Chapter 731 Sleeps With Me Tonight And I Will Fulfill The Contract We Signed Earlier

Wei Xiaoqing was too angry and headed straight to the second floor with a clear goal in mind.

Just as she was about to climb the stairs, she heard a familiar male voice behind her. "My goodness, isn't this President Wei?"

Wei Xiaoqing's body suddenly stiffened as she turned around. When she saw the man's face, all the nerves in her body tensed and she shouted, "President Fang!"

Her voice was a mixture of surprise and anger.

The surprise was because she had done everything she could to find Fang Yimu before, but she still couldn't find him. Instead, he met her here.

The anger, of course, was because of what happened to their deal.

Fang Yimu had caused her to suffer.

Wei Xiaoqing rushed over, snatched Fang Yimu from a woman's grasp, and dragged him to the corner.

"President Fang, do you want to explain to me about our deal? How did you back off at the last minute?"

Wei Xiaoqing gritted her teeth as she looked at Fang Yimu.

Fang Yimu was neither afraid nor had a guilty conscience. He put his hand on Wei Xiaoqing's shoulder and smiled at her. "President Wei, that was not my fault. Liang Jiahao asked me to do it."

Wei Xiaoqing already knew, but she was still so angry that her chest was rising and falling. "Then why are you looking for me now? Are you not afraid of being beaten by me?"

Fang Yimu suddenly laughed rudely. "Are you angry? President Wei really looks so good when she's angry."

While saying that, Fang Yimu's hand dishonestly touched Wei Xiaoqing's face. "Actually, I am very sad about it. Helping Liang Jiahao deal with beautiful women like you was not something I wanted to do. I feel guilty towards you and wanted to apologize to you, and it seems that our meeting tonight is already fated."

"What's the point of apologizing!" Wei Xiaoqing angrily pushed Fang Yimu's pig hand away and scolded him. "Don't you know how much money I've lost? You are sorry? Pui! Let me tell you, there's no point in apologizing. You have to compensate me for my loss!"

"Of course, I will!" Fang Yimu immediately said with a smile.

Wei Xiaoqing was stunned for a moment because she did not believe him. After all, she had lost a lot. Was Fang Yimu really going to compensate her?

She looked at Fang Yimu's expression and then asked uncertainty, "Really?"

Fang Yimu smiled mischievously as he held Wei Xiaoqing's waist and pulled her into his arms. "Of course it's true. I will compensate you for your loss."

Looking at Fang Yimu's face, Wei Xiaoqing felt disgusted. nOvelusb.com

No matter how stupid Hou Yingyi was, his face was better and his skin still looked good.

And this Fang Yimu, he was obviously a middle-aged man with a brain full of dirty thoughts. Not to mention his face, even his body looked disgusting.

Wei Xiaoqing angrily pushed him away. "What are you doing? Are you trying to be a hooligan? Let go of me! If you don't let go, I'll scream!"

"Scream, scream all you want. Don't you know where this is. Even if someone hears you, will they care about you?" Fang Yimu's smile became even more vulgar.

Wei Xiaoqing was so angry that she raised her hand and slapped Fang Yimu's face, "Let go of me!"

The hard slap landed on Fang Yimu's face, causing the flesh on his face to tremble three times.

Even so, Fang Yimu wasn't angry with her. He just lowered his face and said, "President Wei, I just wanted to help you. If you don't want me to help you, then forget it."

With that, he released his grip and no longer forced Wei Xiaoqing.

When Wei Xiaoqing heard Fang Yimu's words, she sensed that there was something behind it. She immediately stopped him. "President Fang, wait a moment."

Fang Yimu raised his lips and turned around, "Is there anything else?"

Wei Xiaoqing was a bit unsure and hesitantly asked, "Didn't you say you wanted to help me? How do you want to help?"

"Oh that! The last time I helped Liang Jiahao to destroy you, he helped me get another loan from another bank." Fang Yimu said. "If President Wei..."

His gaze roamed all over Wei Xiaoqing's body and finally stopped on her face. With a smile, he said, "If President Wei sleeps with me tonight, I will fulfill the contract we signed earlier. I will buy the two buildings. Isn't this deal really worth it?"

At first glance, Wei Xiaoqing really wanted to slap Fang Yimu and then give him a good punch.

But then she thought again, if Hou Yingyi could play with other women outside, so why can't she?

Not to mention, Fang Yimu wanted to buy two buildings.

How much money could she get?

Although she was unable to recover all of her losses, Wei Xiaoqing felt that even half of it was worth it.

She no longer considered her chastity as something precious. If she can use her body in exchange for benefits, what's wrong with that?

Thinking about this, Wei Xiaoqing subconsciously touched her belly. "President Fang, I am pregnant now..."

"What does it matter?" Fang Yimu laughed wickedly and stared at Wei Xiaoqing with his eyes as if he wanted to eat her. "I was wondering why you looked more plump than before, so it turned out you are pregnant! Don't worry, I'll take care of my woman very well."

Wei Xiaoqing took a deep breath and gritted her teeth. "Alright."

When they stepped out of the corner, Wei Xiaoqing looked at the second floor with anger. Then she indifferently looked away and followed Fang Yimu.

When they arrived at the hotel, Fang Yimu pulled Wei Xiaoqing straight into the elevator and opened the door of his room with a room card.

Wei Xiaoqing did not ask anything and just followed Fang Yimu inside.

After closing the door, Fang Yimu could not wait to hug Wei Xiaoqing.

Wei Xiaoqing pushed him away with annoyance when she inhaled the smell of cigarettes and alcohol on his body.

Fang Yimu frowned, "What, are you regretting your decision now that you are here?"

"Haha..." Wei Xiaoqing laughed. "Of course not, it's just... President Fang, how about you take a shower first? You stink so much..."

"Come on, let me kiss you first." Fang Yimu hugged Wei Xiaoqing once again.

The smell of cigarettes and alcohol flooded Wei Xiaoqing's nose and mouth. Her stomach felt uncomfortable and she immediately covered her mouth.

Fang Yimu was furious on the spot. "Stupid bitch, I've given you a lot of faces, yet you think I'm disgusting?"

Chapter 732 Wei Xiaoqing Was Hiding Something

"No ..." Wei Xiaoqing covered her mouth with her hand and tried to explain. "I can't smell the smell of tobacco and alcohol now.."

Only now did Fang Yimu remember that Wei Xiaoqing was pregnant. He looked at her twice and said, "All right, I'll go take a shower now. Wait for me here."

After saying that, he held Wei Xiaoqing's waist warmly before turning around and walking happily towards the bathroom.

Soon, the sound of water splashing and the man's whistles could be heard in the bathroom. Wei Xiaoqing patted her chest and sat down on the bed.

The reason she endured the nausea and stayed was because of her need for revenge against Hou Yingyi and the reluctance in her heart to give up the business deal and the money that she was about to receive.

In any case, she still hadn't given Yuan Now to Hou Yingyi. If Fang Yimu really followed his words, she could divorce Hou Yingyi whenever she felt unhappy in the Hou Family.

As for the child in her womb, she could abort it.

It's no big deal!

As long as Yuan Now didn't go bankrupt, she'd have the money. How many beautiful boys can she raise then?

She no longer needed to endure the hatred of the Hou Family.

Fang Yimu was worried about Wei Xiaoqing, so he took a quick shower and came out naked.

Seeing Wei Xiaoqing still fully dressed, he frowned in displeasure. "Why didn't you take off your clothes?"

Wei Xiaoqing lifted her gaze and gave Fang Yimu a charming smile. She then crooked her finger towards him. "I'm waiting for you to take them off."

"Hee hee ..." Fang Yimu laughed roughly and rubbed his hands as he walked towards Wei Xiaoqing. "Let's see how I deal with you."

There was a saying, when a man became rich, he would be bad. Same as women as well.

As expected, Fang Yimu didn't lie to Wei Xiaoqing. He went to sign a purchase contract with her the next day.

However, Wei Xiaoqing still offered him many advantages. She gave Fang Yimu a 10% discount on the original price of the buildings.

Wei Xiaoqing proudly drove her car back to the Hou Family Residence. As soon as she entered the door, a cup was thrown violently at her feet.

Clang!

The glass shattered and boiling hot water splashed onto Wei Xiaoqing's calves.

Hou Yingyi stared at Wei Xiaoqing with red eyes and shouted hysterically, "You bitch, where did you go last night?"

"You still dare to ask where I went!" Wei Xiaoqing exploded at the scene. She didn't feel guilty at all, instead, she scolded Hou Yingyi confidently. "Tell me, where did you go last night? Which girl's bed did you sleep in again?"

"Stop bullshitting!" Hou Yingyi was furious and cursed as much as he could. "I came back last night at one o'clock, what about you? Where did you go?"

"Me?" Wei Xiaoqing pursed her lips coldly.

She bent down to change her shoes. Then she walked over and stood in front of Hou Yingyi. She looked at him mockingly. "Last night, I had a big fight with your mother because of you!"

"I had a fight with her, so where do you think I would go?"

Hou Yingyi frowned. When he woke up this morning, Yu Meilin only told him that Wei Xiaoqing was looking for him angrily last night. She didn't say that they had a big fight.

Now, after hearing Wei Xiaoqing say that, Hou Yingyi felt a little awkward. "You went home?" *ηoveLUsb.cOm*

"What do you think!" Wei Xiaoqing didn't say anything about what she had done last night. On the contrary, she said confidently, "I had a fight with your mother and you're not home. Where else should I go if not to my own house to look for my mother?"

"Hou Yingyi, I didn't marry you to be humiliated by your family. It's fine if you didn't come home last night, but your mother had the nerve to scold me. How do you think I should take that? Could it be that you wanted me to stay here and suffer all night?"

Hou Yingyi finally felt better, but he still didn't have a good feeling about this. It was as if Wei Xiaoqing was hiding something from him. "And what about this morning? What did you do?"

Mentioning this, Wei Xiaoqing felt happy. She walked over to the couch and sat down with her legs crossed. "President Fang, who cheated on me earlier, called me and said he'd found a new bank loan, so ... I signed a contract with him this morning."

Wei Xiaoqing became more pleased with herself. "Hou Yingyi, when I said that I would give you the company after the marriage, it was because the company was having problems with funds and I couldn't handle it alone, but ... now ... Now that the threat is gone, my company is starting to make money. If you and your mother don't start treating me better, I'm telling you, I won't give you a penny, and I don't care if we get divorced!"

Hou Yingyi almost exploded with anger when he heard Wei Xiaoqing's words.

It was just as Yu Meilin had said. Wei Xiaoqing marrying him was a trap!

Now that the company was doing well, Wei Xiaoqing wanted to kick him out?

Heh!

Did she really think Hou Yingyi was stupid?

"Xiaoqing." Hou Yingyi held back his anger and sat down beside Wei Xiaoqing. He grabbed her hand and squeezed it tightly in his palm. "What did you say? Although we haven't held the wedding yet, we have received the certificates. We're already husband and wife."

Wei Xiaoqing raised her eyebrows in satisfaction and casually released her hand from Hou Yingyi's grip. "So what if we're already husband and wife? If you and your mother disappoint me, I'll divorce you. Now that I have money, what kind of man do I want? I can get them in no time."

Hou Yingyi really wanted to strangle Wei Xiaoqing to death now.

This was too domineering.

If it wasn't for Yuan Now, Hou Yingyi wouldn't have had to endure this insult!

"Xiaoqing ..." Hou Yingyi tried to curry favor with her. "How can you say such a thing? Have you forgotten what Liang Zixuan said?"

Chapter 733 They Won't Come, So Why Bother?

"Liang Zixuan?" Wei Xiaoqing turned and looked at Hou Yingyi.

"Didn't Liang Zixuan already say that we must be together in order for the company to be fine? You see what she said is true! After you and I got married, the danger to Yuan Now had gone immediately, right?"

Seeing Wei Xiaoqing's slightly overwhelmed expression, Hou Yingyi continued, "Now, we need to be together properly, so our days will be better and better. After the wedding, you gave me Yuan Now. With this company in my hands, dad will take me seriously, otherwise it will fall into my brother's hands. So ...what Liang Zixuan said was right! We must be together. We must help each other."

When Wei Xiaoqing stayed with Fang Yimu last night, she forgot about this.

But from the looks of it, what Liang Zixuan said was right!

Before she was with Hou Yingyi, no matter how many methods she thought of, she could not find Fang Yimu and Tang Bai at all. The two men seemed to have disappeared from the world.

But now, Fang Yimu had not only taken the initiative to find her, he had even bought the two buildings!

Thinking about this, Wei Xiaoqing was more sure that Liang Zixuan was right.

"Alright!" Wei Xiaoqing put her foot on Hou Yingyi's lap and pointed at them.

Hou Yingyi immediately kneaded her legs. "You are pregnant now and your legs must be hurt. I will massage them for you. Xiaoqing, as long as we are together, we can get anything we want."

After a while, Wei Xiaoqing suddenly thought of something and said arrogantly, "You'd better talk to your mother. In the future, she'd better be polite when she talks to me. If she or you upset me, I will divorce you right away and when the time comes, don't blame me for not being good."

"All right, all right." When Hou Yingyi said this, he lowered his eyelids and a bit of hatred radiated in his eyes.

If Wei Xiaoqing could look at Hou Yingyi now, she could see the hatred in his eyes.

Quickly, the invitation cards for the wedding were made.

Originally, anyone could write these invitations, but Wei Xiaoqing forced Hou Yingyi to write them, and also he must do it at night.

"Xiaoqing, why can't you write the guests' names yourselves? Do I have to write them at night?"

Wei Xiaoqing heard Hou Yingyi's muttering and laughed cynically. "Of course, you have to write them at night! Otherwise, you will go out again and mess around with other women, and your mother will bully me again since I am alone at home!"

Hou Yingyi was angry, but he didn't dare to say anything. He still didn't dare to offend Wei Xiaoqing.

Looking at the guest list, Hou Yingyi frowned. "Why are Liang Zixuan and Liang Jiahao's names listed here?"

He raised his head and looked at Wei Xiaoqing. "Even if we send out the invitations, they won't come. So why bother?"

"How do you know they won't come?" Wei Xiaoqing held the grape in her hand and bit into it. Then she spat out the seeds and said softly, "I will send the invitations to them personally. They will definitely come."

Hou Yingyi rolled his eyes. "I won't send you there. I don't have such a thick face. I'd rather put my face on someone's cold butt!"

"No way!" Wei Xiaoqing kicked Hou Yingyi's leg. "You have to follow me! Not only do you have to send me there, you also have to enter the door with me and show our love in front of them!"

Hou Yingyi: "..."

Showed their love in front of Liang Zixuan and Han Yuanjun?

Who didn't know about Liang Zixuan and Han Yuanjun's love show? Even when they were simply interacting with each other, their actions were filled with a sweetness that could make someone's teeth fall out. And Wei Xiaoqing still wanted to show her love for Hou Yingyi in front of them?

Wasn't that tantamount to asking for a beating?

Seeing Hou Yingyi roll his eyes, Wei Xiaoqing kicked his leg again. "What's wrong? Do you still love Liang Zixuan in your heart? You didn't want me to show our love in front of her?"

"That's not it." Hou Yingyi put down his pen and rubbed Wei Xiaoqing's feet. "How could I still love her? If before, it might have been possible, but now it's impossible. I am already married to you, and after all, our marriage is the best option. If we work together, we will be invincible. Why do I still love her?"

Wei Xiaoqing was quite satisfied with this answer.

She did not want her man to have another woman in his heart, especially if that woman was Liang Zixuan.

It was like a thorn stuck in her throat, making her feel uncomfortable.

The next day was the weekend. Wei Xiaoqing and Hou Yingyi went to Han Yuanjun's villa.

Wei Xiaoqing had been here before, so she was quite familiar with the route.

Hou Yingyi had never been here before. When the car arrived at the entrance of Han Yuanjun's villa, he was shocked. "This ... This land all belong to Han Yuanjun?"

Wei Xiaoqing was also envious. "Yes, there are lakes, a parking lot, wetland gardens, and even big greenhouses for growing vegetables. It takes at least ten minutes to get to the parking lot."

This wasn't just big.

It was simply super, incomparably huge!

Hou Yingyi took a deep breath and turned to Wei Xiaoqing. "It's fine, Xiaoqing. When we have money in the future, we can buy a bigger land than this and build a more luxurious villa out of it. You can do anything you want with it!"

"I cannot wait for that to happen." Wei Xiaoqing curled her lips. "Let's let them brag for a while. When we have more money, even more than them, then we will see how we can show off in front of them! Hmph!"

Chapter 734 People Like Him Are Really A Beast Inside

After saying that, Wei Xiaoqing opened the car door and got out. She walked to the gate and pressed the intercom button on the side. Soon, the housekeeper's face appeared.

Wei Xiaoqing proudly raised her chin. "I'm Wei Xiaoqing. I'm here to send my invitation to my sister and brother-in-law. Open the gate for me."

When the housekeeper heard her words, he immediately turned off the video call.

What kind of person was this!

Did he really not know who she was?

The last time Wei Xiaoqing and the Wei Family were here, they had caused a ruckus in front of Liang Zixuan and Han Yuanjun, but now, she still had a face to come here and caused a ruckus again?

Wei Xiaoqing saw that the video call had been disconnected just like that, so she pressed the button again as hard as she could.

Liang Zixuan was sitting in the living room talking with Han Yuanjun, Qin Yu and Liang Jiahao when she heard the bell ringing continuously. She asked curiously, "Who is it? Why is this person ringing the bell like that?"

The housekeeper looked at the door in annoyance, then said respectfully to Liang Zixuan. "It's Wei Xiaoqing."

"Wei Xiaoqing?" Liang Zixuan frowned. "What's she doing here?"

"She said she was here to extend an invitation to you and the Young Master."

"Invitation?" Only now did Liang Zixuan remember that Wei Xiaoqing and Hou Yingyi were married and they might've come here to show off.

Liang Zixuan said, "Open the gate and let her in."

The housekeeper hesitated. "Young Madam, letting this person in, she'll only cause more trouble. It wouldn't be worth it if she pisses you off."

"I'm good." Liang Zixuan said indifferently, "Let her in."

The housekeeper didn't dare to say anything else. He opened the gate for Wei Xiaoqing and Hou Yingyi.

Wei Xiaoqing cursed as she rang the bell again and again. Seeing the gate open in front of her, she smiled proudly and ran to the car. "Yingyi, let's go in!"

"En!"

From the outside, this villa was already impressive. Hou Yingyi really wanted to go inside and see what was inside.

He drove very slowly and kept looking left and right all the way to the parking lot.

Hou Yingyi was very envious of the fresh flowers and tall green trees.

"No wonder Liang Zixuan doesn't like me. If I live here, I'm afraid my eyes will go to my head."

"More than that!" Wei Xiaoqing said with red eyes, "Not only is she arrogant, she's also dependent on Han Yuanjun! Does she really think she's that amazing? Without Han Yuanjun, she is nothing."

The more unpleasant her words were, the more she envied Liang Zixuan.

If he hadn't come here, Hou Yingyi would have thought he was living a pretty good life, but now that he was here, he felt like he had been living in a dog's den all this time!

He drove for ten minutes before arriving at the parking lot.

Seeing the luxury cars parked in the parking lot, Hou Yingyi's heart ached.

"Too many good cars, why does Han Yuanjun usually drive a Bentley?"

Wei Xiaoqing snorted. "He pretends to be low profile. People like him who pretend to be like that in front of other people are really a beast inside!"

They both cursed as they continued walking. Finally, they arrived in front of the villa.

The door was opened, but no one was there to greet them. *novelusb.com*

Wei Xiaoqing didn't care. In any case, the people in the house knew exactly what the relationship between her and Liang Zixuan was like anyway.

She didn't even change her shoes. She just held Hou Yingyi's arm and went inside while stepping on the clean floor with her dirty shoes.

"Sister, brother-in-law, big brother ..."

Upon entering, Wei Xiaoqing gave a polite smile and greeted Liang Zixuan and the others enthusiastically.

Liang Zixuan, Han Yuanjun and Liang Jiahao didn't bother to remind her of their current relationship. Liang Jiahao looked at the magazine in his hand, while Liang Zixuan just looked at Wei Xiaoqing indifferently.

Wei Xiaoqing was thick-skinned, even if others ignored her, she'd still play tricks on them. "Yingyi, quickly bring out the invitation cards for big sister and big brother."

"Oh!" Hou Yingyi obediently took out the invitations from the bag and placed them on the tea table in front of Liang Zixuan.

Liang Zixuan only glanced at the invitations before indifferently replying, "Thank you."

When Wei Xiaoqing saw that there was a single couch, she immediately pulled Hou Yingyi's hand. The owner didn't invite them to sit down, but Wei Xiaoqing shamelessly held Hou Yingyi's hand and pushed him onto the single couch.

The couch was small and only suitable for one person. When two people sat together, it became cramped. Wei Xiaoqing sat with half her back against Hou Yingyi's chest.

Hou Yingyi didn't dare to be surprised and had to pretend to smile to match Wei Xiaoqing's love.

He held Wei Xiaoqing's waist with one hand and held her hand with the other, as if they were a couple in love.

Wei Xiaoqing curled her lips in satisfaction and looked at Liang Zixuan and Han Yuanjun. "Sister, brother-in-law, you guys would come to my wedding, wouldn't you?"

Han Yuanjun had just finished peeling an apple and cutting it in half before putting it in a fruit plate. Hearing Wei Xiaoqing's words, he deliberately frowned and said to Liang Zixuan. "Even if the sky collapses, you have to stay at home. You are not allowed to go anywhere, you hear me?"

Liang Zixuan pouted, feeling completely wronged. She touched her belly and nodded. "En, I understand."

Although Han Yuanjun seemed to be warning Liang Zixuan, his words were so gentle that everyone could hear the concern in his voice for her.

Wei Xiaoqing's expression changed slightly.

"Brother-in-law, I am pregnant too, but I am fine and I can still hold the wedding. Big sister can come to the wedding. Nothing will happen to her."

"You?" Han Yuanjun sneered. "How can you compare yourself to my wife? Where did you get the face to be so noble?"

It was as if he was saying that Liang Zixuan was a pearl while Wei Xiaoqing was scum. When Wei Xiaoqing heard this, her expression became even uglier.

Nevertheless, she tried her best to keep a cheerful smile on her face. "How can brother-in-law talk like that? My sister and I came from the same father. Whatever she is, I am what she is too."

Chapter 735 Don't Create Anything That You Can't Bear The Consequence

"You really know how to put gold on your face." Qin Yu took a fork and stabbed it into the apple slice on the plate, then brought it to Liang Zixuan's mouth. "Only a person who looks after her own mother can be a noble person. How can my aunt be like you?"

"Qin Yu, why do your words sound so bad?"

Jiang Huifang and Wei Xiaoqing had been scolded a lot by others recently and Wei Xiaoqing could not understand why she had to bear the consequences of Jiang Huifang's actions.

"No matter what, I came from the same father as Liang Zixuan and Liang Jiahao. We are one family after all. As an outsider, what right do you have to gossip in front of me?"

"Outsider?" Liang Jiahao put down the magazine, raised his eyelids, and looked at Wei Xiaoqing. "Besides you and the person next to you, there are no outsiders here!"

After Hou Yingyi entered the villa, he sat down on the couch without saying anything and rolled his eyes in depression at Wei Xiaoqing's behavior.

Wei Xiaoqing was not the type of person who admitted defeat. She definitely had to make sure that Liang Zixuan, Han Yuanjun, and Liang Jiahao attended her wedding.

In Imperial City, as long as the three of them were present, the wedding would become a high-class wedding.

As long as the three of them showed up, no matter how many faces they had torn on her, she still would have some faces.

Besides ... If they attended her wedding, when everyone saw it, her business would be better in the future.

"Brother, don't be like that! Even though you don't acknowledge me, I'm still your sister. Could it be that you and sister can't afford to spend so much money and effort on me?"

"Ha!" Liang Zixuan sneered and said coldly, "Spending money on you? Wei Xiaoqing, don't blame me for bragging in front of you, but even if I have a private plane, I still won't go. I just don't want to go!"

Wei Xiaoqing's face immediately darkened. "Liang Zixuan, tell me, why didn't you want to go? Is it because you still have feelings for my Yingyi?"

Wei Xiaoqing didn't give Liang Zixuan a chance to interrupt her, and her lips moved quickly. "That day, you stayed so long with my Yingyi in a nightclub, don't tell me you haven't moved on from him and don't want to see him marry me?"

Liang Zixuan never told anyone about this!

Therefore, as soon as Wei Xiaoqing said this, Han Yuanjun, Qin Yu, and Liang Jiahao looked at her at the same time.

Liang Zixuan smiled without changing her expression and calmly said, "Weren't you at the nightclub that night too? For you to utter such a word now, to whom you are trying to create the misunderstanding? Wei Xiaoqing, let me give you some advice. Don't create anything that you can't bear the consequence. No matter what you say, my relationship with my husband is very good. There will be no opportunity for you."

Liang Zixuan also didn't give Wei Xiaoqing a chance to speak, she quickly said, "The last time you came to my house, you'd Wei Guowei call me away that night and went straight to my bedroom to lure my husband away. What, did you forget about that? So quickly? Then two months ago, you took advantage of the fact that I was watching a show to sneak into my husband's office to seduce him! Wei Xiaoqing, do you think my husband would be so easily seduced by someone like you and fall into your trap?"

"What?!" After hearing this, Hou Yingyi instantly flew into a rage.

No man would tolerate his woman putting a green hat on his head.

"Wei Xiaoqing, you slut! You dare to seduce Han Yuanjun?" Hou Yingyi's angry voice frightened Wei Xiaoqing so much that her face turned pale.

Seeing that the two of them would start fighting, Liang Zixuan explained in a good tone, "Hou Yingyi, don't get me wrong, my husband isn't like you. He protects me like a jade treasure and didn't even touch her with his fingers. Don't worry, he kicked her out."

Liang Zixuan didn't need to say anything more, her words had angered Hou Yingyi even more. He raised his hand and slapped Wei Xiaoqing's face, "I didn't know about that. What, you were rejected by someone else, that's why you thought of me and wanted to marry me?"

Hou Yingyi couldn't suppress the rage in his heart. His rage continued to pour out. He lost his mind and grabbed Wei Xiaoqing's hair.

Wei Xiaoqing was so close to Hou Yingyi, and they were both crammed together on a couch. She couldn't dodge even though she wanted to and screamed in pain. "Hou Yingyi, are you crazy? Let go of me!"

"Bitch!" Hou Yingyi raised his hand and slapped Wei Xiaoqing's face again. "I treated you well, but you treated me like a spare tire? Besides Han Yuanjun, who else have you seduced? Who else have you tried to sleep with? Tell me!"

The slap really hurt.

Liang Zixuan and Qin Yu's eyelids twitched at the same time. When they saw Hou Yingyi hit Wei Xiaoqing, they both shook their heads.

Hou Yingyi was a subtle person, and when he attacked, he was completely blunt.

The blow was so strong that he didn't care about the pain in his hand.

Liang Zixuan and Qin Yu reckoned that the Hou Family would definitely be involved in the future.

This kind of man, every time he hit a woman once, there would be a second time. And the third time. After he settled the matter, he would regard his wife's beatings as a daily affair. If he didn't hit her every day, his hands would itch.

"Ah!" Wei Xiaoqing screamed in pain, and as if she'd gone mad, she raised her hand to scratch Hou Yingyi's face. "Hou Yingyi, have you forgotten what I told you when we first arrived? Let go of me, you heard me, let go of me!"

Seeing that the fight had become more intense, Liang Jiahao shouted coldly. "Stop! If you want to roll around and fight, do it in another place. Don't ruin our daily lives!" *novelUSB.cOm*

He'd barely finished his sentence when Hou Yingyi stopped his hand. Wei Xiaoqing's nails grazed his neck, and in the next second, three blood-red marks appeared on his neck, as if a cat had scratched him.

Hou Yingyi hissed in pain, but he didn't dare to attack Wei Xiaoqing again.

Wei Xiaoqing glared at Hou Yingyi, then turned to Liang Zixuan. "Liang Zixuan, what did you mean by doing this? Are you trying to sow discord in front of my husband?"

Liang Zixuan shrugged. "But what I'm saying is the truth. After all, I don't talk nonsense like you."

Chapter 736 What Qualifications Do You Have To Question Me

It was a fact!

Wei Xiaoqing was so angry that she was at a loss for words. She scratched her own hair, which had been disheveled by Hou Yingyi. "You still miss my Yingyi, that's why you can't see me being happy!"

Liang Zixuan sighed loudly. "Wei Xiaoqing, don't think that other people will treat him like a treasure just because you consider him a treasure. In my eyes, Hou Yingyi is nothing. What's more, if you really think Hou Yingyi is so good, then why did you keep coming back again and again to seduce my husband?"

As she said that, she smiled. "I'm not blind nor mentally retarded. I already have a handsome, rich, and kind husband with me, so why would I think of other men? Do you think everyone has the same personality and mentality as you?"

Han Yuanjun immediately used his fork to stab an apple and fed it to Liang Zixuan as a reward. "Baby, your words are really good!"

Liang Zixuan bit into the apple and smiled at Han Yuanjun. "I'm just telling the truth. I'm a very honest person and never lie."

Everyone: "..."

This was truly an opportunity to show off their love at all times!

Qin Yu moved her butt towards Liang Jiahao when she saw them acting like that. She stood up and sat on Liang Jiahao's lap.

Liang Jiahao hugged her waist and kissed her forehead lovingly.

Wei Xiaoqing: "..."

Hou Yingyi: "..."

They came here to show off their love, but instead, this is what they got?

When did it start to become a competition between Han Yuanjun and Liang Zixuan, and Liang Jiahao and Qin Yu?

Their love had caused Hou Yingyi and Wei Xiaoqing to suffer.

It wasn't only Liang Zixuan and Han Yuanjun who flaunted their love. There were many more from Liang Jiahao and Qin Yu too.

Coming here was just asking for death!

Hou Yingyi and Wei Xiaoqing's eyes were completely red. Who didn't want to find a partner who loved them like this? Who wanted to get married only to have a small fight every two days and a big fight every three days?

How exhausting.

Wei Xiaoqing and Hou Yingyi looked at each other, and the corners of their mouths wrinkled in disgust.

"Let me ask you, will you go to my wedding or not?" Wei Xiaoqing couldn't stay any longer and decided to end the fight as soon as possible.

"Go." Liang Jiahao started to say. "I will definitely go, and I also have a big present for you."

When Liang Zixuan saw that Liang Jiahao would be going, she also wanted to go. Moreover, she was also very curious about the wedding present that Liang Jiahao was going to give to Wei Xiaoqing.

"Since you are going, I'll go too."

Han Yuanjun sighed. "Fine, if you want to go, then go. I'll go with you."

Liang Zixuan smiled and held Han Yuanjun's face. "Hubby, you're so good!"

Han Yuanjun raised an eyebrow. "What else can I do besides pampering you?"

Wei Xiaoqing couldn't stay much longer.

She suddenly stood up and held Hou Yingyi's hand. "Alright, then I'll wait for you!"

After saying so, they both walked out sadly.

After they got into the car, Hou Yingyi began to question Wei Xiaoqing. "What Liang Zixuan said earlier, that you tried to seduce Han Yuanjun, is it true?" *novelUSB.COM*

Wei Xiaoqing confessed to Hou Yingyi of what she had done before. "What can I do? At that time, you ignored me. Can't I go find another man? It's not like you weren't fooling around with other women back then too! So we're even."

"Don't talk about the past, even after marriage, you still go out to play. What qualifications do you have to question me?"

Hou Yingyi looked at Wei Xiaoqing's belly angrily. "Then tell me, that child, is he mine?"

"Of course it's yours!" Wei Xiaoqing said confidently, "Other than Han Yuanjun, I never seduce anyone else. I always do it with you. If it's not yours, then who is it? You mustn't be swayed by Liang

Zixuan's tricks. She saw us come together to deliver the invitations, so she said that on purpose. If you take her words seriously, then you're a fool!"

"Hmph! Liang Zixuan is really a bitch. She obviously knows we're married, but she still talked about me like that. She's obviously trying to sow discord between us!"

"Look at the pretense of love between her and Han Yuanjun, it's so fake! It's obvious that it's just an act. She doesn't even know that Han Yuanjun is fooling around behind her back!"

"Seriously, this Han Yuanjun, why didn't he beat this bitch to death!"

When Hou Yingyi heard the first part, he thought that what Wei Xiaoqing said was very reasonable. That Liang Zixuan was deliberately provoking them.

However, the more he heard about it, the more bitter he became. With a cold expression, he asked in a dangerous tone, "If Han Yuanjun beat her to death, do you think you would have a chance?"

"What nonsense are you talking about!" Wei Xiaoqing raised her hand and hit Hou Yingyi's arm. "Just drive the car. Be prepared to let them treat us with expensive gifts."

Hou Yingyi drove the car with resentment in his heart.

The more he thought about it, the more frustrated he became.

Hou Yingyi never felt he was doing anything wrong when he spent time with other women outside, but when he heard that Wei Xiaoqing had tried to seduce another man, he felt as if she had put on a green hat on him.

After returning home, Hou Yingyi roughly pulled Wei Xiaoqing into the bedroom. Closing the door, he turned around and pointed at Wei Xiaoqing's face. "Wei Xiaoqing, let me tell you, I will not bother you about the thing you were trying to do to Han Yuanjun."

It was mainly because Han Yuanjun did not touch her, so Hou Yingyi let it pass.

He then said fiercely, "If I know you are still messing around with other men behind my back after you've been with me, don't blame me for being rude!"

Chapter 737 Can You Give Me The Same Loyalty

Wei Xiaoqing felt a little guilty. Thinking of her and Fang Yimu that night...Her heart trembled.

But no matter how guilty and scared she felt, on the outside, she still pretended to be wronged for being accused of something she didn't do. "I didn't! How many times do I have to tell you? I never messed around with other men!" *NOVELUSB.COM*

Hou Yingyi angrily lowered his hand and sat down on the bed.

Wei Xiaoqing rolled her eyes and suddenly said, "Hou Yingyi, since you want me to be loyal to you, can you give me the same loyalty?"

Hou Yingyi only looked at Wei Xiaoqing and said nothing.

Wei Xiaoqing walked up to him and held his arm, saying, "I asked you a question! Answer me, I'm loyal to you, can you also be loyal to me? Will you promise me that you won't go out and flirt with other women anymore in the future?"

Hou Yingyi threw Wei Xiaoqing's hand away. "You're pregnant now, so I can't touch you. I'm a normal man and have physical needs. Besides, I'm just playing with them, why are you so pressed about it?"

Wei Xiaoqing sneered. "Is that so? If that's the case, then I'll go out and play too. Don't be angry with me when the time comes!"

"How dare you!" Hou Yingyi immediately raised his head and threatened Wei Xiaoqing while gritting his teeth, "If you dare to mess with another man, Wei Xiaoqing, do you think I won't kill you?"

"Then don't mess with other women too!" Wei Xiaoqing refused to admit defeat. "If you can't do it, don't ask me to do it either!"

Hou Yingyi was truly amazing.

He could go out and do whatever he wanted with other women, but he didn't allow Wei Xiaoqing to do the same.

It was as if he himself was the emperor. He could have three thousand harems, but not a single concubine was allowed for Wei Xiaoqing.

He really considered himself as the main character!

Seeing that Wei Xiaoqing disagreed, Hou Yingyi stood up, grabbed her by the hair, and pressed her head firmly against the bed. "I'm going to kill you right now!"

With that, he tore Wei Xiaoqing's pants.

Wei Xiaoqing screamed loudly, feeling scared. "Hou Yingyi, are you crazy? I'm pregnant now!"

Hou Yingyi was furious. He didn't care whether Wei Xiaoqing was pregnant or not.

He was about to pounce on her, but Wei Xiaoqing was too scared and quickly shouted, "Alright! Alright! You can go out and satisfy your physical needs outside!"

Hou Yingyi pursed his lips and then let go of Wei Xiaoqing's hair in satisfaction. "That's what you said. Wei Xiaoqing, let me warn you, you better remember what you said today. I can play with other women whenever I want, and if you dare to hold this against me and act recklessly, I will kill you!"

Wei Xiaoqing really can't use the company to suppress Hou Yingyi.

She can only swallow this matter by force. That night, Hou Yingyi didn't return home, instead, he enjoyed his night happily with a woman in his arms.

Wei Xiaoqing was very angry, but she didn't dare to say anything. Instead, she blamed everything that had happened to her on Liang Zixuan.

After Wei Xiaoqing and Hou Yingyi left Han Yuanjun's villa, Liang Zixuan asked Liang Jiahao, "Big brother, may I ask what is the big gift you've prepared for Wei Xiaoqing? What is it?"

Hearing Liang Zixuan's question, Qin Yu also nodded and asked curiously, "Right, I want to know that too."

Liang Jiahao pursed his lips and smiled coldly. "I've prepared a great show for her. You'll know about it later."

"When?" Liang Zixuan frowned, clearly dissatisfied. "Tell us now. There are no outsiders here. Give us some information so we don't have to worry about this."

Liang Jiahao really didn't know how to refuse his sister's request. He just kicked the ball towards Han Yuanjun. "Your husband knows too, you can ask him."

Liang Zixuan turned to Han Yuanjun. "You know about this too?"

Han Yuanjun frowned and looked at Liang Zixuan seriously. "Earlier, Wei Xiaoqing was talking about you and Hou Yingyi at the nightclub. What happened?"

Liang Zixuan's eyes widened and she immediately looked away, pretending to lose her memory. "When did this happen? How come I don't remember?"

She nudged Qin Yu's leg. "Qin Yu, the sun is shining brightly outside. Let's go out and bask in the sun!"

Receiving Liang Zixuan's hint, Qin Yu could only let go of her curiosity and played along with Liang Zixuan. "Yes. The sunshine is very good! Auntie, the doctor said that sunbathing is good for you. More sunshine is good for the baby in your womb."

So the two women got up at the same time and prepared to leave the room while holding hands.

Han Yuanjun suddenly grabbed Liang Zixuan's waist from behind and pulled her back. "Don't change the subject. Since there are no outsiders here, I can question you."

Liang Zixuan cried out and obediently sat back on the couch.

She looked at Han Yuanjun, then at Liang Jiahao, and then honestly explained what had happened that night with her cheeks puffed out.

Hearing Wei Xiaoqing wanted to hit her, Han Yuanjun's heart almost jumped out of his chest. "What, did she hit you? Where's the injury? Let me see."

"No!" Liang Zixuan pushed Han Yuanjun's hand away and said with a smile, "Am I that stupid? If she wants to hit me, I'll let her? Hehe, hubby, don't worry. I left the club unscathed."

Qin Yu was also worried. "Then how did you run away? Impossible for her to let you go just like that. Auntie, tell us the truth, Wei Xiaoqing really didn't hit you, right?"

Liang Zixuan looked at Han Yuanjun, then at Liang Jiahao. When she came back home that day, she'd asked Han Yuanjun if he'd told Liang Jiahao about her rebirth.

Han Yuanjun didn't hide anything and told her everything.

Therefore, Qin Yu was the only one who didn't know at this time.

Liang Zixuan felt that since Liang Jiahao already knew, sooner or later Qin Yu would also know too. Therefore, she slowed down and carefully told her how she'd run away from Hou Yingyi and Wei Xiaoqing.

Qin Yu's chin almost dropped to the floor when she heard this. She felt like she was listening to a book. She looked at Liang Zixuan in disbelief. "Auntie, you said ...You said you were ... Reborn? Go back... Come... What?"

Her voice became quieter and quieter, her small heart was clearly frightened to the point that she couldn't take it anymore.

Chapter 738 We Should Strike At The Things He Cares About The Most

Liang Zixuan bit her lip. "About that ...When you have time, ask my brother. I don't know how to explain it to you."

Although Qin Yu was scared and shocked, she was also very curious. She turned to Liang Jiahao and felt that his words were certainly not as clear as Liang Zixuan's.

"No, auntie, I want you to tell me!"

Liang Zixuan rubbed her nose in embarrassment. "This matter is really hard to explain in one sentence."

"There's still some time before lunch. Auntie, you can explain it to me slowly."

While the two little girls were talking, Liang Jiahao looked at Han Yuanjun meaningfully.

Han Yuanjun mouthed with his lips, "Heaven is really on my side."

Liang Jiahao smiled and nodded at Han Yuanjun.

What happened to Liang Zixuan could really be written in a novel. When she told Qin Yu about it, Qin Yu was so angry that she almost went crazy.

"What! Wei Xiaoqing actually gave me the song to climb into the Han Group, causing her to follow the path of the Queen? How can this person be so shameless! Pui! I knew this, I wouldn't want her songs! This is too much!"

It really was too much.

But that's exactly what happened. It was destined to happen even if you didn't want it to. But fortunately, Liang Zixuan was reborn.

When Qin Yu finally heard Liang Zixuan's whole story, she was so angry that she could hardly hold it anymore. "We were too merciful to Wei Xiaoqing and Hou Yingyi. We should make people like them suffer for their whole lives!"

These words touched the hearts of Liang Zixuan and Han Yuanjun.

Liang Jiahao pursed his lips and put his arm around Qin Yu's waist. "So, what I did to her before wasn't enough?"

"Of course!" Qin Yu snorted. "She killed my grandmother and she killed you too!"

Qin Yu's heart ached as she remembered how Liang Jiahao had died. "I didn't know about this before, so I thought it would be enough to teach her a lesson. But now, after I finally know everything, Wei Xiaoqing is very bad, very despicable. Can a little teaching really restrain her?"

"Just look at what she did to you, grandmother and auntie before. Even though she didn't directly take your life, she didn't stop it. Instead, she kept doing it over and over again. It was like she was an annoying fly that was always flying around us. So disgusting!"

Liang Jiahao put his hand on Qin Yu's shoulder and said, "Don't worry. This time, we'll give her a gift. She'll definitely be very surprised."

Even so, the more Qin Yu thought about it, the angrier she became. She felt that they shouldn't have let Wei Xiaoqing and Hou Yingyi get away so easily.

Because of Yu Meilin's kindness in the past, Liang Zixuan didn't want to take action against the Hou Family. But thinking how Hou Yingyi actually dared to help Wei Xiaoqing torture Liang Zixuan, Qin Yu really couldn't take it.

"Auntie." Qin Yu only talked to Liang Zixuan about her plan when Liang Jiahao and Han Yuanjun had already left.

"I want to teach Hou Yingyi a lesson and make him pay the price."

They were sitting in the garden. It was autumn now, and the two of them were wearing long sleeves as they sat on the swing. The sun shone brightly over their heads.

Liang Zixuan's legs slowly kicked the ground, causing the swing to sway slightly.

"What do you want to do?"

Qin Yu smiled crookedly. "I definitely can't show my face to him because he will definitely be on guard when I appear... So, let's find someone we can trust and have a good relationship with to teach Hou Yingyi a lesson."

"You..." Liang Zixuan blinked. "You want to beat him up?"

Qin Yu curled her lips. "Even though beating someone can calm a person's anger a little, it's not enough to get rid of anger completely. We should strike at the things he cares about the most. Only by doing this can our hearts feel good!"

Liang Zixuan didn't expect that Qin Yu, who usually liked to solve everything with her fists, would choose the other way.

Time passed quickly and in the blink of an eye, it was the night before Wei Xiaoqing and Hou Yingyi's wedding.

In a nightclub.

"Eh ... Look! Isn't that Goo Shengli?" A woman looked at the arrogant man at the entrance and curiously asked the woman next to her.

"Where, let me see. I don't think that's possible. Why did Goo Shengli come to a place like this? Isn't he afraid of being caught by reporters?" But then the woman said in surprise, "Aiya, it's really him! It's Goo Shengli!"

No matter how deafening the sound of the music, it could not match the cheers of all the women present.

"Goo Shengli!"

"It's Goo Shengli!"

Goo Shengli, in his casual attire and with his cool and handsome demeanor, instantly killed all the men present.

Almost all the women surrounded him. "Shengli, are you here to play too?"

"Do you have a girlfriend? What do you think of me?"

Goo Shengli looked at the women around him. He smiled proudly, "I don't have a girlfriend. Which one of you is willing to be my partner tonight?"

"I'm willing!"

"I'm willing!"

"I'm willing too!"

Numerous female voices were heard at the same time, overshadowing the music coming from the bass.

Goo Shengli laughed out loud with joy. He grabbed the woman closest to him and pulled her into his arms. Then he looked at the others with raised eyebrows. "Are you all really willing?"

"Yes!"

"We are more than willing!"

The women shouted happily.

Goo Shengli pointed to the ceiling and said proudly, "All right! All the ladies tonight are mine! Anything you drink tonight, put them in my tab. Let me spoil you!"

"Kyaa...So handsome!"

"How domineering!"

"So rich!"

Goo Shengli was praised by all the women as if he were the stars and the moon. Supported by a woman in his arms to the dance floor, he danced closely with all the women present.

As soon as Goo Shengli appeared, all the men in the club were ignored. Some even tried to seduce one of the women, but the woman ignored him and stood next to the other woman, laughing and dancing with Goo Shengli.

As a result, the jealous and envious men drank bottle after bottle of wine. Some even broke the bottles into pieces.

When the manager saw this, his heart sank. He went up to the second floor.

"Brother Hou, there is a loser down there snatching all the women from our guests!"

Chapter 739 Whoever Has The Money And Has Women The Most Will Be The Boss

"What?" Hou Yingyi suddenly frowned. He asked with a sneer, "Who is he? Who dares come messing with me!"

"Goo Shengli!" The manager said with a dark face. "He pulled all the women in the room as soon as he came in, even saying that all the women here tonight were his, and he paid for their drinks. Now many of the men have gone elsewhere, and others are just staring with red eyes."

A fight between the customers was what they feared the most.

It was no exaggeration that they felt that way.

Hou Yingyi slowly mouthed the name. "Goo Shengli?"

The hottest male actor in the entertainment industry had actually come to his club to play?

Goo Shengli was young and vigorous, and because of his fame, he had money in his pocket. That's why he had rushed here in the first place. To spend his money and to play with women.

Hou Yingyi guessed that Goo Shengli might never have been to a club before and therefore did not know the rules here.

"Let's go!" Hou Yingyi immediately stood up. "Take me to him."

The manager walked out of the room with Hou Yingyi in tow. They stood on the stairs to the second floor. The manager pointed to the dance floor below. "Brother Hou, look. There he is." *nOvelUSb.com*

Hou Yingyi looked over the direction and saw there was only Goo Shengli on the dance floor, surrounded by a large group of women.

As for the men sitting on the sidelines, they all had red eyes as they watched the scene. It seemed that they would attack and fight Goo Shengli at any time.

Hou Yingyi smirked. "I'll go meet him."

After saying that, Hou Yingyi quickly went downstairs and squeezed through the group of women.

When Goo Shengli saw Hou Yingyi, a hint of laughter flashed in his eyes. He looked at Hou Yingyi arrogantly, "I'll only treat women tonight. As for men, buy the drinks yourself. Don't bother me!"

Hou Yingyi put one hand in his pocket and raised the other. He pointed at the ceiling and smiled mockingly, "You didn't do any research before you came here? This is my territory!"

"Your territory?" Goo Shengli laughed arrogantly. "Are you in charge of the province? Brother, in a nightclub, whoever has the money and has women the most will be the boss."

After saying that, Goo Shengli smiled and asked the woman next to him. "Don't you think so?"

The woman immediately screamed excitedly, "Yes!"

The woman's loud voice hurt Hou Yingyi's eardrums.

Forget others, even if he was a shareholder, he was not as arrogant as Goo Shengli!

All women...

Heh!

This Goo Shengli really had a big appetite!

"Goo Shengli, right?" Hou Yingyi rubbed his nose with his thumb and smiled coquettishly. "I know you. You are very famous and very rich."

Goo Shengli stood with his head held high and his chest puffed out, while a slightly contemptuous smile appeared on his face. "Yes, that's me. What, do you have a problem with that?"

"Haha ..." Hou Yingyi smiled and said, "I'm opening the club to do business, so of course I will not be in a hurry to chase you out. Since you insist, then don't blame me for not giving you any face."

"Bai Shi!" Hou Yingyi shouted and the manager came immediately. "Give me the microphone."

After hearing this, the manager immediately ran out of the crowd and came back with a microphone.

Hou Yingyi looked at Goo Shengli provocatively with the microphone in his hand. "Tonight, whether men or women, all the drinks will be on me. And if anyone here is willing to drink and play with men in this club, I would give her ten thousand yuan as a reward."

"Wah!"

The woman immediately screamed in excitement.

10,000 RMB!

This was not a small sum. It was equivalent to the salary of two months for many people.

Although there were still many women who looked at Goo Shengli with joy in their hearts, some of them thought that even though they played with him, the chances of them getting into his eyes were too slim.

Therefore, almost all the women turned away at the same time and went toward the men who were sitting in the booths and drinking alcohol.

With a loud "Hu" everything disappeared like a swarm of bees.

Only Goo Shengli and Hou Yingyi remained standing in the middle.

Hou Yingyi looked at Goo Shengli with satisfaction. "How is it? I have more money than you."

Goo Shengli shrugged his shoulders. "You're really the boss. But I think I just heard that the drinks apply to all the men here, right?"

Hou Yingyi was so bold when he said this. "Of course! You can be considered our guest and tonight, I'll treat you."

Goo Shengli lowered his eyelids and said with a smile, "Then if I bring the wine from outside, would you reimburse the money for it?"

Wine?

Hou Yingyi thought for a moment and felt that even if it was just a bottle of wine, how expensive could it be?

His money should be enough to pay for thousands of bottles!

Besides, what good wine could Goo Shengli buy outside the nightclub?

"Of course!" Hou Yingyi smiled and said, "No matter what wine you bring, I'll reimburse the money for the liquor."

"All right!"

Goo Shengli laughed and held Hou Yingyi's hand, walking out of the dance floor. "I actually bought a good bottle of wine. Since we're friends, let's play together tonight."

At this moment, Hou Yingyi remembered that he would be getting married to Wei Xiaoqing tomorrow. Didn't the other rich kids have a bachelor party the night before their wedding?

He felt that he should pamper himself tonight.

"Sure!"

Hou Yingyi continued his extravagance to the end. He raised his hand and slapped the counter. "Who wants to play with Goo Shengli and me tonight?"

As soon as his words fell, the women all ran up to them. "Playing with you guys is the same as playing with the men here. Do we get 10,000 yuan too?"

Hou Yingyi put his hand on Goo Shengli's shoulder. "Of course! Who wants to join us?"

"Me!"

"I'm willing!"

"I'll go!"

Hou Yingyi casually grabbed four pretty girls and followed Goo Shengli to the second floor.

Chapter 740 The Wedding I

The manager asked someone to bring a case of delicious wine.

Goo Shengli and Hou Yingyi started drinking alcohol.

Hou Yingyi held the beauty in one hand and placed one hand on Goo Shengli's shoulder. His eyes filled with drunkenness as he said, "Let me tell you, Brother Goo, I've been friends with Liang Zixuan since childhood." *NoVeLUSb.cOmm*

Goo Shengli nodded with his head bowed, "Yes, I know."

However, there was a hint of disdain in his eyes. He smiled, opened the bag he was carrying, and pulled out a bottle of wine. After opening it, he poured it for Hou Yingyi.

"I finally managed to get this wine after so many waits. How about you try it?"

Hou Yingyi laughed. He took the glass and sipped it, and immediately gave Goo Shengli a thumbs up. "This is a good wine! The aroma is rich. After drinking it, the fragrance lingers around your tongue, and the aftertaste is endless."

"Right!" Not only did Goo Shengli pour a glass for Hou Yingyi, but he also poured a glass for the women. "Come, let's drink this wine with Brother Hou."

When Hou Yingyi heard Goo Shengli praising him so highly, he immediately felt that it was a pity for him to meet Goo Shengli a little late. So he immediately started chatting with Goo Shengli like an old friend.

"Brother Goo, let me tell you, I'm getting married tomorrow!"

"Is that so?" Goo Shengli sighed with regret. "Unfortunately, I met you too late and couldn't get your wedding invitation. If not, I'll definitely go tomorrow to congratulate you."

"Haha ..." Hou Yingyi took a sip of wine after saying that. "You can come, I'll let you in right away. We're good brothers. I won't be happy if you don't come. So, will you come to my wedding?"

"Of course I will! I'll definitely come."

Goo Shengli smiled as he filled Hou Yingyi's glass with wine. "Then the person you marry is ..."

"Who else?" Hou Yingyi kicked the tea table angrily, "It's that bitch Wei Xiaoqing!"

"Wei Xiaoqing?" Goo Shengli pretended to think seriously for a moment, then suddenly asked with a smile, "The Wei Xiaoqing you're talking about can't be that famous arrogant singer, can't she?"

"Famous?" Hou Yingyi was stunned for a moment and then laughed mockingly. "Yes, it's her! It's that female singer, Wei Xiaoqing, who can't sing at all!"

Goo Shengli refilled Hou Yingyi's glass once again. After seeing Hou Yingyi drink it in anger, he smiled and praised him. "Brother Hou is very lucky. Wei Xiaoqing is quite pretty."

"I don't dare to say she's pretty!" Hou Yingyi grabbed Goo Shengli's hand and leaned toward him. He laughed beside his ear, "But her sleeping ability isn't that bad. Hahaha..."

Goo Shengli: "Hahaha... Brother Hou is so lucky!"

Hou Yingyi was obviously drunk and said everything. "I'm telling you, at home, I say one, she doesn't dare to say two. I told her to go east, she doesn't dare to go west ..."

"Even when I said I was going to play with a girl, she didn't even dare to say no!"

"Really?" Goo Shengli expressed his disbelief, "Wei Xiaoqing can be so generous?"

Hou Yingyi let go of Goo Shengli's arm and hugged the woman next to him, kissing her. "Don't think I'm joking. Let me tell you, even if she's standing here now, she can only watch!"

"Brother Hou is really great!" Goo Shengli applauded and continued to praise Hou Yingyi. "No one can be greater and more amazing than Brother Hou."

"Right?" Hou Yingyi patted his chest and said, "Only a man like Laozi can be considered a man!"

When Goo Shengli saw that the wine was almost finished and Hou Yingyi was so drunk that he couldn't see anything clearly, he took a piece of paper out of the bag and put it in front of Hou Yingyi. "Brother Hou, you drank my wine, so sign it. It's IOU. When you wake up, I will come and ask you for the money."

"How much is this?" Hou Yingyi lowered his head and looked at the paper. He couldn't read the words clearly, he could only see a bunch of zeros, but his mind was no longer clear. He picked up the paper and laughed. "A small amount of money, and you still want me to write you an IOU?"

Goo Shengli said sheepishly, "Brother Hou, you know I'm not as rich as you. Besides, this little money was nothing in your eyes."

Goo Shengli handed the pen to Hou Yingyi. "Here, sign it. I will go take the money from you tomorrow."

"Sure!" Hou Yingyi was very happy tonight. In addition, Goo Shengli always gave him a high hat and kept praising him. So he really liked Goo Shengli. He took the pen and signed his name.

Goo Shengli looked at the signature, the name couldn't be read, so he took out another paper from the bag.

Without waiting for Hou Yingyi to ask anything, Goo Shengli held his hand and pressed his thumb on the paper.

Seeing that everything was completed, Goo Shengli took the paper and carefully put it in the bag.

When the matter was settled, he breathed a sigh of relief. He was happier than Hou Yingyi and left the room, leaving Hou Yingyi there with the women.

The next day, Hou Yingyi was almost kicked up by someone.

"What are you doing? Why are you still sleeping here?"

Hou Yingyi rubbed his eyes. When he opened them, he saw a man's face in front of him. He couldn't wait to push away the leg that had kicked him. "Stop this nonsense! Zexian, let me sleep longer!"

"Why are you still sleeping!" Hou Zexian pulled Hou Yingyi up from the couch. "Brother, you got married today, did you forget? Quick, dad wants me to take you home."

Just like that, Hou Yingyi was dragged by Hou Zexian and then stuffed into the car.

What happened last night was like a dream, but he vaguely remembered Goo Shengli saying he would attend his wedding today.

Wei Xiaoqing had returned home yesterday and was being accompanied by a group of women. They were dressed extravagantly.

"Xiaoqing ..." When Jiang Huifang saw Wei Xiaoqing in her wedding dress, she became sad. Her daughter won't be hers anymore starting today. She'll be someone's wife.

Jiang Huifang couldn't bear the discomfort. "Once you walk through that door today, you'll be someone else's daughter-in-law. I..."

"Mom, why are you crying?" Wei Xiaoqing frowned uneasily. "My marriage is a good thing. Don't tell me you don't want me to get married and be happy?"
