

Beauty 721

Chapter 721 If You Protect Liang Zixuan From Me Tonight, I'll Divorce You

Liang Zixuan was in no mood to think about what had happened tonight. She just felt as if her world had collapsed and wanted to escape to a place where no one knew her.

Now, Hou Yingyi suddenly asked this question, Han Yuanjun's stern face flashed through her mind.

She had known Han Yuanjun for a long time. They had been married for almost two years, didn't she understand his personality very well?

Han Yuanjun was nothing like the man in front of her.

Han Yuanjun was Han Yuanjun, he would never do anything to hurt her. Tonight... There must be some kind of misunderstanding!

She should give him a chance to explain.

Seeing that Liang Zixuan was silent, Hou Yingyi suddenly laughed. "What, don't tell me you guys are fighting?"

He raised his hand to pat Liang Zixuan's shoulder and said very generously, "It's okay, I'll lend you my shoulder for as long as you want tonight."

At this moment, the door of the private room was suddenly kicked open. Wei Xiaoqing, like Liang Zixuan, was also wearing a large set of maternity clothes while standing at the door, looking at the person inside with a fierce expression.

When she saw Liang Zixuan, she immediately went berserk. "Liang Zixuan! What are you doing here?"

Liang Zixuan turned to Wei Xiaoqing and said calmly, "We happened to meet each other."

"Liang Zixuan, you bitch!" Wei Xiaoqing rushed towards Liang Zixuan. She grabbed her hair, "You already have Han Yuanjun and yet, you are still not satisfied and trying to seduce my man? You really can't see me being happy, can you? Why are you so despicable?"

Liang Zixuan subconsciously moved to the side and narrowly avoided Wei Xiaoqing's hand. By this time, Hou Yingyi had already stood up and walked around the tea table, past her.

He grabbed Wei Xiaoqing's hand and stopped her from doing anything to Liang Zixuan.

"Are you sick?!" Hou Yingyi cursed angrily.

It wasn't easy for him to find an opportunity to talk to Liang Zixuan alone, but Wei Xiaoqing had ruined it. How could he not be angry?

Originally, Wei Xiaoqing was upset when she saw Hou Yingyi and Liang Zixuan together, even though they were just sitting there. Now that Hou Yingyi actually came to stop her, even scolding her for being crazy, Wei Xiaoqing was like a madwoman on the scene, struggling as she hit Hou Yingyi's body with her fists.

"Hou Yingyi, you've no conscience at all! I'm pregnant with your child, but you're actually scolding me for this bitch? Are you still a man!"

"Because I'm a man, I can't let you slander Zixuan like that!" Hou Yingyi said angrily.

Wei Xiaoqing laughed sarcastically. "Hou Yingyi, don't tell me you feel sorry for Liang Zixuan?"

Hou Yingyi pursed his lips. The meaning was clear on his face, he felt heartache for her.

Previously, when he did this thing with Wei Xiaoqing, he had told her that he loved Liang Zixuan the most and had never loved her. And even now, he had expressed his feelings towards Liang Zixuan, so even if he admitted it in front of these two women, he felt that it was not wrong.

"Wei Xiaoqing, I'm warning you, don't play any tricks in front of me. Otherwise, I'll make you suffer the consequences of your actions!"

"Hahaha..." Wei Xiaoqing shook her head as she looked at Hou Yingyi mockingly. Her eyes suddenly turned red. "You will make me suffer the consequences? Hou Yingyi, we just received our certificates and the wedding hasn't even been held yet, but you dare to treat me like this? If I give you Yuan Now, would you step over my head later on?"

Wei Xiaoqing tilted her head and looked at Liang Zixuan for a moment, then looked back at Hou Yingyi. "Hou Yingyi, have you thought it through? If you protect Liang Zixuan from me tonight, I'll divorce you." *novelusb.com*

Hou Yingyi's face sank as his heart began to waver.

Hou Shihong had told him to endure Wei Xiaoqing no matter how outrageous or arrogant she was. He had to put up with her until she transferred the company's shares to him before he could deal with her one by one.

Hou Yingyi could not bear to look back at Liang Zixuan. This was probably the only chance he had to show his loyalty in front of her. If he really allowed Wei Xiaoqing to hurt her, then Liang Zixuan would get into a lot of trouble.

"Hou Yingyi!" Wei Xiaoqing raised her voice and shouted at him. "Have you thought this through? Is it worth it for you to oppose me like this just for a woman who has become someone else's wife?!"

That's right ... Liang Zixuan already had Han Yuanjun in her heart, so how could she fall in love with him, no matter how much he did now?

At this thought, Hou Yingyi slowly released his grip and turned to Liang Zixuan with an apologetic smile. "Zixuan, how about you leave first?"

Liang Zixuan sneered inwardly. The man who had confessed that he loved her just ten minutes ago had once again put her in danger for benefit.

Was this the kind of love he was talking about?

What a cheap love!

"Why are you asking her to leave?" Wei Xiaoqing angrily pushed Hou Yingyi's body. "Go, watch the door. If you let go of this bitch today, I will divorce you!"

Hou Yingyi's heart ached when he saw Liang Zixuan's mocking look. Nevertheless, he couldn't help but walk to the door.

Liang Zixuan took a deep breath as she sat down on a couch, firm as Mount Tai. She looked at the orange juice the waitress had brought, then suddenly raised her head and smiled at Wei Xiaoqing.

Wei Xiaoqing looked at the juice on the table. She was a bit thirsty and her mouth was dry from the fight, but she wasn't that stupid. How could what Liang Zixuan didn't drink be good?

She laughed mockingly, "Bitch, don't try to fool me. I'm telling you, this trick is useless to me!"

She raised her hand and pointed to her own face. "Don't you know how badly I have been hurt by you and your brother? I have long wanted to kill all of you, but I never had the chance to do so. You surrendered to my doorstep today and you also seduced my man in front of me. Just you wait and see me beat you to death!"

With that, Wei Xiaoqing's hand arched toward Liang Zixuan's face.

This time, she had a purpose. Unlike last time, when she only focused on grabbing Liang Zixuan's hair, this time, she wanted to scratch Liang Zixuan's face.

She wanted to see if Han Yuanjun would still want Liang Zixuan after she had become ugly!

Chapter 722 Don't You Want To Know How I Kept Escaping From You

Liang Zixuan dodged Wei Xiaoqing's claws. Although she had learned some self-defense techniques from Gong Enlai, but now she was pregnant and her pregnancy was still unstable. So how was she supposed to fight Wei Xiaoqing?

novel**us**.c**Om**

That was suicide!

"Wei Xiaoqing!" Liang Zixuan covered her face and suddenly shouted, "I have a secret. Do you want to hear it?"

Wei Xiaoqing was stunned for a moment, but quickly regained her composure. "Secret my foot! Liang Zixuan, you are so cunning, who knows how much evil you have in your belly? I'm going to kill you today!"

Liang Zixuan was still covering her face with her hand. Her body was leaning against the couch and she could not escape. She hardened her heart and could only gamble.

"Wei Xiaoqing, don't you want to know how I kept escaping from your and Wei Guowei's plot? How could I wake up that night when you obviously drugged me? How could I meet Han Yuanjun?"

Wei Xiaoqing's hand suddenly stopped in front of Liang Zixuan's face.

After waiting and not feeling any pain on her body, Liang Zixuan moved her fingers slightly and opened her eyes to look at Wei Xiaoqing. Wei Xiaoqing was sitting not far from her.

She breathed a sigh of relief.

Wei Xiaoqing had been wondering why fate would be so unfair to her.

She had clearly always been in an advantageous position. Everything always benefited her, but suddenly, it seemed as if the whole world had been turned upside down. No matter what she did, no matter how she continued to fight and plan, she could only fail more and more.

Wei Xiaoqing took the wine bottle and slammed it down on the tea table.

Prang!

The bottle broke into two.

The other half was aimed at Liang Zixuan's face. "Tell me, I want to see what kind of bullshit you can come up with. If I find out that you are lying to me, I will kill you today! In any case, a life is definitely worth a life!"

Liang Zixuan smiled. "I don't need to lie to you. The reason I woke up that night is because I was reborn."

"Reborn?" Wei Xiaoqing had been an actress before, so she was no stranger to the concept of rebirth, but she still couldn't believe it. "Who're you trying to lie to? If you're reborn, then I'll be immortal!"

"If you don't believe it, then forget it." Liang Zixuan knew that Wei Xiaoqing didn't want to admit it, either outwardly or in her heart. In fact, she might be thinking about what had happened earlier.

Fearing that Wei Xiaoqing didn't remember, Liang Zixuan helped her remember. "You remember that night, why did I suddenly jump out of the car? Because I knew that the person sitting in the car behind us was Han Yuanjun."

"Then when I went home to pick up my guitar, weren't you all surprised that I escaped your trick? And how did I know you were having an affair with Hou Yingyi behind my back?"

"That's very simple. Because I was reborn, I know a lot of things that will happen in the future and secrets that I didn't know before."

"Oh yeah, there's also Girl Of The Rose. I knew this movie would be very popular, so I gave the song to Qin Yu and told Han Yuanjun to allow her to be the lead actress. Because I know everything, I got Han Yuanjun."

"You've been planning all this for a long time?" Wei Xiaoqing's eyes widened in shock and anger, as if she wanted to eat Liang Zixuan completely. "You bitch! All of this originally belonged to me. You stole everything that was originally mine!"

Hou Yingyi also came in and stood in front of Liang Zixuan with an incredulous look. He asked, "You actually already knew about my relationship with Wei Xiaoqing, that's why you treated me like this. That's why you didn't want to believe what I said..."

"That's right!" Liang Zixuan nodded. "What else do you think? If I didn't know everything beforehand, how could I have won against you in everything?"

Wei Xiaoqing seemed to have gone completely mad. She said, "I was wondering why the things that are easy to achieve disappear from my grasp in an instant. How could my originally glorious life have fallen into such a miserable state? It turns out it's because of you!"

She had to sell the company before she could marry Hou Yingyi.

This was truly annoying, infuriating, and even more hateful!

Seeing that Wei Xiaoqing was about to explode, Liang Zixuan suddenly said, "I can give you a chance to ask me about your future. Who knows ... You will get out of these troubles. Just like the Han Group... After Han Yuanjun married me, didn't it get better and better, earning more money? The company has also taken over the Korean market."

What Liang Zixuan said was the truth. Wei Xiaoqing and Hou Yingyi had no choice but to believe her.

Besides, the incidents between the Sino-Korea competition had been discussed so heatedly on the Internet. How could they not know this?

They had heard about it. Although it looked like the Han Group was involved, it was actually all Liang Zixuan's doing.

She was like a god who wrote down one legend after another in the entertainment circle.

Wei Xiaoqing was tempted on the spot and had no doubt that Liang Zixuan would lie to her. She immediately asked, "Then tell me, what will the future of Yuan Now be?"

Liang Zixuan smiled mockingly. "I'm not going to tell you for nothing. In order to ask me a question, both of you must sit here and not move. After I answer a question, I will take one step towards the door. You are not allowed to follow me!"

She wanted to use this opportunity to escape.

Liang Zixuan knew that even if Hou Yingyi was a bastard, he would not do anything too excessive to her. But Wei Xiaoqing was different. This woman was a complete lunatic. Moreover, she was quite unreasonable. If Liang Zixuan did not escape now, she might be killed by Wei Xiaoqing tonight!

Liang Zixuan was not stupid. She would not let Wei Xiaoqing bully her for nothing.

Wei Xiaoqing was anxious to find out Yuan Now's future and her own future with Hou Yingyi, as well as the future of the child in her womb. Even if she let Liang Zixuan escape tonight, she did not mind as long as she could turn her world back.

As for Hou Yingyi, he was more concerned about Yuan Now and the future of Hou Shihong's company.

Liang Zixuan pointed at Hou Yingyi and said, "You, sit in my seat now."

She stood up, walked around the tea table, and stood in Hou Yingyi's place.

Hou Yingyi could only obediently sit in Liang Zixuan's seat.

Chapter 723 Escaping

"In that case, I will answer Wei Xiaoqing's question first. Nothing will happen to Yuan Now in the future. Perhaps what's happening now is just a small test. As long as your company can survive, the future will be bright."

This answer made Wei Xiaoqing feel happier. She then asked, "What about Hou Yingyi and me?"

Liang Zixuan took a big step toward the door. "Of course, you and Hou Yingyi will be together and be a pretty loving couple."

She was not lying. What she was saying was the truth about her past life.

But now, because of her rebirth, everything had changed.

Wei Xiaoqing looked at Hou Yingyi sweetly. In her heart, she was filled with so much more expectations of him.

Hou Yingyi couldn't be bothered with her and asked Liang Zixuan, "What about my father's company? What about my Hou Family?"

Liang Zixuan frowned. "You asked me two questions, I would take two steps."

She took a deep breath to suppress the nervousness in her heart, smiled as she turned around and said, "Uncle Hou has always been a very good businessman who was only interested in profit, so the company is always very good. And because you are married to Wei Xiaoqing, your father will hand it over to you and only give some shares to your brother. "

"Are you telling the truth?!"

Hou Yingyi actually wanted to ask who will be the successor of the Hou Family in the end, but there was no need, because Liang Zixuan actually understood what he meant.

"Now it's my turn." Wei Xiaoqing was still overwhelmed with joy at being able to change the situation. She excitedly asked Liang Zixuan. "Tell me, will I be successful in my career?"

Liang Zixuan took one last big step and was already standing in the doorway. She reached behind her to open the door, but before that, she patiently answered Wei Xiaoqing's question. "Wei Xiaoqing, your luck is not bad. Not only your family is very happy, but your career is also successful."

Of course, the condition for this success was that Wei Guowei did not go to prison, because he was always a strong backer of Wei Xiaoqing.

Liang Zixuan glanced at the door before looking at Wei Xiaoqing with a smile, and then glancing at Hou Yingyi. "I will give you some advice. If you want everything to go smoothly, the two of you must be together and help each other. You can't miss a single event in your partner's life."

When Wei Xiaoqing heard this, she immediately looked at Hou Yingyi. "Did you hear her? She said as my husband, you must always be with me."

Hou Yingyi rolled his eyes. "She was talking about us being together and helping each other, not being husband and wife."

"She said partner, so this is meant as my husband!" Wei Xiaoqing argued, "You cannot do it without me! If this is not fate, then what is it?"

"Aiyo, I really admire you," Hou Yingyi scoffed, but actually he was very happy. Who would not be happy after hearing that their future will be good?

"Don't smear gold on your face, you obviously need me to be very strong!"

Although Wei Xiaoqing said this to him, Hou Yingyi was not upset at all.

Since Wei Xiaoqing could tell that Hou Yingyi wasn't angry with her, she continued to argue coquettishly with him. "You may be strong, but you can't be strong without me! If you don't believe me, you can ask her now."

She turned her head towards Liang Zixuan's spot. "Liang Zixuan, didn't you say that we need each oth-

Wei Xiaoqing quickly stood up from the couch. "Where is she?!"

At that moment, Hou Yingyi also looked toward the door and noticed that Liang Zixuan was no longer there. He also stood up and shouted, "She ran away!"

Wei Xiaoqing glared at Hou Yingyi angrily. "Why are you so stupid? Even though you know the truth, you still want to fight with me. Look at what has happened now! We have to catch her and force her to tell us everything she knows before we can be like her!"

What Wei Xiaoqing said made Hou Yingyi's heart tremble. For the first time, he felt that she was right!

Wei Xiaoqing slapped Hou Yingyi's shoulder hard. "Why are you still standing here? Quickly chase after her, there are so many people in this club, she won't be able to get far."

Hou Yingyi wasted no more time talking to Wei Xiaoqing. He immediately chased after Liang Zixuan.

While Wei Xiaoqing and Hou Yingyi were arguing, Liang Zixuan was already running to the dance floor. However, there were too many men and women dancing there, and it was so crowded that she could not find a single path to take.

Normally she could squeeze through, but she was currently pregnant. What if she got hit by someone during the process?

"Liang Zixuan, don't run!" Suddenly, Hou Yingyi's scream came from behind her. Liang Zixuan's heart beat fast and she no longer hesitated. She pushed through the crowd with her hands and found a way out.

When Hou Yingyi stood at the stairs, he could see Liang Zixuan at first glance. But when he walked onto the dance floor and was surrounded by the crowd, it was hard for him to see Liang Zixuan again.

Furthermore, because Liang Zixuan deliberately bent down to hide from him, it was even harder for Hou Yingyi to find her.

At that moment, Wei Xiaoqing, who was standing where Hou Yingyi was, saw Liang Zixuan.

She pointed at her and shouted at Hou Yingyi. "Yingyi, she's over there!"

Loud music and a loud bass echoed at the same time.

Liang Zixuan's position made it impossible for her to hear Wei Xiaoqing's words, but not for Hou Yingyi. He followed Wei Xiaoqing's finger and saw a small figure squeezed into the crowd and walking outside.

He gritted his teeth angrily and chased after Liang Zixuan.

A man's stride was big, and so was his strength. Once he found his target, he would desperately try to remove all obstacles.

Many of the men and women were pushed away by Hou Yingyi, and some of them were almost pushed to the ground by him. As Hou Yingyi was getting closer to Liang Zixuan, a hand suddenly appeared among the crowd and grabbed Liang Zixuan by the wrist, pulling her to the side.

Liang Zixuan's heart also jumped out of her chest. She looked up and saw a familiar face before exclaiming in surprise, "Jia Zexi!"

Jia Zexi shushed her with a finger gesture, then naturally put his arm around her shoulders and quickly led her out of the nightclub. *nOveluSB.cOM*

Standing outside and finally breathing fresh air, Liang Zixuan sighed in relief. "Outside at last! My God! What the hell is this place? My ears have almost gone deaf and I feel like throwing up."

Liang Zixuan's words were not exaggerated at all. She felt really uncomfortable in her stomach, as if she was going to throw up in the next second.

Jia Zexi looked at her with a warm smile and held out his hand. "Where are your car keys? Give it to me."

Chapter 724 Destroying A Person Can Really Be Done In Minutes

Liang Zixuan immediately took the keys out of the pocket of her pajamas.

As they walked to her car, she asked Jia Zexi, "You still can't afford a car?"

Ever since the video footage of the competition aired, Jia Zexi had been on fire overnight. Although the album had not yet been released, many entertainment producers had already presented him with contracts and asked him to appear on their shows.

Although Jia Zexi was not a first-ranking singer, but with two entertainment shows, he could probably earn money to buy a normal car.

One hundred thousand yuan and less, it was no problem for him at all.

That's what Liang Zixuan thought.

Jia Zexi smiled and shook his head. "You are pregnant, how can I let you drive?"

Liang Zixuan suddenly stopped and looked at her belly. "Has it become so obvious? Are you starting to worry about me too?"

"Haha ..." Jia Zexi walked with his head down and opened the passenger door for her. "You are the president's wife, my direct superior. Even if you are not pregnant, I still need to send you home."

Home?

Liang Zixuan suddenly stopped and did not get into the car. "I don't want to go home."

At least not yet.

If she went home now, Liang Jiahao, Qin Yu and Tian Qihua would definitely pull her aside and question her about this matter.

Worried about this, worried about that, and then a whole bunch of questions smashed into her head.

Jia Zexi could see Liang Zixuan's unwillingness towards the word "home" from her expression. Thinking about it, it was already late at night, and she went to the nightclub alone, and was chased by Hou Yingyi and Wei Xiaoqing. Something bad must have happened at home.

Otherwise, how could Han Yuanjun, the insane wife-protector, let Liang Zixuan out alone in the middle of the night?

"Alright, I won't send you home. If you don't mind, you can come to my place to spend the night."

Liang Zixuan had a good impression of Jia Zexi. He had no deep thoughts about her. He only offered her his help from the point of view of a fellow musician who appreciated her skills.

Such a feeling was very nice, just like that day on the street when Liang Zixuan first heard his voice.

"All right, I accept your offer and sorry for troubling you."

Liang Zixuan got into the car. Jia Zexi closed the passenger door, went around the front, and got in the driver's seat.

There wasn't much contact between the two of them and Jia Zexi didn't feel uncomfortable at all as he talked to Liang Zixuan. "I heard that you fell, how are you doing now? Has your condition gotten better?"

Liang Zixuan subconsciously touched her belly and gently caressed it, as if she could feel the life inside her. "I've recovered pretty well."

She paused for a moment, then said somewhat embarrassedly, "Originally, I couldn't go out, and I couldn't go to a crowded place. But tonight ... I was in a bad mood and wanted to go out to get some fresh air. Who knew my fate would be unlucky and I ran into my enemies?"

The incident between Liang Zixuan and Wei Xiaoqing had caused a huge commotion in the city. Jia Zexi knew exactly which enemies she was talking about.

He asked again, "Just now... You were taken to a private room by Hou Yingyi... He didn't do anything to you, did he?"

Liang Zixuan leaned back on the passenger seat. "Even if you add their two IQs together, it'll be less than half of mine IQ. Do you think they can do anything to me?"

She added, "Even if they really want to hurt me, they'll have to wait and see if I give them the chance."

While they were talking, the car had already arrived at the parking lot under Jia Zexi's residential complex.

Liang Zixuan followed Jia Zexi out of the car and took the elevator to his house.

It was an apartment for one person. Although it was small, it was very clean inside, with no rotten socks or clothes on the floor. Since the windows were opened during the day, the room didn't have an unusual odor.

It was very cozy.

"I really didn't expect your house to be so clean."

Jia Zexi put the car keys on the tea table. He raised his hand and shrugged helplessly. "It's only because of a few unclean men that we've such a bad reputation. Actually, men also love to be clean."

Jia Zexi pushed open the bedroom door. "You must be very tired. You take the bed, I'll sleep on the couch tonight."

Liang Zixuan leaned against the door and didn't move. She looked at Jia Zexi with a sly smile, "How can such a good man be single? Do you want me to introduce you to a girlfriend?"

"Don't!" Jia Zexi raised his hand to stop her. "I've always felt that women are troublesome creatures. I would rather be alone than to cause such trouble for myself." **NOVELUSb.cOm**

"Is that so?" Liang Zixuan raised her eyebrows in disbelief. "Then why did you go to the nightclub today? Judging from your familiarity with the route, you should be the regular patron there."

"To heaven and earth!" Jia Zexi patted his chest and stomped his feet. "That's because I used to be a DJ there. I'm going there tonight to collect my salaries."

Speaking to that, Jia Zexi's body was filled with anger. "My boss is so stingy! He withheld my salary for two months and refused to give it to me, saying that I'm a big star now and shouldn't care about this small paycheck. What the heck! Small or not, it's still money. I worked so hard, why shouldn't I take it?"

Liang Zixuan frowned. "There's such a shameless person?"

Jia Zexi sighed, "Yes! You were lucky enough to meet President Han. You have no idea how many people in this world have malicious hearts! They'll do anything to achieve their goals. Sometimes, destroying a person can really be done in minutes."

Jia Zexi's last two sentences suddenly left Liang Zixuan stunned.

Yes, that was true. Destroying a person without sparing any means to achieve one's goal could really happen in the blink of an eye.

The woman that appeared in Han Yuanjun's room tonight, could it be that she was trying to ruin his reputation and make her misunderstand him?

That was why that woman deliberately said those words, so that she'd misunderstand him.

If Liang Zixuan was really angry and did something stupid, there would be a huge rift appeared in her and Han Yuanjun's marriage.

The kind of rift and tear that could never be repaired!

Chapter 725 She Slept Soundly, But The Sky Was Collapsing On The Other Side

The more Liang Zixuan thought about it, the more afraid she became.

Eventually she was so frightened that her face turned white.

"Liang Zixuan!" Jia Zexi waved his hand in front of her face, "What are you thinking?"

Liang Zixuan lowered her eyes in embarrassment. "It's nothing. I suddenly thought of something."

She looked around the bedroom before asking shyly, "Are you sure I'm not bothering you by coming here tonight?"

Now, she really wanted to go home.

Jia Zexi put his hands on Liang Zixuan's shoulders. He did not use much strength so that she could walk by herself. He pushed her to the bed and made her sit on it.

"Don't worry, you are not bothering me. Get some sleep. If you need anything, call me. I'll send you home in the morning."

At this point, Liang Zixuan really felt that Jia Zexi was a considerate and kind person, so she smiled and said, "If I had a sister, I would definitely introduce her to you."

"Don't!" Jia Zexi immediately waved his hands. "I can't handle your sister. I'll leave her to Hou Yingyi."

Liang Zixuan was stunned for a moment before she understood what he meant.

She actually had a sister-it's Wei Xiaoqing!

It's just that Liang Zixuan had never considered Wei Xiaoqing as her own little sister.

And Wei Xiaoqing also never considered her as a sister.

Jia Zexi went to the closet. He opened it and took out a blanket. Then he smiled at Liang Zixuan and went out with a blanket. *novelsb.com*

As he left, he closed the door behind him.

The door was not locked and people could easily enter the room.

Moreover, this was Jia Zexi's house. Even if the door was locked, he should have had a key to it.

Liang Zixuan pushed that thought aside and lay down on the bed without thinking about it. She trusted him. Such a level of trust was something that left her confused.

Jia Zexi was obviously just a man she knew, but was not very familiar with, and yet she was so trusting of him.

Possibly... It was because he looked at her with a gaze as clear and pure as a clear spring.

Liang Zixuan closed her eyes and quickly fell asleep.

She slept soundly that night, but it seemed like the sky was collapsing on the other side.

Liang Jiahao and Qin Yu drove through the streets like madmen, looking for Liang Zixuan. Qin Yu even called Zeng Zhelan, Dai Huian and Shi Jian.

Not a single one of the answers she received knew where Liang Zixuan was.

Qin Yu was afraid her sudden calls would cause them to worry, so she did not say that Liang Zixuan had fled. She only gave a brief explanation and hurriedly hung up the phone.

At four in the morning, Han Yuanjun arrived in Imperial City.

He called Wei Xiaofan, and together with Liang Jiahao and Qin Yu, they entered the police station surveillance room.

Soon, they found traces of Liang Zixuan's car and saw her leave with Jia Zexi on the video surveillance footage.

"She actually went to a nightclub ..." Liang Jiahao's eyebrows furrowed into indescribable anger.

Qin Yu was also very surprised. "Auntie, why did she go to a nightclub?"

Han Yuanjun blamed himself and pursed his lips. "Even though it was a bit noisy there, it was enough to calm her down. Maybe ... she also wanted to see the reason why men and women ..."

Han Yuanjun did not finish his sentence, but Liang Jiahao and Qin Yu understood what he meant.

They could understand Liang Zixuan's feelings when she went to a nightclub.

"It's just that the club is very crowded at night. Auntie ... Nothing will happen to her, right?" Qin Yu was still very worried.

How could she not be worried?

When Liang Zixuan ran away from home, she was there and couldn't stop her in time. If something really happened to Liang Zixuan, she would feel guilty for the rest of her life.

"Third Brother, do you need our help?"

The reason why Wei Xiaofan asked this was because he was concerned for Liang Zixuan's safety. She had left with Jia Zexi, what if something happened to her?

What else was a man going to do when he brought a woman home from a nightclub?

However, Han Yuanjun calmly shook his head. "No need, I've already bothered you a lot tonight. I'll take care of the rest myself."

The reason he was so composed was because he trusted Liang Zixuan.

Jia Zexi.

Han Yuanjun didn't know this man too well, but he believed that Jia Zexi wouldn't dare to do anything to Liang Zixuan.

Han Yuanjun can bet his entire life's worth of experience and was sure that Jia Zexi couldn't afford to gamble against him.

He said to Liang Jiahao and Qin Yu, "You two go home first. Take advantage of the fact that you still have two hours of sleep to sleep."

Seeing how calm Han Yuanjun was, Liang Jiahao brought Qin Yu home.

• • • •

Liang Zixuan slept until ten o'clock the next morning before waking up in a daze.

She was awakened by the sun shining through the curtains.

Liang Zixuan rubbed her eyes and sat on the bed.

Last night ... She was actually sleeping quite soundly, but ... She felt as if someone had come into the room in the middle of the night, and it seemed ... This person had been staring at her for a long time.

Liang Zixuan pulled the blanket over her body,

It felt like a dream and also like an illusion.

Liang Zixuan yawned and got up from the bed. She opened the door and went out. She saw that Jia Zexi was neatly dressed and was listening to music on the couch. While listening to it, he slowly sang along.

Liang Zixuan went to him and sat next to him. "Do you have a spare toothbrush?"

Jia Zexi took off his headphones. "Hmm?"

"Do you have a spare toothbrush?"

"Yes." Jia Zexi stood up and took a new toothbrush and towel from the bathroom cabinet. "I've already prepared them for you."

Liang Zixuan did not stand the ceremony and walked over. Jia Zexi helped her turn on the hot water and asked, "Do you want to eat fried eggs? Or is there something you want to eat?"

The fried egg was too greasy for Liang Zixuan and she shouldn't bother Jia Zexi too much. She said, "Just cook me a boiled egg. You don't have to worry about anything else. I'll eat when I get home."

Jia Zexi did not insist and turned to go out.

Chapter 726 You Scared Me To Death

Liang Zixuan came out after washing and sat on the couch for a while. Jia Zexi came to the living room with a bowl in his hand.

"Here, eat."

Liang Zixuan looked at the boiled eggs in the bowl and said in surprise, "Wow... You actually helped me peel them?"

Jia Zexi laughed a little and said nothing.

After Liang Zixuan finished her eggs, she took the car keys from the table and said, "I'm going home. If I don't go home now, the whole house will be in chaos." *nOveLus&.COm*

Jia Zexi followed her, "I'll send you back."

Liang Zixuan opened the door and looked up as Jia Zexi spoke, and was immediately stunned...

Even Jia Zexi, who was standing behind her, was taken aback.

They actually saw Han Yuanjun standing in the doorway, wearing a brown suit. His face was a little lethargic, and his eyes were red. He leaned against the wall beside the door and raised his head to look at them.

"B-brother Han..." Liang Zixuan was so shocked that her words stuttered. "You, when did you come back?"

Han Yuanjun heard Liang Zixuan's voice and his heart suddenly ached. He straightened up, walked towards her and in front of Jia Zexi, he pulled her into his embrace. He used all his strength as if he wanted to crush Liang Zixuan into his body.

Liang Zixuan was so shocked that she didn't know what to say. It was as if she'd been dreaming. Even more ... She thought that maybe she wasn't awake.

Last night....Wasn't he in Korea last night?

How ... How was he here this morning?

And right in front of Jia Zexi's house?

Han Yuanjun held Liang Zixuan tightly and took a few deep breaths. Just when he felt the real sensation of Liang Zixuan in his arms, he opened his eyes slightly and looked at Jia Zexi.

Jia Zexi's body suddenly became stiff. He felt a little uncomfortable under Han Yuanjun's cold gaze.

But they were both in a warm mood, and he didn't seem to be in a position to speak.

He looked at Liang Zixuan deeply, before taking a step back and slowly closing the door.

Liang Zixuan snapped out of her shock after hearing the door close. She pushed Han Yuanjun lightly with her hand. "You, let go of me!"

"I'm not letting go!" Han Yuanjun said stubbornly, "As soon as I let go of you, you'll run away again."

Liang Zixuan: "..."

Han Yuanjun must already know what happened last night, so he might still be afraid.

Liang Zixuan pushed him away again. "Stop hugging me. This is someone else's house."

"Baby..." Han Yuanjun buried his head in Liang Zixuan's neck. He was still hugging her tightly, "You scared me to death last night."

The warm breath on Liang Zixuan's neck made her itch a little, but she didn't push Han Yuanjun away or say anything.

To be honest, she was a little angry because she still didn't know the truth and couldn't forgive Han Yuanjun just because he sweet talked to her.

She just stood there and let Han Yuanjun hug her for a long time. Then, she stiffened her body and said, "Have you hugged enough? If so, let's go home. What's wrong with you, hugging me in front of someone else's door?"

When Han Yuanjun heard this, he knew that Liang Zixuan was still angry.

However ... The words about going home made him very happy.

As long as his wife was willing to go home, he still had time to explain.

"All right!"

Zou Juan was already waiting in front of the car, waiting for them. When he saw Han Yuanjun and Liang Zixuan coming, he took the keys from Liang Zixuan and opened the door and let them get in. Then he went to the driver's seat and said to Han Yuanjun, "President Han, Deng Hui and Dai Tian didn't sleep last night, and I was afraid it would be too unsafe for them to drive today, so I came to pick you and Young Madam up."

Deng Hui and Dai Tian were Han Yuanjun's bodyguards. Han Yuanjun had given them to Liang Zixuan before, but ever since she stayed at home, they returned to Han Yuanjun's side.

Han Yuanjun also brought them along with him when he went to Korea this time.

When Liang Zixuan heard this, she panicked for a moment. She looked at Han Yuanjun's red eyes and asked anxiously, "You didn't sleep at all last night?"

Han Yuanjun looked at her indifferently. Then he forcefully pulled her into his arms.

Liang Zixuan struggled a few times, but she didn't try to break free.

"Answer me. Have you really been awake all night?"

Han Yuanjun put his chin on Liang Zixuan's head, hugged her and held her hand. He felt full and sighed contentedly, "How can I sleep after you ran away from home?"

Liang Zixuan finally understood. After she ran away, Qin Yu must have called Han Yuanjun, and he immediately came back from Korea.

But to find her, he would need a few hours, would he?

"How did you find me?"

"Actually, I found you very early, but the sky was still dark then. I saw you leaving with Jia Zexi through the surveillance footage and went straight to his house. But you're still resting, and I-I wanted to let you sleep a little longer, so I waited at the door ..."

He sounded a little wronged, but Liang Zixuan felt that he was only pretending to be pitiful.

Then she would feel sorry for him, and would never be angry with him again.

Liang Zixuan lowered her gaze. "Since that's the case, you should go home and sleep first and come back when it's daylight."

"That won't do!" Han Yuanjun tightened his grip on Liang Zixuan. "What if you run away with Jia Zexi again? I've to stand guard outside the door and not let you run away."

Actually, Liang Zixuan didn't have many twists and turns in her heart. She was past her stubborn age and she couldn't be so careless as to ignore everyone's worries.

Last night, she admitted that she had acted rashly, but even if she was allowed to continue to do so because of the circumstances, it was impossible for her to do it again.

Liang Zixuan said nothing. She lowered her head, not knowing what to say to Han Yuanjun.

Before the misunderstanding was cleared up, she wasn't so magnanimous as to act coquettishly with Han Yuanjun and become intimate with him.

Chapter 727 Women Always Say They Don't Mind, But Their Hearts Really Do

Han Yuanjun waited for a while before he began to explain what had happened last night. "Last night, that woman sneaked into my room."

Liang Zixuan's heart suddenly ached, and her body trembled as well.

Han Yuanjun felt it and immediately said, "But don't worry, I didn't touch her. I didn't even touch her finger...."

Liang Zixuan suddenly raised her head and looked coldly at Han Yuanjun.

Han Yuanjun bit his lip, "Alright, I touched her....."

Liang Zixuan was so angry that she immediately struggled in Han Yuanjun's arms. "Don't touch me and hold me after touching other women!"

Han Yuanjun panicked. "Baby, listen to my explanation first! When Qin Yu called me and told me that you ran away from home, I was immediately filled with rage! So I held her neck..."

Liang Zixuan froze and looked at him in disbelief. "Did you kill her?"

"No! I admitted that I was so angry that I wanted to kill her, but I also knew that if I killed her, I would never be able to come back. So I restrained myself and didn't kill her. I forced her to tell me the truth, and that's when I knew Cha Jinho was behind this. He got my room card, gave it to her, and told her to come to my room to seduce me."

"It's this Cha Jinho again! Why is this man more evil than a woman? He almost caused the death of our baby, but now he wanted to lure you into a trap? I've really never seen a villain like him before!" Liang Zixuan was so angry.

Han Yuanjun nodded and said to Liang Zixuan, "I know. I grabbed the woman by the neck and dragged her to the door, throwing her out. As soon as I closed the door, more than ten reporters rushed out of the elevator."

Liang Zixuan was relieved to hear that. "You really didn't let her get dressed?"

"I gave her a chance beforehand. I gave her five minutes to get dressed and then scam out of my room. She didn't listen to me and she didn't scam either. So it wasn't my fault."

"Tsk tsk tsk..." Liang Zixuan clicked her tongue. "You really don't know how to show compassion towards the fairer sex. You made her not want to live anymore. It's said that most women will have a venomous heart. But from what I see, men's hearts are pretty poisonous too. "

Han Yuanjun laughed instead of getting angry. He pinched Liang Zixuan's chin. "I've said it before, as long as you're hurting, no matter by whom, I won't let that person go easily! So what if I was violent? If she's a man, I will make her life more miserable!"

Like Cha Jinho.

Liang Zixuan pushed Han Yuanjun's hand away and snorted. "Don't make it sound so nice. If you were not reckless, how could she sneak into your room and let me be misunderstood?"

Liang Zixuan felt as if her sky was going to collapse yesterday.

Fortunately, Han Yuanjun was in the bathroom taking a shower.

But the more Liang Zixuan thought about it, the angrier she became. "Han Yuanjun!"

She lowered her eyes and said seriously, "I know you're having a very hard time enduring it. I don't care if you go and play outside while I'm pregnant. As long as you don't overdo it, I don't mind."

Han Yuanjun's face was initially full of smiles, but after hearing Liang Zixuan's words, his heart seemed to be pierced by countless sharp needles. He embraced Liang Zixuan and looked at her with a burning gaze.

Liang Zixuan felt his gaze on her and turned her face away.

Han Yuanjun stared at her without blinking. After a while, he suddenly sneered and held her face, "You stubborn little thing! Don't think I don't know. You said you didn't care, but if I really did it, you would divorce me in the next second. Even if we're not divorced, you'll hide from me and never see me again!"

Liang Zixuan didn't dare look him in the eye and said, "I won't! I've already thought about this. I don't mind, I really don't mind, you can do it."

"Heh..." Han Yuanjun sneered, "Women always say they don't mind, but their hearts really do. Baby, don't say things like that, I know you care. You care more than anyone else!"

She would divorced him after just one try. Besides, they had to spend the rest of their lives not getting along.

Liang Zixuan suddenly raised her head and looked coldly at Han Yuanjun. "I said I don't mind!"

Han Yuanjun: "..."

Why did his heart hurt so much?

It was indescribably painful.

Han Yuanjun felt that Liang Zixuan really had the ability to make him die of heartache.

He looked into her eyes and his eyes immediately turned red. He'd never felt guilty or anxious before, so he suddenly moved his hand from her waist to her shoulder and buried his head in her neck. "I know you're angry with me, and I also know you're upset. You can hit me or scold me, but please... Please don't be like this, okay?"

Liang Zixuan's heart also began to ache.

"Baby, I know. No matter how many words I say, you won't be able to trust me completely because your past has made you trust men less, but please don't hurt me like this. It really hurts."

Liang Zixuan's tears ran down her face when she heard Han Yuanjun's words. She was disappointed, it didn't matter if she misunderstood last night or not. In short, the woman was in Han Yuanjun's room.

If she hadn't seen Han Yuanjun this morning, she might have...

It was one thing to ask her to understand, but there would always be a part of her that thought she wasn't enough.

Women often said they didn't care. They really didn't care, but only the women themselves knew how much they cared.

Liang Zixuan pretended that she didn't care. In reality, she just wanted to give herself a way out and an excuse so that she would not be in a miserable state. ovelus.com

Chapter 728 If I Kneel On The Durians, Will You Forgive Me

Would you really not mind if your husband cheated?

Would you really forgive him?

Gritting your teeth and swallowing the blood, took all the pain and all the damage by yourself?

Such an attitude, either because the woman loved this man so much, or because of the child and her family, that she couldn't help but swallow all the wrong.

Can you survive with such an injury?

Liang Zixuan did not dare to think of many things. Last night, she had tried her best to convince herself that it was all a misunderstanding. She said Han Yuanjun must have been framed and how could he possibly be a man like Hou Yingyi?

But when Han Yuanjun explained it to her, why couldn't she accept it?

Was she just saying those words to make herself feel better?

Liang Zixuan cried with sorrow. Her fears and pains from last night all turned into tears and fell on Han Yuanjun's shoulders.

Han Yuanjun heard her cries and hugged her tightly. At this point, he did not know what to say, nor did he know how to comfort her. He only knew that she had given him enough power to make her believe in him.

Liang Zixuan only stopped crying when they arrived at the villa's parking lot. Neither of them got out of the car. They both sat in the car in silence.

Zou Juan had already noticed that something was wrong, so after the car stopped, he looked for an excuse to slip away.

He did not want to watch his boss get down on his knees and beg for forgiveness!

There was no one around, not even in the parking lot.

Liang Zixuan wiped the tears from her face and turned away, trying to push open the door to go out.

Han Yuanjun pulled her back. "Baby, I know the damage has already been done. It's unrealistic to say that you will not be angry with me."

Liang Zixuan stiffened for a moment before returning to her seat. "Then what do you want to do?"

Han Yuanjun took a deep breath. "I-I called mom this morning and asked her to buy me two durians ... "

His voice grew smaller, "If I kneel on the durians, will you forgive me?" novelusb.com

"Poof ..." Liang Zixuan immediately laughed out loud and turned to Han Yuanjun. "Is it true that you asked her to buy the durians?"

Han Yuanjun nodded seriously. "Really, she should be home by now."

Liang Zixuan looked at Han Yuanjun's pleading and wronged expression, and her feelings finally became happy. "If you really kneel on the durians, would mom blame me for bullying you?"

Han Yuanjun licked his dry lips. "I can bring the durians into our room and kneel in front of you. If someone comes in, I'll say I'm looking for something for you, so they won't know I've been kneeling on the durians."

Liang Zixuan could hardly contain herself and wanted to laugh out loud, but when she saw Han Yuanjun talking seriously about this matter, her interest piqued. "All right."

Seeing that Liang Zixuan agreed, Han Yuanjun finally smiled. He got out of the car and carefully helped Liang Zixuan get out.

After walking to the villa, Han Yuanjun immediately brought the two durians to their bedroom. Liang Zixuan was stopped by Tian Qihua and Qin Yu. Liang Zixuan only told them where she went and did not tell them about her meeting with Hou Yingyi and Wei Xiaoqing.

She was really afraid that they would think too much.

Han Yuanjun waited for Liang Zixuan in the room for a while. When he saw that she had not yet entered, he couldn't wait for her any longer and left the room to look for her.

He put his hand on her shoulder and said to Tian Qihua and Qin Yu, "We haven't seen each other for a few days, shouldn't you give us some time to vent our feelings?"

Tian Qihua quickly covered her mouth and laughed. "All right, all right! You guys can go now."

Seeing Han Yuanjun and Liang Zixuan in a good mood, Qin Yu smiled happily. "Alright, you guys can go back to your room. Don't worry, we won't bother you. We won't call you for lunch either."

And so, Han Yuanjun happily followed Liang Zixuan back to their bedroom. He even locked the door, fearing that someone might suddenly come in.

Han Yuanjun took two durians of similar size and placed them in front of Liang Zixuan. The smell of durian caused Liang Zixuan's stomach to feel uncomfortable.

Seeing this, Han Yuanjun quickly asked with concern, "What's wrong?"

Liang Zixuan pointed at the durians on the ground and said, "They smell so bad. My stomach feels unpleasant."

"They really stink?" Han Yuanjun looked at the durians and then looked at Liang Zixuan. "Then I'll take them out. Wait a moment."

After saying that, he took the durians out of the room. Soon after, he returned with a keyboard in his hand.

He locked the door again and put the keyboard on the floor. "Since you can't stand the smell, then I'm going to kneel on the keyboard."

Liang Zixuan: "...."

Did he really not know that she had purposely said the durians stink because she didn't want him to kneel down?

In the end, before she could finish thinking, she suddenly heard a "poof" sound in her ears. She looked down and saw that Han Yuanjun was actually kneeling on the keyboard.

Liang Zixuan: "..."

Are you serious?

Earlier, she thought Han Yuanjun just said that to gain her sympathy, but she didn't expect him to be really serious!

The dignified CEO of the Han Group was actually kneeling on the keyboard?

If this got out, it would scare a lot of people off their hearts!

In any case, she was the first to be shocked.

"Han Yuanjun!" Liang Zixuan shouted, "What're you doing? I didn't want you to kneel down! Get up!"

"I won't get up!" Han Yuanjun straightened his body and continued to kneel. It was clear that he was trying to reflect on his mistakes. "I won't even get up for a minute. The words of my heart aren't just words, I'm really begging for your forgiveness."

The pain of kneeling on the keyboard couldn't be compared to the pain of Liang Zixuan's heart-piercing words.

He would rather kneel on the keyboard than listen to her heart-piercing words.

Liang Zixuan became a little restless. She lifted the blanket and got off the bed. She reached out to grab Han Yuanjun's arm. "Get up. Don't kneel down. Hurry up and get up."

Chapter 729 Where's The Mechanical Keyboard I Just Bought

"I won't get up!" Han Yuanjun didn't dare to push Liang Zixuan's hand, fearing that she'd fall if he pushed her. In any case, she didn't succeed in pulling him up.

Han Yuanjun also patted Liang Zixuan's butt while coaxing her, "Don't pull me up anymore. Sit on the bed and watch your husband kneel."

Liang Zixuan didn't know whether to laugh or cry as she looked at Han Yuanjun. "I don't want to watch anymore!" She was really afraid of this man. "I'm not angry anymore. Really, I'm not angry! Get up quickly. Stop kneeling."

"Really?" Han Yuanjun expressed his disbelief.

"Really!" Liang Zixuan pulled Han Yuanjun's arm again. "I can already sense your feelings. I've forgiven you. I really won't be angry with you anymore. Stand up."

Han Yuanjun looked at her and tried to read her expression. He could know whether what she said was true or not.

Seeing that Han Yuanjun made no move to stand up, Liang Zixuan sighed and let go of his arm. "Fine, if you want to kneel down, then kneel!" *novELuS&.cOm*

Then she kicked Han Yuanjun with her foot. "Scoot over."

Han Yuanjun: "..."

What was going on? Wasn't she no longer angry with him? Did she actually think that the place where he knelt was in the wrong place?

Han Yuanjun looked down at the keyboard. His knees moved slightly to the side before Liang Zixuan kneeling beside him. The space for the keyboard was narrow, so she knelt down on one knee.

Han Yuanjun was shocked. He immediately stood up and helped Liang Zixuan up. "What are you doing!"

With Han Yuanjun's support, Liang Zixuan walked toward the bed saying, "Seeing you kneeling, I want to experience that feeling too."

"Don't follow me, you're carrying for two right now."

Han Yuanjun pushed Liang Zixuan down onto the bed. "Sit here obediently."

Seeing Han Yuanjun walking towards the keyboard again, Liang Zixuan pulled his hand and said, "Hubby, I'm really not angry anymore. Don't kneel down anymore."

Han Yuanjun finally relented and nodded. "Fine, I'll put the keyboard in the nightstand. I'll kneel down again if you're not happy with me."

Liang Zixuan: "...."

Did Han Yuanjun think that this trick would work on her, so he decided to repeat the same trick after making a mistake and making her angry?

Liang Zixuan smiled. "I'm a magnanimous person, how can I ask this of you? What would the others say if they saw you kneeling? Hubby, just return the keyboard back to wherever you take it."

"It's all right," Han Yuanjun insisted, "just leave it here. No one will know I'm kneeling on the keyboard."

When Liang Jiahao returned from work that evening, he saw that the keyboard he'd just bought was gone. He turned and asked Qin Yu, "Where's my keyboard?"

Qin Yu retracted her neck. "My uncle took it."

Liang Jiahao frowned. "Why is he using my keyboard? Doesn't he have his own laptop?"

Qin Yu touched her nose sheepishly. "It seems like he was kneeling on the keyboard..."

Liang Jiahao: "..."

This Han Yuanjun!

Liang Jiahao really can't follow the way his mind works.

Liang Jiahao then thought to himself, Han Yuanjun kneeling on the keyboard in front of Liang Zixuan, wasn't that tantamount to teaching people a lesson?

If one day he accidentally made Qin Yu angry, would she also ask him to kneel on the keyboard to vent her anger?

No! This won't do.

Liang Jiahao decided to talk to Han Yuanjun about this.

The next day, Liang Jiahao made an excuse that his car ran out of fuel and asked Han Yuanjun to send him to the company.

Han Yuanjun took one look at Liang Jiahao's car and knew that Liang Jiahao was only looking for an excuse. How could someone as assertive as Liang Jiahao let his car run out of fuel?

However, Han Yuanjun didn't refuse Liang Jiahao's request because of Liang Jiahao's identity as his brother-in-law.

As soon as the car drove out of the villa, Liang Jiahao asked, "Where's the mechanical keyboard I just bought?"

Han Yuanjun looked at him and pretended to be confused. "I don't know, I didn't take it."

Liang Jiahao: "Really?"

Han Yuanjun said, "Really, my words are more genuine than real gold!"

What a joke! How could someone like Han Yuanjun, casually tell someone else that he was kneeling on a keyboard?

Liang Jiahao sneered, "Then why did I hear from Qin Yu that you took my keyboard?"

Han Yuanjun: "..."

Han Yuanjun immediately blamed Qin Yu for her carelessness. When he took the keyboard to his bedroom, Qin Yu was in the living room and saw him. He thought Qin Yu wouldn't say anything, but he never expected that she'd tell Liang Jiahao and Liang Jiahao would ask him about it in the morning.

But it's all right.

Liang Jiahao only knew that Han Yuanjun had taken his keyboard, but he mightn't know why Han Yuanjun had taken his keyboard.

"En." Han Yuanjun nodded and admitted, "I took it."

Liang Jiahao smirked. "What did you take it for?"

"To use it, of course!" Han Yuanjun said confidently, "What do you think I can do with the keyboard?"

Liang Jiahao suddenly said, "Oh, I don't know." Then in the next moment, he cruelly exposed Han Yuanjun. "Maybe because you wanted to kneel down on it?"

Han Yuanjun: "..."

He immediately panicked, his hands twisted and his car almost ran over another car.

Fortunately, Han Yuanjun was a skillful driver, he was able to quickly avoid the other car.

With an embarrassed look on his face, he asked, "You, how did you know?"

Liang Jiahao's face fell. "Qin Yu told me!"

"What?" Han Yuanjun's heart immediately sank. If Qin Yu knew about it, did this mean that Tian Qihua also knew about it?

If Tian Qihua knew, then the whole Han Family would know!

Han Yuanjun gritted his teeth in anger, not knowing what to say.

Liang Jiahao used his identity as Han Yuanjun's brother-in-law to lecture him. "Next time, if you want to kneel down, can you do it in a lower profile? If Qin Yu finds out about this, it'll be hard for me to survive in the future!"

"I'm already very low-key!" Han Yuanjun shook his head in annoyance, "Other than Zixuan, no one else knows about this. Not to mention, Zixuan won't tell anyone either."

Liang Jiahao turned to look at Han Yuanjun. "Don't you know that there's a word called eavesdropping corner in this world? You went home with Zixuan yesterday, and as soon as the two of you got home, you both went to your bedroom. Do you really think other people don't know what you're doing?"

Liang Jiahao was really upset. "Before you do anything, consider my feelings first. If Qin Yu gets angry in the future, she'll definitely make me kneel down on the keyboard. Or maybe she'll come up with something weird."

"Isn't that the right thing to do?" Han Yuanjun thought of Liang Jiahao kneeling on the keyboard and finally laughed out loud. This kind of thing couldn't be done by himself alone. Others must join him too.

"Can't a man sacrifice a little to please his wife? Besides, Qin Yu likes you so much, I can guarantee that she will feel sorry for you as soon as you kneel down."

The two men had discussed this all the way to China Securities Bank.

In the end, they decided to leave the matter at that.

Liang Zixuan's side had calmed down, but on Wei Xiaoqing's side....

Because of what Liang Zixuan had said that day, Wei Xiaoqing and Hou Yingyi were absolutely confident with themselves.

The two rubbed their hands together excitedly as they waited for their wedding.

It had only been two days, but Hou Yingyi could no longer hold it in.

He was used to spending his time outside. If you let him stay away from women for a day, he felt uncomfortable all over his body. He'd to touch them often, and if he couldn't, he felt that his life had no meaning at all.

Hou Shihong repeatedly told Hou Yingyi to stop going out to play before his wedding, but Hou Yingyi refused to listen.

Wei Xiaoqing returned from her walk with the servant and found that Hou Yingyi wasn't at home. She ran into the living room and asked Yu Meilin, "Mom, where's Yingyi? It's already night, where did he go?"

Chapter 730 Is This How A Mother-in-Law Should Be

Yu Meilin really couldn't stand Wei Xiaoqing's presence.

Even before Wei Xiaoqing married Hou Yingyi, Yu Meilin couldn't stand her, let alone now.

"He's your husband. Shouldn't you know where he's?" Yu Meilin casually asked as she cut her nails. "Why did you come here to ask me?"

Wei Xiaoqing wasn't stupid, of course she knew that Yu Meilin didn't like her, but now that she carried the seed of the Hou Family in her womb and they cared about Yuan Now, they had to tolerate her. So she had the confidence to talk back to Yu Meilin.

No matter who it was, even if it was Hou Shihong, she wasn't afraid!

"Mom, you're wrong. Yingyi is your son and was raised by you, shouldn't you know more about him? He's always out causing trouble, he's never at home during the night. Don't you care about him?"

Yu Meilin blew her freshly sharpened nails. "Before he got married, I was responsible for his life. But after he got married, it was his wife's responsibility. What does that have to do with me? I can't worry too much about him. It will be annoying."

"The matter between my son and you isn't something in which I, your mother-in-law, should interfere. As long as I say one word, I'll only cause more problems to your relationship. I'm doing this for

your own good, that's why I won't say anything and won't care. You two take care of your own business on your own."

These words were uttered with dignity, but Wei Xiaoqing knew that was not the truth.

It was obvious that Hou Yingyi was fooling around outside.

As his mother, Yu Meilin not only didn't persuade Hou Yingyi to stop, she even helped him hide his dirty activities behind Wei Xiaoqing's back.

So, Yu Meilin's words that she was doing this for Wei Xiaoqing's own good was bullshit!

Wei Xiaoqing was immediately furious. Unable to tolerate it any longer, she cursed Yu Meilin.

"For my own good? Don't think I don't know that Hou Yingyi has shares in nightclubs and bars he often goes to! You didn't stop him because all the money he gets will be given to you."

"Before I married him, I wouldn't say anything. But now, as Hou Yingyi's mother, you have to discipline him! Tell him to sell all the shares in nightclubs and bars and ask him to obediently stay home at night. Tell him not to go anywhere and mess with other women outside!"

Yu Meilin was furious with Wei Xiaoqing's tone. She slammed the nail clippers on the tea table and looked up at Wei Xiaoqing. "Is there something wrong with your brain? He's making money, how could I ask him to sell the shares? Why can't you see his goodness!"

"Yingyi has no other skills, but he's pretty good at managing nightclubs and bars. Asking him to give up such a profitable business is tantamount to hanging himself to death! If he doesn't work, will you raise him with your own money?"

"I will! I will raise him!" Wei Xiaoqing was also exasperated, "Didn't I already say that I will give him Yuan Now? He can obediently take care of the company for me."

"Why are you so rude and stupid?" Yu Meilin suddenly stood up and looked Wei Xiaoqing straight in the eyes. "As my son's wife, how can you ask and say such a thing to him? Yes, he's dishonest, but it's not like he's only been dishonest for a day or two! Shouldn't you know that? You're the one who is insisting on marrying him. And now that he's being so dishonest, you're getting angry? You deserve it!"

In Yu Meilin's eyes, Hou Yingyi was just playing around. He was just playing around with some women, that's nothing.

As long as he didn't do anything illegal, as his mother, she can tolerate it.

However, this Wei Xiaoqing didn't know her place.

How dare Wei Xiaoqing scolded her son!

Even if Wei Xiaoqing had her reasons, Yu Meilin still wouldn't give her any face at all!

How could she allow another woman to scold her son whom she'd raised?

Wei Xiaoqing was so angry that her body trembled. She raised her hand and pointed at Yu Meilin's nose. "Is this how a mother-in-law should be? Why can't you teach your child better? He's that much of a bastard because you taught him that!"

"Pa!" Yu Meilin's palm landed on Wei Xiaoqing's face.

"Are you trying to call me a bastard? Wei Xiaoqing, let me tell you, I never liked you. It doesn't matter if you're married to my Hou Family or not, I still don't like you! If you just stay obedient, I can tolerate you for a while. But if you do this, and even dare to scold me, don't blame me for being rude!"

"Did you just hit me?" Wei Xiaoqing suddenly raised her head and covered her face while glaring sharply at Yu Meilin. "My own mother didn't even dare to hit me, but you dare to hit me?"

Yu Meilin clasped her hands over her chest and sneered. "I just thought of something. Didn't you just say that I can't teach my child well? Then did your mother teach you well? Using a conspiracy to get into my son's bed at such a young age, you actually managed to destroy the relationship between my son and Liang Zixuan. Your mother stole Liang Lihua's husband, and you stole Liang Zixuan's boyfriend."

"However, your mother is a little stronger than you. After all, she's been living a happy life with that Wei Guowei for years. Hehe... Wei Xiaoqing, don't blame me for not reminding you. If you want to live a good life with my son, you better behave! In my Hou Family, you don't even have the right to speak! No matter what kind of behavior Yingyi has, you have to bear it! If you can't bear it anymore, then get out of my Hou Family!"

With that, Yu Meilin sneered and turned to go upstairs.

Wei Xiaoqing stared at Yu Meilin's back and gritted her teeth in anger.

If it weren't for her reputation now being too bad and the sons of other rich clans didn't like her, she wouldn't have bowed down to the Hou Family.

Yu Meilin wanted her to tolerate Hou Yingyi's behavior?

Hah, not a chance!

If Yu Meilin didn't want to help her, she would handle him herself.

With this thought, Wei Xiaoqing went upstairs to change her clothes, picked up her bag, and left the room angrily.

As she walked through the living room, she sloppily put a fruit knife that was on the tea table into her bag.

She knew that Hou Yingyi had shares in all five nightclubs and bars in the city, and each of them provided him with a VIP room.

Sitting in the car, Wei Xiaoqing took out her phone and used GPS to find Hou Yingyi's location. Her eyes narrowed as she tossed the phone to the side. She stepped on the accelerator and the car took off.

When she arrived at the entrance of the nightclub, Wei Xiaoqing grabbed her bag and stormed out.
