don't you ask her to come in?"

Suddenly Lin Xiu thought of something. She immediately got up from the couch and walked towards the door angrily. "Qin Shanyuan, you bastard, you brat! You're not trying to run away again, are you?"

Qin Shanyuan: "..."

Liang Jiahao: "..."

Qin Yu: "..."

At this point, Qin Yu didn't even want to look directly at Qin Shanyuan, and just glanced at him from the corner of her eye. "Big brother, what have you done until you became this person in mom's heart?"

These provocative words made Qin Shanyuan's teeth itch with anger.

Lin Xiu went to the hallway to take a look. She immediately smiled when she saw Liang Jiahao there. She pushed Qin Shanyuan, who was blocking the door, away. "Aiya, Jiahao, why are you standing in front of the door? Come in, come in."

Qin Yu was such a big person and she was standing in front of Liang Jiahao. Yet, Lin Xiu acted as if she didn't see her, and directly went around her to pull Liang Jiahao's hand.

At this moment, Qin Yu could feel the deep injuries that came from her mother.

"Mom!" Qin Yu was extremely unhappy. "I'm still here!"

Only then did Lin Xiu look at Qin Yu. She said unconcernedly, "Oh, Qin Yu, you're here too. Mm, come in."

Chapter 696 What Do You Mean By This

Lin Xiu's blank tone caused Qin Yu to suffer a violent blow on the spot.

Forget it, just forget it.

Qin Shanyuan snickered at the side. He was about to whisper a rebuke to Qin Yu, but Lin Xiu's sharp gaze suddenly swept across his face. "You still have the face to smile? I'm not done lecturing you yet!"

"Mom!" Qin Shanyuan hurriedly rushed forward. Holding Lin Xiu's arm with one hand, he placed the other on Liang Jiahao's shoulder and said, "It's rare for brother-in-law to visit us. Why don't you have a chat with him, hmmm?"

Qin Shanyuan and Qin Yu had entrusted Liang Jiahao with this serious task and as a trustworthy man, Liang Jiahao felt that he had to help this helpless siblings block off the gunfire at this very moment.

He handed Lin Xiu the bag in his hand and smiled. "Mom, Qin Yu bought this for you. The last time she was here, she spent a long time on the computer searching for a good tonic before going to the mall the next day to buy it for you."

"Oh, really?" Lin Xiu couldn't help but be excited. She took the bag and opened it curiously while walking into the living room.

Sitting down on the couch, she took out the supplement from the plastic bag, and when she saw the words on the box, her expression changed to one of anger and awkwardness, but most of all, depression.

Lin Xiu raised her head and held the box in front of Qin Yu's eyes. For the first time in Liang Jiahao's presence, she asked Qin Yu in a loud voice. "Qin Yu, what do you mean by buying this for me?"

"I-I don't mean anything." Qin Yu said carefully, "I just feel that you might have reached your age and it would be better for you to eat this supplement."

"Are you saying that I'm old?!" What Lin Xiu couldn't stand was someone talking about her age. In front of Qin Shaoqiang, she was still his little girl!

Qin Yu's heart nearly jumped out of her chest when she heard Lin Xiu's roar. She braced herself and explained, "Y-your temper is a little strange right now. You get angry every time someone says something. I-I just wanted to-"

"Just because I get angry easily, you think I'm going through menopause?" Lin Xiu raised her eyebrow in displeasure. "Qin Yu, open your dog's eyes wide and take a look. How old am I? Do I look like I'm in menopause?"

Qin Yu: "..."

And you still say you're not in menopause?

Lin Xiu started to go berserk out of nowhere. If this wasn't menopause, then what was it?

Qin Yu felt depressed. She just wanted to do something good. Why was Lin Xiu acting like she was doing something bad?

Qin Yu thought Lin Xiu would be pleased when she saw the gift. But who'd have thought that instead of being happy, Lin Xiu would be so infuriated with Qin Yu?

Qin Yu had truly offended someone.

Seeing that the situation had turned bad, Liang Jiahao smiled and tried to smooth things over for Qin Yu. "How can you be old, mom? You look like you're in your early forties. You're still young."

"Exactly!" Lin Xiu's face lit up with happiness. She really liked Liang Jiahao a lot.

Qin Yu and Qin Shanyuan smirked at the same time.

Liang Jiahao, aren't you afraid of being struck by lightning when you say that?

Although Lin Xiu took good care of her health, she was still over half of her fifties. If you said she was only forty years old, you would be speaking without conscience.

Liang Jiahao continued, "But mom, this gift is Qin Yu's filial piety towards you. She was afraid that something might happen to you, so she decided to buy this supplement for you just in case."

"Is that so?" Lin Xiu touched her chin and nodded seriously. "You're right. Even though she doesn't live here anymore, she still thinks about me and worries about me. She really is a filial daughter."

Qin Yu: "..."

Was she really Lin Xiu's biological daughter?

Why was it that her explanation of so many sentences was useless but Liang Jiahao's single nonsense sentence made Lin Xiu accept the medicine joyfully?

Qin Yu tried hard to suppress her anger and pouted her lips in frustration.

Lin Xiu put down the medicine and suddenly remembered something. She kicked Qin Shanyuan's leg. "Why are you sitting here? Go get your father and tell him that his son-in-law is here."

Qin Shanyuan was the one with the least temperament here. Hearing Lin Xiu's order, he didn't dare to say anything unnecessary and stood up to call Qin Shaoqiang.

Within a short time, Qin Shaoqiang came out of the study room. When he saw Liang Jiahao, he immediately laughed. "Aiya, Jiahao is here!"

He turned around and glared at Qin Shanyuan. "My son-in-law is here, why didn't you call me earlier?"

Qin Shanyuan: "..."

Did he have such a low status in this family?

Everyone will try to find an opportunity to criticize him!

Qin Shaoqiang sat next to Lin Xiu. The more he looked at Liang Jiahao, the more satisfied he felt with this son-in-law.

"How is it? You two got engaged yesterday, do you feel anything different about your relationship?" *nOveLUsB.Com*

Liang Jiahao smiled and looked at Qin Yu. "I feel pretty good. I'm just waiting for Qin Yu to agree and get the certificate."

"How come getting a certificate requires Qin Yu to agree?" Qin Shaoqiang frowned and looked at Qin Yu. "Since the marriage is already arranged, just find a good day and go get the certificate."

"Dad!" Qin Yu was shocked. She didn't want to be married to Liang Jiahao so easily. She said anxiously, "I'm a big star now. My every movement is being watched by so many pairs of eyes. If I want to get married, I must first discuss this matter with uncle."

There was something wrong with Qin Yu's words. After all, Han Yuanjun was only Qin Yu's third-generation cousin uncle. What did Qin Yu's marriage have anything to do with him?

However, everyone present understood that Qin Yu's identity was too sensitive. She did indeed have to discuss this big matter with Han Yuanjun first.

The marriage of a female celebrity was a big deal. Whether from the perspective of a company or a fan, this matter couldn't be treated lightly.

Chapter 697 Something's Wrong Had Happened I

Qin Shaoqiang nodded. "Of course, you should discuss this with Jun first, but what I mean here is that it doesn't matter if Qin Yu and Jiahao marry early. I believe Jiahao can take good care of Qin Yu. He also doesn't expect Qin Yu to give him money to live off of."

Liang Jiahao said understandingly. "I don't mind if Qin Yu doesn't work after we get married. She can play around at home or go out with her friends when she's bored. I can still afford to raise her. "

When Lin Xiu heard this, she was so happy that her eyes curved into laughter. "Hahaha...Jiahao, stop joking around. We won't dare ask a dignified CEO of China Securities Bank like you to raise such a gluttonous cat like Qin Yu."

"Mom!" Qin Yu couldn't hold it in any longer and shouted at Lin Xiu. "Can't you stop saying that? Your words make me seem like I am an extremely greedy person."

Lin Xiu narrowed her eyes and asked Qin Yu with her soul-piercing eyes. "Aren't you?"

Qin Yu was very angry.

She just liked to eat. She could accept being called a foodie, but calling her a gluttonous cat was like saying she had never eaten anything in her entire life. How embarrassing!

Qin Shanyuan snickered next to her. Qin Yu immediately turned around and glared at him. Ever since she'd moved to live with Liang Jiahao, Qin Shanyuan had never pampered her like before.

Would he stop loving his beloved sister after she got married?

Qin Yu was about to retort to Qin Shanyuan when her phone suddenly rang. She took out her phone from her bag and saw Han Yuanjun's number. Qin Yu smiled at the crowd. "Uncle is calling."

When Qin Shaoqiang and Liang Jiahao heard Han Yuanjun's name, they both stopped talking.

They'd all witnessed what had happened yesterday. Indeed Liang Zixuan had gone to the hospital, but they didn't know what the doctor had said or if the words Liang Zixuan had said last night were correct or if she'd just said that so as not to worry them.

Besides, Han Yuanjun wouldn't take the initiative to contact Qin Yu on the weekend. He would rather spend time with Liang Zixuan, so why would he take the initiative to contact others?

Therefore, Liang Jiahao and the others suddenly felt worried.

Only Qin Yu, a naive and foolish girl, would answer the phone excitedly. "Uncle, why are you calling me?"

"Qin Yu, is big brother with you?"

Han Yuanjun's voice sounded very heavy, which made Qin Yu's heart beat faster. She turned around and looked at Liang Jiahao before nodding her head loudly, only to realize that Han Yuanjun couldn't see her. She then asked nervously, "Yes, he's with me. Uncle, what happened?"

"Your auntie isn't doing so well right now. If you don't have anything important to do, come to my house."

"What?!" Qin Yu immediately stood up and asked in surprise, "What happened to auntie?"

Her voice was filled with tears, making Liang Jiahao and everyone else look at her at the same time with frowns.

"I can't say anything on the phone. Come here quickly."

After Han Yuanjun finished speaking, there was no response or sound on the other side anymore but the call still hadn't disconnected.

Qin Yu shouted several times, but received no response. She stood there motionless as if she had been struck by lightning, listening intently to the faint voice coming from the other end of the phone.

Liang Jiahao reached out to stop Qin Yu from shouting. "What's wrong? What happened?"

Qin Yu was on the verge of crying. "Uncle said auntie's condition wasn't good, and when I asked what happened, he wouldn't say anything. He just asked us to come there quickly."

Liang Jiahao was silent for a moment before turning to Qin Shaoqiang and Lin Xiu.

Qin Shaoqiang immediately said, "It's fine, you and Qin Yu should hurry to go there. You can always come and visit us later. Right now, Jun and Zixuan need you."

Lin Xiu grabbed Qin Shaoqiang's hand and stood up. "Stop talking, let's go together and see what happened to Zixuan."*novelusb.com*

Lin Xiu originally wanted to go upstairs and change her clothes, but after careful consideration, she decided not to.

Qin Shaoqiang was already getting the car keys, so they all hurriedly went to the door.

After they'd walked two steps, Lin Xiu suddenly turned around and looked at Qin Shanyuan. "Aren't you coming with us?"

Qin Shanyuan: "..."

Why did he have to be dragged into everything?

It wasn't that he didn't care about Liang Zixuan, it was just that ...

He felt that with so many people going, there was no reason to ask another person to join in.

But when he saw Lin Xiu's face fall, Qin Shanyuan quickly stood up and said, "Of course. Let's go."

They quickly drove to Han Yuanjun's villa.

Liang Jiahao's car drove ahead while Qin Shaoqiang's car followed from behind.

Qin Yu was very anxious. Every time she got restless, she would talk more.

"Xiao Liang, what do you think happened to auntie?"

"Could it be because of yesterday?"

Qin Yu's tears fell as she spoke. "If it wasn't for our engagement party last night, I think auntie would have been hospitalized."

"Silly girl." Liang Jiahao took Qin Yu's body in his arms. "This has nothing to do with us, don't let your mind go crazy."

"I-I..." Qin Yu's hand gripped Liang Jiahao's suit tightly. She cried until tears ran down her cheeks. "I'm just worried, I'm scared! Auntie has never led an easy life. Even though she looks very strong on the outside, but inside, she's still a fragile little girl."

Of course, Liang Jiahao knew how hard life had been for Liang Zixuan.

That was his sister, for God sake!

Even though Liang Zixuan had never told him anything, he could imagine the damn life she'd led for ten years without him by her side.

"Be good." Liang Jiahao, himself, was very nervous, but he kept his face straight. He hadn't expected Qin Yu to show her feelings towards him.

At this point, he had to comfort Qin Yu. "Don't cry anymore. If Zixuan sees you like this, she'll get even more upset."

"You're right." Qin Yu immediately stopped crying and tried her best to stop her tears from falling. "I can't cry anymore. Auntie is already in a bad state. I can't let her see me like this."

This was one of Qin Yu's good points. Even though she was upset, but as long as someone coaxed her a little, she would forget why she was upset.

Seeing that Qin Yu was no longer crying, Liang Jiahao sighed in relief, but he still reminded her. "When we get there, remember, no matter what happens, you can't cry or talk casually, do you understand?"

"En!" Qin Yu nodded obediently. "Don't worry. I can handle it."

They were already very nervous and worried, but the corner of Liang Jiahao's mouth twitched a little when he saw Qin Yu's obedient behavior from the corner of his eye.

Soon, Liang Jiahao's car pulled into Han Yuanjun's parking lot. He didn't wait for everyone at all as he grabbed Qin Yu's hand and walked towards the villa with big steps.

Chapter 698 Something's Wrong Had Happened II

Qin Yu's short legs couldn't keep up with Liang Jiahao's pace. After a few steps, Liang Jiahao suddenly stopped and bent down to pick up Qin Yu. Without saying anything, he ran to the door with Qin Yu in his arms.

The housekeeper was already waiting at the entrance of the villa. Not even caring about the sight of Liang Jiahao carrying Qin Yu, he hurriedly said, "President Liang, you've arrived. Please go inside quickly."

Liang Jiahao did not stop. "Is Zixuan in her bedroom?"

"Yes, they are all here. Young Master is waiting for you."

Liang Jiahao did not say anything more. He did not have time to put Qin Yu down and just carried her and ran upstairs.

The bedroom door opened. As soon as Liang Jiahao reached the door, he heard a loud sound of retching from inside.

"Zixuan, here drink some water." Tian Qihua gave a glass of water to Liang Zixuan.

Liang Zixuan was about to take the glass when the wave of nausea returned. She immediately covered her mouth with her hand.

Han Yuanjun sat down beside Liang Zixuan and continued to pat her back. "Are you still feeling very uncomfortable? Can you endure it? Zhang Feng is on his way here with his team."

"Auntie, what happened to you?!" Qin Yu jumped down from Liang Jiahao's embrace and hurriedly ran towards Liang Zixuan.

While squatting in front of Liang Zixuan, Qin Yu's heart tightened when she saw the trash can filled with vomit. "Did you throw up that much?"

Liang Zixuan was so upset that she couldn't speak. Tian Qihua shook her head and sighed. "Everything she tried to eat this morning was spit into the trash can, even the water. She can't take a shower because as soon as she inhaled the smell of toothpaste, she threw up."

"That serious?" Qin Yu was so scared that her face turned pale. She'd never been pregnant before, so she didn't know how hard it would be for the pregnant woman. But when she saw Liang Zixuan's pale face, she knew it must be really bad.

Liang Jiahao stood behind Qin Yu, looking at Liang Zixuan worriedly. His face was tense and his lips were pressed together into a straight line.

"Has she thrown up a lot before?" Liang Jiahao suddenly asked Han Yuanjun.

Han Yuanjun's face was terrifyingly dark, and his deep voice was filled with worry. "She vomited before, but it was never like this. This has been happening since she woke up this morning."

Liang Jiahao patted Han Yuanjun's shoulder. As Liang Zixuan's own brother, he knew how good Han Yuanjun had always been to Liang Zixuan, and of course, Han Yuanjun was the most upset of them all after seeing his wife liked this.

Liang Jiahao couldn't blame Han Yuanjun.

"Don't worry too much, didn't you say that Zhang Feng will arrive soon? Once he checks Zixuan, everything will be fine."

Han Yuanjun nodded. His thin lips moved as if he wanted to say something, but he didn't in the end.

Liang Jiahao was in no hurry to ask as he looked down at Liang Zixuan.

Qin Yu helped Liang Zixuan and waited until she recovered a little before asking anxiously, "Auntie, do you still feel like you're going to throw up?"

Liang Zixuan nodded weakly. "Yes, as long as I smell something. I feel like I'm going to throw up."

Qin Yu looked at Tian Qihua helplessly. Seeing that Tian Qihua was also at a loss for what to do, Qin Yu pouted. "Auntie, please bear with it a little longer. Please bear it until the doctor comes, okay?"

Zhang Feng's car was stuck in traffic. His driving technique wasn't as good as Liang Jiahao's, and there was nothing he could do about it. He could only wait anxiously with the medical team that was stuck with him.

Zhang Feng was so angry that he banged loudly on the steering wheel. "What are you doing! Why are you blocking the road!"

Just like Zhang Feng, Qin Shaoqiang was also stuck in traffic. Half an hour later, they arrived at Han Yuanjun's villa at about the same time.

"Quick, quick!" As soon as Zhang Feng parked the car, he jumped out of the car and waved to the medical team behind him. "Hurry up, go inside. Someone will meet you at the door and take you to the room."

Qin Shaoqiang and Lin Xiu were immediately shocked when they saw Zhang Feng's medical team. Zhang Feng had brought a dozen people with him.

Qin Shaoqiang hurriedly ran after him and asked, "Zhang Feng, this ... What's going on here?"

Zhang Feng shook his head. "I can't say anything for sure. We need to check sister-in-law's condition first."

Qin Shaoqiang nodded and pulled Lin Xiu by the hand. "Let's go and take a look."

The medical team was led to the bedroom on the second floor by the housekeeper. Immediately, more people came into the room.

Qin Shaoqiang and Lin Xiu went to the room and saw so many people there.

The doctor asked Liang Zixuan to lie down on the bed and examined her briefly. Then he said, "Let's do the ultrasound."

The instruments for the ultrasound were brought out by the medical team and placed in the guest bedroom on the first floor.

Liang Zixuan slowly got up from the bed. She wanted to get up and walked out on her own, but Han Yuanjun just walked up to her and lifted her up. Then he hurriedly walked down the stairs.

Qin Yu and Liang Jiahao wanted to follow them, but they were stopped by Zhang Feng. "You don't have to follow. Let's give them space."

Liang Jiahao and Qin Yu exchanged a glance and nodded.

Zhang Feng also asked Qin Shaoqiang and the others to leave, and they all went to the living room together.

The housekeeper had already prepared the tea in advance and served it to them.

Liang Jiahao looked at Zhang Feng with a serious expression. "Is it normal for a pregnant woman to experience such a situation?" *ηOvelusb.com*

Chapter 699 Something's Wrong Had Happened III

"That's hard to say." Zhang Feng looked worried as he said this. He used to be playful, but right now he's too serious. "It's normal for pregnant women to experience vomiting. However, the severity of it's different for everyone. Every pregnant woman has a different physique, and the situation is also different. If this happens in the first month of pregnancy, it's not a serious problem. But in sister-in-law's case, it's likely to be related to yesterday's incident."

"Third Brother called me last night and told me about sister-in-law's condition. I'm not a gynecologist and I can't say anything for sure. Let's wait until the doctor finishes examining sister-in-law."

Waiting was the most agonizing thing in the world.

Whether you waited for good news or bad news, it was enough to make your organs sick.

Everyone sat in the living room and said nothing. Everyone held their teacups blankly and drank their tea.

The housekeeper stood by the side and poured tea continuously. The servant also brought two plates of fruit and some dried fruit, but no one touched anything except the tea.

After a while, Han Yuanjun and Tian Qihua came out of the room. Everyone immediately raised their heads and looked at them nervously.

After they sat down, Han Yuanjun took a deep breath and said slowly, "I didn't inform grandpa and grandma. I didn't want them to worry, as they had worried enough after what happened yesterday."

Qin Yu's eyes turned red. She almost cried when she heard Han Yuanjun's words. "What's wrong? What did the doctor say when you were in the hospital yesterday?"

Han Yuanjun's voice was low and hoarse. "When we went to the hospital yesterday, Zixuan wouldn't let me go inside with her. I knew immediately that something was wrong with her. She was bleeding and yet, she didn't dare tell me. She only told me after I forced her."

"What?" Lin Xiu was so scared that her face turned pale. Her whole body started to tremble. "Then why did you come..."

"Because it was a good day for big brother and Qin Yu. Zixuan wanted to be there." Han Yuanjun shook his head regretfully. "She was also afraid that you would be worried if she didn't go. She didn't want her condition to ruin a good, happy party."

"Aiya, this child!" Qin Shaoqiang slapped his thigh angrily and said with both anger and heartache. "How can she think like that? We're a family. Her body is more important than anything else, and the child in her womb is important too. How can we ..."

"That's right!" Lin Xiu began to blame herself. "How can she think like that? She can't just ignore her condition just because we celebrated Qin Yu's engagement."

Qin Yu couldn't hold it anymore, she leaned into Liang Jiahao's arms and began to cry. "I know what happened to auntie happened because of me!"

"It's none of your fault." Tian Qihua patted Qin Yu's back, "Don't blame yourself. Zixuan did this out of good intentions. She was afraid that you'd be worried, so she insisted on coming yesterday."

Everyone in the living room didn't really know what to say.

How could they not know what kind of person Liang Zixuan was?

She looked like a mature person, but she's actually only 22 years old.

Beneath the surface of maturity was a heart that cared about everyone else. She didn't want to worry or make anyone sad just because of her.

Liang Jiahao stroked Qin Yu's hair. He gently reassured her. "Have you forgotten what I said before we came here? No matter what happens, you can't cry or show your emotions, or Zixuan will be more upset."

"Yes, yes!" Qin Yu nodded her head loudly and wiped the tears from her face. "I'm not going to cry, I'm going to hold it. I can hold it. I'm not going to cry."

Even though she said that, tears were still running down her cheeks.

Liang Jiahao shook his head and took the tissue from Qin Yu's bag. He slowly wiped away her tears. "All right, stop crying."

Han Yuanjun was feeling very complicated at this moment. He had been thinking all night and was very afraid of what would happen to Liang Zixuan and their baby. He had thought of the worst case scenario, but he didn't expect the scenario to happen on the next day.

He suddenly raised his head and looked at Liang Jiahao and Qin Yu. "Big brother, Qin Yu, besides me, you're the closest person to Zixuan. Right now, she won't listen to my words, but I believe she will at least hear some of your words."

Liang Jiahao immediately realized how serious the situation was. He looked at Han Yuanjun with a heavy gaze and felt as if his heart was being sliced by a knife. It was as if a knife was stuck in his throat.

After pausing for a moment, he finally endured the discomfort and asked seriously, "What did the doctor say just now? Is her condition getting worse?"

Han Yuanjun closed his eyes and took a deep breath before saying, "En."

"The reason why I didn't contact anyone else today and just called you here is because I want to tell you both what I am thinking. Then help me persuade Zixuan."

Han Yuanjun pursed his lips and felt a great pain in his heart. He could hardly hold it back and almost cried.

He looked at Liang Jiahao and Qin Yu with reddened eyes and mustered all his courage and strength to say, "I already thought about it last night. If Zixuan happened to be in the worst situation, I...I decided to abort the baby. She is now in a very dangerous situation. She was afraid she would have a miscarriage and used all her strength to protect our baby. And in the process, she hurt herself."

Qin Yu's eyes reddened when he heard the word 'abort'. She did her best not to cry. It took her a long time before she managed to hold it back.

Qin Shaoqiang and Lin Xiu also sucked in the cold air sharply, feeling as if their backs had been slashed.

This baby was too important to Han Yuanjun and the Han Family.

After all, Han Yuanjun was currently the patriarch of the Han Family, and was responsible for the entire pulse of the Han Family's life. Even though Han Qingsheng handled the business abroad, but the most important decision rested solely with Han Yuanjun.

This baby could become the next patriarch of the Han Family. If Han Yuanjun and Liang Zixuan couldn't protect this child, how sad would the heart of the Han Family's elders be?

Especially since the elders of the Han Family were getting older, they were very likely to leave this world at any time...

Their only wish now was to see the birth of their great-grandchild with their own eyes and then hug and kiss the child. And even if one day they would really close their eyes, they wouldn't regret it.

Liang Jiahao's throat felt like it was burning.

This was his nephew!**NOVeIUsb.cOM**

He asked softly and with difficulty. "Have you made up your mind?"

Chapter 700 Something's Wrong Had Happened IV

"En." Han Yuanjun nodded firmly. "I made the decision last night. Children are not important to me, I just want Zixuan. She's in a very bad condition, and I am really afraid that she will risk her life because of the baby in her womb, so I want her to have an abortion. In the next few years, after she takes good care of her body, we can always try to have another child again. Her well-being is the most important thing to me."

Tian Qihua sighed and added, "When she woke up this morning, she was bleeding again. Her condition is really terrible."

Liang Jiahao had never met a man like Han Yuanjun.

He used to think that rich class families only valued their heirs. They did not care about their wives' health or their wives' safety. As long as their children survive, everything will be fine.

However, he never thought that Han Yuanjun had already thought of the worst case scenario and made a decision immediately when this happened.

When Han Yuanjun said that he only wanted Liang Zixuan and that she was the most important thing in his life, those words had really touched Liang Jiahao's heart.

At this moment, he was happy that Liang Zixuan had met Han Yuanjun.

"What do you want us to do?" Liang Jiahao asked in a low voice, "Are you asking me and Qin Yu to persuade Zixuan to abort the child?"

"En." Han Yuanjun nodded. "I did not dare to say this to her. I was afraid she might get in a bad mood. But I believe big brother and Qin Yu can try to talk to her, and later I will try to persuade her. Can you help me?"

Han Yuanjun had actually used a pleading tone, which made Liang Jiahao and Qin Yu's hearts hurt as well.

What kind of love was this, that can make a man sacrifice future generations to protect his wife's health?

What kind of love was this, that can cause Han Yuanjun to be so powerless and to come and plead with them?

Qin Yu couldn't hold it in anymore and started crying again.

Liang Jiahao did not try to coax her this time. Instead, he pulled her into his arms, patted her back reassuringly, and said to Han Yuanjun, "All I can say is that I will do my best to help you. You know Zixuan's personality better than any of us. She is very stubborn and obstinate, and if we cannot persuade her....But I will certainly do my best."

"Thank you, big brother. Thank you." Han Yuanjun seemed to breathe a sigh of relief. He looked at Liang Jiahao as if he was looking at his savior. "Zixuan listens to you the most. Supposedly, the brother is like a father. Her love for you is always different."

Even the wedding would have to wait until Liang Jiahao returned. At that time, Liang Zixuan did not even know whether Liang Jiahao was alive or dead. That alone proved how important Liang Jiahao's position was in Liang Zixuan's heart.

"This matter is my fault. Before this, she was in a coma and..."

It wasn't easy for Liang Zixuan to return.

"It was also my fault to let her get pregnant before her body fully recovered. Just because I wanted to have a child with her."

The sudden appearance of Han Yuanjun self-blamed had scared everyone.

Lin Xiu quickly advised Han Yuanjun. "This matter can't really be blamed on you. Zixuan usually looks healthy, and no one would have ever thought that she would be in such a state!"

Qin Shaoqiang persuaded Han Yuanjun as well along with Lin Xiu. "If it wasn't for what happened yesterday, Zixuan mightn't even be in this state. So, this has nothing to do with you. Don't take all the responsibility and blame yourself."

Tian Qihua was even more surprised. She quickly grabbed Han Yuanjun's hand and said, "I just asked Qin Yu not to blame herself and now you're suddenly blaming yourself for something beyond your control. Jun, stop blaming yourself. This isn't your fault."

Liang Jiahao shook his head. "At a time like this, Zixuan needs a lot of support from us. We can't keep blaming ourselves. Han Yuanjun, cheer up. Do it for Zixuan."

Han Yuanjun closed his eyes in frustration. He was so sad that he couldn't say anything.

Just like Liang Jiahao had said, at a time like this, the most miserable and torturous was Han Yuanjun. In fact, more than anyone else, he hoped his child would be born, and yet he made such a decision at this time.

After a while, when everyone's emotions almost calmed down, Liang Jiahao pulled Qin Yu out of his arms and helped her wipe away her tears. "Let's go see Zixuan."

"Mmm, I can do it." Qin Yu wiped the tears from her face. Then she got up with Liang Jiahao and went to the guest bedroom on the first floor.

Liang Zixuan was now lying on the bed with IV drops on her wrists. Her face was pale.

"Zixuan." Liang Jiahao leisurely walked in and sat next to her.

Qin Yu sat down next to Liang Jiahao and the two of them looked at Liang Zixuan on the bed.

Liang Zixuan looked at them and smirked. "Big brother, Qin Yu... Why are you guys here today?"

Liang Zixuan didn't even need to ask about it. Actually, it wasn't a big deal for Liang Jiahao and Qin Yu coming here. It was just that she really couldn't find anything to say, so she casually brought up the topic.

Subconsciously, Liang Zixuan had already guessed the purpose of Liang Jiahao and Qin Yu's visit.

Han Yuanjun did not call Luo Yanyun and Qiao Hongya, nor he called Old Madam Han and Old Man Han. Only Liang Jiahao and Qin Yu.

Liang Zixuan was so smart, how could she not guess?

"Zixuan." Liang Jiahao grabbed Liang Zixuan's hand. Her hand was so small, and when he held it, he did not even feel much, just very soft and without any strength.

Liang Jiahao's heart ached again for no reason. "Han Yuanjun called and said that you were not feeling well, so we came to visit you."

"I am fine." Liang Zixuan tried her best to pull out a smile to prove that she was fine, but even she knew that this smile was not genuine, so she stopped pretending.

Facing her brother and her best friend, she could not pretend anymore.

"It's nothing, I can endure such a little bit of pain."
