Chapter 831: Don't You Think You Need To Discuss Something As Important As Getting Married With Me First

Lin Xiu said without any trace of politeness, "Find a girlfriend first and let me be jealous. I dare you."

"Exactly." Han Cihui laughed as if to add fuel to the fire. "I really want to be jealous, so you should hurry up and find someone after you return. Saying empty words, everyone in this room can say them."

Qin Shanyuan was so angry, he had never been so angry like this before. "Just you guys wait, I will bring my girlfriend and get an engagement toast from all of you soon!"

Lin Xiu narrowed her eyes at him. "Are you really going to look for a girlfriend? Alright, then. If you can find a girlfriend before we go to America, I will let you come with us for the New Year, otherwise... You stay here and don't come to the wedding!"

This was bullying!

His mother was bullying him!

"Qin Yu is my blood sister! My sister is getting married, why can't I be there?" Qin Shanyuan was furious. "Mom, you can't bully me like this, otherwise -"

Lin Xiu sneered and asked, "Otherwise what?"

Qin Shanyuan felt the strong pressure coming from Qin Shaoqiang's eyes and immediately admitted his mistake, "Otherwise, I would never get a girlfriend."

"Aiyo, I am so scared." Lin Xiu scoffed, "If you don't want to look for a girlfriend, then don't. We have another son, Jiahao. Whether you will do it or not has nothing to do with us. I'll just pretend that I don't have a son like you."

Qin Shanyuan: "...."

How tragic. His life depended on his marriage at this moment.

At the end of the feast, everyone had decided to go to the United States with Qin Yu.

After the feast was over, everyone went home.

They ate and drank all night, so no one knew what was going on in the world outside.

When Qin Yu and Liang Jiahao returned to the military compound, Qin Yu took out her cell phone and saw the commotion on the Internet. She was surprised. "The matter of us getting our marriage certificate today is already in the top five in the hot search ranking." *novelusb.coM*

As soon as Liang Jiahao parked the car, before he could unbuckle his seat belt, he stretched his neck and put his head in front of Qin Yu's cell phone screen.

Qin Yu smiled happily, "Look at He Yingmin's article. It's too lively, and most interviews take a few days to publish, but her, she only needs a few hours. Even the photo she took of me today looks so beautiful. I didn't expect it to be this beautiful."

Liang Jiahao quickly unbuckled his seatbelt, cupped Qin Yu's face and kissed her forehead, "My wife is the most beautiful woman in the world, you'll always look good no matter what."

Qin Yu was embarrassed by his words. She blushed and giggled. "How can you praise your wife like that?"

"Why not?" Liang Jiahao slowly moved his hand to Qin Yu's seatbelt and helped her take it off. "That's exactly how I am."

When Qin Yu saw that her seatbelt was unfastened, she immediately got out of the car when Liang Jiahao wasn't paying attention to her.

She didn't want to do anything unholy with him in the car on the first night of their wedding.

When Liang Jiahao saw Qin Yu running away like a shy little white rabbit, he happily chased after her.

"Don't run so fast, wait for me..."

"No way!" Qin Yu hurriedly ran towards the door.

Liang Jiahao chased after her with his long legs. Qin Yu screamed and hurriedly unlocked the door with her fingerprint, letting Liang Jiahao chase after her happily.

Liang Jiahao was in a very good mood. He didn't chase after Qin Yu so quickly. However, he wasn't too slow either. He was always in a state of chasing after her.

They both laughed as they walked upstairs. Finally, Qin Yu hid in their room. Just as she was about to close the door and shut Liang Jiahao out, Liang Jiahao grabbed her wrist and pushed the door open.

"Naughty little brat, do you think you can escape from me?"

"Hubby, don't be like this." Seeing Liang Jiahao about to kiss her, Qin Yu smiled and said, "I haven't showered yet. Let me take a shower first."

"We can take a shower together after we're done."

As he spoke, Liang Jiahao carried Qin Yu in his arms and flopped down on the bed. Qin Yu's playfulness was piqued.

Liang Jiahao casually took off his suit jacket and threw it under the bed. "How long has it been since we slept together? Tonight, I'll make up for all the time you made me suffer."

"No." Qin Yu smiled as she raised her hands to cover her chest. "Hubby, please let me go."

Her way of calling him 'hubby' was really good. Liang Jiahao grabbed Qin Yu's hands and pressed them firmly on the bed. "Asking for mercy at this time is useless."

Qin Yu pouted. "Then what do you want me to do?"

Liang Jiahao smiled, "Submit obediently."

Liang Jiahao bent down and kissed Qin Yu on the lips. Just as their lips touched, Qin Yu's phone rang at an unexpected time. Qin Yu pushed Liang Jiahao away from her as if she heard her savior coming to rescue her. "Aiya, I need to answer the phone. Wait a moment."

Liang Jiahao frowned. He glared at the phone that Qin Yu had taken and said with a sullen expression, "If this call isn't so important, I'll definitely beat this person tomorrow."

Qin Yu knew he was joking, but when she picked up her phone and looked at the caller ID, she smiled and turned the screen to Liang Jiahao, proudly saying, "It's Sister Mo. I really hope I can watch you beat her tomorrow."

Liang Jiahao: "..."

"Qin Yu, why did you turn off your phone? I couldn't even reach you after calling you for a whole day!"

Mo Shan's questioning voice came over the phone.

Qin Yu glanced at Liang Jiahao and replied lazily, "I have something very important to do today, so I turned it off."

"Something very important?" Mo Shan's voice was clearly brimming with anger. "Qin Yu, as an artist, don't you think you need to discuss something as important as getting married to me, the manager, first? Even if you think my opinion is unimportant, you never thought of contacting me first?"

Qin Yu was about to explain when Mo Shan's angry voice sounded again. "Alright, let's put work aside, we've known each other for a few years now. Even if I'm not your manager, I still consider you as my younger sister. If you don't tell me about big things like getting married, I'll be very sad and very angry."

Qin Yu frowned in frustration. "Sister Mo, it's not like that. I didn't think I would get the certificate so soon. My parents, uncle, and aunt only found out about this after I received my marriage certificate. Sister Mo, please don't be angry..."

"How could I not be angry!" Mo Shan sounded like she was really angry. "I have a good relationship with you, and yet, I only found out about this from the internet. Qin Yu, you really let me down."

Chapter 832: Shen Xieren Has Been Bailed

It wasn't that Qin Yu didn't want to tell Mo Shan, it was just that this happened too suddenly. After it happened, she still had many people to inform and had many things to take care of, so she accidentally forgot Mo Shan.

Facing Mo Shan's accusations, Qin Yu was not angry at all. "Sister Mo, I really know my fault. No matter how angry you are, you must attend my wedding. You have to be there because I want you to be my bridesmaid."

"Only a ghost will be your bridesmaid!" Mo Shan was so angry that her voice began to tremble. "I am indeed quite old, and I have never had a boyfriend before, but for this cursed job, don't look for me!"

"Sister Mo, I'm sorry, I was wrong, I really know my mistake. Next time, I won't do it again. I promise, no matter what happens in the future, you will be the first person I will tell. And even if it's not the first, at least you'll be the second."

"Forget it." Mo Shan suddenly heaved a long sigh. "I did not call you to blame you, but I have something very important to tell you."

Qin Yu slipped her legs into Liang Jiahao's and then patted her leg with her other hand.

Liang Jiahao immediately understood what she meant and helped her massage her legs.

Qin Yu sighed in comfort. "What's wrong?"

Was there anything more important than her getting married?

Qin Yu didn't believe it.

Then she heard Mo Shan's soft voice say, "Shen Xieren has been bailed. I heard that partly because she is an American citizen, and partly because she used some tricks to get her assistant to drop the case. She returned to the U.S. before the news of your marriage broke."

"Returned to the United States?" Qin Yu thought to herself. She can't be sure whether this news was good news or not.

It was Mo Shan who reminded her. "Qin Yu, you will go to the United States next month, and Shen Xieren was released on bail at this time. I am afraid of what she will do when we get there. After all, America is her territory."

Qin Yu finally understood. The reason why Mo Shan was so angry wasn't because she didn't tell her about her marriage, but because Mo Shan was worried that there might be a danger during their trip to America next month.

"Sister Mo, let me tell you some good news. My family, the Han Family, and even the Liang Family will follow us to the United States. In addition, there are still Uncle Szeto and others in the United States. When you say territory, we may not be able to tell whether it belongs to Shen Xieren or not."

Mo Shan's originally nervous state of mind suddenly calmed down. "Really? If we go alone, Shen Xieren might find ways to make trouble for us. But as long as President Han and Liang Zixuan go together and your husband comes along, I don't think she'll be foolish enough to do something to you. Unless....unless she really wants to die."

Qin Yu nodded in agreement. "Yes. So, Sister Mo, don't worry. There's nothing to worry about. My husband will protect me, and my uncle and aunt will also protect me. When that happens, many people will be on our side, so I don't believe that Shen Xieren can do anything to me."

Relieved, Mo Shan hung up the phone.

Just a second after Qin Yu hung up, Liang Jiahao's voice rang out, "Shen Xieren has been bailed?"

"Yes." Qin Yu put her phone on the nightstand. "Not only was she rescued, I heard that she returned to the United States today. Sister Mo was afraid that we would get into trouble if we went there. I assured her that Shen Xieren will not dare to harm me as long as you, uncle, and auntie are around."

Liang Jiahao's long and narrow eyes suddenly squinted, and his thin lips also forcefully pursed.

Based on his understanding of Shen Xieren during this period of time, he did not think she was someone who would gain wisdom.

Shen Xieren was released on bail at this time and then returned to the United States. She must have gone back to plan something.

How could she let Qin Yu go so easily when she was the one holding a grudge against her?

"What's wrong?" Qin Yu looked at Liang Jiahao's serious expression and asked anxiously, "What are you thinking?"

"I've been thinking about something..." The corner of Liang Jiahao's mouth twitched as he suddenly turned to Qin Yu. "We still have things to do."

Qin Yu: "..."

••••

Since they'd be traveling to America for the New Year, the people from the Han Family, Qiao Hongya and Luo Yanyun, were busy making preparations.

Boxes large and small were piled up all over the room.

Han Yuanjun told Yao Xiu to use his private jet to transport the luggage there first. After that, they packed everything up and left for the United States without waiting for Qin Yu to join them.

Old Madam Han said, "Even though we plan to go to America together with Qin Yu, we can still leave early. America is a huge country and there are so many fun places to visit, so let's just think of this as a vacation."

No one objected, and everyone nodded in agreement.

Every time Old Madam Han made a suggestion, it would be accepted. Maybe it was because of her authority in the Han Family, or maybe it was because everyone respected her, but she'd already become the leader of everything.

Just when Old Madam Han thought that no one would object and everyone was getting ready to leave, Qin Shanyuan suddenly shouted, "Why are you going to America so soon? It hasn't even been a month yet. This isn't fair! In such a short period of time, even if I were to board the rocket, I still wouldn't be able to find a girlfriend!"

Chapter 833: Maybe Your Fate Isn't In This Country

Lin Xiu couldn't stand Qin Shanyuan saying that. It was like a knife being plunged into her heart.

Although she kept saying that Liang Jiahao was her son these few days, she couldn't possibly ignore her own son.

"You still dare to say that!" Lin Xiu raised her hand and slapped Qin Shanyuan on the back of the head. "If you don't work hard, how will you find a girlfriend? You can't blame us for not giving you enough time. I've given you twenty-seven years and you still haven't found one! Do you think you can find one in a month? Forget it, just forget it. You'd better stay in this country and manage the company properly..."

"No!" Qin Shanyuan held his head in pain and shouted, "I'm going, I'm going with you. You can't force me to stay. If you push me too far, I'll just find a random girlfriend!"

"I don't mind." Lin Xiu laughed sarcastically. "The better question is, can you find one?"

Qin Shanyuan rolled his eyes gloomily and turned to Qin Shaoqiang for help. "Dad, can you control your wife?"

Qin Shaoqiang and Qiao Hongya were talking about something, and hearing Qin Shanyuan's question, Qin Shaoqiang pretended not to hear it.

Qin Shanyuan's heart ached so much that he looked sadly at the ground. He really doubted whether or not he was actually Lin Xiu and Qin Shaoqiang's biological son.

"Let big brother come with us." Liang Jiahao, who hadn't spoken for a long time, suddenly said, "It's quite sad for him to celebrate the New Year alone. After all, it's not appropriate for him not to come to the wedding."

Qin Shanyuan looked at Liang Jiahao gratefully and then looked nervously at Lin Xiu. He thought Lin Xiu would hesitate or reconsider, but when she faced Liang Jiahao, her expression changed in a second. "Since you asked him to come, then, Old Qin, give Shanyuan a break and let him come with us."

Qin Shanyuan: "..."

Was his status in the Qin Family already that low?

Liang Jiahao pleaded for him and only then could he go?

What the hell!

Qin Yu took Liang Jiahao's arm and looked at her own brother with a smile. "Who knows, maybe your fate isn't in this country."

Qin Shanyuan's head drooped down once again. "Then I don't want to go."

He originally thought Liang Jiahao meant well. He didn't expect Qin Yu's words to add a layer of shadow to his traveling fantasy.

"Go, you must go." Lin Xiu was more enthusiastic. "Qin Yu is right. You haven't been able to find a girlfriend in this country, but who knows, maybe you'll find one when you go to America."

Qin Shanyuan: "..."

Indeed, everyone was bullying him!

Since the private jet wasn't as big as an airplane and could not accommodate that many people at once, Han Yuanjun arranged for the Han Family, Qiao Hongya, and Luo Yanyun to go first.

Liang Jiahao, Qin Yu, the Qin Family, and Liang Zixuan stayed behind to follow Han Yuanjun.

Han Cihui was very happy. Right now, he really despised Qin Shanyuan. As long as he was with him, he would be nagged by Zhang Xiuying about getting married. Therefore, he was very happy with this arrangement.

Four days after the Han Family left, Han Yuanjun, Liang Zixuan, and the others also left.

On the plane, Han Yuanjun and Liang Zixuan sat together, Qin Yu and Liang Jiahao, Lin Xiu and Qin Shaoqiang.

While Qin Shanyuan....

He sat alone at the very back, staring at the couples in front of him with a sad face.

In one breath, they had literally traveled from Imperial City to Los Angeles.

When they arrived at the airport, Han Szeto was already waiting for them at the entrance.

Han Yuanjun supported Liang Zixuan as they walked slowly. Liang Jiahao, Qin Yu and the others were in no hurry. They slowed their pace and followed behind Han Yuanjun and Liang Zixuan.

As they approached, Han Szeto spread out his hands and said cheerfully, "Los Angeles welcomes you!"

Han Yuanjun went to hug Han Szeto and slapped his back. "Big brother, long time no see."

"Jun, not bad." Han Szeto stared at Liang Zixuan's belly and said happily, "The last time we met, I said that knowing you, Zixuan would be pregnant soon, but I really did not expect her to be really pregnant."

Han Yuanjun glanced at Qin Shanyuan and said, "The Han Family's men are just that efficient."

"Hahaha ..." Han Szeto laughed and patted Han Yuanjun's shoulder, then greeted Liang Jiahao, Qin Yu, Lin Xiu, and Qin Shaoqiang, one by one.

Qin Shanyuan raised his face. He thought Han Szeto would greet him with the same enthusiasm, but when it was his turn, Han Szeto suddenly turned around and led Han Yuanjun and the others to the car.

Qin Shanyuan: "...."

Did being single automatically make him not deserve better treatment?

Did they really think he wanted to be single?

He had enough!

But no matter how unhappy Qin Shanyuan was, he had no choice but to follow them.

After everyone got into the car, Han Szeto was about to get into the passenger seat when Qin Shanyuan pulled him back. "Uncle, what about me? Where should I sit?"

His gaze was fixed on the passenger seat, meaning he wanted to sit there.

Unexpectedly, Han Szeto acted as if he didn't understand and said embarrassedly, "Jun didn't say you were going with them, so when I was preparing the car... I didn't count you in."

Qin Shanyuan: "....."

What did Han Szeto mean?

The fact that he didn't provide him with a seat meant that he didn't welcome him at all, right?

Han Szeto stuffed the address note into Qin Shanyuan's hand and then patted him on the shoulder. "Young man, take a taxi."

With that, Han Szeto immediately got into the car. Without sparing a glance at Qin Shanyuan, he closed the door and ordered the driver to drive.

Qin Shanyuan held the note with the address in his hand and almost chased after the car in a rage.

Inside the car, Qin Yu asked Lin Xiu, "Mom, is it good for you to treat your own son like that?"

Lin Xiu looked at Qin Shanyuan's faded figure through the window with disdain. "Who asked him not to bring back a girlfriend? If I don't give him some punishment, he will make me wait until I die of old age."

Qin Yu pursed her lips and rejoiced for herself in her heart. It was fortunate that she was a girl and that she was still young. Otherwise, she wouldn't know what Lin Xiu would do to hasten her marriage.

Looking at Lin Xiu's face filled with contempt for Qin Shanyuan, Qin Yu felt sympathy for her brother from the bottom of her heart.

Qin Shanyuan had no choice but to take a taxi.

When the driver asked him where he was going, he wanted to give the note to the driver, but he thought that if these people detested him so much and he followed them so enthusiastically, wouldn't he lose face?

So he decided not to go there and spent the night at the hotel.

He wanted to see if his mother cared about him.

Qin Shanyuan asked the driver, "Is there Chinatown in Los Angeles?"

When the driver heard this, he knew that Qin Shanyuan was not only a foreigner, but he was also a foreigner who had never come to Los Angeles before.

The driver smiled, "Yes! Although our Chinatown is not as famous as San Francisco's, but our Chinatown is connected with the ancient city of Los Angeles and is one of the oldest Chinatowns in Europe and America." *nOVelus&.com*

Qin Shanyuan exclaimed excitedly, "Then please take me there."

Chapter 834: Everyone Is Here Just For Fun, Why Are You So Serious

The driver whistled happily. He was happy that he found such luck today.

The taxi took a detour around the streets of Los Angeles, Qin Shanyuan didn't know the road at all and was quite relaxed while looking at the scenery. After driving for an unknown amount of time, the driver finally stopped the car. "We have arrived in Chinatown."

Qin Shanyuan asked about the fare and was almost surprised at the price.

However, as the Young Master of the Qin Family, even though he can't be compared to Han Yuanjun, he was still a young, rich, and generous man that was rarely seen in Imperial City.

He took out his wallet, casually took out a hundred US dollars, and bluntly said, "The remaining balance is your tip."

When the driver accepted the money, his feeling was actually divided.

If he knew this person was so generous, why did he have to drive him all over Los Angeles?

If the driver took this person straight to Chinatown, he would also receive a hundred dollars!

Qin Shanyuan saw the sudden change in the driver's expression, but he paid no mind to him and happily opened the car door, getting out.

Chinatown in Los Angeles certainly did not disappoint him. Although the architecture was not entirely the same as that of the country, it still had an ancient feel.

He strolled around the streets, ate proper Chinese food, and then wandered around in boredom for more than two hours. From the beginning until now, his cell phone had never rung.

He had been gone for almost four hours. Were these people not worried about him?

They didn't even call him to check on him.

Qin Shanyuan actually didn't want to stay outside at night. He just wanted to make Lin Xiu and the others nervous, but this time, he was embarrassed.

Going back like this would be embarrassing, and he would lose his original intention. After thinking about it seriously, Qin Shanyuan decided not to go home tonight.

Night gradually fell, and Qin Shanyuan watched the neon light on the sign of a building. It was like a beauty waving at him in the darkness, attracting his attention.

The people in the Qin Family were brought up very strictly. Ever since Qin Shanyuan and Qin Yu were young, although the two children were rebellious, they had never gone to a scandalous place.

Qin Shanyuan gathered his courage and strode toward a world he'd never experienced before in his life.

The bass pounded loudly in his ears, pounded into his heart like a drum. It suddenly made his blood boil.

Especially the beauties that were dancing on the dance floor with gyrating hips. Those figures and appearances had caused Qin Shanyuan to enter a new world.

Qin Shanyuan whistled loudly and asked the waiter for a glass of wine. He held the glass and swirled the wine while staring at the beauties on the dance floor, looking for prey.

Didn't they say he couldn't find a girlfriend?

Heh ... Let them see his charm.

It's not that no girls liked him, it's just that he couldn't find the one that really attracted his attention.

If he wanted, with a snap of his finger, girls would come to him one by one.

Qin Shanyuan picked up his glass and finished it in one gulp before strutting onto the dance floor.

NoveLuSB.com

His eyes suddenly fell on a cute girl who was dancing with a man.

Qin Shanyuan looked at her, and with a clear goal in his mind, he quickly and ruthlessly shoved the man next to the girl away.

The girl looked up and down at him with a seductive gaze. Her lips curled slightly, and as if unconsciously, she reached for Qin Shanyuan's wrist and softly stroked his sleeve with her fingers.

When she noticed that he was wearing an expensive golden watch, the girl's smile grew even wider.

Qin Shanyuan didn't know that in his prey's eyes, she already considered him as her victim. He thought that it was his charm that made the girl admire him so much.

He wrapped his arms around the girl's waist and pulled her towards him, pulling her into his embrace. He lowered his head and whispered in her ear in Chinese, "Chinese?"

The girl looked up in surprise. Her fingers, which had been brushing his gold watch, retreated guiltily, "Japanese."

Qin Shanyuan grinned and pinched the girl's chin. "Japanese? A Japanese who understands Chinese?"

The girl blushed. She playfully pushed away Qin Shanyuan's hand that was squeezing her chin. She turned around and was about to leave in a huff.

He couldn't bear to let her go just like that. He grabbed the girl's wrist and pulled her back into his arms. "Don't be mad, I was just teasing you. Japanese people are great and easier to talk with."

The girl pushed him away again in a coquettish but angry manner. "Who wants to talk to you? Everyone is here just for fun, why are you so serious?"

"I'm not serious!" Qin Shanyuan had never been to a nightclub before, so he didn't know how the rich second generation picked up girls. Following the example of the rich young master on TV, he wrapped his arms around the girl's waist and hugged her tightly, "I just want to play with you..."

If a pure-minded girl heard this, she'd surely kick him in the balls, but this girl didn't. She just pursed her lips slightly and smiled, then slowly placed her hand on Qin Shanyuan's chest, "All right, I'll play with you."

Actually, he didn't want to do anything with this girl. He was just rebelling in his heart. Since he didn't want to go home, he wanted to rebel and walk in the opposite direction that Lin Xiu never expected.

For three full hours, Qin Shanyuan and the girl hugged each other, drank and danced, and played to their hearts' content. They almost forgot who they were.

At this moment, the girl pushed Qin Shanyuan away. She suddenly stood up and walked away, but Qin Shanyuan quickly pulled her back drunkenly. "Where are you going?"

The girl couldn't keep her expression the whole night. She forced an ugly smile. "It's already late, where else can I go? I'm going home."

"Home?" Qin Shanyuan looked to the side. He seemed to notice that there were fewer people than before. He blinked and blinked again. He was actually quite reluctant to let the girl go.

After living for a full twenty-seven years, this was the first time he'd played so closely with a girl. Besides, he'd done almost everything else he needed to do.

"Now? Can you play with me some more?"

"I can't." The girl pushed his hand away without hesitation and even wiped her hand on her dress with a disdainful look. "I still have things to do at home, I'm going home. Goodbye."

After saying that, the girl ran away as if she was being chased by the debt collector.

Qin Shanyuan wanted to run after her, but he drank too much. His legs were weak, so there was no way for him to do that.

Qin Shanyuan was also a bit confused. Normally, he had a pretty good alcohol tolerance. Although he drank a lot these days, it never reached the point where his alcohol tolerance could no longer hold. How did he get drunk?

"Fine, fine." Qin Shanyuan stood up unsteadily, "T-Then I'll go home and sleep too."

Just a few steps away, he was stopped by a waiter. "Sir, you haven't paid yet."

"Pay?" Qin Shanyuan looked back at the mess on the table and nodded in realization. "Oh, that's right, pay."

Squinting, he reached into his pants pocket for his wallet and felt...

Nothing.

Opening his eyes slightly, he reached into his other pants pocket and felt again.

Still nothing.

The waiter was getting impatient. "Sir, please pay the bill!"

Chapter 835: I'm Not As Good As Liang Jiahao And Uncle

"Stop shouting!" Qin Shanyuan roared angrily, "Can't you see I'm trying to give you the money?"

His hands had touched almost every part of his body, even unspeakable parts, but he still couldn't find his wallet.

Where's his wallet?

Where's his wallet!

Qin Shanyuan immediately woke up and ran back to his seat. He searched the couch, the tea table, and the floor, but he couldn't find his wallet.

He almost went crazy. "Oh my God! Where's my wallet? Did it fly?"

The waiter's face immediately darkened. "Looking at the way you're dressed, you're just a rich con man trying to get food and drink for free."

"You're still here?" Qin Shanyuan rose from the floor and cursed back angrily. "I lost my wallet here, and I haven't settled the score with you yet, and you actually dare to accuse me of being a con man?"

The waiter's attitude got worse. "What does it have to do with me that you're losing your wallet? Maybe you don't even have a wallet and you come here to rob us! Could this be a new kind of scam in your country, where you think we're very gullible and easily fooled?"

"You!" Qin Shanyuan was so angry that he couldn't say anything. He pointed his finger at the waiter and could only say one word, 'you'.

The waiter was completely unfazed by it and called the police. "America is a law-abiding country. Since you dare to eat and drink for free, I'll make you spit out everything you eat and drink!"

Two hours later, Han Szeto bailed Qin Shanyuan from the police station.

Throughout the journey, Qin Shanyuan didn't say a word. He just sat in the passenger seat with his head down, thinking about when he'd lost his wallet and who'd stolen it.

Since Qin Shanyuan didn't say anything, Han Szeto certainly wouldn't blame him. It's quite sad that the kid can't go home after being bullied as soon as he arrived here.

Qin Shanyuan even mustered up the courage to go to the nightclub and was even arrested by the police.

To be honest, Han Szeto sympathized with him a little.

When Qin Shanyuan was brought to Han Szeto's house, almost everyone was sitting in the living room waiting for him to return, except for Han's elders, Qiao Hongya and Luo Yanyun, who were old, and Liang Zixuan, who was pregnant.

After Qin Shanyuan changed his shoes and went inside, he just asked Han Szeto about his room and wanted to go upstairs.

Lin Xiu's temper immediately rose. "Qin Shanyuan, stop right there!"

Qin Shanyuan's feet suddenly stopped.

"What's wrong with you?" Lin Xiu said angrily, "I told you to come here, but instead, Szeto had to pick you up from the police station. It's already late, and we all have to sit here anxiously waiting for you even before the jet lag disappears -"

Being lectured in front of so many people by his mother, Qin Shanyuan felt wronged and uncomfortable. The anger he'd pent up in his heart erupted like a volcanic eruption. "I didn't ask you to wait for me! I didn't ask you to care about me either! Why are you blaming me for your misfortune!"

Lin Xiu didn't call him all day to ask where he was, and now she suddenly cared about him?

Qin Shanyuan couldn't help but say, "Yes, I'm not sensible, I'm not filial, I'm not as good as brother-in-law and uncle, so can I go upstairs and sleep now?"

Lin Xiu had never been yelled at like this by Qin Shanyuan. Her eyes immediately turned red. She was worried, so she reprimanded him. Was it her fault?

Seeing Qin Shanyuan go upstairs, Lin Xiu stood up angrily, but Qin Shaoqiang restrained her. "Xiu Xiu, that's enough. Don't push him any further. His wallet was missing, so he wasn't in a good mood. If you keep scolding him like this, of course, he won't be able to hold it anymore."

The words that were about to come out of Lin Xiu's mouth were swallowed again.

She sat down angrily and said sullenly. "I'm angry. On his first day here, he was arrested by the police. Who knows what will happen next."

Qin Yu tried to gently coax her mother. "Mom, as soon as big brother came home, you scolded him. You didn't even ask how he was. As a result, he felt wronged and persecuted. Don't bother him for now. Big brother is very filial; let him sleep first, then you can talk to him tomorrow."

Her words not only defended Qin Shanyuan, but also secretly blamed Lin Xiu for arguing with Qin Shanyuan as soon as he returned.

Lin Xiu was a reasonable person, and after thinking about it, she felt that she'd done something wrong.

Although Qin Shanyuan's lack of a girlfriend always made her angry, but after thinking about it for a moment, she realized that she was indeed quite harsh towards him.

Qin Shanyuan had returned safely, so they didn't need to worry anymore. They all got up and went upstairs to sleep.

Qin Shanyuan didn't even sleep well at night. He always felt cheated.

In his wallet, there wasn't only his money, but also his bank cards and ID card.

With his wallet gone, how can he sleep peacefully?

He was arrested by the police, and as he explained to them, they also agreed to help him find his wallet. But how were they going to find his wallet in a big crowd?

How long would it take for them to find it?

Originally, the jet lag would cause him to sleep for a long time. However, Qin Shanyuan woke up shortly after dawn and couldn't sleep under any circumstances.

He didn't want to get up. He just lay in bed and thought about when his wallet went missing and who'd stolen it.

Qin Shanyuan wasn't stupid. After a short nap, his brain was cleared and he regained consciousness. He immediately realized that the wallet had been stolen by the girl last night.

Even though she was Chinese, she kept insisting that she was Japanese. Even though they were having fun and playing well, she suddenly wanted to leave.

Thinking about it, Qin Shanyuan felt that she was definitely the culprit.

After getting up from bed and finishing his breakfast, Qin Shanyuan wanted to go out to find the girl. However, he was stopped by Lin Xiu, who also couldn't sleep well last night.

"Xiao Yuan, last night... It was my fault. I shouldn't have reprimanded you in front of so many people." Lin Xiu rarely apologized to Qin Shanyuan on her own accord.

After all, Lin Xiu was still his own mother. Even if he were angry, he wouldn't be angry until now.

"I know. You're mad because you're worried about me. It's fine."

Lin Xiu sighed and waved at him. noVelusB.com

Qin Shanyuan looked at Lin Xiu and then walked over to sit next to her.

"Xiao Yuan, since you lost your wallet, does this mean you also lost your ID card?"

Qin Shanyuan nodded. In front of Lin Xiu, he couldn't hide anything. "I lost it, so now I want to go out and find the thief."

"Los Angeles is so big, where are you going to find him?" Lin Xiu grabbed Qin Shanyuan's hand and gently patted the back of it. "Let Szeto help you. After all, he's been living here for a long time..."

"Mom." Qin Shanyuan said stubbornly, "I don't want to trouble others with this matter. If I can't even find my wallet by myself, how am I supposed to manage a company as big as our family in the future? After all, this is my own problem, and I can solve it myself."

Lin Xiu knew that as long as Qin Shanyuan had decided on something, it was difficult for him to change his mind. He was also a stubborn person.

Lin Xiu didn't continue to persuade him. She touched her waist and stood up. "How about this, my waist hurts after a long flight. You take me to the clinic first, and when I'm done, I'll help you find the thief?"

Chapter 836: Little Thief

With so many people in the family, even though Qin Shanyuan didn't want to trouble others, there were still Lin Xiu, Qin Shaoqiang, Qin Yu and Liang Jiahao.

Qin Shanyuan sighed. Forget it, since Lin Xiu wanted to help him, so be it.

"I went to look around Chinatown yesterday. There's a traditional Chinese clinic there, so it's easier for us to go there directly."

It's not that Lin Xiu had never been to Los Angeles before, but in the past, when she went shopping and strolled around Chinatown, she never had fun. When she heard Qin Shanyuan say that there was a Chinese medicine clinic in Chinatown, her interest was piqued.

"Let's go to Chinatown. When we're done, I can accompany you there to have a good look."

Qin Shanyuan asked Han Szeto for the car keys, but Han Szeto immediately asked the driver to take Qin Shanyuan and Lin Xiu there.

At a time like this, Qin Shanyuan wasn't polite at all. He didn't know his way around Los Angeles, and having a driver saved him from taking detours.

The driver quickly took Qin Shanyuan and Lin Xiu to Chinatown. After they got out of the car, they let the driver go back first.

This was the first time Qin Shanyuan had accompanied Lin Xiu to go somewhere. And at this moment, he felt a little guilty.

Before, he had always said that Qin Yu was not sensible. However, whenever Lin Xiu went shopping, she would always ask Qin Yu to accompany her. As long as Qin Yu didn't go to work, she would always say yes.

As for him, although he said that he would be filial to Lin Xiu, but he never showed the action.

"Mom, let me take you to the clinic first. You may think that your illness is not serious, but let's ask the doctor for some medicine."

Lin Xiu looked up at Qin Shanyuan. Suddenly, she felt that he had grown up.

It was as if he had changed overnight after last night's incident.

It was said that parents cannot go easy on their son. Otherwise, he will be like flowers in a greenhouse, unable to withstand wind or rain.

The son's willpower and endurance, including the degree to which he could endure things, gradually became stronger after each setback.

Lin Xiu even thought that what happened last night might be a good thing for Qin Shanyuan.

"Alright." Lin Xiu nodded with satisfaction. "As you say, let's go to the clinic first."

There were many big and small clinics in Chinatown, but Qin Shanyuan took Lin Xiu to the biggest clinic just to be on the safe side.

The doctor was an old Chinese doctor. After checking Lin Xiu's pulse, he wrote a prescription for Qin Shanyuan. "Go buy this medicine."

Qin Shanyuan took the prescription and went out. He wanted to go straight to the pharmacy to get medicine, but suddenly he saw a familiar figure in the corner of his eye. He turned around and immediately recognized the girl who had just entered.

"Little thief!"

Qin Shanyuan shouted. The girl jumped up, looked at Qin Shanyuan reflexively, and recognized him in an instant.

As soon as Qin Shanyuan wanted to chase after her, the girl ran away like a frightened rabbit. She pushed open the door and ran away.

Qin Shanyuan chased after her. Seeing the girl running away, he gritted his teeth in anger. "You dare to run away after stealing my wallet. See if I will kill you or not!"

The girl ran ahead and Qin Shanyuan chased after her. Realizing that she was about to be caught, the girl hurriedly turned into an alley. Qin Shanyuan did not even pause for a second to catch his breath. With a quick brake, he also ran into the alley.

"Little thief, stop!"

The girl was tired, but she didn't dare to stop. Finally, the girl was grabbed by Qin Shanyuan and he pushed her against the wall at the end of the alley.

"Run, why are you stopping? Keep running." Qin Shanyuan said while looking at the girl provocatively.

The girl gritted her teeth in anger and struggled for a long time, but she was unable to escape from Qin Shanyuan's evil claws.

In the end, there was nothing the girl could do. She had spent all her energy in running and struggling. She raised her head and glared at Qin Shanyuan. "Let me go!"

Qin Shanyuan really didn't expect the girl to yell at him like that after she stole his wallet. His anger immediately rose. "You brat, you stole my wallet, and you still dare to demand me to let you go?"

The more Qin Shanyuan said, the angrier he became. He pointed at the girl's nose and said, "I'm warning you, if you return my wallet and sincerely apologize to me, I won't push this matter any further. Otherwise, don't blame me for not being polite!"

"Which eye of yours saw me steal your wallet?" The girl was stubborn. Since she wasn't caught by Qin Shanyuan at the scene, she wouldn't admit it even if she was beaten to death.

What a nonsense. *NoveLuSB.com*

Whoever admitted their wrongdoing in such a situation was stupid!

Qin Shanyuan was so angry that he started laughing. "Little thief, you really know how to act, don't you? While I'm still in a good mood, quickly return my wallet to me!"

"I told you, I didn't steal your wallet!" Not only was the girl not afraid of Qin Shanyuan's threats, she even threatened him. "You better let me go while I'm still in a good mood. Otherwise, I'll do something that you won't be able to bear the consequences!"

"Little thief." Qin Shanyuan tapped the girl's forehead with his index finger. "I'm afraid you don't know who I am. Let me tell you, if you dare to do something, this big brother will -"

Before he could finish, the girl suddenly frowned, covered her chest, and cried out in panic and in English, "Please! Somebody, please help me! Someone is being a hooligan here!"

Chapter 837: Dealing With A Girl Like You, I Usually Beat Her With My Mouth

As soon as the word "hooligan" came out, Qin Shanyuan's head hurt. He quickly covered the girl's mouth with his hand. "If you don't stop screaming, would you believe that I will really beat you?"

The girl continued to scream for a long time, but Qin Shanyuan did not let her go. She hardened her heart and bit his hand.

"Ouch!" Qin Shanyuan's face contorted in pain, and he shook his aching hand. He lifted his hand up and saw that it was bleeding.

This sharp-teeth little thief!

"It seems that if I don't teach you a lesson, you will not know how to stop." Qin Shanyuan clenched his hand into a fist. The action of him raising the hand up was both powerful and very threatening.

The girl was so scared that she closed her eyes and hid her head like a poor little rabbit.

Qin Shanyuan had never hit a woman before, and he would never hit a woman either. Even if the other party was a thief, he still can't do that.

This girl looked very young and very pure. However, she just went to the nightclub and stole his wallet. Qin Shanyuan felt that he had to teach her a lesson.

"I will beat you to death!" After saying that, his lips fell on the girl's lips.

His action was smooth like flowing water. If other people who did not know him saw this, they would surely think that he was an expert in romance.

But WHO would have thought that he had never touched a girl's hand before, let alone kissed her?

The girl: "...."

Wasn't he supposed to kill her?

Was this what he meant by beating her to death?

The girl only woke up from her shock when she felt like she was almost out of breath. She raised her hand and pushed Qin Shanyuan away. "There's really something wrong with you!"

The girl was so angry that she wiped her lips with her hand. "Didn't you say you would beat me to death?"

Qin Shanyuan licked his lips and put both hands on the wall between the girl's face. "When I'm dealing with a girl like you, I usually beat her with my mouth."

The girl: "..."

This was madness.

She'd met a madman today!

A hooligan madman!

The girl suddenly cried out, "You are bullying me!"

Qin Shanyuan immediately went frantic. He didn't expect the girl to cry. Hearing her loud and clear cries, he panicked. "Hey, hey, hey... Don't cry. Why are you crying? I didn't hit you! Hey, it's all right, don't cry."

Not only was the girl crying, but she was also crying very loudly. So loud that anyone could hear her from a hundred meters away.

After a while, someone came to check on the situation. Qin Shanyuan quickly explained, "It's fine. I'm just making my girlfriend angry. I'm going to coax her now."

Perhaps people were used to seeing lovers arguing on the side of the road, so after hearing Qin Shanyuan's explanation, they left with a smile.

The girl didn't have time to cry for help before she cried even harder.

She was really scared and very sad. She cried and cried and couldn't stop. No matter how Qin Shanyuan coaxed or placated her, she couldn't stop.

Qin Shanyuan tried to coax her for a long time, but nothing happened. "Little thief, little empress, don't cry, okay? Why are you crying so sadly? I'm not bullying you. Hey, stop crying. Fine! What exactly do you want me to do?"

"Wuuu...Wuuu...Wuuu..." The girl refused to listen. She continued to cry as hard as she could until her body began to shake. Just looking at her made one's heart ache.

"I begged you, okay? Please don't cry. Seeing you cry, I want to cry too." *novElusb.cOm*

Perhaps because of the girl crying very sadly as if her heart was broken, Qin Shanyuan also became sad. "I finally managed to persuade my mother to come here, thinking this would be a trip to heaven. I didn't think my family would despise me as soon as I got off the plane and told me to take a taxi home. I wanted to relax, hence I went to the nightclub. Not only did I lose my wallet there, but I was also arrested by the police. Just who did I offend in my past life to get such a fate!"

The girl's crying slowly quieted down, but Qin Shanyuan didn't seem to hear her. He continued, "I don't care about the money in my wallet. I can earn it again, but in my wallet, there's my ID card, my bank cards, and other important things. If I lose these things, how will I go home? I have to report to the embassy. How many more things are waiting for me to do? In the end, the vacation I finally got from working as a cow was all for naught."

Suddenly, a small hand tugged at his sleeve. Qin Shanyuan brushed the hand off angrily. "Don't comfort me. Leave me alone for a while."

The girl pursed her lips, feeling guilty as she poked Qin Shanyuan's arm. "I-I'm sorry. I-I stole the money in your wallet. I could give it back to you, but... but I-I-I'd already spent the money, but don't worry! Leave me your phone number. As soon as I get enough money from work, I'll definitely return it back to you."

Qin Shanyuan turned to the girl and suddenly smiled wickedly. "Hah, you just confessed! You brat! If I don't use some tricks, you still won't admit it!"

The girl rolled her eyes and almost fainted at Qin Shanyuan's shameless behavior.

"Alright." Qin Shanyuan held out his hand, "Give me back my wallet, the money inside isn't important. It's mainly about the things inside."

The girl lowered her head. "The wallet isn't with me."

Qin Shanyuan was furious. He raised his hand to hit the girl, but he restrained himself.

He was a man who didn't hit women.

The girl raised her watery eyes and said with guilt, "How can I bring the stolen wallet with me? If you want it back, come with me."

Qin Shanyuan snorted. "Fine, but if you lie to me, you'll see how I'm going to teach you."

The girl pushed Qin Shanyuan away and turned to leave. Qin Shanyuan followed her without a word.

The two of them didn't say anything the whole way.

Qin Shanyuan looked at the road and realized that the girl was taking him back to the clinic.

At first, he thought the girl was afraid of him and didn't want to return his wallet, so she took him somewhere far away. But when he entered here, Qin Shanyuan's anxiety finally disappeared, and he didn't believe this girl could still escape from under his nose.

They both walked past the medical hall, and the girl finally led him into a room.

She suddenly stopped and turned to Qin Shanyuan. "In a moment, I'll give the wallet back to you but... Can you not tell the people inside that I stole it? Just...just say that I borrowed the money from you?"

Chapter 838: If You Don't Leave Your Phone Number, How Can I Believe That You Will Really Return The Money To Me

Qin Shanyuan stared unblinkingly at the girl, not knowing what she was really up to. However, seeing her pitiful appearance, he still nodded. "Okay, as long as you give me back the wallet."

"En." The girl nodded, took a deep breath, and pushed open the door.

Qin Shanyuan doubtfully followed the girl inside. Then, he saw a man lying on the bed with wounds all over his body. Apart from his face, everything was wrapped in gauze. Even his forehead was wrapped in gauze.

When the man heard the sound, he lifted his head with difficulty. When he saw the girl, he asked weakly, "Jiaying, when did you arrive?"

Liang Jiaying rushed over and helped the man lean on the headboard. "I just arrived."

After helping the man rest comfortably, Liang Jiaying opened her bag and took out a very thin piece of toast.

She carefully opened the plastic wrap and sat on the bed, pinching a small piece of toast and feeding it to the man.

Just as the man opened his mouth, he saw the man standing behind Liang Jiaying. He asked, "This is ...?"

"Oh!" Liang Jiaying hurriedly replied, "He... he is my friend."

"Friend?" The man's gaze suddenly darkened, and the veins on his forehead immediately throbbed. "Friend or boyfriend?"

Qin Shanyuan was also taken aback by the man's hostile behavior and angry eyes. Could it be that the man lying on the bed was the girl's boyfriend?

"No, big brother!" Liang Jiaying quickly explained. Firstly, she was afraid that her brother would misunderstand, and secondly, she was afraid that Qin Shanyuan would misunderstand. "He's my friend, a common friend."

The man was still cautious. He stared at Qin Shanyuan and eyed him up and down before suddenly asking, "Is he how you got the money for my treatment?"

When Liang Jiaying heard this, although her voice sounded confident, she still looked a little guilty. "Yes, he's the one who has been helping me."

"Really? He lent you so much money." *nOVelS&.COm*

Liang Jiaying put down the toast and patted the man's chest. "Big brother, there's no need to ask about this. The doctor said you can't get too worked up."

"How can I not be worried?" The man pushed Liang Jiaying's hand away, his face turning red with anger. "You're still young, so how can you know what men are thinking in their hearts? He lent you so much money for no reason at all? I don't believe it."

Qin Shanyuan felt that if he didn't say anything now, Liang Jiaying's brother would think he was a "hooligan" or "scum."

"This is..."

Liang Jiaying explained, "My brother, Liang Mingyu."

Qin Shanyuan nodded. "Liang Mingyu, I think you misunderstood me. I lent the money to your sister because we are both Chinese, and your sister is not the type of person who will never return the money that she borrowed. Since she asked, I can't ignore her and not help her."

Although this explanation was not much, but Liang Mingyu still looked at Qin Shanyuan with gratitude.

Liang Mingyu looked at the suit and the windbreaker coat Qin Shanyuan was wearing. From the way he was dressed, it was obvious that he came from a rich family. Besides, Qin Shanyuan did not have the arrogance of being a rich second generation.

Only then did he relax a little. "Don't worry, when I'm healthy, I will definitely return the money you lent to my sister. I will return it even if I have to struggle."

"I'm in no rush." Qin Shanyuan raised his eyebrow. "When you have the money, return it to me."

He raised his hand and looked at his watch. "Liang Jiaying, I still have something to do. I have to go."

Liang Jiaying immediately understood and said to Liang Mingyu, "Big brother, I will send him off."

Then she got up, opened the bedside drawer, and took out a wallet.

Qin Shanyuan recognized his wallet with just a glance. He finally calmed down and took a deep breath.

Seeing Liang Jiaying leaving, he took the lead and walked toward the door.

Liang Jiaying closed the ward door carefully. Then, she handed the wallet to Qin Shanyuan with both hands. "Thank you.."

No matter how much Qin Shanyuan had bullied her before, she couldn't deny that he had also helped her.

If Liang Mingyu knew that she stole money outside to pay for his medical fees, he would definitely tear all the gauze off his body and crawl out of the hospital.

Qin Shanyuan looked deeply at Liang Jiaying for a moment. Then, he reached for the wallet and carefully put it in his pocket.

Just as Liang Jiaying was about to go inside, Qin Shanyuan suddenly grabbed her wrist.

She was a little stunned and reflexively turned around and looked at Qin Shanyuan in confusion.

Could it be that ... he went back on his word?

Could it be that he wanted her to pay the money back now?

Qin Shanyuan couldn't help but purse his lips when he saw her frightened expression. "Who hit your brother?"

"Huh?"

Liang Jiaying didn't expect Qin Shanyuan to ask such a question. She stood there confused, not knowing what to do.

Qin Shanyuan said, "Don't be afraid, I'm just curious. Although I haven't interacted much with you and your brother, I can tell that you and your brother are the kinds of people who don't like to cause trouble. So I'll ask you again, who hit your brother?"

Liang Jiaying watched his expression as if he wanted to take revenge for her brother.

But she also knew that this idea was impractical, so she smiled and said, "No one. You should leave quickly."

Qin Shanyuan suddenly frowned. "Are you not going to pay my money back? If you don't leave your phone number, how can I believe that you will really return the money to me?"

Liang Jiaying: "...."

To be honest, she had really forgotten about it.

Liang Jiaying wanted to return the money to Qin Shanyuan from the bottom of her heart, but she only said it half-heartedly.

"Right." She took out her cell phone, unlocked it, and handed it to Qin Shanyuan. "Put your cell phone number into my phone. I will pay you back as soon as possible."

Qin Shanyuan looked at Liang Jiaying deeply. Suddenly, an inexplicable feeling surfaced in his heart. He did not know why, but he felt that the girl in front of him looked better and better the more he saw her.

Qin Shanyuan pressed his number on the screen and then dialed the number. He waited until his phone rang, then hung up and handed the phone back to Liang Jiaying.

After Liang Jiaying put her phone away, she turned around and was about to enter the ward when Qin Shanyuan suddenly stopped her again.

Liang Jiaying: "...."

Couldn't he say everything at once if he really had something to say?

Qin Shanyuan chuckled. "I'm supposed to stay in Los Angeles for three months. Such an amount of money, I don't think you can pay me back right away. How about this, I'll let you pay in installments."

"Installments?" Liang Jiaying was stunned for a moment because she did not understand what Qin Shanyuan meant.

Qin Shanyuan put his phone back in his pocket. "Yes, after all, you used all my money, and now I don't even have the money to eat."

Liang Jiaying lowered her head guiltily. "I just got a job, and all my salary will be used to pay the bills and living expenses of my brother and me. I will give you the remaining amount."

At this moment, Qin Shanyuan really wanted to do the same thing that Liang Jiahao had done with Qin Yu. He wanted to stroke Liang Jiaying's hair. He raised his hand and it almost landed on her head, but he was able to restrain himself and withdrew his hand.

"There's no need for you to rush." Qin Shanyuan thought about it seriously and then said, "Where do you work? How about... you introduce your boss to me and I work with you in the same place?"

Seeing Liang Jiaying frown slightly, he hurriedly said, "How can the money you gave me be enough to cover my expenses? I still have to eat."

Chapter 839: Do I Really Have To Wear This

Liang Jiaying sighed softly. "Tomorrow morning at seven, I'll call you and send you the address. After that, you can just drop by."

Qin Shanyuan happily agreed. Suddenly, he remembered that he had to get the medicine for Lin Xiu. It had been so long that Lin Xiu must've been worried.

He put his hand on Liang Jiaying's shoulders and turned her toward the door.

"Hurry up and go inside. Your brother will think I'm doing something bad to you later."

Liang Jiaying pushed open the door and entered the room.

Qin Shanyuan looked at the tightly closed door. His mood suddenly became brighter and more beautiful, like warm spring sunlight shining on his heart.

He walked down the hallway and turned a corner to get Lin Xiu's medicine. However, he saw her sitting on a bench near the door, looking at him with a raised eyebrow.

"Mom..." Qin Shanyuan walked toward her. "You've been waiting here for me for a long time?"

Lin Xiu just stared at him. She didn't say anything, didn't even show a slight expression.

Qin Shanyuan felt a little guilty, so he took out a prescription from his pocket. "I'll go buy the medicine for you first."

Lin Xiu still didn't say anything. Qin Shanyuan awkwardly went to the pharmacy to get medicine.

After buying the medicine, he walked up to Lin Xiu with the medicine bag in his hand. "It's not easy for us to come here. Let me show you around Chinatown."

Lin Xiu looked at Qin Shanyuan and suddenly asked in a gossipy tone, "Who was that girl?"

Qin Shanyuan: "...."

Don't tell him that Lin Xiu saw that?

Qin Shanyuan wasn't sure how to answer Lin Xiu's question, he couldn't say that Liang Jiaying was the thief who stole his wallet. Otherwise, Lin Xiu would be so angry that she would immediately call the police.

Qin Shanyuan helped Lin Xiu get up. As they walked to the door, he said, "No one, just a friend."

"Friend?" Lin Xiu didn't believe him. Based on her years of experience with gossip and the way Qin Shanyuan followed and talked to the girl, she felt that they were definitely not as simple as friends.

Embarrassed by Lin Xiu's question, Qin Shanyuan quickly changed the subject. "We really are friends. Oh right, for Qin Yu's wedding, do you want to do it in Chinese style or American style? Since we are in Los Angeles, I think it's better if it's done in American style."

Lin Xiu did not care about that at all. She just stood there staring at Qin Shanyuan. "Who was that girl?" she asked majestically.

Qin Shanyuan: "...."

"S-she is just a friend!"

Lin Xiu frowned. "Are you sure she's not your girlfriend?"

"What? I don't even know her, how can she be my girlfriend!"

Qin Shanyuan knew Lin Xiu did not believe him, so he gritted his teeth and finally explained, "I am really good friends with her."

"Oh..." Lin Xiu's words were very drawn out, making Qin Shanyuan feel pressured.

However, after Lin Xiu accepted his answer, she did not ask any more questions. It was as if she believed Qin Shanyuan's words. She began to wander around the street with Qin Shanyuan.

Throughout the day, even when they went home, Lin Xiu did not ask about Liang Jiaying.

Qin Shanyuan felt that Lin Xiu had believed him.

Han Yuanjun and Liang Jiahao did not come to America for vacation.

Liang Jiahao had a lot of work to do, and it just so happened that China Securities Bank had a collaboration with American Bank, so he was rarely at home during the day.

As for Han Yuanjun, he had started working on the project he had discussed with Han Szeto.

As for everyone else, they were here for vacation. Qin Shanyuan was a single dog, so no one noticed him whether he was there or not.

Therefore, he managed to leave the house without making himself noticed and drove to the address Liang Jiaying had sent him.

"This is for you." Liang Jiaying tossed a mascot costume to Qin Shanyuan. "Hurry up and put it on. We will be out in a minute."

Qin Shanyuan looked at the mascot costume in his hand and fell silent.

He had never come into contact with something like this, which only existed on TV and in the streets.

He never thought that there would come a day where he would do such a funny thing.

Liang Jiaying was already wearing her mascot costume but hadn't put on the headgear yet. Seeing Qin Shanyuan staring at the costume with speechless eyes, she anxiously urged him. "What are you still standing there for? Put it on!"

Qin Shanyuan looked at her disapprovingly, "Are you sure... Do I really have to wear this?"

"Otherwise?" Liang Jiaying put on her headgear. "Stop messing around, hurry up. If the boss sees you later, he'll cut your salary."

Qin Shanyuan: "..."

Ever since he was born, he was the one who cut other people's salaries. He had never been treated like this by anyone else.

In his heart, he was very angry. He secretly cursed the boss, but he still wore his mascot uniform.

There was nothing he could do. After all, he wanted to get close to Liang Jiaying.

Other than this method, he really couldn't think of a better method.

Qin Shanyuan stood there motionless after putting on his mascot uniform.

It's winter, so it's not very hot to wear the uniform. However, the heavy clothes made it difficult for him to walk.

The main thing was that he no longer had a face!

Liang Jiaying walked down the street. After walking two steps, she found that Qin Shanyuan was not following her. When she turned around, she saw him standing there in a daze.

"Why are you still standing there?" Liang Jiaying asked loudly.

Qin Shanyuan raised his bear paw and scratched his face. His actions were both silly and cute, causing Liang Jiaying to burst out laughing. She walked over to him and held his bear paw. "Don't worry, once you wear the headgear, no one will recognize you. Let go of your nature and do whatever you want to do."

Walking to the middle of the street, Liang Jiaying let go of Qin Shanyuan's hand and saw a very cute child following her mother and walking toward her.

She immediately ran over and squatted down, looking directly at the child while asking, "Little sweetie, what is your name?"

The child stopped and timidly took two steps away from her mother's legs. Then, she stood behind her mother's legs, stretched out her small head, and stared at Liang Jiaying warily and curiously.

Her mother encouraged her, "Say hello to big sister."

The child was pushed by her mother as she slowly walked out. Then, she raised her small, chubby hand and touched Liang Jiaying's face. "I know you!"

Liang Jiaying smiled happily and asked, "Who am I?"

"You are Minnie!"

"How clever!" Liang Jiaying happily picked up the child. "Minnie likes smart kids."

"Hahaha..." The child was so happy that she started laughing. Her little hand grabbed the mascot uniform on Liang Jiaying's shoulder, and was so happy that she almost flew into the air.

Liang Jiaying teased her. "Little sweetie, there is a toy store over there with lots of toys. Do you want to go there with me and have a look?"

The child actually wanted to agree right away, but she looked at her mother and did not dare to answer.

The child's mother met the child's eager and enthusiastic gaze. She smiled and nodded. "Of course, you can."

The child immediately smiled happily. "Oh, I want to pick a toy!"

Liang Jiaying gently patted the child's small back. "Then, Minnie will take you there."

"All right!" The child pointed to the toy store. "Minnie, let's go!"

Liang Jiaying ran toward the toy store with the child in her arms. "Let's.....Go!"

Qin Shanyuan stood by the side and watched. The more he watched, the more he thought Liang Jiaying was very cute.

Maybe it was because she was wearing Minnie Mouse's mascot, but her cuteness was doubled. This made Qin Shanyuan's heart, which was as calm as calm water, begin to beat rapidly.

Chapter 840: Are You Going To Tell Me Yourself, Or Do You Want Me To Investigate

After Liang Jiaying brought the child to the entrance of the toy store, she said a few words to the child and then walked toward Qin Shanyuan.

"What are you doing? Hurry up and get the customer."

Qin Shanyuan took a deep breath. "I ..."

Actually, he didn't like children!

It can be said that he hated children.

Especially the boys!

Instead of playing with the children, he preferred to sit at home and drink coffee.

"You, what?" Liang Jiaying snorted. When she saw a little girl walking with her mother, she immediately pushed Qin Shanyuan. "I'll leave the girl to you. Go quickly."

Qin Shanyuan staggered and almost fell down in front of the girl.

When the girl saw a stupid and heavy bear about to fall in front of her, she was surprised and immediately hugged her mother's thigh.

Qin Shanyuan saw the scared expression on the little girl's face, and the resentment in his heart boiled up.

Since Liang Jiaying could do it, there was no reason why he couldn't, right?

Not to mention that he was the general manager of the company. How could a dignified general manager not handle a child?

He didn't believe he couldn't handle this devil.

"Little sister..." Qin Shanyuan followed Liang Jiaying's example and bent down to look at the little girl. "Can big brother hug you?"

The little girl opened her big, watery eyes and held her mother's hand in fear. "Mama, save me ..."

Qin Shanyuan: "...."

Was he not handsome enough or gentle enough?

Qin Shanyuan cleared his throat, "My name is Mishka, would you like to be my friend?"

The little girl shook her head in protest. "No, I don't want to! I don't want to!"

Qin Shanyuan lowered his voice, "Let's be friends."

Saying this, he forcefully carried the little girl. The little girl seemed to have seen a monster as both her hands wriggled frantically, beating her palms against Qin Shanyuan's head.

With several blows, she knocked off Qin Shanyuan's headgear.

Qin Shanyuan was caught off guard and was struck in the face by a small palm.

Qin Shanyuan: "...."

Was he that scary?

The mother finally couldn't bear to look anymore. She took her child back from Qin Shanyuan's arms and scolded him. "You pervert!"

Then she took her child with her and left.

Qin Shanyuan stood in the cold wind while his headgear rolled on the ground.

Liang Jiaying laughed so hard that her hands were on her hips and her headgear also almost fell out.

"Those who don't know will think that you want to kidnap their children!"

Qin Shanyuan said guiltily, "What happened? Didn't I do the same thing as you? Why did the child not want to play with me?"

Liang Jiaying laughed so hard and sat down on the ground. She mimicked Qin Shanyuan and the child's voices, "Let's be friends. No, I don't want to! I don't want to! Aiyo, I'm dying of laughter."

Seeing Liang Jiaying sitting on the ground laughing, Qin Shanyuan became angry and laughed to himself, "Children are monsters to me!"

"No." Liang Jiaying unkindly poked Qin Shanyuan's heart. "You're the monster to them. What a strange uncle. Aiya, it looks like I have to teach you properly. Otherwise, if we can't complete today's task, our pay will be cut."

At night, when Qin Shanyuan came home, he collapsed on the bed and couldn't get up.

Lin Xiu knocked on his door. Without waiting for Qin Shanyuan's answer, she pushed open the door and walked in.

Qin Shanyuan raised his head slightly. When he saw Lin Xiu, he immediately put his head back on the bed.

"Xiao Yuan..." Lin Xiu poked Qin Shanyuan's stomach with her finger. "Where did you go today? I couldn't find you anywhere and you didn't answer my calls."

It wasn't that Qin Shanyuan didn't want to pick up the phone, but he'd put his phone in his jacket and it was locked in his employee's locker.

If Lin Xiu didn't tell him, he wouldn't know that she'd called him.

"I have something to do outside." Qin Shanyuan stared at the ceiling and casually replied to Lin Xiu's question.

Really funny.

Qin Shanyuan was Lin Xiu's son. She had raised him and knew what kind of shit he was up to. How could she not see through his nonchalance?

"Xiao Yuan!" Lin Xiu raised her leg and kicked Qin Shanyuan's thigh. "Is this how you answered your mother?"

"Mom!" Qin Shanyuan was in so much pain that he sat down on the bed, holding his legs and shouting, "Am I your biological son or not? Can you stop kicking me or reduce the strength a little? If your kick is a bit crooked and accidentally hits the important part, how am I going to get married in the future?"

Lin Xiu was stunned.

First of all, the only places she kicked were his calves. It was still far from that place, so why was Qin Shanyuan so nervous?

Secondly, she didn't use any strength at all!

Was she that stupid to kick her own son like that?

But then, why did Qin Shanyuan look like he was in so much pain?

Even his eyes were squinting from the pain.

Eh, that wasn't right!

"Shanyuan, do you have a girlfriend?"

"Huh?" Qin Shanyuan was surprised by the question and immediately shook his head. "No, no!"

The more Lin Xiu looked, the more she felt that something was wrong. She raised her hand and hit Qin Shanyuan's head. "You brat! Every time you lie, you always act like this! Quick, tell me, who's this girl?"

Qin Shanyuan was almost thrown backward by Lin Xiu's slap. He raised his hand to cover his head and wanted to run away, but the back of his neck was held by Lin Xiu. No matter how hard he tried, she couldn't escape.

"Xiao Yuan, are you going to tell me yourself, or do you want me to investigate?"

"Mom!" Qin Shanyuan could only raise his hand in surrender. "Alright, I'll tell you. I'll tell you!"

Lin Xiu's eyes immediately lit up.

It seemed like the little wolf cub she had raised was finally growing up, and his heart was racing with emotion!

"Alright, go ahead, tell me about her." Lin Xiu looked dignified on the surface, but in her heart, she was so excited that she was like a wild horse running in a wide meadow.

She sat down, and Qin Shanyuan immediately moved aside, afraid that his mother would hit him again if he said something wrong.

"I ..." Qin Shanyuan said slowly, in a testing manner, "I don't have a girlfriend ..."

"What!" Sure enough, Lin Xiu was so angry that she immediately raised her hand.

Qin Shanyuan immediately explained before Lin Xiu could beat him. "I don't have a girlfriend because I'm still chasing her! I don't want to force her, and I always believe that if she is really mine, then she will always be mine."

Lin Xiu was confused when she heard that. "Is she your girlfriend or not?"

Qin Shanyuan licked his lips, "I'm really working hard right now. Whether I succeed or not, anyway, I leave it to fate. I think this is a reasonable answer to why I've never tried to find a girlfriend before. Who knows, maybe she's the person I've been waiting for."

"All right, that's enough." Lin Xiu rose from the bed. "You should rest early. Don't sleep late."

Qin Shanyuan watched as Lin Xiu walked out of the room. Even after the door closed slowly in front of him, he still couldn't react.

His mother let him off just like that?

His mother had let him off so easily?

Thinking about Lin Xiu's various bloody and cruel ways of forcing him to get married, Qin Shanyuan's heart contracted and he couldn't help but shiver.

Was the lady who had just gracefully left his room and the one who had pushed his marriage to the extreme, his own mother?
