Chapter 701 Give Him A Chance

"Auntie." Qin Yu had been sobbing outside earlier, but now she suddenly became strong as she faced Liang Zixuan. She felt no urge to cry and said very rationally, "You're only twenty-two years old and still very young. I- "

"I'll be twenty-three in a month," Liang Zixuan reminded her.

Qin Yu pouted. "It's not even your birthday yet! Even though you're twenty-three, you're still very young and have a long way to go, so let's not force this issue. Your body is the really important thing here."

What Qin Yu was trying to say was already very clear. She simply said directly, "Let's abort the baby."

Liang Zixuan understood it immediately. With a frown, she looked at Qin Yu. "Your uncle asked you to talk to me, didn't he?"

"Huh?" Qin Yu pretended not to know. "No, my uncle didn't say anything. I said this from the bottom of my heart. You know me very well. Am I really a person who will do someone's bidding?"

Liang Zixuan shook her head. "The doctor said that as long as I stay in bed and take good care of the baby, the child will be safe."

Liang Jiahao immediately caught on to the crux of the problem. "As long as you stay in bed? How long will it take, hmm?"

Liang Zixuan lowered her gaze. She did not want to lie to them. "I don't know. Maybe a week, maybe a month, maybe even..."

Qin Yu almost died of anger at her. "Even the doctor doesn't know how long it will take! Auntie, think about it. Ordinary people won't be able to bear it even for a day, let alone you. Besides, you don't even know how long it will take. Can you really bear it?"

"I can do it!" Liang Zixuan firmly said, "For the child's sake, I can. I don't care what will happen to me as long as I can protect him."

"Zixuan." Liang Jiahao knew Liang Zixuan would be stubborn, but he didn't think she was so stubborn that she wouldn't hear what they were saying.

Liang Jiahao sighed and said sincerely, "If you keep dragging it like this, it will only hurt your body. What if ... I mean, what if... What if you do what the doctor tells you to do, but in the end, you still can't keep the baby? At that time, your body will break down, and you will make everyone who cares about you suffer with you."

Actually, Liang Zixuan was very upset. She understood what Liang Jiahao and Qin Yu were saying, but she just couldn't do it!

After being pregnant for three months, she had a very delicate relationship with her baby. Arguably it was due to the desire of any mother to protect her child. She was unwilling to part with the child, let alone abort him.

It was easy for a man to say that, but for a woman, did you even know what kind of harm would befall her?

However, Liang Zixuan knew Han Yuanjun didn't want her to keep the child because he didn't want her to suffer.

But she would rather suffer and did her best to keep this child!

"Big brother...please don't talk anymore. I can't accept this. I don't care what the outcome is; I just want to do my best. Even if I can't give birth in the end, I will have a clear conscience by then."

If Liang Zixuan didn't want to listen, no matter how much Liang Jiahao and Qin Yu said, she still wouldn't listen. That showed how stubborn she was.

At this moment, Liang Jiahao and Qin Yu only had this thought in their minds.*nOvelusb.COM*

In the end, neither Liang Jiahao nor Qin Yu spoke. They just sat there looking at Liang Zixuan and feeling sorry for her.

At this moment, Han Yuanjun suddenly walked in. Liang Jiahao and Qin Yu turned around and saw him. They immediately stood up and gave him the space.

Han Yuanjun sat down beside Liang Zixuan. Seeing that Liang Jiahao and Qin Yu were about to leave, he called out to them, "Big brother, Qin Yu, please stay."

Liang Jiahao and Qin Yu had no choice but to move the chair to the other side of the bed and sit there.

Han Yuanjun gently brushed away the hair on Liang Zixuan's forehead. He gently stroked her forehead with his thumb. "Baby, you guessed right. I asked big brother and Qin Yu to come here. I also asked them to persuade you."

He had been standing outside the door, listening to their conversation. He knew Liang Jiahao and Qin Yu couldn't persuade Liang Zixuan anymore.

He could only come in and try his best.

"We are still young and we still have a lot of time. Your body isn't in good condition right now, so even if you try your best, you probably won't be able to protect this child. In a few years, you'll take care of yourself until the doctor says there's no problem, and then we can have children. If you want a few, we'll give birth to a few, but right now, you ca-"

"No!"

Liang Zixuan did not cry when confronted by Liang Jiahao and Qin Yu, but now that she had heard Han Yuanjun's words, she cried. She was sad...Very sad, like any other woman who had heard her husband say they did not want the child.

"Han Yuanjun, hubby! I beg you, please don't think like this, okay? He's our child! I don't want to lose him. Give him a chance, give him a chance to come into this world, okay?"

Han Yuanjun held Liang Zixuan's face in his hand and looked at her sadly. Tears suddenly filled his eyes. "Baby, of course, I know that this is our first child, but I can't let you hurt just because of him! I've said it before... I will not allow anyone to hurt you, even if that is our child. Your body is very weak right now. What if you only hurt your body more in the end, and our child is still gone? What do you want me to do at that time?"

Chapter 702 How Did She Know

"Brother Han..." Liang Zixuan had no other choice. She used all the tricks she could use. "Brother Han, please don't be like this, okay?"

Liang Zixuan shook her head as hard as she could. Tears fell rapidly from the corners of her eyes. Every drop was like boiling oil dripping into Han Yuanjun's heart, making him wish he was dead.

"Baby, you're the most obedient, right? In the past, no matter what you said, whether at home or in the company, I will never go against your wishes. But this time, can you not be so stubborn and listen to me once? Just this once. In this life, I only ask for this once, okay?"

Han Yuanjun's tears fell on Liang Zixuan's face.

Liang Zixuan's pale face was slightly flushed from the tears, while her heart was burning painfully.

It's been so long, so long. Han Yuanjun had never cried in front of outsiders, not even once. But now, he was actually crying, crying just like her.

Liang Zixuan knew that his heart was definitely more in pain and suffering than hers when he made this decision.

But she... she just couldn't do it!

"Hubby, you know this, you know this better than anyone, I..." Liang Zixuan said while crying, "At that time, Wei Guowei also did not want me. If not for my mother insisting on giving birth to me, I would not be able to come to this world. I was born without a name. Only a small baby, and yet, my mother protected me with her life. I really couldn't understand the deep love she had for me; why would she willingly sacrifice her life for me, but now....I understand. I understand the motherly feelings. Hubby, I'm sorry, I really can't do that."

Liang Jiahao's back stiffened and his eyes widened as he looked at Liang Zixuan in disbelief.

These things... How did she know?

After Liang Lihua died, he and Luo Yanyun came to a tacit understanding that they would never tell Liang Zixuan about what had happened over the years.

Liang Jiahao was afraid Liang Zixuan would feel sad, afraid she would blame herself, and even more afraid she would feel inferior.

How much damage would a child's heart have to endure if they were unable to receive fatherly love after they were born?

So, even though it was so difficult to live at that time, even though Wei Guowei disliked the siblings so much, Liang Jiahao still told Liang Zixuan that he was their father and that it was only because their mother passed away that he had a new woman and became like this.

It wasn't because Wei Guowei didn't love her.

Even Luo Yanyun often said to Liang Zixuan, "Your mother loves you very much. When you were born, she always hugged you tightly in her arms while your father stood by your side."

Even though they had lied to Liang Zixuan about Wei Guowei, but it was only because they were afraid Liang Zixuan would feel inferior and her life would be consumed with hatred.

That's why after Liang Zixuan grew up, even though Wei Guowei treated her like that, she still held a daughter's hope for him.

It wasn't until her throat was destroyed and she was locked in that dark room that she finally realized that Wei Guowei had never loved her.

What Liang Jiahao couldn't figure out was, how did Liang Zixuan know about this?

Han Yuanjun knew more about this than anyone else.

Liang Zixuan had told him everything, so his heart became soft in the face of Liang Zixuan's request. He suddenly understood why Liang Zixuan was so attached to their child.

If it wasn't for Liang Lihua's insistence, if not for Liang Lihua's protection, Liang Zixuan would not have been born in this world. So now, as a mother, she would be stubborn to protect the child in her womb, just like how Liang Lihua had protected her for years.

"All right." Han Yuanjun compromised. "Since you want him, we will give birth to him. But baby, you have to promise me that in the end ... If you still can't keep him, you better not grieve, and don't give up on yourself just because of him, okay?"

"En!" Liang Zixuan suddenly laughed, tears streaming down her face. "I promise, as long as we do our best, whatever the outcome, I will face it head on."

Han Yuanjun smiled and kissed Liang Zixuan hard on her forehead.

When Qin Yu saw them like this, she was overwhelmed with happiness. Really, she was happier than others because Liang Zixuan and Han Yuanjun were her role models and people she wanted to learn from.

Who didn't want the sweet life?

Who didn't want to live their everyday life in happiness?

This was the life of a husband and wife. They will sometimes face difficulties like this, but as long as they both understand each other, consider each other well, and become less selfish, they can hold hands and walk together for the rest of their lives.

Qin Yu didn't want to live a noisy life. She did not want to live in grief and in a life where they kept blaming each other. She wanted to live like Liang Zixuan and Han Yuanjun. No matter what happened, they would both deal with it together.*noVeLusb.com*

She turned to look at Liang Jiahao and smiled at him, "Xiao Liang, let's be like uncle and auntie, okay?"

Liang Jiahao was still shocked by Liang Zixuan's words. Hearing Qin Yu's words, he slowly withdrew his gaze from Liang Zixuan and turned to look at her. He held her hand and said, "Don't worry, I'll treat you better, better than Han Yuanjun."

Qin Yu smiled happily. She leaned over and kissed Liang Jiahao's cheek. "I believe in you. You will definitely pamper me."

Liang Jiahao smiled and put his arm around Qin Yu's shoulder. When he turned to look at Liang Zixuan, his gaze suddenly sank...

Finally, they reached an agreement. Although the future path was difficult, Han Yuanjun would still hold Liang Zixuan's hand and walk together with her.

Han Yuanjun accompanied Liang Zixuan until she slept before standing up and walking toward Liang Jiahao and Qin Yu.

"Big brother, Qin Yu." Han Yuanjun lowered his gaze, the emotions in his heart still not stable. "In two weeks later, I will go on a business trip to Korea and officially purchase Happy Entertainment. I want Cha Jinho to scam from this entertainment circle. I want to make him unable to continue living anymore!"

Liang Jiahao and Qin Yu already knew about this, but Qin Yu didn't expect it to happen so soon.

She looked past Han Yuanjun and at Liang Zixuan. She asked worriedly, "How long are you going? If you are not here, what about auntie?"

Han Yuanjun followed Qin Yu's gaze and looked back at Liang Zixuan. He pursed his lips slightly. "About a week. I will try to complete everything within the time."

Chapter 703 Do You Believe That A Person Can Be Reborn Again

When Han Yuanjun did something, he always paid attention to the quick, accurate, and ruthless method. He never did anything that he wasn't sure of. As long as he did something, that meant he was so sure of the result.

That was why he dared to say such words.

Seeing Qin Yu nod, Han Yuanjun said in a dry voice, "I don't feel reassured just by asking mom to watch Zixuan. After all, she is not like you. I hope big brother and Qin Yu can move here to accompany Zixuan. Is that okay?"

In such difficult times, of course Liang Zixuan needed her own family to be with her.

Liang Zixuan may have shown how strong she was on the outside, but inside she was very fragile. Han Yuanjun could protect her weaknesses, but since he was not there, he could only rely on Liang Jiahao and Qin Yu.

Tian Qihua... In any case, she was an elder. Liang Zixuan was afraid Tian Qihua would be worried, so even if she was in pain, she would hide it. However, Liang Jiahao and Qin Yu were different.

Therefore, Han Yuanjun had made a decision last night. If he could not convince Liang Zixuan and was persuaded by her instead, he would make Liang Jiahao and Qin Yu stay behind and take care of her when he was gone.

This was also the main reason why Han Yuanjun asked Liang Jiahao and Qin Yu to come here today.

As a sibling and Liang Zixuan's elder brother, Liang Jiahao certainly was bound by his duties. "Alright. Qin Yu and I will move here. Leave Zixuan to us, you can rest easy."

"Thank you, big brother." Han Yuanjun patted Liang Jiahao on the shoulder.

Liang Jiahao suddenly turned to Qin Yu. "Qin Yu, you stay here with Zixuan. I will go out with Han Yuanjun to discuss the purchase of Happy Entertainment."

"All right, go." Qin Yu said as she looked at the two of them with a smile. novelusb.com

Han Yuanjun and Liang Jiahao immediately walked out. They both went to the study and closed the door.

Han Yuanjun told Liang Jiahao all the possibilities, and Liang Jiahao did not disagree with his plan at all. With Cha Jinho nearly killing his nephew, how can Liang Jiahao let him live happily?

After the two men finished talking, Liang Jiahao suddenly raised his head. His body was very tense as he asked with a serious expression, "Brother-in-law, the thing that Zixuan told you just now... Do you know who told her?"

Han Yuanjun had been married to Liang Zixuan for so long and Liang Jiahao rarely called him brother-in-law. Although they had such a good relationship, Liang Jiahao did not call him that.

Now when Liang Jiahao said these words, it was a sign of his trust in Han Yuanjun, as well as a change in his attitude toward him.

Han Yuanjun frowned. He wanted to pretend to be confused by Liang Jiahao's question. After all, Liang Zixuan had only told him about her rebirth and did not tell anyone else. This proved that Liang Zixuan, herself, did not want others to know about it.

Han Yuanjun laughed softly. "I don't know anything about that. It's just that Zixuan told me about it before. Maybe Wei Guowei told it himself?"

What a joke.

Who exactly was Liang Jiahao in the first place?

You should know what he did before.

At a glance, he could tell that someone was lying.

Liang Jiahao's face instantly darkened. Even his eyes narrowed as if he was trying to warn Han Yuanjun. "Brother-in-law, do you think you can lie in front of me?"

Han Yuanjun: "..."

How could he forget that Liang Jiahao was an expert in this field?

Han Yuanjun licked his dry lips. He didn't want to say it, but under Liang Jiahao's pressure gaze, he felt that if he didn't answer honestly, Liang Jiahao might hide Liang Zixuan from him while he was away!

Thinking about losing Liang Zixuan, Han Yuanjun became afraid. There was no other way, the person he loved and cherished the most was the sister of the person in front of him.

Han Yuanjun sighed, "Alright, big brother, this is what you want to know. If Zixuan asks, you'll have to speak up for me."

"En." Liang Jiahao said without hesitation. "Don't worry, as long as what you say is true, I will definitely help you."

Han Yuanjun felt complicated. After thinking for a long time and hard, he still didn't know how to start.

The main thing was that Liang Zixuan's story was too mysterious, and Han Yuanjun didn't even know whether Liang Jiahao would believe it or not.

What would he do if Liang Jiahao thought he was just making up nonsense, and then in retaliation, Liang Jiahao hid Liang Zixuan from him?

Liang Jiahao was in no hurry. He just sat there and waited patiently for Han Yuanjun to speak.

After a while, Han Yuanjun said, "Big brother, I can assure you that everything I say next is true, no matter whether you believe it or not."

Liang Jiahao nodded. "Go on."

Han Yuanjun raised his cup and drank the tea. After moistening his throat, he suddenly raised his eyes and looked at Liang Jiahao with a sharp gaze. "Big brother, do you believe that a person can be reborn?"

Liang Jiahao: "..."

What kind of nonsense was this? Liang Jiahao didn't read many books, so he really didn't know and had never given a thought about this kind of thing.

Looking at Liang Jiahao's blank face, Han Yuanjun steeled himself and explained to Liang Jiahao exactly what Gao Nianzu had told him.

After Liang Jiahao heard that, his face became tense. "What do you mean? Have you been reborn, or Zixuan?"

Han Yuanjun raised his hand to support his forehead. "Of course it's Zixuan! If I were reborn, why would I waste my time talking to you!"

Liang Jiahao pursed his lips. His strong heart made him able to accept this a hundred times better than a normal person, but even so, his heart inevitably contracted.

Liang Zixuan, his beloved sister, had died before?

Then, Han Yuanjun slowly explained how he'd met Liang Zixuan and how she'd been kidnapped by Jiang Ning, even the moment when she fell into a coma.

Liang Jiahao said nothing, but his lips were pressed tighter and tighter while his hands clenched into fists.

After Han Yuanjun explained everything, he looked relieved. "So, now you know that if it weren't for Zixuan's rebirth, you and grandmother would have died."

After Liang Jiahao heard this, he was covered in cold sweat, and goosebumps even formed on his skin.

Never in his wildest dreams had he imagined that Liang Zixuan would have a hard life during the ten years he was away.

Never in his wildest dreams would he have expected that she'd be locked up in the house and live a life like a prisoner.

She had been tormented every day, and Luo Yanyun and himself had also been killed by Wei Guowei and Wei Xiaoqing!

It was terrifying to think about it, and it was even more terrifying to think about it now.

Han Yuanjun saw that Liang Jiahao didn't respond for a long time and asked doubtfully, "Big brother, you don't believe what I just said?"

"No." Liang Jiahao lowered his eyelids and bit his lower lip. "I just didn't think... I never thought it would be like this."

"Not to mention you, even I broke out in a cold sweat when I first found out about it. Who'd have thought that such a sweet little girl would have experienced so many horrible things in the past."

Chapter 704 Letting Them Get Away Too Easily

Now that Han Yuanjun had told Liang Jiahao about this, once again, he had experienced the same feelings. Thinking of the few days when Liang Zixuan was in a coma, his heart ached.

Liang Jiahao's ability to accept something could be said to be very strong. He believed in this mysterious thing.

He also believed that Han Yuanjun would never lie to him, and Han Yuanjun would never be able to lie to him about this kind of thing.

Seeing Liang Jiahao's expression getting worse and worse, Han Yuanjun asked anxiously, "Big brother, are you all right?"

Liang Jiahao shook his head and pursed his lips. He suddenly said, "Looks like I'm still too sympathetic to them!"

"Huh?" Han Yuanjun paused and asked, frowning, "Who're you talking about?"

"Wei Xiaoqing, Jiang Huifang, Hou Yingyi!" When Liang Jiahao mentioned these names, a wave of hatred surged from his heart. His eyes suddenly turned red, and his nails dug into his skin until it began to bleed.

"I didn't know anything about these things before, so I still have some sympathy for them. Even though they didn't treat me and Zixuan well, I always felt that it was okay to just teach them a little lesson, but in the end... They were really so cruel to Zixuan before. They even wanted to hurt her!"

Liang Jiahao gritted his teeth and said, "I really don't dare to imagine what Zixuan would face if she didn't meet you."

Even if Liang Zixuan was reborn, but if she didn't meet Han Yuanjun that night, she would still have to go through such a painful decade again. This was too cruel!

As her elder brother, Liang Jiahao cannot accept this!

Although he'd already died once in the ten years of Liang Zixuan's past life, he had no unnecessary feelings about it. After all, he didn't have any experience with it, unlike Liang Zixuan. But what she'd experienced made him hate these three people.

Han Yuanjun exhaled. "Before, when I wanted to take revenge for Zixuan, she asked me to be a little tolerant. After all, she still had some feelings for Yu Meilin, so she wasn't willing to do anything excessing to Hou Yingyi."

"As for Wei Xiaoqing and Jiang Huifang, she said that as long as all their assets are gone and they don't have a single penny left, that's enough. They will have to suffer through all these hardships for the rest of their lives. So I just attacked the company and never did anything to them."

Liang Jiahao nodded. "Zixuan is right. It's very easy to say you want to kill someone, but actually killing them is another thing."

Suddenly thinking of something, Liang Jiahao said, "Last time, Wei Xiaoqing had nearly gone a little crazy because of the nightmare she'd experienced. In order to strive for wealth and pride, she went to see a doctor and treated her illness with incense."

He laughed coldly. "What she didn't know was that the effect of the hallucinations would last forever and will cause severe damage to her brain and nerves. Wei Xiaoqing will definitely go mad in less than five years."

"That won't do." Han Yuanjun shook his head. "You're letting her get away too easily by letting her go crazy. Big brother, I heard that Wei Xiaoqing and Hou Yingyi are getting back together again. Let's help them."

Liang Jiahao smiled slyly in return.

• • • •

Liang Zixuan had already woken up from her sleep and was talking to Qin Yu when Han Yuanjun and Liang Jiahao entered the room.

She was lying on the bed, looking at them with a smile. "What're you guys talking about? You guys took so long."

Liang Jiahao looked at Han Yuanjun silently, then said with a smile. "It's nothing. We were just talking about how to buy Happy Entertainment."

"Oh." Liang Zixuan wasn't feeling suspicious at all. She looked at her infusion bottle and saw that there wasn't much medicine left. She supported her body and wanted to sit up.

Han Yuanjun quickly helped her up by holding her shoulder and placing a pillow behind her back so that she could comfortably lean on the bed.

"After sleeping for a while, I feel better. And hungry..."

Liang Zixuan touched her stomach and said, "The doctor said I can eat something light. Hubby, I want porridge."

"Alright, I'll get it for you." When Han Yuanjun heard that Liang Zixuan wanted to eat something, he immediately became happy and quickly got up to leave.

Liang Zixuan smiled as she watched his retreating figure, wondering how lucky she was to have such a husband.

After a while, Han Yuanjun returned with a bowl of porridge. He sat down beside Liang Zixuan and fed her personally.

Although it was embarrassing since Liang Jiahao and Qin Yu were still in the room, Liang Zixuan knew that Han Yuanjun would still feed her even if she didn't allow him to.

They said Liang Zixuan was stubborn, but in reality, Han Yuanjun was even more stubborn than her.

Han Yuanjun watched Liang Zixuan eat and then asked nervously, "How is it? Do you still want to throw up?"

A trash can, paper towels, and a bowl of warm water were all provided not far. It all depends on how seriously Liang Zixuan would throw up.

Liang Zixuan took a bite and felt that even though her stomach still felt uncomfortable, she could still endure it. She smiled and nodded. "I'm okay."

"Really?" Han Yuanjun was very happy. He scooped up another spoon and brought it to her mouth.

In the end, she did not even finish half of the bowl. Liang Zixuan covered her mouth and waved to Han Yuanjun with her other hand.

Han Yuanjun immediately took the trash can and held it for her. Liang Zixuan spat out everything she had just eaten.

Seeing Liang Zixuan's upset expression, Han Yuanjun's heart ached. He patted her back and calmed her down. "Next time, eat less. No need to rush, hmm?"

Liang Zixuan was afraid Han Yuanjun would feel sorry for her and persuaded her to abort the child again, so she immediately comforted him. "Hubby, I'm fine. I just took medicine, so the effect is not quite there yet. Maybe I might be able to eat something later in the evening."

How could a pregnant woman be fine after not eating for a day?

Han Yuanjun and Liang Jiahao knew what Liang Zixuan was trying to do, but when they saw her strong appearance, they really couldn't bear to say anything else to her.

Liang Jiahao patted Han Yuanjun's shoulder. "You stay here and take care of Zixuan first. Qin Yu and I will go home and pack up. We will move here today." *novelUsb.com*

Han Yuanjun nodded gratefully. "Alright, thank you, big brother."

Chapter 705 Be A Little Considerate

Liang Jiahao and Qin Yu went out. Zhang Feng, Lin Xiu and the others were still in the living room, and Liang Jiahao told them about Liang Zixuan's situation.

Lin Xiu was so touched that she almost cried. "Zixuan is really a good child, and they always say being a mother means being strong. As long as you are a mother, no matter how weak you are, you can be strong."

Feelings like this were something a man cannot comprehend. Qin Shaoqiang and Qin Shanyuan sat there in silence.

Liang Jiahao said, "Qin Yu and I will go back and pack now. We will stay here for a while and help Han Yuanjun take care of Zixuan. Dad, mom, you go back too."

When Tian Qihua heard this, she stood up in embarrassment. "Shaoqiang, Lin Xiu, I did not greet you well this time, please forgive me. When Zixuan is healed, please come back again and I will greet you properly."

Qin Shaoqiang and Lin Xiu were both reasonable people, how come they didn't understand this?

Besides, the two families were already so familiar with each other that there was no such thing as negligence or rudeness.

Lin Xiu nodded. "Auntie, don't worry so much. Zixuan is a strong person, I believe she can do it."

Tian Qihua smiled appreciatively. "Yes, I believe she can do it. No matter what decision they make, I will support them."

Seeing that the Qin Family was ready to leave, Zhang Feng felt a little uncomfortable as he sat there. After all, he wasn't in a position to talk casually with Tian Qihua.

He stood up as well. "Auntie, if there's nothing else, I'll take my leave first. I'll let the doctor stay here until everything is fine. I'll leave two nurses here to help you take care of sister-in-law."

"Thank you very much." Tian Qihua was so grateful that she didn't know how to express her gratitude. She could only say "thank you."

Zhang Feng scratched the back of his head in embarrassment. "Auntie, don't be so formal. You watched me grow up, and now you're suddenly being polite, I feel a little bit embarrassed."

Tian Qihua just smiled. "Let me send you out."

On the way home, Lin Xiu said nothing, she seemed to be daydreaming and lost in thought.

When she arrived home, she walked into the living room and saw the supplement on the tea table that Qin Yu had bought for her. At that time, she was a little upset, but now when she looked back at that item, her heart suddenly warmed.

That's right, a daughter was like a mother's little cotton-padded jacket. How could her daughter not like her?

If Qin Yu really didn't love her, then she'd be like that heartless child who avoided going home to visit her own mother.

Qin Shanyuan approached Lin Xiu from behind. He looked at the box in her hand and said without a hint of care in his eyes, "Mom, are you going to throw it away? Give it to me, I'll throw it away for you."

Lin Xiu turned around and hit Qin Shanyuan's head with the box. "Do you've a heart? Do you know why I keep scolding you? It's because your mother is in menopause! Look at your sister, she knows I'm menopausal and bought this supplement for me. While you... You keep hiding from me every day and don't care about me at all!"

After being knocked down by Lin Xiu, Qin Shanyuan immediately woke up. No wonder Lin Xiu's temper became stranger and stranger, and it became more and more difficult for him to get along with her. It turned out that she was in menopause!

Lin Xiu was so angry that she started to cry on the couch. Qin Shaoqiang quickly went over to her and hugged her, while scolding Qin Shanyuan at the same time. "We're getting older, and we don't expect you to be filial to us. We just want you to treat us better. If you don't want to spend a lot of money buying expensive things for us, you just have to be a little considerate of us. Shanyuan, you really have no heart at all. Look how sad you made your mother."

Ever since Qin Yu knew that Lin Xiu was in menopause, she did not dare talk back to her. At most, she just pushed Liang Jiahao forward, allowing him to coax Lin Xiu to be happy.

At this point, Qin Shanyuan knew that he was indeed inferior to Qin Yu. He sighed in frustration, squatted down in front of Lin Xiu and held both of her hands. "Mom, I was wrong. I really know my mistake. In the future, I definitely will not retaliate if you scold me, and I won't try to avoid you by making excuses to go to the company anymore." *novelusb.com*

All the parents in the world won't have the heart to blame and be angry with their children.

Today, when Lin Xiu saw how Liang Zixuan was protecting her child, she quickly remembered how hard it was for her to give birth to Qin Shanyuan and Qin Yu.

No mother wouldn't love her own children, especially after they had bonded for 10 months.

Lin Xiu touched Qin Shanyuan's head and said as she choked on sobs. "I know I've always said things you didn't want to hear, but Shanyuan, I did this because I love you. Please stop hiding from me, okay?"

"Mom." Lin Xiu was a proud woman and yet, she took the initiative to admit her mistakes. This made Qin Shanyuan ashamed. "Mom, you didn't do anything wrong, I'm a bad son. You can scold me whenever you want, and don't worry, I won't take it to heart. If you want me to find a girlfriend, I'll try to find her."

Who can guarantee they won't make mistakes in their lives?

At this moment, Qin Shanyuan finally realized his mistake. He made up his mind that from now on, he would care more about his parents, and be more tolerant toward them, and have less complaints.

Lin Xiu nodded with satisfaction and wiped the tears from her face. She suddenly said, "Since you are so sensible, I will arrange a blind date for you starting tomorrow onward. Go and bring your girlfriend home!"

Qin Shanyuan: "..."

Oh my God ...

He was going crazy!

Chapter 706 How Could This Man Be So Domineering

When Liang Jiahao and Qin Yu returned home, Liang Jiahao took out his own luggage and Qin Yu's luggage and began stuffing things into them. Qin Yu stood by the door of the cloak room and ordered, "Xiao Liang, don't forget to pack my clothes in that luggage and the white luggage."

"Oh yes, don't forget to take all the hairpins from the second drawer, and also ten pairs of high heels."

Liang Jiahao listened to Qin Yu's command and packed her belongings.

Qin Yu told him to pack everything in the cloak room. Three luggage were full of Qin Yu's belongings and yet, there were still some that had not been packed.

Liang Jiahao raised his head and looked at Qin Yu with amusement. "If you bring all this with you, then what about your dolls? Where will you put them?"

"Oh God, I forgot my babies!" Her entire bedroom was filled to the brim with her dolls. Even if guests came here, as long as they entered this room, they would be able to guess that this was her room. It was so girly.

Qin Yu took off her shoes and sat on the bed, hugging Bicaku and her dragon plush doll. Then she turned to the teddy bear and the dog plushie and was so depressed that she almost cried. "What am I going to do? There are too many of you, so who should I take with me?"

Liang Jiahao smiled and shook his head. He looked at the dolls for a while and then said, "How about this: today, we will take Bicaku and Wuying first because you cannot sleep without them. As for the rest, I'll come back later and help you get them."

Qin Yu threw the plushie in her hand away, got up from the bed and hugged Liang Jiahao's neck. She happily kissed his lips. "You are too good, I love you so much!"

Liang Jiahao raised his eyebrows and enjoyed Qin Yu's sudden confession.

Qin Yu let go of him, turned around to pick up the dragon plushie, and said to him, "See, your daddy loves you too! He will bring you later, okay?"

Liang Jiahao: "..."

Liang Jiahao put the luggage in the car trunk, all the luggage belonged to Qin Yu. He only brought spare clothes, nothing else.

Qin Yu's shoes were all stuffed into the trunk and even the back seat was full.

Qin Yu looked at Liang Jiahao happily and gestured with her hand, "Stinky shrimp, let's go!"

Liang Jiahao smiled and shook his head. He thought to himself, 'When will this girl grow up?'

If only she could be like this all the time...

It would have been great if she could not grow up.

He could always spoil her, love her, make her character always so naive.

Liang Jiahao knew that Qin Yu was only like this when she entertained her close friends. With others, she would keep her naivety away and could stab anyone who wanted to hurt her.

When Liang Jiahao drove the car into the parking lot, the housekeeper was already there waiting for him and Qin Yu. When the housekeeper saw the car had stopped, he immediately waved to the servants next to him. "Quick, help unload the stuff in the car and bring them into the house."

Liang Jiahao and Qin Yu got out of the car. The housekeeper immediately walked over and said, "Young Master has prepared a room for you two....."

At this point, he abruptly paused, then smiled and asked, "I am not sure if you two want to stay in the same room or in a separate room?"

Liang Jiahao: "Same room."

Qin Yu: "Separate room."

The housekeeper: "..."

Qin Yu looked at Liang Jiahao gloomily. She wanted a room to herself, but Liang Jiahao hugged her neck and said firmly, "One room is enough, sorry to bother you."

"Hehe ... it's no trouble at all."

The housekeeper couldn't help but laugh when he saw Qin Yu's shy and scared face. He never expected that there would be someone Qin Yu was afraid of.

Qin Yu walked inside the house with Liang Jiahao's arm around her shoulder. After the housekeeper left to get everything ready, she angrily pushed Liang Jiahao's arm away. "Xiao Liang!"

Liang Jiahao looked at her as if nothing had happened. "Hmm?"

Qin Yu almost fainted from anger. How could this man be so domineering!

"I want to sleep in a separate room. This is uncle's house!"

"No way!" Liang Jiahao pulled Qin Yu's hand and walked towards the staircase with her. "I can tolerate everything else, except this one thing."

What a joke.

A man who'd already tasted the sweet meat for the first time in his life, how can he stand it if you suddenly won't let him eat you?

Besides, last night, after hearing Qin Yu's words in the bathroom, Liang Jiahao suddenly felt that he could be dominant in something like this.

And he could be overbearing to the point of self-righteousness.

This saved the little girl from thinking that he wouldn't take the initiative.

Honestly, even though Qin Yu said she wanted to sleep separately, she was happy with Liang Jiahao's domineering attitude. At this point, she understood little of what Han Yuanjun had said before, that once they had slept in the same bed, they could no longer bear to be apart from each other, even for a short time.

The housekeeper came back and showed them their room.

••••

Liang Zixuan was very protective of the child in her womb, so when the doctor said she couldn't leave the bed, she really didn't get up. She stayed on the bed until now.

When Qin Yu came in and saw Liang Zixuan was still in the same exact position, she felt a bit pained. "Auntie, why don't you get up and sit down for a while?" *nOvELUSb.COM*

Liang Zixuan also felt that her body had become numb. With the support of Han Yuanjun, she sat up.

"Auntie, why don't you get a wheelchair? I can push you outside to bask in the sun during the day. It's better than lying in bed all the time."

During the day, Han Yuanjun and Liang Jiahao both had to go to work, leaving only Tian Qihua and Qin Yu at home. Liang Zixuan couldn't just lie there forever and let Tian Qihua and Qin Yu stay in the room with her until they grow moldy, could she?

"Then... Hubby, can you ask the doctor about this?" Liang Zixuan looked at Han Yuanjun expectantly.

Han Yuanjun pinched Liang Zixuan's soft cheek. "Little idiot, I knew you couldn't lie down all the time, so I asked the doctor just now. She said that you can go for a walk. I've already ordered someone to buy the wheelchair."

"Haha, that's great!" Qin Yu laughed even more happily than Liang Zixuan, because she was more of a person who couldn't stay idle, unlike Liang Zixuan.

If she were to stay in the room all day, she'd definitely go crazy.

Liang Zixuan also smiled happily. She pulled Han Yuanjun's hand down from her face and held it tightly in her palm. "Hubby, you're the best!"

"Aiya, Zixuan, my Zixuan!"

Suddenly, Old Madam Han's anxious voice sounded outside the door. Everyone looked toward the door and saw Old Madam Han walking toward them with her cane in her hand and legs full of energy.

Chapter 707 Children's Toy Section

Liang Jiahao walked up to Old Madam Han and reached out to support her. "Grandmother, slow down. Don't be in such a hurry."

Luo Yanyun's voice could also be heard from behind Old Madam Han. "Zixuan. My Zixuan."

With her sharp eyes, Qin Yu saw that Luo Yanyun was practically running, but why didn't she catch up with Old Madam Han?

Qin Yu didn't know, but she immediately stood up and held Luo Yanyun's hand. "Grandmother, don't worry. Auntie is fine. She's healthy."

The two old women were helped to bed. When they saw Liang Zixuan greeting them with a smile, their hearts finally calmed down.

When Han Yuanjun called them, he'd told them about Liang Zixuan's situation and her final decision.

Old Madam Han held Liang Zixuan's hand and said with heartache. "What do you want to eat? Tell grandmother and I'll ask the cook to cook for you."

Liang Zixuan smiled. "Grandmother, don't worry. I'll take good care of myself. Big brother and Qin Yu are also here to take care of me. Don't worry about me. You should focus more on your health."

Old Madam Han's face was filled with satisfaction as she nodded her head. "Good, good, very good. Seeing you like this, I can finally relax."

Luo Yanyun: "..."

Old Madam Han had said everything she wanted to say, what else could she say? [novelusb.com](http://www.novelusb.com)

Luo Yanyun suddenly felt someone's burning gaze from behind her. When she turned around, she saw that the gaze came from Liang Jiahao.

Normally, Liang Jiahao would look at her calmly, but today...

"Jiahao..." Luo Yanyun raised her hand and rubbed her face. "Why are you looking at me like that?"

Liang Jiahao pursed his lips. Thinking back to what Han Yuanjun had said, that Luo Yanyun had died under a bridge with only a straw mat covering her body, his heart ached.

He smiled at Luo Yanyun and said, "It's nothing. I'm just very happy to see you in good health now."

Luo Yanyun was confused by Liang Jiahao's words. She looked at Qiao Hongya. "What's wrong with this child? Why did he suddenly say that? It scared me."

Qiao Hongya was also confused, but he just shrugged it off as Liang Jiahao's concern for his elders. He put his hand on Luo Yanyun's shoulder and smiled. "This child just wants to show his filial piety and deep love to you, don't make a fuss about it."

"Oh!" Luo Yanyun also decided to shrug off this matter and turned to Liang Zixuan.

Liang Jiahao stared at Luo Yanyun for a moment before his burning gaze shifted to Liang Zixuan.

Liang Zixuan happened to raise her head and met Liang Jiahao's gaze. She was a little shocked but then began to talk to Old Madam Han and Luo Yanyun.

After half a day of adjusting, Liang Zixuan was finally able to eat a little. After Han Yuanjun fed her half a bowl of porridge, she smiled with satisfaction, "Ah... The feeling of not throwing up after eating is too great!"

Luo Yanyun, who was sitting on the side, laughed. "You and your mother are carved from the same mold, you are both just as stubborn."

Liang Zixuan pouted. "It's because mom is so stubborn that I came into this world. I have to thank her for her stubbornness."

"Okay, okay, I really can't say anything to you." Luo Yanyun had no other choice. Although she was still worried about Liang Zixuan, her mood improved when she saw Liang Zixuan's condition gradually improve.

By the second day, Liang Zixuan was able to eat some fruit without vomiting. However, when she inhaled something unpleasant, she still felt nauseous.

The doctor told Han Yuanjun, Liang Jiahao and Qin Yu: "Mrs. Han's condition has improved well. Many pregnant women who have signs of miscarriage usually need to be treated for at least a week before they can eat. But looking at Mrs. Han's condition here, her chances are very optimistic."

Hearing the doctor's words, the three of them heaved a sigh of relief.

Thanks to Liang Zixuan's careful self-care, the child in her womb became healthy. So for the time being, the child can be considered saved.

However, she still needed to rest and not become careless.

Two weeks later, a day before Han Yuanjun's departure for Korea, Liang Jiahao went to the hypermarket with Qin Yu to buy goods. Since Qin Yu liked to eat, Liang Jiahao will provide a lot of food for her.

They both pushed the shopping cart and bought the entire cart of goods at the hypermarket. Suddenly, Qin Yu thought of something and said to Liang Jiahao, "Xiao Liang, let's go to the children's toy section."

Liang Jiahao looked at her helplessly. "Zixuan still has six months before she gives birth. Why do you want to see the toys now?"

Qin Yu pouted. "I just want to look around. It's fine if we just take a look, right? When the time comes, we just need to buy it."

Liang Jiahao had no choice but to push the cart together with Qin Yu towards the children's section.

Qin Yu said she just wanted to look around for the baby, but when she saw a cute and fluffy little doll on the shelf, she was overjoyed as if she wanted to buy it for herself. "Xiao Liang, look at this! So cute!"

Liang Jiahao couldn't help but laugh. "Do you want to buy it for your little nephew or do you want to buy it for yourself?"

"Of course for my nephew. I just miss the old days. I never bought the doll myself, mom, my big brother and the others bought it for me."

Qin Yu suddenly thought of something. "What if auntie gives birth to a little sister? Let me take a look first."

Liang Jiahao caressed Qin Yu's hair affectionately. "If you like it, just tell me. I'll buy it for you, even if it's custom-made."

"Alright!" Qin Yu hugged Liang Jiahao joyfully. She stood on her tiptoes and kissed his chin. "Then I'll take a look around first."

How to spoil your girlfriend and cherish her?

You'll only need to satisfy her girl heart no matter what.

Qin Yu picked this one up and looked at the other one. Then she would turn around and ask Liang Jiahao, "This one is cute, right?"

As long as Qin Yu asked, Liang Jiahao would definitely nod and say, "Lovely."

Qin Yu took all the dolls from the shelf and looked at them one by one. When she finally turned around with a big white bear in her arms, she suddenly cried out in surprise.

Chapter 708 Wei Xiaoqing Is Pregnant

Liang Jiahao looked up and caught sight of Wei Xiaoqing and Hou Yingyi standing in the pregnant women's section, buying maternity supplies.

Qin Yu walked over to Liang Jiahao with a big white bear in her arms and whispered, "What're they doing here? Haven't they already broken up?"

Liang Jiahao sneered coldly. "Wei Xiaoqing is pregnant. I think they're going to get married soon."

"What?!" Qin Yu was so shocked that her eyes opened wide. "M-marry?"

"Yes." Liang Jiahao didn't want to tell Qin Yu too much about them, so he patted her back. "Are you done? If so, let's go."

Qin Yu walked back and put the big white bear back on the shelf, then looked at Wei Xiaoqing and Hou Yingyi again. "This world is so strange. Wei Xiaoqing is pregnant again? And her soon-to-be husband is Hou Yingyi? Oh heavens... It's so amazing!"

The reason Qin Yu found this so amazing was that she didn't know what had happened between Wei Xiaoqing and Hou Yingyi last month.

On the day of Liang Zixuan and Han Yuanjun's wedding, Wei Xiaoqing and Hou Yingyi had gotten drunk and had a one-night stand.

The two were old acquaintances, and at that time, they'd shared a sense of mutual grievance. More importantly, Hou Yingyi was in the mood to play.

Any woman was fine, and it just so happened that the woman at that time was Wei Xiaoqing.

What Hou Yingyi didn't expect was that Wei Xiaoqing's heart had been dead since she left Liang Zixuan's wedding venue. When she saw Hou Yingyi again, she fully considered him as the last hope of her life. How could she not seize such a good chance?

Therefore, after that night, Wei Xiaoqing did not take a contraceptive pill and wanted to conceive Hou Yingyi's child.

Wei Xiaoqing was a very cunning woman, especially when it came to men. She had really inherited Jiang Huifang's cunning behavior.

After that day, she did not take the initiative to find Hou Yingyi, as if that night had never happened.

Hou Yingyi thought they were just having a one-night stand, but he never thought that a month later, Wei Xiaoqing would slap him in the face with a pregnancy report.

At that time, Hou Yingyi was flirting with a big-breasted woman at the bar, and they were both playing with each other in a private room.

Suddenly, the door of the room was kicked open by someone, and Wei Xiaoqing and Jiang Huifang rushed in.

Hou Yingyi was so angry that he almost went crazy. He suddenly stood up and slapped Wei Xiaoqing hard on the face. "Wei Xiaoqing, are you crazy!"

Wei Xiaoqing's face tilted to the side and her mouth was filled with the taste of blood. She slowly raised her gaze and slapped Hou Yingyi's face. "Hou Yingyi, you son of a bitch! How dare you flirt with another woman behind my back!"

Hou Yingyi was shocked and stunned on the spot by Wei Xiaoqing's slap. After being stunned for a while, he shouted angrily, "Wei Xiaoqing, did you take the wrong medicine? Since when did what I do have anything to do with you? Who are you trying to fool around? My affairs have nothing to do with you!"

"You are such a bastard who will not admit his mistake after having his fill!" Wei Xiaoqing gritted her teeth in anger and opened her bag right in front of Hou Yingyi. She took out the pregnancy report she had received just this morning and brutally threw it in Hou Yingyi's face. "Bastard, open your eyes and see. I am pregnant with your child!"

Suddenly, muffled thunder exploded in Hou Yingyi's head. He stood there stunned for a moment before taking the report and looking at it. Wei Xiaoqing's name was written at the top, and "Positive Pregnancy" was written underneath.

Hou Yingyi raised his head in confusion. He looked at Wei Xiaoqing's wronged face and suddenly understood something. He grabbed the pregnancy report and gritted his teeth before tearing it into pieces. "Wei Xiaoqing, you bitch. You're getting pregnant on purpose, aren't you? You already planned everything beforehand, didn't you?!" *novelUSB.com*

Wei Xiaoqing not only wasn't angry, she even pretended to be hurt and was wrongly accused. She really showed Hou Yingyi everything she'd learned in film school.

"Yingyi, how can you talk about me like that?" Wei Xiaoqing was so upset that tears fell from her eyes. "I clearly love you! You know, I've been following you since I was little. In all this time, has there ever been another man by my side beside you?"

As Wei Xiaoqing spoke, she glared at the woman Jiang Huifang was holding and cried. She pointed at the woman and said very sadly, "Look at you, you mess around outside every day. The women around you keep changing over and over again, but what about me? From beginning to end, all I've is only you!"

Hou Yingyi was a man with a soft heart. Wei Xiaoqing's words reminded him of the scene he'd shared with her. At that time, she'd said that he'd never really cared about her during their relationship. Unlike her, who'd always been loyal to him.

Seeing Hou Yingyi's expression change, Wei Xiaoqing shouted hoarsely. "Yingyi, I already lost my child once because of your mother, do you still want me to lose this child too?"

"I - I ..." Hou Yingyi was so confused by Wei Xiaoqing's cry that his brain stopped working. He was really shocked. Seeing Wei Xiaoqing's sad and pained expression, he walked up to her and hugged her. "Xiaoqing, don't cry. It's all my fault. Don't cry, okay?"

Wei Xiaoqing hugged Hou Yingyi, but didn't stop crying. Instead, she cried even harder, as if her heart was broken.

It was as if she had been greatly wronged.

Jiang Huifang stood there and quietly gave a thumbs up to Wei Xiaoqing when she saw that Hou Yingyi could do nothing but obediently give up.

Wei Xiaoqing smiled contentedly before she continued to moan and cry...

That night, Hou Yingyi really did his job and spent his time comforting Wei Xiaoqing in her house.

On the morning of the second day, they both arrived at the Hou Family home together with Jiang Huifang.

When Yu Meilin and Hou Shihong heard that Wei Xiaoqing was pregnant again, Yu Meilin exploded on the spot. Hou Shihong, on the other hand, had a cold expression on his face as he glared at Hou Yingyi.

Hou Yingyi's heart sank when he saw the expression on his parents' faces.

Chapter 709 Don't Think My Words Are Unpleasant

"Yingyi, follow me!" Yu Meilin did not feel like talking to Jiang Huifang and Wei Xiaoqing at all. She stood up angrily and called Hou Yingyi into the study.

Hou Shihong also did not want to look at Jiang Huifang and Wei Xiaoqing's shameless faces and followed them.

"Yingyi, what's wrong with you? Didn't you hate Wei Xiaoqing before? How can you have anything with her again?" Yu Meilin asked rudely.

Hou Yingyi bit his lip and said sadly, "That was before, but now, she's pregnant with my child. I can't ignore her."

Yu Meilin was so angry that she cursed loudly, "She, Wei Xiaoqing, is a complete slut. How do you know that the child in her belly is yours?"

"I just know!" Hou Yingyi was very confident about this. "She has been following me since she was 16. For years, she has never flirted with any men."

"Then what about that lousy director?"

Yu Meilin actually knew how to poke Hou Yingyi everywhere, making his heart, spleen, lungs and kidneys ache.

Yes, how could he forget about that?

Hou Yingyi lowered his head, not knowing what to say.

Yu Meilin bitterly slapped Hou Yingyi's shoulder. "You... Do you know how broken shoe Wei Xiaoqing is? Do you know how much work she did with other men outside? Women like her, whoever marries her will never be able to live in peace!"

From a young age, Hou Yingyi was especially afraid of Yu Meilin and Hou Shihong. As long as Yu Meilin did not agree, he would not dare to do anything.

But this time, he did not expect something like this to happen.

"Mom ..." Hou Yingyi immediately admitted his defeat to Yu Meilin. "What am I supposed to do now? That person is already here, I can't drive her away."

"You worthless thing!" When Yu Meilin saw the useless appearance of Hou Yingyi, her body immediately filled with anger. She crossed her arms in front of her chest and said rudely, "If you don't admit it, what can she do to you? If she has the ability, she can give birth to her child on her own. After that, you can do a DNA test. If the child is really one of ours, then we can kidnap the child."

Hou Yingyi was so depressed that he didn't dare to say anything. However, he felt what Yu Meilin said made sense.

He'd been drunk last night, so his mind wasn't so clear. Combined with the fact that Wei Xiaoqing was crying in front of him, he was immediately at his wit's end.

Right now, he didn't harbor any romantic feelings for any women, so it didn't matter who he slept with. As for who he'd marry, that would always be for Yu Meilin to decide.

Seeing that Hou Yingyi was silent, Hou Shihong said coldly, "Your mother is right. Do what she says! Yingyi, don't say anything for now. Let your mother handle it."

Wei Xiaoqing was a scoundrel and Jiang Huifang was a shrew, so it was obvious that Hou Yingyi was no match for them. Only Yu Meilin was fit to be a bad person here.

After all, it's not like she hadn't done this before.

"Then it's decided." Yu Meilin patted Hou Yingyi on the shoulder again. "If you don't know how to deal with Wei Xiaoqing, then don't come out. Wait here and wait for me to get these two big problems out of the way."

Outside in the living room, Jiang Huifang looked at the tightly closed study door before looking at Wei Xiaoqing with concern. "Xiaoqing, mom has a feeling that Yu Meilin and Hou Shihong won't admit it. Are you really sure you can convince them?"

"Mom, don't worry." Wei Xiaoqing said confidently, "I promise they'll gladly let me enter their family's door."

After chatting for a while, they suddenly saw the door of the study open and Yu Meilin and Hou Shihong stepped out. Wei Xiaoqing and Jiang Huifang immediately stopped talking. Wei Xiaoqing looked at them with a smile, Jiang Huifang, on the other hand, was on her guard.

Yu Meilin and Hou Shihong sat opposite of them. Wei Xiaoqing looked towards the study and pretended to be confused. "Auntie, where's Yingyi? Why hasn't he come out?"

Yu Meilin was in no mood to chat with Wei Xiaoqing, she went straight to the point. "Wei Xiaoqing, since our families are old acquaintances, there's no need for us to complicate this matter any further. I just want to say one thing, if you want to enter my Hou Family's door, you can only dream about it!"
novelUSB.com

"Haha ..." Wei Xiaoqing wasn't angry, instead laughed. "Auntie, don't be like this. I'm carrying Yingyi's child here. Even if you don't like me, don't tell me you don't want the Hou Family's seed in my womb?"

"Tch ..." Yu Meilin sneered and looked at Wei Xiaoqing like she was a clown. "Wei Xiaoqing, we're already so familiar with each other, don't try to trick me. I really don't believe that the child in your belly belongs to my Yingyi. Who doesn't know who you are? Others may not know, but how can I not know? Just like your mother, you always have deep thoughts on everyone, especially men. Don't think I don't know that you deliberately set this trap for Yingyi!"

When Yu Meilin saw the change in Jiang Huifang's expression, she paused and smiled. "Don't think my words are unpleasant. In any case, this is your nature. Our Hou Family won't dare to accept a woman who can put her own father in prison! Who knows, maybe one day you'll be so crazy that you'll sell us all out and steal our money too. I mean, that was exactly what you did to your father, wasn't it?"

"Yu Meilin, what're you talking about!" Jiang Huifang immediately exploded.

As a mother, how could she let others talk about her child like that?

Her eyes were glaring at Yu Meilin, and she immediately put on an appearance of an unreasonable shrew. "Let me tell you that this child belongs to Hou Yingyi and your Hou Family must acknowledge him! If you don't, I'll spread this news everywhere! I will tell everyone in Imperial City that Hou Yingyi and the Hou Family are both shameless bastards! At that time, I want to see what kind of girl is still willing to marry Hou Yingyi!"

This was pure shamelessness.

Yu Meilin angrily slapped the tea table, her voice suddenly rising a few notches while cursing, "You and your daughter are such a bitch, who will believe what you say? Even if others hear about this, they will clap and cheer for my Yingyi! Your daughter is a broken shoe, do you really think that all the people in this world are stupid? Let me tell you, Jiang Huifang, I, Yu Meilin, won't acknowledge this child no matter what!"

Jiang Huifang pointed her finger at Yu Meilin's nose and threatened, "Who're you calling a bitch? Huh? Who're you scolding!"

Chapter 710 The Dowry

"I'm scolding you, what's wrong?" Yu Meilin raised her chin fearlessly and sneered in disdain. "A woman who stole someone else's husband and has a mistress position, if you're not a bitch, then what are you? That year, Yingyi and Zixuan were doing well, but your daughter decided to stick her foot in their relationship. Let me tell you, just based on Wei Xiaoqing's morals alone, it's impossible for me to accept her into our Hou Family!"

And at the end, she added, "Don't even mention Yingyi, anyone else who has anything to do with her will be unlucky. Look at Wei Guowei, what happened in the end. With such morals, I don't believe any man will dare to marry Wei Xiaoqing!"

Jiang Huifang was so angry that her face turned red. Even her eyes became red, like a devil's. She never thought Yu Meilin's mouth could be so poisonous.

It's a hundred times more poisonous than her!

"Ah!" Jiang Huifang shouted angrily. She stood up abruptly and tried to punch Yu Meilin, who was sitting opposite her. She clearly had gone mad.

Wei Xiaoqing immediately grabbed Jiang Huifang. "Mom, what are you doing? We're here to negotiate, not to attack each other!"

"Tch!" Yu Meilin crossed her arms in front of her chest and looked down at the mother-daughter pair. "You came to my house to attack me? That's just great! I wonder how people will react when they find out about this."

"Xiaoqing!" Jiang Huifang was dragged away by Wei Xiaoqing, making her unable to hit Yu Meilin and vent her anger. She felt wronged and was heartbroken as she said, "She can scold me, but I can't allow her to scold you like that!"

Jiang Huifang felt very sorry for Wei Xiaoqing. Even if Yu Meilin agreed to let Wei Xiaoqing marry Hou Yingyi, it didn't mean that Wei Xiaoqing would have a good life in the future.

What mother didn't want the best for her daughter?

What mother didn't want her daughter to be loved by a man in every possible way?

What mother was willing to see her daughter suffer even more after marriage?

Wei Xiaoqing shook her head and waited for Jiang Huifang to calm down before turning to Yu Meilin. "Auntie, I know you don't like me. From the beginning, you've been judgmental and always against me."

Seeing Wei Xiaoqing's kind attitude, Yu Meilin turned her head away in disgust. "You mother-daughter pair really acted so well. To whom are you putting on an act for?"

"No matter what you think of me...." Wei Xiaoqing looked as if she hadn't been scolded by Yu Meilin just now and said kindly, "But please give me five minutes, and let me finish what I want to say. If you still don't agree with me after that, I will leave. I will never bother your family again."

Yu Meilin was about to say something when Hou Shihong raised his hand and stopped her.

In the Hou Family, Yu Meilin always did bad things while Hou Shihong stood by the side, watching coldly. However, the confidence on Wei Xiaoqing's face, as if they would definitely agree with her after she finished speaking, made Hou Shihong extremely interested in what she was going to say.

"Alright, I'll give you five minutes. We are all ears."

Wei Xiaoqing was very pleased with Hou Shihong's attitude. Finally, there was someone who was reasonable within the Hou Family.

She smiled and looked directly into Hou Shihong's eyes. She casually said, "Auntie, uncle, you both know that my father is in prison right now and his company is in my hands. Therefore, if the Hou Family would let me in and marry Yingyi, I am willing to use the company as a dowry. When the company passes to Yingyi, he will have the share."

For Hou Shihong, having Yuan Now as a dowry was like a big cake falling from the sky.

He was a businessman, and everything depended on the interests. Since Wei Xiaoqing had put a delicious cake in front of him, as long as he sacrifices Hou Yingyi, he can take the company for himself.

Yu Meilin saw Hou Shihong's small smile and became uneasy. "What are you thinking about? You are not really going to agree to her request, are you? I heard that she was cheated by someone before, and even if she sells the two buildings, no one dares to buy them. Don't you dare accept this hot potato!"

Hou Shihong glared at Yu Meilin and she immediately closed her mouth and stopped talking.

Hou Shihong smiled warmly at Wei Xiaoqing. "Xiaoqing, don't mind your auntie. She is always like this."

Wei Xiaoqing smiled politely. "But of course. I have always known that auntie is sharp-tongued, but inside she's gentle. She's actually a good person."

Yu Meilin: "..."

Why did she feel so flustered after hearing Wei Xiaoqing's compliment?

Hou Shihong pushed his glasses off the bridge of his nose and confirmed with Wei Xiaoqing again. "Are you really willing to let us take over the company?" *novelUSB.com*

When Wei Xiaoqing heard this, she immediately knew that she had succeeded in getting Hou Shihong's approval. She was genuinely happy. Her face also showed a smile that came from the bottom of her heart.

"After I marry Yingyi, the company is still mine since he became my husband. So what does it matter? It's just an ownership change, I don't mind."

"All right!" Hou Shihong immediately slapped the table and said, "After you have completed the transfer of the shares, you and Yingyi can go and get the certificate."

"Uncle, you have got it wrong." Wei Xiaoqing smirked slyly, "If I transfer Yuan Now to Yingyi before we get married, what if he decides to run away later? If you really want Yuan Now, let Yingyi and I get the certificate first, and then we can discuss the shares' transfer."

Hou Shihong was slightly surprised. He never expected Wei Xiaoqing to have such a brain.

But it was also true that without such a brain, it was impossible for Wei Xiaoqing to put Wei Guowei in prison.

It seemed that Wei Xiaoqing had already planned this well before she came here.

Although Hou Shihong wasn't happy about being tricked by her, he wanted Yuan Now too much.

His company was in the steel business and had always supplied steel to the real estate industry. If he could own a real estate company, he would be able to construct a building with the cheapest raw materials and make a good profit.

After all, Hou Shihong had lived for so long. As soon as Wei Xiaoqing said she was going to use Yuan Now as a dowry, he already had an idea in his heart. He firmly believed that an immature and inexperienced Wei Xiaoqing was no match to a sly old fox like him.

Hou Shihong smiled and asked in a good mood, "Other than this, do you have any other requests?"

"I have one." Wei Xiaoqing suddenly became serious and said word by word. "I want a grand wedding. Even if it's not as grand as Liang Zixuan and Han Yuanjun, I still want something similar. At the very least, it must not be too different!"
