Chapter 801 Aren't We Best Friend

Shen Xieren's expression stiffened for only a split second before she shyly grasped Qin Yu's hand. "Qin Yu, you must be joking. You know I didn't mean it!"

Qin Yu knew it very well in her heart whether Shen Xieren meant it or not.

Shen Xieren loved to insult her in front of so many people!

The words seemed like a joke, but there was a hidden meaning behind it, as if no one understood what she was saying.

The Assistant Director originally thought that the two of them would tear faces as soon as they met. Now that he saw them like this, his heart became calmer.

"There was an accident when Qin Yu came in, so her makeup took a while. Alright, now..."

Before the Assistant Director finished, Shen Xieren asked in surprise, "Qin Yu, what happened to you?"

She pretended to take Qin Yu's hands and checked everywhere.

Qin Yu was really annoyed with her. She pushed Shen Xieren's hand away and walked over to join the other guests. "Assistant Director, will you explain how today's program will go?"

The Assistant Director looked at Shen Xieren with annoyance and continued, "Right, I will now explain to all of you the entire process of today's program."

Shen Xieren was ignored by the Assistant Director, she gritted her teeth hatefully. However, she pretended not to care and walked over to stand next to Qin Yu.

Qin Yu frowned and leaned on the person next to her, wanting to get away from Shen Xieren.

In the end, Shen Xieren was like sticky candy because she was attached to her.

The female guest standing next to Qin Yu noticed her impatience, so she took Qin Yu's hand and switched places with her. *novelusB.com*

At this moment, Shen Xieren finally calmed down, but she began to hate the female guest.

She felt that this female guest was in cahoots with Qin Yu.

The program officially began to record. This was a variety show that resembled a death game.

The male and female guests were divided into three pairs. Each of them passed the test and met in the final phase. The less time they spent in the first phase, the more time they got in the final phase.

In the final test, all three teams had to decide the winner. The one who found the token could kill the other two teams.

Qin Yu had always enjoyed playing games that tested her IQ since she was young. The male guest in her group was also known for his intelligence. Not only did they both find the final clue to the token, but they also arrived at the final test location ten minutes earlier than the other two teams.

The two of them stood in front of a complicated mechanism and used the clues in their hands to obtain tokens. With the tokens, they waited a moment before killing a group of guests who had arrived at the wrong time.

When Shen Xieren and her partner arrived and saw the other two guests lying on the ground, she gritted her teeth in frustration.

Qin Yu took the token and pointed it at Shen Xieren. Just as she was about to execute the order, Shen Xieren suddenly cried out and acted.

"Qin Yu! You cannot kill me, you and I are best friends!"

Qin Yu raised her eyebrow and looked at Shen Xieren calmly. She did not put down the token in her hand. "That's right, we are good friends."

Shen Xieren said in a wronged manner, "We have such a good relationship. Please let me live this time!"

Qin Yu tilted her head as if she didn't know how to decide.

Shen Xieren acted, and she acted too.

"But you're my enemy. What can I do? Shen Xieren, let's be good friends in the next life!"

"Qin Yu, don't do it!" Shen Xieren took two steps forward, intending to snatch the token from Qin Yu's hand when she wasn't paying attention. However, Qin Yu wasn't an idiot. As soon as she saw Shen Xieren take a step, she immediately issued an order.

Shen Xieren was shocked. "Qin Yu, we can win this game together! The rule says two people win, but it doesn't say which two people. They can be teammates or enemies! You can kill your teammate and my teammate and then win with me!"

Qin Yu felt that Shen Xieren's face was really thick.

They'd already had a falling out in private and only faked it on the program. Now, at this moment, Shen Xieren actually had the audacity to make her kill her own teammate!

Shen Xieren really had no brains!

Qin Yu's teammate didn't think that Shen Xieren would make such an unreasonable request, he immediately said, "Qin Yu, we fought side by side, and I trusted you, so I gave you the token. You can't be thinking of killing me, are you?"

Shen Xieren glared at the male guest in annoyance and continued to coax Qin Yu. "Qin Yu, you can do it. Get rid of him! After you get rid of him, you're still my good friend!"

Qin Yu held the token in her hand and pointed it at the male guest's nose. The male guest was so scared that he began to sweat coldly. "Qin Yu, you can't do this! Do you really want to kill your teammate who's fighting alongside you?"

Shen Xieren was overjoyed. "Qin Yu, get rid of him!"

Suddenly, the corner of Qin Yu's mouth curved into a devilish smile. She turned her hand and directed the token at Shen Xieren.

Quickly, she recited the order. "I've decided to kill Shen Xieren!"

Shen Xieren acted as if she had been electrocuted. "Ah!"

With a "bang", her body shook violently twice before falling to the ground.

Before she died, her eyes were still wide open as she looked at Qin Yu in disbelief. "Qin Yu, aren't we the best of friends?"

Qin Yu smiled coldly. "That's right, but I hate being threatened! A teammate is a teammate, and the enemy is the enemy!"

The male guest, who was beside Qin Yu, happily patted her on the shoulder. "Qin Yu, well done! Did you know that you scared me to death just now?"

Chapter 802 The Female Lead Will Definitely Be Mine

Qin Yu shrugged her shoulders. "I'm not stupid. If I kill you, she will definitely snatch the token in my hand and kill me."

When Shen Xieren returned to the hotel after the recording was finished, she was still fuming.

She had restrained herself all the way from the TV station back to the hotel. Now that there were no outsiders in the hotel room, she let out her anger without hesitation. "Qin Yu, that bitch! She actually killed me! How could I let her win?!"

Yi Ru and Xiao Nüying sat next to each other. Neither of them tried to persuade her otherwise, but let her go mad on her own.

After Shen Xieren broke a few more objects, Yi Ru said at a moderate pace, "It's just a game, is it necessary to be so competitive? After all, Qin Yu was right. There was no reason for her to kill her teammate and win with you. Do you think she is stupid?"

Shen Xieren pouted gloomily. She knew that Yi Ru was always against her fighting with Qin Yu, so it was not surprising that Yi Ru would speak up for Qin Yu at this time.

But she was just angry and said, "Sister Yi, you are my manager! Don't you want me to win?"

"Of course I want you to win." Yi Ru stood up with a smile and pulled Shen Xieren onto the sofa. "But whether you win or lose in this game does not matter, it means nothing. Your battle with Qin Yu starts tomorrow, not today's program."

"Tomorrow?"

Shen Xieren frowned. Suddenly she remembered that tomorrow was the audition for the movie. She asked, "Sister Yi, will Qin Yu also go to the audition tomorrow?"

Yi Ru did not know about this at first.

It was today when the recording started, she was in the resting area when she heard Xia Xiaolian's words that she knew Qin Yu would also attend the audition tomorrow.

"En!" Yi Ru nodded. "Qin Yu will also be going. Therefore, Xieren, tomorrow is your real battlefield. Of all the female celebrities in the country, you are currently the only one with experience in Hollywood. You have a high chance of winning, and although Qin Yu is very famous in this country, she is nothing internationally. However, we cannot say for sure about things like this. It depends on who can do the best tomorrow."

"Tch!" Shen Xieren snorted disdainfully. "As for the domestic movies, I may be unable to beat her. After all, she just has to stand there and doesn't need to act. But when it comes to international movies, how can Qin Yu be my opponent? Watch me defeat her tomorrow!"

Xiao Nüying looked deeply at Shen Xieren and scoffed in her heart.

If Shen Xieren said that all domestic movies were rubbish, then why did she come back?

Just stayed in Hollywood!

Yi Ru stood up and took out a script from her bag. "Xieren, you should practice the script while there's still time -"

"No need!" Shen Xieren interrupted Yi Ru and stood up to stretch. "It's just an audition, what's so hard about it? Don't worry, tomorrow's female lead will definitely be mine."

Yi Ru originally wanted to persuade Shen Xieren to familiarize herself with the script and fight confidently. Who would have thought that she would completely ignore her words?

Shen Xieren went to her room, lay down on her bed, and played with her cell phone.

Xiao Nüying stood up and took the script from Yi Ru's hand. "Sister Yi, it's fine if she doesn't read it. She must be very confident."

Xiao Nüying put the script back in the bag.

Yi Ru sighed, "I hope her confidence is directly proportional to her strength."

Ever since Shen Xieren came back, she had never participated in any movie or television drama production, only in a high-scale party and TV programs.

Yi Ru really did not know how good Shen Xieren was at acting.

Xiao Nüying pulled Yi Ru's hand. "Sister Yi, let's go out for a midnight snack. Let her play by herself."

If she didn't leave now, who knew what crazy methods Shen Xieren would use to torment her!

Yi Ru sighed and followed Xiao Nüying out.

Qin Yu, on the other hand, was not as confident as Shen Xieren.

Back at the hotel, she took out the script and meticulously studied the main female character and how her behavior changed throughout the plot.

There were two subtle points that Qin Yu was unsure about. She even called her acting teacher to talk to her over the phone.

Mo Shan was very pleased with Qin Yu's efforts. She said to Hou Fen, "Hou Fen, go buy some midnight snacks. Qin Yu might sleep late tonight."

"En!" Hou Fen was also very happy. "Since the last live broadcast, Qin Yu has finally returned to normal. It seems that it was a good thing that she was able to release her emotions."

"Yes." Mo Shan smiled and patted her on the shoulder. "Qin Yu is under a lot of pressure right now, so we have to support her no matter what she does. Only by releasing all the pressure in her heart can she calm down and work efficiently. It's best to buy some fruit and an energy drink to replenish Qin Yu's strength."

"Alright." Hou Fen carried her bag and went out happily.

Mo Shan and Hou Fen were already talking in a quieter tone, but Qin Yu could still hear it.

However, she acted as if she didn't hear them and hung up the phone. She had a pen in her hand and was carefully taking notes.

Their stay had been arranged by the program team, so when Hou Fen went out to buy some fruit and midnight snacks, she happened to run into Xiao Nüying and Yi Ru not too far from the hotel.

Xiao Nüying had known Hou Fen for a long time. This was because while Qin Yu was recording the program, Fan Xingjuan had also recorded the same program.

Xiao Nüying immediately greeted Hou Fen warmly. "Hou Fen!"

Chapter 803 Investing So Much Money To Make Shen Xieren Win The Female Lead Role

When Hou Fen saw Xiao Nüying, she walked over to her with a smile. "Are you buying midnight snacks too?"

Xiao Nüying pulled her hand and made Hou Fen sit next to her. "Yes. We're not full yet, so why don't we eat together?"

"That's fine." Hou Fen smiled politely, "I want to buy something for Sister Mo and Qin Yu. They haven't eaten yet."

Speaking of this, Xiao Nüying did not mean to pry about Qin Yu, but she followed Hou Fen's words and asked, "What is Qin Yu doing? Why don't you take Sister Mo to eat with you?"

Hou Fen looked at Yi Ru cautiously and smiled, before saying, "Qin Yu is busy reading the script. She doesn't have much confidence for her audition tomorrow."

"It can't be! I've seen all of Qin Yu's acting before, and her acting skills are pretty good!" Xiao Nüying thought of Shen Xieren's confidence and couldn't help but mock her. "Unlike Shen Xieren, she's so full of herself. She confidently said the female lead would be hers, and she didn't even take a look at the script, just lying on the bed and playing on her cell phone. Hah! To be honest, if Sister Yi hadn't asked me to be her assistant, I wouldn't be, even if someone beat me to death! It's better for me to be unemployed."

Yi Ru coughed coldly on the side. Xiao Nüying immediately realized that she had said the wrong thing and smiled. "Alright. Hurry up and buy the food. Don't let Qin Yu and Sister Mo go hungry."

When Qin Yu and Fan Xingjuan were in the same program, she did not bully Fan Xingjuan just because of her low status. On the other hand, she had helped her a lot and even recommended her to the director of the program. Therefore, Xiao Nüying loved Qin Yu from the bottom of her heart.

When she saw that Hou Fen was about to pay, Xiao Nüying immediately followed her, pretending that she wanted to pay the bill as well. Taking advantage of the distance so that Yi Ru couldn't hear her, she whispered to Hou Fen,

"Hou Fen, for tomorrow's audition, tell Qin Yu that our company will invest so much money to make Shen Xieren win the female lead role."

Hou Fen looked at Xiao Nüying gratefully and handed the money to the cashier. "The one at her table, put it on my bill."

"Aiya, how can I let you pay?"

Xiao Nüying wanted to take Hou Fen's money back, but the cashier had accepted it and was looking for a change.

Xiao Nüying had no choice but to pat Hou Fen on the shoulder before she left.

Hou Fen returned to her hotel room and told Mo Shan what Xiao Nüying had said.

Mo Shan thought for a moment before asking uncertainty, "Can her words be trusted?"

Hou Fen nodded. "Yes, you can. When Xiao Nüying followed Fan Xingjuan, Qin Yu helped Fan Xingjuan to some extent, and our relationship has always been pretty good. I don't think Xiao Nüying would lie to me."

Mo Shan raised her eyelids and looked at Qin Yu. She felt that Qin Yu might really be in trouble this time.

She took out her cell phone, went to the window, and dialed Liang Zixuan's number.

The call was answered immediately. Liang Zixuan's languid voice floated, "Hello, Sister Mo."

Mo Shan smiled sheepishly, "Did I wake you?"

"I'm good." Liang Zixuan yawned. "What's wrong?"

Mo Shan lowered her voice and said, "Tomorrow's audition is a movie produced by an American company. I received news that Shen Xieren's company has been talking to another party to get her to play the female lead. Zixuan, is there any way to prevent this matter?"

"Oh, this matter..." Liang Zixuan laughed casually. "It's fine, let Qin Yu act as usual. If they want Shen Xieren to be the female lead, they have to see if they are ready to bear the consequences. The Han Group doesn't need to interfere in this matter. Do what you have to do."

Mo Shan was taken aback. She never expected Liang Zixuan to be so carefree!

Originally, she wanted to ask Liang Zixuan to help her fight more for Qin Yu, but her words did not give Mo Shan the right to ask for more.

Mo Shan sighed and hung up the phone.

Hou Fen walked up to her anxiously. "Sister Mo, how was it?"

Mo Shan shook her head. "Liang Zixuan said that the Han Group would not interfere, and we will do what we have to do."

Hou Fen almost jumped up from the spot. "How can Liang Zixuan not be worried? If we cannot fight fairly and lose to Shen Xieren just like that, we cannot just accept it!" novelusb.com

Mo Shan comforted Hou Fen by patting her on the shoulder. "Zixuan must have a reason for doing this. Let's do it as she said."

They did not tell Qin Yu about this, because they did not want this matter to affect her mood for the audition.

The next day, they took a bus to the venue and were taken to the lounge by the staff. In it, there were a large number of female celebrities, from big to small, totaling no less than 30 people.

Regardless of whether they were high or low-ranking celebrities, when they saw Qin Yu, they all greeted her warmly.

"Qin Yu, are you also here for the audition?"

Qin Yu smiled politely. "Yes, for the female lead."

A little celebrity cried sadly as if she had just heard the bad news, "Aiya, Qin Yu has come. What else should we do?! Let's go home!"

"Yes! Who doesn't know that Qin Yu's acting skills are good? I heard that the female lead has a lot of fighting scenes, and this role is basically made for you."

Qin Yu never felt that any role was tailor-made for her. Even if it was a movie or TV series that the Han Group had invested in, none of the roles were tailor-made for her.

These people liked to flatter her by wearing tall hats.

Qin Yu smiled condescendingly. "No, this time we have the same chance. Everyone, do your best."

Qin Yu really did not feel like talking about this useless topic with these people. She quickly ended the conversation and found a corner to sit. She took out the script and wanted to analyze it before the audition.

After a while, Shen Xieren walked in with Yi Ru and Xiao Nüying behind her.

When everyone saw her, they immediately stood up to greet her, and as if they had seen a superstar, they shouted, "Ah, it's Sister Shen!"

"Is Sister Shen here for the audition too? Aiya, Sister Shen is here, we are all done. Forget it, forget it, let's leave now. Otherwise, we will just make fools of ourselves later!"

When Shen Xieren heard this, her heart felt very comfortable. She said as if she was joking, "That's right, why are you still here when I am here? Go home as soon as possible!"

Everyone: "...."

Chapter 804 Are You Really Going To Let Your Dog Loose

Whoever couldn't make out the meaning behind her words was a fool.

The group of people was extremely embarrassed as they all returned to their seats.

What a joke.

Shen Xieren's acting was worse than theirs.

They hadn't even gone through the audition yet, so why should they give up now?!

Shen Xieren looked at these people with derision, but she didn't care. Finally, her gaze landed on Qin Yu, who was sitting in the corner.

"Hey, isn't that Qin Yu?" Shen Xieren walked over in her high heels. She wanted to sit next to Qin Yu, but who knew that Mo Shan and Hou Fen would immediately occupy the seats next to Qin Yu?

The two of them were like protectors, protecting Qin Yu very well.

Shen Xieren stood in front of Qin Yu, looking down at her. "Qin Yu, are you still looking at the script? Hehe ... Let me tell you, there's no point in reading it anymore. Stop reading!"

Qin Yu ignored her. She took out her earphones from her bag and connected the cable to her phone.

When Shen Xieren saw Qin Yu was about to put on her earphones, she quickly said, "Qin Yu, you probably don't know yet, right? Although this movie is financed by a company in the United States, we also need to buy shares of the company to get the role. My company has already done that because they're sure that I'll bring the money to the team. So, I politely remind you not to waste time."

Qin Yu's action of wearing earphones suddenly stopped. She raised her head and looked in disbelief at Shen Xieren's satisfied face.

Shen Xieren covered her lips and giggled. She no longer tried to hide her true nature as she boasted, "So, what's the point of trying? The female lead is destined to be mine, you have no chance at all!"

"Qin Yu!" Mo Shan glared sharply at Shen Xieren as she comforted Qin Yu. "Don't listen to her. In any case, stay calm and do your best. No matter how the battle turns out, we will not regret it even if we lose!"

Hou Fen's temper was far worse than Mo Shan's. She stood up and pushed Shen Xieren. "Is there something wrong with your brain? You said the female lead was yours even before you tried out for the audition! You must be very happy to see the heartbreak in others' eyes, right?"

The other celebrities also nodded in agreement. Earlier, they had been flattering Shen Xieren, but now they were all angry too.

"That's right, whether you bring in money or not, you cannot do that!"

"Shen Xieren, why are you doing this? We didn't offend you!"

With difficulty, Shen Xieren managed to stand on her feet. She turned around and shouted at the people behind her. "What does this have to do with you guys?! You have no right to speak here! Let me tell you, even if I do not bring any money, with my international influence and acting skills, I can kill you all in no time! If you don't have the ability to defeat me today, then shut up!"

Those people were immediately angered, but they did not dare to say anything. They just stared angrily at Shen Xieren, not daring to utter a single word.

Shen Xieren snorted in disgust and turned to Hou Fen. "Who do you think you are?! You are just one of Qin Yu's lapdogs, yet you dare to show your strength in front of me. Who gave you the right to do that!"

Hou Fen was so angry that her face turned green. She raised her hand and wanted to hit Shen Xieren's face.

Not only did Shen Xieren not dodge the attack, she even looked at Qin Yu. "Qin Yu, are you really going to let your dog loose and bite me?"

Qin Yu looked at Shen Xieren and suddenly sneered. "Don't talk about whether Hou Fen is my dog or not. Even if she wants to bite you, what does that have to do with me?"

With a sound of "pa", Hou Fen's palm landed firmly on Shen Xieren's face.

Shen Xieren's face flushed with pain. She was so angry that she shouted, "You bitch! You actually dared to hit me?!"

With that, she raised her hand to hit Hou Fen. Xiao Nüying ran over and stopped her. "Sister Shen, the audition is about to start. Stop it. You need to take care of your face. Otherwise, it will be no good for you and will affect your audition!"

"Do I need an audition?" Shen Xieren slapped Xiao Nüying's hand and lunged at Hou Fen like a rabid dog.

Qin Yu suddenly stood up and pulled Hou Fen behind her. At that moment, Shen Xieren rushed over and Qin Yu pushed her away with all her might. "Who exactly is like a dog now? Look at your character!"

"Qin Yu!" Shen Xieren was so angry that she shouted, "How dare you call me a dog! If I am a dog, then what the hell are you!"

Qin Yu stood there fearlessly, her chin raised as she laughed arrogantly, "I am a human, not a dog like you."

"Y-You!" Shen Xieren became enraged with anger and hit Qin Yu with her hand. "You are a dog! I will beat you to death, you dog!"

Suddenly, a man's voice was heard from the door. "What are you doing? I told you to wait here, not fighting!"

Shen Xieren's hand, which she had raised a moment ago, suddenly paused. When she turned around and looked at the man at the door, a proud smile immediately appeared on her face. "Lei Huo!"

When Lei Huo saw Shen Xieren, he immediately smiled at her. "Xieren!"

Under dozens of gazes, Shen Xieren casually walked toward Lei Huo while stepping on her high heels. "Is Director Fan doing well? The last time I saw you two was in Los Angeles. At that time, I said that I would treat you all. Who knew you were so busy that you didn't have a chance to eat with me."

Lei Huo smiled and said, "Director Fan is very busy. You know how he is. By the way, you also came to audition this time?"

"That's right!" Shen Xieren acted as if they were very close. She put her hand on Lei Huo's shoulder. Glancing at Qin Yu, she said mockingly, "Didn't you get the notice? How come you don't know?"

Lei Huo smiled. "The list was set by Director Fan. I haven't had the chance to take a look at it yet."

"Where is Director Fan?" Shen Xieren hooked her fingers under Lei Huo's chin and said, "Take me to see him. He previously said that he wanted to work with me in a movie, and now that the opportunity has come, I will go and talk to him. Let's skip the audition, it will save him valuable time."

Lei Huo glanced at the female celebrities and smiled sheepishly. "The audition is required by the company, and Director Fan also has strict requirements for actresses. This is a must. Consider it as a formality."

"Sure!" Shen Xieren showed great generosity, "Then I will reluctantly go through this formality."

Lei Huo nodded. "Then wait here for a while. I'll have Director Fan come and explain the audition process to you." [novelupdates.com](http://www.novelupdates.com)

"Alright!" When Shen Xieren lowered her hand from Lei Huo's shoulder, she even deliberately stroked his waist, saying, "Go ahead, I'll wait here."

That tone, that attitude, it was as if Director Fan had specifically come for her.

After Lei Huo left, Shen Xieren became even more arrogant. The other celebrities beside her all ignored her and Shen Xieren walked right in front of Qin Yu. "Did you see that? Just based on my relationship with Director Fan, this female lead will definitely be mine!"

Chapter 805 Do You Really Think You Are Different From Everyone Else

Qin Yu was so angry that she didn't say anything. She sat down and continued reading the script.

How could Shen Xieren leave Qin Yu alone? It wasn't easy to get a chance to show off in front of her.

"Have you met Director Fan Xiaobo before?" Speaking of this, Shen Xieren seemed to think of something. She raised her hand to cover her lips and laughed. "How could I forget, you are a hoodlum, how could you have met an international director like Fan Xiaobo? But you have heard his name, right? It's all right, Qin Yu. If you want to get to know him, I can recommend you to him. With my relationship with Director Fan, if you want to play the female lead or something, it won't be a problem!"

Qin Yu frowned and said angrily, "Can you shut up? Please don't interrupt my script reading!"

Shen Xieren was about to say something when the female celebrity next to her suddenly shouted excitedly, "Director Fan!"

As expected, Fan Xiaobo and Lei Huo walked in. Shen Xieren walked over, reaching out to grab Fan Xiaobo's arm. "Director Fan, we finally met again! You don't know how much I have missed you lately, I'm just waiting to have you over for dinner sometime!"

Fan Xiaobo was a 40-year-old man. He can be considered a great director in the world. He was also one of the few Chinese directors who can stand on the international stage.

He always had a good reputation. He had a wife and a girl, and he had never messed around with any female celebrity.

Fan Xiaobo looked at the hand on his arm and brushed it away. "Shen Xieren, I'm asking you to come here for an audition, not to mess around. I have high standards for my actress, and I won't show you any kindness."

He slapped Shen Xieren's face on the spot, which immediately caused her great embarrassment.

Other celebrities on the sidelines laughed in glee. Qin Yu stood in the corner and also looked coldly at Shen Xieren as she continued to act coquettishly.

"Aiya, Director Fan!" Shen Xieren said slyly, "Of course, I know you have high standards for your actress, but in this world, who else can be famous other than me? I am the best candidate to be your actress!"

Fan Xiaobo did not give Shen Xieren a face, he looked up and looked at all the actresses in the room, then said coldly, "This movie of mine, the female lead will have many fighting scenes, and the people I specially invited are professional martial arts directors. The audition will not be hard. In a moment, we will divide the audition into two parts. In the first part, the martial arts directors will design a series of martial arts moves for you to see how good you are at fighting. The second part is to see whether your acting skills and image are comparable to my female lead."

While saying that, Fan Xiaobo deliberately broke through the crowd to find Qin Yu. "Qin Yu, I heard that you have a martial arts background, so the martial arts directors will make it harder for you than for them. Do you have any problems with that?"

When Mo Shan and Hou Fen heard this, they looked at Qin Yu in shock. *novelUSb.com*

One had to know that the additional request of the director was because they had high hopes for the actress. Fan Xiaobo must have known Qin Yu before, that's why he made this request.

He did not trouble Qin Yu. He gave her a chance!

Qin Yu nodded and replied in a manner that was neither condescending nor haughty. "Of course! I will try my best to do it."

"That's good to hear." Fan Xiaobo smiled with satisfaction. "Now, you will all learn the moves from the martial arts directors. Later, when the first audition is over, the second part will start immediately."

After saying that, Fan Xiaobo did not even look at Shen Xieren as he turned and left.

Shen Xieren was disappointed with the way Fan Xiaobo treated her. She was very unhappy. When she turned around and saw the delighted faces of Hou Fen and Mo Shan, she became even more unhappy.

"What are you guys so proud of? Do you think Director Fan will give you a chance? He's just making things difficult for you! Do you really think you are different from everyone else?"

Qin Yu ignored Shen Xieren. Seeing that two martial arts directors came in at the same time, Qin Yu handed the script to Hou Fen and walked toward them.

"Qin Yu, your audition will be different from the others. Please follow me outside."

"Sure."

Qin Yu then followed one of them.

The martial arts director's movements could be described as cool and handsome. Without the slightest hesitation, his movements were clean, and he had a very appreciative manner.

Although Qin Yu had a martial background, it wasn't that easy for her to make the same movements as the martial arts director, consistently and beautifully.

The other martial arts director's movements were very simple, so the young celebrities learned them in an instant. Then Lei Huo started arranging for them to go to the audition.

When Qin Yu practiced martial arts, she was serious and focused. She was completely unaffected by the celebrities who passed by in front of her.

An hour and a half later, Lei Huo finally called Qin Yu. "Qin Yu, are you ready? Only you are left."

Qin Yu raised her hand to wipe the sweat from her forehead and nodded. "I'm ready."

When Qin Yu was about to leave, the martial arts director suddenly patted her on the shoulder. "Don't be nervous. Your movements are perfect. I believe you can do it."

Qin Yu smiled gratefully. "Thank you."

"No need to thank me, I am telling the truth." The martial arts director laughed and said, "I have never met an actress who could pull off stunts like you. I give you full marks for this part."

After saying that, the martial arts director pointed toward the door in front of him. "Come on, I'll walk with you."

When Qin Yu entered the room, Fan Xiaobo and another foreigner were sitting inside, while Shen Xieren stood at the side and did not leave.

Qin Yu ignored Shen Xieren. She first bowed politely to Fan Xiaobo and the foreigner, and then began her own performance.

Her performance was very lively, and her movements did not seem awkward at all. Fan Xiaobo's eyes lit up when he saw how Qin Yu perfectly portrayed the character's emotions with her eyes and facial expressions.

Even the foreigner looked at her in surprise.

After Qin Yu's performance, the foreigner whispered something in Fan Xiaobo's ear. Fan Xiaobo nodded. "Indeed, in this country, no actress as young as her has so much acting talent."

Shen Xieren stood close to them, so she could easily hear what they were saying.

She was unconvinced in her heart. After her performance just now, Fan Xiaobo did not praise her so much!

"Edgar!" Shen Xieren said in a joking tone, "Is my performance just now not that good?"

Chapter 806 The Fight For The Role

"Of course your acting is good." Edgar smiled. "Among all the actresses who auditioned today, other than this one who can match you, there is no one as good as you."

This person!

What Shen Xieren couldn't stand the most was other people comparing her to Qin Yu.

In her heart, her acting skills far surpassed Qin Yu's!

"Edgar, then tell me, which one of us has the better acting skills?"

Edgar thought about it seriously, not wanting to offend anyone. He said wisely, "You and her both have your own advantages. You are two different types."

"You are so annoying!" Shen Xieren snorted coquettishly, which made Edgar laugh.

Fan Xiaobo always disliked Shen Xieren's way of doing things. This was also the reason why she wanted to treat him to a meal when they were in the United States.

He feared that if he ate with Shen Xieren and then some scandal broke out, how would he explain this to his wife and daughter when he returned home?

"Alright, the audition isn't over yet." Fan Xiaobo said in a neutral tone. "Qin Yu, show us the moves that the martial arts director has taught you." *novelupdates.com*

The words Shen Xieren and Edgar had spoken earlier were all in English, but Qin Yu could understand them all. If other people had seen how the two of them interacted, one would definitely feel a bit discouraged and think that the female lead belonged to Shen Xieren.

But Qin Yu liked to defy the odds and challenge the impossible.

Qin Yu also knew that Shen Xieren's reason for doing this was to affect her mood and prevent her from using her full strength.

Qin Yu wasn't stupid. Of course, she would not let Shen Xieren affect her.

She perfectly executed what the martial arts director had taught in front of Fan Xiaobo and Edgar.

The moment she made the final move, Fan Xiaobo couldn't help but clap his hands. "Qin Yu, your martial arts skill is too good! I thought no female celebrity could do such a thing. I didn't think you could pull it off so easily. Well done!"

The martial arts director who'd followed Qin Yu inside also spoke for her. "You're right, Director Fan. Qin Yu is doing well. Besides, after watching me demonstrate twice, she was able to completely memorize all the movements. And after practicing it a few times, her movements already have the same effect as mine. I'm very satisfied with her."

Shen Xieren gritted her teeth in anger. She felt that this martial arts director was here to make things difficult for her!

What's even sadder was that Fan Xiaobo seemed to be very satisfied with Qin Yu. This made her very unhappy.

Fan Xiaobo turned to Edgar. "What do you think?"

Edgar also admired Qin Yu. "I think she's quite good. She's very suitable for the role."

"Edgar!" Shen Xieren said anxiously, "I haven't learned this move. If you let me learn it, I can do it too! It doesn't make sense for you to let her do all the difficult movements and not me. You can't say right away that I can't do it."

Edgar thought about it seriously and thought it made sense.

Fan Xiaobo didn't think so.

"Shen Xieren, I saw your acting skills and contacted your boss before. They said your acting skills weren't bad, but your martial arts style was lacking. And in my movie, it doesn't matter for a male or female, I won't use a stunt double. You definitely can't do that!"

"I don't need a stunt double either!" In order to squeeze Qin Yu out, to defeat her, Shen Xieren insisted, "Director Fan, as long as you allow me to play the female lead, I can promise you that I don't need a stunt double. I will do everything myself!"

It wasn't that Fan Xiaobo didn't believe Shen Xieren's words, but he felt that her movements were a bit stiff and the results weren't as good as Qin Yu's. Even without a stunt double, Shen Xieren was not as good as Qin Yu in this regard.

"Shen Xieren, don't say anything more. I have already made up my mind on this matter!"

"Edgar!" Shen Xieren knew she couldn't persuade Fan Xiaobo, so she turned to Edgar. "Think about it, what is the company's goal in investing in this movie? It is to conquer the market! This is an international movie and Qin Yu definitely cannot compete with me in terms of international influence. If you let me do it, I can at least guarantee the markets in Europe and America, but can Qin Yu guarantee it?"

Edgar nodded, "You are right. Although the female lead was chosen by this side, the market for our movie is mainly in Europe and the United States. Of course, the box office results in the Asia-Pacific region are also very important."

"No problem!" Shen Xieren said anxiously, "I have been back for a while and participated in several programs. I have already gained some popularity. I can also help in Asia and the Pacific. Therefore, I am the most suitable candidate for you!"

Edgar nodded. He was very pleased with Shen Xieren.

In any case, Shen Xieren had a base abroad, while Qin Yu's influence abroad was almost nonexistent.

The comparison between the two of them made him even more satisfied with Shen Xieren.

"Director Fan, it is not up to you to decide this matter alone. I am the representative of the company and have the right to decide who will be the female lead!"

Edgar spoke on behalf of Shen Xieren to Fan Xiaobo. "The quality of the movie is one thing, but the box office is another. There's no reason why we should not take in more money after investing a lot. Everything should be based on the market. Besides, I think Xieren is qualified in both acting and martial arts."

Qin Yu, who hadn't said anything, finally couldn't help but open her mouth and speak in fluent English. "Shen Xieren is great, and her performances so far have made her a figure in the hearts of the audience. But if the same actress stars in a movie of the same nature, the movie's reputation will not rise unless there is too much success. Even if I cannot perform to the extreme, as long as I act normally, I will be able to make the audience's eyes shine, and my reputation will rise. As long as I am up, the box office will not be a problem."

Fan Xiaobo nodded in agreement. He began to admire Qin Yu more and more. "Yes, that's exactly what I mean! A new face is a shock to a mature market, not to mention that Qin Yu's influence in the Asia-Pacific region is much greater than Shen Xieren's. Box office results in the Asia-Pacific region are very important, so I think Qin Yu is more suitable."

"That's not for you to decide!" Shen Xieren said calmly, "My company has discussed this matter with another party. If you want us to invest in this movie, choose me. My company holds me in high esteem and believes that my influence in the Asia-Pacific region and the US is very great. Otherwise, you

would not even have a source of income! Director Fan, I can assure you that the best director award is within your reach if you choose me."

Edgar slapped the table and said with a serious expression, "I am the company's representative. I have decided that we will choose Shen Xieren for the female lead in this movie!"

Fan Xiaobo was also angry and stood up to argue with Edgar. "I am the director! The work is mine, and I have the final decision! If you want to give Shen Xieren the female lead, then direct the movie yourself! I am not going to direct this movie!"

The situation was now very awkward.

Fan Xiaobo and Edgar had already started fighting with each other about Qin Yu and Shen Xieren. Each had their own reasons. Fan Xiaobo even threatened Edgar.

Edgar was furious and immediately pulled out his phone. "Fine, if you don't want to do it, then don't! There are many directors who would take this job. I'm going to call the company now to replace you!"

Qin Yu felt very sorry and advised, "Director Fan, that's enough. I will take a step back. You will stay behind. You must have worked so hard to make this movie, so you can not give up just because of me."

Just as Fan Xiaobo was about to say something, the door was kicked open from the outside.

Everyone looked towards the door, and when Shen Xieren saw who it was, she exclaimed in surprise, "Jiahao, why are you here?!"

Chapter 807 On What Basis Do You Have The Final Say

Qin Yu also looked at Liang Jiahao in surprise, not knowing how to react for a moment.

Liang Jiahao walked to Qin Yu's side with a sullen face. He looked at Edgar with a sharp gaze and said in a cold voice, "I will decide the female lead in this movie. Qin Yu will play the leading role!"

"You?" Edgar glanced at Liang Jiahao and snorted, "Who are you? On what basis do you have the final say?"

Liang Jiahao grabbed Qin Yu's hand and took two steps toward Edgar and Fan Xiaobo. Although Edgar was an American, Liang Jiahao was not shorter than him, and in terms of momentum, he directly crushed him.

He said word for word, "I am Liang Jiahao."

"L-Liang Jiahao..." Edgar was stunned for a moment as he searched for this name in his mind. But after thinking for a long time, he had no impression, so he pursed his lips and scoffed, "Who is this Liang Jiahao? I don't know him! Where did this leek come from? How dare he come out and show off in front of me!"

"Very good." Liang Jiahao nodded, reached into his pocket, and took out his phone.

"Since you don't know who I am, I'll let your boss tell you who I am."

After saying this, Liang Jiahao dialed a number, and the phone rang for a long time, but no one answered.

Edgar smiled. "What, no one answered? Are you trying to trick me -"

Before he could finish speaking, the phone was picked up.

As soon as the call was connected, this person complained to Liang Jiahao. "Jiahao, what are you doing?! Don't you know it's already late at night here in America?"

Liang Jiahao pursed his lips. "Brother, who did you send to this country? How can you still sleep peacefully?"

Han Szeto suddenly asked, "What's wrong? What happened?"

Liang Jiahao looked at Edgar coldly. "He's just bullying my woman!"

"Damn it, that imbecile bullied Qin Yu? Who gave him such courage?!" Han Szeto cursed angrily. "Brother, just wait, I'll call him now and tell him to hurry back to America!"

As soon as Liang Jiahao hung up, Edgar's phone rang.

The phone was in his hand. When he picked it up and saw the caller ID, he was so shocked that he found it hard to swallow his saliva.

Liang Jiahao said nothing and just stood there looking at him. Edgar could only bite the bullet and held the phone to his ear. "Hello, General Manager -"

"Edgar, go back to America, now!" Han Szeto's voice was clearly filled with undisguised anger, "You f*cking idiot!"

Edgar's face turned pale as he had never seen Han Szeto so angry before.

He swallowed again and whispered, "General Manager, I... What did I do wrong?"

"What did you do wrong?" Han Szeto cursed in frustration, "Did you offend Qin Yu or not just now?"

"Ah ..." Edgar looked at Qin Yu for a moment and then looked at Liang Jiahao. He had just shown his power a moment ago, but now he was very scared, "I...I didn't mean to offend her. I made my decisions based on the company's profits. Besides, the female lead in this movie is definitely better suited for Shen Xieren. Because of her influence in Europe and the United States -"

"Shut up! Is the company's profit based on what you say?!" Now that Han Szeto was fully awake, he reached for the water glass to take a sip. "Let me tell you, even if we do not make a profit on this movie, we still have to let Liang Jiahao decide the lead! Who he said, will play the female lead."

Edgar was completely confused. "Why?"

Han Szeto sneered. "Because he owns the entire company! I work for him, idiot!"

Coincidentally, this American company was one of the companies that Qiao Hongya had transferred to Liang Zixuan's name two years ago. In recent years, the company had grown larger and larger under the leadership of Han Szeto and Han Qingsheng. *novelUSB.Com*

Last year, after making two movies, they won big and made some money. At that time, Han Yuanjun said with a big grin that this was the year of the Han Family and the family's talent for entertainment. This was inherited.

And this movie's project was discussed with Han Qingsheng and Han Szeto when they celebrated the New Year together at the Han Residence.

Han Yuanjun wanted to combine Chinese and Western cultures and make a movie that was both European and American, and also suited Southeast Asian tastes.

Therefore, the female lead in this movie will be a local celebrity, while the male lead will be an international star.

This was also the beginning of Han Yuanjun's desire to develop Han Group abroad, so that's why Han Group did not interfere, allowing Han Szeto to manage everything.

Edgar was so afraid of Han Szeto's words that his heart almost stopped beating. How was he to know that the entire company belonged to this man!

No wonder the company was only managed by the general manager, and the employees had never met the CEO...

Edgar almost burst into tears. "Li- President Liang, I really didn't bully Qin Yu earlier. From the company's point of view, I think Shen Xieren is more suitable..."

"Shen Xieren is more suitable?" Liang Jiahao sneered. "You don't even know what kind of person she is, yet you said she's suitable?"

Edgar turned to Shen Xieren and explained in a low voice, "I-I don't really know her, but... I just feel that she has more influence in Europe and the United States than Qin Yu."

Liang Jiahao turned to Qin Yu. Suddenly, he sighed and put his hand on her shoulder. "Qin Yu, if you feel wronged, why didn't you tell me?"

Before the doubts in her heart passed, Qin Yu silently took a step back and escaped Liang Jiahao's grip.

Liang Jiahao shook his head and smiled helplessly but gently, "Naughty!"

As soon as he finished speaking, he walked up to her and took her into his arms. "Don't move. Let me hug you a little. Last time you shut the door in my face, and I didn't get a chance to hug you."

Chapter 808 If You Didn't Have Any Feelings For Me, Would You Say Something Like That

"Let me go!" Qin Yu's feelings rose as she struggled in Liang Jiahao's arms, "This isn't over yet. Do you think I'll forgive you just because you helped me get the role?"

Liang Jiahao felt guilty. "Why? You can't even forgive me after I did this?"

"No way!" Qin Yu struggled as she sullenly said, "Even without you, my aunt can still help me!"

When Edgar and Fan Xiaobo saw that the two had a love-hate relationship, they felt embarrassed. The two men automatically directed their gazes elsewhere, waiting for Liang Jiahao and Qin Yu to stop what they were doing and discuss what to do next.

Shen Xieren wasn't as calm as they were.

Who was Liang Jiahao?

He was a man of steel!

In front of Qin Yu, he was feeling aggrieved?

Begging for mercy?

Asking for forgiveness?

What the hell!

She even doubted whether the Liang Jiahao she knew before was really him or not.

Furthermore, he had not even glanced at her since he entered the room. Besides arguing with Edgar, all his attention was focused on Qin Yu!

At this moment, Shen Xieren finally understood what jealousy and envy meant. She really wanted to charge forward and tear Qin Yu's face off.

"Jiahao!" Shen Xieren suddenly said. *noVelusb.cOm*

When Liang Jiahao heard her voice, his body suddenly froze as if he heard a disgusting voice. The expression on his face even showed disgust.

Shen Xieren didn't care about it. Her eyes were now red with jealousy as she looked at Liang Jiahao and shouted, "How could you do this to me? Why did you change the lead!"

Qin Yu bit her lip coldly and suddenly mustered the strength to break away from Liang Jiahao's arms. She quickly took two steps to the side, and like an outsider, she quietly and calmly watched the drama between Liang Jiahao and Shen Xieren.

Liang Jiahao saw the smile on her lips and helplessly said, "Qin Yu."

Qin Yu waved at him, "Don't worry about me. She's looking for you. Hurry up and answer her."

Liang Jiahao really didn't want to talk to Shen Xieren. He also felt that he didn't need to explain himself to her. However, if he didn't explain it now, Shen Xieren would continue to harass him and Qin Yu.

He didn't dare to risk that now. Judging from Qin Yu's attitude towards him, if he didn't explain to Shen Xieren clearly in front of her, she might break up with him!

"Yes, that's exactly what I'm going to do to you." Liang Jiahao turned around and looked straight at Shen Xieren. He said with an expressionless face, "Because you are Shen Xieren, I will replace you."

Shen Xieren was very hurt. She ran to Liang Jiahao, and Liang Jiahao was afraid that she would attack him, so he immediately took a step back. "Miss Shen, please know your limits. My girlfriend is next to me, so don't do anything to make her misunderstand. Otherwise, I will be rude to you!"

Shen Xieren: "..."

He would be rude to her?

Just because of this bitch, Qin Yu?

Shen Xieren looked at Liang Jiahao sadly, not daring to start an argument. "Why? Why are you doing this to me? Have you forgotten what you told me?"

Liang Jiahao laughed in a calm manner. "Miss Shen, if you insist on using the past to cause a misunderstanding between my girlfriend and me, then I will explain the past clearly to you."

A proud smile appeared on Shen Xieren's face. "Of course, let's talk about it in front of Qin Yu."

Without waiting for Liang Jiahao to say anything, she told him what had happened that year.

"When we were in high school, I even sat at the same table as you. At that time, I was the school belle and you were the aloof guy of the school. Everyone said we belong together!"

"That's what other people think." Liang Jiahao interrupted her. He was really afraid that Shen Xieren would say something else, so he said first, "I have no impression of you, Sister Shen."

Shen Xieren's face immediately stiffened. She couldn't bear to be called by this name by Liang Jiahao.

She loathed it and found it unpleasant, but no matter how offended she felt, she couldn't change her expression in front of him.

Liang Jiahao sneered. "During the graduation ceremony, everyone in the class took a picture together. It was because we were feeling relaxed at that time, that's why the photo on your phone is there! And the photo doesn't prove anything."

"Who said that!" Shen Xieren quipped, "After I took the photo, I confessed to you. I said that I love yo-"

Liang Jiahao said, "My answer is, liking me or loving me is your problem, it has nothing to do with me."

"Puff!" Qin Yu, who was standing at the side, laughed out loud.

This was indeed Liang Jiahao's style.

At this time, why did she feel that he was so cute?

Shen Xieren glared at Qin Yu with a jealous look and said sadly, "But then I asked again, why weren't you at the university you enrolled in? It's the best university in the country. How many people are bursting their brains out to get there! I studied hard because of you and finally got accepted to that university. You told me that you were going to be a soldier, and then I said that I'd wait for yo -"

Liang Jiahao frowned, "And I answered with the same answer, whether you wait or not is your own business. It has nothing to do with me!"

Shen Xieren: "..."

Seeing Liang Jiahao's disgusted expression, it was as if he was disgusted to talk to her.

Yes, at that time, Liang Jiahao really did say that but...

"No, you're lying! If you didn't have any feelings for me, would you say something like that? You can just tell me not to wait! The meaning behind your words is that I can wait for you!"

Shen Xieren was really injured. She was really hurt. She never thought that the man she had been waiting for over twelve years would be so heartless!

Liang Jiahao put his hands in his pockets. It was obvious that he had lost patience with her. "I really wonder how you got into that university that year. You don't even understand human speech."

"Hahaha..." Qin Yu couldn't help but laugh out loud while holding her stomach.

Liang Jiahao's behavior wasn't funny at all.

But why did she find it so funny?

Shen Xieren gritted her teeth angrily and turned to Qin Yu. "What are you laughing at! Who gave you the right to laugh at me, s!t!"

Chapter 809 Do You Still Think You Are An International Celebrity

Liang Jiahao's sharp gaze slid over Shen Xieren's face. "I gave her the right!"

The matter had already been explained in front of Qin Yu. Furthermore, Liang Jiahao saw that Qin Yu was smiling, so she had already forgiven him, right?

Liang Jiahao immediately ended his conversation with Shen Xieren, held Qin Yu's hand, and went to Fan Xiaobo. "Director Fan, you can choose the female lead as you wish. As long as she fits the role, you make the final decision. No matter who it is, I won't interfere with your decision."

"President Liang..." Edgar secretly wanted to say something.

Liang Jiahao ignored him. "So, Director Fan, who is the female lead of this movie?" [ηovEUsB.com](http://www.ηovEUsB.com)

Fan Xiaobo looked at Liang Jiahao's hand that was holding Qin Yu's hand and suddenly laughed out loud. "I have said it before, only Qin Yu deserves to be the female lead in this movie! She is the best girl in my heart."

"Very good." Liang Jiahao squeezed Qin Yu's hand and said, "Then I will leave Qin Yu in your hands. If you have any problems with the funds, you can contact me directly."

"Okay, thank you, President Liang." Fan Xiaobo felt that the best decision he had made today was to assert his opinion. The person next to him had an ugly face like a bitter gourd.

"Liang Jiahao!" Behind them, Shen Xieren raged like a mad dog and roared, "Do you really have to do this to me? Good! Since you are so heartless, then don't blame me for being unfair! I will ask my fans to boycott this movie and Qin Yu! I want to see what other skills she has to bring this movie to the European and American markets successfully!"

Just as she finished speaking, the door was pushed open, and Yi Ru came in with a dark face. "Shen Xieren!"

Shen Xieren had been working with Yi Ru for months, and this was the first time Yi Ru had spoken to her in this tone.

She even called her by her first and last name, Shen Xieren!

In the past, she had affectionately called her Xieren or something, but now she called her by her full name!

Shen Xieren's heart trembled as a bad feeling arose in her heart.

"Now, let me officially inform you that you have been kicked out of the company. Xiao Nüying will return to Fan Xingjuan's side. I also have to rush to help Xingjuan now. You better take care of yourself!"

"What?" Shen Xieren was so surprised that her eyes widened. She looked at Yi Ru in disbelief. Even her voice began to tremble. "Ki-kicking me out? W-why? In the entire company, who is more influential than me?!"

Yi Ru sneered. "Shen Xieren, do you still think you are an international celebrity? Since you have time now, feel free to surf the Internet and see how rotten you have become! Besides, because of you, the company's funds have been frozen by the bank. They say they want to investigate the source of our funds, which is within the scope of a normal investigation!"

At this moment, Yi Ru deliberately glanced at Liang Jiahao and said word by word, "Because of you, the company has suffered a great loss. Shen Xieren, you are doomed! You will never be able to rise again!"

Shen Xieren stood there stunned as if she had been struck by lightning.

No reaction at all!

Her career was doomed?

She had become rotten?

What had happened?

Clearly two hours ago, before the audition, she was still fine, and she still had the aura of an international celebrity!

How could she be like this two hours later?

After Yi Ru finished speaking, she left without giving Shen Xieren a second glance.

She was here to notify Shen Xieren. She did not want to stay and watch her go crazy!

Fan Xiaobo, on the other hand, had confirmed that the female lead would be played by Qin Yu, so he called his assistant, Lei Huo, and asked him to submit the most perfect script to Qin Yu.

Later, Fan Xiaobo said, "We will start our filming in the United States within a month."

"Understood." The script in Qin Yu's hand felt like it weighed a thousand pounds.

This was the first time she had acted in an international movie.

And this time, the role she was fighting for was not in Han Yuanjun's or Liang Zixuan's care, so it was very important for her.

She was always well protected by Han Yuanjun and Liang Zixuan. It can be said that as long as it was a drama that she wanted to participate in, she only needed to attend the auditions.

And this time, she really got it by herself.

She was happy.

"Thank you, Director Fan. I certainly will not let you down."

Fan Xiaobo extended his hand to her. "Welcome to the team."

Qin Yu politely shook his hand. "Thank you, Director Fan, for your trust in me."

Fan Xiaobo still had a lot of work to do, so he politely said, "Then go back and get ready."

"All right!"

Qin Yu took the script and walked out the door. She took a deep breath, and Mo Shan and Hou Fen immediately surrounded her. They both nervously asked, "Qin Yu, how was it?"

Qin Yu shook her head unhappily.

Mo Shan and Hou Fen immediately understood.

Mo Shan raised her hand and patted Qin Yu on the shoulder. "Qin Yu, it's alright. You will have many more opportunities in the future. This time, let's think of it as practice."

Hou Fen's eyes were focused on the object in Qin Yu's hand. After a moment of confusion, she muttered to herself, "I remember that Qin Yu didn't bring the script with her. Shouldn't I have the script?"

Right after she finished speaking, Qin Yu suddenly laughed out loud. She showed the script in her hand and shook it in front of their eyes. "See that? I got the script! The female lead is mine!"

Chapter 810 Shen Xieren Is An Evil Woman

"What?" Hou Fen and Mo Shan were both stunned at the same time. When they saw Liang Jiahao walking out, the two of them immediately came to their senses and shouted happily like children, "Qin Yu, you really did it?"

"Qin Yu, did you get the female lead?"

Qin Yu nodded her head vigorously. She was afraid that they would not believe her, so she opened the script for them to see. "Look! This is really the last script, I'm going to play the female lead! This time I won it all by myself, without depending on anyone."

"Hahahaha ..."

Hou Fen was so excited that she hugged Qin Yu tightly and jumped up. "Qin Yu, you are amazing! I know you can do it!"

Liang Jiahao stood by the side and said nothing. He himself was happy to see them so happy.

In the past, he thought Qin Yu was like a flower grown in a greenhouse. She was pure and untouched, as if she herself was used to being protected by others.

But today, he knew how much Qin Yu longed for the recognition of others.

Perhaps she would think that her current achievements were not obtained through her own hard work. Only in this movie can she finally prove herself.

Mo Shan saw Hou Fen's excited appearance and coughed loudly to remind her that Liang Jiahao was still there.

After being reminded by Mo Shan in this way, Hou Fen finally recovered from her excitement. Letting go of Qin Yu, she clumsily rubbed her nose. "About that ... Qin Yu ... Sister Mo and I will go and see if the driver is here, and if not, I will call him and ask him to come now."

Who cared if the driver was there or not?

She just wanted to run away with Mo Shan!

Qin Yu wanted to stop them, but Hou Fen quickly pulled Mo Shan and ran away without even giving Qin Yu a chance to say anything.

Liang Jiahao walked toward her. "Qin Yu."

Qin Yu did not feel like dealing with him and wanted to leave.

Liang Jiahao pulled her from behind, "Qin Yu, stop!"

Qin Yu stopped and looked to the side. In a nonchalant tone, she asked, "What do you want?"

Liang Jiahao patiently explained, "Didn't I explain it clearly to Shen Xieren in front of you earlier? I mean, she misunderstood my point, nothing happened between us!"

"Is that so?" Qin Yu sneered and turned her gaze to him. "Really? It's nothing? But you remember clearly what happened more than twelve years ago. You still dare to say that there's nothing between you and her? If it were nothing, this memory wouldn't be etched in your mind!"

"No, it's not like that." Liang Jiahao was almost helpless. He had never thought that Qin Yu's temperament was so difficult to persuade!

"It's because Shen Xieren always said she knew me and there was something between her and me, but I had no impression of her. That's why I went to investigate the past. It's also because I remembered

later that there was such a thing. Not that I remember it clearly, but I forced myself to remember it to give you the truth!"

"Haha..." Qin Yu laughed with feigned laughter. The laughter almost gave Liang Jiahao goosebumps.

"You are forcing yourself to remember her? Even if you were forced to, you still remember! In retrospect, this proves that she is a part of your memory, perhaps even a very important part. Liang Jiahao, what happened in the past still happened. You have caused me a great injury. Can it be that with just a few simple words of yours, you think you can make up for my days of grief?"

Liang Jiahao gritted his teeth. He really couldn't do anything to Qin Yu now.

However, he also felt that what she said was very reasonable.

A few days ago, Qin Yu must have felt very uncomfortable in her heart. When he watched the live broadcast, he could tell what kind of pain she was experiencing in her heart.

But he had already explained everything to her, and Qin Yu still hadn't forgiven him. He really didn't know what he should do now.

"Qin Yu, how can you forgive me?"

"Liang Jiahao!" Shen Xieren's crazy voice came from behind them.

The next moment, she ran, pushed Qin Yu, and stood in front of Liang Jiahao. "Liang Jiahao, what grudge do I have against you? Do you really want to do this to me?!"

Liang Jiahao was about to reach out to help Qin Yu, but who knew she would avoid his hand? Without wasting time, she turned around and walked away.

Liang Jiahao's face immediately darkened as he walked past Shen Xieren.

Shen Xieren was already furious with anger. How could she just let Liang Jiahao leave?

She indifferently held Liang Jiahao and asked loudly, "Why did you freeze our company's funds? Why did you allow my assistant to go out and slander me! She has even sued me now. Tell me, how can your heart be so cruel?"

After Yi Ru left, Shen Xieren finally recovered with some difficulty. She quickly pulled out her cell phone to check what was happening outside.

As soon as she clicked on Weibo, she saw countless private messages being sent to her. Several reporters were looking for her, while other passersby scolded her. Even her fans left the club and came to stomp on her!

She still did not know what was going on, so she clicked on the search engine and saw that her name had been ranked at the top by netizens.

The bad feeling was getting stronger. Tremblingly, she clicked on her name, and the first thing she saw was the video of her former assistant being interviewed exclusively by reporters.

She remembered the assistant saying, "Shen Xieren is an evil woman! Usually, whenever I do something that she is not happy with, she will hit me and scold me! This time, I was the one who said those words to Qin Yu, but it was Shen Xieren who made me say them so that I could anger Qin Yu and make her think of me only as an enemy. Because for female celebrities, character and reputation are very important."

"After this matter was exposed, Shen Xieren not only caused more and more problems, but she also blamed me. Look at me now..."

The assistant touched her head and whimpered in pain. "I lost half of my hair because of her. My scalp and hair were covered in blood, but even so, she didn't let me go. She kept hitting me, kept kicking me, and finally broke three of my ribs! I have a medical certificate from the hospital!"

The assistant was clearly prepared. As she spoke, she took evidence and showed it to the camera. The camera also showed high-resolution close-ups, clearly showing every word written on the medical certificate.

"Do you think this is the worst? No, her evil is far beyond your imagination! When this happened, she came to me and asked me to help her take the blame. When that was done, she would give me some money and ask me to never show my face in front of her again. I thought she was really going to do that, so I agreed because my mother was diagnosed with stomach cancer, and she's now lying in the hospital, waiting for money to save her life!"

"I have taken all the blame and even got fired from the company. From then on, I have lost the right to be an assistant in this industry! But Shen Xieren actually brought ten thousand yuan to my ward to humiliate me! Those who beg for food are even more worthy than me. The ten thousand yuan that she gave me out of making fun of me. I was angered to the point of spitting blood, but she just turned around and left, not caring about my life or death!"

"Now, I have already called the police and charged Shen Xieren for intentional assault. I want her to pay the price for hitting me!"
