Chapter 771 This Kind Of Person, Only Pretended To Talk To You With A Smile On The Surface, But Behind Your Back...

Mo Shan did not lie down on the bed as she had told Qin Yu. She hid behind the wall and listened to what Qin Yu and Shen Xieren were saying.

Seeing Qin Yu closing the door, she immediately held her hand as they both went to bed.

"Qin Yu, I don't think Shen Xieren will let this matter go so easily. She will definitely look for an opportunity to get close to you."

Qin Yu covered her body with a blanket and lay down on the bed with her eyes closed. "I really don't know what she's planning. What's the point of following me like this and clinging to me?"

Mo Shan did not understand either, and Shen Xieren really was not someone who they could be brushed off so easily. For someone who had failed to become famous in her own country but suddenly made it in Hollywood, without skills and no capital, don't even think about achieving that!

The next morning, Qin Yu and the others woke up early.

Even after leaving the hotel room at 6:30, she still couldn't avoid meeting Shen Xieren.

"Qin Yu, what a coincidence! Are you going to the airport?"

Shen Xieren enthusiastically greeted Qin Yu as if nothing had happened last night.

If someone did not know or see what happened last night, they would surely think that Qin Yu and Shen Xieren were good friends.

Qin Yu also thought about how thick-skinned Shen Xieren was until she could ignore everything that had happened before and clung to her with an unshameful face.

Qin Yu replied with "hmm" and said nothing else. Then she led her group toward the elevator.

When Shen Xieren's assistant saw Qin Yu's arrogant appearance, she angrily said to Shen Xieren, "Sister Shen, why do you have to give a face to an ungrateful person like her? In terms of looks and fame, she is not your equal!"

The assistant's voice was not loud, but it happened to reach the ears of Qin Yu's group.

Hou Fen was so angry that she wanted to turn around and curse the woman, but she was stopped by Mo Shan.

Of course, in the next moment, Shen Xieren's voice could be heard. "How can you say such a thing? How many times have I told you not to talk without restraint? If you do this, it will be very difficult for me to make friends!"

Qin Yu laughed mockingly and said to Mo Shan beside her. "Sister Mo, did you see how well they acted? If she is really unhappy with her assistant, she can fire her. But every time her assistant said something like that, she would just scold her indifferently. You can see that this person is a smiling tiger,

and she can pretend to be as good and as kind as you, but at the same time, she would ask her subordinates to demean you as if you are scum under their shoes. Such a method, everyone in entertainment circles knows about it!"

"That's right!" Mo Shan pressed the elevator button and went inside. She deliberately said to Qin Yu, "We really can't be friends with a person like her. This kind of person only pretended to talk to you with a smile on the surface, but behind your back, she would give you a thousand stabs. The feeling of being friends with her is really not pleasant at all."

Mo Shan's words were already so clear, but Shen Xieren still approached them with her standard smile. "Qin Yu, it just so happens that I'm also going to the airport. Why don't we take a taxi together?"

Qin Yu: "..."

Mo Shan: "..."

Hou Fen: "..."

Qin Yu had never seen anyone with thicker skin than Shen Xieren!

"I can't be in the same car with you." After Qin Yu said those three words, as soon as the elevator opened, she immediately got into the car that had been prepared by the program team. Mo Shan also got in, and Hou Fen quickly closed the door behind them, as if she was very afraid that Shen Xieren and her assistant would follow them without hesitation.

In the car, the three of them looked at each other with serious expressions on their faces.

"Qin Yu, we can't go on like this. You're attending the Gala in three days and Shen Xieren will be there too. It's not a good idea to have her stick to you just like now."

Hou Fen nodded. "The Gala will be different from the program. There will be a lot of reporters. If Shen Xieren says something in the presence of the reporters, it won't be good."

Qin Yu closed her eyes in frustration. "Let's stop thinking about this. There's no point in us thinking about it now. We'll tackle the problem when the time comes."

Three days passed in the blink of an eye, and Qin Yu arrived in Qinlan City.

The organizers of the party sent someone to invite Qin Yu. In the car, the staff member said, "Shen Xieren is already here. She's arranged for you to stay in the room next to her so you can make preparations for the Gala tonight."

Qin Yu: "..."

Mo Shan: "..."

Hou Fen: "..."

Those were the same words as the program team's director from before!

It seemed that Shen Xieren not only arrived early but also told many people that she was a good friend of Qin Yu.

Qin Yu was disgusted when she thought of seeing Shen Xieren's face.

This person was too shameless. Qin Yu had already explained it clearly, but Shen Xieren was still acting as if they were getting along well.

Shen Xieren really can't take 'no' for an answer!

The three people in the car didn't say anything.

When they arrived at the hotel, Qin Yu angrily pushed her luggage aside and sat on the sofa. She raised her head and scolded, "Is there something wrong with Shen Xieren's head? Did I make myself so clear that she didn't understand or what? Who had a good relationship with her? She's crazy!"

Chapter 772 They Always Talk About Us As If We're Beneath Their Shoes

Not to mention Qin Yu, who had such a bad temper, even Mo Shan, a woman with such a calm demeanor, couldn't stand it anymore.

"She's really troublesome!"

Hou Fen squatted at the side, unpacking and nodding as she listened to them. Seeing that they all had bad blood with Shen Xieren, she also said, "Honestly, people like Shen Xieren are really annoying. She's like a cow candy that you can't shake off after it gets stuck in your throat."

She took out the dress from the luggage. It was a branded dress that Qin Yu was going to wear tonight, and her attendance there will indirectly help promote the brand.

"I mean, it doesn't matter if she pretends to be a good friend of yours, but she needs to keep her assistant's mouth shut! She can't claim to be your friend when her assistant is constantly belittling you. Who dares to be friends with people like that?"

Mo Shan shook her head, showing that she was disgusted by Shen Xieren's character. "When she was with Qin Yu, her assistant couldn't stop slandering her. If the reporters took a picture of the two of them together and then heard her assistant say that, they'd surely say that our Qin Yu deliberately took advantage of Shen Xieren and tried to get close to her. Then, Shen Xieren will act as if she's been wronged."

Qin Yu stood up and went to pick up her dress. "I'll take a shower first. No matter what happens, we have to act accordingly."

After Qin Yu went to the bathroom, Mo Shan said to Hou Fen, "Hou Fen, copy all the videos you took earlier to the computer. You should make some more backups, and every time Shen Xieren and Qin Yu are together, you should record them."

"I know."

Since Hou Fen had done this many times before, she naturally knew what she needed to do.

If it were not for Qin Yu being narrow-minded, Hou Fen would record a video every time she talked to someone else.

In the entertainment circles, there were traps and scheming everywhere. If someone were not careful, they would be trampled on and certainly would not know how they died.

Being prepared ahead of time was a good thing. It meant they would be ready for anything.

As long as no one dared to harass Qin Yu, Hou Fen would not release the video. She would only reveal it if they provoked them first!

When everything was ready, Qin Yu walked out of the room in her elegant dress.

It was not sure if Shen Xieren had sent someone to keep an eye on Qin Yu or what, but as soon as Qin Yu came out of the room, Shen Xieren's room door opened.

Shen Xieren walked out of the room in her beautiful dress, with her assistant by her side.

"Qin Yu!" Shen Xieren greeted Qin Yu enthusiastically, "You look really beautiful today."

Qin Yu's dress was the blue color of the lake. The design on her shoulders perfectly revealed her collarbone. It matched well with her swan neck, making her look both classy and elegant.

Shen Xieren's dress, on the other hand, was not only wearing a low-cut design but also left her back exposed all the way to her buttocks. She was sexy and definitely attracted a lot of attention.

There were actually many people in the entertainment circles who dared to dress like Shen Xieren. However, since Shen Xieren had a good physique and was different from the average oriental woman, with a big chest and firm buttocks, she had the aura of fullness that American beauties had.

When female celebrities met, they actually had to praise and flatter each other. However, when Qin Yu saw Shen Xieren, she was not in the mood to do so. She just gave a symbolic nod to Shen Xieren before leading her group away.

When Shen Xieren's assistant saw Qin Yu acting like that, her eyebrows rose in anger. "Sister Shen, look at her attitude! With a good nature, you humbled yourself to talk to her, but in the end, she actually ignored you! Why do you still want to be friends with people like her?"

Hou Fen finally couldn't take it anymore and stood there angrily, turning around to say, "You're right! Your Sister Shen is very kind, very dignified, and beautiful. Our Qin Yu doesn't deserve to be her friend. So please don't come out and say that you have a good relationship with our Qin Yu again because we can't afford that, and we're afraid of losing our lives!"

This time, Mo Shan didn't hold her back. Since Hou Fen had already said so, there was no point in reprimanding her in front of outsiders.

She just pulled Hou Fen's hand and pulled her into the elevator. **novelusB.com**

Outside the elevator, Shen Xieren's assistant jumped up angrily and scolded her. "You don't deserve to be here for a start! Sister Shen is kind enough to extend her help to you!"

The elevator door closing slowly, prevented them from hearing Shen Xieren's words.

Qin Yu looked at the elevator door expressionlessly and didn't say a word.

When there were no outsiders in the elevator, Mo Shan quickly scolded Hou Fen. "Hou Fen, what's your problem? Didn't I tell you to ignore them?"

"I can't stand seeing them bully Qin Yu like that!" Hou Fen was so angry that her face turned red. "After all, they always talk about us as if we're beneath their shoes."

"If the dog bites you, you have to bite back?" Mo Shan scolded Hou Fen with a frown. "Don't forget that you're Qin Yu's assistant. Shen Xieren's assistant has no sense of morality, and do you think she said those words for Shen Xieren's own good? Let me tell you, she is only damaging Shen Xieren's reputation even more. Sooner or later, the reporters will catch her! Could it be that you also want to harm Qin Yu in this way?"

Mo Shan's words made Hou Fen's temper disappear from her mind. She lowered her head and bit her lip, no longer speaking.

When they got off the elevator, Qin Yu finally said, "Hou Fen, Sister Mo is right. Shen Xieren's assistant is ridiculous. You must be smart. With this kind of behavior, they are the ones who would pay the price. There is no reason for us to lower our level to be like them."

Hou Fen nodded with an "Oh" before following closely behind her.

Backstage, all the celebrities of different levels gathered in the lounge. Some famous celebrities gathered in the VIP lounge, while second and third-tier celebrities used the common lounge.

The moment Shen Xieren arrived, she was surrounded by the crowd, and quite a number of people flattered her.

Chapter 773 Qin Yu Is Really Shameless

Shen Xieren treated everyone equally. No matter how unfamous they were, whether they knew each other or not, she always chatted with them in a friendly manner.

Qin Yu wasn't here. She was in her own private lounge. Xia Xiaolian had just arrived and came straight to the venue of the Gala.

"Qin Yu, today's makeup ... Is it still the same as last time?"

After what Shen Xieren's assistant had done last time, Xia Xiaolian almost lost confidence in herself.

Qin Yu gave her a warm smile. "Yes, just like before. Believe me, you're the best makeup artist I've ever worked with!"

Xia Xiaolian smiled, opened her makeup container, and began to put makeup on Qin Yu's face.

On the other hand, Shen Xieren didn't see Qin Yu, so she deliberately asked, "Where's Qin Yu? Didn't she leave before me? Why isn't she here yet?"

There was a C-list celebrity who was always jealous to death of Qin Yu. Hearing Shen Xieren's question, she hurried to say, "She's a big celebrity and has her own lounge. She's used to being arrogant and conceited, so why does she want to sit here with us?"

"Exactly! Qin Yu is a big artist, she wouldn't come here." Another woman spoke up.

Shen Xieren frowned slightly. "Is she? But I think she's easy-going."

"That's because you're more famous than her!" The C-list celebrity took the opportunity to slander Qin Yu. "When she sees you, obviously, she will try to flatter you. How can she not give you a face? She looked down on us and never once tried to initiate any conversation with us."

The more women there were, the more slander there was.

Some of the male celebrities could no longer stand these female celebrities' big mouths and gossip nature, so they got up and left the lounge.

Goo Shengli was also invited to the Gala today. As soon as he opened the door, he heard all the swear words coming from inside.

He stood by the door, leaning lazily against it while looking at the gossipy female celebrities.

Shen Xieren said, "I think Qin Yu is really good. Don't talk about her like that. When the time comes, people who don't know her will think that she's just like you guys describe her."

"Sister Shen! You are so kind!" At that moment, Shen Xieren's assistant came out to fight injustice for Shen Xieren. "Qin Yu is someone who has eyes over the top of her head! Have you forgotten how she treated you, what she did to you? Until now, whenever you talked to her, she treated you as if you were not worth it!"

Shen Xieren glared at her assistant embarrassedly, pretending to be angry. "If you don't talk, the others will treat you like a mute!"

"What I'm saying is the truth!" The assistant felt so wronged that she almost cried. "You treated her like a friend, but she treated you like what? She yelled at you, but you just ignored her, keep trying to be her friend! People like this, you don't have to speak up for her. If she's really a good person, why do so many people hate her?"

When the woman next to her heard this, she immediately became excited and asked in a gossipy tone, "Sister Shen, has something bad happened to you before? Quick, tell us how Qin Yu bullied you."

Shen Xieren awkwardly opened her mouth but said nothing.

Still her assistant, who spoke for her. "Previously, Sister Shen treated Qin Yu to dinner, but Qin Yu insisted on drinking. Eventually, she got drunk, and Sister Shen sent her back to her room. However, when Qin Yu woke up the next day, she became hostile! She said she didn't know Sister Shen and they were not friends and even told Sister Shen to stay away from her!"

"Very shameless!" The C-list celebrity seemed to have overheard Qin Yu's bad affair, and she proudly and enviously said, "Women like her, Sister Shen, you shouldn't care about her! With her arrogant nature, I don't even know why so many fans like her!"

"Exactly! Qin Yu's character is really problematic!"

"Didn't someone say that she interfered in a love affair between her best friend and Liang Jiahao and eventually managed to seduce him, regardless of her best friend's feelings? Although her best friend

stood out in explaining in the end, I think her best friend must have been forced! It must be because Qin Yu threatened her, so she had no choice but to go out and explain on her behalf!"

"Exactly! It was as if no one could tell how low this person's level was! Qin Yu is really shameless!"

Hearing these people's words, scorn appeared in Shen Xieren's heart, but her expression showed that she was anxious. "Don't talk like that! Such things are hard to say without evidence, it's not good for Qin Yu to be slandered wrongly."

"We are not wrong to accuse her! That must be how it is!"

"Yes! The Han Group is a very powerful company and the Qin Family is also very powerful, so it's very easy for her to threaten this little girl!"

When Goo Shengli heard this, he had to laugh out loud. He praised their wild and uncontrollable thoughts while laughing loudly.

Shen Xieren and the others turned around and saw Goo Shengli, leaning against the door laughing at them. The C-list celebrity angrily asked, "Goo Shengli, what are you laughing at?"

Goo Shengli crossed his arms in front of his chest and looked at her casually with a laugh. "Didn't you say a moment ago that the Han Group and the Qin Family are very powerful? Apparently, you really aren't afraid of them or President Han."

"You!" Only now did the C-list celebrity remember that the relationship between Goo Shengli and Qin Yu was not unusual. Full of fear, she hid behind Shen Xieren. *novelUsb.Com*

The others were also shocked and shut their mouths, not daring to say another word.

Shen Xieren sized up Goo Shengli and felt that he was just a fledgling brat. Although he had a great reputation in the domestic entertainment circle, he was still a young fellow who had never seen the world.

Shen Xieren smiled politely at him. "Goo Shengli, right? What do you mean by that? We didn't say anything bad about Qin Yu, so why did you scare them? Look at this girl, you scared her to death until she hid behind me."

Chapter 774 Her Ability To Cause Trouble Is Not Something That Can Be Compared To That Of A Normal Person

Goo Shengli sneered and looked at Shen Xieren silently.

The situation was a bit awkward.

Shen Xieren's assistant stood up for Shen Xieren. "Sister Shen didn't say anything about Qin Yu! She's always speaking for her! Goo Shengli, you're a man, don't poking your nose into women's business!"

Goo Shengli felt that this Shen Xieren was really interesting.

On the surface, she was speaking up for Qin Yu, but her assistant was messing up inside. If this assistant hadn't said so much about Qin Yu, how could the people around her have agreed and scolded Qin Yu?

Even though these people were stupid, but in front of Qin Yu, they were not as arrogant as today.

How interesting.

Goo Shengli looked at them and smirked. Then, he turned around and left. *novelusb.com*

The C-list celebrity patted her chest with lingering fear and asked the person next to her. "Goo Shengli isn't going to report us to Qin Yu, is he?"

"What are you afraid of?" After Goo Shengli left, these people felt confident again, "We're not talking nonsense. After all, he's just a man, why should he care about us women?"

Shen Xieren frowned. Turning around, she carved the smile she was supposed to have on her face. "It's fine. Qin Yu is a big-hearted person. She won't care about such a small thing."

Goo Shengli came into Qin Yu's room. Seeing that Mo Shan was also there, he walked over with a smile and put his arm around her shoulder. "Sister Mo, you don't love me anymore! Since you've been following Qin Yu for the past few days and leaving me to fend myself alone outside, I feel very lonely."

Mo Shan frowned. She elbowed Goo Shengli hard on the chest, "Naughty brat! Stop teasing this old woman whenever you have nothing to do."

"Ouch!" Goo Shengli cried out in pain and immediately let go of her. He rubbed his chest. "Sister Mo, don't you love me anymore? Stop using violence against me! In any case, I was taken care of under you, and if you don't love me anymore ..."

Hou Fen couldn't help but feel goosebumps all over her body when she heard Goo Shengli's words. She quickly moved closer to Qin Yu.

Goo Shengli looked up at her, grinned, and quickly walked to her side. He raised his hand to pinch Hou Fen's chin and said teasingly, "Little Sister Fen, we haven't seen each other in months. Don't you miss your big brother?"

Hou Fen almost rolled her eyes. She pushed Goo Shengli's hand away with contempt and then dodged to the side.

This Goo Shengli was like an old thug, all the women around Qin Yu, he had to tease them. As if teasing them can prove that he had a good relationship with Qin Yu.

Xia Xiaolian had finished putting makeup on Qin Yu's face and put the lip gloss in the makeup container. Seeing that she had finished her work, Goo Shengli came up to her happily and slung his arm over her shoulders. "Sister Xiaolian, are you done with your work?"

Xia Xiaolian's shoulder went limp and she cried out in pain. "Goo Shengli, are you trying to kill me? Or could it be that you want to cripple me so that you can be Qin Yu's makeup artist from now on?"

Goo Shengli laughed mischievously. "How can that be? It's just that I haven't seen you in a long time. I miss you!"

"Ugh!" Qin Yu expressed her disgust and kicked Goo Shengli's butt. "Goo Shengli, are you sick? Every time, you have to mess around with the women around me. There are so many women out there, if you have the ability, go play with them too!"

"Tch!" Goo Shengli snorted disdainfully and pulled up a chair to sit next to Qin Yu. "I don't want any of those loose-tongued women."

Qin Yu was a wise woman, so how could she not understand the meaning behind Goo Shengli's words?

She looked at him. "What did they say outside?"

"They ..." Goo Shengli snorted, then crossed his legs like a big boss. "They were talking very happily outside. It seems as if they haven't talked to anyone else for hundreds of years."

He suddenly laughed and winked mysteriously at Qin Yu. "Guess who they are talking about?"

Who would not know the answer after seeing his despicable expression?

Qin Yu smirked. "What did they say?"

Goo Shengli leaned back in his seat casually. "Qin Yu, you have to be careful with that Shen Xieren. Her ability to cause trouble is not something that can be compared to that of a normal person. On the outside, she would say that you're great, but her assistant kept saying bad things about you. To impress her, those loose-tongued women would say these bad things about you. I found it very funny, though, because no matter how famous or powerful Shen Xieren is, her influence is abroad. How can they have the courage to slander you just to praise her in our own troop?"

The principle was actually very simple.

Even if they supported Shen Xieren and made her happy, can Shen Xieren give them the resources?

Although Shen Xieren had performed well in Hollywood, she was still not an international expert. She was not an A-list celebrity and only belonged to the B or C-list.

Shen Xieren, herself, did not have enough resources, so how could she find resources for them?

How could she share her resources with them?

But fawning over Qin Yu was different.

For those who got along well with Qin Yu, they were given preferential treatment by Liang Zixuan and Han Yuanjun.

If it weren't for Liang Zixuan, how could Qin Yu be a big celebrity now? Look at Xia Xiaolian. She used to be an ordinary make-up artist, but ever since she followed Qin Yu, she had become one of the best makeup artists in the country in a short time.

However, these people, with their poor eyesight, were more willing to support Shen Xieren and trampled Qin Yu. They can't even survive in their own country and South-Asian circle, let alone dream about abroad!

When Hou Fen heard this, she was so angry that her face turned red. "I knew it! Shen Xieren is like a wolf in sheep's clothing! She pretended to be a pure and innocent little sheep, yet she instructed her assistant to say bad things about Qin Yu and even incited other people to do it for her! They'll be the good guys while we're the bad guys!"

"Oh, oh!" Goo Shengli looked at Hou Fen. "Hou Fen, it looks like you've had a fight with Shen Xieren before. What, don't tell me you lost badly?"

"I didn't lose!" Hou Fen snorted contemptuously, "If it weren't for Sister Mo and Qin Yu not letting me cause trouble, I would have scolded them until they went home to find their mother!"

Qin Yu took a deep breath and rose from her seat. "Shengli, let's go outside and meet them."

Goo Shengli was amused. "Why? Do you want to go out to kill them now?"

Chapter 775 Who Exactly Is Slandering Anyone Among Us

Qin Yu looked at him with a dagger-like stare and said, "Are you going or not?!"

"Go, go!" Goo Shengli slowly stood up, "Why not? With such a good show, how could I miss anything?"

Qin Yu laughed a little. She held Goo Shengli's arm and they both left the lounge together.

In the lounge over there, the women thought that Goo Shengli wouldn't return after he left. Besides, the Gala was about to start, so they didn't expect him and Qin Yu to come.

So they gathered together and talked about Qin Yu's affairs.

"Isn't Qin Yu's boyfriend Liang Zixuan's brother? This Qin Yu is really interesting. She really didn't let the wealth flow to foreign lands!"

"That's right, isn't Qin Yu the niece of Han Yuanjun? Now that Qin Yu is after Liang Zixuan's brother, will Liang Zixuan change the way she addresses Qin Yu now? Then, should Han Yuanjun call Qin Yu sister-in-law as well?"

"Who knows! Their relationship is too chaotic."

"Don't say such a thing!" Shen Xieren's smile, which was always maintained, froze at this point. "Liang Jiahao doesn't like Qin Yu. If it wasn't for Liang Zixuan, who matched them together, how could he know Qin Yu?"

"Really?" When everyone heard this, they were immediately filled with enthusiasm.

"Sister Shen, do you know something about this? Come on, quickly tell us what exactly happened with Liang Jiahao and Qin Yu."

"See, I already told you, how can Liang Jiahao be with Qin Yu? That doesn't make any sense! How can Qin Yu get all the good things!"

"Exactly! Isn't it enough that she has an uncle like Han Yuanjun? Why should she also get Liang Jiahao!"

Shen Xieren's tone immediately turned icy cold, as if she had received a threat. "I told you not to speak so lightly! Liang Jiahao doesn't like Qin Yu! It's just that the previous scandal was so bad that Liang Zixuan asked Liang Jiahao to confess to Qin Yu publicly. In this way, Qin Yu's reputation can be washed clean!"

"So that's how it's!" The C-list celebrity looked as if she had seen it all, "I know Liang Jiahao is a cold person, how can he declare his love for Qin Yu in the program! So, it turns out that they're all just acting!"

"I really didn't expect Liang Zixuan to do such a thing for Qin Yu. How dare she use her brother as a shield!"

Seeing that the crowd was finally following her train of thought, Shen Xieren nodded gravely. "Yes, you all know the relationship between Liang Zixuan and Qin Yu. That's why Liang Zixuan sent her own brother to help Qin Yu clean her reputation. When this was over, after the audience and fans had forgotten everything, they'd announce a peaceful separation, and that's okay because Qin Yu's reputation had been cleansed at that time."

"Wash clean what?" *noVetU.sb.Com*

Qin Yu entered boldly. Her eyes swept over everyone before finally landing on Shen Xieren's face. She sneered, "I, Qin Yu, always do fair and just things. Do I need to wash my reputation clean?"

Shen Xieren's expression froze for a moment, but she quickly recovered. She looked at Qin Yu with a smile and said, "Qin Yu, you're wrong. You only listen to what's behind you and not what's in front of you. Don't break the rules."

Qin Yu laughed. Hou Fen took the chair from the side and let Qin Yu sit on it. She crossed her legs and looked at Shen Xieren, who was sitting across from her. "Breaking the rules? Come on, don't think I don't know what you guys are talking about. Aren't you all envious and jealous of me, that's why you talk bad about me?"

"Shen Xieren." Qin Yu suddenly removed the smile at the corner of her mouth, and her whole body turned cold. "Do you really think I didn't know that you were thinking about my man? That night, you deliberately got me drunk, pretending to be a nice person to send me back to my room, but at the same time, you took the opportunity to steal my phone, steal my man's phone number, and call him!"

Shen Xieren's eyes suddenly widened as she looked at Qin Yu in disbelief. She didn't expect that Qin Yu was just pretending to be drunk!

She also didn't want to believe that Liang Jiahao had told Qin Yu about it.

From her point of view, Liang Jiahao was just a man without EQ, who didn't care about women. Moreover, how could Liang Jiahao tell Qin Yu about this?

"Qin Yu, you can eat whatever you want, but you can't say whatever you want! When did I steal your phone? Do you have any proof?"

Qin Yu raised her eyebrow. She really didn't have any proof.

It was just like Mo Shan had said. Shen Xieren's mind was indeed deep and her mind was nimble. She was not an easy person to deal with.

Seeing that Qin Yu didn't say anything, Shen Xieren relaxed her face and acted like a good person in front of everyone. "Qin Yu, we have such a deep friendship. If you misunderstand me, you can ask me in private, but not in front of everyone! Please don't slander me in front of so many people! I will forget about today, but we can't be like this in the future."

Hou Fen was so angry that her eyebrows jumped up. She was about to say something, but she was stopped by Mo Shan.

Hou Fen stomped her foot in anger. "Sister Mo, look at her, she's bullying Qin Yu!"

Mo Shan shook her head. "There are some things we need to be clear about. If we really cause a ruckus without having any evidence in hand, in the end, the ones who ended up suffering would be us."

Hou Fen bit her lip and glared at Shen Xieren, gritting her teeth angrily. "Fine, I'll let it pass because we have no evidence for this. But next time, don't let me find the evidence!"

When everyone thought that Qin Yu had no evidence to back up her statement, she suddenly laughed.

She elegantly brushed her bangs out of her forehead and looked directly at Shen Xieren. She laughed without showing any weakness. "Who exactly is slandering anyone among us? You are here now, saying in front of many people that I have nothing to do with Liang Jiahao. You are saying that Liang Jiahao came out to pretend to be my partner to help me clear my reputation and that he did it because of Liang Zixuan. Heh, Shen Xieren, are you saying that Liang Jiahao has nothing to do with me is to convince yourself?"

Shen Xieren's brow slowly furrowed. Her lips, which were covered with bright red lipstick, tightened.

Qin Yu had no intention of letting her go. "Say, you've been saying that I have no proof, alright, take out your phone and open your contacts in front of everyone. Let everyone see whether you have Liang Jiahao's number on your phone or not, or whether you called him or not!"

When Shen Xieren's assistant heard this, she immediately became agitated. With a red face, she scolded, "Is Sister Shen's phone something you can see just because you want to? Who do you think you are? The police? Qin Yu, let me tell you that not even a police officer has the right to see Sister Shen's phone! Don't think that just because you are famous in this country, you can brag about your strength. We are not afraid of you!"

Chapter 776 You Only Have A Big Mouth And Just Blindly Blurt Out The Words

"Tsk tsk tsk." Qin Yu pursed her lips, shook her head, and joked, "Why are you so nervous? Why are you in such a hurry to defend yourself? Considering that your Sister Shen is very open and honest, you should show it to everyone to prove her innocence, right? What, you don't dare to take it out?"

Shen Xieren's assistant wanted to say something, but Shen Xieren put out her hand to stop her.

"Sister Shen!"

"Qin Yu is right!" Shen Xieren not only did not panic, but even pulled out her phone.

She unlocked her phone in front of everyone.

Other B and C-list celebrities also craned their necks to take a look. When they saw Shen Xieren tapping her phone screen, they were so shocked that their mouths were agape. They cried out in disbelief, "This... this!"

Shen Xieren smiled and held up her phone. She looked at Qin Yu and said, "Qin Yu, it's not that I don't want to tell you, but he's being hard on me and won't let me tell you."

She pointed to the picture on the screen. "Jiahao and I have known each other for a long time, and it's not an exaggeration to say that we are childhood sweethearts. This is a picture of us from our high school."

"What?" Mo Shan and Hou Fen were taken aback. They couldn't help but walk over and stare at Shen Xieren's cell phone screen.

In the picture, Liang Jiahao looked very young and had a frivolous nature and a unique aura that belonged to teenagers. It was clear that this picture was from over twelve years ago.

The girl next to him was a young Shen Xieren!

Mo Shan and Hou Fen turned to Qin Yu with unreadable looks.

Qin Yu's hands gradually clenched into fists at her side and her teeth almost biting her red lips hard.

Shen Xieren's voice was neither fast nor slow. "When we graduated from high school, Jiahao said that he would join the army. At that time, he promised that he would marry me when he returned. Qin Yu, Jiahao called me right away after he returned, and I only plan to return to China because of him. About you and him, it's just a misunderstanding. I thought he had already explained it to you?"

The other celebrities immediately echoed. "So that's what happened!"

"That's right, I never thought that Liang Jiahao and Sister Shen would become a couple!"

"Qin Yu, you are too shameless! Even if you want to clear your reputation, you shouldn't use Sister Shen's man!"

"Tch! She's always like this, using this and that! I think she had been begging Liang Zixuan for a long time. Otherwise, how could Liang Zixuan use her own brother to block the spear for her!"

"I think so too! Based on her relationship with Liang Zixuan, as long as Qin Yu makes the request, Liang Zixuan will definitely help her!"

"Enough!" Goo Shengli shouted. He pulled Qin Yu up from her chair. Seeing how Qin Yu bit her lip and said nothing, he hugged her with heartache. "It's just a photo, how can it prove that whatever Shen Xieren said is true?"

"Exactly!" Hou Fen finally responded. She stood up straight and puffed out her chest. "Isn't it easy to get a photo in this era? Shen Xieren, you said that you and Liang Jiahao were classmates in high school, fine, we believe that. But for you to make up a relationship with him just to slander our Qin Yu, you are too evil!"

Shen Xieren laughed instead of getting angry. "Making up? Whether it's true or not, go ask Liang Jiahao yourself!"

She looked at Qin Yu and pretended to be a good person as usual. "Qin Yu, I know this matter may have hurt you because I didn't tell you about it. But the truth is the truth, and I hope you will not be angry with me for that. Also... I'm going to marry Liang Jiahao and we will become relatives. I don't want you to get so upset like this."

"Are you crazy?!" Goo Shengli held Qin Yu in his arms like a knight. "Liang Jiahao, the person in question, still hasn't said anything. You only have a big mouth and just blindly blurt out the words!"

After cursing Shen Xieren, Goo Shengli looked down at Qin Yu to reassure her. "Qin Yu, don't listen to her. You definitely need to confirm this with Liang Jiahao."

Qin Yu was now very disappointed. Ever since she was young, she had never experienced such grievances.

From elementary school to college, she had been very well protected by Lin Xiu and Qin Shanyuan. After she entered the Han Group, being protected by Han Yuanjun and Liang Zixuan, she had never experienced any grievances.

However, ever since she had met Liang Jiahao, it was first Xia Jingfei and then Shen Xieren. Qin Yu had been wandering back and forth on the edge due to being wronged.

When she saw Shen Xieren's pleased expression, yet pretended to care for her, her heart ached!

Why did she have to suffer this injustice?

When Hou Fen saw Qin Yu in Goo Shengli's arms, staring at Shen Xieren without saying anything, she immediately took out Qin Yu's phone.

Usually, when Qin Yu was in the middle of filming or partying, Hou Fen would keep the phone in her bag.

She opened Qin Yu's phone, found Liang Jiahao's number, and dialed it.

At this point, everyone held their breath, plugged their ears, and stared at Hou Fen without blinking.

After waiting for a while, there was finally a voice from the phone, but... It was the cold voice of the young operator. "The number you have dialed is not available at the moment. Please call again later."

"Unreachable ..." Hou Fen glanced at Qin Yu before continuing to dial Liang Jiahao's cell phone, refusing to admit defeat. *NOVELSB.COM*

Again and again, it was the cold voice of the young operator.

Shen Xieren's assistant laughed proudly. "Haha, see for yourself! Liang Jiahao doesn't even care about you!"

The B-list and C-list celebrities next to her could hardly believe that Qin Yu had been humiliated, and they followed suit.

"Sister Shen, did Liang Jiahao screw Qin Yu over because you told him to?"

With a faint smile, Shen Xieren remained silent, making these people even more impudent.

Chapter 777 The Rumor Is Indeed True

"That must be it! If I were Liang Jiahao, once my girlfriend had spoken up, I would certainly have brought Qin Yu down!"

"Exactly! Hasn't Qin Yu had enough yet? Now that the main character has returned, who is she? Does she still think that Liang Jiahao wanted her?"

"You all shut up!" Hou Fen shouted at them angrily and looked at Qin Yu anxiously. "Qin Yu, how about I call Liang Zixuan and ask her about this?"

Qin Yu's last shred of dignity was completely destroyed by the fact that Liang Jiahao's phone was unreachable.

How could she, a proud woman, endure such humiliation?

She got out of Goo Shengli's arms and left without another word.

More impudent laughter came from the B-list celebrity behind her. "Yo Qin Yu! What's the matter? Are you mad?"

"She just did not know what to say now that everything is exposed! Hahahaha..."

"That's right! If it were me, I'd be embarrassed too. A Little San like her, what else could she say?"

The more they said, the more unpleasant the words of these women became. Shen Xieren, however, did not stop them. Instead, she looked after the tormented figure of Qin Yu with a smile on her face.

Mo Shan could not bear it anymore. She frowned and said in a very low voice but full of deterrence. "If I hear you say one more word to slander Qin Yu before this matter is made clear, I will make sure that you completely disappear from this entertainment circle!"

Regardless of whether Mo Shan had the ability or not, everyone immediately shut their mouths.

Because they had almost forgotten that the ones behind Qin Yu were Liang Zixuan, Han Yuanjun, and the entire Han Group!

Goo Shengli stared at Shen Xieren for a moment before his lips curled into a cold smile. "Shen Xieren, you are not bad."

Shen Xieren frowned in confusion. "What are you trying to say?"

Goo Shengli sneered. "If I find out it's not like you said, you just wait for me! I will not let you get away!"

"Aiyo, we are so scared!" Shen Xieren's assistant patted her chest as if she was scared, then laughed out loud. "Goo Shengli, I have heard enough about your good relationship with Qin Yu. Looking at it today, the rumor is indeed true. Don't try to scare us again. Now that Qin Yu is injured, you should not miss the opportunity to sneak in. Once you have her wrapped around your finger, don't forget to come back and thank us!"

Goo Shengli did not give any explanation. He did not need to explain his relationship with Qin Yu and Liang Zixuan to anyone!

Furthermore, these people did not deserve any explanation!

He gave a sharp look to Shen Xieren's assistant. He raised his hand and pointed his index finger at her provocatively. Then, he sneered and went out to chase after Qin Yu.

Hou Fen and Mo Shan also glared at these people angrily and followed Goo Shengli out.

As soon as they left, the entire lounge erupted into a frenzy.

"Sister Shen, I am so jealous of you!"

"Yes, your relationship with Liang Jiahao for years has finally come to fruition."

"Aiyaya, the love you two have had for more than twelve years, your long-distance relationship really makes one's eyes turn red with envy!"

Shen Xieren smiled as she bit her lip. "When the time comes for Jiahao and me to get married, I will treat you to wedding wine."

Everyone happily replied, "Of course!"

Qin Yu returned to her lounge, locked the door behind her, and locked herself in.

Hou Fen, Mo Shan and Goo Shengli waited anxiously outside.

"Qin Yu, open the door!"

"Qin Yu, things haven't been clarified yet, don't be like this!"

They knocked on the door for a long time, but Qin Yu didn't answer.

In the end, Goo Shengli stopped them. "Forget it, let her calm down. Let her think about it carefully."

Hou Fen was getting anxious. "No way! Goo Shengli, it's not like you don't know her. Qin Yu isn't someone who lets others take advantage of her, and today's matter must've hurt her greatly! If you let her think by herself, she must think the worst!"

Hou Fen was about to knock on the door again, but Mo Shan stopped her. "Stop knocking. Even if you do, she won't open the door."

Hou Fen had no other choice. She took Qin Yu's phone and called Liang Jiahao repeatedly, but she couldn't reach him.

Finally, Goo Shengli took out his phone and called Liang Zixuan.

"Zixuan, did you know that your brother had a girlfriend in high school?"

It was 7:30 pm and the Gala started at 8 pm. Liang Zixuan, Han Yuanjun, and Tian Qihua were sitting in the living room waiting for the Gala to start. Hearing Goo Shengli's words, Liang Zixuan became confused.

Goo Shengli immediately turned on the speaker mode so that Hou Fen and Mo Shan could listen together. He also hoped that the phone call would reach Qin Yu's ears.

"Did Liang Jiahao have a girlfriend when he was in high school? And he promised to marry her once he finished with the army?"

"Is there such a thing?" Liang Zixuan blinked blankly. "How come I don't know? At that time, even though I was still young, I never heard my brother say he had a girlfriend."

After a pause, she added, "And my brother didn't seem to be in the mood for dating anyone at that time. He always wanted to be a soldier."[ovelusbooks.com](http://www.ovelusbooks.com)

Goo Shengli and the others were finally relieved.

Hou Fen said angrily, "Zixuan, do you know a woman named Shen Xieren? She just said in front of everyone that she and Liang Jiahao were childhood sweethearts. Liang Jiahao promised her that he would marry her after he returned from the army! And what's worse, she said that the reason Liang Jiahao openly confessed to Qin Yu and proposed to her was because you asked for it. It's because you wanted to clean Qin Yu's reputation!"

Before Hou Fen could say anything more, Liang Zixuan interrupted her. "Can't you have a little brain? What do you mean that I begged my brother to clean Qin Yu's reputation? If what she said was true, why did my brother agree to a blind date? He wanted to marry her after he finished with the army? What a joke. Since my brother agreed to go on a blind date, that means he doesn't have a girlfriend!"

"Besides, Xia Jingfei wanted to be free from her mother's clutches at that time and asked my brother to cooperate with her and pretend to be a couple with her. If it wasn't for this, how could Qin Yu get involved in a scandal? If what this woman said was true, when Dong Biming made a ruckus and said my brother was her daughter's boyfriend, why didn't this woman come out and clarify everything? Why would the dirty water be splashed on Qin Yu's body and not hers? Why would Qin Yu need to wash her face clean?"

Chapter 778 She Will Be The One To Give You A Surprise Later

Hou Fen and Mo Shan were both stunned by the barrage of questions.

After a while, Hou Fen shouted, "You're right! When Shen Xieren said this earlier, why didn't I think of that?"

Goo Shengli nodded. "Zixuan, your analysis is very logical. Let's put Liang Jiahao's character aside and talk about the general matter. If it's really like Shen Xieren said, then why would Qin Yu be the one affected? At that time when the scandal broke out, Shen Xieren or Liang Jiahao, if one of them came out and said they were a couple, why would Liang Jiahao and Qin Yu need to pretend to be a couple? Why would Qin Yu's reputation need to be clean?"

"Yes!" Liang Zixuan's voice was light, "You were probably stunned by Shen Xieren at that time, right? That's why you didn't even think of such a simple and easy way of resolving this matter and understanding."

Among them, the most experienced, Mo Shan, coughed embarrassedly. "Zixuan, blame me. Everything happened so fast that none of us thought about it. Shen Xieren is the one who started it!"

"Sigh..." Liang Zixuan sighed. "When fighting, it's taboo for you to let someone lead the way of you playing. You don't need me to say anything. Come to think of it, without me being there, I can tell you that Shen Xieren is lying."

Hou Fen scratched the back of her head and explained in a low voice, "It's not that we want to follow her beat, but ... We can't reach your brother by phone. The phone call we were making cannot be reachable at this time. It was like we were all dragged along by a criminal, we were completely stunned!"

Liang Zixuan already felt helpless, "What are you talking about! My brother probably just got off the plane and went into the tunnel, so there's no reception on his cell phone."

Hou Fen: "..."

Mo Shan: "..."

Goo Shengli: "..."

After hanging up the phone, the three of them stood at the entrance of the lounge. They were in no hurry to knock, regardless of whether Qin Yu had heard the conversation or not.

If Liang Zixuan was in no hurry or anxious, why were they in such a hurry?

After a while, a staff member ran in a hurry and saw Hou Fen and the others standing at the entrance. He hurriedly asked, "Is Qin Yu inside?"

Hou Fen said, "Yes."

"All right, please tell her that it's her turn to go on stage. Get her out quickly."

Hou Fen nodded and thanked him politely. She was about to knock on the door when Qin Yu opened it.

"Qin Yu, things are not as what Shen Xieren said -"

Mo Shan wanted to explain the situation to Qin Yu, but who knew Qin Yu would only glance at her for a moment before following the staff out without saying a word.

Looking at Qin Yu's stubborn back, Mo Shan helplessly shook her head. "It seems that Liang Jiahao has to suffer for this."

Goo Shengli put his arm around Mo Shan's shoulder. "This is how love will be. How can it be called love if there are no twists and turns here and there? When all these storms have passed, they will both be able to go even further."

Mo Shan turned to Goo Shengli and sneered. "You sound like you have been in love a lot."

Goo Shengli raised an eyebrow. "Of course! This big brother is a female magnet. No woman has ever been able to escape my grasp."

Hou Fen: "..."

Mo Shan: "..."

Qin Yu's performance was the third performance at the Gala. Under normal circumstances, they could leave as soon as the performance ended.

Mo Shan and Hou Fen stood backstage, watching Qin Yu sing on stage. Both of them could not help but be overwhelmed by the sight.

"Her mood is not good, but she can still sing well. Qin Yu's mental state is really strong." *NOVELSb.com*

Mo Shan nodded in agreement, "I have met many young singers before. Among these young singers, Qin Yu is the most stable. There are very few famous celebrities like her in this entertainment circle who do not put air around them."

"I think so too."

A man's voice suddenly sounded behind them.

The two women were stunned for a moment before they simultaneously turned around in surprise. Of course, they saw the person standing behind them in an imposing manner.

As if she'd seen her savior, Hou Fen jumped up and rushed over. "President Liang, why are you here?"

Liang Jiahao put a hand in his pocket and stared at Qin Yu on the stage. He raised his eyebrow, "Can't I come?"

"Eh, it's not that!" Hou Fen was so excited that her eyes lit up. "We couldn't reach you before, so we were surprised to see you here."

"There are many long tunnels on the way here, no signal all the way." While Liang Jiahao was explaining, he didn't take his eyes off Qin Yu. "I wanted to surprise Qin Yu, so I didn't inform you in advance."

Mo Shan snorted with a fake smile. "Surprise her? I'm afraid Qin Yu will be the one to give you a surprise later."

"Me?" Liang Jiahao was puzzled. Only now did he avert his gaze from Qin Yu and look at Mo Shan. "Could it be that she knew I was coming?"

"No, don't listen to Sister Mo's nonsense." Hou Fen tugged at the hem of Liang Jiahao's shirt, trying to get him to lower his head.

Liang Jiahao was too tall, and she was only 5'6". With so many people backstage, it was difficult for her to talk to him.

Liang Jiahao understood Hou Fen's intention. Just as he was about to bend down, Shen Xieren's voice sounded behind him.

"Jiahao!"

Hou Fen and Mo Shan's faces instantly darkened.

Liang Jiahao frowned and looked in the direction of the voice. He saw a woman accompanied by a group of women.

"Wow, this is Liang Jiahao? He is more handsome than on TV!"

When the B-list and C-list celebrities saw Liang Jiahao, they immediately screamed with excitement.

"Yes, yes! Before, when I saw him on TV, I already thought he was very handsome. I never thought he would be so handsome in person!"

Hou Fen and Mo Shan said nothing and just stood there, waiting to see how Liang Jiahao would react.

Shen Xieren stopped in front of Liang Jiahao and said with a smile on her face, "Why didn't you call me when you arrived? There are a lot of people backstage. What if you can't find me?"

Chapter 779 Do You Have To Disappoint Me Like This

Shen Xieren grasped Liang Jiahao's hand affectionately and wanted to pull him aside to say something.

When the other celebrities saw this, they immediately began to jeer. "What's wrong, Sister Shen? Can't you let us have a look a little more?"

"Exactly! Don't hide a good man from us, let us see more! Are you afraid we'll take him away from you?"

Shen Xieren pursed her lips in embarrassment and smiled. "I have something to say to him, so stop messing around!"

She pulled Liang Jiahao away and was about to leave, but Liang Jiahao just stood there without moving, yanking his hand from her grasp without giving her any face.

"Do I know you, lady?" Liang Jiahao's eyebrows drew together as he looked at Shen Xieren. His entire face sank.

With a "pfft" sound, Hou Fen and Mo Shan burst out laughing.

As expected, Liang Zixuan didn't lie to them.

Liang Jiahao really didn't recognize Shen Xieren!

What was even funnier was that Liang Jiahao, who usually looked like a gentleman, could actually slap Shen Xieren's face in public. He really didn't give her any face!

Shen Xieren's face stiffened, but she quickly regained her composure. "Jiahao, stop joking around. A lot of people are watching us."

Liang Jiahao saw that Shen Xieren shamelessly wanted to hold his hand, so he put both hands in his pockets. "I'm not joking. Who are you?"

Hou Fen didn't care about the commotion. Besides, Shen Xieren had arrogantly said earlier that she and Liang Jiahao were a couple, so how could Hou Fen let it go?

She 'kindly' reminded Liang Jiahao. "President Liang, don't you know her? She's Shen Xieren. Earlier, she told everyone that she was your childhood sweetheart, and she also has a picture of you on her cell phone, saying that you promised to marry her when you returned from the army. How come you don't know her?"

Liang Jiahao immediately understood what Mo Shan meant when she said that Qin Yu would give him a surprise later.

Someone slandered him behind his back and made him a bad person in front of Qin Yu!

Liang Jiahao looked at Shen Xieren seriously and shook his head. "I don't know her. I never told any woman that I would marry her after I retired from the army!" *novElUsb.Com*

After saying this, he seemed to think of something and added, "I only said this to Qin Yu alone. I want to marry her!"

"Hahaha!" Hou Fen laughed out loud in relief. "Sister Shen, so you lied to us earlier? Why is your heart so bad? You really can't see our Qin Yu living a good life, can you?"

Mo Shan was not a kind person either. She had kept the anger in her heart all this time, and at this moment, she also said, "That's right! Shen Xieren, didn't you want us to ask Liang Jiahao about this ourselves? Now that he's standing here saying he doesn't know you, what else are you going to say?"

Out of the corner of her eye, Shen Xieren saw that Qin Yu had just finished singing and walked off the stage. Her tears fell one by one, and she held Liang Jiahao's arm with both hands, crying in sorrow. "Jiahao, how can you say such a thing? You cannot ignore my feelings just because you want to help Qin

Yu! Even though I know that I have broken our agreement by telling her about this, did you ever think that doing so would harm me?"

"I love you so much, how could I stand to watch you and other women showing your love in public?"

These words reached Qin Yu's ears at an unhurried pace. She looked at them coldly, pursed her lips, and walked past them.

When Hou Fen and Mo Shan saw her, they immediately ran after her. "Qin Yu, wait a moment, President Liang is here! We can hear the truth from his side."

Qin Yu did not turn around and kept walking as if she had not seen Liang Jiahao. "I'm tired. Let's go back to the hotel."

Hou Fen almost died of anxiety. "Qin Yu, stop! It's not what you think. Earlier, President Liang said in front of everyone that he didn't know Shen Xieren. Everything you heard from Shen Xieren earlier is not true."

Qin Yu's steps did not slow down, on the contrary, she even walked faster.

Seeing Qin Yu ignoring him, Liang Jiahao immediately chased after her. He impatiently flung Shen Xieren's hand away and said with a sullen face, "Shen Xieren, right? I have already said that I don't know you, please don't bother me like this in the future! Also, please stop slandering me in front of Qin Yu. In my whole life, I have never had any girlfriend other than Qin Yu, and I have never said anything about marrying any woman other than her! If you continue to slander Qin Yu and me, don't blame me for being impolite!"

With these words, he chased after Qin Yu.

The other B-list and C-list celebrities also looked at Shen Xieren strangely when they heard Liang Jiahao's words.

Shen Xieren was furious inside, but her face showed the expression of being wronged. She looked at Liang Jiahao's retreating figure and shouted, "Jiahao! Do you have to disappoint me like this just to clear Qin Yu's reputation?!"

Liang Jiahao chased after Qin Yu and pulled her hand from behind. "Qin Yu, listen to my explanation..."

Qin Yu ignored him and angrily yanked her hand away, her steps quickening.

Hou Fen and Mo Shan became restless. Hou Fen helped Liang Jiahao and said, "Qin Yu, you cannot just listen to Shen Xieren's story. At least give President Liang a chance to explain himself!"

Without caring, Qin Yu hurried out of the venue. She did not feel like attending the press conference after the party and went straight to the car prepared by the Gala's staff.

She closed the door and said to the driver in front of her, "Drive."

The driver saw Liang Jiahao, Hou Fen, and Mo Shan hurrying up with big steps, so he said awkwardly, "Erm, Qin Yu, your assistant and manager -"

"Just drive the car!" Qin Yu shouted impatiently.

The driver had no choice but to step on the accelerator and drive the car out of the venue.

Liang Jiahao, Hou Fen, and Mo Shan could only watch helplessly as the car sped away.

"President Liang, what should we do now? It seems that Qin Yu is really angry." Mo Shan asked worriedly as she looked at the car that was getting farther and farther away from her.

Liang Jiahao bit his lower lip. "Let's go back to the hotel."

"Alright."

The three of them immediately got into a cab and chased after Qin Yu's car as they drove to the hotel.

Hou Fen was a chatterbox like Qin Yu. On the way, she told Liang Jiahao everything that had happened during this period of time.

When Liang Jiahao heard this, his face became very gloomy. He pursed his lips and said nothing, causing Hou Fen and Mo Shan to hold their breath, not daring to breathe.

When Qin Yu arrived at the hotel, she got out of the car, rushed into the elevator, and entered her own room. She also locked the door from the inside.

Even though Qin Yu was in Liang Jiahao's line of sight, he still could not stop her from locking the door.

Standing outside, Liang Jiahao raised his hand and knocked. "Qin Yu, please open the door. If you have anything to say or to slap me, we can do it face to face."

He knocked on the door for a long time, but Qin Yu didn't answer him, nor did she open the door.

Liang Jiahao took out his cell phone to call Qin Yu. Qin Yu didn't answer her phone, nor did she reply to his text messages and WeChat.

No matter what he did, she just didn't reply.

Liang Jiahao immediately knew that Qin Yu wasn't throwing a tantrum this time.

Chapter 780 I Am Back Because He's In This Country

"Aiya, what should we do now!" Hou Fen stared at the closed door worriedly. "Qin Yu didn't eat anything today because there will be a feast tonight. It's almost 9 o'clock now, she must be hungry."

Mo Shan's face was also filled with worry. "She locked herself in there and ignored us. This has never happened before."

It wasn't that Qin Yu had never been angry before, but every time she got angry, she just fussed with the person but treated them well.

This time, it was clear that she didn't want to bother with anyone.

"Oh no!" Mo Shan suddenly thought of something and frowned. "There will be reporters interviewing after the party. Since Qin Yu isn't present, the reporter will definitely ask about it! If it's a normal event, everything will be fine. However, this was not the case, and some people may not be able to control their own mouths and start babbling in front of the reporters."

What were the celebrities most afraid of?

They were afraid of being splashed with dirty water!

The impact of dirty water was more serious than if someone made a bad game or sang a bad song.

Sometimes, a dirty pot of water can destroy a celebrity's life!

How many celebrities were injured by dirty water in the past?

Even if they'd cleaned up afterward, the losses would still be severe!

"Then I will quickly go back and explain it to the reporter." While Hou Fen was speaking, she already started to leave, but Liang Jiahao suddenly reached out to stop her.

Hou Fen turned around blankly. "President Liang?"

Liang Jiahao's face was calm as he looked towards the door. "Qin Yu doesn't want to see me now. If I leave, she might open the door and let you in. Anyway, you guys have to get her to eat something. As for the reporters... leave it to me."

Liang Jiahao's words almost made Hou Fen's eyes fill with tears.*novelusb.com*

It was strange that even though Liang Jiahao was not someone from this circle, Hou Fen felt relieved when she heard him say these words.

It was as if the moment Liang Jiahao appeared, all the demons and ghosts would have nowhere to hide.

Mo Shan also had the same feeling. She nodded. "Then I expect you to take care of the reporters. Don't worry, we will definitely take care of Qin Yu for you."

"En." Liang Jiahao nodded, then left without another word.

At 9:30, the organizers arranged for the celebrities to be interviewed.

Among the reporters, many loved to interview the celebrities with the most influence due to many reasons.

Qin Yu was now the topic of conversation. Whether she was clean or not, they had a lot of topics to ask her about.

The celebrities took turns going on stage to be interviewed by the reporters. After a few innocuous questions, the young celebrities stepped back.

Under the arrangement of the staff members, Shen Xieren sat at the conference table, joining the interview as well.

Although her fame in the country was not as great as that of the streaming celebrities, her return still caused excitement among the reporters.

"Shen Xieren, may I ask you if your appearance at this large-scale party and the variety shows you participated in are proof that you intend to return to your home country to grow?"

Shen Xieren smiled and replied, "Yes, for some reason, I have decided to return to my country to develop myself. I wonder if you will welcome me?"

"Hahaha..." Down on the stage, the reporters laughed and nodded. "Of course, we will welcome you."

When the reporters saw that Shen Xieren was not aloof as the rumors claimed, but was even joking with them, they became more courageous.

"Earlier, you said there was a reason. Can you tell me what it is?"

Shen Xieren wore a ceremonial dress and had heavy makeup on her face. Her every movement and gesture was very graceful. Even her smile looked beautiful.

Hearing this question, she smiled embarrassedly and looked around before pursing her lips and saying shyly, "Actually, there is nothing that cannot be said about this. The person I have been waiting for has finally returned, and I am back because he's in this country."

Her words were like a bomb dropped into a pile of reporters. All of them get excited!

This was gossip and big gossip at that!

No matter how unpopular Shen Xieren was in the country, she was still one of the few celebrities who made it in Hollywood.

And so it was in the ranking of celebrities. Those who became famous abroad would be as popular as if they were covered in gold when they returned. Directors would prioritize them, even reporters favored them.

Especially celebrities who were willing to take the initiative to blow up their personal affairs. To reporters, they were highly sought after, and everyone wanted to hear their stories.

"Who exactly is lucky enough to be able to make you give up your Hollywood dream and return to our country? Shen Xieren, can you tell us a little more about that?"

The moment this question was asked, all the reporters craned their necks and stared sharply at Shen Xieren. They wanted to swallow this big gossip in one gulp!

Shen Xieren looked at the enthusiastic reporter. She raised her hand and gracefully smoothed her bangs. She pursed her lips and did not answer for a long time, as if she was too embarrassed to say anything.

The reporters couldn't wait any longer and said, "Shen Xieren, just say it. Tell us already so that we can share your happiness."

"That's right, that's right. Shen Xieren, just tell us. Don't worry, we will not write about it casually."

"Then... Oh, alright." Shen Xieren bit her lip shyly. Then, as if she had mustered up a lot of courage, she opened her lips slightly. "About this..."

She suddenly changed the topic and smiled mischievously at the reporters. "It's a secret, I can't tell you!"

"Aiya... How can it be like this!"

The reporters were disappointed, annoyed, and amused.

After all, they could not afford to offend Shen Xieren, who had such a great backer and a lot of money. They had no choice but to laugh with her.

The staff reminded them that Shen Xieren's interview time was over.

Shen Xieren bowed to the reporters and turned away to leave the stage.

However, this matter did not end there. The C-list celebrity that followed after saw that these reporters did not seem to have any questions that they wanted to ask her, but instead asked seemingly insignificant questions.

She wanted to find a topic for herself in order to attract the attention of the reporters and the audience.

She started gossiping mysteriously, "I know about the incident where you guys asked Sister Shen. I can bring you guys to eat this melon, and I promise you, it's definitely a rare melon!"

Originally, the reporters were only going to ask two random questions, but upon hearing that she had such a big story, they all got excited.

"What melon? What was going on? Did you know something?"
