Chapter 781 Liang Zixuan Deliberately Asked Liang Jiahao To Pretend To Be With Qin Yu

The C-list celebrity proudly lifted her chin. "Of course I know something about it. I was there when it happened, and I promised you this news would be a blast!"

"Is that so?" The reporters were already drooling with curiosity. One by one, they raised their microphones and asked excitedly, "What's going on? Why don't you tell us slowly?"

From her debut until now, she had never been sought after by anyone. When she saw this, her pride and confidence were instantly satisfied. And thus, this C-list celebrity began to demonstrate her skills triumphantly.

"I dare not say more. All I can say is that Sister Shen's boyfriend is someone you all know. He is the CEO of a big company and is a very popular figure in business circles!"

After hearing this, the reporters were still puzzled. "There are many figures like this, who are you talking about?"

Seeing that the reporters were dumbfounded, the C-list celebrity pretended to be helpless and sighed. "Okay, let me tell you something. This person has a girlfriend, and his girlfriend is also a super-popular celebrity. And what a coincidence, she also came to the Gala tonight!"

"A super popular celebrity?"

The reporters began to think. At present, there were not many female celebrities who could become super-popular celebrities.

After thinking, there were only one or two, and Qin Yu was the only one who openly revealed her boyfriend.

But her background was too strong and the reporters could not afford to offend her. Although they had already guessed it, no one dared to mention Qin Yu's name.

They all looked at the person in front of them with wide eyes in disbelief.

The C-list celebrity saw that the reporters were already making assumptions, but they did not want to say it out loud. She was a little anxious and a little angry. She had managed to seize the opportunity to pull Qin Yu down from the altar with great difficulty.

Seeing the reporters did not say anything, she said, "I think you have guessed who it was? Hehe ... Think about it, tonight's interview was arranged by the host. There's someone who usually likes to be in the spotlight, but why didn't she come to join the interview tonight? Why did she leave after her performance? Wasn't it because the main character had returned? She, the fake girlfriend, was too embarrassed to stay behind, so she went back to the hotel with her tail between her legs!"

Qin Yu was the first to finish her performance. Logically, she should have been out for an interview with the reporters a long time ago, and these reporters had been waiting for her for a long time, hoping to hear something from her.

But after waiting for a long time, the staff finally said that Qin Yu was not well and went back to the hotel after the performance.

They never thought it would be like this!

There was a petite girl in the group of reporters. It was He Yingmin. After Liang Zixuan entered the Han Group, she recognized several people and introduced He Yingmin to the common media.

The relationship between He Yingmin and Liang Zixuan was very good. He Yingmin clearly knew the relationship between Liang Zixuan and Qin Yu. A loyal person like her would naturally consider Qin Yu as her friend too.

Thus, her power of protection showed up.

When Jiang Huifang splashed dirty water on Qin Yu, it was all thanks to He Yingmin for digging up the real proprietor. Therefore, from the incident, it can be said that she had a revolutionary friendship with Qin Yu.

Now that she heard this explosive gossip from this little celebrity, even if the C-list celebrity didn't say Qin Yu's name, all the reporters, including the fans, could tell at a glance that she was talking about Qin Yu!

He Yingmin put on a fake smile as she held the microphone closer to the celebrity's mouth. "You said the main character has returned, meaning you are talking about Shen Xieren, who is actually Liang Jiahao's girlfriend? And the relationship between Liang Jiahao and Qin Yu is just a fake, they are all pretending to be lovers?"

Others might not dare to say Qin Yu's name, but He Yingmin was not afraid.

The C-list celebrity was surprised by He Yingmin's bravery, but she was secretly rejoiced in her heart. Finally, a reporter who dared to speak out.

She was obviously very happy, but she showed an expression of fear. "I didn't say that! You said it yourself, so don't try to elicit anything from me!"

"Ha!" How could He Yingmin, an experienced reporter, not be able to understand this C-list celebrity's thoughts?

She sneered. "So... You mean this person is not Liang Jiahao? And this has nothing to do with Qin Yu?"

"N-no, that's not what I meant." The C-list celebrity was flustered by He Yingmin's aggressiveness and reflexively said, "It's Liang Jiahao! Qin Yu left right after her performance tonight. Who else if not her?!"

The surrounding reporters all breathed in the cold air as they all looked at the C-list celebrity who was in the limelight.

Regardless of whether it was true or not, as long as she said those words in public today, would Liang Zixuan's protective instinct towards Qin Yu allow this C-list celebrity to continue roaming the entertainment circles?

He Yingmin seized this opportunity and did not give the celebrity a chance to respond. She pressed her, "As far as I know, Liang Jiahao had successfully proposed to Qin Yu, not in front of the media, but in front of the elders of both families. You said that they were pretending to be lovers and were acting, so why did Liang Jiahao propose to Qin Yu in front of the elders?"

The C-list celebrity grew anxious and said, "How would I know? Besides, you are the only one who said about Liang Jiahao proposing to Qin Yu, but we didn't see it. Just because of the scandal, Liang Zixuan deliberately asked Liang Jiahao to pretend to be with Qin Yu to clean Qin Yu's reputation. So it will be impossible!"

She practically told everyone the story Shen Xieren had told her in the lounge.

He Yingmin was not stupid. Anyone who could be a reporter was a quick-witted person. She quickly grasped the loopholes in those words.

"Liang Zixuan deliberately asked Liang Jiahao to pretend to be with Qin Yu to clean Qin Yu's reputation? Hehe ... Do you think Qin Yu is the only artist of the Han Group? Would Liang Zixuan really use her own brother to wash Qin Yu's reputation? Just as you said, Shen Xieren came back for Liang Jiahao, so why didn't she come forward when Qin Yu was scolded for interfering in Liang Jiahao and Xia Jingfei's relationship? As long as Shen Xieren showed up, Qin Yu would naturally have nothing to do with this!"

At that critical moment, Shen Xieren did not come out, nor did Liang Jiahao say that he already had a girlfriend.

Qin Yu was misunderstood by everyone, and Liang Jiahao confessed to Qin Yu in public and even proposed to her in front of the elders. Shen Xieren came back at this moment to say that she had come back for Liang Jiahao and that she was the actual girlfriend of Liang Jiahao. *NovelU&b.cOm*

Did you see anything wrong with this?

Chapter 782 Am I Only Worthy Of Being Sacrificed

The string of questions put this C-list celebrity in a state of shock.

When she heard Shen Xieren's words, she did not think about how wrong it was.

After He Yingmin finished speaking, the other reporters also understood, and all nodded in agreement. "He Yingmin's analysis is very reasonable! Now that Liang Jiahao and Qin Yu had announced their relationship to the public, and the family elders also approved of their marriage, Shen Xieren suddenly came out and said all these things. She must be trying to destroy the relationship between Liang Jiahao and Qin Yu!"

"Yes, that's exactly how it is! Otherwise, why did Qin Yu go back to the hotel after her performance tonight? She must have known that something must have happened between Liang Jiahao and Shen Xieren, so she left in a rage. But the truth is very different from what Shen Xieren said!"

Shen Xieren was now standing backstage. Originally, when she heard that the C-list celebrity had taken the initiative to help her in this matter, she was quite eager to see the reporters' reaction, but she did not expect He Yingmin to appear suddenly.

Moreover, He Yingmin also initiated these reporters into logical thinking. Everyone said that she, Shen Xieren, had interfered in the relationship between Qin Yu and Liang Jiahao.

How could that be!

It was not easy for her to come back. She did not want to be a rotten egg as soon as she returned. How will she deal with others in the future?

"She's simply an idiot!" Shen Xieren silently cursed. Ignoring the staff's obstruction, she stepped onto the stage.

When the reporters saw that Shen Xieren had returned, they all became very excited.

"Shen Xieren, did you hear what she said earlier?"

"Excuse me, are you involved in the relationship between Liang Jiahao and Qin Yu?"

"Shen Xieren, have you returned this time to be a mistress?"

"Please answer, why did you break the relationship between Liang Jiahao and Qin Yu?"

Shen Xieren continued to be stabbed in the face with a dozen microphones. She took a pitiful step backward and finally managed to stabilize herself before a huge microphone was again pushed towards her mouth.

And that person was He Yingmin!

"Shen Xieren, now that the situation is like this, can you explain to everyone what exactly happened? Otherwise, I cannot guarantee that my story will not be written in accordance with my subjective consciousness."

This was just a threat!

A naked threat.

According to He Yingmin's subjective consciousness, Shen Xieren was the third party in Liang Jiahao and Qin Yu's relationship.

Shen Xieren was very angry, but she pretended to be wronged. She bit her lip and looked down at the reporters with tears in her eyes.

"I..." She opened her mouth, and her voice almost broke. It was obvious that she was very sad. "I am not hurting anyone's feelings! Jiahao and I have known each other for a long time. He asked me to wait for him and promised me that he would marry me as soon as he returned from the army. I have been waiting for him all this time."

"How come I didn't know I said that?"

Suddenly, a man's voice sounded from the side. Everyone turned around at the same time. As soon as they saw Liang Jiahao, their eyes lit up.

Now that Liang Jiahao was here, there would be a good show to watch!

From ancient times to the present, the most interesting scene was this kind of scene between two people.

And now, many reporters had come up with the headline for their articles: Shen Xieren's crying versus Liang Jiahao's coldness. What kind of spark will be created between them?

One of them even shouted loudly, "President Liang, please come forward quickly! Someone has become a demon again and bullied your Qin Yu!"

Liang Jiahao looked at the shouting person. He smirked as he casually stepped onto the stage.

Seeing Liang Jiahao's sudden appearance, the C-celebrity crouched down to reduce her sense of existence and left the stage regardless of the trouble she had caused.

Liang Jiahao continued to stand in front of Shen Xieren. He took the microphone from He Yingmin, held it to his mouth, and asked Shen Xieren, "You said you knew me from before. I am sorry, I have no impression of you. When did you know me?"

When He Yingmin heard this, she immediately grabbed the microphone and tried to make some noise. Then, she held the microphone up to Shen Xieren's mouth.

Undoubtedly, Shen Xieren was a duckling who had been caught in a fight. There was no way out for her!

If she ran away in fear now, it meant that everything she had said before was a lie. And she was a vicious villain who wanted to break up Liang Jiahao and Qin Yu.

Her future can be said to be destroyed.

Shen Xieren frowned and looked at Liang Jiahao with a hurt face. "Jiahao, how can you say such a thing? I can understand why you pretended to be a couple with Qin Yu before, but now that things have become like this, you cannot just sacrifice me to protect Qin Yu! Could it be that ... Am I only worthy of being sacrificed, to be the woman who keeps chasing after your back when in truth I am not?"

The sudden appearance of these words made all the reporters around them freeze.

To utter such words in such a public place clearly showed what a great injustice Liang Jiahao had done to Shen Xieren. *novelUsB.com*

Liang Jiahao frowned without any change in his expression. Seeing Shen Xieren's pretentious attitude, his lips curved into a mocking smile. "Do you really want to play this game with me?"

Shen Xieren's eyes widened with tears as she pretended not to understand. "You ... What did you say?"

Liang Jiahao laughed softly, but his smile did not reach his eyes. His brows filled with mockery, "I have seen many shameless women in all my life, but I have never seen one as shameless as you! You said you know me and cried pitifully that I am your boyfriend. Then please show me the proof you have!"

Shen Xieren had prepared herself for this. She asked her assistant to bring her phone and showed the photo.

Liang Jiahao had already heard Hou Fen's story from the car. So now, he was looking at Shen Xieren calmly. He would reveal Shen Xieren's disguised face bit by bit in front of everyone!

"Look, this is a photo of us in high school." Shen Xieren turned the screen of her cell phone towards Liang Jiahao.

The reporters nearby quickly found the right angle to take a photo of Shen Xieren's phone.

Liang Jiahao looked and sure enough, it was him.

However, he had no immediate impression of this photo.

Liang Jiahao nodded. "The person in the photo is indeed me, I admit it. You said you were a classmate of mine from high school, so this might be the case. It's normal for students to take pictures with each other, and how about everyone around here takes out the picture you have of me and say you are my girlfriend? If that's the case, then I have too many girlfriends! You are not the only one taking pictures with me."

Chapter 783 How Can You Not Appreciate Her Kindness

He Yingmin laughed out loud. "That's right, with that photo alone, you prance around telling everyone that President Liang is your boyfriend! Shen Xieren, many people must have taken a photo with you, right? So that means, you're their girlfriend too? Which men will dare to take a photo with you in the future? Even with this photo, you were crying and screaming injustice. Aiya, I really can't afford to offend you. What if you did the same thing to me later?"

"Haha, Yingmin, don't provoke her!" The reporters laughed one by one.

The derisive laughter and mocking voice made Shen Xieren a little angry, and she couldn't even resist her urge to rage in public.

But how could she, who had experienced so many trials and tribulations, let herself be enraged at such a critical moment?

She slowly lowered the hand that held the phone and looked at Liang Jiahao in disappointment. "Liang Jiahao, how can you treat me like this? I've been waiting for you for twelve years! How many more years do you want me to wait for you? For Qin Yu's sake, you're really saying that you don't know me."

"I didn't know you from the beginning, and it wasn't because of anyone!" Liang Jiahao was worried about Qin Yu and wanted to end this matter quickly. "Shen Xieren, stop spreading rumors. I, Liang Jiahao, only have one girlfriend, and that's Qin Yu! I advise you to stop this, otherwise, don't blame me for being rude!"

With that, he handed the microphone back to He Yingmin. He didn't look at Shen Xieren again as he walked out of the venue.

Shen Xieren looked at Liang Jiahao's emotionless back and her eyes turned red with jealousy. She knew that this was her last chance to see him. If she did nothing, with Liang Jiahao's personality, he wouldn't give her a chance to get close to him.

"Liang Jiahao!" Shen Xieren suddenly shouted, "Have you really forgotten what you said to me during the graduation ceremony?"

Seeing that Liang Jiahao not only didn't stop but even walked faster, Shen Xieren hurriedly followed after him in her high heels. "Liang Jiahao, stop right there!"

The interview stage was approximately 30 cm above the ground. When Shen Xieren ran after Liang Jiahao, she was so anxious that her high heels stepped on her long dress. She staggered and lost her balance, falling off the interview stage.

The assistant did not expect Shen Xieren to be so careless because of Liang Jiahao. She was so frightened that she screamed and ran, "Sister Shen!"

No one had expected such an unexpected turn of events. The staff also rushed over, but the reporters seemed to have caught some good news. They began to take Shen Xieren's picture and film the scene.

The assistant helped Shen Xieren up from the floor. Shen Xieren touched her forehead and still stared at Liang Jiahao's back. The assistant was so worried that she said, "Sister Shen, where did you hurt yourself? Why are you covering your forehead? Let me see!"

Without waiting for Shen Xieren's reply, the assistant pushed her hand away. Blood immediately flowed down her forehead.

Seeing this, everyone gasped.

The assistant was so scared that she almost cried. "Sister Shen, your forehead is bleeding!"

Shen Xieren acted as if she didn't hear her and shouted at Liang Jiahao. "Liang Jiahao, even when I fell down, you didn't stop for a moment..."

Liang Jiahao heard the commotion behind him, but who was Shen Xieren?

He didn't know her!

So why should he stop?

In his heart, Shen Xieren was just a woman who kept harassing him, and a woman who made Qin Yu misunderstand him. He had no compassion or kind feelings for this kind of woman.

When Shen Xieren saw this, she secretly looked at her assistant. The assistant immediately understood and let go of Shen Xieren's hand. She stood up and ran towards Liang Jiahao.

"Liang Jiahao!" The assistant roughly grabbed Liang Jiahao from behind and angrily said, "Sister Shen gave up her dream of Hollywood for you, how can you not appreciate her kindness? And now that Sister Shen has fallen from the stage because of you, and even her forehead is bleeding, you still didn't want to show any compassion towards her?!"

Liang Jiahao turned around, his sharp gaze like a sharp knife, falling on the assistant's face.

He pursed his lips and frowned. He didn't say anything, but his aura was full of dominance.

The assistant let go of his arm under his strong gaze.

Liang Jiahao looked at her coldly. He didn't even turn around to check Shen Xieren's condition as he left mercilessly.

Waiting for Liang Jiahao to leave and when his back was about to disappear from the door, the assistant scolded angrily, "Liang Jiahao, you are a heartless, useless scum!" *noVeℓUsB.cOm*

After cursing Liang Jiahao, the assistant quickly ran back and angrily said to Shen Xieren, "Sister Shen, it's all right. You don't need a man like him! Look at him, he's cold-blooded and emotionless. I've never seen such a man in my life!"

Shen Xieren covered her forehead with her palm and sadly lowered her head. "He's not really like that. He used to be very nice to me before, maybe ... It's because of some other reason, that's why he said he doesn't know me and wants to draw a line with me ..."

"Sister Shen, you're too nice! Because of your good-naturedness, people like to bully you! You've been bullied by Qin Yu more than enough, and now you're going to suffer such a loss because of Liang Jiahao. I don't think he's worthy of you!"

As the assistant spoke, she helped Shen Xieren up and secretly watched the reaction of the reporters nearby.

The reporters were almost all silent. Apart from taking pictures and videos, there was no other reaction.

He Yingmin stood behind the crowd and looked at Shen Xieren and her assistant's good acting. Her lips curved into a cold smile, but she said nothing.

After Shen Xieren was taken to the ambulance, He Yingmin went to the side, took out her cell phone, and called Liang Zixuan.

Chapter 784 Since You Cannot Have Him, Why Don't We Destroy Him This Way

What happened tonight involving Hollywood celebrity Shen Xieren, who had just returned to her country with honors, and super-popular celebrity Qin Yu, who had recently made a name for herself, thus when the interview was over, all the reporters returned to their own companies, sitting down in front of their computers and working overtime to write the articles.

Most reporters were still conservative about the relationship between Shen Xieren, Liang Jiahao and Qin Yu. In the articles, they did not berate anyone too much, but only briefly explained what had happened tonight.

Only one of them not only published a video interview that night but also insulted Liang Jiahao too much in the article.

"The biggest scumbag of the century, playing with two female celebrities to his heart's content. He has no shame and is unforgivable!"

When this article was published, it caused a thousand ripples in entertainment circles.

When those conservative reporters saw this article, they were immediately outraged.

They silently cursed themselves for fearing Liang Zixuan and Han Yuanjun and showing compassion to Liang Jiahao, causing all their glorious moments to be hijacked by others.

Now that they had a leader, those reporters pumped their fists and aimed their cannons at Liang Jiahao, firing at him non-stop.

Within two short hours, many articles were published, calling Liang Jiahao a scum. Netizens who were reading these articles immediately left their comments below.

"Is Liang Jiahao really like that? It doesn't seem so. It didn't seem like they were just pretending when I saw Liang Jiahao confessing to Qin Yu on the show."

"Liang Jiahao is a scum? What kind of international joke is this? Who is Shen Xieren? And from what planet does this shameless woman come from? Since she dared to slander my hero's innocence, I will spit out all my saliva on her!"

"Liang Jiahao is really the scum of the century! This time, we can see in the video that he really hurt Shen Xieren's heart. Liang Jiahao is so vile!"

"Man, heh!"

"Liang Jiahao is so shameless! For Qin Yu, he dared to hurt our Sister Shen. We, her beloved fans, will not calm down until he apologizes!"

Qin Yu's fans were also very aggressive.

"How can Liang Jiahao be like this? He likes and loves Qin Yu so much. Don't tell me that he is really just pretending? Why did he also want to provoke Shen Xieren?"

"Liang Jiahao is the scum of the earth! Shame on you! Because of you, our Qin Yu will surely be heartbroken to death by now!"

Shen Xieren came out of the operating room. Although her forehead was bleeding, but it was nothing serious. She was lying on the bed, and when she saw the news on the Internet, she grabbed the pillow behind her and angrily threw it on the floor.

"Are all these reporters stupid? Shouldn't they be scolding Qin Yu? Why are they scolding Liang Jiahao!"

"Sister Shen!" The assistant picked up the pillow and patted it before placing it behind Shen Xieren. "I think it's better this way. Since you cannot have him, why don't we destroy him this way?"

"I cannot have him?" Shen Xieren became even angrier, she raised her hand to push away the cup of water on the bedside table, then she shouted at the assistant. "Who says I cannot have him? Liang Jiahao will be mine sooner or later! I will not allow anyone to speak ill of him!"

Do not look at how polite and gentle Shen Xieren was when she was in front of others. It was all just acting!

Only her assistant knew how bad Shen Xieren's temper was.

Whenever no one was around, Shen Xieren would get angry, even at the slightest thing.

Even if she were provoked in front of others, she wouldn't say anything then. She would say that it was fine, but as long as no one else was around, she would start settling accounts!

No matter how long it took, she would always settle one score after another with you.*novelUsB.cOm*

Once, Shen Xieren asked her assistant to buy her a coffee. The assistant drove all the way to buy her a coffee, but before she could say it was hot and told Shen Xieren to be careful, Shen Xieren already drank the coffee and burned her lips.

At that moment, a staff member knocked on the door. The assistant thought she had escaped this calamity and was glad that she could return to the hotel unharmed, but as soon as they arrived, Shen Xieren suddenly grabbed her by the hair and slapped her twice without a word.

The assistant felt that she had been treated very unfairly. With tears in her eyes, she asked, "Why did you suddenly slap me?"

Shen Xieren said flatly, "I want to make you remember. Let's see if you still dare to give me hot coffee in the future!"

Therefore, Shen Xieren, who seemed gentle and kind on the outside, was actually a vile woman!

The assistant was afraid of her, so she did not dare to make a sound. She just stood aside and did not dare to say anything else.

Shen Xieren became angry for a moment and then reached for her cell phone to check that someone had started an argument with Liang Jiahao on the Internet, the insults against him were getting worse.

He also called Qin Yu a victim and drew the sympathy of a group of people.

Shen Xieren almost dropped her phone in anger. She thought for a moment, then suddenly raised her head and looked at the assistant with red eyes. "You! Quickly use your account to send a statement directing all fire at Qin Yu, and also say some kind words for Liang Jiahao!"

The assistant was confused. Shen Xieren had obviously been hurt by Liang Jiahao, so why did she want to blame everything on Qin Yu?

Now that netizens scolded Liang Jiahao, the assistant found it was quite fun.

But when she saw Shen Xieren's scarlet eyes, she did not dare to express her thoughts, so she followed Shen Xieren's instructions and published the message.

"Everyone, please stop scolding Liang Jiahao anymore. Liang Jiahao is a good person, he is really good. He had never done anything to harm Sister Shen before. This time, there was a reason, and Sister

Shen could understand why. Although she had to swallow her anger, Sister Shen could bear it for that reason. It's just that some people shouldn't overdo things just to make a name for herself. Acting big and insulting others, don't push your luck even further. If you do it, know that Heaven is watching. I advise you to be kind!"

Chapter 785 Green Tea Bitch

The assistant directly used Shen Xieren's name to persuade the netizens to be kind to Liang Jiahao and put the blame on Qin Yu.

Although the assistant didn't write Qin Yu's name there, anyone who saw this message would be able to tell who she was referring to.

Just when the netizens turned their fire at Qin Yu, inside the hotel room...

Hou Fen took out her cell phone and angrily shouted, "Shen Xieren actually used her assistant's official account to deflect Liang Jiahao's rumors and also attack Qin Yu."

Qin Yu sat on the bed in her pajamas as if she didn't hear Hou Fen's words. She was indifferent and her face was expressionless.

Mo Shan looked at Qin Yu and shook her head. She patted Hou Fen's shoulder and said, "Alright, it's time. Send the video you recorded earlier."

Hou Fen helplessly bit her lip as she thought, "What will happen to Qin Yu this time?"

Why did she feel that Qin Yu had lost the will to fight?

Qin Yu wasn't like this when she was confronted with the scandal between Liang Jiahao and Xia Jingfei.

But Hou Fen also knew that this wasn't the right time to persuade Qin Yu now. She didn't even let Liang Jiahao inside and just locked him outside.

As soon as Qin Yu returned to the hotel, she didn't even reveal her face to Liang Jiahao.

"Alright." Hou Fen nodded. "I've already finished the editing. I'll release the video now and mercilessly hit Shen Xieren in the face!"

Within ten minutes, Hou Fen sorted out her thoughts and sent the video on her official Weibo.

Currently, Liang Jiahao was the biggest loser in this century. He topped the search ranking and his popularity overnight surprised the entire entertainment circle. *nOveLusb.coM*

Everyone was waiting for Qin Yu's reaction. Shen Xieren had pointed her gun at Qin Yu and many people were keeping their eyes on Qin Yu's account and her assistant's account.

Sure enough, as expected, Hou Fen used her account to publish the video.

When the netizens saw how good Shen Xieren appeared on the outside with Qin Yu, but her own assistants were standing on the sidelines mocking and ridiculing Qin Yu, and did not put Qin Yu in her eyes at all, everyone exploded.

"Damn it, what did I see? Didn't Shen Xieren's assistant just say that some people shouldn't exaggerate things just to make a name for herself by acting big and insulting others? Then what is this? They are really disgusting and too lecherous!"

"Hahahaha ... Shen Xieren, I bet you never expected this to happen, right? To slander our Qin Yu, we must first see what kind of virtue you have!"

"Green tea bitch!"

"A typical green tea bitch!"

When Shen Xieren's fans saw this, they could no longer stand idly by and stood up to speak out for her.

"Don't talk so badly! Our Sister Shen never speaks ill of anyone. It was her assistant who spoke."

"Sister Shen is always gentle and humble, she has a good attitude towards everyone! She even likes to take care of the extras on set. It's all the assistant's fault, don't blame everything on our Sister Shen!"

"Who is among you, our Sister Shen had offended? Who are you to scold her like that!"

Of course, Qin Yu's fans wouldn't just let this go. They immediately ran to help her.

"Gentle and humble? What is this, then? Is this what you call gentleness and humility? If Shen Xieren is really as what you say, then how can she tolerate and allow her assistant to say such words in public?"

"The words that came out of the assistant's mouth were equivalent to the words that came out of a celebrity's mouth! After the assistant said those words, Shen Xieren didn't scold her or even try to stop her. This proves that Shen Xieren, herself, also thinks the same way!"

"Tch, this kind of trickery is incomprehensible to ordinary people. On the surface, she pretends to be a good person, but allows her assistant to slander others and insult others. She is so shameless! Shen Xieren, how did you survive in Hollywood? Could it be that all Hollywood celebrities have the same behavior as you?"

When Hou Fen saw this, she was overjoyed. She had taken quite a lot of videos, and this was only a small part of them.

When the fans on both sides started to fight and the audience fought for Qin Yu, Hou Fen also published the video on the lounge.

When netizens saw this, they immediately exploded.

"Holy shit! This Shen Xieren is really not bad! She had just returned home, and yet she was able to team up with so many celebrities to bully Qin Yu. Did she really think that Qin Yu had no background? Those who conspired with Shen Xieren in the video to bully Qin Yu should pay attention. Liang Zixuan and Han Yuanjun are one minute away from the battlefield!"

"Shen Xieren, are you really that shameless? Qin Yu and Liang Jiahao are innocent, what do you mean by sticking your nose into their relationship? Your love for Liang Jiahao is your own business, what does that have to do with Liang Jiahao and Qin Yu?"

"What a green tea bitch. She pretended to be a good person, but she had the rhythm to let others speak for her and attack Qin Yu. What a scoundrel!"

At this moment, Liang Zixuan, who had not spoken for a long time, suddenly spoke up.

"I, Liang Zixuan, grew up with my brother, Liang Jiahao. I have never heard of Shen Xieren before. My brother had always been an excellent student in school and would never fall in love with her in his life! Shen Xieren, you need to know your own limitations. Do not impose your wish on my brother. In this life, the only sister-in-law that I, Liang Zixuan, acknowledge is Qin Yu! As for the others who are trying to destroy their relationship, fight me!"

Liang Zixuan had just posted on her Weibo account and the netizens' enthusiasm had not yet died down when Han Yuanjun's Weibo account suddenly posted something as well.

"I will remember each and every one of you who slandered my wife, my brother-in-law, and bullied my niece tonight!"

Two famous figures in the entertainment circle who never like to update on Weibo, suddenly stood up for Qin Yu and Liang Jiahao at the same time, which immediately caused netizens to hype up.

"Hahahaha... What did I just say? To those small celebrities who just threw the nonsensical words out of your mouths, are you afraid now? Is your heart trembling now? One sentence from President Han is enough to make you all stunned."

"Liang Zixuan is so domineering. Her words of 'fight me' somehow made me shudder."

"I don't trust anyone else, but I trust Liang Zixuan. As long as she says Liang Jiahao will never be with Shen Xieren and he really loves Qin Yu, I will believe her."

"I suddenly feel critically attacked by President Han. I am not even the one who talked nonsense, but I feel like I am drowning in his threats."

"Shen Xieren, hurry up and go back to your Hollywood! A green tea bitch like you is not welcome here!"

When He Yingmin saw this, she called Liang Zixuan. "Zixuan, you are too awesome! Just now, when you told me to write an article to attack your brother, I was even dumbfounded. To tell you the truth, at that time, I was wondering whether you and Liang Jiahao were really siblings or not."

Chapter 786 I'm Going To Beat You To Death

Liang Zixuan smiled. "I am definitely my brother's biological sister. I just know that Qin Yu must have some proof, that's why I told you to write it down. Yingmin, thank you for this time. When you come back, I will treat you to a big meal."

He Yingmin was so happy that she jumped up and down. "But I don't want to eat outside. I want to go to your big villa and enjoy your cooking. I have been wanting to go there for a long time. Now that I have helped you this time, can you show me your house?"

"Of course." Liang Zixuan agreed without hesitation. "When you come back, call me whenever you want to come. I will prepare something."

"Then it's a happy decision!" *OverUsb.com*

After hanging up, Liang Zixuan immediately called Qin Yu.

The one who answered was Hou Fen. "Zixuan, I did what you said."

"I saw it." Liang Zixuan was very satisfied with the netizens' reaction. She also knew that Hou Fen and Mo Shan had been helping Qin Yu all along, so she was very grateful to them. "I have troubled you and Sister Mo tonight. You must be tired. Go to sleep early."

"Uh..." Hou Fen hesitated for a moment, then turned to look at Qin Yu. She covered her mouth with her hand and whispered, "Since we entered the room, Qin Yu hasn't said a single word. She sits alone on the bed and remains in this posture until now. Sister Mo and I are worried to death."

Liang Zixuan sighed. She understood Qin Yu's personality the best.

Qin Yu, who seemed carefree in everything, was a coward when it came to love.

She was afraid of being hurt and losing herself in love.

She was not afraid of the pressure of the outside world. What she was afraid of was something going wrong in her relationship.

It wasn't long before Xia Jingfei's matter cleared up. Now that Shen Xieren had reappeared, Qin Yu must be exhausted.

"Give the phone to her. I'll talk to her."

When Hou Fen heard this, she was immediately happy. "It would be best if you could help us persuade her. Wait a moment."

Hou Fen walked to the bed and handed the phone to Qin Yu. "Qin Yu, Zixuan wants to talk to you."

When Qin Yu heard Liang Zixuan's name, she finally lifted her eyelids slightly and stared at the phone for a while. Finally, she slowly reached out and picked up the phone.

"Auntie ..." Qin Yu had just opened her mouth when her voice suddenly broke down, causing the people around her to feel the heartache.

Liang Zixuan's heart sank when she heard Qin Yu's voice. "Qin Yu, don't worry about Shen Xieren. I can assure you that my brother definitely has nothing to do with her at all."

Qin Yu didn't say anything. She just listened quietly, but actually... deep in her heart, she knew what Liang Zixuan was going to say, but she felt very disappointed now. The words went through her left ear and came out of her right ear. She couldn't bring herself to listen.

Liang Zixuan also knew that when people were sad, they didn't want to listen to anything, so she no longer spoke for Liang Jiahao.

"Qin Yu, you still have a flight tomorrow. It's already late, go to sleep. Tonight, Sister Mo and Hou Fen will sleep with you."

Qin Yu didn't seem to be in the mood to talk. She only replied in a low voice, "I understand."

Liang Zixuan immediately knew that Qin Yu didn't understand.

She was just saying it.

She sighed inwardly. Originally, she had made Qin Yu leave the city for a month so that her relationship with Liang Jiahao would be warmed by the separation. When Qin Yu returned, Liang Jiahao would bring Qin Yu to the Civil Bureau Affair.

But now, things have turned into this.

What a headache!

"Qin Yu, no matter what happens after this, focus on your career. Don't ruin your future because of your feelings. Even without love, you still have a career, understand?"

When Qin Yu saw that Liang Zixuan stopped speaking for Liang Jiahao and instead tried to persuade her to focus on her career, Qin Yu thought seriously for a moment and felt that Liang Zixuan's words made a lot of sense.

"Auntie, you're right. I should focus on my career from now on. Everything else in my life is temporary and fleeting."

Liang Zixuan was finally relieved. "It's good that you understand. Go to sleep early."

As expected, after hanging up, Qin Yu rolled over on the bed and fell asleep.

Hou Fen and Mo Shan were stunned by what they had just witnessed. They didn't expect Liang Zixuan's words to be so useful to Qin Yu!

Mo Shan had said the same words before, but Qin Yu didn't hear a single word of them. But as soon as Liang Zixuan said it, Qin Yu did it.

Mo Shan bit her lip and looked at Hou Fen. "Go back to your room. I'll accompany Qin Yu tonight. It's fine."

Hou Fen nodded. She had so much confidence in Mo Shan.

Meanwhile, on the other side, in the hospital, Shen Xieren was very angry.

When she saw the videos, Liang Zixuan and Han Yuanjun's words, and those comments, she angrily destroyed everything in the ward. Still, she felt that she didn't vent her anger enough. She grabbed the assistant and began to beat her.

"Are you a pig! How come you didn't notice that someone was recording the video and you even allowed so much evidence to be recorded? How am I supposed to go out in the future?!"

The assistant fought back and said in a wronged tone, "Sister Shen, you asked me to say all these things. I did what you said, and now this has happened, how can you blame me alone?"

"Stupid!" Shen Xieren raised her hand and slapped the assistant's face.

Immediately, the assistant's face turned red.

However, Shen Xieren didn't let go. She grabbed the assistant's hair with one hand and slapped her face furiously with the other. "What's the use of you being my assistant? You can't do anything good! I wasted so much money on you. Argh! I'm going to beat you to death!"

"Ah! Sister Shen, I beg you. Please let me go! Ahhh!"

The assistant's face was slapped loudly. She was in so much pain that tears came to her eyes. When she saw that begging was of no use, she started to resist.

She grabbed Shen Xieren's hand, hoping Shen Xieren would let go of her hair and escape. However, Shen Xieren was too angry to let her go. Even when the assistant's nails dug into the back of her hand, she didn't let go.

Suddenly ... The assistant fell to the ground with a loud thud of pain.

Shen Xieren held onto the assistant's handful of hair. She looked at the assistant's bleeding scalp, but she still could not get over her hatred.

She lifted her foot and kicked the assistant violently in the stomach. "Idiot! I'll make you stupid, I'll beat you to death!"

The assistant rolled on the ground in pain and cried until her throat was hoarse. "Sister Shen, let me go. I beg you ..."

Finally, Shen Xieren was stopped by a nurse, and the assistant was pushed directly into the emergency room.

Chapter 787 Even If I Don't Succeed In Getting Liang Jiahao, I Will Still Kill Qin Yu And Make Her Suffer

This sudden incident prompted Shen Xieren's manager, Yi Ru, to drive to the hospital by a car overnight.

The sky was bright and she had just entered the hospital when she heard that Shen Xieren had beaten her assistant into the operating room.

Three of her ribs were broken!

Yi Ru was so angry that her face contorted. Looking at Shen Xieren, who was sitting calmly on the bed, she could not help but feel angry.

But since Shen Xieren was a Hollywood actress and the CEO of the company finally managed to convince her to sign up with their own company, therefore, no matter what she did, Yi Ru could only regard Shen Xieren as a Buddha.

"Xieren ..." Yi Ru held back her anger and said in a kind tone, "How could you get caught up in something like this? If something like this happens, shouldn't you contact me first and ask me to help you deal with it?"

Shen Xieren saw that Yi Ru's attitude was not bad, so she did not give her a face and arrogantly said, "Is there any point in me looking for you? I have already said before, I want to fight Qin Yu. If you don't agree, I will rely on myself."

Yi Ru knew perfectly well that Shen Xieren had come back because of Liang Jiahao. It was because of Liang Jiahao that she was willing to fight Qin Yu.

And that's why Shen Xieren did not choose the best entertainment company, Han Group, but them.

"It's because I knew you would do it in an extreme way, that's why I disagreed! Who is Qin Yu? Her assistant and manager are the most professional ones in the industry, the best. Both women have a dog's nose and can smell even a whiff of gunpowder from afar. If you provoke Qin Yu, wouldn't that be like jumping into the fire pit yourself?"

Speaking of this, Yi Ru immediately felt tired.

Shen Xieren immediately became angry. She grabbed her pillow and threw it at Yi Ru. "What do you mean! Are you saying that my assistant and manager are not as good as Qin Yu? Then what do I need you for?" **NovELusb.COM**

Yi Ru was so inattentive that she was hit hard in the face by a pillow.

Still, she did not dare to say anything. She quietly picked up the pillow and put it aside, "It's useless to talk about this now. You are being bombarded by netizens right now and they have asked us to remove you from the country's entertainment circle. We need to discuss how to prevent you from losing your reputation and how to save it. Unless... Unless you really don't want to stay in the country's entertainment circle anymore."

"How could that be!" Shen Xieren angrily scolded, "Even if I don't succeed in getting Liang Jiahao, I will still kill Qin Yu and make her suffer even for a day!"

Yi Ru's head hurt when she heard Shen Xieren's words.

She thought that her future career would go smoothly after taking Shen Xieren under her wing. Who would have thought that Shen Xieren would do such a thing?

She had no choice but to fight against Qin Yu.

To fight against someone who no one in entertainment circles could hurt.

Yi Ru sighed. She didn't dare utter a harsh word in front of Shen Xieren, and could only say cautiously, "Alright. Since you've made up your mind, I won't try to give you advice anymore. Don't worry, I'll help you."

Saying this, she took out her cell phone and opened WeChat. After reading the contents inside, she raised her head and looked directly into Shen Xieren's eyes as she said, "On my way here last night, I contacted the country's leading PR firm. They gave me a plan to solve this problem."

Seeing how competent Yi Ru was, Shen Xieren felt very pleased. "Tell me about it."

"Even if the videos Qin Yu's assistant sent last night had a big impact on you, there's one way to save your reputation. That is to kick out your assistant and let her bear all your mistakes. In other words, get rid of her."

Yi Ru put down the phone. Speaking of this, she couldn't help but sigh. "But since you beat her so badly last night, it'll be very difficult to get her to take responsibility for you. All you can do is pay a large sum of money, then apologize to her and comfort her."

"You want me to apologize to her?" Shen Xieren jumped up from the sickbed like a grasshopper, pointed at her nose, and said contemptuously, "You asked me to apologize to her? Is there something wrong with your head! Why should I apologize to her? If she wasn't stupid, would I be like this? It's good that I didn't make her pay for my damage. Not only do I've to give her money, but I also have to apologize to her?! Sister Yi, are you sure you're not messing around with me?"

Yi Ru: "..."

Why did she feel that Shen Xieren was a fool?

How could Shen Xieren still care about her face when things had become like this?

Besides, whose fault was it that this mess was happening?

If it weren't for her, the assistant would have run away from offending Qin Yu.

What a joke!

Yi Ru's face immediately darkened. "Shen Xieren, get a clear picture of your situation now! No matter whose fault this is, the only person who can help you take the blame is your assistant! If you don't persuade her, how can she help you take the blame? I hope you will understand the situation and not be so selfish!"

This was the first time that Yi Ru went against Shen Xieren.

Shen Xieren was a person who only bullied the weak and feared the strong. She wouldn't give you a face no matter what, but as long as you were strong, she would hide in a corner.

Besides, she really needed someone to help her take the blame. She hadn't fought Qin Yu yet, so how could she lose at the starting line?

Shen Xieren's face stiffened slightly. Even though she was afraid in her heart, she still wouldn't give up.

"I agreed to give her some money, but I won't apologize!"

Yi Ru sighed deeply in her heart and shook her head helplessly. "It's up to you. I hope the assistant can feel your sincerity."

Yi Ru looked at the time. It was already 7:30 in the morning. She stood up and said, "I'm going to buy a bouquet of fresh flowers and a fruit basket. When the time comes, you can bring them to your assistant's ward."

Shen Xieren pursed her lips but didn't say a word.

After waiting for Yi Ru to return, Shen Xieren reluctantly carried the bouquet of fresh flowers and a fruit basket to the assistant's ward.

Chapter 788 Biggest Enemies

The assistant was miserable. Not to mention that she had lost a handful of hair, and even three of her ribs were broken. Lying on the bed now, even breathing hurt.

Suddenly, the door was pushed open by someone. She raised her head to look up and saw Shen Xieren come in with a flower in one hand and a fruit basket in the other. She felt a little satisfied.

But who knew that after Shen Xieren put down the flowers and fruit basket, she would arrogantly say, "I am telling you, you have to take responsibility for what happened last night. After this is over, I will give you a large sum of money. At that time, you can do whatever you want with this money. But in the future, do not show up in front of me and block my way, understand?"

With that, Shen Xieren left the ward, without waiting for the assistant's answer.

When the assistant saw how arrogant Shen Xieren was, she became angry. Yi Ru suddenly came in.

"Xieren's personality is like that. Don't mind her. You know she always has a sharp tongue and a rotten heart."

"Sister Yi, I-I'm not trying to do anything. I just want her to admit her mistakes. Is it hard for her to admit her mistakes?"

Yi Ru sat down at the sickbed and looked at the assistant's wronged and sad expression. She also felt sorry for her. "Xieren already knew she was wrong. She said to me that she felt very guilty. It's just that she didn't have the heart to apologize to you."

"She didn't have the heart?" The assistant was very sad now, but she didn't dare to cry out loud. Even her voice was very soft and weak, because as long as she used her strength, her ribs would hurt.

"She beat me like this, if I report her and sue her, she can go to jail now! What face will she have then?"

Yi Ru obviously knew this logic, but since she couldn't persuade Shen Xieren, she could only comfort this assistant.

After a few comforting words, Yi Ru saw that the assistant was still very unwilling, so she said, "I know that your mother has stomach cancer and needs a lot of money. Don't worry, as long as you help Xieren take the blame, she'll definitely give you a lot of money, and you can use this money to treat your mother."

Although Yi Ru seemed to be comforting the assistant, her reminding words caused the assistant to calm down immediately.

Right now, the assistant really needed a lot of money to treat her mother's illness. In any case, helping Shen Xieren take responsibility was definitely the fastest way to earn money.

Without thinking, she agreed, "Okay, I agree."

Yi Ru finally breathed a sigh of relief. "Okay, I'll just send a few messages and explain the matter. One more thing, I want to tell you that after this, you can no longer stay by Shen Xieren's side. I can help introduce you to other artists. Even if you don't earn as much as you do with her, you can still support your family."

The assistant nodded gratefully and agreed.

Yi Ru didn't hesitate at all and used her Weibo to clarify the situation.

"Shen Xieren had made mistakes before in condoning the assistant's behavior. However, she had told her assistant several times not to be rude and condescending, and the assistant did not like Qin Yu for personal reasons, which led to the current situation. The company has decided to stop working with the assistant. The company will help Shen Xieren find a new assistant. Please forgive her."

This statement was very well written.

On the one hand, Yi Ru helped Shen Xieren break off the relationship with the assistant, and on the other hand, she slandered Qin Yu from the side.

After all, the assistant did not like Qin Yu for personal reasons, which meant that Qin Yu had once made the assistant's life miserable.

When this Weibo post was posted, Shen Xieren's fans pointed their guns at the assistant one by one, leaving her in such a state where she could no longer defend against their attacks.

However, Qin Yu's fans were not buying it. Anyone with a brain could tell that Shen Xieren was slandering Qin Yu.

The fans from both sides scolded one after another and defended their idols.

After Yi Ru finished reading the comments, she casually said to Shen Xieren, "At least your fans are still on your side, so don't worry about Qin Yu's fans. After all, they don't care about you, and it doesn't matter if they like you or not."

Shen Xieren was very satisfied. "It doesn't matter if they hate me, as long as my fans keep speaking up for me."

"Your relationship with Qin Yu has already been explained, and now we are getting to the core of the fight, it's better for you to keep quiet for now. Even if you want to fight with her, do it in private. Also, you have to be careful with Hou Fen and Mo Shan."

Just like the video, they must have been taken by Hou Fen. The fact that they were able to record the video in case something happened proved that the two women were very dangerous.

Without any brains, they couldn't be where they were, and so Yi Ru felt that Hou Fen and Mo Shan were Shen Xieren's biggest enemies.

Even if they wanted to deal with Qin Yu, they would have to do it at a time when Hou Fen and Mo Shan were not by Qin Yu's side.

Shen Xieren could not stand it when others spoke well of Qin Yu. She also could not hear anyone praising the people around Qin Yu.

She felt that she was degrading herself!

"Sister Yi, if you say that again, I will not let you go! Let me tell you, no matter what you do, you have to find me a stronger assistant than Hou Fen. If the new assistant is as stupid as Weiyuan, then don't blame me for arguing with you!"

Yi Ru felt that Shen Xieren was not an ordinary person.

Shouldn't the normal person by now be thinking about what she would lose in this fight?

But Shen Xieren did not. Not only did she not think about the situation, but she blamed all her mistakes on the assistant. At such a critical moment, she should stop and calmed down for a moment, but she didn't want to stop!

Yi Ru was a little tired. "As for the assistant, I will help you choose one. You should rest first."

Yi Ru stood up and was about to leave, but Shen Xieren jumped up from the bed in panic and grabbed her hand. "Where are you going?"

Yi Ru frowned. "To help you find an assistant."

"Really?" Shen Xieren smirked in disbelief. "Are you sure you are not running away? You don't want to bother with me anymore?"

Yi Ru could not help but roll her eyes. "Why would I run away? The thing is, if I run away, who will fix this for you? Your current job is to heal your injuries and avoid a scar on your forehead. In a week, you have to be in another variety show, don't forget that."

"I'll believe you for now." Shen Xieren let go of Yi Ru's hand and sat back on the sick bed. She said like a big person, "Sister Yi, no matter whether you found me the assistant or not, you must stay by my side in the future. Take care of me and help me! Look at Mo Shan, she is always with Qin Yu. You should be like that too."

Yi Ru: "..."

Chapter 789 A Little Girl Who Is Afraid Of Love

Mo Shan had only two artists under her, one of them was Qin Yu, and the other was Goo Shengli.

For Goo Shengli, Mo Shan only needed to help plan his itinerary. Once that was arranged, his assistant would be the only one following him around. Therefore, Mo Shan had plenty of time to follow Qin Yu.

But her?

Besides Shen Xieren, she had five other artists of different levels!

Moreover, one of the five of them was a B-list celebrity. In this situation, she should put more effort into that person than wasting her time on Shen Xieren, a star who acted like she would be in the top five when she returned.

Yi Ru had already understood Shen Xieren's personality after their last encounter. She knew that if she refused now, not only would Shen Xieren not listen to her explanation, but she (Shen Xieren) would also cause a huge commotion, allowing everyone to find out about it.

Yi Ru closed her eyes in frustration. Back then, she must have been kicked in the head by a donkey, which was why she felt taking Shen Xieren under her was a good choice.

"Fine, I promise you. After I finish my business, I will always follow you."

Shen Xieren smiled with satisfaction. "Alright, quickly find me a good assistant."

That attitude, that tone, it was as if she was a queen.

Yi Ru shook her head, took a deep breath, and walked out the door.

Qin Yu was already sitting on the plane. Maybe it was because she didn't sleep well last night, she fell asleep as soon as she boarded the plane.

Hou Fen took the blanket and covered Qin Yu's body before returning to her seat. With a worried expression on her face, she said to Mo Shan,

"Sister Mo, what should we do with Qin Yu? She didn't let President Liang in last night and he waited for her outside the door until this morning. Qin Yu didn't care at all and just left. From the expression on his face, I could tell he was a little hurt."

Mo Shan was also worried.

Back then, when Xia Jingfei's scandal happened, she had asked Qin Yu not to be with Liang Jiahao and didn't even hesitate to offend Liang Zixuan because of that.

It was a good thing that Liang Zixuan was a reasonable person, otherwise Mo Shan would have been kicked out of the Han Group because of that.

At that time, Qin Yu said that she would give up everything for Liang Jiahao, but now, she had quarreled with him over a small misunderstanding.

Qin Yu not only lost decorum, but it also affected her sleep and the quality of her work.

Mo Shan truly felt that if this continued, Qin Yu would only end up destroying herself.

"Liang Jiahao is a good man. In this period of time, I can see his feelings for Qin Yu. He isn't someone who would casually give up just because of a little misunderstanding. But I just don't understand. It was clearly a misunderstanding, what is Qin Yu angry about?"

Hou Fen secretly glanced at Mo Shan and laughed out loud, "Sister Mo, you've never been in love, are you?"

Mo Shan's face tensed. "We are talking about Qin Yu, why are you suddenly changing direction to me?"

"Hee hee ..." Hou Fen was not afraid of offending Mo Shan, so she teased her, "A strong woman like you, how can you understand the hearts of little girls like us who look forward to love?"

Mo Shan's face darkened. "Are you saying that I'm getting old?"

"No!" Hou Fen leaned toward Mo Shan, tilted her head, and whispered in Mo Shan's ear, "Qin Yu has never been in a relationship, and this is the first time she has fallen in love. Even though she seems tough on the outside, inside, she is actually just a little girl who is afraid of love. She wants to live in a world where two people are happy. No matter what happens later, as long as they are together, she will be happy even if they have to eat instant noodles."

"In this regard, Qin Yu is a little girl who only wants a simple life with her lover. But the incident with Xia Jingfei has exhausted her. She has gone through great difficulty to restore her reputation, and now there is Shen Xieren. She cannot help but feel oppressed. She's just worried that President Liang will think of her as an ignorant girl and will get tired of her. If he breaks up with her just because of this, let me tell you, Sister Mo, Qin Yu will definitely be a different person, maybe she even..."

Hou Fen didn't elaborate on what she was going to say, but how could Mo Shan, a smart person, not understand what she was trying to say?

If Qin Yu broke up with Liang Jiahao, she would probably find a normal person to marry.

Whether or not there was love between them, Qin Yu would go through it as long as the person was normal and wouldn't bring many troublesome things into her life.

Mo Shan didn't say anything. She cast a worried glance at Qin Yu, who was sitting in front of her, and leaned her back against the seat as she thought deeply.

Hou Fen didn't disturb Mo Shan and remained silent.

After they got off the plane, they went to the hotel. Mo Shan asked Hou Fen to accompany Qin Yu.

Just as Mo Shan was hesitating about whether or not she should call Liang Jiahao, the phone in her hand suddenly rang. She picked it up and immediately breathed a sigh of relief. She put the phone to her ear and said, "President Liang!" *noVelusb.Com*

Liang Jiahao's worried voice came over the phone, "How is Qin Yu today?"

"Not very well." Mo Shan did not hide anything. "Although Liang Zixuan comforted Qin Yu last night and she seemed to hear it, I could sense that Qin Yu's nerves were strained. She seemed to be working wholeheartedly, but in truth, she just ran away."

Liang Jiahao was silent for a moment and said nothing. He was the only one breathing heavily on the other end of the phone. Mo Shan was in no hurry and waited patiently for his answer.

After a while, he opened his mouth, "Please take good care of Qin Yu. If anything happens, please call me immediately."

"Don't worry about that, I will take good care of her with Hou Fen."

Liang Jiahao sighed. "One more thing. I need your help."

Chapter 790 Liang Jiahao And I Are Just Pretending To Be Lovers

Today, Qin Yu had to shoot the cover for a magazine and receive an interview.

After the photo shoot was over, she sat down on the interview chair, interacting with the reporter.

Because of what happened last night, the reporter had written a draft interview overnight. He had also obtained Qin Yu's permission to ask the questions.

The reporter said, "Qin Yu, what happened last night caused a lot of commotion. Even though Shen Xieren and you both made statements, I believe that many netizens still maintain a neutral stance. Now, can you tell me what exactly happened between you and Liang Jiahao?"

Qin Yu said plainly, "There's nothing left to explain."

She pursed her lips nonchalantly. "Liang Jiahao and I are just pretending to be lovers. I don't have any feelings for him, and nothing happened between him and Xia Jingfei. At that time, the scandal was just there at the right time. You know, at that time, my album was about to be released."

Even though Qin Yu had given the reporter permission, he didn't expect her to react like that!

Wasn't this directly telling everyone that her relationship with Liang Jiahao on the show, as well as when Xia Jingfei came out to speak for her, were all arranged by the company?

That she was trying to deceive all the viewers?

Hou Fen stomped her feet angrily and wanted to stop the interview.

However, she was held back by the nearby staff, refusing to allow her to approach Qin Yu.

What a joke.

Such big news was leaked by the celebrity herself.

They didn't care if Qin Yu wanted to stay in the entertainment circle or not in the future. They just wanted to make money. **novelusb.com**

The reporter turned to the director. Seeing him nod, the reporter continued asking.

The reporter asked, "What about Shen Xieren? Do you know the relationship between her and Liang Jiahao?"

Qin Yu's face sank. "I don't know. I'm not familiar with Liang Jiahao, we only use each other's power. How would I know how many women he has?"

The reporter wiped the cold sweat from his forehead. "Then, is what Shen Xieren said last night and the Weibo post from her manager true?"

Qin Yu sneered. "It's true that she doesn't like me, she's pretending to be nice to me and stabbing me in the back. But I don't care. Haven't I been stabbed a lot? I'm not afraid of anyone. If anyone wants to fight me, they can come to me and see whether I will submit or not!"

Damn!

It was fine to mention Liang Jiahao, but when the reporter mentioned Shen Xieren, Qin Yu's face was immediately filled with anger.

If it wasn't for Liang Jiahao, why would Qin Yu hate Shen Xieren so much?

If it wasn't for Liang Jiahao, why would Shen Xieren attack Qin Yu like this?

Anyone with a brain can figure it out!

The reporter grumbled in his heart. Qin Yu answered a question like this, but how would he continue this interview?

The reporter immediately asked some other questions and forcefully decided the matter between Liang Jiahao and Shen Xieren.

After the interview ended, Hou Fen almost went crazy. She grabbed Qin Yu's arm and shouted at the top of her lungs, "Qin Yu, what's wrong with you! What are you doing? Why are you saying that? Did you know that if you answer like this, it will ruin your future? And the truth isn't like that at all! If you want to answer these questions, can you please answer them honestly? Don't lie!"

Qin Yu looked coldly at Hou Fen. She didn't say a word.

The Qin Yu, who'd been confidently talking to the reporter in front of the camera, was now silent.

Hou Fen couldn't bear to blame Qin Yu after seeing her like that. She could only drag Qin Yu into the car and say, "Forget it. I'll let Sister Mo think of something when we get back to the hotel."

As soon as they arrived at the hotel, without even drinking a sip of water, Hou Fen told Mo Shan about the interview earlier without pausing to breathe.

After Mo Shan heard this, she cast a worried glance at Qin Yu and heaved a long sigh. "This is going to be a mess. I have no choice but to call Liang Zixuan and ask her what we should do."

Qin Yu was so determined that even ten cows could not bring her down.

After dialing Liang Zixuan's number, Mo Shan told her what had happened today.

Originally, she thought that Liang Zixuan would be depressed, complain, and scold her. But who would have thought that Liang Zixuan would actually laugh on the other side?

"Haha... Sister Mo, it's fine, I understand. From now on, everything will be fine. Whatever Qin Yu wants to do, you can let her do it as long as it does not delay her work. No matter how unreasonable the request is, you can't stop her, and you have to cooperate with her, understand?"

Mo Shan looked confused. "Why? Why should we let her continue to make ruckus like this?"

Liang Zixuan pursed her lips and asked Mo Shan, "Is there a ruckus now?"

Mo Shan froze for a moment, not understanding what was going on.

Liang Zixuan reminded her. "Right now, Qin Yu is in her true nature. She lives for herself, not for others. It is rare, but this is the real Qin Yu. The former Qin Yu was just an act. Even though she can win some fans with her disguise, it's still too perfect, making them feel like it's unreal. Now that it's like this, I actually feel Qin Yu, who has a bad temper because of jealousy, is very cute."

This time, Mo Shan finally understood.

No matter what Qin Yu said in the interview, it could be seen that she was angry with Liang Jiahao.

And the fans were not stupid. After watching the interview, how could they not see that Qin Yu was in a bad mood?

This Qin Yu was very real. Out of jealousy, she said that she was not familiar with Liang Jiahao, and out of anger, she attacked Shen Xieren. She was no longer the Qin Yu who acted nobly no matter what happened in front of the camera.

After all, who could really do such a thing?

Fans were so used to seeing celebrities put on the air. Almost all celebrities were the same. Now that Qin Yu had revealed her true nature, fans would find her opposite character to be really cute.

Qin Yu's nature will become a new enlightenment character in entertainment circles.

On the other side, Qin Yu suddenly said, "Hou Fen, go buy me some food. Chicken claws, chicken wings, and duck wings are the best. I also want two duck heads. I want to do a live broadcast."

"What?" Hou Fen was so shocked that her eyes almost popped out of their sockets. "Qin Yu, are you going to do a mukbang now?"
